order: First, to refer to appropriate commit-tees all nowinstions now on the table, account, to take up for final action various treaties which now await ratification, and next to consider all uncontexted nominations already reported, or that may hereafter be reported. From the sense committees.—The report—will not take the ground that no other nominations should be considered during the present session, but that the programme of lumineas for the presen-should be restricted in this manner. The re-port, if adopted by there calcae, will probably result in the holding of an executive assion to-morrow afternoon.

UNITED STATES SUPREME COURT. Decision in a Case Where Negroes Were Excluded from the

KRN-as CITY, KAN., April 28.—The flood here a the most terrible of any which has ever ocurred in this section, and has aiready caused undreds of thousands of deliars worth of damage. The city is divided naturally into two arts—the flats along the river and the high and. All the railroad depots, packing-houses, the gas works, many saw-nills, foundries, the gas works, many saw-nills, foundries, and other knows. Jeweler and Optician.

Well and the second of the second o

daughter, closed last night, the jury rendering a verdict of manaisurabler and recommending the prisoner to the least punish were under the last. The verdict was a surprise to the entire community, as an acquittal was suriepated it is expected that the governor will be petitioned in mediately to parion Thomas, as such a petition would be signed by nearly every citizen.

Special Weather Butteria.

Special Weather Butteria.

Washington, D. C., May 2.—The indications are that partly cloudy, or cloudy weather, will prevail in the New England, middle, Atlantic and lower lake region to-day, followed by clearing weather in the latter two districts to-morrow. The Mississipit river will probably continue to rise at and below St. Lonis, and fall at St. P. Bail. The Missouri river will probably continue to rise below and to fall above Leaven worth.

him to withdraw the name of Robinson, council, therefore, should go about the mat-said with emphasis that he would see them ter in a business manner. Accertain what sternalled, or words to that effect, before he the needs of the city are in regard to main seeing a drummer at work, and having reasonable it, and the lowering clouds lower still lower o'er the rebublican house.

The city can afford to pay for the additional with the proper authority, can as easily described in the city can afford to pay for the additional with the proper authority, can as easily described in the city can afford to pay for the additional with the proper authority.

the river bod used to run horth of itarlem. The leves above Hariem has given it; for the works are operated for money, way, the river is running through its old sud not patrictism. If the company dechannel, and rears are catertained that it will remain there, which would make the present million and a half dollar bridge use.

without being subject to the insurance laws of the state. The bill passed both houses by an unanimous vote, but Gov. Cornell vetoed it, and on the 22d inst. a mass-meeting of those interested in the bill was held at Cooper union, in New York, to indig-nate at the act of the governor, and to ask the legislature to pass the bill notwithstand up the veto. We have not seen the governor's reamons for vetoing the bill, but they must have been very strong ones, as about 400,-000 voters in the state of New York are in-

We entered the Lone Star state on the 15th of

a statement that he had not resigned, which Ir is now reported that the 'long and was followed by a statement that he had the short man" are captured, and now the resigned, and that followed in its next best thing to do is to see if some means turn by one that he had not resigned. The latest report is to caunot be devised whereby the operations of resigned. The latest report is to certain laws passed by the last legislature the effect that he has simply received a cannot be legitimately or legally brought to two months rurlough (not an unusual thing a period or modified in some manner, for they for him to receive) to enable him to accept also act on the same "threw up your hands," the presidency of the Texas Western railway or "standand deliver" principle, to a great or and build it to the Ello Grands. It is not less extent, though in a different manner,

The village of Hariem stands on the north a ressonable rate for hydrant rent. The side of the river opposite Kansas city, and only should not demand the water at a less them to all the expense possible.

The large above Hariem has alvent in the state, and put the river bed used to run north of Hariem above the river are operated for money.

devote in minutes to any proposition looking to the bringing here of a manufacturing establishment that would be worth a huns dreft thousand dollars a year to the city. There is such a thing as being great in little things, and little in great things.

The Dallas Those toils of a movement is angurated in that city to establish a republican paper in opposition to Norton's Infection of the countries of the city to establish a republican paper in opposition to Norton's Infection of the countries o

We are informed the late advices from the United States engineer officer in charge of the works at Aranuas Pass state positively that there will be at least sixteen feet of war ter on the bar by the first of August nextter on Aransas Bay is not more than one hundred and forty miles. Now any one can see at a glance that the great difference in the rail haul would give the port of Aransas Bay a commanding position, as the water freights would be the same from New York terested in the passage of the bill.

LEUTS SELLS, manager of the Great Pacific circus, writes as follows to the Galveston of lines will reveal the fact that three great Press. Ecours Ser. 1. A manager of the Great Pacific rous, writes as follows to the Galveston with the prospection of the Lone Star state on the lish of the Sprimber; passed through the greater ports sprimber; passed through the greater ports of the state, tying up for a brief period a moston. It has never, during my travels rous the that the state, tying up for a brief period a moston. It has never, during my travels rous the third states, been my privilege to be on aircre soil, or a more prosperous country. That myself and company are pleased with a silmater and people of this great state doesn't fire estimate and people of this great state doesn't fire estimate and people of this great state doesn't fire estimate and people of this great state doesn't fire estimate and people of this great state doesn't fire estimate and people of this great state doesn't have a summing a state of the state of tention to this matter, have expressed sur, prize that San Antonio has never evinced here for the reverse had public, and may your future be as grand as the dream of the most sanguine. Prior to entering your state a portion of our company, especially a few of the foreigners, were reductant to vielt Texas, owing to lis reputation abroad as being a country of knife and were retrictant to visit exac, owing to large pointion abroad as being a country of knife and revolver. We are proud to say experience has agreeably disabused them of the erroncous idea not a law of them buying land with a view of permanent settlement in Texas.

We dislike to question the veracity of a newspaper report, but when one honestly tells one thing and another tells another disrectly the opposite and just as pointedly, we are somewhat at a loss to know how to reconcile the differences and accept both as gospel truth. We have seen the statement that Fred. Grant had resigned followed by a statement that he had not resigned, which

yet stated that he will complete the work as the distinguished gentlemen of the road contemplated within the time mentioned, alluded to. If the cases of the arrested drumbut candor compole us to say that we would mare at New Braunfels reported the other not be surprised to see such a statement any day were properly prescuted at this office, day. It is getting too warm to be surprised to drummer's tax law was the medium at or excited ever anything. day. It is getting too warm to be surprised at the called over anything.

We have received a solo from Mr. E. H. Chibabater, Apoly U. S. revenue collision, in which, while dealering has done not prepore to motion the surprised almost equaling some of the capitolis of the poor with societo the salve (of the flavours) of the collision of the capitolis of the solid poor to the capitolism of the capitolism of

Great B was strongle. In favor of Hornecopschy. That ight the child passed in suffering, and the parents without sleep. Returning home the day following, the father found the baby still worse; and while contemplating another despless night, the mother stepped from the mother stepped from the mother with the child. During her absence he administered a portion of the Soothing Syrup to the baby, and said nothing. That night all hands slept well, and the little fellow awoke in the morning bright and bappy. The mother was delighted with the sudden and wonderful change, and although at first offended at the deeptice practiced upon her, has continued to use the Syrup, and suffering, crying babies and restless nights have disappeared. A single trial of the Syrup never yet failed to relieve the baby, and overcome the prejudices of the mother. Sold by all druggists. Twenty-sive cents a bottle.

outragement conductor menugais.

The town of Bichmond, on the Sunset, seems to be getting its name up as a rough place. Sunday a pic-nic train ran up from Houston to Carlor take, fifteen miles from Bichmond, and another train from Bichmond, and another train from Bichmond, and another train for their plews and took a party down. The same locally was selected by both parties for their plews, and when the point was reached a trei gross which anded in a most disself, bendies who had accompanied the party into the cars, breaking up the another was discretely bendies who had accompanied the party into the cars, breaking up the another was discretely bendies who had accompanied the party into the cars, breaking up the another was discretely bendies of the presence of the grounds, the indicate who had accompanied the party into the cars, breaking up the another was discretely bendies of the past two for three years has been greated. Sheep men are all doing well.

Little Bessie, the charming three and had year old daughter of Mr. and the party into the cars, breaking up the another was discretely bendies.

ARRESTED AS HIGHWAYNEN.

TOUR YOUNG MEN OF GOOD STAND

Gen. J. W. Barnes, of Navasots, Texas, Mr. J. O. Stanton, of Boston; Mr. R. T. Looney, of Memphis, Mr. F. Oramer, of Pennsylvania; and two gentiemen named Smith from New York, arrived from the north yesterday morning to at once commence the construction of a railway from San Antonic to Tapolovampo, on the Gulf of California. Gen. Barnes has been laboring for years to induce men to construct a railway to the Ric Grande, but received little encouragement, until recently, when the gentlemen whose names are above given, and some others, took an interest in hearters. been of masic, reserved to Mercerical grows has Sunday, and sport the day in gettern the season of t

The popular opinion, which seems to prevail in our city, is that the stock of men's and boy's ciothing, brought on by that live firm, than at Oppenheimer, is that they have the "boss" stock in this town. Not only are the patterns all new, plain and neat, but the prices are what tells the tale, as you on get a suit there for a very little money. We advise our friends to call and see what they can do.

ahilch's Consumption Cure.

This is beyond question the most successful cough medicine we have ever sold. A few doses invariably cure the worst cases of cough, eroup and bronohitis, while its wonsderful success in the cure of consumption is without a parallel in the history of medicine. Since its first discovery it has been sold on a guarantee, a test which no other medicine can stand. If you have a cough we earn; only ask you to try it. Price 10 cents, 80 cents and \$1. If your lungs are sore, chest or back lame, use Shiloh's Porous Plaster, Price 28 cents. Sold by C. Schasse, druggist, 18 Commerce street, San Antonio, Tex.

Burnett's Coccaline for Loss of Mair. Burnett's Coccaine For Loss of Hair.
Chicago, Oct. 11, 1880.—Three years ago
my hair was coming out very fast, and I was
mearly baid. I was also troubled with dandruff. I began using Burnett's Coccaine,
and my hair immediately stopped coming
out, and has constantly been getting thicker.
My head is now entirely free from dandruff.
My wife has used the Occaine with equally
as gratifying or Allis.
