ARTESIA HIGH DEFEATS N. M. M. I. PREPS

Many Passes By Cadets and Work of Davis for Artesia Feature Game. Score 20 to 12

The Artesia high school gridsters journeyed to Roswell on last Saturday and trounced the New Mexico Military Institute Preps in a fast football game by a score of 20 to 12. Coach Adams "Bulldogs" played an excellent game, considering the lack of experience. Meadows, Long, House, DeAutremont, Ohnemus, Bruce, Rideout, and others are playing football for their first season. Williams at center, Yeager, Bullock and Davis in the backfield, and Welsh and Cole in the line are letter men from last year's squad. The locals did not resort to any special plays in this contest and several excellent men were not used, but were saved for the Roswell high school team when they come to Artesia on Friday of this week.

Artesia kicked off to the cadets after the initial whistle of the game. The cadets advanced rapidly down the field, but lost the ball on the six yard line. Davis fumbled the ball on a low pass from center and was downed behind his own goal by an Institute tackler. This safety gave the soldier lads two points in the first few minutes of play. The quarter ended with the score 2 to 0 in favor of the Cadets.

The second quarter began with the ball in the possession of the Institute. They attempted an on-side kick soon after the beginning of this quarter. The ball was recovered by Bullock, speedy Artesia half-back who raced eighty yards for the first touchdown of the game. On the play from scrimmage for the extra point, Bullock successfully placed the ball between the goal posts after a drop kick. This now placed the Artesia team in the lead, which lead was maintained throughout the game. Soon after the kick-off, by Davis, the Institute advanced by line plunges to the center of the field.

A long pass for forty yards gain placed the ball near the goal line. Ballard plunged through the center of the line for an Institute touchdown. Hart made an extra point and advanced down the field at a rapid rate by means of end runs, tackle smashes and two passes. The Artesia team opened up in their usual form just at this stage of the game. Captain Yeager had replaced Meadows at the tackle position and would alternate with Davis at half-back. This gave both men a chance to make gains in the backfield and also strengthened the line. This method of changing positions during scrimmage with these two stellar athletes proved successful.

DeAutremont successfully passed to Bullock on the right by a twelve yard gain. He then passed to Yeager on the left for a fifteen yard gain and a touchdown. Bullock attempted a drop kick from scrimmage but the kick was blocked. The half ended with the score 13 to 9 in favor of Artesia.

The Institute entered the second half with the same lineup as they commenced in the first quarter. All subs were taken out. The Artesia line, which had been allowing the cadets to plunge for long gains appeared to withstand the terrible charging of the soldiers with more success. The ball was advanced down the field after the kick-off by Davis, until the ball was in the cadets' possession on the twenty yard line. The high school became in possession of the ball and soon had the ball on the one foot line on first down. On account of excellent work by Summerville, Stonerook and Link, DeAutremont failed twice and Bullock failed once to make the distance. Davis then plunged through right tackle for the touch-down. Bullock again makes a successful drop kick for the extra point. The third quarter ended with the ball in possession of the Preps on the twenty-five yard line. The score was 20 to 9 in favor of Artesia high.

Soon after the initial kick-off by Davis, the Preps advanced the ball to the twenty yard line. Hart then kicked a drop kick from the play and scored three more points for the cadets. Meadows re-entered the game for Longs and Cole relieved Davis at tackle position during this quarter. Ohnemus recovered a fumble by the Institute and a pass from DeAutremont to House almost scored another touchdown for the locals. The game ended with the ball in the possession of the Preps on the thirty yard line. The final score was 20 to 12.

Artesia was penalized ten yards and the cadets lost yard yards thru penalties. Davis and Bullock interfered with receivers of forward passes, allowing the cadets to be granted thirty yard gains. Both teams were forced to punt seven times. The high school made their first downs six times, while the cadets gained their required ten yards on twelve occasions. The game resorted to passing during the last half. Artesia attempted four passes and were successful in three attempts. Two forward passes were intercepted by Artesia. The Preps attempted fifteen forward passes and were successful in seven passes for a gain of ninety-five yards. This phase of the game created a great deal of interest, as the aerial attack always proves the class of an eleven.

Excellent offensive work featured both teams. Weakness was visible in defensive work.

Johnson and Hart played an excellent game for the Preps in the back-field. Especially was the work of Johnson worthy of mention. Summerville, at tackle, and Smith, at guard, did good work in the line. Exline and Nickols proved to be an excellent pair of ends.

It would be a difficult task to pick the individual stars on the Artesia team, as so many players were playing their first game. Davis was easily the best player on the gridiron. His line plunging and general ability demanded much praise. Captain Yeager, who would play alternately at tackle and half, was prominent in almost every play. Bullock and House were able to make long gains and proved very effective in breaking up passes. Hugh DeAutremont, who is playing his first year at football, proved an excellent general at quarter-back. Although light, he has the ability to plunge through the line.

Bruce and Rideout, both little men, easily handled the duties connected with the wing positions. These recruits proved efficient in breaking up the interference of their opponents and Bruce proved speedy in every respect. Williams who formerly played guard, handled the center position like a veteran. Ohnemus and Meadows, both new men, are hard tacklers and often threw the opposing backs for losses. Yeager, Davis and Cole, who played in these positions during the game, were strong factors in the success of the team. Welsh, veteran line-man and Long, husky guard, proved a barrier to the advance of their opponents through the center of the line.

Following are the lineups: N. M. I. PREPS: Exline, left end; Bachechi, left tackle; Smith, left guard; Link, center; Stonerook, right guard; Summerville, right tackle; McDonald, right end; Ballard, quarter; Montgomery, left half; Hart, right half; Johnson, full-back.

ARTESIA HIGH: Bruce, left end; Ohnemus, left tackle; Long, left guard; Williams, center; Welsh, right guard; Meadows, right tackle; Rideout, right end; DeAutremont, quarter; Davis, left half; Bullock, right half; House, full-back.

Substitutions: Payne for Exline; Exline for Payne; Nichols for McDonald; McDonald for Nichols; Tate for Bachechi; Bachechi for Tate; Yeager for Meadows; Cole for Yeager; Yeager for Davis; Meadows for Long.

Other players taken to Roswell by coach Adams were Kaiser, Floore, Lutton, and Stevenson.

Mrs. Manda Wetig and daughter from Wichita, Kansas, are in Artesia, coming here to spend the winter. They are well known in Artesia, having land holdings south of town. Their many friends welcome the ladies to our town.

Elder Coffey has gone to St. Louis to attend the national convention of his church. Rev. Lanning will fill the pulpit at the Christian church next Lord's Day at 11 p. m.

BARON AURIEMMA COMING AGAIN

"Happy Jim," Baron James Auriemma will be in Artesia the latter part of the week to assist in a drive for the Salvation Army. This man is a concert singer of note and presented a concert to the Artesia people some months ago. Many remember this talented singer. He is actively engaged in collecting funds for the Salvation Army and devotes his time and voice to the great cause of helping others. He receives no salary and gives all he collects from his concerts and efforts to the Salvation Army of this state. He will sing at one of the churches on Sunday morning according to reports received here.

PARENT-TEACHERS MEETING ATTENDED BY LARGE CROWD

A very interesting program was given at the regular meeting of the Parent-Teachers Association at the central school building on Monday evening. About seventy-five persons were present at this occasion. The early part of the evening was devoted to general conversation and a "get acquainted" meeting, while victrola music was enjoyed. The receiving line included the officers of the Association and other prominent members of the organization. A very noticeable fact about the meeting was the large number of men who were present. The meetings will be conducted during the evenings for the remaining sessions of the year, in order to give the men an opportunity of attending each session.

Mrs. B. A. Bishop, president of the P. T. A. presided at the meeting. A very interesting program including vocal solos by Mrs. Martin Yates, Mrs. Frank A. Corbin, Mrs. John Lanning, and Miss Lucile Jones, head of the department of music in the Artesia schools; readings by Miss Irene Gage, and a short address by Miss Alma Givens, was very pleasing. Each number of the program was encored. The Superintendent of city schools stressed the importance of cooperation by the parents in assisting the corps of teachers in their school work. The parents should have a greater interest in the work being done in the various schools of the town, especially when their own children are concerned. Miss Givens and the efficient corps of twenty-four teachers welcome visitors to the schools and always welcome the parents in the rooms, or classes, of their children.

After the program, delicious refreshments, consisting of coffee, tea and doughnuts were served by Misses Alma Givens, Gertrude Baber, Lillian Meadows, Lucine Jones, and others. A silver offering, to be used by the P. T. A. in purchasing reference books for the use of the school pupils was large and was appreciated very much by the organization. Every one present enjoyed the occasion and expressed a desire to attend the next regular meeting, which will be conducted at the same building.

JUST REMEMBER

Four years ago, this section of the country was being handicapped by the terrible influenza epidemic. The schools were being closed all over the country. Public meetings were not permitted and hundreds of persons died as a result of this epidemic. Even yet, many people remember the terrible period of suffering. However, many people have forgotten the trials of a few years ago and are continually howling about prices, financial troubles and other matters that are not of as great importance as the health of a public people. Let everyone rejoice that the health of the country is considered about as well as ever. Let us be thankful for the general health conditions.

Perhaps you remember that neither Judge Davis, Congressman Montoya or Dr. Crile mentioned the soldiers' bonus bill when they spoke here. They did not tell you that the President has always claimed he was in favor of a bonus, nor did they tell you he has defeated it every time he had a chance. They didn't tell you about his veto. Has the president demanded that any other bill carrying an appropriation specify the exact method of raising the money? They didn't tell you.

The Citizen editor enjoyed the pleasant call of C. Bert Smith of Artesia, grand secretary of the I. O. O. F. grand lodge. He is a fluent speaker and as a mixed he ranks with the best.—Clayton Citizen.

The largest delegation to the I. O. O. F. grand lodge meeting from the Pecos valley was from Artesia. The delegation consisted of Ebraest A. Hannah, Grand Patriarch of the Grand Encampment, New Mexico, Judge S. E. Ferree, grand representative of the grand encampment; C. Bert Smith, grand secretary of the Grand Lodge; A. B. Cole and Earl Collins, representatives of Artesia lodge No. 1; C. J. BAPTIST LADIES SEND APPLES TO ORPHANS HOME

Many Bushels Prepared in Days Meeting. Excellent Social Event At Home of Mrs. Cole

A large number of the members of the Womans Missionary Union of the First Baptist church met at the home of Mrs. C. M. Cole on last Thursday for an all-day meeting for the purpose of drying and slicing apples. This fruit, when sufficiently evaporated, will be sent by the organization to the Baptist Orphans home at Portales.

Several bushels of apples were presented to the ladies by F. G. Hartell and Mrs. J. M. Cobble. Several large sacks of dried fruit will be sent to the management of the Orphans home as soon as they are ready.

The ladies arrived at the scene of activities in the early part of the day and began their task by peeling the fruit. The apples were then sliced and placed upon the roof for evaporation. Several hundred square feet of roof space was covered by nightfall. Each lady brought something to eat and a delightful noonday meal was enjoyed. Although tired at nightfall, the ladies were happy that they were able to do this one thing, which was very acceptable to the little children under the care of the denomination.

During the day, a regular business meeting was conducted. Officers were elected for the next year. The following officers were elected: Mrs. C. M. Cole, president; Mrs. Givens, vice-president and Mrs. J. C. Jesse, secretary and treasurer.

Among those present were Messrs. Holmes, Bowman, Castleberry, Givens, Jonas, McNeil, Jesse, Cole, Story, Taggart, Beals, Bishop, Carrol Brown, L. Brown Geo. Lewis, John Lewis, Kishbaugh, Attebery and Hoffman.

Harvey Klopfenstein was a visitor in Carlsbad the first of the week. Attorney J. H. Jackson was a visitor in Carlsbad last week. Mrs. Losseff and Mr. Ennels of the Eddy county health department were visitors in the Artesia public school during the past week.

S. G. Southworth, Deyton Reecer, Jess Truitt and others are in Carlsbad this week attending court as jurors.

The Ladies Society of the Christian church will serve lunch at a lunch counter near the voting poles on election day, November 7, 1922. Your patronage is solicited.

A large number of local football fans accompanied the Artesia high school football team to Roswell on last Saturday, when they defeated the New Mexico Military Institute Preps. In a football game. Those making the trip were Miss Alma Givens, superintendent of city schools, Misses Mary Sands, Hazel Morris, Beatrice Davis, Anna Frances Jackson, Loraine Kirkpatrick, Jeanne McCabel, Bess Ward, Sue Ward, and Messrs. Frank Seales, Fred Cole, O. K. Evans and Henry Davis.

YOUNG PEOPLE HAVE PICNIC AND FEED

A large number of the Baptist Young People motored to the Ruddy Orchard, four miles southeast of town, on last Thursday evening, where they enjoyed a weinie roast and marshmallow toasting event. The merry crowd of about forty persons assembled at the First Baptist church and left for the scene of activities under the watchful eye of Mrs. Ethel James, popular teacher of the young people's Sunday school class. A large truck and other automobiles were used for conveyances.

Soon after arriving at the large Artesian well in the orchard, a high fire was soon flaming and sticks were cut for the purpose of roasting the weinies. A copious supply of sandwiches had been supplied, which proved to be very beneficial and appealing to the young people, while eating their weinies. The marshmallows soon appeared and disappeared in almost as fast time. Pickles and other catables, which are essentials of a successful picnic supper, were plentiful. Several members of the group decided to eat a few apples, while others devoted their time to other activities. The road proved to be an excellent place for outdoor games. A Mexican orchestra delighted the party with some special music, which was an added attraction. The Mexicans lived across the road from the picnic grounds and were willing to play for the entertainment of the young people.

The question was soon asked, "Who ate the most weinies?" It was finally settled when proof was presented by several testifying that Harvey Klopfenstein and Ben Dunn had shown the greatest ability along this line. After eating about one-half bushel of apples, Clint Cole suggested that the party go home, which plan was soon adopted by those present. The homeward journey was soon ended without anything of unusual interest occurring, except that Ruby Hicks, Belle Burrows and other musically inclined wanted to do all the singing. Among the members of this merry group were Messdames Ethel James and Alice Reecer, and Misses Wanda Pearson, Dossie Boykin, Elizabeth Solomon, Zaida Mann, Ruby Hicks, Florence Stevenson, Grace Castleberry, Lois Burns, Leta Brown, Alice Dunn, Mary Alice James, Lillian Meadows, Gertrude Burgan, Maggie Hollis, Belle Burrows, Martile Wascom and Nola Nallor; and Messrs. Louis Cole, Herman Cole, Ira Klopfenstein, Dalton Wilson, Harvey Klopfenstein, Fred Cole, Bun Dunn, Kyle Jonas, Clyde Gant, Clint Cole, Emmette Klopfenstein, Charles Adams and Richard Attebery.

REYNOLDS—NUSSBAUM

Miss Gladys Reynolds, formerly of Artesia, now living at Pine Bluffs, Wyoming, and Mr. Claude Nussbaum, a well known farmer of Pine Bluffs, Wyoming, were united in marriage in Cheyenne, Wyoming, October 5th, 1922.

The bride is the sister of Mrs. Robert Miller and Mrs. James Vogel, of Artesia.

We enjoyed the daily visits during the past week of Judge S. Ferree of Artesia, at our office. He is one of the strong men of the Pecos valley.—Clayton Citizen.

ARTESIA LOSES TO CARLSBAD

CARLSBAD SLUGGERS VICTORIOUS IN LAST GAME. MORRIS PITCHES WONDERFUL GAME. BRAINERD ON MOUND

The Artesia baseball club again submitted to defeat at the hands of the Carlsbad sluggers on last Sunday afternoon on the Roselawn park in south Artesia. Dopesters had picked the locals to administer an overwhelming defeat to the lower valley players, but Morris proved too great a barrier to the locals, who played in their usual form, allowing several very costly errors to be marked against them at critical periods of the game. This game, which was lost by the score of 3 to 7, was one of the four defeats by Artesia at the hands of the Carlsbad team by one score. The score last Sunday was 6 to 5.

The crowd began to assemble about two o'clock for the fray, which did not commence until after three o'clock on account of the late arrival of the Carlsbad aggregation. Interest was at a high pitch and the fans were eager to see Carl Manda, formerly of the International league and Fred Brainerd, formerly of the New York Giants and who played last season with the Newark, New Jersey team, in action. Both players appeared in Artesia uniforms.

Manda proved a sensation on third base and Brainerd commenced the game at shortstop, but later relieved Martin as pitcher. The Carlsbad team was also composed of several new players, who were unknown to the Artesia fans.

Martin, the old reliable, began the game for Artesia, on the mound, but was relieved by Brainerd in the fourth inning. The Carlsbad slug artists are accustomed to the twirling of Martin and his deliveries were not as effective as usual. He struck out six men in the three innings, however. The visitors connected with the horseshoe during these three innings for two doubles, three bingles and one three-base hit. Brainerd pitched the remaining four innings, allowing three bingles and striking out six batters.

Morris twirled for Carlsbad and struck out twelve Artesia men. He allowed seven hits, including two three-base hits by Brainerd and one three-base hit by Hawkins. Smith also connected with the horseshoe for a two-bagger.

Artesia gained the lead in the first inning but lost the lead in the third inning. However, Artesia again forged ahead in the fourth inning. This lead was maintained until the last inning, when two bingles and an error by Hawkins let in three scores. Artesia was unable to overcome this lead by scoring one run.

Rev. R. F. Davis, who has been the pastor of the Methodist church at Artesia during the past three years, has returned from the annual conference of the denomination, which was conducted this year at Peecos, Texas. Rev. Davis and family thought that they would be requested to move to a new place by the conference for next year's work. However, it has been learned at Artesia that Rev. Davis will remain at Artesia as pastor for one more year. This is very pleasing to the members of the Methodist church and to a large per cent of the other people of the town.

This minister and his family came to Artesia three years ago from Missouri where he was a pastor. He transferred to this conference on account of the health of his daughter, which has improved rapidly during their residence in Artesia.

"POWDER BOX REVUE" PRESENTED IN HAGERMAN

American Legion Show A Great Success at Valley Town

The "Powder Box Revue," the high class vaudeville shown and drama was presented to a very appreciative audience at Hagerman, New Mexico, on last Wednesday night. The high school auditorium at that place was almost packed at the presentation of the show by the all-star cast, under the direction of Mrs. Ruth L. Skeen. The Hagerman public were well pleased with the entertainment and many compliments have been received by the management concerning the show at that place. A large number of persons from Roswell, Dexter and neighboring towns were present. Several Artesia persons, who did not see the show at Artesia, when presented in the high school auditorium several weeks ago, journeyed to Hagerman in order to see it presented.

The exact amount of the receipts which was allotted to the Clarence Kepple post of the American Legion at Artesia, is not known by the correspondent. The Hagerman post of the American Legion was in charge of the advertising at that place and made all necessary arrangements for the management before the cast arrived for the evening performance.

The stage property and necessary fixtures and costumes were sent to Hagerman by the Stage line on Tuesday. Wednesday afternoon, several auto loads left Artesia for Hagerman. They arrived in the early evening and were served at the Hagerman Cafe by the Hagerman post of the Legion.

The opening number by Miss Loretta Linell and Mr. Fred Cole was the same as presented at Artesia. However, several changes were made in the program after the opening number. The "Flapper" chorus received an unusual amount of praise and applause after each number. This chorus, composed of Misses Alyffe Polk, Phyllis Polk, Eunice Wells, Velma Smith, Opal Martin, Viola Pearson and Lois Muncy, assisted by Mr. George Flanders, proved to be features. Especially pleasing were the "Sheik" and "Cuckoo."

The two plays, "The Undertow" and "House of Mystery," were presented in a very pleasing manner. Mr. Clarence Smith proved to be the favorite of the troupe. He received several encores after his Xylophone solos. His numbers were very entertaining to the appreciative audience.

The negro minstrel show with a stellar black-face cast, composed of Mesdames Fred Brainerd, Una Hutchins and Misses Loretta Linell, Alma Norton and Messrs. George Flanders, Fred Cole, Gayle Hamilton, Earl Bigler, George Welton, Bun Muncy, Oscar Samelson and Clarence Smith, was a very fitting finale for the two hours entertainment.

The characters in the plays were portrayed by Misses Loretta Linell, Alma Norton, Eunice Wells, and Mesdames Fred Brainerd, Una Hutchins, and Messrs. Gayle Hamilton, Fred Cole, and George Flanders. Almost every number received an encore, to which the members of the troupe responded with much grace. The show was scheduled in Carlsbad and plans were being completed for one night in Roswell. However, these engagements were called off on account of the duties of several members of the cast.

The Buel brothers, who were reported to be seriously ill a few weeks ago as a result of Golden-Rod poisoning, caused by eating butter or the by-products of cattle who had eaten this plant, are reported to be able to be out of the house this week. Their recovery is assured at this time.

That tariff about which the Republicans in New Mexico enthuse is called by Arizona's Republican senator, Cameron, some unpleasant things. He said in regard to the "protection" given eastern manufacturers while western interests were allowed to drift for themselves.

"The story is easy to tell. The great tire manufacturers and spinners, all interests using the raw material "long staple cotton" who were already rolling in war profits, not content with tariff protection provided for their finished products, organized in the old-fashioned way, turned loose their money—and for no good reason, smashed this great industry and wiped out the chances of the people for an honest living.

Senator Jones opposed that tariff bill because it made it possible for New England and other eastern manufacturers to loot the public while western land and stock interests were given no assistance.

JONES AND THE SERVICE MEN

From the Armistice to the present time, United States Senator A. A. Jones, of New Mexico, has stood out as second to no man in the senate in his unwavering devotion to the cause of the ex-service man.

Beginning with the first Sweet bill, he became one of the leaders of the movement to do justice to the disabled, and followed this up by his support of the Langley bill and the second Sweet bill. His activities in behalf of the Adjusted Compensation Bill are too well known to need repetition at this time. His eloquent and convincing speech against the motion to recommit the bill last year was published in full in the New Mexican; but only those on the inside will ever know the amount of untiring investigation which Mr. Jones devoted to the complex subject of ways and means to raise the necessary funds. No political motives underlay his enthusiasm for the cause. He was as active in this behalf under the Wilson as under the Harding administration, and long before the question assumed any political coloring, Mr. Jones was a leader in the fight. When President Harding vetoed the bill last week, although unable to reach Washington in time to vote, Mr. Jones immediately arranged a pair with other senators and proceeded to advocate the soldiers' cause with renewed vigor from every platform in the state.

The ex-service men have said much and felt more as to the lack of gratitude of the general public. They will themselves be guilty of equal ingratitude if they fail to support the man who has fought for them.—Santa Fe New Mexican.

REPUBLICAN ADMINISTRATION EXTRAVAGANCE

President Harrison increased the ordinary expenses of the Government over the first Cleveland administration \$95,000,000.

Cleveland in his second administration reduced the Harrison expenditures \$6,559,000.

President McKinley increased the ordinary expenses of the Government over Cleveland's second administration (excluding expenses of the Spanish War), \$45,000,000.

Roosevelt's second administration increased the ordinary Government expenses over Cleveland's second administration \$1,696,000,000—an average annual increase of \$424,000,000.

Harding's administration in two years (including 1923 budget) has increased the ordinary expenses of the government over Wilson's second administration (excluding war expenditures), \$36,000,000.

REPRISALS BY EUROPEAN COUNTRIES

The passage of the Fordney-McCumber bill through the House of Representatives was followed almost immediately by reprisals on the part of several European countries—formerly our good customers. Spain retaliated by imposing a practical prohibition on the import of our vegetable oils. Switzerland has enacted a retaliatory tariff law against us, and Canada, in a number of tariff acts and proposals, has shown her resentment against the foolish and harmful provisions of the Fordney-McCumber bill. What these countries have done may be expected from others.

"We can not sell abroad if we do not buy."

Democrats today were holding up the prison-killing as another instance of why New Mexico should oust Republicans from office.

HOW MUCH RICHER?

The American Legion Weekly indulges in a little retrospection in a current editorial on President Harding's veto of the adjusted compensation bill. It makes three very opposite quotations.

There is this:
I want to say to the service men here that I want an America that will never forget its gratitude for the service they rendered the country. . . . A Republican House passed the bonus bill, and it is now up to the Senate. I, myself, think it ought to pass. . . . Candidate Harding in a speech at Cincinnati, Ohio, three days before his election in November, 1920.

The familiar "I want an America" which used to sound so eloquent, loses some of its force in the Legion organ, because it is formed in a box along with this:
To a war necessity there was but one answer. But a peace bestowal on the former service men, as though the supreme offering could be paid for with cash, is a perversion of public funds, a reversal of the policy which exalted patriotic service in the past, and suggests that future defence is to be inspired by compensation rather than consciousness of duty to flag and country.—President Harding in his message to congress vetoing the Adjusted Compensation Bill, September 19, 1922.

But this quotation from the veto message, passed over lightly in the Weekly's editorial, really calls for thought:
Though undying gratitude is the meed of everyone who served, it is not to be said that a material bestowal is an obligation to those who emerged from the great conflict, not only unharmed, but physically, mentally and spiritually richer for the great experience.

The president virtually says that the ex-service men have their reward in their riches, spiritual, physical and mental, that they got out of the experience.

We wonder how many of the men feel that way about it. We have heard some of them talk about those riches. One says that if he ever can forget the horror of sticking a bayonet into living flesh, he will be thoroughly happy again. Another says that he sleeps with a terrible memory of a day on the march when he stepped into the decayed corpse of a German soldier. Another says that war, to him, means lice. And thus others speak variously of the riches of that experience.

It was a rich experience for those who warned the president that he must kill the bonus bill. They can count their riches, made out of the war, in dollars and cents and stocks and bonds and country houses with many bath rooms in them. But the boys who did the fighting, the bayonet lunging, the shooting and the bloody work—can they be said to have been well paid in the riches of their experience? How much richer is the young man who has memories in his brain that he faint would wipe away and cannot?—Wichita Eagle.

PLEASANT HILL, G. O. P. NOMINEE, SHOT, WOUNDED

Candidate for Corporation Commissioner is in a Santa Fe Sanatorium; E. T. Lucero Gives Up

Santa Fe, October 7th, Albuquerque, N. M.—Pleasant Hill, of Espanola, republican nominee for state corporation commissioner, is in a local sanatorium with a bullet wound in his stomach that is regarded as likely to be very serious. He was shot Friday night by E. T. Lucero, as he was said to be about to enter Lucero's home, which is in Espanola. The shooting was done with a revolver of .38 caliber, the bullet puncturing one of the larger intestines.

Lucero surrendered to a deputy sheriff, at Espanola, which is in Rio Arriba county, just across the Santa Fe county line. The statement was made by one authorized to speak for Lucero that he had repeatedly warned Hill to stay away from his home. The statement is made that on Friday night, Hill entered the gate of Lucero's home and was about to enter the house, when Lucero who was on the porch, fired.

Lucero has been employed at the Bond-Nohl store at Espanola for more than 20 years. He has a wife and two children.

LOCKJAW

The governor of Kansas tells the American Bankers association meeting in distant New York, that there has been no impairment of freedom of speech in Kansas and that nothing but a lockjaw epidemic could stop free speech in this state.

William Allen White is under arrest for declaring that he was 50 per cent in favor of the railroad strikers.

Several others have been arrested for saying they were one hundred per cent in favor of the strikers. A candidate for congress was warned to abstain from talking about the industrial "court" in a Labor Day address, and officially warned that any words he might speak that would cause people to think about the strike would result in his arrest.

A newspaper in a small town was censored officially throughout the strike period, and was ordered to refrain from printing certain articles.

And so on. That's the lockjaw the governor has reference to. But maybe they haven't heard of these things in New York, which is very far away. —Wichita Eagle.

The Editor Artesia Advocate,
Dear Sir:

While finishing up my work in Artesia last Tuesday, I had the misfortune to lose a "slide rule", a small computing instrument, that I need to use daily.

The rule is ten inches long and is enclosed in a brown leather case. I think it probably fell off the seat of one of our trucks on Tuesday morning.

Owing to the fact that the loss of this instrument seriously interferes with my work, and that it will be difficult to replace it here in this country, I request that you insert a small note in your news column advising the finder of the rule to turn it over to the Artesia postmaster, who will be pleased to send it to me.

The name "MORTON" is on the leather case and it will serve to identify the property. The slide rule is of no use to anyone except an engineer.

Our stay in your town was very pleasant and I personally am sorry that we could not stay longer. I was pleased too with the up-to-date business houses and the very courteous business men who operate your stores. I read two issues of the "Advocate" and found it to be a very fine sheet although of course the local news did not mean very much to a total stranger. I found myself, however, mentioned in both issues, so in that particular point I was quite familiar with the subject under discussion.

Wishing your town and your paper the best of success, I am,

Very truly yours,
CAPT. E. P. MORTON.

WHAT IS THE ANSWER?

The S. B. Davis campaign publicity bureau has come out with a bulletin attacking Senator A. A. Jones for being a party to the legislation which financed the world war.

This bulletin entitled "Senate Record of A. A. Jones" and which is throughout intentionally misleading and in places untrue prima facie attacks Senator Jones for being a party to running America into debt in her fight to save liberty in the world.

Mr. Davis should make it clear at once, over his own signature, whether or not he disapproves the action of the United States in entering the World War.

We have been daily astonished at the nature of the material which is being used to advance Mr. Davis' campaign. We are at a loss to believe that he will sponsor all of it. But this particular piece of publicity demands immediate explanation.

If Mr. Davis, as shown by his bulletin, was against America's entering the war, the people of New Mexico ought to know it definitely from his own lips.

Referring to Mr. Jones' work on the finance committee, this bulletin says:

"We have not forgotten it was this committee which provided the legislation which financed the world war. It was this committee which provided the legislation from which it will take the government of the United States hundreds of years to recover."—Santa Fe New Mexican.

NED SHATTUCK CANDIDATE FOR SHERIFF ON INDEPENDENT TICKET

In another column of this week's issue of the Press will be found the announcement of E. S. (Ned) Shattuck for the office of Sheriff on the independent ticket to be voted on at the general election to be held November 7th. Mr. Shattuck is a candidate by virtue of having been nominated by the independent convention which met and selected him last Monday at the court house in Carlsbad at which nearly every part of the county was well represented. He received twenty-two out of a possible thirty-eight votes cast the first ballot and was by resolution then unanimously elected as the Independent's candidate.

In becoming a candidate for sheriff at this time Mr. Shattuck only yielded to an insistent and persistent demand from voters in all parts of the county who stand for a square and fair deal in politics as well as elsewhere and he reluctantly consented to make the race only after carefully weighing the sacrifices it will entail by taking much time from his personal business, but he feels that some one is duty bound to right the wrongs perpetrated the citizens of Eddy county at the last Democratic primary and shows a willingness to do his share.

Mr. Shattuck has resided in Eddy county continuously for thirty-seven years, leading the life of a ranchman in the Queen country practically all those years until four years ago when he moved to Artesia that he might have the advantages of being close to school for his children. For thirty-seven long years he has voted the Democratic ticket straight and maintains that he is still a red hot Democrat and will continue a Democrat in the years to come as long as that party treads the straight and narrow path. He says putting out an independent ticket at this time was the only way the voters of this county could clean up the party and get redress from the unfair treatment shovled on them by steam roller tactics by the self-styled bosses of Eddy county.

Mr. Shattuck is well known throughout the county as an honest, upright man who takes seriously his responsibility of being a good citizen and is always ready to do his bit toward making those with whom he comes in daily contact happier and better for having associated with him. The outdoor life he has led on the range performing the work of a cowman makes him peculiarly fitted to hold the office of sheriff and conduct it in such a manner as will make all good citizens proud that they elected such a man as their sheriff. Ned says he will assume the office, if elected, without being under obligations to any man or set of men and without any pledge to anyone except his pledge to all the people that the law will be enforced impartially without fear or favor whatsoever, and having always been a man of his word the voters of the county have no reason to doubt that the laws will not be rigidly enforced if he becomes their sheriff.

As to the pledge those took who voted in the Democratic primary, Mr. Shattuck says he believes no honest voter will consider himself bound by that pledge when the county democratic central committee which conducted the primary broke its printed pledge to the people, and he don't see how the voter is bound and the organization not also bound to keep their promise. Continuing, Mr. Shattuck said: "This is an age of independent thinking by the rank and file of voters and people no longer are bound by party ties when they are mistreated. I believe this is the greatest movement for good ever started in this county which has always been so overwhelmingly democratic the leaders have become careless and corrupt. After the democratic party is cleansed, all will drop back in line and voter straight as formerly. This election we are strong for all nominees on the state democratic ticket and believe no votes will be lost to them by reason of our independent county movement. If elected, I promise to enforce all the laws and not cater to any set of law violators as has been the case in years past."—Hope Press.—Paid Advertisement.

DEVELOPMENT

The first civilization known to history were founded upon irrigation-in Egypt and Mesopotamia.

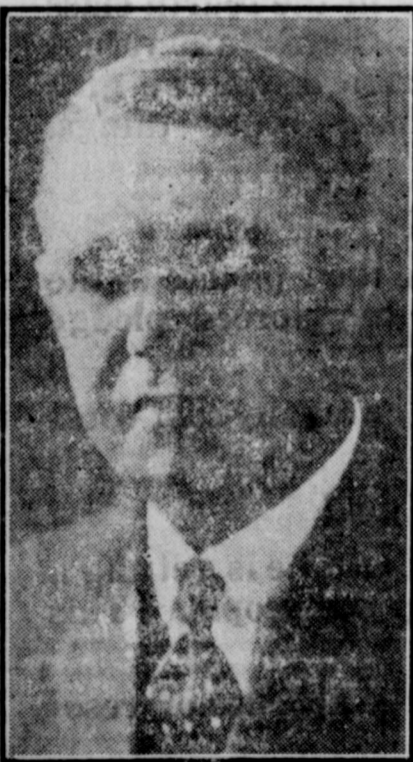

Irrigation was practiced in New Mexico in prehistoric days, but its problems are still with us.

The areas to be reclaimed in the development of the San Juan Basin, the drainage of the lands of the Rio Grande and the further use of its waters, the extension of the Carlsbad system, to mention only a few, are so vast and the necessary works so expensive that governmental action is essential.

Almost all of this land belongs to the United States, is of little present value and pays no taxes. Transforming it to productivity is not charity but simply good business.

The Smith-McNary bill is a recognition of this condition and an attempt to improve it. Whether under such a general plan or through specific appropriations for particular projects, the waste lands of this nation must be reclaimed

The Republican candidates for Congress are pledged in favor of such governmental action.

COME OUT AND HEAR THEM

READ THIS TWICE AND REMEMBER

That on Election Day you should never place any mark in the circle at all.

That you should mark an X in the square opposite each candidate you wish to vote for, leaving the circle at the top blank.

That all kinds of tricks will be tried in order to defeat the Independent ticket. This is the last stand of the chosen few in Eddy county and they are desperate.

Be sure to stick your own ballot in the ballot box or see that it is properly placed in the box by an official of the election before you leave the voting room.

If Mr. Rickman pays lease on state lands for grazing purposes in Eddy county and grazes any of his stock thereon he should pay taxes on at least a portion of his stock in Eddy county just the same as any other tax payer.

Will Mr. Rickman state to the people whether he has been doing these things or not? We will gladly print his answer and pay for the space.

If the Independent candidates are elected Mr. Rickman will have to pay to Eddy county any taxes he justly owes to it the same as other property owners in this county.

Properties in Eddy county have been and are being assessed at a much greater value than like properties in other counties of the state, thereby making it possible to place and keep Eddy county in the class above where it actually belongs. The main reason for this is that by so doing it enables the officers of the county to draw much larger salaries than they would if it was in the fourth class where it belongs. The burden of this is on the tax payer. The excuse offered for this high handed practice of high tax values perpetrated by your county officials is laid by them to the state tax commission. This excuse is absurd. Will some of the few give an intelligent answer to this? The Independents have nominated the men who can try to correct all this and many other things. Vote for the Independent candidates and have Eddy county put in the fourth class where it properly belongs.

WATCH AND SEE WHO BEGINS TO FIGHT THIS.

Do not be intimidated by the professional office seekers or their ring leaders. They are the ones who broke their pledge to the people when they refused to let the votes be seen and counted, and this releases every self-respecting voter from any forced pledge written on the top of the primary ballot. You did not vote on the pledge. You had no chance to do so.

The people of Eddy county are entitled to govern themselves and to elect their own officers by a majority of the legally cast votes in this county and without being treated like citizens from Juarez.

Will any intelligent voter not resent the fact that he is not allowed to know whether his vote was counted or not?

Why does a professional office seeker forsake his accustomed associates on the eve of an election? We wonder if he is getting a change of heart or that he is just plain scared because a law and order ticket that is a real one is put in the field by the people. This is the dawn of a new day in Eddy county.

Mr. Reed, who ran a Republican paper until a few years ago and who now has the county printing regrets the absence of resour principles first-hand from now until election.

Have you read the resolutions of the chosen few who nominated the purported Democratic ticket? If not, read them now, and you will find nothing but commendation of themselves. Then vote the Independent ticket.

WHY DAVIS?

The record of U. S. Senator A. Jones as national leader and effective worker for the benefit of his home state, as champion of the service man, as exponent of a scientific tariff—a non-political tariff which will be based on economic facts, as a statesman who would give protection to industries in New Mexico and elsewhere which need protection, who would tear down the bars from foreign markets in cases where American surplus products need an outlet; who has fought for placing the burden of taxation on those best able to bear it, and who by virtue of his brains and ability and industry, his conscientious thoroughness and devotion, to public welfare has risen to a commanding position in the U. S. Senate.

Mr. Jones' record is known, recognized, indisputable.

He is opposed by Stephen B. Davis, Jr., of Las Vegas.

The campaign in behalf of Mr. Davis so far has consisted of the general denial that "Jones has ever done anything for New Mexico"; of the allegation that he doesn't represent profiteering eastern manufacturers; that he doesn't look out for New Mexico interests; that he selfishly looks out for New Mexico interests alone; that he doesn't "trade" with Connecticut to get nothing for something; of allegations that he voted for something; of allegations that he voted no when Senator Sorghum proposed to appropriate four billions to present every veteran with a pair of pink socks, or when Senator Killen tried to amend the bonus bill by appropriating an all-day sucker to every man who had cooties in the trenches; that Mr. Jones failed to go back and compel the senate to override the veto; and that he has no position of "seniority" in the senate.

All these things were answered before they were said. The Davis campaign has been aimed to get to whatever ignorant vote there may be in the state, to misrepresent the record of Mr. Jones in devious ways, such as attempting to make it appear he was not the friend of the soldier because he failed to fall for "knife" amendments to kill legislation, or trilling proposition which had the endorsement of no organized body of ex-service men. The attack on Mr. Jones' tariff position has been to puerile for description.

So now—let us look into the case of Mr. Davis.

What does Mr. Davis stand for? He hasn't told us yet. His advertisements have been too busily and blatantly claiming that "Even if Jones did do all those things, he ain't never done nothing."

Mr. Davis doesn't give us any definite or positive statement of his platform. We may infer this and infer that.

The inferences so far are that he opposed America's entering the war, that he favors a low tariff on New Mexico wool, that he favors added protection for the eastern manufacturers who already overcharge the New Mexican ranchman for the things he buys; that he is against opening the doors of foreign markets to surplus American products; that he is against a non-political tariff; and that he approves the President's veto of the Adjusted Compensation Bill.

None of these things has he made clear in the open. It is all by inference. He hasn't come out with any flat-footed, on-the-square statement of what he is going to do in the U. S. Senate for New Mexico and the country. He hasn't directly and straightforwardly denied any claim of service made by Jones. It is a campaign of indirection, or slurring his opponent in small ways.

Get out in the open, Mr. Davis. Tell us what you are going to do; tell us what you stand for. Don't spend your time trying to pull down a big man, but try and prove the claim for you that you are bigger! Show New Mexico where you have earned the right to supplant her first citizen in Washington!—Santa Fe New Mexican.

ARTESIA WELL REPRESENTED AT GRAND LODGE, I. O. O. F.

C. B. Smith Given Much Publicity

The representatives of the Artesia lodge, No. 11, I. O. O. F., and Sunrise Rebekah lodge, No. 9, have returned from Clayton, New Mexico, where they have been attending the Grand lodge at that place. The Artesia representative group was among the largest at the session of the Grand lodge.

Especially prominent among the members of the fraternity were C. Bert Smith, Grand secretary; and R. N. Miller, newly elected Grand Master. The Clayton Citizen contains a large photograph of C. Bert Smith on its front page and as the Grand Secretary of the fraternity. Mr. Smith, who is an Artesia business man, has been prominent in the affairs of the I. O. O. F. fraternity for many years and was re-elected as the Grand Secretary. He has formerly been elected to other Grand Lodge offices.

The following officers were elected to serve during the next year: Robert N. Miller, Hagerman, Grand Master; J. Bert Leck, Carlsbad, Deputy Grand Master; A. J. Newson, Alamogordo, Grand Senior Warden; C. Bert Smith, Artesia, Grand Secretary; Otto Scheer, Albuquerque, Grand Treasurer, Lem A. Wright, Clovis, Grand Representative. The officers for the Grand Encampment and the Rebekah Assembly were also elected. The next Grand Lodge will be conducted at Las Vegas, New Mexico.

Dr. Lura L. Moore has returned from her vacation and has resumed her practice in the rooms she occupied a year ago in the Sipple building.

BASEBALL SERIES OVER

An unusual amount of interest was manifested in the world's baseball series, played between the New York Giants and the New York Yankees during last week. The Giants were successful and defeated their opponents in four games and played one game for ten innings to a three to three tie. The other games were excellent contests and were exciting throughout. Reports were received at Artesia during the entire series.

The duck hunters are meeting with wonderful success during the past week. The season is now open and the local sportsmen are hunting the fowls each day. Each afternoon, the hunters will leave Artesia after the school hours and return loaded with game, as far as they can legally do so. A record crop of the ducks is almost certain according to the predictions of the old timers and well known sportsmen.

SCHOOL ENROLLMENT INCREASES

The enrollment in the Artesia public schools continues to increase each week. On Monday morning of this week, the Central school grades enrolled six new pupils. Three new pupils were enrolled in the grammar school and five new high school pupils were enrolled. It became necessary to install new seats in the Grammar school assembly room to accommodate the new pupils.

The Artesia public school system ranks among the best in the state and children from all portions of the county are coming to Artesia to receive the advantages offered by the public school system. Miss Alma Givens and an efficient corps of twenty-four teachers, under the supervision of the board of education, are doing every thing possible to make the present school year successful.

The members of the Sunday school class, taught in the Methodist Sunday school by Mrs. R. O. Cowan, were entertained at the home of their teacher on last Friday evening. The young ladies also invited their young men friends to enjoy the occasion as their guests. The greater portion of the evening was devoted to playing such outdoor games as "Run Sheep Run", and other interesting events.

Delicious ice cream and cake were served to the guests by Miss Katy Cowan, daughter of the hostess. Among the guests were Misses Romaine Carroll, Elaine Feemster, Nellie Bee Henry, Bethel Jeanne, Edna Dungan, Bertha Richards, Anna Frances Jackson, Helen Bullock, Minnie Dungan and Messrs. Fred Hederson, John Page, Robert Rogers, Robert Feemster, Ernest Onne-mus, Floyd Shattuck, Carl Henderson, Marvin McCree and James Stagner.

"WHEREAS, in full conformity with the Constitution and Laws of the State of New Mexico, the qualified electors of the Town of Artesia, New Mexico, have authorized the Board of Trustees of said Town to contract an indebtedness on behalf of said Town and upon the credit thereof, by issuing the negotiable coupon bonds of said Town in the amount of \$50,000.00, for the purpose of constructing a sanitary sewer system for said town; and

WHEREAS, the Board of Trustees of the Town of Artesia now deems it expedient and necessary to proceed to construct a sanitary sewer system for the Town of Artesia, and, for such purpose, to contract the necessary indebtedness on behalf of said Town and upon the credit thereof, by issuing the negotiable coupon bonds of said Town in the amount of \$50,000.00; and

WHEREAS, on said May 11, 1922, the Board of Trustees of the Town of Artesia passed said Ordinance No. 175 wherein the governing body of the said Town of Artesia was referred to as the "Town Council" instead of "Board of Trustees"; by a clerical oversight; and

WHEREAS, the real and true name of the said municipal corporation is "Board of Trustees" of the Town of Artesia, New Mexico and not "Town Council"; as stated in said Ordinance No. 175; and

WHEREAS, heretofore, to-wit: on the 7th day of September, 1922, the said Board of Trustees amended said Ordinance No. 175 by Ordinance No. 176 wherein the denomination of the bonds provided for in Ordinance No. 175 was changed from \$500.00 to \$1000.00 each and the number of said bonds from 100 to 50; and

WHEREAS, the Notice of Sale of said bonds refers to said governing body of the Town of Artesia as the "Town Council" instead of "Board of Trustees"; and

WHEREAS, there have heretofore been issued and signed in accordance with the said ordinance, fifty (50) bonds of \$1000.00 each in the form contained in said Ordinance No. 176, by issuing the same in the name of the "Town Council" of the Town of Artesia instead of in the name of the "Board of Trustees" of said Town of Artesia, as in law the same should have been issued.

NOW, THEREFORE, be it ordained by the Board of Trustees of the Town of Artesia, New Mexico:

Section 1. That a sanitary sewer system for the Town of Artesia be constructed in such a manner as, to said Board of Trustees, may seem necessary for the needs of the inhabitants of said Town.

Section 3. That, for the purpose of providing funds for the construction of said Sewer System for said Town, said Town shall issue its negotiable coupon bonds in the aggregate amount of \$50,000.00, consisting of fifty bonds in the denomination of \$1000.00 each, payable in lawful money of the United States, and bearing interest from and after the first day of June, 1922, at the rate of six per cent per annum, payable semi-annually on the first day of December and the first day of June in each year, said interest to be evidenced by coupon attached to said bond. Section 5. That the bonds heretofore issued and signed by M. H. Ferriman, Mayor, and B. Stephenson, Town Clerk, and countersigned by L. B. Feather, Town Treasurer, be amended and corrected so as to correspond in every and all respects with the bond hereinbefore set out and said bonds as issued shall be used and shall stand as outstanding obligation of said town in as full and complete a manner as had the same been issued in the name of said "Board of Trustees" instead of in the name of "Town Council", and shall be paid by the said Board of Trustees in the same manner as provided in said Ordinance No. 175, as amended by said Ordinance No. 176.

Section 6. That said bonds, when executed, shall be delivered to the purchaser thereof, and said bonds and the proceeds thereof shall be used only for the purpose of constructing a sewer system for said Town, but the purchaser thereof shall in no manner be responsible for the application or disposal of any of the funds derived from the sale of said bonds.

Section 8. It shall be the duty of the Board of Trustees of said Town, annually, at the time and in the manner provided by law for levying other town taxes, if such action shall be necessary to effectuate the provisions of this Ordinance, to ratify and carry out the provisions hereof with reference to the levying and collection of taxes; and to require the officers of and for said Town to levy, extend and collect such taxes in the manner provided by law for the purpose of creating a fund for the payment of the principal of said bonds, and such taxes, when collected, shall be kept for and applied only to the payment of the principal and interest of said bonds as hereinbefore specified.

Section 9. That said bonds shall be sold at not less than par and accrued interest to date of delivery, for cash only, to the highest and best bidder; that publication of notice of said sale shall be given at least once a week for four (4) consecutive weeks immediately prior to the date of opening bids therefor, by publishing a notice thereof in the Artesia Advocate, a newspaper published in and of general circulation in the Town of Artesia, New Mexico, and also in one newspaper published in the City of Santa Fe, New Mexico, and also in one leading financial newspaper published in the City of New York, State of New York, stating the amount, rate of interest, time of maturity and conditions of said bonds, which said notice shall be in substantially the following form:
