Watson Junior High School head coach Roy Donaldson has reminded area residents that all parents of boys' and girls' athletes are asked to attend a meeting on Monday, August 31, at 7:30 p.m. in the Watson Junior High School gym.

He said everyone attending the meeting is asked to use the west entrance of the gym.

Muleshoe High School coach Ruben Osuna said physicals for all girls involved in athletics will be given at 2 p.m. Sunday, August 30, in the Muleshoe High School gym.

Any girl planning to participate in any athletic program in the school is asked to be present for the physical.

Because of the Sunday rains that left the 'cups' at the Mule Putt Miniature Golf Course full of water, the MAC-sponsored individual tournament, was postponed from Monday night to Monday, August 31.

Also, since school will be starting the following day, September 1, young people entering the tournament, the final MAC-sponsored tourney for this year, can start at 6:00 p.m., while adults can start at 6:30 p.m. Registration will be accepted until 8 p.m., explained Jerry Hailey.

Following the tournament, a black and white TV will be presented the person who has entered the most tournaments, and has the lowest combined score for the season.

The Muleshoe Youth Committee (MYC) will be sponsoring a Back-to-School dance Saturday, August 29, 8 p.m.-midnight at the American Legion Hall.

Admission will be \$3 for members and \$4 for non-members. Scotty of Clovis will provide the music.

Calvary Baptist Church is planning a very special Sunday, for this Sunday, August 30. As it will be the fourth anniversary for Rev. Darrel Martin and his family at the church, special activities are planned.

During Sunday School, Gerald Clark of Dumas, will be presenting special music, followed by Rev. Martin, who will preach the morning service.

Dinner will be held at the church following the morning

**CHEERLEADERS COME IN ALL SIZES**--Tuesday night, it was 'Cheerleaders in all sizes' at the annual Meet The Mules which was held in the Muleshoe High School gym. Above, varsity cheerleaders are enthusiastic as the Mules begin their trek into the gymnasium. Below, the mini-cheerleaders took the forefront as they led a cheer for the Mules to help kick off the 1987 football season. 'Go, Mules, Go' rang through the gym, to an overflow, standing room only crowd of Mule Mania fans.

## Weekend Rainfall Helps Area Crops

Farmers and ranchers in the area have welcomed the weekend rain that has deposited up to four inches of moisture in the county, but almost all said what is needed now is "bright, hot sunshine" to help cotton crops mature.

During the weekend, on Sunday and Sunday night, rain measured from near one inch to more than four inches in the southwestern part of Bailey County, leaving fields soggy, and many roads partially under water.

An additional one half inch of moisture was received on Monday evening in far west Bailey

County, as a storm cloud moved from the south to the north, inundating already flooded cotton and grain sorghum fields.

Sunday was also the coolest day for this summer, as the temperature stayed below 70 degrees all day, as a slow, gentle rain fell in Muleshoe.

Rain gauges in Muleshoe recorded from an inch and a half to nearly two inches of water, while rain gauges in southwestern Bailey County showed up to four inches of rain.

Cotton farmers said that although they appreciated the rain, hot, dry, sunny weather was needed for the cotton crops to mature.

Almost all farmers were in agreement that this year's crops are the 'best looking' crops in this entire area for many, many years.

Wednesday morning, cloudy skies were evident, and the National Weather Service predicted a 70 percent chance for additional moisture for the day, with the same type weather expected to hold through to the weekend.

Although some areas to the south of Lubbock received severe weather Tuesday afternoon and evening, no severe weather was reported in this immediate area.

Monday evening, a truck apparently hydroplaned on the slick highway about nine miles west of Muleshoe, causing one trailer to overturn in the median.

No injuries resulted in the turnover.

Quite by coincidence, lightning struck a nearby highline pole, setting the pole on fire.

Startled motorists saw a trailer overturned, and the top of a light pole burning, and in

### MISD Coaches Visit Rotary; Discuss Year

It was football day at the Muleshoe Rotary Club on Tuesday, when Bill Liles introduced the coaching staff from the Muleshoe Independent School system as special guests, and Athletic Director Dale Keeling as guest speaker.

Also introduced were coaches Jim Stewart, Ruben Osuna, Roy Donaldson, Lonnie Scott, Andy Gamble, Brad Eblen, Kyle Carver, Marvin Rupe and Kim Nelson.

Coach Keeling, head football coach, said there are 27 varsity players; 24 junior varsity players and 24 freshman players for a total of 75 MHS football players for the 1987-88 season.

During Coach Keeling's first year there were 58 MHS football players, and last year, in his second year, 66 boys came out for football.

He said 12 players have moved out of the Muleshoe school district, and two have moved in. The coach said the team this year has depth and strength, and in several positions, they are two deep.

"The kids have good attitudes," added the coach, "and almost all the players have made the two-a-days. On the first Saturday out, there was 100 percent participation."

"The boys are in good physical condition, and their strength has improved," he told Rotarians. "The coaches are also working very well together."

The coach also told the group

### TNM&O Bus Plans Service To Airport

TNM&O Coaches, Inc., announces a new service, from Muleshoe to Lubbock International Airport, effective September 9. Robert Greenhill, president of TNM&O, said, "Getting from Muleshoe to the airport can be a real problem. And finding parking at the airport can be difficult. That is why our daily schedules to and from Muleshoe will now include a stop at Lubbock's airport."

Greenhill added, "As economic conditions in our area force other companies to cut back, TNM&O is proud to be providing improved services to our customers."

To inaugurate this new service, the first bus from Muleshoe on September 9 will carry local officials to Lubbock's airport for a 5 p.m. ribbon cutting and reception. Guests from other cities along the route, including Lubbock, will attend the festivities.

In conjunction with his new service, TNM&O has appointed Aztec Travel of Lubbock as its 'Airport Connection.' Said Greenhill, "By phoning Aztec Travel, a single free call can coordinate flight and bus schedules. Plus, Aztec has a desk at the airport for last-minute changes." Aztec's toll-free number is 1-800-722-0606.

For additional ticket, package express or charter information, contact Danron Drug in Muleshoe, phone 272-4210.

Reports of bollworm infestations to the east and north of Muleshoe are starting to be widespread in cotton fields. Producers should be checking all cotton fields at this time on a 3-to-4 day interval for bollworm eggs or small larvae. Cotton fields that were treated for thrips of fleahoppers should be checked very closely because beneficial numbers could be low in these fields and not keeping bollworm numbers under control.

Small larvae, less than 1/4 inch, can be found anywhere on the plant. Often they are seen feeding beneath the bracts on small squares, in the terminal or on unopened blooms. Larvae are also commonly found in blooms both open and dried. These tiny larvae can also tunnel into thumbnail-size holes, leaving only a small hole indicating their presence.

The majority of the bollworms

found this week were still in the small category, less than 3 days old. This stage causes no significant damage and is readily controlled because they are exposed to the insecticide at the time of treatment or will soon move to another feeding site and contact residual insecticide. Economic infestations were common in many fields and growers are advised to inspect their fields to assess bollworm infestation.

Since bollworms and bollworm eggs can be found anywhere on the plant, the whole plant inspection method is recommended. The terminal area and all the fruit should be inspected on a random sample of plants across the field. Record bollworm larvae as small (less than 1/4 inch), medium (1/4-1/2 inch) and large (over 1/2 inch). The number of bollworm eggs or larvae per acre can be

## Herbicide Meeting Set At Three Way

An educational meeting has been planned for Bailey County farmers on August 31, at 7:30 p.m. in the Three Way High School cafeteria. Bailey County Agent Spencer Tanksley said the purpose of this event is to explain and review herbicide rules and regulations that might be placed on Bailey County producers this next year.

The following program agenda has been planned: (A) Texas Department of Agricultural Report and Texas Herbicide Laws and Regulations - by Bill Rogers and Darrell Rasco (both with TDA office in Lubbock).

(B) Hard-to-Control Weeds in Major Ag Crops - by Dr. Allan Wiese (Weed Scientist from Bushland).

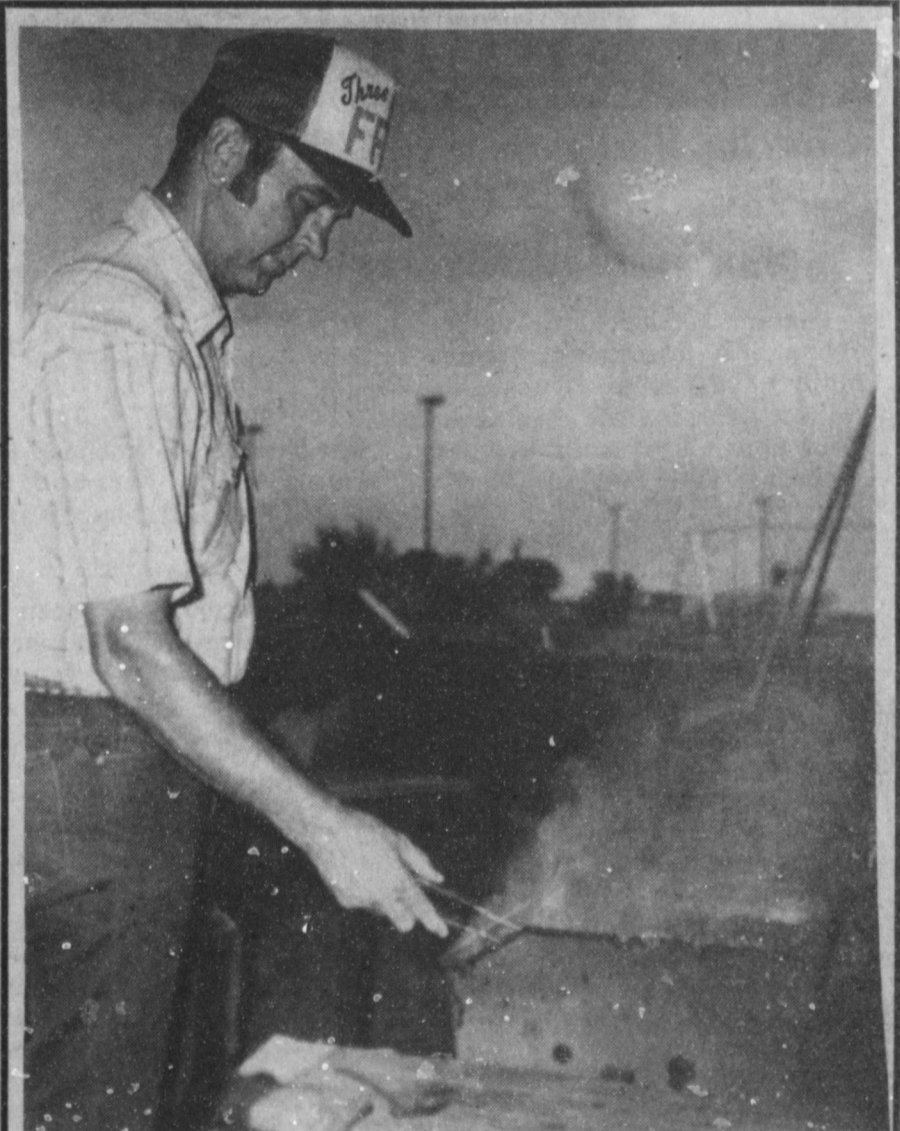

(C) Legal Aspects of Herbicide Laws - by Gordon H. Green, Bailey county judge.

(D) Questions and Answers.

"We believe this to be a very important meeting for all agricultural crop producers in the county," said Tanksley, "and this meeting is being held to provide educational information and keep producers aware of the county situation."

The program has been planned by the Bailey County FAC Committee (USDA agencies), and the Bailey County Commissioners Court.

The meeting is free and open to the public, regardless of socio-economic level, race, color, sex, religion, handicap, or national origin.

**CHIEF COOK AT WORK**--Diligently tending his two grills, Three Way School Superintendent Don Parker cooked dozens of hamburger patties for a 'Back to School & Welcome, New Teacher's get-together at the Three Way School on Monday evening. Several new teachers are joining the staff at Three Way School this fall, along with a new principal, and two new coaches.

**JUST PICK YOUR SPOT**--And one-year-old Canaan Heinrich, son of Mr. and Mrs. Clif Heinrich, did just that. He picked the middle of the table at the Three Way School cafeteria Monday night, and enjoyed eating, as new teachers were feted by the school and community.

Dear Cleta:

Thank you very much for taking the time to come to the Muleshoe town hall meeting. It is always good to see your warm smile and visit with you. Your continued help, support and encouragement that you have always given me is very much appreciated.

This has been a long, hard year for me. It has been a source of encouragement traveling throughout my district and seeing the many friends who are willing to help and support me. It is especially encouraging to know that I have friends like you in Muleshoe.

Cleta, I thought that the town hall meeting went excellent. It was great to have the opportunity to talk to many of the leaders in Muleshoe about some of the problems that we were dealing with in the 70th Legislature. There were some good questions of concern and in-

Journal Staff

Dear Friends,

We wish invite you, as a special friend of the Girl Scouts, to our Open House and Appreciation Ceremony which will be at the Girl Scout Little Hut, 812 West 2nd, Muleshoe, Texas, with refreshments at 7:00 p.m., and the Appreciation Ceremony, and Bridging Ceremony at 7:30 p.m.

With your help, we have been able to renovate the Girl Scout Hut and make it a nice and comfortable place for the girls to meet.

Of course there are still a few things we would like to do, but we feel that you will enjoy seeing what you have helped to accomplish. We sincerely appreciate you.

We are truly blessed to live in Muleshoe, where people really care about others, and especially our children. Individuals, businesses and organizations have been receptive to the needs of the Girl Scouts and we'd like to take this opportunity to gather these friends together and tell them that we are truly thankful for their help.

Of course everyone is welcome Thursday night. We hope that we have a lot of well wishers out with us. Who knows...there might be a Future Girl Scout Leader in the group...or someone with a talent they would share with the girls...or will see a need and fill it.

Again, Thank You. All of the Girl Scouts and their Leaders are looking forward to seeing you on Thursday night, August 27, 7:00 p.m., at the Girl Scout Little Hut, a block South of the Hospital on 2nd St.

Sincerely,  
Nelda Merriott  
Chairman

## SCAC Club '87 Officers Are Installed

It was installation night for the new officers of the SCAC organization from Muleshoe High School, when members met in the home of Debbie Isaac.

New officers inducted were Armando Del Toro, replacing Debbie Isaac, president; Russell Brown, vice president, replacing Leah Bell; Casey King, secretary, by Jennifer Green; Armando Del Toro, treasurer, by Deborah Lackey; and Jennifer Green, reporter, by Carrol Copley. Elizabeth Posadas will continue as the Club's historian and Lisa Noble will fill the new position of parliamentarian.

Concluding old business, prior to the induction, outgoing president Debbie asked for an introduction of new members and Casey read the minutes of the last meeting.

According to outgoing treas-

urer, reported \$44 on hand and everyone was reminded to pay their dues.

Casey read the club goals and Jodi Ferris told about working at the Heritage Foundation Thriftshop. Mrs. Allison expressed her appreciation to those who have worked at the thrift shop.

Sue Haire reported on the plans for the dedication of the depot in September. All SCAC members were invited to attend the dedication which takes place at 9:13 a.m. on Saturday, September 12. It was asked that everyone dress western-style.

After the new president took over, the club voted to continue the Citizen-of-the-Month program. A Committee was appointed to discuss choosing club colors and a club flower.

Johnny, Jodi, Mychelle and Deborah will be on this com-

### Bike-A-Thon

Bike-a-thon coordinator Ray Day has asked Muleshoe residents to join the St. Jude Children's Research Hospital 'Wheels for Life' Bike-a-thon slated for September 19 at 407 W. 17th St., Muleshoe.

He said this ride honors Brian, a leukemia patient at St. Jude. "With every turn of the

wheel, riders become 'spokes'-men for all the kids with cancer, like Brian," added Day. "This ride is a vital part of the fight against childhood cancer at St. Jude. Riders are really needed. They make or break a Bike-a-thon."

Riders sign up sponsors who promise to make a donation based on each mile completed. All riders turning in money will receive a certificate.

Those who raise \$25 receive a certificate and a St. Jude T-shirt. When \$75 is raised, the rider receives a sports bag, a T-shirt and a certificate. Day said a 10-speed bicycle will be presented to the person who raises the most pledges, courtesy of Dr. Pepper and ServAll Thriftway.

Entry forms may be picked up at ServAll Thriftway.

"The general, plan is to have a good time while helping a wonderful group of children counting on our support," Ray also added.

Contact Day at 407 W. 17th, Apt. Four, or call 272-4356 for details on riding or sponsoring a rider.

### Girl Scout Service Team

### Attends Training

Muleshoe Girl Scout Service Team attended a training school Saturday, August 21. This team consisted of Cheryl Puckett as Troop Consultant, Nelda Merriott as Chairman, Rosa Guillen as Troop Organizer, Linda Tosh as Cookie Chairman, and Renee' Rudd as Public Relations.

Registration began at 9:45 with ladies registering from five different areas.

Several ladies from the Caprock Council talked to the group on several different topics on Girl Scouting. "After we got the basics down, we broke off into our job description group, for our special training" said Renee' Rudd.

"We all then sang the Hermit's Prayer and then filled our plates with good food. Everyone that attended this meeting hopes that our training will help to make this next year a fun and fulfilled year in Girl Scouting."

Sign up date for Girl Scouting is set for Thursday, Sept. 10 from 7 to 9 p.m. Mary DeShazo Elementary School cafeteria.

and Betty Glaze greeted the guests as they called between the hours of 10 and 11 a.m. Guests were registered by Billie Jones.

Leslie Denney and Kay Brantley served coffee, punch, blueberry muffins, sausage pin wheels and an assorted fruit plate from Silver and crystal appointments.

The serving table was covered with a white net, with felt cut work, table cloth with an underlay of silver lamae. A large silk summer arrangement in a brass pot, accented with apricot candles adorned the table. Silver and white napkins completed the setting.

The honoree's corsage consisted of a silk white orchid.

Special guests included Betty Glaze, mother of the groom; and Virgie Mason and Hester Branham, both aunts of the groom.

The hostesses gift was a large beveled mirror in an original black and brass frame.

Hostesses for the occasion included: Cookie Bamert, Mary Janice Brantley, Pearl Gupton, Leslie Denney, Willie Mae Graves, Sammie Hall, Ruby Kerr, Martha Young, Bobbie Harrison, Jeanetta Precure, Chubby Douglass, Betty Harrison and Rayniel Bamert.

The Ruth Sunday School class of the FBC held their August meeting Monday night, Aug. 10 in the home of Libby Mudgett with Sara Woods as co-hostess. The opening prayer was given by Dottie Haynie and following the covered dish meal, Mutt Hanna brought the devotional. She used Psalms 66:1-4 as her

topic.

Following the devotional, Billye Doty presided over short business meeting when Mutt Hanna, Dottie Haynie & Gwen West were named to the nominating committee for office for the upcoming year.

Others attending were Mary Harper, Elsie Seymore, Rosemary Seymore, Pill Bellar, Sue Whiteaker, Edna Seymore, Oleta Reese, Mary Hanna, and Evelyn Ritchie.

national movement which, through year-round sports training and competition, patterned after the Olympic Games, gives people with mental retardation the chance to strengthen their character, develop their physical skills, display their talents and fulfill their human potential.

This is the purpose of the "Special Olympics believes that through sports training and through sports training and competition, people with mental retardation are benefitted physically, mentally, socially and spiritually; families are strengthened; and the community at large, both through participation and observation, is united with mentally retarded people in an environment of equality, respect and acceptance" said Nancy Kidd.

"Special Olympics is not for just school age people. Anyone who is physically able, no matter the age, may participate. In fact, it is quite exciting to watch the older retarded participants in the games.

"Muleshoe has four school age and one non-school age citizen who are Special Olympians. If you have a child or know of someone who would enjoy the fun and adventure of the games, feel free to ask about the Special Olympics," she continued.

**SPECIAL OLYMPICS RECEIVES WATCHES**—Mrs. Nancy Kidd and Cari picked up two stop-watches at the Western Gift Store Tuesday morning. These watches will be used with the Special Olympics here in Muleshoe and were earned through the point system. Muleshoe has four school age and one non-school age citizen who are Special Olympians.

### Shelley Sain To Receive AAUW Scholarship

Miss Shelley Denise Sain, daughter of Mr. and Mrs. Walt Sain, has been chosen by the Muleshoe chapter of AAUW as recipient of their fall scholarship this year. Miss Sain was chosen from a group of ten applicants that were reported to be very qualified, making this a very hard decision to make.

In order to receive this scholarship recipients must be a girl who is either a junior or senior at college and be a

graduate of Muleshoe High School.

Miss Sain is a graduate of Muleshoe High School and is a student at Texas Tech University at Lubbock working on a degree in music with an education emphasis. She is a December 1989, candidate for graduation from Texas Tech.

She has been listed in Who's Who at American Colleges, been on the Dean's Honor Roll and is a member of Sigma Alpha Iota.

"College education is important for everyone especially for women" said Miss Sain. "I hope to help others enjoy and be more knowledgeable in music."

Anything that involves your life is important—like safe driving, for instance.

**KNOW THE WEATHER**

Can sail-boat enthusiasts learn anything about coming winds by watching the sky? Does a cloudy sky indicate good sailing weather or bad?

Those who do a bit of sailing, either on lakes or at the ocean, can predict some things about the winds by watching the sky and studying weather. A cloudy sky is one sign of lessening wind, and therefore is not welcomed by sail-boaters.

There are other rules which generally apply. For example, if there is a strong breeze from the shore at sunrise, hopes for a good wind during the day are not always justified. Usually this land breeze dies down as the sun heats the land and is replaced by a sea breeze.

Of course, in the summer clouds may herald the approach of a thunderstorm and this means strong winds, but other than these storms, a bright clear day is best for sailing. The sun heats the land faster than the water, air above the land rises and air over the water flows in over the land to replace it. That is the famous sea breeze that finds at large lakes and on ocean beaches.
