## Summer Youth Program--With A Difference

By: Lazbuddie Journalism Class

Lazbuddie Independent School District offers a summer youth employment program this is unusual. Students who sign up to work for the school during the summer are treated to much more than simple janitorial jobs. The students are involved in cleaning and repair work, but they also are instructed in some very useful skills. They are guided in projects that involve building, remodeling, painting, and a variety of jobs that give them practical skills that may be used through-out their lives.

During the past summer, four boys from the Lazbuddie community were hired by the school to participate in the summer youth program. These boys are Scott Holt, Aaron Hargett, Eddie Zamora, and Donnie Holt. Scott and Donnie are the sons of Mrs. Carol Holt. Donnie is a junior at Lazbuddie High School this year. Scott graduated from Lazbuddie in 1986 and attended South Plains College in Levelland for a year. He is now attending Eastern New Mexico State University.

Aaron Hargett is the son of Mrs. Mary Archer. He graduated from Lazbuddie in 1986 and is attending San Angelo State University. This will be his second year there. Aaron has worked in the school's summer employment program for the last several summers, as have Scott and Donnie.

Eddie Zamora is the son of Mr. and Mrs. Eddie Zamora Sr. He is a sophomore at Lazbuddie

## Local, Area Rebate Checks Are Still Low

Late last week, State Comptroller Bob Bullock sent checks totaling \$56.1 million in local sales tax to 1,039 cities that levy the one-percent city tax. According to Bullock, this year's payments are down by nearly six percent overall compared to payments made by September of last year.

Muleshoe is showing a slow 'come back' from a depressed economy. Their share of the tax rebate for the latest reporting period was \$13,987.19, up from the \$12,654.69 received for July a year ago. To date this year, Muleshoe shows a decrease of 6.92 percent, with total payments to date of \$138,772.70, compared to the \$149,086.27 received through July a year ago.

Morton still shows a high percentage in a decrease in sales tax rebate revenues. Their latest figure is a 12.43 percent decrease for the year, with \$35,072.17 received to date for this year, compared to \$40,049.99 received at the same period a year ago. Their current payment was \$3,885.33, compared to last year's payment for July of \$3,836.60.

Littlefield is also playing 'catch-up' with only a 3.06 percent decrease for the year to date. Their current payment for the current period was \$17,413.78, compared to last year's figure for this date of \$15,234.25. Their current payments to date are \$181,043.12, and a year ago were \$186,764.55.

From Parmer County, Friona shows the smallest decrease of the surrounding counties in sales tax rebates. With current payments of \$78,618.19 to date this year, and \$80,407.63 for the same period last year, Friona is only down by 2.23 percent. Their current payment was \$7,907.82, compared to \$8,099.53 for the same time last year.

The city of Houston received the largest payment -- \$8.6

## Bike-A-Thon For Children Set Saturday

St. Jude Children's Research Hospital's 'Wheels for Life' Bike-a-thon is slated for Saturday, September 19. Ray Day, local Bike-a-thon coordinator, has asked Muleshoe residents to join the bike-a-thon which will begin at 9:27 a.m. at 407 W. 17th St., Muleshoe.

He said this ride honors Brian, a leukemia patient at St. Jude. "With every turn of the wheel, riders become 'spokesmen' for all the kids with cancer, like Brian," added Day. "This ride is a vital part of the fight against childhood cancer at St. Jude. Riders are really needed. They make or break a Bike-a-thon."

Riders sign up sponsors who promise to make a donation based on each mile completed. All riders turning in money will receive a certificate.

Those who raise \$25 receive a certificate and a St. Jude T-shirt. When \$75 is raised, the rider receives a sports bag, a T-shirt and a certificate. Day said a 10-speed bike will be presented to the person who raises the most pledges, courtesy of Dr. Pepper and ServAll Thriftway.

Day reminds everyone that pledge forms should be picked up at ServAll Thriftway soon, so you may start getting your pledges.

Supervisors for the boys' many projects were school administrators, Superintendent Joe Hall and high school principal, Roy Willingham, the industrial arts teacher, Mark Scisson, and the vocational agriculture teacher, Rick Copp. These administrators and instructors supervised and guided the boys during different projects throughout the summer.

All of the boys worked together on several projects.

**DRIVERS LICENSE TO BE MANDATORY AFTER OCT. 15**

The Texas automobile driver's license law changed by the last Legislature session will become effective on or about October 15, according to information received here last Saturday.

The new law actually became effective May 20, this year; but has been held up by the Public Safety department because of lack of officials to handle the new provisions. Now these men have been selected and are in training for their future duties.

Several offices for examination of applicants for drivers license will be established throughout the state, the nearest to Muleshoe being the one to be located at Lubbock.

The new law provides an eye sight test, ability to read and understand highway signs, a reasonable knowledge of highway traffic laws, how to handle and control a car.

It is understood that drivers now holding previously issued drivers' license are not subject to such examination at this time' but will be following expiration of present license which is effective April 1, 1939.

including the remodeling of one of the teacherages. They all painted the elementary gym, including the stands and railing. They painted the high school gym and stripped the floor.

The summer program did not limit the boys to painting. All of the boys worked with instructors in putting up a chain link fence along the road by the elementary playground. They erected a pipe and cable fence around the back of the playground area.

Scott Holt and Aaron Hargett put new coats of paint in the vocational agriculture and industrial arts building, in the administration offices, and in the school auditorium. The auditorium had not been painted in over twenty years. The boys also helped put up new light fixtures and mini blinds in the auditorium. Scott and Aaron painted and trimmed out rooms in the elementary school.

Donnie Holt and Eddie Zamora put their woodworking instruction to good use in building bulletin boards for the classrooms and bulletin board cabinets for the elementary rooms.

The boys also helped lay a new sidewalk. Last year, they roofed three houses without any help other than supervision.

The four boys worked hard throughout the summer and saw the results of their efforts in the many school improvements. The administration at Lazbuddie Independent School District plans to continue this worth-while summer program. It is productive for the school and very valuable to the students who participate in it. The value gained by these boys is not only monetary. They gained in knowledge of usable skills, responsibility, and the satisfaction of a job well done. The youth

**Alabama Tide Favored Over Florida Gators**

If you're looking for a lot of headline attractions, Saturday's slate of major college games is one of the leanest of the season. It appears that warm-up time is in its third week. And, of course, that's always a great time for the little guys to try to beat up the big guys.

However, there are a few that'll cause some nail-biting. Alabama hosts Florida in the first Southeast Conference game of the season for both teams. The Tide beat the Gainesville Gators 21-7 last year. It was the second of four consecutive losses for Florida in a not-so-happy 6-5 season. The Gators finished in a tie for 7th place in the conference. Alabama is the favorite again this year.

After opening with two games at home, Boston College makes the long trek to Los Angeles to take on Southern California. The Trojans have had a week's rest since their confrontation with Michigan State. The Eagles and Trojans are meeting for the first time on the gridiron. Southern Cal should win.

Southwest Conference champion Texas A&M held open house two weeks ago where the Aggies were held to just 3 points in losing to L.S.U. 17-3. A&M looks to change their luck as they host the Washington Huskies. Like Boston College, the Huskies go on the road for the first time after playing at home against Stanford and Purdue. Winner: Washington.

Clemson won the Atlantic Coast Conference title last season, then went on to beat Stanford in the Gator Bowl 27-21. The Tigers entertain some tough Georgia Bulldogs from the Southeast Conference

employment program offered by this school is in conjunction with the Texas Panhandle Job Training Partnership Summer Youth Employment Program.

One of the most important positive effects of the summer youth employment program is its influence on student pride in the school facility. Because so much of the cleanup, repair, and new project work is done by students or graduates of Lazbuddie, other Lazbuddie students take a more active interest in keeping the school nice, clean and in good repair. Students respect the hard work and efforts of their fellow students.

**Shown Tuesday At Rotary Club**

Ray Day had charge of the Rotary program at noon Tuesday and showed a film on St. Jude (Danny Thomas) Childrens Hospital at Memphis, Tenn. He stated that he is coordinator for a 'Wheels For Life' Bike-a-thon scheduled Saturday morning beginning at 9:27. This ride will honor Brian, a leukemia patient at St. Jude. "Anyone wishing to ride in the Bike-a-thon needs to go by Serv-all Thriftway and pick up their pledge sheets."

Muleshoe Jennislippers, Billie Downing and Thursie Reid were also present and thanked the Rotarians for their help with the Jennislipper booth at the Bailey County West Plains Fair.

They also spoke on "Bells Across America" which is scheduled for today, Thursday at 3 p.m. at the court house, marking America's 200th Birthday. The Decoration of Independence was signed at 3 p.m. on Sept. 17, 1787. Everyone is asked to bring their bells and join in this celebration, they continued.

Ms. Reid also spoke on the Bailey County History Book which is being published by the Jennislippers. She stated that it does not matter if you've lived in Bailey County a few days or many years...or if you are a former resident, you are a part of Bailey County and its history. Your story is needed and wanted. Your help is also needed in contacting those who have moved away.

There is no charge to include your story in the book. Deadline for submitting stories is set for Nov. 1.

Guest present included Charles Aycock, Hershel Harding, J. B. Suddeth, Johnny Actkinson, Marie Bass, Billie Downing and Thursie Reid.

**WJHS WELCOMES MRS. GRAY**  
Mrs. Neva Gray is a new Art teacher here at WJHS. She has three sixth grade classes and three seventh grade. Mrs. Gray has taught the last two years at

Mary De Shazo in fourth grade. When asked how she liked teaching here at WJHS, she replied, "I'm really enjoying teaching art-as soon as I adjust to the schedule-but the kids are great!" Mrs. Gray also has three children of her own: two sons; Scott and Timothy; a daughter, Tonya. Mrs. Gray graduated from ENMU of Portales, NM. She has also attended Texas Tech in Lubbock and Olivet Nazarene College in Kankakee, Illinois. Mrs. Gray loves art, so naturally her hobbies are ceramics and interior decorating. She also likes bike riding and swimming. Mrs. Gray would like to take more art courses in Europe or Japan and to travel more often. Welcome, Mrs. Gray!

**NEW AIDE FOR MIGRANTS**  
Mrs. Arguello has been married for 23 1/2 years. She has 3 sons and 2 grandchildren. She came to WJHS as a graduate of Cooper I.S.D. Mrs. Arguello was previously a kindergarten aide for 10 years. She loves living in Muleshoe and she plans on teaching here for a while because she likes her job and she likes to meet new people. "The good part about WJHS is that I have met many friendly students and teachers."

### Letters To The Editor

To the Editor  
Muleshoe Journal  
Bloomfield, N.M.

Dear Cleta  
To the person who found W. W. Wilson Billfold.

First I want to thank the person who returned the billfold & papers. Then I want to tell the person that took the money something about Mr. Wilson. He is 78 years old and I wonder if you could push a mower 8 to 10 hours a day to make yourself a living, he does. I really hope you can sleep at night. I'm sure Mr. Wilson would have given a reward for his billfold & contents. Its too bad that the city of Muleshoe has people like you in it. I lived in Muleshoe for 25 years and still think it is the best little city that I have lived in. People care about each other and if you needed help you could have gotten it, but to find someones property and not return it is very dishonest.

My prayer for you is if you ever lose anything I pray a honest person finds it and you get everything back.

Only you and Mr. Wilson knows how much money was in it.

Hazel Cunningham  
415 N. Church  
Bloomfield, N.M.
