Sudan Celebration Saturday

Independence Day is just around the corner, and Sudan is all geared up for its annual Sudan Pioneer Independence Day celebration, which will be held this Saturday, June 24, with fun activities planned for the entire family.

Festivities get underway at 9 a.m. with a coin dig for children, eight and under; pioneer registration in the Hotel Heritage Center and an Arts and Crafts show in the Senior Citizen's building.

A turtle race is scheduled to begin at 9:45 a.m. for all ages and has proven to be a 'crowd pleaser.'

Other morning activities include a tractor pull, stick horse racing and special events for kids 8-and-over. All participants will receive ribbons.

The parade, featuring "Let The Good Times Roll," will begin at 3 p.m. All area organizations are invited to enter floats, antique or unique cars; and riding clubs are cordially invited.

Cash prizes will be awarded to the top three floats. If interested in entering the parade, contact Ronnie Smith, parade marshal. Following the parade will be water polo for all ages, and the ever-funny outhouse race.

A barbecue, sponsored by the Lions Club, will be held in the park at 6 p.m. Tickets will be \$5 for adults and \$2 for children under 12.

A Jack N Jill volleyball tournament is also slated at 6 p.m. Closing out the days' Cont. Page 6, Col. 3

NEW ROTARY OFFICERS INSTALLED--New officers took over for 1989-90 at the Muleshoe Rotary Club on Tuesday. Installed as new officers are from left, seated, Terry Hutto, president; Dr. Bruce Purdy, vice president; Bret McCasland, secretary and Abel Arguello, treasurer. Standing from left are chairmen Jim Crawford, Curtis Shelburn and Charles Moraw. Not pictured are Don McElroy, chairman and David Tipps, sergeant-at-arms. (Journal Photo)

Terry Hutto Installed As New Rotary President; Group Visits

It was a day of officer installation, plus the enjoyment of special visitors for the Muleshoe Rotary Club Tuesday at noon.

Olan Burrows, who is the Rotary member with the most years in Muleshoe, installed the 1989-90 Rotary officers.

He told of the beginning of Rotary in 1905, and admonished the chairmen of the various committees installed to utilize the membership for projects to keep them busy and not 'bored' as Rotary members.

He installed Terry Hutto as president; Dr. Bruce Purdy, vice president; Bret McCasland, secretary; Abel Arguello, treasurer; and the following committee chairmen, Jim Crawford, community service; Don McElroy, vocational service; Charles Moraw, international service; and Curtis Shelburn, club service and song leader. David Tipps is the new sergeant-at-arms.

Burrows said Rotary Interna-

tional set a goal of raising \$120 million in five years to help fight polio throughout the world. In less than five years, Rotary International had more than doubled their goal, and money is still coming in to help eradicate polio.

Also, Burrows said the Muleshoe Rotary Club is above average in the district in member attendance, and urged the Rotarians to continue the practice of attending meetings.

J. D. Cage, whose home Rotary Club is Muleshoe, was presented a plaque "In Grateful Recognition of Service Above Self." He just went out as District Governor and was the first Muleshoe Rotarian to ever serve in that prestigious office. His wife, Julie, was asked to accompany him to the podium, and she was honored for helping him throughout the preceding year.

Cage, who had honored his assistants during last week's

meeting, said, "We have met some real nice people in the district, but there's still no one like the people in our home club."

Incoming president Terry Hutto presented retiring President George Nieman with a past president's plaque, and commended the outgoing president for an "outstanding" year.

President Hutto said, "I am

Janes Ranch House Ready For Painting

Monday evening, the Muleshoe Heritage Foundation Board of Directors met in the Old Depot.

R. A. Bradley, chairman, presided and reports were given by Mary Moore, treasurer; Cara Juan Schuster, who reported on the furnishings and interior decorations for the Janes House.

The Board voted to authorize Betty Carpenter and her crew to complete the sanding, refinishing, and painting of the interior of the Janes House in the near future. Many citizens of Muleshoe have donated their time and expertise by sanding, cleaning, and repairing this landmark, but volunteers are still welcome to be on hand to help anytime at night, or to work during the day. To volunteer your services, please contact R. A. Bradley at Fry and Cox, or call 272-3553.

A logo designed by Kathy Embry was adopted by the Heritage Board.

If anyone has any information or history facts relative to the Janes House, the Cook House or the Depot, please contact Kay Graves. Mrs. Graves is compiling a history book of historical facts about these historic buildings. Call 272-5846.

Members attending were R. A. Bradley, Mary Moore, Maurine Hooter, Cara Juan Schuster and Elizabeth Watson.

Next meeting for the Heritage Board will be Monday, July 17.

Early Wednesday morning, a large banner was noted on the front of West Plains Medical Center, reading "U Were There For Us! Now We're Here For U."

Bailey County voters overwhelmingly handed down a mandate Tuesday, during the election for creation of the Muleshoe Area Hospital District, voting 9.6 in favor of the hospital district. It was a 53.7 percent approval by voters in the Lazbuddie community.

In Lazbuddie, a steady stream of vehicles went in and out of the parking lot at the Muleshoe High School Cafeteria, as 1,180 persons cast their vote. The Tuesday vote in Muleshoe was 1,075 'For' and 105 'Against' the hospital district. Added to a record 477 absentee ballots, the total was 1,518 for the hospital district and 139 against the district, with a total of 1,657 people voting in the election.

In Lazbuddie, 93 voted 'For' the creation of the Muleshoe Area Hospital District, and 50 voted 'Against' the district. This was 53.76 percent of the voters from Parmer County approving the creation of the Muleshoe Area Hospital District.

Shortly after the polls closed at 7 p.m., two 'Victory' celebrations started. The first was at West Plains Medical Center.

Soon after the polls closed, tables had been set up in the hallway near the Muleshoe Nursing Home and were laden with punch, tea, and all types of snacks for hospital and nursing home employees, and invited guests.

When the results of the election started being released,

Schedule Annual

Calendar Sales

A special meeting of the Muleshoe Fine Arts Boosters was held Monday to organize the sale of the annual community calendar.

For \$5, you may get four birthday listings and an anniversary listing. Additional listings will cost 50 cents each.

The Fine Arts Boosters say if you have a child in art, band or speech in junior high or high school, and would like to help with calendar sales, call Charles or Margaret Hamilton, 272-4974 or Kent Wiley at 272-5692.

If you would like to purchase a calendar and participate in this community project, call one of the above officers of the Fine Arts Boosters, or call Charlotte Holt at 272-4802; Vickie Garner, 272-4826; Marsha Watkins, 272-5632; Marilyn Cox, 965-2781 or Ronnie Bennett, 272-5319.

Deadline to be included on the community calendar is June 26.

GETTIN' DOWN AND WITH IT!--Willard Norman showed plenty of rhythm Tuesday, when he entertained a dance at the Muleshoe Rotary Club. He will be one of the variety acts in the Muleplex Production Co.'s Family Fun Night next week. (Journal Photo)

around Muleshoe

Because the Muleshoe Library will not be available next Tuesday, the Jennyslippers will meet at noon at the Girl Scout Hut.

It will be reunion weekend for the Three Way-Bula Schools this Saturday, at the Three Way School.

Registration will begin at 2 p.m., with a barbecue dinner served at 6 p.m.

If you plan to attend the barbecue, please call Joe Sowder or Jack Reeves to make your reservations for a meal.

Spotlighted will be classes of 1946, '56, '66, '76 and '86.

Mandy Welch, who recently completed the eighth grade at Bailey Junior High in Arlington, has been named to the National Honor Society.

Mandy was also named as a member of the 1989-90 symphonic band, which is the 'honors' band at Bailey. She is a percussionist.

Mandy is the daughter of Mr. and Mrs. Miles Welch of Arlington. Her mother is the former Marsha Buhman of Muleshoe. Grandparents are Mr. and Mrs. Kline Buhman, Muleshoe and Mr. and Mrs. Munson Welch of Crowell.

The Lazbuddie Rabies Clinic will be hosted by the Lazbuddie 4-H Club, Friday, June 23, 4-6 p.m.

The clinic, conducted by the Muleshoe Animal Clinic, will be at the Lazbuddie Volunteer Fire Department.

Rabies shots will cost \$9 each, with other vaccines available.

The Lazbuddie 4-H Club requests that pets be on leash, or carried in their owner's arms.

City Council Approves Funds For Organization

Pat Prater, chairman, and Norma Bruce, treasurer, of the Muleplex Production Co., were at the Tuesday morning meeting of the Muleshoe City Council. They asked for funds from the Hotel-Motel Tax Fund, to help pay for two members of the Muleplex Production Co. to attend a Texas Historical Commission Grant Fund Workshop.

They told the Council that Muleplex Production Co. qualifies for a grant from the Texas Historical Commission because of the ultimate goal of the new Muleshoe organization.

Mrs. Bruce said, "It would be worthwhile to attend the workshop for the Muleplex Production Co. Our future, 'History of Bailey County' drama qualifies us for grant funds.

"At this time, Muleplex Production Co. has no funds. We need help to get started. In the future, other local organizations could benefit from the knowledge

we gain on how to properly apply for grants. We could help people like the Heritage Foundation with paperwork applying for grants."

"Our idea is to bring people into Muleshoe, which will help the community, and help local businesses," added Mrs. Prater.

Following a discussion with City Manager Dave Marr on how Hotel-Motel Tax Funds are distributed and used, the city council followed the guidelines used for other organizations seeking money from the Hotel-Motel Tax Fund, and agreed unanimously to provide matching funds up to \$350 to the Muleplex Production Co. for two people to attend the two-day workshop in Denison.

The City Manager suggested to Mrs. Prater and Mrs. Bruce that they bring the completed registration form to the City Hall so a check for registration can be

Three Muleshoe

Piano Students Receive Medal

Three Muleshoe piano students have been awarded the Paderewsky Medal by the National Guild of Piano Teachers. They are Dayna Hamilton,

daughter of Mr. and Mrs. Charles Hamilton; Jeremy Bruns, son of Mr. and Mrs. Jerry Bruns; and Heather Hutton, daughter of Mr. and Mrs. Terry Hutton.

To earn this award, a student must play a National (10-14 piece) or International (15-20 piece) memorized program for ten years. Elaine Damron, these

students teacher, said that this takes a great deal of talent, along with a tremendous amount of diligent effort, over a long period of time. They are to be

commended for earning this prestigious award, she continued.

Their pictures will appear in the "National Guild of Piano Teachers" magazine.

CELEBRATES FIFTY YEARS--Mr. and Mrs. Rayford Masten will be honored with a golden wedding anniversary reception Sunday, July 2, from 2-4 p.m. in the Three Way School Home Economics Room, Maple, hosted by their children and grandchildren. Masten and the former Maldean Benton were married on July 4, 1939 at Morton. They have lived around Morton and Maple almost all their married life. Mr. and Mrs. Masten have two children, Mr. and Mrs. Lamar Pollard and Mr. and Mrs. William Sokora and three grandchildren. (Guest Photo)

MICROWAVE TIPS

One thing to remember about microwave cooking is that sugar attracts microwave energy—and that can be a problem.

For example, sweet rolls are not too well suited to microwaving. The surface of the sweet roll equalizes with the air but the center becomes very hot and burns.

With most other foods,

there's not problem, but one should remember that microwaves penetrate foods to a depth of only 3/4 to 1 1/2 inches. The heat of microwaves penetrates to other parts of the food being cooked, such as the center—this is conduction cooking. That's also part of conventional oven cooking and nothing new.

But moisture driven to the surface in microwaving evaporates and doesn't crisp—which conventional cooking produces, though both methods accomplish through cooking.

Summer

June brings us the year's longest days. On the 21st summer arrives, to extend to September 23rd.

The freshness of June is special. New leaves and growth are fresh and bright.

Because it's the first summer month free of school for millions of youngsters, June has a special exhilaration. Because

so many are married in this month it is a time of hope and idealism.

June offers the first of the new crop of many vegetables and fruits. And so it may not be mere fancy when writers claim nothing is so rare or splendid as a night in June.

June nights (and days) come but once a year; go out and enjoy them!

ENMU Workshop On Dinosaurs Set Next Week

Eastern New Mexico University will sponsor "Eastern Express: Journey to the World of Dinosaurs, a dinosaur workshop on June 26-30.

This year's program is designed for students who will be entering grades 4-8 in the fall of 1989, and will cover a variety of topics including: "What Is a Dinosaur", "Age of the Earth", "Where and When Dinosaurs Lived", "Clues from the Past" and "What Eventually Happened to Dinosaurs." Dr. Robert Pierce, associate professor of geology at ENMU, will be the class instructor.

The five-day class will involve students with many hands-on activities. Participants will draw lifelike dinosaurs, make a dinosaur tooth, cut and polish a dinosaur bone, design a geological timeline, prepare a map of where they lived, sculpt a lifelike bone, make a fossil, use an electron microscope and have access to the university swimming pool.

Participation is limited to students who have scored in the 95th percentile or above on a standardized test, whose IQ has been determined to be 125 or above on an individualized IQ test, or teacher recommendation. The workshop will meet each day from 9 a.m.-4:30 p.m. Friday at 3:30 there will be an open house for parents and friends.

A \$49 registration fee is required and includes materials, field trip, breaks, all activities and swimming. For more information, call University Outreach at 505-562-2165.

Golden Gleams

Our present joys are sweeter for past pain.

Joys are bubble-like; what makes them bursts them too.
—P.J. Bailey.

Joys too exquisite to last, And yet more exquisite when past.
—James Montgomery.

Great joys, like griefs, are silent.
—Shakerley Marmion.

It is a fine seasoning for joy to think of those we love.
—J.B. Mollere.

Tawnya Riney, cousin of the groom.

Vows were exchanged before a candle lit fireplace trimmed with the bride's colors and greenery.

Given in marriage by her father, the bride wore a romantic court length gown of ivory lace over taffeta. The elongated bodice featured a Sabrina neckline and renaissance lace sleeves edged in scalloped lace. The taffeta skirt was accented with a sash at the hipline and candy box bow. To complete her attire, the bride chose a beaded side comb highlighted with small floral sprays and beads.

The bride wore pearl earrings and a pearl necklace which belonged to the groom's sister for something borrowed. She carried a Bible that belonged to her mother for something old. Her wedding dress was something new and her garter was something blue. She wore a penny in her show dated in the year of her birth.

She carried a cascading nosegay of ecru and pastel flowers intertwined with ecru lace and pearls and trimmed with iridescent and multicolor ribbon in her chosen colors of turquoise and pink.

Susan Lunsford served as maid of honor and bridesmaid was Misty Riney, sister of the groom. They wore tea length turquoise taffeta dresses with a sweetheart neckline. They carried lace fans trimmed with turquoise and blue flowers and iridescent ribbon, made by the bride's sister-in-law.

Skye Leathers served as flower girl. She wore a soft pink dress of ruffles and lace. She carried a lace basket trimmed with pink and turquoise streamers and bows.

Brad Carter served as best man and Jerry Riney, brother of the groom served as groomsman.

The groom wore a dark gray jacket, grey slacks and pink shirt with a pearl grey tie. The best man and groomsman wore grey jackets, slacks, turquoise

shirts and black ties.

Following the ceremony, a reception was held in the home. The reception table featured a two tier cake topped by a Precious Moments bride and groom and a German chocolate cake made by the groom's mother. The table was accented in shades of pink and turquoise.

Serving at the table were Amy and Danna Lee of Idalou, Kelle Melton of Lubbock, cousins of the bride, and Renee Grant of Muleshoe, sister-in-law of the

bride. Special guests included the bride's grandparents, Mr. and Mrs. Harold Newsom of Muleshoe; Mrs. Ellie Wilson of Lubbock, great grandmother of the bride, and Mrs. Ethel Brook of Littlefield, grandmother of the groom.

The bride is a 1986, graduate of Muleshoe High School and is attending Texas Tech University. The groom is a 1986, graduate of Olton High School and a 1989 graduate of South Plains College in Levelland.

Following a wedding trip to Angel Fire, N.M., the couple will reside in Olton.

The C. V. Steed Funeral Home was completed this week and the building, which is a stucco structure, adds much to the appearance of that part of town. Mr. J. H. PAVEMENT COMPLETED TO FT. WORTH EAST

An all paved highway from Muleshoe to Ft. Worth and Dallas, became a reality, when the last uncompleted gap between Guthrie and Dickens was completed, accepted by the Highway Department and opened to the public a few days ago.

The route via Lubbock, Dickens, Seymour and Jacksboro is approximately a distance of 340

miles.

Fully half of this long stretch from Muleshoe to Lubbock having been completed only three years ago.

Several cutoffs are either under construction or proposed which will naturally shorten the distance and driving time in the future.

DRIVE IN WINDOW IS BECOMING VERY POPULAR

The drive in window, a relatively new service in the ways of banking facilities, is becoming very popular with the people of Muleshoe, and people who bank

here, according to M.D. Gunstream, president of the First National Bank in Muleshoe.

Gunstream says that at the present time they probably do more business at the drive in window than any of their inside windows.

One thing that makes it attractive at this time of year, is the nice canopy over the driveway at the window, enabling people to drive up in inclement weather without being inconvenienced.

JAMES ROY JONES IS NEW OWNER OF MEAT MARKET

A Muleshoe native, James Roy Jones, officially takes over as owner of Carl's Meat Market tomorrow (Monday).

He worked for White's Cashway for 24 years, with 20 of those years as market manager. Jones moved to Amarillo a year ago, and was employed by Furr Food for one year before returning to Muleshoe.

He plans to re-paint the meat market inside and out, and said the store will be closed Monday morning for inventory.

The name of the business will be James Roy's Meat Market.

James Roy Jones and his wife, Theresa, are the parents of two children, Jana and Todd.

An Early Start

Draft: "Goodbye, dear, look after the home well, and if you need money while I'm gone, just go to the bank."

Wife: "Yes, dear. What time does the bank open this morning?"

AUGUST DATE SET--Mr. and Mrs. Jimmy Ford announce the engagement and approaching marriage of their daughter, Cheri Rene to John Glenn Sain, son of Mr. and Mrs. Richard Sain of Clovis, N.M. Marriage vows will be exchanged on August 5 in the Sudan First Baptist Church. Miss Ford is a 1988 graduate of Sudan High School and is currently attending Eastern New Mexico University. Sain is a 1986 graduate of Clovis High School and is attending Eastern New Mexico University. (Guest Photo)

ENGAGEMENT ANNOUNCED--Mr. and Mrs. Julian W. Johnson of Lubbock announce the engagement and approaching marriage of their daughter, Melissa Ann Sanders to James Malcolm Gulley, son of Mrs. Davis Gulley and the late Davis Gulley. The bride elect is a 1973 graduate of Hereford High School and a 1977 graduate of West Texas State University School of Nursing. She is currently employed at Lubbock State School as a registered nurse as nurse manager of the infirmary. Gulley is a 1971 graduate of Muleshoe High School and a 1977 graduate of Texas Tech University with a degree in Agricultural Economics. He is employed by GroAgri Seed in Lubbock. (Guest Photo)

Rudy Ismael Corrales

Eugenia and Norma Cerales of Dimmitt are the proud parents of a son, Rudy Ismael, who was born at 6:27 a.m. Monday, June 19 in West Plains Medical Center.

The young man weighed seven pounds and two ounces. He is the first child for the couple.

Grandparents are Meliton and Maria Clara Diaz, and Eugenia and Alicia Corrales of Muleshoe.

In Fashion

The season for tanning is in full swing. Shops are filled with fashions designed for fun in the sun.

One-piece bathing suits are making a good comeback, but bikinis are still favorites among the younger group. V-neck halters and tops with very low backs leave much bare for tanning.

To enjoy safe tanning be sure to use the right sunscreen to prevent blistering and a risk of getting skin cancer.

asking for your continued support and enthusiasm, we feel like the community is going to grow, and we want the club to grow with it."

Nieman asked his 1988-89 officers to stand for recognition, including Terry Kutto, Ray Day, Abel Arguello, Mike Hahn, Tommy Gunstream, Curtis Shelburne, Don McElroy, Brad Poyner. He then asked Olan Burrows, *Mule Monitor* editor; Bob Stovall, *Mule Monitor* printer and Clea Williams, *Mule Monitor* editor's assistant, to stand for recognition.

The outgoing president also noted appreciation to the news media and to Jackie Denham and Betty Freeman, who cook and serve the Rotary Club meals.

Burrows asked the incoming president to designate Clea Williams as assistant *Mule Monitor* editor again, and the request was immediately granted by President Hutto.

Prior to the officer installation, several visitors provided a few minutes of lively entertainment. Darla Rhodes and her cousin Peaches Brown (Nelda Merriott) from Atlanta, GA gave some facts about the upcoming "Family Fun Night" to be staged by the Muleplex Production Co. June 29-30.

Dressed in 'period' costumes, Miz Rhodes introduced her cousin, Peaches, who had a decided and pronounced southern drawl.

They both outlined many of the activities planned for the two-evening production, and invited everyone to be present.

They were humorous, witty, and made a very good presentation.

But -- wait -- that wasn't all! The Rotarians and guests were delighted by a dance routine presented by Willard Norman, who will be one of the variety acts during the production.

Man! He got rhythm -- and if you don't believe he was loose, limber and really 'got down with it,' just attend the *Family Fun Night* and see for yourself. If the sample is an indicator of what will be happening June 29-30 at the Muleshoe High School auditorium, everyone will really be in for a treat.

The cost is only \$4 for adults and \$2 for children for some three hours of entertainment.

Plus -- the Muleshoe Activities Committee will be selling candy at intermission for 50 cents per sack. Many of the sacks will contain numbers. These numbers will correspond with numbers on a gigantic array of nice prizes which will be displayed on the stage.

Persons buying a sack of candy with a number in it can claim their prize at the stage.

More than a dozen visitors were at Rotary on Tuesday. Staci McElroy won the Polio Plus drawing.

sent to The Texas Historical Commission.

He also instructed the Muleplex Production Co. representatives on necessary receipts to be returned to validate their receipt of the local funds.

In other action, the city council discussed the new Muleshoe airport.

City Manager Marr distributed a Texas Aeronautic Commission booklet which contained TAC requirements.

Marr reminded councilmen that they have not extended airport rules to the new facility where hangars are concerned, and in the near future must set rental rates and policies for use of the hangars.

Rates charges by other airports will be checked before a final decision is made for the new airport here.

Construction of the eight hangars, apartment and storage building should be completed within the next few weeks, added Marr.

He said a Muleshoe City Police Officer will be residing in the new apartment to provide on-site security for the airport.

Following the brief airport discussion, the city council and city manager drove out to the airport for an inspection.

activities will be a street dance beginning at 8 p.m.

Prizes, donated by local merchants, will be awarded during the day as different musical groups perform.

Purchasing a ticket from any of the organizations who are holding raffles will register you as a potential winner of any or all the merchant prizes.

Coordinators of the annual event say, "Area participation is requested for all the events; or just come and watch the fun."

Schedule for the day full of activities is as follows:

9:00 - Coin Dig-north side of the park. Age groups, 2-4, 5-6, 7-8; Pioneer Registration-Sudan Hotel Heritage Center; Arts And Crafts Show - Senior Citizen Building.

9:45 - Turtle Races-west side of park. All ages.

Hospital...

Cont. from Page 1

At the same time at the Civic Center, candy was being sacked for the upcoming Muleplex Production Co.'s Family Fun Night, scheduled for Thursday and Friday, June 29-30.

No immediate miracles can be expected as the temporary board of the Muleshoe Area Hospital District will first have to canvass the ballots, certify the election, then start negotiations with the West Plains Medical Center Board to obtain the hospital and nursing home facility.

There will be no funds (tax money) available until at least October, when taxes start being paid, but with the overwhelming approval of the voters, the board will have borrowing stability, based on projected tax returns.

New Grants Available For Hospitals

The House has agreed to accept a Senate provision in the Urgent Supplemental Appropriations bill to double the number of grants available to aid struggling rural hospitals, says U. S. Sen. Phil Gramm.

"The Health Care Transition Grant Program will now provide 160 grants of up to \$50,000 each to help non-profit, rural hospitals, many of which are struggling to survive these days," Gramm said.

"Specifically, the grant program will provide more than \$8 million that is critically needed so that small hospitals in rural areas can change their method of operation in order to cope with changing demands for services," the senator said.

"I believe that it is vital that we explore every avenue to assure that health care continues to be available in rural areas," he said.

"Many small Texas hospitals have expressed to me their interest in seeking these grants, so doubling the number available will ultimately double their chances of gaining aid," Gramm noted.

The senator also said that his Rural Health Task Force is currently gathering data from across Texas in preparation for making recommendations to Congress and the administration on the growing problem.

Dr. Remy Cabansag will be leaving Amherst to begin practice in Alvarado, a suburb of Ft. Worth.

Her last day in Amherst will be Friday, June 23.

A reception has been planned for Dr. Remy, in her offices, Friday, June 23, 1-2:30 p.m.

Her patients and friends are encouraged to attend the farewell reception. ***

Gramm, a member of the Senate Appropriations Committee and the House-Senate conference committee which hammered out details of the bill, said he was particularly pleased that the House had agreed to accept the Senate proposal.

Final action by both houses of Congress on the legislation is expected shortly.

Former Residents' Services Held On Wednesday

Services for J. L. 'John' Chandler, 51, of Lubbock, and formerly of Muleshoe, were held at 3 p.m. Wednesday in Faith Christian Church in Southland with Bill Jernigan, pastor, officiating.

Burial was in Southland Cemetery under direction of Sanders Funeral Home.

He died at 9:05 p.m. Sunday in Lubbock General Hospital. Justice of the Peace L. J. Blalack ruled natural causes in the death. Chandler was born in De Queen, Ark. He moved to Muleshoe in the early 1950s. He

resided in Idalou before moving to Slaton in 1975. He married Emanda Graves in March 1976, and was a founder and member of Faith Christian Church where he served as Sunday School superintendent.

Survivors include his wife; three daughters, Pamela Hanks of Grand Forks, N.D.; Rhonda Vaughn of Dallas and Reba Green of Slaton; two sons, Johnny Chandler of Colorado Springs, Colo. and William Humphrey of Cleburne; his step-mother, Clois Chandler of Clinton, Okla.; four brothers, Bob Chandler of Andrews, Don Chandler of Hereford, Raymond Webb of Clinton, Okla. and Al Webb of Dallas; a sister, Shirley Carpenter of Muleshoe; and six grandchildren.

PEST MANAGEMENT UPDATE Parmer-Bailey Counties MIKE D. BLANTON Extension Agent-Entomology

Well, the crops are growing and the insects beginning to build, so it is time once again for the "Pest Management Update" to hit the mailboxes on a weekly basis. I hope this newsletter will be informative in helping you monitor the pest situation in Parmer and Bailey Counties.

If, throughout the season, you have questions pertaining to the pest situation, please don't hesitate to call my office (481-3300).

GENERAL SITUATION

The latter part of last week brought much needed moisture to the region, this time without damaging hail. The corn, cotton, and other crops seem to be off to a good start.

COTTON

Irrigated cotton at this point looks better than it has in a few years. Much of the crop that I have seen is anywhere from 2nd to 5th true leaf stage. Thusfar, disease problems are minimal. The only situation I have seen was seedling disease in a field that had cotton following cotton the last few years. The moisture and cool temperatures we have had the last several days could possibly bring on Ascochyta blight (wet weather blight). This disease is characterized by brown dead areas on the leaves.

Thrips are the main concern in the cotton field right now. Fields that did not have an at-planting insecticide applied are showing severe damage from the feeding of this pest. Symptoms include curling upward of the younger leaves, silvering on the underside of older leaves, and stunting of plants. The early bolls that will be produced on these plants are the most important for this region so protect your cotton from this insect.

CORN

Cotton is not the only crop off to a good start. The corn in the area is in that fast growth state. Most fields range in height from 2-4.5 feet. We have placed and will be monitoring southwestern corn borer pheromone traps

throughout the two counties again this year.

We are already catching male moths in those traps so first generation egg lay has probably begun. If you have fields in close proximity to last years stubble that was not plowed until late February or after that time, watch for high numbers of corn borer larvae in your fields.

Spider mites are being found in just about every field with a few fields already reaching damaging levels of these pests. Fields with the highest infestations of spider mites are those near drying down wheat. It is very important that fields are monitored to catch this problem before the mites cause economic injury to the crop. Spider mites are first found feeding on the underside of the lowest leaves, usually near the midrib.

PEST MANAGEMENT PROGRAM

The 1989 Parmer-Bailey Pest Management Program finished it's first week of scouting last week. Each week, I hire two or more scouts to assist me in the weekly monitoring of a number of fields in the two counties. We fill out crop reports for each commodity scouted for those producers in the program. As economic thresholds near for a certain field I will contact that producer to discuss control strategies.

This year, due to loss of acreage from lack of moisture and fields being lost to hail, we still have acres open. We would

like to fill this acreage with fields between the Muleshoe vicinity through Lazbuddie-Clay's corner areas to the Hub vicinity if possible, but will also accept acreage around Bovina.

There will be a nominal per acre fee to pay the scouts' salaries. If you already have a private consultant scouting your fields, please do not put acres in this program.

Those producers interested in this program, or wanting more information, should call my office (481-3300) or the County Extension office in Muleshoe (272-4583) as soon as possible.

Muleshoe Man's Brother Victim Of Drowning

Rosary for Olan Wharton, Jr., 20, of Lubbock, was recited at 7:30 p.m. Tuesday in Guajardo Funeral Chapels.

Mass was celebrated at 3 p.m. Wednesday at St. Joseph Catholic Church with the Rev. Michael O'Carroll officiating. Burial was in Littlefield Cemetery under direction of Guajardo Funeral Chapels.

Wharton apparently drowned Saturday morning while swimming in the lake at K. N. Clapp Park, 45th Street and Avenue U, Lubbock. Justice of the Peace L. J. Blalack ruled the death an accident.

Wharton moved to Lubbock 16 years ago from Del Rio. He was a 1989 graduate of Dunbar High School and worked at BFI Waste Systems. His father, Olan Wharton Sr., died in 1978.

Survivors include his mother, Maria of Lubbock; three brothers, Frank "Pancho" Gonzalez, Joe Gonzalez of Lubbock and Omar Wharton of Muleshoe; four sisters, Blanca Belez of Gary, N.C., Maricela Dodez, Amor Licon and Saida Wharton, all of Lubbock; and a half-sister, El Juanda Burnett of Belton.

Good Picker
"Is young Mrs. Whoofie by a good mother?"
"Good? Why, she's marvelous! I have seldom seen anyone more careful when hiring a nurse for her children."
Prisoner: "Why no, your honor. I always thought it was a very respectable place."
Judge: "Aren't you ashamed to be seen here in court so often?"
