

THE ARTESIA ADVOCATE

Remember to Buy a Poppy!

HELPING TO BUILD A GREATER ARTESIA

VOLUME FORTY-EIGHT

ARTESIA, NEW MEXICO, FRIDAY, MAY 25, 1951

NUMBER 42

Memorial Poppies Bloom Tomorrow

Bringing the annual poppy sale into sharp outline is the picture of Mrs. H. R. Paton, Artesia, department president of the American Legion Auxiliary, Mrs. Tony Genta, Raton, department poppy chairman, and Veteran Billy Edwards, in the Albuquerque Veterans Hospital. Poppies like the ones you buy in Artesia tomorrow will help veterans and their families.

Taking up the yearly task of bringing the replicas of the Flanders poppies of World War I, the red crepe paper flowers pay tribute to the hundreds of thousands of young Americans who have lost their lives in the nation's wars in three wars, the two world conflicts and the present war in Korea.

There in Artesia women of the American Legion Auxiliary will bring the streets early in the morning with baskets of the little red flowers of memory. They will work throughout the day and hope to have a poppy on every lapel before the Memorial Day observance is being held by Mrs. Morris.

Disabled veterans of both World Wars have been working for months in hospitals and convalescent workrooms making the flowery which will be worn tomorrow. Mrs. Rogers estimates that more than 30,000 poppies have been prepared for the Auxiliary, with more than 10,000 disabled men unable to do other work during employment.

An army of nearly 150,000 women have been mobilized by the Auxiliary to carry out the nation-wide distribution of the poppies, Mrs. Rogers said. All will serve as unpaid volunteers and all of the conditions they receive in exchange for the flowers will go into the rehabilitation and child welfare fund of the American Legion Auxiliary. The money will be used to support the vast work of these organizations for the welfare of disabled veterans and veterans' families during the coming year.

Disability and municipal budget hearings for 1951 will be held in Eddy County towns on two dates, according to a list released by Manuel R. Baca, New Mexico Department of Public Safety, county and municipal secretary.

A copy of the itinerary has been mailed to county and city clerks to notify "your board of the date and hour of budget hearing for your county and municipality." The state commission consists of Fred W. Moe, Santa Fe, chief commissioner; D. D. Monroe and C. C. de Baca, associate commissioners; Melvin Yost, attorney and secretary Manuel Baca.

For Eddy County: Carlsbad, city hall, 1 p. m., Wednesday, July 18. Loving, Carlsbad city hall, 3 p. m., Wednesday, July 18. Hobbs, city hall, 9 a. m., Thursday, July 19. Ruidoso, Hobbs city hall, 10 a. m., Thursday, July 19. Lordsburg, Hobbs city hall, 11 a. m., Thursday, July 19.

Artesia Lions Advocate Split District 40

Delegates of the local club to the New Mexico Lions International district 40 convention in Gallup, N. M., July 27-28, will vote for a three-member division of the district. Purpose is to cut out long trips to the district governor. District 40 comprised of the entire state. Under the proposed revision, there would be a northern district, 40-N; a western district, 40-W; and a southeastern district, 40-S. Delegates of the local club to the convention were named at the club's regular weekly luncheon meeting Monday Wednesday in the Masonic temple.

The meeting will be held by the club next week since the date coincides with Memorial Day, May 30, a holiday.

Memorial Day Program Set By Veterans

Living will honor the dead once more as four organizations here combine in a Memorial Day ceremony at 10 a. m. Wednesday, May 30, in Woodbine Cemetery.

The graves of 200 veterans of wars ranging from Spanish-American to the latest conflict in which American has engaged, will be decorated with small flags and members of the American Legion Auxiliary will place poppies on each grave.

Don Bush, attorney, will be the main speaker at the service which has been arranged by the central veterans committee. Fred Jacobs is chairman of the committee and also commander of Clarence Kepple Post 41 of the American Legion.

Other participating organizations are Veterans of Foreign Wars of the United States of America, Loyd Walker Post, Jimmy Bowman, commander; Disabled American Veterans, Donald S. Simons Chapter 19, Buster Cline, commander; New Mexico National Guard, 697 Anti-Aircraft Artillery Automatic Weapons Battalion, Capt. Marshall R. Belshe, commanding.

A majority of Artesia businesses are expected to close for the day in conformity with the Chamber of Commerce schedule that lists Memorial Day as one of the seven regular stated holiday closing days of the year.

Second Edition Of 'Leash' Put Out By School

Second issue of the annual literary publication of Artesia High School pupils, The Leash, 55-page magazine, was issued Wednesday.

The spring 1951 edition is bound in a buff color paper with printing in red. Cover design is a gay 90's sports picture of a baseball player and a swimmer.

Short stories, essays, travel, fantasy, fiction and poetry are included in the edition.

Mrs. Margaret Bildstone, journalism teacher, was faculty advisor. The staff was headed by Rube Austin, as editor in chief.

Others were Charles McNallen, assistant editor; Gwinda Smith, associate editor.

Literary staff—Juanita Hernandez, editor, Kay Booker, Myrna Henderson.

Advertising—Charles Gibson, manager, Jody Williams, Carl Arnall, Bobby Thorpe.

Art—Dorris Gayle, editor, Nadine Snow, Jonel Tynison, Herbert Travenio, Bobby Flynn, Charles McNallen, Lavada Truett.

Artesia Banker Gives Cottonwood Graduation Speech

Fred Cole, vice president of the First National Bank of Artesia, was the main speaker at the Cottonwood eighth grade graduation held at the school Wednesday night.

His topic was "What Is Education?" In his talk, he outlined how education was more than book learning, but included cultural, spiritual, intellectual training as well.

Colorado River Boat Trip to Supplement Lengthy Adventure Roll of Eagle Scout

Honors Event Features First Year of School

First session of Artesia's newest school, the junior high, located at 11th and Bullock, ends at 2 o'clock this afternoon, as buses transport the pupils to the building, where in seven six-minute periods they will receive their report cards for the 1950-51 term.

Highlight of the historic first year of the school, of which Don Riddle is principal, was the award day held in the high school auditorium on Friday, May 18.

In this program recognition was accorded pupils for excellence in studies, attendance and participation in athletics. There were 200 pupils given an accolade in the 40 classifications on the list, ranging from perfect attendance to student council and leadership awards.

Number of pupils includes some duplicates.

Due to names of some of the pupils being unknown until the time of the program, it was impossible to obtain an advance list for publication to time with the event.

Principal Riddle today announced the complete roll.

Sports
Football—Gerald Wood, Dean Seals, Don Davison, Leo Barker, Jay Mitchell, Bob Branch, Raymond Gressett, Joe Baca, Roy Whittington, Frank Hill, Jim Bird, Kenneth Hollis, Don Price, John Riddle, Freddie Sanders, Henry White, Clyde Bratcher, Leo Barker, Freddie Sanders, Raymond Gressett, John Riddle, Ronald Nelson, Donald Lewis, Cruz Alvarez.

Track—Wayne Westerman, Herman Flores, Freddie Sanders, Donald Lewis.

Tennis—Jerry Cranford.
Baseball—Ronald Price.
Girls Athletic Association—Peggy Hanna.

Girls Pep Club—Corrine Allen, Sandra Barr, Dewanna Berry, Jeanelle Blackburn, June Brewer, Dwanna Bridges, Betty Burch, Glenda Burns, Sandra Butts, Annette Connor, Shirley Doss, Donna Haddock.

Janeth Hill, Peggy Lu Hodges, Helen Howell, Erlene Horton, Kay Ingram, Darla Jones, Sharlene Johnson, Mable Kinney, Georgia Mulcock, Jean Ann Nichols, Jo Ann Nunn, Sallie Scott.

Sixth Grade Honor Awards
Hildegard Kletke, teacher—Anne Wade, Mary Margaret Whitson, Rose Mary Hutson, Linda Gayle Beene.
Mrs. Betty Stephens, teacher—Delbert Hood, Jeanie Lee, Beverly Reek, Peggy Taylor.
Mrs. Mildred Lambert, teacher—Dolores Lara, Lanny Smith, Jackie Garner, Brent Booker.
W. A. Brown, teacher—Billy Daniels, Otis Chavez, Glen Plent.

Council Called To Activate Safety Salient

A proposal made by Travis Stovall, Artesia High School principal, that was the subject of a story in the May 22 issue of The Artesia Advocate, has developed into action.

Representatives of schools, law enforcement, attorneys, press and radio, are to assemble in a meeting called to organize a program of safety education.

The session will be at 7:30 o'clock Monday night, May 28, in the high school auditorium and there will be three main points:

1. High school students driving cars to school.
2. Law enforcement for juvenile offenders.
3. Coordination of all agencies for a common purpose.

Background of the gathering is New Mexico's rate of traffic fatalities, one of the highest in the nation and emphasis needed to be put on protection of boys and girls driving cars.

Highlighting the council will be Jess Holmes, state safety education director; Capt. R. G. White, New Mexico police and John Kennedy, traffic and safety division, state highway department.

Invited to attend the meeting are parent-teacher association officers, parents, school superintendents, secondary principals, police personnel, district attorneys and assistant district attorneys, district judges, press, radio, public leaders.

V-J Celebration Leaders Chosen

Committee chairmen for the annual V-J Day celebration rodeo sponsored by the veterans organizations of Artesia were made known yesterday by Don Bush, publicly chairman.

Freddie Jacobs, veterans central committee chairman, appointed the following for the celebration, to be held Sept. 13-15.

J. B. Mulcock and James Bowman, grounds; Don S. Bush, publicity; John Simons, Jr., parade; F. M. McGinty, tickets; Jack Staggs, concessions; Bill Keys, ballyhoo trips; Harry Gilmore, dances; Julius Chandler, awards; Kenneth Jones, parking lot; Herbert Mathis, treasurer.

Schools to Begin 1951-52 Classes On September 4

Senior class of Artesia High School in 1952 is expected to number between 100 and 105 students, Principal Travis Stovall said yesterday morning.

The class of 1951 totaling 99 seniors, largest in the history of the school, received its diplomas in the commencement program held at 8 o'clock last night in the high school auditorium.

J. P. Steiner, associate secretary of the New Mexico Education Association, was the featured speaker.

Registration for next term will begin on Friday, Aug. 31. Regular term of school begins on Tuesday, Sept. 4, following the Labor Day holiday, Monday, Sept. 3.

Small-Size Flood Strikes Artesia

A gully washer rain, propelled by a strong wind, hit Artesia early Wednesday night, making downtown streets resemble those in the Texas Panhandle, recently hard hit by rain.

Pedestrians were marooned, unless they wished to wade in water above the knees, in the area between Fourth and Fifth on Main. Precipitation totaled 85 inches. Telephone service was interrupted in some places. Firemen made a run to the 1100 block on West Main, where an unofficial report said lightning that struck a gas stove caused a fire.

Drillers to Play Colts Doubleheader On Saturday Night

A double treat is in store for baseball fans when the San Angelo Colts come here tomorrow. A twin bill is set for Saturday night, May 26. First game starts at 7 p. m.

San Angelo was the Goliath that Lal David Driller slayed 6 to 0 in the Artesia team's last road trip and the Longhorn League leaders will be out to wipe out that stunning no-hit win of the cellar resting Drillers.

The Colts and Drillers play again on Sunday night, May 27.

Children's Parade Saturday Heralds Opening of Vacation Bible School

Opening the vacation Bible school in which churches are participating, boys and girls of Sunday school ages are to be in a parade forming at 1 o'clock tomorrow afternoon at Main and Sixth.

There will be a quintet of awards one of the best decorated advertising float, one each for the best decorated boys and girls bicycle and tricycle.

The union vacation Bible school will begin May 28, end June 8. Mayor Comments: Oren C. Roberts, mayor of Artesia, said Wednesday: "The school has been called to my attention and I would like to urge the children to take part and for parents to participate by encouraging their children to attend."

Study of religion, music, arts and crafts, devotional service and recreation are on the schedule of the union school to be conducted at the First Methodist Church, 502 West Grand.

Churches allied in this school are Nazarene, Christian, Methodist, Presbyterian, Church of the Brotherhood Hour according to Mrs. C. S. Powell, school superintendent.

"All ministers of the churches cooperating," says Mrs. Powell, "will assist when called upon in any way during the school."

A demonstration program and exhibit of arts and crafts will be held on Friday night, June 8, final day of the event.

Children desiring to attend the school are asked to report at the First Methodist Church. Teachers will be at the church at 1 o'clock for a conference before enrollment starts, probably at 1:30, after the parade.

Rounding out a series of planning sessions, a fourth meeting of 22 workers from the churches was held May 21.

Faculty
Mrs. C. S. Powell, superintendent; Marcia Gibbany, pianist; Mrs. J. F. Hair and Mrs. Carl Shelton, in charge of nursery for children less than 4 years old, whose mothers are working in the school.

Pre-school, ages 4, 5, 6, children who have not attended school. Mrs. L. J. Reiter, superintendent; Mrs. Sam Stewart, in charge of music; Mrs. Foster Bell, Mittie Frye, Mrs. Henry White, Yvonne Yeager, teachers.

Primary, children who will be in the second and third grades next term. Mrs. Chuck Johns, superintendent; Mrs. Carl Gibbany, music; Mrs. N. T. Kelley, Mrs. H. C. Briscoe, Mrs. Clyde Hope, teachers.

Junior, children who will be in the fourth, fifth and sixth grades next term. Mrs. Owen Haynes, superintendent and director of music; Mrs. C. T. Gaskins, arts and crafts.

Intermediate, boys and girls who will be in the seventh grade and over the next term. Mrs. James Jordan, superintendent; Mrs. Del Smith, assistant.

Intruders Fail To Open Bar Safe
Thieves who broke into the Mtnt Bar, 809 South First, sometime yesterday morning, had no desire to pose for the men of distinction ads. Not a bottle of firewater was taken. Nor was anything else missing from the place, Police Chief Earl D. Westfall said yesterday morning.

Object of the intruders was the opening of a safe, but the attempt failed. Entrance had been gained by knocking out boards of a rest room.

First Baptist Church to Hold School of Bible

Artesia First Baptist Church will conduct a Vacation Bible School for all children enrolled in the Sunday School and all other children not enrolled in some other Sunday School, beginning Monday afternoon at 3 o'clock on May 28, and continuing for two weeks, five days a week, two and a half hours each day, the pastor, S. M. Morgan has announced.

All boys and girls are asked to register for this school on Saturday afternoon, May 26, at the close of the community wide parade. That afternoon, at 1 o'clock, there will be a parade with awards to the girl and boy with the best decorated bicycles, and to the boy and girl with the best decorated tricycles.

All adults are asked to attend the Bible School, and, either participate in our lessons or, the various activities.

Materials for the school this year will center around "The Garden." The Bible lesson will picture the heart of the individual as a garden of uncultivated soil, then the picture of the heart-gardener at work, and the heart-garden after Jesus has taken possession.

These various studies will trace the individuals development from the time of consciousness and acknowledgment of his condition before God, to the personal acceptance of Christ as Lord and Master.

Further cultivation will be pictured as Christ leads them through different stages of Christian living.

These lessons will also teach the individual some of the deceptive powers of Satan represented by the weeds and stones, and show also the work of Christ through life until Heaven has been reached.

Some of the leaders for the various classes will be Mmes. L. H. Johnson, G. E. Jordan, W. G. Short, Cecil Mitchell, S. M. Laughlin, J. T. Haile, Joe Little, Monroe Boteler, and Miss Arlean Owens and Kenneth Mitchell.

While the school is planned primarily for boys and girls from 4 to 16, of the Baptist Sunday School, and those attending no Sunday School, any boy or girl desiring to attend these sessions will be welcome.

World Cattle Numbers Boom

Cattle raisers of the world had more cattle than ever before on January 1, 1951, according to foreign relations officials of the U.S. Department of Agriculture. Largest gains have been in North America, principally the United States, and in eastern Africa.

Cattle numbers in Asia are almost up to the average before the war, but haven't changed much in the past year. Some gains have been shown in Iran, Japan, and the Philippines, but about the same in China and India.

Cattle numbers in Russia are still somewhat below prewar, but the trend there is upward too. Except for the drought-stricken countries in Southeastern Europe, better pastures and feed enabled these past three years have enabled about half the countries in Europe to rise.

Ethiopia, the largest cattle raising country for Africa, made substantial gains in numbers this past year. Favorable feed and forage in Australia has also boosted cattle production there above prewar.

Foot-and-mouth will limit cattle development in Colombia and Venezuela in '51, but breeders in Argentina are rebuilding their herds. Canada's supply of feed-grains should permit expansion of herds this year.

Eyes to Future Contest Rouses Keen Interest

Interest in The Advocate sponsored "Eyes to the Future" contest has enveloped Artesia and the surrounding territory as phone calls and people pour into the business offices wanting to know "Who is that man climbing the pole?" or "Is this you?"

Whether it is the prize money that is keeping up the interest or just the fun of trying to pick out familiar faces, it is hard to tell, but the papers have been saved and the entries have begun to stack up in The Advocate office. Entries will close at 5 p. m. Wednesday, May 30.

Friday's issue will announce the winners and runners up. Ten dollars will be awarded to the first place winner, \$7.50 for the second place, \$5 for third place and \$2.50 for fourth. Also the correct listing, according to numbers, will be published in the Friday, June 1, issue of The Advocate.

The cartoon page, with the complete list of names, is to be printed on book-stock paper for framing after the contest. These will be presented each firm represented on the page. It was also reported that if any individual wants a copy for framing, if he will contact Betty Montgomery at The Advocate before May 30, a copy will be made.

In Tuesday's issue of the paper, it was reported that through an inadvertent error, the following firms were not included in the list of representatives:

Postmaster, J. C. Penney Company, Security Life and Accident Company, Dura-Bilt Products Company and the Artesia Paint & Glass Company.

Parents of Daughter

Mr. and Mrs. Jack Fauntleroy are the parents of a daughter, Cathy Lee, born Tuesday in Artesia General Hospital. She weighed five pounds 10 1/2 ounces.

Final Warning Given Dog Owners To Vaccinate Pets

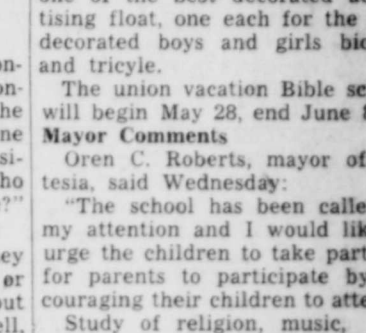

Now is the time for dog owners to have their dogs vaccinated and licensed, Police Chief Earl D. Westfall said Thursday.

The admonition was first sounded three weeks ago as police started a campaign for vaccination of dogs as a public health measure.

Chief Westfall said this was the final warning and unvaccinated and unlicensed dogs would be picked up.

Summer Weather, A Whole Trunk Full

When the mercury hit 87 degrees, Kid Burma, the Philadelphia zoo's 2-year-old elephant, decided it was time to take a plunge. He seems to be enjoying every refreshing drop of it.

Girl Scout Leader Guest At AAUW Meeting

The regular luncheon meeting of the American Association of University Women was held in the Fellowship Hall of the First Methodist Church, Saturday of last week.

The table was decorated with an old fashioned arrangement of many colored roses.

A special guest was Mrs. Earl Zeigler who is leader of Girl Scout Troop 5 which is sponsored by the A.A.U.W. She told of what scouting means to girls and expressed the appreciation of the troop, the assistant leader, Mrs. L. W. Simmons and herself for having an interested sponsoring organization.

Mrs. A. R. Haralson is the representative from the A.A.U.W. on the troop committee.

Alpha Alpha Chapter Of Beta Sigma Phi Plans Rummage Sales

Alpha Alpha Chapter of Beta Sigma Phi held its final meeting until fall Tuesday evening at the new home of Mrs. Lloyd Durand, president.

Members discussed their projects for the coming year and planned to have two rummage sales. A doll with complete wardrobe will be awarded in December. The doll will be on display in mid-November in a store window on Main Street. Money will be used for a local project not yet selected.

Mrs. Donald Fanning was in charge of the program and gave the "Story of Speech."

All members made tape recordings of their voices.

Exemplar Chapter Hold Meeting In Waters Home

Xi Iota Exemplar Chapter of Beta Sigma Phi had their final meeting until fall, Tuesday evening at the home of Mrs. M. A. Waters, Jr.

Mrs. Charles Murphy and Mrs. Waters were elected as representatives to the city council.

Mrs. Maynard Hall gave an informative talk on Chinese government and laws past and present.

Kongenial Kard Klub Meets in Thompson Home

Kongenial Kard Klub met Wednesday evening at the home of Mrs. Ernest Thompson on Hermosa Drive.

High score for the evening was held by Mrs. Earle McDorman, second high score, Mrs. Mildred Chipman and low score, Mrs. Louise Burch.

Cake, punch and coffee were served by the hostess.

Those present were Mmes. Dave Bunting, Andy Company, W. J. Cluney, Mildred Chipman, G. Kelley Stout and Earle McDorman, members and a guest, Mrs. Louise Burch.

Society Holds Royal Service Program Tuesday

Members of the First Baptist Missionary society met in the educational unit of the church Tuesday morning for their regular Royal Service program.

Mrs. G. E. Jordan was in charge. The meeting opened with the song "Jesus Calls Us," Mrs. Roy Whittington led in prayer.

The devotional thoughts, "Many Women Ministering," based on Matthew 27 and 28, were brought by Mrs. Burr Clem and Mrs. Stella Muncy.

"Women Undergirding the Spread of the Gospel," was discussed by Mrs. Fred Cole, in which she "interpreted" letters from natives in the many different mission fields, both home and foreign, telling of the beginning and development of their own missionary societies. As each was mentioned, a period of silent prayer was observed for that field.

Mrs. Jordan led a round table discussion about the "Youth Fund" for which an offering was taken.

Mrs. S. M. Morgan led the closing prayer.

Those attending were: Mmes. Othel Olsson, R. L. Smith, James Dew, Roy Whittington, R. V. Baker, J. H. Myers, Lee Spalding, G. E. Jordan, M. E. Shelton, Bert Muncy, Sr., Fred Cole, John Simmons, Sr., Burr Clem, Bob Arnold, S. M. Morgan and Charles Ransbarger.

Artesia Couple Attend Son's Graduation at TCU

Mr. and Mrs. Francis Painter plan to leave in the morning for Fort Worth, Texas, to attend the graduation exercises of their son, Robert, who will receive the degree of Doctor of Divinity from the Texas Christian University, Monday.

Robert Painter will be in charge of the religious education at the Northway Christian Church, Dallas, during the summer.

Mr. and Mrs. Painter and son will leave Fort Worth Tuesday and go to Oklahoma City and Hutchinson, Kan., to visit relatives before returning to Artesia.

Family Night Supper Held By Christian Church

The members of the Christian Church held their monthly family night covered-dish supper Wednesday evening at the church.

Mrs. Naomi Votaw gave a review on the book "What Would Jesus Do?" by Glenn Clark.

Mrs. Arthur G. Bell gave a brief resume of her recent trip to Camp Farthest Out meeting recently held near Athens, Texas.

Group singing was enjoyed.

Party Held By Kindergarten School Pupils

Mrs. Lillian Bigler's kindergarten children were given a party from 9:30 to 11:30 o'clock Wednesday in honor of the closing of school for the summer.

Mrs. Bigler read stories to the children. They played games and listened to records. Ice cream and cookies were served.

The children are Mickey and Rosemary Petty, Billie and Jim White, Jane and Jake Harper, Cheryl and Ross Hightower, Fred and George Yates.

Rosemary Dowell, Teddy Rundles, Dee Bee Worthington, Helen Lund, Joan Lively, Bob Gilchrist, Linda Traylor, Guy Waters, Sandra Farmer, Pam Jones.

Doddy Bryan, Tommy Williams, Gayle Farmer, Judy Strand, Margaret Gates and Betty Kay Meadors.

ESA Beta Gamma Chapter Finishes Spring "Rushing"

Beta Gamma Chapter of Epsilon Sigma Alpha sorority has completed spring rush season which started with a hobo wiener roast April 18 at the home of Mrs. Aubrey Rowe.

The auxiliary named five delegates and five alternates. Delegates are Mrs. Wade Cunningham, Mrs. Rufus Lee, Mrs. Dega Porch, Mrs. Dell Walter, Mrs. John Simons, Jr.

Alternates, Mrs. Bill Dunnam, Mrs. R. L. Gates, Mrs. K. R. Jones, Mrs. L. D. Wright, Mrs. Bertha Stahler.

On the supper program were four numbers, two of these spirituals, by the barbershop quartet composed of Glen Caskey, Albert Linell, Rev. V. Elmer McGuffin, and Vancil Lowery.

Reverend McGuffin also led in the group singing of "Let Me Call You Sweetheart," "Let the Rest of the World Go By," and "God Bless America."

Philip Meisinger and James Golden played gecordion duets and solos including "Beer Barrel Polka."

Baked ham and baked potatoes were the main dishes at the supper.

Ceremony Scheduled For Installation Of Rainbow Advisor

A stated meeting of the Order of Eastern Star was held Tuesday evening at the Masonic Temple with Mrs. Louise Burch, worthy matron presiding.

Mrs. Max Stephens was presented a gift from the chapter for her new home in Midland, Texas. She thanked the chapter for the gift.

A public installation for Alice Ray Martin, worthy advisor of the Order of Rainbow for Girls will be held at 2:30 o'clock Sunday afternoon in the Masonic Temple.

At the close of the meeting, light refreshments were served.

Next stated meeting will be a covered-dish supper Tuesday, June 12 at the temple.

Past Presidents Parley Held In Briscoe Home

The Past Presidents' Parley met Monday evening for a covered-dish supper and meeting at the home of Mrs. J. L. Briscoe, president.

Mrs. Briscoe conducted a short business meeting.

Those present were Mrs. D. M. Walter, Mrs. Earl Darst, Mrs. Albert Richards, Mrs. Fred Jacobs, and the hostess.

Christian Women Honor Graduates

The Christian Women's Fellowship of the First Christian Church honored members of their church who are members of the Artesia High School graduating class of 1951 and their mothers with a 9 o'clock breakfast Wednesday morning at the church.

The graduates and their mothers are: Geraldine Blount, Mrs. C. L. Blount; Mittie Fry, Mrs. Fry; Joan Amstutz, Mrs. W. T. Amstutz; Yvonne Yeager, Mrs. Margaret Gleen of Albuquerque; Keith Kidd, Mrs. L. C. Kidd and Clarence Connor, Mrs. C. C. Connor. Vernon Haldeman and Dickie Shoemaker were unable to be present.

Each graduate was presented a Bible. The girls and all mothers were presented corsages as was Mrs. Arthur G. Bell, a guest.

Mrs. Burl Chenoweth, Youth Group sponsor was unable to be present and Mrs. Clark Storm, president of C.W.F., presided and was also presented a corsage.

The table was decorated with bowls of roses. The place cards

were mortar boards with little tassels and were of black and white.

Breakfast consisted of fruit juice, sausage and scrambled eggs, hot biscuits, strawberry jam, coffee and milk.

Items of Interest

Mrs. Clayton Menefee left Monday for Seagraves, Texas to work several days there in the Western Union office. She returned home Thursday night.

Mrs. Margaret Gleen of Albuquerque arrived Tuesday to visit her daughter, Yvonne Yeager, a member of the graduating class of 1951. She plans to spend a week here.

J. L. Truett was taken to the Veterans Hospital, Albuquerque, Monday evening by Tony King and Mrs. Truett. King and Mrs. Truett returned home Wednesday.

Mrs. Burl Sears and Mrs. D. M. Schneberg spent Wednesday in Carlsbad visiting Mrs. J. E. Roberts, formerly of Artesia.

J. W. Shildneck was taken to the Veterans Hospital, Albuquerque Monday by Wayne Paulin.

Girl Scout Notes

Artesia Girl Scout troops were winding up their meetings for the season this week with Camp Mary White and the day camp on the summer schedule.

A hike and cook-out is on the calendar tomorrow for Troop 6. The unit will leave Artesia at 6:30 o'clock in the morning, go to Cottonwood, cook breakfast and then lunch, returning to Artesia at 3 o'clock in the afternoon.

Troop 10 also wrote "30" for the period, checking in badges, then going to a drug store for treats.

Attendance at the drive-in theater, in connection with their

work on dramatics badges, is contemplated by Troop 12. Members will note costumes, dialogue, music.

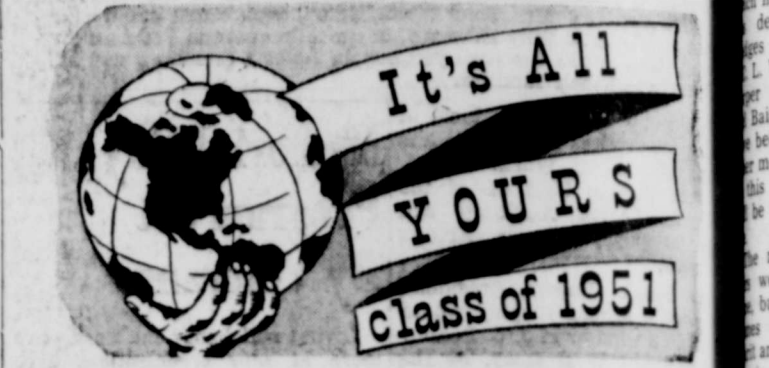

Mothers and daughters attended the Troop 22 wiener cook-out at the home of Mrs. Cecil Waldre. The meal marked the final meeting of the season.

A hike to a park and refreshments following the business session, in which the day camp was discussed, was the program of the final gathering of Troop 3.

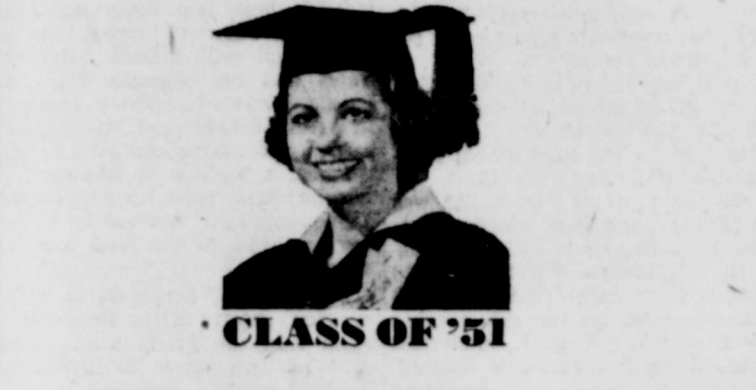

Troop 1, Patrol 2, reviewed the year's work, while Troop 8 is attempting to fix a date for the end-of-the-year party.

SON BORN TO BALLOUS

Johnnie Lee, a son was born Tuesday in Artesia General Hospital to Mr. and Mrs. William Ge Ballou, weighing six pounds ounces.

This battered old world looks to the vigor of your youth for its future progress. That vigor will bring success.

WE WISH YOU Success! and all the good rewards your fine work deserves.

Country Club

Letter
By Jack Fauntleroy

of the highlights at the directors meeting on the 15th of May 15: new memberships were approved and accepted. The new members are W. C. "Breezy" and Jimmie and Lilo Welch and Jimmie and Lilo Welch. Welcome to all of you.

membership committee, Jack Shaw and Aubrey submitted 17 names of prospective members for the consideration of the board.

committee, like many of the committees in the club, began getting their job done in a pleasing experience to see members of a committee work. We are all familiar with the "idea of committees" group of names with one man woman doing all the work.

swimming pool committee, Van Welch, Hack Martin, Leslie Martin and Jack Fauntleroy was appointed. Van Welch has laid the groundwork on deal and has substantial suggestions from the following: L. Withers, Barney Cockburn, Drilling Co., Bitsy Yates, Bash and Van Welch. There have been offers made by several members in the club to help project and other offers welcomed by this committee.

names of the other members were not available at this time but this space will give you from time to time. The and generosity of these members indicative, not only of the membership of the Country Club but of this entire community according to my way of thinking makes Artesia a mighty nice town.

committee met Saturday morning to discuss proposed location, cost, maintenance and other details of this project. During this meeting several suggestions and aid of help on the pool were made to the committee, including Mr. T. C. Stromberg to help in the procurement of materials for the donation of some of these materials. No one will be solicited until there be any assessment hands, so if you want to help, one of the members of the committee.

Ball Supply
I have received 50 dozen golf balls for the new driving range. I do dozen more are on order. There will be a delay of from 30 to 45 days on the necessary lights. Mack Keinath and A. W. Harve doing all within their power

to cut this delay as short as possible.

The shuffleboard equipment has just been received and Chuck Brown will have the court marked off and ready for play within the very near future. This will probably be the best court west of St. Petersburg, Fla., (if I may editorialize, and I guess I may).

Don't forget the tacky party and dance tomorrow night, May 26. It should be a dilly. I will try to give you a true and accurate account of the goings on, as always, in spite of the fact that I am now facing a suit of libel and defamation of character. I'll tell you some of the high points of this sordid mess.

Record Crowd
Friday night the club was bulging at the seams with the gay crowd enjoying family night. The condemned (unknown to me at that time) ate a hearty dinner and as it happened, ate at the same table with one of the plaintiffs.

As the last bite of dessert went down, the summons serving committee came up, composed of John Cochran, Jerry Losee and Bill Siegenthaler. I got slapped right in the face with the summons, complete with attached complaint, signed by the plaintiffs, Neil Watson and the county clerk.

Not being sharp on the legal angles involved, I'm kinda in the dark, especially in view of the fact that there were no lawyers present. The only thing I can figure out is that I'm getting sued for 10,000 golf balls and a tumbler of bubble water. Since it appears that the only legal assistance I can possibly get on my side will have to come from South Eddy County, it looks like my goose is cooked.

I have letters in the mail to the governor, to the Justice of the Supreme Court and to Gen. Harry Vaughn.

If I don't get an early reply, I will attempt to settle out of court. And to show you that I have learned my lesson, the next time Mary Evans Sadler and Sarah Hart Bourland steal a bottle of bubble water and that should be any time now, I'm going to misspell their names.

And may I take this opportunity to introduce you to our newest daughter, Cathy Lee Fauntleroy, who was considerate enough to get here before the Tuesday night deadline. Everybody is doing fine.

Sammy T.: "Why do you eat so many carrots?"
Margie D.: "They keep me from wearing glasses."
Sammy T.: "Don't be silly. How can carrots keep you from wearing glasses?"
Margie D.: "Look at how many carrots a rabbit eats. And did you ever see a rabbit wearing glasses?"

Home on the Range

Concerning New Mexico
By Will Robinson

Under the new state egg grading law New Mexico egg consumers will be able to buy the size and quality of eggs they desire. The statute requires that the facts about the eggs must be printed on the cartons containing the said cackleberries. Of course "unclassified" eggs will continue to be sold and you can take the risk yourself when you take them on. The intent is to have the eggs plainly labeled what they are, and the scheme may work.

Something like 225 Junior and Senior 4-H club leaders from all parts of the state will attend the sixth annual Leaders Short Course June 5-8 at the A. & M. College. Subjects handled will include clothing, food, poultry, dairy, electricity, entomology, swine, row crops, rabbits, general farm crops, craft work, and many other things. The \$8 registration fees will also pay for lodging and meals during the four-day event.

G. L. Boykin, associate extension director is in charge of the whole shooting match. Of course there will be social worth-whiles on the side, swimming, square and round dancing and so on.

The American Legion in New Mexico will observe the annual "Poppy Day" on May 26, which is the last Saturday in May, and next before Memorial Day. The Day is mostly staged by the Woman's Auxiliary, but they always have lots of aid from helpful girls and women. All of the money goes straight to the relief fund treasury which each year raises several million dollars this way.

The High Y Boys and girls at

Hobbs are selling tickets for a water carnival and bathing beauty pageant at the Aquamarine pool on the Seminole highway on May 27-28.

The money cleared is to be used for a summer recreation program. Some fifty mermaids and mermen will take part in the water show, while there are thirty-four entries in the beauty pageant. The water show will be staged by students from the Silver City Normal. There will be room for 2,000 spectators.

Raton is to have a team in the nine-club Southern Colorado-Northern New Mexico baseball League, under the leadership of Adolph Maschio, widely known Raton player. The towns interested are Koehler, Raton, Sopris, Valdez, Trinidad, Aguilar, Ludlow, and Raton. Sunday games are to be featured and there will be some night games.

F. B. Streeter, the Santa Fe Greek and Latin languages authority will be home next week after

more than two years work on the finishing of the translations and reconstructions used in the preparation of the manuscripts for the famous "Modern Bible."

All of the manuscripts are to be turned in by September 1952, when actual publication will start. The undertaking, which required nearly sixteen years, is sponsored by the National Council of the Churches of Christ in the United States, representing 32,000,000 persons in 29 Protestant and Eastern Orthodox churches.

It will be recalled that Mr. Streeter gained much fame several years ago by his readings of uniform inscriptions. Yale divinity school in a short pre-statement says that the great undertaking is not a revision of the American Standard of 1901 or the King James version of 1611. It is simply an adaptation of the modern language phases, if you know just what that means.

READ THE CLASSIFIEDS

Around Artesia

Mrs. W. Leslie Martin, Mrs. Stanley Carper, Mrs. Fred Cole, and Mrs. D. M. Schneberg plan to leave Sunday morning for Las Vegas to attend the P.E.O. state convention. They plan to return home Wednesday.

Mr. and Mrs. Jack Culp of Huntington Beach, Calif., arrived Sunday to visit in the homes of Mr. and Mrs. P. J. McCullough and Mr. and Mrs. John Carter and girls. Mr. Culp is a nephew of Mrs. McCullough. They plan to visit here two weeks.

Mr. and Mrs. H. C. Bidwell of Cortez, Colo., formerly of Artesia,

Hope Student Among Graduates At Western College

Paul Howard Forister of Hope received his degree as bachelor of science in secondary education in the commencement at New Mexico Western College, Silver City, at 8 o'clock Wednesday night.

In all New Mexico Western has 108 candidates for baccalaureate

and masters degrees conferred this month and to be conferred in August.

Total of degrees is the same as the number granted in 1950. Figures show that of the 108 candidates 52 are men, 56 women, and that the total includes the granting of the first master of science degrees since start of the graduate program last summer.

Eight students were candidates for that degree. Four were candidates for degrees of bachelor of science in secondary education, 34 for bachelor of science in elementary education and 22 for bachelor of arts in liberal arts.

SPORTS ON THE HOME FRONT

By BROWNIE EMERSON

Athletics Not Abandoned, But New 'War' Reduces Platoon to Patrol

This is almost a swindle, if not a swan, song to sports. While this department will continue the pressure of other duties taken on by the sports editor, now news editor, will curtail his making personal contacts, seeing all contests, and in general being on the front where the news is being made.

Not only in sports but in other kinds of news I will be forced to call for assistance, for cooperation, more use of the telephone.

Jack Tinson has promised to keep me informed on the Driller salient while Jack Fauntleroy has promised to keep me up to date on golf.

This does not mean that I shall have a lazy time of it. Anyone who has seen me working knows there's little of the may-be-so, let it slide, hemming and hawing about me or my work.

But one man simply can't be all over town, seeing all games, and still be editing copy. And until copy is edited, headlined, registered on the list, and put on the book, my work isn't finished.

There's more sweat, decision, and speed required in this work than most folks realize.

Since I've worked hard to build up sports news and have been fortunate in that it has been appreciated by the fans, coaches, and sportsmen, I am not going to quit sports writing altogether. But the coverage I was able to give in the past will not be possible now although I may be able to get back to the old time coverage at a later date.

Why Hit and Run?

I like to meet folks and talk with them. Consequently I'm surprised when folks come into the Advocate, leave a penciled or typed composition with the people in the business department, say "I want this in the paper, will you give it to the reporter?" and then scurry away.

There's a lot of questions I want to ask. I'm not satisfied with routine minutes of the meeting kind of composition. I want to know who, what, when, where, and why. Most times those questions aren't answered in the "hand-out".

Incidentally, I write my own stories. While I don't mind completely written accounts, I prefer to talk to the person direct and ask questions and get definite answers.

That way I have the facts for a story. I despise "handouts" as any newspaperman does. Besides taking "handouts" verbatim being sloppy journalism, it irks me to be considered somewhat in the light of a dog tossed a charitable scrap of food.

REA Softball Team Plays Loop Leaders Saturday

Artesia REA softball team, holder of the runner-up spot in Carlsbad Recreation Association, will play Furr Food, the league leaders in a game in the county capital on Saturday night.

The locals barely oozed by Catholic Youth Organization 4 to 3 in a game May 19.

May 22 standings in the CRA leagues:

Five Golf Meets Slated Over State

A quintet of tournaments, two of them in Clovis, one each in Roswell, Hobbs and Los Alamos, are attracting the interest of golfers over the state.

First on the card is the pro-amateur at Roswell Country Club which will end Sunday, May 27. The tourney began Wednesday, May 23.

Ladies state contest will be played June 20-24 in Clovis. Entrance fee is \$7.50.

Hobbs invitational will be played June 21-24, Jack Fauntleroy, writer of the Artesia Country Club Chatter column, said Tuesday.

Town of the big boom, Los Alamos, will stage the Atomic City amateur July 1-4, cashing in on the Independence Day interest. Clovis invitational is set for July 27-29.

Driller Dugout Chatter

BY JACK

Good morning, sports fans this is the first edition of the Artesia Drillers Dug-out Chatter. You know fans that we Artesia Folks should be mighty proud to have a professional club operating in our home town.

This is the first year for the club and it going to take all of us to successfully put it over. It is definitely an asset to Artesia and if we just remember the old saying, "Rome wasn't built in a day" I feel quite certain that baseball will be here to stay.

Ole "Stubby" has a nice group of ball players on the club now and with a little more experience in working together will give a good account of themselves. If we all get out there and give the fellows a little encouragement, there's no telling how far up the ladder they will go.

No Hit Game
Say! What did you think of that shut-out victory the Drillers slaped on the league leading San Angelo club 6-0 and a no-hitter at that with Orlando Chucking that ole apple across the plate.

Course one or two games doesn't make a season but it definitely shows improvement and great possibilities. The fellows are hitting mighty good and the defense is going to get better right along, and then, watch the Drillers get their share of victories.

Yessiree, I've a hunch the Drillers are going to move up in the league race. But, win, lose, or draw their team and we should back them all the way.

Question Box
Through the courtesy and friendship of Homer Campbell the Drillers now have a question and suggestion box.

The Driller management hope all you fans will make use of the opportunity of writing any and all questions about the club, players, etc., that you would like answered by means of the paper and radio.

As often as possible we will have Stubby Greer and the various players answer these questions in the Artesia Advocate and over KVP, on the Dug-Out Chatter time, which will be daily Monday through Friday.

Also, if you have any suggestions that will help improve any situation pertaining to your welfare at the games, any that will help make the club a success, in fact, any suggestion for improvement will be greatly appreciated.

Remember its your ball club and this is one way that you can have a say in the management of your club. The question and suggestion box will be located at the main gate, so fans be sure to make use of it!

Knot-Hole Gang
The Driller management is reserving a definite place for the "knot-hole gang." These are both boys and girls up to the age of 12 and each will have a card to present at the gate.

These cards were distributed this week in all the schools. I believe it is safe to say that each night one or two of the Knot-Hole Gang will receive a nice present like a bat or a ball or some other useful gift.

So you young baseball fans be sure to get your card this week and make it out there to welcome the Drillers back home. You know you young fans can really make yourselves heard out there cheering your team on to victory.

The only thing the management wants you to remember is to remain in your section and not be wandering all over the stands—and last but not least cheer the team to beat the band!! O. K.?

Goodo Sports Town
You know, fans, I believe Artesia is the best little sports town in the country. You all back football to the hilt and basketball too is your game.

Now with baseball there is a good following but the game is not so widely followed mainly because a large number of our sport fans have not come into contact with this game as often as the other sports.

With this in mind then, I'd like to make a suggestion to you red-hot baseball fans, if I may be so bold to do so, and with your kind permission.

Seen Driller Play?
Drillers are making their coming home stand, if every avid baseball fan would make a definite effort to contact some other sport enthusiast, one that has not been out to see the Drillers in action, and invite that person to accompany you to the games, I believe you could develop many, many, more baseball fans.

Ask all friends, acquaintances and neighbors, the 1951 question, "Have you seen the Drillers play yet?" If not, then invite them to go with you, point out the various players and tell them some of the high-lights of baseball.

In other words, endeavor to create an interest in that person for this grand American game. Where else could you enjoy a nicer evening?

If the individual you ask says, "Yes, I've been out" then ask him if he has invited some potential baseball fan to see the next ball game with him. You know if we all would do this there is no telling how many fans we would have out there cheering the boys on.

Let's Whoop and Holler!
That brings up another thought

Pressley and Fleitas Leading Driller Batters

Julian Pressley, Driller right fielder, is in 13th place among 95 Longhorn League batters with 10 times or more at bat as listed on the latest official batting average chart issued by league headquarters in Abilene.

In 27 times at bat, Pressley scored six runs, made 11 hits, batted in four runs, for a percentage of .407.

Ab Fleitas, first baseman on the Artesia team, is in 22nd place with 79 times at bat, 15 runs, 28 hits, including four homers, six doubles, one triple, for an average of .354.

Standings of other Drillers include: Ken Cluley, centerfielder, 24th, .353; Julio de la Torre, third base, 28th, .337; Haskell Neal, pitcher, 48th, .300; Stubby Greer, manager-shortstop, 68th, .242.

Pitching Record
In a tabulation of 54 pitchers of the loop who have won or lost a game, young Melvin Miller of the Drillers ranks 14th with a 1,000 percentage. Greer, with the same percentage is 15th. Mike de la Torre is 31st with .333.

Individual Leaders
Pitching — Games won, Jesus Torres, Sweetwater, 6-0; innings pitched, Ed Jacome, Midland, 64; bases on balls, Marshall Epperson,

Vernon, 39; earned run average, three or more games, Garza, San Angelo, 1.02.

Club Fielding

—boy, I'm ramblin all over the infield but bear with me, we will try to make this column better as we go along.

This cheering business—it helps fans, no kidding, those boys can hear those words as well as the discouraging ones.

Let's give them a slap on the back, make each inning like that ole seventh inning stretch—how often have you seen those boys of yours really slap that pill in the big seventh.

They just feel you behind them and if we could make them have the ole feeling each inning we would be bound to take the ole ball game; You know we all make mistakes and commit errors and that is when "A feller needs a friend."

The player hates making a bobble worse than you do and a little encouragement will certainly help him regain a feeling of confidence. So, lets whoop and holler like all put out, but, save the razzing for the men in blue.

They can take it as part of their job but even there we shouldn't be too harsh. Of course, thats half the fun of a ball game, getting out there and opening up the lungs and really yelling.

You know if more of us would let our hair down and inhibit ourselves so much there would be much less nervous tension and break-downs in this ole world!!

Drillers Play Oilers, Colts And Rockets

Second game of the first of a straight four-night home stand will be played by the Artesia Drillers at 7:30 o'clock tonight against Odessa Oilers.

San Angelo Colts play the local nine tomorrow and Sunday; Roswell Rockets will be here Memorial Day and May 31.

Then the Drillers take to the road again returning here for an eight-game stand beginning June 7-8 against the Vernon Dusters.

In the last game of their current road trip the Drillers beat the Midland Indians 7-3 on Wednesday night.

At Odessa, the Oilers engulfed the Rockets 12-3. Rain caused postponement of the Vernon at San Angelo and Sweetwater at Big Spring games.

Driller Home Card
For the remainder of the month: May 25—Odessa. May 26-27—San Angelo. May 30-31—Roswell.

Teams	Won	Lost	Pct.
San Angelo	24	4	.857
Roswell	16	11	.593
Vernon	17	12	.586
Big Spring	13	14	.481
Midland	13	18	.419
Sweetwater	12	18	.414
Odessa	12	18	.414
Artesia	9	20	.310

Pair of Tennis Tournneys Slated By Albuquerque

Two tennis tournaments will be held in Albuquerque the first part of June.

Bill Lindamood, a top ranking player, will manage the annual state tournament for senior events only at the Rio Grande courts, June 1-3.

Lindamood said that the events will include both singles and doubles for men, women, veterans, junior veterans and mixed doubles.

Drawings will be held at the Albuquerque Chamber of Commerce May 31 at 7:30 p. m., with play starting at 9 in the morning of June 1.

All entries, \$2 per person per event, should be mailed to Bill Lindamood, 312 S. Yale, Apt. A. Telephone is 9476.

Steve Vidal, University tennis coach and also a ranking player in the Southwest, will manage the Southwestern Sectional Junior Championship tennis tournament June 8-10 on the University of New Mexico courts.

Events will include singles and doubles for both juniors (under 18) and boys and girls (under 15). Drawings will be held at Vidal's office, 220 West Gold, at 7:30 p. m., June 7, with play starting at 9 a. m., June 8 on the UNM courts.

To qualify, juniors must not have reached their 18th birthday by Jan. 1, 1951 and boys and girls must not have been 15 by the same date.

Both Lindamood and Vidal are requesting early entry blanks with information as to whether the entrants wish housing while in Albuquerque.

Humorous Slant Put On Speedy Game of Basketball

Basketball As She is Played or Helpful Rules for Beginners was the caption of a sports feature yarn written by Pot Bert years ago back in a north central state.

Bert, editor of The Artesia Advocate for 13 years, resigned recently to take a position as Eddy and Chaves county salesman for Stran Steel construction.

Excerpts from the story written by Bert:

The opponents should, from time to time, allow the home team to handle the ball, reserving the right to throw it sometimes themselves. However, it is not considered cricket to stand back and allow the visitors to shoot time after time at the whoops. There are numerous ways to avoid their so doing. One way is to have a fast runner on the home team who can pull a Gene Tunney and keep it out of the way with the ball. There

are other ways, too, but for novice the one is sufficient. Lessons will bring out some of others.

Eleventh Man
The ten men making up two teams are not sufficient for a game. Oh, no. It takes also an eleventh man, the referee, who is supposed to wear colors, be impartial to neither team. This requires one game has ended in the referee may or may not be honest man, but for his own sake he had better act like it. More important is to provide his own wardrobe in either a white or a light blue. The referee may or may not be a friendly pat on the back.

A pat on the back, if it must be given, had better be to a team. If, however, a pat is indulged in above stated, the referee had better have seen it through wide eyes, or he may not have any several days.

Sportsmanship Trophy of Lions Goes to McCarter

Kirk McCarter, 17, Artesia High School senior who received his diploma Thursday night, was presented the Artesia Lions Club sportsmanship trophy at the club's regular weekly luncheon at noon Wednesday in the Masonic Temple.

The youth lettered in basketball, baseball and track during the past season.

Selection of the boy eligible for the award is by a club committee and high school coaches.

McCarter was introduced to club by Floyd Springer, president.

People who work in the sun particularly susceptible to cancer on hands, face, and neck.

In Texas, where there is an abundance of sunlight, 140 out of every 100,000 people develop skin cancer; in Michigan, which gets as much sunlight as Texas, the rate is 24 per 100,000.

In 1946, the average American over 18 years of age spent \$89 on whisky, beer and wine.

Western High Summer School Opens June 4

Artesia High School students, and students of other southwestern schools who wish to carry summer term work may carry a one-semester load at New Mexico Western High School's secondary training school opening June 4.

Western High School, at Silver Lake, will accept late registrations for high school youth up to and including Friday, June 8. Official registration is set for 9 a. m., Monday, June 4 at the high school.

In addition to the one unit credit students will have the opportunity to earn one-eighth unit of credit in either music or swimming. Classes offering a half unit of credit will meet five days per week and require some preparation. Students who attend high schools which are on the credit system may earn two credits, for one-half equals 1 credit. Most high schools require 16 units of work for graduation.

Following is a listing of half unit courses offerings meeting from 8:40-10:30 a. m.

Typing I, English literature III and IV, United States history, general science, industrial arts and sociology. Printing and auto shop from 8:40-11:40 a. m. Home economics I runs from 8:40 a. m.-10:30 p. m.

From 10:40 a. m.-12:30 p. m., classes will include commercial English composition III and sociology, industrial arts and algebra arithmetic. From 1:40-3:30 p. m., printing will be offered.

Personnel Schedule

Afternoons will feature many eighth unit offerings. They include the following:

From 1:40-2:30 p. m., there are evening band on Monday, Wednesday and Friday and girl's chorus on Tuesday and Thursday. From 2:30-3:30 p. m., there is intermediate band on Monday, Wednesday, Friday. Advanced band will run from 3:40-4:30 p. m., on Monday, Wednesday and Friday.

Beginning swimming is set for Mondays and Wednesdays from 4:20-5 p. m. Intermediate swimming is scheduled for Tuesdays and Thursdays from 1:40-2:30 p. m.

There is no tuition charge for summer session. Only minor fees will be charged for shop, typing, swimming, home economics, industrial arts and lockers.

Teachers Listed

Faculty slated to teach the various courses are Mrs. Dorothy B. Beck, assistant professor of sociology; Mrs. Murtel Dancer, assistant professor of English; W. French, assistant professor of physical education; Mrs. Ella Snodgrass, assistant professor of English; Robert T. Smith, assistant professor of industrial arts; Homer Shipley, assistant professor of science; Herman S. Ereckmann, associate professor of industrial arts; Henry W. B. associate professor of industrial arts.

Margaret A. Ramsdale, assistant professor of home economics; Raymond J. Brancheau, associate professor of physical education; John W. assistant professor of music; Abram A. Parotti, associate professor of music.

All inquiries should be directed to Kenneth E. Kostenbader, principal of Western High School, Silver Lake.

Eastern Offers Four Special Summer Classes

Four special workshops will get "top billing" at Eastern New Mexico University in Portales this summer. Dean Martin L. Cole announces, with the regular eight-week summer session getting underway June 11 and closing Aug. 3.

First workshop following the close of the spring semester May 31 will be a clothing school under the direction of the home economics staff of the University. Dates are June 4-8.

The workshop will feature the use and care of the sewing machine. Two sessions will be conducted simultaneously—one for those who participated last summer and one for new students. Credit can be earned on the undergraduate level.

Also beginning June 4 is the second annual personnel workshop. Superintendents, principals, and teachers in the public schools will study problems of developing guidance programs in their own school systems.

Dr. Jack W. Mears, dean of personnel; Florence Phillips, counselor of student affairs; and William E. Baldwin, instructor in psychology and testing, will serve as counselors and instructors in the workshop. The conference closes on June 9.

July 5-7 are the dates for an air-age education workshop. The University and the CAA join to offer this workshop to public school teachers.

Oscar Cantwell, Boy Scout field executive, will be the director of a scoutmastership workshop July 16-20.

Annual Band Camp to Draw 150 Musicians

Advance registrations for the fourth annual band camp at Eastern New Mexico University, May 31-June 9, indicate that at least 150 high school and college students and band directors will participate. C. M. Stookey, camp director reports.

Twenty-five cities and towns in New Mexico, Texas, Oklahoma, Kansas, and Iowa are already represented in the enrollment. The camp opens May 31 with registration during the morning and the first sessions in the afternoon.

Heading the staff for the second consecutive year is Clarence Sawhill, director of bands at the University of Southern California. Woodwind specialist will be Himie Vorman of the State University of Iowa.

William Gower, also of the State University of Iowa, will be in charge of brass instrument students. Other members of the faculty will include Frank Malowski, State University of Iowa, and Stookey and other members of the ENMU School of Music.

In addition to work offered high school and college students, graduate courses are attracting more than 25 high school band directors. First concert of the camp is scheduled for Friday evening, June 8, in the Quadrangle building patio.

Stovall to Lead Program Section At Conference

Three state-wide conferences set for June 7-9 will draw residents from almost every city in the state to the University of New Mexico in Albuquerque.

The three are the New Mexico Association of Secondary Principals, the New Mexico Conference of Social Welfare, and the State Recreation Conference.

The state high school principals, whose conference will be managed by Dr. Wilson H. Ivins, UNM professor of education, will hear during the three days. Dr. C. G. F. Franzen, professor of secondary education at the University of Indiana.

High school principals who will lead panel discussions include: Glen O. Ream, Albuquerque; Travis Stovall, Artesia; Elbert E. Earnest, Espanola; Vincent Walker, Raton; William C. Hurt, Las Vegas; R. S. West, Socorro; J. A. Hamilton, Hondo; and N. G. Tate, Highland in Albuquerque. Main topics for discussion will center around curriculum and guidance, Dr. Ivins said.

The Social Welfare conference will feature such speakers as Joseph Anderson, executive secretary of the American Association of Welfare Workers in New York; Mrs. Val Keating, Federal Security Agency; G. Lewis Penner, Red Cross field representative; Eric Hagberg, conference director; Dr. Willard Beatty, Bureau of Indian Affairs; and Gov. Edwin L. Mechem.

The State Recreation conference, with Dr. Edward C. Lindeman of Columbia University as the principal speaker, will be presided over by UNM's Dr. Bonner M. Crawford. The recreation group will discuss such subjects as recreation for New Mexico's rural areas, special needs of youngsters in state communities, and the Federal government and New Mexico recreation.

Top consultants will be Lake Fraser, Roswell; J. Cloyd Miller, Deming; Charlie Mills, Hobbs; and Prof. Dorothy Cline, University of New Mexico.

Local Lumber Dealer Wants Control Eased

Local building activity is due for a precipitous drop unless defense agencies in Washington modify their extreme and unnecessary controls affecting construction, according to T. C. Stromberg, local lumber and building materials dealer and member of the Public Affairs Committee of the National Retail Lumber Dealers Association.

"Restrictions on housing and other building have come so fast, in the effort to conserve critical metals for the defense production program, that surpluses of many building products are developing rapidly," Mr. Stromberg said. "Yet these excess inventories cannot be used because of the emergency restrictions.

"The cutbacks in construction are only beginning to be felt, because work planned or started some months ago is not affected.

"While the controls are not as severe as in World War II, when the country went into all-out war production, they nevertheless are more restrictive than they need to be under the circumstances. For some unexplained reason, the building industry is being singled out for greater sacrifices than any other major industry.

"Under the latest demense regulations, some types of construction are forbidden outright and many others, including stores, large factories, garages, office buildings, and warehouses, cannot be built unless a special permit is received from the National Production Authority.

"The cumbersome permit system in itself is a serious obstacle because many weeks often are required to get the necessary permission to build, even when the government has no objections.

Request for Bids

The Board of County Commissioners will receive bids until 10 o'clock, A. M., June 4, 1951, for 4 tires, 6.50x16 six-ply; 4 tubes 6.50x16 tubes; 12 tires 13.00x24 12-ply; 12 tubes 13.00x24 tubes; 6 tires 8.25x20 10-ply; 6 tubes 8.25x20 tubes; 1 tire 7.50x20 10-ply; 1 tube 7.50x20 tube; 3 tires 7.00x15 tires; and 3 tubes 7.00x15 tubes.

The Board reserves the right to reject any or all bids.

BOARD OF COUNTY COMMISSIONERS, By R. A. WILCOX, Clerk. 40-21-F-42

Notice of Hearing on Final Account and Report

THE STATE OF NEW MEXICO TO: Helen Green Tidwell (formerly Helen Green), Helen Gay Green, all unknown heirs of Harld G. Green, deceased, and all unknown persons claiming any lien upon, or right, title or interest in or to the estate of said decedent, GREETING.

NOTICE IS HEREBY GIVEN that Helen Green Tidwell, administratrix herein, has filed her Final Account and Report in this cause and, by Order of the Probate Judge of Eddy County, New Mexico, the 30th day of June, 1951, at the hour of 10:00 A. M., in the Court Room of the Probate Court in Carlsbad, Eddy County, New Mexico is the day, time and place for hearing said Final Account and Report and any objections thereto. At the same time and place, said Court will determine the heirship of said decedent, the ownership of his estate, the interest of each respective claimant thereto or therein and the persons entitled to distribution thereof.

NEIL B. WATSON, Artesia.

Beef Calf Twins Sought By Farm Research Center

Livestock specialists of the U.S. Department of Agriculture are calling on Eddy County beef cattle producers and producers in other counties, to locate identical twin beef calves. The twins calves are wanted for an important research project now under way at the Agricultural Research Center, at Beltsville, Md. The USDA livestock specialists are studying the problem of feeding beef animals.

With identical twins, they'll have calves which will be exactly alike in their rate of growth, and feeding habits, because their inheritance is exactly the same. If one twin is fed one ration and the other a different ration, however, any difference in growth can be traced to the feeding and not inheritance.

Research men at the Beltsville station now have six sets of identical twin beef calves. They figure they can get the same results with 240 beef animals, which weren't identical twins.

But the money for this research project won't permit using that many beef cattle, so the identical twins are the answer. The livestock experts at Beltsville need more than the six sets of identical twins they now have on feeding trials.

If you have a identical set of calves of the same sex, which have at least one-half beef blood in them, let the folks at Beltsville know about it. They're anxious to buy these calves, preferably not too far from Beltsville.

A reasonable premium will be paid for such twins. If you have a set of identical twin calves, or know of anyone who does, write or wire the Bureau of Animal Industry, U. S. Department of Agriculture, Beltsville, Md.

Farm Agent Tells How to Save Water

Irrigation water can be used more efficiently, especially during the present water shortage, Eddy County Agent Dallas Rierson reminded farmers today.

"Irrigation efficiency can be measured as the amount of water stored in the soil for plant use, compared with the amount delivered on the farm," the county agent explains.

"For a high efficiency the water must be applied in a manner which will insure the most uniform application with the least amount of water. Fields must be leveled to a desirable plane or grade in order to approach uniformity of application."

During the present irrigation season farmers can help make water go further, Rierson says, by observing the following:

1. Keep ditches clear and free of weeds. Heavy weed growth both reduces ditch capacities and slows water flow. This permits excessive evaporation and seepage losses.
2. Keep the water under control at all times. Uncontrolled water causes erosion and may contribute to drainage problems and salt accumulations, besides resulting in untold waste.
3. Watch for breaks and gopher holes. Gopher holes or breaks in ditches and borders contribute to inefficiency by watering waste spaces and roads.
4. Apply just enough water during irrigation to fill the plant root zones. When the soil is filled with all the water it can hold, any excess

will seep or percolate out of the root zone, wasting not only surface water, but also important water soluble plant nutrient, especially nitrogen.

5. Keep weeds in crops down. Weeds not only compete with plants for moisture and nutrients, but may also shade crops and harbor insects and diseases.

Breen Wins State Golf Tournament

(From Artesia Hi Beacon)

by Bob Flynn

Jim Breen, Albuquerque, the rookie Highland high school linksman of the year, easily defeated all opposition in the N. M. State Golf Tourney.

High school golf teams from this district, besides ours, included those of Carlsbad and Roswell. The Bulldog golfers who represented Artesia in state competition were Earl Plowman, and Richard Harral.

Jim Breen, was medalist of the meet with a score of 141, which is one under par for 36 holes, for two days, which is a very good score for a high school teen-ager.

Highlands also won the team trophy with a score of 645. Roswell, our next door golfing neighbor, placed second in the team meet, with a score of 685.

Our Bulldog golfers, Earl Plowman, (2nd in district 5) and Richard Harral (4th in district 5), did very well considering that this was their first year in state competition.

Earl Plowman, seeded 10th, placed 10th out of exactly 20 boys who qualified for the state meet. Richard Harral seeded 12th, lived up to his seedings, also. The Bulldog scores are not available. But one thing sure is that these Bulldog golfers will be plenty rough for the state competition next year.

Evert Blomberg Resigns to Get Masters Degree

(From Artesia Hi Beacon)

By Rube Austin

Mr. E. C. Blomberg is leaving Artesia High School to go to the University of Denver to work on his Masters degree. Mr. Blomberg has taught English, speech, drama and public relations during the two years that he has been here. He has also given the weekly radio program, Artesia Schools Report, for two years, over station KSNP. The past year, he directed the Junior and senior plays.

Mr. Blomberg and his wife plan to leave the Friday or Saturday after school is out. He will start to school early in June and continue through the summer and next regular school term to about March or May when he will receive his Masters degree.

If they have time, they plan to make a trip through the Black Hills in North Dakota and also visit Mr. Blomberg's brother, who owns a newspaper in the north-eastern part of North Dakota. If time permits they will visit his father and mother, who own a res-

Hot Cinders From the Track

(From Artesia Hi Beacon)

by Charles Gibson

Well, the end of another school year and another track season has rolled around. In my opinion, both have ended quite successfully this year.

The Bulldogs this year have placed two second and two ninth positions in four meets. They have scored a total of 110.9 points.

In the Carlsbad Tri-Meet held between Carlsbad, Artesia, and Hobbs, Artesia emerged second with 37 points behind Carlsbad with 67 and ahead of Hobbs, who had 22.

On April 14 at the Fox Relays held in Fort Sumner the Bulldogs placed ninth with 8.4 points, behind Albuquerque 51.1; Carlsbad 36; Hobbs 17.6; Texico 17.2; Fort Sumner 17.1; Clovis 14.6; Portales 11.7; NMMI 9. There were 18 teams entered.

880-yard run, Clarence Connor, fifth, 2:16.9.

880-yard relay, James Baker, Doyle Cole, Clarence Lamb, W. L. Gray, second, 1:39.

About this time the track team was invaded by the baseball players. Kirk McCarter came out for the 100-yard dash and the broad jump, and A. L. Terpening came out for the shot up. Fred Hernandez also began putting the shot.

At Hobbs Invitational Meet held on April 21, the Bulldog cinder flippers again placed ninth with 5 points. They were back of Carlsbad 48 points; Alamogordo 41½; Tucumcari 26; Clovis 25; Eunice

sort in the northern part of Minnesota. They plan to go back to Denver by way of Omaha, Minneapolis and St. Paul.

18½; Portales 15, NMMI 12; Hobbs and Lovington 7 each.

The Artesia 880-yard relay team took second and Kirk McCarter placed fifth in the broad jump. McCarter was high point man of Artesia, as he was a member of the relay team.

In the district meet held on the local track on April 28, the Bulldogs placed second with 60½ points. Carlsbad was the winner with 91½.

Boys earing trips to the state meet, held in Albuquerque on May 4-5, were Doyle Cole, Kirk McCarter, and Clarence Connor. Connor, however, declined the journey, in order to participate in the senior trip.

Cole earned his trip by taking second in the 100-yard dash in a time of 10.3 seconds and second in the 220-yard dash, 23 seconds. McCarter placed second in the broad jump with a leap of 19 feet 2 and ¾ inches, just ¼ of an inch behind Jaeger of Carlsbad, who won the event.

There were three new district records set, all by Carlsbad. Fred Mahaffey set a new record of 10 seconds in the 100-yard dash. John Pack set a new time of 15.3 in the 120-yard high hurdles. Bob Ball ran the 180-yard low hurdles in a time of 20.4 seconds.

Fred Mahaffey was high scorer in the senior division with a tally of 16 points.

DISTRICT RESULTS

180-yard low hurdles, Gray, third. Shot put, A. L. Terpening, fourth. 120-yard high hurdles, Price and Gray, third place tie.

110-yard dash, Cole, second; Clarence Lamb, fourth.

440-yard dash, Connor, second. Javelin, Briscoe, third; James Sanders, fifth.

Pole Vault, Nelms, third; James Sanders, and Tommy McCaw, fourth and fifth.

220-yard dash, Cole, second; McCarter, third; Baker, fifth. 880-yard run, Connor, second; Richardson, fifth.

Faculty Staff For 1951-52

(From Artesia Hi Beacon)

by Bobbie Jo Roberts

The present administrative staff of the Artesia High School was approved for continued employment at a recent meeting of the Artesia School Board.

All the regularly employed teachers meeting the standard qualifications for teaching in Artesia were re-employed. The board has not approved any regularly employed teachers who have less than three years of college, but the standard qualifications for teaching in Artesia Schools is to have a college degree.

Floyd Davis, coaching basketball for the last three years, asked to be relieved of his basketball coaching and is now a regular teacher.

The faculty for the 1951-52 year for high school is: Jack Tinson, Rufus Waltrip, Reese Smith, Leonard Witcher, Marion Wood, R. M. Parham, Lois Nethery, John Short, Howard Miller, Lillian McCormick, Russel Lewis, Linna McCaw, James Allen, William Bennett, Margaret Bildstone, Hubert Burke, Floyd Davis, Alyce Erickson, Alma Sue Felix, Earl Grabhorn, F. L. Green, Calvin Hall, Margaret Harston, Ann Howerth, Harry Hanson.

880-yard relay, Artesia (Clarence Lamb, W. L. Gray, Doyle Cole, James Baker) second.

Discus, Brown, third.

Broad jump, McCarter, second; Lamb, third; Cole, fourth.

High jump, Brown, third; Parnell, fourth.

The boys who went to the state tournament failed to qualify in their respective events and thus were eliminated.

Valuable Information Concerns Student Draft

(From Artesia Hi Beacon)

(A news article copied from page 47 of the 30 March issue of the U.S. News and World Report) ARE STUDENTS, AFTER THIS SCHOOL YEAR TO BE DEFERRED FROM DRAFT TO CONTINUE EDUCATION?

Many are, under the plan prepared by Selective Service for presidential approval. The new deferment rules for draft-age students were agreed to in principle by many educators and by the House Armed Services Committee.

WHO THEN WILL GET A CHANCE AT DEFERRMENT? All of the better students will get a chance. A high-school senior, for example, will have an opportunity to take a test. If he passes with a grade of 70 or better, he can ask for deferment on that basis if accepted for college.

WHAT ABOUT COLLEGE STUDENTS? A freshman this year, if in the upper half scholastically of the male members of his class, can get

deferment on that ground, under the plan. As a sophomore, a student can get deferment of service, if in the upper two thirds of his class. That means two out of three sophomores have a chance. For juniors, it is the upper three fourths. Or sophomores and juniors, just as freshmen, can rate deferment by making 70 on a test.

WHAT ABOUT STUDENTS PROFESSIONAL SCHOOLS? The plan calls for deferment of students taking courses leading degrees in medicine, dentistry, veterinary medicine, osteopathy and podiatry, provided that their work is satisfactory.

cows are kept on soft ground and never turned out to pasture. "Unless the surplus growth is removed, it may result in a dwarfed or deformed hoof, making it difficult for the animal to walk easily," the dairyman explains. "The surplus growth may eventually break off, causing serious lameness and a marked decrease in production. To avoid these difficulties, trim off the surplus growth. But don't wait for a rainy day to do this.

"Usually, most of the surplus can be taken care of by merely keeping the toes trimmed with an ordinary pair of hoof nippers. If such equipment is not available, a long handled carpenter's chisel and a heavy mallet are fairly satisfactory."

Sometimes it's also necessary to trim the soles of the cow's feet. Anderson says. The tool for such

Beef Calf Twins Sought By Farm Research Center

Livestock specialists of the U. S. Department of Agriculture are calling on Eddy County beef cattle producers and producers in other counties, to locate identical twin beef calves. The twins calves are wanted for an important research project now under way at the Agricultural Research Center, at Beltsville, Md. The USDA livestock specialists are studying the problem of feeding beef animals. With identical twins, they'll have calves which will be exactly alike in their rate of growth, and feeding habits, because their inheritance is exactly the same. If one twin is fed one ration and the other a different ration, however, any difference in growth can be traced to the feeding and not inheritance.

Research men at the Beltsville station now have six sets of identical twin beef calves. They figure they can get the same results with 240 beef animals, which weren't identical twins.

But the money for this research project won't permit using that many beef cattle, so the identical twins are the answer. The livestock experts at Beltsville need more than the six sets of identical twins they now have on feeding trials.

If you have a identical set of calves of the same sex, which have at least one-half beef blood in them, let the folks at Beltsville know about it. They're anxious to buy these calves, preferably not too far from Beltsville.

Farm Agent Tells How to Save Water

Irrigation water can be used more efficiently, especially during the present water shortage, Eddy County Agent Dallas Rierson reminded farmers today.

"Irrigation efficiency can be measured as the amount of water stored in the soil for plant use, compared with the amount delivered on the farm," the county agent explains.

"For a high efficiency the water must be applied in a manner which will insure the most uniform application with the least amount of water. Fields must be leveled to a desirable plane or grade in order to approach uniformity of application."

During the present irrigation season farmers can help make water go further, Rierson says, by observing the following:

1. Keep ditches clear and free of weeds. Heavy weed growth both reduces ditch capacities and slows water flow. This permits excessive evaporation and seepage losses.
2. Keep the water under control at all times. Uncontrolled water causes erosion and may contribute to drainage problems and salt accumulations, besides resulting in untold waste.
3. Watch for breaks and gopher holes. Gopher holes or breaks in ditches and borders contribute to inefficiency by watering waste spaces and roads.
4. Apply just enough water during irrigation to fill the plant root zones. When the soil is filled with all the water it can hold, any excess

will seep or percolate out of the root zone, wasting not only surface water, but also important water soluble plant nutrient, especially nitrogen.

5. Keep weeds in crops down. Weeds not only compete with plants for moisture and nutrients, but may also shade crops and harbor insects and diseases.

Breen Wins State Golf Tournament

(From Artesia Hi Beacon)

by Bob Flynn

Jim Breen, Albuquerque, the rookie Highland high school linksman of the year, easily defeated all opposition in the N. M. State Golf Tourney.

High school golf teams from this district, besides ours, included those of Carlsbad and Roswell. The Bulldog golfers who represented Artesia in state competition were Earl Plowman, and Richard Harral.

Jim Breen, was medalist of the meet with a score of 141, which is one under par for 36 holes, for two days, which is a very good score for a high school teen-ager. Highlands also won the team trophy with a score of 645. Roswell, our next door golfing neighbor, placed second in the team meet, with a score of 685.

Our Bulldog golfers, Earl Plowman, (2nd in district 5) and Richard Harral (4th in district 5), did very well considering that this was their first year in state competition.

Earl Plowman, seeded 10th, placed 10th out of exactly 20 boys who qualified for the state meet. Richard Harral seeded 12th, lived up to his seedings, also. The Bulldog scores are not available. But one thing sure is that these Bulldog golfers will be plenty rough for the state competition next year.

Evert Blomberg Resigns to Get Masters Degree

(From Artesia Hi Beacon)

By Rube Austin

Mr. E. C. Blomberg is leaving Artesia High School to go to the University of Denver to work on his Masters degree. Mr. Blomberg has taught English, speech, drama and public relations during the two years that he has been here. He has also given the weekly radio program, Artesia Schools Report, for two years, over station KSVP.

The past year, he directed the Junior and senior plays.

Mr. Blomberg and his wife plan to leave the Friday or Saturday after school is out. He will start to school early in June and continue through the summer and next regular school term to about March or May when he will receive his Masters degree.

If they have time, they plan to make a trip through the Black Hills in North Dakota and also visit Mr. Blomberg's brother, who owns a newspaper in the north-eastern part of North Dakota. If time permits they will visit his father and mother, who own a resort in the northern part of Minnesota. They plan to go back to Denver by way of Omaha, Minneapolis and St. Paul.

Hot Cinders From the Track

(From Artesia Hi Beacon)

by Charles Gibson

Well, the end of another school year and another track season has rolled around. In my opinion, both have ended quite successfully this year.

The Bulldogs this year have placed two second and two ninth positions in four meets. They have scored a total of 110.9 points.

In the Carlsbad Tri-Meet held between Carlsbad, Artesia, and Hobbs, Artesia emerged second 37 points behind Carlsbad with 67 and ahead of Hobbs, who had 22.

On April 14 at the Fox Relays held in Fort Sumner the Bulldogs placed ninth with 8.4 points, behind Albuquerque 51.1; Carlsbad 36; Hobbs 17.6; Texico 17.2; Fort Sumner 17.1; Clovis 14.6; Portales 11.7 NMMI 9. There were 18 teams entered.

Boys earing trips to the state meet, held in Albuquerque on May 4-5, were Doyle Cole, Kirk McCarter, and Clarence Connor. Connor, however, declined the journey, in order to participate in the senior trip.

Cole earned his trip by taking second in the 100-yard dash in a time of 10.3 seconds and second in the 220-yard dash, 23 seconds. McCarter placed second in the broad jump with a leap of 19 feet 2 and 3/4 inches, just 1/4 of an inch behind Jaeger of Carlsbad, who won the event.

There were three new district records set, all by Carlsbad. Fred Mahaffey set a new record of 10 seconds in the 100-yard dash. John Pack set a new time of 15.3 in the 120-yard high hurdles. Bob Ball ran the 180-yard high hurdles in a time of 20.4 seconds.

Fred Mahaffey was high scorer in the senior division with a tally of 16 points.

DISTRICT RESULTS
180-yard low hurdles, Gray, third. Shot put, A. L. Terpening, fourth. 120-yard high hurdles, Price and Gray, third place tie.
110-yard dash, Cole, second; Clarence Lamb, fourth.
440-yard dash, Connor, second. Javelin, Briscoe, third; James Sanders, fifth.
Pole Vault, Nelms, third; James Sanders, and Tommy McCaw, fourth and fifth.
220-yard dash, Cole, second; McCarter, third; Baker, fifth.
880-yard run, Connor, second; Richardson, fifth.

sort in the northern part of Minnesota. They plan to go back to Denver by way of Omaha, Minneapolis and St. Paul.

Faculty Staff For 1951-52

(From Artesia Hi Beacon)

by Bobbie Jo Roberts

The present administrative staff of the Artesia High School was approved for continued employment at a recent meeting of the Artesia School Board.

All the regularly employed teachers meeting the standard qualifications for teaching in Artesia were re-employed. The board has not approved any regularly employed teachers who have less than three years of college, but the standard qualifications for teaching in Artesia Schools is to have a college degree.

Floyd Davis, coaching basketball for the last three years, asked to be relieved of his basketball coaching and is now a regular teacher.

The faculty for the 1951-52 year for high school is: Jack Timson, Rufus Waltrip, Keese Smith, Leonard Witcher, Marion Wood, R. M. Parham, Lois Nethery, John Short, Howard Miller, Lillian McCormick, Russel Lewis, Linna McCaw, James Allen, William Bennett, Margaret Bildstone, Hubert Burke, Floyd Davis, Alyce Erickson, Alma Sue Felix, Earl Grabhorn, F. L. Green, Calvin Hall, Margaret Harston, Ann Howarth, Harry Hanson.

880-yard relay, Artesia (Clarence Lamb, W. L. Gray, Doyle Cole, James Baker) second.
Discus, Brown, third.
Broad jump, McCarter, second; Lamb, third; Cole, fourth.
High jump, Brown, third; Parnell, fourth.

The boys who went to the state tournament failed to qualify in their respective events and thus were eliminated.

880-yard relay, Artesia (Clarence Lamb, W. L. Gray, Doyle Cole, James Baker) second.
Discus, Brown, third.
Broad jump, McCarter, second; Lamb, third; Cole, fourth.
High jump, Brown, third; Parnell, fourth.

The boys who went to the state tournament failed to qualify in their respective events and thus were eliminated.

Valuable Information Concerns Student Draft

(From Artesia Hi Beacon)

by Bobbie Jo Roberts

(A news article copied from page 47 of the 30 March issue of the U.S. News and World Report) ARE STUDENTS, AFTER THIS SCHOOL YEAR TO BE DEFERRED FROM DRAFT TO CONTINUE EDUCATION?

Many are, under the plan prepared by Selective Service for presidential approval. The new deferment rules for draft-age students were agreed to in principle by many educators and by the House Armed Services Committee.

WHO THEN WILL GET A CHANCE AT DEFERRMENT? All of the better students will get a chance. A high-school senior, for example, will have an opportunity to take a test. If he passes with a grade of 70 or better, he can ask for deferment on that basis if accepted for college.

WHAT ABOUT COLLEGE STUDENTS? A freshman this year, if in the upper half scholastically of the male members of his class, can get

deferment on that ground, under the plan. As a sophomore, a student can get deferment of service, if in the upper two thirds of his class. That means two out of three sophomores have a chance. For juniors, it is the upper three fourths. Or sophomores and juniors, just as freshmen, can rate deferment by making 70 on a test.

WHAT ABOUT STUDENTS IN PROFESSIONAL SCHOOLS? The plan calls for deferment of students taking courses leading to degrees in medicine, dentistry, veterinary medicine, osteopathy and podiatry, provided that their work is satisfactory.

Where this is not possible and stocks are not available, the animals should be thrown and securely tied. Throwing even a large animal is not at all difficult if one knows how to do it through the use of a rope looped around the body just back of the forelegs and in front of the rear flanks.

work is a farrier's knife, however, a heavy pocket knife will do fairly well, although it is not as satisfactory, since the blade is not shaped as it should be. It's possible to trim the soles of the feet with the animal standing.

Miss Felix: "Bill, what is the difference between a cat and a comma?" Billy J.: "I don't know, what?" Miss Felix: "A cat has claws at the end of its paws. A comma is a pause at the end of a clause."

Where this is not possible and stocks are not available, the animals should be thrown and securely tied. Throwing even a large animal is not at all difficult if one knows how to do it through the use of a rope looped around the body just back of the forelegs and in front of the rear flanks.

Honors—

(Continued from page 1)

Perfect Attendance

Grade 6—Florence Bowman, De Witt Tidwell, Jimmy Campanella, Billy Jo Forsyth, Jo Ann Faulk, Evelyn Mitchell, Nancy Cano, Nova Mae Ulrich.

Grade 7 — Charles Campbell, Gary Howard, Bill Lewis, Buddy McQuay, Billie Kelley, Marion Simmons, Bill Mitchell, Thomas Mobley, Opal Norris.

Grade 8—Corrine Allen, Herman Flores, Sherman Forsyth, Raymond Gressett, Brickie Juarez, Lamar Mitchell, Robert Norris, John Riddle, Darrell Wilson, Harrell Wilson, Carolyn Clark, Donna McNallen, Georgia Mulcock, Kay Ingram.

Faculty

Teachers at Artesia's newest school:

Eather Eckstrom, mathematics; Raymond Hall, physical education and coach; Nellie Hamann, English; Neil Hardin, social science; Cathryn Hayes, social science; Homer Heathman, social science and English.

Paul Kerley, mathematics and English; Russell Lewis, band; Vada Magatagan, home economics; Patricia Sauer, physical education; Lois Nethery, library; Duane Sams, shop; Augusta Spratt, chorus.

Sank Tunnell, mathematics; Emma Vandeventer, English; Charles Wallis, general science; Leonard Witecher, arts and crafts; Don Riddle, principal; Betty Stephens, Hildegard Kletke, W. A. Brown, Mildred Lambert, sixth grade.

Colorado—

(Continued from page One)

or 500 pounds. Twice Don hooked the big jew fish but they were too much for any small boy to handle and each time they escaped.

Don joined the Boy Scouts and had great fun camping on the Florida Keys. Many trips were made out to the Dry Tortugas Islands and to old Fort Jefferson National Monument.

A week was spent playing Robinson Crusoe on Loggerhead Key, the most remote place in the United States. Fishing trips were made to Sand Key, Sombrero Key and many places where fishing is the best on earth.

Another interesting experience was a trip through the Everglades with the Audubon Society. Southern Florida is noted for its hurricanes and Don saw some good ones. In the worst one the weather bureau wind instruments blew away at 122 m.p.h., so the highest wind velocity was not known.

After three and a half years in this boys' paradise, a move was made to North Carolina. The most interesting thing seen on the jour-

ney north was the world's largest aquarium, Marine Studios, near St. Augustine.

The oldest European house in the U.S. was visited. At Wilmington, Don has continued his Boy Scout work and won the rank of Eagle Scout. Last year he attended the world jamboree at Valley Forge, Pa. Sightseeing trips were made in Philadelphia and Washington, D. C.

Later on, came a vacation to the Smokey Mountains in Tennessee then to Kitty Hawk and to Roanoke Island, N. C., where Sir Walter Raleigh established the first English colony in 1585.

The "Lost Colony" pageant was a never-to-be-forgotten incident on the summer program.

At the Cape Fear Area Scout camp, Don was initiated into the Order of the Arrow. In the Wilmington High School, he has been re-elected senator to the student senate. This summer, Don is to have the greatest thrill in all his 16 years. On May 30, he will have breakfast in Wilmington and eat supper in Albuquerque. He will fly out to New Mexico and make a boat trip down the San Juan and Colorado rivers, then spend the rest of the summer at the national Boy Scout camp at Philmont.

What a thrill it will be to see the Rainbow Natural Bridge, Monument Valley, the Grand Canyon and other awe-inspiring sights of the great Southwestern country.

National Forest Fire Loss Drops

Campaigns to keep states "green" are beginning to pay off. Although recreational use of national forests in New Mexico and other states reached an all-time high last year, campers and smokers caused fewer forest fires in 1950 than they did in 1949.

Smokers who carelessly threw away lighted matches or burning tobacco were responsible for 1701 fires in national forests last year

as compared with 1842 fires in 1949, according to U.S. Forest Service officials.

Campers who failed to put out their campfires or let their campfires get out of control, accounted for 596 fires in national forests in 1950 as compared with 628 fires in 1949.

The record for incendiary fires, however, is just the reverse. During 1950, incendiary fires deliberately started—1724 fires in national forests. This was a significant increase over 1949, when "fire bugs" set a total of 1204 fires in national forests.

Dillard Irby To Get College Diploma Thursday

Degrees were conferred on 87 Southwestern State College seniors at Weatherford, Okla., Thursday night, May 24. R. H. Burton, college president, will make the awards following an address by Dr. Howard C. Taylor, dean of Oklahoma College for Women at Chickasha.

Among those graduating is Dillard Irby, Artesia.

Irby, son of Mr. and Mrs. W. B. Irby, Artesia, was an active participant in campus activities at Southwestern.

He was a member of Beta Tau Beta, national social fraternity, Wesley foundation, religious organization, and served as vice-president of Neff hall, men's dormitory.

Graduating with a bachelor of science in Pharmacy, Irby was a member of the college chapter of the American Pharmaceutical Association.

Mr. Hanson: "What is a debtor?" Larry G.: "A man who owes money."

Mr. Hanson: "Then what's a creditor?" Larry G.: "A man who thinks he's going to get it back."

Local Man Takes Hagerman Position

Calvin Terpening of Artesia has taken employment with the Mason Funeral Home of Hagerman. He is working both at the funeral home and as manager of the Felix Theater, both owned by Steve Mason.

Terpening, son of Mrs. Hester Terpening, 1008 West Quay, was born in Artesia, grew up here, graduated from the local high school, and for the last four and one half years had been employed by Paulin Funeral Home.

He is president of Artesia 20-30 club.

Hall of Fame

(From Artesia Hi Beacon) By Juanita Hernandez At the head of the Hall of Fame, making A's in all their subjects are:

12th: Roy Bisbee, Anna Marie Dunn, Charles Gibson, Juanita Hernandez, Jonel Tinson, A. L. Terpening, Jody Williams and Yvonne Yeager.

11th: Margaret Amstutz, Bruce Caskey, Jane Collins, Sara Curtis, Leila Denton, Clydene Grayham, Myrna Henderson, Jimmy Juarez, Betty Jo Kaiser, Alice Martin, Loy Sue Siegenthaler, Marijo Storm and Hunt Zumwalt.

10th: Joyce Smith. Ninth: Eileen Marshall, Eileen Marshall, Wray Shidneck, Laura Lue Smith, Betty Thorp and Carolyn Sue Zeleeny.

Those falling short of a perfect

score, but making A's are:

12th: Rube Austin, Kay Booker, Bobby Flynn, Mittie Fry, Dorris Gayle, Jean Green, Billie Hurley, Shirley Pursley, Nora Roberts and Marian Vandeventer.

11th: Corinne Aaron, Ruben Baca, Alton Bratcher, Pat Booker, Patsy Cobble, Betty Griffin, Felipe Guerrero, Charlene Hale, Regina Hayes, Lois Janet Howard, Lonarae Howell, Nilla Naylor, Raydean Owens, Loretta Patterson, Sherman Patterson, Earl Plow-

man, Dawane Robinson, Dwight Robinson, Paula Shipp, Nadell Stewart, Jo Ann Walker and Joy Williams.

10th: Eva Beaty, Curtis Wayne Bedingfield, Celeste Bradshaw, Glenn Bratcher, Patricia Clark, Jean Coll, Marilyn Cox, Margaret Henderson, Hazel Murdock, Shirley O'Dell, Paul Perry, Beulah Hart and Geneva Smith. Ninth: Louis Campanella, Carolyn Cox, Phyllis Earhart, Bill Gissler, Barbara Jones, Carl Lane,

Jimmy Liles, Lynn Owens, Roma Parrish, Barbara Rogers, Yvonne Ross, Marsha Rowley, Laura Savoie, Jerry Simmons, Donald Sperry, William Vandeventer, Dwayne Zeleny, Hughes Dell and Gloria Smith.

Eva A.: "Did your watch when it hit the floor?" Nora S.: "Of course, it did. We did you expect it to do? Go through?"

History of Class Of Fifty-One

From Artesia Hi Beacon) Freshmen! Big ones, little ones, lean ones, brawny ones, they ones—all came in a crowd, rats following the Pied Piper Hamlin, to AHS in the fall of 1948. Immediately we were placed under the guidance of three capable sponsors, Miss Nethery, Miss Kay and Mr. Frank Smith. It wasn't long before we took matters into our own hands and elected A. L. Terpening as our president, Jo Ann Short, vice president; Anna Marie Dunn, secretary-treasurer and Kay Booker, student council representative.

On May 7, 1948, we summoned enough courage to present an assembly before the whole student body under the direction of Miss Nethery. It included a one-act play, called "Elmer," and because we had a leap year, we presented several skits showing the girls how to trap and hold a man. We were very proud of the freshman basketball team, coached by Coach Lance, that won the championship trophy at the 1948 Valley Junior tournament. We celebrated the end of our first year in senior high school with a spring dance at the girls' gym for freshmen and their dates. That night was long remembered by people living near the gym.

It is usually true, the first year is mostly spent in extracting the splinters and hayseeds from the heads, but in September, 1948, we returned to old Artesia with new zeal and a wider outlook and with fewer illusions. We were welcomed back by Miss Nethery and four new male sponsors, F. L. Green, John T. Short, Travers Waltrip and H. Floyd Davis. We threw all care to the winds and elected Don Kincaid to the office of president of the sophomore class. Anna Marie Dunn took over as vice president and Jean Green as secretary. Buddy Parker was trusted with the bank roll.

On Feb. 14, 1949, our class was invited to the student body at a Valentine party in the auditorium. Members of the class took part in a program, which was directed by Miss Nethery. Valentine cookies were served to the students and faculty members.

Spring! And that means prom. Strains of "The Skater's Waltz" were floating from the gym where 12 lucky sophomore girls were practicing their steps for the "Winter Wonderland" prom. Anna Marie Dunn and Dickie Shoemaker took class honors as favorites. Jeanette Stack was the most beautiful girl and Don Kincaid and Dickie Shoemaker were the most handsome boys. By this time, we were beginning to feel like jaunty juniors and were practicing our vocal lessons. We could yell lustily the next day! Coffee! Cokes! These were heard for three long months as we peddled our wares. We could afford a beautiful prom. Our ambitious sponsors were Miss Nethery, F. L. Green, Rufus Waltrip and Floyd Davis. Don Kincaid was re-elected class president, because we hated to part with a new boy. James Briscoe was the new vice president and John Tinson took the minutes. Brown watched the money. On April 3 and 4, 1950, the junior class proudly presented "June" a zany comedy in three acts. Tinson and Anna Marie took the leading roles in the cast. Our apology to Miss

Nethery, the director, for almost driving her mad, was a lovely Easter bonnet.

Kay Booker, Becky Sharp, Geraldine Blount and Linda Boyle represented Artesia at Girls State. Candidates for Boys State were: Don Kincaid, Bobby Thorp, Bob Bryant, Charles Henson and Travers Waltrip.

Anna Marie Dunn and Don Kincaid were our class candidates for May King and Queen of Razzle Dazzle.

A. L. Terpening was elected by the student body to serve as their vice president and president in his senior year.

Loretta Wells, Jeanette Stack and Don Kincaid again took the honors for the best-looking members of the class. Jean Green and Joe Harbert were chosen as class favorites.

The night of May 19, 1950, brought the end of days and days of toil. We were welcoming the seniors of 1950 into a garden full of Moonlight and Roses to enjoy the junior-senior banquet and prom.

September, 1950 and about 98 seniors were just dying to get in school and settle down to chemistry, Macbeth and other senior subjects.

Miss Erickson and Mr. Parham had joined forces with Miss Nethery, Mr. Green, Mr. Waltrip and Mr. Davis to help guide our footsteps toward graduation.

Dickie Shoemaker took over the responsibility of the class presidency. Bobby Morgan was elected vice president; Jean Green, secretary and Vernon Haldeman, treasurer.

Mr. E. C. Blomberg directed the senior play, a three-act farce called "Seven Keys to Baldpate."

This year's annual is edited by Anna Marie Dunn, who was also chosen to represent AHS as the candidate for D.A.R. Good Citizen.

Kay-Booker, assisted by Rube Austin, has been editing the Beacon on this year. Rube was elected editor of The Leash, Artesia High School literary magazine.

Jonel Tinson was honored with the title of Football Queen. She was crowned at the Homecoming Dance by Bobby Morgan and Vernon Haldeman, senior co-captains of the Bulldog football team. Recently, Jonel was awarded a scholarship by the International Potash Company of America.

On the evening of April 20, 1951, we entertained the student body with a gypsy dance in the Central School gym. Red and white crepe paper and balloons of all colors were used for decorations. The gypsy theme was carried out in the refreshment table decorations and completed with a fortune teller.

Kay Booker, senior candidate for May Queen of the Razzle Dazzle, collected enough money to put her ahead in a very close race for the honor. Joe Harbert was our candidate for May King.

Many senior boys were outstanding in sports this year. James Briscoe, Bobby Morgan and A. L. Terpening were honored with positions on the all-state football team. These three boys were invited to play on the South team in the annual North-South game. Charles Gibson teamed up with an Artesia high school sophomore boy, Douglas Whitefield, to win the state championship in tennis doubles. Jody Williams gave the singles champ a lot of keen competition.

The highlight of this year was the senior trip to Ruidoso on May 4 and 5. About 40 seniors left here (Continued on Page 11)

A. H. S. Graduation Class

TO THE PUPILS OF ARTESIA HIGH SCHOOL

As we come to the end of another period of school activities, we review our successes and short-comings for the year. We express pride in our accomplishments, and regret in our failures. May we thus use these experiences in our future growth by building on the foundation of success and avoiding the experienced mistakes. I hereby express my best wishes to you for a pleasant summer vacation. I will be looking forward to your return to school, here, or advanced work, next fall.

Tom J. Mayfield

COMPLIMENTS OF LIFE

By T. Stovall

Success is the ultimate goal of each and every student, but each student has a varied definition for the word of success. To one student it may mean a good paying job with money as the ultimate goal, but to another success may mean of being of service to mankind. The personal qualities of each and every high school establish the trends and patterns for the future. High school habits are carried into life and form the basis for a success in a chosen occupation. Students who have good study habits, who have a wholesome attitude, who are punctual and have a sincere purpose are destined to be successful in life. The "compliment of life" is to have it said of an individual that "he was useful and a great man." Students are urged to be careful of habits, attitudes, courteous manners, because these qualities help to make a student.

Plucky Girl Is First Negro Grad

(From Artesia Hi Beacon)

by Kay Booker

This year's graduating class is the largest in the history, but that is not its only "first." We are proud to have in our class the first colored graduate from Artesia High, Miss Johnnie Mae Wilson.

Many of us feel that graduation is a matter course, no great trick, and something anybody can do if they will try." In Johnnie Mae's case it wasn't that easy.

Johnnie Mae's father died when she was a baby, and her mother died when she was 11. She and her younger brother lived with different families in Crockett, Texas, where Johnnie managed to pick cotton and go to school until the 11th grade. Then, since the people she was living with were urging her to quit school entirely, Johnnie Mae decided to move to Artesia, where she had an aunt. When she arrived here, she found her aunt was unable to take care of her. She is now working for and living with, Miss Christine Raven, a teacher at Carver School.

Not only has this plucky girl managed to keep in school through all the odds are against her, but she has maintained a high standing in her classes. Johnnie, who will graduate when she is only 16, plans to go on with her schooling and to study nursing at Austin College, in Tulsa, Oklahoma, where if you may judge by her past record, Johnnie Mae Wilson will become an excellent nurse.

In her own words Johnnie Mae says:

"I am the first—not boastingly—but I do pride myself for being the first Negro to graduate from Artesia High School. It was a struggle but I managed to accept the bitter along with the sweet."

Mentioning her living with Christine, Raven, a teacher at Carver School, she says:

"I have lived in a different world since and am happy as I am treated like the big daughter. If I have made it I feel sure others can who have chances that far excel mine."

"I must realize that there is plenty of room at the top and more at the bottom but very little between top and bottom. I know I must work harder if I expect to accomplish my aim—in life. It is my ambition to go farther."

"I am expecting to enter the University of Denver in September. I wish to thank everyone that has contributed to my comfort and given me encouraging remarks to help keep my morale from sagging."

Teachers Vacations
 (From Artesia Hi Beacon)
 by Margaret and Jimmie
 The teachers of Artesia High school this year will spend their vacations in many places and in many ways.
 Miss Harston—Undecided; will probably go to school.
 Mr. Waltrip—Stay at home and work.
 Mr. Allen—Take a trailer and go to California to visit relatives and then to Oregon to visit to Canada and then back to Stone National Park. They are to be gone all of July and August.
 Miss Howarth—Stay at home then go to school.
 Miss McCaw—Visit in Lubbock, Texas and Phoenix, Arizona, San Francisco, California. At Pasadena, Calif.
 Mr. Green—Visit in Missouri, Colorado, and Salt Lake City. Go to school and then come home.
 Mr. Grabhorn—Go to Indiana University Fish.
 Miss Erickson. Go to Minnesota and Canada, come down the coast to Bellflower, California and while.
 Mr. Davis—Go to school at Colorado State College of Education to get his Masters degree.
 Miss Nethery—Go to school in her home town of Norman, Oklahoma.

11. Miss McCormick—Teach swimming at University of New Mexico. Get Master's degree.
 12. Mr. Witcher—Go to school part time and get G. I. training part time.
 13. Miss Bildstone—Stay home.
 14. Mr. Blomberg—Go to school in Denver. Visit his folks.
 15. Miss Woods—Don't know yet.
 16. Mr. Sams—Visit friends and relatives in eastern Nebraska.
 17. Mr. Short—Visit in Indiana, go to school in Fort Collins, Colo.
 18. Mr. Miller—Very much undecided.
 19. Miss Felix—Go to San Francisco.
 20. Mr. Hall—Summer school at Las Cruces.
 21. Mr. Tinson—Stay home and

play golf and take care of his yard.
 22. Mr. Hanson—Go to Colorado.
 The oldest royal residence in the world still in use probably is Windsor castle in England. It was built some time between the fifth and ninth centuries.
History of Class—
 (Continued from page one)
 early in the morning on May 4. They had reservations at the Navajo Lodge. That night, they had a banquet and dance at the lodge with a senior class from a little town in Oklahoma. Everyone had a wonderful time and they would have been willing to stay another day or week, but they were loaded

on the bus and hurried back to Artesia on Saturday afternoon.
 The senior class of 1951 now stands strong in number, the largest graduating class in the history of this school. As we approach the end of our days in high school, we are launching our separate boats into the sea on the busy world. A long voyage is before each one, but experience gained here may help them avoid the reefs and quicksands of the world's criticism. Winds of fortune may blow our crafts far apart—but no one can know the port of our final destination. The flags of honor, the emblems of fame, the pennants of good workmanship, will always fly from the masts of the boats of 1951 and greet one another in the harbor of dreams.

Your Future

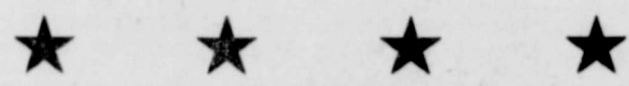

Is in Your Hands

WE'VE BOOSTED YOU THROUGH FOOTBALL GAMES JUNIOR AND SENIOR PLAYS, TRACK MEETS AND ALL THE OTHER ACTIVITIES.

BUT NOW, IT IS IN YOUR HANDS! CHOOSE YOUR WAY CAREFULLY ... MAKE THE MOST OF YOUR FUTURE.

The Day Is Coming

THERE IS LITTLE QUESTION or doubt in our minds but what sooner or later with the continued growth of Artesia, it will be able to support a daily newspaper.

That is clearly indicated. The average businessman, the individual who actually buys the advertising and makes it possible for the city to have the twice-a-week paper now and the average citizen, the subscriber, wants a newspaper which will be self-sustaining, a good business venture and a newspaper really representative of the city.

There are those who have voiced the opinion the city is large enough today for that. But the majority of those who have made these statements are not the ones who buy the advertising or who will support the paper. There are others who have indicated they would be happy with just a single sheet. They wouldn't be because the paper would not be something of which they could be proud.

Then, too, the issuing of a paper once it is set up does not matter so much whether it is four, six or eight pages. It is that initial cost which does count.

There are even those who have said the city would have a daily and it would be supported and it would be a good one. Just what their authority is for such a statement or just why they may feel they know more about whether the community is ready to support a daily—we do not know.

But we have pointed out that we have explored the field many times. We have checked the possibility for subscribers as well as for advertising. We are more interested than anyone else, but we are frank to say we want a paper which will be a good business investment: one that is profitable and one which will be a credit to the community. And we know some communities larger than Artesia where daily papers are far from good or profitable investments. They are always a real gamble.

There are those publishing dailies who wish they had twice-a-week papers or even weeklies.

When the field will justify the publishing of a daily paper; when the subscription list, will be sufficient to give the advertisers a real circulation; when there is sufficient business to make the paper a good investment, we will be the first to want to put in that daily.—O.E.P.

Could Occur Here

OVER AT LAS CRUCES recently, an attractive home, in a beautiful residential section of the city, was badly wrecked and damaged by a gas explosion that occurred in the home.

The blast occurred about 2 o'clock in the morning. Three walls of the home were torn out. Fortunately, the occupants of the home asleep at the time, escaped any injury.

City officials who have checked the home are not sure just what caused the blast. They are positive there was an accumulation of gas. They are also sure that the blast occurred in the floor furnace.

Just why this gas did not go up the vent on the furnace, why it accumulated and why the blast occurred—they do not pretend to know.

Their only answer as to how to prevent such a blast is to have periodic inspections made of gas appliances and the gas system in all homes.

Even then they admit that such an explosion could occur but they do feel these inspections should be made.

Such a program is being carried out in Las Cruces. It might be wise for such a program to be carried out in Artesia as well.

The time, of course, to have such an inspection made of the gas equipment and system is before such an accident occurs here. It is possible if such an explosion occurred that the occupants of the home would not be as fortunate as those in Las Cruces.

Such a blast or explosion could not only wreck homes, but could cause deaths.

Such an inspection, of course, should be thorough and complete. It should be complete in every detail. Unless that kind and type of an inspection is made, it would have no value.

Those making these inspections should be sure there are no gas leaks and that the equipment is in good condition.

It also appears that homes which have foundations adequately and properly vented are safer than those without vents in the foundations. Such vents in the foundations permits the gas to escape instead of accumulating in the home.

But Artesia might profit from the accident in Las Cruces and avoid having one here by having an adequate and thorough inspection made of the system in the home as well as all of the appliances.—O.E.P.

Are We Interested?

WE AS CITIZENS are going to have to take an interest in our city, civic and community affairs before we take an interest in our national affairs.

And we are beginning to wonder today, why we haven't been more interested in national affairs.

But until we assume our duties, responsibilities as citizens in our own communities we aren't going to do much about the state and national affairs.

As long as we maintain we haven't time, can't become involved and make our foremost interest making money and having a good time, we aren't going to pay much attention to our government.

We have stressed many times that as business and professional people who have argued for years we can't become involved in politics because we are in business we can't afford not to be interested and become involved.

Our willingness to turn our affairs over to others and permit them to run to suit themselves, hasn't proven very satisfactory. Our very government depends on the interest of citizens in our affairs. And as citizens we have these obligations to our city, our community and to our state and nation.

Most of us have left these to others. And the result has been we have not had an honest, efficient, economical government which was concerned with considering the welfare of the people and the nation first and themselves second.

They have put themselves first and the rest of the nation even including its safety second.

Some of the things which have happened and are happening, should make us realize we must assume the obligations and the duties which our citizenship imposes on us if we want to correct the condi-

TIMBER-R-R!!

What Other Editors Are Saying

STATE INDUSTRIAL SCHOOL

In the replacement of Byrch Telford as superintendent of New Mexico Industrial School, the new board could hardly have made a better selection than that of Paffa Miller, who has had a number of years experience guiding that institution.

While Miller has had that experience and is well founded in the factors required to successfully administer the school, upon his return he will find the job a bigger one than when he formerly held it.

Of course, with increased population of the state, the number of inmates at the school has likewise grown. But what is more, the plant itself has increased to several times its former size.

During the early '30s when Jaffa formerly held the reins, the acreage owned by the school was small and little attempt was made to grow livestock and produce to reduce the maintenance costs.

Now the acreage is in excess of 2500, including irrigated, dry farming and pasture lands. It is an acreage large enough and sufficiently diversified to produce a large portion of the foodstuffs consumed at the school if it is properly handled.

While a knowledge in farming and ranching is desirable in the handling of the school, it is not absolutely essential, provided the handling of the farm is placed in capable hands by the management.—Springer Tribune.

NOT BY YEARS ALONE

Pension plans often assume arbitrarily that all people are "old" at some specific calendar age—60, 65 or 70, depending on how well-financed the plan is.

Older people sometimes bitterly resent compulsory retirement at some arbitrary age and the time is coming when proper and dignified ways will be found to use their talents in productive work even when they cannot stand the continuous grind a

tions prevailing and if we want to safeguard our nation and our way of life.

Surely we have learned by now we are going to have to stop putting business and pleasure first and assume our duties as citizens—assume these in community and civic affairs, in state affairs and in national affairs.

Freedom, we have been told, is everybody's business. Up to now, we have been expecting others to take care of our business—they have not.—O.E.P.

COULD SELECTION BE 'OLD SOLDIERS NEVER DIE'?

PRESIDENT TRUMAN is obviously pleased as he tries out his new piano, one of the rarest in the world, in the White House. It's a "composite," a spinet with full keyboard assembled by major piano makers from raw materials gathered in the U. S. and many foreign countries as part of observance of National Music Week. Watching the President are H/C Paul Carrino, Erlanger, Ky.; Thomas E. Rivers, Music Week secretary; Maj. William Santleman, Marine band director; Otto Harback, New York, president American Society of Composers, Authors and Publishers; Mrs. Robert Woods Bliss (hidden); Justin Miller, president National Association of Radio and Television Broadcasters. Assignment

New Mexico

By G. Ward Fenley

G. Ward Fenley

Like all senile country folks, this old Bald-headed Professor gets sentimental in the springtime and longs for the feel of mud squashing between his bare toes.

I was struck with what the Old Timer said the other day in the Kansas City Star:

"It ain't what you can carry away from a garden, but what you can leave in a garden that is rewarding. Somehow, a feller just can't concentrate on worry and hoe, too."

We all long for the good old days, the unhurried hours, and the leisurely nights at home with nowhere to go.

I read about a judge the other day who said to a prisoner: "I'm going to give you the works. I'm not going to put you in our nice jail. I'm going to turn you free so you can worry with the rest of us about taxes, shortages, unemployment, politics, war, and the high cost of living."

Close To Nature

In this springtime mood, I got a strange feeling of kinship to Jack Sitton of Carlsbad and Gordon Greaves of Portales. In smaller cities, they seem a lot closer to nature than we are in a larger city.

Jack is always talking about dogs and cats—and gloating over finding them good homes.

Gordon boasts of being the champion dog finder of New Mexico. He's now hunting a baby duck named Nubuchadrezzar belonging to Mrs. Fender Wade. We think Gordon means Nebuchadnezzar, but no matter. As Gordon says, the duck does not know his name anyway.

Somehow, we like newspapers that do those nice little things for nice little people.

I felt sorry for myself this week when Wallace Barnes wrote me a sizzling letter informing me that I had misspelled kimono and liquefy in last week's Assignment.

He enclosed 10 words which trip everybody—at least among Wallace's acquaintances: battalion, napha, tranquility, kimono, rarefy, liquefy, picnicking, paraffin, sacrilegious, and supersede.

I tried them out immediately on Duke Reed, desk man on the Albuquerque Journal. He missed three of the 10. Try them on your wife or hubby.

All 'Wressed-Up'

I wish I could report no typo errors in New Mexico papers last week. But they are too good to keep.

Here they are: In a J. C. Penney's ad in the Current-Argus (Carlsbad), "Rayon B e m b e r g Sheers, prized for the wressed-up look, cool meeling."

Hobbs News Sun: "The detective said her escort Wednesday night was broken Thomas Wheelock, husband of Miss Astor." No wonder.

Clovis New Journal: "We said the man was injured in a fell at home. The information was incorrect in Monday's Journal." Musta been.

Roswell Record: "Warner Baxter, suave virgine matinee idol died last night at his home." No comment.

Lovington Leader: "Robinson's information alleged that Neal set Mrs. Gallemore in the head while trying to committ robbery." Maybe he was hitting the bottle too much.

The El Paso Herald picked up a typo from a small town paper: "Cecil B. DeMille is now shooting 'The Greatest Sow on Earth.'" Oink, Oink!

The Socorro Defensor del Pueblo wails at this pesky English language with such words as council, counsel, cououl, and console.

The editor adds: "If tough is 'tuff, and rough is ruff, but bough is bow, why shouldn't cough be cow?" We don't know the answer, do you?

An orchid to Self Counce (Vegas) who owns the Flying Chicken Cafe in Las Vegas. When Louis Gallagos, in Korea since the Korean War started, wondered if a flying chicken could fly to Korea to satisfy his longing for American cooking, Counce flew one to him.

And that's all except the definition of a psychiatrist:

The last person you talk to before you start talking to yourself.

Urbanite Trials On Ranch Theme Of RKO Picture

With Irene Dunne and Fred McMurray in the stellar roles, RKO Radio's "Never a Dull Moment" deals in hilarious fashion with the trials of a sophisticated New York woman who marries a Westerner and finds herself struggling with the complexities of life in the great open spaces.

The film is showing Sunday, Monday, and Tuesday at the Landson Theater.

Produced by Harriet Pearson, the picture has Miss Dunne in the role of a successful Broadway songwriter, and MacMurray as a Wyoming cowpuncher whom she meets at a charity rodeo and marries after a hectic courtship. He takes her to his ramshackle ranch, and

MARCH OF EVENTS

New Wheat Blight Big Headache for Uncle Sam

Virulent Plant Disease Blow to Our Breadbasket

Special to Central Press

WASHINGTON—As if Uncle Sam did not have troubles enough, that normally kindly old lady, Mother Nature, has just handed him a bruising, backhanded blow—straight to the breadbasket. What with a war in Korea, rearming against the Russians, and otherwise packing around a goodly share of this planet's woes, Uncle's difficulties would seem sufficient, but no; a virulent, killing wheat blight has been added. This disease could easily impair our ability to rearm, wage war, and aid our allies—simply by turning our wheat surplus into a shortage.

Washington

It could be serious for you and me, too. Especially if we're addicted to that expensive habit—eating. Less wheat would mean higher meat and bread costs. The rust could hardly have chosen a worse time to strike. Our winter wheat crop was a dismal failure, falling almost 100 million bushels below our 10-year average. This at a time when our international commitments for shipment of the world's leading food-grain are at an all-time high.

The blight is strictly a freak of Old Mother Nature. Spores of a rust known to plant scientists as Race 15 crossed naturally with rusts on this continent, to produce a plant frankenstein.

Most varieties of wheat are immune to the original rust, but the hybrid rust, known as Race 15b, is the most virulent ever known on the North American continent. Plant scientists at the Beltsville, Md., Agricultural Experimental Station, leading the fight against it, say that they do not know of a single variety of commercially grown wheat which is immune to the disease.

RACE 15b was first isolated over a decade ago in Pennsylvania. However, it did not damage until last year when it ravaged through 17 wheat producing states—the Dakotas, Minnesota, Colorado, Illinois, Iowa, Kansas, Michigan, Missouri, Montana, Nebraska, Ohio, Oklahoma, Pennsylvania, Texas, Wisconsin and Wyoming.

More than 10 million bushels of late durum wheat were ruined—just a small sample of what the rust can do if it continues to spread. Plant scientists are working against time to produce varieties which are immune to the killer.

Coming in connection with the failure of our winter wheat crop, the new rust casts an ominous cloud over our food prospects. Normally, America's winter wheat crop is close to 800 million bushels. This year, disease, drought and insect pests reduced it by at least an estimated 100 million bushels.

America's wheat needs are estimated at about 1,100 million bushels a year—which includes 800 million bushels for our use and about 300 million for export. We are committed to supply about 250 million bushels under the International Wheat Agreement.

The winter wheat crop is by far the larger. Agriculture department experts estimate our spring crop at about 300 million bushels. However, all estimates go out of the window if the new rust becomes virulent. (The rust attacks only spring wheat.)

TESTIFYING before a congressional committee recently, Dr. R. M. Salter, chief of the Bureau of Plant Industry, Soils and Agricultural Engineering, Department of Agriculture, told lawmakers that if the rust really got started it "could pretty nearly finish" the spring crop.

Scientific progress in developing an immune variety is encouraging. Wheat imported from Kenya, Africa, seems to be immune to the disease. Discouragingly, it isn't very Kenya, Africa, good wheat by our standards. Plant scientists are crossbreeding it with other varieties, seeking to improve its quality while retaining its hardiness.

The work will take about three more years before the wheat is ready to be distributed. Experiments with the grain must be carried through about 15 or 16 generations. The scientists are now working with the seventh generation of the African wheat.

In the meantime, Agriculture department experts have some advice for farmers. Eradicate all barley bushes on your premises and try to bring wheat to the earliest possible maturity, they say. The rust attacks late-ripening wheat with far more severity than early-ripening grain.

she encounters his two little girls, who disapprove of their new stepmother. She tries to get used to baffling Western ways, with highly humorous adventures stemming from the attempt.

The film features a notable supporting cast headed by William Demarest as a grumpy neighbor, Andy Devine as MacMurry's foreman, Gigi Perreau and Natalie Wood as the two children and Philip Ober as a New York friend of the bride, George Marshall directed, with Lou Breslow and Doris Anderson writing the screenplay from the novel by Kay Swift. The latter has also authored two songs which are heard in the motion picture, as sung by Miss Dunne. They are "Once You Find Your Gals" and "The Man with the Big Feet Hat." Another composition by Swift, "Sagebrush Lullaby" is also introduced.

About 67 million tons of scrap will be required to keep U.S. steel furnaces going in 1951 to meet military and civilian demands. Much of this scrap must be salvaged from farms and ranches. Farmers and ranchers are, therefore, urged to get into the drive salvaging and marketing their metal scrap.

New York is the largest manufacturing state in the country.

Try and Stop Me

By BENNETT CERF

LILLIAN RUSSELL, when she was reigning star of the musical-comedy stage, was guest of honor at a banquet in London's Savoy Hotel. At her left was an honest-to-goodness Rhodesian chief, who soon gave every evidence of having succumbed to Miss Russell's charms. At the banquet's end he bowed almost to the floor and in the best, clipped, Oxfordian accent exclaimed, "Miss Russell, had Heaven only made you black and fat, you would be irresistible."

On the TV program "Who Said That?" Norman Thomas recalled a pungent quip of Bernard Shaw's that all the cosmopolitan obits overlooked: "If it's true that the other planets are inhabited, then the earth must be their lunatic asylum."

On its way to the Kentucky Derby a spirited horse neighed to his companion, "I'm mighty tired of hearing how such and such a horse won a big race by a nose. If I find myself reaching the finish first at Churchill Downs on Saturday, I'm going to turn around and BACK ACROSS."

YOU'RE TELLING ME!

Art Cinders
 (From Artesia Hi Beacon)
SENIOR HIGH
 The Junior High cinder flippers their season with a record first, one third, and one fourth. They scored a total of 70 points.
 Freddie "The Flash" Sanders, scored up to my prediction as a track star personally scored of the teams' 97 points.
 The Fox Relays, Sanders had a total of 157 points in his hoster. He tied for first in the pole vault, Coach Hall tossed a coin for first place ribbon for Sanders. He took second in the 100-yard dash, third in the 100-yard dash, and was anchor on the 440-yard relay team. He finished second. There were 14 other schools entered.
SENIOR RECORDS

110-yard dash, Sanders, second, 11.5.
 Pole Vault, Sanders tie for first, 9 feet 10 inches.
 High jump, Sanders, third 5 feet 4 inches.
 Broad jump, Sanders, third, 18 feet.
 440-yard relay, Don Lewis, Johnny Riddle, Ernest Gomfrey, Sanders, second, 50.2 seconds.
 In the Hobbs meet on April 21, the team came in third, Sanders scoring 20 points.
 In the district meet, Artesia's Junior High team swept the whole tourney, scoring 52 points. Sanders scored 19 points, being high point man for the whole district meet, surpassing even Fred Mahafey's total. Sanders placed first in the pole vault, first in the 50-yard dash, first in the 100-yard dash, and second in the high jump.
 Next year Sanders is going to monopolize Artesia High School track, and will prove a sensation all over the state, being just a ninth grader next year.

Junior lettermen are: Freddie Sanders, Don Lewis, John Riddle, Ernest Gomfrey, Herman Florez, Wayne Westerman is the manager.
 Returning lettermen are: James Baker, Bill Brown, Doyle Cole, W. L. Gray, Clarence Lamb, Charles Tom McCaw, James Briscoe, Clarence Connor, Kirk McCarter, and A. L. Terpening.

lie Nelms, Gene Parnell, Howard Price, Gayle Richardson, James Sanders. Ninth graders receiving numerals will be Loren Gelwick, Roy Johnson, John McPhaul, and Lenton Woodside. Managers are Leon Darst and John Green.
I OFFER MY CONGRATULATIONS TO THE 1950-51 ARTESIA JUNIOR-SENIOR HIGH TRACK TEAMS.

(Mrs. Earl Smith)
 Mr. and Mrs. Eg Jackson, Sr., Mr. and Mrs. Boyd North, and Rev. and Mrs. E. J. Hollis all of Loco Hills and Mr. and Mrs. Daniel Reed of Maljamar attended the Workers Conference for the Baptist churches held at the Hillcrest Baptist Church at Carlsbad Tuesday, May 15.
 Mr. and Mrs. Lee Foster and Rev. and Mrs. C. A. Clark attended the Methodist Church conference meeting held in Silver City last week.
 Mr. and Mrs. Pat Ranspot have moved from the Worth Drilling Company lease to Crane, Texas, where Ranspot is tool pusher for the same company.
 Mrs. Clara Brown of San Angelo, Texas, arrived Monday to visit her niece, Mrs. Andy Melton and family in the Woolley Camp.
 Mr. and Mrs. W. R. McClendon and children Donna and Ronnie spent the week end in Eunice visiting Mrs. McClendon's brother, Loren Bowen and family.
 Mr. and Mrs. J. W. Beech of Artesia, former residents, stopped to visit friends, Mr. and Mrs. Grover Pratt, Mr. and Mrs. Beech were on their way to McKinney to visit Beech's brother who is ill.
 Mr. and Mrs. Tom Ed Howard and children spent Saturday of last week in Carlsbad.
 Mr. and Mrs. Morris L. Blase and baby of Texas City, Texas, arrived

Sunday to visit Blase's parents, Mr. and Mrs. Leroy Blase in the General Frontier Camp.
 Mr. and Mrs. Charles Rogers entertained friends, Mr. and Mrs. Charles Virtrees and daughter, Judy of Roswell, last week.
 Mr. and Mrs. Tinker Douglas and daughter, Barbara and Maxine of West Plains, Mo., have moved into the Carper Oil Camp. Mrs. Douglas is a sister of Mrs. Olen Ashland of Maljamar.
 Mr. and Mrs. Melvin Williams and daughters, Tonya and Ditri of El Paso visited Williams' parents, Mr. and Mrs. Charlie Williams last week end.
 Mr. and Mrs. Jim Lazenby and children, Jimmie and Marie Ellen of Carlsbad were guests Sunday in the home of Mr. and Mrs. Jack Phillips.
 Mr. and Mrs. Oscar Doughty and children of Maljamar visited Doughty's brother, Morris Doughty and family.
 Glenn Booker spent three days last week in Dallas, on business.
 Mr. and Mrs. Ed Jackson, Jr., and son, Eddie have moved from the Woolley house to the Glenn Booker Camp.
 Mrs. Arthur Smith of Durant, Okla., spent several days here recently visiting her daughter, Mrs. Hubb Collier and family.
 Guests last week end in the home of Mr. and Mrs. Dewey Hall were their son, Jim Hall and family, and Mrs. Betty Nell Greer and

her daughter, Citty, and Mrs. Greer's mother-in-law, Mrs. Bessie Greer all of Deming City.
 Mr. and Mrs. N. G. Barton spent last week end in Roswell visiting Barton's nephew, Leroy Carpenter and Mrs. Carpenter.
 Mr. and Mrs. Carl Rothrock spent Sunday in Monument visiting Mr. and Mrs. Mutt Stewart.
 The canasta party given Friday evening of last week at a benefit fund for the Community Club was well attended. The party was held at the Scout hut.
 Mr. and Mrs. Tinker Douglas and daughters went through the Carlsbad Caverns on Sunday.
 Mrs. Geary East and daughters, Jeanette, Gloria, and Shirley spent last week end in Artesia as guests of Mr. and Mrs. Clifton Stone.
 Mr. and Mrs. Jack Case and son, Jack Jr., of Loco Hills, and Mr. and Mrs. Bill Case and son, Tony of Artesia spent Sunday afternoon at Lake McMillan.
 Rayford Starkey entertained a group of young people with a party Friday evening of last week at the home of his parents, Mr. and Mrs. Jim Starkey.
 Rev. E. J. Hollis of the First Baptist Church announced that the annual vacation Bible school will begin Monday, May 28 and will run through June 6.
 Mrs. O. C. Rogers will be hostess for the monthly Sunday school women's social at her home in the Franklin Camp this afternoon.
 The officers and teachers of the First Baptist Church will hold a covered-dish supper and business meeting Thursday, May 31.
 Mr. and Mrs. Tom Ed Howard and sons went to Monahans, Texas, last week end to visit Howard's parents, Mr. and Mrs. Tom Howard. Little Tommy took down with the measles and Mrs. Howard and the boys had to remain there for a week.
 Lawrence E. Moore of the Navy visited last week end here with his sister, Mrs. Jack Case and Mr. Case enroute back to San Diego, Calif. He has had a 17-day leave and has been in Wewoka, Okla., visiting his parents, Mr. and Mrs. George E. Cooper. He has been overseas in Japan and near Korea on an aircraft carrier and has been transferred to a destroyer. He has served 10 years in the Navy.
 Pvt. Jack Ward who has been

stationed at Stewart Air Force Base at Nashville, Tenn., arrived home Saturday of last week to visit his parents, Mr. and Mrs. Asa Ward and son, Rex, and his sister, Mrs. Donald Hyder. Private Ward is attached to the 314th Maintenance Squadron aero repair, and has been in the service four and a half months.
 Guests last week end in the home of Mr. and Mrs. Jack Phillips were Mrs. Phillips' mother, Mrs. Ida Seale, her brothers, Allen Seale and Mrs. Seale, and L. G. Seale, and her niece, Mrs. Ernest Brown and family all of Amarillo. Members of the Assembly of God Church are reminded that their annual summer vacation Bible school will be held at the church in Artesia starting Monday May 28th and lasting two weeks.
 Glen Plemons' son of Mr. and Mrs. Jack Plemons was presented with a medal award which reads "Honor student" in Artesia High School auditorium Friday afternoon of last week. He is a sixth grade student at junior high. Glen ran in the Artesia grade school boys annual track tournament Thursday and Friday afternoon of last week winning three first place blue ribbons and one second place red ribbon.

Tularosa Girl Wins Scholarship At Aggie College

Eula Evelyn Mar, senior at Tularosa High School, has been awarded the New Mexico A. & M. College Student Commission scholarship for 1951-52. Stanley Bilberry of Portales High School, was named as alternate.
 Miss Marr was chosen on the basis of her fine scholastic record, leadership, and participation in a wide field of extracurricular activities.

She held class offices, was officer in the National Honor Society, the dramatic club, the band and Future Homemakers of America. Miss Marr was a reporter for the school paper and was editor of the school annual.
 In her junior year, Miss Marr received the highest grades.
 Did you know... that the best way to store a rubber sheet is to sprinkle it with talcum powder and roll it around a cardboard tube? This will keep the rubber from sticking.

PICK A DODGE "Job-Rated" PICK-UP

Prize winner ON EVERY COUNT!

ONLY Dodge Trucks offer glyrol Fluid Drive!

Before you buy any pick-up, let us give you a demonstration in a Dodge with Fluid Drive! You'll discover driving ease, convenience, load protection, and safety offered by no other pick-up.

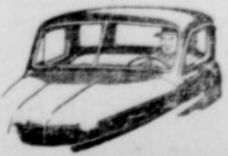

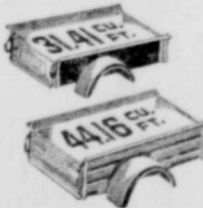

Only Dodge has it! This Dodge exclusive—available on 1/2-, 3/4-, and 1-ton "Job-Rated" trucks—saves wear and tear on more than 80 vital parts. It reduces repairs... lengthens truck life. It makes driving easier... protects your load. It helps avoid wheel-spinning... increases tire mileage.

***FIRST in Load Space!**

Haul more payload with a Dodge 1/2-ton pick-up. Take your choice of a low-side body with 31.41 cu.-ft. capacity or an optional high-side body with 44.16 cu.-ft. capacity—more load space than any other popular pick-up of comparable wheelbase. These trucks also have lower loading heights to save work, time.

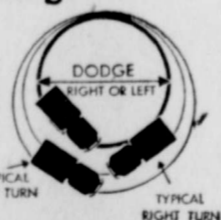

WINNER in Visibility!

Drive in safety—with the biggest windshield of any popular make! Enjoy wide, clear, forward vision through an area of more than 900 square inches. You'll get a good close-up of the road—with the new, lower hood line. You'll have excellent side- and rear-visibility, too!

CHAMP in Easy Handling!

It's a cinch to maneuver, park, and drive these pick-ups in traffic! They turn sharper than comparable trucks—because Dodge gives you cross-steering, wide front tread, and short wheelbase. They steer easier, too, thanks to the worm-and-roller steering gears and a new, more comfortable steering wheel angle. Try 'em and see!

TOPS in Plus Features!

Only Dodge gives you all these extra-value features: Revolutionary new "Oriflow" shock absorbers for matchless riding comfort on any road. Four-ring pistons with chrome-plated top ring for dependability and economy. Exhaust valve seat inserts to reduce valve grinding. Moistureproof ignition. Wide running boards for safe footing. 45-ampere generator. Independent hand brake. Two fuel filters. Heavy-duty radiator.

Come in Today

FOR THE RIGHT DEAL AT THE RIGHT PRICE! EASY TERMS!

Congratulations
 CLASS OF '51

YOU'RE SITTING ON TOP O' THE WORLD!

... And you should be sitting up there, for after four years of books, parties, football games and sodas, you are ready to walk down the aisle and receive the diploma which gives you a leash on a new era in your life.

The Irby Drug Store has watched a few of you through our freshman, sophomore, junior and senior years and will miss those students who go to college or try life in "the big city." But, whichever way you choose, the best of luck to you and remember to drop in and see us the next time you pass by.

Wherever you go, may happiness and success be there awaiting you.

May we add a footnote to your diploma? The very best of good luck to each of you.

ARTESIA AUTO COMPANY

"Your Friendly Ford Dealer"

Wilbur Shaw thinks so much of this new Chrysler, he has selected it as Pace Car for the 1951 Indianapolis 500-mile race.

WILBUR SHAW, AMERICA'S MOST FAMOUS DRIVER, DRIVES NEW 1951 CHRYSLER—REPORTS TO YOU ON REVOLUTIONARY FIREPOWER ENGINE AND HYDRAGUIDE POWER STEERING

Here are Wilbur Shaw's reactions—in his own words—as taken down by a recording machine in the car:

"The '51 Chrysler has it! With this new engine and power steering, the first on any U.S. car, it's a whale of an automobile."
"I'm completely bowled over by the ease of steering!"
"This steering combined with the automatic trans-

mission . . . is the nearest thing to an automatic pilot for a car I can possibly imagine."
"This engine . . . I can't get over the amount of power and snap in this engine . . . it's incredible!"
"I drove 111 miles with the feeling I had expended no more effort than in driving around the block."
"When Mrs. Shaw drove, her comments just about squared with mine. Here's what she thinks of the 1951 Chrysler . . ."

Mrs. Shaw: "At first I could hardly believe the ease with which I could turn the wheel. That's important . . . especially in the summertime."
"Often after I have parked a car in the average parking space, I feel I should taxi home, shower and get dressed again. But with Hydraguide Power Steering I parked it with one hand. It practically drives itself."
Wilbur Shaw: "It's hard to describe this new Chrysler without going off the deep end . . . it has it in every department."
"In fact, I think so much of this car, I've selected it as Pace Car of the 1951 Indianapolis 500-mile race!" (Mr. Shaw's comments are reprinted through the courtesy of Popular Science Magazine.)
*Mr. Shaw refers of course to standard passenger cars—not racing cars or special models.

Shaw inspects FirePower, the greatest new engine in 27 years.

Smartly styled Chrysler convertible to pace Indianapolis 500-mile race.

Hagerman News

A large crowd of friends and relatives attended the commencement exercises of the class of 1951 of the Hagerman High School.

The processional was played by the school orchestra and after the class had taken their places the invocation was given by Rev. H. E. Russell, pastor of the Church of the Nazarene.

Estrel Marshall gave the salutatory which was followed by a vocal solo by Connie Gibson, "If I Could Tell You" by Firestone. Shirley Newsom was accompanist. Louise Pilley gave the valedictory.

The commencement address was ably given by Dr. Martin L. Cole academic dean of history, Eastern New Mexico University, Portales.

The awards were presented by Ramon Welborn, superintendent of the Hagerman schools. Louise Pilley, received a scholarship to the University of New Mexico and a medal for being valedictorian. Estrel Marshall was given a scholarship to Eastern New Mexico University and a medal for being salutatorian and Connie Gibson received the Love Memorial award for scholarship and citizenship.

The diplomas were then presented by H. A. Kiper to Lindell An-

draws, Ellen Brady, Connie Gibson, Neal King, Estrel Marshall, Weidon McLain, Louise Pilley, Jack Price, Joan Smith Cavett, Donna June Hampton, Rosella Sperling, Charlene Troubfield, Willard Watson, and Bruce White.

The Reverend Ramsey, pastor of the First Presbyterian Church of Hagerman pronounced the benediction which was followed by the processional played by the orchestra.

Hagerman friends were shocked by the sudden death of Miss Laus Wallace who passed away Friday evening at Saint Mary's Hospital.

Miss Wallace, who was a teacher of the second grade in the Hagerman school had complained of a headache Saturday but had completed her work and had later gone shopping with a small girl who suggested they get a hamburger before going home. She became ill at the cafe and was rushed to Dexter where she was put under an oxygen being taken to the hospital. Death came several hours later.

Miss Wallace had taught here for several years and was an efficient and popular teacher. She was a faithful worker in the Baptist Church and will be greatly missed by her many friends.

Mr. Milton Greer, a recent bride

was honoree at a party on Thursday afternoon at the home of Mrs. Ernest Greer. The hostesses were Mrs. Ernest Greer, Mrs. Edward Greer and Mrs. Lloyd Harshey, Sr.

A variety of spring flowers decorated the rooms. The table was covered with a hand crocheted cloth. Mrs. Edith West, Mrs. Jim Langenegger and Mrs. T. L. Derrick presided at the punch bowl during the afternoon. Cake topped with tiny white roses, mints, nuts, and punch were served to the large number who were present.

Mr. and Mrs. Lester Hinrichsen, Rev. G. H. Woolf and son Charles Woolf left Wednesday to attend the annual conference of the Methodist Church which was held at Silver City.

Mr. and Mrs. Amos Hampton and

Mrs. June Cavett motored to Alamogordo this week to bring little Claudette Hampton home for vacation. Claudette has been attending the School for the Blind and has made good progress in the kindergarten where she is learning to read braille.

Mr. and Mrs. Gerald Smith and Junior visited Mr. and Mrs. Preston Dority at Pecos this week.

The Junior Class enjoyed an outing at Sitting Bull Falls, Friday. The sponsor, Mr. Gillespie accompanied the class.

Mr. and Mrs. Milton Greer spent the week end visiting friends at Portales.

Navy Wants 100 Women Ensigns

Women of Artesia and of other towns in the eighth naval district are sought as volunteers for the United States Navy which is seeking 100 women to become officers.

This contingent will fill active duty naval reserve quotas during the coming year.

The Navy's first active duty program for women reserve officers offers commissions as Wave Ensigns to those who can qualify.

Selectees will be ordered to one of two eight-week classes scheduled in October 1951, and in April 1952. A quota for fifty for each

class has been established for indoctrination at the Naval School, General Line, Newport, R. I.

Applicants must be between 21 and 27 years old, be a graduate from an accredited college or university with a baccalaureate degree, and meet other physical and mental requirements, the Navy said.

Details on active duty applications are available at offices of Naval Procurement in New Orleans and in Dallas.

Cauliflower belongs in Group III of the basic seven food groups. It contributes small amounts of calcium, phosphorus, iron, vitamin A, thiamin, riboflavin, niacin and vitamin C to the diet.

Farming has moved up from fourth to third place as the most dangerous way of making a living. About 55 of every 100,000 workers engaged in agriculture are killed accidentally every year. Only

the construction industry, mining and quarrying had higher occupational death rates.

Picture of a Young Man enjoying FRYERS from SAFEWAY

Watch a youngster (age 6 to 60) bite into a piece of fried Safeway chicken. The happy expression that comes to his face is ample proof of the wonderful flavor of these select fryers. It's flavor that is grown in the bird through special feeding which produces tender, sweet meat. This goodness is carefully safeguarded by means of rigid quality control to bring the chicken to you at its very best. Each bird is completely cleaned and dressed—ready for the pan.

Memo to Mom—They're a good buy this week at

59c a pound
