Officers re-elected

By MARSHALL STINNETT
Journal writer

The Muleshoe Economic Development Council met briefly and re-elected the present officers for the coming year, Tuesday, October 27. Those members re-elected were Wanda Hooten, president; Max King, vice-president; and Pat Angeley, secretary treasurer.

Other members of the board are Mark Morton and Jose Sanchez.

Court rejects bids

By MARSHALL STINNETT
Journal writer

The Bailey County Commissioner's Court rejected bids on both the sale of an old motor grader as well as the purchase of a new motor grader for precinct one at a meeting Wednesday, October 28. The motion to reject the bids was made by precinct one commissioner Jack Dunham. The Court will re-bid the graders at a later date.

The Commissioner's voted the pay the last of the fiscal year 2001-02 bills and made the final budget adjustment of the same year so the books could be closed.

The Court had a brief executive session but took no action.

City noted in brochure

By MARSHALL STINNETT
Journal writer

Janet Claborn, Muleshoe Economic Director, learned Friday that Muleshoe's Economic Development Council will be one of five cities in Texas featured in the Texas Development Sales Tax Association (TEDSTA) 2003 legislative brochure.

"Since Muleshoe has a great story to tell, we have decided to include Muleshoe as one of the five case study cities," said Amy Spiro in an e-mail to Claborn.

Just last month the Texas Economic Development Council awarded Muleshoe's Economic Development program a plaque for having the best economic development program in the small city category statewide.

Child struck by pickup

By MARSHALL STINNETT
Journal writer

A 6 year old Muleshoe boy, Jose Quintanilla, was struck by a pickup driven by 22 year old Casie Morgan Height while the child was trick or treating at 6:30 Halloween night.

According to the accident report, Height was driving a 1996 Dodge Dakota pickup traveling north in the 300 block of East Dallas. Quintanilla was bent over in the middle of the road. The pickup struck Quintanilla knocking him about 7 feet. The pickup left approximately a 12-foot skid mark on the wet pavement.

Quintanilla was transported to Muleshoe Area Medical Center and later transferred to Lubbock's Covenant Children's Hospital. He was dismissed on November 2.

Weir wins week nine contest

By LEAH BELL
Journal writer

Only five games separated three contestants from perfect entries in the *Journal's* week nine football contest. Choosing a winner this week came down to who followed directions.

Debbie Weir filled in the time and date of her entry, making her the \$25 first place winner this week.

Second and third place winners were more dif-

ficult to determine. Although all three of the top positions missed the same number of games, both Claire Brown and Harold Pollard failed to completely fill in their entry blanks, knocking them out of first place contention.

In the end, Brown was awarded the \$15 second place money, leaving Pollard with the \$10 third place prize.

Pollard's tiebreaker guess of 55 was closer to

the actual combined score of 59 in the Miami versus Rutgers

tiebreaker game, but he didn't fill in either the time or date of his entry. Brown's 44 point guess was further away from the actual tiebreaker score, but she did fill in the date of her entry. In this instance, it came down to the decision of the judges, who sided

Successful Migrant Education Programs honored

SPECIAL TO THE JOURNAL

The Muleshoe Independent School District has been recognized by the Texas Education Agency (TEA) for successfully educating its migrant students.

TEA's Division of Migrant Education has selected Muleshoe ISD as a winner of the 2002 Excelling District Award given to school districts and campuses that had high TAAS passing rates among their migrant students. Statewide, 111 school districts and 280 campuses are receiving this recognition.

The purpose of this award is to recognize school districts and campuses that strive to meet the unique needs of migrant children and their families and that help migrant students meet high academic standards. There are an estimated 132,000 migrant students in Texas.

The 30 school districts receiving the Exceptional District Award had to attain a migrant student passing rate of at least 90 percent in reading, math, and writing portions of the Texas

Assessment of Academic Skills (TAAS) Test and have a 2000-2001 migrant student dropout rate of 1.0 percent or less, in addition to having an all student passing rate of 90 percent or greater in TAAS Social Studies. The 81 Excelling District Award recipients had to meet a standard of 80 percent in the same areas of TAAS and have a 2000-2001 migrant student dropout rate of 2.5 percent or less.

Faulty heater sets off alarm

By MARSHALL STINNETT
Journal writer

An alarm went off last Thursday morning in the Bailey County Jail complex. At first it was thought to be a fire alarm. Later it was determined to be the carbon monoxide alarm in Justice of the Peace Herman Morrison's office.

Atmos Gas (formerly Energas) was called. They had all the gas in the building turned off and the building evacuated. The inmates were all put in the exercise yard.

Staff employees discovered one of the heaters in the basement of the complex was leaking the carbon monoxide. The heater was turned off and the rest of the heating system was put back in operation. The faulty heater was repaired that afternoon.

Morrison brought the alarm with him when he retired from the Texaco distributorship. He said, "it's a good thing I did."

It was the second time in less than a week the jail had to be evacuated. Tuesday night, October 29, the building was evacuated when some of the jail personnel thought there might be an electrical fire in the building.

It was later determined the odor was coming from the heating system that had not been running for a long time.

with Brown.

Honored as the most missed game of the contest were two NFL games. Both New England's win over Buffalo and Houston's loss to Cincinnati dazed fifteen of the week's 24 contestants.

Other games giving contestants problems were UCLA at Washington, Western Michigan at Ball State and Villanova versus William and Mary. Also, Denver City at Seminole and Jacksonville at New York Giants.

Half of this week's winners were men, and 79 percent of week nine's entries missed seven games or more.

Players rounding out the top ten were: John Graves, 4th; Mandy Garner, 5th; William Orozco, 6th; Scott Brown, 7th; Shonda Black, 8th; Sue Bessire, 9th; and Travis Bessire, 10th.

Some other faithful play-

ers are their places were: James Buie, 13th; Phillip Gonzales, 15th; Veronica Gonzales, 17th; and Retha Tigue, 22nd. Last week's winner, Alan Harrison, came in 20th. Elisa Baca finished in last place.

LETTER TO THE EDITOR

Dear Editor,
I am writing in response to Mrs. McGonagill's letter, printed in your October 30 issue, in which she expressed her opposition to my earlier letter.

I was very disappointed that she viewed my opposition to Mrs. Cole's letter as an attempt to portray her as unpatriotic. I have no opposition to someone questioning our leaders. I just thought it absurd that she would say that Mr. Bush would send our troops into harms way just to improve our economic situation. That is my opinion! Am I not entitled to express it as well?

Mrs. McGonagill could not figure out why anyone would need to fix our military after two Democratic terms. Let's take a look at some of the conditions during the Clinton/Gore years. The Department of Defense faced budget "shortfalls" (cutbacks) of almost \$100 billion a year. More of our aircraft became "hanger queens" — stripped to provide spare parts to keep other planes operational. Ships that were due to be deployed had to remain in port because there was not enough money to pay for fuel. Those ships that did deploy often did so without a full crew complement.

During the Kosovo conflict our military found it might not have enough cruise missiles and other precision guided munitions to finish the campaign. Some military personnel were forced to resort to food stamps to feed their families. Frank J. Gaffney, president of the Center for Security Policy, pointed out that the "Army"

training schools turned out graduates that had not been properly prepared for their mission because of a lack of funds for hands-on practice in their specialties. The services also had a hard time retaining some of their best personnel.

A poll taken of outgoing military personnel pointed out a serious fall in morale during the Clinton/Gore years caused by:

1. inability to train as they would fight
2. frustration with being asked to perform open-ended constabulary missions
3. failure of their superiors to object to the social experimentation and "gender-norming" to which they were unnecessarily being subjected, and the failure of their superiors to tell the truth about the toll these programs took on morale

All of this led to two-out-of-ten combat divisions losing their battle ready status.

How did they perform so well? Well let us never forget that America won it's independence with an army that was often shoeless and ragged. America's armies have always learned to dig in and fight no matter what the odds. If they have performed well it must be because of their tenacity and resiliency to overcome any obstacle—foreign or domestic. They took care of us, now it is time for us to take care of them. This will not be cheap, but thanks to two terms of neglect by Clinton/Gore, it is necessary!

Mrs. McGonagill called my characterization of Clinton and the "tax and spend" democrats as laughable. Well, let's see. Was it

not Clinton and the democrats that added two new tax brackets for couples? Was it not Clinton/Gore that gave us the "Gore tax" on our telephone bill? Was it not Clinton and the democrats that wanted to restore food stamps for illegal immigrants? Was it not Clinton who proposed \$10 trillion in new federal spending along with 81 new tax increases in his 1999 budget? Was it not Clinton and the democrats that called a Republican proposal to initiate a 10 year freeze in spending "unrealistic" and then proposed to "limit" themselves to the rate of inflation? According to testimony in 2000 by Congressional Budget Office Director Daniel Crippen, if spending continues to increase at the rate of inflation for 10 years, budget and social security surpluses would have been severely reduced. All of this with no war on terror to fund, no 911 to limit consumer confidence, and with no tax cut to blame it on. I would say that to label Clinton and the democrats as "tax and spend" is far from laughable. I'd say it was right on!

Finally, to blame trickle down economics for the rash of corporate greed that has plagued our country recently is just plain silly. Some people are greedy and those who would cheat and steal don't really care who is in office. This must be especially true since most of the cheating and stealing was done under the Clinton watch. By the way, Mrs. McGonagill, what do you think was responsible for the tremendous economic growth experienced over the last few years? Can you

name one single policy that Clinton and the democrats were responsible for passing, that lead to the tremendous economic success that our country experienced? Can you name one time when Clinton and the democrats made it easy for individuals and business to create wealth? Can you name one time any laws that Clinton and the democrats passed eased unfair regulations on business and individuals? Can you name any such policy they championed that was not forced on them by Republicans? Has it not been the testimony of many experts that our economic success was the result of policies passed during the Reagan years? Was it not then that business and individuals were not allowed the freedoms to expand and to create wealth? For all that democrats and liberals have done to demonize the Reagan years, they sure had no problem taking credit for the success that was the result of those years. If you doubt my

arguments, all you have to do is look at the economic reforms the Japanese, and, more recently, the European Union, have implemented to sustain and continue economic growth. They mirror in almost every detail the reforms our nation undertook under the Reagan years.

I was encouraged to see that Mrs. McGonagill proposed a tax cut as a means to help jump start our economy. I am glad she agrees that it is

people spending money that will ensure America's continued economic growth and not "government investment" of OUR hard earned money.

Are we better off now than we were two years ago? Well the fact that we have Bush to help us plan for our future and get through these rough times (and not Gore or Clinton) tells me we are!

White Team Mules raid Pirates

By DELTON WILHITE
Journal sportswriter

The White Team Mules sank the Lubbock Cooper Pirates in Benny Douglas Stadium 20-6. The Mules jumped on top early and then allowed the Pirates to pull even in the first period.

The Mules dominated the game from the second quarter until the final horn sounded. The Mules kicked to begin the game and Dominique Herrera dropped the Pirate punt returner on his 33 allowing only a two-yard return.

Henry Ruiz's two tackles halted the Pirates first drive after a gain of 12-yards on the first play of the game.

The Mules first possession began on Cooper's 41. Andy Perez carried the Mules to paydirt on back to back plays of 20 and 21-yards to give the Mules a 6-0 advantage.

The Pirates answered before the first period ended with a 62-yard burst down the Cooper sideline to even the game at 6-6. With Colt Ellis at the throttle, the Mules marched 62-yards on seven plays to retake the lead.

Perez got the call from 11-yards out to put the Mules on top to stay. The TD gave the Mules a 12-6 margin that they would continue to build on later in the game.

The Pirates were able to drive to the Mule 37 before the first half expired.

Julio Bustillos and Ruiz made key stops in the Pirate's drive prior to half.

Jordan Saylor returned the Pirate kickoff 15-yards to the Cooper 40 to open the second half. The Mule drive stalled on the Pirate 25. A holding penalty backed the Pirates up 10 yards. Bustillos and Travis Thompson held Cooper to a one-yard gain.

A Ruiz tackle cost the Pirates six more yards and left them facing fourth and 25 on their own 10. Ruiz again invaded the Pirate backfield for a 5-yard loss to set the Mules up on the Cooper 5.

A holding penalty was charged to the Mules which backed them up to the Cooper 15. With strong blocking called for on a reverse, the Mules ran the play to

perfection. Perez took the pitch from Ellis and handed to Ruiz as the two met behind the Mule blockers.

Ruiz scampered 15-yards to the end zone and Carlos Saenz carried in for the two-point conversion to seal the game for the Mules. Diego DelToro covered a Pirate miscue near midfield to end the Pirate's final drive.

The White Team's current record is 4-3.

The team is composed of a majority of seventh grade players and a sprinkling of eighth graders. Most of their opposition this year has had a large contingent of eighth graders.

The Mules' final opponent of the season was Plainview Estacado. They met Monday afternoon in Benny Douglas Stadium.

Cross country teams race in mud

By DELTON WILHITE
Journal sportswriter

Conditions were less than favorable for the Region I Cross-country meet held Saturday, November 2, in Mae Simmons Park in Lubbock. Class 3-A girls ran at noon and the boys followed at 12:30.

Mud flaps should have been required apparel as the trail the runners followed was very wet, sloppy and slick. Gradee Adrian was the first Lady Mule to complete the two-mile course.

Adrian didn't seem to mind the conditions as

she trimmed five seconds from her district meet time to finish 76th with a time of 14:20. Lindsey Wood was 88th, recording a time of 14:28.

Brandi Wood followed in 91st place with a time of 14:31. Mindy Locker was 94th with a 14:33 and Jessica Withrow placed 97th in a time of 14:34. Eva Pylant was 119th with a 14:56 and Hillary Tipps was 125th, recording a time of 15:02.

The Lady Mules team score of 377 placed them 14th out of 23 teams that competed. There were a total of 168 runners in the

competition.

Two Mules competed as individuals with Fedrico Arzola completing the three-mile course in 19:58 to place 116. Eric Villa trimmed almost a minute from his district time to finish 143rd with a time of 20:55.

"Conditions today were extremely tough and our kids had to deal with adversity beyond their control today," said Muleshoe cross-country coach Cary Sudduth. "They left it all on a very sloppy track today. I am very proud of those that competed for us today."

Seventh grade Mules plunder Pirates

By DELTON WILHITE
Journal sportswriter

With a heavy mist falling on a soggy Benny Douglas field, the undefeated seventh grade Mule defense held the Lubbock Cooper Pirates scoreless. The Mule offense put 14 unanswered points on the score board in the second period to bury the Pirates 14-0.

A wet football is difficult to hang on to and the Mules fumbled on their first offensive play to set the Pirates up on the Mule 24. Lubbock Cooper gained a first-down on the Mule 14 with a six-yard counter play.

The Mules refused to budge on four plays and re-

gained possession on their own 16. Richard Rojas moved to a wide receiver and Francisco Ramirez was named to the tailback position.

Garrett Riley and Ramirez followed the blocking of the Mule line and marched 83-yards on 11-plays. Riley scored on a two-yard plunge up the middle to put the Mules in front 6-0 early in the second period.

Daniel Mendoza stopped the Pirate kickoff return on the Cooper 37. The Mules forced the Pirates to go three and out with Juan Salcido, Ramirez and Patrick Precure making key stops to hold the Pirates short of a first down.

The Pirate punt rolled dead on the Mule 36 and Riley advanced the Mules to the 49. From the Shotgun formation, Riley hooked up with Rojas on a route down the Mule sideline at the Cooper 26.

Rojas rambled on to paydirt for a 51-yard pass and run. Ramirez added the two-point conversion to complete the night's scoring before the first half ended. Neither team could find the end zone in the second half.

The Mules travel to Slaton to tangle with the Tigers Thursday night to complete their first season. A victory would cinch these young Mules their first district title.

Cooper haunted by eighth grade Mules' win

By DELTON WILHITE
Journal sportswriter

The eighth grade Mules scuttled the Pirates of Lubbock Cooper 30-14 in a battle of the undefeated on Halloween night in Benny Douglas Stadium.

The Pirates squibbed the opening kick to the Mule 38. Tony Guzman took a pitch from D.J. Robertson around left end 62-yards with only 17 ticks off the clock. Guzman also picked up the two-point conversion to put the Mules on top 8-0.

Mike Cantano kicked off for the Mules and Jason Mendoza raced down field to stop the Pirates on their 30. Cooper tried to strike back quickly through the air but Martin Rodriquez picked off the pass at the 40 and returned it to the Cooper 31.

The Mules could not cash in but the defense forced the Pirates to go three and out. A high snap over the Pirate punter's head gave the Mules another scoring opportunity from the Cooper 14.

The Mules converted the opportunity with Guzman leaping in from the one. Robertson hit Dustin Barker on a slant over the middle for the two-point conversion that pushed the Mule lead to 16-0.

The Pirates struck back before the end of the first period with a 60-yard TD run to cut the Mule lead to 16-6. Kendall Johnson covered the ensuing Pirate squib kick on the Mule 43.

The Mules answered quickly with Guzman racing 44-yards down the Pirate sideline. Robertson connected with Barker for the two-point conversion to push the Mule lead to 24-6 early in the second period.

The Pirates added their final points of the night on a 34-yard counter with a little over three minutes left in the first half. Cooper added the two-point conversion to trail the Mules 24-14 at intermission.

Cooper started their first drive of the second half on their own 17. The Pirates drove to the Mule

12 before the Mule defense began to push them back.

Francisco Ramirez and T.J. Brantley pushed the Pirates back a yard. Mendoza sniffed out the Pirate play and set them back another three yards.

Facing a fourth and 19 from the Mule 21, the Pirates attempted a pass. Guzman applied the pres-

sure for the Mules and the ball fell to the turf.

Guzman then took a pitch wide left from Robertson 78-yards to ice the game for the Mules.

The Mules travel to Slaton on Thursday to try to wrap up their second undefeated season. A victory would lock-in a second District Championship for the Mules.

Team work

Students participating in the West Texas Boosting, Engineering, Science and Technology competition were (back row from left) Robby Martin, Tobin Redwine, Monse Melendez, Dustin Bartlett, Tanner Gartin, Kelli Harris, Shawndee Nichols, (second row) Sergio Cuevas, Kolby Wilderson, Katy Loudder, Brittany Brakebill, Michelle Puckett, Kayla Parham, Cody Meiwes, Roper Smith; (kneeling) Shannah Black, Bethenie Sanchez, Kera Lewandowski, Michelle Scott, Miriam Hernandez, Suzanne Aragon and Debbie Weir coach and science teacher.

The 2002 Lazbuddie Robotics Team went to Lubbock for the area West Texas Boosting, Engineering, Science and Technology (BEST) competition on Saturday October 26. Twenty three teams from 1A-5A junior high and high school teams participated.

Lazbuddie won second place BEST team and will be advancing to the state and national competition at Texas A&M University to be held November 22 and 23. They will be competing against 60 teams from seven states.

Only thirteen of the 23 teams qualified for the BEST contest. The BEST award is based on documentation submitted in a three-inch binder filled with engineering concepts

about the design and building of the robot. Brain storming approaches, considerations of offensive and defensive strategies, and pictures describing the process are included in the notebook. A display table shows community and school outreach and involvement. An oral presentation is given to judges about the engineering process, community and school involvement, sportsmanship, and uses of technology. Students involved in the oral presentation included: Tobin Redwine, Robby Martin, Shonnah Black, Kelli Harris, Bethenie Sanchez, Kayla Parham, Kyler Steinbock and Logan Mason.

The four teams advancing to the national competition are: South Plains Christian

Home Educators Association, first place BEST team; Lazbuddie High School, second place BEST team; Mackenzie Jr. High, first place Game; and Estacado High School, second place Game.

Team members are: Suzanne Aragon, Dustin Bartlett, Shonnah Black, Brittany Brakebill, Sergio Cuevas, Tanner Gartin, Kelli Harris, Miriam Hernandez, Kera Lewandowski, Katy Loudder, Robby Martin, Monse Melendez, Cody Meiwes, Shawndee Nichols, Kayla Parham, Michelle Puckett, Tobin Redwine, Bethenie Sanchez, Michelle Scott, Roper Smith, Kolby Wilkerson, and coach Debbie Weir.

342 **Facts About The BIBLE** BY JOHN LEHTI

This is a dramatized version of facts taken from the Book of Genesis intending to show some of the customs of these ancient and traditional times

ABRAM IN EGYPT
 ABRAM HAS ACCEPTED THE GIFTS OF PHARAOH, AND NOW, PHARAOH HAS SENT HIS MESSENGER TO ABRAM, ASKING THAT SARAI, HIS BEAUTIFUL "SISTER", BE BROUGHT TO PHARAOH'S PALACE....

...HAVING ACCEPTED PHARAOH'S GIFTS, ABRAM CAN NOT REFUSE THIS ROYAL REQUEST....

ALL THAT I HAVE FEARED HAS COME TO PASS!

...AND SO, WITH A FORLORN HEART, ABRAM WATCHES HIS WIFE, KNOWN TO PHARAOH AS HIS "SISTER", LEAVE....

...AND GREAT SORROW EXISTS IN THE TENTS OF ABRAM....

BEHOLD, O PHARAOH - LIVE FOREVER, THE BEAUTIFUL WOMAN FROM THE EAST HAS ARRIVED!

LET JOY AND SONG REIGN IN MY HOUSE, FOR THIS IS A HAPPY DAY!

...WHILE THERE IS MUCH REJOICING IN PHARAOH'S ROYAL COURT....

JOHN LEHTI

Kimbrough. This week, Gladys Wilson was visited by her daughters, Cathy Wilson, Marieta Thomas and Dianne Brown. She was also visited by son, Stanley Wilson.

The Cross of Christ Is the Symbol of Life and Hope

Picture, if you will, a young man, a very decent sort, but a young fellow who wants to assert his individuality a bit, along with his right to dress as he wishes. He pokes good-natured fun at his stodgy ol' dad, a businessman who regularly boards airplanes and flies to meetings with scads of other guys who just like him. You know the uniform: white shirt, dark suit, conservative tie. Whole covets of seemingly cookie-cutter-created business-folk wear it down jetways every day.

Focus On Faith
Curtis Shelburne

from the chain, nestled in a lawn of mostly gray chest hair, a small golden replica of an institutional operating table with a miniscule IV full of poison hanging above it.

Or picture this: In churches all over the world, at the focal points of the sanctuaries, and on the front of pulpits and the ends of pews and around the necks of clergymen, are little golden hangmen's knots. (Unless you're in France where, maybe, on the tops of their communion trays are little gilded guillotines.)

Funny pictures, huh? But, when you think about it, what's different about the crosses that actually do adorn all the places I've mentioned and many more?

The cross, before Christ, was just an instrument of execution.

It was not beautiful jewelry. It was not a symbol of holiness pointing to God.

It held no message of hope; it's wordless message spoke loudly only of death.

But after the very Son of God himself died on a cross, everything changed. He "baptized" that symbol of death in his own blood.

Yes, on crosses thousands of people had died. And on crosses thousands still do, but they die, with Christ, to be born to new life.

Because of the cross of Christ, where all of our sin and guilt was nailed and killed and carried away, we're given power to die to sin and self and to be made alive to God, and we can say, with Paul that it's "in the cross of Christ, I glory" (Galatians 6:14), for in that now-beautiful symbol is our hope.

Curtis Shelburne is minister of the 16th & D Church of Christ in Muleshoe.

Gordon honored for 30 years of service

JOURNAL STAFF REPORT

First United Bank is proud to recognize Mary Ann Gordon for 30 years of dedicated service to the bank and it's customers.

Mary Ann married Phillip Gordon of Sudan in 1967. The couple made their home in Sudan.

She began working for the First National Bank of Sudan in the bookkeeping depart-

ment in November of 1972. She moved to the teller line in 1975 and later to operations. In the mid 1980's, Mary Ann worked in the loan department and was promoted to cashier in 1992. She was promoted to Cashier and Vice President in 1996 and in July 2000 when the bank sold to First United Bank, she was promoted to Operations Officer. Cur-

rently, she serves as the Operations Officer and is the department-head for deposits.

In addition to her work at the bank, Mary Ann has been very active in the community, serving on the Sudan elementary school site-based committee, numerous city functions and charitable organizations. She and Phillip are members of the First

Baptist Church of Sudan.

First United Bank is proud to have Mary Ann Gordon as a member of their team and pleased to recognize her for 30 years of dedicated quality service.

Customers, family and friends are invited to join us at a reception in her honor on Nov. 14 at the First United Bank building in Sudan from 9:00 a.m. till 3:00 p.m.

HOROSCOPES

NOVEMBER 10-16 For entertainment purposes only

SCORPIO - Oct 24/Nov 22
This week, follow logic instead of those around you. It's a good idea to double-check all outgoing work, especially if there are figures involved.

SAGITTARIUS- Nov 23/Dec 21
Despite your natural instinct for leadership, encourage others to think for themselves this week. Your powerful mind needs a challenge — refuse to compromise, and you'll earn greater respect.

CAPRICORN - Dec 22/Jan 20
Concentration may be a problem for you this week, so vary your schedule to stay alert. Forces beyond your control may appear to keep a loved one away, but a gift will help get things back on track.

AQUARIUS - Jan 21/Feb 18
In matters of the heart, act quickly — spontaneity is your greatest asset. Share your prosperous good fortune with a close friend. Feel free to go ahead with the next step in your plan.

PISCES - Feb 19/March 20
Having a clear conscience erases doubts and opens you up to all the good that's headed your way. You'll be ready to decide between two relationships by the end of the week.

ARIES - March 21/April 20
This is the week to pull back and take a gander at the big picture, Aries. As expected, all is as it should be. If you have a problem, speak up — it will help you to work through it.

TAURUS - April 21/May 21
Don't negotiate in love — hold out for what you want. Meet tough challenges with demands of your own. Your bold, Tauran stance will intrigue the higher-ups.

GEMINI- May 22/June 21
Careless mistakes can endanger the whole plan this week, Gemini, so check and double-check before you make a move. There's nothing you can't do when pressed.

CANCER - June 22/July 22
Don't look back, Cancer. A fixed focus on the future keeps you from falling back into bad habits and old mental patterns. Someone far away loves you, but can't quite say it.

LEO - July 23/August 23
A true master of your own jungle, you will conquer a "no-win" situation this week. Avoid giving in to outside pressures or cover up for someone who doesn't do his or her share.

VIRGO - Aug 24/Sept 22
A favor you do for a close friend will not be forgotten. Now's the time to say what's on your mind, Virgo, because you may never get another chance.

LIBRA - Sept 23/Oct 23
Surprises are bound to happen this week no matter how closely you stick to the schedule. It's easy to get along with even the most difficult associates, as long as you tread carefully.

Mules to playoffs again?

By DELTON WILHITE
Journal sportswriter

As the Mules enter their final game of the regular season playoff hopes abound on this team. The Mules bounced back after a disappointing loss to Dimmitt to virtually eliminate the Lubbock Cooper Pirates from playoff contention.

"We must stay focused on Slaton this week and not look past them," said Mule coach David Wood. "Even though Slaton is currently 0-31, they have some skilled people and were tied with Cooper until late in the fourth quarter. They are not a bad football team."

"They run the veer and their quarterback, Isaac Escabedo, makes them go. They use some strange formations and we must not allow them to get a quick score and build their confidence."

Wood continued, "Defensively they remind us of Dimmitt in that they are very quick and swarm to the ball. There are holes in your defense when you play that way and we need to exploit some of those holes. We plan

to pound away at them and hope to break something loose."

The Mules must win to have any hopes of a playoff berth. It would take victories by Dimmitt over Cooper and Littlefield over Brownfield to eliminate the Mules.

If Brownfield and Cooper win then the Mules would be the top seeded small school in the district. If Littlefield and Cooper were to win then the Mules would be the number two seeded small school.

Borger will be the large school representing District 1-3A and Canyon and Perryton face each other for the district championship as well their seeding in the small school division.

If the Mules were to draw Perryton the game is scheduled for Dick Bevins Stadium in Amarillo Friday November 15 at five p.m. Were the Mules to face Canyon the game would be played at 7:30 p.m. in Plainview.

"We really do not care who we face in the playoffs as long as we get to play," emphasized Wood.

Mules take the Pirates of Lubbock Cooper hostage Friday night

Landon Sheets runs for yardage against Cooper

Journal photo: Mike Hahn

By DELTON WILHITE
Journal sportswriter

The Mules faced their first of two must win games when the Lubbock Cooper Pirates sailed into Benny Douglas Stadium last Friday night. Adversity has become a constant companion to this Mule team and the week prior to the game with the Pirates was no different.

Muleshoe coach David Wood said after the game, "We overcame adversity. We came out as a unit. We played as a unit. We won as a unit. There are no freshman and no seniors on this team — they are playing because they love the game. It is all for one and one for all."

The highlights for the week were that seven seniors remained to lead the team and Landon Sheets returned to the lineup. All 23 Mules played as if they had one heartbeat and had an answer for almost everything the Pirates could throw at them.

The Mules shoved the Pirates overboard and sank almost all hopes for Cooper to reach the post season as the Mules blasted the Pirates 27-6.

The Mules carried a 7-0 lead into intermission.

A.J. Flores capped a 12-play 75-yard drive with a three-yard pitch wide right and Miguel Nunez added the PAT. The Pirates tried an on-side kick to begin the third period but Glen Scott snagged the ball and returned it two yards to the Mule 47.

Sheets faked a pitch and reversed his field to advance to the Pirate eight. Flores picked up the final eight yards on the Hammer play to put the Mules on top 13-0 with 11:19 remaining in the third period.

"We are down to just seven seniors on this team and I really appreciate the other seniors on this team," said senior running back A.J. Flores. "They have really stepped it up this week and I have never seen better team leadership."

Before we left the dressing room tonight the underclassman all said they wanted to win tonight for the seniors. We found out who wanted to play football this week — we have people that want to play now. We are good to go!" said an excited Flores.

The Pirates' only tally came on a 43-yard run off tackle by Bradley Madison.

Brady Black and Luis Sanchez put tremendous pressure on the kicker as Cooper's

PAT was low and wide of the mark to leave the Pirates trailing 13-6.

Danny Bonilla returned the ensuing kick ten yards to the Mule 32. The Mules drove to the Pirate 21 before a procedure penalty set them back five yards. They lost 4 yards on the next play to leave them facing a third and 19 on the Pirate 30.

After carrying out a fake pitch, Sheets lofted a perfect strike to Juan Carlos Reyes at the fifteen who was running a slant pattern across the middle. Reyes rolled into the end zone untouched to push the Mules lead to 20-6.

Sheets picked off a desperation Shawn Stults pass at mid-field and returned to the Pirate 30. Flores picked up the final 17 yards and M. Nunez tackled on the final point for the Mules.

"We wanted make three things happen tonight in the first half," said Wood. "First was run the clock, second score quickly and third we wanted to establish our defense. We did not want to be worn out starting the second half and we wanted to plant doubt in their minds. Mission accomplished tonight," Wood concluded.

As a team, the Mules gained 289-total yards with Flores carrying 22 times for 119 yards. Sheets gained 112 on 16 attempts. The Mules completed two of three passes for 35 yards.

The Mule offensive line was a force to reckon with Friday night. A grade of 65-70 percent is very good for an offensive lineman. Miguel Castorena led the Mule line with an 88 percent grade and eight pancake blocks.

Ryan Marricle graded out at 85 percent with eight pancake blocks. He completed more five-yard passes than both quarterbacks. Abraham Baeza sprained an ankle and was replaced for a series but graded 72 percent with four pancakes. Juan Nunez replaced Baeza and graded 72 percent with two pancakes.

Luis Sanchez graded 86 percent with nine pancakes and had three five-yard blocks.

Scott, playing as a starter in his first varsity game, graded 52 percent and made two big plays on special teams. Daniel Campolla, a receiver, recorded three down-field chop blocks.

The Mule defense not only contained the Pirates, but also stopped them from scoring four times from inside the

Mule 35. Defensive linemen Danny Bonilla recorded 10 tackles and two fourth down stops. Bryan King, also playing on the defensive line for the first time this season, had 11 tackles and two fourth down stops.

Joel Cowart, J. Nunez and Kori Atwood, all playing linebacker positions, recorded seven, 10 and four tackles re-

spectively. Corner backs Reyes and Brady Black had seven and eight tackles and broke up three passes each.

Black also had a fourth down stop. Sheets had 13 tackles and two fourth down stops from his safety position.

The Mules travel to Slaton this Friday to take on the Tigers in the team's final regular season game.

Elizabeth Blaine, Jerry Gleason exchange vows in Houston

Elizabeth Rotan Blaine and Jerry Lionel Gleason were married October 19 at Saint John The Divine Episcopal Church in Houston, Texas. The Reverend Helen Appleberg and the bride's mother, the Reverend Carol M. Blaine, officiated.

The bride is the daughter of Reverend Carol M. Blaine of Marlin and the late Robert M. Blaine, Jr.

The brothers of the bride, Tom Blaine and Will Blaine, gave her away.

The bridegroom is the son of the Dr. and Mrs. Jerry D. Gleason of Levelland, formerly of Muleshoe.

Serving as matron of honor was Kimberly K. Stine of Houston. Bridesmaids were Catherine White of Philadelphia, Pa., Jacinda Watson of The Woodlands, sister of the groom; Shane Blaine, sister-in-law of the bride, of Houston; Suzann Still of Spring, Texas; and Joann Rose of Mt. Airy, Maryland.

Jeffery S. Montgomery of Houston served as best man. Groomsmen were Jay Lance Gleason of Lubbock, brother of the groom; Dr. Jim Gleason of Levelland, brother of the groom; Tom Blaine and Will Blaine, both of Houston and

Mrs. Jerry Lionel Gleason

brothers of the bride; and Don Watson of The Woodlands, brother-in-law of the groom. Ushers were David Bellinger, Jay Lance Gleason, Dr. Jim Gleason, Tom Blaine,

Will Blaine, Jeffery Montgomery and Don Watson.

Immediately following the ceremony a reception was held at the historic Majestic Metro in downtown Houston.

The bride is a 1984 graduate of Robert E. Lee High School in Houston. She graduated from Roanoke College in Salam, Va. in 1988 with a bachelor of arts in psychology. She earned an

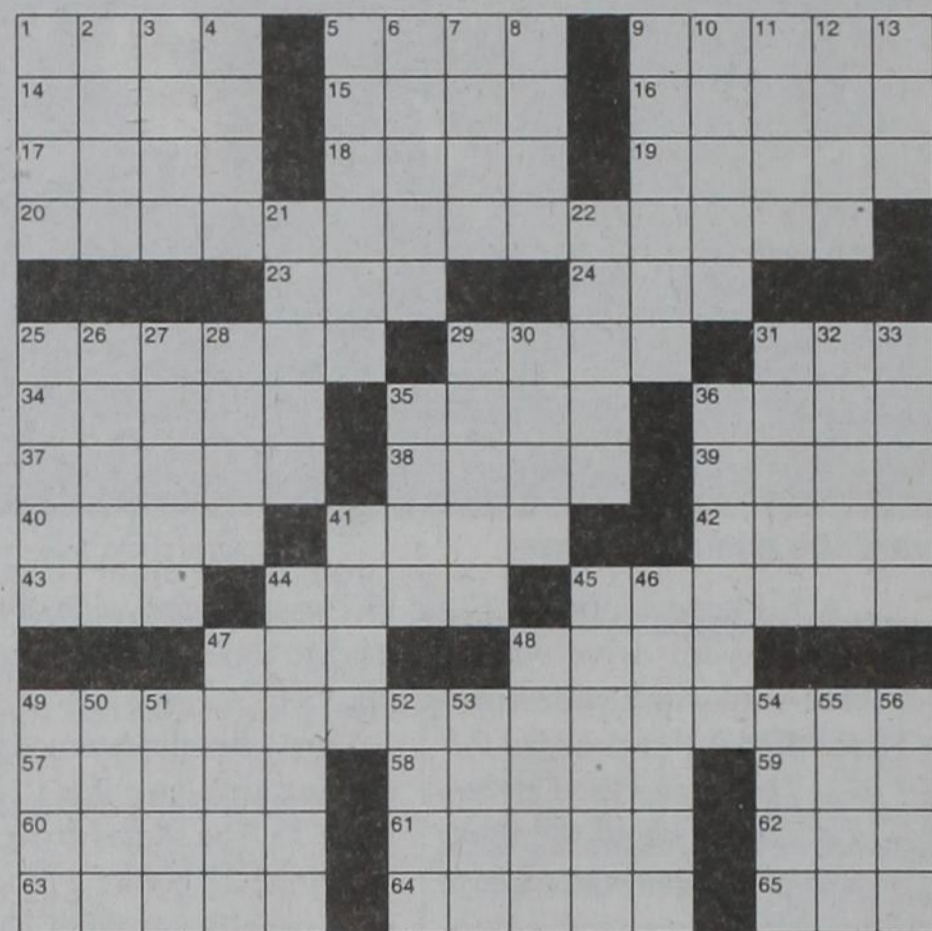

associate's degree in nursing from Houston Community College in 1998 and is currently employed as a registered nurse in labor and delivery at Memorial Hermann Hospital in Houston.

The groom is a 1985 graduate of Muleshoe High School. He attended Texas Tech University, Texas A&M University and the University of Houston. He

earned a bachelors of science in nursing from the University of Texas Health Science Center in Houston in 1998. He is currently employed as a registered nurse in Cardiology at Memorial Hermann Hospital in Houston.

After a honeymoon to California, Australia and the Great Barrier Reef, the couple live in Houston.
