

City passes budget with no tax increases

By MARTHA TOLES FROST
City Editor

Read their lips. "No new taxes." The Muleshoe City Council Tuesday adopted the budget for fiscal year 1995-96. There will be no rate, fee or tax increases for the calendar year beginning Oct. 1, 1995 and

ending Sept. 30, 1996.

The city tax rate has been set at \$0.6637 cents for each one hundred dollars valuation of property.

The budget expense proposal for 1995-96 is \$1,534,439 with estimated revenues of \$1,529,659.

Expenses for 1994-95 were estimated at \$1,479,800. Actual expenses last year were \$1,487,307. The estimated revenues last year were \$1,514,786, but actual revenues were only \$1,501,761.

A budget amendment corrected the shortfall that resulted

from the purchase of land east of town and \$70,000 worth of unforeseen repairs to the city's water reservoir.

According to State Comptroller John Sharp, Texas cities and 111 counties have seen a 5.5 percent increase in sales tax rebates compared to pay-

ments of one year ago.

But Sharp's records indicate that Muleshoe has seen an 18.54 percent increase in city sales and use tax compared to last year at this time.

The increase is partially due to new avenues of retail merchandising, such as Alco and

McDonalds, and to the re-opening of the Dinner Bell Restaurant, according to City Manager David Marr.

Marr also said that continued promotions of Muleshoe by Joe's Boot Shop have had a positive effect on revenues.

R.G. Wilson this week's contest winner

R.G. Wilson of Muleshoe is the winner in Week 2 (games of Sept. 9-11) of the Muleshoe Journal Power Points football contest.

Wilson scored 132 of 136 possible points to win the \$10 first prize, as well as a gift certificate from Leal's Restaurant.

Wilson ranked high among the statewide contestants in the competition for the \$1,000 weekly prize. But Ernest Akin of Quitman was the overall winner, garnering 136 total points with a perfect slate of predictions.

Wilson was incorrect on just two choices; Arizona-Philadelphia and Indianapolis-New York Jets. Both were low-point choices.

Second and third went to the tie breaker, with Francisco Torres and Donnie McDonald deadlocked at 128 points apiece. Both missed three low-point games.

But Torres earned second-place money of \$7.50 with his tie-breaker score of 49 in the Dallas-Denver game. The actual score totaled 52, leaving Torres with 3 three point differential.

McDonald guessed 40 total points would be scored in the Dallas-Denver and hung on for third place money of \$5.

Just out of the money in fourth place was Scott Brown of Muleshoe with 126.

Last week's winner, John Purdy of Muleshoe, finished with 122 points.

The Power Points contest brings a new twist to traditional pick-the-winner contests. Not only do contestants have to correctly pick the winners from the upcoming week's slate of games, they also must rank their winners according to their confidence level along a weighted point scale.

The points along the scale — 16 being the highest value and one being the least — add up to 136 points. The game you are "surest" of picking a winner in you play for 16 points. Your "next surest" winner goes on the 15-point line and so on down to the 1-point line, on which you would place your "least sure" projected winner. No point spreads are involved.

The contestant statewide with the most of those 136

Homecoming coronation highlights busy week

By LINDA MCGONAGILL
Staff Writer

Courting

Muleshoe High School Homecoming queen contestants for 1995 are (from left) Holly Hutton, Raquel Posadas, Chelsey Conklin, Michelle Williams and Cari Faver. The queen will be crowned at 7:30 p.m., just prior to the 8 p.m. kickoff of Friday's football game with Lubbock Cooper. MHS has conducted numerous activities this week as part of the homecoming celebration. A pep rally and bonfire is set tonight (Thursday) at 8.

Muleshoe High School students and teachers began activities on Monday to celebrate homecoming week by decorating classroom doors with a homecoming theme.

Cheerleaders sponsored a dress-up day called "Clash" dress day on Tuesday. Students dressed in gaudy and/or clashing colors, etc.,

Wednesday was "Twin Day," with students having a dress-alike partner. Friday will be "Dressed to Kill" day and MHS students will dress their Sunday best.

The student council is selling links of the Mules spirit chain for 10 cents a link. The name of the buyer will be written on the link. At the pep rally Friday afternoon, the chain will be stretched until it breaks, and the name on the link will win \$10. The class who has the most links on the chain wins the spirit contest.

MHS principal Al Bishop will wait until late Thursday to have voting on the homecoming queen. Thursday night at 8 p.m., there will be a bonfire and pep rally for the Mules.

Friday morning, judging for the best-decorated classroom door will be held and announced.

host a hamburger supper at the high school cafeteria.

The coronation of the homecoming queen will take place at 7:30 p.m. The Mules will host the Lubbock Cooper Pirates at 8 p.m.

Mules face critical test in Cooper

By RICK WHITE
Managing Editor

Muleshoe head coach Randy Adair has one thing on his mind this week as he steers his team toward the District 2-3A season.

"This is a big week," Adair said. "We don't need a wreck."

The Mules (0-2) host Lubbock Cooper (2-1) Friday night at 8 p.m. in their annual homecoming game.

Muleshoe rebounded last week from a lopsided loss to Portales (NM) in its season opener by nearly upsetting heavily favored Denver City on the road, losing 17-14 on a fourth-quarter field goal.

"We really need a win," Adair said. "I think it's critical. It'll give us a good chance to go into the district at 3-2 and give us some momentum."

Muleshoe needs to pick up the pace on offense after scoring just 20 points in two games. And it starts with generating a running game.

The Mules have rushed for 151 yards this season, 30 last week. They also are exploring ways to get the ball in the hands of senior split end Daniel Garbarino, their game-breaker. Look for him to be moved around in the Mules' one-back offense.

Lubbock Cooper is coming off a 29-6 loss to District 2-3A member Shallowater.

"It was a real messy, sloppy game because of the weather,"

Shooting ruled accidental

By LINDA MCGONAGILL
Staff writer

A 14-year-old Muleshoe youth is undergoing rehabilitation in Lubbock today after being seriously wounded in an accidental shooting at his home Sept. 10.

Matt Hale was taken to Lubbock by his parents to his grandmother's home in Lubbock where he will be staying for the next several weeks while working in rehabilitation therapy.

Matt underwent 4 1/2 hours of emergency surgery at Muleshoe Area Medical Center following the shooting. Bailey County Sheriff Jerry Hicks said the shooting had been ruled accidental, but de-

clined to release further information, saying he is prevented from releasing information concerning juveniles.

Matt and his brother Nicholas were handling guns at their home two miles northwest of Muleshoe when a 12-gauge shotgun discharged. The blast struck Matt in the lower back and buttocks and penetrated his abdomen.

Yvonne Hale, mother of the boys, was in the kitchen when she heard the shot. "The second I saw Matt, I was terrified. I put a sock in the hole to try and slow the bleeding — there wasn't time for anything else," she said.

Nicholas helped his mother get Matt to the car and called

911 to alert the hospital that his mom was bringing his brother in.

Yvonne estimated that it took less than ten minutes to get to MAMC and was amazed to find the hospital emergency room ready to take over.

The rapid action of the emergency room and surgical teams at MAMC probably saved Matt's life. The response time for the surgical team was about five minutes, said MAMC spokesperson, Kay Swint, from the time Matt arrive. She added that from the time Matt arrived at the hospital to the time he entered surgery was about 45 minutes.

Continued on page 11

Before leaving the MAMC on Monday, Matt Hale presented the nursing staff and doctors with a huge fruit basket in appreciation for all their care and treatment during his stay.

City
Continued from page 1

Other enterprises new to Muleshoe are Kuka's Cafe and the Muleplex production of an outdoor drama, "Keepers of the Legend."

"When people get to town, there are more places for them to eat," Marr said.

In addition to adopting the new budget, the City Council heard the proposals of three private citizens—Larry Kirk, Antonio Lemos Huerta and Kevin Smith.

• Kirk met with the Council to request an adjustment to his water bill for an apartment complex housing four families.

He complained that the water bill was 10 times the usual amount for an "undetermined reason." He said none of his tenants were unable to account for such an "excessive" water usage.

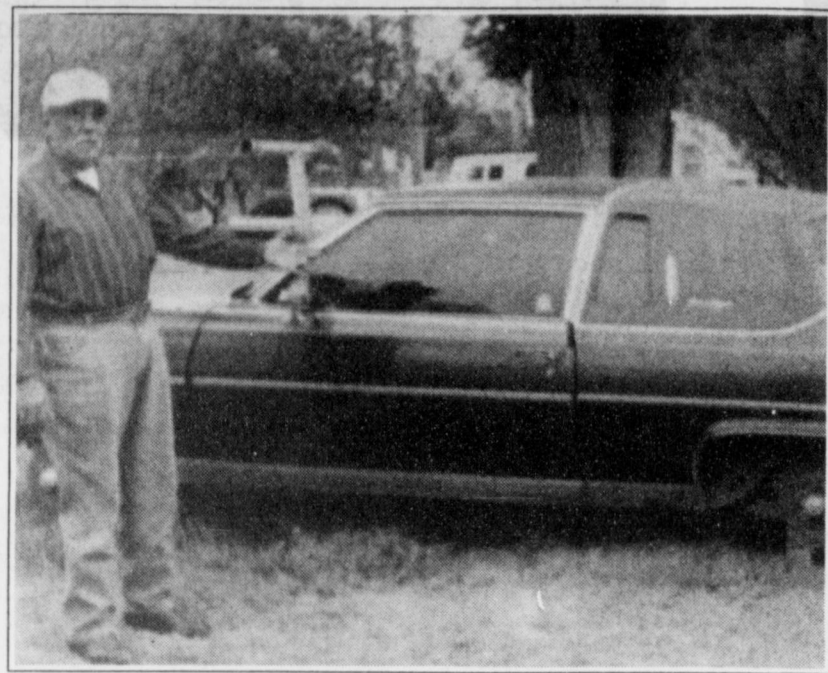

City employees had ascertained that the meter was running correctly, but Council members voted 3 to 1 to allow a "benefit of the doubt" refund of \$106.56, describing themselves as a "user friendly" Council.

Councilman Rex Harris said that as a business man with competitors, "I look for ways to keep customers. We don't have to act like we don't have any competition."

He said water meters can jump. They can fluctuate. "Can't we give him the benefit of the doubt? Surely we're not that cold."

Council members indicated that this should not be taken as a precedent, as water bill complaints are handled on a case-by-case basis on their own merit. This is the first to be unusual enough reach the Council itself, they said.

Marr said billing complaints

Journal Photo by Martha Toles Frost

Hardly junk

Antonio Lemos Huerta gestures toward the '82 Fleetwood Brougham Cadillac owned by his friend Manuel Daniel, who was cited for having a junk car within view of the street.

often are settled with a re-read and a rate reduction, if there is an excessive and unexplained jump in the meter reading. The city receives from five to 25 such re-read requests per month.

Mayor Robert Montgomery described the circumstance as "an unusual situation." He said, "You have to trust something, but we recognize that meters are mechanical and occasionally do malfunction."

Kirk responded to the Council's decision by saying he had discovered there is *not* a big "no" stenciled above the Council door.

His other request was denied, however. He wanted his tenants to be billed separately by the city for their sewage and garbage.

The city took no action on the matter, explaining that sewage and garbage bills are connected to the billing for water meters, and Kirk had only one water meter at the apartment complex.

Montgomery said, "Our policy does not allow for individual billing—a policy that

has been in force for 'eternity' and works well for us. There are limits to what we can do."

• Antonio Lemos Huerta, a former resident of Muleshoe, spoke to the Council on behalf of his longtime friend, Manuel Daniel, who had received a citation for having a junk car visible from the street.

Marr said the city is making a concerted effort to get people to remove the junk cars from view. He said 16 of them have been removed in the last month.

Huerta argued that Daniel's '82 Fleetwood Brougham Cadillac is "not a junk car" but is merely disabled by a faulty oil pump. Daniel, who is partially blind, purchased the vehicle recently for his daughter or granddaughter, Huerta told the Council.

"Can't you make an exception?" Huerta asked, explaining that Daniel is on a fixed income and cannot afford to fix the car, pay the registration and buy insurance all at once.

He asked the Council to explain the definition of a "junk car" and a "disabled car,"

Continued on page 8

Phone sale effective Sept. 30

The expected sale of telephone services from GTE to Five Area Telephone Cooperative will take effect Sept. 30, according to a GTE press release.

GTE currently services approximately 6,500 telephone lines in parts of seven counties in the South Plains which will now come under the direction of West Plains Telecommunications, a subsidiary of Five Area Telephone Cooperative.

West Plains Telecommunications/Five Area Telephone Cooperative, Inc. is locally owned and operated.

GTE's Texas Region President Kathy Harless said, "The impact on service will be virtually transparent to customers. All customer accounts will automatically transfer to the new companies. The same dial tone and telephone ring will continue to be heard."

According to Five Area manager, Hubert Kidd, the West Plains Telecommunications will be using AT&T long distance service as a base service. In a few months when new equipment has been installed, the customer can have the carrier of his choice. For the present, customers can call other companies if they wish to use a company other than AT&T for a long-distance calling card.

Customers should contact their long-distance carrier to obtain a long-distance credit card by Sept. 30 if they wish to continue using such a card. GTE calling cards will not be accepted after that date.

Kidd also expects customers to have access to features such as call waiting, call forwarding and other convenience items as early as February, 1996.

Bill payments can be made at the Five Area office here in Muleshoe or mailed as usual.

Internet accessibility, according to Kidd, is sometime in the near future—maybe

within the next year. "There are many things to be considered regarding the Internet, but with the new equipment and switches, the capability will be here," Kidd said.

West Plains Telecommunications/Five Area Telephone will be mailing more information to its customers around the first of the month.

BY MARILYN LENOX

Muleshoe LB has field day

Apparently, sophomore **Doug Field** is more comfortable on the outside looking in.

Field, moved from inside linebacker to outside linebacker after the Portales game, had eight tackles, a sack, a quarterback hurry and a one pass breakup Saturday.

"He looked real natural," head coach **Randy Adair** said, adding that Field might have been a little overwhelmed trying to read his keys on the inside.

Junior **Alfonso Mendoza** traded places with Field and had a strong game as well. Mendoza had 11 tackles and two quarterback hurries.

Field wasn't the only sophomore to play well on defense. Defensive end **Chris Shelburne** had five tackles and two quarterback hurries in his first varsity start.

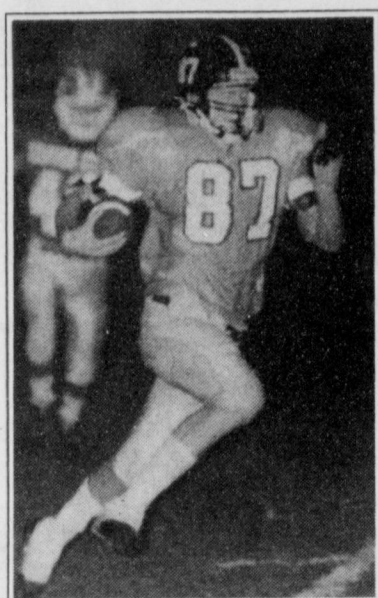

Double trouble

Daniel Garbarino is a man on the move.

Denver City double teamed Garbarino most of the game last week, so the Mule coaching staff plans to move the swift senior split end to different positions in the offensive formation in an effort to get him the ball more.

"I've never seen anybody outright double Daniel like that," Adair said. "Their game plan was to take him out of the game plan and make someone else step up and beat us. And no one stepped up."

Garbarino caught three passes for 35 yards against Denver City, including a

HOOFING IT— Daniel Garbarino turns the corner en route to a 78-yard kickoff return for a touchdown.

middle screen pass.

He's an animal

When Adair got talking about **Alfredo Gonzales**, and his competitive nature, he compared his senior quarterback to among other things: a rattlesnake, a water moccasin and a bass. "because when something crosses his path, he strikes."

Gonzales completed 8-of-16 passes for 106 yards and a touchdown against Denver City.

The swami

Trailing 14-7 at halftime, Adair told his team they were going return the second-half kickoff for a touchdown.

And they did.

Garbarino fielded the ball at his 22, cut across the field, picked up one final block from Gonzales near midfield, and

Mule notebook

Although Muleshoe lost three fumbles and had two illegal substitution penalties (15 yards) that aided both Denver City touchdown drives, Mules' head coach **Randy Adair** said "critical plays," or lack of them, was the difference Friday's 17-14 loss.

An example was Denver City's second score, a 28-yard touchdown pass on fourth-and-14 "Those kinds of plays are backbreakers," Adair said. "You can't give up a first down or a touchdown on fourth-and-14"

On the flip side, twice the Mules had screen passes set up perfectly, but blocking breakdowns turned potential long gains into short gains.

Senior quarterback **Alfredo Gonzales** (80) and senior cornerback **Daniel Garbarino** (92) graded out highest after the coaches reviewed the game films. The Mules have rushed for 151 yards in two games....**Jake Adair** is the leading rusher with 106 yards on 33 carries...Gonzales is 17-for-37 for 228 yards and two touchdowns and one interception...Garbarino leads the receivers with seven catches for 101 yards and one touchdown...Linebacker **Rodney Alanis** has a team-high 24 tacles (14 solo). ..The Mules have the second quarter blues, being outscored 37-7....They've allowed just 16 second-half points...District favorite Littlefield has scored 70 points in games, winning both its games by identical 35-14 margins...Shallowater has allowed a district low six points and Friona seven...Muleshoe has scored a district low 23 points.

raced untouched into the end zone.

"We have really good special teams," Adair said, adding that it wasn't just a motivational tactic. "It's something we work hard at. And I think we probably score a few more times (on special teams) this year."

Longhorns fall

Justin St. Clair completed 19-of-31 passes for 345 yards and three touchdowns but it wasn't enough as Midland Christian capitalized on five turnovers in a 30-point second quarter en route to a 43-22 win

over fifth-ranked Lazbuddie:

Josh Warren caught six passes for 104 yards and two touchdowns for Lazbuddie (1-1).

"They were just better than us at this time," Lazbuddie coach **Mark Scisson** said. "What hurt us is they're a very large six-man school and they just wore us down."

Continued on page 11

The Beat Goes On...
with **Rock & Roll on PBS**

"Good Golly Miss Molly!" Get ready to kick off those "Blue Suede Shoes" and "Do the Loco-Motion." It's time to **Rock & Roll**.

Rock & Roll is a 10-part series that traces the history of rock and roll music from its beginnings to the present. The focus is on the innovators: the people who changed the music and helped shape its future over four decades. Each hour of the series concentrates on a different turning point in the evolution of rock music. Two episodes will be paired nightly for five consecutive nights for a week of solid gold entertainment.

"**Renegades**" introduces viewers to the pioneers of rock. The series travels southern backroads to New Orleans, Memphis, and Nashville, then moves north to Chicago, interviewing Little Richard, Bo Diddley, Chuck Berry, Jerry Lee Lewis, pioneer disk jockey Hoss Allen, and producers Dave Bartholomew, Sam Phillips, and Phil and Marshall Chess.

"**In the Groove**" reports on the years between Elvis and the Beatles, when the hit single became an intricately crafted work of art and when producers, songwriters, and musicians produced studio magic.

"**Shakespeares in the Alley**" looks at the towering influences of Bob Dylan and the Beatles on rock & roll, and at the brief but influential flowering of "folk rock" in the mid-60s.

"**Respect**" chronicles the transformation of black gospel music into a defining sound for all Americans and traces soul music's role in the quest for African American equality in the 60's.

"**Crossroads**" traces the blues, another African American tradition that changed the sound of rock & roll. Also in this hour are the dawning of the guitar hero and the birth of heavy metal.

"**Blues in Technicolor**" takes viewers on a trip into the psychedelic rock world of the late 60s and early 70s. Using interviews with the Byrds, the Grateful Dead, Jefferson Airplane, and Pink Floyd, this hour shows how a bohemian folk culture based in San Francisco set off an explosion of musical experimentation, much of it drug-inspired.

"**The Wild Side**" tours through the rock & roll theatrics of the 70s, when performers like The Doors and David Bowie brought the decadent life of the underground into the limelight.

"**Make It Funky**" soul music stretches to create a rock and roll revolution in rhythm and attitude in the 70s.

"**Punk**" explores two late 70s musical innovations that shaped rock & roll through the next decade: punk and reggae.

"**The Perfect Beat**" begins at a time when megastars like Bruce Springsteen, U2, and Metallica filled arenas around the world, and moves on to chronicle the rise of a new musical form: rap.

Rock & Roll airs Sunday through Thursday, September 24th — 28th at 10:00 p.m. on KENW-TV.

MHS seniors to host homecoming pre-game supper

The Muleshoe High School senior class will be hosting the Homecoming pre-game supper at the high school cafeteria from 5 to 7 p.m.

The menu will include charcoaled hamburgers, potato chips, cobbler and drinks.

An adult meal is \$5 and children's meals are \$3.50.

Deliveries will be available from 5 to 6:30 p.m. by calling the Muleshoe High School Cafeteria at 272-4360 during those hours.

The seniors ask that you come out and give them your support by eating with them. "Then go watch the Cooper Pirates surrender to the Muleshoe Mules for Homecoming."

Muleshoe Heritage Foundation to hold membership drive

The Muleshoe Heritage Foundation extends an invitation to members and prospective members to join them for the 10th annual membership

The rain can hold off now, thank you

By Martha Toles Frost
City Editor

The area around Muleshoe has been splashed with rain, "close to two inches in the last two rains," according to Charles Moraw at the Muleshoe Co-op Gin—a gathering place and coffee spot for weather talk from all directions.

Moraw was told that Oklahoma Lane, north of Lariat, got three inches of rain Sunday night and that Clovis, N.M., was engulfed with two and a half inches in one hour.

No one really needs the rain right now, Morrow said. "The beans, cotton and corn will do better if it's hot and dry."

R.G. Bennett, who measures rain in Muleshoe for the National Weather Service, recorded 1.41 inches of rain in the last two weeks.

Sharon Dale at the Needmore Co-op Gin said they got .70 Friday night. And Chris Scott found an inch and a half in the gauge at their farm near Lazbuddie Monday morning.

Ernest Tucker at Maple Co-op Gin poured an inch and a half out of his gauge last week. He said that although the cotton crops are not in need of moisture right now, "It didn't hurt."

Bailey County Extension Agent Curtis Preston said that dryland farmers got sufficient moisture to plant their wheat and get it up.

"They needed this rain because of a 10-day hot spell." He said the .60 to one inch of rain has been enough to carry them along.

But the corn, cotton and hay farmers don't need the moisture, he explained. Some corn is begin harvested, although harvesting isn't heavy yet.

The rain hasn't hurt the corn crop, but the fields have been too muddy to get in and harvest.

Migrant Council Eligibility Guidelines

meeting at the Depot Monday, Sept. 25 at 7 p.m.

Work planned, expenditures and fund-raisers will be explained and discussed. New directors will be elected. The foundation welcomes all suggestions and ideas.

For more information, contact Robert Shafer, president, or Evelyn Peat, secretary.

Peer tutoring & Homework Hotline continues at MHS

Muleshoe High School an-

nounces the start of two new services for students.

Peer tutoring is available Tuesdays, Wednesdays, and Thursdays at the MHS library from 8 to 8:30 a.m.

Also, teacher and student volunteers will be answering the Homework Hotline (272-7571), on Mondays, Tuesdays, and Wednesdays from 6 to 7:30 p.m.

Assistant Principal David Jenkins explained that student volunteers from Peer Assistance Leadership (PAL), Student Council, National Honor

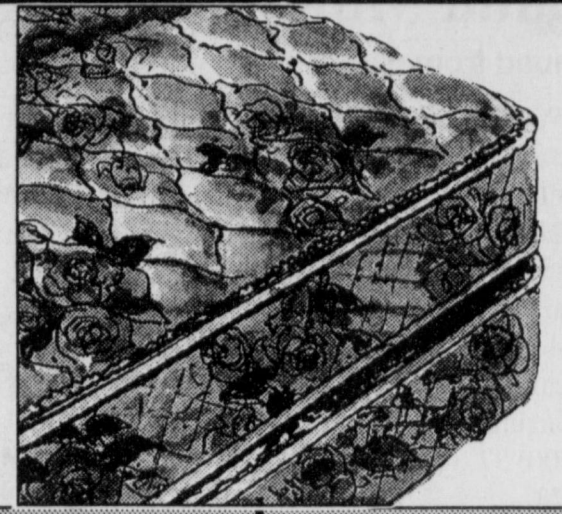

Society and other student organizations are participating in both programs, which will be monitored by teachers.

For more information, call 806-272-7571.

Breast cancer screenings slated for Sept. 21 & 28

Breast cancer screenings have been scheduled at Muleshoe South Plains Health Care Providers at 208 W. Second St. on Sept. 21 and 28.

Spirit Wind choir plans reunion

Several members of the Muleshoe community have participated in the United Methodist Northwest Spirit Wind Choir over the years.

This summer the 1996 Spirit Wind Choir will host a reunion weekend in Midland Friday, June 7 through Sunday, June 9.

The alumni will rehearse with the 1996 choir on Friday and Saturday and then will participate in the morning worship services on Sunday. A social event will be planned for Saturday evening.

The planners are trying to contact as many alumni as they can.

If you know of anyone in your church, a friend or family member who has been part of Spirit Wind, please send their address so they can receive all further communication about the weekend.

Please send information you

may have to Bert W. Bostic, St. Luke's Methodist Church, 3011 West Kansas, Midland, TX 79701. The fax number is (915) 694-9608.

Applications are available for handgun licenses

AUSTIN — Texans seeking concealed handgun licenses began the process this month.

The Department of Public Safety is distributing application request cards and registering gun ranges.

Application request cards are available at all regional, district and sub-district DPS offices.

The cards are free and may be picked up by individuals or by business owners for distribution to their customers.

Photocopying them for further dissemination is permissible on any type of card stock or plain paper.

Application request cards are not available from the DPS by mail, however.

Texans seeking permits should complete the request cards and sent the to Texas Department of Public Safety, CRS/Concealed Handgun Licensing Unit, P.O. Box 15888, Austin, TX 78761-5888.

Concealed handgun program instructors certified by

DPS are offering the 10- to 15-hour classes which applicants must take to become licensed.

Migrant Council announces free meal policy

The Texas Migrant Council, Inc. announces its policy to provide meals under the Child and Adult Care food program at no separate charge.

"People who are eligible to participate in the program must not be discriminated against because of race, color, national origin, sex, age, disability, religion, or political belief.

"If you think you have been discriminated against, you must write immediately to Director of Civil Rights, Texas Department of Human Services, M.C. E0609, 701 W. 51st St., Austin, TX or to the Secretary of Agriculture, Washington, D.C. 10150."

However, clients who feel they have been discriminated against based on religion or political beliefs may only contact the TDHS Civil Rights Department.

Clients who feel they have been discriminated against on the basis of national origin, age, sex, disability or color may contact either the United States Department of Agriculture (USDA) or TDHS.

The Muleshoe Texas Migrant Council is located at 101 E. Ave. B. For further information, call Center Director Frances Recio at (806) 272-7533.

Rain causes CFSA delay in measurement requests

Consolidated Farm Service Agency would like to apologize to any producer who has requested a measurement service on cotton, milo or corn.

Due to somewhat cloudy skies the past several weeks, our aerial compliance crews have been unable to fly their slides. They will process your requests as soon as the slides are received.

However, if you are ready to cut your corn please contact their office prior to the cutting and your crop will be measured using ground rather than aerial compliance.

IMPORTANT NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION AND FAIRNESS HEARING

IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF ALABAMA SOUTHERN DIVISION

Jack H. Woodward, et al. vs. NOR-AM Chemical Company
No. 94-0780-CB-C
U.S. WORKERS WITH ON-THE-JOB EXPOSURE TO FUNDAL®
and Their Spouses, Children, Other Relatives and Legal Representatives
and PRICE v. CIBA-GEIGY, Civ. No. 94-0647-CB-S (S.D. Ala. 1995),
SETTLEMENT CLASS MEMBERS

FUNDAL® WAS A COMMERCIAL AGRICULTURAL PESTICIDE WHICH WAS MARKETED IN THE U.S. BY NOR-AM CHEMICAL COMPANY. FUNDAL® WAS NOT MARKETED FOR RESIDENTIAL OR HOME GARDENING USE.

U.S. WORKERS WITH ON-THE-JOB EXPOSURE TO FUNDAL® MAY BE ELIGIBLE FOR FREE MEDICAL MONITORING AND/OR CASH PAYMENTS UNDER THIS PROPOSED LEGAL SETTLEMENT.

PRICE SETTLEMENT CLASS MEMBERS ARE ALL U.S. WORKERS WITH ON-THE-JOB EXPOSURE TO GALECRON® (INCLUDING GALECRON® AND FUNDAL®) WHO DID NOT EXCLUDE THEMSELVES FROM THE PRICE SETTLEMENT. PRICE SETTLEMENT CLASS MEMBERS MAY BE ELIGIBLE FOR CASH SUPPLEMENTS UNDER THIS PROPOSED LEGAL SETTLEMENT.

PLEASE READ THIS NOTICE CAREFULLY. YOU MAY BELONG TO A CLASS OF PEOPLE COVERED BY A PROPOSED SETTLEMENT OF A LEGAL ACTION ("WOODWARD SETTLEMENT"). THE WOODWARD SETTLEMENT MAY AFFECT YOUR LEGAL RIGHTS. FOR MORE INFORMATION CALL 1-800-211-6913

By Order of the Court, a class action has been conditionally certified for settlement purposes. On January 9, 1996, a fairness hearing will be held at the Courthouse, United States District Court, Southern District of Alabama, 113 St. Joseph Street, Mobile, Alabama, 36602, at 9 a.m. Central Time, so the Court can determine if the class action should be finally certified and if the Woodward Settlement, as summarized in this Notice, should be approved as fair, reasonable and adequate. Although participation in this settlement is voluntary, all Woodward Settlement Class Members who do not timely exclude themselves from the lawsuit will be bound by the Woodward Settlement if it is approved.

I. DEFINITION OF CLASS

Under the Woodward Settlement, Fundal® is defined as chlordimeform or any chlordimeform-containing product, either manufactured, formulated, packaged, distributed or sold by or on behalf of NOR-AM Chemical Company ("NOR-AM") or related parties, regardless of the trade name of the product; or any metabolite of Fundal®, including the substances known as 4-COT or 5-CAT. Galecron® has the same meaning as it did in the Price v. Ciba-Geigy Corp., Civ. No. 94-0647-CB-S (S.D. Ala. 1995), Settlement ("Price Settlement"), and is thus defined as chlordimeform or any chlordimeform-containing product, either manufactured, formulated, packaged, distributed or sold by or on behalf of Ciba-Geigy Corporation or related parties, regardless of the trade name of the product; or any metabolite of Galecron®, including the substances known as 4-COT or 5-CAT.

The Woodward Settlement Class is defined as:

- All persons who fall into one of the following categories, and who reside in the United States as of the date of filing of the Class Action Complaint, who have been exposed in the United States to Fundal® only, but not to Fundal® and Galecron® or to Galecron® only ("NOR-AM Exposed Persons"):
 - Formulators: An individual (whether or not employed by NOR-AM Chemical Company) who in the course of his or her employment was exposed to Fundal® while at a plant or site which was involved in mixing, blending, packaging, handling or otherwise formulating pesticides which contained, in whole or in part, Fundal®.
 - Applicators: An individual (whether or not employed by NOR-AM Chemical Company) who in the course of his or her employment, was exposed to Fundal® while involved in the application of pesticides which contained, in whole or in part, Fundal®, including, without limitation, aerial and land applicators, flagmen, mixers, blenders, loaders and other individuals who handled such pesticide prior to or during the application process; or
 - Other Covered Workers: (i) An individual employed by NOR-AM Chemical Company who, in the course of his or her employment, was exposed to Fundal® in a testing or research laboratory and who was exposed to Fundal® in the course of his or her employment; or
- The spouses, parents, children, other relatives, or legal representatives of the NOR-AM Exposed Persons described above.
- All members of the Price Settlement Class. The Price Settlement Class means all members of the settlement class certified by the court in Price v. Ciba-Geigy Corp., Civ. No. 94-0647-CB-S (S.D. Ala. 1995), excluding persons determined by the court to be opt-outs of that class. That settlement class thus includes persons residing in the United States who in the course of their employment were exposed to Galecron® or to Galecron® and Fundal® ("Ciba Exposed Persons"); and the spouses, parents, children, other relatives, or legal representatives of the Ciba Exposed Persons described above.

(Collectively "Woodward Settlement Class Members"). Note: If you are an NOR-AM Exposed Person or a Ciba Exposed Person, you are a Woodward Settlement Class Member whether or not you have been diagnosed with an illness. Spouses, parents, children, other relatives, and legal representatives are Woodward Settlement Class Members but the claims they are settling are limited to those arising from a NOR-AM Exposed Person or Ciba Exposed Person's exposure.

II. IMPORTANT MEDICAL NOTICE To NOR-AM Exposed Persons and Ciba Exposed Persons (as defined above):

You may have an increased risk of developing bladder cancer if you had on-the-job exposure to Fundal® and/or Galecron®. Workers exposed to Fundal® and/or Galecron® should participate in a medical monitoring program because early detection of bladder cancer can result in more effective treatment. If you had on-the-job exposure to Fundal® and/or Galecron®, it is recommended that you or your doctor call 1-800-211-6913 to learn how you can obtain further medical information or enroll in medical monitoring.

III. PROPOSED SETTLEMENT

The Woodward Settlement provides for the establishment by NOR-AM of two funds to provide medical benefits and compensation to eligible Woodward Settlement Class Members or their legal representatives. This settlement is intended, where applicable, to work as a complement to the Price Settlement.

The total package of benefits potentially available to a NOR-AM Exposed Person is the same as the total package of benefits potentially available to a Ciba Exposed Person. Thus, Woodward Settlement Class Members may be eligible for the same benefits whether they were occupationally exposed to Fundal® only, or to Fundal® and Galecron®, or to Galecron® only.

(1) The NOR-AM Medical Monitoring and Treatment Fund ("The NOR-AM MMT Fund"). If the Woodward Settlement is approved, NOR-AM will make an initial deposit of \$3,500,000 into the NOR-AM MMT Fund, and will thereafter make additional deposits on an as-needed basis. There is no limit to the amount of money NOR-AM can be required to contribute over the life of the NOR-AM MMT Fund, which will last a minimum of 20 years.

NOR-AM Exposed Persons will be entitled to participate in the NOR-AM medical monitoring and treatment program; Ciba Exposed Persons may receive medical monitoring and treatment benefits only through the Price Settlement. The NOR-AM medical monitoring and treatment program and the medical monitoring and treatment program provided through the Price Settlement are identical. The NOR-AM MMT Fund will pay for a medical monitoring program designed to detect at an early stage the form of bladder cancer alleged to be associated with exposure to Fundal®, specifically, primary urothelial carcinoma of the urinary collecting system, i.e., renal pelvis, ureter, bladder and urethra. The NOR-AM MMT Fund also will pay for all medically necessary treatment for NOR-AM Exposed Persons.

(2) The NOR-AM Disease Compensation and Administration Fund ("The NOR-AM DCA Fund"). If the Woodward Settlement is approved, NOR-AM will also make an initial deposit of \$21,000,000 into the NOR-AM DCA Fund, up to a maximum of \$30,000,000. The NOR-AM DCA Fund will make cash payments of up to \$625,500 on behalf of a NOR-AM Exposed Person who, after exposure to Fundal® only, has developed or in the future develops the form of bladder cancer alleged to be associated with Fundal®. In addition, the NOR-AM DCA Fund will make cash supplements amounting to 40% of the amounts scheduled for and paid as compensatory payments pursuant to the Price settlement, up to \$179,000, on behalf of a Ciba Exposed Person who, after exposure to Fundal® and Galecron® or to Galecron® only, has developed or in the future develops the form of bladder cancer alleged to be associated with Fundal® and Galecron®. The NOR-AM DCA Fund will also pay for administrative costs and class counsel's and administrative class counsel's attorney fees, costs and expenses

as determined by the Court. The total attorney fee award to be requested will not exceed 20% of the benefit conferred upon the class. The benefits of the NOR-AM DCA Fund will continue as long as the NOR-AM MMT Fund continues, or until the NOR-AM DCA Fund is exhausted. If the NOR-AM DCA Fund is exhausted, NOR-AM may continue paying for compensable claims. If NOR-AM does not continue to pay for these compensable claims, Woodward Settlement Class Members will be able to opt-out of the NOR-AM DCA Fund and pursue any legal claims they may have, except for claims for medical monitoring, medical treatment, fear of illness or cancer, or increased risk of illness or cancer.

(3) Other Conditions. The Stipulation of Settlement presently provides for medical monitoring, treatment and compensation payments for certain medical conditions set forth in this Notice. In the event, however, that a Court-approved Epidemiology Panel determines to a reasonable medical certainty that any other medical condition is caused by Fundal® or Galecron® exposure, that condition will be deemed a compensable claim, and that condition will be eligible for medical monitoring (if feasible), medical treatment, and cash payments.

(4) Release. Woodward Settlement Class Members who do not exclude themselves from the Woodward Settlement Class release all past, present and future claims (i) relating to the covered medical conditions listed above; and (ii) relating to a Woodward Settlement Class Member's exposure to Fundal® or Galecron®, including all claims alleging that any other cancers, personal injuries or risks are caused by exposure to Fundal® or Galecron®.

IV. CLASS REPRESENTATIVES AND CLASS COUNSEL

The Court has designated the following Woodward Settlement Class Members, Jack H. Woodward, Alta Woodward, Tom Lofton, Cindy Lofton and Rita Snow, as class representatives to represent all Woodward Settlement Class Members. The Court has also designated as Class Counsel the following individuals: Timothy E. Eble, S.C. Middlebrooks III, and David R. Donaldson.

V. RIGHTS AND OPTIONS OF WOODWARD SETTLEMENT CLASS MEMBERS

If you are a Woodward Settlement Class Member, you have the following options:

- You may do nothing and remain a Woodward Settlement Class Member. If you choose to take no action, your interests as a member of the Woodward Settlement Class will be represented by the Class Representatives and Class Counsel at no cost to you.
- You may remain a Woodward Settlement Class Member and either represent yourself or hire your own attorney to represent you at your own cost.
- You may remain a Woodward Settlement Class Member and object to the settlement.
- If you choose to remain a Woodward Settlement Class Member (under options 1, 2 or 3 above), you may receive the benefits afforded by this settlement within six months of the Court's Order directing this Notice.
- You may request exclusion from this settlement.

DEADLINES FOR ABOVE OPTIONS. The deadline for filing an Entry of Appearance if you choose to represent yourself or retain an attorney; for filing objections to this settlement; for filing a Notice of Intention to Appear at the fairness hearing; or for filing a request to be excluded from the Woodward Settlement Class is DECEMBER 1, 1995. TO LEARN MORE INFORMATION ABOUT HOW TO FILE ANY OF THE ABOVE ITEMS, PLEASE CALL 1-800-211-6913 or WRITE TO: Woodward Class Action, P.O. Box 974, Charleston, SC 29402.

VI. PROOF OF CLAIM PROCEDURE

In order for any Woodward Settlement Class Member to receive any of the benefits of this settlement, he or she must comply with the proof of claim procedure. To learn how you may receive benefits under this settlement or to obtain a Proof of Claim Form for medical monitoring, medical treatment or disease compensation, call 1-800-211-6913 or write to Woodward Class Action, Post Office Box 974, Charleston, SC 29402.

VII. FOR FURTHER INFORMATION THIS NOTICE IS ONLY A SUMMARY.

If you believe you are a Woodward Settlement Class Member you are urged to call 1-800-211-6913 or write to Woodward Class Action, Post Office Box 974, Charleston, SC 29402 to obtain further information regarding this settlement, how to exclude yourself from the class, and how to obtain benefits. DO NOT CALL THE CLERK OF COURT with questions about this Notice or this settlement.

Mobile, Alabama
Dated: August 21, 1995
By Order of the Court
Judge Charles R. Butler, Jr.

Farm Bureau provides safety hints

The theme of National Farm Safety and Health Week is "Sow the Seeds of Health... Practice Safety."

The Farm Bureau has released a list of precautions to be taken by people in agriculture-related professions:

- Protect yourself and others by making safety part of every activity on the job, at home, at leisure and on the road.
- Machines are replaceable if damaged or destroyed in an accident. But that's not true for people!
- Protect by knowing how to prevent farm injuries and illnesses. Read and follow instructions in manuals and on labels. Note safety and health articles in magazines and newspapers. Read booklets on the subject and pay attention to safety reminders on radio/TV.

But just knowing isn't enough. You must act on that knowledge to reduce risk of costly injury and illnesses.

- Protect by inspecting all equipment and facilities for hazards on a regular basis. Then, correct them without delay. Learn the proper safety precautions when dealing with hazards that can't be eliminated.
- Protect by always keeping shields and guards in place and by stopping machines before servicing or dealing with operating problems.
- When the job dictates, use the appropriate personal protective equipment — gloves, hard hat, safety shoes, respirator, safety goggles, etc. — to reduce risks to your health and safety.
- Protect at harvest time by training workers to operate all

equipment appropriately. Take breaks to fight fatigue, especially during hot weather.

- When hauling harvested products or moving equipment on public roads, drive with care and courtesy.
- Protect by being prepared for each activity. Have the right tools, equipment and/or supplies on hand. Know and respect your limitations as well as your strengths.
- Protect by staying fit and seeking care for health problems. Take some time to do things you enjoy to refresh, relax and add balance to your life.
- Protect by posting a "policy statement" and "safety rules" for your operation as constant reminders to be careful.
- Protect by doing a "Hazard Hunt" on a regular basis —

weekly, monthly — to locate danger areas, then correct them immediately.

- Never allow "extra riders," especially children, on any motorized or trailed agricultural equipment. This includes grain and hay wagons.
- When repairing power lifted equipment such as combine headers, cultivators, etc., "Lock it, Block it or don't get under it."
- Agricultural chemicals should be stored in a locked building away from stored grain or hay. Some chemicals should be stored separately. Use proper protective clothing and equipment when working with chemicals.

Rain

Continued from page 5

He said the cotton crop has received enough moisture for the bolls to mature, and that the crops have reached the "cut out" stage, meaning there will be no new bolls.

"The cool weather hurts more than anything," he said.

"And the Weather Channel has predicted a cold spell for Thursday, with a possible 38 degrees at Farwell and 44 degrees in Lubbock."

Temperatures are usually three to five degrees colder here than at Lubbock, Preston said,

because of our higher elevation—which ranges from 3,850 to 4,000 feet throughout Bailey County.

"Cool, cloudy weather delays maturing," he said. "And the crop is late anyway."

As for hay farmers, they are close to their last cutting and don't need it to be rained on, Preston said.

Council

Continued from page 2

claiming that if the Council members would just look at the car, they would see that it is "not junk."

The car, which is parked at the 300 block of East Fourth Street, is in good condition but is on blocks to prevent the tires from being stolen, Huerta said.

When Huerta asked what the next step would be, Marr informed him that Daniel could

be picked up for failure to appear before the magistrate judge. Marr suggested that Huerta should convince Daniel to talk to the judge and explain the circumstances.

Ramon Martinez, who issued the citation, said he had explained the city ordinance to Daniel both in English and in Spanish and had given Daniel a copy of the document.

Mules

Continued from page 1

Adair said. "Cooper just never really got it in gear. The Shallowater coaching staff was really surprised. They really anticipated a struggle."

Lubbock Cooper runs out of the I formation and features a senior backfield of quarterback Greg Armes (5-10, 175), fullback Manuel Delacruz (5-10, 185) and tailback Brice McCasland (6-1, 180).

On defense, Adair expects them to stunt their linebackers "a lot" out of their split-six alignment.

But Adair's biggest concern is his own team, and guarding against a letdown and the distractions of homecoming.

"We played well against a good team," Adair said. "I hope they don't think that was good enough."

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 7, 1995

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 50 proposes a constitutional amendment providing that the legislature by general law may authorize the Texas Higher Education Coordinating Board to issue general obligation bonds of the state in an amount not exceeding \$300 million to finance educational loans to students. The maximum interest rate to be borne by the bonds must be set by law. The legislature may provide for the investment of bond proceeds and may establish an interest and sinking fund to pay the bonds.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing for the issuance of \$300 million in general obligation bonds to finance education loans to students."

PROPOSITION NO. 2 ON THE BALLOT

Senate Joint Resolution 36 proposes a constitutional amendment that would authorize the legislature to exempt from ad valorem taxation the property of an organization chartered by the Congress of the Republic of Texas if the property is used primarily for the charitable, benevolent, or public service activities of the organization as defined by general law. The Comptroller's Property Tax Division has identified the Grand Lodge of Texas, also known as the Masonic Lodges, as the primary organization which would qualify for this tax exemption.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the legislature to exempt from ad valorem taxation property of an organization chartered by the Congress of the Republic of Texas that is used primarily for the charitable, benevolent, or public service activities of the organization."

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 51 proposes a constitutional amendment that provides that the farm and ranch finance program fund shall be administered by the Texas Agricultural Finance Authority and not by the Veterans' Land Board, as provided by current law. In addition, the proposed amendment provides that the proceeds of \$200 million of the \$500 million in bonds authorized by the Texas Constitution for the farm and ranch finance program fund may be diverted to the agricultural fund and the rural micro-enterprise development fund, also authorized by the Texas Constitution, to be used for agricultural and rural economic development programs.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment allowing the use of existing bond authority of the farm and ranch finance program to include financial assistance for the expansion, development, and diversification of production, processing, marketing, and export of Texas agricultural products."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 46 proposes a constitutional amendment that would allow an encumbrance to be fixed on homestead property for an owelty of partition. In divorce and probate situations, a piece of property may be owned jointly by two

or more people, and each person owns an undivided interest in the property, as opposed to a specific portion of the property. If one owner wishes to purchase the other person's interest in the property and wishes to obtain a loan to finance the purchase, the lending institution requires all interests in the property to be used as security for the loan; this is called an owelty of partition. Senate Joint Resolution 46 would allow the lending institution to foreclose on the homestead property for an owelty of partition if the purchaser defaulted on the loan. In addition, the proposed amendment would allow the refinancing of a lien against a homestead. Finally, the proposed amendment would allow a purchaser or lender to rely on an affidavit that states that the property to be conveyed or encumbered is not the homestead of the affiant.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment permitting an encumbrance to be fixed on homestead property for an owelty of partition, including a debt of a spouse resulting from a division or award of a homestead in a divorce proceeding, and for the refinancing of a lien against a homestead, including a federal tax lien resulting from the tax debt of the owner."

PROPOSITION NO. 5 ON THE BALLOT

House Joint Resolution 34 proposes a constitutional amendment which would increase by \$500 million the constitutional authorization of the Veterans' Land Board to issue and sell general obligation bonds of the state to provide housing financing to Texas veterans. The proceeds from the bonds authorized by this amendment shall be used to augment the Veterans' Housing Assistance Fund II to be administered and invested as provided by law. The bonds authorized by this amendment shall be incontestable after execution by the Veterans' Land Board, approval by the attorney general, and delivery to the purchaser.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to increase by \$500 million the amount of general obligation bonds that may be issued to augment the veterans' housing assistance fund II."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 64 proposes a constitutional amendment which would extend the tax exemption under article VIII, section 1-b(b) of the Texas Constitution for the residence homestead of a person age 65 or older to the surviving spouse of a person who received the exemption. The surviving spouse must be age 55 or older when the deceased spouse died, and the property must be the residence homestead of the surviving spouse when the deceased spouse died and remain the surviving spouse's residence homestead. A surviving spouse who already receives an exemption under this section of the Texas Constitution is not entitled to an additional exemption under the amendment.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment exempting from ad valorem taxation the residence homestead of the surviving spouse of an elderly person."

YGAC starting hoop league

The Young Guns Athletic Club, Inc. is looking for teams to play in its Portales Youth League which starts Oct. 7.

The league, for boys and girls from ages 8-12, will be comprised of two divisions and include teams from Portales, Elida, Dora and Floyd.

Registration deadline is Sept. 30 with a fee of \$35 for each player and a \$150 sponsors' fee which is the responsibility of the coach and must be paid before the first game.

The YGA Portales League

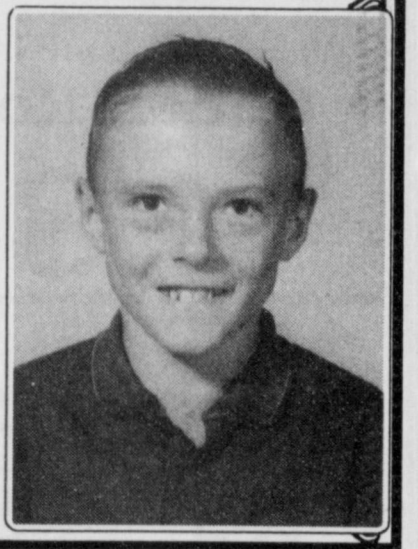

will consist of 10 regular seasons games (Saturdays) and a double-elimination tournament at the end of the regular season.

Volunteer coaches are needed.

Registration forms can be picked up at the Muleshoe Chamber of Commerce and Wilhite & Associates at 1631 W. American Blvd.

For more information contact Russell Grider at (505) 683-5403 after 7 p.m. (CST).

The Muleshoe and Bailey County Journals publish birthday announcements free of charge for babies one year old or for people ages 90 and over. A photo may also be included with the announcement. Complete guidelines and forms are available at the Muleshoe Journal office.

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 73 proposes a constitutional amendment that would reduce the amount of general obligation bonds authorized for the superconducting super collider fund from \$500 million to \$250 million.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment reducing the amount of general obligation bonds authorized for undertakings related to the superconducting super collider research facility from \$500 million to \$250 million."

PROPOSITION NO. 8 ON THE BALLOT

House Joint Resolution 80 proposes a constitutional amendment abolishing the office of constable in Mills, Reagan, and Roberts counties. In Mills County, the office of constable is abolished, and the powers, duties, and records of the office are transferred to the sheriff. In Reagan and Roberts counties, the office of constable is abolished and the powers, duties, and records of the office are transferred to the sheriff only if a majority of voters in each of the respective counties favors the proposed amendment.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing for the abolition of the office of constable in Mills, Reagan, and Roberts counties."

PROPOSITION NO. 9 ON THE BALLOT

Senate Joint Resolution 7 proposes a constitutional amendment that would allow investment of money from the Texas growth fund in a business without the business's disclosure of its investments in or with South Africa or Namibia. Currently, such investments are prohibited by article XVI, section 70(r) of the Texas Constitution, which would be repealed.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment allowing investment of money from the Texas growth fund in a business without the business's disclosure of its investments in or with South Africa or Namibia."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 1 proposes a constitutional amendment that would abolish the constitutional office of state treasurer effective September 1, 1996. The transfer of specific constitutional powers and duties to the comptroller of public accounts takes effect on that date. The statutory powers and duties and the loss or loss of use of limb of the state treasurer are transferred to officers and agencies of state government as the legislature provides by general law.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment abolishing the office of state treasurer."

PROPOSITION NO. 11 ON THE BALLOT

House Joint Resolution 72 proposes a constitutional amendment requiring that land devoted to wildlife management be taxed on the basis of its productive capacity. The proposed amendment also adds a temporary provision to the Texas Constitution validating the changes to the law made by Chapter 560, Acts of the 72nd Legislature, Regular Session, 1991, which amended the Tax Code to allow land used for wildlife management to be appraised as agricultural land. The temporary provision also provides that a property owner is not authorized to claim a refund of taxes paid unless the tax payment was challenged before the effective date of the proposed amendment. The temporary provision expires on January 1, 1998.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to allow open-space land used for wildlife management to qualify for tax appraisal in the same manner as open-space agricultural land, subject to eligibility limitations provided by the legislature."

PROPOSITION NO. 12 ON THE BALLOT

House Joint Resolution 31 proposes a constitutional amendment providing that the legislature may exempt from ad valorem taxation income-producing personal property and mineral interests that have a taxable value which is insufficient to recover the costs of administering the tax.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to exempt from ad valorem taxation personal property and mineral interests having a value insufficient to recover the administrative costs of collecting the taxes."

PROPOSITION NO. 13 ON THE BALLOT

House Joint Resolution No. 35 proposes a constitutional amendment authorizing the governing body of a political subdivision to exempt from ad valorem taxation boats and other equipment used primarily in the commercial taking or production of fish, shrimp, shellfish, and other marine life.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the governing body of a political subdivision to exempt from ad valorem taxation boats and other equipment used primarily in the commercial taking or production of fish, shrimp, shellfish, and other marine life."

PROPOSITION NO. 14 ON THE BALLOT

House Joint Resolution 68 proposes a constitutional amendment that allows the legislature to raise the current ad valorem tax exemption for disabled veterans and their surviving spouses and minor children. The tax exemptions would be raised based on a veteran's disability rating as follows:

Disability	Maximum Tax Exemption
10%-30%	\$ 5,000
30%-50%	\$ 7,500
50%-70%	\$10,000
More than 70%	\$12,000
Age 65 and 10% or higher	\$12,000
Loss or loss of use of limb	\$12,000
Blindness or paraplegia	\$12,000

The spouse and children of any veteran who dies while on active duty may be granted an exemption of up to \$5,000. The amounts of the exemptions provided for in this proposed amendment may be repealed by the legislature by general law.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment relating to raising the limits of the exemption from ad valorem taxation of property owned by disabled veterans or by the surviving spouses or surviving minor children of disabled veterans."

Este es el informe explicatorio sobre la enmienda propuesta a la constitución que aparecerá en la boleta el día 7 de noviembre de 1995. Si usted no ha recibido una copia del informe en español, podrá obtener una gratis por llamada al 1/800/252/8683 a por escribir al Secretario de Estado, P.O. Box 12000, Austin, Texas 78711

SENIOR CITIZEN RESIDENT CENTER

(Independent Living For Senior Citizens)

A nursing home is not necessarily the next step when you're no longer able to live on your own at home. There is an alternative that will let you retain your independence. If loneliness is as much a problem as frailty, consider the living arrangements at the SENIOR CITIZEN RESIDENT CENTER, a unique facility in the Clovis area.

There is plenty of room to walk and exercise. We can promise excellent food, a private room, a full schedule of activities, caring and dedicated employees and a place you'll soon feel is your home, and at less than half the cost of most nursing homes in the area. Come visit us at 2210 Mabry Drive, Clovis. We think you will be surprised that Clovis can boast a facility such as the Senior Citizen Resident Center.

Two bedroom apartments are also available, with emergency call system, beauty and barber shop, medical assistance, one meal daily in main facility, activities and many other amenities.

Call 505-762-8052 for information and brochures.

Rebekah News

Muleshoe Rebekah Lodge No. 114 met in the IOOF Lodge Hall Tuesday, Sept. 12 at 7:30 p.m. with Noble Grand Alene Bryant presiding.

Secretary June Green read the minutes, which were approved as read. She also read correspondence from the state president.

The state president reminded members to "reach high, for stars lie hidden in

your soul; dream deep, for every dream precedes your goal."

Discussion centered on skating Sept. 29, the garage sale, donations, the visit to the Hereford lodge on Wednesday and family night at Friona on Thursday.

The winner of the groceries was announced again — Charles Lorance. Members signed cards for the ill and closed with the Rebekah Creed.

1995-96 Lazbuddie varsity cheerleaders include Heather Engelking, senior (top row, left) and Roxann Warren, sophomore. Pictured in the middle row are Holly Engelking, freshman (left) and Kia Morris, freshman. In the bottom row are Shena Seaton, freshman (left), Krista Smith (mascot), senior, and Shane Foster, junior.

Heather Engelking won top honors by being selected as an All American Cheerleader, qualifying her to attend any of

the events scheduled for the I.C.A. All American Tour of Champions.

Lazbuddie cheerleaders receive honors at camp

The Lazbuddie varsity cheerleaders attended camp this summer, Aug. 10-13 in Austin, TX. This I.C.A. camp concentrated on cheers, stunts, and music/dance choreography.

The Longhorn squad com-

peted for top squad honors and were awarded second place Top Team, which qualified them for a bid to the national competition in Nashville, TN.

The squad also received an overall excellence award along with several other daily awards.

Rachelle Rice is awarded UIL scholarship

Rachelle Suzanne Rice, a graduate of Lazbuddie High School, has been awarded a scholarship by the Texas Inter-scholastic League Foundation.

Rice received a Nelda C. and H.J. Lucher Stark Foundation Scholarship in the amount of \$12,560, payable \$1,570 each semester for four years.

She placed first in 1993, 1994 and 1995 in team com-

puter science at the UIL Academic State Meet. In addition, she placed second in accounting at the 1992 State Meet.

Rice was valedictorian of her graduating class and a member of the National Honor

Society, Student Council, FHA, Future Business Leaders of America, Youth Exchanging with Seniors Program, year-book staff and varsity cross

country team.

She plans to attend Texas Tech University and major in landscape architecture.

This year the Stark Foundation awarded 15 grants to students who have participated in UIL Academic State Meet Contests and placed first, second or third in Calculator Applications, Math, Number Sense, Ready Writing or Science.

Retired teachers advocate volunteerism

The Muleshoe Area Retired Teachers met Friday, Sept. 15, in the Fellowship Hall of the 16th and D Church of Christ, for a covered dish luncheon.

Elizabeth Watson introduced the guest speaker, Dr. Kenneth Laycock, of Canyon. Dr. Laycock has been a teacher, principal, superintendent and college dean, and is currently local and district president of T.R.T.A. He stressed the importance of supporting public schools, communication, volunteerism, and increased membership. Only 1/4 of the eligible retirees are members of T.R.T.A.

Members present were Letha Patterson, Alene Bryant, Robin Taylor, Mable Wolfe, Elizabeth Watson, Margie Moore, Jean Allison, Lucy Faye Smith, Beulah Mimms, Wilma Smith, Mary Nell Bleeker, Ann Oyler, and new members, Pauletta Crawford, Norma Jo Prather and Nan

Johnson. Two visitors, Delora and Jenny Devenport of Earth.

Thank you cards were sent to our legislators in appreciation for their support of the recent pay raise for teachers and retirees.

Hostesses were Alene Bryant, Mary Nell Bleeker and Wilma Smith

The door prize, two dinners and drinks, given by Connies' Place, was won by Elizabeth Watson.

Contest

Continued from page 1

points wins \$1,000. The contest will appear in about 90 Texas newspapers for the 17 weeks of the NFL regular season.

Not only is there a state-wide winner, but each week three local winners will be selected from among all local entries. Joe's Boot Shop and Leal's Restaurant will provide gift certificates to the weekly first-place winners, who also win \$10 cash. Second received \$7.50 and third receive \$5.

Two tie breakers — total points scored in a designated game and total offensive yardage in this game — will decide any ties.

Contestants, who must be at least eight (8) years of age, may enter only one ballot each week statewide. Filling out additional coupons and putting

friends' and relatives' names on them violates this rule.

Deadline for weekly entries will be 2 p.m. Fridays. Full rules are published with each week's entry form.

Shooting

Continued from page 1

During that time, Matt was stabilized, ex-rayed, his injuries evaluated and prepared for surgery.

Matt's father, Bruce Hale, was in Louisiana at the time of the accident. He and Yvonne both stated that the boys had been raised around guns, hunted and been trained in the safety of guns.

"You just never think something like this can happen to you," Yvonne said.

Football

Continued from page 3

The Longhorns held a 416-388 edge in total yards but failed to score twice from inside the Midland Christian five-yard line.

Midland Christian has won four of the last five private school state titles.

Eagles soar

Jesús Perez passed for four touchdowns and returned an interception 86 yards for another score to lead Three Way to a 59-12 win over Dawson that was stopped in the fourth quarter because of the 45-point rule.

Keith Kindle scored three touchdowns and **Randall Rodriguez** rushed for 86 yards on six carries for Three Way (2-0).

The Eagles are at Wellman this week, and have some extra incentive.

It's Wellman's homecoming. Teams traditionally schedule weak opponents for homecoming games.

"I guess they don't think too much of us if they scheduled us for homecoming," Three Way coach **Rowdy Bryan** said. "Hopefully we can spoil for them. We have a pretty potent offense this year. It'll be a good test."

Bumpy road

Scisson believes in order to be the best, you have to play the best.

Lazbuddie, which has qualified for the state playoffs eight straight years, plays a tough early schedule in prepara-

tion for district play. The Longhorns started last season with a 1-4 mark, then went undefeated in district play (5-0), including a win over Amherst, the 1994 state champion.

In St. Clair, the Longhorns have one of the best quarterbacks in the state at any level, according to Scisson. The 6-2, 200-pound junior has passed for 610 yards and eight touchdowns in two games.

2-3A roundup

Quarterback **Jason Wooten** ran 61 yards for a touchdown and passed for another as Dimmitt blanked Sanford-Fritch, 35-0.

Joey Flores, who scored on a 50-yard scoring pass from Wooten, capped the scoring when he scooped up a fumble and raced 91 yards for a touch-

Notice To Creditors

Mule-Plex Memo

Mule-Plex Production Co., Inc. will hold a covered dish dinner for all members and prospective members.

Mule-Plex President Chuck Smith stated that the Mule-Plex organization is looking forward to some very exciting things for 1996.

He said everyone is invited to come to the Church of Christ Fellowship Hall Monday, Sept. 25 at 7 p.m. Bring a covered dish and discuss Mule-Plex plans for 1996.

The officers of Mule-Plex are President Chuck Smith, Vice President Kathryn Taylor, Secretary Kay Harris and Treasurer Joyce Osborne.

Board of Directors are Chuck Smith, Billyc Jones, Arlene Phelps, Glenda Dale, Royce Harris, Kerry Moore and Alan Finney.

This year Mule-Plex hosted the Amarillo Little Theater group which presented "Beehive" — music of the 60s.

Also, Mr. Kerry Moore di-

rected a production of "Musical Comedy Murders of 1940," which was greatly enjoyed along with the traditional candy sales.

In August, the original outdoor production of "Keepers of the Legend" was held with an audience of approximately 1,500 in attendance.

Smith invites anyone who has questions about Mule-Plex to call any of the officers or directors for more information.

Middle school students need nurturing

HOUSTON — The middle school years can be tough for even the best of students.

"Not only are children going through adolescence and puberty, but they also are experiencing changes at school," said Dr. Lou Ann Todd Mock, a psychologist at Baylor College of Medicine in Houston.

The nurturing environment of elementary school is a dramatic contrast to the middle school, or junior high, world of class changes, increases discipline, larger student bodies and fewer personal relationships with teachers.

All this change tends to intensify any existing behavior problems.

"Conduct problems may increase, and the larger school often makes it easier to skip class," Mock said. "Children who have been depressed or withdrawn may become more so."

Mock urges parents to be aware of the following events

common to middle school:

- Peer groups begin to exert tremendous pull.

- Independence is shown in clothing and hairstyles.

- Grades may fluctuate at the start of school due to new class routines.

- Identity questions arise — who am I? what am I going to be?

- Substance abuse becomes more prevalent.

- Sexual identity and sexual activity become issues.

"This also is the time when children become terminally embarrassed by their parents," Mock said. "Wise parents understand that and do not take it too personally."

She suggests that parents help bridge the gap between elementary and middle school by being aware of and willing to talk about the additional stressors their child is facing.

"Communication is vitally

important during the next few years," Mock said. "Remain non-judgmental, non-critical and available. Your goal is to raise a child who is independent but can also feel comfortable talking to you."

Parental involvement at school can be a positive influence, as can a child's involvement in after-school activities.

"Be supportive of any interest your child show in developing a talent or skill," Mock said. "These activities provide you child with a supportive and positive peer group."

Focusing on the positives is another key to surviving this often confusing time.

"Work toward an encouraging environment at home," Mock said. When discussing some needed change, let your children know that you still think they are wonderful. Even as they try their wings, your approval and support remain important.

Obituaries

Norma Nell Rudd

Graveside services for Norma Nell Rudd, 62, of Houston, were held Monday at the Sudan Cemetery with the Rev. Terry Wilson, minister of the Sudan Church of Christ.

Burial was under the direction of the Ellis Funeral Home of Sudan.

Ms. Rudd died September 14 at her residence in Houston. She was born January 30, 1933 in Sudan.

She was raised in the Sudan Community and graduated as the valedictorian of the 1951 graduating class of Sudan High School. She graduated from the Western School of Nursing, Clinton, OK. She had worked as an OB nurse at the St. Luke's Methodist and St. Joseph's Hospitals in Houston. She was a member of the Church of Christ. She was preceded in death by her father, Huey Rudd in 1950 and a step father, Charles A. Epps in 1984.

Survivors include two sons, M. David Morris and Huey Morris, both of Houston; one daughter, Mirian E. Morris of Houston; her mother, Nell Epps of Amherst; one brother, Warren Rudd of Dickinson; one sister, Elouda Ridgell of Pecos and one grandson, Swordsman Victor Morris of Houston.

Lanes hold reunion at Davis Park in Lubbock

Labor Day weekend, family members of Verge and Ruby Lane, gathered at the David Park, in Lubbock, for their annual family reunion.

Those attending were: Verge and Ruby Lane, Littlefield; Lonzo and Ardyce Pierce, Charley and Lana Timmons, Brenda and Leah Timmons, Peggy Neal, Dennis, Nancy and Kelsee Reeves; Shannon Bushea; Shane and Thomas Bureson; Michael Bushea; Pat, JoAnn, Keith and Kamie Stephenson, Alicia; Jimmy and Linda Lane, Michael and Tammy, Matthew, Libby and David Fisher; Neal and Kathy Thompson; Tasha and Jessica; Kay Carpenter, Mike and Marsha Stephenson and Bonnie Stephenson, all of Lubbock.

Also attending were Joe Ann Lane, Shawn, Tanya, Kristen and Brandon Batchelor; Link, Jamie, Joshua, Bobbie and Ashleigh Lane, all of Arling-

ton; Jack and Anna B. Lane, Maple; Roger and Danette, Lakin and Kalee Hatcher, Clovis; Obie and Michelle, Creston and Tiffany Standard,

Stegall; Carroll May, Canyon; David and Betty Terrell, Royce City; Amy and John Schmitz, Garland; Cynthia and Jonathan Bennett, Maple; Melissa Bennett, Canyon; and Don Preston and Vickie of Lubbock.

Correction

In the Public Record section of the Sept. 17, 1995, edition of the Bailey County Journal, Clinton Eugene Rogers was incorrectly identified as a person convicted of assault.

The correct name of the person convicted of assault was Clinton Eugene Rogers, Jr. The error was made in reporting.

The Journal regrets the error and any inconvenience this omission may have caused.

Kiwanis News

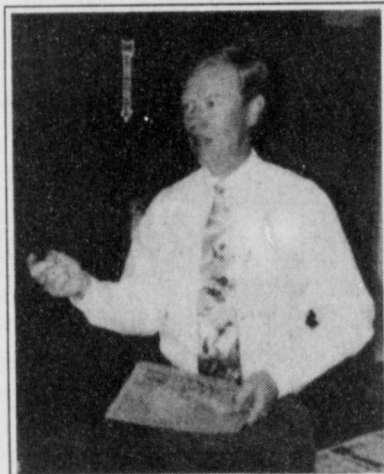

The Muleshoe Kiwanis Club met for their weekly meeting Friday morning, Sept. 15, at the Five Area Telephone Cooperative.

The vice president, Bryan Morris called the meeting to order. Pledge was led by Ricky Railsback and the prayer was given by Hugh Young.

The friendship coin was passed from Flavio Garza to Joe Flores. Joe just happened to be in the right place at the right time.

Mark Morton was introduced as our guest. He had the program for the morning meeting. Mark reported on the St. Judes Childrens Hospitals annual Bike-A-Thon to be held Saturday, Sept. 30, at 8 a.m.

The Bike-A-Thon will last until 1 p.m. Mark is looking for sponsors for the event and

Mark Morton

encouraged all members to sponsor the young people who will be taking pledges for the Bike-A-Thon.

Prizes will be awarded for the ones going the distances pledged. Mark also explained in detail how the money proceeds earned will be used by St. Judes Childrens Hospital

and the guidelines used for kids to be admitted. Thanks Mark for a good program. The Muleshoe Kiwanis club has voted to donate to the project.

A very important message to all Kiwanis Club members:

The Kiwanis Club will now meet every Friday morning at Viola's Restaurant at 6:30 a.m. Please make note of the new meeting place.

The Muleshoe Kiwanis Club will have their annual installation banquet Saturday, Sept. 30. All members are urged to attend.

Members attending Friday were Jim Lutz, Chuck Smith, Bryan Morris, Flavio Garza, Eddy Morris, Hugh Young, Ricky Railsback, Sonny Bennett, Joe Flores, R.G. Bennett, Jerry Hutton, and their sweetheart, Michelle Williams.
