

All Around the Town by Mary Ann Sarchet

Servicemen Deserve To Be Remembered
The names of 33 servicemen from Briscoe County, including those who married Briscoe County girls and whose wives live here and one whose grandparents and many other relatives live in this county, are now on display at Nance's Food Store.

Qualifications, Requirements Given For Voters Here
Every person who shall have attained the age of 21 years and who shall be a citizen of the United States and who shall have resided in this state one year next preceding an election and the last six months within the district or county in which such person offers to vote, and who shall have registered as a voter, shall be deemed a qualified elector, according to an announcement by the Briscoe County Sheriff's Department this week.

Former Resident Buried Monday
Funeral services were conducted at 3:00 p.m. Monday for Marine Lance Corporal Timothy James (Tim) Hartman, 19, in the First Baptist Church in Lockney.

Garrison is Lions Club Guest Speaker
Max Garrison, a veterinary medicine student at Texas A & M University was guest speaker for the last noonday meeting of the Silverton Lions Club.

THURSDAY, SEPTEMBER 21, 1967 SILVERTON, (Briscoe County) TEXAS VOLUME 59 NUMBER 38

Mackenzie Bond Election Is Scheduled October 14

October 14 was officially set as the date for a \$7,975,000 bond election for construction of a dam on Tule Creek for the purpose of providing municipal water for the Cities of Silverton, Tulia, Lockney and Floydada.

Owls Take 6-0 Win From Turkey Turks

Donald Dee West (32) intercepted a Turk pass on the Owl 10-yard-line in the first quarter of Friday night's game, and carried out to the Silverton 20, interrupting a Turk drive and possible Turk score.

Silverton's Owls took a lucky 6-0 win at Turkey Friday night, in a game long noted for its rivalry. The Owls made seven first downs as compared with twelve for the Turks; the Owls were penalized 95 yards while the Turks had 20 stepped off against them, and the Big Red gained approximately 232 yards rushing and none passing while the Turks were making 181 yards rushing and 64 yards passing.

Thomas Cartage To Have New Deliveryman

Today is the last day that "Pappy" Kendrick of Amarillo will be delivering freight to Silverton for Thomas Cartage. Kendrick will be going to work on a ranch 26 miles west of Chaning, as caretaker at the headquarters, after delivering freight to Silverton, Quitaque and Turkey for a good many years.

Welch Services Held In Wellington

Funeral services for Bernice Welch, 49, were conducted at 2:00 p.m. Tuesday in the First Methodist Church in Wellington with the pastor, Rev. Ellis Todd, and Rev. Noel Bryant, a former pastor of the church, officiating.

Robbery Attempted At Hart Bank

A would-be burglar left his shoes early Monday as he fled on foot after an attempted vault robbery of Farmers State Bank at Hart.

Young Farmers On Grain Sorghum Drive

Members of the Silverton Young Farmers are "rustling" grain for Boys Ranch, in response to an urgent appeal from the Ranch for grain sorghum to be used in the feeding operation there.

Former Resident Buried Monday

Funeral services were conducted at 3:00 p.m. Monday for Marine Lance Corporal Timothy James (Tim) Hartman, 19, in the First Baptist Church in Lockney.

Quarterback Club To Operate Concession Stand At Home Games

The Silverton Quarterback Club met and plans were made to operate a concession stand at all the home football games, offering hot dogs, cold drinks, coffee and donuts.

Garrison is Lions Club Guest Speaker

Max Garrison, a veterinary medicine student at Texas A & M University was guest speaker for the last noonday meeting of the Silverton Lions Club.

Welch Services Held In Wellington

Funeral services for Bernice Welch, 49, were conducted at 2:00 p.m. Tuesday in the First Methodist Church in Wellington with the pastor, Rev. Ellis Todd, and Rev. Noel Bryant, a former pastor of the church, officiating.

1967 Farm Field Tour Planned Tomorrow

The Briscoe County Farm Field Tour will be held Friday, September 22, 1967, beginning at 9:00 a.m. at the P.C.A. building in Silverton.

F.B.I.A. To Sponsor Hamburger Supper

The Silverton High School chapter of Future Business Leaders of America are sponsoring a hamburger supper at the school cafeteria from 5:30 until 7:30 p.m. Friday night before the Silverton vs. Happy football game.

New 1968 Models Being Shown Here

New 1968 model cars are being shown here for the first time today. At Crass Motor Company, open house is being held and the new Oldsmobiles are being shown.

Mrs. Hooten Buried Here Wednesday

Funeral services for Mrs. Samantha Jane Hooten, 69, were conducted at 3:00 p.m. Wednesday at the Silverton Church of Christ, with Earl Cantwell, minister of the Rock Creek Church, officiating.

Robbery Attempted At Hart Bank

A would-be burglar left his shoes early Monday as he fled on foot after an attempted vault robbery of Farmers State Bank at Hart.

Young Farmers On Grain Sorghum Drive

Members of the Silverton Young Farmers are "rustling" grain for Boys Ranch, in response to an urgent appeal from the Ranch for grain sorghum to be used in the feeding operation there.

Gun Club Meets Tonight

The Gun Club will meet tonight (Thursday, September 21) at 8:00 p.m. at the City Cafe.

**Examination For
 Postal Clerks,
 Carriers Set**

The United States Civil Service Commission announces examination for Postal Clerk and Carriers at the starting salary of \$2.64 per hour for Substitute Employees (approximately 40 hours per week) and \$2.56 per hour for Hourly Rate Regular (approximately 20 hours per week), Grade PFS-4, for postal employment in Post Offices of the First and Second Classes in the following counties consisting of Zone 1, in Texas:

Armstrong, BRISCOE, Carson, Castro, Childress, Collingsworth, Dallam, Deaf Smith, Donley, Gray, Hall, Hansford, Hartley, Hemphill, Hutchinson, Lipscomb, Moore, Ochiltree, Oldham, Parmer, Potter, Randall, Roberts, Sherman, Swisher and Wheeler.

All qualified applicants will receive consideration for employment without regard to race, religion, color, national origin, sex, political affiliations, or any other

**TOPS Club Meets
 Monday Night**

The local TOPS Club will meet at 8:00 p.m. Monday at the Silverton Clinic.
 Anyone interested is invited to attend.

nonmerit factors.
 Clerks sort and distribute mail, handle heavy sacks weighing up to 80 pounds, and perform related duties. The work involves continuous standing, stretching and reaching. Carriers deliver and collect mail on foot or by vehicles under varying weather conditions. In most offices they must be able to drive a vehicle under all kinds of road conditions. They may be required to carry on their shoulders loads up to 80 pounds.

Full information about requirements and applications may be obtained from the Executive Secretary, Regional Board of U. S. Civil Service Examiners, General Post Office, 401 Franklin Avenue, Houston, Texas 77002 or local Post Offices or Interagency Boards of U. S. Civil Service Examiners.

Then, there's that once a month when a girl could use a good old-fashioned medicine.

Maybe you feel just plain bad then. Or maybe a little lonely and sad, like you could use a pair of arms around you.

Well, we have just the thing for this once a month time. Lydia E. Pinkham Tablets. They're made with gentle, natural ingredients, including one that works to help relax tightened muscles that give you cramps. Plus a little iron that a girl could use at a time like this. And, you don't run any chance of the kind of unpleasant side effects you could get from some of the newer drugs.

With an old-fashioned problem like this, couldn't you take an old-fashioned medicine.

Lydia E. Pinkham
 Tablets and Liquid Compound

**Rhode Studying
 In West Germany**

Robert Rhode is attending the Goethe Institute in Staufen, West Germany, preparatory to continuing his studies in theology at Tubingen University in the Alps. He is learning the German language at Goethe in order to be able to study at Tubingen.

Rhode will receive credit for his work at the university abroad when he returns to his seminary work in this country.

There are students of 15 nationalities, mostly Americans, at Goethe. Rhode has been invited for Christmas in Czechoslovakia by a friend who lives in his rooming house.

**Garcia Finishes Army
 Signal School**

Private Norberto Garcia, 22, son of Mr and Mrs. Santos Garcia, completed a radio relay and carrier operation course at the Army Southeastern Signal School at Fort Gordon, Georgia on September 8.

During the nine-week course, he was trained to operate different types of field telephone, telegraph and radio relay equipment.

His wife, Olga, also lives here.

**Acreage Survey
 Being Conducted**

Postmaster Fred Strange has announced that Rural Mail Carriers are distributing 1967 Acreage Survey Cards to patrons on their routes this month.

The Post Office Department assists U.S.D.A. in making this survey each year. These reports, directly from farmers, are the basis for official estimates for Texas acreage of all crops harvested in 1967.

To be sure this community is represented in the survey, Postmaster Strange urges each patron receiving a card to fill it out and return it to his mailbox.

F. E. Hutsell will be working on this project.

A. R. (Bert) Northcutt of Clayton, New Mexico, is in Penrose Hospital in Colorado Springs, Colorado, Room 602. He underwent surgery on September 14 and again Monday.

**Rhode Pipe Crew
 In Laredo This Week**

Carman Rhode and the five men from here who are employed by Rhode Pipe Company and are working on a job between Harlingen and San Benito, arrived in Laredo about 2:00 o'clock Tuesday afternoon to wait out the forces of Hurricane Beulah. They took the last hotel rooms available in Laredo.

They had begun the ditches for a sprinkler system for the Texas Highway Department along the highway between San Benito and

Harlingen, but had to cover the ditch because of the hazard it presented with the approach of the hurricane.

They had to leave the pipe and fittings for the job in a quonset at Harlingen, and the ditchers are outside the building. Rhode expects to return to Harlingen to inspect the equipment and supplies as soon as the hurricane passes and that town is no longer under hurricane warnings. If the heavy rains continue, the crew will probably return to Silverton until the weather improves.

The sprinkler system is to be part of a highway beautification program.

**Weathered Finishes
 Recruit Training**

Marine Private Arnold L. Weathered, son of Mrs. Luvenia Weathered of Silverton, was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot in San Diego, California, recently.

He will now undergo three weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.

The intensified Marine recruit training emphasizes rigid physical conditioning and survival techniques, both at sea and ashore, to develop self-confidence and endurance. Marksmanship with the M-14 rifle and 45-calibre pistol are equally stressed, and close order drill instills the tradition of Marine Corps teamwork.

A thorough study of basic military subjects; hygiene; first aid and sanitation; and the customs, courtesies, history and mission of the Marine Corps serve to polish the new Marine's recruit education.

A-List kits to every patron in the area. Postmaster Fred Strange urged all residents to use the postal cards contained in the kits to obtain the ZIP Codes needed for addresses in their personal mailing lists.

Each household will receive eight cards with spaces for the addresses to be "zipped" by the Post Office and for the return address.

No postage is needed, the Postmaster said. Rural routes will have their Zip-A-List cards delivered the first week in October.

The project is part of Postmaster General Lawrence F. O'Brien's program to make ZIP Codes more accessible to the mailing public and thereby increase the use of the codes in mailing addresses.

In addition to the kit, which is folded like a closed accordion, a separate card is being delivered to remind residents of the local ZIP Code number.

"ZIP Code is necessary all year round to increase the efficiency of the postal service," Postmaster Strange said, "but it is more im-

Mr. and Mrs. Roy Mack Walker returned his Uncle George Walker to Wichita Falls Thursday after Mr. Walker had spent four weeks here visiting in the Eual Newman and R. M. Walker homes while recuperating from surgery. Silverton Young Farmers who attended the field demonstration at Halfway were Guinn Fitzgerald, Calvin Shelton, Joe Kitchens and Robert H. Hill.

portant than ever at the holiday season. This year, the Post Office Department expects to handle well over nine billion pieces of mail during the Christmas rush. ZIP Code will be a great help in delivering that mail accurately and on time."

The postal official reminded ZIP-A-List users to print clearly and to include their return address so that the Post Office will know where to deliver the completed form. Last year, thousands of people throughout the nation forgot to include the return address and their efforts to cooperate in the project went for naught, he said.

Mrs. Elma Baker of the Plainview Nursing Home has fallen several times the past few weeks and isn't doing as well as her family would like.

Mr. and Mrs. Berton Hughes were pictured with their son, Cadet Randy A. Hughes, when they visited the United States Air Force Academy during the annual Parents' Weekend.

Pictures were made immediately on their arrival, and the pride with which they saw their son in uniform can be seen in their faces. (Air Force Academy Photo)

Visit Son At Air Force Academy

Mr. and Mrs. Berton Hughes and Jerry Lynn Garrison recently attended the annual Parents' Weekend activities at the United States Air Force Academy with Cadet Randy A. Hughes.

Parents, friends and relatives from all over the United States were also visitors at the Academy, where boys are learning to be officers in the U. S. Air Force.

The visitors attended open house on Saturday, and met the air officer of Cadet Hughes. They attended chapel together Sunday morning.

Cadet Hughes expects to visit at home during the Christmas holidays for the first time since entering the Academy in June.

Mr. and Mrs. Hughes and Miss Garrison visited at Lost Valley Ranch with Jim Burson before returning to Silverton.

Lt. Robert W. Hughes of Orlando, Florida, visited his parents, Mr. and Mrs. Berton Hughes, relatives and friends over the weekend. He flew to Lubbock, was met by Jerry Lynn Garrison, and drove to Silverton. They returned to Abilene Monday morning and he emplaned for the return flight to Orlando. Robert had recently returned from the African Congo. He was there for a month and a

half, filming the countryside from the air. He was officer in charge of the Photo Team and a photographer himself.

Mrs. Bill Durham and Kirk met Mr. and Mrs. W. H. Fitzgerald at the Tri-State Fair in Amarillo Monday night.

Dramatic! Distinctive! Daringly new!

'68s Top Secrets are here

1968 Chevrolets

The 1968 Chevrolets are the very essence of modern design. Every line, every curve is in close harmony. It's a smooth, uncluttered look with roof lines compatible with body lines, grilles and bumpers that blend gracefully into long, rounded fenders. Clean, flowing, beautiful in their simplicity, these '68 Chevrolets are rich and advanced in styling beyond any you've ever seen.

A MORE SILENT RIDE
And for 1968, we've gone to every length to give you more peace and quiet inside. The most sophisticated computers have been used to strategically place body mounts and successfully isolate noise and vibration. Shock absorbers have been improved. The wheel stance on many models is wider for greater smoothness. Exhaust systems have been redesigned to make them whisper-quiet. Even the clocks tick more softly. A sound car is a silent car. The '68 Chevrolets are the most silent, highest quality cars we've ever built.

BETTER PERFORMANCE
There are new engines, a bigger standard Six and V8. There's a new

250-hp V8 you can order that runs on regular fuel. Many new engine components increase dependability and keep your new Chevrolet running stronger. There's a new rear axle ratio you can add for greater economy. On most engines equipped with automatic transmissions, there's a special heater for the carburetor which gives you more efficient performance in cold weather. And with every engine, you get the new GM exhaust emission control.

UNIQUE ASTRO VENTILATION
There's a whole new idea in ventilation, called Astro Ventilation, for Camaro, Corvette and the elegant Caprice Coupe. It's also available on many other models. By opening two new vent-ports on the instrument panel, you bring in outside air that can be directed where you want it. This way, you can leave your windows rolled up and add still more to your peace and quiet.

PROVED SAFETY FEATURES
You get the proved GM-developed energy absorbing steering column, folding front seat back latches, dual

master cylinder brake system with warning light, plus many more new features. Among them: energy absorbing front seat backs, and safety arm-rests that shield the door handles.

MUCH MORE THAT'S NEW
There are new roof lines, some formal and graceful, others sporty and quick. There are new instrument panels, richly designed and all controls within easy reach. There are new interiors, new vinyls, new fabrics, new colors. There are models with Hide-A-Way windshield wipers and headlights that disappear behind grilles. There are new side marker lamps, new recessed taillights. There's even a new ignition alarm buzzer that reminds you not to walk away and leave your keys in the car.

These are the newest, the most different, the most dramatically changed Chevrolets ever. And they're at your Chevrolet dealer's now. You'll thoroughly enjoy slipping behind the wheel, experiencing the smooth new handling and library-quiet ride and, more than anything, seeing and feeling the even greater quality built into every new Chevrolet for 1968.

Be smart! Be sure! Buy now at your Chevrolet dealer's.

There's more quality and value built into Chevrolets than ever before, making every new 1968 model an even better buy!

CLUB PROJECT ON DISPLAY—A project of the L.O.A. Junior Study Club this year is to cause Briscoe County servicemen to be remembered by as many local residents as possible. A map of the world showing the addresses, birthdays and locations of as many

servicemen as possible has been put on display at Nance's Food Store by the club's civic and projects committee, Mrs. J. E. Patton, chairman, Mrs. Charles Sarchet and Mrs. Robert Haley Hill.

Membership Drive Is Scheduled

Close to 70 workers are busy making preparations this week for the annual Plainview Community Concerts membership campaign which is scheduled to begin Monday.

The week-long drive will open Monday night with a dinner honoring all Plainview and area campaign workers and the New York representative of Community Concerts who will assist in conducting the drive. Campaign headquarters will be in the Reddy Room of Southwestern Public Service Co. in Plainview.

Highlight attraction for the 1967-68 season will be a return appearance by Fred Waring and The Pennsylvanians. Other artists already booked include The Chicago Little Symphony and the Vienna Academy Chorus.

Mrs. J. B. Wheeler of Plainview is membership chairman, and urges area members to obtain their renewal or new memberships as soon as possible during the campaign week since a sell-out of Plainview High School Auditorium is again expected and memberships may only be obtained during the campaign.

Mr. and Mrs. W. H. Fitzgerald, Mr. and Mrs. Charles Grantham, Shorty Bingham, Mr. and Mrs. Elton Cantwell, Mr. and Mrs. John Francis, Mr. and Mrs. Edwin Dickerson, Leo Fleing, Steve Jarnagin, Guinn Fitzgerald, Norvell Breedlove, Mr. and Mrs. Randall Eddleman, Mr. and Mrs. Bill Durham and Kirk and Mr. and Mrs. Charles Sarchet were among those attending the W.T.S.U. vs. Montana State football game in Canyon Saturday night.

Weather Damages Briscoe County Crops

Some crop damage due to heavy rains, high winds and hail was reported in an area of Briscoe County Monday morning. J. L. Self had crops damaged by hail, and the path of the heaviest rain apparently crossed this area south of Quitaque and extended into the Quitaque vicinity.

Rains amounting to 3 1/4 inches were reported just southwest of Quitaque. From one to three inches was measured in gauges on the Lemons ranch, 10 miles southeast of Silverton.

The hail in town was light, and only .28 of an inch of moisture was recorded. Showers Tuesday night and early Wednesday left another .22 of an inch, bringing the September total rainfall in Silverton to .98 of an inch.

Mr. and Mrs. Jim Reid of Amarillo visited their parents, Mr. and Mrs. Marlin Jarnagin and Mr. and Mrs. J. W. Reid, over the weekend. They returned home Cary Fleming who had been in Amarillo visiting his Aunt Jeanie Davis and other relatives.

O. E. S. TO HAVE RUMAGE SALE SATURDAY

The Silverton Eastern Star Chapter will have a rumage sale in the building south of Morris Laundry and Cleaners Saturday. Members who have clothes for the sale are reminded to give them to members of the finance committee or take them to the sale early Saturday.

GIANT BAGEL AT THE FAIR

The Astro Wheel, the only ride of its kind in the country, will make its debut on the Million Dollar Midway Oct. 7-22 at the State Fair of Texas in Dallas. The huge wheel provides a thrilling ride in addition to a breathtaking panoramic view of the fair and downtown Dallas.

STAY AWAKE ITCHING?

Let doctor's formula stop it. Zemo speeds soothing relief to externally caused itching of eczema, minor rashes, skin irritations, non-poisonous insect bites. Desensitizes nerve endings. Kills millions of surface germs, aids healing. "De-itch" skin with Zemo, Liquid or Ointment. Quick relief, or your money back!

From The County Agent's Desk

About 950 farmers, businessmen and others interested in agriculture attended the annual field day at the South Plains Research and Extension Center on

September 12. General theme was "Better Management for Greater Profit."

Cotton, grain sorghum, soybeans, alternative crops and herbicides research received most emphasis during the field day. Visitors were shown new storm-proof cotton strains which have better than one-inch staple and high fiber strength. Test plots showing skip-row planting and irrigating techniques were also viewed. Objective of these tests is to evaluate planting and irrigating practices that make maximum utilization of rainfall and the ever-decreasing irrigation potential.

Other cotton research discussed included close-row and double-row planting and breeding techniques. Research to date on close-row cotton has shown that this method of production can potentially reduce production costs, increase yields and improve fiber quality. Double-row tests averaged 10 per cent more yield than single rows on irrigated land. These tests were planted at 30 pounds per acre in rows 10 inches apart on beds spaced at 40 inches.

Cotton breeding research, as viewed by those attending the field day, continues with the aim of providing better varieties for High Plains cotton growers, mainly through development of breeding strains, breeding techniques and background information. Emphasis is being placed at present on fiber quality, earliness, disease and insect resistance and adaptation to machine harvest.

Turning to grain sorghum, visitors were shown a breeding nursery of more than 3,000 individual plots of advanced breeding material. Some of the desirable characteristics being bred into these lines are yellow endosperm, larger seed size, waxy endosperm, mold and weather-resistant seed, thick cortex and short height for better standability and disease resistance.

Another grain sorghum breeding nursery consisted of advanced generations of short, early maturing, fine stemmed sorghums called "shirtsleeves" meetings the Department of Agriculture has conducted on the 1968 cotton program, Price said he believed that skip-row penalties should be removed for 1968.

He said he agreed with recommendations that had been made by South Plains cotton growers that the Department of Agriculture should adopt pricing policies and take all action necessary to re-establish and maintain a fair historical share of the world market for U. S. cotton.

"Cotton exports have continued to decline during the past six years and drastic reductions in the U. S. crop have been necessary to manage the surplus," Price said. "Skip-row plantings will raise more and better pounds of cotton and a better quality is what we need."

Congressman Holds Town-Hall Meeting

In a series of town hall meetings at Silverton, Quitaque and Memphis Saturday, Panhandle Congressman Bob Price said the farm problem, next to the war in Vietnam, was the most critical the nation faced and one that had to be solved.

"Even the over-crowded and explosive situation in our cities is largely a result of drastic changes that have taken place in our agricultural economy during recent years," Price said.

"The continuing deterioration of farm income in times of rising prices and so-called prosperity are driving more people from farms and small towns into already over-crowded and slum-ridden cities with unemployment problems of their own."

"Secretary of Agriculture Orville Freeman recently testified before a housing committee in Congress that deterioration in rural America feeds blight in cities and while I might not agree with Secretary Freeman on the means of accomplishing renewal and re-development of rural America, I agree wholeheartedly that it must be done."

Price said that a record U. S. wheat crop of 1.5 billion bushels plus a world crop that was bigger than predicted had pushed the wheat prices down. He said he and the other Republican members of the House Agriculture Committee's Subcommittee on Livestock and Grains had recently urged the Secretary of Agriculture in a letter to raise the price at which the government sells wheat to full parity minus the value of domestic certificates paid for by wheat processors. They

WOMEN PAST 21 WITH BLADDER IRRITATION Suffer Many Troubles

After 21, common Kidney or Bladder Irritations affect twice as many women as men and may make you tense and nervous from too frequent, burning or itching urination both day and night. Secondly, you may lose sleep and suffer from Headaches, Backache and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by curbing irritating germs in strong, acid urine and by analgesic pain relief. Get CYSTEX at drug-gists. See how fast it can help you.

ITCHING LIKE MAD?

Get this doctor's formula! Zemo speedily stops torment of externally caused itching... of eczema, minor skin irritations, non-poisonous insect bites. Desensitizes nerve endings. Kills millions of surface germs. "De-itch" skin with Zemo—Liquid or Ointment.

Now Possible To Shrink Hemorrhoids

And Promptly Stop Itching, Relieve Pain In Most Cases.

Science has found a medication with the ability, in most cases—to relieve pain, itching and shrink hemorrhoids. In case after case doctors proved, while gently relieving pain, actual reduction took place. The secret is Preparation H®. It also soothes irritated tissues and helps prevent further infection. Just ask for Preparation H Ointment or Suppositories.

led grain grasses. These can be used as a lateplanted catch crop since they are very early maturing.

Soybeans, a major alternative crop on the High Plains, were demonstrated on a number of plots at the Center's field day. Soybeans planted in late June, after cotton was destroyed, yielded about 30 bushels per acre. After production expenses, net operating incomes range from \$20 to \$30 per acre. Cotton following soybeans have produced an additional \$10 to \$15 per acre—an added benefit of a rotational pattern.

Guar, another alternative crop, can produce an income similar to soybeans when used in rotations. Net operating incomes from early castor varieties and hybrids planted in late June can range from

\$20 to \$40 per acre. Spring planted rapeseed also shows promise in this area as shown by test plots at the Center.

Guar, another alternative crop, can produce an income similar to soybeans when used in rotations. Net operating incomes from early castor varieties and hybrids planted in late June can range from

REMOVE WARTS!

Amazing Compound Dissolves Common Warts Away Without Cutting or Burning. Doctors warn picking or scratching at warts may cause bleeding, spreading. Now amazing Compound W² penetrates into warts, destroys their cells, actually melts warts away without cutting or burning. Painless, colorless Compound W, used as directed, removes common warts safely, effectively, leaves no ugly scars.

DO YOU KNOW...

...That The Practice Of Pharmacy Dates Back to the Days Of The Egyptians?

The ancient Egyptians were very skilled in the practice of pharmacy. It is even believed that the science of chemistry originated with them.

Members of the yearbook committee for Century of Progress Study Club were hostesses for the coffee which opened the club year with presentation of the new yearbooks which feature the course of study, "To Every Thing There Is A Time." Pictured in the home of Mrs. George Long were the club president, Mrs. Edwin Dickerson; yearbook committee chairman, Mrs. E. A. Birdwell; and committee members, Mrs. Jack Strange and Mrs. Long.

Club Opens New Year With Coffee In The George Long Home

September 13, at 9:00 a.m., members of Century of Progress Study Club opened the 1967-68 club year with a coffee in the home of Mrs. George Long. The committee acknowledged and expressed appreciation to Mrs. Roy Montague for her contribution of the sketches in the yearbook. Mrs. Wayne McMurtry gave the devotional, "The Essence of Time" which was followed by the President's Welcome by Mrs. Edwin Dickerson.

Table appointments were China and silver. The centerpiece was an arrangement of bronze and gold mums surrounding a small gold alarm clock, set to chime at the "coffee hour." Mrs. Strange presided at the refreshment table, serving fresh fruits, apricot horns and meat tassies to Mmes. Carl Bomar, James Davis, Dickerson, Garland Francis, L. D. Griffin, Flute Hutsell, McMurtry, Joe Montague, Pat Northcutt, O. C. Rampley, Norman Strange, Wayne Vaughan, Bill Wristen and the clockwatchers, Mmes. Long, Birdwell and Strange.

Society News

Club's Conservation Program Planned

L. O. A. Junior Study Club will meet at 3:45 p.m. in the school homemaking department Tuesday, September 26, for their conservation program. Mrs. Jimmy Ray Baird is scheduled to give the devotional, and Mrs. Leon Lavy is to lead members in the Collect for Clubwomen. Roll call will be answered with ways to save water and prevent air pollution. The Conservation Pledge will be given by Mrs. Louis E. Grabbe. "It's Your Decision" is the title of a clean water film to be shown by Mrs. Robert Haley Hill. "How Fresh Is Our Air?" is to be discussed by Mrs. Champ McGavock. The program will be followed by an informal discussion period. Hostesses are Mrs. Charles Sarchet and Mrs. Weldon Tipton.

L.O.A. Members Open New Year

Members of L. O. A. Junior Study Club held their first regular meeting of 1967-68 on September 12, 1967, in the dining room of City Cafe, at which time the new yearbooks were presented. The club's new course of study is "Treasure Chest of Knowledge" and has been planned by Mrs. Bill Durham, Mrs. Paul Williams and Mrs. John Schott, members of the program committee. Mrs. Durham, chairman of the committee, outlined plans for the year's programs. "Treasure Unlimited" was the title of the president's welcome given by Mrs. Randall Eddleman. Clubmembers heard a letter from Mrs. James Ross Alexander in which she requested a year's leave of absence. Mrs. J. E. Patton reported on the activities of the civic and projects committee to be carried out during the year. She presented the poster which had been made by the committee showing names, addresses, locations and birthdays of servicemen. The map was to be placed in the window at Nance's Food Store following the meeting. Jeweled flag pins for sale by the clubmembers were distributed. Proceeds of the sale of pins are for the High Plains Training Center for retarded children in Plainview, the club's project in the community improvement contest. Mrs. Eddleman showed the award the club received for first place in the state for the press-book.

MRS. DAVID PERSONS SCHOTT

* NEW BABIES

Sp6 and Mrs. Walter Perkins of Anchorage, Alaska, are parents of a daughter, Tonga Sue, born on September 14, at 5:00 p.m. She weighed six pounds, five ounces. The couple have two other children, Bruce, 3½, and Tammy, 2. Grandparents are Mr. and Mrs. Otto Herring of Straubing, Germany, and Marion Perkins. Mr. and Mrs. Marlon Witherspoon of Olney are the parents of a son, born there September 8. He weighed seven pounds, nine ounces, and has been named Carey Wayne. Grandparents are Mr. and Mrs. Leroy Shipman of Plainview and Mr. and Mrs. M. M. Witherspoon of Anahuac. Great-grandmothers are Mrs. Bertha Hight of Gary and Mrs. W. W. Reid. Mrs. Witherspoon, nee Wilma Shipman, is a former Silverton resident.

Jeweled Flag Pins On Sale Here Now

Members of L. O. A. Junior Study Club are selling jeweled flag pins as a part of the club's participation in the joint entry with Caprock District in the support of the High Plains Training Center for retarded children in Plainview. The pins sell for \$2.00 each, and of this \$1.00 pays for the cost of the pins and \$1.00 goes to the Training Center where retarded and handicapped children from this area are being given therapy and other help. Anyone desiring to purchase one of these pins to help a child and have a pretty piece of jewelry as well, is asked to contact Mrs. Randall Eddleman, president, or any member of L. O. A. Junior Study Club.

Crockett - Schott Vows Exchanged

Miss Linda Gail Crockett and David Persons Schott exchanged wedding vows at 7:00 p.m. on Saturday, August 26, in the Chapel of the First Christian Church in Amarillo with the Rev. Ernest Miller directing the double-ring ceremony. Parents of the couple are Mr. and Mrs. James L. Crockett of Amarillo, and Mr. and Mrs. W. E. Schott, jr. Miss Mary Denise King of Hereford was maid of honor, and W. E. Schott, jr. served as his son's best man. Given in marriage by her father, the bride wore a white fitted dress with matching coat and a corsage of white rosebuds. A wedding supper was hosted by the bride's parents following the ceremony. Following their wedding trip to New Mexico, the couple is at home at 3318 Western in Amarillo. The bride attended West Texas State University and is employed by Texas-Oklahoma Express. The bridegroom is a student at West Texas State University and is employed by Illinois-California Express.

Mrs. Joe Wayne Brooks Recovering At Her Home

Mrs. Joe Wayne (Donna) Brooks of 111 Greenbriar, Belton, Texas 76513, has been undergoing therapy at her home for the past three weeks after having been a patient at Scott & White in Temple for six weeks, of which she was in critical condition for five weeks. She is able to walk some with a walker and is exercising to recover the use of her hands and arms. She goes to Scott & White for therapy once a week. Her mother, Mrs. Roy Mayfield, and her mother-in-law, Mrs. Joe Brooks, have both been a Belton with her, but Mrs. Brooks returned to Silverton last week to spend a few days before returning to help in her son's home while Mrs. Mayfield comes home for a few days. Joe Wayne Brooks is a coach in the Belton School System, and has gone ahead with his teaching duties in spite of his wife's serious illness with the assistance of their mothers. Mrs. Brooks told the Briscoe County News early this week that Donna is unable to write thank-you notes to her friends who have remembered her in so many ways, but that she is appreciative of everything that has been done, and hopes soon to recover so that she can again do the things to which she had been looking forward before she became ill. Mrs. James Roy Brown of Post and Mrs. Randall Eddleman are visiting in the home of Mr. and Mrs. George Wayne Rampley and family this week.

Tour Of Center For The Retarded Planned By Club

The hands of the clock point to 9:30 a.m. for the Century of Progress Study Club on September 27, when members have planned a tour of the High Plains Training Center for Retarded Children in Plainview. The Training Center is one of the club's projects. The program is planned as a highlight of the year's study in the Public Affairs department. Lunch and the business meeting are to be at Tode's Steak House following the tour. Members are asked to meet at the drug store promptly at 8:30 a.m. to go to Plainview in a group. Records will be Mrs. George Long, Mrs. Jack Strange and Mrs. E. A. Birdwell. Mr. and Mrs. Jerry Dee McWilliams and Trey of Snyder are visiting relatives and friends here this week.

YOUNG HOMEMAKERS IN REGULAR MEETING

Silverton Young Homemakers met September 14, in the homemaking department, and answered roll call with Money-Saving Food Ideas. The devotional was given by Mrs. Joe Lee Bomar. Mrs. Ken Cook presented the program on Food Budgeting. During the business session, Young Homemakers of Texas Week was discussed. Plans were made for each member to make a poster pertaining to Y.H.T. Week and place it in a store window in town. Each leader prepared and displayed a poster concerning the program she has for the coming months. The Young Homemaker attending the most meetings during the past year is Mrs. Gordon Lowrey, and for this, she received a gift from each member. The gifts were all baby items. Three Silverton Young Homemakers assisted at the 11th annual field day at High Plains Research Foundation in Plainview on September 14. Registering guests were Mrs. Joe Lee Bomar, Mrs. Joe Kitchens and Mrs. Wayne Stephens. New members are Mmes Joe Kitchens, Dyrle Maples, Jerry Patton, Ed Parton and Bob Stafford. Guests were Mrs. G. W. Chappell and Mrs. Jack Robertson. Mrs. Buck Hardin and Mrs. Riley Harris served Cokes and cookies to guests and members, Mmes. Ken Cook, Joe Lee Bomar, Joe Brannon, Guinn Fitzgerald, John Francis, Buck Hardin, Riley Harris, Gordon Lowrey, Wayne Stephens and Ronald Vaughan. Next meeting will be October 12 in the homemaking department with Mrs. Ronald Vaughan as program leader. Ken Sarchet visited his grandparents, Mr and Mrs. J. M. Hill, in Tulia Friday and Saturday nights.

Progressive H. D. Club To Continue Until End of Year

At the meeting of Progressive Home Demonstration Club in the P. C. A. community room on September 7, discussion was carried on concerning continuing the club without benefit of a Home Demonstration Agent. The motion carried to continue meeting until the first of the year. The club president and council delegate reported on Council. Opal Hyatt was hostess, and other members present were Verne Allison, Ella Leah Riddell, Bessie Bean, Eudean Crow, Stella Davis and one guest, Miss Bryant. Next meeting will be with Mrs. McJimsey.

Owls Stuff Turkey

Friday, September 15, 1967, the Turkey Stadium in Turkey, Texas, was the scene of the annual Silverton-Turkey clash. The Owls defeated the

Turks 6-0, before an estimated 1000 fans. The weather was ideal from the spectators point of view, but was a little warm for the football players.

FFA Initiation, Dues Discussed

The FFA Chapter met last week to set dues and to discuss the Green Hand Initiation. Dues were set at \$2.25. Committees were appointed to make arrangements for the event.

The Green Hand Initiation was held September 19, at 7:30 p.m. in the school gym.

FHA Votes To Sell Stanley Products

The Silverton Chapter of the Future Homemakers of America met on September 11 in the auditorium for a regular business meeting, and voted to sell Stanley products during the school year.

The meeting was called to order in ritualistic form by Vicki Vaughan, president. Members were reminded that dues are \$2.00 and must be paid by September 22.

The Stanley Party, which was held Saturday, was discussed and committees were appointed. It was decided that each girl will be responsible for selling 25.00 worth of Stanley Products each semester. This is FHA's major project of the year, and the girls will be selling products until January.

Before the meeting was closed, the Freshman girls were asked to leave and plans were made for the Freshman Breakfast to be held the next day.

Support The Quarterback Club

The Silverton Quarterback Club meetings are held each Monday night at 8:00 p.m. in the school cafeteria. Films of the preceding Friday's game are shown and commented upon by Coach Stephens. All who are interested are invited to attend.

Several members were present last week and were served refreshments by Mr. Jack Strange and Mrs. Edwin Dickerson, hostesses. Mrs. Leo Comer and Mrs. O. C. Rampley volunteered to serve as the next hostesses.

Mr. and Mrs. Rampley extended an invitation to all members of the Silverton Quarterback Club to stop at their house on the way home following the Turkey-Silverton game. More than 40 people were present to discuss the game and to enjoy refreshments.

Silverton won the toss and elected to receive from the east goal. Early in the second quarter the Owls scored when Quarterback Lannie Arnold handed off to Tailback Cletus Grady, Jr., who followed the blocking of Bill Strange into the end zone.

The Owls threatened on other occasions, but were stopped by costly penalties. The Owl's strong defense stopped the Turks cold. Larry Comer, Van May and Donald West picked off Turkey passes to stop Turkey's drives.

Overall, Coach Stephens showed satisfaction with the entire ball club.

SPIRIT WEEK

Last week was designated by the Student Council as SPIRIT WEEK in S.H.S. Purpose of the special week was to build the spirit up in hope that it would stay at an all time high throughout the season. It has been said that school spirit is highest before the Turkey and Silverton game, and this year it was at its peak.

Each class was competing to see which class could have the highest spirit. The Freshman class was chosen by the teachers and was announced Friday. Upperclassmen felt that the Freshmen had sympathy on their side due to the last three days of the week being Freshman Initiation.

Seniors To Have Pictures Made

Principal O. C. Rampley announced last week that the Seniors will have their pictures made September 29.

FROM ME TO YOU

by Ian Lanham

Do you know what tomorrow night is? It our first home game.

Home games always seem to have more life and spirit than the out-of-town games. One of the reasons is because more people come out to support their team when they don't have to travel quite so far. Only when people of all ages are willing to stand behind and support their team does spirit thrive. You can't win a ballgame without spirit, and you can't have spirit without support. This is why it is so important for everyone to support their team. Teamwork, we have always

heard said, is important if anything is to be accomplished. This can be applied to more than just the players in the game. It can include the spectators, also. We must work together to let the football boys know that we are behind them all the way.

Good sportsmanship is a way that everyone can support their school. When there is a display of bad sportsmanship by anyone, it gives the school a bad name. The referees are our guests, and it is our responsibility to treat them as such. They may make mistakes, but after all they are only human. "Who will be the one to cast the first stone."

Please, everyone, come out for our first home game and support your team all the way.

NEW F.B.L.A. MEMBERS—(First row, from left) Janet Montague, Donald Dee West, Mary Garcia, Rosa Mariscal, Gail Mayfield, Rhonda Drewry, Pat Jarrett; (second row) Judy Yancey, Diana Strange, Teresa Martinez, Maria Vasquez, Gary Martin, Gene Smith, Gayla Tate, Roy Garrison, Mar Hamilton, Johnnie Roy Weaver, Jerry Bean; (third row) Kathi Perkins, Marilyn Minyard, Ginger Martin, Cathy Jones, Paula Birdwell; (fourth row) Cynthia Sutton, Joe Mercer, Jerry Shoemaker. (News Photo)

F.B.L.A. To Sponsor Hamburger Supper

The F.B.L.A. will sponsor a hamburger supper from 5:30 until 7:30 p.m. in the school cafeteria Friday before the Silverton vs. Happy football game.

French fries, hamburgers, sherbet, tea or coffee will be served for 85c. Proceeds will be used to buy sweaters for the new F.B.L.A. members.

SHS Students Receive Letter

The following letter was received from someone that all admired and respected while he was teaching in our school system.

Dear Owl's Hoot and the Students of SHS,
Greetings from East Texas! I've thought a great deal about you in the past two weeks since moving to White Oak. We are just starting our second week of school today whereas you are in your third week. (We'll have to go a week longer this spring though). I like the early start better, I think.

We have a seven period day beginning at 8:15 and running until 3:37. This allows the students to take more subjects or a study-hall.

White Oak is a Class A school with high school enrollment of about 200 people, but is just a few miles from Longview which has a population of approximately 40,000.

We seem to have a pretty good football team. We beat Grapeland 34 to 6 last Friday. One newspaper lists us as one of the top ten class A teams in the state. (I think it was the Longview paper!!)

I'd like to thank each of you for the three most enjoyable years of my teaching experience. When students are as nice and respectful as you all are, then teaching becomes a real pleasure.

You have much to be thankful for there at Silverton.

I appreciate the support and confidence given me by Mr. Hinds, O. C. Rampley, and Bill Verden. The relationship between the teachers at Silverton was also appreciated by me.

I trust that this year will be a very profitable one for each of you and may God bless and keep each of you.

Sincerely,
Glen L. Grosdidier
White Oak High School
White Oak, Texas 75693
Mr. Grosdidier's address is Rt. 4, Box 175, Longview, Texas, 75601. He would appreciate hearing from all of you.

Spirit Assembly Held On Courthouse Steps

Last Thursday the students of Silverton High met on the town square for a snake dance through town. Bill Strange's pickup was used to pull the victory bell at the head of the parade. The cheerleaders rode in the back of the pickup with a few of the Senior boys who rang the victory bell.

Afterwards, everyone met on the courthouse steps to cheer the Owls on to victory against the Turks. It is generally accepted that this was one of the most successful pre-game assemblies ever held in Silverton before the traditional Silverton-Turkey game.

Pep Rally Held Before Turkey Game

Friday, September 15, a pep rally was held in the school gym, with the cheerleaders doing an original version of "Tiptoe Through the Tulips".

Speeches were given by Harvey Masey, Donald West, Lynn Frizzell, Bill Strange, and Thurman May. Coach Stephens recognized the "B" team and congratulated them for their first win of the season against Matador. Coach Fox had a few interesting comments to make for the benefit of the student body and received thundering applause.

The cheerleaders sang a song about SPIRIT which was dedicated to the football players. After the pep rally was closed with the Fight Song, the students wanted to yell a little longer and after more songs, returned to their regular classes.

Congratulations Freshmen!

by Mary Garcia
Last week was Freshman Week and all the Freshmen had smiles on their faces. They were chosen as the class with most spirit, having already learned as the upperclassmen did in past years, what spirit means to the school.

We would like to congratulate the Freshmen for the absolutely marvelous cooperation which taught them and the other students what participation means in a school such as Silverton High.

During the past weeks in school, students have shown great enthusiasm, and have done a great amount of work in organizations and the classes.

Silverton High needs cooperative people such as these

"FROSH" WINNERS ANNOUNCED—Janet Baker, Lanis Davis, Rhonda Dickerson, Monty Teeple, Bill Strange, John Burson, Lane Garvin, and Terry Bomar were among the ten winners announced last week in competition during their Initiation Week.

"FISH" SUCCESSFULLY INITIATED

Wednesday, Thursday, and Friday of last week was designated by the Student Council as "Freshman Initiation Week." The following "orders" were posted on the bulletin board.

GIRLS

1. Wash your hair Tuesday night and don't comb it any of the 3 days.
2. Don't wear any make-up of any kind all 3 days.
3. Carry shoe polish every day.
4. Wednesday — dress as farmers.
5. Thursday — dress as grandmothers.
6. Friday—wear a burlap sack decorated with beat Turkey sayings. A prize will be given to the boy and girl with the best decorated sack.

BOYS

1. Wednesday morning you are to part your hair in the middle and put lard on it. You can't wash this off until Friday.
2. Carry shoe polish every day.
3. Wednesday — dress as girls.
4. Thursday — dress as granddaddys.
5. Friday — decorate a burlap sack with beat Turkey sayings.

Beside doing these, they also had to follow every command of upper-classmen. Carrying books, proposing to teachers and other students, polishing shoes, singing songs,

"Bear walking" races, and rolling rocks with their noses—regardless of what got in the way, were a few of the ways the Frosh were asked to embarrass themselves.

At the shout of "air raid," Freshmen were to hit the ground as fast as possible and stay there until the "all clear" sign was given.

On Wednesday the Freshman class presented a program for the entire student body, teachers, and a few parents. Voting on the "farmer with the best crop" was done by applause.

Winner was Janet Baker, who raised "Charley and Eddie", an unusual crop, indeed. Second place went to Evelyn Wood, who grows. Third place was a 3-way tie between Rhonda Dickerson, champion reekle-raiser of Briscoe County; Debbie Bomar, owner of half the sewers (she raises quite a stink!); and Lanis Davis, who doesn't grow anything because she just loafs around the pool-hall all day.

The style-show presented by the Freshman boys was the hit of the season. Terry Bomar first-place winner, made a very cute girl. Runners-up were Bill Strange, Lane Garvin, John Burson, and Monty Teeple.

Pictures of winners appear on this page (except for Debbie Bomar and Evelyn Wood who were in a great hurry to "get to P. E. Class.

The cheerleaders were pictured as they ran the players on the field at Turkey Friday night. An important contribution to school spirit is made by the cheerleaders, who work all during the season planning and carrying out ideas for backing the team. (News Photo by Charlie Baker)

Buy Bonds where you work.

It's miserable work, crawling through a rice paddy. And being shot at. This American does the job for freedom's sake. So do thousands of his buddies. Many of these brave men also support freedom with their dollars: A majority of our servicemen overseas are investing in U.S.

Savings Bonds. Would you like to show this man you're with him? One good way is to buy Savings Bonds where you bank or join the Payroll Savings Plan where you work. You'll make a good investment. And you'll walk a bit taller.

U.S. Savings Bonds

Bond facts: Savings Bonds pay you back \$4 for every \$3 at maturity in only seven years . . . are replaced free if lost, destroyed or stolen . . . have special tax advantages . . . can be redeemed whenever the need arises.
