ON A MISSION FOR GOD

■ Six members of local church headed for Africa

By RICK WHITE
Managing Editor

It was a mission Patrick Counterman thought impossible a few years ago.

For years, the 24-year-old custodian at Dillman Elementary School had longed to travel, to study the culture and customs of other countries.

Until recently, his travels were limited to how far his dreams would carry him.

Dreams sometimes come true.

Next week, Counterman will one of six members of the Muleshoe Church of Christ going on a 24-day evangelistic mission to Africa to spread the gospel.

The group will spend its time in four cities and towns in Cameroon, an agriculture-based nation of nearly 12 million people in west Africa.

"I've always wanted to see another part of the world; to see how they live," Counterman said. "But my main concern is I wanted to save souls in the name of Christ."

"It's the opportunity of a lifetime," Counterman added. "Later on, I didn't want to say 'I wish I'd done that.'"

While the true purpose of missions are "to try and save lost souls," Muleshoe Church of Christ Minister John Knox said the benefits are much more far-ranging.

Out of Africa

Muleshoe's Gene McGuire displays several animals carved out of ebony and mahogany that he purchased while on missions to Ghana. McGuire and five other members of the Muleshoe Church of Christ leave for Cameroon next week on another mission.

"It's one of those life changing deals," Knox said. "It's just healthy to get out and see that everyone doesn't live like we do in West Texas. Sometimes we think that the sun rises and sets on Muleshoe. And that's not always healthy."

For Gene McGuire, an independent seed and fertilizer distributor, in Muleshoe, it will be his third trip to an impoverished third-world African

nation in the last year.

He has visited Ghana twice, most recently last month.

McGuire becomes energized when he starts talking about his previous missions, which included visiting a Liberian refugee camp.

The people of Ghana touched his soul.

"The big difference you notice is how much happier they are, which is remarkable

when you see the conditions they live in," McGuire said. "They don't seem to have the worries we have, and they accept mortality a lot easier."

The people he met in the remote and primitive villages in Ghana were jovial, surprisingly educated and trusting, McGuire said.

"They don't live compli-

District season gives Muleshoe clean slate

By RICK WHITE
Managing Editor

David Wood took more than a quick look at Dimmitt this weekend. He saw a team that is more than a little quick.

Muleshoe opens its District 1-3A season Friday at Dimmitt (7:30 p.m.), a team with the one commodity the Mules fear most.

"Team quickness," the Muleshoe head coach said, dreading the words as they rolled off his tongue. "They pursue to the ball very hard, which leaves some things open . . . but it's hard to take advantage of because they recover so fast."

Dimmitt stacks up as a fly-weight (only two players pushing 200 pounds) in the pre-game weigh-in with the big and physical Mules, but counters well by swarming to the ball.

"We're just going to have to pound the ball at them and hope we break one once in a while," Wood said.

The district season brings fresh hope for the 0-3 Mules.

"It's a new season," Wood said, repeating the battle cry of all coaches. "We played a tough pre-district schedule and we got through it pretty well."

The Bobcats are 2-1 under first-year head coach Bruce Dollar after shutting out Class 2A Canadian, 7-0, last week.

"We're not quite together yet," Dollar said after the Bobcats limited Canadian to 130 yards. "But our defense has played pretty well."

Dimmitt took advantage of good field position last week.

EXTRA POINTS

RECORDS

Dimmitt: 2-1. Beat Canadian, 7-0; beat Sundown, 24-1; lost to Lockney, 13-0.

Muleshoe: 0-3. Lost to Springlake-Earth, 28-0; lost to Denver City, 7-6; lost to Portales 41-0.

KEYS TO SUCCESS

Dimmitt: Continue to play swarming defense. Establishing fullback is key to wishbone offense. Take advantage of speed.

Muleshoe: Needs to put together long scoring drive early to gain confidence. Wear down smaller opponent and control clock. Pass the ball well enough to keep the defense honest.

Junior Zack Matthews averaged 41 yards a punt and dropped three punts inside the 10-yard line.

"We just hang in there and hope the other team makes mistakes," Dollar said.

Matthews' 17-yard run in the fourth quarter gave the Bobcats the win.

Dimmitt operates out of the wishbone, which is always dangerous because it requires discipline to defend.

But the Mules' defense continues to improve, despite a 28-0 loss to Springlake-Earth last week.

Quarterback James Williams (147 yards, 3 TDs) ran Muleshoe ragged in the second half, but it's unlikely the Mules will see another like him the rest of the season. Don't be surprised

Programs give MHS students taste of college-level classes

by SAMUEL VILLARREAL
Journal staff writer

Two programs involving local high school students in college-level classes were discussed Monday during the regular bi-monthly meeting of the board of trustees of the Muleshoe Independent School District.

Muleshoe High School will use on-line computer networking to involve science and English students in college level work at two local universities.

The high school is working with Eastern New Mexico University and the University of New Mexico to start the ENMU Math and Science Research Partnership.

The program will enable select students from

MHS to participate in research projects with college students and professors. Students would work during the school year with the two universities through an on-line computer network.

An added part of the program would allow students to continue working in the program during the summer at either college campus.

Jack Willis, a science teacher at MHS, is coordinating the efforts.

According to Willis, the entire project depends on the passage of a \$70,000 grant from the Research Corporation, a Tucson, Ariz. that provides for education and research grants.

"This program would benefit more than just

Farmer-Stockman Show Oct. 8-10

LUBBOCK — The fourth annual Farmer-Stockman Show is scheduled for Oct. 8-10.

The largest outdoor working farm and ranch show in the southwestern United States, boasts 800 acres of show site with 54 acres of stationary exhibits and 600 acres of crops for field demonstrations. Crops to be harvested during the show are corn, cotton and alfalfa.

In addition to the many field demonstrations, the exhibit field will be covered with the latest in agricultural technology. Companies will exhibit tractors, combines, cotton strippers, tillage equipment, spraying equipment, irrigation equipment, seed, chemicals, fertilizers, livestock equipment, trucks, trailers, and many more services and products.

The busy three-day sched-

ule includes a variety of activities for the entire family. For producers, field demonstrations exhibit modern machinery in harvesting, tillage, and hay handling.

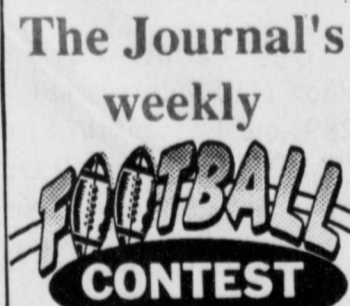

Livestock demonstrations have been expanded this year with live cattle handling demonstrations, horse training sessions, cutting horse demonstrations, and current

Stanley extends town's winning streak to three

Ray Stanley became the third-straight Lazbuddie resident to win the Journal's weekly football contest.

Stanley edged John Purdy of Muleshoe in the tie-breaker to win the \$15 first prize.

Both correctly forecast 14-of-18 games (one game was a tie). Stanley's guess of 41 for the total points of Monday's Miami-Indianapolis game (16 points) earned him the win. Purdy guessed 72 and had to settle for the \$10 second prize.

Trevor Gartin of Lazbuddie won the \$5 third prize in a tie-breaker over Harold Pollard of Enochs and Daniel Morris of Muleshoe. All missed four games.

A total of 43 contests entered the contest.

cated lives," McGuire said. "But I'm not too sure at least in the spiritual sense they're not more blessed in that way."

Cameroon once was a colony of both England and France, with French now the predominant language.

Missions are not new in Africa. Christianity was introduced by Europeans during the colonial period. Today, more than half of the Cameroon population is consider Christian.

Cameroon is made up of mostly farmers who live in small towns and villages. It is also well-known for its mahogany, ebony and teak woods.

Cameroon has a subtropical climate, with rainfall ranging from 15 inches a year in the semiarid regions, to 153 inches

on the coast and up to 400 inches on the mountain slopes in the west.

More than \$20,000 was raised by the congregation in one day to fund the trip, Knox said.

"If the church is not focused on a mission, it creates a real void in the congregation," Knox said.

The Muleshoe Church of Christ also fully funds a cottage at the New Mexico Christian Children's Home in Portales. The church donates almost \$45,000 a year to see that orphans and troubled youths have a place to live.

Joining Counterman and McGuire on the trip will be Phil Kent, Frieda Locker, and Roland and Martha McCormick.

LETTER TO THE EDITOR

Dear Editor:

These few lines will be my way of getting out a very special THANK YOU to all the wonderful, helpful people who were at McDonald's on the eve of Sept. 18 when my husband and I were on our way home to Clovis after my husband was discharged from Methodist Hospital in Lubbock.

(I) don't remember names, but (I) recall Noreen, Tommy (medic), all the people at the E.R., and Dr. Purdy. Thank you! Thank you!

A blood clot dislodged and traveled thru a vein to his lungs.

As of Sat. 21, he is still in the hospital - doing better and hopefully will be able to leave again and come home Monday (Sept. 23).

Thanks again to all!

the students who participate," Willis said. "The grant will cover the acquisition of computer equipment and technology that can be used by all the students (at the high)."

Willis, who also works as a research assistant at ENMU, said that even if the proposal does not pass, he will still pursue some form of educational partnership with the university.

"As far as which students will participate, we are looking for teacher recommendation, as well as an interest in pursuing a science field in college," said Willis. "The research will deal mainly with chemistry, but we plan to students from all the different science classes."

"I see this as a great opportunity for the students," Willis said. "The program will introduce these students to a

situation where they will encounter the instrumentation of real college lab and research efforts."

The board of trustees also discussed a plan to establish an on-line writing lab with Texas Tech University.

Students who are in Advanced Placement English will be able to submit written work to university graduate students to be critiqued.

"I think that this is a great program for the students," said Johanna Wrinkle, an English teacher at MHS. "The students receive help in the areas that they ask for."

Muleshoe currently uses a computer network from Texas Tech to send their work. Wrinkle hopes to have a network at the high school to send work by the spring semester.

Comptroller assures validity of state checks

AUSTIN — State Comptroller John Sharp has assured Texas banks, grocers and others who routinely cash state warrants that the documents are completely valid even though the State Treasury has been abolished and former Treasurer Martha Whitehead's signature on them has been marked out.

"I didn't want to waste \$8,000 of state taxpayers money to shred the 456,000 remaining state warrants bearing Martha Whitehead's signature. We process state warrants at the rate of 150,000 a week and expect to run out of the existing supply in early October. Until then, we will continue to write state warrants with Martha Whitehead's name struck through," Sharp said.

Above the strike-through over Whitehead's signature is the notation: *Office of Treasurer Abolished by Voters Eff. 09/11/1996.*

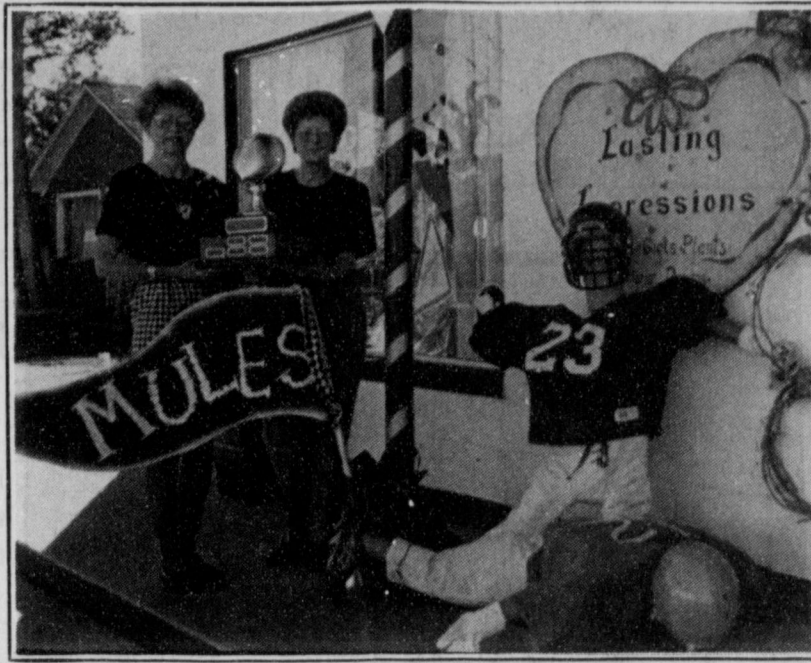

With the exception of un-

employment benefits and Aid to Families with Dependent Children, the Comptroller writes all warrants for Texas state government, approximately 8.5 million a year. A warrant is in effect a check issued by the State of Texas with guaranteed payment.

State law allows the existing warrant stock to be exhausted when either the Comptroller or the Treasurer "ceases to hold or perform the duties of office," and requires that the obsolete signature be struck through.

Texas voters overwhelmingly adopted a constitutional amendment in 1995 abolishing the State Treasury, effective Sept. 1., merging the functions of the agency into the Comptroller's Office.

Anyone who has a question about the validity of a state warrant should contact the Comptroller's Office toll-free at 1-800-531-5441, ext. 5-0965. In Austin call 475-0965.

COTTON NEWS

LUBBOCK — Public discourse about the direction and fate of the High Plains Enhanced Diapause Control Program appears to be missing the point according to Lubbock-based Plains Cotton Growers (PCG).

"The important thing to remember about the diapause program and its success is that this Fall's program is truly the first investment a producer can make toward reducing his potential outlays for the 1997 cotton crop," says PCG Boll Weevil steering Committee member Mike Hughes of Lamesa. "Assuming a full program is carried out a producer already infested with weevils is likely to eliminate at least one boll weevil application in the 1997 crop saving themselves several dollars per acre in the process."

"That is probable a conservative estimate of what it could mean financially since many producers have reported a reduction of more than one weevil application following the 1995 program."

Preparations for the program have already been made. Both ground and aerial application methods will be utilized in 1996 in order to more directly address individual infestations that require treatment.

"The only thing that will hold us back this year will be too many people taking a wait and see attitude regarding the future of the program," says PCG Executive Vice President Donald Johnson.

SIX-MAN PREVIEW

Eagles face another tough road test

Three Way hardly has time to catch its breath.

Fresh off a 32-12 upset of eighth-ranked Wellman, Three Way takes on Groom Saturday in a non-district game at Silverton.

Groom is coming of a 62-56 win over No. 4 Chillicothe.

"We've hit a stretch that if we don't play we'll get embarrassed and hurt," Three Way coach Danny James said. "But the kids are responded to the challenge."

Tailback Justin Ritter rushed for 319 yards and scored seven touchdowns for the Tigers (2-1).

"They are small, but extremely quick," James said. "If we allow then to get into the secondary, we might as well lineup for the extra point."

The Eagles have started the season at 3-0 behind an offense averaging more than 400 yards a game and a physical defense.

The Eagles are led by senior quarterback/running back Jesus Perez. Perez has rushed for 440 yards and four touchdowns and thrown three touchdowns.

Eagles soar behind passing game

WELLMAN — A punishing ground game set up two long second-half touchdowns passes in Three Way's 32-12 win over eighth-ranked Wellman.

With Three Way leading 16-6 midway through the third quarter, Chris Soliz tossed touchdown passes of 44 yards to Jonathan Kindle and 51 yards to Kyle Kindle to put the game out of reach.

"We ran the ball well enough to hit a couple passes behind the secondary and that was the difference in the game," said Three Way coach Danny James.

Up until that point, both teams struggled to reach the end zone, James said.

Three Way finished with 215 yards rushing and another 202 in the air. The Eagles (3-0) came into the game averaging 487 yards a game.

Wellman drops to 2-1.

Three Way marched 66 yards on 12 running plays with the second-half kickoff, going up 16-6 on Randall Rodriguez'

'Horns escape with 44-42 win

SILVERTON — Lazbuddie rode the workhorse effort of Justin St. Clair and the thievery of Chris Smith to a 44-42 win over Samnorwood Friday.

St. Clair rushed for 277 yards and four touchdowns on 34 carries and Smith provided the winning score on a 70-yard interception return, keeping the Longhorns unbeaten at 3-0.

Samnorwood, ranked sixth in the state entering the game, drops to 2-1.

The outcome wasn't decided until St. Clair and Smith combined to block the potential

to see Williams in a Division I uniform in a few years.

The offensive woes continue, however.

Muleshoe has scored just six points in three games, averaging 154 yards a game—hardly scary numbers.

Part of the problem is Wood has been forced to use three different offensive line combinations in the first three games because of suspensions.

Last week, the Mules were forced to go with a makeshift

line that included a center that hadn't played there since junior high and a 150-pound guard that hadn't played an down all season.

"We've only had one game when we've had all our kids," Wood said. "I think the kids know what they can do when we have all our players."

Muleshoe also lost starting guard Michael Cortez for the season with a knee injury last week.

Muleshoe has shown hints

of being able to move the ball, but penalties, turnovers and blocking breakdowns continue to bog down the offense.

"For three or four minutes, they look really good," Dollar said. "Then they just seem to lose their mental focus. But that comes with learning the system and the expectations of the coaching staff."

Louis Hines (181 yards) has shouldered most of the load for Muleshoe, looking particularly dangerous on sweeps.

DISTRICT 1-3A ROUNDUP

Muleshoe is not alone. Amarillo River Road and Dalhart will also be hunting their first wins when the district season opens this weekend.

Caprock shutout River Road Thursday, 16-0, leaving the Wildcats 0-3 for the first time since their first season in 1990. All three Wildcat losses have been to Class 4A teams.

Caprock (2-1) sacked pre-season player of the year candidate Rowdy Lundegreen (9-20, 147 yards, 1 int.) six times for 42 yards, including a safety in the third quarter. Tailback Lee Withers gained 88 yards on 20 carries for the Wildcats, who lost two fumbles inside the Caprock 10.

Dalhart (0-2-1) rallied from a 16-point fourth-quarter deficit on the road to tie Class 2A West Texas High, 36-36.

Tyler Kruse ran for three touchdowns for the Golden Wolves. Dalhart tied the game on quarterback Josh Reynold's 25-yard run and two-point conversion. Kruse scored on runs of 1, 45, and 14 yards. West Texas led 28-13 in the first half.

WT High held a 420-385 edge in total yards.

Zack Matthew's 17-yard touchdown run in the fourth quarter lifted Dimmitt (2-1) its second-straight game, 7-0, at

Class 2A Canadian. Interceptions killed Canadian (2-1) drives at the Dimmitt 9 and 26-yard lines. The Bobcats outgained Canadian, 132-130, in the defensive struggle.

Two teams picked up their first wins Friday.

Sanford-Fritch (1-2) snapped a 12-game losing streak, edging Class 2A Panhandle, 24-23.

Fritch took a 24-9 fourth-quarter lead on three short touchdowns runs by Travis Holland and an 85-yard kickoff return by Bubba Winkle. Holland finished with 133 yards on 21 carries. Panhandle is 0-3.

14-yard run.

"That pretty much set the tone for what we did the rest of the night," James said. "We did an excellent job of blocking at the point of attack. It forced them to make changes to stop the run and that opened up the pass."

Soliz was 3-of-6 for 117 yards and Jesus Perez finished 6-of-7 for 87 yards.

Perez paced the ground

game with 102 yards on 17 carries. Rodriguez added 79 yards and two touchdowns on 16 carries and fullback Lupe Landeros picked up 34 yards on seven carries, plus was 4-for-4 kicking extra points.

Three Way kept all-state candidate Sean Rowden out of the end zone, although he did pick up 142 yards on 19 carries.

"We didn't really control him, but we did do a few things to keep him out of the end zone and that made some difference," James said.

Jonathan Kindle caught five passes for 106 yards.

But Travis Thompson returned the ensuing kickoff 70 yards for a touchdown, pulling Samnorwood within 38-36.

A few minutes later, Samnorwood was perched on the Lazbuddie 10-yard line ready to take the lead.

But Samnorwood quarterback Landon Dwyer, under heavy pressure from Jason Thomas and Edward Terry, threw a wounded duck that Smith in-

tercepted and returned for a touchdown, giving Lazbuddie a 44-36 lead.

It was Smith's second interception of the game and fourth of the year. He also recovered a fumble and blocked two kicks in the game.

It was the second week in a row he returned an interception for a touchdown. Smith also caught a 37-yard touchdown pass from St. Clair.

Scisson said mistakes kept the score close.

The 'Horns were penalized 15 times for 125 yards and committed four turnovers.

St. Clair's heavy workload was a result of an injury to starting running back Brice Foster (a concussion last week) and a Samnorwood defense bent on stopping the pass.

"They were focusing on stopping the pass so we kept running the sweep," Scisson said.

Lazbuddie finished with 317

yards rushing and added another 180 yards passing.

Sophomore Josh Morris completed 9-of-11 passes for 94 yards while sharing quarterback duties with St. Clair.

Adam St. Clair caught five passes for 61 yards for Lazbuddie.

Levi Carter burned Lazbuddie for 154 yards and three touchdowns, including runs of 57 and 58 yards in the second quarter that tied the game at 16-16.

"Once he turned the corner he was gone because he was so quick," Scisson said.

Dwyer completed 9-of-15 passes for 202 yards as Samnorwood finished with 398 total yards. Wide out Artie Wright caught four passes worth 148 yards.

Jeremy Patton rushed for 84 yards and four touchdowns, leading Tulia (1-2) past Lubbock Cooper, 42-13, at home.

Zachery Ramos got the Hornets on the board with a 19-yard TD run in the first quarter and Marcus Finch finished the scoring with a 31-yard jaunt in the fourth quarter. Cooper is 0-3.

Friona (2-1) edged previously unbeaten Shallowater at home, 11-7, on Shane Blackburn's 14-yard run in the third quarter.

Lazbuddie (3-0) will also be coming off a big win when it hosts New Home Friday.

The Longhorns edged No. 6 Samnorwood, 44-42, last week.

Lazbuddie coach said a lot of work still remains even after the 3-0 start.

"We still have to run the ball better, obviously cut down on the penalties, and get better pass protection," Scisson said.

The Longhorns rushed for 317 yard last week against a defense stacked to stop the pass. Lazbuddie was flagged for 15 penalties for 125 yards.

EMERGENCY RICE AND FRANK SKILLET SUPPER
Prep: 5 minutes Cook: 15 minutes Serves: 4 to 5

When time is short and your need to get something on the table fast, this is one possibility -- and it's appealing to children.

1 (28-ounce) can crushed tomatoes with added puree 2 cups instant rice

1/2 green bell pepper, chopped 3/4 cup shredded mozzarella cheese

1/2 inch thick sliced beef franks, 1/2 cup shredded mozzarella cheese

1 1/2 teaspoons basil

1. In a large skillet, combine tomatoes, green pepper, franks, and basil. Heat to boiling, stirring occasionally. Stir in rice. Cover pan and remove from heat.
2. Let stand 5 to 10 minutes, until liquid is absorbed and rice is tender. Stir with fork to fluff.
3. Stir in Parmesan cheese. Sprinkle mozzarella cheese over top, cover, and cook over low heat 5 minutes, or until cheese melts.

SPANISH RICE SUPPER
Prep: 10 minutes Cook: 40 to 45 minutes Serves: 4 to 5

- 1 pound lean ground beef
- 1 onion, chopped
- 1/2 green bell pepper, chopped
- 1 cup converted rice
- 1 (28-ounce) can cut-up, peeled tomatoes, undrained
- 1 (6-ounce) can tomato paste
- 1 cup water
- 2 teaspoons ground cumin
- 1/4 cup canned diced chilies
- 1/2 teaspoon salt
- 1/4 teaspoon pepper

1. In a 10-inch skillet cook beef, onion, and green pepper over medium-high heat, stirring often, until beef is browned, 8 to 10 minutes. Drain off excess fat.
2. Stir in rice, tomatoes with their liquid, tomato paste, water, cumin, and chilies. Heat to boiling, stirring occasionally. Reduce heat to low. Cover pan and simmer over low heat 30 to 35 minutes, or until rice is tender. Stir in salt and pepper. Serve immediately.

 The American Experience
 "TR, The Story of Theodore Roosevelt"

Theodore Roosevelt embodied America at the turn of the century: the confidence, the exuberance, the aggressiveness — it was all there, all in him. Cowboy, soldier, explorer, scientist, a world authority on large mammals and small birds, the author of 36 books and 150,000 letters, he was president by the age of 42.
 Roosevelt's diverse experiences, magnetic personality ("a steam engine in trousers," someone called him), and genius for publicity made him a legend in his own time. Challenging the stereotypical image of TR as a comic figure, "TR, The Story of Theodore Roosevelt" portrays him as a deft politician and skillful diplomat. It reveals his key role in creating the modern presidency and shows how he used the office to increase the federal government's power to regulate big business, leave a permanent legacy of national forests and parks, and accelerate America's rise to world power. It also reveals the human side of the man. Shadowed by illness, haunted by the deaths of those most dear to him, he learned early that life was "one long campaign where every victory merely leaves the ground free for another battle."
 "TR, The Story of Theodore Roosevelt" on **The American Experience**, a two-part special, will air Sunday and Monday, October 6th and 7th at 8:00 p.m.

FRONTLINE

In October, **Frontline** opens its fifteenth season on PBS with "The Choice '96," a dual biography of the 1996 presidential candidates, Bill Clinton and Bob Dole. Interweaving their public careers and private lives, the two-hour report offers an illuminating portrait of each candidate's record and, most important, his character, to help voters understand what kind of president each might be in the next four years.
 Next, **Frontline** examines the Navy after Tailhook in "The Navy Blues," an investigation of the seismic shock caused by the sex scandal involving naval aviators five years ago and its continuing impact on the Navy. The film explores the controversy over the post-Tailhook mandate to introduce women into combat roles and positions of greater authority.
 Also in October, **Frontline** offers "Why America Hates the Press," a tough, insider's examination of the culture and tactics of the national press corps. **Frontline** follows the nation's top political journalists along the 1996 presidential campaign trail and behind the scenes of the weekly talk shows where reporters are transformed into celebrity pundits.
Frontline airs Tuesdays at 9:00 p.m. beginning October 8th. It repeats Saturdays at 11:00 p.m.
