The Muleshoe Center for Mental Health, Mental Retardation, and Substance Abuse (MHMR) achieved a milestone this last week.

Rowena Meyers marked 25 years of service to the Muleshoe area as manager of the Muleshoe Outpatient Clinic. Meyers worked in the insurance field before working for the Muleshoe MHMR Center. She believes her public relations skills helped her get the job. Since then, she has received most of her training on-the-job.

Meyers

"Before the clinic opened 25 years ago, anyone who needed services had to go out of the local area," said Meyers. "When the Muleshoe Center opened, then we were able to work with individuals in the local area on an outpatient basis."

County law officers earn right to carry weapons

Keeping the sharpshooter's edge. It's a skill that all peace officers must maintain.

For deputies, officers, and constables of the Bailey County Sheriff's Office, that means being certified up to proficiency law standards.

Officers spent most of Monday afternoon at the Muleshoe Police Department's shooting range meeting qualifying standards set by the Texas Commission of Law Enforcement Officers.

All officers must pass the

bi-annual test to carry a weapon.

"Officers go through their career without ever firing a shot, even in the big city," said Farwell Police Chief Roy McGaa, a certified TCLEC instructor. "The main part is keeping a strong sense of familiarity with your weapon.

Standing side by side, pistols at their sides, the officers wait for the order to fire. Different tests measure the accuracy of both the right and left hand, leaving little room for error.

MHS hungry for win against Golden Wolves

Dalhart could be the get-well card Muleshoe's anemic offense needs.

Muleshoe (0-4 overall, 0-1 in District 1-3A) has posted pale offense numbers this season. The Mules have scored just two touchdowns, been shut out twice, and are averaging 144.5 yards per game.

Along comes winless Dalhart (0-3-1, 0-1) and a Florence Nightingale defense that allowed 504 yards in 38-26 loss to River Road last week. The Golden Wolves have allowed 129 points in their last three games.

One team will walk away with its first win Friday when Muleshoe hosts the Golden Wolves at 7:30 p.m. Friday at Benny Douglass Stadium.

A tie isn't a possibility because of the University Interscholastic League's new overtime rule in district games this year.

"They're not real aggressive, but they will hit you," Muleshoe head coach David Wood said about Dalhart. "They tend to sit back in their base defense."

Definitely a change from what the Mules saw in a 21-6 loss at Dimmitt. The Bobcats bottled up the Mules running game with line stunts and aggressive linebacker play.

Wood promised a "tough week" of practice. He's bothered by the lack of emotion and

discipline his team showed against Dimmitt.

"We're going to let them know it's not okay to miss a block," Wood said. "It's the size of the heart, playing with emotion — things you can't measure — that's what wins and loses games."

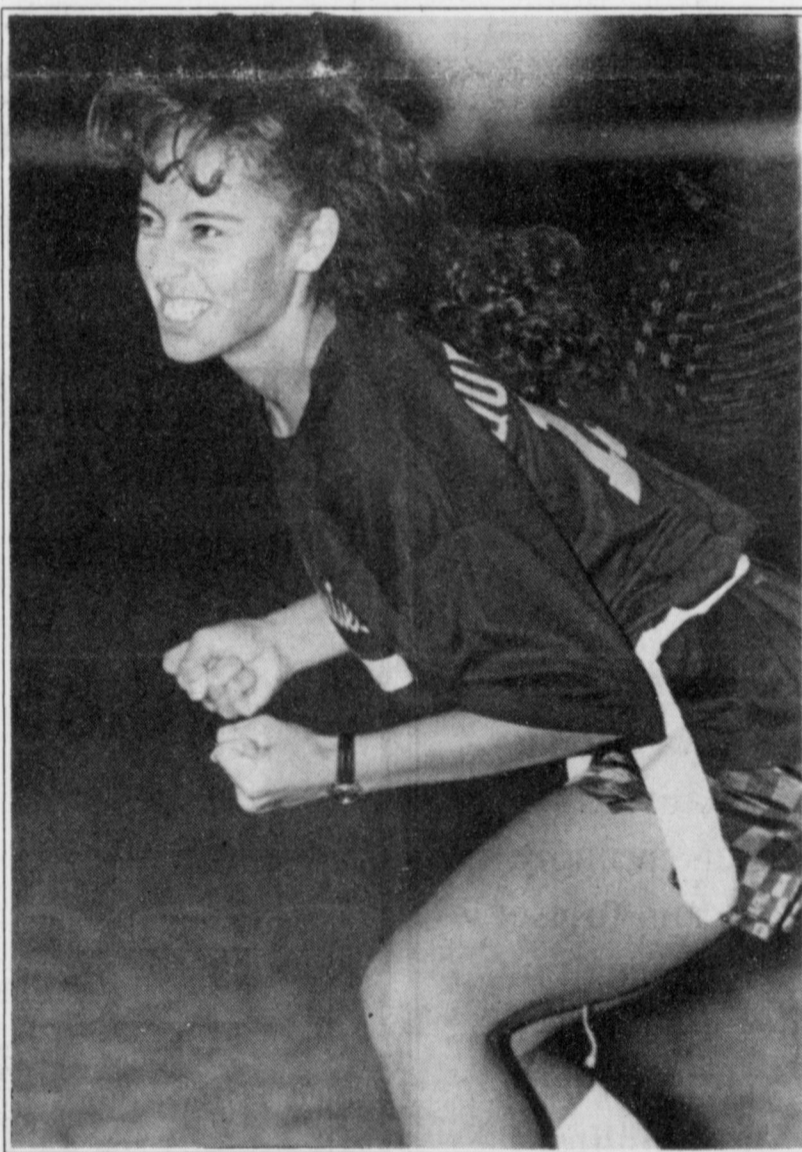

Wood said the biggest thing the Mules' offense has lacked so far is confidence.

"The only one way to build confidence is to get after it and whip somebody," Wood said. "It's all won at the line of scrimmage. Either you win the battle or you don't. There's really no gray area."

The Golden Wolves like to work the perimeter of a defense with the option and are the best passing team the Mules have faced this year, according to Wood.

"They have real good skill people," Wood said. "Their

Three Way and Lazbuddie claim only to be focusing on Friday's opponents.

They must be near-sighted.

Next week, the teams meet in Lazbuddie in a colossal showdown when District 3-1A opens play. The game could go a long way toward deciding who goes to the state playoffs.

"We're trying not to pay attention to next week," Lazbuddie coach Mark Scisson said. "But it is a big game and could decide real early who stays home."

in the Eagles' annual homecoming game.

Throw in top-ranked Whitharral (4-0) and 3-1A is one of the toughest districts in the state.

"I've been here 12 years, and I don't think I've ever seen three teams go into the district season at 5-0," Scisson said.

The Eagles play Whitharral in two weeks and could find themselves out of state playoff contention real quick.

"The first five games pretty much go into the piggy bank," Three Way coach Danny James said. "They're not going to

help you once district starts."

"The only way we have to control our destiny is how we play in the first two weeks of the district season," James said.

Lazbuddie should have little trouble with Jesus Chapel, who lost to Three Way, 54-6, earlier this year.

"The first five games are just getting ready for the district season," Scisson said. "We've been playing a lot of people trying to get ready. We have only two returning starters so it's time for some of the younger players to step up."

Torres cops top honor in weekly FB contest

Despite picking Philadelphia to beat Dallas Monday night, KiKo Torres of Muleshoe won *The Journal's* fourth weekly football contest.

Torres correctly picked 15 of 18 games to win the \$15 first prize.

Shirley Steinbock of Lazbuddie won the \$10 second prize in a tie-breaker with Nathan Crawford of Lazbuddie. Both correctly picked 14 of 18 games.

Crawford, who won the \$5 third prize, failed to enter a combined points total in the tie-breaker game.

Besides Monday's game, Torres also failed to forecast Three Way's win over Groom and Kress upsetting Sudan.

The games that gave the 40 contestants the most trouble were Kress beating Sudan, Three Way beating Groom and Dallas beating Philadelphia.

Several others missed San Diego's upset of Kansas City.

Muleshoe man named to committee

Jerry Don Glover of Muleshoe is among members of the newly created National Agricultural research, Extension Education, and Economics Advisory Board.

Glover, a Castro County farmer and executive vice president of the Dimmitt-based Texas Corn Producers Board, was in Washington Sept. 16-18 for the board's first meeting. Another Texan, Zerle Carpenter, director of the Texas Agricultural Extension Ser-

vice, also serves on the board. The board, authorized by the 1996 farm bill, advised the USDA secretary and land grant colleges and universities on agricultural research, extension, education and economics policy and priorities. It replaces the Agricultural Science and Technology Review Board, the Joint Council on Food and Agricultural Sciences and the National Agricultural Research and Extension Users Advisory Board.

Among items on the board's agenda were a review of the USDA Research, Education and Economics Draft Strategic Plan; nominations to the 15-member Strategic Planning Task Force; and consultations on other farm bill legislation, including implementation of the Fund for Rural America competitive grants program.

Exchange student focuses on love of films

By LESLI RADFORD
Special to the Journal
Julian Bothmer is the 1996-97 Rotary Exchange Student from Germany with a passion for movies.

Bothmer, 17, has been filming home videos with his older brothers since he was very young.

Bothmer has already filmed and sold a musical written by one of his older brothers, already in the film business. He

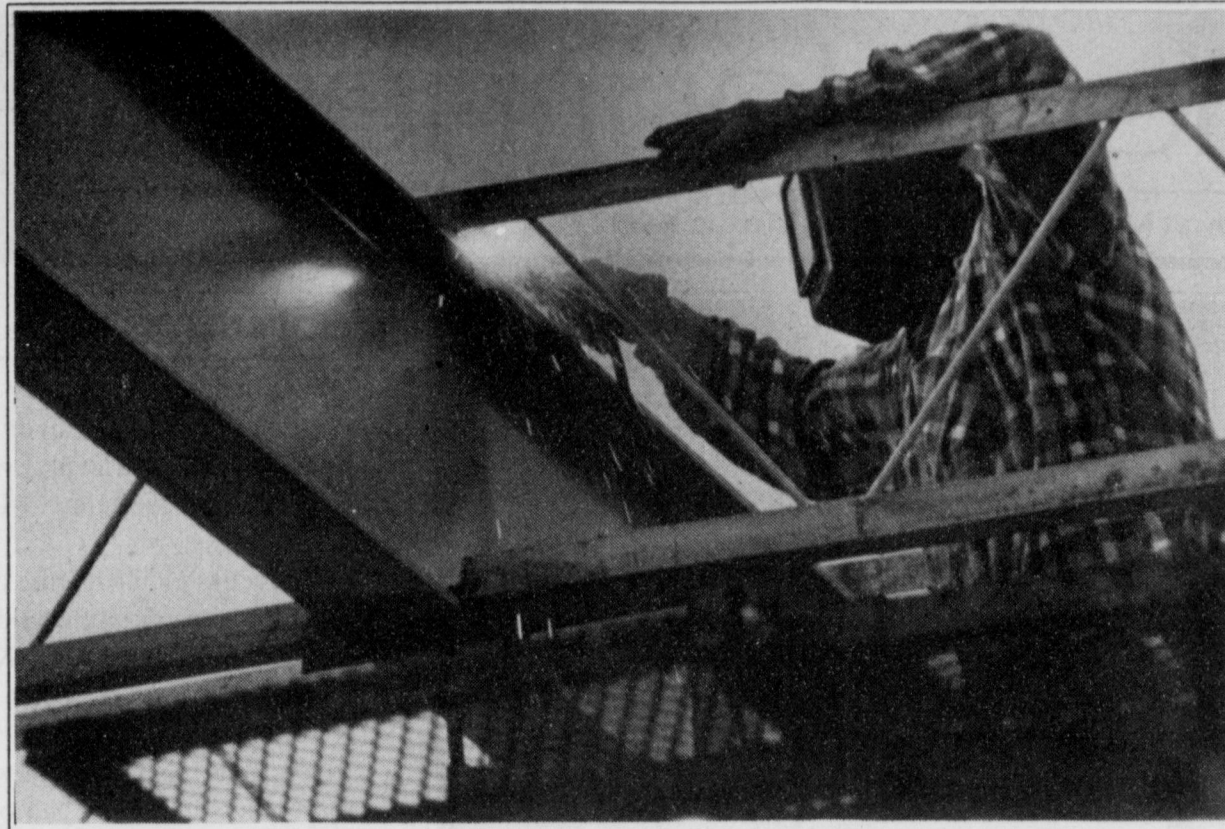

Bothmer

has also done home films including a McGuiver-like movie, along with sequels, which he has shown at his school back home in Lauenbruck, a town in north-west Germany.

Bothmer's friends have fun volunteering as actors in his videos as he directs and films.

Filming really isn't all that expensive, Bothmer said. Most of the land he uses is owned by his father and his friends, it's the equipment that makes you go broke.

One thing that is different about Germany and America is their movies. When Julian came to America, he watched

Sparks aflyin'

John English of Deport welds a brace in place last week at the future site of a Texico Mart convenience store along American Boulevard.

Twister and Independence Day and thought they were of better quality than German movies.

"I like to entertain people and I think movies are the best way to do that," Bothmer said.

While he isn't making movies, Bothmer is playing in the town or school band in Germany. Bothmer is a Mighty M Band member, and played snare in the town band in Lauenbruck. The band played at local gatherings and events. He also played saxophone in the school band.

"They don't compete like this [the Mighty M] band does or play at football games. We just played for fun."

Bothmer says that the school system is a lot different from that of America.

Other activities Bothmer enjoys are table tennis, racing go-carts with friends and spending time with his golden retriever, Alex.

Bothmer likes the climate here in Texas. He says that it rains too much in Germany and Muleshoe residents strike him as friendly.

His main influence in coming to America was his two older brothers, foreign exchange students themselves. One of his brothers visited Alaska and the other one stayed in Vancouver, British Columbia.

Bothmer will return to Germany when he graduates this spring with the class of '97.

He is staying with Bill Moore and his wife, Trish.

quarterback is who makes them go.” Dalhart quarterback Josh Reynolds accounted 310 yards of total offense last week. An all-state at wide receiver last year, Reynolds completed 9-of-14 passes for 197 yards and two touchdowns. He also rushed for 113 yards and another score.

Senior Jason Schriber Reynolds' favorite receiver. Senior running back Tyler Kruse (97 yards last week) is also dangerous.

Dalhart returns 18 seniors from last year's 6-3 team.

The Golden Wolves operate out of a split-6 defense, which places eight players within three yards of the line of scrimmage. The run-first defense is vulnerable to short passes.

Wood doesn't expect Dalhart to stunt or blitz much, something Denver City and Dimmitt had a lot of success with against the Mules.

With a struggling offense, Muleshoe needs to take advan-

The Mules forced five turnovers, three in Dimmitt territory, but managed just one score.

“We've been playing good enough defense to win games,” Wood said. “No doubt about it. Now we need to take that mentality to the offensive side of the ball.”

DISTRICT 1-3A ROUNDUP

Friona and Amarillo River Road meet this week in an early showdown of preseason favorites.

Friona opened district play with a 27-7 win at home over Tulia. Last week, the Chieftains (3-1) were ranked 21 in Class 3A in Harris Ratings.

Friona relies on its defense and running game. The Chieftains rushed for 306 yards while holding Tulia to 47 totals yards. Andy Kendrick and quarterback Kyle Grimsley each scored two rushing touchdowns for Friona. Tulia (1-3) scored on a 5-yard pass from Jerry Patton to Austin Dunn.

River Road (1-3, 1-0) picked up its first win, scoring 21-straight points in second half of a 38-26 win at Dalhart.

The teams combined for 904 yards. Jarrod Fikac scored three touchdowns for River Road. Rowdy Lundegreen passed 12 yards for a touchdown to Fikac and ran four yards for another score.

Josh Reynolds threw touchdown passes for 75 yards to Danny White and 15 yards to Jason Schriber in the fourth quarter for Dalhart (0-3-1, 0-1). Reynolds' 41-yard run gave Dalhart a 14-10 lead in the second quarter. Tyler Kruse added a 40-yard touchdown run for the Golden Wolves.

Sanford-Fritch (2-2, 1-0) won its second-straight, beating an undermanned Perryton, 39-14.

Bubba Winkles rushed for 163 yards and two touchdowns on 10 carries for the Eagles, who outgained Perryton, 428-132. Winkles scored on a 92-yard run and a 23-yard pass from Haven Reed.

Perryton (1-3, 0-1), playing without 12 players serving suspensions in connection with a locker room hazing, jumped out to a 14-0 lead. Chris Longo returned the opening kickoff 85 yards for a touchdown and Jimmy Valdez return a blocked punt 15 yards. The suspended players are expected to return this week against Tulia.

WJHS boys first at Abernathy

ABERNATHY — Led by Moises Garcia, Watson Junior High School placed four runners in the top 10 and won the boys junior high cross country meet Saturday at Abernathy High School.

The Mules finished with 40 points. Garcia finished third, covering the two-mile course in 11 minutes and 48 seconds. Kyle Atwood was fourth (12:00), Jerrell Otwell was sixth (12:35), Lindy Pineda was eighth (13:03) and 18th (13:55).

Also placing for WJHS was 26th, Michael Johnson (14:28); 41st, Dan Williams (16:25), 42nd, Jeffrey Shelburne, 16:33; 45th, Matt Lopez, 16:52.

LAZBUDDIE — Lazbuddie coach Mark Scisson has grounded his air force in the name of ball control this season.

The result is a 4-0 start and a No. 4 ranking in last week's state six-man poll.

Friday, Lazbuddie continued its balancing act between the run and pass in a 36-16 non-district win over New Home.

Justin St. Clair completed 8-of-14 passes for 111 yards and two touchdowns and rushed for 105 yards. The Longhorns finished with 219 yards rushing and 130 yards passing.

“We're throwing the ball now when we need to, not necessarily when we want,” said Scisson. “We're trying to keep the other team's offense off the field.”

Scisson estimated the Longhorns threw the ball 80 percent

Lazbuddie, averaging 460 yards per game, has rushed for 1,074 yards and passed for 666 this season.

Scisson said it's hard at times to control the urge to put

the ball in the air.

“It's especially tough when you have the type of quarterback (Justin St. Clair) I have,” Scisson said.

St. Clair was honorable mention all-state last year after passing for 1,800 yards and 25 touchdowns last year.

The 6-2, 200-pound senior has rushed for 557 yards and six touchdowns and passed for 508 yards and six touchdowns in 1996.

Lazbuddie jumped out to a 16-0 lead in the second quarter on St. Clair's touchdown passes of 5 yards to Chris Smith and 21 yards to cousin Adam St. Clair.

Lazbuddie took a 32-8 lead in the third quarter when Brice Foster returned a fumble 59 yards and St. Clair added a 35-yard run.

Three Way survives defensive struggle, 14-13

SILVERTON — Three Way keeps finding ways to win.

The undefeated Eagles (4-0) scored a touchdown with two minutes left, then kicked the winning points using a deep-snapper who had never done it before to beat Groom, 14-13, Saturday in a non-district game.

Jesus Perez' 10-yard touchdown pass to Kyle Kindle following a Groom turnover pulled the Eagles within 13-12.

“We didn't come this far to play for a tie,”

Three Way coach Danny James remembers thinking when he sent in his kicking team (kicking a PAT in six-man is worth two points because of the difficulty of four players blocking six defenders) without realizing his regular deep

snapper was injured earlier in the drive.

Luckily, assistant coach Shawn Harrison was paying more attention, James said. Harrison gave Sammy Soliz a crash course in deep snapping, although the last two sailed high and wide.

But Soliz responded with a perfect snap when needed and Lupe Landeros booted the game-winner. Landeros has made 11 of his last 12 extra points.

“Sometimes you have that little green guy on your shoulder looking over you,” James said alluding to the magical leprechaun. “Sometimes it's good to have luck on your side.”

Three Way beat Buena Vista, 46-40, in its season opener on a deflected pass with five

seconds left.

Cody Wilson recovered a Groom fumble at the Three Way 38 with four minutes left to set up the winning score.

A 20-yard play-action pass from Perez to Kindle put the ball at the Groom 10.

On third-and-goal from the 10, Perez hit Kindle on a post pattern for the score.

Groom advanced the ball near midfield with about a minute left before turning the ball over on downs.

"The last four minutes we handled the pressure of a tight ball game well," James said. "We drove the ball down the field and scored when we had to."

The game was a six-man rarity — a defensive struggle.

Three Way turned the ball over four times. Groom three times.

"Both teams stepped up and played great defense," James said. "This is the first time we haven't been able to control the football, which puts pres-

sure on your defense."

Three Way limited Groom to 126 yards and eight first downs.

The Eagles nearly doubled that output with 244 yards, but had trouble moving the ball once they got inside the red zone, James said.

Perez rushed for 91 yards on 15 carries and was 5-13 passing for 63 yards with one interception. Randall Rodriguez added 74 yards on 17 carries.

Groom took a 13-6 halftime lead on a pair of short touchdown runs by Jason Ritter (71 yards on 17 carries).

Three Way's first score was on a 7-yard pass to Chris Soliz.

Lady Mules push Brownfield to limit

AMARILLO — Cari Faver and Priscilla Aguirre swept the top two spots Saturday, but Muleshoe didn't have quite enough depth to upend Brownfield Saturday at the Amarillo Invitational.

Brownfield, ranked fourth in Class 3A, placed four runners in the top 10 and won the small-school division with 58 points. Muleshoe, with four runners in the top 12, was second with 78 points.

Stratford was third with 118 points and District 1-3A favorite and seventh-ranked Sanford-Fritch was fourth with 123.

Faver beat long-time nemesis Mary Ann Hernandez of Brownfield for the first time and took her fellow senior Aguirre along with her.

Faver covered the 2.1 mile course at Thompson Park in 13 minutes and 12 seconds, four seconds ahead of Aguirre.

Hernandez was third with a time of 13:21 and teammate

Foster rushed for 81 yards on 14 carries and caught a 15-yard touchdown pass from Seth Black after sitting out one game with a concussion.

Scisson remains concerned about a pass defense that gave up 250 yards to New Home, although it took 41 attempts. Lazbuddie limited the Leopards (0-4) to 62 yards rushing.

"We made a lot of defensive mistakes in the secondary," Scisson said. "We've got to get better on pass coverage."

Muleshoe Art Assoc. turning 40 next year

The Muleshoe Art Association, organized in 1957, will celebrate its 40th birthday the first of next year.

Blanche Lenderson was largely responsible for beginning the club to promote creative arts and for the elevation of art appreciation throughout the area. At one time, during the 1979-80 club year, the membership had grown to over one hundred members.

In the early years, the Art Association met the third Monday of each month at Richland Hills Cafeteria and at the Muleshoe Country Club. Some of the earliest members of the club, in addition to Blanche Lenderson, were: Cecile Foster, Vere Fox, Marie White, Arline Phelps, Inez Bobo, Mildred Williams, Marie Lenau and Tiny Forbes.

During that time, art workshop and painting demonstrations were being given by Dr. Emilio Caballero, who was head of the Art Department at WTSU in Canyon, Cecile Foster, from Sudan, and Blanche Lenderson, also taught some classes.

There were hostesses appointed to serve refreshments at each meeting and on special occasions, a covered dish luncheon was served.

The first yearbook the club put together was for the 1964-65 year. At the time the club's officers were: president Kitty Moss; first vice president, Jackie Smith; second vice president, Mildred Williams; secretary, Mattie Hicks; treasurer, Velma Davis; telephone and membership committee: Clara Mounts, Juanita Jarman, Barbara Puckett; program committee: Jackie Smith, Marie Lenau, Inez Bobo; exhibits committee: Mildred Williams, Bobby Airhart, Matilda Slemmons, Pearl Gunstream; library decor: Arline Phelps, Vere Fox, Rheata Peeler; year book: Dorothy Bowers, Ada

Murrah, Jeanne Garth; social: Blanche Lenderson, Melzine Elliott; publicity: Bernice Amerson, Richard Goodrow, Ethel Allison; by laws: Tiny Forbes, Kathleen Francis.

In 1966-67 the club began to have their meetings in the Muleshoe State Bank Community Room, where they have continued meeting ever since. The annual Spring Art Show sponsored by the group, is also held at Muleshoe State Bank and the bank has purchased a work of art from the show each year. Around thirty to forty paintings and other art works are entered into competition by the members in the annual Spring Art Show each year. The works are judged by a professional artist and ribbons and monetary prizes are awarded to the winning entries.

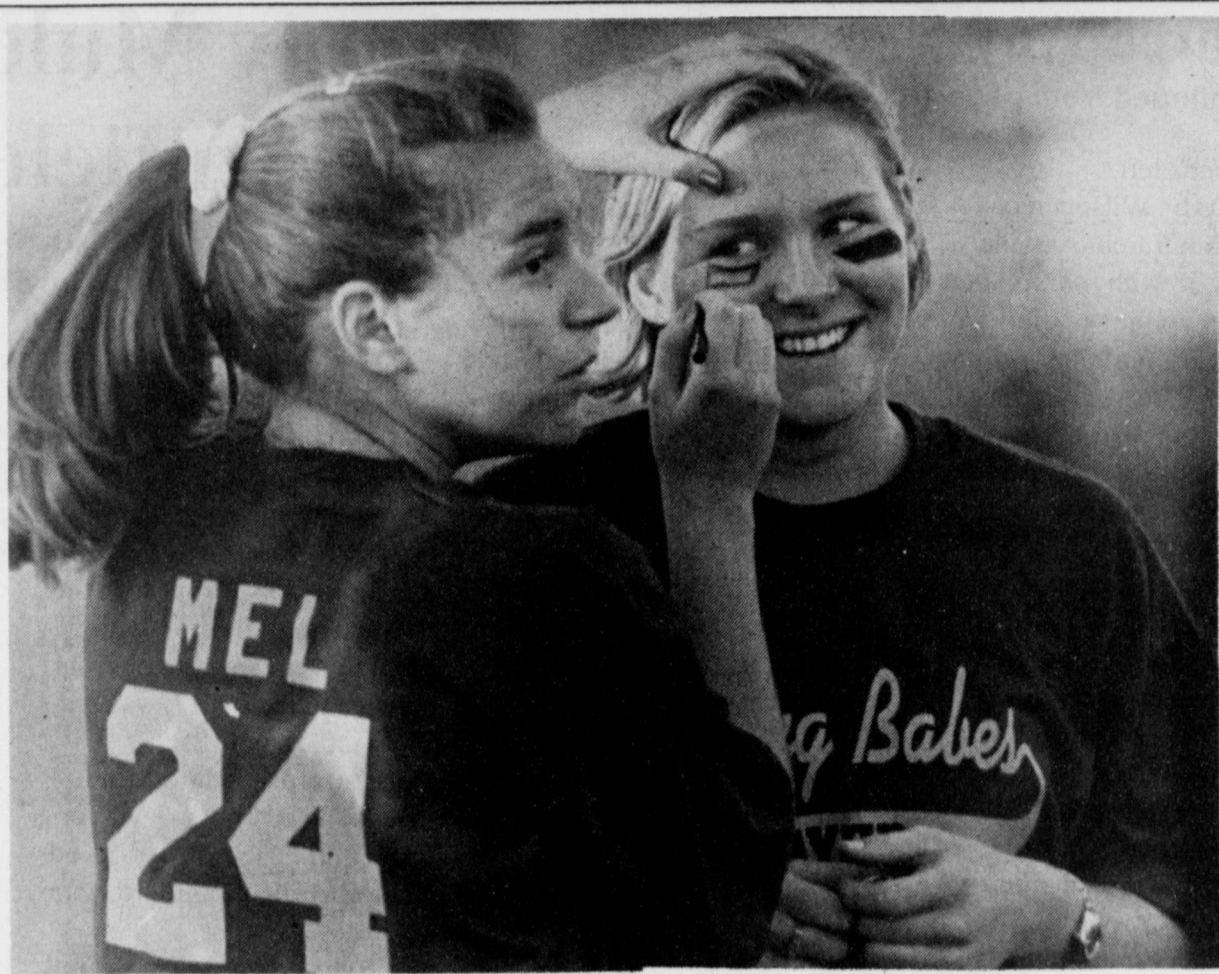

The club held monthly art exhibits at the Corral Restau-

Masterpiece Theatre

Meet Moll... paragon of beauty, vice, and crime

"Moll Flanders"

The most resourceful heroine in English literature comes to Masterpiece Theatre with all the wit and sexual abandon of the original character created by Daniel Defoe in "Moll Flanders."

Alex Kingston stars as Moll, who is born in Newgate prison and seems destined to die on its gallows after a lifetime of debauchery and thievery. Daniel Craig plays the love of her life, Jemmy. In a rare television performance, Diana Rigg portrays Moll's mother-in-law.

Unlike the recent Hollywood film of the same title, "Moll Flanders" faithfully follows the bawdy and often unpredictable plot of Defoe's picaresque novel, published in 1722. In the course of the tale, Moll goes through five husbands, with some interesting complications.

Considered "indecent" at the time of its publication, the book is now considered a classic and "among the few English novels which we can call indisputably great," according to Virginia Woolf, herself a novelist of some note.

"Moll Flanders" was adapted by Andrew Davies, who also wrote "Middlemarch" for Masterpiece Theatre, as well as the recent production of *Pride and Prejudice*. After faithfully depicting the chaste nineteenth century in those two productions, Davies finally gets to unbutton his characters for the more unrestrained era frequented by Moll.

"Moll Flanders" on Masterpiece Theatre will be broadcast Sunday and Monday, October 13th and 14th at 10:00 p.m. on KENW-TV.

Eyewitness II

A dazzling, fun, fast-paced journey into the heart of the natural world, the Eyewitness II series returns this fall for a second season. Martin Sheen narrates seven new episodes designed to surprise and delight viewers of all ages by interweaving nature and its legends and myths with extraordinary visual experiences.

With its witty, offbeat narration, Eyewitness II takes the viewer beyond the obvious, exploring relationships between wildlife and myth, folklore, history, and legend in each half-hour episode. Journeying through the many wings of the "Eyewitness Museum," the series offers centuries of quirky, often humorous anecdotes and discoveries. These are some of them: Which monkey family has fluorescent orange babies? How do trees talk to each other? What fantastic scientific find was made in a lobster's nose? What shelled creature outweighs the elephant? How did one low tide wreck an entire navy?

Eyewitness II airs Mondays at 8:00 p.m. and 12:00 midnight beginning October 14th.

on rifles and shotguns. Officers don protective "ear gear" while they tested their accuracy at ranges of three, seven and fifteen yards distance of their targets. "In a real-life, high-stress situation, there is a lot of action going on," McGaa said. "In the average confrontation, a criminal may be only seven feet away. An officer needs to be able to react instantly, without hesitation or uncertainty. When an officer shoots, he shoots to stop the criminal."

Like an explosive pin-point game of darts, the target is assigned with areas of different point values. Accuracy is measured by the total number of points accumulated. Officers are given 50 shots to achieve a minimum of 80 percent, which adds up to 200 out of 250 possible points and a target riddled with holes.

Bailey County Sheriff's Department officers are allowed to chose their weapons. Several prefer a Glock 40-caliber. "When you fire most brands of firearms, the first pull of the trigger is longer than shots fired afterward," said Bailey County Sheriff Jerry Hicks. "A Glock

provides more consistency in firing than most other brands of firearms, as far as the length of trigger-pull is concerned. "One reason I prefer it is because most of the other of-

ficers use 40 calibers, so keeping ammunition is much easier for us," said Carter. "I know if I ever needed to reload, I could count on getting more from any other officer."

rant for many years, and later began to hold individual "Artist of the Month" displays at the Muleshoe Public Library. An artist is selected to show their work each month in the library and around eight pieces are brought in for this exhibit. The artist and his or her biography are then depicted in the *Muleshoe Journal*.

First Bank has also requested that the club display a work of art in the lobby of the business each month, and this is now another continuing "Art-

ist of the Month" display.

The club also is currently exhibiting an assortment of paintings at the Muleshoe Civic Center.

Mildred Williams is the only charter member of the club who is still active in the organization.

Current officers are: president Beth Martin; first vice president and program chairman, Jackie Hinderliter; second vice president and Spring Art Show Chairman, Mildred Williams; third vice president

and library exhibits chairman, Dorothy Bowers; secretary Ginnie Seifert; treasurer Marie Tidwell; reporter Carol Ellis.

The club's current membership hails from a wide area around Muleshoe including members from Sudan, Littlefield, Anton, Farwell, Friona and Clovis, NM.

The club meets the second Tuesday of each month at two p.m. in the Community Room at the Muleshoe State Bank. There is an interesting art demonstration presented at each and every meeting.

The next meeting is scheduled for Oct. 8 and anyone in the Muleshoe area who is interested in art is invited to attend.

Wildlife exhibit new to Stockman Show

LUBBOCK — Wildlife may not be a household name, but the Farmer-Stockman Show is hoping to change that perception.

A new wildlife exhibit and presentation area will be featured at the 1996 Farmer-Stockman Show Oct. 8-10 in Lubbock. "This year, we have concentrated on including wildlife programs and exhibits to improve the show and hopeful to appeal to another audience," stated Monica Hightower, Show Manager.

Four wildlife related programs will be presented by Texas Parks and Wildlife personnel. Gene Miller, Techni-

cal Guidance Biologist, will discuss what your options are for *Managing CRP Land for Wildlife*. Jim Ray, Waterfowl Biologist, will present *Managing Playa Lakes for Wildlife Use*. "Because of the Playas and other wetlands...this area is very attractive to millions of migrating and wintering waterfowl, sandhill cranes, new tropical migrants and other migratory birds," Ray said.

Calvin Richardson, Wildlife Biologist, will be busy presenting two programs in the wildlife area. *Brush Management for Wildlife* will give the farmer/rancher more information about improving food and

cover for wildlife. Richardson's other presentation, *Economic Value of Wildlife*, will show the farmer/rancher how to get more for the dollar. This presentation will show the surprising number of opportunities for developing wildlife income.

Several wildlife related exhibitors and other programs will be presented in the wildlife exhibit tent during the three-day show. The Farmer-Stockman Show is the largest working farming and ranch show in the southwestern United States. For more information call 806-747-7134.

Meyers

Continued from page 1

Since 1985, Myers has also served as coordinator of outpatient clinics in Floydada, Littlefield, Tulia, Dimmitt, Friona, and Muleshoe.

Myers, a native to the Portales area, believes that not much has changed in the last 25 years.

"The main focus has always been on mental health rather than mental illness. We have become more specialized over the last 25 years so that we are

able to handle cases that would otherwise have been referred to our main offices in Plainview."

With 25 years of service under her belt, Myers keeps an optimistic perspective of her job.

"I emphasize how my position is much more meaningful than just a job," said Myers. "I feel that I have touched many lives in the community."

Local women attend Methodist conference

AMARILLO — Several members of the First Methodist Church of Muleshoe attended the 23rd annual meeting of the United Methodist Women of the Northwest Texas Conference held Sept. 27-28 at Polk Street United Methodist Church.

Attending from the First United Methodist Church, Muleshoe were Sammy Allison, Evelyn Peat and Mary Nell Bleeker. Yvonne Eggers from the Morton United Methodist Church, also attended with the women from Mule-

shoe.

Dr. Glory Dhamaraj of the General Board of Global Ministries of the United Methodist Church was the featured speaker. She is employed at the Church Center for the United Nations in New York City.

Leading the worship was Rev. Kathryn Boren, who is the Associate Minister at St. Paul United Methodist Church in Abilene. Both speakers followed the theme of the meeting, "Living God's Vision for a Just World."

The agenda also included times of business, program information, worship and fellowship. A Pledge Service offered the opportunity for local groups to make a financial pledge in support of mission for the ensuing year.

Nationally, United Methodist Women give over 20 million dollars annually to mission work.

In the closing business session, officers were elected, with Mildred Twilla of Lubbock, becoming president of the Conference United Methodist

Women. She succeeds Peggy Wright of Abilene, who completed her four year tenure as president.

Dr. and Mrs. James Bell were in attendance and Lynn was one of the speakers during the Saturday morning report on the World Methodist Council Meeting in Rio de Janeiro. She will share this with churches across the Conference. We are fortunate to be able to welcome her to our General UMW fall meeting, Oct. 28.
