School offering reward

The Three Way Independent School District is offering a \$1,000 reward for information leading to the arrest and conviction of the person or persons who stole more than \$6,000 worth of computers and audio equipment from the school earlier this month.

"The main thing is we don't want people thinking we're going to lay down and forget about it," School Superintendent Bill Hood said.

Hood is encouraging anyone with information about the Nov. 6 theft to call the Bailey County Sheriff's Department. All calls will remain anonymous, Hood said.

The burglars apparently forced their way into the school building through a locked door and broke into several offices, taking among over things a new lab-top computer, VCRs and laser discs, Hood said.

McVicker latest winner

Longtime contestant J.E. McVicker of Muleshoe was the latest winner of the Journal's football contest, correctly picking 16 of 18 winners for the games of Nov. 14-17.

McVicker wins the \$15 first-prize.

Richard Hawkins of Muleshoe won the \$10 second prize in a tie-breaker with two other contestants. Hawkins picked 15 of 18 games correctly and came within five points of the tie-breaking game, Miami's 30-13 win against Buffalo Monday night.

Alene Bryant of Maleshoe won the \$5 third prize.

Eufemia Torres of Muleshoe won the contest for games of Nov. 7-10 in a tiebreaker with Claire Brown of Lazbuddie.

Both picked 15 of 18 games correctly. Torres wins the \$15 first-prize with Brown settling for the \$10 second prize. Nathan Crawford of Lazbuddie bested nine other contestants in a tie-breaker for the \$5 third prize.

Council backs purchase of produce business

By TERESA STONE Journal staff writer

The Muleshoe City Council voted to support an Edinberg man in his quest to purchase and reopen the Robert Ruiz produce shed.

At Tuesday's regular meeting, the City Council agreed to support Roy Herber by guaranteeing up to \$120,000 of the operating capital loan he is seeking from local banks. Herber is the sonin-law of Robert Ruiz.

The produce shed closed last year and did not reopen for harvest this summer.

"The void of them not being here last summer has had a large impact on the community," Councilman Cliff Black said.

Although concerned about the city's liability in case the business fails, Council members agreed that reopening the business will be a positive step for local economic growth.

Also during Tuesday's meeting, the Council passed revisions of the city's sound ordinance.

Revisions include setting an acceptable noise level at 85 decibels. Also the measuring point for the reading will be designated at the property line from where the sound is being emitted.

The ordinance will allow for exceptions by issuing permits for special events such as the Fourth of July celebration, Mule Days, and Jamaica.

Changes to the ordinance in order to make it more specific, come after continuous disputes among the town residents about acceptable sound levels.

Program reaching Hispanic parents

By TERESA STONE Journal staff writer

Hispanic speaking parents have been enthusiastically turning out in growing numbers for classes designed to improve their parenting skills.

Program organizers believe the classes, which encourage parents to get involved, will provide better opportunities for their children to succeed.

Monday was the final session of a four-week series of parenting classes offered this fall by the Muleshoe Independent School District. The classes were designed to address the concerns of parents with children in pre-kindergarten to third grade.

The final football contest will run in this week's Bailey County Journal.

Follett's speed concerns Longhorns

BY RICK WHITE Managing Editor

Recent trips to the state playoffs have been more sight-seeing tours than extended stays for the Lazbuddie Longhorns.

The Longhorns have been frequent visitors to the playoffs, having qualified 9 of the last 10 years, but haven't advanced past the second round since 1993.

No. 3-ranked Lazbuddie (10-1) gets another shot against unbeaten Follett (10-0) in a Region I six-man semifinal game at 7:30 p.m. Friday in Groom.

"We haven't been able to get past this game in a while," Lazbuddie coach Mark Scisson said.

The District 3-A champion Longhorns will have to slow down a potent Follett attack led by spread back Courtney Frazier and loaded with speed and they hope to advance.

Frazier has rushed for 1,900 yards and passed for another 1,200 yards according to Follett coach Dale Means. "We do have a great tailback," Means said. "But the reason we win is because the five people up front are better than the other team's five people."

In last week's 58-30 playoff win against Chillicothe, the first in school history, Frazier gained 589 yards from scrimmage and figured in all nine Follett touchdowns.

The 5-10, 180-pound senior with 4.7 speed rushed for 289 yards and

Cleavinger, Mules fend off upset-minded Wildcats 71-62

Muleshoe found out early what it's going to be like the rest of the season.

Teams are gunning for the Mules.

Dustin C'eavinger scored 24 points and dominated the boards as Muleshoe held off a fired-up Littlefield team bent on upsetting the Mules 71-62 Tuesday at WJHS in the season-opener for both teams.

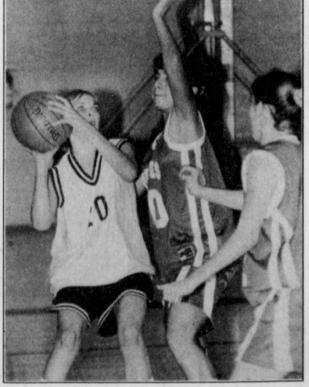

Senior point guard Matt Mason added 12 points for the Mules.

E.T Redmond led Littlefield with 21 points, but was held in check in the fourth quarter when Muleshoe outscored the Wildcats 19-8. "I warned the kids that people are going to be gunning for us after what we accomplished last year," Muleshoe coach Ralph Mason said.

Muleshoe simply wore down Littlefield with its signature depth and pressing style, Mason said.

Down by 11 and in danger of getting blown out midway through the second quarter, Muleshoe closed the half with an 8-0 spurt and led 38-37 at halftime.

Trailing by two after three quarters, Muleshoe outscored the Wildcats 9-1, over the first 51/2 minutes of the fourth quarter and steadily pulled away.

Field pilots Lady Mules to season-opening 53-28 win

Deftly switching from playmaker to scorer, sophomore Lindsey Field poured in 17 points, leading Muleshoe to an easy 53-28 win against Littlefield Tuesday at WJHS gym.

Melissa Williams and Erin Wilhite chipped in eight points each as the Lady Mules won their season-opener.

Crystal Sorialed the inexperienced Lady Wildcats (0-1) with six points. Littlefield plays five sophomores.

Despite getting a little rubbery-legged and sloppy, Muleshoe outscored the Lady Wildcats 10-2 over the last four minutes of the second quarter and led 28-11 at halftime.

Senior guard Mandy Myers scored four points in the quarter for Muleshoe, including an 8footer in the lane just before the halftime buzzer.

Field took over early in the third quarter, scoring on back-to-back baseline drives.

Williams added six points in the quarter as Muleshoe built a 45-20 lead. "Although we focused on Dillman parents, the information from the series can be utilized at any age," said class coordinator Janie Balderas.

"I was quite surprised at what I learned," said Noemi Sanchez Mora. "You think you're doing a good*job, and then you realize that you can always do better."

Noemi and her husband Ramon were among the five parents who attended every session.

"We've noticed this year more fathers are getting involved and taking responsibility," Balderas said.

As a father, Ramon said it was important to attend the series because "parenting is not only the mother's responsibility. Fathers have to be a part of raising the children also."

The classes covered topics such as birth order, communication, self esteem and discipline.

Originally, the classes were offered both in English and Spanish, but due to lack of interest, the English class was cancelled. The Spanish series, however, has flourished with an average attendance of 30 parents at each session.

"I think we have made people feel at ease, " Balderas said about the strong turnout.

"Our primary purpose has been to make them feel comfortable in the school

Back Stage West owner Robert Green also agreed with the revisions.

Although supportive, Green ordinance targeted specific industries.

Gladden wins ''Voice of Democracy'' scholarship

Jill Gladden, a junior at Muleshoe High School, is the local winner of the Voice of Democracy Scholarship Competition.

Gladden entered the competition through her teen leadership class at MHS.

The Voice of Democracy Program is a national audio/essay competition to give 10th, 11th, and 12th grade high school students the opportunity to voice their opinion on their responsibility to our country. The program focuses on an annual patriotic theme; the 1997-1998 theme is "My voice in our Democracy."

Gladden won a \$300 scholarship from our local Veterans of Foreign War Post who sponsored the event.

She will now participate in the district competition to be held at Wayland Baptist University. She is the daughter of Alvin and Gail Gladden of Enochs.

Foster runs wild in bi-district win

Foster is trying to make up for lost time.

Foster rushed for 212 yards and six touchdowns as Lazbuddie manhandled Rochester 52-6 Friday in a six-man bi-district playoff game at Chieftain Field.

Since returning from a broken arm four games ago, the Longhorns' vocal senior leader has rushed for 500 yards and scored 18 touchdowns.

"He told me he's got a lot of yards to make up," Lazbuddie coach Mark Scisson said.

The game was played in the bitter cold with an inch of snow partially obscuring the yard lines.

"The kids really liked playing in the snow," Scisson said. "They were looking forward to, it."

The District 3-A champion Longhorns dominated the game from the start, jumping out to a 22-0 first-quarter lead and finishing with 498 total yards in a game ended in the third quarter by the 45-point rule.

Josh Morris completed 10 of 12 passes for 230 yards and a touchdown for the Longhorns

CROSBYTON - Brice (10-1), who face unbeaten Follett (10-0) in the Region I semifinals at 7:30 p.m. this Friday in Groom.

> Lazbuddie held District 4-A runner-up Rochester (9-2) to 61 yards. The Steers' only score came in the third quarter after a kickoff return to the Lazbuddie 1.

Claude Baker scored on the next play to cut Lazbuddie's lead to 36-6.

But Foster scored on runs on 25 and 9 yards to end the game.

Scisson said the blocking of running back Adam St. Clair helped spring Foster all night.

St. Clair, the Longhorns' leading rusher with more than 1,300 yards, rushed for 34 yards Friday and caught two passes for 87 yards and a touchdown. Lazbuddie 22 6 24 52 006 Rochester 6 Game halted by 45-point rule SCORING SUMMARY

Means bristles at the notion that his team from the northeast corner of the Panhandle has fattened up on an easy schedule.

Follett won its first ever district title and beat Whitharral and state-ranked Miami twice, Means said.

"But we haven't played anybody as good as Lazbuddie," said Means. "But I don't think they've played anybody as good as us."

Harkins new Girl Scout leader

Kara Harkins has volunteered as the new Daisy Girl Scout Leader for Muleshoe.

Harkins has thoroughly enjoyed the Scouting program as a member from first through ninth grades. She believes that the program encourages girls to develop their individualism and self esteem.

Harkins, whose mother was a Brownie leader, always knew that she wanted to be a Girl Scout Leader one day. She has several projects and field trips director for Ellis Funeral planned for her troop to give Home. them valuable learning experiences.

Pain may be eliminated for millions

(SPECIAL) -- A drug that is exciting researchers in the treatment of pain has been formulated into a new product known as "Arthur Itis," and is being called a "Medical Miracle" by some, in the treatment of debilitating conditions such as arthritis, bursitis, rheumatism, painful muscle aches, jointaches, simple backache, bruises, and more. Although the mechanism of action is unclear, experiments indicate that Arthur Itis, relieves pain by first selectively attracting, and then destroying the messenger chemical which carries pain sensations to the brain, thus eliminating pain in the affected area. Arthur Itis, is available immediately without a prescription in an odorless, greaseless, non-staining cream or new roll-on liquid form. Arthur Itis, is guaranteed to work or your money back. Use only as directed. © 1996, Stellar Health Products. Inc.

Poem pays tribute to teachers

Teachers at Muleshoe High School walked in to a surprise Monday morning to find their doors and teachers lounge decorated.

In recognition of National Education week, members of the Teen Leadership class wanted to show teachers that they are appreciated.

In addition to the decorations, students worked together to write a poem about the teachers. Every MHS teacher is included in the poem.

Teachers

written by The Teen Leadership Organization The best thing about our school is our teachers are really neat. They care and give us time and support. The really can't be beat. It's very seldom we say, "thank you." We take for granted what they do. So this small poem was written by us, it's the least we can do. Mr. Jenkins is firm and fair, even though he has no hair. With Bizzell's paddles on the wall, he's the best vice principal of all. And their secretaries are great Bea and Cordy keep them straight. We can't forget Mrs. Gear

who counsels us with love and care. Mrs. Adamson and her sewing ---Mrs. Adrian with her paint with those two ladies you won't make a mistake. Mrs. Barton and her nursing, they say she knows her stuff. And coach Bigham works with the athletes, he's so big and tough! Mrs. Burris is in content mastery. She helps the students achieve Mrs. Conner teaches algebra, education her students receive. Downum and his choir Gonzales and his band, With these two guys as leaders both of these two programs are grand! Irwin has made an impression on all the students he's taught. Graves teaches government, his lessons are filled with thought. Coach Gruhlkey knows that Calculus, he's really very bright. Mr. Gulley rolls those R's. His Spanish is out of sight! Coach Hill and his sluggers make an exciting baseball game. Mrs. Jenkins teaches English class. Fun is her middle name.

Mrs. Johnson and her leadership skills she preaches, "Don't be a reject."

And Mr. L tham studies geometrical thrills a' 'e try to get him off the subject.

Mrs. Liles and her literature is such a welcomed treat.

Mr. Jones dissects in Biology, his frogs are not to eat

Mr. Mardis with his computer brain sometimes drives the students insane.

Coach Mason is a teacher and friend, for his students, over backward he'll bend.

With years of experience, two have come to be a historical monument for many to see.

We're talking, of course, of Miller and Moore.

They've been here now more than four score. Mrs. Pylant does a great job

with her work students in Moct. And Mrs. Kelley's history class

is the best that it can be. Mrs. Skaggs is a great librarian,

she can locate any book. And Mrs. Smith shows us accounting

to keep record and not get "schnooked." Then we have the Steinbocks,

they're both a real delight. Whether it's the resource room or algebra, they teach with all their might. Mr. Wall is a keeper

ERITAGE FOUNDATION NEWS

The Muleshoe Heritage Foundation Board Nov. 10, at the Muleshoe Depot.

Board members present were Robert Shafer, president, Charles Flowers, Chuck Smith, Terry Sowder, Kristy Price, Jean Allison, Vivian White and the center hostess Peggy Bruton.

Evelyn Peat resigned as secretary of the board and a motion was made that the Center hostess keep minutes on the new computer for the Heritage board.

The motion passed.

The other main order of business was to plan the annual Open House to be held after the Muleshoe lighted parade on Dec. 6. It was decided to meet at the Center Nov. 12 to decorate Christmas trees at the Muleshoe Depot and James Ranch house.

Board members volunteered to obtain entertainment and to bring refreshments for the Open House. Vivian White reported that Mr. and Mrs. Santa will again be upstairs at the James Ranch House and pictures will be available.

Members of the board were informed of the new items at the Center, including a beautiful antique piano and bedroom suite given by the Jones family, as well as an old tool chest with antique tools and a Coleman steam iron donated

by the L.T. Johnson family. Members from the Student-Community Action Club (SCAC) and several board members worked all one afternoon collecting, moving pianos and other pieces of furniture into proper places.

A new computer center is also being set up in the office in the Depot.

The meeting was adjourned and board members took a tour of the center to see the new items recently placed at the Center.

he does his work so well. Mrs. Watson teaches Geography her class is really swell. Coach Welch teaches us in health the things we need to know. And Mr. Wheeler takes FFA to tractor and livestock shows. Mr. Willis is always whistling, his chemistry is a joy. Mrs. Winkle and her research paper, your grade it will destroy. Coach Wood, our athletic director has turned many kids around. And Coach Wright has been right by his side, his credentials are solid and sound. We can't forget our teacher aides who do more than their share. Mrs. Rasco, Mrs. Harmon, Mrs. Mata, and Mrs. Holmans, We are thankful you are there. Yes, the best thing about our school is our teachers are really neat.

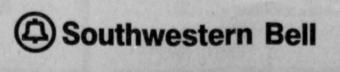

They care and give us time and support, they really can't be beat!

NOTICE OF APPLICATION OF SOUTHWESTERN **BELL TELEPHONE COMPANY FOR DESIGNATION AS** AN ELIGIBLE TELECOMMUNICATIONS CARRIER UNDER 47 U.S.C. §214(e)

Southwestern Bell Telephone Company has filed an application with the Public Utility Commission of Texas ("PUC") for the purpose of being designated an eligible telecommunications carrier ("ETC") in accordance with 47 U.S.C. §214(e) by December 31, 1997 Southwestern Bell's application is currently being considered in Docket No. 18100.

Southwestern Bell is required to obtain ETC status in order to receive Federal Universal Service Funds ("FUSFs") beginning January 1, 1998. 47 U.S.C. §214(e) requires the PUC, either upon its own motion or upon request, to designate common carriers as ETCs for service areas. Southwestern Bell seeks ETC status for its entire service area. Southwestern Bell has requested a minimum waiver for one year of the requirement to deploy toll control.

Persons who wish to comment or intervene in this application should notify the Public Utility Commission of Texas by November 20, 1997. Requests for further information should be mailed to the Public Utility Commission of Texas, P.O. Box 13326, Austin, Texas 78711-3326, or you may call the Public Utility Commission's Office of Customer Protection at (512) 936-7120 or (888) 782-8477. Hearing- and speech-impaired individuals with text telephones (TTY) may contact the commission at (512) 936-7136, or use Relay Texas (800) 735-2989 to reach the commission's toll free number (888) 782-8477.

summarized herein: A li-On the 5th day of November, 1997, I impounded the following estrays:

> Two mixed breed cows, one is black, the other is black with a white face. No brand, ear marks or other identifying characteristics were noted. On the 12th day of November, 1997, I filed a Notice of Estray in the Estray Book of Bailey

County, Texas. I have made a diligent search of the register of recorded brands in Bailey County, Texas for the owner of the said estrays, but the search did not reveal the owner.

Notice is herby given that, if the ownership of said estrays in not determined by the 29th day of November, 1997, said estrays will be sold at public auction at the Muleshoe Livestock Auction in Bailey County

Texas. Witness my hand this 12th day of November, 1997.
