BOTH ENDS OF THE RAINBOW COME DOWN IN SCURRY COUNTY. AND SNYDER SIGNAL OFFICIAL NEWSPAPER FOR THE CITY OF SNYDER AND SCURRY COUNTY

VOLUME XLII

SNYDER, TEXAS, THURSDAY, FEBRUARY 23, 1928

NUMBER 36

New Hospital For Snyder Good News This Week

Bell County Doctor Locates Here and Joins Local Physician

The finest news to be brought to our readers this week is the announcement of a new six-bed office hospital to be placed in the rooms over the Bryant-Link store. The men associated on the new enterprise are Dr. W. R. Johnson of this city and Dr. L. A. Griffin of Belton, Texas. No comment is necessary on Dr. Johnson, as he is known in all sections of this country for his efficiency in the medical profession.

Dr. Griffin, who has been associated with the McElhannon Hospital at Belton for the past five years, comes to Snyder with full credentials as an operating surgeon of more than fifteen years experience. Both Joe and Lee Stinson have personally known Dr. Griffin for years and know of his proficiency in the medical profession. He was graduated from the Memphis Hospital College and for the greater portion of his career has practiced in Texas. Equipment for the operating room arrived yesterday, and following a general overhauling of the nicely located offices the new association will occupy, will be placed in position. A trained nurse will be engaged, and the new hospital expects to be under way late next week.

The Times-Signal joins with all citizens in congratulating and welcoming such a needed improvement to our city and speaks for the new association fine success and cooperation.

Highway No. 7 Receiving New Improvements

Nolan County Commissioners Court last week voted to complete the nine-mile stretch of Highway No. 7 north of Roscoe to the Scurry County line which should cause some action on the part of Scurry County to re-top No. 7 from the Nolan County line to Snyder.

In commenting on the matter, the Sweetwater Reporter said in their Saturday edition: After hearing opinions yesterday from Judge W. R. Ely, state highway commissioner, the county commissioners and the committees from the B. C. D. and the Sweetwater Club voted unanimously to concentrate road work for the present upon the problem of completing the nine-mile stretch of road north of Roscoe on Highway No. 7. This road has already been graded and bridged according to state and federal requirements. It now needs to be hard-surfaced.

The Rev. Parks, president of the Roscoe Chamber of Commerce, was present at the meeting and stated that the drainage structure, which has been in for about a year, was deteriorating fast. He also pointed out in the vicinity of Highway No. 7 similar to those used in the construction of Highway No. 1, which has already been hard-surfaced, and that the unfinished part was of a heavy black land difficult to travel over in wet weather.

Judge Ely stated that if Highway No. 7 were completed to the Scurry County line, it was possible the road would be topped through Scurry County and joined to Highway No. 7 at the Nolan County line. He further stated that Lubbock County would probably vote a road bond later in the year and that Slaton would construct this unless Highway No. 7 is constructed.

S. C. Daugherty, county engineer, says that the road can be constructed with caliche as there are large deposits in the vicinity of Highway No. 7 similar to those used in the construction of Highway No. 1.

The decision to concentrate on the Highway No. 7 project was the result of Judge Ely's advice that the county court start one project at a time. On no other consideration, according to Judge Ely, could the county hope to receive aid amounting to half the cost of state projects and two-thirds the cost on federal projects.

Marland Oil Co. Test Wells

Among the Marland tests, No. 1 McDavid in Borden County was drilling at 2,410 feet in lime and carrying four barrels of water. No. 1 Bibby in Kent County was drilling at 300 feet in red beds. No. 1 Minnick in Foard County was digging the cellar, with the rig on the ground—Big Spring Herald.

FISHER COUNTY PRODUCER GAUGES 280 BARRELS OIL

The Texas Company's No. 1 Dan Stephens, in section 79, block 2, H. & T. C. Railway survey, Fisher County, was put on the pump Sunday and pumped 120 barrels the first twelve hours. The next twenty-four hours, which was the period ending at 7 o'clock Tuesday morning, the well gauged 280 barrels. The pay in this well was tapped at 3,237 feet and total depth is 3,275. It is the first commercial oil well in Fisher County and makes the prospect for a good pool in the vicinity look bright.

MAIL TO BE CARRIED BY STAGE LINE

The Snyder post office was advised Saturday morning that the postmaster general had awarded a contract to the Lone Star Stage Line to carry the mails from Fort Worth by Breckenridge, Albany, Anson, Roby, and Snyder to Lamesa six times a week.

This announcement was received with joy here, as it insures one-day mail delivery to Fort Worth, and expedites quicker mail handling in all directions.

Gunter College Men Present Unique Plans

Representatives of Gunter College were in Snyder Monday night and met in a mass meeting of local citizens at the district court room.

County Judge Holley was in charge of the meeting, and following a few brief remarks of the representative of the college, the remarkable opportunity that was being presented Snyder, he introduced Supt. C. Wedgworth who told of the educational facilities of our city and county, stressing Snyder's record on college attendance in four days. The balance of the land wanted, 80 acres, will be divided into lots selling from \$500 up. Building restrictions will be maintained, and no stores will be placed on any part of the allotment. Absolute cooperation will be given by the school to the city in which it is located.

Mr. Conners told that 150 families would come to the city in which they locate, and they hoped to open the school by September first with an enrollment of 400 pupils.

F. A. Johnson of Turkey, a member of the location committee, told of the several phases of Gunter College and their activity in getting the school located in West Texas.

These gentlemen as a body presented their proposition in the most intelligent and able manner that any community would want. Wherever Gunter College may locate, they have one of the finest and cleanest propositions ever offered any citizenship, and about forty Snyder folks will testify to that statement, the Times-Signal is sure.

The matter will be fully discussed this week, and Snyder will advise Gunter College folks just what we can do. The entire entire proposition needs the same careful consideration. Snyder gave Texas Tech in 1923.

George B. Terrell, state commissioner of agriculture, Monday announced receipt of official information that pink boll worm infestation had been reported in Midland, Dawson, Howard, Glasscock and Andrews Counties.

The pest originally was discovered in the three counties named first. Terrell Saturday night declared reports that the worm had spread were unofficial. At that time, he said, rumors were current that infestation had increased, but no confirmation had been received from his inspectors.

A pink boll worm conference to devise means to stamp out infestation is scheduled to meet Feb. 25 at Sweetwater, and the State Pink Boll Worm Commission will hold separate hearings at four other points in this section of the first three days of the following week.

Establishment of a non-cotton zone might be found necessary, Terrell said.

FORMER RESIDENT DEAD

Rev. P. M. White, father of A. H. and M. P. White of Snyder, died at Stamford last Friday, Feb. 17, at the age of 82 years, 6 months and 8 days. Mr. White settled in Scurry County 26 years ago this month, moving to Stamford six years ago. He was associated with the Second Arkansas Regiment, Grovan's Brigade, and served all through the war. Rev. White had been Methodist pastor for more than fifty years.

Snyder Getting New Impetus With Buildings

Many Improvements Being Made in Business Buildings

The First State Bank & Trust Company started an important improvement Monday which will provide a fine new home for the Towle & Boren Insurance Agency and their varied financial activities.

Workmen started tearing through between the two large pillars at the left of the bank entrance to provide an easy means of access to the offices. The agency will occupy the entire space in the basement, giving them one of the finest suites of offices of any West Texas city.

The Snyder Insurance Agency will likewise be in their new home shortly on the south side of the square where Mr. H. J. Brice recently purchased property between the Cozy Theatre and the Western Union offices. The old building was torn down, with a new interior being added, and a handsome brick front, making two rooms sixteen feet wide and eighty feet long. One of these rooms will be occupied by the Snyder Insurance, while J. Nelson Dunn will occupy a fine new connection with all modern improvements in the other. This addition will make a most valuable one to the south side of the public square.

Another important announcement is that the Burton-Lingo Company has purchased the lots across from the R. S. & P. depot and will build a fine new lumber yard thereon.

Many other improvements are under way, one of the most important being an apartment house, to be built with many new features, with more important building activity yet to come but which we are unable to print just at this time.

Snyder is growing, naturally, folks, and it's a wonderful spirit behind it all.

Dal-Paso Route Receives Boost By Engineer

Officials of the Dal-Paso Cavern Highway association have been advised that a tentative designation has been granted by the State Highway Commission for the west leg of the highway from Lamesa to the state line of New Mexico.

The designation was granted with the condition that the road be straightened from Lamesa to Seminole and that the Texas and Gaines Counties grade it up to state requirements.

The survey has just been completed, and the grade work will start within a short while. The road will be in splendid condition for tourist travel by spring or early summer.

At Carlsbad, N. M., the road again will be taken up and built to El Paso and will be known as the Dal-Paso Cavern Highway. The distance from Fort Worth to the Caverns by this route is 480 miles and to El Paso 620 miles. The shortest route and the straightest all-year travel route to the Caverns is known to the Highway Commission as Highway 83, and this route will greatly assist the Bankhead Highway in handling the western traffic.

LOCAL DEALER AT DALLAS MEETING

Woodson Stinson has just returned from Dallas where he attended the district meeting of the Oakland-Pontiac dealers, attended by more than two hundred dealers from all parts of Texas.

Oakland-Pontiac executives outlined the company's 1928 plans and policies. The dealers spent the day in business sessions with a luncheon at noon and a banquet given by the Oakland Motor Company in the evening at the Adolphus Hotel ballroom.

Mr. Stinson returns most enthusiastic over the outlook for 1928. He states that forecast for the year is reflected in the tentative production schedule. Last year more than 191,000 Oaklands and Pontiacs were sold, advancing Oakland from ninth place in 1926 in point of sales to fifth in 1927.

SELVIN AND COMPANY COMING TO PALACE

Manager Lollar of the Palace Theatre announces as his headline attraction for three days commencing Monday, Feb. 27, the celebrated Selvin and his company of artists.

Selvin is probably the best known entertainer in things magic that appears in the United States. He is internationally known as a greatest magician, and to present his attraction it requires a ton of special scenery and lighting effects.

Livestock, birds, rabbits, guinea pigs, geese and other birds go to make the attraction one of the greatest seen in this country. The usual high class picture program will be shown upon the same bill.

When the lover his slush does sing; when the birds begin to sing; when the politician his bull does sing—all these are three signs of coming spring.

Bankers Give Advice

THE advice of bankers usually is good. This from the American Bankers' Magazine is worth consideration: "No business man in any town should allow a newspaper published in his town to go without his name and business being mentioned somewhere in its columns."

"This applies to all kinds of business and professional men. It does not mean that you should have a whole, half or even a quarter page ad in each issue of the paper, but your name should be mentioned, if you do not use more than a two-line space.

"A stranger picking up a newspaper should be able to tell what business is represented in the town by looking at a paper. This is the best possible town advertiser."

"The man who does not advertise his business does an injustice to himself and the town. The life of a town depends upon the live, wide-awake and liberal advertising business man."

Abilene Wins Dist. 8 Title At Colorado

The Abilene Eagles won the district championship of District 8 at Colorado Saturday, Truscott ranking second and Snyder third.

The "toast" of the games was Truscott, a little town in Knox County that boasts of only eight-teen boys in their high school.

Friday scores were: Abilene 42, Clyde 16; Roby 27, Rochester 13; Truscott, 57, Dora 21; Merkel 19, Dayton 13; Colorado 23, Moran 20.

Truscott eliminated Snyder from the tournament Saturday 34 to 24, after Snyder had defeated Merkel 21 to 20.

In commenting on the game, Sunday's Abilene News said: "Snyder, in action for the first time Saturday morning, took the floor rated as one of the most powerful teams, but its towering eagles, Huestis, Crowder, Moore, Curry and Carnes, proved a disappointment in the first game at least. That made the contest with Merkel more exciting, however, and until the Tigers came to life in the last half, Merkel looked for all the world like a winner. Merrett was on top at the half, 11 to 5, thanks to many new ideas. Snyder and Snyder reduced the difference only slightly in the third. The Tigers took a shooting spell in the fourth and nosed out by a single point when Carnes pitched a free throw with only ten seconds remaining to play."

Snyder and Roby are bidding for next year's meet.

EWELL PINKERTON KILLS SELF TUESDAY

Ewell Pinkerton, 35, local grocerman, died at 1 p. m. Tuesday from self-inflicted gunshot wounds. Although his motive for taking his life is not known, it is thought that Pinkerton's mind had been affected for several months. He is survived by his widow and three children.

Witnesses to the tragedy, J. R. Webb, Grady Burt, and E. O. Battle, said Pinkerton left the O. K. wagon yard on his way to town, when he stopped three blocks from the city square. Bending over, he placed a shot gun to the back of his head and pulled the trigger. His skull was blown off. Death by suicide was the verdict rendered by the coroner.

A note found on Pinkerton's body carried these words: "Get to the doctor, go to the store in order that others might be saved." The meaning of this note had not been explained this morning.

The deceased comes from an old, well-known Scurry County family.

IMPORTANT CHANGES IN TRAIN SERVICE

Important changes in train service have been announced by T. B. Garner, general passenger agent of the Santa Fe with headquarters in Amarillo. The most important change is the improvement of through sleeper service from the South Plains territory to Fort Worth and Dallas via Sweetwater and T. & P. Ry. Passengers may now board Train No. 95 at 11:53 p. m., reach Fort Worth at 7:10 and Dallas at 8:10 the following morning, with through sleeper service. Dining car service will be provided between Fort Worth and Dallas.

No. 91 (formerly No. 92) now leaving at 3:39 a. m. will leave at 3:36 p. m.

No. 92 (formerly No. 91) now arriving at 1:53 p. m. will arrive at 1:50 p. m.

No. 94 (formerly No. 93) departs 7:31 a. m. instead of 8:45 a. m., effective March 4th.

ATTENTION CONFEDERATE VETERANS!

Camp Bill Scurry is commanded to meet at the court house on Saturday, March 3, at 2 o'clock for the purpose of answering roll call and paying our annual dues and electing delegates to our reunion and convention at Little Rock, Ark., May 8, 9, 10 and 11, and to transact any other business that may be proper to discuss. A full attendance is requested.

G. M. D. GARNER, Commander, Camp Bill Scurry, U. C. V.

City of Snyder To Broadcast Saturday Night

Local Talent to Be Heard Over KFQB at 9:30 For One Hour

The city of Snyder is to be specially honored Saturday night in being invited to give an hour's broadcasting program over KFQB, Fort Worth.

Secretary M. G. Evans of the Scurry County Chamber of Commerce, working in conjunction with the West Texas Chamber of Commerce, made this remarkable program possible. Snyder will go on the air at 9:30 and will continue to broadcast for one hour.

The Snyder High School Orchestra will handle the major part of the program, and local friends can hear them in person Friday night at the Palace Theatre where Manager Lollar will present them to their many local friends. The following night will be their first appearance on any broadcasting program, and it is a decided honor not only to the school, but to the city of Snyder and all of Scurry County.

Additional entertainment will be given by the Hoyle Brothers, whistlers and old-time music specialists, to be followed by the classiest singing duo in all West Texas, Davis Brothers of Hereleigh.

President A. A. Bullock will tell the world what Snyder has done and what it is now doing, followed by Secretary M. G. Evans, who will complete the program.

But every radio owner in this section should tune in Saturday night at 9:30 and listen to Snyder's first appearance on the air—and don't overlook one point, the credit for it all goes to our secretary, M. G. Evans.

Poultry Trade Day Saturday At Tabernacle

All Scurry County is joining in the Poultry Trades Day that will be held at the City Tabernacle Saturday. Over seventy valuable prizes have been offered by local merchants.

Breeders of the county are listing some of their best cocks, chickens, hens, pullets, settings and baby chicks to go to the highest bidder. In addition to chickens, turkeys will receive a great deal of attention.

The eyes of the poultry world were turned on Scurry County this week when a car load of eggs was shipped to the New York market Tuesday. Scurry County is the first county to break into the eastern markets. The Snyder Produce Company with Billy Frank, manager, is responsible for this master stroke.

SNYDER GIRL ENTERED IN BEAUTY CONTEST

Miss Helen Boren, daughter of Mr. and Mrs. Hugh Boren was voted the leading beauty of the Junior Class at a recent voting contest in which every student of T. C. U. at Fort Worth was enrolled.

Each class of the school elected four beauties whose pictures will be forwarded to Bert Lytell, famous movie star, who will select two from each class to be placed in the annual "Horned Frog" in the Times-Signal. Helen is among the select two, and if the matter were left entirely to her daddy, the outcome would not have the slightest argument. We cannot blame her dad for that.

NOLAN COUNTY GIVING BOUNTY ON RATTLERS

In order to assist in the extermination of rattlesnakes in Nolan County, the Commissioners' Court has placed a bounty of \$3 a dozen on all rattlesnakes killed in the county until July 1.

MAN HELD IN ABILENE ON CHICKEN STEALING CHARGE

A dent in Scurry County's chicken stealing traffic has been made, members of the local sheriff's department believe, says yesterday's Abilene News. A man was arrested in Abilene yesterday by officers while attempting to dispose of some poultry, alleged to have been stolen near Snyder.

Scurry County has been undergoing a slight epidemic of chicken thievery, according to reports in Abilene. Officers in Snyder believed that the poultry was being disposed of in Abilene. A "tip" furnished officers yesterday led to the arrest of a suspect.

FISHER COUNTY WELL PRODUCES 225 BARRELS

Production of the Texas Company's Dan Stephens No. 1 Fisher County, 8 miles west of Hamlin, since being put on electric power pump has increased from 185 to 225 barrels per day.

Cranfield & Williams J. A. Young No. 1 in the northeast part of the northeast one-fourth of section 208, block I. B. B. & C. Railway Company land in Fisher County, five and one-half miles west of Hamlin, after much trouble has drilled again at 3,870 feet.

TELEGRAPH OFFICE TO REMAIN OPEN

On account of Snyder High School Orchestra broadcasting over KFQB Saturday night, so many requests have been made of the Western Union office that they keep open that night, that local friends may wire congratulatory thanks to the station, Manager H. H. Hagan is happy to announce that the office will be open that night from 9:30 to as late as any local boosters want to send a message.

A ten-wire straight wire to Fort Worth costs only 48 cents—and let us all join in boosting the station and our local orchestra.

Colorado Man Is Prisoner at Luncheon Club

The Snyder Luncheon Club held its best session yet yesterday noon when 65 members and guests met at the Manhattan Hotel. Eight members of the Colorado Luncheon Club were present, headed by Secretary J. H. Greene and Editor Reid of the record, bringing with them a handcuffed prisoner in the person of R. W. Mulford, the best Frigidaire salesman in all West Texas.

No one seemed to know much about just what it was all about, but our good Mitchell County friends surely returned a pleasantly in their activity. Judge Holley was called on to preside in the case, with J. H. Greene defending the prisoner, and C. F. Sentell representing the City of Snyder. Judge Holley's opening remarks practically kicked the lid off the hotel when he apologetically remarked, "He didn't know what the hell it was all about, but let's go ahead." After preliminary remarks and a heated debate the prisoner was dismissed for no cause of action, and presented with a Volstead Bible by President C. Wedgworth. Colorado is always welcome to Snyder, and the membership enjoyed their day. His closing remarks were taken up with the pink boll worm situation and the Saturday meeting at Sweetwater.

E. H. Whitehead and B. M. Whiteaker of the West Texas Chamber of Commerce added spice to the program with their crowded and to the water rights battle the West Texas Chamber of Commerce had won.

The High School Orchestra furnished a delightful musical program and were invited to join a motorcade of 150 cars that will go to Colorado next Wednesday for the district meeting of the West Texas Chamber of Commerce. A mass meeting is to be held next Tuesday night at the Court House lawn and bandstand to complete all details.

Snyder is expected to send more than 300 visitors to our sister city for their meeting, and Snyder wants Colorado's backing to bring the convention here.

WOMEN FORM WEST TEXAS FEDERATION

The West Texas Temporary Council of Women's Clubs was organized at Abilene Saturday afternoon at a meeting of 100 West Texas club women, who adopted motions of protest against the dismissal of Mrs. J. U. Fields, Haskell, as biennial chairman for the State of Texas.

Officers of the council were elected as follows: Chairman, Mrs. O. T. Anderson, Olney; vice chairman, Mrs. Brooks of Abilene; secretary-treasurer, Mrs. Dallas Scarborough, Abilene; corresponding secretary, Mrs. Gray Anderson, Olney; committee on rules and resolutions, Mrs. E. T. Brooks, Abilene; chairman; Mrs. J. H. Graves, Anson, and Mrs. Tudson Day, Rotan.

J. T. CARPENTER

Mr. J. T. Carpenter, one of this city's old and highly respected citizens, died at his home in East Snyder Friday.

Deceased was born August 9, 1853 and was 74 years, 6 months and 8 days old at the time of his death.

Funeral and burial services were held at the Primitive Baptist Church Friday by Rev. Hester.

PORTER PEARSON

Porter Pearson died at his home about three miles north of town last Monday of heart trouble.

Deceased was born July 11, 1881, and was a native of this state. He leaves a wife and eight children. Funeral and burial services were conducted by Dr. I. J. Sparks Tuesday.

TO MEMBERS OF MEN'S BIBLE CLASS

All members of the Men's Downtown Bible Class are urgently requested to be present at the theatre next Sunday, as that will be the last meeting of this class with Mr. Martin as teacher. Let's all turn out and give our teacher a full attendance.

PERCY JONES, Assistant Secretary.

East and West Rail Line News Coming Fast

Two Local Men Elected As Members of Board of Directors

Further developments came Friday in the proposed building of the Artesia, Roswell & Snyder Railroad when a special meeting was held at the Snyder National Bank that afternoon with the full railroad committee in attendance, which was sponsored by the Scurry County Chamber of Commerce.

G. P. Thrane, vice president of the Snyder National Bank, and Robert H. Curran, president of the First National Bank, were elected members of the board of directors of the proposed line, with full authority of the rails committee, to act as well as acting on a town site board.

Definite assurance was given the committee by Capt. Ed Kennedy of Houston, promoter, that he would arrive in Snyder with a corps of engineers within the next thirty days to run a line from Cap Rock to Snyder. Full expectation was given that the engineers would remain in Snyder until the work was completely ready for the graders.

During the meeting a survey was read that had been secured by a special committee in connection with the tonnage data for Snyder alone. It was brought out that during 1927 over 100,000,000 pounds of freight was handled for Snyder alone. Incoming tonnage registered more than 1,200 carloads, while outgoing freight was more than 625 car loads, not including shipment of 24,000 bales of cotton during last year.

The committee has no way to positively ascertain tonnage figures from motor trucks, but conservatively estimated that as more than 1,000 tons a year. These figures were for the city of Snyder only, and do not include Hereleigh, Flanagan, Dunn, Inadale, Fryer, Dermott or Ennis Creek. Railroads now entering Snyder are the Santa Fe and the Roscoe, Snyder & Pacific.

Word from Lamesa further brought out that the Santa Fe and Roscoe are planning to build a line through the South Plains towns had to pay an extra tax in the form of a freight differential on all its tonnage. With an eastern outlet such as the Artesia, Roswell & Snyder Railroad would give the hundreds of thousands of acres untouched by the plow. These towns such as Lamesa, Tahoka, O'Donnell, Brownfield, Gail, Plains, and Tatum only await adequate transportation facilities to catch up with the development and afford production that would tax the facilities of more than one transportation company to handle in a satisfactory manner.

The territory that would be served by an additional railway has witnessed one of the most remarkable and rapid developments within the last few years of any section of Texas, and is contributing no small quantity to the production of West Texas, but there yet remain hundreds of thousands of acres untouched by the plow. These towns such as Lamesa, Tahoka, O'Donnell, Brownfield, Gail, Plains, and Tatum only await adequate transportation facilities to catch up with the development and afford production that would tax the facilities of more than one transportation company to handle in a satisfactory manner.

10 Bethel Men Buy Cottonseed From Station

Saturday one hundred bushels of cotton seed arrived at the Santa Fe depot for ten men in the Bethel community. This would not seem the least bit unusual (farmers have been getting seed at both prices for the past several months) if it were for the kind of cotton seed that had been made by R. E. Dickson of the Texas Agricultural Experiment Station at Spur. Mr. Dickson, in his work with cotton, has been selecting out the best strains of cotton from the best stalks for the past ten years, and these seed are a result of his efforts. They are the pure type that can be bought on the market.

Mr. Dickson turned this cotton over to the men in this county to be increased and kept pure in type at the very reasonable figure of \$1.50 per bushel. In the minds of some people this low price may detract from the value of the seed, but it is a policy of the Agricultural Experiment Station to give what they have developed to the people at the most reasonable figure possible. This act in giving the entire increase to the people of this county is one of the outstanding courtesies of the year.

This project properly carried out should mean many thousands of dollars to Scurry County. Why should the depots be filled with seed shipped in from somewhere else? Why can't we raise our own cotton seed? Watch this effort and see if a part of the county doesn't do that.

Men getting seed were J. L. Carrell, S. D. Hays, W. E. Bentley, J. T. Biggs, H. H. Jeffries, H. B. Patterson, W. P. Lemons, Sherman Blackely, P. A. Mebane and H. G. Moore.

The Church of Christ at Dunn is very busy at the present building the new tabernacle preparing for the summer meeting.

AMBITION PLUS A GOOD BANKING CONNECTION... and its co-operation means success

—to every one

... and . . . just below this you'll find the name that means beneficial as well as financial co-operation in your everyday business affairs.

FRIENDLY

LOCALS

F. T. Wilhelm was in Abilene Monday and Tuesday.

Henry Wilhelm visited friends in Abilene Sunday.

Mr. and Mrs. C. D. Woody were Colorado visitors Sunday.

Mrs. Doss Caton of Lubbock was in Snyder Sunday.

Herman Merrill was in Lubbock Sunday.

Dave Suddeth was in Post Sunday.

Dale Warren visited his family in Abilene Sunday.

Olin Willingham of the Texas Tech was in Snyder Sunday.

W. E. Smith and E. F. Sears were Stanton visitors Sunday.

Collie Fish was in Colorado Sunday.

Mr. and Mrs. W. F. Bertram were in Lubbock Sunday.

Nibs Warren visited at Trinity University, Waxahachie, Sunday.

Lil Wilson of Brownfield spent Sunday with relatives in Snyder.

Olin Johnson of Colorado was a Snyder visitor Sunday.

Misses Chloe Harris and Eunice Smith were in Loraine and Colorado Sunday.

Miss Abbie Mae Crozier and Tracy Smith visited friends in Rotan Sunday.

Percy McFarland, Morris Davis and Max Brownfield were in Post Sunday.

Rev. Lipscomb of Sweetwater spoke at the Methodist Church Sunday evening.

Mr. and Mrs. Rob Strayhorn were guests in the Joe Strayhorn home Sunday.

Onnie Martin of the Texas Tech spent the week-end with his parents.

Charles Rosenberg of Brownwood spent the week-end with his son, Henry Rosenberg.

Bernie McGill of Levelland was the week-end guest of Miss Lucy Maxwell.

Misses Pauline Jones and Edna Upton of the Texas Tech were in Snyder for the week-end.

Herman Darby of the Texas Tech spent the week-end with his parents, Mr. and Mrs. Ed Darby.

Mrs. Dixie Smith was visiting in Fort Worth the first of the week.

W. P. Babb and Earl Brown were among the Abilene visitors Sunday.

George Wilhelm returned home Tuesday from a few days in Marlin.

H. G. Towle was a business visitor to Dallas the first of last week.

Mr. and Mrs. W. E. Stockton were dinner guests of Mr. and Mrs. Bill Merritt Sunday.

Mr. Phear, Singer Sewing Machine manager of Abilene, was in Snyder Tuesday.

Mr. and Mrs. A. J. Towle left at noon today for a short business trip to Cisco.

Mr. and Mrs. R. A. Snodgrass of Fluvanna brought a small child to Snyder for medical attention Sunday.

Roy Stokes, who has been living in Fort Worth, has removed to Stamford, according to a card mailed the Times-Signal asking a change in the address of his paper.

Mrs. George Alexander received word last week of the death of a sister near Oklahoma City. She was unable to attend the services on account of sickness in the family.

Frank and Ralph Crenshaw and Miss Alma Hood were in Sweetwater and Colorado Sunday. They also visited with Mrs. Tommie Haines.

Mr. and Mrs. R. H. Curnutte and little daughter, Mary Vincil, left Saturday for Los Angeles where they will be guests of their daughter, Mrs. Harold Enfield.

After an extended visit with relatives and friends in Snyder Mr. and Mrs. J. A. Farmer have returned to their home at 4025 Cole Avenue, Dallas.

Rev. J. W. Boultingham, pastor of the First Christian Church, Alton Sears, Mr. and Mrs. L. W. McCullom, and Mrs. Madge Atchley, all of Berger, have been guests of Dr. and Mrs. I. J. Sparks.

Mrs. J. L. Ritzenthaler of Salisbury, Mo., who has been in Snyder with her husband and son, was notified Tuesday night of the sudden death of her brother at Huntsville, Mo. She left early yesterday morning to attend the funeral.

Mr. and Mrs. J. L. Miller of Wingate visited their daughter, Mrs. J. A. Hood, Saturday.

Mr. and Mrs. M. V. Brantley of Sweetwater were guests last Thursday of Mr. and Mrs. T. F. Brantley.

Mrs. T. J. Thompson spent a part of last week at the ranch home of Mr. and Mrs. Charlie Miller in Borden County.

L. N. Periman left Tuesday for Walnut Springs, Missouri, to visit his mother, who is 87 years old and in rather feeble health.

Mr. and Mrs. Ira Lee Duckworth and little daughter of Post City were Snyder visitors in the Warren homes Sunday.

Morris Davis, formerly employed at the J. H. Sears & Co. store, started working at Warren Brothers drug store Monday.

O. D. McCoy of Wichita Falls spent last week-end with his family, who have been visiting at the Scott ranch for a short time.

C. E. and Tom Moudy, en route to Nevada from Lubbock, spent Thursday night in the E. D. Curry home.

Misses Dixie Ruth Smith, Ellen Buice Johnson and Rubinel Johnson of Simmons University were in Snyder for the week-end.

Hal Yoder of the Tech accompanied by Clifford Brawley spent the week-end with his parents, Mr. and Mrs. D. P. Yoder.

Noel Banks, Odell Blackard and Misses Nina Frances Banks and Connie Grantham visited relatives and friends in Fort Worth Sunday.

Roy McCurdy, Harold Brown, George Avary and Joe Woodfin were among the Lubbock visitors Sunday.

Mr. and Mrs. Albert Norred and Ed Black visited their parents, Mr. and Mrs. W. A. Black, in Albany Sunday.

The following were guests of Miss Elizabeth Smith Sunday: Mr. and Mrs. Ben F. Smith of Stinnett, Mrs. Lester P. Smith and Miss Blanche Woodward of Lubbock, and Mr. and Mrs. Albert Smith and little daughter, Bertie Mary, of Big Spring.

Mrs. Hugh Scarborough will attend the Eugene Reue of Permanent Waving at San Angelo next Monday and Tuesday. She will take special training and observation in the newest things in beauty culture.

Mrs. B. F. Wilson, Mrs. Bell Vaughan and Mrs. Green Delaney of Colorado spent Saturday in Snyder to meet with Mrs. Goldsticker in the organization of the Junior Woodman Circle.

THANKS!

4214 Travis Street, Dallas, Texas, Feb. 13, 1928.

The Scurry County Times-Signal, Snyder, Texas.

Please send my paper which is now being sent to Dunn to the above address.

Your paper has become a part of us, and we can not get along without it.

Yours truly, ALLETHE WEST.

LAMESA TO GET GAS

West Texas Gas Company officials say Lamesa will have gas by July 1. Construction of the gas line is to begin within the next few days. The line will be a 10-inch main from Lubbock through Lamesa to Midland, coming from the Amarillo gas fields.

FOR IMMEDIATE SALE

My home in West Snyder, together with complete furnishings, for immediate sale. Will sell with or without furniture, and anyone wanting an investment can get the house and lot for less than \$4,000 cash, or complete with furniture, \$5,500. Will also guarantee first class renter who will pay \$30 rent, unfurnished, on a lease. See J. L. Martin at Times-Signal office at once. Will close this deal quick. 36-2tp.

WHAT'S DOING IN WEST TEXAS

Encouraging Boys and Girls
The San Benito Chamber of Commerce will distribute 100 baby chicks each to 100 boys and girls of the county as a loan from a local bank, and will in addition loan the cost of the necessary feed. The boys and girls will be expected to care for the chicks and sell enough broilers and friers to pay back the loans, retaining the remainder as a start in the poultry business. A good suggestion to other chambers of commerce is contained in this.

Floydada Has Boom
Floydada has what is termed "a sant boom" as the result of the construction of an extension of the Quanah, Acme & Pacific railroad from McBain to Floydada. The cost of the railroad extension will be about \$1,250,000. Many new buildings are going up over the town in addition to the \$35,000 railway station.

More Hotel Room
A new hotel was built at Kerrville last year, being completed in April. It was thought then that the five story building with 80 guest rooms would accommodate the travel, but the proprietors have found it necessary to add three additional stories at a cost of \$100,000, with 60 more rooms, to take care of the summer tourist travel to that section of the state. Texas tourists are finding that Texas is as inviting as the more distant places to which they have been going.

Irrigation Boom
The five million dollar irrigation project at Eagle Pass has started that staid old town on a new growth. Wherever irrigation starts there is certain to be an influx of people and of wealth that makes for the prosperity of both the town and the country. It is safe to say that the wealth of Eagle Pass will increase many fold in the next few years. **Worthy Project by Women**
The Mercedes Business and Professional Women's Club has undertaken as its major work for the year a school and home grounds beautification campaign and will conduct a beautification school in which instruction will be given in the scientific landscaping of the yards of the city. The services of an expert landscape engineer will be used, and prizes totaling more than \$1,000 will be awarded in beautiful yard contests.

Professional Women's Club has undertaken as its major work for the year a school and home grounds beautification campaign and will conduct a beautification school in which instruction will be given in the scientific landscaping of the yards of the city. The services of an expert landscape engineer will be used, and prizes totaling more than \$1,000 will be awarded in beautiful yard contests.

FRIGIDAIRE MEN ON THE JOB EARLY

Every Frigidaire salesman in the United States is expected to

report sometime during the month of February at one of eight general meetings for the purpose of learning improvements in the new series of household cabinets announced last week, according to word received today by Ed J. Thompson, local dealer, from E. G. Biechler, president and general manager of Frigidaire Corporation.

Eight meetings to give salesmen an advance view of the new models will be conducted at Dayton, Chicago, Omaha, San Francisco, Dallas, Atlanta, New York and Boston. Mr. Thompson will attend the meeting at Dallas which will be held Feb. 17.

The new water cooler will be shown for the first time at the eight regional meetings. A large number of Frigidaire executives will make the 8,000 mile swing about the country in February to personally meet all the members of the huge field organization and discuss plans and policies for 1928.

LASTING PROSPERITY

ALL prosperity that is lasting is the outcome of a determination to build on a foundation of safety.

In building for farm prosperity this year and in the years to come, the greatest measure of safety will be found in intelligent diversification and a sure living at home for every farm.

Lasting prosperity will be the reward of the farmers of this section who plan wisely for the coming season, and who first make sure of ample protection through food, feed, livestock and chickens, in addition to the main money crop.

This bank is behind you with its friendship, service and accomodation if you are building for lasting prosperity through a program of diversification and safe farming.

Snyder, Texas

UNION DOTS

A fellow never knows when something good is going to pass by unless he has some sort of inside information and quite often when he has this information he just sticks a cigar in his mouth, raves back and says let her go bill. Now I have said all this, my dear editors, just to tell you that you sure did miss a splendid program Saturday by staying at home or elsewhere, and not attending the Teachers-Trustees Association at Union, and the program was not all. The lunch hour was full to the brim with as fine barbecued beef, with salads, pickles and bread as one could want. So note it be; it is your loss and you were informed.

The program for the occasion began by singing America, then prayer. We then enjoyed some splendid music by the Hoyle brothers and the Davenport brothers. The welcome was then extended to all, followed by a response by Prof. Gramling of the Hermleigh schools. Dr. Jackson of Texas Tech made a splendid address, the subject being "Popular Government."

Dr. Jackson showed by facts and figures that a great deal more than fifty per cent of the people do not vote who could and should qualify to vote, therefore we do not have a government ruled by the majority, but that we do have a government controlled by the minority. Therefore, we cannot have a popular government all because our people do not know anything about our government affairs and, sad to say, do not try to know, so the result of this lack of knowledge is that there is no interest, so they do not try to vote.

Prof. C. Wedgeworth made a fine address in favor of a county library. The idea appealed to everyone who heard Mr. Wedgeworth's address.

Secretary Evans was then called on, but he said he was unable to talk because he had been having his throat treated all morning, but you know when he got to that barbecue you could hardly realize that his throat was giving him any trouble at all.

The band rendered several pieces at this time at the request of Dr. Jackson and others, then luncheon was called and all lined up for the feed. After the lunch hour, Judge Holly and others made good talks, the routine of business was attended to. Bison was selected as the next meeting place, and the March meeting was postponed to the second Saturday in April on account of the Inter-scholastic League, which meets in March. So ended a good day.

We had a good day Sunday at Union, a real good attendance at Sunday school. We had no preaching.

The second Quarterly Conference for the Fluvanna charge was held at Gail Sunday afternoon. J. T. Biggs, S. W. Light, Clark Light, P. A. Mebane and Union Dots went to Gail to the conference, had a good time, came home before night, went to the Epworth League and prayer meeting, and so finished a good day.

Mrs. W. L. Russell has been sick for several days.

Mr. Swin's little boy has been real sick with pneumonia.

Jack Merritt and family are moving to Sherman Blakely's place in the Turner community this week.

The Scurry County Farm Bureau Cotton Association held their regular meeting the afternoon of the 19th instant. We are planning an educational week, beginning the 19th of March. Look for our program.

So mote it be.
J. L. CARRELL.

NEW HIGH FOR POST

To meet the growing demand for school facilities, the citizens of Post have called an election to be held in the early part of March to vote a \$100,000 bond issue to be applied on a new high school.

Of course, we do not know just what steps the Pink Boll Worm Commission is going to take to eradicate the pink boll worm, but no matter what they decide it is going to change the old order and folks might just as well look for another money crop for the next two or three years.

Mrs. J. W. Welch spent last Thursday and Friday in Brownfield with her daughter, Mrs. George Shulze. Mr. and Mrs. Shulze returned home with her for a short visit.

Pretty Wedding At Palace Theatre Thursday

Wedding bells seldom chime to sleigh bells, but Thursday night, Feb. 16, when charming Mary Frances Emeline Sarah Agnes Nibs Warren Palestine marched down the aisle with Mr. Sidney Stuyvesant Wilsford Van Fish to the strains of Lohengren's Wedding March, the world outside was beautifully clad in downy white. The hall was beautifully decorated in pink and white, forming an altar at the back with an arbor extending the length of the stage while two large arches decorated in bride's roses and ferns formed a beautiful gateway for the bridal party. Then the impressive ring ceremony was read by Rector Kerr.

While the guests were arriving the High School Orchestra furnished music, and Director E. Wedgeworth favored the large audience with a trombone solo.

The prenuptial music was furnished by the famous prima donna, Miss Marion Talley (Otis Carter) who sang Carrie Jacobs Bond's beautiful love song, "I Love You Truly," with Mrs. A. C. Preuit at the Steinway grand. Miss Talley's second number was a reminiscent song entitled "When I Was Seventeen."

The bridal procession marched slowly down the aisle as Miss Dol-

son Smith played the wedding march. The first to appear were little Misses Weldon and LeRoy Strayhorn, attired in soft pink crepe de chine dresses. They broke the ribbon of the arches through which the bride must pass up to the altar. Following these two came the junior bridesmaids, Miss Oscar Brice with Miss Billy Vaughn. Miss Brice was beautifully gowned in yellow georgette carrying a bouquet to match, while Miss Vaughn wore softest pink. Their escorts who marched down the opposite aisle were Mr. Hunter Bryant and Mr. N. R. Clements. They were attired in blue frock coats and white flannel trousers. The six bridesmaids followed in order of twos, accompanied by their escorts. First came Miss Preston Morgan, attired in deep rose, with a large garden hat to match, while Miss Crowder wore peach pink, charmingly trimmed in rhinestones and wearing a large lace hat. Their escorts were Mr. J. T. Jenkins and Mr. Hubert Carnes. The next were Miss Stanfield Cooper with Miss Travis Larue. Miss Cooper wore red with a large hat and bouquet to match, while Miss Larue wore a printed georgette. Their escorts were Mr. Charles Cauble and Mr. Joel Hugh Hamlett. Next in order came Miss Fred Yoder with Miss Curtis Larue. Miss Yoder was attired in orchid dress with hat of same color, while Miss Larue wore rose taffeta with hat to match. Next came the flower girls both in pink with pink ribbons holding their yellow curls and

carrying charming baskets filled with bride's roses. Accompanying them down the opposite aisle was Master E. T. Taylor carrying on a pink satin pillow the beautiful wedding ring, held securely in place by a beautiful pin. Down the left aisle, leaning heavily on her father's shoulder, with head slightly bowed, marched the bride. Her gown was made of old Venetian lace held at the waist by a beautiful cream ribbon. Her veil gathered at the back of her beautiful head and formed a crown made of white Satin and rosebuds. She carried in her arms a large bouquet of bride's roses and the train, fully five yards in length, trailed gracefully behind her and was supported by little Lyman Yoder. Down the opposite aisle came the handsome groom, accompanied by his best man, Mr. Robert Gray. Mr. Gray was very handsome in full dress, and the groom, also attired in full dress, though slightly nervous, was fully composed by the time he reached the altar.

After the ceremony the bridal party, especially the men, enjoyed a farewell kiss from the bride, while the groom struggled to free himself from his best man. The bridal party filed out with a shower of rice following them. Mrs. Van Fish threw her bouquet into the audience as she was leaving.

Those present were the bride's mother, Mrs. Taylor, who wore blue georgette heavily beaded. She was accompanied by the bride's younger sister who wore apricot georgette. Mrs. Van Fish number one, who came to see her former husband happily married, wore green georgette. Mrs. Van

Fish number two, also anxious to see her ex-husband again happily married, wore a street custom of blue. Mrs. Van Fish number three, not in the least jealous of the future Mrs. Van Fish, was beautifully attired in black satin, and she enjoyed flirtations with other men.

Miss Horseradish, a friend of the bride, was dressed in a black evening frock trimmed in rhinestones. Miss Pricklypear was also present, while Mr. and Mrs. McSnuff with their children, Pete and Repeat, and also their baby and six other children, came all the way from Polar, Texas, to view the wedding of their cousin.

Miss Chop Suey, a friend of the groom, was also there. The groom's mother and father, Mr. and Mrs. Van Fish were also present. Mrs. Van Fish was attired in yellow velvet. In the middle of the ceremony Mr. Rejected Lover entered, making protests, which were promptly overruled.

The bride and groom left hurriedly for an extended tour to Wolf Park and will be at home at 2000 Bosque Boulevard, Inadale, Texas, on their return from the wedding trip.

The high school and numbers of friends wish to extend to the happy couple their hearty congratulations and wish them a long and happy married life.

LUCILE McCALEB.

SNYDER GIRL SIGNALLY HONORED IN COLLEGE

Miss Maxine Whitmore, daughter of Dr. and Mrs. J. T. Whitmore of this city, is making a most enviable record in Abilene Christian College where she is complet-

ing her junior year.

Maxine is a member of the Worthy Woman's Club, the election to which requires an average of B plus throughout the college course, and at no time a summons to appear before any discipline committee.

Maxine is secretary of the Dramatic Club, has coached a number of plays, read at many notable banquets in the city of Abilene and was called to Anson to appear on a program there recently.

Quoting from an Abilene paper, "The presentation on Friday night of the term play for the Dramatic Club, the romantic young lady proved an overwhelming success. The most outstanding of the character portrayals was Maxine Whitmore, the leading lady. She played one of the most difficult roles ever seen on the A. C. C. stage, and did her part with startling ease and effect."

Maxine graduated with honors in the class of 1925 in the Snyder High School.

THE NEW TEXAS ALMANAC

We are in receipt of the 1928 edition of the Texas Almanac put out by the Dallas News, and we find that the present volume contains nearly more complete its predecessors indispensable and to our valuable source regard to a state known of fore. Now more and more the Almanac is increasing sale tains just the homeseekers stantly seeking in every Tex saying, for informed a the history is too large with its growth and development in every section. The Almanac affords an authentic record of what is transpiring within its borders, condensed and tabulated so as to exactly fill the requirements of a busy person.

The United States is the most important poultry raising country in the world, producing more than one-third of the world's supply of poultry and eggs.

The fashion in Ireland centuries ago was to dye horses wholly or in part for ornament. One prince had fifty white horses with ears dyed red and manes and tails purple.

Hermleigh News

taken from the Herald.

Shell Pipe Line Now Going Down Near Hermleigh

An underground pipe line leading from McCamey, Texas, to Healdton, Oklahoma, is now being laid through Scurry County near Hermleigh. Crews are on the ground both at Hermleigh and at Colorado. The telephone and telegraph department stretched their tents Monday. The crews are working out of Hermleigh as a center.

The approximate length of this line will be 500 miles, and cost of construction will be near \$50,000,000 it is estimated.

Water Tower Now Going Up Rapidly

By the time the Herald reaches its readers this week, the water tower will be up within sight of all who read the paper. Under the supervision of Mr. Carpenter the work is going forward rapidly. It will be a few days now until Hermleigh will be blessed with water.

At the completion of the work comes the "big jubilee day" in Hermleigh. It is to be a community affair. The clean-up day this week is clearing away the rubbish and getting ready for the great occasion in this end of good old Scurry County.

The big basket lunch, which has been decided upon by the committee, is something for the good women to be considering. The "mile-high bonfire" and the "sky-high water spout" is holding greatest interest to some. This is wanted to be made a memorable occasion, because Hermleigh has been without water so long, and because it is thought that it means the beginning of a new day for the town.

The Texas Electric Service Co. is planning to run a direct high-power line into Hermleigh from Snyder. Our power is insufficient at the present, and this will mean a great deal to the development of the town.

Dr. Rosser Assures Scurry County

will be... hattan Hotel and the First Methodist Church, south of the square.

Water Tower Soon to be Completed

Our water system is soon to be completed and then comes the big celebration for the people of the Hermleigh community. The tower will be erected on one of the highest points of altitude in this county and from which the water runs one way to the Colorado River and the other way to the Brazos River, and will stand over a hundred feet in height. It can be seen for miles. Invitations to attend this big celebration are broadcast

to everyone who can see this huge tower.

Junior C. of C. is Recommended

Mr. Evans, secretary of the Scurry County Chamber of Commerce, and Judge Holley were in Hermleigh Monday. Scurry County has two C. of C. organizations, and the editor is encouraging that each local rural community organize a Junior C. of C. This is both practical and beneficial. The work no doubt is but a short time in the future.

City Council Doing Good Work

The City Council is to be strongly commended for this wisdom and hard work in an effort to put the town on a better civic basis. One might safely predict that if they get sufficient moral support from the citizens of the town, they will prove the greatest asset to Hermleigh that anything else has or may ever prove. Stay in there, Councilmen, and let's all pull together for a town of 1200 in Hermleigh within two years. It is to the very best business interest of all who live here to see things go.

China Grove Basketball Activity

China Grove played Longfellow Wednesday at Longfellow court and defeated them 33 to 3.

The China Grove Independent school played Snyder and was defeated 18 to 24.

China Grove seniors played Plainview on Snyder's court Tuesday and defeated them 10 to 23.

Plainview came down Sunday and asked us to meet them on the Snyder court. They entered the tournament. They told our teacher they wanted to play us so as to get some practice. Ha, ha!

Local Jots

Mrs. M. E. Williams, whose health has been bad for the last several days, is much improved, and she was able to come to town Tuesday.

Mrs. Bernie Hamil left for Fort Worth Tuesday where she will join her husband who is employed there.

Mesdames Ward and Terry are expected Saturday to attend a conference.

DODGE BROTHERS FOUR ALSO TWO LINES OF SIXES—THE VICTORY AND THE SENIOR

Tucker home Sunday.

B. F. Barton of Hamlin has recently moved to Scurry County, locating on the Gleastine farm near town.

Clarence Jaeggli, teacher in the Big Sulphur school, received a message Thursday concerning the death of his father in Fort Worth. Mr. Jaeggli was a former business man of Hermleigh.

Miss Thelma Fargason, who is Sanitarium at Plainview, spent the week-end with homefolks here.

Born to Mr. and Mrs. John Shepperd, a boy. They call him J. W. Jr., of course.

Floyd Finley has recently moved from Loraine to near Hermleigh, settling on the Bill Mahoney farm three miles southwest of town.

T. W. and Mrs. Windle have moved their residence down James street toward the Winston. Fe depot across from Dr. Ward's.

John Etheredge has rented the Brag building formerly occupied by the Ladies Shop and has equipped it modernly for a cafe. This equipment is quite a contribution to Hermleigh.

JOLLY PARTY

Miss Elaine Rosser entertained her small expression pupils with a Valentine Party Wednesday afternoon. There were many games played and enjoyed by all after the drawing of Valentines was over. Refreshments were served to Joannie Ruth Baze, Ruth Letcher, Dollie Clements, Katherine King, Irene Taylor, Netha Lynn Rogers, Wynona Keller, Juanita Sentell, Florenz Winston, Maxine Hpeckabee, Ella Rhea Ely, Louise Wilford, Helen Cauble, Hazel Holcomb, Louise Ely, Betty Womack, Sterlin Taylor, Eva Nell Arnold, Frances Clements, Frances Chensault and Athalene McClinton. Mary Janet Smith, Laura Banks and Mary Bess Abercrombie.

SURE-FOOTED TONY REVELS IN GLORY OF SAVING TOM MIX

Tony, the wonder horse, gives one of his finest performances in "Silver Valley," Tom Mix's new production for Fox Films which comes to the Palace Theatre Saturday. Racing to the aid of his master, who is marooned on the side of an active volcano, Tony leaps over huge boulders and flaming chasms as though he were "Pegasus," the winged horse.

One false step meant instant death, but Tony never faltered and reached his grateful master in time to save him from the encroaching lava.

Supporting Tom and Tony are Dorothy Dwan, Philo McCullough, Jockey Hoell, Tom Kennedy, Lon Poff, Harry Dunkinson and Clarke Comstock. Ben Stollief directed the picture.

DUNN DOINGS

Good crowds attended all the church services Sunday in spite of the general epidemic of flu and whooping cough.

Rev. Ernest Brown from near China Grove supplied for Brother W. W. Riley at the Methodist Church Sunday.

Rev. W. C. Ashford will be at the Baptist Church each night for one week beginning Thursday of this week, finishing a series of Bible lectures he had begun in January but had to quit because of sickness.

The Health of Mothers is of Great Importance

Houston, Texas.—"Dr. Pierce's Favorite Prescription was a great benefit to me during middle life. The bearing pains and other trouble and sickness which came upon me at that time were all dispelled by the use of the Prescription. I consider it a wonderful remedy, and I am glad to recommend it."

"My daughter was wonderfully benefited by taking a few bottles of 'Prescription.' It is a priceless aid for functional disturbances."

uary but had to quit because of sickness.

The ten days meeting at the Methodist Church, conducted by Presiding Elder Lipscomb, was very successful, resulting in 6 additions to the church and a general revival of interest.

The Church of Christ folks are building a dandy tabernacle 50 by 60 feet, which will be the largest and best equipped meeting place in this section of the country when completed.

An additional B. Y. P. U. room has been added to the Baptist Church since our last correspondence.

A movement is on foot to erect a new Methodist Church building

soon.

It is encouraging to note the growth and general activities of all our churches as well as the very gratifying success of our school this term. The school is crowded, and the teachers are over-worked, but not one kick or criticism is to be heard from patrons or student body.

B. J. Worthington is erecting a nice four-room bungalow in Dunn. A new grocery and drug store is open for business under the ownership and management of Jess Crabtree. It is a nice, new place, and we feel sure it is going to be a successful venture for Mr. Crabtree as well as a valuable addition to the city of Dunn.

Much sickness, such as cold, whooping cough, flu, pneumonia, etc., is in the community, but we do not know of any dangerous cases.

The rain and snow of the past week was sufficient for the present need—so please excuse us—we got to go to work.

JIM PEACH.

The correct basis for determining the worth of any hen as a layer should be not only the total number of eggs produced, but also the time of production. Ten eggs laid in November or December are worth approximately 20 laid in April or May.

CAMP SPRINGS CLUB

The 4-H Club met Tuesday, Feb. 14. The president called the roll and the club song was sung. Following this, the thing was turned over to Miss Davis, our agent. She gave instructions on our sewing; also disinfected and explained our record books.

LUCY MAE OPRY.

HERMLEIGH CLUB

The Hermleigh 4-H Club girls eyed another meeting with Miss Davis last Wednesday, Feb. 14. This was a very interesting meeting attended by a number of members. With the addition of these members, our club now has a total of 24 members enrolled and going strong. We are at present a little behind our work, but just you know, for we are the "Green Growing Club," and you know at that means. "But maybe we are," someone might say. Well, a just wait until the next community and county fair time and we will show you a few prizes the state fair just to show you that we can do.

But even more than this, we are at the cooperation of every club and community in the county in order that Scurry County will stand out just a little higher than any other county in our county and take up the name of what we are doing and do it at we can and will do in the future.

FARRIS STEVENSON.

CROWDER CLUB NEWS

The home demonstration agent met with the Crowder club girls at Friday, Feb. 17. The members present were Mae Rogers, Helen Witherspoon, Mae Cayce and Juanita McKinney. One of our members, Blanche Bearden, was absent, and lost a member, which we regret very much.

Some of the girls did not have their hem patches finished, but almost all of them had made some preparations for their projects. Miss Davis gave the second year girls instructions on making their wing bags. She also gave the first year girls instructions on making their pan lifters. The club was divided into two groups for the purpose of having a little contest. The leaders are Mae Rogers and Blanche Bearden. The girls are going to have more work done by the next meeting.

JUANITA MCKINNEY.

HAPPY CAMP CLUB

The Happy Camp Club met on Tuesday, Feb. 14, at the Methodist church with ten present. We enjoyed an interesting talk on beds and window boxes by Miss Jessie Lee Davis. She also told us about the nitrate garden contest, and Happy Camp joined to win. Miss Davis gave a demonstration on rug making, and we discussed the color combinations

and materials suitable to be used. The next meeting will be held Thursday, Feb. 28.

MRS. J. E. BEAVERS.

CHICKS SHOULD BE GIVEN GOOD CARE

Raising strong baby chicks is not a difficult matter when the fundamental principles are understood and carefully practiced. Young chicks require: 1. Regular attention; 2. proper feeding (avoid over feeding); 3. an abundance of fresh air, sunlight and clean water; and 4. cleanliness and sanitation.

Before hatching time plans should be made for the housing. Therefore, a well constructed brood coop or house should be ready for the baby chicks. The house or coop should be built so that it will be easily cleaned and in connection with it there should be a yard or extension run, thus providing the necessary sunlight and fresh air. Cover the floor of the coop with clean sand and finely cut digestible material such as alfalfa.

When the chicks are 48 to 60 hours old they may be given their first meal. Until this time nature takes care of them. For the first week or ten days feed the following ration five times daily:

8 lbs. yellow corn meal, 2 lbs. gray wheat shorts or wheat bran (preferably wheat shorts), all the sour milk the chicks can drink, 1/2 lb. bone meal or meat scraps, 1/2 lb. fine oyster shell, a tablespoon of fine salt.

Do not keep feed before them

all the time, but allow them to have all they can eat for thirty minutes, then remove the feeder. This not only prevents them from overheating, but it aids materially in keeping the food clean. Feeding and drinking devices should be washed daily with warm water and soap, then thoroughly scalded, as well as disinfected twice a week with a strong disinfectant. If digestive disturbances develop, add about four pounds of wheat bran to the above ration. After ten days continue the above mash feed, but add three feedings of some commercial scratch feed or cracked yellow corn. After the chicks are three weeks old, keep mash before them all the time, reducing the number of grain feedings to night and morning only. This ration may be continued until the chicks reach the broiler stage, at which time you may change to the following:

Five parts of yellow corn meal, 2 parts of gray wheat shorts, 2 parts of wheat bran, all the buttermilk they can drink, one part of meat scraps, one pound of fine salt to 100 lbs. of mash.

The cockerels should be sold as broilers or fryers. The earlier they are ready for market the more profit will be realized from them. Continue feeding the pullets the growing ration until they are ready to begin laying, then change to a laying mash.

The average bred-to-lay hen will produce a profit of \$2.00 per year. Though many times we allow our stock to run down and we are then keeping star boarders, by this we mean they will not produce the cost of their feed. Then it is an important matter to determine whether our poultry business is being operated at a loss or profit, and if it is at a loss, find the cause and remedy it.

JESSIE LEE DAVIS,

Co. Home Demonstration Agent

PRESBYTERIAN CHURCH

The Every-Member-Canvass has the attention of all the church for the month of March. Come to the services next Sunday morning and receive literature pertaining to our budget.

Services for next Sunday: Sunday school 9:45 a. m. Morning worship, 11:00 a. m. Evening worship, 7:30 p. m. Junior C. E., 6:30 p. m. Our midweek prayer services are held at 7:30 p. m. Come and take part with those who desire to pray for the success of the Lord's work and for the good of your community and church.

REV. H. J. MANLEY.

METHODIST CHURCH

Sunday school 9:45 a. m. Preaching services at 11 a. m. and 7:30 p. m.

Epworth League at 6:30 p. m. The morning subject, "The Touch of Faith," or "Thy Faith has made thee whole." Evening subject, "A disciple who followed afar off." This is perhaps the most interesting character among the followers of the Lord. Why did he follow afar off? Has this disciple any followers in Snyder? Come and see.

The Methodist Sunday School in Colorado has challenged the Methodist Sunday school of Snyder for a two months contest. We are thinking about accepting this challenge. If we do it will take everybody and his dog to win. They have a few more people to work with than have we, but have they any better workers; are their people more responsive than the Snyder people; do they care more for the church and its work than do we? The results will answer these questions. Do you want Snyder to win in this contest? Then you will have to help us. All are welcome to our services next Sunday.

J. F. LAWLIS, Pastor.

RICHARD DIX STARS IN TALE OF BANDITRY

Forty-niners—the bold adventurers who rushed to Californian gold fields in the middle of the last century—figure in a new way in "The Gay Defender," Richard Dix' latest Paramount picture.

coming to the Palace Theatre next Tuesday and Wednesday. Heretofore treated as heroes in screen dramas, the gold seekers in "The Gay Defender" are played up as villains, while Dix, in the heroic role as a native Mexican, is driven to handiwork by oppression of the unscrupulous prospectors. Thelma Todd is the heroine, while Fred Kohler heads the American desperadoes. Gregory La Cava, directed. "The Gay Defender" is an original screen story by Grover Jones, adapted for the screen by Ray Harris, Sam Mintz and Kenneth Raisbeck.

PLEASANT HILL CLUB

We didn't meet with Miss Davis on Friday, Feb. 10, our regular meeting day, because of the Santa Fe demonstration train that was in Snyder, but met with her Monday following. There are 23 now enrolled in

the club, and some good work is being done. The vice president called the house to order, and the secretary called the roll, each one answering with what she had done since the last meeting. The following work was reported: Two dresser scarfs finished, ready to hand in; four dresser scarfs made; two cup towels finished, five yards cleaned, one pot lifter finished, and one flock of chickens culled.

We have divided our club into two equal parts; one side being named "Sky Scraper," and the other "Sky Rocket." This was done in an effort to get the members to take more interest in the work. The losing side will serve the winners. The next meeting will be held Friday, Feb. 24.

About five miles is covered by the average golfer playing 18 holes of golf.

Rev. W. T. Rouse, former pastor of the Snyder Baptist Church, was in Snyder last Wednesday and Thursday.

The word Canada is derived from the Huron-Iroquois Indian word, kanata, meaning a collection of huts.

PRODUCT OF GENERAL MOTORS

Separators and Incubators Should Be Found In Every Farm Home

WE HAVE been trying to advance the idea that a cream separator is about the best investment a farmer can make. We haven't tried to theorize so much, but what we have had to say came from a very close observation extending over a number of years, and talks with farmers who have made a practice of marketing cream. Every year we can raise a lot of feed stuff for cows, and we all know that there is no purer milk produced anywhere than we get here. Also, it is a fact that butter fat always brings a good price, and it is cash money. We also know that it doesn't take much capital to get into the game. Figured from every angle—the initial capital, the maintenance expense, the time required, and the revenues that are sure to come in—we play safe, year in and year out, if there are some good cows on the place and cream cans going to market every week.

Close up to this profitable business comes the poultry industry. The housewife knows something of the profits that accrue from this source, but the old man has been treating it too lightly. We have noticed, however, he is mighty well pleased when she settles the gro-

cery bills from the sale of eggs and chickens. Down at Brady, Texas, produce dealers paid the farmers and their wives last year \$700,000 for poultry and poultry products. Included in this was the turkey industry, as well as chickens and eggs. This amount represented \$2,000 per day for the entire year, and it was distributed among hundreds of farmers over the county. The old dilapidated town of Brady has taken on new life during the last half dozen years, and poultry has been the rejuvenating element. Other towns and farming sections might be mentioned, but our investigation convinces us that Snyder and Scurry County can be made to blossom as the rose if every farm home is converted into a dairy and poultry house.

Suppose you sit down after supper tonight and figure on it a little, and be sure your wife is called into the council.

When Vanderbilt spent his millions on his estate at Biltmore, North Carolina, he put almost as much into dairies and poultry houses as he did into the mansion. It pays.

Higginbotham Bros. & Company

SOCIETY

JUBILEE TEA HELD AT YODER HOME

The social activities of the week which were marked by many gay festivities in commemoration of the past splendor of Colonial days, culminated with a jubilee tea by the home of Mrs. D. P. Yoder Wednesday afternoon. The event was the golden anniversary of the Women's Missionary Society of the M. E. Church, at which time the past years of its organization were represented by ladies daintily attired in elaborate finery, each expressing the individual style and feminine taste of the first ladies of the land for a certain period of time during the eventful last fifty years.

The officers of the society received a large number of guests during the afternoon, where a well rendered program was presented by ladies and children likewise attractive in Colonial attire.

MRS. WHITMORE HOSTESS TO ALTRURIAN CLUB

The Wilsford Tea Room was the scene of a most profitable as well as pleasant afternoon Friday when Mrs. J. T. Whitmore was hostess to the Altrurian Study Club. The lesson, "A Group of Odes," was led by Mrs. C. C. Higgins. A paper, readings with Preface and Introduction, "Commemoration Ode," from Lowell was given by Mrs. J. W. Leftwich, with Mrs. W. Wilsford giving The Ode in General with Illustration. Mrs. J. M. Harris gave an analysis of the Ode "On the Death of the Duke of Wellington," which was followed by a general better English drill.

The study hour was followed by a most delightful two-course refreshment, which was served to Mesdames W. R. Bell, H. P. Brown, C. E. Buchanan, Ivan Dodson, R. D. English, W. W. Hamilton, C. C. Higgins, J. M. Harris, A. C. Preuit, Lee T. Stinson, J. W. Leftwich, O. P. Thrane, H. G. Towle and C. J. Yoder.

BRIDGE CLUB IS ORGANIZED FRIDAY EVENING

Among the recent club organizations is a night bridge club, which held its first meeting at the home of Mr. and Mrs. Wayne Boren Friday evening, Feb. 18. The charter members include guests for five tables, and meetings will be held on the first and third Thursday evenings of each month. Those joining up to date are Messrs and Mmes. Ivan Dodson, Rayborn, Forest Sears, Albert Norred, Sam Hamlet, J. G. Hicks, Tom Gates, Maurice Brownfield, Waymond Sims and Wayne Boren.

BLUE BIRD CLUB ENTER-TAINED FRIDAY

Members and guests of the Blue Bird Club played bridge at five tables in the home of Mrs. J. A. Hood Friday evening with Mrs. George Oldham and Miss Alma Hood as hostesses. The February 22nd date was expressed in the table appointments. Those enjoying this hospitality were Mesdames Melvin Blackard, Sam Hamlett, Loree Curry, Amos Joyce, Alfred McGlaun, Maurice Brownfield, Wayne Williams, Ixon Joyce and O. D. McCoy of Wichita Falls and Misses Davida Curry, Myrtle Harrell, Larrybeth Waukon, Faye Harrell, Lou Wosley, Thelma Kilburn, Claribel Clark, Alma Nell Morris and Myrtle Martin.

MRS. SMITH HOSTESS TO SINE CURA

Tables were most attractively appointed in George Washington motifs Tuesday afternoon, mementoes of Colonial days being featured in colorful tallies, score pads and table covers when Mrs. George F. Smith was hostess to

the Sine Cura Club members at the Wilsford Tea Room. The chosen designs were further emphasized in plate favors of miniature hatchets and in the delightful two-course luncheon. Red tulips were added floral charm. Bridge favors went to Mrs. W. R. Johnson for high, with second award going to Mrs. A. D. Erwin.

Those attending were Mesdames W. R. Johnson, W. B. Lee, A. D. Erwin, O. P. Thrane, A. J. Towle, J. M. Harris, Ivan Dodson, Vern McMullan, G. A. Hagan, W. W. Lechner, Ernest Taylor, Misses Ruth Smith and Cecile Strayhorn.

PRESBYTERIAN LADIES ENTERTAINED

The women's class of the Presbyterian Sunday school spent an enjoyable evening in the home of Mrs. Billy Frank February 21. The event was in recognition of the birthday of George Washington.

The costumes worn, while not now being recognized as in the latest mode, were relics of finery of by-gone days. Party frocks and wedding gowns which had stirred the hearts of lovers and swains and bridegrooms were in evidence.

The scene was characterized by the modesty of which the names of mamas and papas of today's generation like to boast. Ankles were kept assiduously covered; in many instances high top shoes were worn to supplement the distance to the hem of the skirt, which, like the coat of living, has been going steadily upward during the present age. Neck spaces were also partly filled, in cases where high standing collars did not obtain, by half a dozen or so strands of beads or by the ribbon band terminating in the graceful bow at the back. The ladies carried their reticules, instead of vanities, and instead of powdering their noses, employed their time usefully by crocheting as they chatted.

A word-making contest, using the letters in George Washington's name as the base of supplies, terminated in bringing Mrs. Pete Bridgeman and Mrs. C. R. Buchanan foremost in the race.

Refreshments of cherry pie and

coffee were served. The plate favors were tiny cardboard hatchets with the cherry and twig twined round the handle. The hostess evidenced her thoughtfulness, seeing that the guests were in a reminiscent mood, by supplying knives in the service. It was remarked that Miss Clark handled her knife as skillfully as any adept can.

In the contest for the most appropriately consumed woman, vanity rated at its usual high score. The contest, though very spirited and close, resulted in the selection of Mrs. Abercrombie as the queen of fashion for the evening. Miss Mayes, Mrs. Ferguson and Mrs. Chenaunt were finally persuaded to drop the matter on promise of honorable mention in the contest.

The visitors attending this class meet were Miss Mayes, Mrs. Joe Caton, Mrs. Pete Bridgeman and Miss Eula Pearl Ferguson.

TWENTIETH CENTURY MEETS WITH MRS. MILLER

The second meeting of the month for the Twentieth Century Study Club was held at the home of Mrs. Bill Miller Tuesday afternoon. The ladies enjoyed a most pleasant study hour with Mesdames Dorward, Sentell, Dunn and Rosser contributing with papers. A round table talk completed the program. Those enjoying a most delicious two-course luncheon were Mesdames L. W. Boren, H. J. Brite, J. C. Dorward, J. Nelson Dunn, H. M. Blackard, C. E. Fish, Charles Noble, H. E. Rosser, C. F.

Sentell, W. W. Smith, Allen Warren and Walter Scott, members, and Mesdames J. A. Hood, Earl Henry, Henry Ware and Wade Winston, guests.

MRS. CARLTON HOSTESS TO YOSAN CLUB

Mrs. Jim Carlton was hostess to the Yosan Bridge Club at the home of Mrs. A. B. Casstevens Tuesday afternoon. The patriotic colors were used in table decorations where a number of rounds of bridge were played. A two-course refreshment was served to Mesdames Henry Ware, Earl Johnson, Wellington Taylor, A. B. Casstevens, R. P. Jones, Claude Sims, Bell, Bill Hutchinson, J. Delatte, D. Singletary, and Von Roeder. Mrs. Page Clevenger was a guest.

The next meeting will be Wednesday, March 7, at the home of Mrs. Bell. The officers are: Mrs. Claude Sims, president; Mrs. Bell, secretary and treasurer; Mrs. R. P. Jones, reporter.

DERMOTT NEWS

Mr. and Mrs. Archie Huddleston of Loyd Mountain visited Mr. and Mrs. John Mallon one day of last week.

Mrs. Harvey Greenfield, who

has been sick for some time, is improving.

A surprise birthday dinner was given in honor of Roy Elkins at his home on Sunday, Feb. 19. Those present were Mr. and Mrs. George Elkins, Mr. and Mrs. Burton Moore, Mr. and Mrs. Kin Elkins, all of Polar; Mr. and Mrs. Harve Browning and family of Justiceburg, Mr. and Mrs. Johnny Browning and Miss Rena Burden, of this place.

Mrs. George Odom is visiting Mr. and Mrs. Carl Odom of Justiceburg this week.

M. A. Fuller shipped two cars of cows and calves to Nolan County this week.

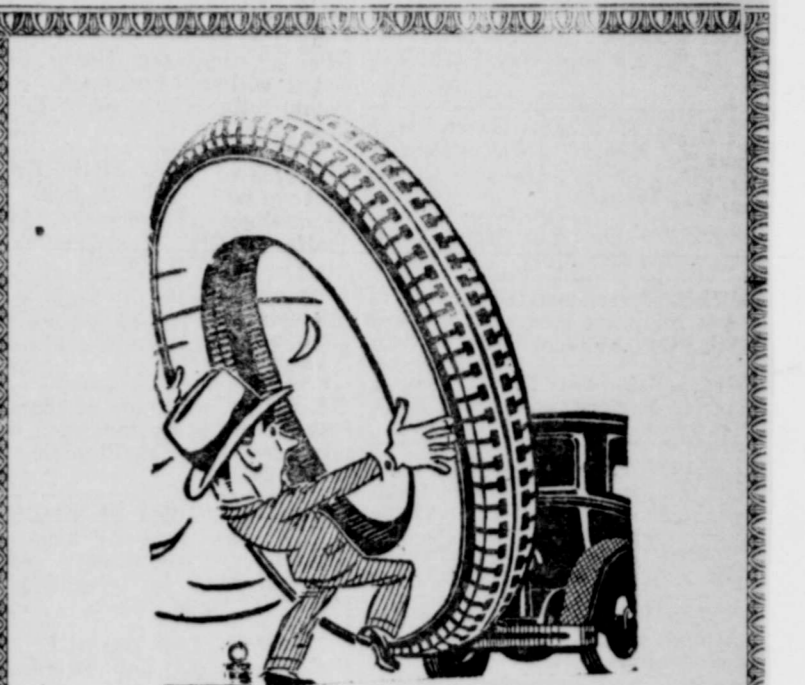

Pink Russell shipped four cars of yearlings to Levelland last week. We are very sorry to say that one of our very best neighbors and friends, Mr. Jim Steel, died Sunday night, Feb. 19. He was sick only a few days and had every care possible, but seemed to grow worse all the time. He was a member of the Christian Church and was a great help to our Sunday school and religious work of all kinds. He will be greatly missed in our community. He leaves a wife, four children, a father and four sisters to mourn his death. The bereaved have the sympathy of our entire community.

nity. The remains were laid to rest in the Dermott cemetery. The pall bearers were Elvie Greenfield, Gene Sanders, Alvin Elkins, Clarence Whatley, Ab Gargile, John Mallon, and the flower girls were Georgia Elkins, Afton Smith, Dixie Durden, Juanita Crockett. Brother Sparks conducted the service.

Brother Harris will preach for us Sunday, Feb. 26 at 11 o'clock.

MASONS TO IRA
The local Masonic body went to Ira Friday night to initiate on candidate in the Fellowcraft degrees, and two in the Master degrees. They enjoyed a royal time at the hands of the Ir. brethren. Luncheon was served in banquet fashion.

Powered by a Brute of an Engine All-American in Design

What a power plant! What a clean, uncluttered example of advanced engineering design! That's what you think when you lift the hood of the All-American Six. That's why this brilliant car is amazing everyone who takes the wheel... A brute of an engine, indeed. With a 79-pound crankshaft... generously large connecting rods and other vital parts. With many other notable advancements... G-M-R cylinder head... fuel pump... full pressure oiling of moving parts... Small wonder it's famous for conquering America's stiffest mountain grades. Small wonder it has never found the road too rough or the pace too trying... Yet for all its wealth of power, it's silent and satin-smooth. And for speed and snap and handling ease... just drive it yourself and see!

PRICES: 2-door Sedan, \$1045; Landau Coupe, \$1045; Sport Roadster, \$1075; 4-door Sedan, \$1145; Cabriolet, \$1155; Landau Sedan, \$1265.

New Series Pontiac Six, \$745 to \$875. All prices at factory. Delivered prices include minimum handling charges. Easy to pay on the liberal General Motors Time Payment Plan.

Special Sport Equipment Available on all body types... special front fenders with the wells... Six wire wheels with tire locking rings... collapsible trunk rack... \$100 extra on open cars... \$110 on closed models... six tire wheels with same equipment, \$75 on open cars... \$85 on closed models.

How Many Will You Save?

If your newly-arrived chicks could talk they would say: "Do not feed us until we are 72 hours old. We are supplied with food during this period by the remaining part of the egg yolks which we absorbed into our bodies just before we were hatched. When we are 72 hours old give us a feed which will provide life and growth vitamins." There are 1592 hatcheries which say, "Feed Purina." They know what it takes to keep chicks alive and growing. A new shipment of Startena is here. Tell us how many bags you want.

POWER AND LIGHT

By ROVENA WRIGHT PHARES

The first of this tale is of bygone days
Which our parents used to know—
A story of times when the only light
Was a lamp or a candle's glow;
A story of times when the charcoal man
Drove up and down the street
And sold black stuff by the townsack full
To burn for the sad iron's heat.
Now these were the days of weary backs,
Of eyes that grew dull and strained,
Of blistered hands, long hours of work,
And darkness on days that rained.
But the latter part is a song of joy—
A song of the New Today—
When power is not a labored heart
Nor muscles which work and play;
When a woman pushes a switch for light,
Has an iron with electric heat,
And a vacuum cleaner to clean the rugs
Which she used to sweep and beat.
Now Electric Power is clean and cheap—
It will serve one night and day,
And it makes a home so easy to keep
And a pleasant place to stay.
It has brought us the gift of the radio,
The cooling breeze of the fan,
The curling iron, the electric range,
And the pad for the warming pan,
The handy toaster, and waffle iron,
A cabinet with frozen air
That makes ice cubes for cooling drinks
And preserves the food that's there.
At a motion this modern genie comes—
Like the one which Aladdin called;
Just press a button—the hidden wires
Are your servants when once installed.

NOTICE Street tax payments due to Mrs. Isabel German or City Marshal J. Woodfin. Signed: J. A. WOODFIN. 6-2tc.

County, Texas, his application to sell the following described land belonging to said estate, namely: All of the Northwest One-Fourth of Section No. 7, Abstract No. 4, Block No. 3, H. & G. N. Ry. Co. Survey in Scurry County, Texas, containing approximately 160 acres of land.

NOW THEREFORE, these notices are to notify all persons interested in said estate to be and personally appear at the next regular term of the honorable County Court to be held at the court house in the city of Snyder on the second Monday in March, 1928, same being the 12th day of said month, then and there to show cause why such sale should not be made should they choose so to do.

Given under my hand and seal of office this, the 15th day of February, 1928, and issued this 15th day of February, 1928.

(Seal) MABEL Y. GERMAN, Clerk County Court, Scurry County, Texas.

I hereby certify that the above and foregoing is a true and correct copy of the original citation now in my hands.

F. M. BROWNFIELD, Sheriff of Scurry County, Texas. 35-4tc.

NOTICE OF FILING FINAL ACCOUNT
 Estate of Mrs. Annie Martin, Deceased.
 In County Court, Scurry County, Texas.
 THE STATE OF TEXAS,
 To the sheriff or any Constable of Scurry County, Greeting:
 A. C. Alexander, Administrator.

with the Will annexed, of the Estate of Mrs. Annie Martin, deceased, has filed in the County Court of said Scurry County his final report of the condition of said estate, together with his application to be discharged from said administration, and you are hereby commanded that by publication of this writ for twenty days in a newspaper regularly published in said Scurry County, you give due notice to all persons interested in said account for final settlement of said estate, to file their objections thereto, if any they have, on or before the first day of the March Term of said County Court, commencing and to be held at the Courthouse in said County in the City of Snyder on the second Monday in March, A. D. 1928, the same being the 12th day of March, A. D. 1928.

Herein fail not, but have you this Writ before said Court on said return day hereof, showing your action thereon.

Given under my hand and the seal of said Court at office in the City of Snyder, this 15th day of Feb., A. D. 1928.

(Seal) MABEL Y. GERMAN, Clerk, County Court, Scurry County, Texas. 35-4tc

NOTICE OF SALE OF REAL ESTATE
 Notice is hereby given that the undersigned who has been duly appointed Commissioner to sell

the property herein described, by the Commissioners Court of Scurry County, Texas, will, at the Courthouse door in Snyder in Scurry County, Texas, on the 6th day of March, 1928, at about the hour of 2 o'clock, p. m. offer for sale to the highest bidder for cash the following described real estate belonging to Scurry County, Texas, to-wit:

All of Lot numbered 2 (two) in Block numbered 43 (forty-three) in the original plat of the Town of Snyder in said Scurry County, Texas, as said lot and block appear on the recorded plat of said Town in Book 1 at page 358 of the Deed Records of said Scurry County, to which plat reference is made for any further description of said premises.

The right to reject any and all bids is hereby reserved.

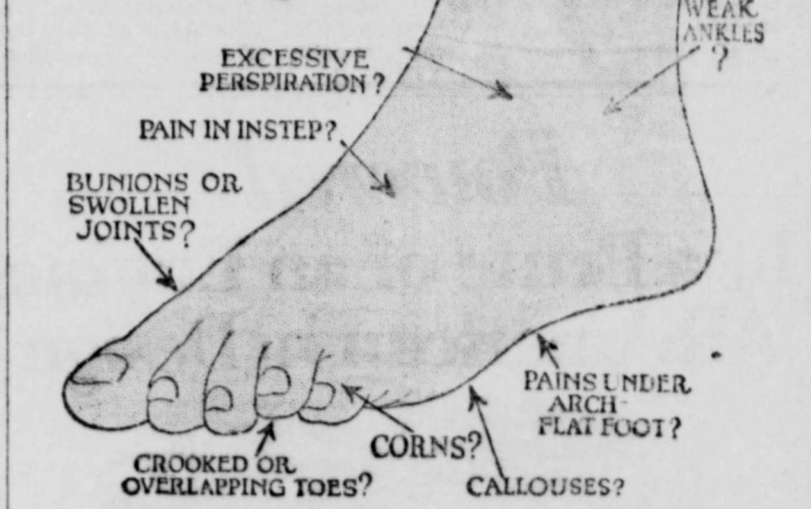

Dated at Snyder, Texas, February 15th, 1928.

W. V. JONES, Commissioner to Sell.

J. T. STEEL

J. T. Steel, a farmer of the Dermott community, died in this city last Sunday. He was brought to town last Saturday suffering with a rather unusual ailment. He had been cultivating his land, and was seized with some trouble of the back. His condition continued to grow worse, and despite the very best medical attention, he died the following day. He was about 45 years old. His remains were buried at Dermott.

Do You Suffer from Painful Feet?

Foot Comfort Expert from Chicago will be here

ONE DAY ONLY—FEBRUARY 28 To Give Free Demonstration

On the above date we will have at our store, through the courtesy of Dr. Wm. M. Scholl, famous foot authority, a Foot Comfort Expert from his own staff, sent here for the benefit of our patrons. We urge every foot sufferer to make the most of this unusual opportunity.

Over your stockinged feet, this Expert will make Podo-graph prints, which will show the exact nature of your foot ailment. He will then demonstrate how the scientific method and improved appliances perfected by Dr. Scholl instantly relieve your painful feet, and restore them to health and comfort. Absolutely no charge for this service. Be sure and remember the above date so as not to miss this opportunity.

TO PHYSICIANS—You are invited to refer or bring your foot-troubled patients to our store during this demonstration. The latest improved appliances and method of Dr. Wm. M. Scholl, M. D., for relieving and correcting painful feet will be fully explained.

J. H. Sears & Co.

NOTICE!

The North Texas Cotton Breeders Association

Have their representative in Snyder this week, with seven brands of Certified Pure Bred Pedigreed Cotton Seed. The breeders of these famous cotton seeds are members of this Association. You can now order your cotton seed through this Association and feel safe you will get what you order.

Bennett, Kasch, Rowden, Russell, Mebane, Summer-Our, Half and Half
