An Editorial—

The Times wishes to pay tribute to three men in particular, and a number of people in general, who have made is possible for Scurry County's Red Cross chapter to render so much assistance to our farmers and other needy persons. A. C. Preuitt, county chairman,

has served without pay and with little praise. He has been conscientious, considerate and sympathetic, even as he handled the Red Cross funds above reproach. J. W. Scott, secretary of the

Chamber of Commerce, has received no extra pay for his days of service in keeping the records straight and caring for needy applicants. Everyone who has been interested enough to visit the hall knows that he has been on the job. Harvey Shuler, county treasur-

er of the organization, has kept tab on the finances without a bobble, and his hours of figurehandling have been repaid only with thanks.

The district auditor who visited here a few days ago declared, as all other inspectors have declared. that the office has been handled exceptionally well in all respects.

It is our hope that Scurry County will not forget these men. Nor should we forget the organization they have been serving when the annual Red Cross drive is made next fall.

UNUSUALLY EFFECTIVE

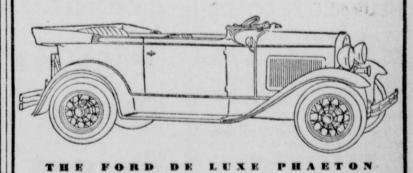

Reliability and safety due to simple design and careful construction

ONE OF the first things you will notice when you drive the Ford is the quick, effective action of its four-wheel brakes.

They are unusually safe and reliable because they are mechanical, internal expanding, with all braking surfaces fully enclosed. This prevents mud, water, sand, etc., from getting between the band and drum and interfering with brake action.

Other outstanding features of the Ford are the Triplex shatter-proof glass windshield, four Houdaille double-acting hydraulic shock absorbers, aluminum pistons, torque-tube drive, more than twenty ball and roller bearings, Rustless Steel, reliability, economy, and long life.

You save when you buy the Ford and you save every mile you drive.

FOOTBALL GAME WILL BE PLAYED ON LOCAL FIELD

A late report from Coach "Red" Moore of the Snyder Tigers says a footbal game will be played tomorrow (Friday) afternoon between the graduating members of the squad and the ones who will return next season.

A small admission fee will be charged, to go toward paying for the gold footballs given the boys in the fall, after they had won the regional crown.

As the younger bunch has been in training for some time, they are expected to give the old heads a scrap for their money.

A complete line-up of the gradating members of the 1930 crew, together with a list of returning letter men and gridiron greenhorns will be given in The Times next week.

recover. J. L. Young, Iowa Park mechanic, who was assisting the two truck drivers, received slight leg injuries.

The large truck on which the hree men were changing a tire was one of a caravan of 10 en route to Hobbs, New Mexico, where oil well supplies were to be loaded for transfer to East Texas. The truck line s operated by the John B. Barbour Company of Iowa Park.

While the men were removing a proken rim from the giant wheel, ing the tire into Dodson's face, ternal injuries. He was thrown four feet into the air and 20 feet from the truck.

Never Regained Consciousness.

No hope was held for the small. rell-muscled man, but he was taken the hospital and given treatment. He never regained consciousness. His wife and one child survive. Mrs. Dodson, with her mother, Mrs. Boatman, of Lubbock, arrived Monday afternoon, and the body was taken overland to Jacksboro Tuesday by the Odom Funeral Home. Funeral services were to have been held there Wednesday.

The explosion descended on the quiet street by surprise, and hundreds of men rushed to the scene of the cannon-like blast, half daze by the unusual setting and by the director in the WTCC, presiding.
