#### SNYDER PLANS TO ENTERTAIN AREA MEETING

Public Is Invited to Inspirational Sessions of Gathering at First Presbyterian Church.

First Presbyterian Church, Snyder, will be host Tuesday and Wednesday to the semi-annual meeting of the Abilene Presbytery.

Representatives from all Presbyterian churches of a wide West Texas area will gather for the session. Although primarily devoted to business, the inspirational meetings are open to the public, and host churchmen cordially invite visitors.

Dr. Charles W. Estes of Eastland, moderator, will give the moderatorial sermon Tuesday morning shortly after the session opens at 11:00 o'clock. Rev. Alfred M. Dorsett, stated clerk of the presbytery, and until late last month local pastor, will return from Dallas to serve as chief host.

#### Play Tuesday Evening.

One of the outstanding meetings will be on Tuesday evening, when young people of the local church will present a one-act Easter drama, "Into Thy Kingdom," by Dorothy Clarke Wilson. This play, directed by Mrs. W. R. Lacey, is an interesting, breathless portrayal of incidents surrounding the thief who died on the cross and to whom Jesus said, "Today, thou shalt be with me in Paradise."

Everyone in Snyder and surrounding territory is especially invited to attend this free play, say church leaders.

The Ladies' Auxiliary of the local church and of the Fluvanna Presbyterian Church will have charge of entertaining the delegates while they are in Snyder.

#### Homes Thrown Open.

Homes will be thrown open to entertain the delegates, and meals will be served at the church.

Wednesday is Fluvanna day, and the ladies of that church will serve the luncheon and be hostesses.

The committee on general arrangements for the session is composed of D. C. Howell, chairman, W. B. Lacey and Louis B. Bailey. Lacey heads the hospitality committee.

On this page will be found a full program of the two-day presbytery proceedings.

#### Will Name Moderator.

At the opening session a new moderator for the coming six months will be chosen. This is the highest office in the presbytery, and generally comes in recognition of outstanding service in the church. It is an elective office.

Guest speakers and leaders will include West Texas and state Presbyterianism.

Dr. Raymond H. Leach, president of Trinity University, Waco, Texas, will speak Tuesday afternoon shortly after 4:00 o'clock. A representative of Reynolds' Presbyterian Home, Dallas, will also speak that afternoon. Other speakers are members of the Abilene Presbytery.

#### Veteran Educator Dies.

William Winfield Sheppard, 64, for 50 years a school teacher in West Texas, including Scurry County, died Sunday at the home of Mr. and Mrs. C. D. Morrell at Post. The funeral was held Monday afternoon at 2:00 o'clock, with Rev. Clarence Bounds officiating.

#### Farm Leaders to Meet Association Officer Saturday

Farm leaders of Scurry and adjoining counties are invited to attend a meeting at the courthouse Saturday afternoon, 2:00 o'clock, at which C. H. Day of Plainview, vice president of the Texas Agricultural Association, will be present.

Notice of Day's coming and an invitation to farm leaders were received this week by county association officers.

"At a meeting of the Texas Agricultural Association at Brownwood recently," says Day, "it was decided that recent developments in Washington and in Texas are emergencies that require the farm leadership to be called again to arms.

"If agriculture must fight its own battles, can we be found in the ranks? Meet me!"

The Plainview farmer led the huge trek of farmers to Washington last year.

#### MAYOR AGAIN

Dr. H. G. Towle was re-elected to the mayor's job Tuesday for the sixth consecutive term. He was opposed in the city election by Henry Howard. He had been elected to the place previously without opposition.

#### Rev. Gordon in Higgins.

Rev. H. C. Gordon, pastor of the First Methodist Church, is in Higgins this week. He is conducting revival services in the church that is pastored by his brother, Rev. A. W. Gordon, who recently conducted a revival here. The meeting will end next Sunday night.

#### TOWLE, LYNCH TAKE LEAD IN CITY ELECTION

Bradbury, Williams, McGlaun and Sears Win Places in Lively Balloting Tuesday.

Dr. H. G. Towle, mayor for ten years, was re-elected Tuesday over Henry Howard by a margin of 574 to 241 votes.

John Lynch was made city marshal and tax collector in the lively balloting spree over a field of two opponents. He garnered 324 votes against 279 for Sid Bruton and 219 for A. P. Biggs. Albert Smith withdrew from the race last Saturday.

It was almost the heaviest voting city election in modern times, 631 ballots having been cast. A record was set two years ago when 840 voters went to the polls.

#### Williams Race Close.

H. V. Williams, city recorder, was re-elected over E. D. Curry by a one vote margin. The totals were 392 and 393. Through an error by a Times reporter making hasty additions after polls were closed, it was first announced that the race had been won by Curry.

J. S. Bradbury, city secretary, proved the fastest racer of all, winning over Mrs. Kate Cotten by a margin of 565 to 214 votes.

O. D. McGlaun won the north ward aldermanship, taking 103 votes. Burney Kent polled 85, and James A. Clark, incumbent, garnered 71. Forest Sears was named west ward alderman over R. H. Odom, incumbent, by a ballot of 194 to 91.

#### Two Uncontested Races.

W. W. Hamilton, unopposed for attorney, polled 811 votes. J. E. Shipp, unopposed for the east ward alderman's place, received 275 votes, only two short of the total persons that voted in his ward.

Interest ran high in every ward. West Ward, usually the leader in total votes cast, trailed with 271 this year. North ward led with 283, and east ward came between with 277. Total for the three wards was 831.

The old council met for the last time Tuesday night, when the ballots were canvassed and T. J. DeShazo was made night watchman to succeed John Lynch. The new members were sworn in for their jobs. Newly elected officers took their posts Wednesday.

These directors will meet with the officers at the Chamber of Commerce office Friday evening, 8:00 o'clock, at a gathering that will be of vast importance to carrying on of a substantial program this fiscal year, according to Forest Sears, president.

#### Pauper's Oath Not Needed for Pension Says State Leader

Orville S. Carpenter, executive director of the Texas Old Age Assistance Commission, said Saturday that no pauper's oath is required to obtain a pension.

"It is unfair to consider a man a pauper when he has \$5,000 or \$7,500 of property and has \$500 or \$1,000 in the bank," Carpenter said. These are the maximum amounts of property and cash an applicant may have and still qualify for assistance. The larger amounts are for married applicants.

"Broader qualifications would keep us from receiving federal aid. If our law were changed to make everyone more than 65 eligible, we could not obtain funds from Washington."

Application for pensions have been made by approximately 140,000 persons, Carpenter said. He stated that payments will start as soon as investigators complete the work of gathering information by direct contact with applicants in order to determine their eligibility under the law.

#### SNYDER ADDED TO CENTENNIAL CELEBRATIONS

County-Wide Parade and Pageant April 21 Being Publicized by Centennial Officials.

DALLAS, April 4.—The City of Snyder has been added to the list of Texas cities which are planning Centennial year celebrations, according to officials of the department of information for Texas Centennial celebrations.

The Snyder celebration was added to the official calendar of Centennial events, following receipt of information from Scurry County that a "Heart of West Texas" Centennial pageant will be held there April 21.

The department of information is carrying on an extensive program of advertising and publicizing the state-wide Centennial observance and the State of Texas. The work is promoted through newspapers and magazines, radio, travel bureau activities, and club and school projects. Offices of the department are maintained in Dallas.

Snyder's celebration will be included in all publicity activities of the department.

More than 200 Centennial celebrations, planned in all parts of the state, now are included on the official calendar. Centennial year officially was opened last November with the "opening shot" event at Gonzales. A number of other celebrations have been held since that time and the others, including the Centennial central exposition at Dallas, will be held at various times throughout the year.

#### Committee to Meet.

Representatives of the major groups that will take part in the Centennial parade and pageant here April 21 have been called by the central county committee to meet at the school this (Thursday) afternoon at 4:00 o'clock. Final organization plans will be discussed. Emphasis was given the gala day this week when it was announced that Tiger Stadium, where the pageant is to be held, will be completely floodlighted.

#### NAZARENES TO HOLD MEETING

Pastor J. Ollis Hux announces that the Church of the Nazarenes will hold a pro-Easter revival beginning Thursday night, April 9. Home forces will be in charge.

"We will be glad to have all who will to join us in the battle for God," invites Rev. Hux. Special music is being planned. "We are in your town for the cause of the gospel and the kingdom of God, and we want to work with all for this purpose."

The pastor will preach at Pleasant Hill Sunday morning at 11:00 o'clock.

#### PAGEANT WILL BE PRESENTED UNDER FLOODS

Football and Softball Games Are Planned; Lions Sponsor Sale of Season Tickets.

A lighted athletic field with all the trimmings will be added to Snyder's list of 1936 accomplishments not later than Monday, April 20.

This morsel of rich news was announced just after noon yesterday, when contract was signed by the school board with Westinghouse Electric Supply Company for erection of a modern lighting system for Tiger Field.

Plans are also under way for enlarging seating facilities of the stadium in Southeast Snyder.

The Lions Club definitely set the ball to rolling Tuesday at noon when they voted unanimously to sponsor lighting of the field in cooperation with the school board and the community as a whole.

After it was announced by Superintendent C. Wedgeworth that a Lions Club committee, appointed several weeks ago, and the school board, had decided on a season-ticket plan for financing initial payment on the lights, more than 20 Lions almost immediately pledged purchase of \$300 worth of tickets.

It was pointed out that immediate action was necessary in order that the field be lighted in time for the Centennial pageant to be staged here the night of April 21.

Committee Gets Going.

The Lions Club committee reported yesterday, after less than a half day's sale of the \$2 season tickets, that more than \$400 in cash had been raised. This amount included 100 per cent purchase by local faculty members and purchases by business men and other football and softball fans.

Further sale of tickets this week is expected to carry the total advance sale well above \$500.

W. E. Holcomb, R. H. Odom and G. B. Clark Jr. compose the ticket selling committee.

Field lighting supplies were ordered by Dallas and Denison yesterday by telephone. Installation should start early next week. Total cost of lighting supplies, transformer and installation will be \$1,750. Payments in addition to the down payment derived from advance ticket sales will be made in yearly installments out of receipts from future games.

#### Softball Also Planned.

The outstanding immediate reason behind lighting the field, of course, is at least five big local football games for the 1936 season.

Not far behind in popular interest is late-spring and all-summer softball games, which will be played under the lights. The school board recently authorized softball playing on Tiger Field. Organization of a county-wide league under Lions Club sponsorship is planned for the near future.

Eight tall poles—four on each side of the field—will carry a total of 52 huge bulbs, according to advance plans. Only a portion of the lights will be necessary for softball games.

#### To Pecos C. C. Job.

Ben Smith, associated with the Colorado Record as advertising manager for the past two years, has resigned that position to become secretary of the Pecos Chamber of Commerce. He is assuming his duties at Pecos this week. He is the son of Dr. and Mrs. N. J. Smith of Abilene.

## LET'S TALK ABOUT CLOTHES

BY A YOUNG MODERN

Modesty was noted to be the outstanding feature of the 1936 spring fashion opening of evening frocks. The famous designers have turned from the daring, low cut gowns of last season, to the more feminine models with décolletés far from low.

Restrained sophistication has given way to natural charm, and although some bare backs are seen, high necks prevail almost universally in the majority of frocks. Some models are even draped to the throat.

A natural easy fitting silhouette with reasonably full skirts was a distinguishing feature in the entire collection. Evening frocks for the more mature woman are marked by drapery which crosses from shoulder to shoulder and cascades from there to the hem. They are fashioned from dull white crepes, accented with mustard, ivy and green. Floral prints of pussy willow silk make beautiful creations for evening.

These frocks, however, should follow very simple lines so as not to detract from the beauty of the material. They should be free of ornament, with only a slight trimming of contrasting material.

For the younger set, girls at Texas State Teachers College for Women (CIA) suggest full skirted, floor-length frocks with short puffed sleeves. They are made of checked taffeta, white faille, pale blue broche, and there is a winsome note about them which is cleverly accented with trimmings of colored strass, embroidery and bowknot fastenings. Starched lace dresses are particularly smart for the young girl. They're shown in white and pastels with short cuffed sleeves and high stand-up collars. Clusters of dark flowers at the neck and waist give the dresses a piquant charm that is indeed rare.

## Miss Lorez Tinsley Is Married in Dallas.

Miss Lorez Tinsley of Dallas, a niece of Mrs. W. M. Scott, was married to James A. Pitts, also of Dallas, last Wednesday. Miss Tinsley has visited in Snyder several times, and is known to a number of local people. Mr. Pitts is associated with the T. & P. Railway in Dallas.

The wedding took place at the home of the bride's parents, Mr. and Mrs. Dan McAllister Jr., 1901 North Fitzhugh, Dallas. Among wedding guests were Mr. and Mrs. W. M. Scott, Mrs. J. D. Scott and her son, Joe Davis, all of Snyder, Mrs. J. D. Scott presided at the wedding cake at a reception which followed the ceremony.

## How Cardui Helps Women To Build Up

Cardui stimulates the appetite and improves digestion, helping women to get more strength from the food they eat. As nourishment is improved, strength is built up. Certain functional pains go away and women prefer Cardui for helping them back to good health. Mrs. C. H. Radtke of Hinton, W. Va., writes: "After the birth of my last baby, I did not seem to get my strength back. I took Cardui again and was soon sound and well. I have given it to my daughters and recommend it to other ladies. It has helped a number of women I know. Cardui benefited them. If it does not benefit YOU, consult a physician."

### P.-T. A. Will Have Centennial Program.

Attendants at a meeting next Thursday of the local Parent-Teacher Association, to be held in the high school auditorium at 4:00 p. m., will hear a Centennial program, which is directed by Mrs. P. C. Chenault.

An added attraction for the program will be the appearance of Charles Paxton of Sweetwater, president of the Buffalo Trail Council for Boy Scouts, who will speak in the interest of cub scouts. He urges that all parents who have boys between the ages of nine and 12 years attend, and bring those boys. Mr. Paxton was a guest at Lions Club here Tuesday to begin work on the project.

### Pick & Pay Store Using Paint Brush

Marcel Josephson over at Pick & Pay Store is seeing that the paint job at his east side grocery is up-to-the-minute.

In the front it's light green and a brilliant orange that greets customers and passersby. Even the sidewalk approach is painted. Inside, new gray paint gives the big ceiling a jaunty spring air.

Asked about his paint-up campaign, the groceryman looked up at the whirling sand and remarked that it must be the weather.

### Easter Party Is Given Duce Bridge.

Cleverly emphasizing an Easter motif in appointments, decorations and refreshments, Miss Margaret Deakins entertained the Duce Bridge Club and guests at the Manhattan Hotel last Thursday evening.

### Thrane Goes to McMurry College 1936-37 Session

Effective September 1, O. P. Thrane of Snyder will become bursar of McMurry College, Abilene. Announcement of his election to that post and of other selections for the 1936-37 faculty were made Saturday by Dr. Thomas W. Brabham, McMurry president, following the April session of the board of trustees Friday night.

The local man, civic, religious and business leader here for a number of years, will succeed James F. Freeman, who recently resigned as secretary-treasurer at McMurry, and will next year head the business administration department at Abilene Christian College.

"I think McMurry is very fortunate to secure a man of O. P. Thrane's ability and training," said Dr. Brabham.

"Mr. Thrane, and Mrs. Thrane as well, is an active church and civic worker. Since he moved to Snyder more than 20 years ago, Mr. Thrane has been a leader in the First Methodist church, chairman of the board of Christian education since that board organized in Snyder, and for 15 years has been teacher of a Sunday school class.

"During the time that Dr. Hunt was pastor in Snyder, he and Mr. Thrane were very closely associated, almost as brothers. One of the things which entered into Mr. Thrane's acceptance of the McMurry post was sentiment—the opportunity to render a service in memory of the school's founder."

### Mrs. C. F. Swan Dies at Home of Daughter April 2

Mrs. C. F. Swan, 58, who had resided in Scurry County most of the time since 1908, died Thursday morning, April 2, at the home of a daughter, Mrs. Virgil Nail, in the China Grove community. Mrs. Swan was a resident of the Knapp community.

Final rites were held Friday afternoon, 2:30 o'clock, at the Nail residence, with Roy J. Clark and Rev. J. K. Westbrook officiating. Maps Funeral Home was in charge of burial in the Dunn cemetery.

Survivors, besides her husband, are five children and four grandchildren. Three sons are Thurber and Hunter of Knapp and Pope Lott Swan of the Fairview community, Mitchell County; and two daughters, Mrs. Nail and Mrs. Hugh Brown of the Hermleigh community.

Mrs. Swan had been ill for three weeks. She was a correspondent for The Times for several years.

She came to Texas from Johnston, South Carolina, at the age of eight, with her grandmother. After a few years, she returned to her native state for four years, then came back to Texas at the age of 16. She was married in Bell County to C. F. Swan. ### Pounding Given for Rev. and Mrs. "Al" Dorsett, Dallasites

Rev. and Mrs. Alfred M. Dorsett have moved from Snyder to Dallas, all right, but they evidently have not moved from Western hospitality to city coldness.

Last Friday night the former local pastor and his wife were given a reception by the City Temple Presbyterian Church, of which "Brother Al," as the young pastor became known here, is assistant pastor. Climax of the reception was an old-fashioned pounding in honor of the newcomers. The church presented them with various articles and supplies with which to set up house-keeping.

A supper was served to the church family by the women's auxiliary. Afterward, Pastor Floyd Poe presided over a business meeting, at which members were elected to the boards of trustees, elders and deacons.

Sunday's Dallas Morning News recorded the reception given the Dorsetts.

### First Presbyterian Church

Rev. Alfred M. Dorsett, who recently accepted a call to be assistant pastor of the City Temple Presbyterian Church of Dallas, will return next Sunday for both morning and evening Easter services in the local church, and to receive into the membership of the church several who have indicated their desire to join the church on that day.

Easter is the happiest day on the Christian calendar, and the most universally observed Christian sacred day. It is fitting that the services next Sunday should be outstanding. Theme for the morning worship service will be "When Morning Comes," and theme for the evening service at 7:30 o'clock will be "A Joy Forever."

Sunday school will meet at 9:45 a. m., and Christian Endeavor at 6:30 p. m. Both groups will have programs of special significance.

The sacrament of holy communion will be observed at the morning worship hour, and every member of the church is urged to be present.

### Deakins Have Daughter.

Mr. and Mrs. Jack Deakins of Floydada are announcing the arrival of a small daughter, Margaret Ann, on April 3. Mr. and Mrs. E. M. Deakins of Snyder are grandparents of the child, and she was named for Margaret Deakins, an aunt. The local relatives visited in Floydada during the week-end.

Farmers Being Acquainted With High Points of New Agricultural Program

Plans for the new agricultural program to put into effect the Soil Conservation and Domestic Allotment Act have been received, and state and district meetings have been held to acquaint all Extension agents with the substance of the plans, and meetings of farmers are being held all over Texas early this month, says W. Some 1936 Model Fronts Needed On Stores. One of the greatest needs of the small town business row is an epidemic of new fronts. Antiquated store fronts such as we see in Mexia and all other towns of this region might make good relics for the Centennial museum, but as modern business fronts they are a disgrace.

Soil Depleting Crops. About 20 per cent of the base acreage in soil depleting crops must in 1936, be classified as soil conserving or soil building crops in order to qualify for participation in the program.

Organization Begun. Organization of farmers to administer the program is already under way in many counties. The farm demonstration councils or other key farmers will divide the counties up into communities of approximately 500 farmers.

Have You a Cub, Mister? Say, Mr. Dad, do you have a Cub around your home? That is, do you have a son between the ages of nine and twelve years who aches intently to give his pent-up energy an outlet? If so, you should be intensely interested in the new Cubbing program that is being sponsored by Boy Scouts of America—locally, through the P.-T. A. If you are an extremely good citizen, you should be interested in the entire Boy Scout program, which makes real men out of just boys.

EDITORIAL OF THE WEEK DO YOU KNOW THAT— More cash is held by the treasury than ever before. The huge amount of funds, totaling more than enough to have paid all federal expenses for three years of the Civil War, has been accumulated by borrowing operations to enable the treasury to meet bonus and work relief demands later this year.

Congratulations, Dallas News. The Dallas News comes forward again this year with the most unique book of its kind that is published in America. We refer to the Centennial edition of the Texas Almanac. It is undoubtedly the most complete single volume that has been compiled about Texas resources, history, points of interest, industries, people and remarkable development, despite the fact that dozens of books are being published this year concerning the Lone Star state.

The Scold's Vocabulary. The copiousness of the English language, says an anonymous contributor, was perhaps never more apparent than in the following character, by a lady, of her own husband. He is, she says, "an abhorred, barbarous, capricious, detestable, envious, fastidious, hard-hearted, illiberal, ill-natured, jealous, loathsome, keen, malevolent, nauseous, obstinate, passionate, raging, quarrelsome, saucy, tantalizing, uncomfortable, vexatious, abominable, bitter, captious, execrable, malicious, fierce, grating, gross, hasty, nefarious, peevish, obstreperous, restless, savage, tart, unpleasant, violent, waspish, worrying, acrimonious, blustering, careless, discontented, fretful, growling, hateful, inattentive, malignant, noisily odious, perverse, rigid, severe, teasing, unsuitable, angry, boisterous, choleric, disgusting, gruff, hectoring, incorrigible, mischievous, negligent, offensive, pettish, roaring, sharp, sluggish, snapping, snarling, sneaking, sour, testy, tiresome, tormenting, touchy, arrogant, austere, awkward, brutal, boorish, brawling, bullying, churlish, clamorous, crabbed, cross, currish, dismal, dull, dry, drowsy, grumbling, horrid, huffish, insolent, intractable, irascible, infernal, morose, murmuring, opinionated, oppressive, outrageous, overbearing, petulant, plaghy, rough, rude, rugged, spiteful, splenetic, stern, stubborn, stupid, sulky, sullen, surly, suspicious, treacherous, troublesome, turbulent, tyrannical, virulent, wrangling, yelping, dog-in-a-manger."—The Pathfinder.

The Times Creed: For the cause that needs assistance; For the wrongs that need resistance; For the future in the distance, And the good that we can do.

IF YOUR ELECTRIC SERVICE BILLS WERE DELIVERED THIS WAY... Illustration of a hand holding a stack of bills. Text: If you paid for electric service each day, just like you buy groceries, this is about the way your daily bills for electric service would look. The cost of electric service in the average home is very similar to the amounts shown in the illustration above, but will vary according to the daily use of electricity. But it is impractical to divide the cost of electric service for each appliance. Yet at the end of the month, your electric service bill accounts for these few cents worth of electric service you use each day. When you receive your electric service bill, think back over the many times you have used electric service during the month; divide the total by the number of days and see how little electric service costs in comparison with other expenses. **Bullock Explains His School Fund Position Monday**

From Tuesday's Fort Worth Star-Telegram:  
His platform that include an increase from \$17.50 to \$20 in the state's per capita apportionment for support of schools was explained at the Westbrook Hotel yesterday noon by Pat Bullock of San Antonio, a candidate for state superintendent of public instruction.

There is plenty of money in the available school funds now to pay the \$20 apportionment, Bullock said, adding that if he is elected he will seek to remove the \$17.50 statutory limitation.

Bullock said he favored a system of bringing high schools to the rural pupils instead of transporting the pupils 30 or 40 miles to school. He asserted that many rural high school pupils, who have completed the grades taught in their home districts, are remaining at home rather than attend school in cities where pupils are better dressed. Bullock declares that the rural high school pupils are not getting equal advantages, explaining that in many cases the state has not paid their tuition in districts to which they are transferred.

He declared he favored abolishing the system of deputy state superintendents, asserting that the deputies spend their time traveling from one side of the district to the other to build up political fences of the state superintendent. Money paid out for the deputies' salaries is a pork barrel proposition, the speaker said.

"I am opposed to bringing in outside agencies to revise our school curriculum," Bullock stated. "I believe we have people in Texas with enough gumption to write a course of study."

Bullock, former superintendent of Scurry County for eight years and former director of adult education in the state department, is a candidate against L. A. Woods, incumbent. At the meeting yesterday were 60 local teachers and business men and women. William N. Curry introduced Bullock.

**Caught With Goods.**

A youthful robber who couldn't erase his footprints was taken in tow last week by the sheriff's department. When the boy tried to sell a pistol to a North Snyder resident last week, the officers investigated. They found that his shoes exactly matched a print made on a sack of salt the night Piggly-Wiggly was robbed last month. Taken in tow, the boy is alleged to have had in his possession the gun and other goods that were stolen from the local grocery. He was jailed.

**Handcuff Key Is Found on Stalcup At Penitentiary**

A handcuff key, which might have unlocked the door of freedom for Virgil Stalcup, dangles from the watch chain of a deputy sheriff, according to Sunday's Avalanche-Journal, Lubbock.

Condemned to die for murdering Sheriff W. B. Arthur at Dickens, Stalcup was brought to Lubbock last week when date of his execution was set for May 4. He was first arrested here about two years ago in connection with robbery of the Bryant-Link store.

Three South Plains officers returned him to death row at Huntsville Thursday of last week. Stalcup was stripped, his clothing searched. His money and a penny box of matches lay on a table. Roy Russell, a son of Transfer Agent Bud Russell, opened the match box, poured out the contents. A Peerless handcuff key tumbled out.

Confronted with the key, the condemned man told officials it was a key taken from equipment in Sheriff Arthur's car when Stalcup and Clarence Brown broke jail at Dickens October 27, 1934.

Deputy Sheriff Bedford F. Carpenter, who with Deputy Sheriff Grady Harrist of Lubbock and Sheriff John Kocsman of Dickens returned Stalcup to Huntsville, now carries the small key.

"He told us that he had carried the key in his mouth when he was being searched," Carpenter said Saturday. "He had carried the key through the Houston jail, through the Lubbock jail twice, and through the death row at the state penitentiary."

Carpenter said that Stalcup, after dark during the trip to death row, had broken four or five teeth from a comb he carried, presumably in an attempt to pick the lock of handcuffs which chained him to one of the officers.

The key Stalcup carried would not fit the handcuffs used in his transfer.

Stalcup nervously toyed with a penny box of matches while he was in court room at Lubbock awaiting sentence to die. Perhaps the key, by which he may have hoped to escape death, was in the box at that time.

Mr. and Mrs. J. D. Farmer of Lampasas, who have been guests of their son, J. A. Farmer, and Mrs. Farmer here, left Sunday for their home. They were accompanied to Lampasas by J. A. Farmer, who spent Sunday and Monday with them.

**Mahon Talks to Democrat Rally In Virginia City**

The Democratic national committee called on Congressman George Mahon last week in its program of supplying speakers for Democratic party organization meetings.

Friday night, April 3, he addressed a Democratic rally held at Danville, Virginia. The meeting was sponsored by the Roosevelt Club of the Fifth District of Virginia, and was under direction of E. J. Wyatt, chairman of the Democratic campaign committee for the Fifth Congressional District and Robert Anderson, president of the Roosevelt Club of the state of Virginia.

Congressman Mahon contrasted the status of the farmer, the home owner, and the average citizen during the Hoover administration with their status during the Roosevelt administration, and confidently predicted victory for the Democratic party in the November elections.

Mrs. J. W. Scott, her son, Donald Ray, and daughter, Mrs. Max Brownfield, and Mrs. Brownfield's small son, Bobby Max, were weekend guests of their grandmother, Mrs. L. E. Scott, in Dallas. The group also visited with Mrs. E. S. Gee in Dallas.

**Dickie's Spots Get Part in New Movie**

Dickie Jones, Snyder born eight-year-old movie actor, was interviewed recently by Sam Wood, director, concerning a part in a forthcoming production. Dickie was very sad when he came out of the office. "I didn't have enough spots on my face," he said to his mother.

Mrs. La Verne Jones. The part called for a boy with freckles. The next day Dickie, feeling badly, looked into the mirror and shouted to his mother: "Call the director. I get the part, for I've got plenty of spots on my face!" Dickie had the measles!

## Are You Gambling Every Day?

It is not necessary for you to shoot craps to gamble, neither is it necessary to bet on horse races. There are folks who go on day after day suffering with indigestion, heartburn, stomach ulcers, acid dyspepsia, gasness, sour or upset stomach, bloating, constipation, bad breath, sleeplessness, headaches, tired feeling, despondency, due to excess acid. And in this way they are gambling with their most valued possession, which is their good health. Why not give Gas-Tons (the scientific tablets) an opportunity? They may give you the relief you yourself expect; if not, your money will be refunded. You take no gamble here. Gas-Tons are sold in Snyder by Irwin's Drug. Trial size bottle (25 tablets) \$1.30. 100 tablets \$3.00. 42-4tc

All major schools of Scurry County and several of the smaller schools will be represented. Snyder piled up the most points in all-round competition two weeks ago, and will probably have the most contestants from this county. # Pair of New Gas Masks Authorized For Fire Fighting

At its regular meeting Monday night, the City Council authorized Fire Chief N. W. Atury to purchase two new gas masks for use in fighting Snyder fires. The council also agreed to pay for a mask that had previously been purchased by the volunteer department itself.

At Atury's request, the council decided to move the town fire siren to the southwest corner of the square from the low point behind the city hall. It was pointed out that the shrill call may thus be heard over a much larger area.

M. T. Popejey was made city sanitary officer by a council vote of four to two over W. I. Wilson. He has already started hauling cans from the residential district, where they were stacked during the annual spring fire prevention clean up program late in March and early in April. He will take over the job in the business district May 1.

Bills were allowed in the amount of \$218.22. No building permits or fines were reported. Water and sewer collections for March were \$1,400.43. Taxes were \$232.12.

Preliminaries for both boys and girls in debate are slated for Friday afternoon, while finals will be held Saturday morning.

One-act play preliminaries are scheduled for Friday night and the finals have been set for Saturday morning. Senior and junior boys and girls declamation preliminaries will be held Saturday morning, with finals coming that night.

**Other Schedules.**

Extemporaneous speech finals, Spanish, typewriting, 3-R and ready writers contests are slated for Saturday morning.

In athletic events, senior tennis tournament will be held Friday afternoon, and junior boys playground ball contest is slated for Saturday morning. Preliminaries in track and field events are on the Saturday morning calendar, with finals slated for that afternoon.

Track and field events include high hurdles, broad jump, 100 yard dash, discus throw, low hurdles, high jump, 220 yard dash, shot put, javelin throw, mile relay, 440 yard run and one mile run.

Mr. and Mrs. Walter Williams were in Hamlin Tuesday to meet their sister, Mrs. A. W. Hindman of Childress, who is here for an extended visit with them and her parents, Mr. and Mrs. W. C. Brooks.

# CHRISTIANS IN GOOD REVIVAL

Unusual interest and excellent crowds in view of prevalent sickness is reported by leaders in the First Christian Church revival, which began last Sunday and ends with the night Easter service.

G. E. McPherson, pastor, is preaching straight-forward gospel messages emphasizing the cross and the resurrected Christ. Subjects for the remainder of the revival are as follows: Thursday night, 8:00 o'clock, "What Must I Do to Be Saved," Friday night, "The Power of the Cross;" Saturday night, "The Conversion of a Government Official;" Sunday morning, "The Cross of Christ;" Sunday night, "The Dawn of Hope."

A feature of the revival is the junior choir of 25 young voices, which is under direction of Mrs. G. W. Hicks. No morning preaching services are being held during the week.

Church leaders join the pastor in again extending an invitation to the community to attend the eight-day meeting.

A Tuesday night feature was singing of several hymns by a choir composed of 25 men belonging to A. J. Cody's Bible class, with Lawrence Dever directing. A number was also rendered by a men's quartet composed of Dever, G. C. Moore, J. A. Green and R. C. Walton.

# Rites Saturday for Young Mother Who Died After Illness

Rites were held at the Church of God, Ira, Saturday afternoon at 4:00 o'clock for Mrs. Clifford Leard, 32 years of age, who died Friday at the home of her father, J. D. Smallwood, after an illness of a month. Mrs. Leard resided in the Dunn community.

Services were in charge of Rev. E. C. Arthur of Big Spring. Odom Funeral Home was in charge of burial in the Ira cemetery.

Mrs. Leard had resided in Scurry County for 15 years. She is survived by her husband and father; four children, Mrs. Mildred Le Roy and Maurine Joy, three sisters, Mrs. Inez Wilson of Ira, Mrs. Katharine Wear of Ira and Miss Lucille Smallwood; two brothers, Hobart of Ira and Booth of Dunn.

Funeral services were held at the home of Mrs. Leard, 1014 S. Main, Saturday afternoon at 4:00 o'clock. Burial was in the Ira cemetery.

# Local Negro School In League Contests

The Snyder negro school was represented Friday in district Interscholastic League competition at Eastland. Abilene won first place for the meet.

# Snyder General Hospital

Mrs. P. M. Bolln, long-time Snyder resident, was in the hospital yesterday for medical treatment.

Surgical patients during the past week have been: Miss Leota Glen, a hospital nurse; Joanna Howard, daughter of Mr. and Mrs. John Howard; and Vernelle Hatley of Ira. All surgical cases were still in the hospital Wednesday afternoon.

# "We Care for Our Stock and Pigs, But Not Our Boys," Says Speaker

Declaring that "we take care of our livestock, pigs and property, but not our boys," Charley Paxton of Sweetwater called on members of the Lona Club Tuesday at noon to fall behind the Parent-Teacher Association in making the new "Cubbing" program successful in Snyder.

The veteran Boy Scout leader, president of the Buffalo Trail Council for several years, explained that the Cubbing program is designed to care for boys between the ages of nine and 12, and that it in no way overlaps the Boy Scout program for boys 12 years of age and above.

**Scouting in Roscoe.**

Paxton cited the case of Roscoe, where a Boy Scout troop virtually solved the juvenile delinquency problem, an example of what boy training under capable adult leadership can do in any community.

A. C. Williamson, also of Sweetwater, who is executive of the Buffalo Trail Council, emphasized the two boy training programs, and called on Snyder and other Scurry County men to attend the training school for men that will be held at the scout hall here, under his direction on the evenings of April 15-16, 22-23 and 29-30.

# Indian Heard by Baptists; Study Week Being Held

George Wilson, Indian baritone, was heard at the First Baptist Church Wednesday evening by a large group of members and visitors. He gave several Indian songs as well as well known church hymns, and a brief history of his conversion to Christianity. He was heard at the school Wednesday morning.

The church is being led this week in a BTU revival by Miss Helen Gardner, state worker out of Dallas. A number of other churches of the district are joining in the spring week of study and training. Enrollment reached 58 last night, Miss Gardner announced.

Several local laymen were in nearby churches last Sunday in a South-wide layman's day movement. The group included H. L. Wren, H. H. Eiland, Giles Bowers and Fred Jones.

A number of local Baptists were in Fairview Tuesday for the monthly workers' meeting of the Mitchell-Scurry Association. They heard J. C. Gardner of Dallas, state BTU director.

# Tech Golfers Down ACC Shooters Here

Texas Tech golfers from Lubbock and Abilene Christian College sharpshooters selected Snyder Country Club course as a neutral battle ground for a Monday match.

# SCURRYITES IN TENNIS FINALS

Scurry County sent three girls to the District 5 tennis finals at Sweetwater last week-end.

Louise Coston and Vera Early of Hermleigh, county junior girls' doubles champions, were downed in the finals by Mary Frances Russel and Oleta Richards of Blackwell, 6-3, 6-2. In the junior girls' singles, Otha McFarland of Dunn was to have met Morrison of Roscoe in the finals some time this week.

Roscoe High School girls' volley ball team defeated Abilene at Sweetwater Saturday for the District 5 championship.

Snyder sent the largest single delegation of any town to the 19th District American Legion convention at Colorado Saturday and Sunday, according to Hal A. Lattimore, local adjutant, who led the Will Layne Post group. Hermleigh and Pfluganna also sent delegates.

Scurry County was represented among almost 100 delegates by Mr. and Mrs. Lee T. Stinson, Mr. and Mrs. Frank Arnett, J. E. Leonard, Buck Chandler, John Henley, J. B. Henley, Hal A. Lattimore of Snyder; Homer C. Cook of Pfluganna; Emmett Shaw, Elmer Louder, Van Lorgebtham and John Pigman of Hermleigh.
