'EVERYTHING SET' DECLARE OFFICIALS OF PRODUCTS SHOW

Entertainment, Free and Good, Will Be Feature

Variety of Music, Skits and Other Highlights at All Hours Will Include Radio Stars

E. O. Wedgworth of Fluvanna, chairman of free entertainment, who was in Snyder Tuesday completing program details for Scurry County Free Products Show visitors, stated plenty of good entertainment will be on tap for Friday and Saturday.

First noteworthy entertainment feature this year will be a continuous program at the main fair ground auditorium, with music sweet and low, vocal numbers and novelty arrangements adding ginger to a well rounded program.

Boxed sidewalks will enclose the main auditorium, with plenty of seats available. A complete public address system, plus a loudspeaker, will insure the program reaching all auditorium corners.

Program highlights will include the Sunset Old Trio, Buddy Minnick and His Gang, Elaine Lambert's School of Dance and Drama, the Snyder Quartet, and the Dunn Farmer's Band.

Other special acts will be the Fluvanna High School Octette, the Brownie Food Market Entertainers, accordion numbers by Mrs. Earl Louder, the Texas Kids, and the spiritual minded Snyder Colored Quartet.

Friday Morning Program.

The entertainment program starts Friday morning at 11:00 o'clock, with the Dunn Farmer's Band giving the opening number, Buddy Minnick and His Gang, Mrs. Elaine Lambert's School of Dance and Drama, Margaret Dell Prim's Program, and the Fluvanna High School Girl's Octette complete the morning music program.

Starting at 12:15 o'clock, a 15-minute song program by the Snyder Quartet will be followed by numbers from Snyder's Tiger Band, the Hermleigh High School Girl's Chorus.

LOCAL WINDOW SHOWS PRIZES

A total of 10 useful and highly valued prizes, which have been on display in the Hugh Taylor & Company show windows this week, will be given by the Scurry County Free Fair Products Show to winning 4-H Club boys and girls, as well as winning Community Booths.

The first prize for Girl's Clubs is an official basketball, second prize being a regulation volleyball ball, with third prize marked up as a regulation tennis net with tennis balls.

Fourth prize is a dual selection of Cokesbury Stunts and a party game book.

First prize in Community Booth Exhibits is a \$10 pressure cooker, second prize being a can lidded and sealer.

In 4-H Boys Club work first prize is an official basketball. Second prize is a regulation football; third prize is a regulation baseball, while fourth prize is an official bat and soft ball combination.

GUINN IS WORKING.

Leon Guinn, staff writer for The Times for several years, regular employee a portion of the time, is at the reporter's desk this week. He will continue in this capacity until the "fall rush" is over. He will accept anything for The Times from news to subscriptions to double-page ads.

New Cleats

Friday afternoon, 3:00 o'clock, will find the Tigers pitted against the Roby Lions on the sandy Fisher County field. On paper the two teams rate about the same. It will be the second conference melee for the locals. Buses will carry pep squaddies and other young fans to Roby, and a number of townspeople are planning to make the jaunt in their own cars.

The Snyder Tigers, vowing to score if they have to use a magician's football, hope they were given the winning combination yesterday. New cleats were dealt out to the boys, and local fans think maybe the new ground grippers will bring some tallies.

Bird's Eye View Of County Show

Tax Paying Slow; Mrs. Blakely Has First County Poll

Late Tuesday reports from the office of Tax Assessor-Collector Bernard Longbotham reveals the fact both county and state taxes are dribbling in rather slowly on the 1938 taxes.

Up to closing time Tuesday afternoon, a total of \$750 had been collected on county and state taxes for 1938. Mrs. Sherman Blakely of the Turner Community, who paid the first 1938 poll tax, was also the first person to pay county taxes for the current year.

City Secretary J. S. Bradbury reported Tuesday that school and city taxes were also dribbling in slowly, although collections to date make a good showing, since this is somewhat of an "off season" for tax collections.

GINNING SLOW FOR FEW DAYS

On the basis of carefully checked figures gathered by The Times Wednesday, between 12,000 and 13,000 bales had been turned out by county gins up to Wednesday noon.

Ginning has slowed down considerably this week, due to beneficial rains, but the total continues to mount as October gradually marches by. Six Scurry County gins have surpassed the 1,000 mark so far.

Ginnings up to Tuesday at the Hobbs Cooperative Gin in West Fisher County totaled 1,185 bales. Most gin men are of the opinion ginning will pick up again when killing frost hits county cotton fields.

Roscoe Plays Host To Baptist Workers In Its New Church

Roscoe, with its spic and span new church building, was host to the Conference Tuesday. Rev. Merritt Mitchell, Scurry Baptist Worker's of Snyder started the morning services at 10:00 o'clock with the devotional.

Rev. Ira Harrison of Snyder spoke on Benevolence, Rev. Murray Piquay of Fluvanna on Christian Education, with the morning's final talk on Missions being given by Rev. M. H. Godfrey.

After a bountiful lunch at 12:00 o'clock, board meetings and the W. M. U. was followed with the fall round-up campaign, by Rev. T. A. Patterson. Truett Barber gave the concluding address of the afternoon on a Layman's Conviction of Stewardship.

Pairview, which is just over the Mitchell County line, will be host to the next worker's conference Tuesday after the second Sunday in November.

Tom Stodghill and Lightfoot Partners

Tom Stodghill, who has been raising purebred Bronze turkeys and other farm products at his place eight miles south of town, has become a Snyder resident.

He and L. L. Lightfoot, who has been operating a fruit stand and grocery store for some time, have formed a partnership in the business just east of the square. Stodghill is managing the local end of the business and Lightfoot is buying apples and other produce for truck hauling.

Stodghill, who is showing some of his turkeys at the Products Show this week, says the store is specializing in fruits, milk and milk products.

Square Decorated For Week-End Show

A gaily decorated square, replete with flags and bunting, greeted early Thursday morning visitors, as the city prepared to entertain Free Products Show crowds Friday and Saturday.

Besides the opening parade Friday morning and the continuous program of free entertainments, a major highlight will be opening Friday of the three one-ton demonstration silos by show officials.

A ton of 1937 maize, one of 1937 ensilage, and one of the 1938 cane will be left open by silo uncovering for public inspection in a three-way demonstration of feed storage.

On entering the canvas sided main auditorium, the refreshment and eats concession will probably be the first to catch visitor's eyes. West of the elevated stage will be found plenty of seats for the continuous entertainment program.

Booths and Poultry.
And on the auditorium west side will also be found not only 4-H Club and FFA booths, but community booths as well. On the north side poultry lovers will find 65 pens of the territory's best poultry.

Fluvanna and Hobbs FFA chapters will have the major number of club entries in livestock and row crop divisions.

A total of 45 stalls, six open pens for range cattle, and emergency quarters for 40 more head of cattle and horses completed by Wednesday night. Livestock judging will be done by R. O. "Hunt" Stengel, Animal Husbandry Department, Texas Tech, while "Feather" Pritchard of Rotan will officiate in poultry judging.

Many Club Exhibits.
To get an idea of the show products size, one must add to 38 4-H Club boys entries 13 community exhibits, 11 Home Demonstration educational booths, and four farm and ranch booths.

On the southern side of the show grounds a parade of farm machinery exhibits will greet the implement minded farmer, with tractors and farm tools vying for leadership.

Up to Wednesday morning entries received were: beef cattle, 12; dairy, 12, and grade, one; horses and mares, seven; colts, nine; sheep, 11; bulls, five; swine, four, and poultry, 24.

Lee Stinson up to Wednesday had the only pigeon entry. Both 4-H and FFA club boys had entered up to Tuesday night 12 calves, three dairy cows, six pigs, five sheep, 15 head of poultry, two horses, three cotton and 10 feed exhibits.

Alleged Cold Check Artists Go on Trial

Mr. and Mrs. Cecil Evans, who have allegedly engaged in check forging activities from Snyder to Lubbock, were taken in tow by Lubbock officers Tuesday on cold check charges.

After standing trial at Tahoka for check forging, the Evans duet will be brought to Snyder to await trial on similar charges.

The sheriff's office reports that Ft. Worth officers took Ray Prince, charged with forgery, to Ft. Worth for immediate trial.

T. J. Clark on Job At Moffett-Rogers

T. J. Clark is back at his old stomping grounds.

It was back in 1928 that the Snyder boy first began kicking a press for Dick Chambers and Abe Rogers. He worked for several years here, then went westward and worked in Peecos and other towns.

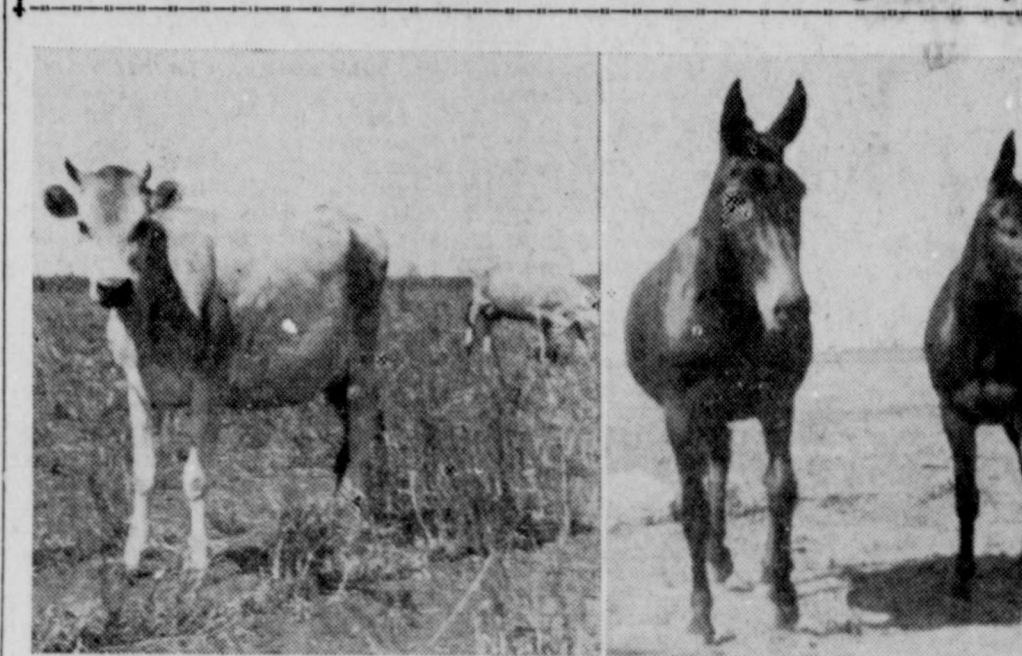

He came back to town a few days ago and went to work for Moffett & Rogers, east side of the square.

Flowers, Magazines Have Part in Show

Due to not having been turned in for show catalog inclusion in time the following list of premiums for flower lovers will be of interest to Products Show visitors.

Best pot mixed flowers, 1st, 2nd and 3rd ribbons; best bouquet, any kind, 1st, 2nd and 3rd ribbons; best pot plant, 1st, 2nd and 3rd ribbons; best fern (any kind), 1st, 2nd and 3rd ribbons; and best general display, 1st, 2nd and 3rd ribbons.

Twin Mare Mules—And a Young Jersey

This fine pair of mare mules, belonging to T. E. Grimes, who lives south of Snyder, are twins—and they look it. They are well bred mules, and they are one of the reasons why some prophets say small farmers will sooner or later go back to horseflesh instead of tractors.

On the left is a two-year-old registered Jersey belonging to John E. Weir Jr., and in the background is another cow in the outstanding herd belonging to John and his daddy.

The mules and the young Jersey will be seen in the Scurry County Products Show this week-end.

BARGAIN DAYS BRING CHANCE TO SAVE \$\$\$\$\$

Once again bargain days are here for Times readers in this territory, with special offers that can last only a short time. The Times, for instance, is leading the bargain day parade, with a special subscription offer of \$150 to readers in Scurry and adjoining counties.

Elsewhere, a year's Times subscription will cost \$2.00. Readers can effect a larger saving by combining The Times with daily or semi-weekly publications. Bargain day rates that can't last long are offered on the following:

The Times, with The Ft. Worth Star-Telegram, daily without Sunday, \$7.45; The Times with the Star-Telegram, including Sundays, \$8.45. The Times, with The Abilene Reporter-News, daily, \$5.95.

Farmers who enjoy the evening reading hour with The Semi-Weekly Farm News can get The Times with The Semi-Weekly a year for \$2.25. The Pathfinder magazine, in combination with The Times, is \$2.25 yearly also.

Teachers and preachers will get a reduction on all combination offers taken through The Times office. A total of 35 rural correspondents, who receive liberal commissions, can save you money—and they can be aided—by subscribing through them.

For several years fake subscription agents have been collecting money for newspapers and skipped the country without the purchaser ever receiving a paper. Readers are requested not to give subscriptions to anyone except Times correspondents and office attendants.

Since the price of dailies may go up, all readers are requested to take advantage of these special subscription offers—either The Times alone or in combination.

Safety Lane Will Be Conducted in Snyder Next Week; New Car Tests

With every modern device for testing motor vehicles for mechanical defects, the Safety Division of Texas State Police, will operate a Safety Lane in Snyder for three days, Thursday, Friday and Saturday, October 20, 21 and 22, according to Captain George Schauer, director of safety education.

Hundreds of cars went through the safety lane here last year. This type of testing equipment is new to traffic safety work in Texas, where there are two such safety lanes operating over the state, testing operating over the state, testing over 2,000 vehicles a day. Each lane is composed of three sections, this making it possible for an automobile to be completely inspected in a very few minutes, by trained highway patrolmen.

The first unit determines light range and focus. Officers search for defects in lights, muffler, windshield wipers and steering apparatus, through the medium of the special light testing machine. With so many drivers overrunning signal lights at night, it is imperative that they know at what speed they may safely drive, Captain Schauer pointed out.

Wheel alignment tests are next in line of inspection. The accurate machinery determines if wheels are out of line and points to the defective unit. Defective wheel alignment contributes to tire wear and difficult steering.

Faulty brakes, along with other mechanical parts of vehicles, are responsible for at least 17 per cent of the accidents in Texas and other states, Safety officials say. For this reason, state police are using a new device which analyzes the braking power of each wheel. The recording meter is similar to a glassed-in gasoline pump. Each wheel's braking power is registered by individual thermometers.

It is only necessary to block one side of a street, which does not interfere with flow of traffic, except in one direction.

FLUVANNA AND OWLS MEET IN CRUCIAL GAME

Two Fine County Class C Football Outfits Tangle Under Bright Lights Friday Night

The Dunn - Fluvanna football game at Tiger Field Friday night, 8:00 o'clock, holds plenty of interest, even for non-gridiron folks.

On the field will be two fine football teams, Dunn, with a three-year background, Fluvanna with two years of 11-men C playing. In the stands will be hundreds of fans from all parts of this trade area.

In two respects the two eleveners are equal: They both won from Hermleigh, 1936 and 1937 county Class C champions, by a count of 26-0. From other angles, Dunn has a slight edge because of an outstanding season's record and because of a bigger roster of experienced men.

Coach C. B. Connally's Owls early in the season won from the local Class B Tiger in a scrimmage session, then proceeded to fly away from Lazine, which won last year's District 6-B bunting. Then they were easy victors over Coahoma and Hermleigh. They feature two fast, hefty backs, Bobbie Johnston and Arvil Martin.

At Fluvanna, Coach Gilbert Mize has pulled a fine team together after two years of doubtful success. The Buffaloes' 26-0 defeat of Hermleigh surprised even their most ardent supporters, but the figures of the game show it was won as soundly as Dunn's game was won over the Cardinals.

Here Are the Boys.
To help you enjoy the Friday night game better, here are the weights, positions and numbers of the top men on the two squads:

Dunn—Bobbie Johnston, fullback, No. 4, weight 174; Arvil Martin, right half, No. 7, weight 165; Frazer Dameron, quarterback, No. 11, weight 170; Roy V. Allen, left half, No. 12, weight 145; Othal Ellis, right end, No. 8, weight 135; T. C. Bills, right tackle, No. 10, weight 168; Van Meadow, right guard, No. 9, weight 130; Lavern Cotton, center, No. 2, weight 153; H. J. Gill, left guard, No. 3, weight 123; Ray Beavers, left tackle, No. 1, weight 153; Irvin Martin, left end, No. 13, weight 154.

Dunn substitutes—Billie Dameron, Don Hanson, Virgil Turner, Harold Denon, linemen; Forest Bowers, Lavelle Brown, James Casey, Ather Ellis, backs.

Fluvanna backs—Leroy Brown, No. 25, weight 135; Wilford Rhodes, No. 4, 143; J. R. Brown, No. 6, 150; Howell Moore, No. 14, 155; John Henry Roddy, No. 8, 134; Howard Taylor, No. 12, 135; Edward White, No. 19, 135; Junior Clayton, No. 26, 130.

Fluvanna linemen—Joe Landrum, No. 5, 138; Gilbert Lowe, No. 9, 150; Chester McDonald, No. 3, 160; Bill Sims, No. 18, 160; John A. Staveley, No. 2, 137; Jack Turner, No. 11, 155; D. R. Covey, No. 7, 145; Emmitt Lilly, No. 15, 230; J. D. Patterson, No. 22, 130; E. I. Smith Jr., No. 10, 135; Joe Sam Truss, No. 1, 140; R. B. Mills, No. 13, 133; Alton Lilly, No. 18, 130; Rue Reeder, No. 27, 125; J. C. Tucker, No. 23, 120.

Girls' department, club girls, Mrs. Longbotham, superintendent. Canned goods, vegetables, preserves, jellies, vocational homemaking.

Boys' Department.
Boy's department, T. B. Hicks, superintendent—4-H and F. F. A. Boy's-Feeder beef calves, dairy heifers, sheep, swine, poultry (meat and egg laying breeds), grain sorghums, bundle feed, small grain, cotton and cowpeas.

Women's department, home industries exhibits, Mrs. Guy Stoker, superintendent—Canned fruits and vegetables, meats, preserves, jellies, pickles and relishes, fresh vegetables, honey and in the culinary department: bread, cakes, candies.

Included with livestock products are rugs, sewing, quilts and bedspreads, flowers, fine arts and decorations and miscellanous.

Postoffice Offers No Opening Promise

Postmaster Warren Dodson stated Wednesday afternoon that Snyder's new postoffice location on the south side of the square is ready for equipment to be moved in when it arrives.

The south side location will afford a roomier and more centralized postoffice location, Dodson said, since new equipment now being finished is being manufactured to fit the building where the Economy Store was formerly located.

Uncle Sam's local postoffice staff joins in with Postmaster Dodson in handing the owner of the new site, Charles Rosenberg, a bouquet, since Mr. Rosenberg did more than the federal government required in remodeling the new stamp and money order location.

Although it is not definitely known when the new fixtures will arrive, Warren Dodson hopes the new postoffice will be ready for business by December 1.

Livestock, Other Entries Already Over-run Space

Big Event, in New Quarters, Will Continue From 11:00 Friday To Saturday Night

E. J. Anderson, chairman of the central committee, Scurry County Products Show, stated Wednesday "everything will be in readiness for the opening whistle Friday morning."

Busy workmen are whipping into shape with hammer and saw finishing touches on the main auditorium, emergency stall room made necessary when more than double the amount of original entries was received Wednesday (70 head of stock), and 80 pens for sheep and hogs.

"First of all," Anderson states, "We of the central committee find words inadequate to express our appreciation to the city and county for their making possible this Products Show. All committee members have done a marvelous piece of work, with practically no friction at all."

"Second, our county-wide show not only is giving producers an opportunity to exhibit their products, but the interest already shown is an advantageous ingredient for better rural living."

First United Cooperation.
It is the first time in County Fair or Exhibit history that every Scurry County community has cooperated in having a community booth.

"Primarily, however," Anderson further states, "it was the ready response of Snyder merchants to show catalogues—advertising—the fine job of printing done—and the united cooperation of city and county officials that is making our products show possible."

"We also owe County Agent Luke Ballard, County Home Demonstration Agent Miss Estella Rabel, County Agent E. M. Cleary of Gail, C. Littlepage of Hobbs, and women of the county a debt of gratitude for their splendid work in pushing projects and show plans."

Although very few premiums outside of ribbons will be presented, the major part of entrants have already taken the permanent worth of the products show to heart. Many farmers say it "must become a permanent county institution."

Women Provide Eats.
The County Council of Women will provide fair ground refreshments and eats, with the entire fair ground personnel being composed of home talents.

In the Educational Department division highlights will be provided by various schools in the nature of booths and exhibits, with the boy scouts and the Farm Security Administration adding to a noteworthy parade in the educational type of booths.

"Bring on the Products Show," was the Wednesday chorus of the central committee, as final arrangements details were being worked out.

Lubbock Speedster Proves Not So Fast

A Lubbock theatre owner, taken in tow by the sheriff's department Monday afternoon on a speeding charge, tried a fast one when he yanked out a \$100 bill. "That's my smallest bill," he said. It honestly was.

The south side location will afford a roomier and more centralized postoffice location, Dodson said, since new equipment now being finished is being manufactured to fit the building where the Economy Store was formerly located.

Uncle Sam's local postoffice staff joins in with Postmaster Dodson in handing the owner of the new site, Charles Rosenberg, a bouquet, since Mr. Rosenberg did more than the federal government required in remodeling the new stamp and money order location.

Although it is not definitely known when the new fixtures will arrive, Warren Dodson hopes the new postoffice will be ready for business by December 1.

Altrurian Daughters Entertain with Tea and Lecture Tuesday Afternoon

One of the most delightfully interesting club affairs of the season was Altrurian Daughters' tea and garden lecture held at the Palace Theatre Tuesday afternoon. Clubwomen of the town and other invited guests arrived at 3:30 o'clock for tea, remaining for the lecture, which was given by Margaret Dell Prim assisted by Dorothy Strayhorn.

Reception room decorations carried out the gold and white, club colors, with baskets and bowls of golden glow, cosmos and marigolds. Mrs. R. E. Boyer greeted guests and presided at the register, in which 75 women of the town left their names.

Mmes. Herman Darby and Max Brownfield poured punch from the crystal bowl, which centered the lace-covered tea table. Marigolds were entwined with ferns around the bowl. Open-face sandwiches, cookies and mints were passed by the club. Souvenir notepads printed in gold with pencils attached were guest favors.

Other club members in the house-party were: Mmes. Herman Daak, P. W. Cloud and Harold Brown, Gwen Gray, Alta Bowers and Vera Periman.

Mrs. Herman Daak, president, brought greetings from her club to open the program. Altrurian Daughters, she said, are launching a garden movement this year, and the garden lecture marked the opening event of this movement. Culminating their garden project will be a spring yard and garden contest.

Prizes will be awarded for the most beautiful yard or garden and another for the most improved one. Mrs. Daak asked cooperation of all women of the town in her club's project. "Object of the movement, of course, is to make our town more beautiful," she said.

Lights were lowered at the close of her welcoming words as she introduced Miss Prim, who was speaker for the afternoon. She was assisted by Miss Strayhorn, who operated the showing of colored slides. Discussion and illustrations of landscaping were interesting.

Safety Program Is Interesting Tuesday

Woman's Culture Club members heard a program on "Safety" at their meeting Tuesday afternoon at the home of Mrs. D. P. Strayhorn. The program was declared by those present to be both interesting and timely. Mrs. A. C. Alexander, directed.

"Speed Versus Courtesy" was Mrs. E. E. Weathersbee's topic, and Mrs. W. A. Morton talked on "Result of a Safety Campaign." A clever Edgar A. Guest poem, "The Poky Driver," read by Mrs. Strayhorn, climaxed the afternoon's discussions. The hostess was aided by her daughter-in-law, Mrs. David Strayhorn, in serving a delectable plate to the following members: Mmes. Alexander, J. P. Avary, R. W. Cunningham, J. R. Huckabee, Morton, Richardson, E. F. Sears, H. T. Sefton, Weathersbee and J. A. Woodfin. Next meeting will be with Mrs. Cunningham on October 20.

Study Course Is Unusually Interesting

"Social Origins," 1938-39 study course chosen by Ingleside Study Club, is proving even more interesting than expected, according to remarks made early this week by members at the close of the third lesson.

Mrs. King Sides was hostess Tuesday afternoon to the club, and Mrs. McCarty, president, directed the program. "Man's Work, Weapons and Needs" was a discussion by Mrs. C. C. Mosley; Mrs. T. W. Pollard told of "Cooperative Hunting" engaged in by ancient men; and Mrs. R. J. Randals gave an interesting contrast of ancient and modern hunting and fishing.

The Sides home was festive for the meeting with fall flowers in tones of yellow, and the hostess served ice cream and cake to two guests, Mrs. W. R. Lace of Breckenridge, who was formerly a member of Ingleside Club, and Mrs. M. E. Stanfield, and the following club members: Mmes. Clyde Boren, Harold Brown, W. F. Cox, Grady Ferguson, Hal Lattimore, McCarty, Mosley, J. M. Newton, Pollard, Randals, H. P. Redwine, W. W. Smith and Tom Boren.

During the business session, Ingleside Club accepted responsibility of hostess duties for the flower booth at the Products Show this week-end. Plans were made, also, for a husband's party next Tuesday evening at the home of Mrs. R. J. Randals. Husbands of club members will be special guests for the affair.

Church Groups in Meeting Recently

The two circles of Methodist Missionary Society women met Monday afternoon for first lessons in the new fall study, "The American City and Its Church" by Kinchloe. Members of the Ruth Anderson Circle were at the home of Mrs. Sterling Williams, and the Susanna Wesley group met in the home of Mrs. I. W. Boren.

Mrs. M. W. Clark gave introductory remarks and also reviewed the first chapter of the new book before members of the Susanna Wesley Circle at Mrs. Boren's. Mrs. A. W. Waddill assisted in presenting the lesson after quiet piano music by Mrs. A. C. Preuit.

First program feature was a play-let by Mmes. R. M. Stokes, T. M. Howle, Ed Hyman, S. M. Meeks and W. W. Hamilton. Mrs. D. P. Yoder gave a talk on "The City of Jerusalem," having visited it some years ago. Mrs. W. J. Ely was assisted in giving the devotional by Mrs. Lida M. Hardy, and Mrs. V. Williams closed the meeting with prayer.

Others at the meeting were: Mmes. H. P. Brown, Pearl Martin, D. P. Strayhorn, A. M. Curry, Joe Strayhorn and J. P. Avary.

Mrs. R. L. Gray was in charge of the music at Ruth Anderson Circle's meeting at Mrs. Williams' home. Mrs. Wayne Boren introduced the new study, and Mrs. Odum gave the opening program topic, "What Our Church Has Meant to Us and Our Obligation to It." Others taking part were Mmes. P. W. Cloud, Herman Daak, Herman Darby and Clyde Murray.

Nineteen members were present for the program and a brief business session. Next Monday's meeting will be held at the home of Mrs. Murray in the Egerton Apartment at 3:00 o'clock.

Mrs. A. C. Preuit will be hostess to the Susanna Wesley group next Monday.

Ten-Year-Old Girl Is Birthday Honoree

Elda Jean Littlepage, daughter of Mr. and Mrs. J. O. Littlepage, celebrated her tenth birthday Tuesday afternoon when her mother gave an enjoyable party. Mrs. Littlepage was assisted in entertaining by Frances Bentley.

Each guest brought a birthday gift for Elda Jean, and all were unwrapped and displayed. Games were played all afternoon, and the pretty white tiered birthday cake with pink candies, which decorated the dining table, was cut at tea time and served with sandwiches, potato chips and iced punch to the guests. Favors were Halloween horns and other novelties.

The guest list included: Elcee Rogers, Ina Fields, Patsy Ruth Eaton, Laura Mary Conrod, Raymona Keller, Harold Lewis Wade, Joye Anz, Frank Darby, Joye McGlaun, Rainey Cox, Dorothy Sue Cox, Billy York, Frances Sentell, Theo C. Towle, E. J. Anderson, W. W. Hamilton, W. R. Bell, J. W. Leftwich, Joe Stinson and R. D. English.

Three guests and 16 Altrurian Club members heard an interesting program on "United States and Her Dependencies" from the club's study of "National Governments and International Relations" by Magruder at a club meeting Friday at the home of Mrs. John R. Williams.

The guests were Mmes. Sterling Williams, W. W. McCarty and W. W. Headstream.

A paper written by Mrs. Anderson on "Hawaii and Alaska" was read by Mrs. English; Mrs. D. M. Cogdell discussed the Philippine Islands; Mrs. H. P. Brown's topic was "Our Dependencies," and Mrs. W. R. Bell told of "Our Protectorates." The program was directed by Mrs. A. W. Waddill.

LUNCHEON IS COURTESY TO CLUB VISITOR

Luncheon at the Wilsford Coffee Show was Altrurian Club's courtesy to Mrs. J. M. Rutherford of Chillicothe, Texas, President-elect of Seventh District, Texas Federation of Women's Clubs, during her visit in Snyder last week. Mrs. Rutherford was guest speaker at the newcomers reception given by Alpha Study Club Tuesday evening.

Table centerpiece for the luncheon was a lovely blue bowl of colorful flowers. Place of the guest of honor was marked with a daintily wrapped gift. Mrs. Wayne Boren, at whose home Mrs. Rutherford was guest during her stay here, and the following Altrurian Club members were present for the informal affair: Mmes. J. T. Whitmore, H. C. Towle, E. J. Anderson, W. W. Hamilton, W. R. Bell, J. W. Leftwich, Joe Stinson and R. D. English.

Home Making Class Holds Two Parties

Third-year home making class members of the local high school were guests of Loraine Todd, Olefa Huffman and Gwendolyn Head Tuesday afternoon at the home of Miss Vera Periman, home making teacher, for tea. Misses Huffman and Head greeted guests, inviting them into the living room, which was decorated with bouquets of zinnias and ferns.

The tea table was covered with a white linen cloth and decorated with flowers and the silver tea service, over which Miss Todd presided. Daintily sandwiches and cookies were passed to the guests.

Ruth Shipp, Geraldine Chapman and Hudson Berryhill were hostesses to the same group for breakfast Wednesday morning at the J. E. Shipp home. Marigolds and pastel place cards decorated the tables as a three-course breakfast was served.

Attending the two affairs besides the six hostesses were the following: Jo Halley, Vera Periman, Billie Lou Hays, Dena Kate Odum, Zora Lee Cole, Evelyn Terry, Emma Lee Pence, Evelyn Blakey and Mildred Hall.

Dunn Student Weds New Mexico Resident

Flossie B. Seal, daughter of Mr. and Mrs. L. L. Seal, of the Chilton Grove Community, became the bride of Neubert F. Hall of Jal, New Mexico, in a simple service held last Saturday night at the home of Rev. and Mrs. Bryd Waldren at Westbrook. Rev. Waldren read the ceremony.

Mrs. Hall is a student of the Dunn High School. The bridegroom, a graduate of the Jal, New Mexico, High School, served three years in the United States army at the reservation at Fort Sill, Oklahoma.

Crusaders Enjoy Steak Fry Monday

The Crusaders Class of the First Methodist Church enjoyed a steak supper at the church Monday evening. In connection with the meal a display of the fall wardrobe of the class' adopted daughter was arranged and view by all members before being mailed to the girl at the Waco Orphanage.

Following the business session, presided over by Nelson Minix, class president, delicious steak, salad, pickles, rolls, cookies and coffee were enjoyed by 25 class members.

They were: Mmes. Howle, Powers, Price, Odum, Wilmesh, Price, Ramsey, McClinton, Biggs, Butler, Williams, Sefton, Walthkamp, Wells, McMath, Lee, Gilmore, and Taylor, Misses Minix, Jo Halley, Hattie and Gertrude Hern.

Mrs. C. R. Hairfield of Oklahoma City was the guest of her sisters, Mrs. J. P. Morgan and Miss Sula Scoggin, first of, the week.

Member Resigns, Place to Be Filled

Lucky 13 Sports Club will fill the place left vacant since recent resignation of Billie Jean Wilsford soon. It was decided at a meeting Friday at the home of Peggy Burt. Membership of the high school social club is elective.

Discussion of activities to be had in the near future included plans for a hike and picnic this week. The next meeting will be held October 21 at the home of June Clements.

Peggy was assisted by her mother, Mrs. Velma Burt, in serving delightful refreshments to the following: Vera Periman, sponsor, and Louise Bowers, Melba Ann Odum, Billie Lou Hays, June Clements, Margaret Gray, Wanda Jean Sims, Patti Hicks, Horrence Leath, Dena Kate Odum and Lola Jo Rogers.

B. T. U. Enjoys Social At LeMonds

Young people's B. T. U. of the First Baptist Church were guests of Miss Effie McLeod at the J. E. LeMond home Tuesday evening in business and social session.

Main discussion centered on the state B. T. U. convention being held at Wichita Falls November 24, 25 and 26. Several from the local group are making plans to attend the three-day affair.

Following a series of games, refreshments were served the following: Mr. and Mrs. M. E. Stanfield, Rev. Ira Harrison, Jewel Foster, Adell Watkins, Prentice Riley, Arlin Moffett, Loraine Todd, W. T. Murphree, Billy Newton, Milton and James McMorris, Zora Lee Cole, Evelyn Tate, Nell Verna LeMond, Preston Wilson and Vernon Moffett.

Attendance Reaches 40 at Social Meeting

Attendance at last Monday's social meeting of the Woman's Missionary Society of the First Methodist Church reached 40. The meeting, declared to be one of the most inspirational of the entire year, was held at the home of Mrs. R. H. Odum, Sweetwater district secretary, in West Snyder. Assisting hostesses were Mmes. Sterling Williams, Frank Farmer and T. W. Pollard.

Topic for the program was "Serving in the Heart of Africa." Mrs. H. T. Sefton, general president, was in charge of the business session, and Mrs. R. L. Gray was leader of the program. The devotional, "Spiritual Unemployment," was by Mrs. D. P. Yoder. Mmes. A. C. Preuit and Joe Strayhorn discussed the missionary topic, and Mrs. W. W. Hamilton gave the bulletin news. Closing prayer was led by Mrs. A. W. Waddill.

Dainty refreshments were served by the hostesses, members of the Ruth Anderson Circle.

Class Meets in Buchanan Home

Fellowship Class of the First Presbyterian Church met last Wednesday in the G. C. Buchanan home with Mrs. Mary B. Shell as hostess. Mrs. E. H. Lilly was leader of a program on "Fellowship."

Mrs. T. A. Faver read the scripture; Mrs. C. R. Roberson spoke on "Friendship of Christian Missionaries"; Mrs. James E. Spivey told of "World Brotherhood"; and Mrs. J. A. Farmer's topic was "Practical Application of Fellowship."

Mrs. Shell served delicious punch and cookies at the close of the program to the following: Mmes. Farmer, Roberson, G. C. Buchanan, Lilly, John Abramovic, J. W. Woody, Jane Smith, McPherson, E. G. Johnson, Faver, P. C. Chenaull, D. F. Wilson, Spivey and Mattie B. Trimble.

Abilene Fair Is Fashion Parade

Abilene's West Texas Free Fair last week turned out to be quite a fashion parade for the visiting duchesses, for whom a number of entertainments were given. Over twenty of West Texas fairest girls were royally entertained in Abilene Tuesday and Wednesday of last week.

Scurry County's only representative among the duchesses was Elree McMillan, daughter of Mr. and Mrs. A. A. McMillan of Hermleigh, who was duchess from Hermleigh for the fair. Miss McMillan was a guest of Mr. and Mrs. J. S. Daniels during her visit in Abilene.

At the Tuesday luncheon, given in honor of the duchesses, at the Wooten Hotel, the Hermleigh brunette wore a black Carnegie dress with bouyant sleeves and rhinestone clips. That evening, Miss McMillan was escorted by Albert Hudson of Abilene to the Duchesses' Ball in the Wooten Hotel ballroom. She wore a moire taffeta floor-length frock of simple lines.

Morning coffee at the Abilene County Club Wednesday found the Hermleigh beauty dressed in a navy blue two-piece dress of crepe Etonnaime with trimmings of white pique at the neck.

For the coronation ceremonies Wednesday evening, and the Court's Ball, which followed, the brown-eyed Hermleigh duchess wore a white satin formal. The dress, cut to the waistline in the back, was caught with a bow of red velvet, flattering to the girl's brunnett coloring.

Throughout the Tuesday afternoon "Cotton Parade," duchesses were seen in decorated automobiles.

Intermediates Have Enjoyable Social

Members of the intermediate B. T. U. of the First Baptist Church enjoyed a business meeting and social last Thursday night at the home of Mr. and Mrs. D. V. Merritt. Following interesting games, delightful refreshments were served to the following: Fay Dean Norred, Nell Verna LeMond, J. C. Day, Truman Barrett, Thelma Thorpe, Evelyn Clark, Dorothy Murphree, Everett Clark, F. D. Burton, Elsie Murphree, Marvell Watkins, Lillian Thorpe, Jimmie Merritt, Lemond Thorpe, Martha Lou Holmes and D. V. Merritt, members, Mmes. D. H. Good-nough and Merritt, sponsors. Special guests for the evening were two local teachers, George B. Thomas and M. E. Stanfield.

Memberships to Be Sought Next Week by P.-T. A.

Contest membership drive for the Snyder chapter of Parent-Teacher Association will open Monday, continuing through Friday, announces the association's membership committee. Students in the local school will hold their usual contest, the room turning in the largest number of memberships receiving a cash prize.

One-half the 50-cent membership fee goes to the State and National Congresses, and the other half remains in the local treasury. All school patrons are urged to join the association. Membership in the P.-T. A. may be taken any time during the month of October.

Climaxing the annual drive will be annual visitation day, when patrons are invited to visit the school rooms to see the kind of work being carried on. The designated visitation day has been set for Friday of next week, the day the school contest closes.

Leaders in the local Parent-Teacher organization are urging full attendance at regular meeting next Thursday afternoon, 4:00 o'clock at the First Presbyterian Church. Plans for the approaching Halloween carnival, sponsored annually by P.-T. A., will be worked out.

Clubs and other groups wishing to have booths at the carnival should call Mrs. Clyde Boren, finance chairman. Sponsors of booths will receive all proceeds from sales and contests.

Boy From Alabama To Feature Harley Sadler Show Here

LEW CHILDRÉ
The Boy From Alabama.

When the Harley Sadler Show appears here for two nights, Monday and Tuesday, showing under the auspices of American Legion, they will present, as one of their feature vaudeville numbers, Lew Childre, the boy from Alabama, who gained fame as a radio entertainer, and recording artist. Lew has appeared as a sustained feature on various programs on the major stations throughout the southwest and east coast. Lew Childre is recognized as one radio artist that brings his radio personality to the stage, not only does he sing and play but is an excellent dancer, and really presents a worth while program.

According to his fan mail he is one of the most popular entertainers of his type, in the radio field. Mr. Childre will have with him several members of his famous River Revelers, who gained fame under Skipper Childre's leadership over radio station WWL, New Orleans, among them will be radio star, Wiley Walker, and his fiddle.

Lucky 13 Cafe and Station Has Moved

Lovell Baze moved the Lucky 13 Cafe and Station this week from location near the Browning Food Market to the former T. P. Service Station, which is located just north of Towle's Jewelry Store.

Baze and Miss Revis Chandler are operating the Lucky 13 Cafe, which specializes in short orders and cold drinks. The Lucky 13 Service Station will continue to handle T. P. gasoline and oils. Baze invites both old and new friends to "gas" with him.

Leon Autry, Travis Green and Royce C. Eiland, Snyder students in Hardin-Simmons University, Abilene, were home for the week-end.

TRENCH SILOS TO BE OPENED

Opening of the three demonstration trench silos at the Products Show Grounds Friday morning might serve as a reminder to county farmers that the county-wide trench silo filling contest will close before long, County Agent Luke Ballard states.

Farmers who have filled either old or new trench silos within the past two weeks are urged to turn the amount and type of silage into The Times office at once. E. H. Lilly, Chamber of Commerce secretary, reminds farmers nearly all will be interested in the \$25 grand prize, which will be awarded at the end of the contest.

"Because," the county agent's office states, "we want to banish the reality of importing feed into Scurry County during dry years, and because we are all coming to realize the value of silage in actually money on deposit, we want every farmer who fills a trench silo to turn the amount and kind of silage into county headquarters right away."

Clarence Wade, Precinct 1 resident, topped the \$5 merchandise prize Sunday in the trench silo contest, which has run for five weeks.

Precinct 1 reported a total of 363 tons of silage last week, while Precinct 4 ran a close second with 290 tons put in either new or old silos.

Cementing Job for Well Is Completed

A cementing job at around 1,150 feet was completed Wednesday night on the Coffield & Guthrie No. 1 Spears & Brownfield by the Halliburton firm of Oklahoma and Texas.

Cementing was made necessary when casing parted in the hole, a string of tools being lost making further delay necessary before the No. 1 Spears & Brownfield test can be cleaned out.

Engine trouble encountered has been remedied by the installation of a new engine, which was brought from Corsicana this week. A definite test on the promising well is slated for the latter part of next week.

This Producer To Be Shown

Among high-producing dairy cows that will be seen at the Scurry County Products Show this week-end is this six-year-old registered Jersey belonging to J. E. Weir of the Ira section. The veteran southwest-end-of-the-county farmer is proving with neat profits that it pays to keep fine dairy animals. The remarkable production record of this cow (Mr. Weir is holding her in the above picture) for the past six months follows: February to March, 1,410 pounds; March to April, 1,650; April to May, 1,640; May to June, 1,648; June to July, 1,630; July to August, 1,520. Colored School on Road to Good Year

A total of 23 pupils were enrolled in the colored school, which opened Monday morning in the oil mill section of Snyder. Mercie D. Hunter, reporter, gives the following school opening account:

"We thank Hadley Reeve, Snyder grammar school principal, for his presence on opening day, and are glad to have had him with us. The attendance of parents at school opening is also appreciated.

"We extend thanks also to the board of education as well as our superintendent, for giving us school house windows. Thanksgiving is coming, and we hope to have lights by then, so our first Thanksgiving program may be held.

"Our new teacher, Miss M. C. King of Rotan, is taking a great deal of interest in the boys and girls; everyone is hard at work on lessons."

FROM BRECKENRIDGE

Mr. and Mrs. W. R. Lacey of Breckenridge have been guests of friends and relatives here this week. The former Scurry County farm agent, now agent for Stephens County, says drought and pests virtually destroyed the cotton crop in Stephens, but he is carrying forward a highly successful range program there.

Movie Ticket Is Symbol of Many Tax Collections

The 61 direct and hidden taxes included in the price of the average movie ticket drain more than \$1,500 annually from Snyder's 600 movie-going families, states the National Consumers Tax Commission.

This non-profit, non-partisan commission has added the above data to its comprehensive survey of taxes "which penalize the consumer" in its sweeping, nation-wide fight against all such levies.

Local units of the commission are springing up in community after community throughout the country, declared Mrs. Volney W. Taylor of Brownsville, Texas' representative on the commission's national committee, issuing a statement from its Chicago headquarters.

"Even in the enjoyment of their leisure, the American family cannot throw off the stifling pressure of their enormous tax load," Mrs. Taylor said. "The cost of food, clothing, rent, automobiles and cosmetics, is likewise drastically increased by direct and hidden taxes. And these levies are already equal to 23.6 per cent of the national income."

With 85 per cent of the families in the southwestern states spending a yearly average of \$15 each for the enjoyment of attending motion pictures, Mrs. Taylor said, the same movie tax load prevails in all communities in this area.

Demonstration Club Notes

Estella Rabel, Agent

Bluebonnet Club Meets.

Members of the Bluebonnet Home Demonstration Club of Pyron met in the home of Mrs. Floyd Light Thursday afternoon. After the business session refreshments of cake and punch were served to the following: Mmes. E. N. Cummings, C. H. Stahl, C. A. Clifton, Boyd Moore, R. Taylor, Orval Hess; Misses Beth and Ruth Mahoney. New members were: Mmes. P. A. Ammons, Pete Bowen, Jay Stevenson and W. P. Tatum, and the visitors present were: Mrs. F. F. Kelley, Grandmother Light, Misses Era Light and Eva Richards.

The next meeting will be with Beth and Ruth Mahoney on Thursday afternoon, October 27, with Miss Rabel in charge of the meeting.

Hold All-Day Session.

Tri-Community Home Demonstration Club met in the home of Mrs. Joe Tant Johnston last week for an all-day quilting. A quilt, which will be part of the club's exhibit at the Products Show this week-end, was completed. Proceeds from sale of the quilt will go into the club treasury.

Eleven members were present for the meeting, enjoying the fellowship, work of the day, lunch with Mrs. Johnston.

Agent Afternoon Guest.

Dermott-Martini Club met with Mrs. Ruth Greenfield last Wednesday for an all-day quilting. Estella Rabel, home demonstration agent, was a guest for the afternoon. She spoke on "Sheets and Bedmaking," giving helpful suggestions in selection of sheeting and in the art of bedmaking.

Final plans for the club's booth at the Products Show were made at the meeting.

Present were: Mmes. M. A. Davis, L. N. Perinan, W. E. Boss, Willie Gibson, Albert Smith, Ruby Greenfield, Werner Flippin, G. D. Gibson, Bessie Perkins, Tom C. Davis and the hostess, members; Eurlene Greenfield, new member, and Louise Gibson Crow, guest. Mrs. Perkins will be hostess to the club Wednesday afternoon, October 19.

Open Letter to a Drunken Driver

SURE, you can drive home a'right. Don't let 'em feed you any of that bunk about letting somebody else take the wheel. Any time old Pete can stand on his two feet he can drive an automobile, drunk or sober. Whatsh a few drinks between friends, anyway. You show 'em who's going to drive.

Pile 'em into the car. That sweet little wife of yours, who's such a swell kid even if she does nag you about driving when you're drunk. And that funny couple with you who want to take a taxicab home. Imagine! Wanting to take a cab! Pile 'em in. Step on the gas. Whoopee! Go places...

Brother, you're not the big shot you think you are. You're just a fuzzy-brained, liquored-up, obstinate ass with about as much right to drive an automobile on the public highway as a monkey from the zoo would have.

I won't appeal to your reason because it's obvious that you haven't any. I won't appeal to your emotions because they're pickled.

I only hope you'll start to drive home some night, alone, when you've one too many under your belt. Then I hope some little emergency will arise which your addled brain and fumbling hands won't enable you to meet. I hope you'll have an encounter with a tree or a telephone pole that will land you in a police cell and your car on a junk heap. As you sober up I hope the baseness of your continued offenses against society will be borne in upon you with sickening clarity. I hope the newspaper headlines will scream out to all your relatives and friends and business acquaintances: PROMINENT LOCAL MAN GETS DRUNK AND LANDS IN JAIL.

Yes, I hope an All-Wise Providence will arrange this little lesson for you. And soon, before you kill somebody, as you surely will if you continue to drive when you are drunk.

FOOTBALL NEWS FROM SCURRY AND ADJOINING COUNTIES

Hermleigh—No Scores. Hermleigh demonstrated again last Friday afternoon that it has lost its 1936 and 1937 scoring punch. It also demonstrated that its defense is improving. The score at Coahoma: Hermleigh 0, Coahoma 0. Both teams went inside the five-yard stripe, but neither could summon the strength to tally.

Cinch for Hammers. Rotan Yellowhammers, conquerors two weeks ago of the local Tigers, 30-0, practically sewed up the District 6-B bunting Friday night at Rotan by whipping Colorado in a wild scoring nightmare, 19-14. With Angus Smith carrying most of the mail, the winners came from behind in the fourth, 7-6, 14-6 and 14-13, to win from the outfit that had whipped Class A Big Spring 7-0. Little Tommy Chadwick and Jack Smith, Colorado aces, were hot for the Wolves, but it was a lightweight substitute, Ross Clover, who put Colorado in the yard with a 90-yard kickoff return just before the half.

Six-Man Results. Sylvester proved again that it is a classy six-man club when it whipped Dewell, 44 to 20, in the wierdest Class C scoring in West Texas this year. The winning squad's passes accounted for most of its tallies.

Divide out-first-owned Blackwell, 12 to 5, at Divide Friday afternoon, but barely eked out a victory, 7-6. It was Divide's first victory of the season. One of her losses was to the Pyron outfit of Scurry County.

FALL FACES FEATURED. "Fall Faces" are being featured in Charles of the Ritz beauty preparations at J. H. Sears & Company this week. Introduced to passers-by by the unique window display arranged by Mrs. Madge Sims and others in the store, the idea is being used in connection with display on the latest make-up in colors designed especially to wear with rich costume shades so popular this fall.

Brunk's Comedians Here Second Night
Brunk's Comedians opened a two-night engagement last night in their tent near the American Legion hut, west of the square, with a good-sized crowd on hand. The war veterans are sponsoring the appearance, and proceeds are split with the Snyder fire boys.

The closing performance tonight (Thursday) is another comedy, "Too Many Wives." The show begins at 8:00 o'clock.

Spicy Campaign Speeches Precede Wednesday Poll; Parties Divide Honors

Nuell Mebane was chosen Student President at noon Wednesday when the Snyder High School students went to polls to elect the student council. Other members of the Student Council elected were: fire chief, E. J. Richardson; first floor fire captain, J. R. Popejoy; second floor fire captain, Carl Hargrove; campus director, Geraldine Chapman; and flag boy, J. C. Pitner.

The election was preceded by a general assembly of the student body at which Loraine Todd, chairman, presided, while spicy campaign speeches were made for the various candidates. Powell Shyles was campaign manager of the Do's-You Like Party which had as the candidates Roy Baze, student president; E. J. Richardson, fire chief; J. R. Popejoy, first floor fire captain; Carl Hargrove, second floor fire chief; Horrence Leath, campus director; and Jimmie Billingsley, flag boy.

Max West was campaign manager of the No-ism Party, which had as its candidates Nuell Mebane, student president; Thurman Higgins, fire chief; James Patterson, first floor fire captain; Lyle Alexander, second floor fire captain; Geraldine Chapman, campus director; and J. C. Pitner, flag boy.

An equal number of each party was victorious. The following students were elected Thursday morning to represent the council groups of: Miss McLeod, Dwain Kite; Mr. Yeats, Ervel Lee Keller; Mr. Thomas, Evelyn Clark; Miss Wright, Helen Andress; Mr. Stanfield, Garland Mustian; Miss Periman, Glen Perry; Mr. Wahlkamf, Martha Ann Cogdell; Mrs. Hensley, Wanda Jean Sims; Miss Elliot, Wanda Moffett; Miss Foster, Charlie Dunn; Mr. Hill, Red Neal; and Mr. Berry, Mozelle Mitchell.—Tiger's Tale.

The Balance Wheel of Banking

Efficient banking laws and regulations; periodic bank examinations, sound financial organization—these have an important bearing on the safety and service of banks.

But in the final analysis, the "balance wheel" of banking is able, honest and experienced management. Without it, a bank cannot render maximum service to its community.

It is our constant effort to provide such sound management for this institution. On this basis—as a sound, well-managed bank—we invite you to make full use of our services.

Our Products Show

If you're sold on Scurry County and its people; on its agricultural products and livestock, we'll be seeing you Friday and Saturday at the Scurry County Free Fall Products Show, where city street and country lane are one.
If one could put in words the cavalcade most representative of rural America, or put on canvas the most priceless picture of memory, it would doubtless be County Fairs and County Products Shows, a living history, if we please, of the entire year in review.
It is far more than duty, this visiting the Free Fall Products Show Friday and Saturday, just because it will be in the years to come a home county institution. It is a privilege to see not only farm machinery, but needlework, livestock, poultry, canned goods, farm crop exhibits—and in fact all the goods it takes to make a farm a homestead—on parade. It will be a parade of progress.
So bring along Nancy and the children, neighbor, if you want to see a free products show worthy of a niche in anybody's State Fair. Because our products show has been born of sweat and night work, rich experience and ripe wisdom, it is the exhibition of the year you can't afford to miss—if you want to be where everyone of note will be found Friday and Saturday.
Since the ancient Egyptians began to bring their sheaves of grain into the storehouse of Joseph, people have always liked to see their home products on parade. Just why many people will sojourn to State Fairs and exhibitions, when almost the same products (on a smaller scale and without cost) can be seen right at our County State Fairs, is one of our most pronounced peculiarities.
So crank up your family flivver Friday morning, neighbor, and bring the family on to town for the two day show. We'll be looking for you at the show grounds, Scurry County rains and all!

Editorial of the Week

TEXAS—HAS EVERYTHING

By LOWEY MARTIN,
President, The Texas Good Roads Association
"Texas Has Everything."
We have heard this statement until we have come to accept it as truth without question whenever it is encountered.
"So, what?"—in the vernacular of the youth of today.
Have we ever stopped to analyze just what the words mean now, what they could or should mean, and what we need to do to make the most of our opportunities? If we are honest about it, we will admit we seldom have stopped to think.
Truly Texas "has everything"—but just having it won't help anyone. Let's analyze a bit.
Geographically located as the gateway state between the North and Central American continents, Texas is gradually occupying a stronger and stronger position as a shipping center to the new "American trade field," especially since the most of the European markets are closed to products from the United States. In the past few years ports in Texas have taken much of the tonnage from Atlantic and Pacific centers, and even some of the Southern ports are feeling the effects.
Again as a result of its geographical location, Texas is able within its borders to produce a wide variety of agricultural and livestock products. If it ever became necessary, Texas could exist with few imports, even from other states.
In the way of minerals and other natural resources, it is the richest area in the entire United States and perhaps on the North American continent. Raw materials are available within a few hours of any section of the state, making all parts suitable for industrial development.
Another thing that Texas has is an adequate and constantly expanding transportation system, with adequate rail facilities to all sections and linked to the principal ports and centers of trade of the Nation. But the most important part of the system is the network of highways that cover the entire state—adequate for most needs at least but recognized by our highway commission and officials as still being far from perfection. However, the needs of the state are being served by them, and within a few more years each of the main arteries of traffic should be surrounded by an unexcelled system of farm-to-market roads.
What does Texas need? Above all things else—industrialization.
TAKE TIME TO LIVE
Take time to work . . . It is the price of success.
Take time to think . . . It is the source of power.
Take time to play . . . It is the secret of perennial youth.
Take time to read . . . It is the fountain of wisdom.
Take time to worship . . . It is the highway to reverence.
Take time to be friendly . . . It is the road to happiness.
Take time to dream . . . It is hitching your wagon to a star.
Take time to love and be loved . . . It is the privilege of the gods.
Take time to look around . . . It is too short a day to be selfish.
Take time to play with children . . . It is a joy of joys.
Take time to be courteous . . . It is the mark of a gentleman.
Take time to live.—The Railroad Journal.

Current Comment

By LEON GUINN

To those of us who have been working in our shops by the side of the road, and have seen hundreds of cotton pickers make an unfruitful pilgrimage to the spotted croplands of the Plains, recent action of our State Planning Board in reviewing the surplus of transient laborers without jobs in Texas is a commendable move. During the past 90 days, for instance, a total of 251,000 people without jobs have flocked to Texas in the hope of finding temporary employment.
Especially do we commend the State Planning Board for putting the skids under Governor James V. Alford and Governor-elect W. Lee O'Daniel, both of whom have been giving impressions over the radio that Texans all had jobs of money to throw away and burn. Recent broadcasts about that much talked "industrializing Texas" have drawn the jobless in droves to Texas, many of whom visioned a factory in every village and a payroll around every corner.
We are, of course, proud of Texas, its resources, and its mineral deposits, but we have 6,000,000 people of our very own to take care of in our far-flung state, before even considering what might be done for the migrating out-of-work. Indirectly, the Texas press will be relied on to stem the rising tide of unwanted emigrants, but some some overly enthused state officials have already run away with the cart the job isn't going to be very pleasant. Since it has to be done, we might as well sound the keynote that the transient jobless and ne'er-do-wells in Texas must go to other climes.
There really was very little use of Attorney General-elect Gerald C. Mann pulling off his shirt at New Braunfels Friday before a county judge association, and asserting "the Constitution was an old, tattered quilt we've tried to mend 150 times." Still chewing the political rag, Mann further asserted two-year elective terms were too short for office holders, and that Texas was as yet handicapped by the bunch "of 1875 laws we're trying to progress under." As a private citizen Mann could probably be justified in such unwarranted utterances, but as a public state official he's liable to regret some of evidently morning after tirades.
Ancient gold and silversmiths would probably turn over in their graves with envy, could they but be advised of the progress being made today in beating out an ounce of gold to cover an area of 200 square feet. Astute goldsmiths have developed the art of thinning "gold leaf" to the point where one ounce of the Midas metal can be pressed into a ribbon 675 feet long and 1-1000 of an inch thick. The mists of time have somewhat obscured the origin of gold beating, but since the Egyptians of Pharaoh's time golden ornaments and trinkets have lured an unbroken line of prospectors always onward, even though some can only find "their long lost gold mine in the sky."
Officials of the Federal Pink Boll Worm Commission, who recently examined cotton fields in this sector of West Texas for possible pink boll worm outbreaks, report the deadly insects are gradually "creeping upward toward the Plains border line." And unless the onward march of the pink boll worm is halted, field men warn, "one can say the days of the West Texas cotton farmer are numbered." Commission member say their remarks are as yet off the record (since surveys are incomplete), but The Times as usual, wants to be among the first to quote "on the record" finding if the menace is getting this near home.
It doesn't sound very encouraging to admit we already have boll weevils right here in Scurry County, but that doesn't alter the fact we do have them or change the necessity for prompt action. We recall the false pride evidenced by certain hard heads in Erath, Comanche, and other weevil-ridden counties when the first warnings of impending disaster were sounded, and if we, in this county, can profit by the mistake of others we will admit facts as soon as possible, since cotton farmers are already at the crossroads of cotton's destiny.
To all of us who find plenty of thorns among the roses, as we journey along life's uneven pathway, thornless roses will sound rather mythical, but to Nicholas Grillo of Milldale, Connecticut, must go the credit of developing the world's first thornless rose, a feat Grillo accomplished after 40 years of experimenting. An Italian immigrant, Grillo started out to achieve the seemingly impossible after Luther Burbank had given the task up as hopeless.
A deep red in color and velvety in texture, Grillo's thornless rose, is termed a "sport," or freak, since accidental grafting produced the thornless blossoms on this new plant world creation. We can now boast of spineless cacti, fuzzless peaches, and seedless raisins along with backless bathing suits and thornless roses, but if we could also add stingless tongues of gossip mongers to the parade we'd really have something then!

Godfathers Wanted

"Third Party Gets a Godfather" is the title of a September magazine article. Now if someone will find a godfather for Godfather Hoover and Godfather Hamilton of the Republican party, the country may be saved for something besides the Democratic party.

Fourth Straight Scoreless Game For Local Squad

Remember when the A. C. C. football team down at Abilene was given more headlines because of a lengthy losing streak than the Hardin-Simmons and McMurry squads were given for their winning outfits?
That order of things may be repeated here in Snyder if the Tigers don't put on their scoring clothes. For four consecutive games now the Tigers have not scored. They have gone inside the five-yard line several times, inside the 20-yard line many times and almost on the goal line a pair of times . . . but they haven't scored.
Probably their best early-season chance came last Friday night on Tiger Field, when they played a mediocre Anson squad. The Tigers piled up first downs, saw Keller scamper 25 yards once, witnessed Richardson and some other receivers taking several neat passes, and saw the ball resting on the 15-yard line as the whistle blew . . . but they didn't score.
Anson scored once, when Fullback Herschel Pearce, who is a medium-fair ball handler, went around his right end by a nose. The same lad's attempted kick was no good. So the score was 6-0. Jeff Wheeler, right end, put the ball in scoring position by taking a rainbow pass for 40 yards, after the ball had gone to Anson on the Snyder 45 after alleged interference with a pass receiver.
During the fading seconds of the game Snyder marched heftily, with passes from Keller to Richardson for 20 and four yards, a four-yard plunge by Keller and a 10-yard pass to Neal . . . but the Tigers didn't score.

Special Exhibits Will Be Offered At Two-Day Fair

A total of 13 community booths, 11 educational exhibits, and eight 4-H Club girls' needlework projects will be entered in Friday and Saturday's Products Show, County Home Demonstration Agent Estelita Rabel reported Wednesday.
Miss Elen Kleppe, instructor in foods and nutrition, division of Home Economics, Texas Tech, will be here Friday to judge the Products Show. Miss Rabel further reports, Miss Kleppe is an acknowledged specialist in her field.
County club women, by their untiring efforts, will make possible community booths from Ira, Fluvanna, Dermott, Round Top, China Grove, Pyron, Lloyd Mountain, Union, Tri-Community (Martin, Crowder, Bethel), Plainview and Bison.
Club topics to be discussed in educational exhibits are varied, and cover a wide range of subjects. Topics by communities are: Tri-Community, frame garden; well equipped bed, Lloyd Mountain; pantries, Pyron; bedroom closet, Union; homemade furniture, China Grove; washing wool, Dermott; tuffing, Ira; feather comfort, Bison; knitting, Fluvanna; and wind breaks, Round Top.

Bus Driving Safety Sought at Meeting

County Superintendent Frank Farmer joined a delegation of District 8 county superintendents at Abilene last Thursday when R. N. Sandlin, deputy state superintendent, addressed county school chiefs on school bus safety.
A resolution was passed at the meeting requesting all school bus drivers to escort pupils across public highways when bus stops are made. Bus drivers are requested (when stopping on highways) to get out of the truck and assist pupils across highways when road crossing is necessary.
Mr. and Mrs. Morgan Smithers motored to Abilene Sunday, where they spent the day with friends. They also spent several hours on the return trip with friends in Sweetwater.

SNYDER TO COOPERATE.

According to Superintendent C. Wedgeworth, Snyder Public Schools will close at noon Friday, in order that all school children may visit the Free Products Show Friday afternoon. Practically all county schools are planning to send pupils to the show part of both days.

The Hornet's Nest

Royal Entertainment At Snyder Theatres

Both the Texas and Palace Theatres are offering Products Show visitors a royal list of entertainment Friday and Saturday, day and night. The Texas offers "Below the Rio," a Buck Jones western for Friday night, Saturday afternoon and Saturday night, plus a "Dick Tracy" serial and comedy.
The Palace offers "The Texans" Friday night, Saturday afternoon and Saturday night, with Randolph Scott, Joan Bennett, and a cast of thousands. "The Texans" is an epic of the Southwest. The Palace Saturday night prevue is "Straight, Place and Show," with the Ritz Brothers, Richard Arlen, and Ethel Merman. Also news and comedy.

Film Rent Service Will Be Explained

All county school teachers are invited to meet tonight (Thursday) at the Snyder High School Building at 7:30 o'clock, when J. F. McDonald, of the extension department, Texas Tech, will explain the Tech film rental service.
Plans will be directed to organization of a local unit of the Texas State Teachers Association. All county teachers are urged to become members of the Snyder chapter.
A called business session for electing officers will close tonight's meet.
O. E. S. MEETING.
Snyder chapter of O. E. S. will hold a stated meeting Friday night at the Masonic hall. All members are urged to be present. Oma Wren, secretary.

C. of C. Offices To Be Center of Show Activities

The Scurry County Chamber of Commerce office, just north of the bank, will be headquarters for Products Show activities.
Secretary-treasurer of the show is the C. of C. manager, E. H. Lilly, who has complete records of show entries, expenditures, catalog details and other facts and figures. He points out that farmers and other visitors are invited to make the C. of C. office their headquarters at any time. His invitation is backed up by Forest Sears, president, other members of the board of directors and members.
At a meeting of the directors Tuesday night, an outline of Products Show plans was given by E. J. Anderson, general chairman, and Lilly. Plans were made for the C. of C. to assist the Products Show central committee to finance the show. Another word of thanks was given the City Council and the Commissioners Court for their expenditure of hundreds of dollars to make the show grounds and buildings possible.
"A great show is coming Friday and Saturday," was the sentiment. "It's the biggest piece of cooperative work we have seen here in years."

Pyron Loses Game To Dowell; to Meet Hobbs Team Friday

Pyron's six-man football team lost a heartbreaker to Dowell last Friday afternoon, 14-12. This loss gives them a 50-50 average in the six-man league, Divide having been beaten the previous Friday, 13-0.
Pyron and Hobbs will meet Friday afternoon of this week, at Hobbs, in what should be about the best six-man game that will be offered fans of this area for the season. Hobbs has the edge on the dope bucket, but Coach M. H. Greenwood's Eagles, playing their first season, are showing rapid improvement.
Arnold Pieper, end, tallied the first Pyron score in the opening quarter. Dowell scored in the second quarter on straight football, and came back to score in the third period after blocking Pyron's kick. Twain made the second Pyron counter.
Dowell's conversion after the first touchdown was the margin of victory, score after touchdown counting two points in six-man ball.

YOUR TELEPHONE DOES ITS PART AS A CITIZEN OF TEXAS
As one of the industries of Texas, your telephone company pays its share of the cost of government. It is a heavy share, too. In 1937 its local, state, and federal taxes in Texas totaled more than four million dollars . . . nearly \$12,000 a day.
These telephone taxes were equal to more than a third of the company's entire payroll in the state. They amount to \$9.25 for every telephone in service. Where do they go, these taxes? To build and maintain the streets and highways over which you drive. To furnish your police and fire protection. To keep up your children's schools. To help pay for all the services government gives you.
The telephone company is part of Texas . . . here to meet this state's need for friendly, dependable telephone service. As part of the state, it has tried to be a good citizen . . . always ready and willing to pay its fair share of the cost of government.
