

## Bailey County Library Books & Facilities Are Totally Inadequate

When asked what part of the present Bailey County Library might be used in stocking the proposed new library, Charles Gholz, field representative of the Texas State Library said, "I'm only guessing, but probably 50 per cent should be thrown away."

He may have been wrong. "Ninety-five percent of it is so dated as to be worthless to any library." This was the summary of a trained, professional librarian after examining the library this week.

## Farm Group Names New Directors

About 115 members of the Bailey County Farm Bureau elected 24 directors for the 1963-65 electoral year at its annual meeting in the American Legion Hall Tuesday.

The election followed passage of a resolution that all directors elected in the future will hold office for three years. Those elected were Leon Lewis, Kenneth Powell and Glen Harris, all of YL; O. M. Lackey, Needmore, Buster Kittrell, Muleshoe; Les Bruns, Muleshoe; Adolph Whittrell, Maple; Reuel Kirby, Maple; Leldon Phillips, West Camp; Clarence Mason, West Camp; Joe Wheeler, Progress; Earnest Ramm, Progress, Leon Kessler, Enochs; Arlen Simpson, Enochs; Lewis Henderson, Three Way; Lester Howard, Needmore; Jack Schuster, Muleshoe; Kenneth Corbell, Three Way; Freddie Parkman, Maple and E. H. Yeates, Longview; Ed Little, West Camp; James Warren, Needmore and Morris McKilip, YL.

## 4 Are Named Honor Students By Teachers

The National Honor Society has named four "Honor Students of the Month" for November. They are: Larry Allison, senior; Stanley Black, junior; Ruth Ann Duckworth, sophomore; Neil Finley, freshman. They were chosen because of outstanding work done in high school.

Larry participates in Student Council, class officer; F. F. A. Student Council play, Honorable Mention for Regional All-Star play cast, football, basketball, Mule-train Annual Staff.

Stanley participates in: Student Council, class officer; F. F. A. District F. T. A. officer, F. F. A. officer.

Ruth Ann participates in: Latin Club, F. H. A. Interscholastic League Spelling, Who's Who.

The examiner, Betty Goodrow, holds a degree in social communication from the University of Chicago and graduate credits from Northwestern University in English and library science. She has worked as a librarian at both universities.

A check list of the three hundred greatest books in world literature shows the library to have books by only Tolstoy and Churchill.

Of the over 150 great American authors listed by Harvard University, the library has none. Only five books, all dated in the 1930's and early 1940's, in applied science were found. There were none in the fields of experimental science. None in medicine and none in physics, law, art, writing, current events and history books were conspicuous by their absence.

There are two encyclopedias, one published in 1927 and the other in 1947. There are no up-dating year books. Of the 2,000 odd volumes currently stocked by the library approximately 1800 are fiction of the type promoted by the Book-of-the-Month Club in years gone by.

Such titles as "The Doings of The Denys", 1929; Marketing Deb, 1926 and Corporal Johnny Goes Over The Top, 1918; predominate the collection. Their popularity was shown by the amount of dust covering them.

"Of the entire group not more than 125 are worth reading," commented Mrs. Goodrow. "The rest are worth about ten cents each on the second hand market."

Fully one-third of the books have torn covers, split bindings and missing pages or covers. All are covered by dust. The library itself is dirty and ill-lighted. There are two hard chairs "hardly conducive to either study or comfort," commented Goodrow. There are no tables and only one ratty dim light in the center of the room.

Books are placed in the shelves in a haphazard manner. "The general atmosphere is reminiscent of an ill-kept second hand store," she commented, "and seems to be a repository for old books nobody else wants."

Mrs. Gil Lamb Chairman of the Muleshoe Study Club, legal owners of the library, states that the group is well aware of the library situation and is attempting to take effective action to (See Library Page 4)

## \$2,500 In Prizes For Stockshow

Some \$2,500 in prize money has been announced for the annual Bailey County Junior Livestock Show scheduled for March 5-7. A new prize, Grand Champion Steer will receive \$100, the largest prize. The second largest prize, \$50, will go to the reserve

grand champion steer. In order to be eligible to enter the show boys must be a member of either the 4-H or FFA clubs, attending school in Bailey County and be working on a project supervised by either the county agent or Vo Ag. teacher.

Those entering must have their beef steers on feed not later than Nov. 9. All wether lambs, barrows and gilts must be on feed by Dec. 14th.

Eligibility Rules: 4-H & F. F. A. club boys and also girls that are supervised in project work by the County Agent or Vo. Ag. Teachers of Bailey County and attending school in Bailey County will be allowed to show in any or all divisions of the show.

Deadline Rule: Club member must own and have his beef steer on feed not later than November 9, 1963 and all wether lambs, barrows and gilts by December 14, 1963.

Mrs. Carey (Dess) Stafford informed the Journal this week that she would be a candidate for reelection to a full term as County Tax Assessor-Collector of Bailey County, in the forthcoming Democratic Primary on May, 2, 1964.

She states that she and her deputies, have been on the job at all hours working for you the taxpayers of Bailey County, and have endeavored to give you the service that you should expect from this office at all times. Mrs. Stafford believes that the experience that she has gained as your Tax Assessor-Collector will enable her to do a better job for you in the future.

Limits on entries: Each club member may show any or all of the following: Not over 1 gilt and not over 3 hogs, 3 wether lambs; 2 steers.

Livestock permitted to show: A. Barrow division will show by breeds if 8 or more of a breed arrive but breeds of 7 or under will show together as one breed. Barrows must be purebred and (See Prizes Page 4)

Firefighters Battle Large Grass Fire

Firefighters and fire fighting equipment from Muleshoe, Morton, Causey and Dora teamed up to fight a grass fire three miles west of Goodland Sunday afternoon.

Approximately 200 acres of grass land were burned over by the fire.

Careless bird hunters are blamed for starting the blaze by smoking.

The fire was spotted about 9:30 a.m. Sunday morning, but the person who spotted the small fire thought weeds were being burned.

Later in the afternoon, the fire, whipped by increasing winds, spread over an area of more than 200 acres.

The land is in the soil bank program and owned by Merlin Roberts of Morton.

**\$1,000 Missing From Body Of Accident Victim**

Approximately \$1,000 in cash is missing from the body of a Clovis man killed in an accident near Muleshoe Monday.

Police officers of two states are investigating charges made by Mrs. Benny Fulgham, daughter-in-law of the deceased that approximately \$1,000 carried in the shirt pocket of Earl Fulgham, 63, who died shortly after semi-trailer loaded with cattle he was driving collided with a truck, is missing.

Fulgham is known to have habitually carry between \$500 and \$1,000 in a silver dollar money clip in his shirt pocket. Twenty dollars was found on the body. Shortly after the accident a check made out to Fulgham was found on the road near the accident.

At the time of the accident a high wind was sweeping across the road and it is possible the money, thrown from the victims pocket by the shock, may have been blown away by it.

The accident occurred at the intersection of FM 1760 and FM 17-31 near West Camp. Fulgham died in Bailey County hospital.

Billy Fields, 38, of West Camp, driver of the grain truck, suffered broken ribs and was taken to Clovis Memorial Hospital. His condition is "good", according to hospital officials.

Fulgham's body was taken to The Sneed Funeral Home in Clovis.

**Football Contest**

This week's winners of the Muleshoe Journal's weekly football contest were Ralph Broyles, Rt. 1 Friona. He had nine answers correct and predicted Muleshoe would down Olton 19-13.

## Poll Tax Vote Due Here November 9th

Voters To Decide On Lowering The Price Of Voting From \$1.75 To 25 Cents Soon

Voters decide Nov. 9 on lowering the price of voting from \$1.75 to 25 cents.

One reason: The legislature decided to hold a special election to change Texas' Constitution to take out the poll tax voting requirement, and replace it with a 25-cent statutory "voter registration fee".

The counties keep the fee.

## New Three Way Club Makes Group History

The largest charter membership Lions Club in Texas was organized at Three-Way on Monday night.

The new club, sponsored by the Whiteface Lions Club, has a charter membership of 70.

## Mark Your Vote Ballot With Care

Marking your voting ballot in Saturday's election may be a bit confusing because of the headings placed directly above the question.

Each of the four amendments is headed by two words, "FOR" and "AGAINST". In the first amendment, if voters wish to vote to KEEP the poll tax, they must mark through the paragraph marked "FOR". If they wish to vote for the REMOVAL of the poll tax, they must mark through the paragraph headed "AGAINST".

In proposition two, voters wishing to vote FOR the assistance to the needy and disabled should mark through the paragraph headed "AGAINST". Those wishing to vote AGAINST the program should mark through the section (See Ballot Page 4)

## Legion Service

Ben Richardson Post of the American Legion has scheduled Veterans' Day activities at the post Monday.

Memorial services for the dead of both world wars and the Korean conflict are scheduled to be held, according to Don Kemp, local legion official.

The services will be conducted by Father Corcoran, Immaculate Conception of Mary Catholic Church. Later legion members and guests will hear Fred Brookman, legion service officer in Lubbock speak.

Another reason: Congress has before the states a proposed change to the U. S. Constitution to prohibit any kind of a poll tax requirement in voting for federal officers. Only two more state legislatures need ratify this change before it becomes law.

Texas, since 1902, has levied a \$1.50 poll tax on each person seeking to vote. Of this, \$1 goes to the state school fund and 50 cents to the general revenue fund. Counties are allowed to levy another 25 cents, making the poll tax \$1.75.

Eligible to vote are 2,020,183 Texans who paid poll taxes, or who had exemptions. Voters declined to abolish the poll tax in 1945. The vote was 172,284 to 133,550.

An unofficial "referendum" on both the Democratic and Republican primary ballots in 1962 approved repealing the tax.

If voters keep the poll tax, and two more states ratify the U. S. constitutional change, Gov. John Connally predicts Texas' elections could be in the state of "chaos." If voters change the Texas Constitution by abolishing the tax, it will be replaced Dec. 1 by a 25-cent voter registration law which closely parallels the present poll tax system, except for price.

If the change to the State Constitution is rejected and the U. S. Constitution changed to ban poll tax use by the states in voting for federal officers, a special section of the voter registration law goes into effect.

A person who wants to vote only for national candidates (president, vice president, congressmen) would go to the county tax assessor-collector and get a certificate saying "poll tax not paid." If he wants to vote for state and local candidates, then he must shell up the \$1.75.

All of the candidates would be on the same ballot, thus causing a problem for vote counters separating the non-poll tax ballots from those voting for all candidates.

Not everyone is agreed the poll tax should be abolished.

State Rep. George Hinson of Mineola opposes repeal. His East Texas district voted 2-1 to retain (See Vote Page 4)

**Parmer County Farm Bureau Names Officers**

Parmer County Farm Bureau named its officers and directors for the 1963-64 electoral year Monday.

John Henderson, County director from Black, was elected Vice-President, and Jim Dixon, northwest of Friona, was elected secretary-treasurer. They replaced Frank Hinkson, Lazbuddie and Vernon Symcox, Oklahoma Lane, respectively. Hinkson continues to serve as a director for another year. Symcox was replaced as director by Don Gerles, also of Oklahoma Lane.

Plans were made for attendance at the State Farm Bureau Convention in Fort Worth Nov. (See Officers Page 4)

**INJURED** — Grain truck which was driven by Billy Fields of West Camp at the time of an accident in which a Clovis man, Earl Fulgham suffered injuries. Fulgham died later in Bailey County Hospital. (See story on page 1 for details.)

**BAILEY COTTON QUEEN** — Jane Bruns, daughter of Mr. and Mrs. Les Bruns, is pictured as she appeared in a seven-mile-long parade in Levelland Tuesday during Cotton Promotion Week celebrations there. She was chosen as alternate in the Bailey County Farm Bureau Queen contest earlier this year. Davy Jean Anderson, named Queen, was unable to represent the county in the parade due to college work. In the convertible with Miss Bruns, is Ed Little, president of Bailey County Farm Bureau; Mrs. Ed Little, co-chairman of the Farm Bureau Women's Committee and Mrs. Vera Engleking, publicity chairman. The queen wore a black and white checked two-piece suit of all cotton, a net cape dotted with balls of cotton and an cotton crown. Muleshoe Motor Company supplied the Ford convertible for the parade. **ORIENTAL SETTING FOR THEME** — This was the setting for the WMU Program "Partners For Progress In Japan". The women are seated on pillows on the floor at low tables where Suki-yaki was served and eaten with chop sticks. They took off their shoes at the door in keeping with the Japan tradi-

tion. Notice Japanese lanterns and chimes hanging from the ceiling over the tables. A display of items from that country has been placed on the small table near the entrance to the room. A tall doll is dressed in a Kimono and the fan is one that was presented as a gift to Mrs. Don Murray and had been

in the same Japanese family for generations. The object at the center of the table is an Abacus. The calander forming the background over the table bears a scenic picture and the scripture Acts 16:31 written in the Japanese language at the bottom.

### Sudan Members Host Epsilon Delta Chapter of Delta Kappa Gamma Sat.

The Epsilon Delta Chapter of Delta Kappa Gamma Society met in the Homemaking Cottage in Sudan Saturday, November 2. The Sudan hostesses, Hazel Jay, Elsie Wilson, Thelma Wiseman, Maxine Nichols, Lucille Brown, Aida Slate and Mary Follett served a delicious brunch to the group.

After the brunch the program entitled "Changing Patterns in American Culture" was given. See Miller of Muleshoe read a paper entitled "Changes in Po-

litical Practices in the Last Decade." Dorothy Beddingfield of Muleshoe had as her topic for discussion, "How Well are Women Suited for Political Careers?" She gave a brief summary of the accomplishments of Margaret Chase Smith, the Senator from Maine who is the only woman elected to the U. S. Senate three times, and Hattie Caraway, Senator from Arkansas, as examples of how well fitted some women are for political careers.

Following the program a brief Roll call was answered with "Women in the News."

Members attending from Muleshoe were Dorothy Beddingfield, Joyline Costen, Elizabeth Watson, Blanche Johnson, Lois Witherspoon, Mary B. Obenhaus and Bee Miller.

The December meeting of the Epsilon Delta Chapter will be held in the lovely, new home of Hazel Ward in Littlefield. It is to be a dinner meeting and new members will be initiated into the society.

### Tailoring School Completed Here. Style Show Slated

The last meeting of the Bailey Co. tailoring workshop was held Thursday, October 31 in the Bailey Co. Electric Co-op conference room. After demonstrations by Mrs. Aubrey W. Russell on attaching shoulder pads and lining a coat, the women discussed what they had learned in the workshop. The things most often mentioned were pad stitching to make the collar lay correctly and taping of the front opening of the coat to keep the coat closed instead of flaring open.

A style show will be held by the women, December 6, when the women will model the suits and coats they made. The public will be invited. No meeting place has been set but further information will be publicized when the time and place are set.

### Membership Drive Set By Richland Hills P-TA Group

Richland Hills Parent Teachers will launch their membership campaign during Public School open house November 11.

A member of the membership committee or a room representative will be in each room during the open house to register those who wish to join the organization and to answer any questions concerning the work being done.

At the present time, there are 191 members registered. Those who cannot attend open house will be given an opportunity to join by note sent home by their child after the November 11 opening date of the drive.

Mrs. Joe Wheeler is membership chairman and members of her committee are: Mrs. A. G. Taylor, Mrs. J. A. Nickels, Mrs. David Stovall, Jr. and Mrs. John Gregg.

Twenty-two room representatives will assist this committee.

### "Partners For Progress In Japan" Is First Baptist WMU Program

"Partners For Progress In Japan" was the theme of the Tuesday morning WMU program at the First Baptist Church.

Decorations throughout the room created an Oriental setting for the occasion. Japanese lanterns and wind chimes suspended from the ceiling over the tables. Centerpieces were of orange tones and artistically arranged. Other objects of the Oriental nature were placed along the tables. Japanese designs were printed on the front of the programs and Americanized Suki-yaki was served with tea and coffee. Chop

### Candidates Set For Junior Class Beauty Pageant

Candidates for the 1963-64 Beauty Pageant were chosen by the Junior Class of Muleshoe High School.

The candidates named are Beckye Camp, Tommye Welch and Hana Stevenson.

The boys chosen to represent the Juniors were Gene Atkins, Stanley Black and Scottie Oliver.

The Junior play was also discussed at the meeting held for the naming of the Pageant candidates.

The play "Scenes From the Wizard of Oz" will be presented January 6 and 7. Tryouts for the cast will be held November 12. All Juniors are urged to tryout for parts.

### Boy Scout Troop 634 Pass Tests For Advancement

Boy Scouts of Troop 634 met Monday night before the Board of Review and past their tests for awards.

Those who will be receiving the awards are: David Alsop, four merit badges; Walter Denny, seven merit badges; Richard Alsop, Life; Johnny Rainey, second class; Alfred Bleeker, second class; and Joe Bleeker, Glen Herndon and Leland Ferris, Tenderfoot badges.

The awards will be presented at 7:30 Monday, November 11, at the Court of Awards to be held in the Scout Hut.

All parents are invited to attend.

### Lazbuddie Group Forms New Club

A new club was formed at Lazbuddie this week and officers elected at the group's first official meeting.

The Lazbuddie Young Homemakers named Mrs. Nealy Moore, vice-president and social chairman; Mrs. Barbara Lust, second vice-president and program chairman; Mrs. Rebecca Stroud as secretary-treasurer and Mrs. Marilyn Engleking, historian and reporter.

Other committees were appointed and dues set at \$3.50 a year. The group will meet the third Monday of each month in the Home Ec. Cottage at Lazbuddie. Plans are being made to provide baby-sitters for those attending the meetings.

Those present for the first meeting were: Mrs. Joe Harmon, Mrs. Nealy Moore, Mrs. Charlene Farley, Mrs. Marilyn Engleking, Mrs. Wilton Graef, Mrs. Dean Broyles, Mrs. Rebecca Stroud, Mrs. Bonnie Hartley and Mrs. Frances Walton.

### Profit On Booth Reported By P-TA

The response of the DeShazo parents supplying pop corn balls for the Halloween Carnival was generous, according to the committee in charge. They expressed their appreciation to those who contributed and helped with the booth. The sale of pop corn balls netted \$15 for both the P-TA and the Band Boosters.

A Chili Supper will be held in the High School Cafeteria from 5:30 p.m. to 7:30 p.m. Monday, November 8. The proceeds from this supper will be used to finance projects and work of the P-TA.

### Womens Auxiliary Installs Officers

The Young Women's Auxiliary of the Lazbuddie Baptist Church met Thursday, October 31 in the home of Mr. and Mrs. Ronnie Briggs.

The purpose of the meeting was to install officers.

Members attending were Janet Slayton, Debbie Bullock, Peggy Carroll, Wynell Barnes, Bobby Jo Jones, and Cynthia Harvey.

Sponsors attending were: Stella Trierder, Lillian Morris, Eveline Winters, Rosemary Briggs and Mildred Redwine.

### Club Workshop Slated At Friona

Muleshoe Study Club has received an invitation from the Friona Study Club to attend a workshop on reports.

A district speaker will conduct the program on the proper ways for making Club reports.

Mrs. O. N. Jennings, president, and her sister, Mrs. J. D. Travis, Cone, plan to attend the workshop along with other members of the local Club.

It will be held in the First Methodist Church Fellowship Hall and is to begin at 9:30 a.m. Saturday.

### Twirlers Will Compete In Three League Contests

### Red Raiders Schedule First Kansas State Game Since '33

Texas Tech's Red Raiders conclude their 1963 home football schedule by playing Kansas State University of the Big Eight Conference in Jones Stadium at 2 p.m. Saturday.

Coach J. T. King has seen his youthful Raiders — including six sophomore starters — upset the experts by winning three of their first seven games. Despite a 17-3 loss to Rice last week, Texas Tech, with two conference wins to its credit, obviously will finish higher in the SWC race than its 1962 cellar finish.

Although the development of younger players has been one of the pleasing aspects of the campaign, the Raiders have relied heavily also upon their seniors, who will be playing their last game before South Plains fans.

These seniors include co-captains David Parks of Abilene and Bill Shaha of Dumas, David Rankin and Bill Worley of Midland, Richard Willis of Fort Sumner, N. M., H. L. Daniels of Marshall, and Roger Gill of San Antonio.

Only once before have Kansas

State and Texas Tech met on the gridiron. Coach Pete Cawthon's

Raiders upset Br. McMillan's Wildcats 6-0 in 1963.

K-State, loser of only one other game that season, hasn't fared as well this year. Coach Doug Weaver's Wildcats defeated Brig-

ham Young in the opener but since have lost to San Jose, Colorado, Missouri, Nebraska, Oklahoma, and Kansas.

### Three Way Eagleslobber Weak Petit Team 94-0

Three Way Eagles, playing on their home field Friday evening, overwhelmed the Petit football team with a one-sided 94-0 score.

Pace of the game did not falter; two touchdowns were made in two minutes in one quarter of the game.

At the halfway mark the score was 44-0. The points racked up included 40 by Tommy Dupler, 26 by Frank Salis, 14 by Tommy Terrell, 8 by James Kindle, and 2 each by Vic Tunnell, Jerry Thomas, and Eddie Reynolds. Dupler made runs of 48, 62, 54, 40, 26, and 30 yards; Frank Salis dashed for 12, 45, 38, and 20 yards.

Terrell caught two long passes of 50 and 55 yards from Dupler. Outstanding on defense were

Charles Moore, Harold Carpenter, J. L. Lemons, Jerry Thomas, and James Kindle.

The eight man team has had a season of ups-and-downs, with many injuries plaguing the players. Two regulars, John Tucker and Marvin Long, are out for the remainder of the season because of injuries. Next Friday evening, the Eagles meet the tough Cotton Center team at 8:00 p.m. in the Three Way Homecoming game.

headed "FOR".  
Proposition three works the same way. If you are FOR the Jefferson County establishment of a retirement, disability and death compensation fund, mark through the paragraph headed "AGAINST". If you are against it mark through the section headed "FOR".  
The same holds true of the Vets' land program. If you are voting for it, mark out the paragraph headed "AGAINST". If you are against the increase, mark through the section headed "FOR".

### Officers--

So does Albert Pena Jr. of San Antonio, president of the Political Association of Spanish Speaking Organizations.  
Texas is one of the five remaining states retaining the poll tax.

## Names 38 To Roll

Springlake Junior High School officials named 38 students to the first six-weeks honor roll this week. Thirteen pupils were named to the "A" roll meaning they had no grades under 90 percent. Twenty-five students were named to the "B" roll. It is necessary to have no grades under 80 percent to obtain the honor.

### Library--

(Continued from page 1)  
correct the situation.  
The group, currently investigating ways and means of doing so, is ham-strung by what has been termed "a lack of interest on the part of city and county officials."  
"Currently the county is providing a room about 15 by 17 foot for the library in the court house. In addition it pays about \$800 a year of the current librarian's salary. The city pays about another \$200 a year. Neither provide any other funds.

The county commissioners feel they are doing all they can under the present county financial condition. In fact, the county is presently doing more than anyone else toward supporting the library. The court feels that the only way to get a good library in Bailey would be to effect a raise in taxes. Such a raise would total tax burden about one percent. Such a raise would make available approximately \$10,000 a year for library support. This is probably more than necessary if the city will help with the burden.  
The city is currently appropriating \$20 a month toward the cost of the present librarian's salary. Currently the city tax budget includes no other funds for the library. The council has not been officially requested to assist the library in any other way.

The probability exists that the city might be able to budget \$2,500 to \$3,000 a year without any increase in taxes.

son, and Debrah Curtis.  
Those named to the "B" roll are: Terry Crisp, Kelley O'Hair, David Templeton, Billy Don Carson, Donna Roberson, Wayne Henderson, Allyn Jones, Neal Armstrong, Ricky Byers, Perry Don O'Hair, LaCretia Washington, Lynne Hanson, Annita Kelley, Donita Kelley, Kathy Myers, Billie Kaye Kelley, Ricky West, Joyce Starkey, Becky Parish, Jimmy Lawrence, Donald Huff, Patricia Bryant, Jane Bronseum, Garry Bills, and Elizabeth Goode.

By RICHARD GOODROW

Nov. 2nd, 1775 . . . the Continental Congress authorized the establishment of the United States Navy! One hundred and eighty years later . . . from frigate to flattop . . . from the war with the Barbary pirates, to the fast carrier strikes off the shores of Korea . . . the United States Navy stands undefeated. Victor in war . . . guardian in peace!

Hear ye . . . hear ye . . . they're having trouble up North! There's been a shooting . . . there's been a shooting! Trouble up North! Hear ye . . . hear ye . . . there's been a shooting up North! Where? In Massachusetts . . . a place called Concord!

Concord, April 18th, 1775! There was a shooting, all right . . . there was a shot heard 'round the world! A hostile fleet then moved in to block American harbors. Freedom was challenged. Colonial America called on the Continental Congress!

"Gentlemen of the Congress, I John Adams, propose that this body authorize with all dispatch the commissioning of two ships to intercept vessels carrying warlike stores and supplies for our enemies!"

"It's a vote! I second the motion! All in favor, say . . . Aye."

That was Navy Day . . . Nov. 2nd 1775 . . . exactly one hundred and eighty-eight years ago.

This was the Navy that watched the glowing embers of World War Two smolder in the East. Hitler fanned the embers into a raging flame . . . into a white heat that began to singe the shores of the Western World.

Then launched the infamous stab in the back! Bomb bays opened . . . and out of peaceful Pacific skies dropped the deadly eggs, on Sunday morning, December 7th, 1941. While Japan's peace commissioners were waiting in the Secretary of State's anteroom, three hundred and fifty Japanese planes converged on the United States fleet at Pearl Harbor. Dive bombers, fighter planes and one-man submarines launched the attack of the Japanese Empire.

Within a matter of minutes, five battleships, three cruisers, three destroyers, a mine layer and a floating drydock were sunk or badly damaged. The USS Oklahoma . . . the USS Pennsylvania . . . the USS Nevada . . . the USS California . . . the USS West Virginia . . . the USS Maryland . . . the USS Tennessee . . . the USS Downes . . .

Our Father Who art in heaven, hallowed be Thy Name . . . Thy Kingdom come . . . Thy will be done . . . on earth as it is in heaven . . .

Me? I'm just another sailor . . . another guy who died. But they run into a hornet's nest, 'tho, 'cause that Tennessee was a fighting ship. Some of the boys didn't have a chance . . . the fellows on the Downes got it when their fuel tanks exploded . . . the Oklahoma capsized, they got it the hard way . . . the West Virginia took two bombs and six torpedos. But we give 'em a run for their money.

It was a Naval catastrophe. American ships sank and American boys died. But out of the holocaust, the oily decks and the burning ships, out of the smoke and the fire, rose that old Navy battle cry . . . the spirit that repeated and repeated in tones promising vengeance . . . "Surrender . . . I've not yet begun to fight!"

Almost as quickly as the American fleet sank beneath the waves, President Franklin Delano Roosevelt addressed the nation. For every Japanese gun, he said, we'll have ten. For every Japanese man, we'll have ten. For every Japanese ship we'll have ten, for every Japanese plane, we'll have ten!

The going was tough . . . the days were dark. The battle of the Java Sea; the cruiser Houston was lost. The USS Lexington; lost Yoktown; sunk at Midway. The USS Wasp; destroyed at the Solomons. The USS Hornet; sunk at Santa Cruz. The Japs overran the Philippines! The Bataan; Corregidor; Midway and Wake; Saipan and Guam; Guadalcanal. Yes . . . the days were dark and the going was tough. But the Navy was determined to come back.

And while the newspapers told daily of American tragedies, men were leaving schools, farms and cities to enlist in the United States Navy. While our ships were being ripped and shredded by the Japanese Imperial Fleet, United States steel mills got down to business. United States industry, invention and ingenuity began to build us a new Navy. While the ships of the Japanese Empire enjoyed their momentary triumphs . . . cruisers, battlewagons and carriers slid down the ways of American ship yards. A new and greater Navy finally steamed out of anchorage . . . Task Force 58 steamed in search of the enemy!

A great American task force, with steel ships, fortified by the spirit of the wooden frigates! Her decks were laid in Boston and Norfolk; Bremerton and San Francisco. Her guns were cast in Detroit and Cleveland; Chicago and Washington. Her shells were made in Toledo and Sandusky.

Her gas and oil came from the Lone Star state. Her holds were filled with fruits from the West, grains from the High Plains and meats from the cattle and dairy lands.

And in her living compartments were men who cherished the Constitution and the Bill of Rights. Her sailors were Americans. Task Force 58 . . . built with American ingenuity, sailed with American courage . . . she steamed out to war on the high seas.

General quarters . . . the battle cry of a free nation . . . sounded across the seven seas! Task Force 58 steamed into battle. The bows of her ships sharply pointed toward the rising sun, laying a wake of freedom in the battle-scarred Pacific. Every time that her guns blazed, every time that her planes rose, the freedom gates opened for weary prisoners of oppression.

Formosa; the battle in the China Sea; the battle of the Philippines; Bataan; Manila; Corregidor; Okinawa; Kyushu . . . Task Force 58 sought the enemy . . . and by her guns, the Japs knew her.

November 21st, 1943 . . . Tarawa taken! February 1st, 1944 . . . the Marshalls recaptured! The invasion of Kwajalein . . . 1944! The landing on Eniwetok . . . 1944! The landings in the Marianas, Guam, Saipan, Tinian and Rota . . . all, 1944!

June 19th, 1944 . . . the first battle of the Philippine Sea! Four hundred and eight enemy planes destroyed . . . One enemy carrier sunk . . . two carriers, one battleship, one destroyer damaged.

September 17th, 1944 . . . landing on Palaui October 20th, 1944 . . . landing on Leyte. October 23rd, 1944 . . . the second battle of the Philippine Sea! Our planes destroyed a Jap battleship, a cruiser and a destroyer. Also . . . one large carrier, three light carriers, two battle-ship carriers, five cruisers and six destroyers damaged!

The mighty Imperial Fleet had been neutralized! No longer would Japan menace the free world as a first rate sea power!

Task Force 58 . . . the Fleet that Came to Stay! She fought the battle well. She carried the message of a free world to the very shores of Tokyo. She taught the world a lesson that free men can fight, if needs be . . . for well did she remember the ships and the men who went down on that fateful morning . . . 7:55 a.m. Sunday, December 7th.

Great ships and great men. Admiral Chester W. Nimitz . . . Admiral "Bull" Halsey . . . Admiral J. S. McCain . . . Admiral Marc Andrew Mitchers . . . Admiral Raymond Ames Spruance. These were the men who guided the men of the fleet to victory.

The Japs surrender! Aboard the USS Missouri, they signed a document that had been written by the world's mightiest fleet. The Jap Navy had been completely destroyed, their merchant shipping obliterated. Because of American sea power, their frock-coated representatives climbed aboard the "Mighty Mo" bowed low and signed the surrender documents.

We, acting by command of and in behalf of the Emperor of Japan, the Japanese Government and the Japanese Imperial Headquarters, hereby accept the provisions set forth in the declaration issued by the heads of the Governments of the United States, China and Great Britain . . . on

July 26th, 1945:

And so it came to this . . . and this was the ultimate victory for the fleet that came to stay! Mighty Task Force 58, the United States fleet, anchored proudly in Tokyo Bay. They had made good their promise to the ships and the men of Pearl Harbor. She was a proud Navy, a fighting Navy, a victorious Navy . . . she was the greatest Navy the world had ever known. Three hundred thousand officers, three million men! A fleet built by the 48 States of a democratic nation. A fleet that was sailed and was fought with the dogged determination the world has ever known.

The flag of victory flew atop the battlemast. Did she snap in the breeze so proudly because of radar? Because of 8 inch armor . . . because of fighters and bombers and torpedo planes? No . . . victory in wartime goes deeper than that.

We won the war because there were guys like Patrick Henry and Washington and Lincoln . . . and also because there were guys just guys, our Navy's full of them. Guys from the south and guys from the north . . . guys from behind ribbon counters in cities and guys from behind bulldozers in the northwoods . . . guys who are the officers and guys who are the men they lead. Men of all ages, all colors, all creeds . . . millions of them, as it turned out, who are in love with the sound of that Liberty Bell. Little men who fight and who die for the right of free speech, free religion, freedom of press and assembly. Little guys who love America . . . who love her fruitful plains, her spacious skies, her purple mountains. These are the men who carved out the victory, in the Fleet that came, and stayed.

Staff Sergeant Dwight H. Moore of Slaton, Tex., has arrived here for assignment with an Air Training Command unit.

Sergeant Moore, an Air Force aircraft mechanic, came to Reese from McGuire AFB, N. J.

The sergeant, son of Mr. and Mrs. P. M. Moore of 410 S. Seventh St., Slaton, is a graduate of Sudan (Tex.) High School. He entered the Air Force in May 1954.

His wife is the former Charles Davison of Sudan.

A total of 19,563 pacers and trotters started at least once in 14,626 harness races during 1962.

## Three Way Sunday Schools Sponsor H'ween Parties

The Three Way Methodist Church held a Halloween party for members of its children's Fellowship Hall.

A film-trip "Trip To The Green Planet" was shown the children; and sandwiches, potato chips, cookies, punch, and apples were served.

A number of games were played, including "The Witches' Pan" and apple-biting.

Present were Mike and Kandace Sowder; Jackie and Dean McLeod; J. B. and Linda Jarvis; Kenneth and Ricky Meyers; Vicki, Kathi, and Bobby Reeves; Terry Pollard; Mark, Karen, Susan, and Kristen Corkery, and Nina Oxford, Mrs. Joe Sowder, Mrs. Carl Pollard, Mrs. Darrell Corkery, and the pastor helped with the party.

Thursday night, spooks, witches, and other weird characters gathered at the Three Way Baptist Church for a weiner roast, with pickles, potato chips, cookies, and other goodies.

Then the children went in groups accompanied by adults, "trick-or-treating" for the remainder of the evening.

Many of the children visited the "Spook House" arranged by Mrs. Carrie Huff at her home. There were 36 children and 14 adults in attendance at the weiner roast.

## DILLON PLEADS TAX CUT

Secretary of the Treasury Dillon, after twenty days of closed hearings, finally got his chance of selling President Kennedy's tax-cut package to Senator Byrd and his Senate Finance Committee.

Senator Byrd (D., Va.) has made no secret of preferring to hold up action on the cut until the 1964 session. It was this that Dillon argued strongly against.

## NUCLEAR WARSHIPS

The Navy believes United States atomic know-how is moving ahead so rapidly that before long it will be dollar-foolish to build surface warships with fuel oil engines rather than nuclear power plants.

Some time ago, it was reported AEC chairman Glenn Seaborg suggested to Defense Secretary McNamara that nuclear power costs were coming down and that the Pentagon should give thought to wider application of atomic power to surface vessels.

splintered wood all around him. Later, unscathed but badly shaken, the author departed from his hideaway — a strategically placed target on a firing range.

Stan Musial of the Cardinals has hit 463 home runs, sixth best in baseball history.

## Boll Weevil Survival Is Now Being Tested

To get an answer to the question of whether or not boll weevils can survive on the High Experiment Station at Lubbock has placed some 50,000 weevils in cages both above and below the Caprock in the area where infestations were heaviest in 1963.

W. L. Owens, entomologist at the Lubbock Station, in charge of the research project has placed approximately 50,000 boll weevils in 148 cages at seven locations along the eastern edge of the High Plains as well as at locations below the Caprock, but not far removed from cotton growing on the High Plains.

The cages, above the Caprock, were placed in well established field plantings of sorghum and alfalfa, on soil bank land, a likely area for winter hibernation. Installations below the Caprock were made in shinnery oak since such cover seemed to offer ideal conditions for winter survival of the weevil. Owens explained, the cage locations above the Caprock were made in the area where boll weevil infestations were heaviest in 1963, or from 10 miles west of Post in Garza County to the Crosby-Floyd county line.

The boll weevils were collected locally for all except one cage at each location. Weevils from the College Station area were used in the one cage to deter-

## UNWITTING TARGET

NEW ORK (AP) — The prize-winning Broadway play, "The Patriots," to be seen in November on TV, almost cost playwright Sidney Kingsley his life.

A GI stationed near New York in 1942 when the final script was written, Kingsley discovered what he thought was the perfect retreat — an abandoned shack in an open field.

Suddenly, while deep in his work, the Saturday afternoon stillness was shattered by machine gun fire.

Kingsley hugged the floor in terror while the live ammunition

# STATE CAPITAL Highlights AND Sidelights

by Vern Sanford  
TEXAS PRESS ASSOCIATION

Some 60,000 Texans soon will be getting invitations to dine with the President — for \$100 a plate — at Austin's Municipal Auditorium.

Presidential aides now are in Austin making arrangements with top Texas Democrats for a November 22 "Texas Welcome Dinner" for Pres. John F. Kennedy and Vice Pres. Lyndon B. Johnson.

To assure a capacity crowd, local party officials are being called on to help. Quotas are being assigned to districts over the state. Funds raised are to be divided between the National and State Democratic organizations.

**DRAFT GOLDWATER CAMPAIGN** — Meanwhile, Republicans are not standing still on the eve of an election year.

State GOP Chairman Peter O'Donnell of Dallas came to Austin to announce the heads of the Texas drive to draft U. S. Sen.

representative per 100,000 population.

Several state elected officials districts are intervening in the suit.

**INSURANCE COST CUT** — A \$3,000,000 reduction in Workmen's Compensation insurance costs to employers, beginning December 1, has been announced by the State Board of Insurance.

Average cut will be 2.2 per cent. Industry-wise it is as follows: Manufacturing 3.7 per cent; contracting 0.5 per cent; oil 2.4 per cent; and all other industries 2.4 per cent.

**SLANT HOLE PENALTIES** — An Austin jury fined four East Texas oil operators with \$304,800 in penalties in the first slant-hole oil suit tried before State Court jurors.

H. M. Harrington Jr., Charles Lutes, Reid Allgood, and J. W. Bates, all of Gregg County, were directed to pay the penalties to the State.

A total of 77 civil penalty suits seeking \$22,000,000, filed by the Attorney General following slant-drilling scandals, remains on the docket.

Jury found the four Gregg County oilmen operated a well which bottomed under a neighboring lease for 10 years.

**BANKS TURNED DOWN** — State Banking Board found "no public need" for proposed Merchants State Bank at Houston and

Lone Star State Bank at Lone Star.

Board postponed action on an application for charter of Industrial Bank and Trust at Lubbock.

**OIL PRICE CUT PROBE** — Reps. George Cook of Odessa and Maurice Duke of Wichita Falls have announced hearings by the House Interim Study Committee on oil and gas matters.

They scheduled a committee meeting with the Railroad Commission for Friday to get directions and guidelines for the crude price probe.

Hearings to be held soon in Wichita Falls and Abilene will concern North and West Texas cuts.

which instigated cuts will be invited to testify, Cook said. If they refuse, the committee will use its subpoena powers.

**FARM — ROAD IMPROVEMENTS** — State Highway Commission approved one of the most extensive farm-to-market construction and improvement programs in many years.

It okayed an \$18,144,500 program to protect state investment in 3,056 miles of F. M. roads.

About 67 per cent of the money will go for reconstruction and reconditioning of existing roads and upgrading the safety factors.

Work is proposed on more than 500 projects, covering in excess of a thousand miles of F. M. highways.

## Accent on Health

J.E. PEAVY, M.D.  
Commissioner of Health

AUSTIN — Concerned about being overweight? This problem and its grave consequences are certainly not new to mankind. Hundreds of years ago, a wise man said, "He who eats too much digs his grave with his teeth."

Obesity — resulting from over-eating — is a major health problem in the nation today. Statisticians estimate that 20 percent of the adults over 30 years of age are obese, and scores more are overweight.

What harm is there in being fat? Each pound of excessive weight whittles down your lifetime. If you are overweight by 25 percent or more, you may expect to live only half as long as a person of normal weight according to some researchers.

How you become overweight is a matter of simple mathematics. Consumed 500 calories more per day than you body burns and another pound of fat is tucked away in those embarrassingly conspicuous rolls around your mid-section.

Tossing those 500 unneeded calories down the hatch isn't at all difficult. Three martinis, a quarter pound of fudge or a cup of macaroni and cheese will do the trick.

We know how we get fat, but we often don't know why.

Childhood eating habits frequently develop into adult obesity. The old concept of a fat child being a healthy, happy one has long since been refuted. Parents are primarily obligated to provide, as well as teach their children to consume diets well

balanced in both quality and quantity.

We may overeat to satisfy psychological needs that we haven't learned to handle in more satisfactory ways. Unfortunately, eating is seldom a matter of stoking the furnace to keep the fires burning.

Mechanically speaking, there are two ways to lose weight. One is to reduce total food intake to the point where body fat is called upon to supply calories. The other method is to increase physical activity to the point that calories expended exceed calories consumed in food. As a rule, a combination of the two works best.

Avoid crash and fad diets for losing weight. They are seldom successful, and may prove harmful to the body. Special foods are unnecessary as well.

Simply eat each day from the four basic food groups — milk products, meat, fruit and vegetables, breads and cereals. And adjust your total food intake to maintain or reduce weight, depending on your goal.

Gyroplanes can be airborne at speeds as low as 25 miles an hour or fly as fast as 75 miles an hour.

### Group To Discuss Falling Cattle Feeder Prices

Factors which have contributed to lower fat cattle prices in recent months will figure prominently in discussions which are expected to draw the largest number of cattle feeders ever to gather in a single meeting in Texas during the Third Annual Southwestern Cattle Feeding Conference in Fort Worth, Dec. 4.

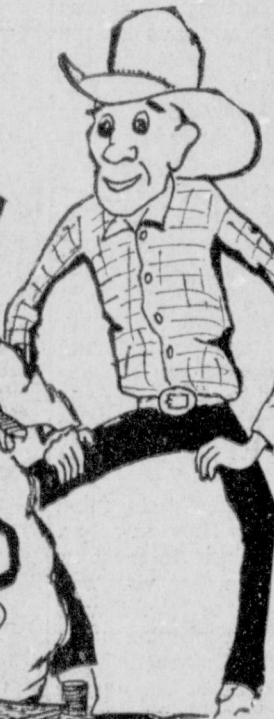

A thorough look at competition in the cattle feeding industry, a comprehensive report on the beef import situation and an inside look at cattle selling methods are among the topics expected to be of special interest to those in attendance.

**CORN TO HUNGARY**

The Government has cleared the way for sale of 1,200,000 bushels of corn to Communist Hungary. But the sale of wheat to the Soviet bloc remains confused.

The chief obstacle to completion of the wheat deal — the higher shipping rates charged by American ship-owners — is expected to be worked out by Cabinet officers, not through negotiations.
