Increased Local Taxes Take 'Big' Bite

'Ag-Use' Decreases Some Farm Taxation

Ranchers and farmers who did not take advantage of the declared "ag use" certification are finding themselves on the short end of the stick with school tax declarations.

This year, with the implementation of the Tax Relief Amendment, ranchers and farmers in this area can receive an "Open Space Land" valuation, based not on the land's fair market value, but on the land's productivity value. This is the value than an agricultural producer would pay to purchase the land and use it for agricultural purposes.

However, many farmers did not sign up for the new program, and this year, as taxes increased, the agricultural producer has found himself paying higher taxes. At the same time, farmers who did sign up for the ag use designation, have found in most instances, that their taxes have been lowered.

Under the amendment, only the land need qualify. This is not an exemption, but is a special valuation statute, creating a new or special kind of market value with which to replace the fair market value rather than creating a value to be subtracted from the fair market value.

For instance, one farmer north of Muleshoe has found his school tax reduced by \$85 per acre for his 1980 tax. With 160 acres of prime irrigated farm land, his taxes for 1979 were \$553.87 for the land only. After he signed his ag use certificate, his tax for 1980 on the same land was \$416.75. In 1979, his valuation of the land only was \$57,100.00. This was increased during the re-valuation this year to \$91,690.00. However, with the ag use certification, he was taxed only on \$49,030 valuation.

On a comparable, 160 acre farm west of Muleshoe with a valuation of \$55,100 in 1979, the particular farmer found his taxes increased by some \$2.38 per acre, because he did not apply for ag use. In the re-valuation, his land was valued at \$107,840. His

school taxes increased by a total of \$382.17 from the \$534.47 in 1979 to the assessment of \$916.64 for his 1980 school taxes.

After declaring his ag use, a farmer with a 160 acre irrigated farm east of town has also found his school taxes reduced from 1979. His 1979 tax on a valuation of \$47,360, was \$459.39. This same farmer received a tax bill of \$344.25 for 1980 school taxes even after his land was re-valued at \$75,200. His ag use valuation was \$40,500.

A dryland farmer, with 160 acres south of Muleshoe, had a school tax bill of \$139.68 for 1979, on his land valued at \$14,400. For 1980, his land was re-valued at \$19,250, but he received a tax bill of \$88.65 on his 10,430 taxable acres.

Rosalie Powell of the city/school tax office at the Muleshoe City Hall said a dryland farmer does not receive the same tax break as an irrigated farmer. The production value of the land is determined on expenses to produce the crop, thus the irrigated farmer, with the higher expenses, receives the larger tax break under the Tax Relief Amendment.

On a dryland farm in southwest Bailey County, the farmer with 177 acres had a 1979 school valuation of \$16,980, and a tax bill of \$164.70. With the Re-valuation, his land value was increased to \$25,500. However, he was taxed on \$22,830 valuation at \$194.05.

Also in southwest Bailey County, a 164 combination irrigation, dryland and pasture farm with a 1979 valuation of \$27,270 and a tax of \$264.51 was re-valued at \$51,530. Of this, \$34,030 was taxable for school taxes at \$289.25.

Last year, the school tax rate was \$.97 for every \$100 valuation and this year, following the re-valuation, the tax rate is \$.85 per \$100 valuation.

Also, the city tax was \$.66 per \$100 valuation prior to the revaluation and is \$.60 per \$100 for this taxing year.

Social Promotion 'Out' For Schools

Some students who will be expecting to be passed to the next grade just to get them through school may be in for a rude awakening. Muleshoe School Superintendent Harold Horne has issued the following warning to students who may be failing and to their parents:

"State officials, our community, our Board of Trustees, and all school personnel are extremely interested in improving the quality of instruction in our schools. We want to make sure that our students get a full dose of instruction each day. We have to contend with both student and parent apathy."

"The Muleshoe Schools are setting class standards and will not pass students who do not meet these standards of achievement. In other words, the school will not pass students just because they attended school and tried hard. There will be NO social promotion. It is educationally unwise to pass students to higher levels when the

students just get further behind each year become totally confused and lost. Our teachers have more responsibilities to our students under the system of NO social promotion."

"If a student is failing, the parents should be contacted. Parents are urged to keep up with the progress of the students, to visit with the teacher and principal. It is a known fact that students who have parents who are really concerned with children's school work will most often have success in the school."

"Several programs are available to help students who cannot meet class standards, our Special Education Program may be helpful. The student will have diagnostic testing and an individual educational plan can be set up for those who qualify for Special Education."

"Very often, students who are failing can be helped in Remedial Reading and Math programs. Some

4-H Mulligan Stew; An Aid To Nutrition

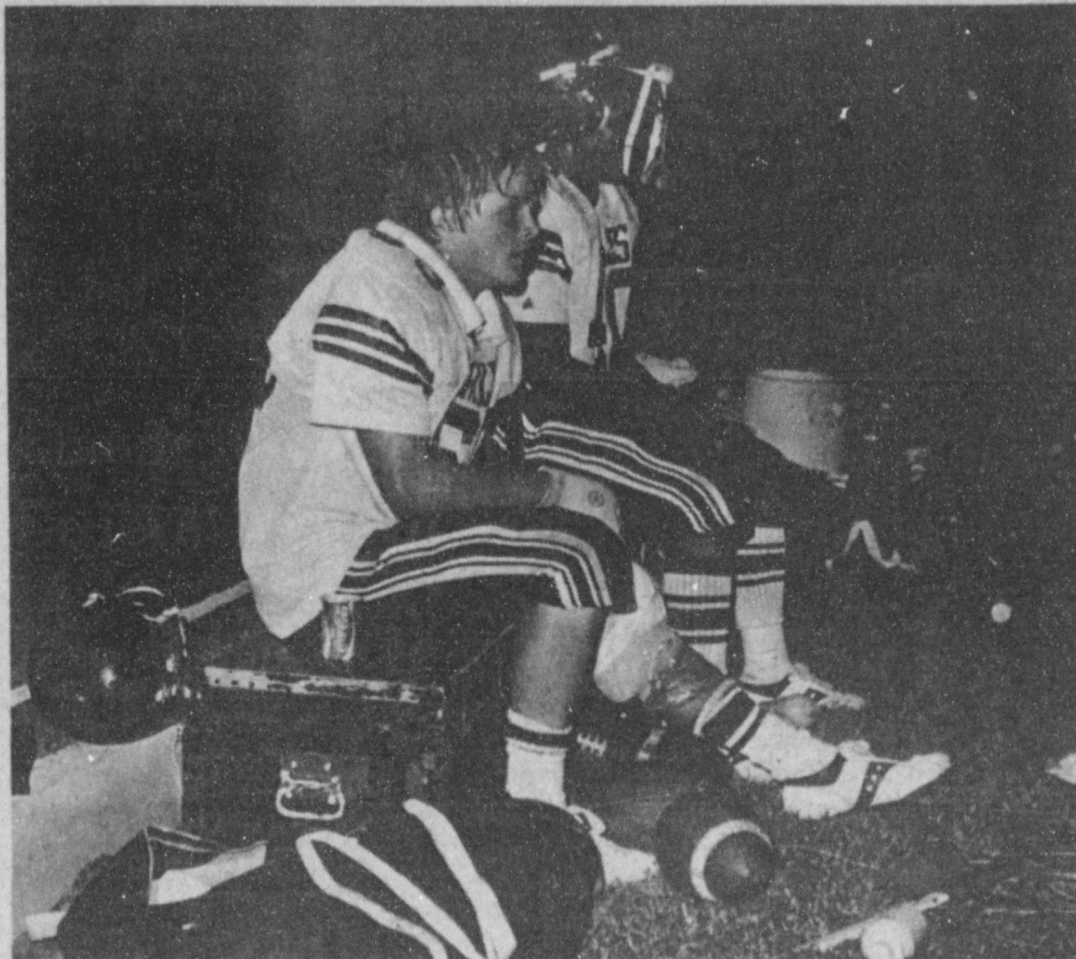

Television and classrooms will team up again in the Texas South Plains during October and November, providing youths in fourth through sixth grades a two-pronged program to help them learn about nutrition while having fun.

For six weeks, the fast-paced color television production of "Mulligan Stew", produced by 4-H, will be broadcast each Sunday afternoon on KAMC TV, Channel 28. Classroom projects the following week will emphasize key points about nutrition which were presented during that week's broadcast.

Students from the rooms of Mrs. Costen, Mrs. Rudd and Mrs. Allison at Mary DeShazo Elementary School in Muleshoe will be participating in the "Mulligan Stew" 4-H project.

In all, 71 students will be learning about nutrition in Muleshoe through this program. This is a very innovative way to reach youngsters and teach them the value of good nutrition through 4-H work. At the end of the series, these students will receive a 4-H certificate stating that they have completed the "Mulligan Stew" training.

Other areas of the Panhandle will be participating in this project also. The program will be broadcast again, starting October 25 from Channel 4 in Amarillo. These programs will be aired every Saturday beginning at 12:30 p.m. and

Abernathy Antelopes Ramble Over Mules

Friday night the Muleshoe Mules fell victim to the Abernathy Antelopes, who rambled to two touchdowns that counted, and one that was called back. The Antelopes thrilled a hometown homecoming crowd with a 12-0 victory over the Mules.

In the first half of the game, the Mules were fairly even although 'lope quarterback Max Riley scored from 10 yards out going into the second quarter at 11:47. However, an attempted kick by Victor Dees failed, and the Antelopes were only leading by six.

Quarterback Ronnie Angeley, who replaced injured regular Mule Quarterback Monty Hysinger, threw two interceptions, but the Antelopes failed to capitalize on either turnover.

When regular QB Hysinger was injured before halftime in the Muleshoe Idalou game, backup QB Angeley was called on to fill in. He is being assisted by JV Quarterback Sammy Gonzales, who showed an excellent potential as a passer, despite one interception. The three interceptions in the game were the only turnovers.

Fumble turnovers, which had hampered the Mules, were not a factor in the Muleshoe-Abernathy game as the running backs lost no balls on fumbles during the game.

With 2:28 on the clock in the first, Russell Windham, who transferred from Lazbuddie to Abernathy, broke loose on a 43 yard ramble, but the touchdown was called back on a clipping penalty.

Just before the clock ran out in the third, at :42, Sylvester Dunn powered through for an eight yard TD, however, his attempt to tack on two extra points was thwarted by the Mules.

The Mules lone serious scoring threat which came on a 37 yard pass from QB Angeley to Benny Pena was nullified when the Mules were called for illegal motion, and the ball was returned to the scrimmage line.

Abernathy's defense held the Mules to 108 yards on the ground, while amassing 336 yards rushing. The Mules held a slight passing edge, with 97 yards in the air to 73 for the Antelopes.

The Mules had nine first downs in the game, to 16 for the Abernathy team; each team was equal on punts, at four; Muleshoe had 20 yards in penalties and Abernathy had 45.

Next week, the Mules will play Lockney at home in their homecoming game.

Claude Holmes Reminds General Election Near

Claude Holmes, Republican candidate for Constable, Precinct One, would like to remind all citizens of the county and especially Precinct One, that the general election is scheduled for November 4. In the general election, voters are not bound by voting for the party, but may vote for the candidate of their choice, he added.

Claude Holmes is a lifetime resident of Muleshoe, except for four years when he served in the U.S. Navy. He has been employed at Muleshoe Motor Co., Inc. for the past 18 years and is a member of the Muleshoe Volunteer Fire Department also for 18 years.

Holmes and his wife, Tana, are parents of Mrs. Coy (Dana) Jameson of Friona and Jim, a freshman at Muleshoe High School. His parents are Mr. and Mrs. J. W. (Shorty) Holmes.

He said he would like to thank everyone who voted for him in the May primary and promises to do his best to contact all Precinct One voters to ask for their vote

said Holmes. "I am seeking this office because I earnestly feel I can be of assistance to the people of Bailey County."

"Also, a working constable can benefit local law enforcement officers and can, in effect, if and when necessary, be an extension of law enforcement."

"I would be available at any time I was needed to help the law enforcement officers or the citizens of this county," he concluded. "I earnestly solicit your vote and support on November 4."

Bovina Nips Lazbuddie

Bovina stunned the Lazbuddie Longhorns Friday night, when the high-rolling 'Horns traveled to their neighboring town. By the time the Mustangs got through, they had left the scoreboard showing 25-0, as the powerful Longhorns were defeated in an upset game.

Dale Gilbreath, Mustang quarterback, completed 14 of 30 passes for 292 yards for four touchdowns and extra points.

Lazbuddie dropped to a 3-1-1 record for the year, as Bovina upped their season record to 4-1.

The Longhorns were held to 10 first downs, 71 yards rushing and 14 yards passing, while Bovina amassed

National 4-H Week

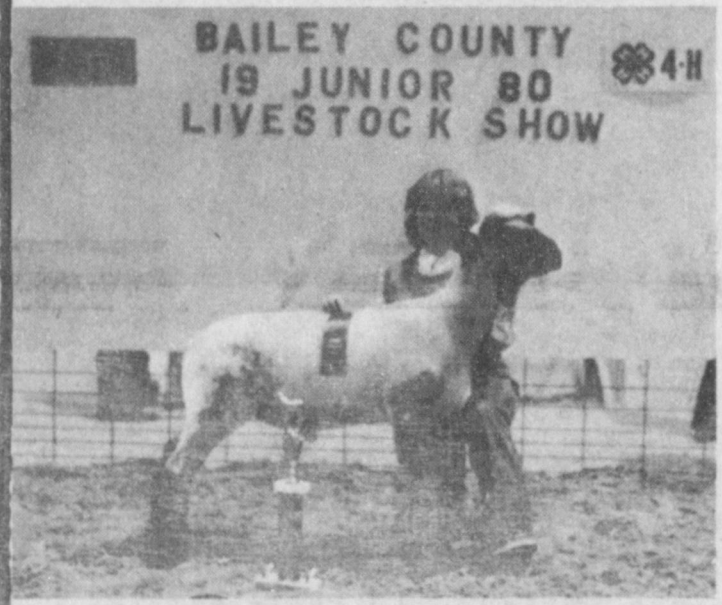

REMEMBER....1980 SUMMER FUN!!

This past summer has been an exceptional one for Bailey County 4-Hers. To start things out right, Bailey County had two of its members elected to the District 2 4-H Council. Belinda Wheeler of the Three Way Club was elected secretary and Kelly Harrison of Progress 4-H Club was elected as public information officer. This is a great achievement for Bailey County to have this fine representation at the District level. Then in early June we had another fine group of Bailey County 4-Hers represent us at the State 4-H Round-Up at Texas A&M University. The livestock judging and horse judging teams as well as other individuals represented us at this State competition. Everyone did a real fine job and Belinda Wheeler and Staci Kirby both of the Three Way Club placed 2nd in state competition with their method demonstrations in Farm and Ranch Management. Later in the month of June, a group of six Bailey County 4-Hers attended Teen Leadership Lab at South Plains College in Levelland, Texas. This group included Shelly Sain, Delia Shaw, Jimmy Gleason and Jacinda Gleason. Belinda Wheeler and Kelly Harrison attended also representing Bailey County on the youth staff and worked hard to make this Lab successful. All of these young people learned a great deal, which will help them and their Clubs this year.

In July, it was off to Electric Camp in the cool of New Mexico mountains near Cloudfroft. Here six 4-Hers from our county including Delia Shaw, Jacinda Gleason, Sharla Morrison, Brenda Flowers, Darin Shaw, and Jay Gleason enjoyed the scenery and cool weather as well as learning about our electric resources. The week-long camp is an annual event sponsored by Southwestern Public Service Company. In August, a group of our 4-H youth enjoyed an overnight camping experience at the Muleshoe National Wildlife Refuge at the first annual Bailey County 4-H Camp. Events included the construction of a solar oven, games and recreation, a campfire and ghost stories and a night in the 'wild'. Pancakes were prepared the next morning by a master chef. All who attended had a fun time and we look forward to a bigger and better camp next summer.

Throughout the summer we had 4-Hers who attended the camps at the Texas 4-H Center near Brownwood. Among those attending were Mandy Plank, Tracy Tunnell, Jerry Gleason and Jamie, Jodie and Belinda Wheeler.

This was truly a full and exciting summer for Bailey County 4-Hers. We wish to encourage all 4-Hers to work hard this year and if at all possible to plan to attend some of these summer events next year! You'll love them!

Jenny Mitchell was the

best loser for the month. Wanda Kemp was first runner up and Rose Sain was second runner up. Hazel Nowell was crowned K.O.P.S. queen for the month.

The Club was dismissed with the singing of the goodnight song.

LOUISA'S LETTER

Dear Louisa, I have been married for two years and have moved to this city. I come from a small town and married a boy from the same place.

One of my former girl friends from this hometown has accepted a job in our city and has asked that we rent her our spare room while she lives here. My mother and her mother are good friends and they both seem to think I will be glad to do this.

As a matter of fact I have two reasons not to want to have her live with us. In the first place she went steady with my husband before we became engaged and in the second place I like to have the spare room for guests or if one of us gets sick.

How do I go about telling this girl that I can not let her live with us?

JJ--Mich.

Answer:

The first reason you give is reason enough for not ad-

ing your husband's former girl friend to your household but the reason you should give to her should be the fact that you like to keep your room available for out-of-town friends and that young people make a success of their marriage much more often when there are no third parties in the home.

There are bound to be disagreements between young couples as they try to adjust to each other's habits and ideas and there has to be a lot of give as well as take in settling problems that arise. It is much easier to do this if there is no bystander looking on. So stick to your guns and offer to try and find her a place to live. It may cause a little unpleasantness now but not as much as will be the case if you take her in.

Alpha Zeta Pi

Alpha Zeta Pi Chapter of Beta Sigma Phi met Tuesday, September 30 in the home of Pat Black.

The evening began with a salad supper prepared by the hostesses. The Membership Committee were the hostesses and the members serving on the committee are Pat Black, Janna Wartes, Marilyn Riley, Joan Lewis and Debbie Nickels.

Following the meal, a program was presented by Danny May, owner and operator of Decorator's Nursery and Floral. Danny gave hints on caring for houseplants. He explained the major problems people have with houseplants and the ways to combat the problems. Danny also displayed various kinds of house plants.

Immediately after the program, Pledge Rituals were held for the 1980-81 pledges. They are Betty Bush, Terri Hahn, Debbie Hutto, Ruth Locker, Alice Liles, and Peggy Pohlmeier.

A regular meeting was then held. The opening ritual was said by all members present. Minutes of the previous meeting were read and approved. Communications from international were read, and the Chapter was awarded a Three Star Rating for 1979-80.

The area convention-circus, to be held in Hereford, was also discussed.

Various committee reports were given.

Members who sponsored a pledge this year were awarded charms. Pledges were presented with their 1980-81 year books. There was a discussion of the annual Halloween Party, which is to be held October 21. Rickie Warren read a "Golden Moment" to honor Beta Sigma Phi's 50th anniversary.

The major business of the meeting was a discussion of the annual Alpha Zeta Pi Bingo Carnival, which is to be held October 17 in the Bailey County Civic Center. It was decided that proceeds from the money doll ticket sales will go to the Day Care Center for funding new supplies and equipment.

The closing ritual was repeated and the meeting adjourned.

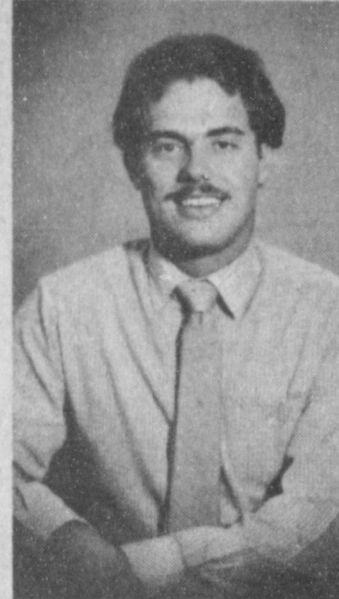

Members present were Renee Anderson, Brenda Black, Pat Black, Clair Brown, Joy Glover, Jeanie Gunstream, Terri Hahn, Sherri Hawkins, Debbie Hutto, Joan Lewis, Ruth Locker, Alice Liles, Melissa Kelley, Debbie Nickels, Cindy Purdy, Pegge Pohlmeier, Marilyn Riley, Pam Shipman, Jana St. Clair, Pam Stockard, Jean Treadwell, Rickie Warren, and Janna Wartes.

Richard M. Nixon, former President:

Area Organist Will Perform For Methodist

Earl W. Miller, organist, will present an organ recital during the Sunday evening worship service at 6 p.m. on October 5 at First United Methodist Church of Muleshoe.

JOHN ALBERT HAYES JR. Albert Hayes, Jr. State Board Test

John Albert Hayes, Jr. son of Mr. and Mrs. John A. Hayes of Muleshoe, who graduated from Muleshoe High School in 1972; from West Texas State University in Canyon in 1976; and from the University of Texas Dental School in Houston in June 1980, recently took his state board test in Dallas.

Dr. John Hayes has set up practice in Baytown, Texas and will be associated with Dr. William Woods.

Church organists, Elaine Damron and Ann Sowder, along with the congregation, said they would like to extend a cordial invitation to all interested persons to attend the musical program.

Miller, assistant Professor of Music at Wayland Baptist College in Plainview, will play a varied program of organ literature by composers Corelli, Pachelbel, Clerambault, Buxtehude, Bach, Clokey, Langlais, Franck, and Widor.

In his 24th year at Wayland, Miller prefaces his numbers with appropriate comments to encourage his audience for specific listening areas.

During his career in this area, he has received numerous awards over the years. He is also a member and adjudicator for the National Guild of Piano Teachers, as well as organist and choir director for the First United Methodist Church in Hale Center.

WOTS Weekly Meeting

"We put the heat pump in our home based on the recommendation from a builder. He said, 'by having a heat pump, you will save money over a long period of time on heating and cooling costs.' And, he was right! We are saving money with a heat pump. The heat pump really does do an efficient job of heating and cooling the home. If we were doing it all over, we would put a heat pump in again based on the results we've seen with lower electric bills. We are extremely pleased with the way the heat pump has performed."

RECIPE

By Sarah Anne Sheridan

Here is an easily prepared recipe for that universally appealing meat-chicken. It's also an excellent one-dish meal in these days of higher meat prices.

Chicken and Dumplings

5 lbs. chicken
1/8 t pepper
2 t salt
Few stalks of celery

Cut chicken in pieces and cover with boiling water. Add celery. Reduce heat and cook slowly until tender, about 2 to 2 1/2 hours. Add salt after 45 minutes of cooking. Let stand until fat collects on top. Remove most of fat with a spoon. Take out chicken and remove skin and bones. Heat stock to boiling point. Add dumplings.

Dumplings

1 1/2 c flour
1 t salt
2 t baking powder
3/4 c milk
Sift flour, salt and baking powder together. Add milk

THE FIGHTING MULES

Mule Mania Highlight

The Muletrain Staff salutes the Varsity football team this week. Head coach Mike Wartes assisted by Jim Leach, Jerry Robinson, Steve Taylor, Alan Cornelius, Roger Morris, Tom Duncan, Ronnie Jones and Robert Brandon, have been working hard with the Mules.

The next game is October 10 and is the Mules homecoming against Lockney. October 17 is open date, and District play begins October 24 against Olton.

Brad Poyner, #32, is the son of Mr. and Mrs. Paul Poyner and plays off-split end and flanker, and defensively he is a strong safety. Brad is 18 and a senior. He is active in FTA, FCA and Tennis. He commented, "This year we have the opportunity to have a very good season. Our team has banded together and become very close. We all have a lot of faith in each other and are very proud of each other. We are all looking forward to a very successful season, including a District Championship; but we can only achieve these things with the support of the student body and the town."

Benny Pena, #44, the son of Mr. and Mrs. Benny Pena, plays tight end and defensive end. Benny is a senior and said, "We started off the season with great attitudes. Our schedule is getting much tougher, and we are being put to a great test."

#89 is George Vela, son of Mr. and Mrs. Joe Vela. He is a 17 year old linebacker and is classified as a junior. George enjoys HECE, Speech, FHA, FFA and Ag.

Marvin Lewis, #75, son of Mrs. Celestine Lewis is an 18 year old nose guard. Marvin is a senior this year and plays tennis and golf. He comments, "The team has good togetherness, and we are a family."

Bobby Perez, #21, plays cornerback and runningback for the Mules. He is a 17 year old senior and enjoys Athletics and HECE. Bobby's parents are Mr. and Mrs. Robert Perez. He adds, "This year we have a little bit more of a chance of going all the way. With the Mule Mania and our great coaches, there is no way anybody can stop us."

Clifford Watson, son of Mr. and Mrs. W.T. Watson plays as defensive end and flanker. He is #30 for the Mules and is a 17 year old senior. Clifford is active in Student Council, being the president of this organization. He is also the president of FCA, chaplain of NHS, FTA's District XVII president, and senior class vice president. When asked to comment, he responded: "We have an excellent chance to take the title this year if we continue to

With these ingredients----- There's No Limit!"

Carroll Precure, #54 is another fine Mule. The son of Mr. and Mrs. Ray Precure plays linebacker, guard and center. Carroll is 17 and is a senior. He enjoys many activities such as being vice president of FCA, president of FTA, vice president of Student Council, vice president of NHS, and senior class president. When commenting he said, "We lost a lot of players last year, and this isn't supposed to be the best year for the Mules; but we proved in our first two games this year that we can play ball. We don't have popular individuals, but we have what Muleshoe hasn't had in years past and that's a close-knit team. If we keep playing as a team; and with a lot of intensity, Muleshoe will have another championship team in '80."

Scott Denney, the 18 year old son of Mr. and Mrs. Joe Denney, is a defensive lineman this year for the Mules. He is #50 and is active in Ag. His comments were, "I am really glad to be a part of the Mule Team. I think we have a great coaching staff who really help us. If we keep our heads up and keep playing as a team, we will have a great winning team."

Jimmy Gleason, #25, the 17 year old son of Dr. and Mrs. Jerry Gleason, plays monsterman and runningback. He is a senior and is active in FCA, FTA and 4-H. He commented, "The team has come a long way. I think we can go much further. We have had a lot of spirit in practice. Attitudes are great. The Mania Will March!!!!"

Felix Norman, #19, is the 17 year old son of Mr. and Mrs. Jim Norman. He plays runningback for the Mules. He is a senior and is in Speech. He commented, "I think we have a pretty good team this year; and to keep our success, we have to listen to our coaching staff and then turn around and bust our tail to do what they ask of us. We have the best coaching staff around."

Larry Beene, #10, is a defensive cornerback. He is the 17 year old son of Mr. and Mrs. Eddie Beene. His comments were, "The 1980 Mules are small in size but big in heart. We have what it takes to win: desire and dedication. We will win."

Ronnie Angeley, #18 is the 16 year old son of Mr. and Mrs. J.K. Angeley. He plays free safety, quarterback and end. Ronnie is a junior and is vice president of his class and a member of FCA and FTA. His comments were, "We have a really good team this year and we're hoping to go 8-2. This is very possible because everyone always gives their best effort. We are not very big or fast, or

Gary Cox, #76, is the 17 year old son of Mr. and Mrs. James G. Cox. He plays offensive and defensive tackle. He commented, "We have a great attitude and are close together. The coaches are doing a great job this year. I'm looking for a 8-2 record this year."

Johnny Puckett, #22, is the 17 year old son of Mr. and Mrs. John H. Puckett. Johnny plays split end and cornerback. He is active in FTA and FFA. He commented, "I think we have a unique team. We are a close-knit group and have a good chance of winning. We plan to go a long way."

Mickey Long, #82, is the 17 year old son of Mr. and Mrs. Bill Long. He plays split end and free safety. His comments were, "I believe that this year we have a real good chance to go a long way. We are not a real big team, but we make up for that by getting after people. It's just up to us on how good we do."

Benton Glaze, #61, is the 17 year old son of Mr. and Mrs. James Glaze. He plays offensive quick guard and defensive linebacker. He is active in FCA and FTA. His comments were, "We have a very close-knit team and a very fine coaching staff. We have all been working very hard this year. We now have to keep working harder and learn as much as we can from our coaches."

Kelly Harrison, #88, plays tight end and defensive end. He is the 18 year old son of Mr. and Mrs. Teddy Harrison and is active in FTA, FCA and 4-H. He commented, "Our team this year is a close team. We have to thank the JV because they make us better. We know that we have to get with it each day, or those teams will chase up on us. Also we have to work hard so we can have a winning team."

Greg Harrison, #60, plays offensive strong guard and defensive linebacker. He is the 17 year old son of Mr. and Mrs. Donald Harrison and is active in FTA, FCA and 4-H. He commented, "Our team has a lot of unity. We believe in one another and one another's ability. We are capable of being a good team this year if we just keep working. Our coaches are the best. They spend all week teaching us what to do. They really help us. They also believe in us and we in them."

Jeff Meeks, #63, is the 16 year old son of J.E. and Catherine Meeks. He is a junior and plays offensive tackle. He is active in FCA. He commented, "Our team really has a great working attitude and great spirit. We have great desire to win."

Curby Brantley, #56, plays center for the Mules. He is the 17 year old son of

commented, "Things are really looking good for our team this year. We hope to keep on winning."

Monty Hysinger, #35, plays quarterback for the Mules. He is the 16 year old son of Mr. and Mrs. Jack Hysinger. He participates in FTA, FFA, Student Council and FCA. His comments were, "With attitude, desire, and TEAM EFFORT the Mules will go far."

Bryce Holmes, #74, is the 17 year old son of Mr. and Mrs. A.W. Holmes. He plays quick tackle and defensive end. He is in FTA and National Honor Society. He commented, "Football is a great game, we are not very big and do not have very much talent, but we share the 'want to' and have a good chance to go a long way."

Larry Norman, #9, is the 17 year old son of Mr. and Mrs. Jim Norman. Larry plays flanker.

Charles Walker, #40, plays runningback for the Mules. He is the 18 year old son of Mr. and Mrs. Charlie Walker. He participates in Speech. His comments were, "Soon our team will get together and work everything out, and have a winning team. Our team has lots of talent. We are just not using it right."

Wesley Rasco, #72, plays defensive tackle. He is the 18 year old son of Mr. and Mrs. Odell Rasco. He is a member of FFA and FTA.

Sammy Gonzales, Jr., #11, joined the varsity team last week as a back up quarterback. A sophomore at MHS, he is active in Speech, FTA, and Golf. He is the 16 year old son of Mr. and Mrs. Sammy Gonzales, Sr. He commented, "Even though we lost a couple of games, we are still in the District contest."

Kevin Dudley, the 16 year old son of Mr. and Mrs. Dale Dudley, is a junior. He is a manager for the Mules. He is a member of the Art Club. He commented, "I think we have a good team, and I hope we go undefeated in District."

Scott Saylor, a 16 year old junior, is also a manager for the Varsity Mules. Scott is the son of Mr. and Mrs. C.L. Saylor. He is a member of the Fellowship of Christian Athletes. He commented, "So far they are playing hard, and I feel that the Mules will go out of District undefeated."

We wish for the Mules a homecoming victory!

FHA Attend Workshop

The Muleshoe Future Homemakers attended their first workshop Tuesday, September 23, at Springlake. The workshop, presented by Shelli Hawkins and the MHS HERO Chapter, included films on teen-age pregnancy, problems of childbirth, and their causes. Several games were played and ideas for FHA projects were discussed.

The workshop was a success with 18 members from the Muleshoe Chapter attending. Members from several area chapters

Coaches Comments

We want to praise our defensive effort in the game against Idalou. One standout on that unit was Scott Denney. The loss to Idalou was very disappointing because of the opportunities we had to score and did not get the ball in the end zone. Our effort was very good, yet critical mistakes again kept us from winning the game. We are going to have a good football team if we keep good spirit and a desire to win. I think we will be trying very hard to get a victory this week.

Homecoming Candidates

Homecoming queen candidates have been elected. They are Jill Turner, daughter of Mr. and Mrs. Royce Turner, and a junior at MHS; Robin Burgess, a junior and daughter of Mr. and Mrs. Jim Burgess; Shelli Hawkins, a senior and daughter of Mr. and Mrs. Eugene Hawkins; and Leslie Wagnon, daughter of Mr. and Mrs. Joe Mack Wagnon and a senior at MHS.

They will be escorted by the senior football captains: Curby Brantley, son of Mr. and Mrs. Curby Brantley; Carroll Precure, son of Mr. and Mrs. Ray Precure; Clifford Watson, son of Mr. and Mrs. W.T. Watson; and Felix Norman, son of Mr. and Mrs. Jim Norman. The Homecoming queen will be crowned in pregame activities when the Mules meet the Lockney Longhorns, October 10.

Student Council will announce the winner of the football which is being raffled. It will feature the players' and coaches' names.

DECA Students Attend Leadership Development Lab In Amarillo

Have you ever heard someone say, "He or she is a born leader?" We have all heard that, but DECA is thoroughly convinced that leaders are made and not born. Most people are born with the physical and mental characteristics to become a leader; but it is the experiences, learning, and relationships a person encounters in life that cause leaders to step forward.

Muleshoe High School DECA members attended the Area VI Leadership training Conference in Amarillo on Friday and Saturday, September 19 and 20. The conference was planned and developed for one purpose: to help each student become the leader he wants to be. Among the things stressed were leadership skills, setting individual and chapter goals, and strengthening rela-

tionships to become "people builders."

Students attending the leadership Conference at Amarillo were Bruce Hernandez, Brenda Stevens, Ralph Sanchez, Ruben Fabela, Maria Flores, Albert Lopez, Traci Walker, and Janie Ibarra. Mrs. Lola Pylant, sponsor, accompanied the group.
