

# Dist. Governor Of Rotary Pays Official Visit

Lloyd Wicks, district governor of Rotary International, paid his official visit to the young Rotary Club of Muleshoe at the time of the club's regular luncheon, held Tuesday noon. Mr. Wicks is a member of the Ralls club and has practiced law there for many years. Mrs. Wicks accompanied him on the trip to Muleshoe.

He attended a conference of club officers, directors and committee chairmen, held Monday evening in the home of Bud Holton.

In his address Tuesday, Governor Wicks concerned himself not only with the actual organization and functioning of a local Rotary club, but with international phases of the world wide institution of Rotary.

To illustrate this international feature of Rotary, he told of meeting at the convention in Detroit, Rotarians from the remote corners of the world, including Iceland, Australia, New Zealand, India, Thailand, etc. Rotary Clubs are functioning in 80 different countries of the world.

"You can be a fine club, a mediocre club, or a poor club. I am confident that the Muleshoe Rotarians are going to be one of the fine clubs in Rotary International."

He said Rotarians gather at their great assemblies and conventions for the purpose of "getting" but of "giving" in this case, he said, it is the individual giving to the organization and not the reverse. Rotary's international character, he pointed out, enables the movement to be more effective in one of its great aims, promotion of international concord and peace.

Guests at the luncheon included W. B. Griffiths, of Alice, brother of Ray Griffiths; J. S. Clarida, Littlefield, and A. E. Galloway, of Crane.

# Waggoner Carr Addresses Lions

Waggoner Carr, State Representative of Lubbock, was a guest speaker at the Muleshoe luncheon here Wednesday noon. Mr. Carr's address was on "Taxes and the Hoover Commission".

He explained the functions and the organization of the Commission. It is composed of 12 men, six Democrats and six Republicans, and six are independent of the government and the other six are connected with government agencies. The purpose is to reorganize agencies of the U. S. Government in order to save the taxpayers' money.

One example quoted by Mr. Carr was in the U. S. Spruce Agency, set up in World War I to locate spruce then so vital to the nations war industries. This agency had been functioning for almost 30 years without accomplishing anything and each year had been receiving appropriations from Congress. After discovery, this agency was soon abolished.

The Hoover Commission has already discovered how they can save the taxpayers approximately five billion dollars per year.

E. W. Curry was a guest of Loyd Roberts at the club. The club voted in one new member, A. P. Lambert.

# Canning Company Opens Season

Muleshoe Canning Company opened another season last Wednesday when they started processing green beans that had been grown in this vicinity. Peak of the season for green beans will be reached in a few days and will be completed about the 1st of September when the tomato season starts.

At present, approximately 35 persons are employed by the plant and about 15,000 cans of green beans are being produced daily. More cans will be produced when the season hits its peak.

Carl Case, one of the owners, stated that four times as many acres of tomatoes had been planted this year as in 1949. The company has planted 100 acres. Mr. Case also said that the South Plains was very well suited to the growing of vegetables and that more could easily be produced than at the present.

Mr. Case and his sons, James, and W. W. Case, have been busy the past few weeks getting the plant ready for operation.

# RETURN TO MULESHOE

Mr. and Mrs. O. M. Doyle and her father L. P. Howerton have returned from a trip to Deming and Silver City, New Mexico. They were vacationing and visiting old friends of Mr. Doyle. The Doyles have returned to their home in Fort Worth after spending a few days with her parents the Howerton's.

## Irrigation Farmers Asked To Attend Conservation Meet Monday Night

Irrigation farmers will decide on the question of whether to organize a Water Conservation District in this county at a special meeting to be held in the courthouse in Muleshoe the coming Monday night, July 31.

The meeting is being called under sponsorship of the already organized Bailey County Water Conservation Association.

Officials of the association said it is very important that every farmer who has an irrigation well, or who plans to have one in the future should attend this meeting. Jesse M. Osborn is president and Delma McCarty is secretary of the association.

Under a state law enacted by the 51st Legislature formation of water conservation districts is authorized, and already several counties in the South Plains irrigation belt have organized.

"One can be a fine club, a mediocre club, or a poor club. I am confident that the Muleshoe Rotarians are going to be one of the fine clubs in Rotary International."

## JayCeas Benefit Film Changed

The JayCeas movie, "Sister Kenney" scheduled to be shown tonight at the Cox Drive-In As-U-R, has been changed to "The Walking Hills" an outstanding western picture starring Randolph Scott. All proceeds of this movie will go to the Muleshoe Junior Chamber of Commerce for use in their civic projects.

JayCeas will be in charge of the ticket sales, car parking, windshield wiping and other various duties at the movie Thursday night. Ralph Cribbs, state vice president, installed the officers. Those from Muleshoe attending were Mr. and Mrs. Buddy Blackman and Mrs. B. Z. Beaty, Mr. and Mrs. Irvin St. Clair, Mr. and Mrs. Roy Howard, Mr. and Mrs. C. R. Middlebrook, and Mr. and Mrs. Travis Barnett.

The regional JayCee convention will be held in Hereford August 26 and 27 and several members of the Muleshoe club are planning to attend.

Next regular meeting of the Muleshoe JayCeas will be Monday night at the Cross Roads Cafe and all members and anyone interested in becoming a member are urged to attend.

## Main St. Church Has Revival

Rev. Roy Alford, of Winsboro, Texas is preaching in the revival now going on at the Main Street Missionary Baptist church of Muleshoe.

Rev. M. E. Robinson, pastor, issued the invitation of the church to all to attend.

Services are being held daily at 10:00 a. m. and at 8:30 p. m. The revival, which began Wednesday evening, is to continue through August 6.

## DEMOCRATS TO MEET, AUGUST 1

Muleshoe Chapter Order of the Eastern Star will have their regular meeting at the Masonic hall, Tuesday night, August 1, with Mrs. Margaret Collins, in charge. After the business meeting there will be a program in honor of the founder of the Order, Robert Morris.

Refreshments will be served in the banquet hall following the program.

## FROM ARLINGTON

Mrs. J. H. Young of Arlington, Texas is visiting in the home of her son, Tye Young and family. Sunday they visited in Portales with another son and brother.

## Insects Lose Foothold In Cotton

Cotton insects have lost a foothold in the tender growing tips of cotton plants during our almost daily occurrence of downpours of rain but we can expect a rapid build-up of cotton fleahoppers and possibly other insects if normal weather conditions prevail.

Considerable acreage of cotton has had some control measures taken in Lynn and Gaines counties according to reports phoned in from Lubbock. The cotton bollworm and leafworm as well as the fleahopper is damaging numbers in those counties.

In Bailey county in almost all fields inspected by the county agent during the week, some fleahoppers were found. In one field over half of the tender tips examined were infested. If only one fourth of the tender tips shows up with a fleahopper, dusting or spraying should pay dividends according to the 1950 Guide for controlling cotton insects in Texas published by the Extension Service.

This simple folder carries recommendations based on the latest research of the A & M College of Texas.

The cotton bollworm has started a migration from some cornfields into cotton according to reports from farmers in the county. The cotton leafworm has also been found.

When all damaging insects reach the critical point as is given in the 1950 Guide, the county agent urges that control measures be taken. The prospective high price for the 1950 cotton crop makes it doubly important that cotton farmers stay on guard during this wet season.

## City's Oldest Cafe Will Be Host Saturday

Bill and Margaret Collins, pioneer restaurant folks of Muleshoe, and their newly redecorated Muleshoe Cafe that they are inviting everybody to come in for a visit, free coffee and doughnuts the coming Saturday afternoon. It will be "open house" from 2 to 6 p. m. in this oldest cafe in Muleshoe.

The cafe is spic and span in a new coat of green paint, and their booths and tables, which are brand new, carry out the general motif. New seats are the most comfortable they could buy.

Bill and Margaret started in the cafe business in Muleshoe 17 years ago and have been feeding the public ever since. At first they had a small cafe, known as Bill's Cafe, in a tiny space in the front part of the building now occupied by the City Motor Company at the foot of Main Street.

Here a big portion of their customers came to admire Bill's hamburgers and many of them still call for these delicious sandwiches at their cafe. And Bill and Margaret still cook them as they did 17 years ago, although many of their customers like to eat lunches, steaks or chops or other types of sandwiches.

In 1943 the Collins' moved their business to the small building a block farther south, now occupied by the Muleshoe Jewelry, but it was still known as Bill's Cafe. Then, in 1946, they built the building they now occupy, just south of the jewelry store. Their equipment and fixtures are now some of the finest to be found and they pride themselves on a complete cafe service.

Mr. and Mrs. Collins have three daughters, Billie Margaret, Bobbie, and Bettie, who have grown up enough to be of lots of help in the cafe these days although they are still of school age. The oldest, Billie Margaret, graduated from high school here last spring. The whole family is looking forward to renewing acquaintances with all old friends and towards making new friends the coming Saturday.

## ATTEND FAMILY REUNION

I. C. Mahon and daughter Leotta left Friday for McKinney to attend a reunion of his family.

## FROM LUBBOCK

Mrs. Laura Tipton of Lubbock spent last week in the home of Mr. and Mrs. B. F. Chancey.

## Funeral For Mrs. Taylor Tuesday

Funeral services for Mrs. Ethel Emma Taylor, 64, of Muleshoe, were held at the first Baptist Church here the pastor, Rev. A. W. Blaine, officiating. Burial was in the Muleshoe Cemetery under the direction of Muleshoe Funeral Home.

Mrs. Taylor died at 9:30 a. m. Monday, July 24, in the Green Hospital and Clinic. She was born February 6, 1886 at Jewett, in Leon County, Texas. She was a member of the Baptist Church.

A daughter, Mrs. Paul Faulner, preceded her in death in 1940.

Survivors are: the husband, P. D. Taylor, Muleshoe; four sons, Loyd (Buck) Taylor and Howard Taylor, Muleshoe; Sammie Taylor, Denver City, and Bennie Taylor, Abilene; four daughters, Mrs. Ethel Hardy, Santa Anna, Mrs. D. G. Hands, Friona, Mrs. Woodrow Copeland, Modesta, Calif., and Mrs. Worth Hawkins, Lemmon, Calif.; and 13 grandchildren.

## Judge E. A. Bills Is Re-Elected

Judge E. A. Bills won the nomination for another term in the office of district judge of the 64th judicial district in Saturday's voting in the six county district. Bailey County gave Judge Bills a majority of 578 to 361 for Robert Kirk.

Judge Bills was appointed district judge by Governor Shivers the first of this year upon the retirement of Judge C. D. Russell.

In the seven voting boxes of this county results Saturday were: Muleshoe: Bills 560, Kirk 235; Mays: Bills 20, Kirk 1; West Camp: Bills 90, Kirk 40; Three Way: Bills 64, Kirk 39; Bula: Bills 61, Kirk 26; Baileyboro: Bills 49, Kirk 13; Circle Back: Bills 34, Kirk 7.

## First Draft Calls 20 Men In Three Counties To Report For Physicals

Draft machinery was set in motion for the first time in 18 months this week as notices to report for physical examinations were sent to 20 men in three counties by the tri-county Selective Service Board composed of Bailey, Lamb and Cochran Counties.

These men will leave Muleshoe on Tuesday, August 8, at 7:15 a. m. by chartered bus to report to the Armed Forces Recruiting Main Station in Amarillo for their physicals. Those passing will have at least 21 days at home before being inducted into the armed forces.

On this call, Lamb County is sending 14 men, Bailey County, 4 men, and Cochran County, two men. Draftees are:

Bailey County: Wayne Estril Peel, Star Route 2, Muleshoe; McClendon Wayland Harris, Muleshoe; Elmer S. Smith, Muleshoe, Rt. 1; and Steve George Morris, Baileyboro.

Cochran County: Travis West, Morton; and James Ward Farris, Morton.

Lamb County: Edward Lewis Burris, Olton; Jack Wright, Amherst; Edward Johnson, Jr., negro, Littlefield; Lee Morgan Jenkins, negro, Littlefield; James Alonzo Day, Littlefield; Paul Lester Crosby, Olton; Beecher Frank McCall, Jr., Littlefield; Willie Edward Jones, negro, Littlefield; Addison Pritchett, Jr., Littlefield; Elmer Edward Bradshaw, Littlefield; L. W. Sykes, Springlake; John Robert Lackey, Littlefield; Raymond Lee Isbell, Littlefield; and Harry Elihu Reed, Anton.

## DEMOCRATS TO MEET SATURDAY

The Bailey County Democratic convention will be held in Muleshoe the coming Saturday, July 29, in the district court room beginning at 8:30 p. m.

Delegates from each precinct in the county are eligible to attend. Precinct conventions were held Saturday.

## Freeman Re-Elected; Other Races Hotly Contested

Hugh Freeman, running for his second term in the office of Bailey County Sheriff, Tax Assessor and Collector, received more than three times as many votes as his two opponents combined in the election Saturday to highlight the voting in this county. Freeman had a total vote of 1993. G. G. Young received 176 votes for this office and Daniel B. Boone received 153.

In Commissioner's Precinct No. 1, L. T. McKillip got 493 votes receiving a majority over both his opponents, eliminating the necessity for a run-off campaign. Neal Warren got 225 votes and Clyde Henry's total was 180.

No run-off will be required in another contested race, that for commissioner in Precinct No. 2. W. W. Couch received 101 votes and had a majority over his two opponents, Tom L. Smith, running for re-election, got 77 votes; A. T. (Tracy) White had 8.

## W. W. Couch Is Only New Member Of Bailey Co. Commissioners Court

There will be only one new member of the Commission Court of Bailey County next year as a result of the Democratic Primary held Saturday, July 22. W. W. Couch won the nomination for county commissioner in Precinct 2.

Mr. Couch won over Tom L. Smith, incumbent, and A. T. (Tracy) White.

There are two boxes in this precinct and results were: Mays: Couch 17, Smith 4, White 4; West Camp: Couch 84, Smith 73, White 4.

L. T. McKillip won the nomination in his race for reelection as Commissioner for Precinct 1. Muleshoe is the only voting box in this precinct. He received 493 votes to 225 for Neal Warren and 180 for Clyde Henry.

Bob Kindie was unopposed in his race for reelection as commissioner for Precinct 3, and R. P. McCall was nominated for another term as commissioner for Precinct 4.

Judge Cecil H. Tate who presides over the commissioners' court was renominated for county judge without opposition.

## LaFont Favored In Bailey County

Harold LaFont of Plainview was re-elected representative in the Texas Legislature from this, the 120th Legislative District, winning over H. J. (Doc) Blanchard.

LaFont was accorded a majority of 774 to 333 in Bailey County.

By voting boxes the count was: Muleshoe: LaFont 487, Blanchard 225; Mays: LaFont 15, Blanchard 3; West Camp: LaFont 92, Blanchard 25; Three Way: LaFont 74, Blanchard 24; Bula: LaFont 58, Blanchard 17; Baileyboro: LaFont 38, Blanchard 15; Circle Back: LaFont 10, Blanchard 24.

## JOHN CHARLES GILBREATH BACK FROM SUMMER CAMP

John Charles Gilbreath returned Friday from Camp Silver Spruce, near Durango, Colo., a boys' summer camp which he had attended five weeks. He reported a very enjoyable stay participating in fishing, swimming, pack trips, hiking and all sorts of sports. He received awards, made the last night of camp at the annual banquet, in riflery, fishing, sharp shooter in archery, and a ribbon in all around athletics. He says the temperature here is so much warmer than there that he wishes he could have stayed all summer.

## JOHN L. ROY BREAKS LEG IN FALL TUESDAY

John L. Roy, telephone service man in Muleshoe, received broken and crushed leg bones when he fell from a ladder about noon Tuesday. Roy and other workmen were repairing a telephone cable when the accident occurred. Bones just above the right ankle were broken. He fell about 30 feet.

He was given medical attention immediately afterward at Green Hospital & Clinic.

## VISIT IN SOUTHLAND

Mr. and Mrs. J. E. Day and Mrs. E. R. Wright visited at Southland Sunday with the Days' daughter, Mrs. H. C. Dunn and family. Mr. Day reports crop prospects around Southland community are as good as he has ever seen there.

## HAVE NEW DAUGHTER

Minister and Mrs. George Stanley Devoll, of Earth, are parents of a girl, born Saturday, July 22. He is a nephew of Mrs. E. Holland of Muleshoe.

## TO DALLAS

Mr. and Mrs. W. D. Nicewarner, Don and Joe Ann are visiting in Dallas and Sulphur Springs, Texas this week.

## RETURN FROM VACATION

Rev. and Mrs. Earnest L. Merriott and sons, Lonnie Dee and Virgel have returned home after vacationing in Ruidosa, Las Cruces, Hot Springs and Albuquerque, N.M.

## FROM MERIDIAN

Mrs. Maude Lovelady of Meridian, Texas is visiting in the home of her son and wife, Mr. and Mrs. Karl L. Lovelady.

## Freeman Re-Elected; Other Races Hotly Contested

Cecil H. Tate was re-elected county judge and ex-officio county school superintendent with 1391 votes; Norman W. Bays was elected to his first public office, being named county attorney with 1414 votes. M. G. Bass had 1418 votes to be re-elected county and district clerk and Helen Jones had 1406 votes for reelection as county treasurer. None of these offices were contested. John Mock was re-elected county surveyor by a write-in campaign, his name not being on the printed ballot.

R. F. McCall was re-elected county commissioner in Precinct 4 with 200 votes and Robert Kindie was re-elected Commissioner for Precinct 2 with 117 votes.

In justice of the peace, precinct No. 1, R. J. Klump was re-elected justice with 880 votes; Harold Mardis was named justice in Precinct 3 with 180 votes; justice precinct No. 3 named F. L. Stegall,

who had 114 votes; Ray Carter, with 138 votes, elected justice in Precinct 4. None of these offices was contested.

Arlie Thomas had a majority over two opponents for Constable in Precinct 1. He received 367 votes for Jesse James.

Johnnie Williams was elected constable in Precinct 2 with 180 votes; Tommie Galt was elected constable in Precinct 3 with 113 votes; and A. V. Patton had 195 votes to win the office in Precinct 4.

## RAY COUNTY CHAIRMAN

O. D. "Blondy" Ray was elected county chairman of the Democratic executive committee. He received 355 votes to 324 for W. R. Young. Precinct chairmen of the party elected Saturday are: Tom Zimmer, No. 1, 906 votes; Roy Sheriff, Precinct 2, 179; G. A. Davis, Precinct 3, 111; Henry Dameron, Precinct 4, 200.

Allan Shivers, running for "a term of his own in the governor's office got 1152 votes in Bailey County. Other candidates received a scattering of votes, with Caso March the runner up. He had 93 votes. Bailey County gave a nice vote to Preston E. Smith, of Lubbock, 483 votes.

Similarly, the voters of Bailey County gave a whopping vote to Meade F. Griffin of Plainview, running for reelection to the Texas Supreme Court. Justice Griffin had 808 votes to 100 for his nearest opponent, Matt Davis of Upshur County.

Robert Nelson of Lubbock got the support of the voters here with 613 tallies in his race for judge of the court of criminal appeals. Robert S. Calvert was favored for Comptroller; Bascom Giles for the Land Office; J. E. McDonald for Agriculture Commissioner.

## MAHON WINS EASILY

George Mahon was returned to Congress by voters in the 19th Congressional District. In Bailey County, the veteran Congressman had nearly all the votes. His total here was 1152 to 79 for Anton Mike Ripps, of Howard County.

Fagan Dickson was favored by the local voters for associate justice of Supreme Court. He had 1152 to 79 for Anton Mike Ripps, of Howard County, for Place 2.

## MEADE F. GRIFFIN IN SUPREME COURT RUN-OFF

Meade F. Griffin, of Plainview, led a field of four candidates in Saturday's Democratic Primary. His nearest opponent was Judge Harwood, of Dallas, and these two will go into the August run-off for the associate justice place.

Bailey County piled up a handsome majority for the Plainview man, who had the unanimous endorsement of the Bailey County Bar Association, and many other citizens who have known him through the years. Griffin is a former district attorney of the 64th judicial district.

## DISTRICT JUDGE RACE

Judge E. A. Bills, running for reelection to the office of district judge of the 64th judicial district, had the support of this county. He received 578 votes to 361 for his opponent, Robert Kirk. Judge Bills was running for his first elective term, since he was serving under appointment of the Governor to fill out the term of Judge C. D. Russell, who retired the first of the year.

## LAFONT FAVORED HERE

In the race for state representative, 120th Legislative District, Harold M. LaFont, of Hale County, got 774 votes in Bailey County to 333 for his opponent, Horace J. Blanchard, of Floyd County. LaFont was running for reelection.

## Muleshoe Tromps Portales 14-10

The Muleshoe nine continued their winning streak Sunday by defeating Portales 14 to 10 in 10 innings of play.

Wallace Lambert and Clements accounted for home runs in Sunday's tilt and Lambert got two doubles and Howell and Clements each doubled. Those hitting runs were Tibbetts, 2; Lambert, 2; Clements, 2; and Howell and Wallace one each.

On the mound, Clements struck out two while White accounted for seven strikeouts. Clements allowed four bases on balls and White two. Clement allowed two hits and five runs in three innings. White allowed four hits and five runs in seven innings.

Due to the lack of space this week we are having to omit playing and batting averages.

## LaZbuddy News

LaZbuddy W. S. C. S. met at the Church on Thursday, July 20, with nine members, two visitors and eight young people present.

Mrs. G. O. Jennings of Muleshoe brought us a very inspirational devotion, opened with the singing of "We've A Story To Tell". Her text was taken from St. Matthew, she stressed to us how prayer can strengthen us to strive.

Mrs. Jennings introduced Mrs. Gary of Chicago, mother of Mrs. James Case of Muleshoe, as guest speaker. She spoke of Missions—telling of the good work the "Pacific Garden of Mission" and "The Sunshine Mission Gospel" of Chicago has done and is still helping so many people to know Christ.

The president, Mrs. H. L. Ivy, took over the business session and the minutes of the last meeting were read by the secretary, Mrs. H. W. Carpenter.

Mrs. C. D. Guston, chairman of the finance committee, gave her report.

The next meeting will be July 27, in the home of Mrs. Finis Jennings, who will also be in charge of the program.

The meeting closed with a prayer by Mrs. W. C. Williams, Jr. Refreshments of salad and punch were served by Mrs. Ivy and her intermediate girls.

## TO ALABAMA

Rev. and Mrs. Silas Dixon, pastor of the LaZbuddy Methodist Church left Monday, July 17 for Alabama for a visit with Mrs. Dixon's sister whom she has not seen for 16 years. They plan to be gone about two weeks.

## JUNIOR CLASS ENTERTAINED

Mrs. H. W. Carpenter entertained her Junior class of the LaZbuddy Methodist Church with a party at her home on Friday evening. The evening was spent playing games and ice cream and cake were served to the following: Mina Margaret Jennings, Leland Rae Guston, Martha Ann and Evonna Carthel, Shirley Ann and James Henry Carpenter, Durwood Teague, Gabriel Malone of Hereford, Mr. and Mrs. Finis Jennings, Mr. and Mrs. C. D. Guston and Ronnie

**CHRISTIAN SCIENCE SERVICE**

"Love" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, July 30.

The Golden Text is: "Beloved, let us love one another: for love is of God; and every one that loveth is born of God, and knoweth God" (1 John 4:7).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: God is love; and he that dwelleth in love dwelleth in God, and God in him" (1 John 4:16).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Divine Love is infinite. Therefore all that really exists is in and of God, and manifests His love" (page 340).

**OREGON VISITOR**

Bessie V. May of Portland, Oregon, is visiting friends and relatives, in Muleshoe while on her vacation. She arrived last Monday and plans on staying about two weeks more. She is visiting her mother, Mrs. Cora Venson, and Mrs. I. H. Thomas.

**Farm Leaders To Attend Institute Of Farm Bureau**

More than 250 farm leaders from 125 counties have filed tuition fees for the second annual Institute of the Texas Farm Bureau Federation to be held at College Station July 30-August 4, it has been announced by J. Walter Hammond, federation president. Instructors of outstanding prominence in Farm Bureau and related agricultural fields will have charge of the eight courses which have been arranged for the week's training school.

Instructors will include President Hammond, R. G. Arnold, organization director, Southern Region American Farm Bureau; Federation; Dan Arnold, executive secretary, Oklahoma Farm Bureau; Dr. W. P. Sandford, Sales Service, St. Louis, Mo. Dave Mieher, executive vice president Southern Farm Bureau Life Insurance Company; Harry Bryson, director of field service, American Farm Bureau; J. E. Stanford, executive secretary, Kentucky Farm Bureau; O. R. Long, field representative, Southern Region, American Farm Bureau; Carlyle DeLaCroix, director rural youth department, American Farm Bureau.

Courses will be offered on the following topics: Philosophy and Policies of Farm Bureau, Membership Acquisition, Public Speaking, Salesmanship, Farm Bureau Structures, Techniques for Presiding Officers, County and Community Organizations, and Recreational Activities.

President Hammond will be toastmaster at the banquet on Friday evening, August 4, and will award certificates to leaders who complete courses. J. E. Stanford will deliver the banquet address. His subject will be "Service, the Cornerstone of Farm Bureau."

Registration will begin at 2 p. m. Sunday, July 30. A vesper service that evening will be the first session of the institute. Classes will begin on Monday morning. A recreation party will be held at the Slab on Monday evening and a square dance party on Wednesday evening, also at the Slab.

**"Miss Alice"**

"Miss Alice," Texas, above, is a reality Miss Pola Ellis, who will represent her home town at the MISS TEXAS Pageant at Land Park in New Braunfels, August 4 and 5.

With the title will go the "Miss Texas" Scholarship Award of \$500 and a free trip to Atlantic City to compete for the coveted title of MISS AMERICA in September.

Miss Ellis this year has been selected "Miss Buccaneer Days" at Corpus Christi and appeared with MISS AMERICA at the San Antonio Fashion Regatta, in addition to being judged "Miss Alice," Texas.

**Lazbuddy News**

by Mrs. Wm. Steinbock  
(Too late for last week)

Lazbuddy ball team 2 went to Farwell Sunday afternoon and defeated them 21-9.

Mr. and Mrs. Judd Clark entertained last Wednesday night with a 8 o'clock dinner. Those enjoying the delicious repast were: Mr. and Mrs. Rhinney Steinbock and daughter, Trixie, Mr. and Mrs. Walter Hanson and baby daughter, Mr. and Mrs. Demp Foster and Jimmy Dimp, Mr. and Mrs. Willie Steinbock and son, Max, Mr. and Mrs. Rex Steinbock, Mrs. John Schroeder, Mr. and Mrs. Ed Steinbock, Mrs. F. L. Oliver and children, Jimmy Ray and Janice, Mrs. Dan Winn and children, Alma Jean and Danny Mack.

Mr. and Mrs. J. D. Duckworth and family visited in the home of the Ed Steinbocks last week. Mrs. Duckworth is a nephew of Mrs. Ed Steinbock. Mrs. John Schroeder, mother of Mrs. Ed Steinbock, who visited the past two weeks, returned home with the Duckworths.

Mr. and Mrs. Chas. Neely returned home last week after spending a week with Mr. and Mrs. R. G. Treider and Mr. and Mrs. Raymond Treider, Jr. Mrs. R. G. Treider, Jr. is the daughter of the Neelys.

Mrs. Annie Vaughan has accepted a position with the G. K. Horton family at Huriwood, as a companion for Mrs. Horton's aged mother.

H. D. Hutchison left for Waynoka, Okla., Monday for a few days visit with his parents, Mr. and Mrs. W. J. Hutchison.

Arthur Dyck purchased a new light green Ford tudor at Farwell Saturday.

Lots of late crops were covered by the heavy rain that fell Monday noon in the Lazbuddy community. Some farmers reported hail and heavy downpours.

Those from Lazbuddy and Y. L. communities who are taking ceramics course at Jaunita Jarmans are: Myrtle Steinbock, Tommy Hutchison, Cozette and Katherine Blackwood and Lavonne McKillip, Mr. and Mrs. Joel Landrum from Ariz., visited in the home of Mrs. Landrum's parents, Mr. Mrs. R. G. Treider last week. He in Lazbuddy they visited a day in the homes of Mrs. Willie Steinbock and Mrs. H. D. Hutchison.

Mr. and Mrs. Carl Steinbock and sons Butch and David are en route from Jasper, Oregon, to visit their relatives and friends. They are expected about Saturday as they plan to see the Carlsbad Caverns before arriving here. They moved from the community in 1945 so everyone is looking forward to their long awaited visit.

**PITLER-LAVENDER VOWS SAID**  
Miss Dorothy Spitzer and Mr. Dale Lavender, teachers in the lazbuddy school were united in marriage at Y. L., Tuesday night, July 11.

**AREWELL PARTY**  
Monday night a farewell party was given in the D. B. Ivey home honoring Hiley Lucy, who left to go for the Navy. Hiley graduated with the '50 class of the lazbuddy seniors. He was vice-president and voted most handsome boy and senior play actor.

he played football two years and baseball three years.

Those at the party enjoyed western music played by Rex and Max Steinbock and Bryant. Refreshments of weiners and watermelons were served to 20 guests. The ball club presented Hiley with a parker fountain pen as a "going away" gift.

H. D. Hutchison returned from Oklahoma with a new pick-up. Lazbuddy baseball team No. 1 went to Farwell Sunday and were defeated by a close margin of 11-10.

Mr. and Mrs. Jimmy Harlan and children Barbara and R. C. are here visiting. Their home is in El Paso. The Harlans also plan to

**Swine Sale At Clovis August 8**

The Southwestern Swine Breeders Association is having a sale Tuesday, August 8, at the Clovis Cattle Commission barns in Clovis, N. M., Austin Brooks, secretary

visit in Wichita, Kansas, and Enid, Okla.

Mr. and Mrs. Leon Stitch of Frederick, Okla., were here last week visiting Mr. and Mrs. Ed Steinbock. Mrs. Stitch and Mrs. Steinbock are sisters.

announced this week. Sale starts at 1:30 p. m., New Mexico time.

Durocs, Hampshires, Poland China and Spotted Poland Chinas will be featured at the sale. All hogs are vaccinated and the type of immunity will be announced and each carries a Purebred Swine Breeders Guarantee.

If it is impossible to attend the sale bids by mail or wire may be sent to the secretary or auctioneers on animals listed in the catalogue. Crates will be furnished by the consignor of the animal and returned at the breeders expense.

Auctioneers are to be Lloyd Otten and Dick Dasher.

This sale will be a good opportunity for 4-H Boys and FFA Boys to secure their animals for their

**TO GRAND CANYON**  
Mr. and Mrs. Jim Lane have returned from a trip to Grand Canyon and other points in the west. They were met at the week end in Ruidosa by Mr. and Mrs. Robert Prather and Mr. and Mrs. Ray Hawthorne.

**RETURN TO CHICAGO**  
Mrs. S. P. Gary, mother of Mrs. James Case, who has been visiting in the home of her daughter and family for several weeks has returned to her home in Chicago.

projects next year from some of the most noted breeders in the Southwest.

**TO MULESHOE**  
Mr. and Mrs. Herbert Griffiths are spending the summer in Muleshoe.

**FROM SUNDOWN**  
Mr. and Mrs. Hap Wright of Sundown spent the week end in Muleshoe visiting her parents Mr. and Mrs. Bryan Booth and friends Mr. and Mrs. Carroll Howell.

**TO SNYDER**  
Joe Bob Horsley spent the week end in Snyder visiting a sister and family Mr. and Mrs. Kenneth Pittman.

**TO MY FRIENDS & SUPPORTERS:**  
I want to thank each and every one for the splendid support I received in the Election, Saturday, July 22. Folks, it is just like a shot in the arm to know you have the backing and good will of so many good people.

I just hope I can show all of you how much I appreciate your support by serving you, the way all of you deserve to be served.

At any time we can be of service to you in any way, feel free to call on us.

Again I say THANKS, THANKS, THANKS for myself, my family and the whole force.

Hugh Freeman

## Million Farm People Hurt

COLLEGE STATION, July 26—Were you or some member of your family among the more than one million farm people who were injured last year as a result of a farm accident? A friend or relative may have been included among the 17,500 who met death in some kind of farm accident during this same period. A majority of these deaths and injuries could have been prevented, says E. C. Martin, assistant state agent for the Texas Extension Service and chairman of

the State Farm Safety Committee, if those involved had only stopped to think.

He says that the latest available statistics reveal that farming has moved up from fourth to third place as the most dangerous way of making a living. In 1948, 55 deaths for each 100,000 workers engaged in agriculture were reported. Only the construction industry and mining and quarrying had higher occupational death rates.

The home is the scene of more accidents than any other part of the farm, and falls lead the list of causes. Animal accidents ranked second in the South and West while machinery accidents held second place in the Northeast and North

### SQUARE DANCING

Mrs. Nina Glascock, in telling how her husband, Mose, broke his foot while unloading heavy farm machinery from a trailer last week, said he was not really too inconvenienced by the injury. This week he was still hobbling around on crutches.

"He's able to drive the car, since it has an automatic transmission and no clutch," she said. "The only thing that really worries him," she added, "is his square dancing."

—State Line Tribune.

### Central sections of the nation.

Martin points out that time lost as a result of accidents to farm people amounts to the time needed to plant, cultivate and harvest about one-half of the average annual wheat crop of the nation. Records show that an average of 20 working days are lost by each person injured. The cost in dollars for medical aid, time lost, and property damage from accidents and fires affecting farm people approximates one billion dollars per year to say nothing of the cost in human misery.

Martin says that something can be done to stop this needless loss. He cites as examples the fine records that have been made by the communities that are participating in community improvement programs. The families in these communities have organized for the purpose of making their communities better places in which to live and almost without exception farm safety has been one of their first considerations.

4-H club members in many counties have conducted farm safety surveys and have tagged with the "cross bones" sign all accident hazards they found on the farm. Refugio county 4-H members last year were presented a plaque for having conducted the most outstanding program in the state. Rural fire companies have been organized in several counties and extensive educational programs on fire prevention have been conducted by the extension service in cooperation with fire department officials and other interested groups.

Martin believes that farm people everywhere must become more conscious of the accident hazards that are present on every farm and in many homes. Corrective measures must be taken and every member of the family must be continually on the alert to see that hazards are removed before an accident happens. When safety on the farm and in the home is practiced every day by every member of the family, the accident rate for farm areas will drop, says Martin.

## FURNITURE FASHIONS by Frances Ainsworth

GRAND RAPIDS, MICHIGAN: — "Look to Grand Rapids for furniture with talent" — says House & Garden Magazine in their June issue, and illustrates their statement with 10 pages of new Grand Rapids furniture designs. Included in the House & Garden feature article is the illustrated sleek modern cocktail table by the Hekman Furniture Company. An open storage space at each end and a utility drawer in the center provide better storage, as well as a decorative spot for books and special accessories. Measuring 43" x 22" and 14 1/2" high, the spacious piece is made of rich, all-nubagony in contemporary design, with a gold leaf finished leather top.

## "New Plants" Program Started

COLLEGE STATION, July 26—The Texas Agricultural Experiment Station has launched a "new plants" program and already more than 2,000 foreign introductions and collections from the wild flora are included in the program. Plants have been collected from practically all corners of the earth, except Russia and her satellites. Many have come from Central and South America, Africa, India, Turkey, and the Philippines.

The purpose of the program is to find out if the crops under investigation can be grown commercially in Texas or if they can be used in the plant breeding work being done by the Station. Many of these plants may be resistant to diseases and the plants breeder will try to breed this resistance into new or improved varieties of our basic crops.

The program is being handled by a committee composed of Dr. R. G. Reeves, professor of agronomy and genetics, who is chairman; Dr. R. C. Potts, department of agronomy; Dr. O. E. Sperry, department of range and forestry; E. Mortensen, horticulturist, Winter Garden Experiment Station and Dr. H. T. Blackhurst, department of horticulture.

Substations and field laboratories of the Texas Station are studying each crop that the specialists feel may be adapted to the area in which the substation is located.

At Texas A. & M. College, the departments of agronomy, horticulture, range and forestry and floriculture and landscape architecture all have work underway in the program. Field units at Chillicothe, Sonora, Weslaco, Winter Haven, Stephenville, Montague and Yoakum are conducting investigations with crops that may be adopted to those areas.

Under study are many species of oilseed crops that have not previously been produced commercially in Texas. Among the horticultural crops are new peaches, cucumbers, cantaloupes, avocados and other tropical and sub-tropical fruits. Many of the introduced species consist of new types of old crops while others are either uncommon in Texas or entirely new. Some are obviously not adapted to Texas agriculture but are being studied because they may have characteristics that will prove valuable to the plant breeders.

This new crop research program in the United States is organized on a national, regional and state basis and Texas was the first state in the Southern region to get its project going.

Director R. D. Lewis of the Texas Station, is the administrative adviser for the Southern region.

### ABSENT AT THE WRONG TIME

Less than half of the 435 members of the U. S. House of Representatives were present to vote on the large majority of motions connected with the 1951 General Appropriation Bill when it was before the House this Spring. Sometimes as few as one-seventh of the members voted. One amendment to increase a pork-barrel item carried by a vote of 32 to 29. A motion to cut the RFC appropriation lost 69 to 65. Of 35 motions to cut appropriations, only 19 carried. A majority of the remaining 25 lost by less than 20 votes.

Norman Bays

Carelessness CAUSES ACCIDENTS

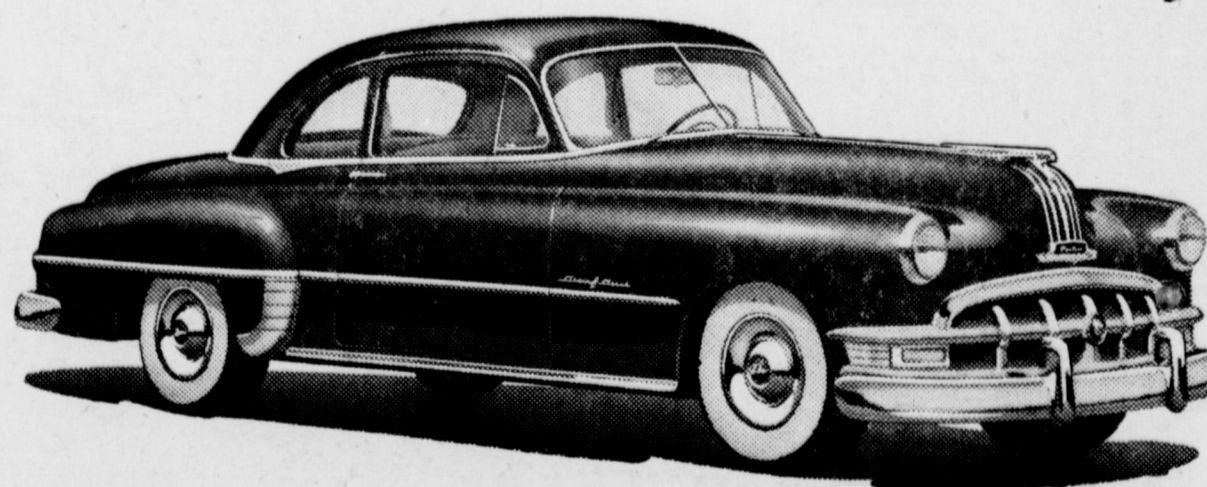

Every factor for safety is considered in designing MM Modern Tractors, Machines, and Power Units but modern high speed farm machinery must have chains, sprockets, cutting devices and revolving shafts to do the job for which it is designed. It can be safe to work around, if the operator uses judgment and care. Accidents cause too much suffering, loss of time and money. Do your part to prevent them by always thinking of your own safety and the safety of others.

Let Safety First ALWAYS BE YOUR GUIDE  
on the farm each person must be his own Safety Director

## Armed Services Pay And Setup For Dependents Is Explained

Pay in all branches of the armed services—Army, Navy, Air Force, Marines—is the same for each grade. The Army will be used for an example here.

The enlisted grades are as follows, with the minimum and maximum pay for each grade, depending upon the length of service.

Recruits—\$75 a month; recruit, after four months—\$80; when he becomes a private in about six months, \$32.50; corporals—\$117.50

to \$191; sergeant—\$139.50 to \$227; first class sergeant—\$169.05 to \$249; master sergeant—\$189.45 to \$294.

### Dependent Rules Explained

Anyone below the rank of corporal is considered to have no dependents, so he gets nothing for dependents. If, for some reason, the government fails to provide him with lodgings, he gets \$45 extra for lodgings for himself.

A corporal with less than seven years' experience also is considered to have no dependents and gets only his flat pay, unless the government doesn't provide him with lodgings, then he gets \$45 extra.

For a sergeant, sergeant first class, and master sergeant—no matter how much or how little his period of service—and for a corporal with seven or more years' experience, this is what happens:

### Extra For Lodgings

If he has no dependents and the government doesn't give him living quarters, he gets \$45 extra for his lodgings.

If he has dependents but the

**JAMES N. BRINK, JR. TO ENTER OKLAHOMA A. & M.**  
OKMULGEE, Okla., July 24—Applicants are being accepted at the Oklahoma A. & M. college, school of technical training for the fall semester commencing September 11. J. C. Hammond, registrar, has disclosed that enrollment will increase in both the trade courses and in the regular freshman and sophomore courses if the volume of requests for entrance continues at its present rate.

One applicant, James N. Brink, Jr., from Muleshoe has been accepted for the fall term.

C. M. McMath of Artesia, N. M. was in Muleshoe last Friday on business.

government provides him and them with living quarters, he gets only his flat pay. But—

If the government doesn't provide his dependents, such as a wife, with living quarters he gets \$67.50 extra.

That's all he gets for dependents, no matter how many he has. It used to be different. During the war and until Oct. 1, 1949, when Congress changed the law, this was what happened.

Any enlisted man—that is below the rank of commissioned officer, such as a second lieutenant—got this deal:

If he had a wife and set aside \$22 a month for her out of his pay, the government added \$28 to it, thus giving her a total of \$50. If he had children dependent on him, the government also gave the first child \$30 a month, and each additional child \$20.

There were additional benefits for dependents. As for volunteers close relatives.

All these contributions were wiped out for anyone joining after Oct. 1, 1949.

So any man going into the Army now—whether he volunteers or is drafted—gets none of that wartime dependency allotment.

(As pointed out, Corporals with seven years' experience and the three higher grades of non-commissioned officers get living quarter allowance for dependents.)

The point is: Any one joining up in the lower ranks now gets absolutely nothing for dependents. He's considered to have none.

It is safe to say that under selective service regulations at this time no one will be drafted if he has dependents. As for volunteers in the lower grades: The armed forces don't want them at this time if they have dependents.

But the government may call the National Guard to duty. Since the guard is made up of civilians, many of whom have dependents, calling some of them to active duty will be a hardship on them.

### Action Almost Certain

For that reason, if the guard is called up—or it becomes necessary to expand the draft to take in men with dependents—Congress is pretty certain to restore quickly the wartime benefits for dependents.

Commissioned officers—from the grade of second lieutenant up to and including generals—got no government allowance for dependents during the war and do not get them now.

But commissioned officers, in addition to their pay, get \$21 extra a month for food (subsistence) if unmarried and \$42 if married. All grades get the same.

## Young Homemakers Corner

By NANCY COOK—ANS Features

**WANT TO HAVE MORE CLOTHES**—and for very little money? Who doesn't? You can—if you're willing to spend time and imagination rather than dollars. Take, for example, the glamorous formal pictured below. Doesn't it have the ingredients for an enchanted evening? Yet who would believe it's made from one smooth Percale Sheet?

Sheet, double bed size, costs about four dollars! That means, including pattern and accessories, you'll still have change from a five dollar bill.

**THIS YEAR'S BRIDES** will want to cover their lovely new furniture with slip covers... for slip covers preserve the lasting beauty of your furniture and add gay decorator touches to your home.

We've discovered a most helpful book to assist you in making them—The Singer Sewing Book, by Mary Brooks Picken. It answers virtually every sewing question, and tells you step by step (with illustrations), how to make professional looking slip covers for a fraction of what they would cost to have "custom-made."

Whether you're a novice or an expert seamstress, we think you'll find this Sewing Book an invaluable guide for all kinds of sewing—for it covers all phases of sewing for yourself and for your home.

It also contains an easy-to-follow color chart to aid you in your choice of colors, along with effort-saving tips aplenty on fashions and home decorating.

**THE AUTHOR** of the Singer Sewing Book, is one of the foremost authorities on sewing today. Through books, magazines, radio, and by working with schools and colleges, she has become the friend and teacher of hundreds of thousands of women who sew.

M. B. Picken

**Party dress and matching stole** can be made up in white or any one of six delectable water-color pastel shades of Cannon Percale Sheets. This dress made of one sheet, is cut from Simplicity pattern No. 2742.

Whatever style you choose, though, don't worry about having enough material. One double bed size sheet, 81 in. x 108 in., gives you an enormous expanse of fabric for cutting. Now hold your breath and read the cost: a Cannon Combspun Percale

## \$45 Worth Of Beef In 30 Days

A Madrid Clover pasture in the Brazos River bottom recently produced 175.9 pounds of beef per acre in 29 days of grazing. Four other pastures were grazed in the test.

All five pastures were 17.5 acres in size and all other factors affecting the gain of cattle from grazing were controlled.

Results showed that, compared with the 175.9 pounds of gain per acre from Madrid Clover, Johnson Grass pastures produced only 26.5 pounds of beef per acre.

K. R. Bluestem fell in line with 29.1 pounds of beef per acre and Dallis grass produced 33.9 pounds. The Madrid Clover was seeded in the fall and the grazing experiments were carried out in March.

**IS PRACTICAL HERE**  
The practical significance of this test worthy of consideration by Bailey County farmers is the fact that fall seeding of Madrid Clover is practical in this area and under

proper irrigation and fertilization should produce grazing comparable to the Brazos bottom test during March, April, and May. The pasture could then be plowed under and pre-irrigated in time for June seeding to grain sorghum.

J. K. Adams, the county agent, points out that Don Jones, of the Lubbock Experiment Station will give the green light on fall seeding of Madrid Clover and tests already conducted in this area by Judge Withering and others proves our soil and climate well suited to this soil building crop.

Required reading is the bulletin entitled "The Half-Way Point".

### Sylvia Pool In Galveston Hospital

Sylvia Pool, 6-year-old daughter of Mr. and Mrs. Lee R. Pool, who was severely burned most of which were third degree burns, was admitted to John Sealy Hospital in Galveston for treatment. Her parents accompanied her to Galveston by ambulance and conferred with the specialists. They were advised that Sylvia would need much skin grafting and about 50 to 60 blood transfusions in the process of her treatment.

Sylvia received her burns last March while playing with matches and some fly spray which was spilled on her clothes, leaving about half of her body burned.

The Pools were advised to take her to Galveston by Dr. Marion F. Green under whose care Sylvia had received treatment.

The doctors in Galveston advised that it will probably be several months before they would release Sylvia. Mrs. Pool will remain in Galveston with her.

W. W. Couch

### THANK YOU!

I wish to thank the people of Bailey County Commissioners Precinct No. 2 for their support in the recent election. I deeply appreciate your confidence in me.

During the next two years it will be my aim to discharge all the duties of this office to your satisfaction, and to do all that seems for the best interest of the precinct and county.

Attend Appreciation Day Attend Appreciation Day

### ATTEND TEXAS TECH

Muleshoe teachers attending Texas Technological College, Lubbock, during the second summer semester include Mrs. Ruth Burchett, Oscar H. Davis, Mrs. Evelyn Perkins, Troy Perkins, Mrs. Ola B. Jones, Miss Ruth Armstrong attended the first session of the summer school. All are graduate students.

Wimberley, Owen Broyles, Mack Hale and son, Mack Jr. On closer inspection we find it's in Oregon, which sounds like a long ways from home for Muleshoe folks to be. Anyway, we are glad they remembered their home town paper. Wizard Island rises nearly 800 feet above the rich blue waters of Crater Lake.

### TO AMHERST

Mr. and Mrs. Cecil Tate and family visited with Mr. and Mrs. C. R. Stevens in Amherst Sunday.

### Mrs. James Case Host To Guild

Wesleyan Service Guild met at Fellowship Hall, Monday night, July 24, with Mrs. James Case as hostess.

Roll Call was answered with parts about Korea.

Mrs. Curtis Spivey gave the devotional on "The Prodigal Son"—How to find God.

Mrs. A. S. Stovall had charge of the program and gave "Historical Background of Korea"; Rev. H. W. Hanks gave "Missionary Work in Korea."

The next meeting will be Monday, August 7. The meeting has been changed from the regular meeting date of August 14 because of the Methodist meeting.

Present were one visitor Rev. Hanks, one new member Mrs. Thurman Glascock, and members, Mesdames Hanks, Francis Gilbreath, Harold Weyer, Curtis Spivey, Homer Sanders Sr., Ila Mae Lawler, Stovall, H. A. Phillips, Ray Edwards, Olin Jennings, Miss Elizabeth Harden and the hostess.

### Wanda Bates Wed To George Harris

Mr. and Mrs. W. W. Bates of Sudan are this week announcing the marriage of their daughter, Wanda Gail to Mr. George Allen Harris, son of D. J. Harris of Muleshoe.

The marriage was performed at Clovis, in the home of Rev. Sargeant, Church of Christ Minister, at 4 o'clock p. m., N. M. time, Saturday, July 22.

The only attendants were Mr. and Mrs. Hoyt Eubanks of Dimmitt. Mrs. Eubanks is a sister of the bride.

Mrs. Harris wore a dress of aqua nylon with black accessories. She was a 1940 graduate of Davidson high school at Davidson, Okla. She was a civil service employee at S. Marillo Air Field during World War II.

Mr. Harris graduated from Muleshoe high school in 1938 and served with the Sea Bees in the Pacific during the war. He has been farming with his father since.

The couple left for points in Colorado and New Mexico for a trip and will be at home north of Muleshoe where he is farming.

### Party Honors Billie Seales

Billie Mac Seales celebrated his ninth birthday, Sunday, July 23 with a party in the home of his parents Mr. and Mrs. Bert Seales. Mrs. H. A. Douglas, Jr. and Mrs. Junior Percell assisted Mrs. Seales.

Games were played and refreshments were served to Jerry and Mattie Dawson, Andy Douglass, Bunt and Gail Kitchens, Butch, Valerie and Frederick Meier, Charley Kay Miller, Patricia Percell, Gwendolyn Ross, Morna Beth Shaffer, Wayne Upting and the honoree Billie Mac.

### Local Rebekahs Visit Littlefield

The President of the Rebekah Assembly made her official visit to the Littlefield Rebekah Lodge, Friday night, July 21. Muleshoe and Needmore Lodges were invited.

State officers present were Mrs. Mabel Patterson, president; Mrs. Georgia Ford, treasurer and Rev. J. Henry Cox, state chaplain of the IOOF. Other visitors were Mrs. J. Henry Cox, of Amberst, and Mrs. Bube from McGregor.

Several sacred songs were sung by members accompanied at the piano by Miss Martha Ann Steward. The president gave an inspiring talk. Rev. Cox made a nice talk followed with a drill by the Littlefield Lodge.

Rev. Cox offered thanks and delicious refreshments of orange cake and lime punch were served.

Those attending from Muleshoe were Mr. and Mrs. Frank Snyder, Mr. and Mrs. E. H. Bough, Mr. and Mrs. Arlie Thomas, Mr. and Mrs. P. Lambert and Bill Whalin.

All team members are urged to meet at the IOOF hall Monday night, July 31 for team practice as there is to be a candidate to initiate Tuesday night, August 1, the regular meeting night.

### BIRTHDAY PARTY HONORS MISS JO ADDINE WAGNON

A belated birthday party was given in honor of Miss Jo Addine Wagon on her 15th birthday, July 24, in the home of Miss Sammye Carroll. Other hostesses were Misses Frances Toten, Rita Peeler, Bobbie Collins, and Norma Graves.

Jo Addine was presented with a nice gift by all of her friends. Jo Addine blew out the candles on her cake after wishes were made by her friends.

Delicious refreshments were served and a good time was had by all.

### LONGVIEW WMS TO MEET

Circle 1 of the WMS of the Longview Baptist Church will meet on Tuesday, August 1 in the home of Mrs. Earline Ragland.

### BUSTER HOSKINS, EARLY DAY RESIDENT, A VISITOR

People who have lived in and around Muleshoe for a number of years will remember Buster Hoskins, who was here visiting old friends this week.

Mr. Hoskins now resides in Tucson, Ariz. His mother ran the telephone switchboard, first one in Muleshoe, and it was located in their home, which stood about where the telephone office is at present.

### Ike Stinson's Host To Sunshine Club

The Sunshine Club party at the home of Mr. and Mrs. Ike Stinson was a huge success. Every one had a good time, there were plenty of weiners and marshmallows to roast, there was also ice cream, cake, coffee and koolaide.

Mr. and Mrs. Hut Crawford took their movie machine and all enjoyed a good movie with the children enjoying a good comedy.

The club members and visitors enjoyed a good visit. Those present were Mr. and Mrs. O. C. Kirk and family, M. M. Simmons and family, Mr. and Mrs. Herbert Nash, Mr. and Mrs. J. C. Hart, Mr. and Mrs. Geo. Chambless and daughter, Mattie Mae and grandson George

Floyd also their son Richard who is home on furlough, Mr. and Mrs. Tinie Lewis and children, Mr. and Mrs. Hut Crawford and children, Mr. and Mrs. Dave Coulter and family, Mr. and Mrs. Cecil Harvey and boys.

Mr. and Mrs. N. W. Lee and daughter, Mr. and Mrs. Wm. Stass, the Payne family and several granddaughters, Mr. and Mrs. Bearden, Mr. and Mrs. C. H. Odum, Mrs. Browder and son, Mr. and Mrs. Ike Stinson and children.

Visitors were Mrs. Haley of Lubbock, Mr. and Mrs. White, Troy Daniels, Mr. and Mrs. Willis and daughters, D. L. Morrison and family, Helen and Billy Robert Blans

### Mrs. Kloepper Hosts Casey-Heathington Go And Sew Club

The ladies of the Go and Sew club met in the home of Mrs. Barbara Kloepper, Thursday, July 20.

Tea towels were embroidered for the hostess.

Refreshments were served to Mesdames Ellen Caldwell, Lucille Thomas, Ida Mary Shofner, Lou Testerman, and Cora Thomas.

The next meeting will be in the cett of Three Way, George Swann and several others. The Club plans another party in August.

### Mrs. Kloepper Hosts Casey-Heathington Rites, July 20

Mr. and Mrs. William Q. Casey are this week announcing the marriage of their daughter, Beverly Ann to Mr. Aubrey E. Heathington, son of Mr. and Mrs. Fairis Heathington.

The couple were married in the Methodist parsonage at Fort Sumner, N. M. by the Reverend Raleigh T. Cribb, on Thursday, July 20, 1950.

The couple plan to make their home in Muleshoe. An invitation was read from the Slaton Assembly to attend their Friendship Night, August 19, and

### Delia Ann King And Gwenelle Workman Initiated Into Rainbow Assembly

Muleshoe Assembly of Rainbow for Girls met last Thursday night, July 20, in regular meeting and for the purpose of initiation.

Misses Delia Ann King and Gwenelle Workman were initiated. Worthy Adviser Peggy Robinson presented Mrs. Vance Wagon, past Mother Advisor, the past Mother Advisor's pin in behalf of the Assembly.

An invitation was read from the Slaton Assembly to attend their Friendship Night, August 19, and

asked one of the Muleshoe girls to fill the station of Religion. Some of the girls plan to go.

It was reported that there was the largest group in attendance that there has been for sometime and it was truly an inspiration for all.

After the meeting refreshments were served to 31 members and seven guests.

The next regular meeting will be August 3.

## FEDERAL "AID" BILLS REACH TOTAL OF 307

Uncle Sam has a bargain basement sale in the making with a total of 307 attractive offers of financial aid to state and local governments. All the Federal Government wants in return is a bigger say in running hometown affairs.

In a special study released today State Chambers of Commerce added the bills for Federal aid before this 81st Congress and came up with a total of 307.

If all of them were passed, they would add approximately \$3,200,000,000 to the present Federal spending the first year and well over \$6,000,000,000 a year by the sixth. None of the bills even hinted

that the people in the states would pay in full, by Federal taxes, for the very "aid" they were offered. These proposals cover 41 different types of grants-in-aid. They include such measures as spending \$8 million for the Federal Government to enter the character training field and another \$50 million to promote the health and soundness of youth.

Federal grants - in - aid to state and local governments have grown steadily since the end of World War II, both in total dollar expenditures and in the number and variety of services subsidized. Federal aid amounted to approximately \$2 1/2 billion. This is \$800 million more than the total sum paid out in the fiscal year 1948 - just two years ago.

The amazing thing about this flood of grant-in-aid measures is that few, if any, State Governors have come to Congress asking for such legislation. Many State Legislatures have adopted resolutions roundly criticizing Federal grants-in-aid as a growing and costly evil. For instance, the Indiana Legislature said,

"Indiana needs no guardian and intends to have none. We Hoosiers were fooled for quite a spell with the magician's trick that a dollar taxed out of our pockets and sent to Washington, will be bigger when it comes back to us. We have taken a good look at said dollar. We find that it lost weight in its journey to Washington and back. The political brokerage of the bureaucrats has been deducted. We have decided that there is no such thing as 'Federal' aid. We know that there is no wealth to tax that is not already within the boundaries of the 48 states."

## RABSON DISCUSSES

### World War III

NEW YORK CITY, July 21—Every two months at least, I come to New York to check over the outlook with a very few influential and well-informed people whose names readers would recognize. This is a review of their unanimous opinions at the moment.

**Postponing World War III**  
These men insist that neither the United States nor Russia can afford a World War III at the present time. It certainly would result in destroying some of the larger cities of both nations and millions of innocent people. To prevent this we must gradually by infiltration extend our influence by appeasement, compromising or scaring Southern Asia and western Europe into stopping the Communists. Added to this we must keep our own people happy by providing full employment.

At first thought this seems a cowardly position for us to take, but is believed that Russia also is anxious to prevent war and is willing to compromise to keep the peace. For instance, the United States might get out of Korea, while Russia might get out of Berlin and East Germany. A divided Korea or Germany would always be a tinder box for war. Russia would not suffer from atomic bombing as much as the United States; but the thought of the new H-Bombs, which can be used by artillery against her armies if they attempt to overrun Europe, makes Stalin hesitate. Both sides may soon be looking for a "face saving" way out.

**More Inflation Inevitable**  
The high level of U. S. production should continue as long as the Cold War lasts. When this comes to an end, either by a Hot War or by Peace, then will be the time for an economic crash. Even then a period of unemployment could be postponed further. Assuming people then stopped buying autos and the employees of the automobile companies are thrown out of work, the New York guess is that the Government would loan people money to buy automobiles on ten year payments and at a low rate of interest! Even now congressmen are asking "Why is not the Government as justified in loaning money to buy furniture as to buy homes? But, although the effects of Newton's Law of Action and Reaction may be postponed, the law cannot be repealed. **Trouble is coming someday.** I asked, if under these conditions the automobile companies would be allowed to make money for their stockholders? To this

my friends answered, "Yes, because the taxes which the Federal Government collects are dependent upon these auto companies and, in fact, all other companies paying dividends." Of course, such a "stop-gap" program requires continued high taxes, more borrowing and more inflation, war or no war. Such will then be all the more necessary because import duties will gradually decrease. World peace ultimately requires "free trade." Furthermore, the Government will someday not be collecting in part payment so much as it does now. When that happens mortgages and other debts of individuals will have to be extended and increased by the Government.

### Russia Does Not Need War

To repeat: The Cold War will be continued until there either is a Hot War or Peace after which mass unemployment can be prevented only by the U. S. Government adopting a more or less socialistic program. Hence, Stalin figures that if he is patient he is bound to reach his goal in the end, namely, the spread of Communism throughout the world. As one New York banker expressed it, "The market may have one more big whirl upward, but I fear that large investors are becoming 'like sheep being led to slaughter' through destruction of property, or high taxes or inflation."

In the meantime, the U. S. will require vast sums: (1) For defense and ESPECIALLY FOR THE REMOVAL OF BASIC INDUSTRIES FROM OUR BIG CITIES; (2) For subsidizing consumers purchasing power to prevent unemployment in the U. S.; (3) To bribe Europe and other nations to keep out of Communism and (4) To help out the domestic manufacturers facing destructive foreign competition due to the absolute necessity of reducing tariffs. **Suggestions To Investors**

**STOCKS TO AVOID:** Those of big companies with most of their assets in big cities; those having a high proportion of labor expense and thus very subject to labor pressure; and those which will suffer from foreign competition and imported goods. **STOCKS TO BUY:** Those of companies which will profit from the great building dispersion and decentralization program in moving industries out of the big cities; stocks of merchandizing companies especially the chain stores; and the stocks of the public utilities serving small cities of the Central West and South.

## COLLEGE STATION, Tex. (Spl.)

Twenty-five Texas Aggies on summer vacation take the field this month throughout the state in a campaign to insure themselves a seat in church at Aggie-land this fall.

answering a call from Rev. Bob Sneed, director of student religious activities, A. & M. Wesley Foundation, these Aggies are seeking \$10,000 for pews in the \$150,000 Methodist chapel being completed this year at College Station. Methodist students at A. & M. will furnish 50 pews for the new sanctuary, with each pew costing \$200. The 25 Aggie solicitors have been furnished cards identifying them as "authorized representatives of the Texas Methodist Student Movement and the A. & M. Wesley Foundation."

Urges the Rev. Mr. Sneed: "Have you ever thought what a church without pews would be like?"

## Palsied Children Clinic August 14

A clinic for the examination of cerebral palsied children will be held Monday, August 14. Five specialists will be present at the Center to examine children.

Cerebral palsy is a condition which may be present from birth or may be caused by childhood diseases as whooping cough or measles, or by head injuries. Under treatment, many of these children improve to the extent that they can care for themselves, attend school or become employable. Treatment begun at an early age is most effective.

Parents interested in bringing children to the clinic on August 14, are requested to register the child at the Center at some time before the clinic date. Further information may be obtained by contacting Dr. Esther Snell, Director of the Treatment Center, 3502 Avenue N, or by calling Lubbock 6541.

### YOU CAN'T ALWAYS BE LUCKY

But you can always be careful around farm animals. It's the "gentle" saddle horse, plow mule or milk cow that cause most of the accidents. So approach all farm animals cautiously. A friendly word or pat may save your life.

Be Careful—the life you save may be your own!

## FARM SAFETY WEEK

## TODAY'S meditation

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

The Sermon on the Mount  
"Let your light shine" (Matthew 5:16.) Read Matthew 5:13-16.

Off the coast of Korea we passed a lighthouse from which there shone no ray of light, while near by on hidden rocks lay the battered hull of a wrecked merchant ship.

We did not learn the reason for this double calamity; why the light no longer was shining or why the ship lay destroyed on the rocks. Possibly that belongs to the military annals of World War 2.

A lighthouse without a light is a menace in the darkness. No beauty of location, no symmetry of structure, can compensate for its failure to send forth light. It guides no distressed mariner; it warns no man of peril. It defeats the purpose for which it was built.

Our Lord said to His followers: "Ye are the light of the world." Again He said: "Let your light so shine before men, that they may see your good works, and glorify

your Father which is in heaven." The duty of every Christian is evident. We are to cast light across sin-darkened pathways and by word and deed keep men from making shipwreck of their lives.

**PRAYER**  
Our Father, only by Thy mercy have we come to the light. Shine through us, we pray, and let the light guide men to Thee. In Jesus name, Amen.

**THOUGHT FOR THE DAY**  
"The Light of the world is Jesus."  
Walter R. Williams (Ohio)

From where I sit ... by Joe Marsh

### Take Your Choice

Sitting around last Friday evening, the talk turned to the best way of getting to sleep when it seems you just can't. "The way I always do," says Sandy Johnson, "is to breathe deep and make believe I weigh a ton."

"Just throw away the pillow—it works every time," says Buzz Ellis. When counting sheep came up, right away was the question: What kind of sheep?

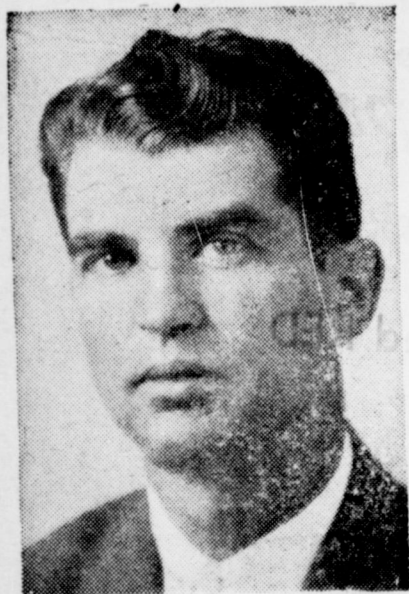

From where I sit, you could argue 'til Doomsday and never get complete agreement on a lot of things. Now, take me. I'm all for

having a glass of beer or ale on occasion. You "sociable beverage" may be a "Coke"—or buttermilk or maybe a cup of hot coffee.

But enjoying our preferences is a right in this country and each of us is entitled to his own. The important thing is to respect that right in the true democratic spirit of understanding! As a matter of fact, what a tiresome old world this would be if we all did have the same likes and dislikes!

Joe Marsh

Beautiful, blonde mermaid Esther Williams comes up from the waves to smile at the camera man. The lovely MGM queen of bathing beauties wears a cotton swim suit in a striking print designed by Cole of California.

**OLE SARGE**

Six Selective Service induction centers have been established in the Southwestern Recruiting District, comprised of the states of Texas and New Mexico.

Induction centers will be located at Amarillo, Dallas, El Paso, Houston, and San Antonio, Texas and Albuquerque, New Mexico.

The centers at present are bustling with activity in order to be prepared to receive the first group of inductees which are expected to arrive early in August.

Meanwhile, regular recruiting continues at a fast rate. Recruiting station which was manned by two or more recruiters will remain open seven days a week in order to handle the increased volume of applicants for enlistment. Recruiting stations manned by one re-

Mr. and Mrs. Dargin Kirk on the birth of a daughter, Donna Kay, July 22.

Mr. and Mrs. Jack Taylor on the birth of a daughter, Letha Jean, July 24.

**A Statement From Governor Shivers**

To The People of Texas:

The Korean incident has caused the State Government to receive numerous letters, telegrams, and telephone calls concerning various phases of civil defense.

It is timely to advise the people of Texas as to the status of our planning and organization.

A state organization has been in existence and active for a period of months. The State is in constant touch with the appropriate officials of the Federal government. When the invasion of South Korea occurred, a letter was in the mails from the Governor to the 713 Mayors and the 254 County Judges of Texas, outlining in detail the plans as they effect local government. This personal letter will be followed by bulletins issued as frequently as necessary to keep local communities completely advised of developments.

Private industry and business and public utility installations should take normal precautions for the protection of property, but we have no advices from the National Government which would indicate the need for special policing by State or local forces.

There is much justification for concern over the international situation, but there are no grounds for excitement or hysteria.

While the agencies of the government continue to strengthen their forces and facilities, the individual citizen might well show his or her willingness to participate in the total preparedness of our people for any emergency by volunteering immediately to take the standard courses in first aid and care of the sick. This training will be of the greatest benefit to ourselves and to our neighbors no matter what kind of disaster befalls us.

There is also a need now for recruits to take training as nurse's aides.

A practical, an important, and a patriotic job is available for each

recruiter will remain open six days each week and the recruiter will be "on call status" on Sundays and holidays.

Changes affecting regular enlistments are still being received daily at the recruiting service headquarters. Army enlistment mental standards have been lowered to the same level as that required of inductees. Air Force mental requirements have been revised slightly, which will allow certain rejectees to be re-examined. Those affected will be contacted by the local recruiting sergeants.

Orders have been received, requiring Army officer candidate applicants to sign a statement agreeing to serve two years on active duty as an officer, upon satisfactory completion of the course.

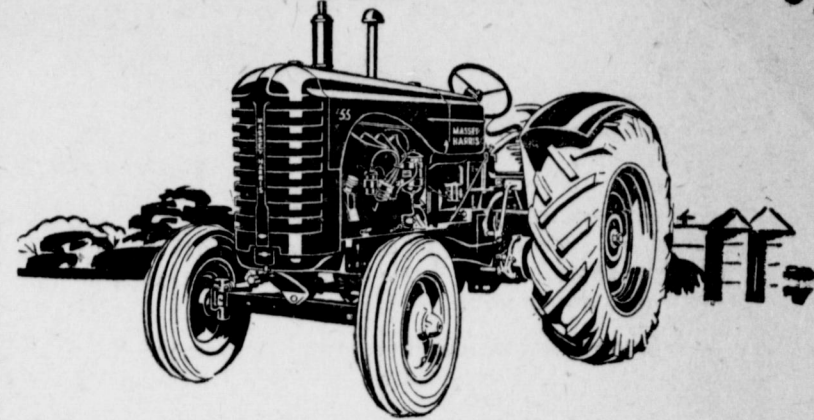

Authority has been received by the recruiting service which will allow former servicemen who were discharged under the "lost pay" provision of the Career Compensation Act, to reenlist within 120 days after discharge. The law originally called for one year waiting period before reenlistment could be accomplished. The same authority also abolishes the three letters of recommendations previously required of enlistees.

So long 'till next week,  
Ole Sarge.

one of us. I have no doubt that the citizenship of this State will respond to the calls made for their help in demonstrating to the world that the people of America are equal to any test which future time may bring.

**UNDERGOES OPERATION**  
Nick Toews, manager of the local Piggly Wiggly store, underwent an operation at Payne-Shotwell Foundation in Littlefield Wednesday morning. Mr. Toews has been ill several weeks.

**BRUTE STRENGTH**  
WITH CONTROLLED POWER OUTPUT

**THE MASSEY-HARRIS 4-5 PLOW "55"**

Big, husky, powerful... the "55" is packed with lugging ability that really digs into your heavy work and gets it done quickly and easily. Yet with all of its power and brute strength, the "55" is surprisingly easy on fuel. It's the result of built-in governor and automatic spark control. You get controlled power... efficiency unmatched in a tractor as big as the "55"... plenty of power on heavy jobs, only the power required for lighter work. You'll like the way the "55" is master of its power. It's more economical to own and brings lower production costs, greater savings to your farm.

See us soon for complete details on the Massey-Harris "55"... the tractor that thrives on heavy work.

**ENSIGN CARBURETION**

Thousands of successful Butane-Propane engine installations using ENSIGN Carburetion return handsome dividends in fuel savings and in greatly reduced maintenance. There is no hard carbon. Lubricating oil can safely run three to four times as long. Because Butane-Propane burns as a dry gas, lubricating oil is neither diluted nor washed from cylinder walls. This means longer engine life than with gasoline or diesel fuel. Tractors, trucks and stationary engines burning Butane-Propane run three to four seasons without overhaul or valve grind.

**CONSULT SPECIALISTS**

The carburetion you buy and its method of application is the key to successful engine operation on Butane-Propane. ENSIGN, carburetor specialists for 36 years, pioneered Butane-Propane Carburetion and has perfected an highly efficient vaporizer and carburetor for maximum power, economy and safety. Insist on ENSIGN. Your local authorized ENSIGN Dealer is trained to make good installations. Let him check your engines. He will tell you what you can expect from Butane.

### Recreation News

**By EARL JENNINGS**  
Seasons play ended last week in the Lions' Club Recreation Program and the Cardinals and Yankees were tied for first. Each had won 13 and lost 12 while the Cubs won 12 and lost 13. Playoffs began Thursday evening. This marked the third straight year that the Cardinals have been in the playoffs. Bob King won the batting title after finishing fourth last year. He had an average of .709. Bob is followed by teammate Robert Waggoner who has a .706 mark. Robert Waggoner also bagged the home run crown with 9. Kenneth

Lovelady won it with 26 last year. Bob King scored the most runs, 39 while Roy Harris got the most hits, 48. Donald Roddam hit the most doubles, 20 and knocked in the most runs, 53.  
There were around thirty kids that passed their Beginning Swimming Test within the last two weeks. They will receive a Red Cross Certificate for this accomplishment. There were a few kids that learned to swim that did not attempt to pass the test. There will be a Swim Meet conducted by The Recreation Program next Wednesday at the local pool. There will also be an all star game at the Park next Friday evening. Any person interested in either of these events is cordially invited to at-

tend.  
A Ping Pong Tournament was held Tuesday morning at Teen Town. Jean Montgomery won the girl's title for the second time this year. Myrnell Bowen finished second. In the boy's tournament Leon Harvey was upset in the finals by Donald Roddam. Harvey won the first tournament and he was favored to repeat.  
Robert Waggoner and Donald Roddam will captain the all star teams. Serving under Robert will be Jimmy Allison, Clark Colson, Robert Richards, Leon Harvey, Travis Clements, Rorer Graves, Ted Milsap, Jr. McKnight, and Stan Fox. Members of Donald's team will include Bob King, Roy Harris, Bob Daniels, Billy Estep, Charles Waggoner, Carl Thomas, Cleve Bland, Archie Scarborough, and Bo Bryant.

### Chrysler Sets Record In Cars

It is announced by Joseph A. O'Malley, General Sales Manager of the Chrysler Division, Chrysler Corporation, that the month of June, 1950, set an all-time high for the production of Chrysler cars. The figure is slightly over 10 per cent better than that for the previous high month, September, 1949, and approximately 16 per cent over the third highest month, January, 1941.  
Another record was set by Chrysler in the week ending July 15, 1950, which brought the largest number of retail deliveries of Chrysler cars ever made in a period of seven days. This new all-time high for retail deliveries tops by 5.4 per cent the previous mark set in the week ended May 17, 1941.

Not only was June production a new high for Chrysler but it also saw a very large percentage of the more luxurious models come off the assembly line. Saratoga, New Yorker, Imperial, Town and Country and Crown Imperial cars accounted for 26.2 per cent of the total.

"Even with this record production, our dealers are swamped with orders that they have been unable to fill," says Mr. O'Malley. "Every dealer in our entire organization of some 3,500 has asked us to increase his quota. Many have said that they would take all the cars of the current model we possibly could ship them."

"Inevitably, with this tremendous demand, it will be impossible to make immediate delivery to all of our customers. We can assure these customers, however, that cars are being allotted to our dealers on a completely equitable basis, and we expect that every order will be filled in its proper turn, with fairness to all. We intend to continue to produce cars to the limit of our capacity, subject, of course, to possible changes in conditions that are beyond our control. It should be borne in mind by those who are inclined to be impatient that our dealers accumulated a very large backlog of orders during the three months that our plants were struck early this year. On top of this came the accelerated demand for new cars caused by the unsettled international situation."

### Safety In The Home

COLLEGE STATION, July 24—More farm accidents occur in the home than in any other single place on the farm and about the most dangerous room in the house is the kitchen. There are many reasons why accidents happen in the kitchen, says Mrs. Bernice Claytor, extension home management specialist of Texas A. & M. More farm accidents occur in College, but few outrank carelessness and household disorder.

Poor connections on the gas stove; overheating and using kerosene in coal or wood ranges, gas escaping when a boiling pot has extinguished a flame; pots and pans containing hot food or water upset by children, using worn-out equipment, especially electrical appliances, matches not placed out of the children's reach and accidents that often happen to the homemaker while frying foods in deep fat—these are common causes of kitchen accidents.

Mrs. Claytor says that a well kept kitchen, one that is provided with plenty of cabinet and storage space, is most likely to be a safe room. However, carelessness can nullify the features of even the best planned and constructed kitchens. One gas explosion or a fire caused from hot grease removes the kitchen and often times the housewife from further safety troubles.

The stairs and steps both inside and outside the home seem to have been made especially for creating accidents by falling since so many home accidents happen there. It is dangerous under any circumstances to walk on stairs with both arms loaded and it is doubly so when the stairs or steps are cluttered. Stairway treads should all be the same width and risers the same height, says Mrs. Claytor, and the treads should not be polished. The stairway is no place to store the broom, mop nor the children's toys. Scatter rugs should never be placed at the bottom nor top landings of the stairway. Loose or frayed runners are extremely dangerous. Cellar steps are usually poorly lighted and also catch more of the items that are just temporarily set there until they can be moved into the cellar. These are the items that cause many of the serious home accidents. They are not moved until someone gets hurt. Protection from fire hazards,

### School Children Should Visit Dentist Now

AUSTIN, TEXAS, July 25—"Now is an excellent time for school children of all ages to make a trip to their dentists' offices," Dr. Geo. W. Cox, State Health Officer reminds Texas parents. Since school progress is influenced by the pupil's health, which is in turn affected by mouth conditions, it is wise to visit the dentist during the summer vacation and obtain any needed treatment before school starts. "It is dangerous to assume that there is no need for dental attention simply because a child does not complain of a tooth ache or the parent does not notice any cavities. Only careful examination by a dentist can justify such a conclusion. "Children entering school for the first time are particularly in need

**TO OKLAHOMA**  
Alton Cherry and son Wayne left Saturday for Erick, Okla. to visit with relatives. Mr. Cherry returned to Muleshoe Monday but left Wayne for a two week visit.

**TO BEAUTY SCHOOL**  
Mrs. Alton Cherry left Saturday for Fort Worth to attend an advanced school on beauty culture at Isabelle's. The course is for two weeks and is for operators only.

of dental attention. Usually they are at the age when the first four permanent teeth, the sixth year molars, appear. Because these erupt before the shedding of any baby teeth, they are often mistaken for baby teeth. Since these are important teeth they should receive early and regular attention by the family dentist.

"Postponements of a visit to the dentist may result in pain and discomfort for the child later on. To avoid such suffering and to prevent the development of conditions that may require more extensive dental services at a later date, parents are strongly urged to take their children to the dentist for an examination now. Prompt action will allow time to complete any needed corrections before school opens."

orderliness, timely repairing, using tools and equipment as they were intended to be used, disposing of worn out appliances and the use of common sense will greatly reduce the number of home accidents, says Mrs. Claytor.

**REALLY DUPLICATING**

A Senate Appropriations Committee research report recently disclosed that there are 61 separate Government printing and duplicating plants in Washington, D. C., 23 in San Francisco, 25 in Philadelphia, 16 in Chicago, 6 in Kansas City, 6 in Denver, 16 in New York, and so on.

Mrs. Ann Poling, 609 Delaware St., Indianapolis, Indiana, who was suffering from deficiencies of Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron, and Niacin, smiles as she pours herself another cup of coffee. Mrs. Poling says life lately is like it used to be years ago. "That is, of course, since I've been taking HADACOL." She can't get over what a difference HADACOL has made in her outlook on life.

Mrs. Poling says: "Three months ago a good friend of mine told me about HADACOL—she knew how much stomach distress I have had. Any type of food that was fried or that had acid in it I just couldn't eat. It affected my sleep, too. In fact, I couldn't have been in a worse condition. When I ate what I wanted to I felt miserable and when I didn't eat these things—I didn't have a proper diet and still felt bad. Then when I started taking HADACOL, I felt better immediately. I've got a bottle in the house now—and will continue to keep HADACOL from now on. I have told many folks about HADACOL—and they all thank me for telling them about HADACOL. They all have gotten wonderful results from HADACOL like I have. Now I eat anything I want and get a good night's sleep. I can't praise HADACOL enough."

**HADACOL Can Help You, Too!**  
as it has helped thousands of others whose systems lacked Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin. Yes, even hundreds of doctors have recommended HADACOL to their patients. The HADACOL formula is so effective for stomach distress, nervousness, insomnia, constipation, aches and pains of neuritis, and a general run-down condition caused by such deficiencies.

**Make Up Your Mind**  
... to give HADACOL a chance to help you, as it has helped countless thousands of others. Remember, there are no substitutes for HADACOL. Always insist on the genuine HADACOL. No risk involved. Buy a bottle of HADACOL, either the trial size, \$1.25, or the large family or hospital size, \$3.50, and if HADACOL does not help you your money will be refunded.

© 1950, The LeBlanc Corporation

**New GI Home Regulations Go In Effect For World War II Veterans**

New GI home loan regulations went into effect July 12 for the more than 13,000,000 World War II veterans who have not yet used this GI bill benefit to buy or build a home.

Veterans Administration said that probably the most important aspect of the regulations to veterans is the new 60 per cent guarantee up to \$7,500.

The new guarantee is available only to those veterans who have not used all or part of the old 50 per cent guarantee up to \$4,000 for home loans.

For veterans who have not used either the old or the new guarantee the regulations provide that they may take advantage of either but that this is a matter for the veterans and the lenders to negotiate between them.

Veterans who elect to use \$4,000 or more of the new guarantee but not all of the \$7,500 maximum have no further entitlement to the remaining amount under the law.

The new regulations also set up mandatory minimum construction requirements for new homes started on or after June 19, 1950, with GI loans. Similar requirements for new construction have been in effect for some time on a voluntary basis, but this is the first authority granted VA to make them mandatory.

The regulations designate eligible unmarried widows as veterans in their own right. This enables them to use the full amount of the new \$7,500 guarantee, even though their husbands had used all or part of the old \$4,000 guarantee before their deaths.

Unmarried widows may qualify for the guarantee if their husbands died as the result of service in World War II. The husband must have served in the armed forces at some period between September 16, 1940 and July 25, 1947, and his death must have been a result of service while on duty or must have resulted from service connected causes following discharge under conditions other than dishonorable. A further condition is that the widow must not have remarried following the veterans' death.

The new regulations further provide that VA, under certain conditions, may restore the Loan Guaranty rights of veterans who already have used their entitlement to purchase property which they later lost through condemnation or by fire of other natural hazards, or for some other compelling cause "devoid of fault on the part of the veteran."

VA is now completing instructions for its field offices to administer this regulation. In addition VA is drafting regulations to administer the provision of the law which enables VA to make direct loans to eligible veterans in certain areas where 4 per cent financing is not available from other sources. This provision becomes effective July 19, 1950.

VA said that on or about July 19, 1950, its field offices will announce the list of designated areas eligible for direct loans. Application forms for veterans use will be available in the field office at that time.

VA and the Federal Housing Administration already have taken joint action under the law to limit fees and other charges which may be made against builders and veterans in connection with construction and sale of homes financed

through GI and FHA loans. This joint action was announced June 28, 1950.

VA further has taken action under the law to terminate combination FHA-VA loans by October 20, 1950. This announcement was issued April 28, 1950.

All of these actions were taken or will be taken under the Housing Act of 1950 signed by the President April 20, 1950, which contained several provisions amending the GI loan law.

**The Recreation Program**

By EARL JENNINGS

The Lion's Club Recreation Program Softball League played six games this week and the Yankees took over first place. The Cardinals follow one game behind while the Cubs trail five full games behind. Bob King took over the batting title with a .708 average. Roy Harris who has lead every week except the first has dropped to second although he retained his lead in hits with 47. Bob King also leads in runs with 39 and doubles with 17. Roger Graves still leads in triples with 5 and he still hasn't hit one since the first week. Donald Roddam leads in runs batted in with 42.

About 20 kids passed their beginners Swimming Test last week. They will receive a Red Cross Certificate for this accomplishment. There are around fifteen others who will pass it next Friday. There are a few kids who learned to swim that did not attempt to take the Test. Eight year old Mike Barron was probably the most outstanding pupil. He passed his Beginners Test and he was diving off the high board and doing flips off the low board. This is rather amazing for a child so young.

The Recreation Program sponsored by the Lion's Club is one of the best things that has happened to Muleshoe in a long time. There is probably no other town in the country the size of Muleshoe with a comparable Recreation Program for the kids. Not only has this program taught nearly thirty kids to swim, it has taught them the value of sportsmanship and the desire to win. The Lion's Club bore considerable expense to buy the equipment for softball, Ping Pong, Croquet, Badminton and Basketball. Every person in the community should be grateful to them for this sacrifice.

**CARE FOR VETERANS**

Of the 110,675 patients in Veterans' Administration hospitals in February of this year (1950), only 36,726 were service-connected cases. The remaining 73,949, or 68.5 per cent of the total number, were non-service connected cases.

**Volunteers For Reserve Wanted**

AUSTIN, July 15—An immediate call for volunteer enlisted reserve men and WACs for extended active duty has been announced today by Col. Oscar B. Abbott, Chief of the Texas Military District.

Reservists most urgently needed include radar, radio, tank, anti-aircraft artillery mechanics, engineer heavy equipment operators, cryptographic technicians and engineer construction specialists.

Included in the requirements for enlistments are: Reservists agree to serve on extended active duty for a minimum of one year and meet current physical requirements.

Interested enlisted Reservists are urged to contact their Organized Reserve Corps unit commanders and instructors for further details.

**VISIT IN ST. LOUIS**

Dr. and Mrs. M. F. Green left Friday morning for a 10-day vacation in St. Louis, Illinois and possibly Chicago. They will visit Mrs. Green's parents while there.

**REPAIRING GIN**

Repairs and improvements to the Cooperative Gin at Enochs are being carried out during the summer months.

**It's Super**

**for Long-Lasting Pep!**

Life begins at 50,000 miles... when you OIL-PLATE the engine of your car with new Conoco Super Motor Oil!

Proved by 50,000-Mile Road Test! After a grueling 50,000-mile road test, engines lubricated with new Conoco Super Motor Oil showed virtually no wear at all... an average of less than one one-thousandth inch on cylinders and crankshafts. Proving that new Conoco Super Motor Oil — with proper crankcase drains and regular care — can keep new-car pep, new-car performance, year after year!

Come in and let me tell you about "50,000 miles no wear!"

WINDSOR 4-DOOR SEDAN

Make no mistake! Chrysler was first to develop high compression. And Chrysler's kept its big head start! This is the much-admired... much-imitated... but never equaled Chrysler High Compression Spitfire Engine with Full Flow Oil Filter! And what a powerhouse! Rain and high water won't stop it! Its exclusive combination of advantages mean long life—trouble-free performance that beats anything you've known! Come feel the difference in smooth power... see the difference in workmanship! In quality of materials... in great engineering! In built-in value all the way through! Come get the inside story of today's best buy... and we're sure you'll drive Chryslers from now on!

See it—drive it... there's built-in value all the way through!

**Advantages of Chrysler's High Compression Spitfire Engine!**

Waterproof Ignition—prevents stalling in rain or high water! Chemically Treated Cylinder Walls—for greater wear. Floating Power—helps eliminate vibration. Super-finished Parts—reduce friction, last longer. Exhaust Valve Seat Inserts—reduce need for valve grinding! Full Flow Oil Filter—keeps oil clean!

**Advantages of Chrysler's Fluid Drive**

Automatic Gear Shifting—with full control of your car! Better traction—safer on slippery roads. Convenience of clutch for easier parking. Slower Engine Speeds—reduced noise, wear. Saves gasoline! Drive in high while others drive in low in traffic.

**Chrysler's Advantages in Comfort and Safety**

Functional Design—full room for your head, legs, shoulders. Easy to enter and leave! Safe-Guard Hydraulic Brakes—smoother stops, less pedal pressure. Cycle-banded linings for double the wear. Electrically Operated Windshield Wiper—constant speed oil the time! Chair Height Seats—no crouching, you sit naturally! Safety Rim Wheels—won't throw tires after blowouts at normal speeds. Double-width Arm Rest—for new whole comfort.

**Mid-Summer Tune-Up Time!**

Time to drive in for that mid-summer motor check-up. We'll adjust ignition timing, clean and adjust carburetor, service battery, flush and refill crankcase (5 qts.), flush radiator and adjust fan belt... all at a low cost. Drive up for service today!

### Lariat Gin Is Being Improved

Despite the prospect that this will be a "poor" cotton production year, Guy Nickels is spending considerable money in modernizing the plant of the Lariat Gin, which he owns.

Mr. Nickels told the Journal he has rebuilt his building entirely. It is of all-steel construction. Then he is proud of his new lint cleaning equipment, installed this summer, which he said would improve the grade of the lint turned out at his place. Mr. Nickels believes he will have one of the most modern gin plants in these parts when all improvements are completed.

#### Three Way

(Too late for last week)

**THREE WAY W. M. S. MEETS JULY 17**  
The Three Way W. M. S. met at the Church, Monday, July 17, for Bible Study. Rev. Ellis gave the Bible lesson.

Those present were Mesdames: D. P. Brinker, Albert Ellis, J. C. Hamlin, A. J. Neutzler, Ed Neutzler, Truitt Smith, M. G. Ellis, W. R. Byers, and a visitor, Mrs. Knight.

Audrey Faye Elliott of Snyder is visiting with her cousin, Eyvone Calvert. James and Nina Fine and Daughter of Levelland visited with M.

L. Fine and family recently. Dwayne Campbell has recovered from his illness. Clinton and Nina Edwards are home from the wheat harvest.

Watson revival will begin Friday night, July 28, with Rev. Fields of Dallas conducting the preaching services.

Mrs. A. J. Neutzler spent several days visiting with her brother at Childress; a brother and sister at Dallas. She also went to Athens to see her mother's and father's graves. She had a tombstone placed on her mother's grave.

Mrs. M. D. Gaddy who is the Muleshoe Clinic is doing as well as can be expected. She is recovering from a major operation. We all miss her and wish her a speedy recovery.

Rev. Jerral Gaddy of Austin is here to be near his mother. Mrs. D. P. Brinker and Mrs. Irby Smith left immediately after Sunday School to visit their father at Idalou.

We welcome Rev. and Mrs. M. G. Ellis and Billie Rose to Three-Way. They moved into the parsonage the past week.

We want to thank each one who had a part in taking and putting up the tents at the G. A. encampment near Floydada. The girls that went to the Junior Camp were: Rowan Shepard, Janelle Sedgwick, Peggy Wittner, Eyvone Calvert, Nan Johnson, Audrey Fay Elliott, Donna Shepard, and Ruth Adolz. Sponsors were Mrs. Andrew Wittner, Mrs. Amos Sedgwick, Mrs. Roland Shepard and Mrs. S. D. Key. A good time was enjoyed by all and we are glad to be a part of the largest group that has ever been at the encampment. There were over 1100 registered.

Girls that went to the Intermediate Girls Camp were: Yvonne and Barbara Mitchell, Betty Van Liew, Mrs. Chester Petree and Mrs. Naomi Henderson were sponsors from Watson, Yvonne Carpenter, Joyce Brinker, Wilma Emerson, Dora Mae Carpenter, Billie Rose Ellis, and Mrs. Edwin Neutzler and Mrs. Adolph Wittner, sponsors, from Three Way.

**GEORGETOWN VISITOR**  
Mrs. H. O. Barbour left Tuesday for Georgetown, Texas for a visit

**AT NIECE'S WEDDING**  
Rev. and Mrs. H. W. Hanks were in Colorado City at the week end to attend the wedding of a niece, solemnized Sunday evening in the First Presbyterian Church there.

Karl Lovelady, Muleshoe attorney, gave a layman's address at the morning worship hour in the First Methodist Church, of which Rev.

Hanks is pastor, and the young people gave a program for the evening service.

**RETURN TO MULESHOE**  
Fuston McCarty has returned to Muleshoe after spending six weeks attending an ROTC camp in San Antonio.

## FOR ACCURATE SEEDING AT TRACTOR SPEEDS

Use a McCORMICK GRAIN DRILL

A Type And Size For Every Need

The work a grain drill does is largely hidden. Not until the crop is up can you really see if the seed has been distributed evenly and without skipping. That's why it's so important to use a thoroughly reliable drill... a McCormick. These drills are real precision-working machines.

They meter the seed accurately and deposit it at the depth you want. You'll like their sturdy non-sag construction, the all-steel hoppers that never warp or rot, the ease and simplicity of adjustments.

Come in and see us the next time you're in town. Get all the facts about McCormick Grain Drills. Remember, they're made in a great variety of types and sizes and with equipment to suit all needs.

## USED EQUIPMENT

- Two used Allis-Chalmers Combines.
- John Deere Model "A" with 4-row equipment.
- 12-Ft. Baldwin Gleaner combine.
