Kay Clampitt-She Loved And Listened To Her Class

By VIOLA PAYNE
The German word "Kindergarten" translates into English as "Child Garden."

No better title could be found for the private school operated by Kay Clampitt in Cisco for 36 years, from 1949 until 1986. The school has now closed, ending a special era. But during the time it was open Mrs. Clampitt game hundreds of children their pre-school training, including two generations of some local families.

Many of these students, along with their parents and other friends from the community will gather to honor Mrs. Clampitt at the Conrad Hilton Memorial Park next Sunday Nov. 16, 2 to 4 p.m. Anyone who thinks Kay Clampitt might be demolished after so many years of keeping up with four and five-year-olds should drop by this reception and see how very much alive she is. Her hazel eyes still sparkle, her smile lights up her face, and her energy is still abundant. As late as last spring she planned to keep her

Kindergarten in operation for a few more years. But more state regulations and mandates came along, making it more difficult for her to keep all the records and do all the testing required. So she quietly phased out her school, ending what many people call some of the best early academic training around.

Kay Clampitt first became interested in teaching during her childhood in Haynesville, Louisiana. She received her Degree in Education from Louisiana Normal College, now Nor-

thwestern University. She taught for four years in her home state before she and her husband, Frank, came to Cisco in 1941.

Frank Clampitt served as an Assistant Postmaster in the Cisco Post Office until his death in 1965. For awhile after they moved to Cisco Kay Clampitt worked as a Substitute Teacher in the Cisco schools, then in 1949 she opened her Kindergarten in the East Ward (now Primary) School.

Within a few years the

Reception For Kay Clampitt Will Be Held

There will be a reception honoring Kay Clampitt at the Hilton Memorial Park Auditorium Sunday, Nov. 16, 2 to 4 p.m. This will be a come-and-go affair.

Mrs. Clampitt is retiring after 36 years as a Kindergarten teacher in Cisco. Pictures of her former

students will be displayed during the afternoon, as well as memorabilia from her long career.

The public is invited to come by and visit with this devoted teacher. Former students and their parents are especially encouraged to attend.

First Christian Church to Hold Rummage Sale

First Christian Church of Cisco will hold a rummage sale and bake sale Nov. 14-15 from 8 a.m. until 5 p.m. in the Fellowship Hall.

Many miscellaneous items including clothes, kitchen utensils, and a black and white TV, will be offered for sale. There will also be a deep freeze.

Everyone is invited to come and have a 25 cent cup of coffee.

Lobo Yearbook To Be Thursday Only

Sale of the school yearbook, The Lobo, is to be this Thursday, Nov. 13, it was reported. Price of the annual is the same as last year, \$20.00. Students may have their names imprinted on the cover for an additional \$2.00, also the same as last year.

Students are encouraged to pay the full price, but may reserve a yearbook by paying a \$10.00 non-refundable deposit. The payment for name imprint must be made at the time of the order.

The sale is conducted on a one-day basis so that the school will not be required to pay the state sales tax.

Edge Gemco Construction Awarded Contract By CISD

Edge Gemco Construction, Inc., of Abilene was awarded a contract for Phase II of the elementary school modernization program at a meeting of the board of trustees of the Cisco Public School last Monday night.

The Abilene firm's bid of \$625,350.00 was the lowest of some ten bids submitted at a meeting last month, Supt. Ray Saunders reported. Phase II of the program calls for constructing 14 classrooms, offices, rest rooms and other work adjacent to the building erected during the past year in Phase I.

Contract details are expected to be completed in about two weeks and construction work will commence immediately, Mr. Saunders reported. Plans

call for the work to be completed by Aug. 1, 1987.

Officials of the construction company attended the meeting as did Architect Tommie Huckabee.

During the regular meeting agenda that followed the session on construction, the board approved the annual audit of school financial affairs by CPA Joe Cooper. The audit noted that the affairs of the school system were in excellent condition.

A textbook committee to recommend books for the 1987-88 school year was appointed, including Supt. Saunders, Principals Jack Martin, Jim Puryear and Bob Lindsey, Geneva Webb, Jeanne Rains, Sheila Johnson, Evelyn Kirk, Linda Clark, Jon Dennison, Mann-

ing Davis, Louise Chambers, Richard Myers and Rick Whitley.

Sharon Elton and Gus Smothers of the Cisco Civic League appeared before the board to volunteer their organization to help in any effort that might be made to raise funds for a covered

play area for children at the school. Since the destruction of the gym last year, the school has been without a covered play area. The board expressed appreciation for their offer and promised to study the matter.

Mr. Saunders reported that there were no bids for

the old primary school building on Avenue A. The board had advertised the building for sale to the highest bidder.

Trustees present were President Bruce Stovall, Sue Covert, Ralph Berry, Emmett Rich, Dr. Allen McGinness and Rick Roark.

Cisco Goodfellows In Need Of Donations For Food

The Cisco Goodfellows are receiving several applications asking for help with Christmas this year. There have been a lot of families whose sole providers have been laid off from their jobs. They are barely able to

make ends meet now and need help until they get back on their feet again.

One application received at the Cisco Chamber of Commerce last week requested help from a single mother with three children. She said she has been sick and they are on a fixed monthly income. They don't have much after their bills to buy food and her children need coats now. She shares whatever she has with her sister who comes in to help her out at home. The mother wrote, "Thank you, if you can help my children and my sister, I'll be okay."

A father wrote in for help because his wife has been in the hospital and he hurt his back on the job and receives treatments and can't work. Their son has also had an operation and has been under a doctor's care for a year and will have to continue visits to the doctor. He said they haven't been able to work much this year and that's why they need help.

Another single mother with three children ask for help because she's the sole support of her family but at the present time she is unemployed. She is also a month behind on her rent and she is trying to get caught up.

One woman wrote for help since her husband only works part-time. He is trying to find full-time work, but it is hard to find she said. He only makes \$50 to \$100 a week. They have three children.

Another woman wrote for help because her husband got hurt on the job. He gets a workman's comp check every 2 weeks. After their bills though she said they barely have money for groceries.

A single mother with three children wrote because she said her little check from work doesn't go very far and

her children have tried to find part-time jobs, but they have had no success. She wrote, "Maybe with your help it can be a little better. May God Bless each and everyone of you."

Another single mother wrote asking for help because she is the supporter of her two children and a couple of months ago her hours were cut down to 10 hours a week. She said any help the Goodfellows could give them would be so much appreciated and put to much good use.

Another father wrote in for help because he was laid off work earlier this month. He and his wife have three very young children. He asked for help for his children because they have no other way to get Christmas for them.

There were no donations made last week. The Goodfellows will need to buy enough groceries to give to all these families who have written in for help. Each application is screened by a special committee on the Goodfellows Board of Directors.

Everyone is asked to donate whatever they can give to help the families who are really having a rough time this year. All donations are tax deductible and checks should be made out to the Cisco Goodfellows and mailed to the following addresses: c/o Cisco Press, P.O. Box 1072, Cisco, Texas 76437; c/o Olney Savings, 701 Conrad Hilton, Cisco; c/o First National Bank, P.O. Box 1220, Cisco; or c/o Cisco Chamber of Commerce, 103 East 4th, Cisco.

Anyone who would wish to donate canned food may drop the food off at Bateas Builders, 203 East 8th, or The Cisco Press, 700 Conrad Hilton. New toys or any toys that don't need repairs may also be dropped off at either of the two addresses.

Cisco Police Arrest Men Here For Car Theft From Dallas

Four young Hispanic males were arrested by Cisco police at 1:40 a. m. Tuesday as they started to leave town in an automobile that was stolen earlier in the day in Dallas, according to a police department report.

Police Sergeant Larry Jernigan noticed the car, a 1980 Pontiac, at the Town and Country Store parking lot. He ran a check on it and learned that it had been stolen in Dallas. Mr. Jernigan called other officers. As the four men left the

parking lot and reached I-20, Cisco police stopped them. They threw a .22 calibre rifle from the car. The four men were placed in the county

jail at Eastland. Assisting Mr. Jernigan were Police Chief Billy Rains and Policemen Preston and Huddleston.

Joe Perry To Face Trial In Garcia Murder Case

Joe Thomas Perry, 46-year old former Ciscoan, was returned to Eastland County Monday to face trial with three other persons indicted on charges in the Garcia Murder Case.

Perry, who had fought extradition after his arrest near Boston, Mass., in August, was delivered to the county jail in Eastland by a firm that makes a business of transporting prisoners over the nation. Massachusetts authorities notified county authorities last week that he was ready for release to their custody.

Perry was scheduled to appear for arraignment in 91st

District Court on Wednesday, Nov. 12. He will be tried along with Richard Hinton, Brenda Andrews and Pat Starr early next month.

Perry and the other three defendants were indicted by a special grand jury in cases worked up by Special Prosecutor Bill Hart, charging them in the Nov. 29, 1981, slaying of Debra Garcia, Cisco convenience store worker.

Two Cisco brothers, Thomas and Charles LeFlore, are serving prison sentences after pleading guilty to charges in the murder case.

Calvary Baptist Church To Hold Christmas Bazaar On December 6

The ladies of Calvary Baptist Church are sponsoring a Christmas Bazaar to be held Saturday, Dec. 6th, the day of the Christmas Parade. The Bazaar will be open from 9 a.m. until 4 p.m. at the Corral Room (next to the First National Bank).

A stew and chili luncheon will also be served from 11 a.m. until 1 p.m.

There will be many holiday baked items for sale, such as candies, pies, cakes, cookies and breads.

Bank President Elected To Hendrick Board Of Trustees

A Cisco resident was elected to a major position of one of the Texas Baptist Boards during the annual meeting of the 2.3 million member Baptist General Convention of Texas (BGCT) in El Paso Nov. 4-5.

Lee D. Woolley, president and chairman of the board of First National Bank, was elected to the board of trustees of Hendrick Medical Center, Abilene.

Institutions of the BGCT include eight universities, one academy, seven hospitals, four children's homes and four homes for the aging.

This work is supported by the more than 5,000 Texas Baptist churches and missions which will give about \$60 million this year through the Cooperative Program for mission work at home and abroad.

FOOTBALL TICKETS

Tickets for the Lions Benefit Bowl that will be played Saturday night, Nov. 15, at Breckenridge between Cisco and Ranger Junior Colleges are on sale at The Press office and by members of the Cisco Lions Club.

Tickets are \$3 for adults and \$2 for students (free to pre-schoolers) if purchased before going to the game. The tickets will cost \$1 more at the gate.

Band Students Of The Week

AMY HOUNSHELL
Amy Hounshell, a sophomore at Cisco High School has been chosen as one of the two Band Students of the Week. Amy is the 15-year old daughter of Bill and Sarah Hounshell and plays the clarinet and is a member of the Flag Corp. She has played in the school band for 5 years.

STEVE COUCH
Steve Couch, a sophomore at Cisco High School has been chosen as one of the two Band Students of the Week. Steve is the 15-year old son of James and Joy Couch and plays the Baritone. He has played in the school band for 5 years.

The Turkeywalk for the American Heart Association was held last Saturday at the City Park. There were four people who participated in the event.

Barbara Jessup, who walks every year in the event said that the walk only takes 1 hour and 15 minutes and she hopes that next year there will be a bigger turnout. She enjoys the competition and each year she has always won one of the bigger prizes from the Turkeywalk, plus a T-shirt and a Thanksgiving turkey. Barbara said she would sincerely like to thank everyone who sponsored her in the Turkeywalk for the American Heart Association. She added that the money is greatly appreciated.

The last football game for the Cisco High School Lobos was played last Friday night and when the game ended there were mixed feelings for the seniors who played this year. It was a great vic-

tory for the Lobos, since they won 35-18-0, but it was the last football game in High School for them.

A lot of these young men have been playing football together since the 7th grade and there were a lot of tears and hugs after the game.

Every year when the last football game is over Seniors at CHS realize that a very special part of their lives is over and it's time to move on.

The Cisco Goodfellows are asking for donations to help with this year's program. It is a very worthy program and when a family is experiencing a time of bad luck, it's seems to be a life saver.

I know that at one time in my life, several years ago, I was given help at Christmas time for my children by a generous lady and I can still remember how much it meant to me.

So please send in your money now to help the Goodfellows.

With the cold weather coming on it's time to get your flu shots. The strain of flu this year is 'Taiwan flu', and you need to make every effort to protect yourself against it. Call your doctor and get your shot now. Don't wait until it's too late.

Christmas Spree Saturday

I want to correct an error I made last week. The date for the Christmas Spree at the Community Center is Nov. 15, in the 22nd. So everyone come the 15th. I am sure you can find most anything you would want in the way of gifts for Christmas.

The weather continues to be ideal. We had nearly 2 in-

ches rain Monday night. Some way my lilac bush thinks its spring! It is a mass of blooms and lilacs are only supposed to bloom in the spring. Also I am looking at what is probably the "Last Rose of Summer" just outside my window.

Mrs. Jewell Mobley and Maggie Cook of Baird visited

in Putnam last Saturday. Mrs. R. B. Taylor returned home with them and visited friends Mrs. Naomi Heyser and Bonnie Farmer at Baird.

Maggie Cook is spending this week at Dallas with relatives.

The Community Pot Luck Dinner was at the center last Sunday. This occurs every second Sunday and is enjoyed very much.

Mrs. JoAnn Collinsworth has returned home from

Houston Hospital following surgery on her gums last week.

Gayle Isenhower of Coleman and son Dale of Texas Tech at Lubbock were visiting their parents and grandparents, Ollie Burnam and the John D. Isenhawers last Saturday.

G.W. and Margie Weeks attended a Baptist Conference at Abilene Sunday through Wednesday.

Marie and Bill Lewis bowled at Abilene Tuesday evening. Marie also visited her brothers, the Dub Fishers at Baird, her son, the Buddie Maxwells at Abilene and her sister, Mrs. Katie Hislop at Abilene.

Visiting the Milton Donaways this week have been their sister and brother Babe and Bobbie Donaway of Odessa, their son, Danny Donaway of Weatherford, Mr. and Mrs. Glen Nicks of Nimrod Mrs. and Mrs. Woodard McCullough of Scranton, and the Rev. Carl Ingram of the Mitchell Baptist Church.

John Ivie has returned home after surgery at the Veterans Hospital at Temple.

Don't forget the Christmas Spree at the Community Center next Saturday, Nov. 15.

In Memorium..

Mrs. Ada Mobley has made a donation to the Endowment Fund of the Conrad N. Hilton Memorial Park and Community Center in memory of her son, Forrest Mobley of Houston. Mr. Mobley died last June. The center's board of directors gratefully acknowledges this donation.

Hours For The City Landfill

The citizens of Cisco are reminded that the hours of operation for the landfill are 1:00 p.m. to 5:30 p.m., Monday through Friday; and 8:00 a.m. to 4:30 p.m. on Saturday. The landfill is closed on Sunday. Also, residents are reminded that in order to use the landfill without charge, you must present a current water bill stub to the gatekeeper.

Necia Ann McKerwin and Jacob of DeSoto spent the weekend with her mother, Mrs. Frances Green.

AUXILIARY MEETING
The Auxiliary members will send the Christmas box to the Veterans Hospital in Dallas on Nov. 19. If you have not contributed to this cause, please do so in the next few days. The Comic Books, which the organization ordered for safety for children, have arrived and were given to the children in the Moran school. Others were given to parents with children that were not school age.

The minutes of the previous meeting were approved as read and the financial report given.

Rhonda Pipkin Recipient Of TA Scholarship

Rhonda L. Pipkin, a sophomore from Cisco, was selected as one of the recipients of Tarleton Academic Scholarship for the fall semester. Rhonda is a nursing major at Tarleton State University.

Recipients of the Tarleton Academic Scholarship are selected based on character, academics and need. Selections are made by the Tarleton Scholarship Committee after a review of student qualifications and recommendations.

The daughter of Joe Montgomery and Mary Montgomery, Rhonda came to Tarleton this fall from Cisco Junior College. At CJC she was a member of the Phi Theta Kappa sorority and was selected Outstanding Student of Psychology in 1985. Rhonda was also included on the President's List and the Dean's List at CJC.

Area News Briefs

CISCO
There will be a reception at the Conrad Hilton Memorial Park Auditorium on Sunday, Nov. 16 honoring Kay Clappitt, Kindergarten teacher (Retired). The time will be 2 to 4 p.m., and the public is invited. Mrs. Clappitt operated a private Kindergarten in Cisco from 1949-1986, and was known for her excellence in pre-school education. Pictures of former students will be displayed, as well as other keepsakes from her years of teaching.

Boy Scout Troop 101 will have a Family Night and business meeting on Monday, Nov. 17 at the First Presbyterian Church. The meeting will begin at 7 p.m., and refreshments will be served. Parents, come out with your boys and help make plans for activities. Friends of the Troop and other interested persons in the community - your support is needed too. There are 36 boys in Troop 101 now - it is a growing organization.

Directors of the Mobley-Hilton Board are reported to be very pleased with the way volunteers are keeping the Hotel open Saturdays and Sunday afternoons. A number of visitors are enjoying tours during the weekend. President Eris Ritchie says. Secretary Helen Gaeta of the Chamber of Commerce also reports that tourists drop in weekdays to tour the Hotel and Museum. Several visitors have told Mrs. Gaeta that they came after noticing the signboard on I-20 telling of the first Hilton Hotel.

Billy Bacon of Cisco, who was elected County Commissioner of Pct. 4 this week, plans to retire from Southwestern Bell Telephone Co. at the end of the year as he takes over his duties as the area Commissioner. Bacon has worked for the telephone company for around 35 years. He is a native of the area, and is looking forward to his new job, he says.

"Crossroads of Empire", a major collection of historical maps, will be exhibited in the Cisco Junior College Maner Memorial Library for the month of November. These maps are on a two-year tour of the southwest. Library hours are 8 a.m. until 4 p.m. and 6-9:30 p.m. Monday through Thursday. The Library is also open 8 a.m. - 4 p.m. on Friday and 6-9:30 p.m. on Sunday. The public is invited to come by and see these maps.

RANGER
The annual "Sweet and Coffee" Sale by the Ranger Hospital Auxiliary will be held Friday, Nov. 14 in the Conference Room of the First State Bank, Ranger. Coffee and pie/cake will be available for \$1.00. There will also be whole pies and cakes for sale. Donations for a turkey to be given away will be accepted. Proceeds will be used to purchase needed blankets, sheets and other linens for Ranger General Hospital.

The Ranger Jaycees will hold their annual Turkey

Shoot Nov. 13, 14 and 15 at the Jaycee Barn. On Thursday and Friday the Tournament begins at 6 p.m. and goes until 10 p.m., and on Saturday the hours are 10 a.m. until 10 p.m. Rules and regulations will be posted inside the Jaycee Barn. There will be turkeys and guns for prizes given away.

On Saturday, Nov. 15 Ranger Junior College will play Cisco Junior College in the Annual Lions Benefit Bowl at the Buckaroo Stadium in Breckenridge. The game will start at 7:30 p.m. This should be a good contest, and proceeds will benefit a very worthwhile cause.

On Saturday, Nov. 22 the Chamber of Commerce will sponsor a "Christmas Craft Bazaar" from 9 a.m. until 5 p.m. in the Recreation Building (old gym) on South Marston St. Come out and browse through these beautiful handmade items.

EASTLAND

Parents And Friends May Accompany Band

The Wrangler Band and Belles of Cisco Junior College announced today that they will have room for several parents and friends to accompany them on their trip to Villahermosa, Mexico, next April.

The government of Mexico has invited this well-traveled group to be a feature attraction in the "Feria del Desarrollo de Tabasco", which takes place in Villahermosa, Tabasco. The special invitation was issued by the Secretariat of Tourism last May, and the college administration and Board of Regents gave their approval.

Part of the cost of the trip is being borne by the Mexican government, but each student must pay his/her transportation costs. In addition to air fare, this includes bus fare to and from D/FW Airport, insurance, and departure taxes. Students are busy raising their own money, and the college is accepting tax-deductible contributions in behalf of individual students.

Those who have traveled with the Wrangler Band and Belles on other big trips will discover that their price of \$595 for the Mexico trip includes meals. Also, the trip

stated that the building was basically strong, but that this problem needed to be taken care of. Judge Scott Bailey suggested that a state of emergency be declared on this matter, and that the Commissioners proceed with necessary repairs. A motion was made and seconded to make this declaration. Further information will be forthcoming on this situation.

Glen Hubbard, Eastland, has been elected as a delegate to the 103th annual meeting of the American Angus Association. This will be held Nov. 16-18 in Louisville, Ky. Hubbard is one of 350 Angus breeders who have been elected by fellow members of their state Association to serve as a representative at this annual meet. The American Angus Association has more than 24,000 active members, and is the largest beef breed organization in the world.

CARBON
The Senior Class of Carbon High School will sponsor a 42 domino tournament in the cafeteria Saturday, Nov. 15 at 6:30 p.m. Registration ends Nov. 14. For more information call Vicki at 639-2254 or Nelda at 639-2268.

includes five days instead of three. The \$595 price for the supporters is based on double room occupancy, but other arrangements can be made.

The entire party will travel on two regularly scheduled flights with a change in Mexico City, leaving Wednesday, April 22, and returning Sunday, April 29. The support group will leave Villahermosa a day ahead of the Band and Belles to spend a full day and night in Mexico City.

Feria del Desarrollo is an annual "festival of development" in the state of Tabasco, which emphasizes performance events. The college group will attend a farewell dinner and awards ceremony on Saturday evening. Then they will meet the support group at the airport in Mexico City on Sunday for the return flight to D/FW.

Information brochures are in the process of being printed for persons who may be interested in making the trip with the Band and Belles. Anyone desiring one of those brochures should write to Tim Jones, Band Director, or to Nicki Harle, Wrangler Belle Director, Cisco Junior College, Route 3, Box 3, Cisco, Texas 76437.

Need Confirmed For Courthouse Repairs

Earlier reports of structural damage to the west wing of the county courthouse were confirmed Monday by a consulting engineer and the County Commissioners Court declared an emergency and immediately took steps to consider repairs.

The Commissioners heard Consultant Terry Crozier report that he found serious stress resulting in cracks and exposed exterior stone

in the west wing of the 58-year-old building.

He said he believed the west wing foundation is too shallow and is in expansive ground allowing swelling and shifting. Underpinning to solid ground would remedy the problem and would not disturb the building.

"I don't think it's a \$100,000 problem. But if it is, it would be worth it," Crozier said.

He called the reinforced concrete building "impressive" and said he believed it should last for centuries if properly maintained.

Commissioners discussed possible ways to pay for the proposed repairs, and placed the subject on the agenda for the next meeting.

It was also brought out that claims may not have been filed against Missouri

Pacific Railroad following the May 1985 train derailment and explosion. Commissioners said at that time windows in the courthouse popped out, ceilings buckled and light fixtures fell. Later, large cracks appeared in the courthouse walls.

In other business, commissioners:

- Convassed the Nov. 4 election results.
- Approved a request by

Max Ratliff to cross a county road about five miles northwest of Rising Star with a gas pipeline for private use.

- Granted a request by Ranger Justice of the Peace Alford Bush for an additional gas allowance. He will be paid 22 cents per mile for any business mileage not covered by his \$75 a month gas allowance. He told the court he made 35 trips to the county jail in October and was also called to Rising Star.

County Towns Down Only 8.78% In Tax

Total sales tax rebate to the cities of Eastland County are down only 8.78 per cent over the same period last year according to data from the state comptroller's office.

Total paid to the five county towns through Oct. 20 amounts to \$596,456.98, down from \$653,897.10 same period last year.

The five drew checks totaling \$74,250.29 for September compared to \$89,810.51 last year.

Richards Sends \$7.3 Million In Checks

State Treasurer Ann Richards has sent checks totaling \$7.3 million to Texas' 254 counties for road construction and maintenance.

The Treasurer each year distributes money appropriated by the Legislature for the Lateral Road Program. The grants may be used by counties for the purpose of right-of-way and for construction and maintenance of lateral roads, farm-to-market roads or state highways.

Eastland County's check is in the amount of \$25,227.74: Stephens, \$16,147.50; Callahan \$21,143.61; Erath, \$27,504.74; Palo Pinto, \$23,019.08; and Comanche, \$26,073.27.

By towns the checks are as follows: Cisco, \$19,520.82; Eastland, \$36,252.05; Gorman, \$4,158.71; Ranger, \$11,816.75; and Rising Star, \$2,501.96. Rising Star actually had a 9.20 per cent increase total over the same period last year.

State Comptroller Bob Bullock sent checks totaling \$104.6 million in local sales tax to 1,033 cities that levy the one-percent city tax. Bullock said 1986 payments to date were down 1.7 percent as compared to the payments to date in November of last year.

Houston's check was the largest--\$16.1 million--bringing total payments in 1986 to \$132.9 million, down 5 percent from last year. Dallas' payment was \$12.7 million for a 1986 total of \$99.2 million, a 5 percent decrease from 1985.

November checks represent taxes collected on sales made in September and reported to the Comptroller by October 20.

Knock-Abouts Due At Methodist Church

Luan and Brenda Knock, and Terry Knock of the Knock-Abouts will be presenting a Sacred Music Concert at 7:00 p.m. on Wednesday, November 19, at the First United Methodist Church - Eastland, Minister Ben Tibbs has announced.

These young people have toured throughout the United States and Canada since 1980, bringing the message of God's Love and A Joy to others through their music.

The program consists of a variety of Sacred and Gospel Music, some old and some new, brought to you in their own unique style. Their tight close harmony and lively manner is further enhanced by the enjoyable volume at which the concert is presented.

They are known for not being loud, so come and bring

"Crossroads of Empire," a major collection of historical maps on a two year tour of the southwest is Cisco Junior College Library's exhibit for November.

In 1685 a French nobleman was ambushed and murdered by his own men in East Texas. Sixteen years later this incident became a decorative illustration on a map depicting French claims in the Southeast and in southwestern portions of

Fair Assoc. To Hold Meeting

The Eastland County Fair Association will hold a meeting on November 18, at 7 p.m. at the Chamber of Commerce in Eastland, according to a report made by Association President Craig Lund.

Mr. Lund would like to invite anyone who is interested to attend the meeting.

North America.

The nobleman was the great French explorer, La Salle, and the map was a French publication which laid claim to lands that were claimed also by the Spanish government. This instance of European rivalry to possess the Southwest is one of 22 historical maps included in photographic exhibition, "Crossroads of Empire."

Opening for free public display on November 1 at Cisco Junior College in Maner Memorial Library, "Crossroads of Empire" is an exhibition in 18 panels which is touring the communities under a grant from the National Endowment for the Humanities. It was created by the Texas Humanities Resource Center at the University of Texas at Arlington Library, in collaboration with the Amon Carter Museum of Fort Worth.

According to Odeta Shirley, Director of the Learning Resource Center, this exhibition is based on a major collection of historical maps which is now on a two-year tour of the Southwest. The selection of photographs, which highlight major points of the maps exhibition, was made by Dr. Michael Duty, Director of the Wichita Falls Museum and Art Center, and one of the organizers of the major exhibition.

"The beauty of this

photographic display," Mrs. Shirley continued, "is that it provides a brilliant summary of Southwestern history, and it is reflected through maps and other historical images." Besides the 22 historical maps, the exhibit also includes famous paintings of the first Spanish explorers and water-color prints of Spanish missions in Texas.

The exhibit contains a number of geographical surprises, for most early map makers were merely guessing about the Southwest. Some maps depict the Mississippi River flowing through the Southwest before heading south to the Gulf. Others depict mountain ranges in plains regions. Several insist that California is an island.

Although the Spaniards had explored the Southwest, they kept their information to themselves, and they printed very few maps. Thus, other map makers had to rely on rumors, stories told by explorers and earlier inaccurate maps.

This photographic exhibit, along with two large Texas Maps on display that are a permanent part of the Maner Collection, will be Cisco Junior College's final presentation in honor of the Texas Sesquicentennial.

Area citizens are invited to visit this outstanding exhibit.

Library hours are 8 to 4 and 6 to 9:30 Monday through Thursday, 9 to 4 Friday and 6:30 to 9:30 Sunday.

YOU CAN FIGHT CANCER BEFORE YOU GET IT. OR AFTER YOU GET IT.
It's a lot easier to fight cancer before you get it. Scientists estimate that up to 60% of all cancer could be prevented.
By simply making a few changes in your lifestyle. By not getting too much sun. By not smoking cigarettes. By not overeating. And by following a diet high in fiber and low in fat.
By simply doing these few things, you could drastically reduce your risk of getting cancer. Sure, you could still get cancer. But why not give yourself the odds against it?

Ruby Griffin

RANGER - Ruby Lee (Mrs. F.P.) Griffin, 70, former Ranger resident, died Friday at a Wichita Falls hospital.

Services were 11 a.m. Monday at the West Side Baptist Church in Wichita Falls with the Rev. James McCurley Jr. officiating. Burial was in Colony Cemetery in Ranger, directed by Hampton Vaughan Funeral Home.

Born in Ranger, she moved to Wichita Falls 35 years ago.

She was a homemaker and a member of West Side Baptist Church.

Survivors include her husband, F.P. Griffin of Wichita Falls; a daughter, Carol Croy of Wichita Falls; a son, Michael Griffin of Arlington; a sister, Mrs. L.D. Parrant of Ranger; a brother, G.W. Moore Jr. of Ranger; seven grandchildren; and a great-grandchild.

Robert Andrews

CISCO-Graveside services for Robert H. (Andy) Andrews, 92, were held at 2 p.m. Monday at Oakwood Cemetery in Cisco with the Rev. Ken Diehm, pastor of First United Methodist Church, officiating. Cisco Funeral Home handled the arrangements.

Mr. Andrews died Saturday at Canterbury Villa.

Born Dec. 2, 1893, in Tolbert, Ga., he moved to Cisco 40 years ago. He married Virginia C. Childs in 1917 in Macon, Ga. She

preceded him in death in 1965.

He was in the oil industry and retired in 1968. He was a member of the Methodist Church.

Survivors include a daughter, Lucille Smith of Thomaston, Ga.; a stepson, James Edwards of Cisco; a stepdaughter, Kathleen Schiller of Eola; 11 grandchildren; and five great-grandchildren.

Bonnie Hollis

CISCO-Bonnie Hollis, 48, former Cisco resident, died Saturday in an Austin hospital.

Funeral services were held at 2 p.m. Monday at Corinth Baptist Church with Rev. Bennie Hagan, pastor, officiating. Burial was in Oakwood Cemetery, directed by Kimbrough Funeral Home.

Born March 29, 1938, in Cisco, she was a longtime resident of Cisco before moving to Austin several years ago. She was a teacher for exceptional children and a member of St. Mark's Episcopal Church of Austin.

She married Ernest Hollis in Austin in 1973.

Survivors include her husband of Austin; two daughters, Leah Lea Hollis and Katja Glover, both of Austin; a son, Cecil Royce Glover of Round Rock; a stepson, Ernest Robert Hollis of Austin; her parents, Mr. and Mrs. Samuel Andrew Davis of the Bedford community; a sister, Venita Smith of Yellow Mound; two brothers, Gerald Davis of Nimrod and June Davis of Scranton; and a grandson.

Pallbearers were Gordon Davis, Wayne Davis, Jimmie Hays, Tommy Davis, David Eaton, and Jimmy Davis.

Joe Lenzini

EASTLAND - Joe A. Lenzini, 65, former Ranger resident, died Sunday at a local hospital.

Services were held at 2 p.m. Tuesday at the Edwards Funeral Home Chapel with the Rev. James Upshaw officiating. Burial was held in Evergreen Cemetery.

He was born in Mingus.

He was employed by Premier Oil Co. in Ranger for 20 years, was an inspector for Bell Helicopters in Amarillo for 11 years and retired in 1986.

He was a U.S. Army veteran of World War II.

Survivors include his wife, Alice Joy Lenzini of Eastland; a son, Tommy Lenzini of Honolulu, a brother, Gene Lenzini of Fort Worth; a sister, Frances Solignani of Mingus; and two grandchildren.

Laurel Land Funeral Home in Dallas with the Rev. Lynn H. McAden officiating, assisted by Don Hicks. Burial was held in the Laurel Land Cemetery in Dallas.

She was born in Stephens County.

She was a homemaker and a Methodist.

Survivors include her husband, Mason James of Comanche; three sons, Bill James of Forney and Edwin James and Carl James, both of Blanket; two daughters, Kathleen James Rose of Eastland and Louise James McCranie of Dallas; a brother, Roy E. Brown of Carlsbad, N.M.; a sister, Grace (Mrs. H.C.) Williams of Brownwood; 11 grandchildren; 22 great-grandchildren; and three great-great-grandchildren.

William Strother

CISCO-William Daniel Strother, 87, former Cisco resident, died Monday at a Mesquite hospital. Services are pending at Kimbrough Funeral Home.

Fishing Outdoors

By Terry Wilson

"Joe Elkins Wins P.K."

Members of the Eastland County Bass Club met on scenic Possum Kingdom, Lake November 8th. Only 9 entries were on hand for a beautiful day of fishing.

Joe Elkins brought in 5 fish for first place honors. Joes weight was 9.85 lbs. These fish were taken in 20 feet of water on a jig and eel. Second place Will Johnson 2 fish 7.67 lbs. Will also had big bass of the day. These fish were reported to have come of jig's also. And third place D.J. Walker 1 fish 1.67 pounds.

With this tournaments weights the race for the T.A.B.C. top 6 qualifiers looks like this. Steve Pennington 37.65 lbs., Eddie Green 32.69, Terry Wilson 31.40, Willard Johnson 29.93, James Fullen 24.38 and Tomny Maynard 20.38. These gentlemen, should they remain in the top six, will represent the Eastland County Bass Club at the T.A.B.C. regional tournament to be held on Lake Granbury in 1987. However there are 6 other members who are within striking distance as there is one tournament left in this years tournament trail.

Storm Manufacturing Co., Norman, Oklahoma, a leader in todays lure industry has done it again. The introduction of the Texas Shad, should put some bunkers in alot of livewells folks.

A 1/2 ounce, 2 1/2 inch sonic vibrating bait with 16 free floating rattles. The Texas Shad is a very effective long distance fish caller.

I know, you may be saying its just like so many baits already on the market. No So! Storm's Texas Shad has several unique features. The cooper-coated rattles emit a high frequency fish-attracting sound and also act as additional light reflectors in the clear bodied series. There's more; heavy duty No. 2 tangle free hooks. How often have you had to stop and untangle those hooks on other baits, not so with the Texas Shad. Also the unique tear-drop shaped body closely simulates the threadfin or gizzard shad. With approximate 45 degree angle of pull, the flat nose of the lure will normally hit an unwanted obstacle first, causing the back end of the lure

to rise lifting the hooks, and thereby allowing the lure to continue with its retrieve.

The Storm's Texas Shad is available in 26 colors, including the "Naturistic" patterns, chrome finishes, and the new clear-bodied "Phantom" colors.

As they say "the proof is in the pudding". On a recent outing to one of our area's smaller lakes, this reporter had the pleasure of landing and releasing 4 black bass in the 13" to 17" range. All were taken on the "Texas Shad" Tennessee Shad pattern.

Area lake reports: Lake Leon, blacks fair to 3 pounds on jig and eel, crappie improving in numbers and size, jigs seem to be best, catfish fair on live bait.

Possum Kingdom: Black bass good to 4 1/2 pounds on jigs most in the 2 pounds range, crappie fair to 12 fish per string on minnows, catfish good to 5 pounds on slabs mixed with white bass.

Hubbard Creek: 8 feet low, blacks fair to 5 pounds on purple worms, hybrid striped slow, crappie excellent to 20 fish per string on minnows in 14 feet of water.

Houston County, normal level, blacks good to 8 pounds, 14 ounces on blue glitter worms, striped slow, crappie excellent in shallow water.

Toledo Bend, blacks good to 6 pounds on spinners and topwater, striped fair, fishing slow due to winds, Boy Howdies producing best, crappie good to 40 per string trolling jigs.

Brownwood Lake, black bass slow to 3 pounds, crappie fair to 1/2 pound, catfish fair to 10 pounds on live bait.

Lake Cisco: blacks fair to 3 pounds on Storm's Texas Shad, all other species

"118,000 miles with Exxon motor oil and still trucking."

"My 1973 pick-up doesn't go on the road without Exxon motor oil. So far, it has delivered 118,000 trouble-free miles with Uniflo in the engine. And it looks like I've got a lot more miles coming. Why, I can honestly say that products from Exxon like Uniflo motor oil have kept me trucking!"

And now you can find the same gas-saving technology in two more Exxon motor oils. Economically priced Exxon Extra, 10W-30 multi-grade and XD-3, the heavy-duty SAE 30 grade oil. Both are designed for use in gasoline and diesel engines. Given the choice of Exxon's three oils, you can get the gas-saving qualities you want in the motor oil you need.

Mrs. Clampitt is pictured with her 1959 Kindergarten Class. Students are, Top Row, L to R, Mike Turner, Marc Hedges, Lynn Robertson, Philip Schaefer, Sherry Hill, Alan Fannin, and James Gander. Lower Row, L to R, Billy Don Ervin, Deneice Kincaid, Tommy Thompson, Delaine Kincaid, Bill Wells, Pam Kirk, George Perry and Brenda Webster.

Reception For Kay Clampitt Sunday

(From Page 1...)

space was needed by the school system, so she moved her Kindergarten to her home on Front Street. She converted her garage into a delightful little schoolroom, and turned her back yard into a children's playground.

For her small students this became an almost magical place - their introduction to the world outside their own homes.

"I usually had no more than 16 students in my classes, so that all could get a lot of attention," Mrs. Clampitt says. "Children love to learn things. We kept the joy of learning."

To add to this pleasure she had "every kind of toy that would teach anything" in her schoolroom. The room also had colorful decorations and many toys by craft supplies.

Each day had a rather flexible schedule, with basic instruction on numbers, printing, geography and crafts mingled with play, stories and singing. There were special nature studies, including the study of birds around the Clampitt property. The Kindergarten closed at noon.

"Most of my students came from homes where they were loved and well cared for—where the parents wanted them to learn," Mrs. Clampitt explains. "So you can say I had a lot of help from the homes."

Over the years, as Mrs. Clampitt's "graduates" went into the local school system, her dedication began to pay off. Children who had attended her Kindergarten became known as high achievers—reflecting her own attitudes.

Now she brings out pictures of all the students, smiling as she calls various names. "There's Billy Wright—see that mischievous smile? And pretty little Judy Rendall, there she sits on the front row. I taught the McCracken children, all four of the Ritchie children—so many, many more. Aren't they all precious?"

"Yes, they tell me my children have always done real well."

When asked what her secrets of successful teaching were, Mrs. Clampitt answered that she had two main ones.

"Love is the most important one. You must love the children. Then listen comes next—do listen to your children."

"I ought to mention time, for it takes time to do those things. Take some time for your children, and read to them. Don't just leave them in front of the television set, learning things that are

generally bad for them.

"They will act out the violence—the bad things they learn. You'd be surprised what some of them do learn!"

With the closing of her school, Mrs. Clampitt will have a lot more time for other things now. She will visit her 97 year old mother, Eunice Norton of Haynesville, La. more often. She will probably be more involved with the singing at the Cisco First Baptist Church, and have more time for local clubs.

She will continue her African Violets in the living room, set out more flowers in her back yard. There will be daffodils where little golden-haired girls once played, and cypripediums in the playground where little boys scuffled and traded swins.

But in this yard and the little schoolroom holds faint visions of flying feet, echoes of laughter, and eager little forms running to hold her tight—Mrs. Clampitt won't mind at all.

Like all good gardeners, she really loved her work.

Reflections

By Sandra Prickett

When my son was in high school I sometimes worried about his choice of friends as well as his fading interest in church activities. And I was always nagging. Yet my son wasn't doing anything wrong. I just wanted him to do better. I decided to watch my wicked tongue and try to praise more often than ridicule. On his 17th birthday I gave him a card. On the front I wrote: Rodney James Prickett is a Good Name HAPPY BIRTHDAY!

A GOOD name is rather to be chosen than great riches, and loving favour rather than silver and gold. Proverbs 22:1.

Rod beamed, and gave me a hug when he read the message. I was glad I reminded myself of his good name, his many good qualities. It was easier to forget his little faults.

And perhaps he needed to be reminded how important a good name is. I hoped that verse would linger in his mind each time temptation came rushing his way.

I've used the message many times since then, on the front of greeting cards to family and friends—or just to cheer up a special person. And I've received an added blessing each time I write out the words—A reminder of a good name I appreciate. We all need a lift every now and then—to be reminded we are good and worthwhile people.

64 Blocks Of City Streets Were Improved In Seal Coating Projects

A total of 64 blocks of city streets were improved in seal coating projects during the summer and fall of 1986, according to a report Monday by City Manager Mike Moore. The work cost some \$60,000 for materials and equipment, and this was financed from funds collected by the city in oil and gas revenues.

The 1986 improvement program included 32 blocks of streets that were paved and 32 blocks that were graveled. The work was done by city street department employees working under the supervision of Frank Young.

Beech Street was the largest project of the year, including 17 blocks from East 8th Street south to I-20 access road. This street received 10 blocks of gravel improvement plus seven paved blocks.

In East Cisco, other street projects included East 9th, East 10th and East 11th Streets, from Beech to Humble Avenue; East 14th Street, from Beech to Avenue A; Avenue C, from East 8th to East 6th; Avenue B, from East 14th to East 6th; and East 12th Street, from Avenue A to Avenue B.

Other projects included Gaut Street, from Ash to

Bedford; Bedford, from Gaut to Riddle; Park, from Bedford to Tourist; Avenue N, from West 8th to West 5th; Pershing, from Leggett to Bullard; Leggett, from Highway 80 to End; Caldwell, from Leggett to FM 2943; Avenue J, from West 9th to West 8th.

Eleven blocks were paved on West 5th Street, from Avenue F to Front Street and the 2nd largest project. West 4th was paved from Avenue L to Avenue M; Avenue I, from West 4th to West 5th; Pershing, from Rodman to Royal; West 11th, from Avenue H to Avenue I; and Avenue H.

October Is Busy Month For Cisco Boy Scouts 101

Cisco Boy Scout Troop 101 is growing fast, and participated in a lot of activities during October. The Troop now has 36 members, jumping from three at the beginning of the season!

The new Scoutmaster is Bruce Watson, with Pat Oxford now Assistant Scoutmaster. There are two other new Leaders - Mike Thompson and Wesley Newman.

The monthly Family Night Meeting was held at the First Presbyterian Church on Oct. 8. Roy Cartee, Eastland County Red Cross Director, gave an interesting talk on lifesaving. It was enjoyed by both the Scouts and their parents. A pot luck supper was served and awards were passed out.

Oct. 24, 25 and 26 were great days for the Troop. Twenty-one boys and four adults camped out on the Donica Ranch near Cisco. All new boys earned Totem Chip cards, which allows them to use a knife and hatchet during camp activities. Many advanced in rank, and a number of Skill Award requirements were met.

The adult Leaders were Pat Oxford, Bruce Watson, Vergil Cozart and Mike Thompson. Parents of the boys were invited to the campfire on Saturday night and were able to watch the boys cook their evening meal. Also present at the activity were Mr. and Mrs. Kenneth Deitiker.

Non-denominational Church Services were held Sunday morning by Bruce Watson. The Troop returned to town Sunday at 3 p.m.

On Oct. 28 the Leaders of Troop 101 hosted a Scout Leaders Roundtable. Present were Ralph Evans, Senior District Executive, Allen Thomas, District Roundtable Commissioner, Westley Sumptoe, Scoutmaster at Ranger, Herbert Makey, Breckenridge Scoutmaster, Bruce Watson, District Commissioner, Vergil and Doris Cozart, Ann Watson, Pat Deitiker and Wesley Newman.

Troop 101 was presented with a banner for having exceeded their goal set in September for recruiting 10 new boys.

On Nov. 3 Troop 101 was among the Eastland County Troops presented \$50 from the Fraternal Order of Police. Capt. John Mackey of Ranger, President of the

Luke 18:12 - I give tithes of all that I possess. (KJV)

When I opened the bill I was astonished at how the charges to the catalog company had added up over the last year. I had vowed many times to pay of those charge cards. But every time I was a little short of cash, and felt like I really needed, or wanted something, I'd pull out the card.

I looked at the bill carefully. 16 percent interest. I never realized I was paying that much interest! I opened the desk drawer and pulled out other charge card bills. Every one charged an interest of more than 10 percent. I looked over the bills and added up the interest I was paying each month. And I felt very ashamed. God,

ly ask for 10 percent. A 10 percent I rarely have. Yet I was paying as much as 16 percent to companies for unnecessary and trivial things. I tore those cards up that day, and eventually got them paid off. And I now I feel such a joy in my new found freedom and peace of mind. I now have no trouble meeting, going over, my title to God, the one that takes care of my every need, much better than a charge card.

Dear Lord, Give me the wisdom to use the money you've given me wisely, and to give back to you in abundance.

...if you are interested in buying real estate soon or at any time in the future. Buying good titles is just as important as buying good food or good medicine. Yet some people have spent life-time savings for a farm or city property with little or no thought about the title. Of course, they will learn better later, but why not avoid the pitfalls and expense of poor judgement by getting an abstract or title policy first and buying the property later.

Notes On Northview

Over the months we have explored the history of Northview and examined a variety of the technical components of mental retardation. This month I'd like to introduce you to the members of our management team and briefly describe their jobs.

In mid-July we welcomed JANE BREEN as our Program Director. Jane came highly recommended from another ARA facility where she was social worker. She also is a Qualified Mental Retardation Professional (QMRP) having over a year's experience working with the developmentally disabled. As program director Jane is responsible for over-seeing all aspects of the client's training.

If Northview were a school, Jane would be the principal. She chairs and dictates all of the 30-day and annual staffings, tracks interim staffings, monitors daily staffing patterns to see that required staffing ratios are maintained, and is directly involved in the training program that Northview provides for the administrative staff of sister facilities. Jane's degree and experience qualifies her to supervise other social workers in the company who are lacking one year's experience and must have

their work reviewed on a quarterly basis. Obviously, Jane is a lady of many talents.

FRANK CONSOLINO serves as Program Supervisor. He coordinates the technical aspects of the client's program doing such things as writing all 24 hr. schedules and making the training sheets that are used by the Program Assistants (PAs) in the classroom setting. Frank is also responsible for the workshop, validates client's goals, participates in staffings, and provides direct supervision for all PAs. Frank has been instrumental in developing the program we are using at Northview that insures the clients are receiving adequate active treatment. Frank is an all-around good guy and we are most fortunate to have him on staff.

Nursing services are directed by KARYLEN CATHEY, our Health Service Supervisor. Karylen worked at Northview back in the 70's and returned to us in March of 85, bringing with her established expertise. Karylen supervises the LVN staff, coordinates services with physicians and consultants, participates in the facility training program, and is an active member of the Inter-disciplinary Team.

She is also a QMRP with a caseload she monitors on a monthly basis.

TERRI WHELAN provides Social Services for the clients. She is a certified social worker and will become a QMRP in December, assuming a caseload of her own. As social worker for the facility Terri advocates for the clients and acts as liaison with families, correspondents, and a variety of community and state agencies. She also assists clients in learning how to deal with their feelings in a mature fashion, developing socially acceptable ways to express their emotions. She places emphasis on the positive when interacting with clients and provides reinforcement for good behavior.

The volume of paperwork required to maintain facility records is handled by RUTH GAILEY, Office Manager. Ruth has been with Northview for 8 years, more than qualifying her to act as the financial technician for the facility. It is her skill that keeps our books balanced and all financial aspects of Northview running smoothly. Add to this her shorthand and typing skills and Ruth provides the

management with an executive secretary.

Dietary services are handled by LANELLE BENNETT. Weekly consultation service is provided by a registered dietician. LaNelle manages all aspects of food service in relation to ordering and preparation as well as staff supervision. The consultant is responsible for all documentation, writing quarterly reviews, annual evaluations, and admission and discharge summaries.

TEDDY NABORS is Housekeeping Supervisor and responsible for the efficient running of both housekeeping and laundry services. She inventories and orders supplies, supervises staff, and participates in the housekeeping program so that high standards of sanitation are maintained. Though not an active member of the management team our Maintenance Supervisor, ROY HOLLIS, must not be overlooked. Roy has the monumental task of not only providing maintenance on a daily basis as equipment requires repair, but also carries out a routine of on-going preventive maintenance necessary to keep Northview in the best possible repair.

These people plus myself comprise the Northview management team.

It is this team that provides a checks and balance system that insures Northview continues to achieve the optimal level of quality care. The success of this team is further guaranteed by the quality of our support staff who provide direct care to clients or work in the various non-training departments.

Brensinger Is Featured Organist At First Baptist

David Brensinger will be the featured organist, Sunday, November 16, for the second recital of the current season at the First Baptist Church of Eastland. Brensinger is organist and Associate Director of Music at Highland Park Presbyterian Church of Dallas. The program is scheduled for 3 p.m., and it is open to the public.

Brensinger received his Bachelor's degree with highest honors from West Chester University, West Chester, Pennsylvania. He is also an honor graduate of Westminster Choir College, Princeton, N. J., with a Master of Music degree in church music.

Prior to moving to Dallas in 1984, Brensinger was active as an organist, soloist, educator, and conductor. He also did extensive work as a clinician in church music and handbells in the Philadelphia area. In Texas he continues to fulfill engagements as an organ recitalist and accompanist. He has earned the second highest certificate of accomplishment awarded by

the American Guild of Organists. The work required for this certificate can be compared to that of a master's degree.

The program Sunday afternoon will feature standard organ works of Buxtehude and Bach not year heard in First Baptist's recital series and other works for the organ by Schumann, Mendelssohn, and Gigout.

The series is presented by the Music Ministry of First Baptist Church and is made possible by the generous contribution of a friend. There is no admission charge.

NOTICE

Farm Bureau Members Urged To Take Action

Texas Farm Bureau President S.M. True is urging Farm Bureau members and other interested citizens to take action that would put an end to a 42-year-old federal prohibition against the employment of persons in their own homes for the purpose of making certain hand-crafted items.

True noted that U.S. Labor Secretary William Brock published in the Federal Register a proposal to lift the ban on employment of persons to produce women's apparel, gloves and mittens, buckles and buttons, embroidery, handkerchiefs and jewelry at home.

True called the existing law a "hangover from the 1930s." He said the law may have had a good purpose in those days, but that there is

no need for such prohibition today.

"Secretary Brock needs and deserves the support of the people who agree that the ban on such employment should be ended," True said. "Many people need extra sources of income to help them hold onto the family farm. If they can produce one or more of the currently prohibited items in their homes, why should they be denied the right to do so?" True said.

True urged citizens to write to Paula V. Smith, administrator, Wage and Hour Division, U.S. Department of Labor, Room S-3502, 200 Constitution Ave., NW, Washington, D.C., 20210. The letters must be postmarked no later than Dec. 4.

Texas Farm Bureau Membership At Highest

Membership in the Texas Farm Bureau has reached an all-time high of 323,799 member families, according to S.M. True, president.

True said tabulations just completed for the fiscal year ended Oct. 31 showed that the Texas organization gained 5,749 members over last year, marking the 34th consecutive year to show a gain. Don Neumann, director of field services for the TFB, said a total of 152 county Farm Bureaus showed an increase in members. There are 217 organized county FBs in the state.

The Texas Farm Bureau has been the largest state Farm Bureau in the nation for the past four years. The

American Farm Bureau Federation has a membership of 3.4 million in 49 states (all except Alabama).

The 20 largest county Farm Bureaus in Texas, listed by size, are: Harris, Collin, Brazos, Fort Bend, McLennan, Ellis, Houston, Fayette, Bell, Brazoria, Van Zandt, Jefferson, Tarrant, Wharton, Washington, Bexar, Hidalgo, Austin, Nacogdoches and Young. Although not on this list, Eastland County has a strong organization and membership of 1925.

The Farm Bureau is an independent general farm organization financed by voluntary membership dues.

Speakers and singers will be Joel Smith, Carlton Earp, and Bill Faily, all of Abilene.

Bob Glasgow To Be Honored With Dinner

STEPHENVILLE - The "Friends of Bob Glasgow" will be honoring the State Senator from Stephenville with an Appreciation Dinner on Thursday, November 20, on the campus of Tarleton State University. Tickets to the dinner are \$25 per person and are available through the County Democratic Chairman.

Glasgow, who was credited with protecting higher education from a major budgetary cut in the two recent special sessions of the Texas Legislature, has become known as the "Champion of Higher Education". The dinner is being hosted to recognize the contributions made to Texas Higher Education by Sen. Glasgow.

"We want to let the people know what Bobby did for higher education and Tarleton in the past two special sessions," said Dr. Barry B. Thompson, President of TSU. "Glasgow is directly responsible for having \$17.9 million put back in-

to higher education to cover a shortfall affecting 35 state senior colleges and universities in Texas."

Without Glasgow's firm commitment to higher education, Tarleton might have faced the type of severe budget cuts that would have meant the elimination of 80 positions at the University and the loss of a \$1.3 million payroll to the economy of the City of Stephenville.

A 1967 graduate of Tarleton, Glasgow received his law degree from the University of Texas School of Law in 1970. Currently in his third term as Senator from the 22nd District, he is a member of the Senate Finance Committee. The State Senator is also making his mark in Economic Development by working to see that the job market remains strong for Texas citizens for decades to come.

The dinner is scheduled for 7 p.m., Nov. 20th in Wisdom Gymnasium in the Health and Physical Education Complex on the TSU campus.

HEAT FROM THE KITCHEN

Citizens Can Be 'Lobbyists' Too!

by Bernice Prescott
The election is over and the people have spoken but does the responsibility of self-government end here?

We hire public servants with our votes, pay their salaries with our taxes to be our voice in a representative government, but how can they speak for us if we do not advise them, often, of our opinions on the issues?

Our representatives are often accused of going with lobbyists and special interests groups rather than their constituents. If this be true, it is because of the money which lobbyists reportedly spend on the representatives or is it not that the lobbyists are persistent and forever present in pushing for a desired legislation? Lobbyists are also well informed on the subject under consideration.

Why are we called the "silent majority"? It is because we do not protest in the streets, campuses, and Washington, D.C. or is it not because we do not communicate with those whom we have elected to office?

Though the voters replaced an inadequate state leader with a man of proven conservative leadership abilities, they left in place a few pieces of deadwood who will make every effort to stymie and/or deny every move the

new governor makes to bring our state out of financial and bureaucratic chaso. It is up to the people to see that this does not happen by staying knowledgeable on the issues and sending our directives to the offenders. This is the responsibility of self-government.

We usually end up with what we deserve dependent upon the amount of our participation in government.

In recent times, our state leadership has massed resistance to the "dumping" of nuclear waste in our state, by the federal government, yet they have been timid and permissive about the "dumping" of Mexico's poor into our state, and the "dumping" of illegal drugs by drug dealers from Central and South American nations. Realistically, which dumping poses the greatest threat to the citizens of our state?

If and when nuclear wastes are deposited within our states borders, it will be deposited in areas which have been so constructed as to provide the least possible chance of accidental contamination of the area and will be under constant vigilance to maintain its safety precautions. We do not have such protection from the tides of illegal

aliens.

Certainly, water is more important than oil to our semi-arid state. Though Mark White would take credit for a water plan, it is nothing more than a band-aid, it does not cure the problem. During Bill Clement's previous term as governor, he recognized that even in wet years, our annual rainfall was not enough to meet the demands of our state's population and industrial growth. He proposed making contractual agreements with nearby states for their excessive waters due to their high annual rainfall. The governor's well advised efforts were greeted by hoots of derision from the deadwood in the state government and by a hostile press. The idea needs to be revived and pursued.

Mr. Clements resisted a federal judges mandate to release prisoners back into society solely on the basis that overcrowding in our prisons interfered with criminals' civil rights. With our support, he could rectify this miscarriage of justice.

Someone once said that the reason democracy fails is that the people learn to vote public funds for themselves and then proceed to bankrupt the nation. Is this not what we have done?

Is not our state's financial problems due in large part to people's demand for government support? Have we not expected government to eradicate all property, unemployment, ignorance, death and disease, risks in-

Farm City Week Is November 21-27

COLLEGE STATION--Farm-City Week, Nov. 21-27, focuses on the teamwork of farm and city people as partners in growing, processing, marketing and consuming food and fiber.

"In Texas, movement of food and fiber from the farm or ranch to the supermarket and family table provides jobs and income for almost a fourth of the working force," points out Dr. Carl Anderson, marketing economist with the Texas Agricultural Extension Service, The Texas A&M University System.

"One out of every 35 Texans is a farmer or rancher, and around 25 percent of the state's retail trade business is directly associated with agricultural production and selling of food and fiber products," says Anderson.

Many businesses, financial institutions and individuals are involved in providing supplies, credit and services to farmers and ranchers and in processing and marketing agricultural commodities. Nationally, one out of every five jobs in private enterprises is tied to agriculture.

With its \$9.3 billion in cash receipts from agricultural commodities in 1985, Texas moved up in rank to second place behind California and ahead of Iowa, Texas, however, is traditionally number one in the sales of cattle and calves, cotton, grain sorghum, sheep and wool, goats and mohair, cabbage and spinach.

Total farm assets in Texas are estimated at \$98 billion. With 160,000 farms in Texas, assets average about \$600,000 dollars per farm. Many commercial size, full-time operators have far more than a million dollars invested in their farm or ranch businesses.

"Producing an abundance of high quality food and fiber is inherent to American agriculture. Americans spend far less of their take-home pay on food than people in other countries of the world," Anderson points out. "Today that averages about 15 cents of every dollar of disposable income, with 5

cents of that spent on food eaten outside the home. The food marketing system alone employs more than one out of every 10 U.S. workers.

"Together, farm and city people make the best food and fiber team in the world," he believes. "This gives a country the capacity to feed its own people and to export for economic gain as well as for humanitarian purposes."

In the U.S. about one person in every 40 lives on a farm or ranch. Each farm worker now supplies enough food and fiber for more than 80 people, 20 of which live abroad. The proportion of U.S. residents living on farms has fallen from 30.1 percent in 1920 to 2.5 percent today. That compares with about 70 percent of the people living on farms in India, 36 percent in Mexico and 14 percent in the Soviet Union.

Farm-City Week is under the direction of the National Farm-City Council, Inc., which is coordinated by Kiwanis International.

Dyer Speaks At Music Study Club Luncheon

Eastland Music Study Club members heard of the benefits of belonging to the State and National Federation of Music Clubs at a luncheon meeting Nov. 5 in the Women's Clubhouse.

Mrs. J.C. Dyer Jr. of Cisco, President of the State District III of Music Clubs, reviewed various departments of the state and national organizations. She also praised the Eastland Music Club, a member of each, for its excellent programs and community projects.

Mrs. Gilbert Meredith, President of the Eastland Club, opened the meeting. Mrs. Earl Bradley, Program Leader, introduced the speaker, telling of her various accomplishments in working for the Music Clubs of this area.

Mrs. Dyer included an account of her attendance at the Fall Session of the National Federation of Music Clubs in Williamsburg, Va. on Aug. 20-25. She listed the many offices Texans hold in the NFMC. Mrs. Glen L. Brown of Stanton, Texas is presently First Vice President of the National Federation, and is expected to be the next President.

A Question-and-Answer period followed Mrs. Dyer's talk. Plans for the current Music Year celebrations

were reviewed, with Mrs. Dyer presenting various posters and material to the local Club.

All those present admired the Clubhouse decorations arranged by hostesses Mrs. Earl Bradley and Mrs. Mike Kiser. They also enjoyed a Luncheon of lasagna, salads, and fresh apple cake squares. The colors of blue and white were used on the buffet table and in individual table settings. Floral arrangements included silk bluebonnets in white baskets on each table.

Christmas Cantata
To Be Held
Dec. 19 In Cisco

God gave us an example of giving which we celebrate each Christmas. In Cisco there is a group of citizens who are following that example by giving their talents as well as their valuable time to prepare a Cantata for our communities. This will be the choir's gift to the Hilton Foundation and all those who hear it.

On December 19th, Miss Pam Jackson will direct the Cantata "Merry Christmas" at a fund raiser "Christmas at the Hilton." Miss Jackson and the talented performers have given many hours toward this project which should not be missed. Tickets are available at Cisco Chamber of Commerce, 442-2537.

The donations are \$10 for adults and \$5 for children under 12. All donations are tax deductible.

Lions Benefit Bowl Game Saturday

The Cisco Press Thursday, November 13, 1986

The football teams of Cisco and Ranger Junior Colleges will meet at 7:30 p.m. Saturday, Nov. 15, at Buckaroo Stadium in Breckenridge in the annual Lions Benefit Bowl game. The contest will conclude the regular season for both teams.

Lions Clubs of Cisco, Ranger, Eastland, Breckenridge, Carbon and other area towns are cooperating in sponsoring the game as a means of raising funds for use in their community projects and to benefit the statewide Lions Crippled Children's program.

Tickets are being sold by the various Lions Clubs, and club members in Cisco are offering tickets for sale. The tickets are \$3 for adults and \$2 for students if purchased before going to the game. They will cost \$1 more at the gate.

Coach Rick Frazier reported Monday that his Wranglers were back at work after taking the weekend off. They played Blinn JC in Brenham last Thursday night and were given the weekend off after arriving back home at 5 a.m. Friday.

Both Cisco and Ranger

have identical 5-4 records for the season and both are regarded as strong teams. Each school has a 100-plus squad and the entire squads will be at the game in Breckenridge.

Cisco's team has lost six starters this season to knee injuries and another to a concussion.

Coach Frazier reported that his probable starting lineup would be as follows: Offense-David Dacus, quarterback; James Dixon and Darrell Grant, running backs; Todd Akers, fullback; Randy Moon and

Joe Huff, ends; Steve Razo and Gregg Taylor, guards; Mark Lozano and Roger Anderson, tackles; and Fernando Gonzales or David Muns, center.

Defensive starters-Frank Becker and Jerry Childress, tackle; Dudley and

Darrell Roberts, ends; John Bangelotti, Darnell Pratt and David Cox, linebackers; Mark White and Andre Horton, secondary; and Anthony Curlee and Lance Wiley, cornerbacks.

Eric Edwards and Bobby Dino will handle kicking

chores.

The Wrangler Band and Belles will be in Buckaroo Stadium to present a half-time show.

The Cisco Lions Club will operate the food concession at the game. Plans called for a group of Lions to gather Thursday night to sack peanuts that will be sold in the stands at the game.

Lady Wranglers To Play Temple JC Team Thursday Night There

The Lady Wranglers of Cisco Junior College are scheduled to play Temple JC's women's team in non-conference basketball at 7:30 p.m. Thursday, Nov. 13, in Temple. Both the CJC men's and women's teams played in a doubleheader program at Big Spring Tuesday night.

The Lady Wranglers defeated Western Oklahoma JC by a score of 77-57 last Saturday night to win 3rd place in the South Plains College tournament at Lovelland. The Lady Wranglers lost their opening game to Western Texas, 78-68.

Stats for the Saturday night game follow:

Cisco-Lisa Schoemer 5 12, Stephanie Upshaw 0 2 2, Jeannia Nix 5 2 12, Larissa Bliss 4 1 9, Tina Walker 5 0 10, Stacy Scott 10 2, Michelle Henry 4 2 10, Leah Dunn 10 2, Naidene Tiemann 2 4 8, Lisa Schoemer 4 6 14, Candy Gamel 0 2 2, Tia Rosser 12 4, Totals 27 23 77.

Western Oklahoma-Toni Mitchell 0 1 2, Sheila Stowe 3 0 6, Glenda Kenner 3 1 17, Michelle Henry 13.

The CJC teams will open their home season in a doubleheader program Monday night, Nov. 17, at CJC Gym. The Lady Wranglers will meet Lubbock Christian College at 6 p.m. with the Wranglers playing Texas Wesleyan JV at 8 p.m.

Cheryl Moore 4 2 10, Darlene White 3 0 6, Leah McGee 2 4 8, Stephanie Rice 10 2, Leah Calloway 2 0 4, Totals 24 9 57.

Halftime-Cisco 34, Western Oklahoma 28. Fouled out-Leah Calloway. Rebounds-Cisco 46, Schoemer 11, Rosser 8, Western Oklahoma 34. Assists-

Cisco Junior College will offer Real Estate Math, Nov. 22-23, Dec. 6-7 and 13-14. This course meets three consecutive weekends on Satur-

days from 8 a.m. to 5 p.m.

and Sundays from 9 a.m. to 5 p.m. for three semester hours (45 classroom hours) of credit. This course is approved by the Texas Real Estate Commission.

AT LEAST 70 bucks were bagged by hunters in this region last weekend! That's the number that were logged in at the Rust Processing Center on Highway 80 east, reports Mrs. E. W. Rust, the deer lady. And there were probably a goodly number of deer shot and taken elsewhere.

Probably the biggest was an 11-pointer shot by Phillip Reeves of Cisco. His buck dressed out at 144 pounds. Other nice deer logged in included a 4-pointer by Aaron Pope, freshman at CHS, his first. And Avelon Wende of Cisco took in a nice buck - her first.

Dusty Ferguson, young son of the Bruce Fergusons, shot a nice one as did Ronnie Powelson of Houston, Mark and Bob Wilkinson and Bill Keith of Eastland.

Wild hogs were logged in by Othell Reeves (Phillip's dad), Sandy Boyett and Richard Riggs, all of Cisco. Eight deer were logged in Monday morning. They've put up a bulletin board at the Rust plant and you can see a lot of pictures of trophy deer if you'd like to stop and take a look. The Rust folks advertised that they were giving caps to the first 50 deer brought in. They had given out 75 early Monday and planned to keep giving them out as long as the supply lasts. The deer plant's phone number (442-1653) didn't get listed in the latest phone book. "If you don't get an answer by calling the Rust Processing number come out - we're here all the time," reported the deer lady.

MR. W. E. (Dizzy) Dean go so upset with the referees of the Cowboy football game Sunday afternoon that he shut off the TV, got out his gun and went hunting out northwest of town. He stopped to open a pasture gate, saw what he thought was a calf, paid it no attention and drove in and shut the gate. Then, he looked again. It was a buck!

Diz got in his car and made like he was driving away so the deer wouldn't run. He loaded his gun, eased out and shot the six pointer.

DID THE FIRST United Methodist Church have any deer hunters turn up for the

annual deer hunters' tree breakfast they advertised last Saturday morning?

"Yes, we fed 28 hunters," reported the Rev. Ken Diehm, pastor. His deer breakfast chefs, who served bacon and eggs and coffee, were Dan Dixon, Eddie McMillan, Don Wallace, Raymond Hounshell and Gus Smothers. The chefs were on the job at 3:30 a.m. and were ready when hunters started dropping in around 4 a.m.

THERE WERE some 200 musicians on the Chesley Field gridiron at half-time of the Cisco-Hico football game last Friday night as Director Wayne White had all of his bands, including the 6th grade beginner band, the junior high band, and his 75-piece Lobo band, out for the half-time show.

And it was an outstanding half-time show! The band sweetheart was introduced as a highlight of the show (see story and picture elsewhere).

The Rev. Harry Garvin, Baptist minister, gave the pre-game invocation. The 10 senior members of the football squad served as game captains for the Lobos. They are: Kevin Hollingshead, Pete DeLeon, Robert Rains, Lonnie Peevy, Dale Page, Billy White, Lawrence Wright, Ronnie Scheuren and Shelby Nixon.

Jim Yowell, who operates the score board clock, had problems in the press box. The clock wouldn't stop when he punched the stop button. Several times, they had to roll the clock back. PA System Announcer John Clinton observed once that "you haven't lived until you eat one of Bill Reynolds' blueberry muffins." We'd like to "live," wouldn't you?

Miss Mary McGrew, daughter of the Lloyd McGrews, came up from Temple where she is a teacher to attend the CJC dinner theater show and got to the game at half-time.

DALE PAGE, Lobo center and senior who left the game with a knee injury, apparently suffered only a dislocated bone joint, x-rays showed. Dale was due to see his local doctor again Thursday and it will be determined whether he should see a specialist. As you know, Dale suf-

fered an injury to his other knee last year and underwent surgery. Dale told us that his football career is probably over. He plans to enter military service when he finishes high school and eventually to attend college. He is the son of the Gerry Pages.

THE LOBO FOOTBALL season ended with Cisco have a 2-8 record. That doesn't look too good on paper, but the Lobos were a better team than the record indicates. They lost three or four games by one point - games that could have gone either way. And they didn't have the best of luck in referee calls and ball bounces.

The Lobos elected captains for the year - Steve Abbott, Ronnie Schueren, Shelby Nixon and Dale Page.

WE REPORTED a few days ago that Mrs. Gerry (Ginny) Page found a letter written by M/Sgt. William S. Jobe to his parents, the W. D. Jobses, in a book she purchased at the Hospital Auxiliary Book Fair.

Mrs. Page reports that she received a call from Mrs. Wallace McCarver who told her that M/Sgt. Jobe was her brother and that Mrs. WM would drop by The Press office to pick up the letter.

WHEN THE FBI comes nosing around to ask questions about someone, it isn't unusual for folks to raise their eyebrows to wonder "what could that old boy have gotten himself into?" Not so in a case here last week. In fact, the mother of the man being checked on is real proud.

The proud mother is Mrs. Nina Jo Anderson of Walton Electric. The FBI was checking on her son, Teddie Jay (Bubba) Anderson, who is in the Air Force at Kelly Field, San Antonio. And he's being issued a top secret clearance, which requires an FBI checkup and approval.

TUESDAY WAS Veterans Day and the First National Bank, the Cisco Post Office, Olney Savings and a few places like utility company offices were closed. Glad to hear that Mrs. Bessie Fields, ill for some time at Hendricks Memorial Hospital in Abilene, is improving. The Howard Turners spent the past weekend deer hunting down in the Marble Falls country. They've completed clean-

ing brick and removing debris from the burned Dixon Auton Store building and have started work next door on the old White Auto Store Building in downtown Cisco. Mr. Dean Madison, the gentleman farmer who lives out on the Rising Star Highway, reports that his new beard hasn't won the approval of their grandchildren. Mr. Delbert Schaefer, local teacher, shaved off a handsome beard last week.

THE CJC Dinner Theater attracted capacity crowds for all three performances last Thursday, Friday and Saturday nights. The dinner was good and so was the acting. And they had good crowds for breakfast and lunch at the First Christian Church bazaar last Friday night. Understand the bazaar sales were the best ever.

A WEEK OR so ago, Miss Lori Larrison, CHS girls basketball coach, turned an ankle and it has been pretty sore ever since. Her doctor has decided that surgery is needed to correct the problem so she's scheduled to enter Hendrick Memorial Hospital, Abilene, Friday for surgery. Miss LL hopes to be on the job when her Lobo Queens open their 1986 basketball season next Tuesday night. Mr. Richard Myers, science teacher at CHS, was in Brownwood to be with his wife who was in the hospital there. Hear that Mrs. Trixie Whately, who has had a health problem for some time, is to go to Fort Worth on Thursday for medical treatment. She expects to return home the same day.

Smoked Turkeys

Students of Cisco High School planning a trip to Mexico this summer are selling Heritage Farms smoked turkeys in an effort to raise money for their trip. The sell begins Thursday, November 6th and will end at noon Wednesday, November 19th. Turkeys will be delivered Friday, Nov. 21st and Saturday, Nov. 22nd. Anyone interested in purchasing one or more of these delicious turkeys please call Cindy McCulloch at 442-4327 after 4 p.m. All proceeds from sales will be divided among students participating in the sale or placed in the name of the participant of your choice.

Revival Services Continue At East Cisco Baptist

A week-long series of revival services will continue through Friday, Nov. 14. According to Pastor Cecil Deadman, the church experienced two great services on Sunday under the leadership of the two young men who are serving as their evangelistic team. Bro. Bruce Perkins, pastor of Memorial Baptist Church of Grapevine is the preacher for the week and Bro. Steve Smith, pastor of East Cisco Baptist Church, is leading the music.

Basketball Practice

Practice for the 1986-87 basketball teams was scheduled to begin this week at Junior High and Cisco High School, according to a report by Athletic Director Doyle Walker. The first game will be played next week.

Coach Brian McCulloch, head coach for the high school Lobos, has been named back to the Hilton Club. He is coaching the Hilton Club, including Jason Phillips, Keny Darr, Ricky Chambers, Pete DeLeon and Billy White. He expected a squad of between 20 and 25 players for workouts this week.

Coach McCulloch will handle both the high school and the junior varsity teams. Coach Walker will be in charge of the 8th grade squad, while Coach Russell McLeskey will direct the 7th grade program.

Coach Lori Larrison will be in charge of the high school Lobo Queens and the girls junior varsity programs, while Coach Terry Bean will be the junior high girls coach.

Births

REBECCA SUE TURNER Barry and Dana Due Turner of Irving announce the birth of their daughter, Rebecca Sue, on Nov. 8 at 5:45 p.m. in Irving Medical Center. She weighed seven pounds five ounces and was 20 inches long. She is the couple's first child.

Maternal grandparents are Billy and Nada Thogmartin of Carrollton. Paternal grandparents are Millard and Joyce Turner of Irving. Maternal great-grandparents are Virgil and Amy Wagley of Cisco. Paternal great-grandparents are Garrett and Flora Wolf of Lampasas.

Local News in Brief

Ms. Louise Pryor and Billie Clark were recent visitors in the home of Mr. and Mrs. Truly Clark and family of Carthage, Texas, son of Ms. Clark and nephew of Ms. Pryor. While there they were guest at a birthday party honoring Yvonne Clark, Billie's granddaughter and great niece of Ms. Pryor. They also enjoyed attending the Louisiana State Fair in Shreveport, La., seeing the colorful fall foliage along the way was very pretty sight to see.

Truly, who is maintenance supervisor of the five public schools of Carthage there took them on a tour of the beautiful fifteen million dollar white brick High School building, which covers five acres, the entire campus is on fifty two acres very pretty landscaped. Each department is well equipped for most any subject one would want to take as well as the required subjects. The high school enrollment is some one thousand. The other four schools are in near by areas, they also have a very nice Junior College. The school system has seventy two large busses and nine smaller van type that transport the students from a large area.

Ms. Pryor and Clark returned home via Paris, Texas, where they visited Ms. Pryor's son Wayne who is a student there in the Paris Junior College, he sends his greetings to all his friends and relatives, appreciates the prayers, cards, letters and calls from each and every one.

The weather was beautiful and a very enjoyable time was had by all.
