Looking Things Over

By "MACK"

USEFUL INFORMATION

Compiled by Dr. E. C. Price
There are one hundred and sixty-eight (168) spots on a set of double six dominoes. This fact was discovered after actual count.

SELECTED SHORTS

(Mostly Swiped)

All the money that is good for anyone is just enough to get along without scrapping.

Do what you can,
Where you are,
With what you have.

—Theodore Roosevelt

An efficiency expert is the only person we know of who gets paid for minding other people's business.

It's our opinion that if the younger generation were headed anywhere it would have been there long ago.

About the greatest mistake you can make in life is to be continually afraid that you will make one.

It is said that women worry about the future until they get a husband—but a man never worries about the future until he gets a wife.

A dead town is one where nothing ever happens to improve it except a funeral.

Pulling up hill is better than rolling down it.

GASOLINE WOMAN IN CLOVIS HOSPITAL

Special to the Post
CLOVIS, New Mex'co, March 25—Mrs. John T. Rogers, Gasoline, Texas, is recovering in the Baptist Hospital here from a minor operation. Mrs. Rogers entered the hospital in Clovis last week for treatment, and is reported improving.

U. S. 1935 COTTON CROP TOTALS 10,417,237 BALES

WASHINGTON, Mar. 20.—The census bureau reported that the 1935 cotton crop totaled 10,417,237 running bales, counting round bales halves, compared to 9,472,022 in 1934. Texas produced 2,960,117 bales.

TEXAS ONLY 15% DEVELOPED

Despite the fact that Texas is one of the richest states in the Union, economists claim it is only 15 per cent developed. The vast natural and agricultural resources of the Lone Star State will be displayed at the Texas Centennial Exposition opening in Dallas, June 6.

Luke Barker Says:

Doc. Tilt sez that he don't know what th' dollar is sufferin' from, but reports that its still in a mighty weaken condition.
Sunday tourist 't' th' country are gettin' awful careless, they overlooked one bunch o' wild flowers that was right beside th' road.

REVIVAL AT BAPTIST CHURCH CLOSING SUNDAY

Baptismal Services To Be Held Sunday Afternoon

Rev. Frank A. Tippen, Whitesboro pastor, will close a two-weeks spring revival campaign at the First Baptist Church here with the evening services Sunday, March 29.

Baptismal services will be held Sunday afternoon at the First Baptist Church at Lockney, Rev. R. Neal Greer, local pastor, announced today.

Five additions to the church were announced Tuesday, while two others have been approved for baptism.

Rev. Tippen, in a statement Tuesday, expressed his appreciation to Rev. G. L. Keever, pastor of the Quitaque Methodist Church, and his congregation for dismissing evening services during the revival.

Large crowds have been in attendance at the services each evening, and the pastors expect to increase attendance during the closing services. Morning services open at ten o'clock, evening services beginning at 7:45.

In line with the spring revival, Rev. Tippen and Rev. Greer are conducting a Sunday School enrollment campaign. A large attendance is planned for the closing Sunday, with the goal for the day set at an attendance of 200 of the 213 on the rolls.

Rev. Tippen announces the following subjects for the closing services: Sunday morning he will speak on "Heaven," ending the revival Sunday evening with a sermon on "The Last Call."

Interest High In Coming Dairy Show At Plainview

Special to the Post
PLAINVIEW, Mar. 24.—Not since the organization of the Panhandle-Plains Dairy Show in 1928 has there been so much enthusiasm and interest shown in the exhibition of pure bred dairy cattle and preparations for an amusement program as is being evidenced this year. The 9th annual show opens in Plainview April 6 and continues through the 9th.

From the time the show opens Monday, April 6th with the dairy cattle judging, until the closing hour of the auction sale on Thursday April 9, there will not be a single minute that something educational or amusing will be taking place in Plainview.

On Monday afternoon more than 100 cowboys and cowgirls will participate in the Western rodeo on the dairy show grounds. Cowpony racing, bronc riding, roping and bull-dogging will feature the rodeo, which will be repeated on Wednesday, April 8th.

Tuesday afternoon 30 of the Panhandle-South Plains most beautiful riding horses will be shown, and this will be followed by sixteen greyhound races with 32 of the fastest dogs in Texas, Oklahoma and New Mexico participating. In the evening will be the Easter Parade and Style Show at the City Auditorium with 50 girls from various towns in this section participating. The annual Queen's Ball will follow the Style show.

After the Rodeo on Wednesday will come the annual exhibitors banquet which will be followed by the official Panhandle-Plains Dairy show dance.

Thursday the horse show and rabbit races will be the feature attractions.

Plainview is offering more than \$2,500 in cash premiums for the best dairy cattle and spending a similar amount on amusements for the large crowds expected. Organized delegations from neighboring towns are being planned as well as special days for each town.

Former Quitaque Athletes Making Good at College

Former cage and gridiron stars from Quitaque High school teams are making good in college athletics, dispatches from two prominent Texas schools indicate. Late reports from local athletes who have made the sports columns follow:

F. M. Sachse, Jr., former Quitaque athlete and 200-pound freshman this year at Texas A & M, looms as an excellent prospective grid back and cage guard on the 1936-37 Aggie squads, according to Tony Ketterson, sports writer, in the Houston Post.

Sachse led the Aggie Fish cagers in scoring recently, netting nine points against the Rice Freshman and six against NTAC. With Dick Todd of Crowell, he will be a prominent contender for a place on the football squad next fall.

Playing with the Sul Ross Lobos, three former Quitaque High athletes saw service in the National A.A.U. Basketball tourney at Denver, Colorado, last week-end.

Homer Morris and the Tipps Twins, "Red" and "Chunk" were members of the powerful Lobo squad entered in the national cage tourney. All were prominent in local athletics when in high school here. Morris is a 6 foot, 3 inch regular forward on the Sul Ross team, while the Tipps twins have been prominent contenders for positions with the Lobos this year.

Quality Meat Show To Be Staged In Lubbock Next Week

Special to the Post
LUBBOCK, March 24.—With over 700 livestock and 500 other entries already in, the sixth annual Plains Quality Meat Show here March 30, 31 and April 1, will be the biggest show of its kind ever staged on the Plains.

The annual Texas Tech Vocational Judging Contest will be held at the college on the opening day of the show, March 30.

Over 500 entries are in the canned meat division and a big educational program is being conducted along with show by the home demonstration agents of the territory. The cured meat division will attract about 100 entries of country cured hams and bacon.

The fat lamb division, added to the show last year, will have over 300 entries. There will be 150 calves and 275 pigs.

Principal features of the show include an exhibitors' dance March 30, exhibitors' banquet March 31, all livestock judging March 31, and livestock auction sale, April 1.

COUNTY OFFICIALS ATTEND COUNTY JUDGE'S CONVENTION

County Judge W. W. Martin and County Commissioners L. E. Graham of Quitaque and P. D. Jasper of Precinct No. 3, made a trip to Wichita Falls last week, attending the County Judge's Convention held in that city last week-end.

AGRICULTURAL BRIEFS

BY THE BRISCOE COUNTY AGENT

With shovels and brooms in hand and a prayer in our hearts we're "coming out" of that 3 day session of West Texas rain. The prayer referred to above is "Oh Lord don't let us have any worse than Monday was for that's all we can stand in one day." But after these "West Texas rains" are over we all feel better and say to ourselves, "She'll have to have lots of bad features before they'll over balance the good ones."—And besides being a shade dry at times and kind subject to sand storms in the spring, West Texas has no bad features.

Wind Erosion Work
At a meeting of the Briscoe County Agricultural Association in the District Court room last Saturday a wind erosion committee was set up

GOLIAD MARTYR

Colonel James Walker Fannin, leader of the Texas revolutionary force at Goliad 100 years ago, shared the martyrdom of 390 followers who were massacred by the enemy near historic Mission La Bahia on Palm Sunday, March 27, 1836. The mission, from which the men were marched as prisoners of war to be slain in nearby fields, will be the scene Friday, March 27, of a commemorative observance which will be one of the outstanding events of the Texas Centennial year.

Telephone Company Moving Poles and Lines To Alley

Lines and poles of the Southwestern Associated Telephone Company are being moved from Main Street to the alleys this week as work on the concrete curbing on two business blocks on Main nears completion.

Jack Simms, lineman for the telephone company, and a crew of seven men arrived Tuesday evening from Hobbs, New Mexico, starting to work early Wednesday.

The crew will be in Quitaque for four or five weeks, Simms stated, establishing headquarters here for line work in this section. Local operations are expected to be completed within a short time, he said.

Work on the \$20,000 WPA city paving project is progressing swiftly, curbing on the second block on Main now complete, while hauling of caliche for the road base goes forward.

MR. & MRS. PAUL HAMILTON ENTERTAIN THURSDAY

Entertaining a group of friends Thursday evening, Mr and Mrs. Paul Hamilton were hosts at a waffle supper at their apartment at the Hotel Quitaque.

Place cards and favors in green carried out the St. Patrick's day motif. Fruit cocktails, a salad course, and hot waffles were served to the following:

Misses Jewell Everett, Mable Atkinson, Seney Persons, Mary Lucy Montgomery, Minnie Mae Roberson, and the host and hostesses, Mr. and Mrs. Paul Hamilton.

The supper at the Hotel was followed by a theatre party at the Theatre in Turkey.

Deadline for Auto Tags and Drivers' License April 1st

Sheriff N. R. (Jake) Honea, in a statement Monday afternoon, urged all automobile owners and drivers in the county to have their cars registered and secure driver's licenses this week in order to avoid the last minute rush. The deadline is April 1st. All tags must be on cars by that date, and all persons driving cars in the county must have secured driver's licenses by that time.

Only one third of the automobiles in the county have been registered for 1936 license tags, according to Honea. Out of an estimated 1000 cars, only three hundred and thirty three had been registered at the County office Monday afternoon.

Of an expected 3000, approximately fifteen hundred drivers had applied for licenses at that time. The driver's license law will be rigidly enforced in the state, and all persons who expect to drive an automobile within the next three years must secure them.

While no charge is made for the Driver's License if secured before April 1, under the new law all chauffeurs are required to have a chauffeur's badge. A charge of \$3.00 is made for the badge. According to Sheriff Honea, this provision of the new law has caused considerable confusion. The following definition of

Panthers Again Win Second In Track Meet

Thinly clad performers of the Panther Track team placed second in a field of four at the track and field meet at Silverton Friday afternoon, losing by a two point margin to the winning Flomot tracksters while finishing ahead of teams from Silverton and Lockney.

The Flomot Longhorns finished in first place with a total of fifty points, Quitaque a close second with 48, followed by Silverton with 41, and Lockney with 9.

Times turned in on all races were extremely slow, while performances in all events were far below average.

In the most outstanding performance of the meet, Ray Morrison of the Panthers heaved the 12-pound shot put forty-seven feet and one inch to take an easy first place in the event. Morrison, in a practice throw earlier in the afternoon, heaved the weight well over the 48 foot mark, but the throw was unofficial.

The Flomot Longhorns led the field in the dashes, high hurdles and 440 to run up the winning points.

Pete Hall of the Panthers was high individual for the team with 10 points, Morrison finishing a close second with eight.

In the high hurdles, Jack Hutcheson tied with Brown of Flomot for first, topping the timers in slow time of 19 seconds. Hall took second place in the 100 yard dash, 3rd in broad jump, 3rd in the 220 and ran a fast quarter in the relay to lead the scoring.

Elliott Lee took the mile in slow time, 5:06, Morrison winning the shot put, and Ke'ly taking first in the high jump to ring up the Panther firsts.

The Quitaque relay team finished in second place, dropping behind the Silverton Owls in the stretch.

The Panthers will hold try-outs this week-end in preparation for the County Interscholastic Track and Field meet at Silverton next week, Coach Trenton Davis announced this week.

MATADOR BAPTIST PASTOR MOVES TO GAINESVILLE

Rev. A. L. Jordan, pastor of the First Baptist Church at Matador for over four years, recently accepted the pastorship of the First Baptist Church at Gainesville. Rev. Jordan has spoken many times in Quitaque, and is well known in this section. He will take up his new duties at Gainesville next Sunday.

STAGE IS SET FOR FUN NITE APRIL FIRST

Variety Program To Be Presented At Gym

Plans are being rushed to completion this week for the greatest variety show—a sensational novelty in local entertainment—High School Fun Nite to be presented at the Panther Gym on All Eve. The program is slated for Wednesday evening, April 1st, 8 o'clock. Proceeds will go to the Athletic fund to buy swifteen Panther letterman.

Two hundred tickets will be on sale last week, admission being set at fifteen and twenty cents, and the advance sale a sell-out for the big show. Special seating arrangements are being made to handle a record at the local gym.

Clement McDonald, local publisher, will be at the "make" as Master of Ceremonies as the big show opens. Coach Trenton Davis, director of the program, announced this week.

An all-star program has been arranged for Quitaque's first "Fun Nite," with a wide variety of talent selected from popular entertainers from this entire section assembled together for the first time.

An evening of popular song and dance, with A-1 comedy and stellar individual performances will be climaxed by six boxing and wrestling matches in light, middle and heavy-weight divisions.

Highlights of the evening's program will include the following numbers:

(Continued on back page)

R. F. Williams Is Appointed County Old Age Inspector

R. F. (Boss) Williams, well-known local business man and accountant, has been appointed as Briscoe County Inspector for the Texas Old Age Assistance Commission, authorities revealed this week.

The appointment was confirmed Friday by Orville S. Carpenter, Austin, State Administrator for the commission.

Mr. Williams began his duties with the commission Monday, being stationed this week at District Headquarters in Plainview. His work will be centered in Briscoe County, but includes other territory in this district, he stated.

Duties of the inspector will be concerned with settlement of claims, establishing proofs and confirming the Old Age Assistance Pension applications.

A statewide organization is being completed to handle the large number of applications received by the commission. County inspectors will work with District officials in lining up all applications before July, when the plan is scheduled to be put in operation.

K. S. Osborne, Floydada, was last month appointed as District Administrator for the Old Age Assistance Commission in this, the Plainview District. District offices have headquarters in Plainview.

ROSEMARY PRICE NAMED REPORTER

Special to the Post
DENTON, March 25.—Rosemary Price, daughter of Dr. and Mrs. E. C. Price of Quitaque, last week was elected reporter on the staff of the Campus Chat for Marquis Hall, new residential hall for women at North Texas State Teachers College. Miss Price, a Senior at the college, is majoring in elementary education and minor in English. She is a graduate of Quitaque High School, and before coming to Denton, attended West Texas State Teachers College at Canyon, where she was prominent in student activities.

Yvonne Thomas and Beis Reucom spent the week-end in Pampa, visiting in the home of Miss Thomas' parents.

Mr. and Mrs. Glenn Wise, Mrs. Friley Wise and J. T. Persons made a trip to Amarillo Tuesday.

Wanda King was a week end visitor in the home of her parents in Silverton.

Washington's Birthday
By RAYMOND PITCAIRN
National Chairman
Sentinels of the Republic

"The character, the counsels and example of our Washington . . . will guide us through the doubts and difficulties that beset us; they will guide our children and our children's children in the paths of prosperity and peace."

That tribute to the enduring influence of George Washington was expressed by one of our earlier statesmen during a period as critical to America as our own. It remains a true estimate today.

What counsels can we recall as, throughout the nation, we honor his memory?

The Father of His Country was more eloquent in deeds than in phrases. He lived his own precept: "Actions, not words, are the true criterion." But history has, nevertheless, recorded numerous expressions of his wisdom and foresight. Many of them hold a peculiar significance in a period marked by assaults on the very Constitution in which he incorporated his hopes for the future of our Nation.

Here are some of George Washington's comments on the great Charter of Liberties so intimately identified with his life and his spirit:

"That precious depository of American happiness, the Constitution of the United States."

"The Constitution which at any time exists till changed by an explicit and authentic act of the whole people is sacredly obligatory to all."

"If in the opinion of the people the distribution or modification of the Constitutional powers be in any particular wrong, let it be corrected by an amendment in the way which the Constitution designates. But let there be no change by usurpation; for though this in one instance may be the instrument of good, it is the customary weapon by which free governments are destroyed."

"Experience is the surest standard by which to test the existing Constitution of a country."

To which might be added one more. In the light of that odd adherence to a new and alien philosophy which actuates so many recent attacks on the Constitution, it seems timely to recall Washington's oft-quoted war-time order:

"Put none but Americans on guard tonight."

Guy Hawkins was a business visitor in Silverton Monday.

Mr. and Mrs. O. K. Stephens were in Childress Tuesday.

A Vinyard and S. T. Bogan made a business trip to Turkey Wednesday morning.

Mrs. Rex Faulkner and baby son, Rex, Jr., arrived Sunday evening from Arlington for a visit in the home of her parents, Mr. and Mrs. L. E. Graham. They were accompanied from Arlington by Mr. Graham.

L. J. Myers of Turkey was a business visitor here Tuesday afternoon.

Mrs. Geraldine Roberson spent the week-end visiting friends in Lubbock.

Automatic Twins

Dinner's all ready!

The Automatic Electric Range Is the Answer!

Every member of the family appreciates wholesome, well-cooked food. It's necessary to health! However, few people realize, except the housewife, the toil and drudgery necessary to prepare three meals a day. Just think of preparing over a thousand meals a year beside the many other laborious duties of a housewife.

Many West Texas homemakers have found a happy solution in the elimination of unnecessary toil in the kitchen. Today, the modern mother can place an entire meal in the oven of her range, set the oven control and time control and return home hours later to find a "piping hot" meal ready to serve. This is the marvel of automatic electric cookery!

One Dollar Income: Two Dollar Outgo!

By RAYMOND PITCAIRN

National Chairman
Sentinels of the Republic

With Congress well launched into its present session, the public is watching eagerly for evidence that pledges to reduce extravagance in government are to be fulfilled.

Thus far the evidence is scant. There have been the usual number of "private bills" to increase individual pensions and the like. There has been talk of huge appropriations for various projects obscure both in scope and in purpose. It begins to look as if enough plans to spend the taxpayers' money will be offered this session to run the total high into the billions—as has been the fashion at Washington during recent years.

Naturally all these efforts on the part of legislators to spend the people's dollars cannot hope to be enacted into law. But the persistence with which such attempts recur indicates something worthy of consideration by all of us who pay taxes, whether direct or "hidden."

It is, that while office-holders like to picture themselves as the people's business agents in government, actually many of them seem to play quite the opposite role. Probably that explains why the Federal public debt has reached an all-time high; why the government is spending almost two dollars today for every dollar it takes in.

What the office-holder should remember is that the ability of any business agent is measured not by the number and the magnitude of the bills he runs up for his employers to pay, but by the efficiency and economy with which he administers the affairs of those he represents. Helping to run up a public debt that would take thousands of years to pay at the rate of \$5,000 a day, doesn't quite fit the picture. Yet that, statisticians say, is what reckless spending in government has done to the United States and its people.

Big appropriation bills may help put a legislator's name on the front page—but they don't remedy conditions if they also help put a lot of other men's names among the bankruptcy notices.

FRESHMAN EDITION

INTRODUCTION

Gentle readers, you are now meeting the baby class of the Quitaque High school—the class of '39. We have many plans for our three years in school, and we intend to carry them out. We are a loyal class and one always finds our members supporting the school at all games. Even when the weather is unfavorable, we have a better percentage of attendance at school, and our tardies number lower than those of the three other classes in school.

Our class social activities are few, but we are looking forward to our annual class party and our class picnic which will be held sometime in May.

THE FRESHMEN ENTRANTS IN THE INTERSCHOLASTIC LEAGUE

The Freshmen are taking a great part in the Interscholastic League this year.

There are several girls entering in volley ball. The four girls that play baseball are: Shirley Jo Powell, Allene Broxson, Dorothy Payne and Juanita Mayhall. The three boys playing baseball are: Bob Grundy, J. C. Rhoderick and Johnnie Gowin. Weldon Starkey and Richard T. Bbetts are entering in tennis.

We also have two boys that are taking part in track. Bob Grundy is entering the high jump and the broad jump. Johnnie Gowin is entering in the high jump.

THINGS A FRESHMAN LIKES ABOUT SCHOOL

- 1—Gym periods
- 2—Rides on bus
- 3—Sports
- 4—General Science
- 5—Teachers' convention
- 6—Lectures from Mr. Davis

THE FRESHMEN AND CORONATION OF QUEEN

The Quitaque High School elected from each of its classes a candidate for basketball queen. The freshman candidate was Lela Mae Persons, who proved to be a very popular freshman girl and was ardently supported by her class. The freshmen kept their candidate at the head of the race, and were piling up votes until the last minute. They were defeated by the small amount of fifty-six votes.

In losing this contest by such a small margin, the Freshmen class has proved that it will be one of the peppy classes in school, but this class has shown that the freshmen must be watched closely. For each year this class intends to become powerful. Watch us again next year.

FRESHMEN COURSES

The courses that are open for the freshmen class are: Junior Business Training, Algebra, English Literature and General Science. Miss King is the teacher of Junior Business Training. This week we are taking up filing which is a very interesting subject. Algebra, which has been a very complicated subject, is easy for the freshmen this year. Coach Davis, who is the teacher, has helped make Algebra easy and the good attention of the class has helped too. For the past few days we have studied linear graphs. Miss Thomas is the teacher of English Literature. This week we will start studying American poets. Last but not least is Mrs. Scheidt's General Science. Last week we studied electricity and the peach blossom which were very interesting experiments.

JOKES

Mrs. Dav's entered the kitchen and proudly placed a turkey on the table!

"There you are, my first turkey!"

Mr. Davis gazed with admiration at the bird's shape.

"Wonderful," he said, "How beautifully you have stuffed it!"

"Stuffed," she echoed, "But this one wasn't hollow!"

A man who had taken a girl out to dinner when she was 18 met her when she was 30, and she looked as though she had been out to dinner ever since.

Lela Mae—I told you my brother would be a bad one to stay up, once he got off to school.

Bob—Why do you say that?

Lela Mae—I just got a night letter from him, the rascal.

J. C.—Miss King, why don't you teach Latin?

Miss King—Well, J. C., that's a dead language.

J. C.—That's why I want to take it—I'm going to be an undertaker.

Miss Thomas—Ralph, why did you wash that window?

Ralph—Oh, I did on the outside so people could see in, but I on the inside 'cause you said didn't want us staring out the dows.

Mr. Scheidt—(while shaving in the world can be the man my face? It's all covered with blotches. I must be coming with some horrible disease.

Mrs. Scheidt—Oh, I'm It's my fault. I used my brush to paint the screen, got to clean it.

Do You Ever Wonder

Whether the "Pain" Remedy You Use is SAFE?

Ask Your Doctor and Find Out

Don't Entrust Your Own or Your Family's Well - Being to Unknown Preparations

THE person to ask whether the preparation you or your family are taking for the relief of headaches is SAFE to use regularly is your family doctor. Ask him particularly about Genuine BAYER ASPIRIN.

He will tell you that before the discovery of Bayer Aspirin most "pain" remedies were advised against by physicians as bad for the stomach and, often, for the heart. Which is food for thought if you seek quick, safe relief.

Scientists rate Bayer Aspirin among the fastest methods yet discovered for the relief of headaches and the pains of rheumatism, neuritis and neuralgia. And the experience of millions of users has proved it safe for the average person to use regularly. In your own interest remember this.

You can get Genuine Bayer Aspirin at any drug store—simply by asking for it by its full name, BAYER ASPIRIN. Make it a point to do this—and see that you get what you want.

Bayer Aspirin

Emergency Wind Erosion Program Ready To Go Into Immediate Action

COLLEGE STATION—The emergency wind erosion program being administered by A and M College through the Texas Extension Service is ready to go into immediate action as soon as funds are received from Washington, Director H. H. Williamson of the Extension Service has announced.

"A major part of the counties are organized in the Panhandle area and applications for treasurers bonds are being received," the Director said.

He went on to say that all application forms have been sent out to counties and the administrative machinery is set up at College Station to handle the emergency wind erosion with the least possible delay. Williamson explained that the program will be handled in the counties through committees elected by county council. These committees will elect a chairman and a treasurer of such committees. The treasurer of such committees need not be a member of the committee.

Any agricultural agent will be primary and be responsible for the initial phases of the program. He will generally supervise the work of the county agricultural agent. He will present the Director of Extension Service.

The "Hit of the Week" trio, Ila Steele Patterson, Mary Rucker and Marjorie Williams singing the nation's favorites from radio's popular "Hit Parade" Plus—

A Men's Quartet, arranged and directed by the one and only Geo. W. Owens, singing popular western songs, from "Home on the Range" to "Boots and Saddle."

AND—the featured soloist, Miss Wanda King, with her popular interpretation of the latest thing in modern music. The vocal numbers will have orchestral accompaniment.

The outstanding performance of evening will feature the nine-year-old daughter of Mr. and Mrs. Woodrow Wilson of Silverton with her Lubbock partner in an exhibition of acrobatic dancing. The two youngsters are now under contract with RKO for a Hollywood appearance this fall, and have won wide acclaim with their performance in many West Texas cities.

A featured artist—Vaughn Chandler, a master in his profession, will render a Hog Calling Demonstration that is guaranteed to rock the building on its foundations.

A new and popular local band, led by the Old Maestro, Jack Hutcheson in person, will render their own interpretation of that popular novelty number, "The Music Goes Round and Round." Featured artists appearing with the band are "Dopey" Bedwell, pianist; S. T. Bogan and his violin, and Graham Harvey on the Banjo.

Huck Berry himself brings a one man vaudeville show to the stage with a ten minute interval of imitations, followed by Mrs. Clarence Wise in a sensational piano novelty number in which she plays blindfolded, a cloth over the keys, and gloves on her hands.

A first-rate boxing and wrestling show will be presented. On the bill for the evening are:

BOXING: Ralph Craig vs. Gene Grundy, E. Lee vs. J. Farmer, and another bout to be arranged later.

Topping the bill with the "Grunt and Groan" boys is the feature wrestling match between Bryant (Strangler) Eddleman and Jack (Cyclone) Hutcheson—a grudge fight to a great finish and billed as one of the comedy sensations of the season.

Among the boys who take their wrestling seriously are Bud Bailey vs. Marcus Kimbell, with another match to be announced.

Howard Castleberry will be the fight announcer. The referee will

Only solid listing or strip listing or chiseling can be approved by the county committee, and all work must be done on the contour.

"This requirement has been made," the Director explained, "in order to conserve all moisture and assure a vegetative covering that will prevent the occurrence of the same situation next spring."

K. J. Edwards, who has been appointed as Assistant District Agent for Soil Conservation Work for the Panhandle area, will assist in the wind erosion program. He will have his permanent headquarters at the Potter county agent's office in Amarillo.

All field work will be carried on by Parker D. Hanna, Extension district agent of the Panhandle area, and O. G. Tumlinson, Extension district agent of the South Plains area, through the county agricultural agents in each of the counties affected by the emergency wind erosion program.

STAGE IS SET

Three Delicious Versions Of an Old-Fashioned Dainty

WHEN springtime fills you with ambition to plan surprises for the family menu, give a thought to an old-fashioned dainty, jelly roll—and its many delicious variations. Did you ever try one with a lemon or orange filling? If you have thought jelly roll too hard to make, follow this recipe and you'll surely succeed. Serve jelly roll for Sunday dinner with a serving of ice cream on top of each slice—a perfect dessert!

Old-fashioned Jelly Roll

3/4 cup sifted cake flour
3/4 teaspoon double-acting baking powder
1/4 teaspoon salt
4 eggs, unbeaten
3/4 cup sifted sugar
1 teaspoon vanilla
1 cup jelly (any flavor)

Sift flour once; measure. Combine baking powder, salt and eggs in bowl. Place over smaller bowl of hot water and beat with rotary egg beater, adding sugar gradually until mixture becomes thick and light colored. Remove bowl from hot water. Fold in flour and vanilla. Turn into 15x10-inch pan which has been greased, lined with paper to within 1/2 inch of edge, and again greased. Bake in hot oven (400° F.) 13 minutes. Quickly cut off crisp edges of cake. Turn out on cloth covered with powdered sugar; remove paper. Spread with

jelly and roll. Wrap in cloth and cool on rack.

Rich Lemon Filling

3/4 cup sugar
4 tablespoons cake flour
Dash of salt
1/2 cup water
1 egg, well beaten
2 tablespoons butter
1/4 cup lemon juice
1/2 teaspoon grated lemon rind

Combine sugar, flour, and salt in top of double boiler; add water and egg, mixing thoroughly. Place over boiling water and cook 10 minutes, or until thickened, stirring constantly. Remove from boiling water; add butter, lemon juice and rind, and cool. Makes enough filling for 15x10-inch roll.

Coconut Orange Filling

1/2 cup sugar
4 tablespoons cake flour
Dash of salt
1/2 cup orange juice
2 tablespoons lemon juice
2 tablespoons water
1 egg, well beaten
2 tablespoons butter
1 1/2 teaspoons grated orange rind
1/4 cup shredded coconut, finely cut

Combine sugar, flour, and salt in top of double boiler; add fruit juice, water, and egg, mixing thoroughly. Place over boiling water and cook 10 minutes, stirring constantly. Remove from boiling water; add butter, orange rind, and coconut. Cool. Makes enough filling for 15x10-inch roll.

Agricultural Briefs

(Continued from Page 1)

to each individual's payable before plowing and the other 40 is payable after the committeeman reports the work done in a satisfactory manner. This is not a loan—it's a grant.

C. A. P. Forms
The C. A. P. forms cover the difference on cotton between the 10 spot market and 12c per pound—not to exceed 2c per pound. This payment is called by most folks the Sub-sidy payment. We have worked and reworked our papers here in the county and have turned them over to the state office at College Station for payment. We do not expect the payment before June 30. It won't be necessary for you to begin asking questions on this deal before June.

Cotton Tags
We're still looking both ways for those tag checks. The news on them is the same as it is on the new farm program—NONE.

BAPTIST W.M.S.—East Circle
Members of the East Circle of the Baptist W. M. S. met Monday afternoon in the home of Mrs. S. T. Bogan. Mrs. Perrin Rumph taught a very interesting mission lesson, finishing the book, "In Royal Service."

Five members were present. The meeting was adjourned to meet with Mrs. W. F. Brittain in Bible Study April 13th.

Help Keep Quitaque Clean!

AT THE METHODIST CHURCH
We were deeply gratified last Sunday when we had such a fine report in the face of a severe sandstorm. No one but pastor can really appreciate such response.

Let every member help in reaching our goal for next Sunday. Be on time for Sunday School. Special Church School Day program will be given at the eleven o'clock hour. You will want to hear it.

No evening services. All will worship at the Baptist revival services. G. L. KEEVER, Pastor.

GASOLINE NEWS

RUBY DELL CASE

Bro. Earl Cantrell of Silverton preached here Sunday.

A large crowd of young folks enjoyed a party given Friday night at the home of Mr. and Mrs. Lawrence Bedwell.

Mr. and Mrs. Ordis Chandler and son, Claudie, spent the week-end with Mr. and Mrs. Otho Meacham of Wolf Flat.

Frances Dorsey, who is attending school at Lubbock, spent the week-end with her parents, Mr. and Mrs. R. E. Dorsey.

Juanita Case spent Saturday night with Willie Crump of Turkey.

Maxine Basham of Quitaque spent the week-end with Wilmuth Case.

Mr. and Mrs. Ralph Carter are the proud parents of a baby girl, born Friday, March 20.

Duncan Chandler spent Saturday night with J. R. Lusk.

Mr. and Mrs. John King and son of Silverton spent the week-end with relatives here.

Iva Belle Matthews and Cloie Woodruff spent Friday night with Dale Morrison.

Mr. and Mrs. Allen Matthews were visitors in the D. A. Matthews home Sunday.

Mr. and Mrs. John Felton and daughter, Mona Joyce, visited Mr. and Mrs. H. B. Finney Sunday.

Mr. and Mrs. Alton Mott and C. R. Case visited in the G. J. Neatherlin home of Silverton Sunday. Mrs. C. R. Case returned home with her parents.

The United States office of education reports a decrease of about 30 per cent in the number of one room schools during the last 19 years.

Visitors to Texas during the 1936 Centennial celebrations will be exempt for a period of 90 days from the state's new laws, providing that motor car drivers must be licensed.

Every motorist will do well to remember in driving that if he isn't right in traffic he'll be left in a hospital.

METHODIST W. M. S. HAS SOCIAL MEETING MONDAY

Members of the Methodist W. M. S. met Monday afternoon in the home of Mrs. G. L. Keever in their regular monthly social session. Mrs. Keever led the program for the afternoon.

Mrs. C. M. Walden opened the program with a report on Social Relations, followed by a prayer led by Mrs. A. Vinyard. Mrs. Jim Tunnell read an interesting paper on "Lucinda Helms," and Mrs. Dee Lowry closed the program with a talk on "Trail Blazers."

A social hour followed, with entertainment in charge of Mrs. W. P. Hall. Refreshments of jello, cake and coffee were served to the following ladies:

Mmes. Walden, Vinyard, Tunnell, Lowry, Hall, W. T. Wixom, Ed Grundy, Grover Grundy, and the hostess, Mrs. Keever.
