QUITAQUE, BRISCOE COUNTY, TEXAS, THURSDAY, MAY 14, 1936

No. 24

Looking Things Over

Information Wanted: Who named Quitaque? When was Quitaque named Quitaque? The Post has been asked these questions several times and cannot answer them. We cannot find any old timer who knows the answers. If you know, please forward the information to the Post—it will be greatly appreciated.

Thus far, it seems as if the local election will be a tame affair this year, except, of course, to the candidates. But for the old time Texas election excitement, let us call your attention to the race for State Senator of this district. According to advance notices, the race between Senator Clint Small of Amarillo and Curtis Douglass of Panhandle will be well worth watching. We should get our money's worth out of it.

HALF-MINUTE INTERVIEW
"The man who invented thick plug Tinsley was nobody's fool."—John W. Ewing, Mayor of Quitaque.

Half Million Dollars Now Available for U. S. Farmers

George Hulsey, supervisor for the Resettlement Administration in Briscoe County, has been informed by the regional headquarters that almost half a million dollars now available for cooperative loans in Texas and Oklahoma will be diverted to other use unless it is loaned before the end of June.

This fund amounts to \$312,000 in Texas, but only a few thousand dollars have been loaned to date. Most of the loans so far have been for pure-bred sires and farm machinery. The loan is usually made to one man, and his neighbors sign an agreement to use the animal or machinery at a specified price.

Many other types of cooperative enterprises may be financed through such loans from the Resettlement Administration, including feed mills, canning plants, meat curing plants, threshing outfits, and facilities for grading and shipping farm products. Loans may also be made for membership in existing cooperative associations. In one county a loan is now being considered which would enable borrowers to become stock holders in a cooperative hospital.

"I am sure that there are many worthwhile enterprises that should be started cooperatively in this county," Mr. Hulsey said. "And I hope that farmers who are interested will call on me at an early date in order that we may make requests for loans before the money is withdrawn." He explained that a sound financial plan must be worked out

Luke Barker Says:

Th' ole crosst' watchman sez that th' times sure have changed, it use t' be that th' trains chased th' automobile off th' track now the automobile has chased a lot o' th' trains off th' track.
Minnie Hawe sez she kin make more money now pickin' black berries than she kin tryin' t' pick a few berries frum her mans pockets.

QUITAQUE TO BE REPRESENTED IN FOLK FESTIVAL

Mmes. Price and Graham in Charge of Program

Quitaque has been assigned a leading role in the Regional Folk Festival, a part of the Texas Centennial Celebrations, to be held at the High School Auditorium at Memphis Monday and Tuesday, the 18th and 19th of this month, it was revealed Tuesday by the committee in charge.

Mrs. E. C. Price and Mrs. Joe Graham were appointed by heads of three local civic organizations, the Quitaque Community Club and the Senior and Junior Woman's Culture Clubs, at a meeting last week to arrange the program to be presented by this city.

A number of towns in this region will take part in the Regional Folk Festival, and winning towns will represent this section in the National Folk Festival, which will be held at Dallas, June 12 to 22, as a part of the Texas Centennial Celebration.

The winner of the regional event will be determined by a judge from the National Commission.

Advance reports indicate the meeting in Memphis will be one of the outstanding Folk Festivals of the state. The Memphis regional meeting was authorized recently by the National Committee at a meeting in Amarillo.

This region includes the territory in the upper Red River Valley. The following towns have already accepted the challenge, and will take part in the program next week:

Clarendon, Childress, Turkey, Wellington will present the program Monday evening, including in the entertainment an old-fashioned spelling bee, in which McGuffey's Reader and the Blue Backed Speller will be used; a historical play, "The Watch of the Plains," and an old-time square dance.

Quitaque will open the program Tuesday evening, followed by Mata-

Quitaque Receives Quarter Inch of Rain Sunday

A quarter of an inch of rain, accompanied by a heating hail storm, was received here Thursday afternoon, while heavier rains, estimated from one to one and one-half inches, were reported in this immediate vicinity.

The rain here came in a brief torrential downpour, lasting for only a short time. A heavy hail-storm covered a strip several miles in width, extending from the caprock east to Turkey, but little damage was reported.

Hail and rain were heavier south east of town in the region of Gasoline and Flomot, where the down-pour was estimated at an inch and one-half, with hailstones covering the ground in places to a depth of several inches.

The precipitation did not extend far to the west, and little of the Plains wheat land benefited.

Rainfall in Quitaque was measured at exactly .25 of an inch on the Weather Bureau gauge at the Quitaque Post.

Thursday's shower brought the total precipitation for the year since January 1 to .91 of an inch.

SILVERTON THEATRE OPENS AMATEUR NITE JUNE 10TH

Local entertainers are invited to compete for places on an Amateur Nite program at the Palace Theatre, Silvertown, Wednesday night, June 10, according to J. B. Mercer, manager. Cash awards will be made, and winners will compete in Amarillo on the Paramount stage. Applications for auditions must be in before May 23, Mercer stated.

New Rangerette

Here's Shirley Temple, the newest Texas Centennial Exposition Rangerette. Gov. James V. Allred signed her commission as a rangerette and official of the Exposition, a \$25,000,000 World's Fair opening in Dallas June 6, gave her a 10-gallon hat, a pair of chaps and an invitation to attend the opening day ceremonies.

Quitaque Girls Win Honors in Tulia Tennis Tourney

Juanita Duncan and Ona's Grundy of the local Girls Tennis Club carried off top honors at the Tulia Invitational Tennis Tournament at Tulia last week-end, winning nearly twenty dollars in cash prizes as finalists in three events.

Mrs. Duncan led the field in the girls divisions, teaming with Onale Grundy to win over Tulia's best in the finals of Girl's Doubles, and winning over her teammate in the finals to capture the Girls Singles crown. Teaming with Jim Kelly in Mixed Doubles, she was again finalist, but dropped the final match to win second place in the division.

The team of Duncan and Grundy swept through the Girls Doubles brackets with little opposition, winning in straight love sets, 6-0, 6-0, over Tulia netters Saturday.

Duncan and Grundy swept through their respective brackets in Girls Singles to meet in the finals Saturday afternoon, Juanita taking the match over her teammate in straight sets, 6-3, 6-2, to capture the ten dollar first prize.

Juanita Duncan and Jim Kelly teamed together for the Mixed Doubles, and advanced to the championship round after winning over another Quitaque team, Onale Grundy and Roy Burgess, in the semi-finals, to lose to Magness and Wooten of Canyon, 8-6, 6-3.

Local boys teams, representing the Quitaque Racquetters Club, met stiff opposition in the opening doubles round, and failed to get in the money. Kelly and Burgess lost their opening match to Schnapke and Landers of Dimmitt, finalists in the tourney, after taking the first set. The scores were 2-6, 6-3, 6-2. Richard Tibbetts and Ben Ezzell were dropped in the initial round by a strong Tulia team, losing in straight sets, 6-2, 6-3.

AGRICULTURAL BRIEFS

BY THE BRISCOE COUNTY AGENT

The "sign up" under the new Farm program is meeting with a marked degree of favor among the farmers. More than 400 work sheets have already been signed by individual farmers, and others are signing up at a rapid pace.

Wednesday, May 20th, marked the dead line for signing a work sheet and every one who ever hopes to share in the new program must sign a work sheet by that date. Remember, the work sheet does not bind you nor the Government to participation in the new program, it merely paves the way for you to come in if the program suits you. Without a work sheet you cannot enter the program however attractive it may become.

The new developments and changes in the program makes it more and more attractive to West Texas farmers.

Uncle Sam smiled on us again this week. He sent us about \$7000 in Subsidy money. By that we mean the difference in what the 10 spot cotton markets were and the 12 cent per pound on the date we sold cotton. This first subsidy payment came on-

ONLY LIGHT VOTE CAST IN EROSION ELECTION SAT.

Measure Carries by a Margin of 36 Votes

Briscoe County will be incorporated as a Wind Erosion Conservation District under the provisions of an act recently approved by the State Legislature, it was decided in a special election Saturday.

The issue was settled by the voters of the county in a light ballot at the election called by the Commissioner's Court. The measure was carried by a narrow margin of thirty-six votes, as only 238 ballots were cast at the eight boxes in the county.

Vote on the measure was 137 for, 101 against, according to returns issued Tuesday by County Clerk R. E. Douglas.

Little interest was manifested in what was considered to be an important measure affecting farmers and land-owners of this county, but the vote was sharply divided.

Quitaque, Antelope and Gasoline boxes were strongly against adoption of the measure, while the vote at Rock Creek, San Jacinto, and at 3 Silvertown boxes carried in favor of the proposed plan. The San Jacinto box was unanimous.

The vote by boxes was tabulated as follows:

Silvertown: For 33, Against 20; Quitaque: For 19, Against 33; Rock Creek: For 20, Against 14; San Jacinto: For 14, Against 0; Antelope: For 2, Against 3; Gasoline: For 1, Against 18; Court House (Sil.): For 25, Against 4; Tax Assessor's Office (Sil.): For 23, Against 9.

PIONEER ROUND-UP AT PLAINVIEW MAY 23

PLAINVIEW, May 6.—Frontier days on the Plains will be revived at the Ninth Annual Pioneer Round-up and Centennial Celebration in Plainview Saturday, May 23. Many pioneers from a distance are expected to join those who remain in the country on this occasion.

Governor James V. Allred has accepted an invitation to the Round-Up. Costumes of the eighties and nineties, old fashioned dancing, a huge parade, a reception for the pioneer, band concerts, a pageant depicting Frontier Days, and a Chuck Wagon Feed are included on the day's program.

The annual Pioneers Round-Up is sponsored by the Business and Professional Women's Club of Plainview.

For State Senator

CLINT C. SMALL of Amarillo who is announcing for re-election as State Senator here this week. Read his announcement found on this page.

Clint C. Small Asks For Re-election To the Texas Senate

Prompt payment of pensions and adequate support for education was pledged by Senator Clint C. Small, whose candidacy for re-election to the Texas senate was announced here this week.

The senator's announcement came at a time when crop prospects were brighter than at any time this year. "The Southeast Panhandle is the bright spot in the West Texas region," Senator Small said.

He is an avid exponent of conservation of natural resources, including soil, oil and gas, and has used his state-wide influence to pass drought erosion measures designed to aid the Panhandle's 26 counties in the 31st Senatorial District.

That he will continue to sponsor laws favorable to agricultural enterprise was the prediction of Briscoe friends.

"Senator Small knows West Texas as conditions and problems," was the edict. "He is a West Texan—a product of Collingsworth County."

The senator is author of the bill refunding the entire four-cent gasoline tax to farmers on fuel used for farm purposes. The law has returned more money to the Panhandle than has been paid out in ad valorem taxes, records show.

He also wrote the measure which allocates one cent of the gasoline tax to payment of county road bond indebtedness. It has relieved this district of \$4,015,993 in bonds and \$2,528,415 in interest. The same law allocates two cents of the tax to public schools and is largely respon-

(Continued on back page)

Texas Cotton Consumption Is On Increase

AUSTIN, May 6.—Total Texas consumption of cotton, as reported by twelve cotton mills of the State, for March, was 3,438 bales, a gain of 8.4 per cent above February and 58 per cent above March, 1935, according to the University of Texas Bureau of Business Research. Consumption during the first quarter of 1936, 9,387 bales, was 41 per cent above the corresponding period last year.

Production of cloth was 7.1 per cent above the previous month, 30.5 per cent above March last year and 20.2 per cent over the first quarter last year. Sales rose 13.5 per cent over February and 70.3 per cent over March last year. Sales for the first quarter of 1936 were 44.5 per cent over the like period last year. Unfilled orders on March 31 were up 3 per cent from the preceding month and 19.7 per cent above the corresponding date a year ago.

PEG MORELAND TO MAKE PERSONAL APPEARANCE

Peg Moreland, famous singing star of radio stations WFAA-WBAP, Ft. Worth and Dallas, will make a personal appearance at E. E. Berry's Grocery next Wednesday, May 20th, at 11:30 a. m. Local citizens are invited to be present and hear the popular entertainer in person.

PLAN TO START HIGHWAY WORK IN SHORT TIME

Construction to Begin When Labor Is Available

"Construction work on Highway 86, from one mile west of Quitaque to the Hall County line, will whenever labor is available," G. Garrett, division engineer for State Highway Commission, obock, stated Tuesday. The ment was made at a meeting of Highway 86 Association at

Representatives from Patro, Swisher and Briscoe were present at the meeting district court room at Tulia, Coe County was represented entire Commissioners' Court W. Ewing, Orlin Stark, E. and C. B. McDonald.

Mr. Garrett stated that the paving and drainage work on this of 86 had been approved as a "job" under the WPA and PWA. The construction would be under supervision of state engineers, and be built according to state specifications.

As soon as men are available, the project is scheduled to start, according to Garrett. Approximately 80 men are needed for the job. L. E. Graham, Commissioner, and other local officials are of the opinion that the project would be ready to start around the first of July, as they are planning to complete the Quitaque-Gasoline-Flomot road and the City paving project by that time and release labor for the road job.

Mr. Garrett stated that by a WPA-PWA project is about the only chance of securing drainage and grading of this end of Highway 86 at the present time, as the State Highway Commission is now without funds.

When questioned about the hard surfacing of 86, Mr. Garrett stated: "That is another fight on your hands, but as soon as the Centennial travel starts, we think we can secure funds to hardsurface the highways that have completed the grading and drainage structures."

The Highway 86 Association will hold another meeting on Thursday, June 11th, at the court house in Silvertown.

Quitaque Nine Defeats Lockney In Thriller Sunday

Staving off a thrilling ninth inning rally, Quitaque's undefeated baseball nine dropped the Lockney club 4-3 in a game on the Lockney diamond Sunday afternoon.

Robert Hill, pitching for the Qs, hurled scoreless ball for eight innings, while his team-mates sent him into the final frame with a four-run lead. Hill lost his rabbits foot in the ninth, however, as Lockney staged a great rally in the last half to score three runs and place the tying counter on third base with only one man out.

Bill Walker replaced Hill on the mound to send the Longhorn batters down in 1-2 order, ending the threat. Billy Medler, ace centerfielder for the locals, took a long fly from the bat of the first man to face Walker and held the tying run on third with a great throw to home plate for one of the game's greatest thrills.

Sunday's game was the best seen this season, both teams playing near perfect ball, with a great finish in the last of the ninth. Quitaque collected 7 hits, Lockney 6.

Batteries for the locals were Hill and Womack, with Walker for Hill in the ninth. Roberson pitched the entire game for Lockney.

The locals will meet the Longhorn nine in a game at Patterson Field here Sunday afternoon. Admission will be ten cents to all. The game will be called at three o'clock.

Isn't it odd that the driver who isn't going anyplace is always in the biggest hurry to get there.

Norge Sales Increase During Month of April

DETROIT, May 9—Norge sales in April smashed all previous records with an all product volume of 58,280 units, 41.7 per cent ahead of the like month last year, according to Howard E. Blood, president Norge Division, Borg Warner Corporation. Sales for the first four months of 1936 totaled 193,870 units.

"Norge set a new high in refrigerator sales in April," said Blood, "with a unit refrigerator volume over 12 percent greater than the best previous month of March, 1936. Likewise new high records were established in the production of both gas and electric ranges."

"Norge refrigerator sales in April were up 39.5 per cent compared with the like month last year, washer sales were up 149.5 per cent, gas range sales 842.5 per cent, electric range sales 146.5 percent. A remarkable increase was shown in ironer sales as well.

"Norge looks confidently into the future. We expect the household appliance industry to benefit greatly from increased business momentum apparent in almost every direction. No small consideration is the increase in residential construction up 74 percent for the first quarter." Blood concluded.

Leonard Pierce made a business trip to Wichita Falls Sunday.

AREN'T YOU GLAD YOU LIVE IN QUITAQUE

If you lived on a desert island, you'd have to use a crude cook-stove. But YOU can enjoy convenience and efficiency and beauty of a 1936 modern gas range. Why not decide right now to go down to your gas appliance dealer or your gas company—and SEE the exclusive features of a modern gas range. Cooking with gas is cheap on the new low gas rate. The low gas rate recently fixed by the Railroad Commission of Texas, and put in effect by the company, is lower than the rate in 591 of other Texas Cities and Towns having gas service.

Mrs. L. S. Edmondson and daughter, June, visited during the week-end in Memphis and Estelline, returning here Monday.

Hog Cholera

Quite a few hogs have died lately in Quitaque territory from this fatal disease.

There is only ONE sure way to prevent Cholera and that is to Vaccinate with a RELIABLE Vaccine and its VERY IMPORTANT that it is properly done.

We have made quite a study of this disease and will be glad to help you save your hogs.

It is extremely easy to carry and spread Cholera, which is very fatal to all ages of hogs at all seasons of the year.

It's an easy disease to control if you understand it and will act promptly, but if neglected, will surely get your herd.

We will gladly assist you in protecting your hogs. Don't wait until you have it, its like Black-leg, its too late then to save a sick hog, but you can save the well ones.

Call on us, at any time.

Yours Very Truly,

Pioneer Drug Store

NORGE MATCHED KITCHEN UNITS

Under the rich beauty of Norge Matched Kitchen Units is the soundest quality—quality in terms of time-saving convenience, money-saving economy, extra years of dependable service.

Rollator Refrigeration saves, not only because of its operating economy, but also because its flexible interior arrangement permits storing safely larger quantities of perishable foods bought at "sale" prices. Norge owners report Rollator Refrigeration savings as high as \$11 a month. Compare that with the low monthly payments and you readily see how quickly a Rollator Refrigerator pays for itself.

Matching the Norge refrigerator in beauty, efficiency, convenience and long life, the Norge Concentrator Gas Range sets a new high standard in cooking equipment. The Concentrator Burner, exclusively Norge, is unexcelled in efficiency. Actually two

burners in one, it provides quick heat when needed or can be turned down to less than a simmering flame. And it uses less gas than the ordinary type of burner. This amazing burner is but one of many exclusive quality features in the Norge range.

Visit the Norge dealer near you. See these beautiful Matched Kitchen Units—in white or in a selection of colors. Learn how small a down payment will place both in your home. Whatever home appliance you are considering, see the Norge before you buy. NORGE DIVISION Borg-Warner Corporation Detroit, Michigan

CHAPEL PROGRAM

A very interesting program was presented in chapel by the Junior Glee Club and the Public Speaking class. The Glee club sang several numbers and the Public Speaking class presented a one-act play entitled: "Speaking to Father." "Father" it seems, was very grouchy and very particular about whom his daughter would marry. Henry Gardiner was father and Haney Wise was the daughter, Caroline. The possible candidates were a fresh young college boy, Jack Hall, and a very intellec-

ual apostle of repose played by J. B. Tiffin. Of course the father was married to Iva Hamilton. This was all under the directorship of Johnye Womack.

The Seniors will exhibit their talent on the stage next Thursday morning for the last time.

THE SENIORS' LAST WEEK OF SCHOOL

Every Senior is very busy this week winding up his business affairs in school. We are rushing around correcting notebooks, making last minute book reports, and making like miserable for our teachers. We are also recovering from the Junior-Senior Banquet. We hope that we set a good example for the Juniors to follow.

The work and hurry of this week will make us appreciate the restful quiet of next week. That is, some of us will rest, but some of us will not, and thereby hangs a tale. The Seniors who are taking unaffiliated subject must take exams. We are paving the way for the 1937 Seniors. They will not have to work as we are working now. However, we intend to enjoy our leisure. We

are very sorry for the lower classmen who have to work so hard, so we offer this solace to them—in a few years they will be Seniors. That will make up for all of the hardships that they are suffering now.

ANNUAL EVENT

Persons passing by the Los Lingos Hotel Friday night, May 10, heard peals of laughter and strains of beautiful music. In short, the annual Junior-Senior Banquet was being enjoyed by all present.

The Centennial motif was observed throughout the evening. Texas bluebonnets were used, and the patriotic colors were carried out not only in the decorations, but in the menu and the costume of the Sophomore girls who kindly consented to serve. The grade school art class, with the help of their teacher, Miss Montgomery, furnished many of the decorations, including the lovely miniature wooden Alamos which were used as place cards. At each plate were blue star shaped baskets which held mints, and a small hand-painted illustrated map of Texas which served as the back for a book containing the program, menu, and list of those present.

The food was furnished and prepared by mothers of the Juniors, and they were assisted in serving by the Sophomore girls. Jack Hutchison, acting as toastmaster, gave the welcome address, concluding with a clever Quaker To-

ast. The response was given by Frankie Sanders, Vice president of the Senior class. Supt. Scheid, giving the appreciation of the Seniors, was answered by Henry Gardiner, president of the Senior Class. Mr. Gardiner's speech was very original and amusing. Margaret Graham, accompanied by Miss Thomas at the piano, sang "It's Been So Long". Billy Joyce Wise rendered several piano selections, and Dorothy Sachse gave some "Encouragement" to the Seniors in her reading.

The entire group concluded the program with group songs. The Seniors and friends voiced their appreciation as well as showing it in actions.

SOPHOMORES ENJOY PICNIC

Under the sponsorship of Coach Davis and his wife, the sophomores enjoyed a nice long hike and swimming party last Saturday at Lingos Falls. Those who were present were: R. E. Self, Polk Hall, Charles Walden, Walter Taylor, Billy Hutcherson, Clarence Grant, Wren Vinyard, Harold Bogan, Jack Bickford, J. D. McCutchin, Orval Graham, Howard Castberry, Ineatha Hawkins, Marjorie Roberts, Dorothy Keisinger, Charity Cain, Genevieve Smith, Koren Keever and Coach and Mrs. Davis. The youngsters spread their lunch and explored the falls, returning to Quitaque last Saturday afternoon.

THE JANGLE OF SENIOR DAY

Some say we must go East
 And others say go West,
 We say the most and act the least
 And I don't think its best.

We Seniors wrangle every day
 And never do agree
 And wonder how and who will play
 For the trip we wanted free.

HERE AND THERE

The Seniors will not be required to take the final examinations on affiliated credits.

Will the Seniors get to go to Carlsbad Cavern?

The law class visited the court at Silverton Wednesday afternoon for the purpose of seeing law court procedures carried out. The members of the class are: Alex Reeves, Jack Hall, J. B. Tiffin, N. W. Herrington, Leroy Stone, Leslie Bond, Preston Taylor, J. C. McGhee, Evelyn Moore, Ethyl Carter, Evelyn Messimer, Iva Hamilton, and Betty Turner. These students were accompanied by their sponsor, Miss Baucum.

The Junior flag is still in the possession of the Seniors.

Five of America's big wars began in the pleasant spring month of April!

"My Home Town"

(Following we present "My Home Town," written by Miss Margaret Graham. This speech was delivered in the "My Home Town" contest at the West Texas Chamber of Commerce convention in Amarillo Monday.—Ed. note)

Down below the caprock's sheltering rim lies a fertile valley where peace and plenty have walked hand in hand, lo, these many years. Nestled in the bow of this valley is builded the little town of Quitaque, a shining jewel in a case of green velvet. We call it the "Queen City of the Valley". To me it is the grandest place on earth because it is My Home Town.

It is not famed for great wealth, it is not noted for scenic grandeur; neither is it a place of great business enterprise. No celebrated person has as yet marked this town as his birthplace. It is just a simple country town filled with kindly people interested in making the town a goodly place in which to live. The clean, well-kept streets, modern, up to date buildings, and the civic pride in all things of public interest denotes a wide awake, up-and doing people. The Chamber of Commerce plays a vital part in our town today. Many of our town's most serious problems have been solved by the cooperation of this body.

Quitaque is my birthplace, and in its environs I have grown from babyhood to womanhood, and from the joyous romps of play of childhood I have shared the ecstasy, the merry-making, the joys, and the sorrows of the gang, our gang. We have studied, worked and played together, entwined with each other and the town that to tear us away would bring a feeling of loss and desolation.

The older people of the town, our fathers, mothers, friends, and neighbors, have been true to the young lives entrusted to them. They have built the best of schools for our mental development; they have thrown about us the spiritual influence of the churches; they have given us kindly counsel and high ideals, and without them our town would not be

what it is today. Out on the hillside in the city of silence, lie many of our town fathers in their last long sleep. They spent a Godly, useful life and their influence still lives on.

Sometimes I go away for a short season to enjoy the sun and sand amusements that other cities have to offer. I am always with a tug-ging of homesickness at my heartstrings, and when I am homeward bound the turning wheel that bears me onward seems to sing "Home again, home again," and when I behold the familiar streets of the dear old town once more there comes the exultant happiness that only home coming brings.

I love Quitaque; I love its people; I treasure the memories of each experience of my life as it has been built, step by step. These have made me a part of the town and the town a part of me. Life may call me away some day to other towns or cities but my home town will always be a part of me just as surely as my mother and father are a part of my being, and I shall cherish ever the memories of my own home town.

After several years of experience with the world has transpired, are several local people who come to realize that politeness consists in either lying or just giving one's mouth shut.

Every time you spend 25 cents on cigarettes, 12 cents of it goes to taxes.

The older a man becomes younger everyone else seems.

CUTTING A LANE THRU THE DARK

Clearly, concisely and briefly:

The United States News presents the news of national affairs—organized for your convenience in special divisions as follows:

The Congress Week—what the House and Senate debated, measures passed, cloak-room attitudes... implications.

The President's Week—the visitors the President saw, what he said and did, the meaning of these conferences.

State of the Union—a five-minute explanation of the high-spots in the national news keeps you informed on the essentials.

The Political Week—up-to-the-minute reports on what the political leaders are doing and planning—the kettle boils.

What the Press of the Nation Thinks—a quick, interesting survey of public opinion, including the percentages of the press for and against on leading issues.

Washington Whispers and Tomorrow—what is going on back of the scenes in the different departments, bureaus and "administrations"—the news behind the news!

Voice of the New Deal—signed articles by Administration spokesmen. Voice of Business—how business leaders view national problems and propose to solve them.

Trend of American Business—a remarkably complete statement of business conditions boiled down to a page.

AND IN ADDITION... A critical appraisal of the Washington scene by David Lawrence, written especially for The United States News and appearing in no other publication.

To Help You In Your Thinking

These are days when unprecedented things are happening in national affairs to affect you, your living, your income and your buying power.

The United States News, the weekly newsmagazine of national affairs, cuts a lane through the dark for you.

The United States News gives you, in from half an hour to an hour a week, a straightforward, connected narrative and interpretation of everything essential in national affairs.

So well does The United States News do its job of gathering, relating, condensing and explaining the important news that it is read regularly by more than 50,000 subscribers.

Thousands of business executives, organization leaders, thinking men and women, read it to keep posted.

Special Introductory Offer
 The regular subscription price of THE UNITED STATES NEWS is \$3 a year. As a new reader, you are invited to receive it each week for the next EIGHTEEN WEEKS for only \$1.00.

sible for creating a \$3,500,000 surplus in the educational fund.

While the senator has said "the pensions will be paid," he declared he would oppose payment at the expense of youth.

"I will fight any attempt to divert that school surplus to the pension fund," he announced. "Other revenue will be found for old age compensation. The school fund should be maintained for use in event of emergency."

Senator Small has definitely aligned himself with the "little fellow."

"Don't quibble over partisan issues," he told Young Democrats at Pampa last week, "but concentrate on a broad humanitarian policy . . . By that I don't mean to force anyone out of business but simply try to prevent any one from usurping the rights of the common man."

His outspoken opinions regarding justice and fair play were formulated as a boy when he studied the fundamentals of government in the tiny cabin built by his father on a tract in Collingsworth County.

He learned the practice of law at Pampa in 1911 upon graduation from Texas University. He first at the Panhandle's initial educational institutions at Goodnight and . . .

He entered public life when he was elected county attorney in 1912. He has served as city attorney and mayor of Wellington, as superintendent of schools and senate twice was a candidate for governor of Texas but was defeated.

at the polls when the isolated location of his constituency caused a loss of votes downstate.

"His defeat as a candidate for governor serve to emphasize the Panhandle's need for strong men in the legislature," Quitaque friends said. "Senator Small has been the most influential representative the area has ever had at Austin. He has brought hitherto unknown prestige to the region."

Senator Small announced his candidacy after he first had planned to retire upon expiration of his present term. Urgent requests from admirers all over the district led him to enter the campaign.

JUNE CAROLYN McDONALD HONORED ON FIRST BIRTHDAY

Observing her first birthday anniversary, June Carolyn McDonald entertained a group of small friends at the home of her parents, Mr. and Mrs. C. B. McDonald, Friday afternoon, May 8, at four o'clock.

The afternoon was spent playing with toys. Pictures were made of the group after which refreshments were served from a table centered with three birthday cakes, all gifts to the honoree. Favors marking the places were candy filled May baskets drawn by a variety of animals and birds.

Lovely gifts were presented to the honoree by LaJuan Stell, Mrs. Cecil Boyles and daughters, Sadie Marie and Glenna Dale, Mrs. Dee Lowry and Jimmie Dick, Mrs. Jack Wise and Monte, Mrs. Lon Patterson and Patsy, Mrs. Gene Berry and Jeanette Sue, and Mrs. G. B. Wise and Kris Morgan.

BAPTIST WMS

Circle No. 1 of the Baptist WMS met Monday afternoon with Mrs. C. B. McDonald in a Bible study lesson. Mrs. Jim Stroup taught the first two chapters of the book of Acts. Refreshments were served to eight members.

Circle 2 met Monday afternoon with Mrs. C. R. Badgett in a Bible study lesson. Mrs. Ray Persons conducted the lesson, taking for study the book of Ecclesiastes. The meeting was closed with a prayer by Mrs. Persons. Refreshments of ice cream and cakes were served.

Circle No. 3 met with Mrs. Gene Bedwell in Bible study Monday afternoon. Mrs. Bedwell taught the lesson. There were eleven members present.

When you see a woman in a deep brown study she is usually trying to figure out how she can make a neighbor green with envy.

ONLY LIGHT VOTE

(Continued from Page 1)

Under the provisions of the act, the County Judge and Commissioner's Court will act as governing body for the incorporated district, acting under advisement from the County Agent and the Texas A & M Agricultural Extension Head.

The County Clerk and Treasurer will act as clerk and treasurer for the incorporated district.

Wide powers are granted the governing body of the district in an attempt to control a steadily growing erosion menace. Full provisions of the law were published in the Post last week.

The creation and incorporation of the county as a Control District is to be arranged as soon as the measure is approved by a majority of the legally qualified voters of the county, the law provides. No official announcement has been received from Judge Martin, but it is understood that the measure will go into immediate effect.

QUITAQUE TO BE

(Continued from page one)

Richard Tibbetts was honored Saturday evening with a birthday party at the Los Lingos Hotel. Mr. and Mrs. E. W. Tibbetts entertained members of the younger set there at that time. Richard celebrated his fourteenth birthday Sunday, May 10.

Tables of Forty-two and other games provided entertainment for the evening. Delightful refreshments, consisting of Angel food cake and ice cream were served to the following guests: Bertie Castleberry, Evalyne Messmer, Dorothy Dee Sachse, Lela Mae Persons, Shirley Jo Powell, Bob Grundy, J. C. Rhoderick, Bill Cutbirth, J. D. McCutcheon, Charles Walden, Weldon Starkey, Billy B. Hutcheson, Howard Castleberry, and Richard Tibbetts.

Local characters of that day will be invited to take part, the director said, and real cowboys and real cowboy life in its rugged stages will be featured. The old Lazy F Ranch and brand hold an important place in the history of the Quitaque Valley, and many of the old ranch hands still reside in this locality. Several old-timers are expected to take part on the program to be presented by the Quitaque group.

Popular prices of fifteen and twenty five cents will be charged for the programs, and the net proceeds will go to the winning town.

Half Million Dollars

(Continued from Page 1)

which will assure repayment and that the cooperative enterprise must not duplicate any already in existence in the community.

Borrowers must either be farmers who are already receiving aid from the Resettlement Administration, or unable to get the desired financial assistance from any other public or private agency. The others who participate in the enterprise need not be borrowers from Resettlement provided they are in the low-income class who would otherwise not be able to obtain the sort of service provided.

SINGING AT EDGIN SUNDAY AFTERNOON

There will be a "singing" Sunday afternoon, May 17, at the Edgin school. The program is scheduled to start at 2:30. All who enjoy good singing or hearing good singing are cordially invited to attend.

SCENIC WONDERS

Scenic wonders of American national parks will be displayed for visitors to the Texas Centennial Exposition by the United States Department of Interior. The \$25,000,000 World's Fair opens in Dallas June 6. Murals and colored models of the most beautiful spots in the parks will be shown, as will a 16-foot model of the capitol building in Washington.

More than three-fourths of the land in the United States is "sloping" land subject to soil erosion.

Sometimes iron rust can be removed from white goods with sour milk.

AMATEUR NIGHT

Palace Theatre SILVERTON, TEXAS June 10th

If you can sing, dance, or what ever your talent is, write or see Mr. Joe Mercer, Silvertown, at the Palace Theatre for an interview.

First Place Prize, \$5.00, Second, \$3.00, Third, \$2.00. And these winners will also go to Amarillo and compete with others on the Paramount Theatre Stage.

For an Audition get your Name in Before May 23rd.

Cash Income for Farmers Increased In United States

Cash income of American farmers available for farm living, after making deductions for wages, operating expenses, taxes and interest was 3,575 million dollars in 1935, according to a report issued by the Department of Agriculture. This was the largest net cash income from farms since 1929 and two and a half times the net return of 1,437 million dollars in 1932.

Initiation of the Soil Conservation and Allotment Act recently approved finds American agriculture vastly improved since early 1933. Farm cash income is up 58 per cent, prices are up 66 per cent, farm wage rates are up 27 per cent.

The low point in average prices of farm products was 55 per cent of the pre-war level in March 1933. In December, 1935, they averaged 110 per cent of that level. Meanwhile from 1932 to 1935 prices farmers pay for commodities used in living and production advanced 17 per cent.

Total farm cash income from production in 1935 was thus \$6,900,000,000, an increase of \$2,523,000,000 or 58 per cent over the 1932 figure of \$4,377,000,000. Between 1932 and 1935 the income from cotton, wheat, corn and hogs and tobacco increased 90 per cent. This compares with an increase of 43 per cent for all other farm products.

RICHARD TIBBETTS HONORED AT BIRTHDAY PARTY SAT.

Richard Tibbetts was honored Saturday evening with a birthday party at the Los Lingos Hotel. Mr. and Mrs. E. W. Tibbetts entertained members of the younger set there at that time. Richard celebrated his fourteenth birthday Sunday, May 10.

Tables of Forty-two and other games provided entertainment for the evening. Delightful refreshments, consisting of Angel food cake and ice cream were served to the following guests:

Bertie Castleberry, Evalyne Messmer, Dorothy Dee Sachse, Lela Mae Persons, Shirley Jo Powell, Bob Grundy, J. C. Rhoderick, Bill Cutbirth, J. D. McCutcheon, Charles Walden, Weldon Starkey, Billy B. Hutcheson, Howard Castleberry, and Richard Tibbetts.

METHODIST W. M. S.

Members of the Methodist Woman's Missionary Society met Monday afternoon at the Church. Rev. G. L. Keever taught the lesson, a study of "Stewardship Life." The meeting was opened with a prayer by Mrs. A. Vinyard.

Following the lesson a short business session was conducted. Ten ladies were present.

LONGHORN CAVERN

The third largest cavern in the United States — Longhorn cavern, near Marble Falls, Texas—contains a colossal chamber, electrically lighted and paved, which has been fitted into an underground ballroom and another, a natural cathedral, which has been developed into the world's only underground theatre.
