Session Opens Highway Job

Work on the 5.7 miles segment of Interstate 20 east of Baird got off the ground Monday morning with a pre-construction conference, final step before actual beginning of work.

Construction began later in the week, with brush clearing and other preliminary jobs getting underway. Allan Construction Co. of San Antonio, contractor, will have 300 working days to complete the project.

At the Monday conference, held in the Callahan County courtroom, Texas Highway Dept. officials said the job will take about a year and a half. Charles Dittmore, construction foreman for the contractor, said grading will begin in 30 to 60 days and the firm expects to finish the job in mid-September, 1965.

When completed, the segment will be a four lane divided highway. The new lane will be to the north of the existing pavement immediately east of Baird, but on the other end of the job will be on the south.

Two detours will be necessary, both about 3,500 feet long. Both detours will be around what will become grade separations. When the detours are opened, they are expected to remain in use until the final phase of construction.

Speed limit on the detours will be 40 mph.

Some 20 persons attended the conference, including highway and law enforcement officials, and interested residents.

Trash Collection To Begin Monday

Pickup of debris collected at Baird homes and businesses will begin Monday, April 20. City trucks will pick up the extra trash free of charge if it is piled at the usual trash pickup site.

The collection will open the second segment of a city-wide cleanup campaign being boosted by the Baird Chamber of Commerce. The drive began last week.

Residents have been urged to clean up their homes and business property to help make the community more attractive.

Trash collections will begin in northeast Baird, in Ross Acres and along the Albany highway. The trucks will work west across town during next week.

Gibbens Cites Experience, Record In Statement Seeking Reelection

State Representative Wayne Gibbens today issued his formal announcement for reelection to a second full term from the 63rd Legislative District.

Gibbens earlier had filed for reelection with the county Democratic chairman. Gibbens served two years as state representative from the old 75th District prior to his election in 1962 from the 63rd District following legislative re-apportionment.

Rodeo Booster Trips to Begin

A 10-town tour promoting the 1964 Callahan County Sheriff's Posse rodeo will head south Saturday. County residents are invited to participate.

The auto caravan will form on Market St. Saturday morning, leaving Baird at 8:45 a.m. Persons participating are to bring a basket lunch.

First stop will be at Cross Plains, with the group leaving there at 9:35 a.m.

Other morning stops on the schedule are May, 10:25 and Brownwood, 11:05. The caravan is scheduled to stop in a park at Brownwood from 11:35 to 1 p.m. for lunch.

Afternoon stops include Bangs, 1:15; Santa Anna, 1:35; Talpa, 2:05; Ballinger, 2:30; Winters, 3:20; and Coleman, 4:20. Arrival back in Baird is scheduled for 5:20 p.m.

Adding color to the trip will be the usual western band, supported by a sound truck. In addition to vocal ballyhoo, the group will distribute handbills advertising the annual rodeo.

Oklahoma cowboy Joe Green, sparks the roster of early entries for the annual Callahan County Sheriff's Posse Rodeo April 30-May 2 at Baird.

Green, 26, one of the nation's top ten bull riders since 1959, will be in pursuit of a prize money bundle expected to top the \$3,614 paid winners here last year.

A total 149 entries were logged in the 1963 edition of the sheriff's posse rodeo, with top money laurels earned by Junior Meek of Anson, for winning both steer wrestling and bull riding, worth \$85.

Bull riding could provide most competitive action of all this year as Green faces three more of the event's top pros in Dickey Cox of Frisco, Bill D. Williams

of Clarksville and Carl Nafzger of Olton.

Cox was runner-up for 1963's world championship on the hump-shouldered outlaws, while Nafzger finished third, a notch above Green who was fourth for the title.

Other top hands on the early entry log include Barry Burk of Waggoner, Okla., Dewey Dunaway of Burk Burnett and Frank Rhoades of Wright City, Okla.

Burk, former junior rodeo champion, joined pro ranks last year and wound up 14th in overall winnings for the season.

His \$17,884 total was earned in calf roping and steer wrestling.

A second generation rodeo cowboy, Burk is following in the footsteps of his father, Dee Burk, who was a leading roper 20 years ago. An uncle, the late Clyde Burk of Commanche, Okla., was world champion calf roper in 1936, '38, '42 and '44.

Dunaway, who recently moved to Texas from the west coast, is running fourth in current standings for 1964's steer wrestling championship.

Rhoades is a one-event specialist in bareback bronc riding.

Firemen Honor 2 Callahan Men

Two Callahan County men were honored at the 25th anniversary meeting of Midwest Texas Firemen's Assn. in Albany last week. Volunteer firemen from Baird and Clyde participated in the session.

C. C. Poe of Clyde, outgoing president of the organization, was named delegate to the State association's convention, and James Asbury of Baird was honored for 10 years as secretary-treasurer of the group.

Asbury, who would not accept another term, was presented a \$50 gift for his efforts.

Clyde firemen were third in the pumper race, won by Snyder in 20.5 seconds. Honored during memorial services for members who died during the past year was the late Clint Brannan of Clyde.

Tom Watson of Haskell was elected new president of the association. Other new officers include Charles Woods of Rotan and Leonard Kelton of Snyder, vice presidents; the Rev. Bob Brown of Albany, chaplain; and W. O. Whorton of Albany, secretary-treasurer.

County Teachers To Meet Monday Night

Some 100 teachers and guests are expected for the annual dinner meeting of the Callahan County unit of the Texas State Teachers Assn. The dinner will begin at 7:30 p.m. Tuesday in the Baird school cafeteria.

Dr. Keith Justice of Abilene Christian College will be principal speaker.

BAIRD AND ASPERMONT FAVORITES IN ANNUAL BELLE RELAYS FRIDAY

At least six teams will toe the mark this Friday afternoon for the annual Baird Belle Relays. Preliminaries will begin at 1:30 p.m.

The meet is expected to feature a tight two-team battle for championship laurels between host Baird and Aspermont. The two fought down to the wire in a meet at Aspermont earlier this season, with the Callahan County team coming out ahead.

Besides the co-favorites, other teams will be from Ira, Forsan, Blanket and Rankin. Additional entries are possible before the opening gun sounds.

Finals in the broad jump, high jump and discus will begin at 3 p.m., with shot put, hop-step-jump and javelin finals starting at 3:45 p.m.

Running event finals will begin at 4:30 p.m. with the 60-yard hurdles. Schedule for other finals includes 4:40 p.m., 160-yard shuttle relay; 4:50, 50-yard dash; 5, 240 shuttle relay; 5:10, 80-yard hurdles; 5:20, 300-yard medley relay; 5:30, 200-yard shuttle relay; 5:40, 100-yard dash; 5:50, 240-yard shuttle hurdle relay.

Most of the meet's records were set last year, with Baird owning six of the marks. Paula Corn, who will be competing again this year, owns three including the shot put with 38-7½; discus, 107 ft., and hop-step-jump, 23-7.

Sally Green of Baird set the 80-yard hurdles record of 12 seconds last year, and Baird teams hoisted the 200-yard relay record of 23.7 and the 300-

yard medley relay mark of 36.2 last year.

Other meet records include broad jump, 16-½ by Johnson, Aspermont, 1962; high jump, 4-6 by Carolyn Alsup, Aspermont, 1963; javelin, 83-9 by Greer, Aspermont, 1962; 50-yard dash, 6.5 by Kay Waldron of Abilene, 1963; 100-yard dash, 11.7 by Kathy Pendleton of Abilene, 1963.

Also 60-yard hurdles, 9.7 by Jeannie Ellison of Abilene, 1963; 160-yard shuttle relay, 21.3 by Aspermont, 1962; 240-yard shuttle relay, 30.8 by Aspermont, 1962; 240-yard shuttle hurdle relay, 37.7 by Aspermont, 1963; and 440-yard relay, 54.5 by Abilene, 1963.

Several records are in danger of being shattered by competitors this year.

First Gateway Is Completed

The first ornamental gateway for the Baird Cemetery has been completed at the main entrance to the cemetery's old side. Utilizing a simple design, the gateway is of Arkansas stone.

Work will begin shortly on a second gateway, this one at the main entrance to the cemetery's new section.

The project is being sponsored by the Baird Garden Club.

Recent contributions include Miss Aurella and Mary Bowyer of Fort Worth, Mrs. John Windham of Midland, Mrs. Louie M. Williams and Mrs. L. A. Williams of Putnam, and Mrs. Ace Hickman, Mrs. E. H. Leache, Mrs. J. V. Simmons, Mrs. Grace Ray, Mr. and Mrs. Sterling Abernathy, Mr. and Mrs. Grover Berry, Mr. and Mrs. B. L. Russell Jr., Lee Brown, J. W. Loper and Charles Reeves.

Contributions to the fund to finance the gateways may be sent to Mrs. Clyde White, Garden Club president, or members of the finance committee. They are Mrs. Frank Cunningham, Mrs. D. E. Warren, Mrs. D. J. Anderson and Mrs. Dee Young.

ABSENTEE VOTING OPENS IN COUNTY

Absentee voting for the May 2 primary elections began Monday and will continue through April 28. Ballots are available in the office of Callahan County Clerk Beatrice Deal.

Qualified voters may cast their absentee ballot in person, or may request one by mail if they will not be able to go to the polls May 2.

Ballots for both the Republican and Democratic primaries are available.

TB Meeting Planned

Callahan County Tuberculosis Assn. will meet April 23 at 5 p.m. in Herring's Cafe at Baird, according to Mary Martin, executive secretary. The meeting is open to all association members, which includes everyone who contributed to the seal sale this year.

Baird High Team Finishes Fourth In District Track, Field Events

Limited to just one first place and a share of another, the Baird Bears ran fourth in the District 10-A track and field meet Saturday. Finishing ahead of the Bears, in order, were Albany, Clyde and Ranger.

Baird scored 90 1/3 points to 136 for the champion Albany Lions. Clyde had 110 1/3 and Ranger had 107 1/3. Eastland was a distant fifth with 31 points.

The lone full blue ribbon for the Bears was won by Tally Windham, who twirled the discus 135 feet, 6 in. to outdistance the field. He also qualified for regional competition in the shot put, finishing second to Albany's Oliver.

Sharing a first place was Bobby Volghts, who deadlocked with Brewster of Albany in the high jump at 5-5.

Steve Stanley captured a regional berth in the 440-yard dash when he followed Johnny Walls of Clyde to the tape. Walls' winning time was 52 seconds flat.

The Baird mile relay team also gained a second place, finishing second to Ranger's 3:33.5.

Rounding out Baird qualifiers for regional was Maxie Gordon, who was second in the 880. Winning third was the Bears' Thomas Robbins.

CARD OF THANKS

I want to thank each of my friends for the prayers, the beautiful flowers and the many many beautiful cards, phone calls and the visits while I was in the hospital and the interest shown me since I've returned to my home. Thank you so much and may God bless you.

Thank you,
Mrs. W. E. Millorn.

Two Admit Shooting Hole in Window Here

Two 15-year-old Baird youths have been released to their parents after agreeing to pay for damages to the window of a downtown firm.

County Judge Byron Richardson said the boys admitted shooting a hole in the window of the one firm, but said they were not responsible for similar vandalism to windows in other firms.

In recent days vandals have damaged several auto and business windows and several street lights. An investigation is still underway.

Bandsmen Enter Region Contest

The 45 member Baird High School Band will enter concert and sightreading contests this Saturday at Madison Junior High in Abilene.

Thirty-six bands from Region II will participate in the two-day affair.

The Baird band is scheduled to play at 10:55 a.m. Saturday and after its three selections will immediately go into sightreading competition.

Max Harper, band director, expressed hope that many parents and friends will drive the short distance to hear the band perform.

"We've come a long way this year and we're hoping and trying hard to come home with a high rating," he said. The kids are showing fine spirit and interest and they're really proud of the backing the town people have given them."

The spring concert will be given Tuesday, April 28 at 8 p.m.

Alex Shooklee of Cross Plains visited the Rufus Miller's Monday.

OPLIN OBSERVATIONS
BY DAPHINE FLOYD

Sunday, April 12, was indeed a Golden Day for Mr. and Mrs. A. D. McWhorter who held open house from 2 to 5 p.m. in celebration of their 50th Wedding Anniversary. Their children, Mrs. Herbert Mason of Lovington, N. M., and Loyd of Fort Worth were hosts for the occasion. Mrs. Ray Floyd registered some 160 guests and probably some failed to register. The daughter-in-law, Mrs. Claire McWhorter, assisted by her sis-

ter, Lurlene Morse, ladled the punch and the daughter, Mrs. Herbert Mason, served the cake. The table was laid in gold, covered with a net cloth of gold with embossed wedding bells on the skirt. The centerpiece was a three tier cake with a miniature bride and groom. The background of the table consisted of a stand of flowers, flanked by lighted candles. In reality the open house was a reunion of relatives and friends, both old and young.

Mr. and Mrs. M. C. Miller made the trip to Stamford last Saturday to spend the day with their son and family, Mr. and Mrs. Jesse Miller. In the afternoon on the spur of the moment they decided to go on to Frederick, Okla. and spend Saturday night and Sunday visiting his youngest brother and wife, Mr. and Mrs. Jim Miller and also visit another brother and wife, Mr. and Mrs. Sam Miller. The youngest brother, Jim, is an invalid, due to arthritis.

Dad Poindexter has been off from work a few days due to a rheumatic condition, but he had hopes of returning to work on Tuesday of this week.

Zack McIntyre has been hospitalized for over a week and as yet the doctor has not diagnosed his case, but Zack continues to have a temperature and is undergoing the precautionary lab tests and X-rays.

Thursday of last week was quilting day at the Community Center. Mrs. W. R. Johnson and Mrs. Dad Poindexter had quilts in the frames and pretty ones too, for one was a double wedding ring and the other one was a flower garden. The quilts were

not finished that day as we were short of quilters due to sickness in the community and other hindering causes, but the ladies present enjoyed a nice covered dish luncheon and just agreed to finish the job another time.

Jim Haynes of Abilene, who is employed by Patton Equipment Co., was called out to Oplin several days last week to overhaul some of the county equipment and had dinner a couple of times with Mr. and Mrs. Ray Floyd. Jim is the son of Mr. and Mrs. George Haynes of Lawh and the family lived at Oplin when Jim was a lad, so Jim enjoyed asking about residents of Oplin and even inquired about his cousins, Mrs. J. B. Pierce and Mrs. Albert Betcher.

Livestock Team Takes Second

Callahan County's junior livestock judging team placed second at District 8 4-H eliminations held Saturday.

Team members are Tom Windham, Roy McAdams, Murray Edwards and Marion Odom. They were competing against other teams for the 20 counties which make up Extension District 8.

Marion Odom had the highest overall score in the entire junior livestock judging contest with a total of 408 points out of a possible 500 points. She is the daughter of Mr. and Mrs. Blain Odom of Rt. 2, Baird.

All are members of the Baird 4-H Club except Murray who is a member of the Clyde 4-H Club.

Know Your Candidate

John B. Connally's achievements both in private business and in high positions of trust in state and national government is an unique success story.

Born near Floresville, Texas, he was one of seven children of John B. and Lea Wright Connally, typical pioneer farmers. Connally attended public schools in Floresville and San Antonio. Following high school graduation, he entered the University of Texas, where he worked at odd jobs to help finance his education.

It was on the campus of the University that Connally's leadership and interest in government began to materialize. He was elected president of the student body in 1938, and held other positions of honor.

At the University he met Ida Nell Brill of Austin, a campus beauty and UT Sweetheart. They were married on Dec. 21, 1940. The Connallys have three children: John B. III, Sharon, and Mark. They are members of the Methodist Church.

In 1941, Connally received his law degree from the University of Texas. Following graduation, he took a position as secretary for Congressman Lyndon B. Johnson.

Later in the year, while on Congressman Johnson's staff, Connally joined the Naval Reserve. Months before Pearl Harbor he volunteered for active duty.

Following military service during which he received citations for action in the Pacific, including the Legion of Merit and the

Bronze Star, Connally returned to Austin.

After several years as a business executive and practicing lawyer, Connally returned to Washington to serve for a per-

iod as administrative assistant to the then Senator Johnson. Later, he returned to Austin to practice law.

On Dec. 27, 1960, Connally was appointed Secretary of the Navy by President-elect John F. Kennedy. After a year in the Kennedy administration, Connally resigned to run for the governorship of Texas... a race he won. Today he is a candidate for nomination to a second term, subject to the May 2 Democratic primary.

Governor Connally was accompanying President Kennedy on his tour of Texas when the Chief Executive was assassinated in Dallas on Nov. 22, 1963. Connally was critically wounded by one of the three shots fired, and required extended hospitalization and convalescence in recovering from the wounds.

QUICKIE LESSONS IN GRAMMAR
BY LLOYD D. HUFF

Restrictive and Nonrestrictive Clauses (Continued)

If you will look back at the restrictive examples given last week, you will notice that the subject in every case are hazy and indefinite and need the restrictive element to narrow down the meaning of the sentence to a specific person, place or thing intended. With nonrestrictive examples the "narrowing down" would be redundant; place by the very nature of the subject, and a further narrowing down" has already taken

place by the very nature of the subject, and a further narrowing down would be redundant, hence, we merely add additional information and set it off with commas.

The thing that makes restrictive and nonrestrictive elements tricky is that unless you know that your author is reliable and knows what he's doing, there may be some misunderstanding and many restrictive and nonrestrictive elements will be borderline cases and hard to decide. For example, in the sentence "The doctor visited his patients who were in the hospital," "who were in the hospital" without the commas is restrictive and

signifies that some of his patients were hospitalized and some were not and that he visited only those who were in the hospital. If we should make the sentence read "The doctor visited his patients, who were in the hospital," by including the commas we indicate a nonrestrictive dependent clause and the meaning is changed to signify that all of his patients were hospitalized and all received a visit from the doctor.

Proper use instead of misuse of restrictive and nonrestrictive elements will enhance the meaning of your sentence.

For homework: Right or wrong? "You left out an important data in your examination." Answer from last week: You'd bring the substantive into the house and probably diagram it, since SUBSTANTIVE is merely a handy word meaning either a noun or a pronoun.

If you have questions to ask or information to add, please write Lloyd D. Huff at McMurry College or in care of this newspaper.

Dinner Honors Three in Family

The home of Mr. and Mrs. Walter Mitchell of 534 Portland Ave., Abilene, was the scene of a birthday party for a brother and two sisters of Mrs. Mitchell — W. W. Ezzell of Rising Star; Mrs. F. E. Baker of Abilene, and Mrs. B. C. Chrisman of Baird. All have birthdays in April.

Following dinner prepared by the hostess, a few hours were spent in recalling the past, when they attended school in the Sabanno community of Eastland County and Atwell, Callahan County.

Their parents were Mr. and Mrs. W. R. Ezzell, who were married at Comanche in 1879. Following their marriage they settled in the Sabanno community where they resided for a number of years, moving to the Atwell community in 1903.

Present at the dinner were Mrs. F. E. Baker, Mr. and Mrs. W. W. Ezzell and Mr. and Mrs. B. C. Chrisman. Other sisters and a brother not present are E. Ezzell and Mrs. T. E. Owens of Cisco and Mrs. J. T. Maddux of Fort Worth.

Deep Wildcat Set For Callahan County

A deep wildcat has been scheduled in Callahan County. Gray Engineering Co., Abilene, will drill a 4,950-foot rotary wildcat to be carried in Callahan County Regular Field. No. 1 J. W. McFarlane, located 10 miles south of Baird, is spotted 3,016 feet from north and 1,885 feet from west lines of Section 9, Block 3, T&NO Survey and a 160 acre lease.

Peanut Acreage Bids All Filled in County

All requests for additional peanut acreage for the 1964 crop year have been granted, according to the Callahan County ASC committee.

A total of 1,187.4 acres were released for reapportionment, with requests for 939.2 additional acres approved.

The remaining 248.1 acres will retain history protection for Callahan County in 1964, even though they will not be planted in peanuts.

Jet-smooth Luxury Chevrolet makes roads feel as smooth as the maps they're printed on

Run your finger over a map and find yourself a place to go. That's a preview of how it feels to get there in a Chevrolet.

We've put what we think is the best suspension system in its class under this great highway performer. A big husky coil spring at each wheel and double-action shock absorbers to soak up bumps. Over 700 sound deadeners throughout the chassis and that spacious Body by Fisher to blot out noise from road and wind.

There's a lot of other Jet-smooth luxury, too.

Wide seats with foam-cushioning front and rear. Luxurious wall-to-wall deep-twist carpeting (this year it comes with even the lowest priced Biscaynes). A choice of seven great engines, all precision-balanced for smoother running, with four smooth-shifting transmissions to match. Everything that makes Chevrolet the great highway performer it is.

So get out those road maps. And wherever you go, get off to a good start—during Trade 'N' Travel Time at your Chevrolet dealer's.

Tommy Alldredge Administrator Of New Nursing Home For Clyde

Tommy Alldredge of Clyde has been named administrator of the new Clyde Nursing Home, Inc. The appointment is effective immediately.

The nursing home, currently under construction, is expected to open about May 1.

Alldredge is the first employe of the home to be named. A completed staff is expected by opening date.

Applications are being accepted for positions with the nursing home. Application blanks may be obtained at Clyde Insurance Agency and, when completed, should be mailed to Box 513 in Clyde.

Especially needed are more LVN applicants. Officials hope to hire the entire staff from among Baird and Clyde residents.

TOMMY ALLDREDGE
... new administrator

When completed, the nursing

home can accommodate 38 residents. Applications for residence in the home are not being accepted at present.

Alldredge, 34, has been a resident of Clyde for three years and has been in the cotton trading business for the past six years. He has been associated with two cotton firms, L. G. Cook and Co. and Alldredge and Co., both of Abilene and Corpus Christi. He has been office manager and a partner in the latter.

A native of Spur, he is a graduate of Hardin-Simmons University. He served in the air force during the Korean War.

He and Mrs. Alldredge live on Rt. 2, Clyde.

District Lions Meeting May 8-9

WICHITA FALLS, The annual convention of the Lions of District 2-E 1 is scheduled in Wichita Falls May 8-9, according to District Governor Charles Davis. Convention headquarters will be at the Trade Winds Motel.

Events for May 8 include a golf and bowling tournament to be followed by a pre-convention party and cabinet dinner.

Actual business of the convention will get under way at 7 a.m. May 9 with the Key Member Breakfast. In quick succession throughout Saturday there will be the first business session, special forums, model luncheon, necrology service, parade, queen's contest, and casting of ballots for district officers.

The 1964 convention will close with the governor's banquet and dance.

Featured speaker at the banquet will be Lions International Past President Monroe L. Nute of Pennsylvania.

Outdoors In Texas

BY VERN SANFORD

It has been said that a black bass by any other name would still be a heckuva fighter.

No doubt this is true. And surprisingly, you don't find black bass by many other names. Just plain bass seems to satisfy most everyone.

But in this respect, the black bass is in a select class. Other fish are burdened with aliases and nicknames. A man not familiar with local jargon might be catching one of his hometown favorites and never realize it.

For example, in the Highland Lakes of Central Texas he might take himself a mess of crapple. But over in East Texas he'll be catching white perch, although it is one and the same fish.

In North Texas, anglers take an astronomical number of sand bass. But in Central Texas it is the white bass, and in parts of East Texas the striper.

The bullhead catfish seldom goes by its true moniker. Rather it is called either a mud cat or a pollywog.

King Mackerel are better known as kingfish and Spanish mackerel as simply mackerel.

Spotted weakfish are called spotted trout and channel bass are redfish.

The bowfin in East Texas is known as a grindle, and the pickerel as a jack or pike.

Flathead catfish are more commonly known as yellow cat, and channel cat frequently are called fortails.

Even though a fish may sometimes go by the same spelled name, pronunciation will vary with different areas. Crapple are called "crap-ple" in some places and "crop-ple" in others.

This is bad enough just within the boundaries of Texas. But get outside the state and the misinterpretation is compounded.

On the Texas coast, for in-

stance, we catch a catfish-like creature which we call the ling. But over in Mississippi, natives refer to it as the lemonfish. In Florida it goes by its true handle, cobra.

Aliases for the common crapple are endless, being different with almost every area and state. Parts of Texas are among the few places where it goes by its true name.

The more a person travels, the more he meets this confusing overlapping of nicknames.

In the Far West, a man might catch a Mackinaw. But in Canada he will be taking a lake trout. That's its true name.

The redfish of the Texas coast often is called the red drum along the Atlantic seaboard. And the Texas' skipjack is better known by its true name, the ladyfish, in other parts of the United States.

Over in Florida, people call it the mudfish, although its real name is bowfin. And there the crapple are called speckled perch.

In Texas the common sunfish is better known as perch or brim, while in other areas it probably will be called a bream.

The spotted bass which is found in plentiful numbers in Central Texas, particularly in streams like the Llano and Guadalupe, frequently is referred to as the smallmouth bass. But is certainly isn't a true smallmouth bass. Actually it's a distinct species of its own.

In some areas the bigmouth black bass might be called a trout or green trout, but generally just the handle "bass" will suffice.

Betas, Seniors Planning Show

The Beta Club and senior class of Baird High School will sponsor a talent show Thursday, April 23 at 7:30 p.m. in the high school auditorium.

There will be five divisions — pre-schoolers and first and second graders; third, fourth and fifth graders; sixth, seventh and eighth graders; high school students; and adults. Ribbon awards will be given for the first three places in each division.

Anyone in the Baird community is eligible to enter.

Rehearsal will begin at 6 p.m. on Tuesday, April 21, at the high school auditorium.

Pre-schoolers or adults may call the high school office if they wish to enter. Contact Mrs. Archie Nichols, Beta sponsor, Mrs. Frankie Crow or Dick Vestal, senior class sponsors.

Leon Shlrey, Clyde High School student preached for the Central Baptist Church in Sweetwater Sunday, April 12.

Grain Program Ends in County

Tommie Harris, chairman of Callahan County ASC committee, said Wednesday the emergency livestock feed grain program has been terminated for Callahan County.

A total of 74 rail cars, containing 7,431,120 pounds of grain were secured by the local ASCS office for livestock producers in this area. This grain was sold for \$120,237.53 with the average price being \$1.62 per hundred weight.

Callahan County Farmers Co-Op was the handler for 67 cars of this grain and they were paid \$6,010.10 by the local ASCS office for their services. Alderman and Cave Warehouse in Winters processed seven cars of grain for local livestock producers and will be paid \$312.50 by the Commodity Credit Corp. for their services.

Harris commended the 286 livestock producers who participated for their part in successfully completing this program.

The world needs more ugly Americans

... like this Peace Corps Volunteer, who aren't afraid to get their hands dirty. Who won't rid the world of hunger, disease or ignorance, but who will make a start.

It's not a glamorous job. It's hard work. And often disappointing, because volunteers will rarely see half the results they had hoped for.

But they happen. In a Pakistan village, where a volunteer's flood-control project saved crops for the first time in 7 years.

In Tanganyika, where 525 miles of new road are opening up farmland, or in Nigeria, where a 10-year-old learns what the alphabet is. Maybe he can't read yet—but it's a start.

The people of 46 nations have asked for help. They want more Americans. And don't care what they look like. Can they help is what counts.

If you're willing to share the monotony of poverty and can take failure and bounce back, maybe you're the woman or man they want.

It's tough to get into the Peace Corps. You can try by writing to: The Peace Corps, Washington, D.C., 20525.

New \$75 Bond On Sale Soon

A reminder that the new \$75 series E United States savings bond, bearing the portrait of the late President Kennedy, will go on sale May 1, come Wednesday from Howard E. Farmer, Callahan County savings bonds chairman.

Farmer said that due to the heavy demand for the new bond which is anticipated, many banks and other issuing agents throughout the nation will accept orders before May 1 from those purchasers who may desire an early date of issue to appear in the validating stamp.

Decision to issue the \$75 bond which fills a gap in the lower denomination range of savings bonds, was announced by the White House late in January. The issue date of May 1 was fixed to coincide with the launching of "Operation Security," a nation-wide savings bonds campaign which runs until July 4. May 1 is also the 23rd anniversary of the issuance of the first series E bond.

Purchase price of the new bond, which will reach redemption in seven years and nine months, is \$56.25.

Farmer said the new bond is not a "memorial" to the late President, in that it is no different from other denominations of savings bonds, all of which bear portraits of deceased chief executives. However, beneath the portrait of Mr. Kennedy are carried the words from his inaugural address: "Ask not what your country can do for you; ask what you can do for your country."

WAYNE GIBBENS . . . (Continued from page one)

Gibbens is representing this district on the important Congressional Re-districting Committee — appointed by the Lieutenant Governor at the request of Governor John Connally.

Gibbens is chairman of two additional Legislative Committees. He was elected by other members of the House of Representatives and the Senate to act as chairman of the Finance Committee of the Legislative Council and he is also chairman of the House Contingent Expense Committee, which, under Gibbens' supervision has cut House legislative costs and expenses by nearly 50 per cent.

Representative Gibbens also serves on the Agriculture, Rules, Oil and Gas and Revenue and Taxation committees.

In making his formal announcement for reelection, Gibbens, said, "I am proud of the trust and confidence which you have placed in me and I have worked to bring credit and honor to Callahan County and District 63. The people of this district are entitled to an effective voice in our legislative halls."

Without question Representative Gibbens has given the citizens of Callahan County strong and effective representation as witnessed by Governor Connally's statement after the last Legislative session, "Wayne Gibbens is an outstanding young man and an intelligent, effective legislator."

Gibbens is a graduate of Breckenridge High School and holds a degree in government from Texas Tech. A member of the Baptist church, Gibbens is married to the former Beth Cannon. Mrs. Gibbens has been a teacher in the public schools, but is now campaigning with her husband.

Gibbens' statement continued: "The next session of the Legislature will be an important one to Texans. Congressional re-districting, improvements in our educational system — both public schools and colleges and universities, industrial and economic development of our state, pollution of fresh water supplies, industrial safety programs, tourist attraction, election code reforms, delinquent youth rehabilitation programs, and fiscal reforms to promote the greatest advantage for the least amount of money in state government — all will be of major concern during the next session of the legislature.

"The confidence, trust and faith you have placed in me during my four years as state representative are deeply appreciated. Your help and guidance have been valuable to me in efforts to give our district a more effective voice in Austin. I am grateful that the vast majority of my constituents have expressed to me their approval of my record and work for this district.

"I sincerely hope that you will give me an opportunity to use my experience, seniority in the House, and committee assignments for your greater benefit at the next-session. The citizens of District 63 are among the finest folks in the world and you are entitled to the best possible

representation. I will appreciate your vote and support. I pledge to you my best to give you the energetic, effective representation that you deserve.

Bowman to Give Away Glasses With Paint

A special limited offer to purchasers of Pee Gee paint is announced by Bowman Lumber Co. in Clyde in today's edition. The firm will give four 11-ounce glasses with the purchase of a gallon or more of the paint. A Polaroid camera will also be given away during the observance.

Washburn Ties For Top Honors in Show
Paul Washburn II of Baird tied for top honors in the junior division of the Texas Numismatic Society show in Dallas last weekend. His exhibit of British Empire coins was named most outstanding display in the junior show.

He tied with another member of the Key City Coin Club, of which he is a member, for first place in his division.

It was the first time for the 14-year-old coin collector to have a display in the statewide show.

Wildcat Is Set; Well Completed

A wildcat has been scheduled and a well completed in the Callahan County regular field. No. 1 Lucy K. Whitehead has been scheduled by L. A. Warren, et al, of Abilene. It is seven miles south of Clyde, 1,750 feet from north and 990 feet from east lines of Section 7, BBB&S Survey, and on a 160-acre lease. A 1,600 foot depth with rotary is planned.

Expando Production Co. of Wichita Falls has completed No. 19 W. J. Shirley. A re-entry project, the well is two miles southeast of Putnam and is 2,225 feet from south and 2,490 feet from west lines of Section 8, BOH survey.

Depth is 540 feet on the well, originally drilled in 1925.

Daily potential was 4.67 barrels of 40 gravity oil, plus 98 per cent water, pumping through an open hole at 519 to 540 feet.

Carrier to Visit In Baird Saturday

Fisher County Supporters of Max Carrier, Democratic Candidate for Congress, met Monday night and announced final plans for a "Carrier Congressional Caravan." Neighbors and supporters of Carrier are planning to tour the district Friday and Saturday in support of Max. Al Finch, chairman of the planning committee announced that the caravan was due in Baird at 4:40 p.m. Saturday, April 18.

The caravan, equipped with candidate, sound truck, signs and red-white-and-blue decorations, will visit Hamlin, Stamford and Anson Friday morning. Lunch will be a fried chicken dinner in Albany at noon. Friday afternoon the caravan will tour Moran, Cisco, Eastland, Ranger and Weatherford. Friday night will be spent in Mineral Wells where the group will attend a Carrier-for-Congress barbecue which is being sponsored by Palo Pinto County Carrier supporters.

Saturday morning the caravan will tour Mineral Wells bus-

ness sections and depart for Stephenville at 9:30. Towns on Saturday's schedule will include Hico, Hamilton, Dublin, De Leon, Comanche, Rising Star, Cross Plains, Baird and Clyde. The caravan will disperse in Abilene shortly after five Saturday afternoon.

Re-Entry Scheduled On Callahan Well

Oil & Gas Property Management, Inc. of Fort Worth has filed application to re-enter and deepen a test in the McCurdy Blair (Mississippi) Field.

Located two miles southwest of Baird, No. 1 C. H. Latimer is spotted 330 feet from south and 2,200 feet from east lines of Section 92, BBB&C Survey, A-1683. It is on a 633.7-acre lease.

Originally drilled by Copaz Oil & Gas Corp., as No. 1 C. H. Latimer, the test was plugged at 3,740 feet in 1960. Operator plans to deepen to 4,600 feet with rotary.

It is 5-8 mile east of E. J. McCurdy No. 1 City of Baird, a producer in the two-well field.

Shower Honors Mrs. Young

A pink and blue shower honoring Mrs. Charles Young was given in the home of Mrs. Irvin Corn, April 9 from 7 to 8:30 p.m.

Mrs. Corn and Mrs. Young welcomed guests from Abilene, Eastland, Clyde, Denton Valley and Baird.

Pink and Blue balloons were used in the decorations. The table was laid with an embroidered pink linen cloth centered with a miniature rocket. Mrs. Roger Corn and Mrs. Robert M. Barnhill served at the table.

The hostesses' gift was a chest-of-drawers.

Other hostesses besides Mrs. Corn were: Mmes. Roger Corn, R. L. Smedley, Jr., Robert M. Barnhill, Kenneth Robbins, Ronald Robbins, Bill Patterson, Lynn Ault, L. G. Barnhill, A. E. Dyer, Jr., J. O. Warren, Hubert Ross, John Towler, Pete Chatum, Frank Hodson and Lil Coley. She received many gifts.

Pan-American Day Study Club Topic

The Wednesday Club met with Mrs. Homer McIntosh, April 8. Mrs. W. P. Brightwell, president, presided. Invocation was given by Mrs. W. A. Fetterly. Topic for the day was, "Pan-American Day."

"Inter - American Highway Links United States to Neighbors," was given by Mrs. Lee Ivey. A very interesting topic, "Mexico: A Business Profile," was discussed by Mrs. N. M. George. "A New Look at Latin America," was given by Mrs. E. J. Hill.

Mrs. V. E. Hill gave two musical selections on the accordion on Music of Mexico. They were "Over the Waves," and "South of the Border."

Mrs. McIntosh served refreshments to one visitor, Mrs. H. E. Burns of Abilene and 17 members, Mmes. W. P. Brightwell, Randall Jackson, N. M. George, Lee Ivey, E. J. Hill, Clyde White, W. A. Fetterly, L. B. Lewis, Ace Hickman, B. L. Russell, A. E. Dyer, V. E. Hill, I. E. Warren, D. F. Short, R. D. Williams, Miss Isadore Grimes and the hostess.

Next meeting will be with Mrs. A. E. Dyer at the home of Mrs. Glen Elliott, April 22.

Holder Serving With Destroyer Taussig
USS TAUSSIG (FHTNC) — Wilbur P. Holder, seaman apprentice, USN, son of Mr. and Mrs. R. H. Holder of Route 2, Clyde, is serving aboard the destroyer USS Taussig out of San Diego, Calif. Taussig recently completed testing of her drone anti-submarine warfare helicopter "DASH". During the testing a perfect hit was scored on the submarine USS Salmon by a homing-torpedo. With the successful use of the DASH, Taussig became one of two operational destroyers in the Pacific Fleet equipped with the drone helicopter.

TIME TO TALK ISSUES

ROGER Q. EVANS

It is now time that the issues in the State Representative race be spelled out in plain language, states Roger Q. Evans of Baird who opposes Wayne Gibbens.

The people of this district have a right to know the current issues and views of the candidates, in the five county district.

The office of State Representative has become a vital cog in the economy of our state and the citizens of said State. Over a five billion dollar appropriation faces the next session of the legislature. This money will go to state agencies, which will affect the lives of not only our school children but our adult life.

It is the opinion of Roger Q. Evans that the problems are so grave and vital to our economy and the destiny of people that a person well versed in the ups and downs of life and the ups and downs in our economy, that a seasoned experienced person in the problems of government can better represent your tax dollar than a person with little personal experience.

Mr. Evans, knowing many of the pitfalls, and who is seasoned enough to know the tricks of lobbyists, and who has the intestinal fortitude to defend the rights of our people against their clever schemes, is seeking the job as a hired hand to represent you in the Texas Legislature.

Here is how he stands on many of the issues. He makes these pledges:

I PLEDGE

To support an Educational Program — including teacher pay increases and adequate school facilities — that will place Texas on par with other states.

I PLEDGE

To introduce and fight vigorously to re-earmark the old 2 per cent Confederate pension funds to accrue to the now aging veterans and their widows of any war as a veteran and Widow Relief Fund.

I PLEDGE

To give full support to all phases of agriculture, and livestock — to fight against the encroachment of foreign beef imports wherein it affects our markets and production.

I PLEDGE

To give every aid and assistance to our retired and aging citizens by trying to amend the restrictive laws — to permit, under certain conditions, a recipient of old age assistance, social security and other pensions, to earn money through self-employment or part-time employment through programs established for the one's able to work so as to improve their economy.

I PLEDGE

To work with all agencies of the city, county and state governments to improve our economy through added payroll incomes to be provided through self-made projects — I have confidence this can be accomplished by establishing in each County a County Senior Citizens Industry Inc. to work out the details to manufacture products to be sold commercially through a five-county marketing program.

I PLEDGE

That if you elect me as your state representative by your vote on May 2, 1964, as long as I draw the \$4,800 per year, my services will belong to the five counties in proportion to the population of the counties. I will work with the various agencies to develop jobs and open opportunities to make life more liveable for this fast growing population of senior citizens who have been the backbone of our defense and civilization.

I PLEDGE

To energetically fight to protect the rights of property owners on all phases of their constitutional rights and work to defeat any legislation that tries to give powers of attorney to any state agency to control your oil, gas and other mineral rights under the surface of your land. House bill 510 sponsored by my opponent tried to do this to land owners at the last session of the Texas Legislature.

I congratulate the Farm Bureau Legislative Director and its membership for so vigorously fighting against the Forced Pooling Bill No. 510 sponsored by Mr. Gibbens.

The bill was opposed by Land Commissioner Jerry Sadler, the Sheep and Goat Raisers Assn., the Independent Land Owners Assn. and others.

I PLEDGE

To support and vote to see that our tax dollar, before and when appropriated, will produce a dollar in return in needed services to the people of the State. I shall work to economize in said appropriations which will go a long way to meet most of the need for new taxes. Spending the tax payers' hard-earned tax money, is truly a grave responsibility and merits the most rigid test of NEED to the agencies requesting appropriations and to do this you need a seasoned and experienced man who knows these problems.

I PLEDGE

To give every assistance to the state and local Health Units in their fight to reduce health hazards such as pollution, sale of bad foods, and through lack of proper sanitation.

I PLEDGE

To support better rural roads and highways with adequate lateral roads.

I PLEDGE

To work for Industrial Development in our cities and small towns — to re-establish some of our lost business. I have been asked to express myself on two or more very controversial issues. In stating my views I well realize that I will lose votes, and will gain support by others.

I lived through and experienced the economic breakdown in business in a radius of 100 miles of the Arlington Downs, and saw when it got so corrupt that the governor called a special session of the Legislature to repeal the growing menace. I do not believe in legalizing for tax purposes, or otherwise, any thing that will demoralize, and open opportunities for further break through on the moral standings of our State. Therefore —

Over 30 Attend Saturday's Field Day Program at Green Duroc Farm

Demonstrations featuring a modern swine breeding farm and an efficient sow and pig program drew more than 30 persons for a field day at the L. M. Green and Son Duroc Farm near Clyde Saturday.

Assisting Green and his son, Earl, in presenting the day's program were Pat Thomas, Abilene, district salesman for Ralston Purina Co.; Leonard Stoehr, Southwestern field man for the Duroc Swine Registry of Peoria, Ill.; and A. G. Black of the Callahan County Farmers Cooperative Inc.

Green's Duroc Farm has been established on a 20-odd acre, deep sandy land plot, part of which has been cleared of post-

oak and brush. Mel Green, who has been manager of the Clyde branch of the Callahan County Farmers Cooperative for several years, designed the layout so that he may operate the breeding plant with a minimum of help.

One-Man Operation

He has arranged his pens, gates and alleyways so that he can shift one to a score of hogs from one pen to another without assistance. By using "fence chargers" he has cut the main area up into pens to accommodate the sows and gilts according to farrowing or breeding schedules.

He has arranged pens for his boars along a breeding lane that he can cut off into breeding pens by the manipulations of gates.

At one side of the cleared area he has built steel sheds on concrete floors. These provide shelter for the sows and their litters. They also contain fogging nozzles which will provide cooling for the swine during hot weather. Also, automatic waterers have been installed to insure an adequate, fresh, clean supply of water. Nearby are self-feed-

ers full of special rations for sows and pigs.

At the far end of the clearing are postoaks and other trees which provide shade for the animals. The theory is that the sows and pigs will get plenty of exercise traveling from the shade to the feed, water and shelter and back.

The Baird Star, Baird, Callahan County, Texas, April 17, 1964

Texas Duroc Breeders

Fieldman Stoehr, who lives in Plattsmouth, Nebr., told the group that Texas Duroc breeders are among the top leaders in the number of Durocs registered with the association each year.

He said Breeder Green is considered one of the leading producers of superior Durocs. "He is the only breeder in my territory that has a boar battery made up of three champions of a major swine show. I have two or three others in my territory that have two, but Mel is the only one with three."

His three breeding boars are the Southwestern and National Duroc Congress in 1962, for which he paid \$2,000; Challenge Star, champion of the same show in 1963, for which he paid \$2,250; and Valiant Star, grand champion of the same show in Abilene in February, for which he paid \$1,815.

At noon, the Greens, the Callahan Co-op and Purina were co-hosts at a barbecue lunch

catered by Underwood's of Abilene.

Following lunch, District Salesman Thomas presented details of the sow and pig program that Ralston Purina has worked out at its research farm near Saint Louis.

Cardinal Points

The sow and pig program is the critical part of a swine business, Thomas said.

The four cardinal points in a successful operation, he pointed out, are: 1. Good breeding. 2. Sound management. 3. Careful sanitation. 4. Good feeding.

Unless you carry out the first three essentials of this program, it doesn't matter about the feed he said.

A film, prepared by the Duroc Swine Registry, concluded the program. James Trammell, Clyde VA teacher, assisted in presenting the film.

Mrs. Ted Price of Kansas City, Kan. visited her grandmother, Mrs. Earle Hurst, Wednesday. Robert Young of Cross Plains was a Monday visitor with Mrs. Hurst.

Mr. and Mrs. Clint Blakely of Eula were Monday visitors with Mr. and Mrs. R. B. Taylor.

Those visiting Mr. and Mrs. Drue Sprawls Sunday were Mr. and Mrs. J. D. Sprawls of Tye, Mr. and Mrs. L. L. Sprawls, Mrs. M. B. Sprawls and Mr. and Mrs. Ken Judge of Fort Worth, Mr. and Mrs. Bill Brawley of Odessa, Mr. and Mrs. Truett Holder of Stanton.

UNION USUALS AND UNUSUALS

BY VEDA YARBROUGH

Hi neighbor. Yesterday which was Sunday was a hot one way up in the nineties late Sunday afternoon. We had a terrible sand storm, it blew in like a black cloud, looked like it was rolling on the ground.

John and Roma McIntyre attended the fiftieth wedding anniversary in Oplin Sunday honoring Mr. and Mrs. Adison McWhorter.

Fay and Emmitt Wood of Cisco and I spent the weekend in San Angelo visiting Mr. and Mrs. Tommie Wyatt and family and Holmes Wood and family, we enjoyed being with all of them, we had a real nice time.

While I was in Cisco last Friday I visited a while with Lucille Kelley and uncle Lige and aunt Annie May Burnam. Uncle was painting the garage doors, aunt Annie May was out working in the yard, she has some beautiful roses and a lot of other pretty flowers, glad they both are able to be out and work a little.

Mrs. Elvin Wood and daughter, Jan, of Iowa Park spent a few days last week visiting with her parents, Mr. and Mrs. Arno Roggenstein also visited with her sister and family, Mr. and Mrs. Joe Hurley.

The Ramseys and Leonard Alveys are still playing 42 and Johnny May said she and Myrtle were still beating Burette and Leonard, now I think they should feel sorry and give these poor boys a game once in a while.

I don't really know how the Eisenhower and McIntyre 42 game is going. I can pretty well guess after playing 42 with Louise Eisenhower last night. Everyone should have been at the Community Club Game

night Monday night, we had a good time.

Mark and Ollie were shopping in Abilene one day last week, so were the Burette Ramseys, Linda Hughes and I.

Mark and Ollie Burnam attended singing at Scranton Sunday afternoon, Ollie said sure was good singing.

Gayle and James Eisenhower spent the weekend visiting the Burnams and Isenhowers.

I tell you the grain really needs rain after all the high wind we had last week and that awful dirt storm we had Sunday afternoon and night. I noticed John McIntyre's field here on my place is up.

Mr. and Mrs. E. E. Stagner and Mike of Levelland were by to see John and Roma McIntyre Sunday afternoon and they were at Oplin, seems that is the way it goes when you go away, someone comes.

We are sorry to hear Mr. Herbert Ellis of Atwell is in Cisco hospital. He had a bad heart attack Sunday about noon. Herbert is the brother of Mrs. Viola Everett and Fred and Jewel Ellis. We hope you soon get able to be home. Now you be a good

boy and don't get up til the dog tells you to.

Burette and Johnny May Ramsey and Linda Hughes visited a while with Mrs. Mary Ramsey Sunday afternoon. Ollie Burnam and I stopped by Monday afternoon to see Mrs. Mary she is doing pretty well, still able to stay by herself.

Guess I better get busy and see what I can find to do, there is so much I don't know where to start.

Be good and I hope to see you next week.

JIM LANGDON—A WINNER!

Railroad Commissioner Jim Langdon is a 49-year-old native Texan with a winning record in public office. When John Connally appointed him to the Railroad Commission, the Governor said: "I have for several weeks been attempting to find a man I consider to have outstanding ability, integrity and honor... I am happy we have found that man — Judge Jim C. Langdon."

Jim Langdon has fully lived up to Governor Connally's expectations. He has conducted his office in the spirit of Governor Jim Hogg, who had the Commission set up in 1891 to look after the public interest in railroad and freight rates. It now regulates also truck and bus rates and the production of oil and gas. Judge Langdon will continue to keep transportation rates in line and see to it that our oil reserves are protected against waste and greed. This will help keep down Texas gasoline prices, already among the lowest in the nation.

Jim Langdon was elected District Judge twice and re-elected Chief Justice of the El Paso Court of Civil Appeals.

ON THE OTHER HAND—
Jim Langdon's Opponent Is a 10-Time Loser!

Jesse Owens, 69-year-old attorney, is still running for office after 38 years and TEN DEFEATS. He has lost the following races:

- 1926—Defeated for Sheriff of Foard County by L. D. Campbell.
- 1930—Defeated for District Attorney by John Meyers.
- 1932—Defeated for District Attorney by Ed Gossett.
- 1940—Defeated for District Attorney by T. Gene Rogers.
- 1946—Defeated for Court of Criminal Appeals by Tom L. Beauchamp.
- 1952—Defeated for Court of Criminal Appeals by K. K. Woodley.
- 1956—Defeated for Court of Criminal Appeals by W. A. Morrison.
- 1958—Defeated for District Judge by Tom Davis.
- 1960—Defeated for Court of Civil Appeals by James Denton.
- 1962—Defeated for Texas Supreme Court by Meade F. Griffin.

A Winner All the Way—
Jim C. Langdon
for Railroad Commissioner

RE-ELECT THE QUIET MAN WHO GETS THINGS DONE

OMAR BURLESON

INCOME TAX REDUCTION
The income tax reduction bill that became effective in April of 1964 had the vote and support of OMAR BURLESON who has long felt that tax relief for the public was one of the most important issues before Congress.

LIMITED BEEF IMPORTS
OMAR BURLESON introduced a bill in Congress to limit the imports of beef from foreign countries. With a 25% wholesale price decrease caused by foreign imports this bill would provide a broader market for the ranchers and cattlemen. Retail prices remain high.

REDUCE FEDERAL BUDGET
Long an advocate for lower federal spending, OMAR BURLESON, in his 18 years in Congress, has voted to reduce the federal budget from three to 13 BILLION dollars each of his nine Congressional terms. He has never voted to reduce defense expenditures.

CUBAN EMBARGO
During the Cuban affair OMAR BURLESON introduced a bill for a complete embargo on trade with that country. He voted against the sale of wheat to Russia, recognizing that it would encourage our allies to sell to Cuba which they have done in fact.

CIVIL RIGHTS
Because the present form of the Civil Rights bill contains provisions to limit the freedoms of all Americans, he voted against it. He is for the constitutional guarantees for all Americans regardless of status.

LIMITED OIL IMPORTS
In 1949 OMAR BURLESON introduced the first bill to limit oil imports, and then voted for the bill that gave the President of the United States power to limit or abolish oil imports.

REDUCE COMMITTEE BUDGETS
As chairman of the House Administration Committee, OMAR BURLESON has consistently reduced the spending of congressional committees. He reduced Adam Clayton Powell's committee spending budget by 50%.

FOREIGN AID
OMAR BURLESON has voted against foreign aid since the late 1940s. The recent reaction in Congress as to drastically reducing foreign aid and discussion about abolishing it proves him correct.

One Out of Six in Callahan Get Benefits From Social Security

dents of Callahan County is now receiving a monthly social security check according to figures released by R. R. Tuley Jr., Abilene, social security district manager.

Tuley's report listed the number of Callahan County beneficiaries as 1,438 at the end of 1963. About one out of every 6 residing in the county at the beginning of 1963. The dollar benefit amounts total more than \$944,616 yearly.

Retired workers are the largest single group of social security beneficiaries in the County. There are 812 in this group and their old-age insurance benefits total \$51,198 monthly. The following table shows the number and amount of the other monthly benefits paid in Callahan County as of Dec. 31, 1963.

GROUP	NO.	TOTAL
Retired Worker	812	\$51,198
Wife or Husband	263	8,068
Widow or Widower	146	8,288
Mothers & Children	130	6,312
Disabled Workers & Dependents	84	4,625

In releasing the figures, Tuley pointed out that the social security benefits are important to the community as well as to the people who receive them. "It is a fact," he said, "that almost every dollar of social security benefits coming into the county is spent each month in local businesses for food, clothing, shelter, and other essentials. In this way, the benefits have a stabilizing effect on the local economy."

Tuley forecast that the number of social security beneficiaries will continue to increase in the future, but at a much slower rate than in the past 10 years.

He said that, nationally, the social security benefit rolls increased about 5 million people in 1954 to more than 19 million

at the end of 1963. This rapid growth in the beneficiary population resulted from major amendments to the Social Security Act from 1950 through 1961. He cited several amendments which extended social security coverage to self-employed business and professional men, farmers and agricultural workers, and other groups.

TECUMSEH TOPICS

BY LILLIAN CRAWFORD

The showers of dust that rolled into this area late Sunday afternoon was not what we had hoped for, but will probably cause us to appreciate the rain more when April showers fall.

Speaking of dry weather, Dale Crawford and the three children came over Saturday afternoon bringing his little yard and garden plow to do some plowing, but wasn't very successful because of the dry soil.

At present it looks like there might be fruit this year, hope the rainfall is sufficient to mature the fruit better than we had last year.

Irene Crawford and her mother visited down our way Sunday afternoon bringing Mrs. L. V. Harris along.

Oh, yes, our two granddaughters at Abilene, Dana and Christie, did not break out with the measles last week. The last few days I was with them these little girls had such colds, and eyes were red and watery, so we wondered if they might be taking the measles.

Even at this late date I would like to mention some of my visitors on Easter Sunday while I was yet in the hospital were Mr. and Mrs. A. N. Bradford, Mr. and Mrs. Aron Stiles and my aunt, Mrs. Lucy Kendrick, all from Ranger. They also visited Lillie Merrell just across from the hos-

pital in Mrs. Stewart's nursing home.

While these visitors were in my room Bro. Mack Richardson came to visit also. My aunt had known him for many years and they each were happy to meet again. One of the main topics of conversation were about Hendricks hospital and how it had grown in size. My aunt said she was there the day of dedication 40 years ago when it was just a one floor building. Bro. Richardson said that day he guess he was getting young again as he got up after taking his afternoon rest and came to the hospital without his glasses.

Garden Club To Hold Sale

Mrs. D. C. Cox, Mrs. Frank Cunningham and Mrs. J. T. Loper were hostesses to the Baird Garden Club on April 7 in the Presbyterian Church Annex.

Plans were made for a Rummage Sale and also a Cooked Food Sale to be held in the Terrell Building on Saturday, April 25. Proceeds will be used in building gateways at the Baird Cemetery.

Mrs. W. V. Walls gave the invocation for the afternoon program on "Spring Brings Beauty." Mrs. D. J. Anderson's topic was "Popularity of the Rose of Sharon." Mrs. E. J. Hill spoke on "Vine Variety Adds Beauty." Mrs. E. H. Leache discussed "Perennials Color Your Summer," and Mrs. Marvin Davis described her recent visit to the Hodges Gardens at Many, La., and the Azalea Gardens at Tyler. Mrs. D. C. Cox displayed a flower arrangement for San Jacinto Day consisting of white iris in a blue bowl, with the Texas flag completing the patriotic theme.

Concluding the program members joined in singing the Texas Garden Club song, "Have You Ever Been to Texas in the Spring?" Mrs. J. R. Latimer was

accompanist.

It was decided that at the next meeting, to be held on May 5 at the Presbyterian Church, members would bring flowers or potted plants for a spring flower display.

Present at the meeting in addition to hostesses and those on the program were Mmes. Felix Mitchell, George Crutchfield, W. A. Fetterly, I. E. Warren, Ace Hickman, Lee Ivey, P. E. Dungan, B. H. Freeland, Ben Ross and Clyde White.

Range Meeting Set April 17

A range management meeting will be held Friday, April 17 at the district courtroom in the Courthouse at Baird. Ranchers and farmers with native pastures are urged to attend this meeting which will begin at 1:30 p.m. and last until 5 p.m.

Bobby J. Ragsdale, associate range specialist with the Agricultural Extension Service at Texas A&M University will give the program on range management. He will discuss brush control, proper stocking rates, pasture rotation systems, reseeding, range condition, and proper management of grasses and range land.

J. C. Earp, ASC office manager, will cover the ACP cost sharing programs.

Refreshments will be furnished during the afternoon by the Callahan County Farmers Coop.

District Legion Sessions Slated

MINERAL WELLS — Six American Legion posts will be honored at the annual 17th District spring convention of The American Legion, to be held here Saturday and Sunday, April 18-19, by being presented citations for attaining their membership quota.

Posts and their commanders are Dublin, J. C. Jurney Sr.; Mineral Wells, Basil L. Wright; Mings, Clifton B. Moody; Rising Star, J. H. Nunnally; Roby, Joseph M. Whitfill; and Sylvester, Ross E. Douglass.

Registration will open at Noon Saturday in the lobby of the Crazy Water Hotel. From 1:30 to 6:30 p.m. there will be a stag party and registration at the Legion Home. An informal dance will take place on the hotel roof at 8 p.m.

Activities will get under way on Sunday with a dutch breakfast at 8 a.m. in the Crazy Hotel Coffee Shop.

The joint session of the American Legion and auxiliary will convene at 9:45 a.m.

At 1:15 p.m. the Legion and auxiliary will hold their separate business sessions with 17th District Acting Commander B. McDaniel presiding over the legion meeting. Delegates and alternates to the national convention to be held in Dallas in September will be elected and provision will be made for the principal and alternate members of the department convention committees. A district and/or district vice commander will be elected for the coming year.
