44th Year No. 61

20 Pages

Lubbock, Texas, Monday Morning, Jan. 10, 1966

Full Leased Wires: (AP), (UPI)

## War, 'Great Society' To Be Major Issues

**SOLID COMFORT**—Lolling around in 26 below zero weather even too tired to shake off the newly-fallen snow, this bison in a Bismarck, N. D., zoo makes a subzero wave appear like solid comfort, akin to sunning at the beach. But shivering Bismarck residents were looking around for extra cold weather clothing, including grandpa's old buffalo robe. (AP Wirephoto)

### CHAOS DUE TODAY

## New York Strike Deadline Passes

**NEW YORK** — New Yorkers faced the possibility of another work day of transportation chaos today as a deadline for getting the city's thousands of strikebound buses and subway trains rolling again in time for the big Monday morning rush passed without any sign of settlement.

Mayor John V. Lindsay summoned negotiators for the Transit Authority and Transport Workers Union to City Hall in an unexpected move to try to settle the nine-day-old walkout in time to prevent further hardship for the millions who daily use the transit system.

### EARLY TODAY

## Panhandle Due Chill Air

A new mass of frigid air from the Rocky Mountains was due to clear skies and bring cooler temperatures to the northern portion of Texas by today.

Stiff southerly winds that blew in gusts up to 32 miles an hour in the Panhandle Sunday were expected to become northerly Sunday night and today as the new front pushed into the state.

Skies ranged from clear through partly cloudy to cloudy over Texas Sunday but no rain-fall was reported.

Temperatures Sunday afternoon were mostly in the 50s and 60s.

Early morning minimums ranged from 29 degrees at El Paso, the only point reporting freezing temperature, to 51 at Corpus Christi.

The forecasts called for the colder air to enter the Panhandle late Sunday, spread over the High Plains and the upper Red River Valley during the night and push into North Texas today.

## Congress Resumes Today

### 'Long, Tough' Session Seen

**WASHINGTON** — The conflict in Viet Nam and the "Great Society" program at home will provide the major issues for the second session of the 89th Congress convening at noon today.

Politics may be a dominant factor in determining how the issues will be resolved. This is a congressional election year and all 435 House seats and 35 of the Senate's 100 will be up for grabs in the November voting.

It promises to be a long and rough session.

**Message Set Wednesday**

President Johnson will tell the legislators what he wants them to do when he delivers his State of the Union message Wednesday night. He will follow it up with later messages on the budget and the national economy.

Informed congressional sources predict that the President will ask for continuance and perhaps expansion of some major domestic programs enacted last year and submit a budget of federal spending between \$110-billion and \$115 billion for the year starting July 1.

**Views May Vary**

Perhaps the first thing Congress will be asked to do will be to provide some more money — probably upward of \$10 billion — to add to funds previously appropriated to pay for the fighting in Viet Nam. Additional funds for the foreign-aid program may be included in the request.

There is nothing in sight to indicate that the President won't get what he wants where the Viet Nam crisis is involved, although not without a debate over guns vs. butter.

Many congressmen visited Viet Nam during the recess that started last Oct. 23. Some of them have their own ideas about how the Southeast Asia operation should be conducted.

**Top Priority To War**

House Speaker John V. McCormack (D-Mass.) recently said the needs of the war and the needs of domestic programs can be harmonized without detriment to either.

Some Republicans and some Democrats disagree.

The war must be given top priority in the opinion of House GOP Leader Gerald R. Ford of Michigan even if it means cutting back or shelving some of the new domestic programs.

Ford has warned that Republicans will solidly oppose a tax

See CONGRESS Page 5

### PRESSURED

## Rhodesians Eye Talks

**LONDON** (AP) — Prime Minister Harold Wilson was advised Sunday night — the eve of his departure for the Commonwealth summit conference in Lagos, Nigeria — that Prime Minister Ian Smith's government in Rhodesia is ready for fresh negotiations with Britain.

Liberal legislator Peter Bessell, who returned Saturday after a fact-finding visit to Rhodesia, said Smith and his ministers want new talks to end the Rhodesian crisis.

Bessell said discussions should be opened quickly to prevent total destruction of Rhodesia's economy.

Wilson is expected to tell the Lagos conference on Tuesday there is now clear evidence that sanctions imposed on Rhodesia — particularly the oil embargo — are beginning to bite.

Diplomatic sources said Wilson may also tell African leaders that Britain is ready to intensify the sanctions.

Wilson is reported planning to issue within the next two or three weeks a declaration of terms on which the Rhodesian rebellion can be settled, informants said. In the meantime, they added, the economic squeeze on Rhodesia will be tightened.

# U.S. Force Penetrates Viet Cong Sanctuary

**MASKED TO BATTLE VIET CONG**—Infantrymen of the U.S. 1st Division wear gas masks as they advance through haze of riot control gas toward enemy tunnel positions along river bank in assault against Viet Cong's "Iron Triangle" 20 miles northwest of Saigon. In background are huts and banana grove devastated by heavy air strikes prior to infantry attack. The troops used tear gas on several occasions to smoke the enemy from bunkers and tunnels. (AP Wirephoto)

### FORMIDABLE

## Viet Cong's Tunnels Like Subway Net

**By HORST FAAS**  
**SAIGON** (AP) — American paratroopers and infantrymen pushing toward the Communists' "Iron Triangle" northwest of Saigon discovered an incredibly vast Viet Cong tunnel system Sunday. One soldier described it as "the New York subway."

The soldiers, part of Operation Crimp, the biggest U.S. assault of the Viet Nam war, came up full face against what the French and Vietnamese knew years ago and could do nothing about — a modern enemy catacombs just 25 miles north of Saigon.

**Years In Building**

The tunnel network must have taken years to build. But it was almost empty and the paratroopers and infantrymen failed to entrap any of the Viet Cong who have lived there in comparative comfort and safety.

As we moved forward we saw one trench and tunnel after another. Some of the trenches were at least six feet deep. Some of the tunnels were 500 yards long. There were side tunnels leading from the main ones.

There were enough holes in the ground to house a division.

Even the big U.S. B52 bombers which hit the area

See TUNNELS Page 5

### U.S. DENOUNCED AGAIN

## Communists Still Aloof To Offers

**THE SOVIET Union Sunday continued to turn a deaf ear to administration peace proposals and repeated demands that the United States get its men and material out of Viet Nam.**

Hanoi and Peking also re-emphasized their implacable hostility as President Johnson's roving ambassador, W. Averell Harriman, carried the President's globe girdling peace campaign to Australia.

The Kremlin denounced "American aggression," charged the United States planned to extend the war to Laos and Cambodia, and said the aim was to restore colonialism to Southeast Asia.

**Support Pledged**

A note to Britain, cochairman with the Soviet Union of the 1954 Geneva conference on Indochina, called on London to join in condemning the United States and forcing it out of Viet Nam.

Speaking in Hanoi, top Soviet troubleshooter Alexander N. Shelepin pledged Soviet "unflinching determination to continue to render all-round support to the Democratic Republic of (North) Viet Nam in repelling American aggression."

He said U.S. actions in South Viet Nam would not bring military victory, but only lead to "political isolation."

Arriving in Canberra from Tokyo, Harriman said all the all the countries he had visited wanted the war ended. These have included Poland, Yugoslavia, United Arab Republic, India and Japan. He said these countries accepted the sincerity of President Johnson's moves.

Dispatches from Belgrade and

Cairo seemed to bear this out.

Diplomats in the Yugoslav capital reported that President Tito's government took a "cautious but benevolent" attitude toward the peace offensive.

The impression was that the Tito-Harriman talks had influenced this position.

**U.S. Moves Praised**

Yugoslav newspapers also praised such moves as the cessation of U.S. bombing of North Viet Nam and charged that Communist China was trying to sabotage the peace efforts.

In Cairo, Egyptian Foreign Minister Mahmoud Riad called in Communist Chinese Charge d'Affaires Chin Chia Kang to discuss Viet Nam in the light of

See COMMUNISTS Page 5

## Reds Flee Tunneled 'Triangle'

### Weapons Captured In Major Assault

**SAIGON** (Monday)—Nearly 8,000 American infantrymen and paratroopers waging the largest U.S. operation of the Viet Nam war pressed deeper through the jungled fringe of the Viet Cong "Iron Triangle" today.

The unprecedented invasion of the tunneled sanctuary northwest of Saigon was an effort to trap and destroy a major Communist unit.

Supporting Australian elements sweeping through the area uncovered extensive networks of tunnels and several caches of weapons.

**Red Troops Flee**

Viet Cong troops fled in the face of the drive by the massive American force, which was aided by Australian and New Zealand troops, and supported by tanks, armed carriers warplane strikes.

With only sporadic Viet Cong resistance encountered, a spokesman said 21 Viet Cong had been killed so far in the drive that started Saturday in the Ho Bo Woods 25 miles north-northwest of Saigon. The sweep scene, regarded as a Viet Cong stronghold, is an area of heavily forested rolling hills with rubber plantations nearby and farms in between.

**Bombers Lead Off**

The offensive was launched Saturday morning after giant B52 bombers and the strongest artillery barrage of the war pulverized the area. A record number of helicopters lifted elements of the U.S. 1st Infantry Division and 17th Airborne Brigade into landing zones both north and south of the forest.

At least five U.S. Army helicopters were riddled with machine gun fire. Three flew out under their own power and the others and their crews were lifted from the area by huge H37 helicopters.

Two U.S. Air Force planes also were downed over South Viet Nam early Sunday. An F100 jet crashed in flames about 50 miles north of Saigon. The pilot ejected and landed in water but he disappeared as he tried to swim below a hovering

### GOOD GRIEF!

## Happiness Is Being Saved

**SEBASTOPOL, Calif.** (UPI)—Cartoonist Charles Schulz rushed into his burning studio Saturday night and saved Charlie Brown, Lucy, Linus and Snoopy from the roaring flames.

Schulz said he managed to carry out six completed "Peanuts" comic strips scheduled for February publication from the building on his plush ranch 60 miles north of San Francisco.

The house was termed a total loss by fire authorities. Damage was estimated in excess of \$25,000. The nearby Schulz residence was not threatened.

See VIOLENCE Page 5

### WOMAN ELECTROCUTED

Mrs. Walter Rickman, 26, was electrocuted and her brother-in-law burned by the two tried to put up a television antenna at her Cuero home Saturday.

The body of Ross Madole, 53, of Dallas, was found in his farm home near Glen Rose early Saturday. A hired man who found the body told investigators the building was tightly closed and

### UF Dinner Is Slated Tonight

Election of officers and board members and a speech by veteran newsmen Patrick E. Taggart of Waco are on the agenda of the 19th annual dinner meeting of the United Fund at 7 p.m. today in the Texas Tech Student Union Building.

Taggart, president of Newspapers, Inc., and publisher of The Waco News-Tribune and Time-Herald will be introduced by Parker F. Prouty, president of The Avalanche-Journal Publishing Co.

Following a report of the nominating committee by chairman Loyd M. Lanotte, 1966 officers will be elected and installed.

**SITE OF 'CRIMP'** Where U.S. Forces Struck

## Texas Toll Reaches 21

### 11 Violent Deaths In Auto Mishaps

**AT LEAST 21** persons have met violent death in Texas over the weekend, with 11 of the fatalities blamed on traffic accidents.

The Associated Press tabulation started at 6 p.m. Friday and continued through midnight Sunday.

Wendy Warthen, 21, of Dallas was killed Saturday in a two-car collision at a Lubbock intersection.

**Dies In Fire**

A man identified as Lonnie Sellers, about 45, died in an apartment house fire on Fort Worth's south side Saturday night.

Arthur Howard Risley of Littleton, Colo., a 68-year-old car dealer, died Friday night when a car hit him as he crossed a Dallas street.

A San Antonio fireman was killed Saturday as he battled a blaze in an abandoned warehouse. He was Joseph Ramirez, 46.

**Prisoner Found Hanged**

Waymon Paul Toney, 47, of Sherman died Saturday of injuries received late Friday night when his pickup truck hit a disabled train near Denison.

A prisoner in the Odessa jail was found hanged by his coat from a shower rack Saturday. He was Benny Lee Robertson, 23, believed from Phoenix, Ariz. He and a companion were held on charges of burglarizing a coin-operated machine and traffic violations.

An eight-vehicle crash in foggy pre-dawn hours east of Houston Saturday killed one person and injured four others. Dead was Jo Leslie Treybig, 17, of Baytown.

**Woman Electrocuted**

Mrs. Walter Rickman, 26, was electrocuted and her brother-in-law burned by the two tried to put up a television antenna at her Cuero home Saturday.

The body of Ross Madole, 53, of Dallas, was found in his farm home near Glen Rose early Saturday. A hired man who found the body told investigators the building was tightly closed and

# '66 Hemlines Swing, Waistlines Roam

**SILHOUETTES VARY**—There's a dress silhouette for everyone this spring and waistlines often turn up in unexpected places. Coat-dress (left) in black and white slubbed silk linen in a wind-uppane check has high notched collar and asymmetrical closing. Shape is straight as a wand. Navy silk crepe (center) has soft turtle neck, lowered waistline and shirred skirt. These are by Hannah Troy. Marie McCarty designs a natural look in the navy French jersey jumper (right) with white touches.

## Valuable Annuities Offset Drops In Value Of Dollar

**By BETTY YARMON**

The insurance companies, long under attack for providing us with retirement income that stays the same no matter how high prices may go, are now fighting back.

A number of these companies have developed what they call the Variable Annuity Contract plan, in some cases sold individually, in others only to groups such as members of an association or the employees of a company.

To understand this long-haired term, we first have to define an annuity. That's a plan you buy, generally from an insurance company, that gives you an income for a specified period of time such as a number of years or for the remainder of your life. You usually purchase it by making regular payments over a period of time.

A variable annuity simply is one where the amount of money you're entitled to fluctuates with the ups and downs of certain common stocks in which your payments are invested.

The purpose of this plan is

to help retired persons battle against inflation. The argument is this:

When the purchasing power of the dollar goes down—that is, when prices go up—generally the value of common stocks goes up.

Those who developed the plan point out that 25-30 years ago, a loaf of bread cost a dime, a good pair of men's shoes \$5, and a new car under \$1,000. While the prices of items such as these have tripled or more, so have the average values of common stocks.

Therefore, the argument continues, if your retirement income were to be pegged to the value of common stocks, you would be entitled to more dollars when the stock market went up. On the other hand, of course, when the market went down, your number of dollars likewise would go down. But then, you wouldn't need as many dollars since prices probably would be falling too.

Here's a brief summary of how a typical plan works:

You decide to set aside \$50 a month under a variable an-

nuities plan. Your payments, along with the payments of others who decide to come in under the plan, are placed in the insurance company's Variable Annuity Contract plan.

The funds in this account are invested in a carefully chosen common stocks.

**Market Fluctuations**

For your \$50 you will get a number of what are called VAC (for Variable Annuity Contract) units. How many depends on the value of each unit, and that in turn depends on the current value of the assets of the company's VAC account.

Each \$50 you paid in might buy a different number of units since the value of stocks are subject to change continuously. A unit might be worth \$10 one month, and your \$50 would get you five units. A dip in the stock market might bring it down to \$5 the next month, and you would get about five and a half units for your \$50. Then a unit might have climbed to \$12 by the third month, giving you four and a fraction units for your \$50.

## ANN LANDERS Wife Needs 'Support'

Dear Ann Landers: I hope you will consider this problem worthy of your column. I want my husband to see my answer.

For eight years I have been married to a man who despises girdles. He says he has never yet seen a shape that was improved by a girdle. According to him a girdle does nothing but give a woman an unnatural, boarded-up look. He claims it does not make a female appear thinner, it only rearranges her bulges.

As you know, Ann, knitted suits are in vogue. I don't care how good a woman's figure is, if she wants to look respectable in a knitted skirt she must wear a girdle. My husband says I am wrong. He claims a girdled figure is sexless and uninteresting.

I have bought two girdles in the last five years but he will not allow me to wear them in his presence. Please tell him that I am right. I need your support—Fanny.

Dear Fanny: It's not my support you need, it's the support of a girdle, and so does every woman, no matter how thin she is. The gal who wears no girdle cannot help but jiggle when she walks. And that's not sexy, it's sloppy.

Dear Ann Landers: What do you think of a father who makes his son open and close a door one thousand times because the boy slammed the door before his father finished yelling at him? It has happened twice in the last three months and I don't know what to make of it.

If you have any comment on this extraordinary attempt at discipline I would like to hear it. Thank you—Injured Ear Drums.

Dear Injured: If this has happened twice in three months the boy obviously did not learn his lesson the first time.

If the kid slams the door again before his father finishes yelling at him I would hope Daddy will give up on this type of punishment and try something else, something that works.

Dear Ann Landers: Please say something to give me peace. Even my religious faith has not provided me the comfort and strength I need.

In 1954 my husband was stationed in Japan. He returned the following year and we were married. He confessed that he had been living with a Japanese girl. She talked him into having a child even though he told her he would never marry her. She said she wanted something to remember him by and that she would always wait for him.

I was heart sick when he first told me about this but I pushed it to the back of my mind. I forgot about it until I became pregnant. Then the awful thought occurred to me: I would be giving birth to our first child but not his first child.

Our son is now eight years old and I am expecting again. Once more I am tortured by these old thoughts. Please tell me what to do—Suffering.

Dear Suffering: I can think of a few things more useless than agonizing over a tragic situation that cannot be changed and was not your fault to begin with.

If you are unable to rid yourself of these self-destructive thoughts after this child is born see a psychiatrist and get some help in resolving the problem.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Lubbock Avalanche-Journal enclosing a stamped, self-addressed envelope.

**Members To Select Titles For Speeches**

Coronado Toastmistress Club will meet at 7 p.m. Monday in Furr's Cafeteria, Family Park Center.

Mrs. Jay Murdoch will preside. Theme of the program will be "Wishes For The New Year."

Titles for impromptu speeches will be drawn from a fish bowl. Persons interested in the club may telephone Mrs. J. R. Jordan, 675-7222.

## Women's News

PAGE 2-A, LUBBOCK, TEXAS MONDAY, JANUARY 10, 1966

### Mr. Abney, Miss Chancey Exchange Vows In Morton

**MORTON (Special)**—Miss Dovie Juanita Chancey became the bride of Clinton Eugene Abney at 7:30 p.m. Jan. 8 in the First Missionary Baptist Church, with the Rev. William Hobson officiating the double ring ceremony.

Mr. and Mrs. Chancey are parents of the bride, and Mr. and Mrs. E. J. Abney of Ropesville are parents of the bridegroom.

The bride, given in marriage by her father, wore a formal-length gown of Chantilly lace over satin. The fitted bodice was accented by a scalloped portrait neckline, and long sleeves.

The bouffant skirt of overlaid lace extended into a chapel-train. A veil of silk illusion fell from a crown of sequin pearls. Her bridal bouquet was an arrangement of white roses accented by satin ribbons atop a white Bible.

Miss Barbara June Kennedy was maid of honor. Best man was Harold Dean Abney, and ushers were Albert Woods of Levelland and Gale Gregg of Ropesville.

Mrs. Peques Houston, organist, accompanied Miss Lynette Ruth Phillips, soloist.

Following the ceremony, a reception was given in the home of the bride's parents.

Mrs. Abney is a 1965 graduate of Morton High School, and the bridegroom is a 1960 graduate of Ropesville High School. The couple will reside in Lubbock, where Abney is employed by the Pioneer Natural Gas Co.

MRS. CLINTON ABNEY (Dovie Chancey)

### hints from Heloise

**Dear Heloise:**

I am a college student, and have a suggestion for anyone who lives in a dormitory.

Get a small plastic bucket—like children use in a sandbox (or a larger one, if desired). It's great for carrying all the things you need from your room to the bathroom. It is almost impossible to carry soap, towel, washcloth, toothpaste, etc., without dropping something so the bucket solves the problem.

Nearly every one at our college does this.

**Dear Heloise:**

I got tired of clutter and scuffed baby shoes, so I carpeted my baby's stroller!

**Dear Heloise:**

We are having a battle royal at our house.

Mother says we cannot turn out all the lights at night when we watch TV, as this is bad for our eyes.

Will you tell us who is right?

**Three Teenage Sons**

Your mother is. And, my information comes from eye doctors.

Be sweet, and let her keep one lamp burning, boys.

**Dear Heloise:**

If any of your readers have tall philodendrons and similar plants which require support:

I have found that the most attractive and inexpensive support possible is an adjustable, brass-colored curtain rod (straight type), which can grow with the plant, and which costs less than 50 cents.

As many of us have brass accents in our furnishings, this makes an added room decoration.

**Dear Heloise:**

We use the salad dressing mixes that come in packages, and to which vinegar and oil are added.

I cut the label from the package and attach it with tape to each bottle.

We like to have several kinds of prepared dressing on hand, and this makes it very easy to tell which one we want to use.

We like to have several kinds of prepared dressing on hand, and this makes it very easy to tell which one we want to use.

**Dear Heloise:**

We use the salad dressing mixes that come in packages, and to which vinegar and oil are added.

I cut the label from the package and attach it with tape to each bottle.

We like to have several kinds of prepared dressing on hand, and this makes it very easy to tell which one we want to use.

# Business & Industrial Review OF LUBBOCK

**THEY KNOW THEIR BUSINESS** — Darrell McBrayer sits at one of the many pianos at McBrayer Piano Co., while R. C. Matheny, standing left, and J. D. McBrayer pose beside him. McBrayer Piano Co. is well-known for pride in its work and the complete services offered. (Staff Photo)

## McBrayer Piano Company Does 'Complete' Job

One of the most important things in any industry or business is knowledge of that industry or business, a knowledge to do a complete job and do it well.

McBrayer Piano Co., 4219 34th St., sells pianos and organs, and now they are distributor for Baldwin Guitars and amplifiers.

But just selling a product doesn't complete the job.

McBrayer is one of the few businesses of its kind in this area equipped to do a complete repair or rebuilding job on any piano or organ. McBrayer also does custom refinishing including antique finishes and complete restyling of older models.

McBrayer adds another extra. The owners, Darrell, J. D. and J. E. McBrayer do not have extra commissioned salesmen in the firm. They, along with R. C. Matheny and David Howell

The firm also has teaching studios where three qualified piano and organ teachers are on duty constantly, teaching in the private studios.

And McBrayer often clears the floor of its spacious showroom, sets in chairs and loans the area free of charge to music teachers for recitals. The space is capable of accommodating up to 300 persons, and McBrayer serves refreshments too.

You think that is a complete job?

Well, it's not at McBrayer. McBrayer Piano Co. has a huge display van for taking pianos and organs to outlying communities for display and sales purposes, giving residents of the area a chance to shop without traveling miles to see the display.

That's complete you say? Well perhaps it is, but McBrayer still does a better job.

The firm has an electronic engineer, equipped to work on any electronic piece of equipment,

## One Hour Sunatizing Is Friend To Housewives

Winter chill brings on a need for more clothes, and when more clothes are worn, more clothes have to be cleaned. The housewife must work harder, do more.

Also with winter comes shorter daylight days — less time for the housewife to get her work done, forcing her to work far into the darkness hours.

But in Lubbock, the housewife has a friend to help with the laundry and cleaning.

One Hour Sunatizing at 4115 19th St., can be that friend — the answer to all the housewife's cleaning needs.

The fast service and quality work of One Hour Sunatizing will be beneficial to the housewife in many ways.

It can give her more time to work on other little necessities around the home, more time with the children, more time to prepare the meals for the man

of the house and more time to rest — something every housewife needs.

Drapes, slipcovers, couch covers and whatever else that needs cleaning about the house will be beautifully finished at One Hour Sunatizing.

School clothes, work clothes, dress clothes are finished to a new cleanliness.

And there will be no drycleaning odor whatever left in your cleaned items, because One Hour Sunatizing uses an odorless solvent, not a petroleum-base solvent.

One hour drycleaning service is offered until 4 p.m. each day at no extra cost with reasonable prices on all items to be drycleaned.

One Hour Sunatizing also offer same day service on shirts, with any shirt brought in by 9 a.m. out by 5 p.m. Each shirt will be folded or placed on a hanger to suit the customer's choice for only 25 cents.

One Hour Sunatizing is the only drycleaner in Lubbock that does its own shirts on premises.

It is a Nelson Brothers Franchise, and is a young, fast-growing organization eager to meet and satisfy the customer's needs.

One Hour Sunatizing realizes that speed is essential in our modern way of life, and a drive-in window helps to pass on this courtesy to the customers.

So, if you want fast service, quality work and nice packaging, go by and check with One Hour Sunatizing at 4115 19th St.

They are open from 7 a.m. until 6 p.m., six days per week.

**CONSPIRACY FOUND BUDAPEST (AP)** — A Hungarian wine grower and four state officials have been arrested for alleged sales of ordinary wine to a state enterprise at the premium price normally paid only for the high grade called szamorodni. It was charged that with official connivance Bela Kovacs, owner of a 14-acre vineyard, was paid \$125,000 for 30,000 liters worth considerably less than half that.

## Payne's Jewelers Announces Sale

Payne's Jewelers and Gifts of 5302 Briercrest Center has enjoyed one of the most successful years that it has had in the past 10 years in business in Lubbock.

The staff of Payne's Jewelers wants to take this opportunity to thank you for the past patronage that you, the customer, have given them.

Payne's Jewelers also wishes to announce the start of the annual "Red Tag" January clearance sale which will start Wednesday, Jan. 12, and run through Jan. 22. Payne's Jewelers extends an invitation to all the old customers and new customers and those who have never been in the store to come in and take advantage of the many bargains offered for this sale.

Some of the items at Payne's are reduced up to 50 per cent.

Here is one example of the many bargains: one floor clock, Seth Thomas Electric, walnut finish, modern design, about five feet high, regular price \$188.50, but during the "Red Tag" sale the price will be only \$88.95.

Payne's also has one Genta Mido wrist watch of yellow gold

Many Viet Years Seen

NEW ORLEANS—If the current efforts toward negotiating peace in Viet Nam fail, the chances are that we will have nearly half a million men involved in the fighting before the end of this year—and the war itself may last for years.

Those are the opinions of two men who should know what they are talking about. One is a combat veteran who has spent more than two years in Viet Nam.

THE OTHER is a military observer who has been there approximately the same amount of time and who was a combat soldier in the Korean War.

HE SAID that while this is not true of all the South Vietnamese troops, it is true of enough of them that a great many American soldiers have lost confidence in them.

IF THE FORMAL war were to end tomorrow, I would be willing to bet they would go back to fighting in the streets and alleys and the backyards the next day.

HE LAUGHED a little. "You know, I used to teach school," he said. "And this reminds me of what happens when a couple of boys get into a fight."

GUEST EDITORIALS: Confused Youths

THE POISON that is causing our crime rate to increase six times faster than our population growth rate has not missed our children.

THE TEXAS Youth Council reports that, while the population of juveniles rose 61 per cent between 1952 and 1964, the number of delinquent children jumped 133 per cent.

6,000 New Jobs

ONE OF THE problems arising from rapid automation and burgeoning technology is that many people don't know how to do the new jobs that are opening up.

Other new titles include "gamma facilities operator," "radiation monitor" and "assembler-rocket engine."

Ghost Towns?

HARRY CLARK, Texas Industrial Commission executive, spoke at Carthage last week and among other things warned that 260 towns now on the map in this state will be gone by the year 2000.

There are others, and there could be more, according to Clark's estimate. The 260 is twice the number that have vanished in the last 25 years.

ROWLAND EVANS & ROBERT NOVAK:

Steel Takes A Chance

WASHINGTON—While catching President Johnson and his entire Administration off guard, as intended, the steel industry's New Year's Eve price attack has had one totally unintended result.

IT IS TOO soon to predict flatly that the White House will push so radical a proposal. But the mere fact a price notification scheme, anathema to the business community, is under private discussion today at the highest Administration level is deeply significant.

Joined Gun Bills Urged

WASHINGTON—There is sentiment within the Administration to combine the two gun-control bills now before Congress and thus perhaps win the support of the mercurial National Rifle Association.

AT OF NOW, the administration is backing a bill offered by Sen. Thomas Dodd, (D-Conn.), whose central provision would prohibit unlicensed persons to transport, ship or receive firearms in interstate or foreign commerce.

NEVERTHELESS, the Dodd bill remains a vital part of any gun-control package because it would put a stop to the casual and often criminal mail order business.

IT WOULD prevent any bona fide hunter or hobbyist from buying all the guns he could afford at his neighborhood dealer's.

IT IS this harassment, then, millions of citizens should rise up and storm police stations and city halls across the nation in protest against auto-licensing and dog-licensing laws.

IF THIS is harassment, then millions of citizens should rise up and storm police stations and city halls across the nation in protest against auto-licensing and dog-licensing laws.

IF THIS is harassment, then millions of citizens should rise up and storm police stations and city halls across the nation in protest against auto-licensing and dog-licensing laws.

partly explains the strong feelings high in the Administration. Unlike President Kennedy in the 1962 steel price fight which alienated business from him, President Johnson had not the slightest warning on New Year's Eve.

IN ADDITION, when top Government officials tried to contact other steel company executives over the weekend, they got no answer.

FINALLY, STEEL'S "damn-the-public" attitude further raised hackles among Johnson men. In a New Year's Day telephone conversation, Gardner Ackley, the President's chief economic adviser, got nowhere trying to convince Bethlehem Board Chairman Edmund F. Martin of the inflationary danger in his action.

EVEN THOUGH the President has succeeded in rolling back partially the steel increase, an advance notification plan is still worth study. It would legalize and make more orderly the public scrutiny of price hikes, a process now telescoped into three or four frenetic days of extra-legal high pressure activity by the Government.

YET, this would further decrease steel's power to conduct its own affairs. Like Pearl Harbor then, success by the steel companies in their price attack on the Government could turn into catastrophic economic defeat if the Johnson Administration mobilizes full political resources to impose modified price control.

On Memory Lane

(Taken from the files of the Lubbock Morning Avalanche Jan. 10, 1946)

FRANKFORT — Thousands of irate GI's and WAC's protesting the redeployment slow down marched on Gen. Joseph T. McNarney's headquarters tonight, challenging the European commander to meet them and loudly criticizing "politicians" for delaying their return home.

DALLAS — Texas telephone workers voted heavily in favor of strike action Wednesday, Ray Hackney of Dallas, president of Texas plant division, Southwestern Telephone Workers Union, reported last night.

Offhand Thoughts

A small town is the place where one has to be careful what he says about another as so many people are related to each other.

Page 4, Section A Lubbock, Texas, Monday, January 10, 1966

'FABULOUS' WON'T DO IN 1966

'Hard-Headed 89th' Would Be Better

AS IT GOES back to work, the Congress faces a much different challenge from the one it met last year by "honeymooning," with only a few disagreements, with President Johnson.

It will not be a routine meeting devoted to tidying up some of the messier legislation passed last year without adequate debate and hearings.

Something has to give. There must be a limit on the amount of deficit financing, hiking of the public debt and tax increases the country can stand.

In addition, the Congress must take a stronger hand in making policy on such issues as foreign aid, civil rights, labor, health and welfare.

They are the attempt to repeal Section 14-B of the Taft-Hartley Act and the request for funds for the rent supplement program.

ART BUCHWALD:

Medicare Communist Question Is Upsetting To Uncle Harry

WASHINGTON—One of the provisions of Medicare is that any person not covered by Social Security or railroad retirement insurance is ineligible for hospital and nursing home benefits if he is a Communist or a member of a Communist front.

IT'S QUITE simple, Uncle Harry. We don't want people who would overthrow our Government to get free hospital and nursing care.

DAVID LAWRENCE:

Open Price-Making Turning Point In Economic History

WASHINGTON—"Open price-making, openly arrived at!" This is the phenomenon of the hour, as the President of the United States and the steel companies "collaborate" in fixing the prices of certain steel products—an unprecedented use of economic and governmental power.

BUT NOW it seems that prices can be fixed for a whole industry, provided this is done openly and the Government is kept informed about what's going on, so that it can express its approval or disapproval.

WHAT HAPPENED on Wednesday, Jan. 5, marks a turning point in economic history. It is best told in excerpts from news reports over the wires of United Press International, which has teletype machines not only inside the Government but in the offices of many businesses, in addition, of course, to newspapers.

10:32 a.m., Washington—"The White House said today the \$2.75-a-ton price increase announced by U.S. Steel Corp. was acceptable under wage-price guidelines.

10:44 a.m., Washington—"In announcing the 'selective' price in Pittsburgh, U.S. Steel expressed hope of Administration acceptance. It said it was bowing to Government insistence that the \$2.75-a-ton price increase be announced by U.S. Steel.

ents of aid should be helped to help themselves, not confirmed in dependence on doles.

The Congress should encourage President Johnson to grow much tougher in using foreign aid as an instrument of policy, and should discourage him from extending "most favored nation" treatment to Communist countries working against American policy.

And this Congress can hardly be forgiven if it fails to produce legislation which will make it impossible for the public interest, and the civil rights of citizens, to be violated as they have been in the New York City transit strike.

"A kiss is thrilling because it stimulates the adrenocorticotrophic element of the pituitary at the base of the brain," says a bio-chemist. Ain't nature grand!

"I should hope not. Have you ever seen anyone with rheumatism who wanted to be part of a sit in?"

"Well, what organizations have you joined in the past 12 months?"

"The Bideaway Village for Senior Citizens, \$10 down and \$10 a month."

"WHAT ABOUT the Retired Friends of the Forest Hills Library?"

"That'd be better check Anything else?"

"Now that you explain it to me, it does make sense. I have only one problem."

"AT YOUR age you can say that. If you want my opinion, I think the Government's trying to save some money."

"Uncle Harry, you don't seem to understand. The United States is out to eradicate the Communist party. If their members don't get hospital care, they'll be eradicated that much sooner."

"Now that you explain it to me, it does make sense. I have only one problem."

"What's that?"

"With my rheumatism my hands shake so much I can't even answer no to the question."

11:54 a.m., Chicago—"Joseph L. Block, chairman of the Inland Steel Co. Board, issued the following statement: 'We have not yet seen the details of U.S. Steel prices for structural shapes. When we do, we will revise our own prices to be competitive.'"

12:22 p.m., Washington—"Press Secretary Moyers told reporters: 'United States Steel did not ask the Administration's consent to its announcement this morning, nor did the Administration give its consent to the announcement.'"

12:25 p.m., Bethlehem, Pa.—"E. D. Bickford, vice president of Bethlehem Steel Corp., announced today that Bethlehem was rescinding the price increases and adjustments that it had announced effective Jan. 1 and that it would review the market situation after the details of the price changes announced by U.S. Steel Corp. are known."

12:37 p.m., Chicago—"Inland Steel said today it will revise its steel price increases in line with promise price increases announced by U.S. Steel."

12:40 p.m., Washington—"After Bethlehem announced its decision today to rescind its price increase, the White House said the President was gratified by the company's action. The President expressed pleasure and gratitude at the constructive action of Bethlehem in responding to the national interest," said Moyers. He hopes Inland also will act in the national interest."

WHAT WAS recorded on Wednesday is an informal process of fixing prices without, of course, fixing wages. The method isn't exactly voluntary on the part of industry.

If price-fixing can be accomplished in this manner in some industries, there's no reason why it would not be logical to attempt it in other industries as well. For, in effect, the Government thus becomes the master of prices, though still afraid, for political reasons, to assume a role as the boss of wages.

# U.S. Force Penetrates Viet Cong Sanctuary

FROM PAGE ONE

helicopter. He was listed as missing and presumed dead. The other plane, a C-130 transport, crashed while landing at An Khe in the Central Highlands, but the crew escaped injury.

The exact dimensions of the operation near Saigon were not announced, but the allied troops were moving in a wide horseshoe intended to herd the Viet Cong back toward the Saigon River.

American warplanes giving support to the ground drive had flown 81 sorties against Viet Cong positions during Sunday afternoon. They flew 47 combat missions in connection with the operation Saturday.

**Greene Inspects**  
In Da Nang, meanwhile, U.S. Marine Corps commandant Gen. Wallace Greene com- pleted a two-day inspection tour of the area, hinting that Marine reserves might be called in if the war should escalate any further.

"We are here to stay until the job is done," Greene said. "Right today we have no intention of calling up the reserves. But we are taking every step possible to bring the reserves to a state of readiness."

## Congress

FROM PAGE ONE

increase. There has been no sign that the administration will ask for a tax hike, and it would be unusual indeed if Congress boosted taxes in an election year.

**Unfinished Business**  
Congress has a backlog of unfinished business from last year to keep it busy for some time. Much of it deals with organized labor.

Hanging on the Senate docket is a House-passed bill to repeal the section of the Taft-Hartley labor law which permits states to ban union shop contracts. Opponents blocked it last year via the filibuster route. They are prepared to use the same tactics again.

House leaders have said they want early action on bills to boost the minimum wage, extend coverage under the wage and hour law, and overhaul the unemployment compensation program. Labor, which feels that it was largely overlooked in 1965, is pressing for action on these measures.

**GOP Targets**  
Two "Great Society" programs given congressional approval but no financing last year are slated for an early re- appraisal this year. They call for rent subsidies for low-income families and creation of a teacher corps to help children of the poor.

The President is expected to ask for money to get them going quickly. Republicans already have called for an overhaul of the 1965 poverty war program. They claim it is too wasteful and is riddled by local politics.

Sen. Everett M. Dirksen, the Senate Republican leader from Illinois, said Office of Economic Opportunity will be examined closely by Congress in an effort to increase the agency's efficiency.

**Raps Job Corps**  
The field results are coming back now," he said. "It took me weeks to get the facts. Now I've got them. And I am certainly going to fight for efficiency."

Dirksen spoke of a Job Corps school in southern Illinois, which he did not identify, and said, "They had 756 enrollees and 250 dropouts. And they graduated the vast number of eight out of that camp."

This will be an issue, believe me. Another administration-backed bill left hanging in the air when the last session adjourned provides for a form of home rule for the District of Columbia. Both the Senate and the House approved it but their different versions are poles apart.

**Would Slow Program**  
Republicans, vastly outnumbered in both branches, aren't sanguine about their chances of halting the march of the Johnson program. But they hope to slow it down. They are outnumbered 294-141 in the House and 68-32 in the Senate.

The GOP strategy for the coming session apparently will be to back up the President in international affairs and to center its fire on domestic programs.

"In 1966," Ford said in a weekend Republican National Committee radio program, "Congress should devote its thought and energies toward correcting the many oversights in new legislation that sailed through the House and Senate in 1965. Obviously we must fully fund our military needs. But to prevent runaway inflation the nonessential domestic spending must be reduced."

Ford called also for creation of a bipartisan Hoover-type commission "to examine the size and shape of the executive branch of the federal government."

**DELEGATE DIES AT HAVANA**  
HAVANA (AP) — A. T. M. Moustafa, assistant chairman of the Pakistani delegation to the tricontinental conference of solidarity here, collapsed of a heart attack and died Saturday while participating in a committee session.

Heavy fighting between Viet Cong and South Vietnamese government troops was reported in another sector about 75 miles north of Saigon in Binh Long province.

**Government Force Rout**  
Vietnamese military authorities disclosed that a government company guarding a strategic bridge at Tan Khai was routed by Viet Cong units estimated at almost 10 times the strength of the defending forces.

Initial reports listed government casualties as "quite heavy," a Vietnamese spokesman said. But subsequent reports indicated most of the defenders had managed to escape with their lives, and later straggled back to the bridge site. Final reports listed government casualties as "light." Communist losses were not reported.

In the air, American planes carried their moratorium on raids against Communist North Viet Nam into the 18th straight day.

But heavy air activity was reported in South Viet Nam, where U.S. pilots flew a total of 314 combat air sorties during the past 24 hours. They reported destroying 175 Viet Cong structures, damaging 129, sinking 46 sampans and causing many secondary explosions, a military spokesman said.

**ROK 'FLYING TIGER' FORCE RIDDLES REDS**  
SAIGON (Monday) (UPI) — More than two battalions of Koreans in a "flying tiger" operation, their biggest of the Viet Nam war, trapped and mopped up an estimated Viet Cong regiment north of Qui Nhon, killing at least 185 Communists and capturing 609 others, a Korean spokesman said today.

The operation, which began Sunday, saw Koreans lift into the Qui Nhon area by American helicopters. In a pincer movement they surrounded a major Viet Cong supply dump in an area of rice paddies and dusty plains. The action took place about 10 miles north-northwest of Qui Nhon and about three miles inland from the South China Sea.

"It was strictly an infantry operation," the spokesman said. "The majority of the Viet Cong killed by body count were killed by small arms, rifles and grenades." He said the Viet Cong fought desperately from trenches and bunkers in an area entirely honeycombed with caves.

The spokesman said that a large ammunition dump area and a field ordnance repair shop discovered in the caves were destroyed. He said the supply area was used to store ammunition to be moved into the Central Highlands by sampans on the So Ong My River.

He said the Koreans trapped the Viet Cong with their backs to the river. "We just mopped them up," the spokesman said, adding that the Koreans suffered only light casualties in the operation.

**Hailed-Out Pairs** Mrs. M. S. Harvey and F. W. Higinbotham, both of Lubbock, winners; John Vicker and Preston Morrow Jr., both of Lubbock, second; Dr. William Whittington and Dr. Dabney Harvey, both of Lubbock, third.

**The Defoliant Pairs** Mrs. G. A. Buehler and Mrs. Mary F. McGregor, both of Midland, winners; Miss Patsy Ann Buntin and Mrs. J. A. McMurtry, both of Clarendon, tied for second with E. W. Stockly and Dan J. Miles, both of Los Alamos, N. M.

**The Cotton Chopper Pairs** — Mrs. Harry Hunter and Mrs. Maurice Healy, both of Lubbock, winners; John E. Nickens, Amarillo, and Bernard J. Gettelts, Reese Air Force Base, second.

**MacMahon** confirmed that money remained the chief barrier. "I hope the mayor is going to put some more money on the table," he said. "There's nothing in this situation that money wouldn't solve."

Authority spokesmen were in agreement with the union that money was the key issue, but that was about all they agreed on.

**Scale Down Demands**  
The TWU, which represents 35,000 subway and bus employees, originally demanded a 30 per cent wage increase which would cost the TA an estimated \$680 million. The union reports it since has scaled its demand down to a 15 per cent increase this year and another 15 per cent hike next Jan. 1.

The TA said a fair settlement would be a 3.2 per cent wage increase, which would be within the guidelines against inflation set by the Johnson administration.

The authority also has moved on the legal front to break the strike.

A hearing was scheduled for today on a TA petition to fine the TWU \$323,000 a day for showing contempt in violating state law that forbids strikes by city employees.

**Stricter Traffic Measures**  
In a move to ease the tremendous traffic congestion that clogged the city's thoroughfares during business hours last week, city Traffic Commissioner Henry A. Barnes Sunday announced plans for harsher restrictions.

He said he has asked administrative Judge John M. Murrough to increase fines from \$15 to \$35 for parking violations that obstruct fire hydrants and block cross walks. He said the measures were necessary to keep traffic moving.

WINTER COMES TO NEW ENGLAND—Pat Currin of Stoneham, Mass., prepares to shovel out after New England was hit by its first major storm of the winter. Gale force winds that dumped up to a foot of snow in parts of the area were accompanied by bone-chilling temperatures with the thermometer dropping as low as 10 below. (AP Wirephoto)

## Lubbock Woman, Abilene Judge Win At Bridge

A Lubbock woman and an Abilene judge captured a major tournament championship Saturday night during Lubbock's four-day King Cotton Bridge Tournament.

Winning first in open pairs play were Mrs. G. Rufus Rush, Lubbock, and Taylor County Court-at-Law Judge James K. Graham, Abilene.

Two Big Spring women, Mrs. E. L. Powell and Mrs. Champ Rainwater, took second in open pairs while third place went to Mrs. Lois Moore and Mrs. G. W. English, both of Lubbock.

The tournament broke all records Saturday night for participation in a sectional tournament in West Texas with 83 tables at play.

Top winners were to be determined late Sunday in the team of four competition. Strong contenders among the 30 tables at play Sunday evening included women Mrs. Dudley Walker, a team of Lubbock and Taboka Lubbock, Mrs. Meldon Leslie, Mrs. Jess Gurley and Mrs. A. N. Norman Jr., all of Taboka.

**List Side Game Winners**  
Standing in line for second as play progressed at the KoKo Palace Convention Hall was the team of Phil Kieplinski, James Freeman and Colby Verman, all of San Antonio, and Don Gelino and Al Inks, both of Austin.

**Sunday side game winners were:**  
**Hailed-Out Pairs** Mrs. M. S. Harvey and F. W. Higinbotham, both of Lubbock, winners; John Vicker and Preston Morrow Jr., both of Lubbock, second; Dr. William Whittington and Dr. Dabney Harvey, both of Lubbock, third.

**The Defoliant Pairs** — Mrs. G. A. Buehler and Mrs. Mary F. McGregor, both of Midland, winners; Miss Patsy Ann Buntin and Mrs. J. A. McMurtry, both of Clarendon, tied for second with E. W. Stockly and Dan J. Miles, both of Los Alamos, N. M.

**The Cotton Chopper Pairs** — Mrs. Harry Hunter and Mrs. Maurice Healy, both of Lubbock, winners; John E. Nickens, Amarillo, and Bernard J. Gettelts, Reese Air Force Base, second.

**MacMahon** confirmed that money remained the chief barrier. "I hope the mayor is going to put some more money on the table," he said. "There's nothing in this situation that money wouldn't solve."

Authority spokesmen were in agreement with the union that money was the key issue, but that was about all they agreed on.

**Scale Down Demands**  
The TWU, which represents 35,000 subway and bus employees, originally demanded a 30 per cent wage increase which would cost the TA an estimated \$680 million. The union reports it since has scaled its demand down to a 15 per cent increase this year and another 15 per cent hike next Jan. 1.

The TA said a fair settlement would be a 3.2 per cent wage increase, which would be within the guidelines against inflation set by the Johnson administration.

The authority also has moved on the legal front to break the strike.

**Stricter Traffic Measures**  
In a move to ease the tremendous traffic congestion that clogged the city's thoroughfares during business hours last week, city Traffic Commissioner Henry A. Barnes Sunday announced plans for harsher restrictions.

## Man Dozing In Cafe Booth Gets Hit By Baseball Bat

Albert Ray Wilburn, 31-year-old Lubbock Negro, was in critical condition at Methodist Hospital Sunday night after having his head hit by a baseball bat wielded by another Negro man at an east side cafe Sunday afternoon.

Police theorized that Wilburn, 1501 E. 15th St., didn't know what hit him. Witnesses told officers the man walked into the Lucky Corner Cafe, E. 37th and Walden, about 3:45 p.m. with a baseball bat in his hand. They said he walked up behind Wilburn, who was asleep in a booth, hit him twice with the bat, and left.

Police said no one seemed to know any reason why the man hit Wilburn. The assailant, although known by officers, had not been taken into custody Sunday night. Officers, however, did have the weapon that was left behind at the cafe.

Wilburn was rushed to the hospital by ambulance. He was reported to have suffered a fractured skull.

Two other unrelated instances of violence joined the incident in heading police activity Sunday.

**Car Reported Stolen**  
A Lubbock man told police early Sunday he had been beaten and his car stolen by three men who paid him a dollar to take them to get some beer, and another man was jailed after threatening to kill two officers with a knife.

**Tonis Flores, 2700 Fordham**, told officers two Latin American men and a Negro man had offered him a dollar to take them to get beer. He said when they reached Southeast Dr. and Slaton Hwy., the Negro man, who was driving the car, stopped and told him to get out.

**Head Is Cut**  
When he declined, Flores told police, the men jumped on him and beat him. One of the men also pulled out a knife and cut his hand when he grabbed for it, Flores said.

After beating him, Flores said the men took his car and left him beside the road. A passerby picked up the injured Flores and brought him back to town, officers were told.

Flores told police he had never seen the men before meeting them in a Lubbock cafe where they asked him to take them to get the beer.

A 25-year-old Lubbock man was being held in city jail Sunday after allegedly threatening two officers with a knife early Sunday morning.

**K-9 Corpman Called**  
The officers were investigating a family argument on Erskine St. report when they were confronted by the man wielding a knife with a 9 1/2-inch blade.

After attempting to talk the man out of his weapon without success, officers called for assistance from a K-9 corpman.

**Two Lubbock men were injured** in a two-car crash at Ave. Q and 8th St. about 6 a.m. Sunday. Treated and released at West Texas Hospital were Ronnie DeWayne Arnold, 19, 1310 10th St. and Foster Edwin Dudgeon, 23, 2308 Broadway.

**Americans Determined**  
It's like trying to catch moles which have human intelligence and a safe exit.

To destroy the entire complex would take a month and enough explosives to dynamite a mountain. But that's what the big American force is determined to do.

Verdun must have been like this. It fell, though.

## Actor Urges Birch Probe

BURBANK, Calif. (AP) — Ronald Reagan said Sunday a Washington investigation of the John Birch Society would "clear the air" on the controversial group.

Reagan appeared on NBC-TV's "Meet the Press" program, telecast simultaneously from NBC studios here and in Washington. Reagan, 54, a movie and television veteran, announced last Tuesday his candidacy for the Republican nomination for governor of California.

"Nothing Subversive"  
To a question from a panelist in Washington on why Reagan refused to denounce the John Birch Society while condemning such groups as the Ku Klux Klan and the Communist party, the actor replied: "I'll take second to no one in my denunciation of the Ku Klux Klan or the Communists but they are listed as subversive organizations. The FBI says it found nothing subversive about the John Birch Society."

"I am not a member of the John Birch Society, nor am I going to join. I have been very critical of some of the statements of its founder, Robert Welch, some of which are ridiculous."

"I think that in order to clear the air, Washington should investigate the John Birch Society."

**Comment on Statement**  
Reagan later explained that the investigations could either be senatorial or congressional.

Asked to comment on a statement by Sen. Thomas H. Kuchel (R-Calif.) that he would support any candidate who kicked the John Birch Society out of the party, Reagan replied: "You can't kick an organization out of your party that is not in it. Surveys have shown that the John Birch Society has as many Democrats as Republicans."

Reagan, a Democrat most of his life, said his views haven't changed much "since I was a Democrat."

He denied that he was right wing. "This is a false image," the actor said. "It seems that the modern dialogue in politics is to create you with a false image."

He said that is why Sen. Barry Goldwater lost California in 1964 by a 1.3 million votes.

"The issue of conservatism and liberalism never met head on the opposition was successful in setting up a false image, and then knocking it down," he added.

**Coin Changer Robbed**  
Ten or 12 boxes of copper wire containing 500 feet each were reported stolen in a break-in at W. E. Gobel Building Contractors, 1403 N. Ash. Officers said locks had been pried off two workshops, but only the wire was found to be missing.

A burglar that pried the lock off an office at the Highland Laundry, 4035 34th St. Saturday night, got a coin changer containing \$10.25 in change, but left behind some more money and a pistol in a desk drawer. A tire tool, presumed to have been used to break into the office, was found on a chair.

**No Estimate Of Loss**  
Burglars that broke into the Snak Shak, 401 College, Saturday night, found only a locked door between them and the Bo Peep Club next door and looted coin operated machines in both places.

No estimate of the amount of loss was available Sunday night, but all the money in the machines was taken.

Mrs. Flora M. Dean, 1926 28th St., reported the theft of her social security check for about \$70 from her home Saturday. A L. Wood, 2617 20th St., reported a portable radio and cigarette lighter stolen from his car. Wood also said the dash board of his car was damaged in an apparent attempt to pry out the instrument panel.

**News Briefs**  
A garage owned by J. R. Hoskins at 1614 Ave. N. was destroyed by fire Sunday night. Firemen, who received the call shortly after 6 p.m., arrived to find the garage beyond saving. Firemen said the fire started in a storage room and spread to the entire building.

## REAGAN

### Actor Urges Birch Probe

BURBANK, Calif. (AP) — Ronald Reagan said Sunday a Washington investigation of the John Birch Society would "clear the air" on the controversial group.

Reagan appeared on NBC-TV's "Meet the Press" program, telecast simultaneously from NBC studios here and in Washington. Reagan, 54, a movie and television veteran, announced last Tuesday his candidacy for the Republican nomination for governor of California.

"Nothing Subversive"  
To a question from a panelist in Washington on why Reagan refused to denounce the John Birch Society while condemning such groups as the Ku Klux Klan and the Communist party, the actor replied: "I'll take second to no one in my denunciation of the Ku Klux Klan or the Communists but they are listed as subversive organizations. The FBI says it found nothing subversive about the John Birch Society."

"I am not a member of the John Birch Society, nor am I going to join. I have been very critical of some of the statements of its founder, Robert Welch, some of which are ridiculous."

"I think that in order to clear the air, Washington should investigate the John Birch Society."

**Comment on Statement**  
Reagan later explained that the investigations could either be senatorial or congressional.

Asked to comment on a statement by Sen. Thomas H. Kuchel (R-Calif.) that he would support any candidate who kicked the John Birch Society out of the party, Reagan replied: "You can't kick an organization out of your party that is not in it. Surveys have shown that the John Birch Society has as many Democrats as Republicans."

Reagan, a Democrat most of his life, said his views haven't changed much "since I was a Democrat."

He denied that he was right wing. "This is a false image," the actor said. "It seems that the modern dialogue in politics is to create you with a false image."

He said that is why Sen. Barry Goldwater lost California in 1964 by a 1.3 million votes.

"The issue of conservatism and liberalism never met head on the opposition was successful in setting up a false image, and then knocking it down," he added.

**Coin Changer Robbed**

**Americans Determined**  
It's like trying to catch moles which have human intelligence and a safe exit.

To destroy the entire complex would take a month and enough explosives to dynamite a mountain. But that's what the big American force is determined to do.

Verdun must have been like this. It fell, though.

## ROPE USED TO ESCAPE FIERY DEATH

A woman hangs on a rope spread more than 100 feet above ground as she escapes from a burning six-story building in Kawasaki City, near Tokyo, Sunday. Seven persons survived by this method, but 12 others perished in the blaze. (AP Wirephoto via cable from Tokyo)

**NEW YORK TRADE DECIMATED**  
**Hard Hit Small Business Proprietors Seek U.S. Aid**

NEW YORK (AP) — More than 60 persons, small businessmen who have been hurt by the transit strike, converged Sunday on the Small Business Administration Office seeking federal loans.

They ranged from shoe shiners to manufacturers. An administration spokesman couldn't recall the office ever being open on a Sunday, except in disaster areas.

"I guess you can call this a sort of disaster," he said as he searched the sad faces of applicants.

President Johnson announced Friday up to \$20 million would be set aside for low-interest loans for the city's small businessmen. He acted in response to an appeal from Gov. Nelson A. Rockefeller.

People were lined up by 6 a.m. when the doors opened. Individuals could receive loans up to \$15,000 at 5 1/2 per cent interest for three years. No collateral is required.

Loan requests ran from \$500 to \$7,500. Some applicants complained when told it would take time to process applications before the loans could be granted.

"I thought I was coming here for a grant," said a blind newsdealer. "I can't wait until somebody process a lot of paper work."

Another disillusioned applicant was A. Hernandez, who owns a variety store. "This means practically nothing to me," he said. "I need help right now."

Charles A. Kriger, area administrator, said "All I can tell them is that we'll get them the money as quickly as possible."

Gusie Berkowitz, who owns a Manhattan greeting card shop, said: "I usually do \$150 a day in business."

## Violence

**FROM PAGE ONE**  
a gas heater was burning furiously.

An automobile ran into a culvert 20 miles northeast of Sulphur Springs Friday night, killing two Dallas residents. They were Mary Edwina Norwood, 23, and Clifton Wilkins, 31.

An unidentified woman died early Sunday in Dallas of a stab wound.

**Hit By Car**  
Louis Holmes, 65, a retired Galveston longshoreman, was killed Saturday night when a car in which he was riding overturned and rolled over the Galveston seawall.

A two-car accident Saturday near LaVerina killed a man identified as Gregory Hill of Floresville.

A 50-year-old woman, Oleta Lloyd, was hit by a car and killed on a Dallas expressway Saturday night.

Sebron (Pix) Moore, 72, died late Friday night when fire swept his home at Stephenville. He lived alone.

**Borger Man Killed**  
A construction foreman on an oil rig, Kenneth Jones of Borger, was killed Saturday when a heavy object fell and hit his head. The accident occurred near Stinnett.

Danny Trull, 19, an honor student at Henderson County Junior College, was killed in a one-car accident north of Terrell Saturday.

Phil Wade, 67, was shot to death behind a Fort Worth tavern Saturday.

Joe Luis Cedillo, a 14-month-old child, was killed Sunday when an auto driven by his brother ran over him at their Edinburg home.

Eddie Grinage, 2, of San Antonio choked to death Sunday on a piece of dirt she stuck in her mouth at the home of her mother, Mrs. J. D. Grinage.

**Oswald's Dallas Landlady Dies**

DALLAS (AP) — "He came running like the dickens and I said to him 'You sure are in a hurry.' But he didn't say anything — just ran in his room, got a short tan coat and ran back out."

He was Lee Harvey Oswald and he had just killed the President of the United States.

The woman who never got a reply was Mrs. Earline Roberts, a plumpish, bespectacled widow who ran the rooming house at 1026 North Beckley where Oswald lived as O.H. Lee. She plotted the assassination of John F. Kennedy in 1963.

Sunday, Mrs. Roberts was apparently seized by a heart attack at her home, 212 W. Woodfin. She was rushed to Parkland Hospital where she died at 5:15 a.m.

A native of Tennessee, Mrs. Roberts moved to Dallas in 1949 and had lived here since.

**News Briefs**  
A garage owned by J. R. Hoskins at 1614 Ave. N. was destroyed by fire Sunday

Four City Youths Are Chosen For All-State Choir

Four students from Lubbock high schools were selected for positions in the All-State Choir in competition held Sunday at West Texas State University in Canyon.

Susan Goad, Monterey High School, was chosen All-State second soprano. First alto position went to Donna Smith, Monterey. Paul Silvey, Lubbock Christian High School, filled first tenor position. Bass position was taken by Joe Haynes, Coronado High School.

Four Lubbock students took alternate positions. They were Suzi Shaw, Monterey, first alternate for first soprano; Larry Onley, Lubbock High School, second alternate for first tenor; Ragan Uphaw, Monterey, second alternate for second tenor; and Randy Sever, Monterey, second alternate for bass.

The All-State Choir will appear at the meeting of the Texas Music Educators Association in February.

Twenty Lubbock students competed with other students from the south zone of Region I. Only 16 contestants from this region were named to All-State Choir.

Memorial Rites Slated For Coed Killed In Crash

Memorial services for Wendy Ann Warthen, 21, Texas Tech coed who became the first traffic fatality of 1966 on the South Plains Saturday, will be held at 7 p.m. today at the Presbyterian University Building, 2412 13th St.

The Rev. Houston Hodges, Presbyterian campus minister, will officiate.

Funeral services for the Dallas student will be held at 2 p.m. Tuesday at White Rock Methodist Church in Dallas with burial in Restland Cemetery directed by Sparkman Funeral Home.

Miss Warthen, who lived in West Hall on the Tech campus, was dead on arrival at Methodist Hospital here about 1:05 p.m. Saturday after the small foreign car she had purchased Friday was involved in a collision with a vehicle driven by Mrs. M. Harlene Heller Wilson, a 25-year-old teacher of 322-B 54th St.

Occurred At Intersection

Officers said the crash occurred shortly before 1 p.m. at the intersection of State Highway 116 and FM 178, three miles west of Lubbock.

Three other persons were injured in the crash. Edison W. Hallford Jr., 24-year-old Tech student, who was reported to have sold the car to Miss Warthen, was listed in fair condition at Methodist Hospital Sunday night.

Mrs. Wilson, who was in good condition at Reese AFB Hospital Sunday, and Mrs. Mary Barbara Verdier, 22, 5540 19th St., was treated and released at the base hospital Saturday.

Miss Warthen was born in Flushing, N. Y., and had lived in Lubbock 3 1/2 years while attending Tech.

She is survived by her parents; a sister, Kathleen Sue, and a brother, Brian D., both of the home; and her grandparents, Mr. and Mrs. C. C. Warthen, Aurora, Calif., and Mrs. Grace Brown, Seal Beach, Calif.

Funeral services for Mrs. Myrtle Libby Ballard, 73, longtime Cottle County resident, will be at 10 a.m. today in Missionary Baptist Church, Paducah, with burial in Childress Cemetery, Childress.

Services will be at 2 p.m. today in First Baptist Church, Oton, for L. O. Langley, 77, of Oton.

Husband Of Film Star Dies At 55

FORT LAUDERDALE, Fla. (AP) — Floyd Eaton Chalkley, husband of actress Susan Hayward, died at his home here Sunday. He was 55.

Chalkley had been at Holy Cross Hospital for three weeks but was discharged last week.

Chalkley was an attorney and the owner of an automobile agency in Carrollton, Ga., where he lived. He was born in Washington, D.C., and at one time was an FBI agent.

Miss Hayward and Chalkley were married Feb. 8, 1937, by a justice of the peace in Phoenix, Ariz. She was 37 then.

He met the actress in 1936 in Hollywood. Afterward, they were seen together in California and New York.

The marriage followed by three years Miss Hayward's divorce from actor Jess Barker in a tumultuous court battle. Chalkley had been married and was divorced from his first wife in 1950.

Chalkley and Miss Hayward joined in 1958 in forming a Georgia corporation for movie making, building and operating motels and restaurants, and conducting a loan and insurance business.

CONSTITUTION REPLACED BRAZZAVILLE, Congo Republic (AP) — One-party rule of the Congo Republic has been established with the replacement of the constitution by the charter of the National Revolutionary Movement, the country's only legal political organization. It is led by President Alphonse Massamba-Debat who seized power in a 1963 coup d'etat.

Mrs. Hargrove's Rites Tuesday

SFUR (Special) — Services are set for 2:30 p.m. Tuesday in Spur First Methodist Church for Mrs. Nannie R. Hargrove, 66, who died after a short illness in Spur Memorial Hospital at 10 p.m. Saturday.

Officiating will be the Rev. William McReynolds, pastor of Spur Methodist. Assisting will be the Rev. John Jenkins, pastor of First Baptist Church here.

Born in Rome, Ga., Mrs. Hargrove came to Dickens County in 1890. Her late husband was an early-day miner in Spur.

She was a member of First Methodist Church, Spur.

Surviving are three daughters, Mrs. Floy Watson in Spur, Mrs. C. L. Blanks, Fort Worth, Mrs. Howard Mays, Odessa; two sons, Jack Hargrove, Fort Worth, and Ralph Hargrove, Louisville, Ky.; a half brother, Paul Arnold, Rising Star, Tex.; a half sister, Mrs. Mary Dunaway, Coleman, 11 grandchildren and 13 great-grandchildren.

Services Planned For Mrs. Neese

SILVERTON (Special) — Last rites for Mrs. Daisy Belle Neese, 77, former Silvertown resident who died in a Memphis, Tex., rest home late Saturday, will be at 11 a.m. Tuesday in Silvertown's First Methodist Church.

Officiating will be the pastor, the Rev. Carl Nunn and Earl Cantrell, pastor of Rock Creek Church of Christ near Silvertown.

Burial will be in Silvertown Cemetery under direction of Roberts Funeral home here.

A native of Paris, Tex., Mrs. Neese came to Silvertown in 1936 and lived here until 1958 when she moved to Memphis.

Surviving are five sons, John Neese, Lubbock, Hollis Neese, Corpus Christi, Mack and Paul Neese, both of Amarillo, George Neese, Strathmore, Calif.; one sister, Mrs. Mattie Roden, Memphis, 16 grandchildren and 17 great-grandchildren.

Graveside Services Set For Duque Baby

LEVELLAND (Special) — Graveside services for Sunjuan Duque, one-month old son of Mr. and Mrs. Antonio Duque of Anton, will be at 1 p.m. today in Anton Cemetery.

The Rev. Howell, pastor of Sacred Heart Catholic Church in Littlefield, will officiate. Arrangements will be under direction of Smith Funeral Home here.

The infant died Saturday in Levelland Clinic and Hospital.

Survivors are the parents; three sisters, Mary Lou, Yolanda and Diana, of the home; two brothers, Antonio Jr. and Johnny, both of the home; and the maternal grandmother, Mrs. Mary Contreras, McKinney.

TRAIN COLLISION

SAS, Yugoslavia (UPI) — Two trains collided Sunday, killing five passengers and injuring others, the official Tanjug news agency reported. A "few" of the injured are in serious condition, Tanjug said.

Funeral services for Mrs. Myrtle Libby Ballard, 73, longtime Cottle County resident, will be at 10 a.m. today in Missionary Baptist Church, Paducah, with burial in Childress Cemetery, Childress.

Services will be at 2 p.m. today in First Baptist Church, Oton, for L. O. Langley, 77, of Oton.

Funeral services for Mrs. H. P. (Irene) Bishop, 70, 2505 52nd St., Lubbock, will be at 10 a.m. today in Monterey Baptist Church here.

Varvel, transmission and protection engineer for Southwestern Bell Telephone Co. in Dallas, will speak on "The Hardware of Communications: Past, Present and Future" at today's meeting of the South Plains section of the Institute of Electrical Engineers. The group will meet tonight at 7 in the Johnson House Restaurant.

Jury panels will report at 10 a.m. today as civil jury weeks begin in 137th and 140th District Courts. Judge Robert H. Bean will convene the 140th District Court in its regular courtroom on the sixth floor of the new courthouse. The 137th District Court, with Judge James A. Ellis presiding, will convene in the 72nd District Court on the third floor of the new courthouse.

Lubbock County Commissioners will open bids on document files for the county clerk's office at today's meeting of the County Commissioners Court at 10 a.m. On the agenda are routine matters such as right-of-way matters and applications for use of county-owned equipment on soil conservation projects.

Lubbock Association for Retarded Children will meet at 7:30 p.m. today at Millam's Training Center, 1105 38th St. Guest speaker will be John Weimer, national representative from Dallas, who will show a film, "Selling One Guy Named Larry." In charge of the meeting will be B. A. Huatt, 1966 president.

Jerry Cheney, 24, 4583 39th St., was listed in fair condition at Methodist Hospital Sunday night after being injured in a Saturday traffic mishap at Erskine St. and Ave. A. Cheney was reported to have suffered a neck injury in the two car collision.

Funeral services for Mrs. Myrtle Libby Ballard, 73, longtime Cottle County resident, will be at 10 a.m. today in Missionary Baptist Church, Paducah, with burial in Childress Cemetery, Childress.

Services will be at 2 p.m. today in First Baptist Church, Oton, for L. O. Langley, 77, of Oton.

Funeral services for Mrs. H. P. (Irene) Bishop, 70, 2505 52nd St., Lubbock, will be at 10 a.m. today in Monterey Baptist Church here.

Services will be at 10 a.m. today in Garden of Memories Cemetery, Lubbock, for Pete Barron Jr., month-old son of Mr. and Mrs. Pete Barron Sr., 2018 15th St.

W. M. Varvel, transmission and protection engineer for Southwestern Bell Telephone Co. in Dallas, will speak on "The Hardware of Communications: Past, Present and Future" at today's meeting of the South Plains section of the Institute of Electrical Engineers. The group will meet tonight at 7 in the Johnson House Restaurant.

# Third Round Too Much--Arnie Wins

## First Prize Is \$11,000

Two Over Par Fourth Round Is Sufficient; Paul Harney Presses

LOS ANGELES (AP)—Arnold Palmer floored the field in the third round with a 62 but had to come off the ropes Sunday to win the \$70,000 Los Angeles Open Golf Tournament.

The famed Arnie, snapping out of a long losing slump, shot a final round 73, two over par, and posted a 72-hole score of 273 to haul in the \$11,000 top money.

## Aggies Are Tops After Two Tilts

One Road Victory Makes A Difference

(By The Associated Press)

The Southwest Conference basketball season is only in its infancy, two games having been played by each team, but Texas A&M already is acting like a mature outfit.

The Aggies accomplished two things last week. They took the lead as the only undefeated team and they won away from home.

At this stage the latter is most important. The conference part of the season began last Tuesday with victories going to the home teams—Texas Tech, Texas, Texas A&M and Texas Christian.

The home floor winning trend continued Saturday until Texas A&M beat Rice 92-85 at Houston. It was only the second time this season the Aggies had won on a foreign court.

In beating Rice, Texas A&M spoiled what could have been a unique eight-way tie for first place with each team winning one and losing one in the first week of activity.

It might be argued that defeating Rice—even at home—is not much more than a routine assignment. The Owls have lost their last 21 games, 10 in the late part of the 1964-65 season and 11 this year.

**Aggies Move On**  
Texas A&M, which beat defending co-champion Southern Methodist as a starter last week, plays Arkansas at home Tuesday night, then goes on television with Baylor at Waco Saturday afternoon.

Arkansas, with a 7-3 season mark that is tops among conference schools, shocked Texas Tech 74-65 Saturday. Tech had opened the conference season with a league record 115 points against Baylor.

# Coaches Applaud Johnson

MOBILE, Ala. (AP)—Randy Johnson will take a stamp of approval from two American Football League coaches with him when he joins the Atlanta Falcons of the National League.

"He is a very fine passer, and a real tough football player," said Weeb Ewbank of the New York Jets, who coached the South to a 27-18 victory over the North in the Senior Bowl Saturday. "Randy would have had an even better passing record if our receivers had not dropped so many in the first half," Ewbank said.

Johnson, slender Texas A&I quarterback, hit on 20 of 23 passes, including 10 of 13 in the second half. He gained 186 yards passing and threw two touchdown passes.

**Tough To Stop** "He is tough to stop," said Mike Holovac of the Boston Patriots, who coached the North. "He beat us."

Johnson's passing mark matched his 20-of-33 performance in the recent Blue-Gray game, where he also brought the South from behind to victory.

"He was really getting knocked around out there by those North tacklers," Ewbank said. "Once he was hit real hard, and probably should have come out but we had no other quarterback, so he said he would keep playing."

Johnson played the entire game on offense because Sloan of Alabama, the other South quarterback, was hampered by a rib injury suffered in the Orange Bowl.

**Passes Dropped** With many of Johnson's passes slipping out of the hands of South receivers in the first half, the Rebels dropped behind, 18-7.

Then Doug Buffone of Louisville, a South linebacker, intercepted a pass and Johnson and Arkansas half-back Bob Burnett led the Rebels to victory. Burnett scored twice on plunges.

North end Howard Twilley of Tulsa, who caught a record 12 passes, was named the game's most valuable player.

"He can really catch a football," Holovac said.

## NAMES IN THE NEWS

TEMPE, Ariz. (AP)—Fair Hooker, who certainly is and more so, has made the freshman basketball team at Arizona State University.

Hooker, 6-foot-3, is from Monterey, Calif.

## TWO MAJOR UNDEFEATEDS

# Kentucky Wildcats No. 2, Rupp Crosses His Fingers

(By The Associated Press) Adolph Frederick Rupp, the nation's winningest active college basketball coach, has his fingers crossed.

Two years ago his University of Kentucky Wildcats won their first 10 games of the season to gain the No. 1 ranking in The Associated Press poll, then lost two straight to Georgia Tech and Vanderbilt.

An almost identical situation faces the Wildcats this week. Now No. 2 in the AP poll, they whipped Florida Saturday 78-64 at Gainesville for their 10th in a row and remain one of the two major unbeaten teams. Texas Western is the other one.

**Georgia Is Foe** On Monday, Kentucky plays at Georgia, then returns home to Lexington, Ky., for a Saturday afternoon game with third-ranked Vanderbilt, defending champions in the Southeastern Conference.

The Saturday game shapes up as an acid test for Rupp and his crew. "They aren't going to let newspaper clippings scare them any," is the way Rupp puts it.

Thad Jaracz's 26 points paced Kentucky in the victory over Florida and gave the 64-year-old Rupp his 730th career coaching victory against 150 defeats. This record is exceeded only by Forrest (Phog) Allen of Kansas, 770-223, and Ed Diddle of Western Kentucky, 759-302. Both Allen and Diddle are retired.

**Vandy Rolls On** Big 6-foot-9 Clyde Lee paced Vanderbilt over Georgia at Athens, Ga., with 22 points, giving

him a Vanderbilt all-time career scoring record of 1,409. Vandy's game record now is 12-1.

Duke's No. 1 Blue Devils also came through on the road. They pulled away in the last seven minutes to defeat North Carolina 88-77 at Chapel Hill behind Bob Verga's 29 points and Jack Marin's 23. Duke now is 11-1, with nine in a row since being upset by South Carolina.

Only one team in the AP Top Ten was upset Saturday. Wisconsin, playing at home, surprised seventh-ranked Iowa 69-68 when Gary Olson of the Hawkeyes missed twice from the foul line in the last two seconds.

**LaSalle Falls Hard** The St. Joseph's Hawks, No. 4, ripped LaSalle 92-69 in a battle of Philadelphia city rivals. Bradley, No. 5, staged a 20-2 burst in the last five minutes to defeat Drake 64-52 at Des Moines.

Brigham Young, No. 8, overpowered Arizona 87-72 at Provo and UCLA, 10th ranked, made it six straight with a runaway 97-65 victory over Oregon at Los Angeles.

Michigan, which fell out of the Top Ten last week, opened defense of its Big Ten championship by defeating Ohio State at Columbus, Ohio. 8-78. All-America Cazzie Russell sparked

the Wolverines with 21 points. Walt Wesley's 39 points paced Kansas to a home court triumph over Iowa State 82-65. Dayton over DePaul in Chicago 81-70 behind 2 points by sophomore Donald May.

**Army Edges** In other games Davidson crushed West Virginia 105-79, Army edged Seton Hall 59-57 in overtime, Boston College downed NYU 88-75, Syracuse took Navy 83-73 behind Dave Bing's 31 points, Michigan State beat Minnesota 85-65, New Mexico whipped Wyoming 69-57, Utah took Arizona State 102-83, Southern Cal lost to Oregon State 59-56, Air Force defeated Notre Dame 68-57, Memphis State surprised Oklahoma City 97-87, California edged Washington State 71-70, San Francisco downed Santa Clara 83-64 and Stanford went overtime to beat Washington 83-78.

Rice lost its 21st straight game, 92-85 to Texas A&M.

## FROM MEXICO

# Wayland Pioneers Host Olympians

PLAINVIEW (Special)—Wayland College and the Plainview community goes all out tonight to greet Mexico's National Olympic team when the Wayland Pioneers meet them in a hard-court clash at 9 p.m. in Plainview High Gym.

Tickets available at the door are \$1.50 for adults and 75 cents for students.

Pfe-game and halftime activities will feature official welcomes, presentation of gifts and a "land of manana" atmosphere of music.

The Mexican and United States flags will be displayed before the game as the Wayland band plays the Mexican National Anthem as well as the American. Jesus J. Agraz of the Mexican Consul in Lubbock is providing the Mexican flag.

The Rev. Glenn Godsey, pastor of Plainview's Mexican Baptist Mission, will welcome the Mexican team, coached by American Lester L. Lane, and the Latin American audience. Rev. Godsey also represents the Plainview Kiwanis Club.

An exchange of gifts is to take place between Coach Clifford Ozmun's Pioneers and the Mexican Artees, according to Ed Billings, Wayland athletic director.

During halftime, the band will live-up the gym with several colorful marches. Treble Tones, women's choral group from the college, will sing two Mexican folk songs.

The two clashing teams will be evenly matched, according to team averages. The Artees have an average height of 6-2, while the Pioneers' average is 6-1. On the scales, the Pioneers average 177 pounds per player, while the average team member for Mexico is 178. Slightly older, the average Artee is 23. The Pioneers,

**OLYMPIANS BOX** Since 1904, six boxers who won Olympic titles have gone on to capture world titles as professionals.

IT'S THAT MAN AGAIN WITHOUT A HEAD—At least once a season a photographer's timing leaves some basketball player losing his head over the ball. So this time it's Texas' Mickey White (44) rushing after a loose ball with Southern Methodist's Bob Jones (34) close behind, during their conference game in Dallas Saturday. (AP Wirephoto)

# Post Says Parseghian Offered Job

WASHINGTON (AP)—The Washington Post said Sunday that Notre Dame football Coach Ara Parseghian was offered, but rejected, the head coaching job of the professional Washington Redskins.

Post sports writer Dave Brady said club President Edward Bennett Williams was believed to have talked to Parseghian Dec. 30 in Chicago.

Brady said Parseghian also was sought by the new Atlanta Franchise and Pittsburgh of the National Football League and the new Miami franchise of the American Football League.

**Ara Quoted** Parseghian, asked about the offers, was quoted as saying from his home in South Bend, Ind.: "I have a job. I am the coach at Notre Dame. I am happy in college football. I don't know what I might do in the next three or four years."

Asked why he turned down the pro offers, Parseghian said: "I did not say I have received any."

When asked if he would deny receiving such offers and conferring with the National League Redskins, Parseghian said: "I would really prefer not to talk about it. What good would it do Notre Dame or the clubs?"

## Arnie

(Continued From Page One) ward with birdies on the seventh, eighth and ninth holes.

After 13 holes Harney had cut Palmer's lead to three and the gap closed to just one when Palmer went over par on the 14th.

Of his bogey on No. 17, Harney said he thought he had a good putt to make, "but I didn't make it."

"As I said yesterday," the personable Harney said, "that lead Palmer built up yesterday was too much to catch."

Five pros tied at 280 — PGA champion Davey Marr, Charlie Sifford, Al Besselink, Dave Hill and Howie Johnson.

Champagne Tony Lema wound up with 66 for 281 and a tie with six others, while another gallery favorite, 1964 U.S. Open champion Ken Venturi had the best round of the four days, a 69 for 284.

Palmer said he has resumed smoking — although a little less publicly — and possibly this has had an effect on his game.

"My game is coming around and I think I am, too," he said, referring to his nervous system.

Palmer added he feels better smoking.

"I was conscious of my putting because it wasn't as good as yesterday. Matter of fact, I wasn't overconfident of it, so I was more careful of it today," Palmer went on.

He said the big hole as far as he was concerned was the 11th. "I hit my two best shots and got it within 10 feet of the pin. I was thinking of a bird here but I ran it by 18 inches. Then I stepped up and missed it," Palmer continued.

"If I had made the bird I would have been 14 under and the worst I could have been was five shots up with seven holes to play.

# Cagers

(Continued From Page One) title in District 3-AAAA. Lubbock and Monterey, tied for second with 6-1 loop marks, will renew their colorful rivalry in Municipal Coliseum Tuesday night in a game which should produce all the color and excitement such a torrid intracity rivalry demands.

Conceding an Amarillo win against Borger — and the Bulldogs would have to make a complete about face to pull off an upset — the LHS-MHS encounter will produce the second and third place finishers in the first half of league play.

**Tuesday Marks End** Tuesday's action will write an end to the first go-round and the second half of play wastes no time in getting underway Friday night.

Monterey scored an impressive win Friday over defending champion Pampa, defeating the Harvesters, 38-31, while hitting a torrid 61 per cent. The lone district loss by the Plainsmen and Lubbock was suffered at the hands of the unbeaten Amarillo Sandies.

In addition to their sparkling 7-0 league mark, AHS' high-scoring Sandstorms are the winningest team for the season with a 15-1 record. Monterey is 15-2, Lubbock, 14-3, and Pampa is 13-4 — evidence aplenty of the caliber ball played by 3-AAAA's top four squads thus far this season.

**Sandies No Flake** The league statistics bear out the fact that Amarillo's lofty perch is no fluke. The Sandies are the leading scorers, having averaged 66.4 points-per-outing, and own the top individual scorer in Charlie Wells. The AHS standout has hit for 122 points to date for a 17.4 league average. In fact, there are three Amarillo players among the top 12 point-makers in the district. Bill Jordan and Jeff Harp have hit for 81 and 82 points respectively in playing strong roles in coach John Ethridge's attack.

Despite giving up 63 points Friday night, the LHS West-erners are still the leading defensive outfit, having allowed 42 points-per-game. Pampa has allowed 42.5 and Monterey, 44.0.

Monterey's Kenny Coleman and David Reed have hit for 86 points each for identical 12.2 scoring averages and Lubbock's Don Burrell has scored 77 for an 11 point average.

## Colts

(Continued From Page One) the last two games of the season on sheer nerve and he was magnificent today."

With Unitas and Cuozzo out of action, Matte led the Colts to a 20-17 upset triumph over Los Angeles and a great effort against champion Green Bay before losing a divisional playoff 13-10.

The Cowboys never mustered a sustained offensive under the pressure of the Colts' swarming defense.

Hilton, the rookie end, was particularly effective. Several times he rushed in to spill Meredith for losses. He halted a Dallas charge in the third period by recovering a Meredith fumble on the Baltimore 25.

There were no hit, no-run games in the major leagues during the 1966 season.

## Here's the Quick, Easy Way To Get Out-of-Town "INFORMATION"

Just dial "Operator" and ask her for "Information" in the city you wish to call.

When the Information operator answers, give her the name of the town you want, then the name and address of the person or business whose number you want.

There is no charge for calls to obtain out-of-town telephone numbers.

And here's another helpful telephone hint: Write your out-of-town numbers in your own personal directory. You'll save time each time when you call.

**12. Legal Notices**  
Notice of Election TO THE QUALIFIED VOTERS OF YELLOW HOUSE CANYON WATER CONTROL AND IMPROVEMENT DISTRICT:

Notice is hereby given that on January 11, 1966 (the second Tuesday in January of said year), an election will be held for the purpose of electing five directors for Yellow House Canyon Water Control and Improvement District to serve for two years, and two to serve for one year, which election will be held within said district at the residence of Jack W. Gibson, No. 41 Lakeshore Drive, Lubbock County, Texas-Lake Rayson, Canyon Addition.  
 The following qualified persons have been appointed as officers of said election:  
 Jo Ann Gibson, Presiding Judge  
 Mrs. Lee Gibson, Clerk  
 Joe J. Gibson, Clerk  
 Absentee voting by personal appearance shall be conducted at said residence of Jack W. Gibson within the district, which is a public place within the boundaries of the district. Jo Ann Gibson, a qualified voter in the district, is hereby appointed the clerk for absentee voting for said election. Said clerk shall keep said office open for absentee voting from 9:00 A.M. to 5:00 P.M. on each day which is not a Saturday, a Sunday, or an official state holiday, beginning on the 29th day and continuing through the 4th day preceding the date of said election.  
 Candidates for the office of director may file with the secretary of the board of directors applications to have their names printed on the ballots to be used at said election. Such applications shall be signed by each candidate, or by two qualified voters, and shall be filed at least twenty days prior to the date of said election.  
 Only qualified resident voters of said district shall be entitled to vote at said election.  
 Dated December 23rd, 1965.

**'DON'T BLAME US,' CHINESE SAY**

**Red China Raps Castro's Claim Rice-For-Sugar Pact Was Broken**

**TOKYO (AP)**—Communist China said Sunday Prime Minister Fidel Castro's claim that Peking had broken its rice-for-sugar agreement with Cuba "was groundless." Peking claimed it never signed a long-term contract with Castro's regime to supply 250,000 tons of rice a year.  
 It scolded him for accusing Red China of breaking an agreement, saying he was untruthful and took "a step which is extraordinary in normal state relations."  
 The denial was made by "a responsible official" of the Foreign Trade Ministry and his statement was carried in a broadcast by the official New China News Agency.  
 Castro had accused the Chinese of breaking the agreement in a Jan 2 speech celebrating the seventh anniversary of his rule.

**China "Didn't Understand"**  
"I thought this was a long-term proposition," Castro said, "but the other party (China) did not understand it thus" and limited the agreement to one year.  
 The Chinese statement admitted that Castro on Oct. 1, 1964 suggested an exchange of 370,000 tons of sugar for 250,000 tons of rice from China each year.  
 But the Chinese government carefully considered the sugges-

tion and "agreed to supply Cuba with 250,000 tons of rice within the one year of 1965, but did not promise to supply the same amount each year or accept his proposed rate of exchange between sugar and rice," it said.  
 "This can be confirmed by documents," the statement said.  
 "Obviously, Prime Minister Castro's idea that China was going to supply Cuba with 250,000 tons of rice yearly on a long-term basis was groundless," it said.  
 The statement also said Cuba has asked China to supply 285,000 tons of rice in 1966, but China has offered 135,000 tons on the same level as 1964 because China still did not have enough grain to meet its domestic needs and aid to other countries. It said in the past few years the annual rice exports to Cuba ranged between 120,000 to 135,000.

The Chinese statement, made in a "question-answer" form, deplored Castro's action for making the issue public while preliminary negotiation for the 1966 trade year was still under way in Peking.  
 "At the moment, the delegation of the Cuban Ministry of Foreign Trade is still in Peking, the preliminary trade negotiations between the two sides are going on, and the annual proto-

col has not yet been finally signed.  
 "If the Cuban government has different ideas or demands, it can very well raise them for discussion with the Chinese government. But instead of doing so, Prime Minister Castro has taken a step which is extraordinary in normal state relations. At the Havana mass meeting celebrating the seventh anniversary of the liberation of Cuba, he unilaterally and untruthfully made public contents of the preliminary trade negotiations now going on between the governmental departments concerned of the two countries.  
 "We cannot but feel regret at this."  
 The New China News Agency said the Cuban foreign trade delegation led by Ismael Bello, director of the ministry's department of trade with Asian Socialist countries, arrived in Peking on Nov. 10.

It said each year there have been differences of views in the course of negotiations. "But in the past, Prime Minister Castro never acted as he has done now. Why then has he suddenly taken such an extraordinary step on the eve of the three continents people's solidarity conference in Havana; this offers food for thought," the statement said.

**WRIGHT WON'T OPPOSE CARR**

**Quiet Primaries Shaping Up For Texas In Spring**

(By United Press International)  
 Only the Democratic primary race for Texas attorney general was left with a hot contest after weekend political announcements including the decision of Fort Worth congressman Jim Wright to stay put.  
 Unless other candidates announce or a legal technicality keeps two state senators out of the race for attorney general, the spring primary elections should be unusually quiet.

Wright ruled out a much talked about race for the U.S. Senate, leaving Atty. Gen. Waggoner Carr unopposed at this point. The Democratic candidate will oppose Republican Sen. John Tower in November.

**None Come Forward**  
 So far no Democrat has come forward as an opponent for Gov. John Connally, whose bid for a third term may draw a token opponent from the GOP.  
 Republicans reaffirmed their intention at an Austin meeting over the weekend to put emphasis on trying to re-elect Senator Tower.  
 Carr's bid for the senate leaves the attorney general office open, and Secretary of State Crawford Martin was first to announce for the job. Two state senators, Franklin Spears of San Antonio and Galloway Calhoun of Tyler, also want to run for attorney general. They don't think such a race would conflict with a state constitutional provision

**Thailand Would Ask SEATO Help**

**BANGKOK, Thailand (AP)**—Deputy Defense Minister Dawee Chulassap says Thailand may call on the Southeast Asia Treaty Organization for help if Cambodia launches a full-scale attack.  
 Cambodian troops were reported to have fired on several Thai villages along the border during the last week.  
 Chulassap, who also is air chief marshal, told newsmen Saturday that large-scale troop movements have been detected along the Cambodia border.  
 The USS Eldorado is in Bangkok with Rear Adm. Donald W. Wulzen, commander of the 7th Fleet's amphibious force, on a five-day goodwill visit.  
 The Eldorado is the flagship of the amphibious force. Its home port is San Diego, Calif., but it is stationed at present in Subic Bay, the Philippines.  
 Franz Mesmer made the theory of hypnotism popular and it came to be called mesmerism in his honor.

The typewriter had its origin in 1714.
