Saturday marks opening day of season

Saturday, November 5, marks the opening of the 1994-95 general gun hunting season. Turkey and deer may be taken November 5 through January 1. Four deer are allowed with a limit of two bucks. Four turkey may be taken during the season, either sex during the general season November 5 through January 1, and gobblers only during the Spring Season, April 8 through May 14.

Statewide quail season opened October 29 and runs through February 26. Daily bag limit is set at 15.

Wildlife biologists' predictions are poor for quail and average numbers for deer and

turkey. Late summer rains have hopefully arrived in time to support wildlife populations until a good number can be harvested. Drought conditions have threatened game with die-offs since late spring.

New for Coke County this season will be the antlerless only Muzzleloader special season January 7-15, 1995. No antlerless permit is required but a special \$10.00 Muzzleloader stamp is required. It must be attached to your Texas hunting license and signed across the face of the stamp. Included in the

special season are turkey and javelina.

Every hunter who buys a license should get the free hunting guides available where license and sporting goods are sold, and then read it from cover to cover.

Hunters are reminded to show respect for the land on which they are hunting and to practice gun safety and good sportsmanship. Report game violations to the game warden Sparks Burdett (453-2887) or by calling OPERATION GAME THIEF 1-800-792-GAME (4263).

Singing the national anthem in Bronte was Debbie Stilley (center). Also pictured are Rev. Johnson (l) and John Driggers.

Election slated November 8

Early voting for the November 8 General Election will end Friday, November 4 (today) at 5:00 pm in the office of County and District Clerk Ettie Hubbard. Counts for the early balloting are running unusually high for an election which is not a Presidential year. On Tuesday, 222 voters had voted early, with 3 days remaining.

Polls will be open on Tuesday, November 8 from 7:00 am until 7:00 pm. Polling locations on the west side of the county include Pct. 1 - Old Recreation Bldg.; Pct. 3 - Courthouse; Pct. 9 - Pecan Baptist Church; and Pct. 10 - Southside Church of Christ. Voters on the east side of

Coke County will cast ballots in Pct. 2 - Bronte City Hall; Pct. 4 - Tennyson Community Bldg., and Pct. 5 - Old Depot, Bronte.

On the General Election ballot are choices for the United States Senate; United States Representatives; Governor; Lieutenant Governor; Attorney General; Comptroller of Public Accounts; and State Treasurer as well as a number of other commissioners, judges, and justices. State senator and representative choices are on the ballot, along with Coke County candidates. Two county candidates, although not on the ballot, are legal write-in choices.

Pony Express riders for the west side of the county included (l-r, middle row) Coke Hendry, Dianne Simpson, Barbie York, Brandy Brosh, Wendell Brosh, Brenda Skinner, and Fredda McCabe, (front row) Amber Brosh, Cody McCabe, Jake McCabe, (back row) Clay Allen, Foster Allen, and Dwala Casey. Also riding, but not pictured were: Postmaster Harrell Johnston, Nolan Pentecost, J. B. Pentecost, and Mike Pentecost. Nolan served as "hack" carrying the mail to the first weigh station where Harrell Johnston took up the first leg of the pony express.

Adams

Funeral services were held for S. E. "Skinny" Adams on Thursday, Nov. 3, at 2 pm at the Robert Lee Baptist Church. Interment followed in the Robert Lee Cemetery under the direction of Shaffer Funeral Home. The Rev. Roy Epperson officiated the services.

Skinny, 84, died in Shannon Medical Center in San Angelo Monday afternoon, October 31, following a sudden illness on Friday, October 28.

He was born in Robert Lee February 14, 1910 to J. N. K. Adams and Martha Edward "Eddie" Swann. J. N. K. Adams was a merchant, president of McCallum Reed Company, a Robert Lee business that sold everything - caskets, hardware, feed, horse tack, and groceries. Mrs. Adams was a music teacher. They reared their family on a stock farm just south of Robert Lee.

A tall, thin young man, Skinny went to San Angelo following schooling in Robert Lee, and worked with an abstract office and county government. He returned to Robert Lee and established an abstract office in 1928, not knowing he and his future wife would be abstractors for well over sixty years.

Skinny soon met a young school teacher who had come from San Angelo to teach. He and Elsie Pruitt were married in secret in Colorado City on a cold night, Dec. 10, 1932. They did not go public with the union for several days due to a school board rule that only single people could teach due to the depression, allowing more jobs.

The couple, like others during that time, worked at a number of things in addition to abstracting.

They ranched and stock-farmed, as well as operated the mail route between Robert Lee and the Silver community.

It was actually due to his connection of knowing everyone in the county that led to his being called later the "father of oil business in Coke County".

Clarence C. Pope, Sun Oil Company's West Texas landman, came to Coke County looking for just such a person. Skinny was instrumental in helping Pope secure a 20,000 acre block of leases at Silver which led to the oil

boom in the mid 40's. The first producing well was finalized on Allen Jameson property in December, 1946.

Skinny's association with oil companies led to oil leasing on his own. He and Elsie pursued their other interests, ranching and abstracting, during that period also.

Skinny and Elsie, along with their teenage son, Stanley, Jr., moved to San Angelo in 1949 where they busied themselves with abstract offices in San Angelo and Ballinger. The family also took an active part in San Angelo's civic affairs. Skinny helped form San Angelo's only semi-pro sport - a baseball team, the San Angelo Colts. He was a member of the Presbyterian Church, the Businessmen's Bible Class, the Downtown Rotary Club, the Suez Shrine Temple, the Elks Lodge, and the San Angelo Lions Club.

The Adams' returned to Robert Lee and opened their abstract office. He served as mayor of Robert Lee, was a member of the BCD, the Robert Lee - Silver Lions Club and member of the Eastern Star where he served as worthy patron.

The couple sold Adams Abstract in 1989 but Skinny remained interested in civic affairs and current events, in addition to his ranching, until the time of his death. Although he and Elsie were local nursing home residents, he continued to go to Rotary Club meetings, in San Angelo each Friday noon until his final illness.

Survivors include his wife, Elsie Adams of Robert Lee; one son, Stanley Adams, Jr., and his wife, Christie, of

Austin; three grandchildren, Naomi Adams of Austin, Stanley Adams, III, of Houston and Hazel Adams of Robert Lee.

He was preceded in death by one brother, Noel W. Adams, and two sisters, Naomi Powell Blanton and Dannie Carter.

Pallbearers for the funeral services included Tomas Arellano, Jim Corbell, Add Davis, Glen Aaron, Willis Wayne Smith, Bill Allen, Butch Davis, and Weldon Fikes. Honorary pallbearer was Bud Maxwell.

They were assisted by the Hospice chaplain, Paul Terry. Graveside service was held at 3 pm Monday, October 31, in the Fairview Cemetery in Pampa, Texas. Services were under the direction of Shaffer Funeral Home.

He was a member of the Masonic Lodge 966 in Pampa and a member of VFW Post 1815. He was a musician and was to be nominated to the Country Music Hall of Fame but was unable to attend due to failing health. SC Eagles barely edge Horns in thriller

by Stover Taylor

The Bronte Longhorns went west Friday night to test the Sterling City Eagles. The Horns gave the Eagles all they could handle before going down to defeat. The Longhorns played perhaps their best game of the season, and had their opportunities to win the game but failed. The game was very costly for the Eagles when quarterback Philip Thomas broke his left forearm in two places requiring surgery. The Horn defense contained the Eagles not allowing long runs, holding them to short gains. The Eagles had 41 rushes for 174 yards while the Horns had 37 rushes for 173 yards. The Horns and the Eagles each had 144 yards passing. The Eagles had 17 first downs and the Horns had 16 first downs. The Longhorn offense was able to run and pass making it a very exciting evening. Leading ground gainers for the Horns were Brent Taylor with 7 carries for 43 yards; Russel Vaughn with 9 carries for 30 yards; Kale Beck with 10 carries for 27 yards; Keith Treadaway with 5 carries for 27 yards; Cory Robinson with 6 carries for 14 yards. The Horns punted one time for 33 yards and had 6 penalties for 37 yards. Both the offensive and defensive teams played an outstanding ball game, unfortunately, victory slipped right through their fingers.

1st Quarter

The Horns kicked off to the Eagles and they returned the ball to the 35 yard line. They could not move the ball on the ground but completed 2 passes for 26 and 25 yards. The Eagles scored on a nine yard run with 9:01 left in the 1st quarter.

The Eagles kicked off to the Horn's deep man Brent Taylor who ran to his right, handing off the ball to Clint Brashear on a reverse. Clint raced down the sideline to the Eagle 15 yard line before he was tackled. The Horns were not able to move the ball on four downs and the Eagles took over on their 10 yard line. The next Eagle drive stalled on a 4th and 12 and the Horns took over again. The Horns began to move the ball on short gainers; Nicholas Arrott went up with a defensive back

in his face and pulled in a 30 yard pass from Brent Taylor as the 1st quarter ended.

2nd Quarter

The Horns could not convert a fourth down and the Eagles took over. The Horns stopped the run on the series but a Eagle receiver got behind the Horns defensive secondary and scored on a 45 yard pass play. The PAT failed and the score was 13-0 with 6:05 left in the quarter. On this series of downs Taylor hit Jason Wilson for 17 yards, Cory Robinson ran for 15 yards and the Horns drove down to the 18 yard line facing 4th and 15 with .04 seconds left. Brent Taylor went back to pass and found Keith Treadaway in the corner of the endzone for an 18 yard completion and TD. Keith Treadaway carried the ball into the endzone for the 2 point conversion and the score was 13 to 8 at halftime.

3rd Quarter

The Horns started the 3rd quarter on their 20 yard line. Russel Vaughn picked up 20 yards, Taylor got 11 and 24 yards, Beck and Treadaway picked up 8 yards each. With the ball on the 6 yard line with 7:33 left in the quarter Taylor found Beck in the endzone for a 6 yard TD. The 2 point conversion was good and the Horns led 16 to 13. The Eagles fumbled on their next possession. The Horns drove

down to the Eagle 15 yard line and a holding penalty took the ball back to the 24 yard line. The Horns fumbled on the next play and the Eagles took over.

4th Quarter

The Eagles controlled the ball on a long drive and scored. The PAT failed. The Horns moved the ball downfield on passes to Jason Wilson, Cory Robinson, and Kale Beck. The Eagles intercepted the ball on their own 8 yard line. They were not able to move the ball and punted. The Horns drove down the field again and on 4th and 8 a pass play went incomplete with 2:10 left in the quarter. The Eagles ran out the clock to preserve the win.

The Horns played a great game and it was unfortunate someone had to lose. Friday is Parents Night as the Water Valley Wildcats come to town for the final game of the season.

Bronte Longhorn Varsity Volleyball District Champions - (back row) Mandy Dunn, Joni Barrett, Julia Gentry, Courtney Stokes, Wendy Johnson, (middle row) Stephanie Martinez, Melinda Mackey, Kim Hall, Jamie Sullivan, (front row) Jill Johnson, Gina Clayton, and Laura Thomas.

Steers clinch playoffs with Roscoe win

by Bill Burns

The Steers romped and stomped their way to victory last Friday night. Nothing new about that. The Steers scored 33 points last Friday night. What's new? The Steers allowed no points last Friday night. Sooo??? So, the Steers played the Roscoe Plowboys in Roscoe. Roscoe was a very highly rated team. They were picked early on to win district, but the Steers are rolling right along.

With Sterling City coming here Friday for the final game in district, each team has earned a playoff spot.

It would be hard to give this team and its coaches enough credit for what they are accomplishing this year. Each member is giving his all.

This week I'll mention the offensive line. Center Jeremy Fluhmann, guards, Jonathan Torres and Anthony Wink,

tackles Jeremy Burns and Mark Owen are just doing a super job.

1st Quarter

Roscoe received the opening kick but could not get a first down and had to punt. The Steers made a first down but then had to punt back to Roscoe. The Plowboys made two first downs and punted back to the Steers but Jeremy Vincent partially blocked the punt and the Steers had the ball at their own 41 yard line. The Steers made two first downs, then Aaron Hood threw a 33 yard strike to Jeremy Vincent for a Steer TD. The kick failed and it was Steers 6, Plowboys 0.

Cory Pitcock recovered a Plowboy fumble as the quarter came to an end.

2nd Quarter

The Steers got a big first down as Aaron Hood completed a 37 yard pass to Jerrid Vincent. Aaron Hood then threw a 12 yard TD pass to Lee McCown. McCown scored again late in the quarter on a one yard run. The half ended Steers 19, Roscoe 0.

3rd Quarter

The Steers received the kick to start the second half. The Steers moved the ball down to the Plowboy 12 yard line, making four first downs, before losing the ball on downs.

Eric Hood and Jeremy Vincent both got interceptions in this quarter.

Aaron Hood threw a 21 yard TD pass to Eric Hood and Torres kicked the extra point.

The Plowboys had the ball at the Steer 40 yard line as the quarter ended.

4th Quarter

The Steers had six first downs and the Steer defense held Roscoe to minus 26 yards in this quarter.

McCown scored, for the third time on the night, on a one yard run. Torres kicked the extra point as the game ended. Steers 33, Plowboys 0.

Great Job Steers!!!

District championship Friday night against the Sterling City Eagles. Ya'll come watch the game.

Anthony \$1.00 coin for second place, compliments of Robert Lee State Bank. The winners were: Burns' 6th grade - Cayla Jeffrey; Wilson's 5th grade - Jamie Chesshir; Devoll's 4th grade - 1st place Whitney Fleming, 2nd place Amie Kendall; Davis' 4th grade - 1st place Stewart Millican, 2nd place Kimberly Keating.

Dogies still undefeated

by Chad Helwig

Six and 0, that's what the Robert Lee Dogies became after they defeated the Roscoe Plowboys 20-13 last Thursday.

Their first score came on a run by Michael Munoz after the Dogies recovered a fumble by Roscoe. The two point conversion failed. Roscoe came back after a Dogie fumble and scored on a reverse. The extra point was good and put Roscoe on top 7 to 6.

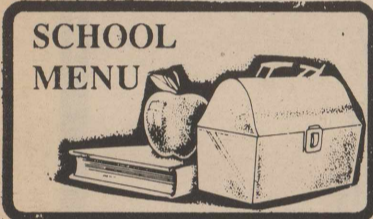

The Dogies scored with less than one minute left in the half. Chad Helwig ran around end for the six points. Helwig ran behind the blocks of the

backs to score two points and end the half.

The second half started bad for the Dogies as they failed on a fourth down conversion. The defense held strong and scored six as Helwig intercepted the ball and ran it in for the final score of the Dogies.

Roscoe countered with a long touchdown pass. The PAT was unsuccessful.

The Dogies will travel to Sterling City to face the Eagles for the season finale. They will try to remain unbeaten and finish the season 7-0. I know the Dogies appreciate the support the fans have given them and will expect to see them in Sterling City Thursday at 6:00 pm. **One more time guys!**

Germania Insurance

Covering Texas since 1896. Property, liability and life insurance

Bill Carwile

When England wanted to cut government waste, a Texan showed them how to trim the fat

Cutting waste in government isn't easy.

That's why, when members of Parliament wanted to make the British government more efficient, they consulted the recognized expert in America: Texas Comptroller John Sharp.

Hardly a surprise, old chap.

Since taking office in 1991, John Sharp and his Texas Performance Review team have set the standard for streamlining government agencies, saving taxpayers a documented \$6.2 billion and helping Texas avoid a state income tax. And his reviews of Texas school districts have saved taxpayers more than \$24 million.

Now he's fighting to cut millions of dollars in welfare fraud and bureaucratic waste by abolishing paper food stamps, which are often stolen and then traded for drugs. Sharp's plan is to replace food stamps with computerized security cards.

No wonder U.S. News and World Report (1/4/94) says:

"John Sharp has become the mastermind behind a sweeping overhaul of the bureaucracy that has put Texas at the forefront of the nationwide effort to...root out waste."

Yet, despite all the additional duties and initiatives taken on by the Comptroller's Office, Sharp still managed to reduce the number of his employees and return \$9 million of his budget to the taxpayers.

Of course, there's a lot more waste in Texas state government just waiting to be cut, so the job is far from over. That's why we need to keep John Sharp on the job.

Counselor's Comments

by Vicky McCutchen

This past spring I attended the Texas Education Agency's Counselor's Conference in Austin. This was a very rewarding experience because I gained information I was able to utilize in my own job. The speakers were excellent, and the material was there for the taking. In the lobby of the hotel where the conference was held, many booths were set up with resource materials designed for teachers, counselors, parents, and anyone else interested in helping kids. I came back with many

Red Ribbon awards posted

This past week was a fun and rewarding week for all who participated in the RED RIBBON activities. There were excellent posters, banners, door covers, and bulletin boards in our school's halls and classrooms. The spirit from our students was excellent. During the week, judges awarded certificates to different groups for their outstanding work. On Thursday the entire school with our #1 Band leading, paraded downtown to the minipark for a short ceremony commemorating the RED RIBBON campaign. President of the BHS Student Council spoke along with Judge Royce Lee and John Fletcher from the Juvenile Justice Center, all with no drug use messages for our community. Our downtown judges were Susan Williams, Jolene Henderson, and Sharon Gibbs. They helped to choose our banners and slogans in the parade. We appreciate all of their support.

The following awards were presented at the pep rally on Friday:

Elementary Bulletin Boards: 1st. Second Grade; 2nd. Kindergarten; 3rd. First Grade. **Elementary Doors:** 1st for K-2: Mrs. Turner's Second Grade; 1st for 3 & 4: Mrs. Poehls' Third Grade; 1st for 5 & 6: Mrs. Pat Lee's Fifth Grade.

Individual Posters: Grade 4: 1st. Sal Randazzo; 2nd. Jonathan Tomes; 3rd. Lindsey Williams. Grade 3: 1st. Joseph Israel, 2nd. Justin Moore; 3rd. Garrett Fiveash. Grade 5: 1st. Katie Frazee; 2nd. Joey Rhodes; 3rd. Callie Walker. Grade 6: 1st. Amanda Bowie; 2nd. Mauragan Bullard; 3rd. Heather Duncan. **Parade:** 1st. Second Grade; 2nd. Fifth Grade.

For the junior high and high school awards: Junior Class - Slogans - 1st; Senior Class - Spirit - 1st; Parade - tie with Juniors and Seniors for 3rd; Sophomore Class - Honorable Mention on Decorations and Spirit; Seventh Grade - 1st in Posters.

For class doors: Mr. Holden's classes - 1st; Mrs. Fox's classes - 2nd; and Ms. Collins' classes - 3rd.

The entire school received a #1 Rating on participation. Thanks to all who helped to get the message across our school and community: "Drug Free Begins With Me". It is a week we will all remember, hopefully throughout our lifetime.

good books for myself, my own children, my husband, our teachers at school, and for parents.

One of the best ways to help yourself and your family to communicate and get along are having the skills to do so. Sometimes in a small community, resources such a counseling, organized group counseling, and classes are not available as readily as in a larger community. One of the cheapest and effective ways to obtain some skills we as parents and community members may need is to read self-help books. It doesn't mean we must agree with all of the information the writer presents, but it does increase our awareness level, and gives us the opportunity to have some other options. It is a challenge raising kids these days, and it is also a full time job.

Listed below are some of the books available in my office for anyone interested: Daily Affirmations for Parents, How to Talk so Kids will Listen & Listen So Kids Will Talk, The What's Happening to my Body? Book for Girls, The What's Happening to My Body? Book for Boys, 1001 Ways to Improve Your Child's Schoolwork, and Active Parenting.

LOOK WHO'S SUPPORTING SENATOR BILL SIMS ...

"Senator Bill Sims has established himself not only as a conservative voice in the Senate, but also as a leader of bipartisan cooperation in state government ... a knowledgeable, but down-to-earth politician who understands the people and needs of this district."

Abilene Reporter-News
Sunday, October 16, 1994

"Sims has been anything but bashful about proposing legislation of his own ... sponsoring 555 bills during his six sessions in the legislature. Because Bill Sims has demonstrated the ability to work with both sides of the aisle and has garnered the respect of his Senate colleagues he would make an effective spokesman in the Senate for Bell County and the rest of Central Texas."

Temple Daily-Telegram
Sunday, October 23, 1994

"He's a rancher, small businessman and a conservative legislator whose credentials already are established around the Capitol in Austin. Sen. Bill Sims is the man we should elect to represent District 24."

Killeen Daily-Herald
Sunday, October 23, 1994

"Bill Sims has been a fierce advocate for agricultural interests in the Senate. He led the successful fight for boll weevil eradication legislation, which will mean millions of dollars a year to producers and the state."

San Angelo Standard-Times
Sunday, October 16, 1994

"The Texas State Teachers Association is committed to excellence in our educational system. Sen. Sims has worked with the TSTA to help us insure a quality education for our students and to improve the status of teachers and other educational employees."

Richard Kouri
President of TSTA

"The 1993 legislative session was one of the most successful for business in many years. A great deal of the credit goes to key legislative leaders like Sen. Bill Sims, who was instrumental in making sure the needs of the business community were so favorably represented in the Texas Capitol."

Bruce Gibson
President of the Texas Chamber of Commerce

"Sen. Sims understands that small business is the backbone of our nation's economy and is fighting hard to resist attempts by state government to mandate benefits that would interfere with small business operations."

Robert S. Howden
State Director of the National Federation of Independent Businesses/Texas

"Not only is Sen. Sims important to us as a senator, we consider him one of us as well. As a farmer and rancher, he is keenly aware of the problems that face agricultural producers. And he shares our concerns about property rights and government regulations."

John Baker
Farm Bureau member

"Sen. Sims was instrumental in ending liberal parole policies that were releasing 150 inmates a day - often violent offenders - onto the streets. Under Sen. Sims leadership, parole has been cut back by two-thirds."

Claude Hart
Executive Director of the Texas State Troopers Association

"Sen. Sims has been a friend to law enforcement throughout his public career."

More About Fish

A growing list of researchers have written about the benefits of eating fish. Among the latest are Dr. Sirving Keli and his colleagues in the Netherlands. Their study of more than five hundred men from the Dutch town of Zutphen began in 1960. The latest follow-up suggests that those who ate more than two-thirds of an ounce of fish per day had a lower risk of stroke than men who ate less. Two-thirds of an ounce is not a lot of fish. It is about one-third of a normal adult serving.

The researchers wrote in the American Heart Association journal, *Stroke*, that evidence is mounting for the benefits of at least one serving of fish per week. They note that most strokes are caused by a blood clot in the brain, which may be reduced by the "omega-3 fatty acids," the polyunsaturated fats found in fish. Their study also showed small amounts of fish were linked to a lower risk of death from heart disease, similar to findings in a number of other studies.

AN OPEN LETTER TO: THE CITIZENS OF COKE COUNTY

Dear Coke Countians;

I have served ALL of Coke County, honorably, with Pride & Integrity, Full-Time for the past 3 years and 10 months!

I pledge to continue being a Full-Time Judge when re-elected!

These are difficult economic times. Total county valuations have been reduced by \$15,917,497, since I've been in office. The total loss of county valuations for the last years has been \$97,250,806.

This loss/reduction is basically oil production/oil price. Needless to say, the cost of running Coke County Government is shifting from the oil industry to you-know-who. I do not have any magical cures for the reduction of valuations, but somewhere, somehow, we must find industry to bring to Coke County, to help build the valuations, or increase taxes or cut costs.

We have reduced the cost/budget by \$272,733 in the past 4 years. We continue to search for new industry as well as cost reductions.

Come check the audited records! Check for yourself. Then you will vote for Royce Lee, County Judge, the experienced, Full-Time County Judge, that is proficient in continuing education in administrative, judicial and probate court, required by the State of Texas.

The campaign's conclusion is nearing, the choice is yours! Who can best serve Coke County and hit the ground running? THE CHOICE IS YOURS!

I sincerely appreciate your confidence, support, and vote for Royce Lee, County Judge.

Respectfully submitted,
Coke County Judge Royce Lee

Square Dancers have busy month

The Happy Harts Square Dance Club had a busy month in October. Saturday, October 1 was the monthly dance at the Bronte Community Building with guests from Winters, Abilene, and San Angelo. They also had their regular dance classes on Thursday evenings each week. On Saturday, October 22, a group went to Abilene for their monthly dance.

Saturday, October 29 was a very busy day. Twenty-three square dancers picked up trash on Hwy. 277 north of town on their "Adopt A Highway" stretch. That evening twenty-four attended The Westerners' Square Dance Association's 5th Saturday Dance. The Winters Square Dance Club was the host. Chips, dip, cobblers, and drinks were furnished.

Square dancing is a popular form of recreation for many citizens. It is a wholesome, enjoyable, family-oriented activity that provides an opportunity for relaxation and fellowship. Why don't you plan on taking lessons beginning in January?

BNH Employees enjoy Halloween

This Halloween was truly a happy one for three employees of the Bronte Nursing Home. At this year's Halloween Costume Contest, Lucy Casares, Becky Elam and Marcella Deanda received a treat instead of a trick when they won first, second and third place victories respectively. Lucy's first-place winning costume was a carnival clown as colorful as her personality with a big red nose that honked. Becky's second-place winning costume was a black cat suit with tail, whiskers, and everything while Marcella's third-place winning costume was as a traditional Mexican Senorita with shining sequined skirt. First-place prize was \$30.00. Second-place was \$20.00 and a gift certificate from a local restaurant and Third Place prize was \$10 and a gift certificate from the same local restaurant. The entire Bronte Nursing Home was filled with spooky-spooks and goofy-goons. Judging was done by: Terry Meyers, Gena Grant, Caroline Lee, Dorothy Collins, and many of the nursing home residents. Everyone had a great time and are already looking forward to next year's contest.

Coke County Library Storytime Trick or Treaters paused briefly for this picture at the mini-park next to the library in Robert Lee.
