NEWS

EDITORIAL

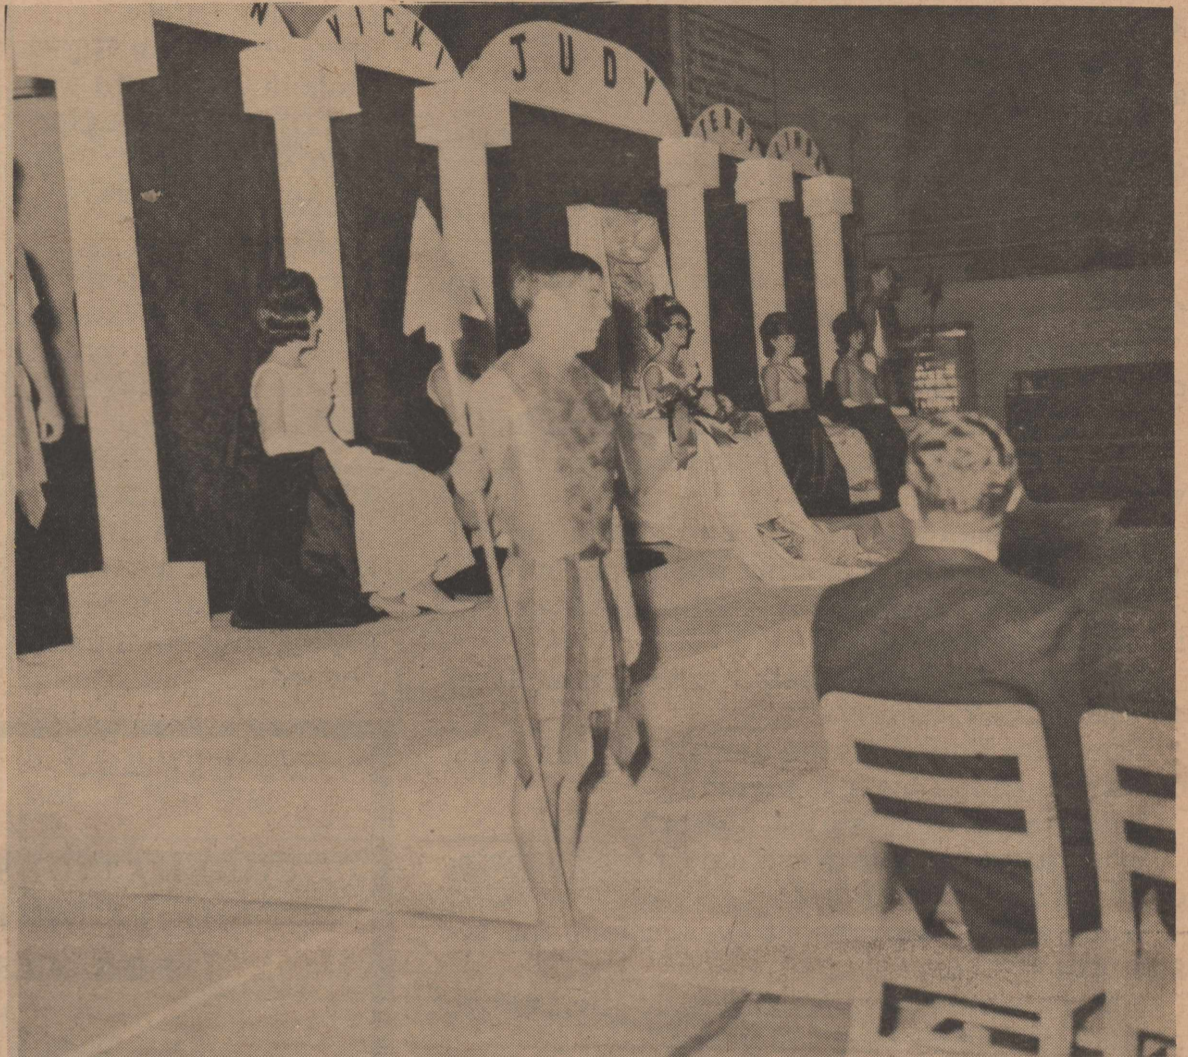

The fall of the year has arrived. The businessman is happy that the farmers are fixing to harvest; the banker is happy that the farmer is fixing to harvest; part time field workers are happy; farmers should be happy. That time of the year has also arrived when many trucks will be hauling grain. Pick-ups will be overloaded with too many hands riding on them; farmers will be pulling trailers to the gins; (yes, I've seen them pull as many as four.)

Tail-lights will be weak; some will get caught on the road late and not have any. The picture of the two cars are being run to remind every citizen of our area that pulling an extra vehicle or an extra trailer is dangerous. This accident happened last Thursday night, ten miles north of Seminole. The driver lost control and turned over the car he was driving and the car he was towing. They were from Mexico and were not seriously injured.

Now then to get back to the business at hand... Please, Mr. Farmer, stop before you pull upon the highway. Please, Mr. Farmer, if ~~is~~ is approaching nighttime clamp on a tail-light. Please, Mr. Non-Farming Resident, WATCH--- the life you save may belong to you. It will be difficult for you to compete with a loaded truck or trailer.

If we can harvest a good crop and all be alive to enjoy it this editorial will be worthwhile to all of us.

HOMECOMING

QUEEN JUDY (BELL) RULES OVER HER COURT AT HOMECOMING

COURT RULES WATER DIST. O. K.

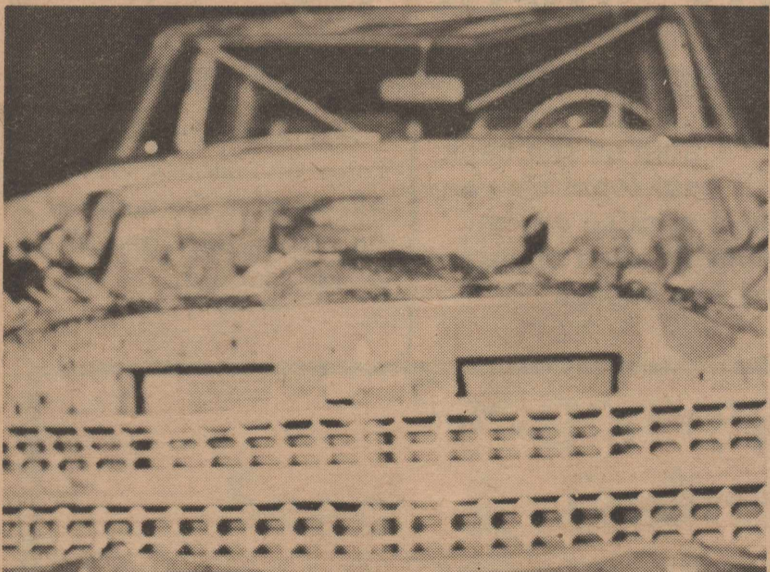

On September 27, 1967, the Court of Civic Appeals rendered an Opinion, written by Associate Justice William E. Claton, which held that the South Plains Underground Water Conservation District Number 4, was valid as created by the order of the Board of Directors of the District, dated August 16, 1966.

Members of the Board of Directors of the South Plains District are: Mr. John J. Kendrick of Brownfield, Mr. Bob Loe of Plains, Mr. Joe Anderson of Seminole, Mr. Claude Herne of Seagraves, and Mr. Doyle Moss of Brownfield. See P. 13

"Hail to thee 'O Seminole" was heard throughout the Seminole High School gym on Friday, Sept. 29 as students old and new came to witness a truly inspiring pep rally and Homecoming coronation. The Indians had really set a regal scene for their Queen. The Roman arches and white columns and real fountain created an era of gallantry and of bravery only out-equalled by our Seminole Indians.

Master of Ceremonies Brent Fullerton announced each Indian as they marched into their golden arena. Then the band started playing their most royal march as the Queen and her attendants made their entrance. Entering first was Robin Hughes, freshman attendant, escorted by David Shuler and by Bobby Spencer; next sophomore attendant, Linda Lawrence, escorted by Jay Anderson and Frank Gady; then junior attendant, Vicki Ray, escorted by Steve Jones and Joe Coffman and senior attendant, Terry Duncan, escorted by Grant Mabry and Tommy Bean entered. As the crowd rose to greet her Queen Judy Bell entered escorted by Mickey Ray and by Larry Cottrell and was seated on her throne, crowned, and presented with her bouquet of Golden Mums and the traditional kiss.

Queen Judy presided over the remainder of the morning ceremonies as the cheerleaders really made the gym echo as they led the students in some spirited yells. The band and twirlers, Nancy Billups and Penny Baker thrilled the audience with their routine. Student Council President, Grant Mabry, gave special thanks to and presented an award to

DO YOU REMEMBER ?

- When a farmer could plant what and as much as he wished?
- When one could sell or rent his property to a person of his own choosing?
- When you could hire a person of your own choice?
- When a business man could pick his customers if he wished?
- When legislators could work and vote freely for the "folks back home" ?
- When the Supreme Court interpreted the laws passed by Congress and the states?
- When the U. S. Constitution was inviolate?
- When our flag was respected all over the world?
- When foreign dignitaries who visited in Washington were not asking for a handout?
- When the President picked qualified men for important positions?
- When the President acted in the capacity of an executive?
- When the United States demanded that other countries fulfill their contracts?
- When there were states rights?
- When aged parents were cared for by their children?
- When there was respect everywhere for law and order?
- When a sentence of 99 years, or life, did not mean a parole in 10 or 15 years?
- When patriotism was not scorned or belittled?
- When the United States settled its foreign affairs without depending on a United Nations?
- When we were, in reality, the land of the free?

One little boy apparently received very little encouragement, praise, and understanding from his parents. When somebody asked him one day what his name was, he replied, "Willie Don't". That's all he ever heard.

4-H CLUB WINS STATE AWARD

The Higginbotham 4-H Club has been selected by the State 4-H Record Judging Committee as the State winner in the 4-H Club Safety Awards Program.

The award is made each year to the outstanding 4-H Club Record submitted in the clubs Safety Program. The Higginbotham record won the District 2 judging held in Lubbock, Tex. on August 15, 1967.

Higginbotham's record has been forwarded to the National Record Judging which will be held later this year.

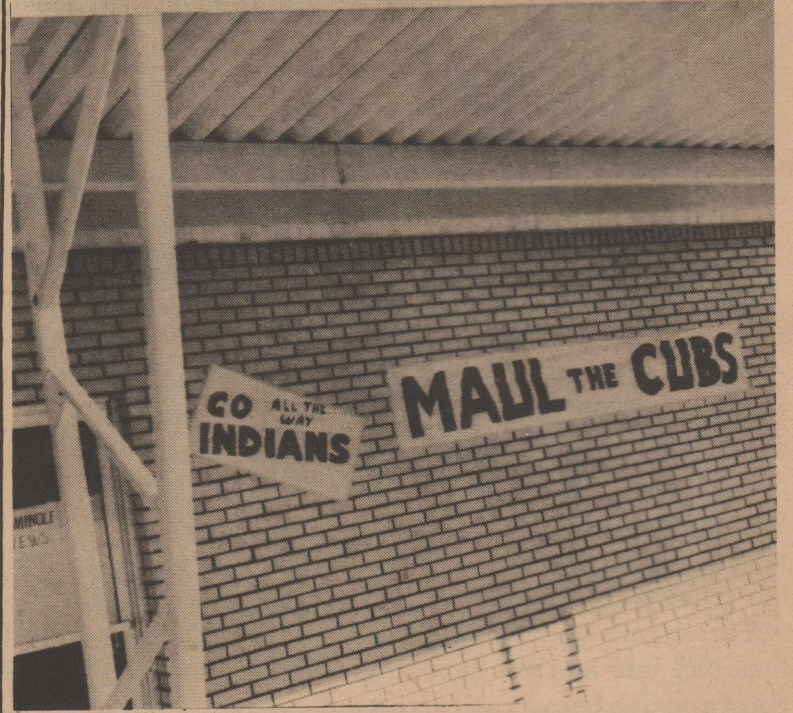

Mrs. Stiles Belcher adult organizational leader for the Higginbotham Club, was instrumental in preparing this outstanding record.

NO TEXAS SIZE BRAG

Can you believe that this is an okra pod -- 7 1/2 inches in circumference -- 24 inches in length and weighs 1 pound 15 ounces??? Charlie Metcalf is shown with such an okra pod that he grew in his garden and wanted the NEWS readers to know that such can be grown in Seminole and is not a Texas size tale.

This drawing is by Johnny Escobedo, son of Mr. and Mrs. Catarano Escobedo. Johnny is in the third grade and his teacher is Mrs. Bonnie Warren.

Q & A

Q. --What three colors is it that can not be mixed?

A. --The three colors are called Primary colors. They are Red, Yellow and Blue. Colors that are mixed from these three are called secondary colors, they are orange, Green, and Purple.

* * *

Q. --Could you tell me what is meant by asymmetrical design in paintings?

A. --This means informal balance of the composition you are drawing or arranging. If the composition is balance it is called symmetrical.

* * *

Q. --Can you tell me a good book that I may buy that will help in learning the art of flower arranging?

A. --Better Homes and Gardens put out a book called Flower Arranging that has color illustrations in it. It also gives you some of the principals and elements of arranging.

NOTICE

Judge Charles Lawrence announced today that there would be a herbicide meeting in the District Court Room at 8:00 p.m. (Discussed will probably be the transportation of herbicides, protection of wild life and herbicide damage to other crops. This meeting will be on Thursday.

TECH STATISTICS
 1966 Finish: Texas Tech, 4 - 6 was 2 - 5 in SWC, for sixth place tilt.
Offenses: Texas Tech--tandem I with split end.
Experience: Texas Tech returns 30 of 44 lettermen; 10 of 44 defensive starters, 4 defensive starters.

Between the seventh and eighth grade games the fourth graders take over. They play just as hard as pros. Seminole Elementary won 6-0.

EIGHTH GRADE DEFEATS DENVER CITY

The eighth grade defeated Denver City, Thursday night, 26-20. Scores were made by Frankie Calderon, Joe Flud and Bobby Tipping. The Warriors completed 4 out of 5 passes for 66 yards. Each team had 19 first downs. The offensive team looked real good again with only one or two weak spots. The defense was not as strong against Denver City as it had been in previous weeks.

Headhunters for the week are Joe Flud and Bobby Tipping.

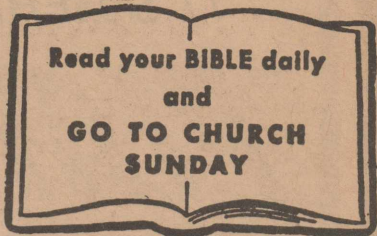

MRS. RUTH THOMAS

TOPS Club

The South Plains Tops Club had a rally day at the Plains Co-op Oil Mill in Lubbock, Saturday, September 30.

Mrs. Ruth Thomas was recognized for losing the most pounds and graduated to the Kops. (She lost 42 pounds in 3 mos.)

Mr. Eugene Davis, of Plainview, was the main speaker. Mr. Davis is the International King. He lost 140½ pounds in

one year.

Those attending the rally day from Seminole were: Mrs. Herman McReynolds, President of the Seminole TOPS Club; Mrs. L. B. Wolfe; Mrs. Aubry Locke and Mrs. Ruth Thomas.

Mrs. Thomas was one of the five graduates.

Seminole Slips By Brownfield

Another T.D., oops sorry, Larry, -- It had to be called back, the pass was thrown from quarterback Ray.

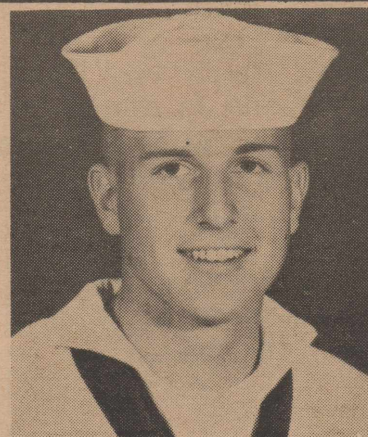

If any Seminole fan wanted Brownfield to play Seminole a tough game and get them ready for the district, they had their wish. The Indians had some let down after a three week scamper, but won 14-6. The Indians had a total of 170 yards compared to Brownfield's 200. In first downs the Cubs had 15 first downs to 14 for the Indians. Jay Anderson ran for both touchdowns or a total of 61 yards for the night. Ray had 53, Spencer, 22, and Cottrell had 20. Seminole lost the ball 3 times on fumbles in the last half and had one beautiful pass for a touchdown called back because of an infraction. Seminole defense still looks great -- only 18 points scored against them for 4 ball games. Seminole fans bow and scrape in appreciation.

With this game gone, let's GET BIG READY for Ector of Odessa!

Third down and twelve, Mickey Ray on a quarterback keeper runs for 20 yards and a first down.

Smoke on the Mountain by Ellen Crain

Set in the Great Smoky Mountains, this is the story of Grandma Weller, who at 90 was still mid-wife and herb healer to the mountain people. When the Government men came to buy the land for a national park, other people sold out and left for the easy life of the valley. Only Grandma and young Homer Simmons tried to save their way of life in the harsh freedom of the wilderness. Then winter came, and they were alone in a desperate struggle for survival.

But Daddy by Tom Buck

The hilarious true story of how Pat and Tom Buck raised eleven children--and survived. As the mother of this brood of six boys and five girls, Pat Buck begins her day at 6:00 A. M. Just breakfast is a task, but along the way she helps dress the younger, inspects up to 110 fingernails, 22 hands and ears (behind and inside) and 11 necks, and hopefully gets the children off to school on time. In this charming book, love, good sense and a whacky zest for living reign together. It is as appealing as only youngsters in assorted sizes can be.

The Least One by Borden Deal

In the depression years in the South, the Sword family has lost its farm and its independence, and is tenant-farming for a big landowner. This is the story of a year in the life of Boy, 12, a year of mingled happiness and sorrow, fights and friendships and near tragedy. His proud father and mother struggle to make a go of it, while Boy finds fun and adventure in exploring the countryside, with his dog, learning to work with a mule, going to school, meeting new people, growing up. A warmly appealing picture of a country boyhood.

WATER DISTRICT

Continued from Page 1
The South Plains Underground Water Conservation District includes that portions of Cochran, Terry, Yoakum and Gaines Counties, as delineated by the Texas Water Rights Commission as Sub-division Number 4 of the Ogallala Reservoir, south of the Canadian River. The original delineation also included portions of Lynn, Dawson, and Andrews Counties, however, in the election creation the Water District, the voters in these counties and cities of Seminole and Denver City voted not to participate in the district.

Mr. Kendrick, the President of the Board of Directors and spokesman for the District said, "Assuming there is no appeal to the Supreme Court of the State of Texas, this ruling opens the door for the District to begin serving the people in it's intended capacities."

A shower honoring Miss Connie Powers, bride-elect of Raymond Lambert, was given in the home of Mrs. L. G. Daugherty from seven-thirty to nine o'clock on Monday evening, October 2. The table was laid with a cut-work cloth in the bride's colors of white and blue, and was centered with a flower arrangement of the same colors, flanked by white candles in silver holders.

Mrs. W. M. Wicker and Miss Lucy Calderon served. Blue flowers in an ice ring floated in a bowl of frosted punch. Squares of cake iced in white were decorated with blue rosettes.

More than fifty guests and hostesses were registered and numbers of friends who were unable to attend sent gifts. Guests were registered by Mrs. Ulna Rash.

TB TESTING SET FOR FIRST & SEVENTH GRADERS

The Seminole Schools, in cooperation with the West Texas Tuberculosis Association and the Gaines County Health Department, will offer tuberculin test for all first and seventh grade children on Tuesday, October 17.

This action is in line with an act of the 59th Legislature which required such testing for all school employees and strongly recommended it for all Texas first and seventh graders each year.

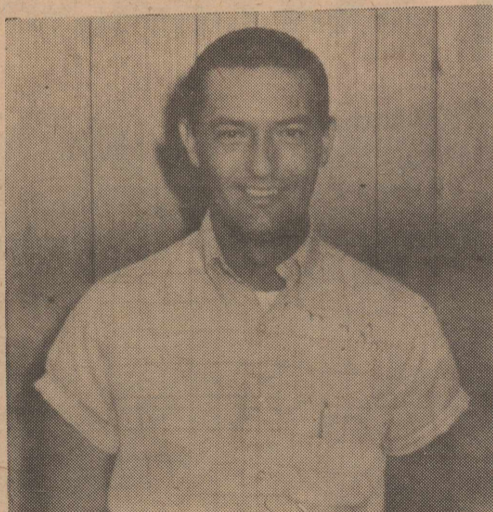

The test will be the Heaf test consisting of an injection under the skin and will be given by local school nurses and the county health nurse. There is no cost for the test but the child must have a permission blank signed by

the parent before he may be included in the program.

First and seventh graders will shortly be bringing such blanks home for the parents to sign and return to the child's teacher, school officials said. Pointing to the increasing number of new cases of tuberculosis discovered each year, officials strongly urged parents of children in these grades to be sure their children return the permission slips to the school, so that all children in these grades may be included in the testing program.

SECTION II SEMINOLE, GAINES COUNTY, TEXAS

Seminole News - October 4, 1967

**THE FIRST 'DEEP BREAKING RIG' OF
GAINES COUNTY - 1927 -**

Many things have contributed to the building up of Gaines County. Among them are: oil, water, and the 'deep breaking rig.' This picture shows the first 'deep breaking rig' in Gaines County.

Mr. J. E. Woodard, 110 Ave. D NW, contracted for the county equipment to break 12 acres of land on his farm west of Seminole. Shown are Frank Kuykendall (sheriff at one time), Babe Howell and A. K. Cunningham. Also in the picture are two of the Woodard boys.

If oil paid the taxes and water sustained us the 'deep breaking rig' made it possible for us to stay. The maintainer was breaking from 18 inches to 2 feet, and it pulled one section of a harrow to help smooth the ground out. Mr. and Mrs. Woodard said, "We made 50% more that year on the deep broke ground than we made on any adjoining ground around. People came from Kansas, Oklahoma, and many other places to see this." (OUR THANKS to Babe Howell for the picture and to Mr. Woodard for the information.)

Bill Moore of El Paso was home with Larry Phillips and Ronnie Dulin this weekend. They are all students at Sul Ross State College in Alpine.

David Cummings, son of Mr. and Mrs. John O. Cummings, was home for Homecoming from Big Spring where he attends Howard County Jr. College.

HOMECOMING STORY

FIRE FIRE PREVENTION WEEK, OCT. 8-14

Escape: First Rule of Fire Safety

Exactly what would you do if right now you heard the crackle of fire in your kitchen? Exactly what would you do if in the middle of the night your family was sleeping soundly and you awakened to the smell of smoke?

People who don't have ready answers to these questions are risking their family's and their own lives, declares Fire Chief Jimmy Pierson. For these are the people who don't know how to act when fire strikes in the home.

The first rule of safety from fire is escape: get everybody out at the very first signs of fire. But unless you have done some thinking and planning, you may not be able to escape. National Fire Protection Association studies show the great majority of the 6, 500 U. S. lives taken by home fires last year were needlessly lost because of failure to pre-plan and rehearse escape measures.

Here are pointers to help you plan:

1. Carefully figure out at least two routes to the outside from every room in the house, especially bedrooms. Allow for blocking of stairways and halls by fire.
2. Particularly for nighttime fires, remember that closed bedroom doors will hold back flame and smoke, allow extra time for escape.
3. For upper floor escape, use any available porch and garage roofs, ladders, or trees as ways down to safety. Be sure exit windows work easily, and that they are low and large enough to get through.
4. Pick an outside assembly point where the family will meet, and be sure everyone understands the rule "once out--stay out."
5. Know how to call the fire department, by street box or neighbor's phone, and do this as quickly as the house is clear of people.

Members of the Seminole Volunteer Fire Department are: Jimmy Baker, Charlie Benson, Glenn Cavitt, Paul Combs, Dale Earl, Harlin Hitch, Billy Houston, Andy Lammons, Rex Long, Glenn Martin, Buster McCullough, Wayland McCullough, John McPherson, Bud Norris, James Patterson, Joe Pattie, Jimmy Pierson, Cecil Reid, Jerry Reid, Paul Richeson, Bill Webb, Sammie Webb, Wesley Barnes and Bill Barrett.

Mrs. Alfa Simmons for her 14 years of service to the Seminole High School Student Council. Brent Fullerton gave awards to Mrs. Raymond Parker, 1927 graduate, for being the earliest representative of a Seminole graduation class present and to Karen Ray who travelled 1400 miles round trip to attend the ceremonies (farthest distance came.)

The class of honored 1958 graduates was introduced next and those present were: David Anderson, Seminole; James Luttrell, Lubbock; Celesta (Golden) Vaughan, Houston; Ann (Lockridge) Egger, Odessa; Peggy Jones, Midland; Shirley (Richardson) Warlick, Midland; Patsy (Briggs) Cooke, Midland; Gwen (Bonner) Daughtery, Irving; Janice (Stogner) Hawkins, Seminole; Francis (Apple) Barnes, Lamesa; Mary (Matthews) Grisham, Seminole and Sandra Ward, Seminole. Mrs. Celesta (Golden) Vaughan, valedictorian of the Class of 1958, was guest speaker and represented her class and Seminole High School giving that extra spark needed for Homecoming!

The cheerleaders then led the Indians' fans fightin' yells, and Coach Six gave the Indians a Pep Talk toward victory followed by more cheers.

The ceremonies ended as the Queen and her court made a grand exit leaving guards Ricky Thornbury, Tommy Harrell, Craig Fullerton, and Don Jay Coffman left guarding the throne. Refreshments were served for the Exes in the foyer of the gym following the activities. It was really a pep rally that would set any team of Indians ready for the war-path against the Cubs.

A HEARTY THANKS TO SOMEONE

Seminole has a lot of nice people. This we've always known. Mrs. Gertrude Farrar called in the NEWS office to thank some anonymous person. Someone made a garbage can stand and put it up for her. She has been unable to find out who the nice person is. This is a thank you to whoever you are from Mrs. Farrar.

SISTER OF SEMINOLE RESIDENTS DIE

Funeral services were held for Mrs. Wilma Leona Steelman, 54, who died September 25, in an Amarillo hospital at the First Baptist Church, Bovina, with the Rev. John Ferguson of Denver City and the Rev. A. C. Hardin of Carbon officiating. Burial was in the Bovina Cemetery.

Among survivors are two brothers, John and Gentry Hobbs, both of Seminole, and three sisters, Mrs. Mae Owens of Seagraves and Mrs. Polly Goldberger and Mrs. Louis Holt, both of Seminole.

Jackie Squires was in Hobbs Monday. She visited with Mrs. Charles Featherston, former Seminole resident. Imogene says she is enjoying the Seminole News.

Turks Turban ornamental squash were planted the first of June on a twenty acre plot on Barrett's Produce Farm, west of Seminole. Last week the loading of the first truck took place. The Turban squash were going to Odessa for market. Not good to eat, (because they are not flavorful) the squash are for looks only. When small they are pale green and begin their odd shape when blooming. The market looks good for these. They are valued for their decorative and conversational purposes. The squash weigh from 3-10 pounds. They are not sold by weight. The squash were watered once. The seeds look like oversized squash seed. The texture is similar to pumpkins and they smell like cucumbers.

The first play of the game showed the story of the game between Seminole's B-team and Denver City---Seminole fumbled. After six plays Denver City led 6 - 0. A pass from Quarter - Back Danny Whisenhunt to Walker was good for 18 yards. It only took 8 plays for Ronny Dunn to carry it in for the touchdown after the 70 yard drive. The point after was good and Seminole led 7 - 6. Buddy Bailey looked real good on defense. The B-team moved good, but they just couldn't score. The half ended with Seminole leading 7 - 6.

In the third quarter Seminole fumbled deep in their own territory. Denver City then passed (in what we hope is the most unusual play of the season) and from 20 yards out Harry Wallace intercepted and ran for the touchdown--he thought. Only to find out he had run to the wrong goal. (Harry, please let this be an asset not a liability. W. W. once shot at the wrong goal in a basketball game.) Denver City was awarded 2 points and led 8 - 7. Seminole fumbled again, and Denver City collected 6 more points for a 14 to 7 lead.

Ricky Partain received the kick-off and on a fine return carried the ball to mid-field. Rubin Garza carried for 20 yards; then 3 yards. Thornbury carried it in for a score of 13 - 14. Denver City recovered a fumble in the fourth and scored their third touchdown on Seminole's errors. The final outcome was Seminole 13 and Denver City 22. Our B-team is playing too good to continue to receive the bad breaks!

Mrs. Ernest Curry and children of Odessa spent the week-end with her mother; Mrs. O. Y. Lockridge and attended homecoming. Mr. Curry was in Dallas and attended the Dallas Cowboy and Los Angeles Rams game.

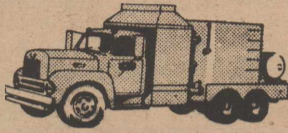

He tipped it once---He tipped it twice---It fell incomplete.

STATE CONVENTION SCHEDULED OCTOBER 26 - 28

Outstanding speakers of state and nationwide reputation will headline the program of the 64th annual state convention of Texas Farmers Union scheduled to begin its three-day meeting on Thursday, October 26, at the Ko Ko Palace in Lubbock.

"We are expecting a record attendance and will have a program worthy of the large turnout and the fine image of Texas' fastest growing farm organization," Texas Farmers Union president Jay Naman of Waco said.

Among the speakers who are scheduled to appear are National Farmers Union President Tony T. Dechant of Denver, U. S. Senator Ralph Yarborough, Cotton Producers Institute board chairman Russell Giffen of Huron, California, Agriculture Commissioner John White of Austin, State Department official Jim Boren of Washington, D. C., former Secretary of Agriculture Charles Brannan of Denver and National Farmers Union Insurances Manager Ray Novak of Denver.

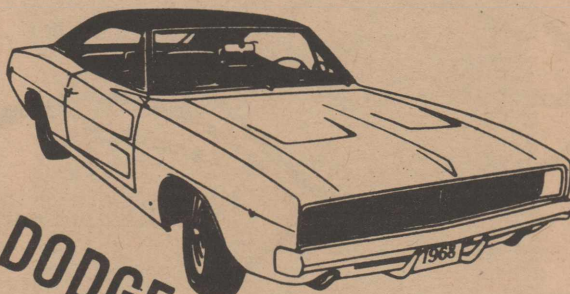

A special program of "commodity discussion" will feature a talk by National Farmers Union Director of Organization Dwyte Wilson of Denver; and commodity leaders from across the state have been invited to participate in discussions centering on bargaining power for producers.

The convention will adopt a policy program comprised of resolutions from affiliated county organizations and will elect state officers and delegates to represent the Texas unit at the National Farmers Union convention.

Seminole is making a football town for the first time in several years. Even the seventh grade has a good following. A seventh grade mother was in the stands early to see her son practice.

Donald Roberts, quarterback for the seventh grade intercepted a pass on the 20 yard line and returned it for a touch down. Burt Bennett went 35 yards on a hand-off to make the score 14-0.

Denver City began the fourth quarter by scoring. They scored again with 35 seconds left in the game, but missed both tries for the extra points. The final score was 14-12.
