NEWS Editorial

In a special city council meeting Monday night, the city sales tax was discussed at length. The city council is asking the registered voters of Seminole to vote for the sales tax so that streets can be repaired and additional work done on the water system. It was stated that an engineer had reported our streets need \$45,000 worth of work now. Also water continues to be a problem to Seminole like it is in nearly every other town.

Let's face the reality of the constant rise in prices, salaries, and inflation. On a national scope, inflation will average 2 to 3% admitted. This writer believes more like 4 or 5%. It would be foolhardily for any of us to not admit that it cost more to live today than it did five years ago or three years ago. It takes more money to run the school, the city, the county, etc.

A sales tax will be spread over every segment of the economy. Everyone will pay some. It is reported that a family of four making \$5000 income a year will spend \$15 to \$20 a year in sales taxes, one making \$7500 income a year will spend \$20 to \$25 a year, and one making \$10,000 income a year will spend \$25 to \$30 a year.

The one per cent sales tax will be collected only on the items that the two per cent state sales tax is on today. It will be collected exactly in the same way - - sent to the state and they will send it back to the city. The State Comptroller's office will charge two per cent for collection and handling or two cents out of each dollar.

Of eighteen cities and towns that have voted on the sales tax, Electra is the only one that defeated it. By the first of the year, there will be at least one hundred other towns in Texas that will vote. Included in those towns about the size of Seminole are: Wharton, River Oaks, Lockhart, Lake Worth, Grapevine, Georgetown, Forest Hill, Breckenridge, and Alpine.

Some of the questions that might be asked are:

Q. What items are subject to the 1% municipal sales tax?

A. The 1% city sales tax is applicable only to those sales now taxed under the State Sales & Use Tax Act. See Questions Answered page 11

*I love you
Dr. Hood*

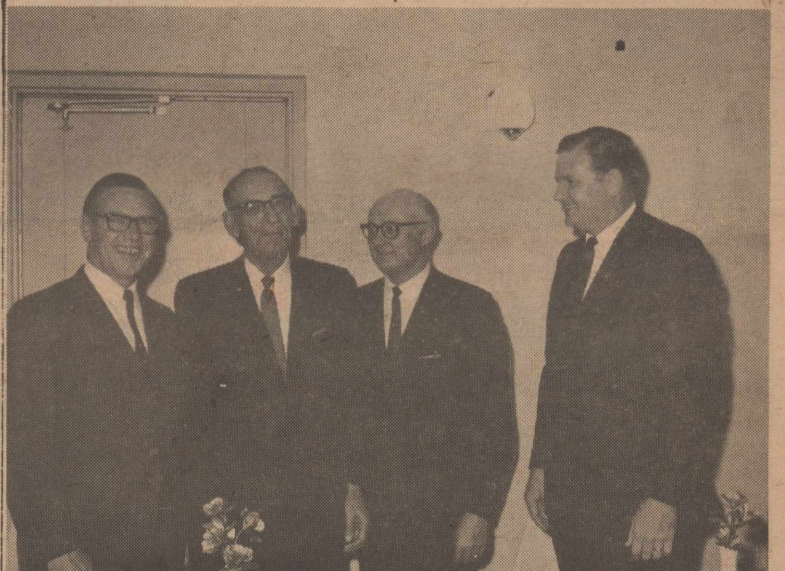

Antonia Bosquez, daughter of Mr. and Mrs. Jose C. Bosquez, wrote on the picture, "I love you, Dr. Hood" and drew a hyperdermic needle with a face.

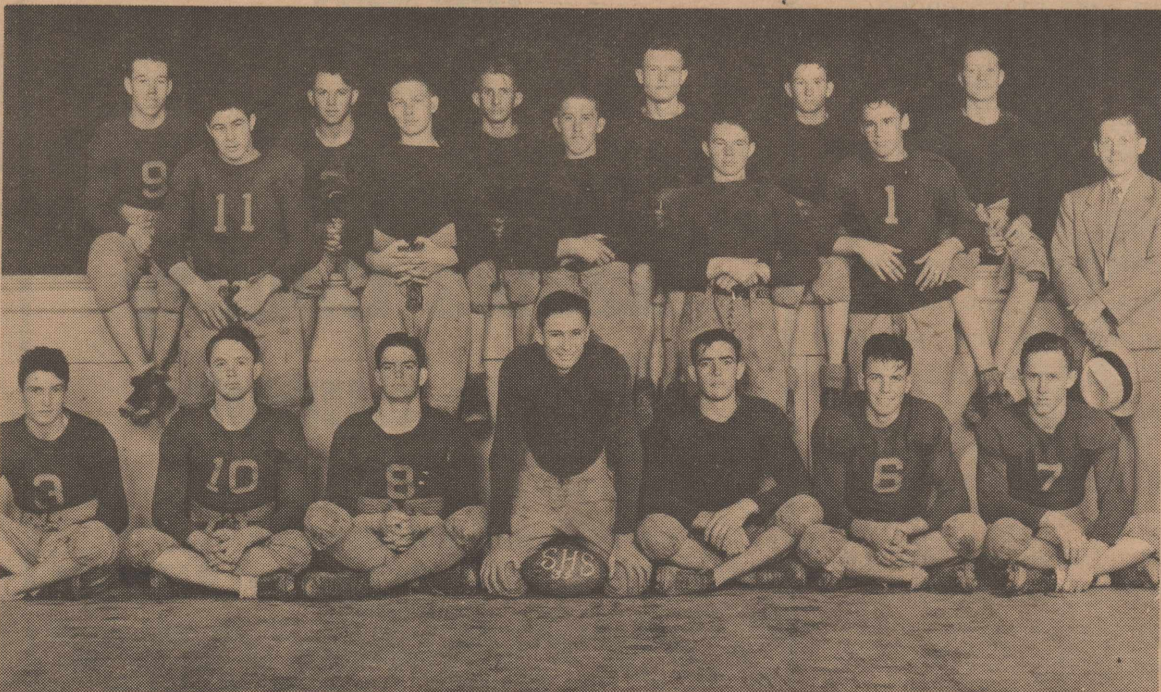

Seminole residents were honored by visitors on Tuesday. From left to right, H. J. (Doc) Blancherd, State Senator; Joe Anderson, Local County Democratic Chairman; Preston Smith, announced candidate for Governor; and R. G. (Randy) Pendleton, State Representative. Pendleton spoke to the teachers Monday night and at the Lions Club Tuesday noon. West Texas, Gaines County, and especially Seminole would be pleased to have a Governor of the character of Preston Smith. The NEWS wishes him success in his race for Governor. A coffee in Smith's honor was held at the Raymond Restaurant.

PARADE

The Chamber of Commerce announced that the annual Christmas parade is being planned for December 8 or 9. All clubs and organizations in Seminole are invited and urged to take part in the parade. Several groups have already indicated that they plan to enter floats in the parade. If anyone needs more information concerning the parade, or if you plan to enter, please contact the Chamber Office at 758-2352.

Farm hand

With Cotton

The John Hobbs farm is three miles west of Seminole. The cotton stripper is working in Paymaster III that was watered three times. He fertilized the ground with 70 units of nitrogen and 60 units of phosphorus. It had had shed leaf used on it to drop the leaves. His lint turnout was 25.5%. He is ginning two 500-pound bales plus per acre. His machine was doing a good job.

Norciso Contreras is running the machine on the John Hobbs farm. Note the basket on the trailer which has become a necessity in the past two or three years because of shortage of field hands. A two-row machine will pull from ten to twenty bales of cotton a day depending on how early they can get started in the morning and the density of the cotton.

Picture No. 1 shows a trailer loaded with cotton. No. 2 shows a close up of a stripper. No. 3: Note how good a job the stripper is doing.

WACO--(Spl)--Final 1967 membership tabulation shows Texas Farm Bureau now has 105,653 member families, according to Wayne Little, TFB organization field services director.

Farm Bureau gained 4,727 member families during the past membership year which ended Oct. 31. It has doubled its membership in the last fifteen years, having gained each of the fifteen years.

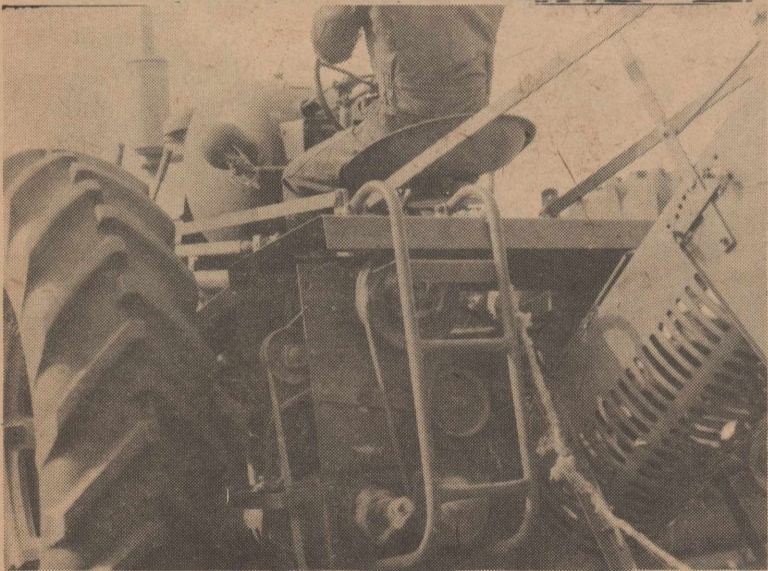

Nine of every 10 Texas farmers and ranchers who belong to a general farm organization are members of Texas Farm Bureau, Little said.

There are 203 organized counties in the Texas Farm Bureau. The organization is supported by voluntary dues-paying members. Dues vary by county; the average is about \$10-\$12.

Personal

Weekend visitors in the home of Mrs. Clara Lambert were her daughters and families, Mr. and Mrs. E. L. Wright, Lynn and Joline, from Levelland, and Mr. and Mrs. C. B. Sharbutt and Corky of Austin. The Sharbutt's daughter, Charley Kay, student at West Texas State University, Canyon, met her parents for the weekend. They attended their brother's wedding, Raymond, to Miss Connie Powers, Saturday night.

A 'Thank You'

To The Firemen of Seminole:

You cannot know how dedicated our firemen are until you have a disaster such as occurred in Seminole last Sunday. Without any thought for personal damages or the fact that in no way was the fire of any personal consequence to anyone of the firemen, they fought the fire as if it were the personal property of each of them. We have a lot to be thankful for here in Seminole that a group of men will dedicate themselves to such a thankless task of fighting other people's fires.

We should all stop and reflect for a moment and say a personal "thank you" to the firemen of Seminole.

There is no way that we, who were touched so close by the disaster, can express our appreciation for what you did for us. Please accept our personal thanks to each one of you.

How shall we tell
A child to dwell
With honor, live and die
For truth,
We who have lived a lie?

How shall we say
To him, "The way
Of life is through the gate
Of love,"
We who have learned to hate?

How shall we dare
To teach him prayer
And turn him toward the way
Of Faith,
We who no longer pray?

How shall we teach
A child to reach
Beyond himself and touch
We who have stooped so much?

EIGHTH GRADE

The eighth grade has completed the season with a perfect record of 9 wins and 0 losses. They defeated Levelland Thursday night 22-0.

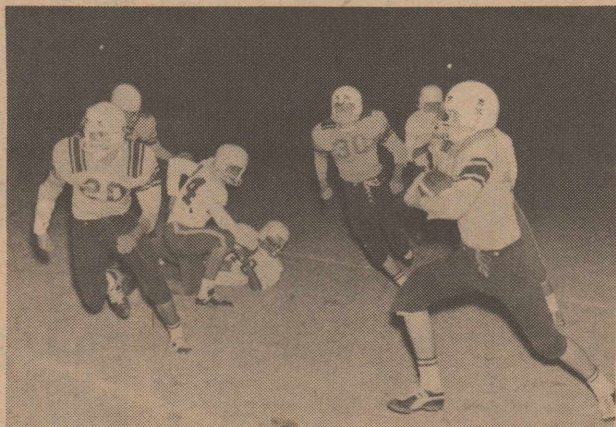

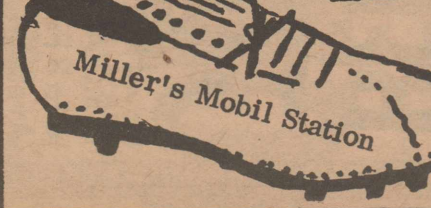

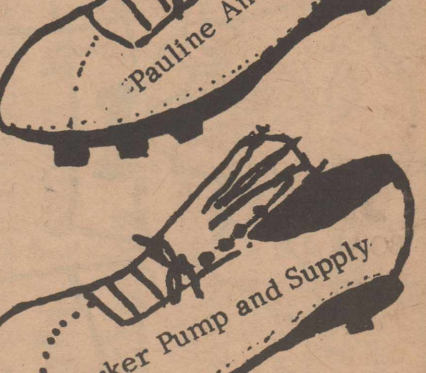

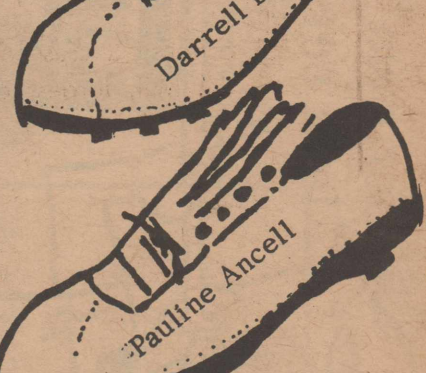

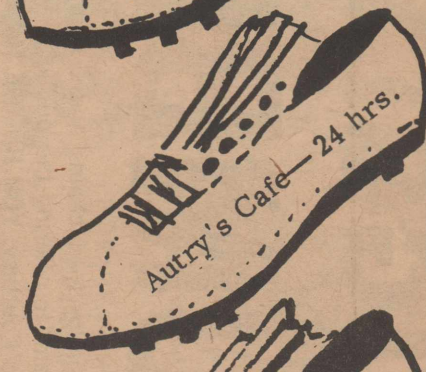

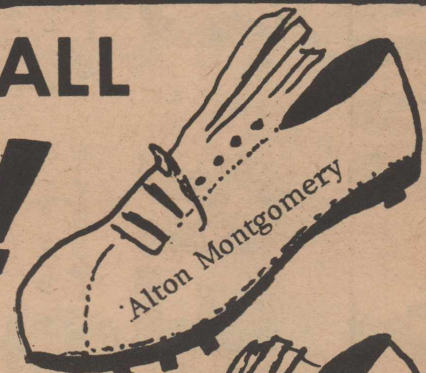

Touchdowns were made by Frankie Calderon and Gary Don Ray, who made two. These boys also made the four points after touchdowns.

Passes were intercepted by Wendell Miller, Frankie Calderon, and Gary Don Ray. Frankie Calderon recovered a fumble.

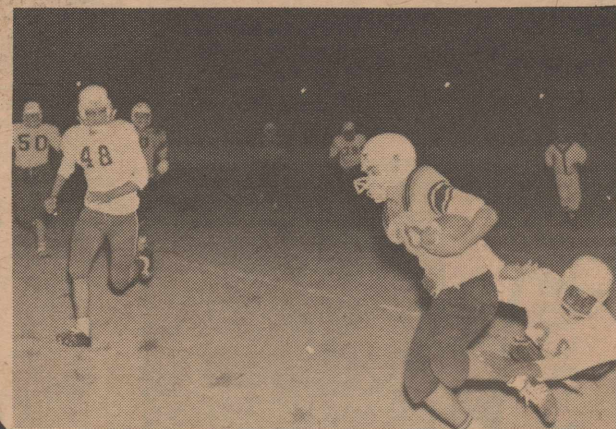

Named as headhunters were Wendell Miller and Frankie Calderon and all of the defensive team.

We don't know who was happiest over this win, the boys or the coaches!

1935 FOOTBALL from page 1

There are several interesting things about the picture - where No. 4 and No. 5 were - the NEWS has been unable to find out. Notice the oblong cleats on the front and bottom of the football shoes. Note the long stockings on No. 8. Most everyone in those days played barelegged. You can tell by looking at this crew that they did not have a safe turf of grass to fall upon, but were used to sand, grass burs, and hard knocks.

"That was during the time when Seminole did not have too much money. We were lucky to have uniforms much less numbers on them. Our record was about 8 - 2 in 1935. Andrews was the team to beat in our day also. I remember one time when we went to Brownfield for a scrimmage practice. We were to practice against their second team. Their coach asked our coach if it would be all right for their first string to make a few plays against us. (Their coach thought it would be a runaway.) We scrimmaged for about forty-five minutes or an hour. He never put in his second team. Their first team never scored. We scored four or five times."

"Laundering in those days was a real problem - the school did not have the facilities, the mamas did not like to, and it was difficult to take it home to get it done. I can hear that coach now as he tries to get them to clean up their uniforms."

(Thanks, Mrs. Glenn Rhea, for the picture, and Fred Rice, Jr., for the identification.)

Study Club

On November 20th, the Beta Sigma Phi, Pink Ladies and Junior Study Club will jointly sponsor Dr. John Selby, president of the Texas Tuberculosis Association, and immediate past president of the West Texas Tuberculosis Association. The Lubbock physician will address a joint meeting of these groups at 7 p. m. in the audio visual room of Seminole High School.

His topic will be "Area Organization" and will explain the how's and why's of a recent move by the state association to redistrict and reorganize tuberculosis associations throughout the state. He will explain also, just how this reorganization plan has affected and benefitted Seminole residents.

He will be introduced to the group by Roger Pool, Seminole's Christmas Seal Chairman, and former WTTA board member.

The Pink Ladies and Beta Sigma Phi will also sponsor the WTTA Christmas Seal Mobile Unit in downtown Seminole from 9 until 6 o'clock on Wednesday, November 29.

Questions Answered

- Q. Does the city sales tax apply to sales at wholesale?
- A. No, only to retail sales. Goods sold for resale are not taxable.
- Q. Are city sales tax payments deductible on our Federal income tax reports?
- A. Yes.
- Q. Who can vote on the 1% local sales tax?
- A. Any registered voter in the city. A simple majority is required to put the sales tax into effect.
- Q. To whom will the local merchant report and pay the local sales tax?
- A. Reports and remittances will be made to the State Comptroller in Austin.
- Q. Who will enforce the municipal sales tax?
- A. The State Comptroller is authorized by law to administer and enforce the local sales tax.

(The next issue we will have other questions and answers on the sales tax.)
 Clarence Wright, Mayor, thinks that the sales taxes will bring in \$30,000 to \$35,000, Mr. Freeman, City Attorney, \$30,000, and this writer, \$23,800.

Ector On Probation

The Executive Committee of the District 2-AAA met Tuesday morning in Kermit. The meeting was to discuss a violation by Ector of the scrimmage rules as set forth by the Interscholastic League of Texas. Ector admitted that they were in violation of this rule, which states that a team is allowed two scrimmages and there must be seven days between the scrimmages. Ector had two scrimmages within six days.

It was decided by unanimous vote to put Ector on probation for the 1968 football season. There was no forfeit of games involved, and Ector will represent District 2-AAA in the playoffs. Ector will meet Dumas in Odessa in a Thanksgiving weekend game. The exact time and date have not been decided.

Superintendent of the Kermit schools, Tommy Thompson, who is district chairman of the Executive Committee, presided at Tuesday's meeting. The committee is comprised of the superintendents of each school in the district. Attending the meeting from Seminole were James Brammlett, Superintendent, V. N. Keyes, High School Principal, and Jake Harrell, Athletic Director.

A 1958 model Ford Station Wagon, driven by Jimmie A. Willison of Woodard, Oklahoma, ran off the pavement on the right hand side and lost control of the vehicle. The car skidded and rolled over several times and almost hit an approaching car head on. The accident took place north of Seagraves in the edge of Terry County, just as you approach the curve to cross the railroad. Bonita May Willison was the only passenger. Both driver and passenger are reported to be in critical condition.

Indians Win Over Stockton Panthers

For razzle dazzle the Seminole Indians saw more Friday night than they had seen previously. From bounce passes to jump-aways, the Indians finally shot down the Panthers 34 - 23.

Fort Stockton scored first on a 30-yard field goal. The lead was short lived as Bobby Spencer broke away for half the length of the field for six points.

Seminole fans settled back in comfort after Ray passed to Terry Kuykendall and converted to make the score 14 - 3, but Fort Stockton did not play dead. They rushed back before the half to close the gap and make the score 14 - 10 at half-time. The Indian defense gave up 237 yards on the ground and 88 yards

passing, but the Seminole offense was at its best making 334 on the ground and 111 yards passing.

Cottrell made another one of his real catches in the third quarter to shoot the Indians to 21 - 10. Fort Stockton came right back to make their score read 17 points.

The Indians had twenty-one first downs to eighteen for the Panthers. Penalties hurt Fort Stockton as they had six for 59 yards; Seminole only had twenty yards.

They are rejoicing over a job well done.

The B team whaloped the Levelland B team 61-32. Every Seminole player played and did a good job. Danny Whisenhunt passed to Mike Walker for the first touchdown. Whisenhunt kicked the point and Seminole was off and flying. Mike Walker caught another pass good for 40 yards and ended up on the 3 yard line. Charles Berry went in for the score. He carried again for 35 yards and Howard Baker went in for the touchdown making the score 21-8.

The next two touchdowns were scored by Ricky Thornberry. Mike Walker intercepted a pass and failed to score for the first time that they had the ball in their possession. The half ended 35-8.

Tommy Harrell blocked a punt in the third quarter and Thornberry carried the ball in for another touchdown. Thornberry couldn't be stopped; on a screen pass he scored again. The scoring was passed around, Bruce Agnew scored and then Luther Miller scored.

Outstanding on defense were Chris Barbee and Ronnie Somers.

Mrs. Rusty Freeman visited church Sunday with Mrs. Arnold Smith and children.

The Golden Anniversary celebration at the Ashmare Baptist Church for Rev. and Mrs. Joe C. Thompson was a pleasant success for everyone. About 300 guests called by to wish them many more successful years. Their two sons and families were present. The sons are both ministers and both live in California.

SORORITY MEETS

Tau Upsilon Chapter of Beta Sigma Phi met Monday, November 13, at 7:30 p. m. in the home of Mrs. Jimmy Calvert, 509 S. W. 17th Street.

Mrs. Monte Paxton, president, presided over the business meeting. Plans were made for the annual Thanksgiving banquet for members of the organization, which will be held Thursday, November 16, at 7:00 p. m. at the Gaines County Party House. It was announced that Fred Barbee, 501 S. W. 15th Street, won the football tickets to see the Dallas Cowboys and the Washington Redskins this weekend, plus a night's lodging and twenty dollars expense money. The sorority also voted to send \$100 to the State Project, Girlstown.

Mrs. Roy Basham and Mrs. Stan Basham presented the program on "Poetry". Mrs. Roy Basham told of the different types of poetry, and its rhythm, melody, harmony, tone, color, and form. She pointed out that poetry is used in the healing of psychiatric patients. Mrs. Stan Basham read the poem "The Ballad of Judis Iscariot" by Robert Buchanan. The members then discussed what poetry meant to them in their everyday life.

The hostesses, Mrs. Jimmy Calvert and Mrs. Larry Carlisle, served carrot cake, nuts, coffee, and cold drinks to the following members: Mmes. Roy Basham, Jack Combast, Jimmy Owens, Stan Basham, Herman McReynolds, Glen Martin, Larry Carlisle, Monte Paxton, Jerry Anderson, Pat Randel, Bob Harlan, Eddie Balentine, Gail Barnett, Dick Kephart, Garland Foshee, and a guest, Mrs. Charles Carter.

Mrs. Jimmy Owens won the door prize, a cloth calendar.

The next meeting of the sorority will be at 7:30 o'clock, November 27, at the T. V. Cable room. The hostesses will be Mrs. Herman McReynolds and Mrs. Jimmy Owens. The program "Verse-Making" will be presented by Mrs. Bob Harlan and Mrs. Dick Kephart. Each member was asked to bring a poem they composed.

SEMINOLE NEWS

Section II Seminole, Gaines County, Texas

You have seen the football team representing Seminole in 1935. They played eleven strong. Seminole also had eleven on their faculty that year. Dewey Davis, Superintendent; Winifred Halley, English; Louise Campbell, Seventh Grade; Ura Merrick, Second Grade; Eddie Lynn Howell, First Grade; Fay Singleton, Fourth Grade; Ouida Middleton, History and English; Ruth Barton, Fifth Grade; Doll Birdwell, Sixth Grade; Louise Brock, Third Grade; and Andrew Jenkins, Math. The background was the building completed in 1931, the present Junior High School. Dewey Davis would have a hard time folding his arms like that in recent years. It took twice as much material to make a skirt in those days.

Anyone can sing in a shower, but what about in a storm?

Citizenship and Patriotism

The High School Choral Group under the direction of Miss Karen Hausenfluke sang "America, the Beautiful" and the "Star Spangled Banner" at the ball game between Fort Stockton and Seminole last Friday night. The NEWS hopes that everyone in Seminole enjoys the raising of the flag and appreciates the freedom and the attributes of our size town.

MISS INICE ANN WOMBLE

Wedding Date Set

Rev. and Mrs. Roy O. Womble, 2114 Yukon Road, Odessa, announce the engagement and forthcoming marriage of their daughter, Inice Ann, to Preston Eugene Beeks. Mr. and Mrs. Marvin Beeks are parents of the future bridegroom.

Miss Womble is a graduate of Monahans High School and is presently employed by Seminole State Bank. Her fiancé is a graduate of Seminole High School and is presently attending Wayland Baptist College in Plainview.

The couple plan marriage vows December 30, 1967, at the Trinity Baptist Church at 7:30 P. M. with Rev. Roy O. Womble officiating.

Mr. and Mrs. Raymond Lynn Lambert

Vows Are Exchanged By Couple

Miss Connie Lynn Powers and Raymond Lynn Lambert were married at 7:00 p. m. Saturday, in the Avenue B Church of Christ with Tom Coffee, minister, officiating the double ring ceremony.

Parents of the couple are Mr. and Mrs. Wallace E. Powers, Andrews Highway, and Mrs. Clara M. Lambert, 306 N. W. Second Street.

The wedding party stood before an arch of greenery entwined with white carnations with a tall basket of white carnations and ferns on each side.

Miss Merry Teston was maid of honor. She wore a blue suit and carried a bouquet of white carnations.

The bridegroom was attended by Gary Smithers as best man. Ushers were Kenny Powers, brother of the bride, and Randy Dulin.

Given in marriage by her father, the bride wore a street length dress and coat of double knit winter white. Her circular veil of illusion was attached to a crown of tiny white rosebuds. The bride carried a cascade of white rosebuds and stephanotis.

A reception in the Gaines County Party House followed the ceremony. The couple will reside at 513 N. W. Second Street.

The bride is a 1966 graduate of Seminole High and graduated from Columbia Secretarial College, Odessa, in November, 1966. She is presently employed in the business office at Memorial Hospital.

The bridegroom is a 1963 graduate of Seminole High and attended South Plains Junior College, Levelland. He is assistant manager of Henny Penny Food Store, Seminole.

Out-of-town guests for the wedding were from Austin, Houston, Lubbock, Levelland, Fort Worth, Baytown, Canyon, and Colorado City.

SEVENTH GRADE

The Seminole Seventh Grade won their last game Thursday night. They played the Eighth Grade "B" team of Levelland and won by a score of 6 - 0.

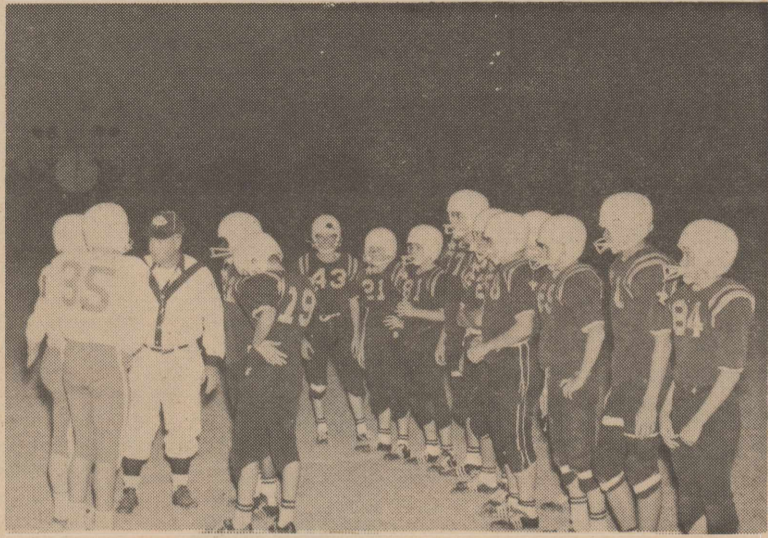

The tough Seminole defense held the Levelland team scoreless throughout the game. The key to their great defense was the pressure they put on Levelland's fine quarterback. Levelland's backfield looked like it had been invaded on almost every play by Jerrel Sheets, Mike Foster, and Bobby Bean. Doug Hoskins and Tim Overbeck also did real good jobs. The defensive linebackers and secondary had their men covered so well that Levelland's passing game never got started. Burt Bennett intercepted one pass and returned it for a good gain. Seminole's only score came on a Burt Bennett run on a strategical reverse play. Burt really looked great on that run. No one knew he had the ball until he had covered about twenty yards. (It doesn't take Burt long to cover twenty yards.)

Richard Mansell, Glenn Smith, Mike Foster, Ron Bartley, Donald Roberts, Burt Bennett, Stanley Caffey, Bobby Bean, Wes O'Neil, Tim Overbeck, Larry Bearden, and Charles Norris were co-captains for their final game. Burt Bennett and Charles Norris were the Honorary Captains. No headhunter awards were given on this game because it would be an eleven way tie on offense and defense. Everyone on the field played such alert offense and defense.

The Seventh Grade finished the season with a 7 - 2 mark - - the best record in years for a Seminole Seventh Grade team.

"As coach of the Seventh Grade team, I would like to express my sincere thanks to the team members for their effort, hard work, and good spirit; to Gene Dew and Bill Timms for their help throughout the season; and to the faculty for their cooperation. I would also like to thank the parents of the

players and the entire student body for their support and enthusiasm. My congratulations goes to the Eighth Grade team on their undefeated season," cited Coach Mickey Fitts.

The 7th Grade looks on as their team captains receive instructions for the ball game.

Personals

Mr. and Mrs. Jimmy Inman visited their parents, Mr. and Mrs. Bert Inman and Mr. and Mrs. T.N. Reeves of Tulia over the weekend. They went to the Tulia football game Friday night to see his nephew, Ronnie Inman, play in the football game.

Mrs. Roy Powers, Baytown, and Mrs. E.J. Butler, Jr. of Houston, left Monday morning after several days of visiting with their son and brother, Mr. and Mrs. Wallace E. Powers and family. Mrs. Butler will be remembered as Miss Mary Lou Powers.

SINGLETON'S HONORED SUNDAY WITH AFTERNOON TEA

Mr. and Mrs. C. V. Singleton were honored Sunday, November 12, from 3:00 to 5:00 p.m. with a tea at the home of Mr. and Mrs. J. D. Mitchell, 500 S.W. 14th Street. The Singletons will be moving to Lubbock in the very near future.

Host and Hostesses were: Mr. and Mrs. J. D. Mitchell and Mrs. Luke Skaggs, assisted by Mrs. Doyle Hankins and Mrs. Hyle Doss. The Singletons were presented with a pink carnation corsage and boutonniere.

A lace tablecloth over a gold cloth covered the serving table. An arrangement of gold mums, cat-tails, and autumn leaves was featured. Crystal and silver appointments were used. Punch, coffee, dainty sandwiches and applesauce cake was served to the many friends who called. Out-of-town guests for the afternoon were Mr. and Mrs. Lovell Stell of Hobbs and Mr. and Mrs. Jeff Shipp of Lamesa.

Mr. and Mrs. Mitchell and Mrs. Skaggs gave the Singletons a treasure chest with a blue-green flower arrangement.

Long Distance Telephone Rates Go Down

Texas telephone users will share in a nationwide \$100 million interstate long distance rate reduction effective November 1. The new rates were filed with the Federal Communications Commission by the Bell System last month.

- Telephone users will benefit three ways under the new rates:
1. Lower charges on many calls.
 2. Longer "time periods" and added days (Saturdays and certain holidays) when low rates apply.
 3. A new "midnight to 7" special dial rate with a 75-cent maximum charge for a three minute call within the continental United States.

The total package features major reductions but has small increases for some interstate calls under 24 miles. Overall, it provides a savings to customers of \$100 million.

Intrastate calls (those within the state) are not affected by the new rates.

The new rates represent the 22nd major cost reduction since coast-to-coast service began in 1915. That first year, a call between New York and San Francisco cost \$20.70. Reductions followed, and by 1940 the day rate was \$4. The dramatic \$1 night rate came in 1963 for calls "after 9", followed in 1965 by "after 8". In this 52-year period, the consumer price index has tripled, but the lowest rate for a transcontinental call is now less than 1/20 of the 1915 level.

Here is a run-down of the new charges:

The 8 1/2 hour span of the present night rate will be extended to 12 hours. To be named "after 7 and weekend," it will extend from 7 p.m. to 7 a.m. each weekday, plus all day both Saturday and Sunday. At the longest distance, the rate is \$1 for a three-minute station-to-station call.

The "after 7 and weekend" rate also will apply all day on Thanksgiving, Christmas, New Year's Day, July 4th, and Labor Day. The effect in 1968 will be 109 days - Saturdays, Sundays and holidays - when the "after 7 and weekend" rate applies during the entire day.

The present evening rate period will begin an hour earlier, becoming 5 p.m. to 7 p.m. each weekday and will be named "after 5." The rate for maximum distance will be lowered from \$1.50 to \$1.25 for the first three minutes of a station-to-station call.

Daytime station rates beyond 468 miles will be lowered and the maximum for a call across the country will drop from \$2.00 to \$1.75 for the first three minutes. The new "weekday" station rates will apply from 7 a.m. to 5 p.m. Monday through Friday.

A new "midnight to 7" special dial rate will be introduced across the country (beyond 354 miles). The rate will apply from midnight to 7 a.m., seven days a week, for three-minute station-to-station Direct Distance Dial calls (dialed by the customer) from non-coin phones, or station-to-station calls where DDD is not available. Credit card, collect, or other calls needing operator assistance will not be included.

Person-to-person rates will also be lowered. The maximum daytime rate for three minutes will drop from \$3.50 to \$3.30. After 5 p.m., the maximum will be reduced from \$3.00 to \$2.85 for the first three minutes.

Other reduced rates will include lowered WATS (Wide Area Telephone Service) rates, and reductions on some overseas service.

Included are rate increases for some interstate calls from 0 to 24 miles. None of these increases will be more than 5-cents for the initial period. These increases are needed to improve the relationship between costs and charges for short-distance telephone calls, a problem common to both the Bell System and the independent telephone companies.

SINGLETONS TO MOVE TO LUBBOCK

C. V. Singleton, President of Singleton Funeral Homes, Inc., has announced the purchase of a large portion of the stock of Resthaven Funeral Home, Inc. in Lubbock. Singleton will become active in the Lubbock firm on December 1. He was recently elected vice-president and a director of the Resthaven Board.

The General Office for Singleton Funeral Homes in West Texas and Resthaven will be in Lubbock in the Resthaven Building. Roger Pool, vice president and stockholder of the local funeral home for several years, will assume duties as manager when the Singletons leave. Pool, a licensed embalmer and funeral director, has been associated with Singleton Funeral Home for many years in Muleshoe and in Seminole.

Mr. Singleton stated, "The decision to leave Seminole was a difficult one to make. We plan to come back real often and will always remember our friends here." Mr. and Mrs. Singleton have purchased a home in Lubbock and plan to move sometime this month.

The Singletons have been very active in civic affairs. Mr. Singleton was a member of the State Board of Morticians for six years. He served as president of the board his last two years as a member. He also served two years as a director of the State Funeral Directors Association.

Mr. and Mrs. Singleton have both been actively engaged in different phases of the Democratic Party. Mr. Singleton is past president of the Seminole Rotary Club and the Chamber of Commerce. Mrs. Singleton is president of the Llano Estacado Porcelain Art Club. She is past president of the Seminole Garden Club and a member of the A. A. U. W. The Singletons attend South Seminole Baptist Church. Mrs. Singleton has served as superintendent of the Junior Department there a number of years.

The person who thinks there can be any real conflict between science and religion must be either very young in science or very ignorant in religion. . . . Professor Henry.

ORGANIZATIONAL MEETING PLANNED BY AMERICAN CANCER SOCIETY

The American Cancer Society is sponsoring an organizational meeting at 7:30 p. m., November 27, in the Community Building to form a Gaines County Cancer Control Unit. This is an organizational meeting and funds will not be solicited. The purpose of the organization is to establish a year round Cancer control program in Gaines County. A group of volunteers from the Midland Unit will be in Seminole, including Dr. Martha Madson, State Director, according to Mrs. Estella Walker, a volunteer who serves as Service Chairman.

The group will explain the purpose of the American Cancer Society and assist in the initial phases of the organization.

A movie, "Never Alone" which shows how 2 million volunteers assist in the fight to conquer cancer, will be shown.

All interested persons are invited and urged to attend.

Texas Farmers Union

The newly announced program is intended to encourage feed grain producers to divert at least 10 million acres more than in 1967 by giving them the option to divert up to 50 percent of their base acreage. The 20 percent mandatory diversion continues in effect in 1968, but payments at a rate of 45 percent of the total support times the farmers projected yield will be paid for farmers electing to divert up to 50 per cent of their base. The price support at \$1.05 per bushel on corn and \$1.61 a hundred on grain sorghum remains the same as in 1967, and the mandatory 20% diversion continues as during last year.

"With production payments (30 cents per bushel for corn and 53 cents a hundred on grain sorghum) continuing at 1967's higher level along with the restored diversion payments, farmers income will increase some \$400 million over 1967 if there is sufficient participation in the program. Most Texas farmers will find it profitable to divert more acres in 1968, which should result in better markets in the coming year.

MARCIA ENGLISH INCLUDED IN COLLEGE PUBLICATION

Marcia A. English has been selected to be introduced in "Spotlight on Campus '67-'68", along with other outstanding college students in Abilene. "Spotlight" is a book published to give recognition to deserving students and to inform readers as to "Who's Who" on campus. The standards of introduction are based on special prominence in creditable lines of achievement, making them persons of extensive interest and importance within this tri-campus area; included in the fields of scholastic, religions, athletics, leadership and corporative or organizational achievement. This publication includes students from Abilene Christian College, Hardin-Simmons University, and McMurry College.

Announcement

We have recently purchased an interest in Resthaven Funeral Home in Lubbock. Believing that we can better supervise our many funeral homes in West Texas, and better serve the public, we are moving our General Office from Seminole to Lubbock. Roger Pool, co-owner of the Seminole firm, will be the local manager. We plan, however, to come to Seminole on every service that we have, and and pledge to you the same sympathetic service that we have rendered in the past.

Please accept our sincere thanks for the confidence placed in us in the past. We shall do our utmost to maintain this confidence in the future.

Freshmen

The Seminole Freshmen completed their 1968 football season with a 0-0 tie at Levelland last Thursday night. The young Indians again had a great night on defense as they held a much faster and larger Levelland team to only 101 yards. The entire defensive unit did a great job and they were sparked by standout performances by Bill Hearne, Lavern Bennett, Everett Haller, Bobby Presley, Rick Partain and Gene Sims. Offensively the Freshmen racked up eleven first downs and gained a total of 222 yards, but were unable to cross the goal line for a score. Fred Pendleton, Kenneth Pearce, Lavern Bennett, Gene Sims, Mike Lewis, Donald J. Coffman, and Danny Burleson all played good offensive football, but just could not score on the larger Lobos.

Coach Hicks expressed great satisfaction with his team and their efforts for the year. He stated "Although the record of this ball club does not show it, these kids have improved greatly this year. Most of them who were playing in new positions were playing for the first time in their life. They worked hard all year, and I think if they continue to develop, we can expect great things out them in the future." The Freshmen completed the season with a record of 3 wins, one tie, and 6 losses.

FOLKS & FACTS

NOTICE

CORRECTION

Thanks to Charlie Earl and others who called, wrote, and mentioned to us that Model "T" Fords were not built after 1927, so the sandbuggy that was shown of Ozie Kirk's was an earlier model. (We hang our head in shame.)

We were further told that if this had a starter on it, it was a 1921 model, if no starter, it was earlier than that.

SCOTT COLLIN TRACY WESCOTT KRISTI PLUMMER

Scott, left, is the little son of Bill and Jane Collin, Dallas. Mrs. Collin is the former Jane Wescott. Tracy is the little daughter of Lee and Dee Wescott of Irving. Kristi's mom and dad are Betty and Jack Plummer of Amarillo. Mrs. Plummer is the former Betty Wescott. Scott and Tracy attended McMurry homecoming with their parents. Grandparents, Mr. and Mrs. C. T. Wescott, brought Kristi an "Indian" headband. The Wescotts have five grandchildren and they are the apple of their eyes. "Just happen to have a picture and need a little of your time" quote Granddad Wescott.

Speak well of your friends or do not speak at all. Be so generous in extolling their virtues that there is no time to mention faults. Remember all the traits that make them likeable; forget the few times they displease you. When you speak highly of your friends, you speak highly of yourself; for a man who is proud of his friends is worthy of them.
