

Jo Ann Dennis, 16 year old daughter of Mr. and Mrs. Joe Dennis, has been named Sweet-heart of the 16th Annual West Texas Twirling Festival, scheduled in conjunction with the 52nd Annual Panhandle South Plains Fair at Lubbock.

Jo Ann, a majorette for the Seminole High Band, was chosen from a field of nearly two dozen candidates who submitted photographs to Buck Owens, one of the featured Fair Park Coliseum attractions.

The Twirling Festival will be Saturday, Sept. 27. The Seminole High School band will participate in the parade Monday, Sept. 22, opening of the Fair.

County Tax Evaluation

Mary Baldwin, County Tax Assessor-Collector, released the following figures for the county-wide tax roll. The surface for the county for this year is \$5,961,670.00, oil properties \$67,443,180.00 making a total of \$73,404,850.00. This is an increase over last year of approximately one quarter million dollars or \$227,800.00.

Loop School District got the big raise in the Adair Field and the Cedar Lake Field or units. The Seminole School District suffered a loss of \$1,607,430.00 in valuation. A comparison of these figures is shown below.

	1969	1968
Surface	\$4,180,620	\$4,103,170
Oil	57,656,010	59,340,890
	61,836,630	63,444,060

The surface evaluations were raised in the school district but oil properties lost the big amount. This means that for the current school year the Seminole system could lose between \$35,000 and \$40,000 in taxes.

EDITORIAL

NOTICE TO PARENTS

This article is being written in the interest and well being of unlicensed drivers. Numbers of parents, school teachers and law enforcement officers have expressed their concern about boys and girls driving in our town without a license or with a restricted license (with a licensed driver in the front seat. The licensed driver must be 21 years of age or older and have at least one year's experience driving with a license.) Thirteen, fourteen and fifteen year old boys and girls are asking parents, "If So & So is driving why can't I?" "Look," they say as they're driving down the street with their parents, "there's Johnny driving and I'm six months older than he is. Why can't I drive?" "There's Mary driving. She takes others driving with her. Why can't I drive?"

No doubt, to a teenager, one of the marks of growing up is driving a car. To any person who can remember their early driving days it was a thrill that only driving could attain. The first time out in the family car represents a giant's leap into the world of travel, power and control over speed and power.

The sheriff of Gaines County, Ed Welch, said, "I always tell them if parents are riding in the car and an unlicensed driver is driving parents are responsible."

The main thing that's wrong with an unlicensed driver - IT IS AGAINST THE LAW! If it is against the law for a 9 year old to drive a car it is just as much against the law for a 15 year old unlicensed driver to drive. Parents are urged to show their respect of the law. L. M. "Shorty" Blackmon stated "The city police are not out to harrass any young drivers. If we catch them or if they have an accident we will have to give them a ticket. Police will be doing some checking. If teenagers are found without a license and have been granted permission by parents to drive the parents also will be subject to a ticket."

Phil Upton, Texas Highway Patrolman, said, "We've had a lot of young people lately driving with only a learners permit. They must be accompanied by a licensed driver, 21 years of age or older with one year's driving experience, riding in the front seat. If parents are in the car with an unlicensed driver we simply give a citation to the parents."

Parents of Seminole and Gaines County are asked to please cooperate in the spirit in which this editorial is written.

ANNUAL FARM TOUR

Thursday, September 25, will be the annual Farm Tour of Gaines County. The tour will be sponsored by the Gaines-Andrews Soil and Water Conservation District in cooperation with the extension crop's sub-committee. The tour will leave by private automobiles at 9 a. m. from the west side of the courthouse.

Representatives of the Soil Conservation Service and members of the Extension Service will be present at each stop to answer questions.

Charles Mickelson, head of the local U. S. Soil Conservation Service Office, pointed out that the Outstanding Conservationist of the Year will be presented on one of the stops. The Noonday Lions Club will furnish the trophy.

2. Another stop will be at the Marion Bowers farm west of Seminole where castor bean variety tests will be shown and explained. The tests were grown in cooperation with the Research Center and County Extension Service. A cotton test also will be seen at the same stop.

3. The Willie Easter farm has a demonstration of broadcast cotton that tourists may see.

4. For another stop at the Higginbotham Cattle Company a brush control of destroyed mesquite will be seen.

Other points of interest (probably not to stop) on the tour will be beans on the Herbert Hicks farm and permanent pasture on the Higginbotham Cattle Company Ranch.

"We hope to have as many as 100 people on the tour," Mickelson concluded.

POST 204

Last night the American Legion Post #204 in Seminole installed officers for the new year. The 19th District Commander, C. G. McKenzie from Lubbock, was the installing officer. Seated from left to right are J. C. Harris, Sgt. at Arms; D. L. Nolen, standing in for Billy Bond, Commander; Lee Tedford, 2nd Vice Commander; standing left to right are Frank Wolfe, Chaplain; McKenzie, O. C. Mikiel, 3rd Vice Commander; and 1st Vice Commander Marvin Henry.

This is the one, the first one and the only one needed by the Indians to beat Denver City. Final score 21-6.

With coach Leland Caffey furnishing the antics on the sidelines and the Indian line furnishing it on the field the Seminole Indians overpowered Denver City 21-6 last Friday night. Neither the Indians nor the Ponies could put together a sustained drive in the early part of the ballgame. The early part of the contest was marred by fumbles and poor play.

The Indians grounded out on the ground, starting out in the latter part of the first quarter and made it 6-0 when Lavern Bennett swept in from 3 yards out. Danny Whisenhunt split the uprights for the extra point and Seminole was ahead for the evening.

The Denver City Mustangs, showing the spirit that always marks their ball club, returned from their own 35 yard line and marched goalward and scored on a pass from their senior quarterback, Richardson, to Larry Clinton. The defender, Lavern Bennett, missed on a sure 6 point interception on the play when the ball trickled through his hands

and fell into the hands of the Denver City halfback. The Mustangs missed their 2 point conversion.

After an exchange of fumbles in the 2nd quarter the Indians leveled out again and scored from 3 yards away with Frank Gady carrying. Quarterback Whisenhunt kicked an extra point again and it was the Indians 14; the Mustangs 6.

Seminole's passing game of 0 for 6 must be improved upon but their ground game was tough. Their defense was tough. Ray Hitch may not be able to go to the side fast but he was a demon against 2 men getting into their backfield.

It was a real team effort on defense. Frank Gady, Tommy Harrell, Everett Haller and Bill Hearne were tough when the occasion called for it. Sophomore quarterback Gary Don Ray looked good on the roll-out and the options and added the final score in the 4th quarter to ice away a real victory.

"HOUSEKEEPING" PRACTICES PAY BIG DIVIDENDS

THE USE OF GOOD "HOUSEKEEPING" PRACTICES IN THE BACKYARD OR COMMERCIAL FRUIT ORCHARD AT THIS TIME OF THE YEAR WILL PAY BIG DIVIDENDS, EXPLAINS COUNTY AGENT CALVIN D. HOLCOMB.

PEACHES AND PLUMS WHICH WERE DISCARDED OR DROPPED FROM THE TREES DURING THE HARVEST SEASON SHOULD EITHER BE PICKED UP OR PLOWED UNDER TO A DEPTH SUFFICIENT TO PREVENT THEIR BEING RETURNED TO THE SOIL SURFACE NEXT SPRING.

BROWN ROT, FOR EXAMPLE, CAUSES A DISEASE OF PEACHES AND PLUMS WHICH IS CHARACTERIZED BY A RAPID DECAY OF FRUIT AT HARVEST TIME. DECAYED FRUIT LEFT ON THE TREE OR UNDERNEATH IT CAN SERVE AS A SOURCE OF THE DISEASE-CAUSING SPORES NEXT SPRING.

IN ADDITION TO CARRYING OUT A GOOD CLEAN UP AND SANITATION PROGRAM NOW, PLANS SHOULD BE MADE FOR THE USE OF PROTECTIVE SPRAYS OF FUNGICIDES SUCH AS SULFUR, CAPTAN OR BOTRAN NEXT SPRING. THESE SPRAYS WILL PROTECT THE YOUNG FRUIT FROM INFECTION, SAYS THE COUNTY AGENT.

HE ALSO ADVISES THAT MATERIAL IS AVAILABLE FROM HIS OFFICE ON BOTH DISEASE AND INSECT CONTROL PROGRAMS FOR HOME AND COMMERCIAL FRUIT PRODUCERS.

THIS INFORMATION COMES FROM JERRAL JOHNSON, EXTENSION PLANT PATHOLOGIST. THIS IS ANOTHER CASE WHEN AN OUNCE OF PREVENTION IS WORTH POUNDS OF CURES.

NEW! KMC

FOUR ROW PEANUT DIGGER SHAKER REDUCE YOUR DIGGING & SHAKING COST AT LEAST 50 PERCENT!

Mr. Peanut Farmer, put more profit in your peanut farming. Dig and shake your peanuts with a KMC four row in half the time. Don't take chances on bad weather . . . dig your peanuts at full maturity fast.

We have strength and durability built in this machine. Don't be afraid to hook up to the big tractor.

With Model 430, you can dig and shake four 28", four 30", or four 32" rows. With Model 436, you can dig and shake four 34", four 36" and four 38" rows.

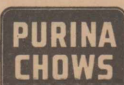

Testimonials from farmers who used these machines in 1968 say this is the best built, labor-saving machine on the market. It really takes the pressure off at peanut harvest time.

ALSO GROOMING

From earliest cowboy days cowboys have roped everything from fenceposts to girl friends, dogs, and cattle. Very few people ever had a horse fast enough to rope a deer traveling 40 to 45 miles per hour, much less a horse that was fast enough to catch an antelope, running 50 to 55 miles per hour. Pictured above is Johnnie Sartin, father of Clive Sartin and Claudia Jordan. Mr. Sartin roped the antelope on his ranch near Seagraves, Texas. Please note the size of the horse. You can tell by the length of his legs and the height of the horse that he was built for speed, but also that he was squared up in front like a quarterhorse. No doubt this black horse was the fastest of his kind in about 1905 to 1906. "My dad had some good horses."

("I can remember my dad roping one eagle. He was riding down the fence row when an eagle flew off a post and he roped him. Claudia and I played with the wings till they got to smelling so bad we had to throw them away.")

The antelope was probably grazing with some cattle in a stalk field when the rider rode up among the cattle and had to try his luck at catching an antelope. Just one loop is all you're allowed and he made this one good. At least one herd of antelope still exists in Gaines County.

Mr. Sartin was sheriff of Gaines County from 1936 to 1941.

Thank You.....

I wish to THANK my many FRIENDS and PATRONS for their past business, and to wish OLLIE PENDLETON, new owner of the CITY BEAUTY SHOP every success.

THANKS AGAIN,

ROY BLACKMON A PATIENT AT BROOK

GENERAL HOSPITAL

Mrs. J. V. Martin, Dovie Riggs and Agnes Blackmon visited Roy and Lyn Blackmon last weekend in San Antonio where Roy is a patient at Brook General Hospital. They also visited in Ozona where Sylvia Blackmon from Franklin, La. joined them for the trip to San Antonio.

Roy was wounded in Vietnam August 12 and sent to a hospital in Tokyo for about three weeks before being sent to Ft. Sam Houston, San Antonio. He had surgery on his leg and is able to walk on crutches. His wife, Lyn, is living in San Antonio at present.

Roy's address is Sgt. Roy M. Blackmon, 464-74-7730, Brook General Hospital, Ward 43-D, San Antonio, Texas. He would enjoy hearing from his friends.

Johnnie Sartin, on his ranch near Seagraves, Texas in the early 1900's, shows how a rider is supposed to sit in the saddle. Note how high the back of the saddle is off the horse; also how straight the legs of the horse as he gets ready to hit the ground. Some pitching; some rider!

SEMINOLE - DENVER CITY Cont. from p. 1

The Indians ground 290 yards on the ground and were aided by 2 penalties. The Indians scored another touchdown in the 3rd quarter only to fumble it away and give the Mustangs the ball on their own 20.

The Indians are young and inexperienced. They are a coming ball club and will win their share of the ballgames. The offensive line looked good. The defensive line was great. The punting was outstanding. If the Indians can put together a passing game they will be hard to beat.

**SEMINOLE B-TEAM
LOSE TO DENVER CITY
PONIES**

The Bees were beset with rain and a fierce opponent last Saturday morning and got beat by the Ponies of Denver City 32-0. Denver City set the pattern in the early part of the game when they scored with 7 minutes remaining in the first quarter and took an 8-0 lead over Seminole. They made it 14-0 in the 2nd quarter and added another one before half time with 58 seconds remaining.

The Indians got caught holding, clipping and accidentally touching a punted ball, to have Denver City claim the ball again. There were some bright spots however but the Bees could never move in for the touchdown.

As the rains came down the fans began to leave and Denver City kept making more touchdowns. Final score Denver City Bees 32, Seminole Bees 0. (Even the officiating was not too good.)

The B-teammers will journey to Brownfield tomorrow for a game at 5 p. m.

A coach, Charles Meyer, and his quarterback, Sammy Harrell.

7TH GRADE WIN

8 - 0

Quarterback Sammy Harrell and his 7th grade mates were told by their coach, "the first time you get your hands on the ball you take it and score." They did just that, added a 2 point conversion and beat the Denver City 7th 8-0 last Saturday morning at Denver City.

At the half he told them, "that big fullback looks like a watermelon rolling down the field; if you hit him he'll nearly bust." The 7th graders went out and hit him and after about 2 more series of plays, he was not hard to stop.

Personal

Junior Barrientes returned to Houston Sunday, but his wife and son, Nancy and Danny Ray remained in Seminole another week with their mother, Mrs. Blanche Casanova.

They deserved the victory; they got the victory. Final score Warriors 8, Ponies 0. The 7th grade will play Brownfield in Seminole tomorrow at 5 p. m.

News of our servicemen

Subic Bay, Republic of the Philippines

On the 20th of August, 1969, aboard the USS Kitty Hawk, RM3 Steve Boyer, son of Baldy and Lois Boyer, re-enlisted in the U. S. Navy for six years.

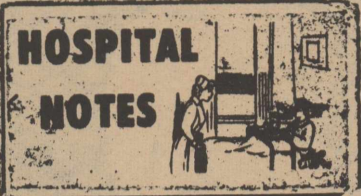

In entering the new enlistment contract with the Navy, Boyer has received orders to Radioman "B" School, a ten month course in advanced communications electronics, and a re-enlistment bonus in excess of nine thousand dollars.

Boyer, serving aboard USS Kitty Hawk (CVA-63) and USS Merrick (AKA-97), has been in the Navy since 1965 and intends to make the Navy a career. A recipient of the Presidential Unit Citation, the Naval Unit Commendation, the Good Conduct Medal, the National Defense Medal, the Vietnamese Campaign Ribbon, and the Vietnamese Service Award, Boyer has made four combat cruises to the Republic of South Vietnam.

Steve is home on an emergency leave due to the death of his grandmother, Mrs. Nellie Boyer.

Steve told the News that the Kitty Hawk carries approximately 5,000 men, that its length is three times that of a football field or 1,048 feet. The flight deck measures 310 feet; the hull 270 feet wide. The forward storage bay in the ship is large enough for the Wright Brothers' original flight. It has three bakery shops, two gyms and three mess halls. It sounds almost like an Alaska size story.

(Thanks for coming by, Steve.)

ART CLASSES TO BE FORMED

A meeting will be held in the High School Art Room on Tuesday, September 23, at 7:30 P. M. for all persons interested in starting an adult art class. If sufficient interest is shown, John Freyburger, High School Art teacher, will conduct a six weeks course in oil painting.

The amount of tuition charges will depend upon the number enrolled but will only be enough to pay the instructor. Dates and time of meetings will be agreed upon at the Tuesday night meeting, according to John D. Thompson, Director of Curriculum and special services.

IMMUNIZATION CLINIC TO BE HELD THURSDAY

Ann Foster, Public Health Nurse, announces that there will be an immunization clinic Thursday, September 18, from 2 to 5 p. m. in the Public Health Office at the Courthouse.

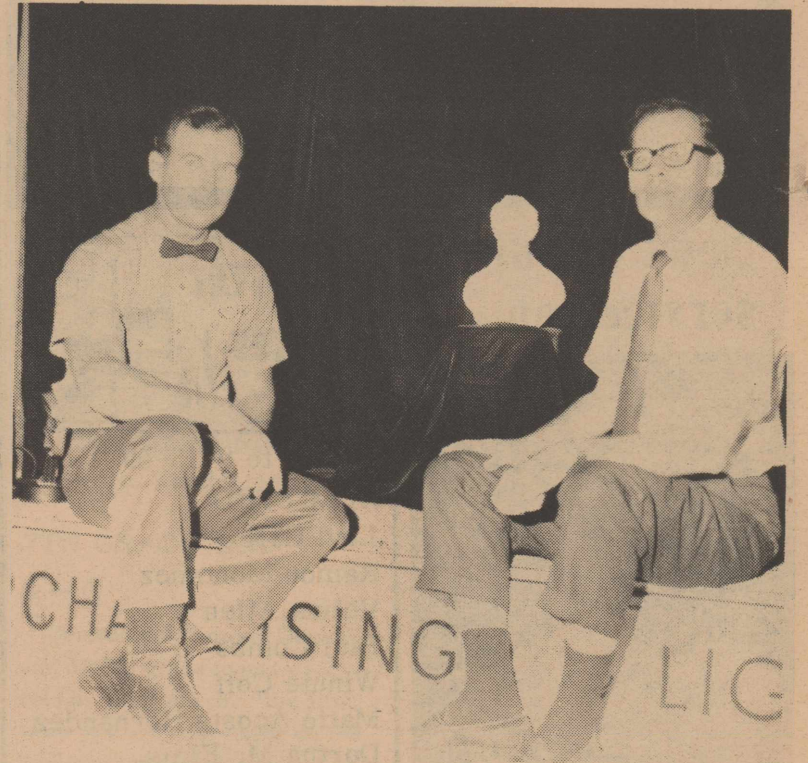

Mrs. Foster will assist Dr. Evelyn Smiley, director of the South Plains Health Unit, with the 3-in-1 shots and immunization for smallpox, polio and measles. This clinic is for families who are unable to afford the services of a private physician.

There is a new pencil on the market with an eraser at both ends. Its for people who do nothing but make mistakes.

MRS. RICHARD L. DICKERSON

Couple Says Vows

Miss Nancy Sue Brooks of Loop became the bride of Mr. Richard Lon Dickerson of Vernon at 8:00 p. m. Saturday in the First Baptist Church. The Rev. George Newman officiated the double ring ceremony.

Traditional wedding music was offered by Mrs. Gilmer Davis, aunt of the bride, at the piano, with special vocal selections presented by Mrs. William O'Leary, cousin of the bride.

The bride is the daughter of Mr. and Mrs. Howard Brooks. Parents of the bridegroom are Mrs. Robert Wallace and Mr. Robert Dickerson.

Given in marriage by her father, the bride wore a formal gown of white peau de soie and re-embroidered alencon lace fashioned with a fitted bodice. The back of the gown was enhanced with a bow holding a cathedral length train. Her veil of imported illusion was attached to a silk organza and lace headpiece with pearl trim. She carried a cascade bouquet of pink roses and lilly of the valley atop a white Bible.

Attending the bride as maid of honor was her cousin, Miss Linda Perry. Bridesmaids were Misses Roberta King, Andrea Hand and Vicki Dickerson, sister of the bridegroom. Bridesmatron was Mrs. Kay Shipley. The attendants were attired in formal dresses of deep rose chiffon over taffeta, styled with scoop necklines, elbow length sleeves and flowing back with matching headpieces. Each carried a long stem pink rose with streamers.

Mark Nichols was best man and serving as groomsman were Mike Haybook, Gary Glover, Junior Nichols, and Glen Perry, cousin of the bride. Seating guest were Jerry Brooks, brother of the bride; Isaac LaRue, bother-in-law of the bride, Bobby Faught and Benne Marrow.

Stephanie Oats was the flower girl and Jay Brooks, nephew of the

Fairview News

BY MRS. OPAL (R.M.E.) HUGHES

Our pastor, Brother Jim Brown, from Andrews, will not be in the Fairview Church Sunday as he and his wife will be in Mineral Wells, Texas for his father's and mother's Golden Wedding Anniversary (or 50 years).

This is a pleasure to be with our loved ones in times as this.

The Fairview Church congratulates them on this wonderful trip.

The Fairview Church was real happy that Mrs. Buddie Jones come to Fairview to church. We hope she will come back regular.

Mr. and Mrs. Woodie Wright are kinda lonesome now as Bobbie is working and Jimmie and Vickie are in college. How we miss these young folks.

Mr. and Mrs. S. A. Pence are doing fine; they come to church Sunday.

Mr. and Mrs. Jim Cassell had their granddaughter, Lisa, with them at church Sunday.

The Fairview people was real sad when Brother Leon Smith, who lives in Houston now, had major surgery last week for cancer. We hope the good Lord sees fit for Brother Smith to get well.

Mrs. R. C. Pattie, Mrs. Bessie Maltzberger and Mrs. Opal Hughes spent the day with Mrs. D. F. Rice. These ladies had such a wonderful all day affair.

Mr. and Mrs. L. V. Castleberry

and family are fine and have been quite busy getting their kids in school.

Mr. and Mrs. Dick Clay spent Saturday night in Odessa with Mrs. Clay's sister, Mr. and Mrs. Jackson Miller. Mrs. Clay reported they had a nice visit.

Mr. and Mrs. Roy Archer went to town Monday on business; they are fine.

Mr. and Mrs. Dick Clay went to church Sunday night.

Mr. and Mrs. Richard Archer went to Houston on a few days vacation. Mrs. W. E. Archer from Lamesa went with them. Mrs. W. E. Archer is Richard's mother.

Mr. and Mrs. Morris Gartman from Lamesa spent the weekend with Mr. and Mrs. Richard Archer on the farm.

Mr. and Mrs. Roy Archer visited awhile with Mr. and Mrs. Dick Clay Sunday afternoon.

Mr. and Mrs. Jack Ramsey are fine. They were all at home Monday evening.

Mrs. Ethel Garland and Edward visited awhile with Mrs. Opal Hughes Sunday afternoon.

Wootsie Houston helped A. P. Scharbauer deliver their calves. They had five truck loads of calves.

Mr. Jim Fish, Jr. was here to receive the calves for his dad, Mr. Fisk.

The Norther we got Monday has begun to cool things off and Autumn leaves have begun to show, one here and there.

Mrs. Vera Petit went to see Mrs. Hugh Castleberry Sunday

afternoon. They made candy and ate and had some good laughs.

Mrs. Floyd Halbrooks and son Wayne are fine. Wayne sits up and notices everyone in church.

Mrs. Ethel Garland spent one day this week with her sister, Mrs. Floyd Stark. After the lunch hour the club come to Mrs. Stark's. They all enjoyed each other so much.

The Fairview Church sends their deepest sympathy to Mr. and Mrs. Doc Hays and family in the death of Mrs. Hays' brother-in-law at Houston, Texas.

Mrs. E. C. Nix is doing fine and has got to see a few old friends this week.

Mrs. Vera Petit and Mrs. Fairy Blodgett took Mrs. Opal Gazaway to the doctor this week.

Mrs. James Stanley is fine and said Fern and family are fine. She saw them Monday evening late and Ron and Edwin and family are fine.

Talked to Mrs. Raymond Parker this morning; they are fine and enjoy keeping their grand baby.

Mrs. Lucille Richard has been sick but is doing better now.

Mrs. J. M. Parker spent the night with Mr. and Mrs. Raymond Parker last week but lives by herself at home.

Mr. and Mrs. Jack Sparks are still on the farm but he can't do too much work.

Sam Sparks still lives by himself and stays on the farm alone.

Mrs. D. F. Rice is doing

pretty good. I see her now and then.

Mrs. Ethel Garland and Edward are re-roofing their home.

I wonder how Mr. and Mrs. Sam Clark are. These old timers are real neighbors. Although there are many old timers that are so good we don't see them often.

Mrs. Josie Fox is doing good now and has gone to Lamesa to get her mother.

Mr. and Mrs. Bob Simpson of Garland, Texas visited Monday with Mrs. Simpson's mother-in-law, Mrs. E. C. Nix and Vera Petit. They took Mrs. Nix and Vera out to dinner. These women enjoyed this very much.

Delbert and Eldon Whitaker come to see Homer. Also Mike come to see Homer Whitaker.

Mr. and Mrs. Homer Whitaker had supper with Mr. and Mrs. Mike and Gladys Williams.

Mr. C. R. Sinclair has been real sick in Lubbock Methodist Hospital. He is not doing too good. Mr. and Mrs. Sinclair will take their baby back for a checkup Wednesday. This baby is doing pretty good.

Section II Seminole, Gaines County, Texas

My 6th or 7th grade geography book had a picture on the upper left hand page (the pages were big) of a tree with a hole in it and big enough to drive a car through. One of my lifetime ambitions was to drive through that tree. I read and re-read of the redwoods and the forest in North California.

Throughout high school and college days I could still see that picture. Sam Houston State College, Huntsville and Walker County had some tall pine trees but nothing that was near large enough to drive a car through.

In 1942 a friend, Irvin Dickey, said when we were in Inglewood, California, "Let's go to Yosemite." An hour later, with food, bedrolls, and a load of anticipation, we were off.

Now, I've seen Yellowstone, Carlsbad Caverns, Niagara Falls and the flowers of Hilo, Hawaii but never was I awe struck like I was viewing the great majesty of the forest, the "Redwood Tree". Here was a giant, a growing giant. A tree big enough to build many houses, a tree tall enough and brave enough to withstand the forest fire and carried the battle scars to prove it.

I've seen big ships, tall buildings and the Golden Gate Bridge and appreciate so much their founders and builders. Here stands a prince of the forest that God planted in the order of nature hundreds of years ago and overshadows his peers and helps to humble all who looks toward the heavens.

You can visit the cities, you can visit the seashore, you can go to the desert, but there's nothing to this writer like elevation, cool weather, a mountain, and a redwood tree. The Grand Tetons are outstanding; the Great Divide is a thing of beauty. I love the Smokeys, the Ozarks and Appalachians in our wonderful country but I cast my #1 vote for the redwood tree and forest of California.

It was a sad day in my life to hear that the 234 foot tree with the highway through it had fallen with the weight of winter's snow and fierce winds. I will always cherish that picture in my geography book and the trip through it.

There are many more redwoods to see. There is the one that Frances' brother built his three-story house around in Mill Valley, California. The stairway goes up around it. Trees 300 feet high? There's redwood trees in Sequoia, Yosemite, Mill Valley and other places. Yes, I plan on going to see them again. The biggest trees in the world!

Did you people read where Harry Moore, Jr., vice president of the El Paso National Bank, said that he was winding up his trusteeship on the Billy Sol Estes estate? The AP article went on to say that there were about \$7.6 million in the kitty, 400 creditors seeking \$34 million. The Internal Revenue Service claims \$12 million taxes due. Also that Commercial Solvents Corporation will receive half of the \$7.6 million, being the only secured creditor in the case.

BROTHER OF AREA RESIDENT BURIED

Funeral services for Frank Foote, 75, brother of Ernest Foote were held Saturday at 2:30 p. m. at the Campbell Methodist Church, Campbell, Texas. Burial was in the Brigham Cemetery.

Mr. Foote, a retired farmer, died Friday morning after an illness of about two months.

Other survivors include five sons, three daughters, three brothers, five sisters, 23 grandchildren, six great-grandchildren and a host of nephews and nieces.

Big question - If Billy Sol pays the government \$3.8 million in taxes and loses the difference between \$7.6 million and \$34 million guess who will end up with the \$3.8 million. --- Billy Sol, of course.

LOOP NEWS

BY MRS. BUCK CUNNINGHAM

A large number of football fans were on hand for the opening game of the season on the home field against Smyer. Smyer quickly scored twice and converted for two points after the first touchdown. A strong Loop defense blocked the points after the second touchdown. In the second quarter, Barry McConal ran 25 yards for a Loop touchdown and the extra point try failed. John Garcia then ran 35 yards for another Longhorn touchdown to make it 14-12 at half-time. Second half scoring saw Smyer score three more times while the Longhorns tallied twice, once on a 55 yard run by Barry McConal and on a 28 yard pass from Danny Yocom to McConal. The final score Smyer 34-Loop, 24. At halftime the crowd was entertained by a twirling routine by Terri Freeman and numbers by the Loop band. While this is not a marching band, they furnish entertainment at half time and during pre-game warmup and also play the National Anthem. We appreciate the fine work of these young people under the leadership of Mr. Jesse Lanacet. Another feature of the evening that drew lots of comments was the new press box atop the home stands. This project has been financed by the Loop Young Farmers and constructed by Mr. J. E. White and his Vocational Agriculture Class.

The local team plays at Whitharral at 8:00 p.m. Friday and school will dismiss Friday afternoon at 3:00.

Loop F.F.A. met last Monday night with Barry McConal presiding and all regular business was attended to. A financial report shows the Loop F.F.A. has accumulated over \$2,000.00 in property in the last three years.

Saturday and Sunday, J. E. White went to the Slaton area and bought 22 club pigs and one registered Yorkshire boar. Danny Yocom, Mike Boggan, Jim Schooler, Larry Case, Rodger McKenzie, Johnny Frasier, Chipper Hobson and Wayne Boggan accompanied Mr. White on the trip.

About twenty-five people from the Loop Young Farmers and Young Homemakers plan to attend the Area II convention in Lamesa next Saturday.

Several couples from Loop spent the week-end in Albuquerque, New Mexico where the men rode with the Gaines County Sheriff's Posse. Those from Loop were Mr. and Mrs. Rusty Freeman, Mr. and Mrs. Douglas Floyd and Shea, Mr. and Mrs. Toy King, Mr. and Mrs. Joe

Faulkenberry, Mr. and Mrs. Donald Floyd and family and Mr. and Mrs. Jeff Keys and Jana. They rode in the parade and at the rodeo.

Mr. and Mrs. Sherman Boley of Andrews announce the arrival of a daughter, Barbara Ann, on Sept. 8. The young lady weighed 7 lbs. 3 oz. She has two big brothers and one big sister. GRANDPARENTS are Mr. and Mrs. Louie Hamilton of Loop and Mr. and Mrs. S. L. Boley of Lubbock.

Mr. L. L. McNew reports that Mrs. McNew is improving although still in the Yoakum County Hospital in Denver City.

Visiting in the home of Mr. and Mrs. Horace Briscoe last week-end were Mrs. Briscoe's sisters, Mr. and Mrs. W. C. Hobbs of Houston and Mrs. Charles Burdett of Austin. On Sunday they all attended church services in Lamesa where the Sunday School class was taught by Mrs. Burdett.

Mr. and Mrs. Joe Freeman and Holly of Ft. Worth visited with his parents, Mr. and Mrs. J. C. Freeman and other relatives.

On Thursday, Sept. 11, the Friendship Class of Loop Baptist Church had their monthly social at the home of Mrs. Bill Shults. Mrs. Shults, teacher of the class, gave a devotional after which games were played. Refreshments of punch, cookies and sandwiches of cheese and chicken salad were served to Mmes. George Newman, E. E. Hand, A. R. Faulkenberry, Bill Lowe, Fred Hamilton and Mrs. Shults.

Mrs. Willie King is visiting her daughter, Mr. and Mrs. Jack Luce and family in Ft. Worth.

Donna Noble is back at school after having surgery on her knee in Lubbock last week.

The wedding of Miss Anda Wolfe and Mr. Mike Luker was solemnized Wednesday night at St. Christopher's Church of Hobbs. Mr. Luker is the son of Mr. and Mrs. Neelson Luker, former Loop residents. Those attending the wedding from Loop were Mr. and Mrs. Billy Freeman, Mr. and Mrs. Dan Freeman and girls, Mr. and Mrs. Kenneth Freeman and Alan, Mr. and Mrs. Rusty Freeman, Mr. and Mrs. Robert Freeman and Mr. and Mrs. Arnold Smith. Joining the group in Seminole were Mr. and Mrs. Billy Shipley.

Mr. and Mrs. John Mills and Mrs. Bertha Morgan are visiting their sister, Mr. and Mrs. Dean Westbrook in Quemado. Mrs. Westbrook has been ill recently.

Mr. and Mrs. Delton Mills went to Ardmore, Oklahoma where Mrs. Mills was to have medical attention for arthritis.

Mr. and Mrs. Hearne Freeman went to Lone Star to visit his brother, Pete Freeman, who has been in critical condition following a heart attack. They were accompanied by their mother, Mrs. Pansy Freeman of Hobbs and

Mrs. Buck of Andrews.

Tommy Hunt is at home with his parents, Mr. and Mrs. T. O. Hunt, after receiving his discharge from the United States Army. On Monday, Tommy accompanied his parents to Hobbs to visit their daughters.

TEXAS HIGHWAY WEEK SEPTEMBER 21 - 27

Though the theme of this year's Highway Week is "Highways Bring Better Living," the safety features built into Texas highways might vary that theme to "better highways bring longer living." Highway Week is set for September 21-27.

The Texas Good Roads Association, sponsor of Highway Week, has found that the Texas Highway Department's policy of built-in safety has paid off by decreasing highway fatality rates.

In 1925, there were 17.5 fatalities for every 100 million vehicles miles driven. By 1968, this rate had been lowered to 5.5 per 100 million miles driven.

One of the main reasons Texas highways are safer is that the Texas Highway Department invest more than \$1 million annually in safety research.

Reduced highway fatality rates can be traced directly to the application of research results to the design of new highways and the modification of older ones built in an age of fewer, less powerful vehicles.

A now-famous illustration of the direct benefit of highway research is the breakaway sign. A rash of vehicle-sing collisions, some fatal, led to development of a sign structure that would yield on impact yet withstand heavy winds and support large signs.

The breakaway sign was introduced by Texas highway engineers more than three years ago and is now standard on new highways throughout the nation. The same is true of breakaway supports for highway lighting.

Each of these life-saving innovations yields when struck by a vehicle, letting the vehicle roll safely to a controlled stop.

At the end of last year, Highway Department and university researchers had teamed up to produce another device to make Texas highways safer. This was the "Texas Crash Cushion."

It consists of a series of steel drums connected to form a kind of honeycomb to be placed in front of a rigid obstruction. Should a vehicle strike the crash cushion, the crushing of the steel drums expends the energy of the fast-moving vehicle, greatly reducing the hazards of impact.

Texas Crash Cushions are now being used to save lives in a number of major Texas cities.

Another safety feature which appeared in greater numbers along Texas highways during the last year was high-level lighting installations. Highway Department researchers have found that carefully placed lights suspended from high levels give a wider, more uniform level of light for

critical locations along the highways.

The tremendous strides made over the years in providing better highway transportation for less cost and increased safety largely are the results of painstaking research.

In fostering and participating in this research, the Texas Highway Department has given the Lone Star State highways that bring safer as well as better living.

AROUND TOWN

By Jackie Squires

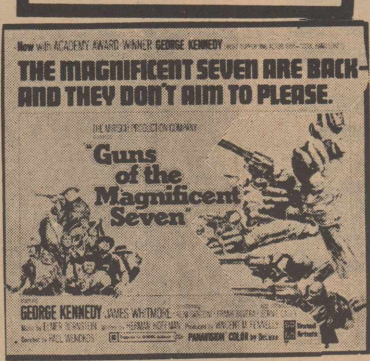

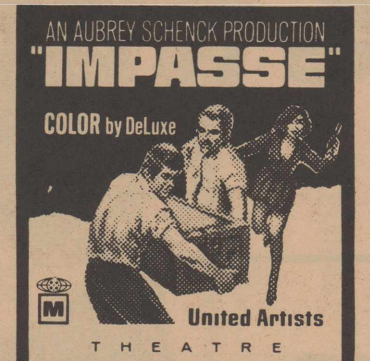

The Ice Capades were beautiful this year. We attended Saturday night with the JOE SMITHS and saw several more Seminole couples there. The DICK KEPHARTS with their children, KAREN, JEFF and KIM. The GEORGE BRAUNS with two of their children, WAYNE and MARGARET ANN, also the RALPH CRAVENS were there to enjoy the splendor of the costumes and stage settings--- BETTY CONN, MADELINE SHELTON and I out for coffee Tuesday morning at the RAYMOND RESTAURANT and caught half the town taking a coffee break- MAYOR and MRS. C. O. WRIGHT, BOB CLARK, SHAFTER BAILEY, SHADY SHADDIX and BROM MARCHBANKS; VIRGINIA BURKS and FLO SATTERWHITE telling sewing secrets in the booth next to us---PAPPY and MARGE HOFFMAN and JOHN and BETTY CONN spending the weekend in Ruidoso. Pappy and John were caught in the act of being themselves on the golf course while they were there. It seems some sports photographers from a national television company were taking some film of the golf course and asked the guys to shoot a few rounds for them. So sports fans, if you see some men who look like Pappy and John on TV, IT IS! Television stars that's what they are---Running into three of our local merchants passing the time of day in SEMINOLE VARIETY Monday - BOB WILKERSON from WACKER'S, ANNA KELLEY of KELLEY'S DRESS SHOP and of course, DONA GERAC was tending to his business there. With only one thought on my mind Monday mornings (ADS) I asked them if they needed one this week. Bob said he needed one on Fall Fabrics; his competitor, Dona, replied "If he runs material I'll run buttons, zippers and thread! Not to be outdone, our gal, Anna, speaks up and says, "All right then I'll run dresses that are already made and cut out the middle man."---Visiting with BILLIE POOL at the CHAMBER OF COMMERCE office. Billie is filling in for IMAGENE JONES while she is convalescing from surgery. Imagen, get well soon. ---MRS. A. B. BECK of Long Beach, California, mother of MRS. N. D. McDOUGAL, comparing grocery prices when she receives the News---Sorry to hear that VELMA ALLEN is in the hospital with a broken arm. ---GRANNY MCKINNEY saying Sunday at church she always reads 'Around Town'. Thanks, Granny. ---Talking car trading with STEVE HALEY and secretary SUE ANDERSON Monday--- DELL CARROLL visiting the girls at the wig salon next door to CARROLL OFFICE SUPPLY Tuesday between customers. --- RUBY FROST chatting with ANNA KELLEY Tuesday morning. ---Lookout for me because I'll be seeing you AROUND TOWN.

The Freshman team takes the field only to be beaten in their first outing last Saturday against Denver City.

FRESHMEN LOSE TO DENVER CITY 15-40

The Seminole Freshmen lost to Denver City 15-40 last Saturday. The Braves point makers were Donald Roberts with a 40 yard T D run and he also kicked the extra point. Ron Bartley scored from five yards out for the other T D and Mel Nelson converted a 2 pointer on a three yard run up the middle.

The Freshman offense team looked good but the defense made a very poor showing. "I really don't feel like they were ready to play ball and I also feel like we (the coaches) did not do a very good job of getting them ready to play," said Coach Hicks.

Next week they play Brownfield at Brownfield. Game time is 5 p. m. Brownfield is reported to have its best Freshman team ever.

Seminole had 12 first downs, 265 yards rushing, 29 yards passing, and 10 yards penalized. Denver City had 17 first downs, 210 yards rushing, 115 yards passing, and 60 yards penalized.

MEMBERSHIP DRIVE TO BE HELD

The Chiefs of the Seminole Area Chamber of Commerce met last Thursday and discussed a membership drive to be held the week of September 15, 1969. The Chiefs and the directors were divided into two teams. The two teams will meet at the Chamber office at 10:30 a. m. Thursday, September 18, 1969. The Drive will begin at this time and will conclude at 12:00 noon. On Friday, September 19, 1969 the losing team will treat the winning team to lunch at 12:00 noon.

The teams are as follows: Roger Pool, Captain; Dan Martin, Don Moore, Gene Hawkins, Joe Smith, Glenn Cavitt, Charles Ray, George Cristy, Brom Marclbanks, Olan Locker and Dwayne Herman.

Bob Whippo, Captain; Reeves Cothes, Dr. E. M. Wright, Bert Hearne, Jack Jordon, Richard Watts, Paul Conditt, Bob Clark, Dink Aryain, Allison Gainey, and Jim Davis.

The borders of Texas are shrinking every day--in time, that is. When the Interstate Highway system is completed in the mid-70s, it will require almost a day less time to cross the state from Texarkana to El Paso or from the Panhandle to the Rio Grande Valley.

7th grade coach, Charles Meyer, and the 7th grade bench. They won 8-0 in Denver City last Saturday.

JANELLE SULLIVAN APPOINTED TO SERVE ON COMMITTEE

Mrs. Janelle Sullivan, Seminole High School librarian, has been recently appointed to serve on the Texas Library Association scholarship committee. Serving as chairman of the committee will be Mrs. Lucile Carroll, Midland High School Librarian, with Mrs. Mary Lee Conger of McCamey serving on the committee.

The work of the committee will be to review the applications submitted and then make a decision as to who will receive the state scholarship award. Scholarships are awarded to juniors in college, who have been accepted in an accredited library school, to become librarians in Texas.

The appointment was made by Dr. Jo Ann McCreedy, President, Texas Library Association.
