

So much has been said about school disorder and marches at school, there's another side to the story. Unknown to these students (well almost all the students) their picture was made in primary and junior high while they were hard at work. The three rooms were those of Linda Carol Taylor, Mathematics, Tommy Jo Woodard, Social Studies, and Wilma Stanley, 4th grade.

### Charles Panenka

Funeral services were held for Charles Panenka, 55, last Saturday morning after being found shot at his home at 612 S. W. 16th Street, last Thursday. He was pronounced dead by Justice of the Peace W. E. Cox, Jr. at 10:30 a. m., death from self inflicted gunshot wound. He was found by his step-daughter, Mrs. David Berry (Penny).

It was estimated that the shooting occurred at approximately 10:00 o'clock. The body was found in the garage near a work bench. An old 30-30 rifle that had been stored in the attic was nearby. One shot entered the heart area. Only one note was found - to feed someone's dog he was looking after. Several rolls of money were in his billfold, evidently picked up in different places and left on the kitchen cabinet.

Services were held in Singleton Funeral Home Chapel of the Chimes with Rev. James Daly, minister of St. James Catholic Church, officiating. Burial was in Gaines County Memorial Cemetery.

Panenka had worked for Mobil Pipeline Co. 20 years. Born in Palmer, Nebraska, he had been a resident of Seminole since 1966, moving from Casper, Wyoming. He was a World War II veteran.

Survivors include his wife, Margaret; two step-daughters, Mrs. David (Penny) Berry, Seminole, and Mrs. Clara Jean Jones, Anchorage, Alaska; and two sisters, Mrs. Mary Janata, Omaha, Nebraska and Mrs. Ann Thorn, Roseburg, Oregon.

Pall bearers were Jim Holmes, W. H. Brown, Charles Palmer, B. M. Stephens, R. W. Sullivan and A. W. Gann. Mobil Pipeline employees were honorary pall bearers.

## Custom Feed Lot

The South Plains Feed and Seed feed lot has room for 900 head of feeder cattle with between 600 and 700 on feed at the present time. The area operation that is east and north of Seminole is owned by Jiggs and Monty Williams and managed by Kenneth Newcomb of Seagraves, who also operates the Purina store. Wayne Buzan of Seminole has currently stocked three pens. Other area businessmen and farmers have stocked other pens.

The company is announcing that molasses equipment has been added. Light cattle, weighing 400 to 500 pounds, are put in the feed lot and are carried to 800 to 900 pounds in from 100 to 145 days. Gaines County, Seminole and Seagraves are all in dire need of more feed lots so that area grain can be used to feed area cattle.

### DEAD MAN'S WELL

Dead Man's Well - It must have been in the 1890's or maybe 1900 plus a few years, that this family consisting of a man, his wife and their children were traveling west up the draw just south of where Weldon Smith lives (Walker Ranch) and lightning struck the man and killed him. It was near night time and the story goes that she spent the night with the body of her dead husband before she could go get help.

He was riding horseback, driving the other livestock. His wife

was driving the wagon when the accident occurred. This grave is located approximately 3/4 mile south of the Culp grave and other graves, near the highway, 15 miles west on the Hobbs Highway. The gravesite itself is approximately 660 feet down the draw from the water well and near the north side of the draw. The gravesite, it is reported, marks the exact spot where lightning struck.

Another story has it that a cowboy was struck by lightning at this spot when a herd moved into New Mexico. "It was a cloud about the size of your hat, one clap of thunder and one bolt of lightning."

## Letters

Dear Editor;

I am pleased to hand you a photo copy of a letter from Internal Revenue Service. The letter indicates, as you see, that Seminole Clinic Fund has been formally listed as a tax exempt corporation. This is the corporation which purchased the lease with option to buy on the clinic building. Persons who made contributions will probably appreciate knowledge with respect to this.

The news story should caution that Seminole Health and Humanities (the corporation making loans to a medical student planning to move to Seminole after graduation) has not yet been granted tax exempt status. I anticipate this grant will occur prior to January 1st, but have no way of knowing for certain. The I. R. S. is presently being furnished with additional requested information about it.

Sincerely,  
Freeman & Curry  
By Bill Curry

In part the letter to Mr. Curry said, "Based on information supplied, and assuming your operations will be as stated in your exemption application, we have determined that you are exempt from Federal income tax under section 501 (c)(3) of the Internal Revenue Code. Any change in your purposes, character, or method of operation must be reported to us so we may consider the effect of the change on your exempt status. You must also report any change in your name and address."

Cotton harvesters have begun to operate. Gins are ready. Combines are running in the milo fields and peanut diggers are wind-rowing the harvest. Seen in the picture is a four row peanut digger laying the peanuts with their fruit (nuts) toward the sun so it will hasten their readiness for the combine. These pictures were taken 21 miles north and west of Seminole on the Sam Oliver farm - 110 acres peanut allotment. Sonny Franklin was operating the equipment.

## NOTICE

Petitions are being circulated requesting the Commissioners Court to call an election - two propositions, (1) A 50 bed hospital in Seminole, (2) A 20 bed hospital in Seagraves and a 35 bed hospital in Seminole.

The petition is not a vote on a hospital in either place; that will be determined later. The petition being passed around is only a request for a vote. (At least 10% of the qualified voters who are property owners will have to sign the petition.)

Had you ever thought about losing weight? I think about it all the time and I told the grandmother I live with, "Mama, I weigh 217 pounds and that's what I weighed when I married you." Sometimes I hate that look that comes on her face when I know she's got the answer but is just enjoying putting it off and I'm about to die to know what she's thinking about.

She had one of those looks and I looked her right in the eye. "Well, what are you thinking?" I asked and she told me, much to my sorrow. "I believe," she said, real quiet like, "that you have it differently arranged." That 33 waistline has grown a little, I must admit, to 34, 35, 36, 37 and that's all I'm going to admit to at this time.

But, what's a fellow to do? If I eat at the cafeteria at school they spoil me. If I eat in a local cafe or restaurant they give me more than full measure. Why, in the last few days, coming into the office has been five lemon pies, yes, five lemon pies; turnips - those big kind, those good kind; apples, both New Mexico and Gaines County variety; peanut brittle -Grandma Bennett style; a bushel of potatoes, cookies, and a whole gob of different kinds of crackers and cheese, and some of you people have got the gall, the audacity, yes, even a smart mouth and you ask me "Did you know you were getting fat?"

Certainly, I know I'm getting fat. What would you do if you were invited to an early morning breakfast and they had ham on the table, sausage on the table, bacon on the table, plus fried eggs, scrambled eggs and that big thick buttered kind of toast? Why, eat, of course. And here I am trying to do without breakfast. What would you do if someone called you and said, "Meet me for dinner, I've got some things I want to thank you for," insist on you eating a steak and bragging on the Seminole News? Why, food never tasted better under any circumstances.

When you go to the 7th and 8th grade football games, you run up and down the sidelines with a camera in your hand and you didn't have time to eat early, so you get home at 9 o'clock. You don't need much supper, a couple of pieces of bread with just a dab of mayonaise on it. Mama's looking the other way so you throw in an extra piece of balogna and you allow yourself one big glass of milk, the first of the week.

Breakfast was good, dinner was fine, but there's nothing better than a balogna sandwich when you're hungry, with a big cut of onion and a potato chip or two and Mama says, "would you care for a hot tart?" There's nothing better than food and a good visit with the Mrs. After all, she's afraid my diet's going to work better than hers and just one more hot tart's not going to hurt much.

With just a little effort I could hate some of these skinny people who can eat all they want to. Just

**DEAD MANS** The custom of that day was to use the saddle blanket to wrap the man up in and the horse carry the empty saddle into town.

The grave is fenced 10 feet long by 5½ feet wide with three posts on each side, or a total of six. Each corner has a drag wire going into the ground with four double wires encircling the grave.

(Editor's note: A gravesite in a cattle pasture was near impossible to keep up, as the cattle and other animals would rub on the corners and push against the

wires to get every available bite of grass growing there. If you know the correct version and the name of the one buried, would you please share it with News readers.)

thinking about it I'd like to go home, cook a pan of biscuits, fry one big fat chicken, steam it good, take the lid off of it and brown it good, make a great big bowl of thickened gravy - no water, pure milk, salt it a little on the heavy side and use that big grain black pepper and fix a big bowl of tossed salad. Why, certainly put some dressing on it, it's not good without it, and dream about going on a diet next week.

So, you go home and there's not any chicken. There's a leg of lamb, but you lay it back because you're going to have to barbecue that dude from four to five hours. After all, you're by yourself and you really don't need to cook up anything. You observe the diet, you just take a small avacado. After all, there's no more food value in it than

Today is OIL APPRECIATION DAY in Gaines County and I, for one, have been an appreciator of oil since 1949 when CHARLES went to work for PHILLIPS PETROLEUM CO. in Hobbs, New Mexico. While it has never made us fabulously wealthy, we have always had a good living. My only regret about oil is that none of my ancestors had the foresight to buy a little land with a lot of that Black Gold underneath and remember me in their will.

CHARLES RAY would like for all of the boys in town to know he has those pretty body shirts in all colors. So, boys, don't go out of town when you can buy them at home.

# Editorial

This is today! Last Thursday a little girl in the second grade ran up to her teacher at 8 o'clock in the morning and said "This is today!" and all the happiness and anticipation was being rolled up in THIS TODAY.

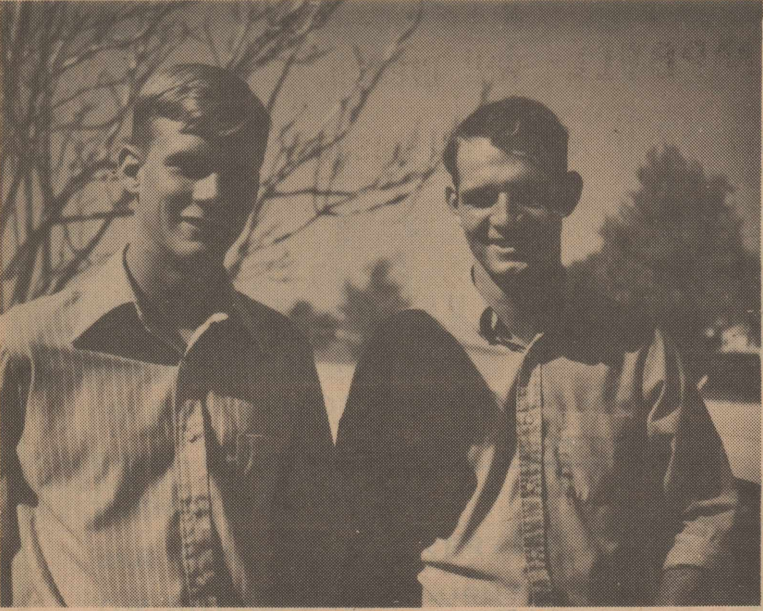

Many stories could be told but some were apparent, such as (1) happiness, (2) anticipation, (3) background, (4) health, (5) someone with understanding to confide in, and (6) faith. Where did we adults lose the joy of awaking to a new day? Where did we lose the smile along the way and the happiness that's generated in an eight year old little girl? Why can't we make THIS the joy of living? Why don't we radiate and do for one another and reflect for all of those we touch what she did for me?

Why can't we be filled with anticipation for the day's activities, like the little girl? Her friends were all happy around her. She hugged her teacher. She walked hand in hand with her to the building, no doubt telling her of the day's activities. Her background was such that you knew she was from a happy home. Her every step was one of confidence, of love and good care. She was healthy, she was strong, she was clean and was taking two steps where one would have done. Why can't we adults rejoice over good health, be appreciative of good food, of good backgrounds and display a smile and rid ourselves of some of the pills we have to take, of some of the grumbings and make ready for this day? Why can't we humbly admit to others some of our faults instead of trying to display a false pride of being the smartest, making the most money, living in the biggest house or driving the biggest car?

There are many, many people to confide in if we could but find the level, the great ability of an eight year old to look up instead of looking down. Why can't we train ourselves to have the faith to rejoice over THIS being THE DAY instead of being half mad that it has arrived?

Eight or ten such rigs passed through Seminole Tuesday morning at 10 a.m. The fore part of the rig, hauling the approximately 100 foot concrete and steel beam, was not anymore interesting than the rear dollies of the rig that was six wheeled and maintained a driver of its own. It is thought the huge span (5 ft. x 100 ft. ) was being moved to Lubbock for one of the overpasses or somewhere for a big bridge of some kind.

TODAY, WHEN I ARRIVED AT WORK THERE WAS NO SPECKLED, HAPPY, WAGGING TAILED DOG TO GREET ME AND SHAKE MY HAND.

HE MAY NOT HAVE MEANT ANYTHING TO A LOT OF PEOPLE, BUT TO ME AND TO THE FAMILY HE BELONGED TO, HE MEANT A GREAT DEAL.

TO LITTLE GRAN HE WAS A PROTECTOR AND COMPANION AND, HE WAS THE FIRST ONE WHO CALLED TO IN THE MORNING AND THE LAST ONE SHE SAID GOODNIGHT TO. HE WAS A BELOVED FRIEND AND PROTECTOR TO ALL OF US.

THE PERSON THAT HIT HIM WITH HIS CAR DID IT ACCIDENTALLY. I AM SURE THAT THEY WERE SORRY.

THE ACCIDENT MADE ME THINK MORE THAN EVER, HOW QUICKLY SOMETHING LIKE THAT CAN HAPPEN. IN THIS DAY AND AGE, WE ARE BUSY AND HURRIED AND HAVE SO MANY THINGS ON OUR MINDS. LITTLE CHILDREN RUN OUT INTO THE STREET WITHOUT LOOKING THE SAME AS DOGS AND CATS. IT WOULD HAVE BEEN EVEN MORE TRAGIC HAD IT BEEN A CHILD.

I AM NOT SAYING THIS TO ONE PERSON, BUT TO EVERYONE, INCLUDING MYSELF, HOW MANY TIMES HAVE EACH OF US HAD A CLOSE CALL AND ONLY BY THE GRACE OF GOD IT DIDN'T HAPPEN. LET'S ALL TRY TO REMEMBER THAT THE VEHICLE WE ARE DRIVING CANNOT ALWAYS STOP IN TIME AND TRY HARDER NOT TO LET OUR MINDS GET CENTERED ON TOO MANY OTHER THINGS.

OUR FRIEND SPECKLES WAS FAITHFUL AND TRUE AND DID HIS VERY BEST. HE SHOWED HIS LOVE AND DEVOTION DAILY AND WAS FOR MORE FAITHFUL THAN A LOT OF HUMANS BEINGS. (WRITER'S NAME WITHHELD)

# LOOP NEWS

BY EDITH ARMSTRONG

### SCHOOL HAPPENINGS

A high stepping parade featuring floats and other spectacular displays moved downtown Loop Friday afternoon, beginning at Nina's Cafe and proceeding on to the football field.

Leading the parade was the high school band under the direction of Jess Lancett. The band has been working extra hard for its part in the homecoming activities and they did an excellent job in their performances, both at the parade and at halftime activities. This was their first time to ever march during halftime of a game. The band students formed a heart and played "Let Me Call You Sweetheart" in honor of the newly named queen, Kay Bingham, and Ricky Mills, football hero of 1970.

Floats riding in the parade were assembled by each high school class, the student council float and the football boys float.

The sophomore class won the contest of most unique float. Dan Calfee is the sophomore sponsor.

After the parade, a pep rally was held on the football field.

Loop played Klondike for their homecoming game and lost by a score of 29 to 12.

Loop enjoyed a 12-18 first half lead, but quickly relinquished it in the third quarter. For the third consecutive week, inconsistent play has cost the Longhorns a ballgame against opposition of their own caliber.

Loop's score came on a 50 yard run from Danny Yocom to Mike Bogan. The next touchdown by Ricky Mills on a 3 yard run. Mills rushed for 121 yards on 26 carries.

There will be no game this Friday night since it is an open date. The A string Longhorns will play their next game on November 13 with Sterling City on the Loop home field.

This week the O'Donnell Freshman team will meet our B-team football squad on the Longhorn field on Thursday night, November 5th. There will be no charge for admission and the game will begin at 7 p.m.

The Homecoming parade and activities at the community building both turned out a large crowd and very enjoyable.

About 250 students, ex-students, parents, teachers and friends attended the homecoming activities at the community building after the game.

The first graduating seniors from Loop High School of the class of 1938 through the senior class of 1969 were recognized by their year group.

Mrs. Francis Oates was present from the first graduating class at Loop. One former teacher from Loop grade school was Mrs. Ruth Kennedy who taught here in 1932. Loop only had a grade school then and later added a high school. She now resides in Brownfield.

Mr. McDonald would like to express appreciation and thanks

to all - faculty, students, parents and friends whose efforts made the parade and homecoming events a big success. It wouldn't have been possible without a lot of hard work and cooperation.

On November 5 the Greenhand Chapter Conducting Team and other agriculture contests will be held at 2 p.m. in Brownfield. The Loop ag class will attend, along with their teacher, Mr. J. E. White.

Saturday, November 7, the seventh grade and upward band students will go on a field trip to Tech-TCU football game in Lubbock. About 30 students are expected to attend, accompanied by both band directors, Mr. Jess Lancet and Mr. Dan Calfee.

They will observe the bands march and play at halftime activities there.

Loop played their final football game Thursday at Dawson. Dawson received the initial kickoff and in about 4 plays scored for their first touchdown. They ended the night with a score of 52 points to Loop's 22.

Ronnie Armstrong scored twice for Loop, once from 30 yards out and again from about 40 yards. Danny Garcia added the 2 points after. Danny Young also scored for Loop from about 30 yards out. Bill Corbell added the 2 extra points.

Ronnie Armstrong and Bill Corbell were the outstanding defensive players of the game. Loop ended the season with a record of 2-4. Basketball practice for junior high boys will begin this week.

Loop B-team girls basketball won an easy victory over the Wellman B-team girls in last Thursday's game at Wellman. Final score was 38 for the Longhorns to Wellman Bobcats 23.

Rhonda Smith was high point with 22 points, followed by Liz Caughron 13 points, and Delilah Young with 2 points. We scored 26 of the 38 points from the free throw line. Elaine Freeman, freshman guard, had 17 rebounds, which is very outstanding.

The A-team was defeated in their game by a score of 32 for Loop to Wellman's 40 points. High scorer for Loop was Kay Bingham with 22 points. Kathy Noble made 4 points to tie Pam McKenzie, also 4. Patsy Davis scored 2 points. Both A and B teams girls basketball play at Loop gym this Tuesday night, November 3, against O'Donnell's A and B team, beginning at 7 p.m.

# Letters to the Editor

DEAR EDITOR,

ENCLOSED IS A CHECK FO THE YEARS SUBSCRIPTION AND THANKS SO VERY MUCH. YOU WILL NOTICE THE CHANGE IN ADDRESS. WE MOVED TO DIUARBOHIR, BECAUSE OF THE CLIMATE IN ANHARA. THEY SAID THE AIR IN THE WINTER WAS EQUAL TO SMOKING 6 PKS. OF CIGERETTES EACH DAY. NEEDLESS TO SAY I WAS IN A HURRY TO GET OUT OF THERE. THEY USE COAL FOR HEAT AND IT'S SMOG COMBINED WITH COAL SMOKE.

MAIDS WORK ALL DAY FOR 15 T.L. THAT'S ONE AMERICAN DOLLAR. EACH AND EVERY AMERICAN SHOULD COME TO A FORIEGN COUNTRY TO SEE HOW POOR THE PEOPLE ARE, SO UNEDUCATED, IT'S REALLY PITIFUL. THEN THEY WOULD APPRECIATE THE SWEET LAND OF AMERICA.

THE CITY OF DIYARBOHIR IS SURROUNDED BY A HIGH BRICK WALL, BUILT BY THE ROMANS IN 1200. OUR K.C.A. CAMP IS 4 MILES OUT OF T'OWN, WE CROSS A BRIDGE THAT WAS BUILT IN 700 A.D. THIS CAMP CONSISTS OF 15 TRAILERS, MOSTLY CANADAINS AND ENGLISHMEN, ONLY 3 AMERICANS, BO GUNTER, LEROY BURKE, BOTH FROM ANDREWS (SMALL WORLD) AND OURSELVES. WE BUY AMERICAN GROCERIES FROM THE AIR FORCE BASE. WHEN WE WERE IN ANHARA THERE WASN'T SUCH A THING, WOULD YOU BELIEVE I PAID 75 CENTS FOR A HALF PINT OF MAYONAISE, \$1.25 FOR POST TOASTIES ON THE BLACK MARKET. BUT IT WAS WORTH IT.

I AM ADJUSTING A LITTLE BETTER, BUT DOUBT VERY SERIOUSLY IF I STAY SINCE MY CHILDREN ARE BACK IN THE STATES. THE SCHOOL IN ANHARA WAS MILITARY AND HORRIBLE, \$540.00 FOR EACH 2 MONTHS SO THE CHILDREN IN THE STATES SHOULD APPRECIATE THE FREE SCHOOLING, CATS BY THE THOUSANDS, NOW A CHOLERA EPIDEMIC.  
SINCERELY, BETTY AND JOHN BIRSCHWALE

DEAR MADELINE AND ALL THE NEWS STAFF,

AT LONG LAST I'LL TRY TO GET A LETTER TO YOU FOLKS. WE SURE DO ENJOY THE SEMINOLE NEWS, AND KEEPING UP WITH FRIENDS AND EVENTS.

I WISH SO MUCH THAT PEOPLE COULD SEE US HERE AND THE WORK HERE AT THE CHILDREN'S HOME SO YOU'D REALLY KNOW WHAT IT IS LIKE.

HOUSEWORK FOR A FAMILY OF 12 IS MUCH THE SAME BUT SINCE I LIKE TO COOK IT'S NOT A CHORE. BESIDES, WE HAVE COME GOOD EATERS. JUST SO THERE'S ENOUGH OF IT. BUCK WORKS AT THE FARM AND RANCH WORK (WHAT LITTLE THERE IS) THEN HE HAS TO TAKE BOYS HUNTING AND FISHING IN THE EVENINGS. LAST SATURDAY, WE TOOK A BUS LOAD TO PADRE ISLAND FOR FISHING. TWO SETS OF HOUSEPARENTS AND 22 KIDS, BOTH BOYS AND GIRLS. WE DIDN'T GET TO FISH TOO MUCH BUT KEPT THE KIDS GOING.

OF COURSE WE TRAVEL BY BUS EVERYWHERE WE GO TO THE MOVIES, FISHING TRIPS AND TO CHURCH. BUSES RUN TO PETTUS ON BALLGAME NIGHTS, ONE FOR TEAM MEMBERS, ONE LATER FOR BAND AND PEP SQUAD AND A LATER ONE FOR SPECTATORS. CHILDREN FROM 7TH UP MAY GO AND YOUNGER CHILDREN MUST BE ACCOMPANIED BY HOUSEPARENTS. IT'S A LITTLE HARD TO GET THE WHOLE COT TAGE IN A MOOD TO GO TO THE SAME PLACE. BESIDES ADMISSION TICKETS ARE THE REASON. THE CHILDREN HAVE TO BUY IT OUT OF THEIR ALLOWANCE.

THE KIDS THEMSELVES ARE GREAT, JUST TYPICAL KIDS. THEY HAVE THEIR UPS AND DOWNS AND OF COURSE SOME PROBLEMS. WE HAD SOME FAILING GRADES AT THE END OF THE FIRST 6-WEEKS SO EACH ONE HAS TO STUDY SO LONG FOR EACH SUBJECT FAILED.

WE GO TO MOST OF THE HOME FOOTBALL GAMES AT PETTUS. SEVERAL OF THE HOME BOYS ARE IMPORTANT MEMBERS OF THE TEAM AND WE'RE HALF OF THE JUNIOR VARSITY TEAM.

THERE'S A LOT OF EXCITEMENT AS THE CHILDREN HAVE MADE OUT CHRISTMAS LISTS. EACH CHILD CHOOSES 5 THINGS AND SUGGESTIONS ARE SENT TO VARIOUS SPONSORS OR GROUPS WHO WRITE IN.

LIFE IS NEVER DULL HERE AS THE UNEXPECTED ALWAYS HAPPENS.

THANKS AGAIN FOR THE NEWS AND WILL TRY TO SEE YOU IF WE GET UP THAT WAY AGAIN.

SINCERELY, MARY SUE AND BUCK CUNNINGHAM  
(EDITORS NOTE, THE CUNNINGHAMS FORMERLY LIVED AT LOOP AND ARE NOW HOUSEPARENTS AT THE SOUTH TEXAS CHILDREN'S HOME.)

# Letter To The Editor

Dear Daddy,

Life in Carrizo Springs is different from anything I've ever experienced. It's one of those towns you'd think should have existed 100 years ago because it's just old fashioned and I love it! Old ladies and old men rock every afternoon on their porches, retelling stories about the Carrizo bandits killing the deputy sheriff. And yes, Miss Woods also sits on the porch, rocking with the old timers and soaking up all the marvelous stories of the past. Usually a porch of the typical old timer contains at least six rockers, for all those who walk by and want to join in the big talk.

Carrizo's the type of town where you go with a grandmother and grandson for visiting purpose and end up eating beans and fried potatoes and tasting the best of anything. Then before I could leave this grand lady and her grand boy she just had to give me a jar of fig preserves, a jar of plum preserves, and a jar of bread and butter pickles. And all this time she was thinking it was her pleasure that I came.

Another time an old timer showed me his twenty bee hives of non-fighting bees. My questions tumbled out for about thirty minutes and before I knew it, he'd knocked off the value of his twenty gallon, honey container and filled for me a quart jar full of honey. "This will do for a starter," he said.

The plants and land were all so strange to me at first here. Palm trees with ripening dates vegetate this small community, being outnumbered only by the over loaded orange trees and tangerine trees. Here they grow egg plant, chili plants (hot peppers), onions, tomatoes, oranges, grapefruit, and lemons. Harvest time comes about November and many migrant families leave Chicago to come to the south for work in the fields. Since 75% of population is Mexican, this crop raising is the most important factor in Carrizo. In November all the classrooms increase at least five or six students.

Another old marker of the community is the school I teach in which was built in 1917 and stands firmly as a landmark for the old timers. My classroom has brown torn window shades, rickety old painted windows, birds' nests in the windows and no matching desks. But I love my room and my students because no pretense is made and no discrimination is shown. I think my room displays a colorful personality because of the creative children's works.

My 24 Latins and 2 Anglos fair fine together and the whole school system is set up this way. My room as well as the other rooms are well behaved and many children in my room want to come early and stay late to help the teacher finish her work. Most of my school kids have an average of 7 to 8 brothers and sisters. All understand the words SHARE and KINDNESS and none are lacking in love from home. Families are close to one another and many aunts, uncles and grandparents are considered to be a part of the immediate family. Some of my school boys attend early mass every morning at 6:30 a.m. and mass every evening at 7:00 p.m. Every morning the church bells peal out about 6:15 a.m. to wake those to come to mass.

Right now the lady I'm living with is on her front porch, piecing a quilt by hand. The porch is where she makes all her Christmas gifts. She's a darling. She loaned me a quilt, bedspread and four pillows. She's a good friend and a good land lady! Most of the men of Carrizo like a "good chew" one time a day or a leisurely puff on the pipe while relaxing. "Rodeoing" is a big thing here, too. On every Friday and Saturday night the cowboys practice roping, bronc busting, and steer wrestling. Instead of paying to see a rodeo it's a community affair that everyone attends.

Since Carrizo is close to the border, it has the typical Mexican mainstuff for food - beans and peppers. I remember in Seminole we always had hamburgers on Thursday with chocolate milk. Well, in Carrizo we eat Mexican food every Wednesday very ritually.

One other strange, weird thing of Carrizo are the bats! Now, bats aren't really scary unless you're walking up a dark stairway and two swoop two feet from your head like they did to me. I yelled for the janitor because they really spooked me. He came up with a baseball bat and killed two bats swinging as they swooped past his head. Since it was still dark, the bats could move better than we could. When I walked into my room I couldn't raise my windows because a swarm of about 100 bats were outside my windows actually flying straight into the glass part of the window. When daylight came the bats left and my nerves were better.

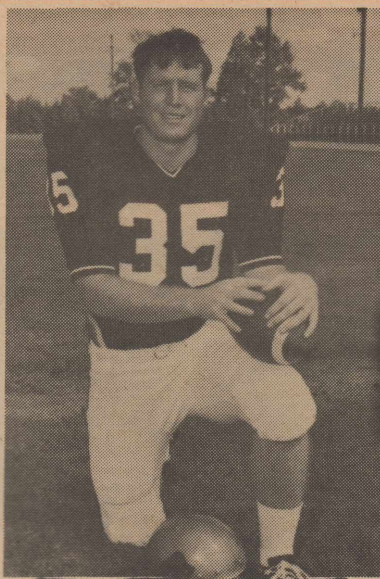

This town being western really has some good points. The other night I visited a ranch home and after supper we sang good ole' Eddy Arnold songs for almost an hour. Now, that's living when you can hear a real cowboy yodel the "Cattle Call" while strumming on his guitar. Americans everywhere would be proud of Carrizo. The people still believe that God is number one and family is number two.

Other towns within fifteen miles of us have had marchings and general unrest in the school with pupils and teachers. Our pupils want no part in marching or minority bickering. I thank God there are still places like Carrizo left in this world. Seminole gave me so much that I thought I wouldn't ever find another town so friendly.

Love from your daughter,  
Cindy

A PHYSICAL EDUCATION MAJOR WHO PLANS TO COACH, CAFFEY IS THE SON OF MR. AND MRS. H.T. CAFFEY OF SEMINOLE.

Mayor Clarence O. Wright buys the first poppy from Tammy Bond, daughter of Mr. and Mrs. Bill Bond. Tammy was officially installed in the American Legion Auxiliary two hours after her birth.

In the spring of 1919 the poppies bloomed in abundance on the battlefields of France and in 1921 the American Legion Auxiliary adopted the poppy as its Memorial Flower. Poppies are made of red crepe paper by hand in hospitals by disabled veterans and 100 percent of the sales from these poppies go to Welfare Relief of our service men and their families. The public is given an opportunity once a year to help with this wonderful labor of love as well as to pay tribute to all who died in the service of our country by wearing a memorial flower on Poppy Day.

It was during World War I that John McCrea so sincerely wrote "We are the dead. Short days ago we lived, fell down, saw sunset glow. Were loved, and now we lie in Flanders Field. Take up your quarrel with the foe. To you from failing hands we throw the torch-. Some time later R.W. Lilliard wrote "Rest ye in peace, ye Flanders dead, The fight that you so bravely led, We've taken up." Please wear a poppy.

## 8th GRADE

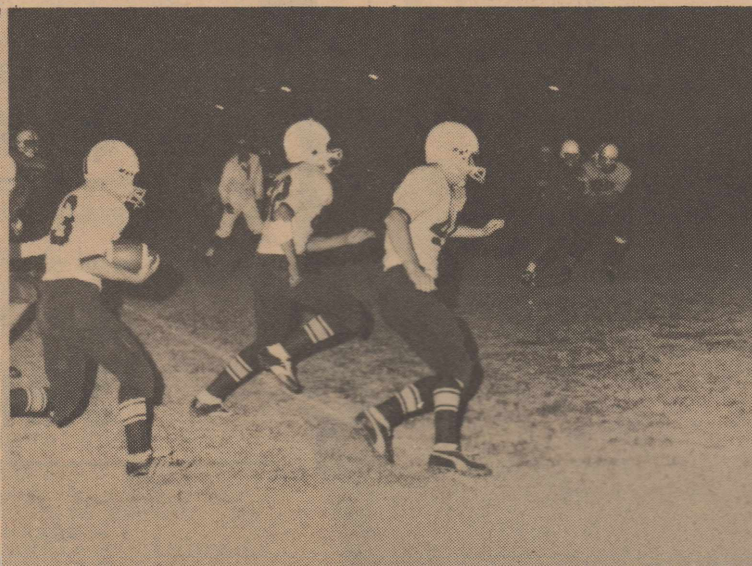

Frank Gutierrez makes it look easy last Thursday night as he breaks through the line and is way out front of the defenders.

Anthony Hemphill, #48, on the right, scored 14 points last Thursday and Frank Gutierrez scored the other touchdown for the victorious 8th.

Runs like the one seen above are what made the 8th grade winners for the year. Seen coming up on the left is #44 Marty Ivy, a wing-back, and on the right, #33 Mike Nelson. Pete Hicks, quarterback, is romping for the big gain.

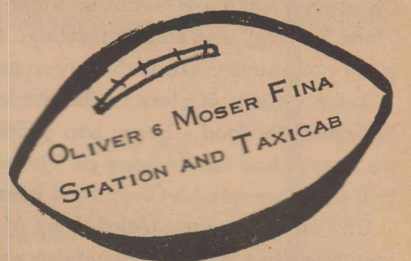

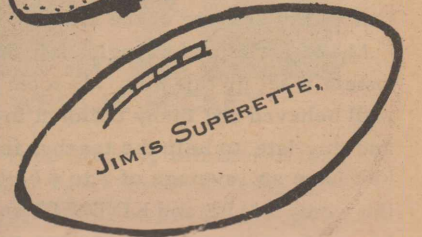

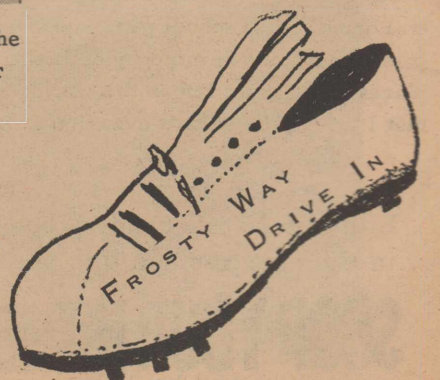

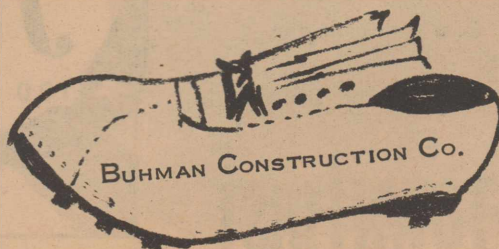

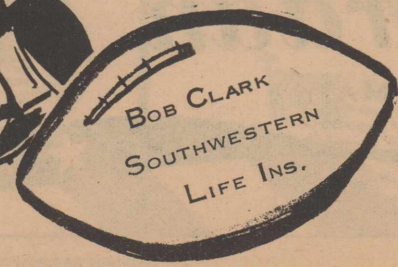

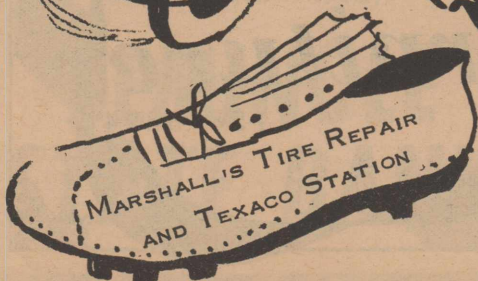

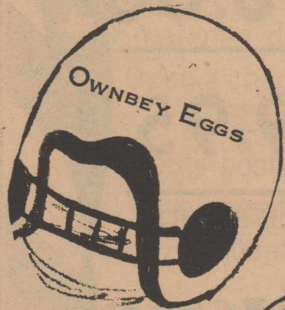

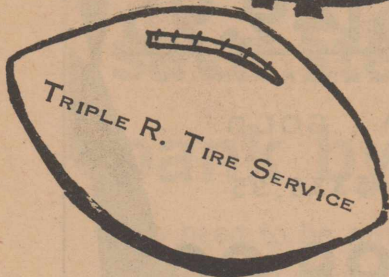

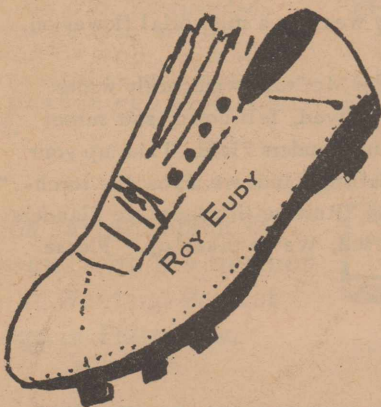

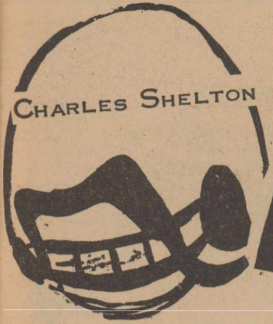

Mike Nelson, #33, with ball tucked under his arm, shows why the Seminole 8th is undefeated, running room and blockers doing their job. Number 44 is Marty Ivy and #52 is Greg Fleming.

Anthony Hemphill, #48, was the big gun last Thursday as he scored 14 of the 8th grade Warriors' 20 points. Two times on 4th down the ball was centered over the head of the kicker and Anthony charged back to cover the ball in the end zone for 6 points. It looked like the 12 points were going to stand up for all the points in the ballgame but late in the the 4th quarter with 2:35 remaining Frank Gutierrez broke through the line and scored from 38 yards out for the bold Warriors' 3rd touchdown. Hemphill added the 2 point play. Final score - the undefeated 8th 20, Lamesa 0.

There were stars aplenty for the Warriors, Pete Hicks at quarterback, Mike Nelson, the strong man at fullback, Gutierrez, Marty Ivy, David Bowers, Mark Stone on defense, Mike Bell, Mark Nichols, Hemphill, Leland Sheets, Greg Fleming and a host of others.

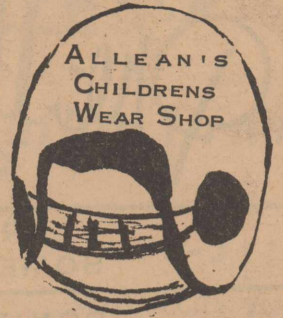

It was well into the 3rd quarter when Lamesa threw the Warriors for a 5 yard loss until they had lost on a ground play. They were quick, they were strong and they were hitting with force to make the 8th of Lamesa cough up the ball. Sheets covered one fumble, Sheets covered another fumble, Hemphill claimed 3 fumbles, 2 for the touchdowns.

# KICK-OFF TIME!

## FRESHMEN

### SEMINOLE FISH ALMOST PULLED OUT AN UPSET OFF LAMESA 46-30

After getting beat by the Lamesa Tors 62-8, the Seminole Freshmen scared the Tors in almost an upset. Lamesa jumped ahead of Seminole on the second play from scrimmage. Lamesa scored a touchdown from 60 yards out. With the passing of Charles Wrenn, the catching of Roy Lacy, John Jordan and Cal Carson, the Indians moved the ball down the field and with the running of Gary Squires and Benny George Flud, the Indians scored and made the 2 point conversion.

The Indians fought all night but could not pull the game out. Lamesa could not hold onto the ball which helped the Indians score another touchdown from Wrenn to Lacy for 35 yards.

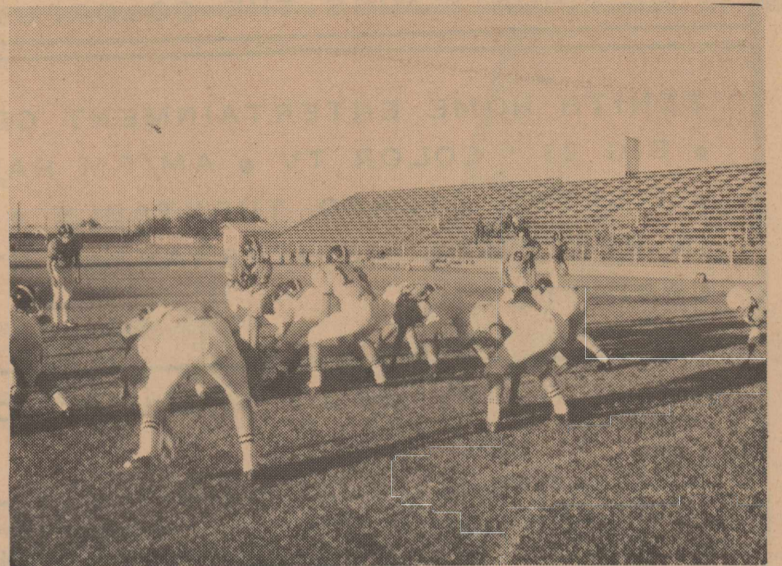

Seminole could not hold the running of the speedy backs of Lamesa. Lamesa could not pass against the Indians' defense. The whole defense looked good at times. Seminole drove with some passes to the 5 yard line when Wrenn carried it in for another T. D.

The line blocked good. Seminole rolled up another T. D. for 30 points. The Indians tried for more points but were unable to score again. The Indians made the Tors fumble 5 times and intercepted one pass.

The boys that looked good were Carson, Jordan, Aten, Eudy, Montandon, Squires, Burk, McIlwain, Flud and Lilly.

The scoring went like this: 6-0, 6-8, 12-8, 18-8, 18-16, 26-16, 26-24, 33-24, 33-30, 39-30, 46-30.

Written by members of the team.

The Freshmen lined up in the late afternoon last Thursday in their game against Lamesa.

## 7th GRADE

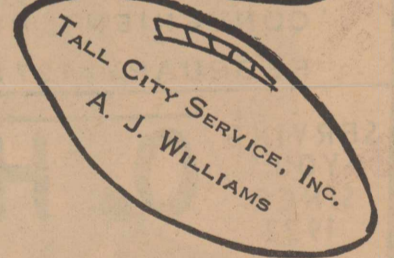

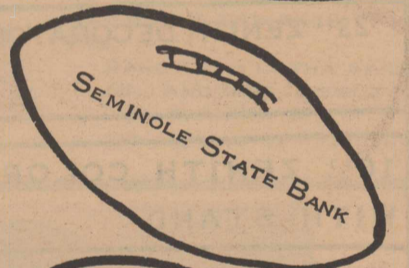

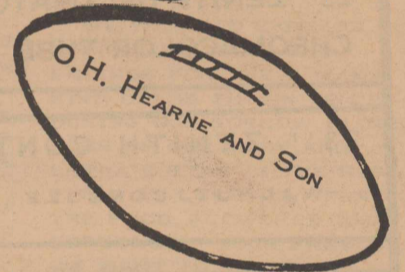

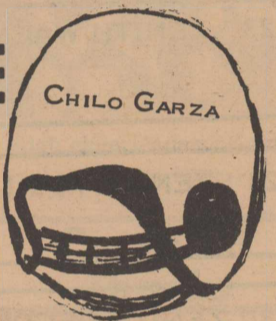

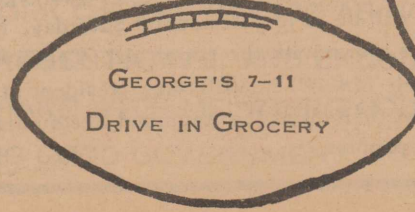

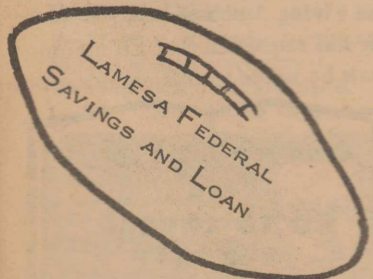

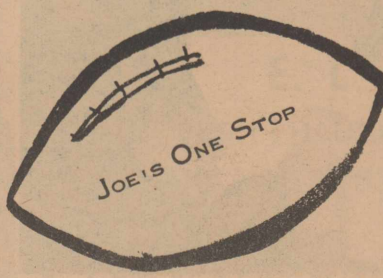

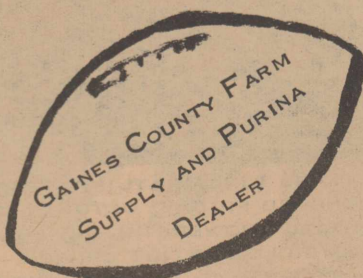

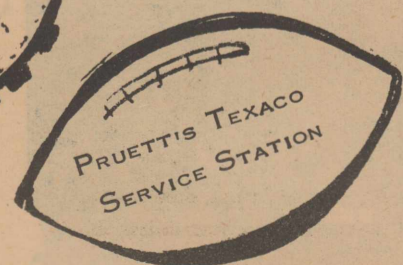

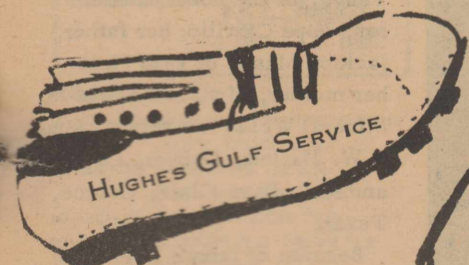

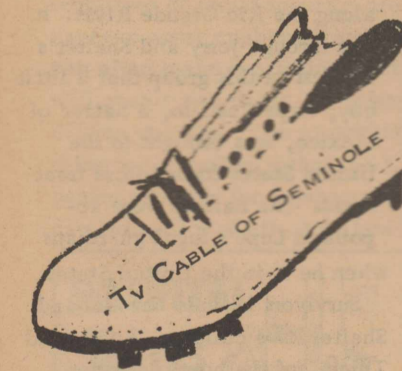

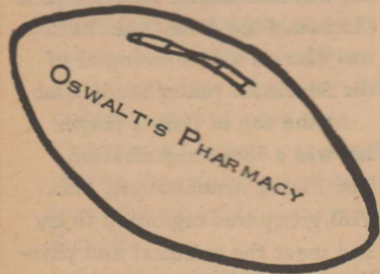

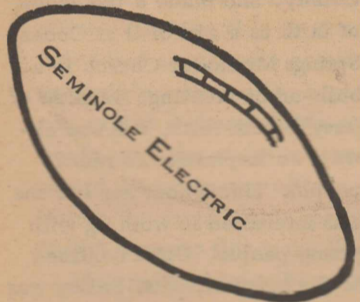

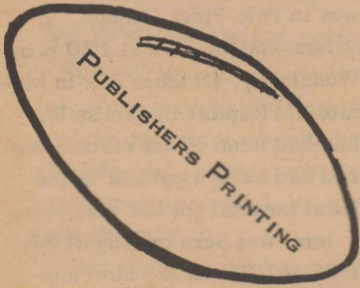

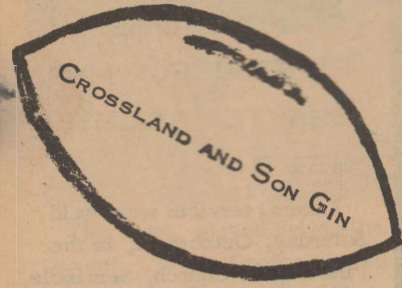

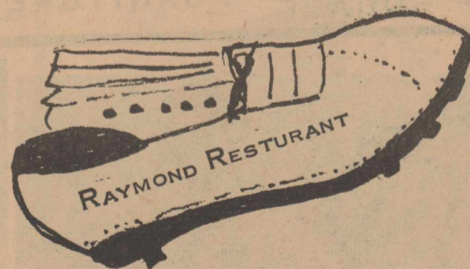

The Seminole 7th pressed the Lamesa 7th last Thursday but lost their ballgame 8-0. The 7th grade Warriors moved the ball well but could not cross the goal line. Lamesa scored in the 3rd quarter from 25 yards out when the quarterback dropped back to pass. Two Seminole linemen missed him and he threw deep and a Lamesa receiver caught it over his shoulder for the 6 point play. With 5 minutes to go they used the pass play for the P. A. T. and scored again, to make the final reading 0 for the 7th, 8 for Lamesa.

Seventh grade Warriors leaving the huddle, preparing for battle.

Seventh graders lost 7-0 last Thursday to a bigger Lamesa team but were determined as seen in this picture.

### FUNERAL FOR MRS. SHAFTER BAILEY HELD

Funeral services were held Saturday, October 31, in the First Baptist Church, Seminole, at 3:00 p.m. for Mrs. Shafter W. (Jerry) Bailey, Jr. Final rites were held Sunday, November 1, at the Cedar Springs Methodist Church in Palo Pinto County. Rev. Gene Hawkins officiated at both services. Lynn Garrett sang Jerry's favorite hymn "I Saw A Man". Mrs. Bailey's cousin gave an eulogy of her and sang "Rio Grande". Burial was in Palo Pinto County.

Mrs. Bailey died at 1:30 p.m. Wednesday, October 28, in Memorial Hospital in Seminole. She had been ill for several years and had been a patient in the local hospital for the past year.

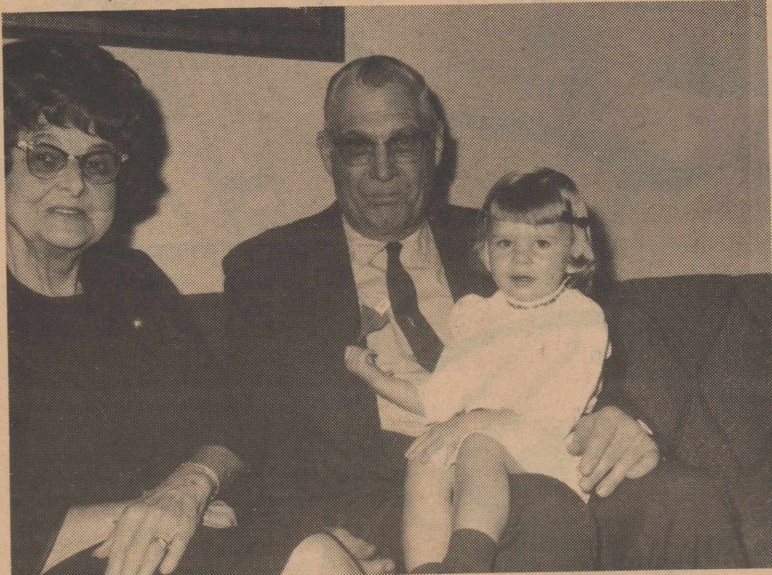

Jerry was born on August 27, 1926 on a ranch in Palo Pinto County. She made a profession of faith as a girl of 11 at Cedar Springs Methodist Church in a bush-arbor meeting. Because of Jerry's great faith, she was always an inspiration to many people. Throughout her life she was interested in working with young people. Until confined to the hospital, Mrs. Bailey was a Sunday School teacher and active in the W.M.U. at the First Baptist Church where she and her family are members. In 1969 she was nominated Texas Baptist Mother of the Year. Mrs. Bailey was also an active member of the Seminole Junior Study Club.

At the top of Jerry's prayer list was a local organization, The Flying Ambassadors, Inc. This group was organized to try and meet the spiritual and physical needs of the people living along the Rio Grande River. It was through Jerry and Shafter's interest in this group that a little boy, Lupe Castillo, a native of Mexico, was brought to the United States for medical treatment. The Baileys were appointed Lupe's legal guardians when he is in the United States.

Survivors include her husband, Shafter; two children, Buddy and Tanya, of the home; a foster son, Lupe Castillo; her father, Jackson Massie of Palo Pinto; her mother, Mrs. Letha Massie, Mineral Wells; two sisters, Mrs. B.W. Harless, Denver, Colorado and Mrs. Dave Clark, Conroe, Texas.

Because of Jerry's interest in the Flying Ambassadors, the family has requested that all memorials be made to this organization.

**Information From Social Security Office**

BY DOROTHY FEAZELL

EVERYONE who comes into the social security office to file a claim for social security benefits asks one common question "How long will it take to get my first check?"

This is a very proper question and we in the social security office like to be able to give the individual as accurate an answer as possible. Normally, a person can expect a check within six weeks after the claim is sent to one of the reviewing offices.

Notice the emphasis on the word "Sent" because this is the key.

We are required to have certain information before we send a claim to the reviewing office and this information MUST be supplied by the person filling a claim with us. This information may be evidence of age, a tax return, a W-2 form or other documents depending upon the circumstances in each case. The sooner a person can supply us with the necessary information, the sooner he can expect a check.

I want to stress that the representatives of social security are eager to assist applicants and we can often make suggestions that will enable you to get the information quickly. The important thing to remember is that the person applying for payments can have a lot of effect on how

soon he will receive his first check.

Representatives in the social security office are experts in their field. They know what is needed and how it can be obtained; but they can't go out and get it for the claimant.

Please do check with the social security office if you are nearing retirement age or if you have questions about any part of the social security of Medicare programs. If that is not convenient for you, contact me on one of my regular visits to the Gaines County Courthouse.

Man may believe that he is the Captain within his household, and some wives will agree that he runs a tight ship.

The Young Homemakers met Monday night at the band room with only 6 present. Some of us older homemakers were still resting up after the carnival and couldn't make it. A demonstration was given by Mrs. Lois Harris on making crocheted beads.

The carnival was a big success this year and the Young Homemakers Club would like to express appreciation to everyone who had a part in helping us carry this project out. The children all enjoy it as well as some older ones. A lot of work and donations from businesses as well as individuals made this all possible. Then also thanks to the good turn out from Loop people as well as several from out of town which we were especially glad, which made another annual Halloween carnival a great success.

The club cleared about \$450 on the project which will be spent to sponsor the annual cooking and livestock show in January.

Some of the special prizes and raffle awards from the carnival went to the following: John Owens the Hot Wheels Sizzler Race Car Set, J. C. Chaffin won the ten dollar prize for most bingos, Mr. White won the Yorkshire pig and Vester Smith got the underground sprinkler for the lawn.

Little Jimmy Owens was treated and released at Seagraves hospital after receiving a bad cut on the forehead. He bumped his head on a table and had four stitches.

Carroll Hamilton, son of Mr. and Mrs. Louie Hamilton, was treated and released after he received a bad sprained ankle when he fell into a cotton trailer.
