Don't ever put an ad on the top of a page, so newspaper people say, put ads on the bottom of the page. "But," I said, "they're the people that pay the bills, why not give them a break. After all, if your news is not 'filler news', people will read it anyway." They were further told, "some day we intend to put an ad on the front page." The ad appears on the front page today, not because we want to favor the TV Cable but because they were willing to pay for it, recognized its value and we wanted to call it to our readers' attention that the great bulk of the income of this venture comes from our advertisers.

This paper is not big enough nor this column long enough to convey the thanks that are due the advertisers who have supported this paper from its beginning.

One of our readers said "Why do you put some of your better stories over on page 23? I have to read every page to get the news." After observing the great satisfaction on the publisher's face, he said, "Why, you do it on purpose." Yes sir, the fellow that has an ad on page 23 deserves the readers' attention.

Whether your ad is of full page variety, the half page variety or the \$1.00 classified, we THANK YOU!

Dan Davis was a good friend of mine and I told him more than once that if I had been younger and wanted to run a grocery store I would have worked for him for nothing to get started. Dan was one of those very few that enjoyed seeing a younger man make good and delighted in telling you how many store managers he had trained and how many young men he had helped set up in business.

I can think of a hundred stories that would do to tell on him. There's the story about the old man who sat out on the sidewalk, regardless of weather, and ate the sardines that Dan gave him. There's the kite story of the kite being flown

TRAVELED CATTLE STORIES - NOT TRUE

Some people travel, some people don't. Some cattle travel, some cattle don't. Many cattle live their lives out on the same ranch or the same piece of ground. Not so with the cattle at South Plains Feed and Seed Lot. James Belcher from Seagraves bought sixty head of cattle from Pilot Point, Mississippi. When they arrived in West Texas and Gaines County they weighed 311 pounds each. They were real good 'Okie type' cattle, crosses mostly between Angus and Herefords. They were put on dry pasture for nearly six months and went into the feed pens weighing a little over 400 lbs. This week the cattle were contracted to Hines Brothers Packing Co. in Little Rock, Arkansas. They are all heifers and sold for \$28.75 per hundred, weighing 760 lbs. with a 4% shrink. They stayed in the feed lot 147 days and gained 2.4 lbs. per day.

This article is being run in hopes that other people will become interested in feeding cattle in Gaines County along with Kenneth Newcomb, Monty and Jiggs Williams, Wayne Buzan, James Belcher and others. It's almost unbelievable that this area ships most of their cattle out to be fed and then ships them back in to be bought as steaks and roasts. Also we ship lots of cattle to California then ship feed out there to feed them on.

At least two stories are being circulated around the county.

(1) There's a shortage in the county judge's office. There's no truth to this. "The story came about because of old charge accounts left over that had not been collected from the time that I served in the clerk's office," said County Judge and one time County Clerk of Gaines County, Chester Browne. "The rules and regulations say that a clerk is responsible for any and all accounts and it becomes a cash account as far as the county is concerned when it is made."

It seems that when Chester Browne was county clerk that the audit of 1969 showed a balance of \$7,427.95 had been charged to oil companies, businessmen, individuals and lawyers. Of this amount, approximately \$1700 is still outstanding. Woodson Jones, County Auditor, said, "This will all be cleared up by March 1, 1971. If not, the cash will have to be dug up." County Attorney Joe McGill said, "Yes, I know about it. I am concerned and have been told that it would be cleared up during the month of February of this year."

These account charges came about when the clerk's office charged court costs, recording fees and certified copies to aforementioned accounts. This money was always carried as a debt that the clerk owes to the county and is so stated in the year in audit, but must be paid.

from the front door of H&D Food and going across the Lamesa Highway. There's the story of Alvin Lamm and the salesman's hat that came floating by during a rainstorm and the one about the time Mr. Davis caught the employees shooting dice in the back room and many many more.

But the one that I like the very best is the one concerning his son, Jim Davis. For seventeen years Dan had gone to El Paso to help give Masonic work to new members. He'd stayed in the same hotel and stayed in the same rooms. The time came when Jim was old enough to go with his daddy. He must have been 12 or 13 years old. "I'll tell you," Jim told me just the other day, "my daddy like to beat me to death for that one trick. Why, how does a boy entertain himself in a hotel?"

His father told me the following story. It seems that on this particular trip there followed a holiday and young Jim had sneaked a few cherry bombs (firecrackers), those big kind, in and he got to thinking how funny it would be to light one, drop it in the commode and flush it. Oh, the commotion that followed. It seems, as luck would have it, that a man was sitting on the throne in the room directly above where the Davises were quartering and he said, so Dan said, that he was sitting there peacable and reading when all of a sudden he was hurled through the door of the bathroom and landed on his

hands and knees out in the bedroom.

At this point I began to laugh. I know it was serious, the bill was \$114.50. I know it was terrible that Jim did such a thing but I couldn't help but speculate the look on that man's face when he was going through mid-air and was disturbed by the cold water that hit him, shocked him and the great explosion that propelled him with such force and surprise.

"No," Mr. Davis went on to say, "the man didn't sue us; when he found out actually what happened and he was uninjured, he just smiled. Of course we had to pay for the commode being ripped off the floor."

"I'll tell you," Jim said, "my daddy nearly beat me to death. Firecrackers are still not funny to me to this good day."

It's so pleasant to remember people who had such a zest for living, who enjoyed the company of young men and advised them and taught them so diligently.

THEY ARE AMONG THE 1,330 CERTIFIED MEMBERS OF THE 1971 HOUSE OF DELEGATES WHICH WILL MEET ON THE LAST DAY OF THE CONVENTION TO DISCUSS AND ACT ON PROPOSED AMENDMENTS TO THE TSTA CONSTITUTION, NEW POLICIES, RECOMMENDATIONS OF STANDING COMMITTEES, AND OTHER BUSINESS.

THE OFFICIAL DELEGATES ARE ELECTED FROM THE 433 TSTA LOCAL ASSOCIATIONS THROUGHOUT THE STATE AND CERTIFIED BY DISTRICTS ON THE BASIS OF ONE DELEGATE PER 100 MEMBERS OR FRACTION OF 100. EVERY LOCAL ASSOCIATION IN THE STATE IS ENTITLED TO AT LEAST ONE OFFICIAL DELEGATE.

WITH TOTAL MEMBERSHIP IN TSTA EXPECTED TO HIT A RECORD 138,000 THIS YEAR, ATTENDANCE AT THE CONVENTION MAY EXCEED 10,000. FEATURED SPEAKERS INCLUDE A.D. (ANDY) HOLT, PRESIDENT EMERITUS OF THE UNIVERSITY OF TENNESSEE, AND ART LINKLETTER, THE WELL-KNOWN RADIO AND TELEVISION ENTERTAINER.

THE GAINES COUNTY DELEGATION INCLUDES JESS LANCET, SEAGRAVES-AND JOHN D. THOMPSON, SEMINOLE.

STORIES -NOT TRUE

FROM PAGE 1

The other story concerns the \$250,000 bond that was voted to purchase right of way west for the four lane highway. Woodson Jones reports that of this money \$142,812.54 is still in the right of way account, plus interest of \$11,000, making a total of \$153,812.54. In 1969 \$6750 was paid for appraisal service. During the year of 1970 \$4,300 was spent for appraisal service, \$3090.50 to Freeman & Curry, legal service; \$750.00 to special commissioners for condemnation; \$2,000 to Hyle Doss, agent to buy right of way; \$201.50 for fees and recording and \$82,529.00 for right of way. The state also has paid back a portion of buying of right of way, hence the nearly \$300,000 still left in the fund and having been spent. No, the story is not true. The money voted for the right of way has been spent for the right of way or is still in the right of way fund.

LONG BINH, REPUBLIC OF VIETNAM--TWO VETERAN ARMY HELICOPTER PILOTS OF THE 273RD AVIATION COMPANY (HEAVY HELICOPTER) HAVE A LOT IN COMMON. THEY ARE BOTH FROM SEMINOLE, TEXAS.

"WE WERE IN THE SAME BRIGADE AT FT. WOLTERS, TEX., WHEN WE FIRST MET," SAID CAPTAIN CHARLES O. REED III OF HIS CLOSE ACQUAINTANCE WITH CHIEF WARRANT OFFICER (W2) PHILLIP EARL COATS. CPT. REED IS COMMANDING OFFICER OF THE 273RD AND CWO COATS IS THE UNIT'S SAFETY OFFICER. BOTH MEN FLY THE GIANT CH-54A SKY CRANE HELICOPTER OUT OF SANFORD ARMY AIRFIELD AT LONG BINH, 15 MILES NORTHEAST OF SAIGON.

"IT WAS MY WIFE'S AUNT, BEATRICE UNDERWOOD, WHO TOLD CPT. REED'S MOTHER THAT I WAS STATIONED AT FT. WOLTERS," SAID MR. COATS. THE TWO LADIES AND MR. COATS' WIFE, LEE ANN, ALL WORKED AT THE LOCAL TELEPHONE OFFICE AT THE TIME.

"THAT WAS FOUR YEARS AGO," SAID CPT. REED, "AND EVERY SINCE THEN, WE HAVE BEEN STATIONED IN THE SAME UNIT." BOTH PILOTS WERE STATIONED AT FT. WOLTERS FOR THE NEXT THREE YEARS. THEY THEN MOVED TO FT. RUCKER, ALA., WHERE THEY TOOK A SKY CRANE TRANSITION TRAINING COURSE FOR SIX WEEKS. CPT. REED WAS A CLASS LEADER IN THE SCHOOL AND CWO COATS WAS HIS CLASSMATE.

CPT. REED ARRIVED IN VIETNAM TO TAKE COMMAND OF THE 273RD ON OCTOBER 5, 1970. MR. COATS ARRIVED ONE MONTH LATER.

THE SON OF MR. AND MRS. CHARLES O. REED JR., OF 906 N.W. AVE. 1, CPT. REED, 29, IS MARRIED TO THE FORMER HANNELORE F.F. BAUER OF WURZBURG, GERMANY WHERE SHE RESIDES WITH THE COUPLE'S EIGHT-YEAR OLD SON, CHARLES O. IV.

CWO COATS, 34, IS MARRIED TO THE FORMER LEE ANN STONE OF SEMINOLE. SHE RESIDES AT 606 N.W. 4TH STREET WITH THEIR INFANT DAUGHTER, ROBIN PATRICE. MRS. COATS IS THE DAUGHTER OF MR. AND MRS. JACK STONE OF 707 N.W. AVE. H. MR. COATS' PARENTS, MR. AND MRS. EARL M. COATS, LIVE IN POPLAR BLUFF, MO.

THE MISSION OF THE "SUPERHOOKS" OF THE 273RD AVIATION CO. IS TO PROVIDE COMBAT SUPPORT AIRLIFT FOR MOVEMENT OF HEAVY SUPPLIES, VEHICLES, AIRCRAFT AND TO PROVIDE COMBAT SUPPORT AIRLIFT OF UNITS ENGAGED IN OPERATIONS.

ALTHOUGH NOT THE PRIME MISSION OF THE 273RD, THE UNIT IS PLAYING A MAJOR ROLE IN THE RECOVERY OF DOWNED AIRCRAFT IN THE THICK JUNGLES OF THE REPUBLIC OF VIETNAM. THE \$2.8 MILLION "TARHE" HELICOPTER HAS A LIFT CAPABILITY WHICH PERMITS IT TO BE USED TO RETRIEVE ANY AIRCRAFT IN THE ARMY INVENTORY PLUS MANY U.S. AIR FORCE PLANES. ON ONE OCCASION THE SKY CRANE WAS USED TO RETRIEVE A SISTER SHIP WHICH HAD BEEN FORCED TO LAND BECAUSE OF TRANSMISSION PROBLEMS.

THE 273RD AVIATION CO. MAINTAINS NUMEROUS SKY CRANES TO CARRY OUT ITS MISSION OF AIRLIFT SUPPORT. THE CH-54A HELICOPTER, WHICH RESEMBLES A GIANT GRASSHOPPER, HAS A LIFTING CAPACITY OF 17,500 POUNDS AND A CREW OF FOUR.

THE LARGEST HELICOPTER IN THE FREE WORLD, THE SKY CRANE HOLDS THE WORLD RECORD FOR ALTITUDE AND CLIMB RATE OF ROTARY-WING AIRCRAFT. THE COPTER CAN CLIMB ALMOST A MILE A MINUTE TO A CEILING OF 32,000 FEET.

THE 273RD IS UNDER THE OPERATIONAL CONTROL OF THE 1ST CAVALRY DIVISION (AIRMOBILE) AND IS THE PRIME MOVER OF THEIR ENGINEER EQUIPMENT, 155MM HOWITZERS, TRUCKS, AND A LARGE PORTION OF THEIR AMMUNITION.

BECAUSE OF THE MOBILITY PROVIDED BY THE 273RD, THE "FIRST TEAM" HAS CONCEIVED A NEW MOBIL SUPPLY CONCEPT TO SUPPORT NEW FIRE BASE SITES AND PROVIDE THEM WITH HEAVY GROUND CLEARING EQUIPMENT, VEHICLES FOR USE ON THE FIRE BASE, 155MM AND 175MM HOWITZERS, AMMUNITION AND FOOD SUPPLIES.

IN MANY CASES THE FIRE BASES ARE SUPPORTED TOTALLY AND INDEFINITELY FROM THE AIR SINCE THE SMALL OUTPOSTS CAN NOT BE REACHED BY GROUND SUPPLY LINES.

ONE OF TWO SUCH HEAVY HELICOPTER UNITS IN THE REPUBLIC OF VIETNAM, THE 273RD WAS DEPLOYED TO VUNG TAU FROM FT. SILL, OKLA., IN DECEMBER 1967. ARMSTRONG BASKETBALL

Basketball is history now for the year 1970-71. The games are all over and we will be looking forward to a big season for next year.

In last weeks games the B team boys won against the Dawson's Dragons on the Dawson's home court with a score of 31 for Loop and 27 for Dawson.

The girls were defeated in their final game of the season by only 4 points. It was a very close game with the score tied at the end of the 1st quarter and tied again at the close of the 3rd quarter. Final score was 30 for Loop and 34 for Dawson.

Kay Bingham led the forwards with 16 points followed by Jackie Nail with 12 and Pam McKenzie with 2.

The boys A team came in with a victory with a final score of 59 for Loop and 45 for Dawson.

Leading the group for high point was Danny Yocom with 15, followed by Mike Boggan, Ricky Mills and Randy Armstrong with 12 points each to their credit. Also scoring was Dennis Aldridge 4, Monty Ancinec 2 and Craig Ancinec 2 points.

Leading the troupe was Danny Yocom with a score of 18 points. Two of these scores for Yocom were made from the free throw line and the rest being bucket shots.

Final game of the season for the boys was played on Tuesday night at the Lamesa High School Gym. It was with Sands boys and followed the Meadow-Sands girls Bi-District contest. 4-H NEWS

Most of the clothing leaders have met with their groups now to talk about fabric and patterns to get the spring sewing projects underway. February 4-H meeting is scheduled for Thursday, February 18, at the community building at 4 o'clock. This will be the regular monthly meeting for the entire group.

The adult sewing class is still planned for the four Mondays in March. One change in plans is meeting time for the first Monday will be 1:30 instead of 9 o'clock in the morning. This first afternoon will give time to fit patterns, etc.

Things needed for the sewing class are ball point needles for your machine, a paper sack, scotch tape, dacron thread or cotton covered with dacron, such as Dual Duty, etc. Also needed is your material for the coat or suit. The heavier type dacron knit will be more suitable for a coat or jacket and a pattern preferably with a collar to encourage tailoring. The coats or jackets will be made without linings by a new method. About two yards of dacron crepe is needed to

match the back side of the coat knit to use for the interfacings and to finish off the inside seams of the coat. On the second Monday that we meet we will bring sewing machines and exterior cords and also a lunch. FHA

UNDERSTAND THE SURRENDER THAT NECESSARILY PRECEDES THE VICTORY TO WHICH WE ASPIRE. THE WARFARE, OF COURSE, IS A SPIRITUAL WARFARE. IT IS ONE IN WHICH THE FORCES OF GOOD ARE ENGAGED IN A STRUGGLE AGAINST THE FORCES OF EVIL-- RIGHTEOUSNESS AGAINST UNRIGHTEOUSNESS --THE SPIRIT AGAINST THE FLESH--JEHOVAH GOD AGAINST SATAN.

NOW, IN THIS SPIRITUAL WARFARE ALL HUMANITY IS INVOLVED. IF WE ARE AN ACCOUNTABLE MEMBER OF THE HUMAN RACE WE CANNOT BE A NON-COMBATANT SPECTATOR IN THIS WARFARE, BUT WE ARE A PARTICIPANT, ENGAGED IN ACTIVE SERVICE ON ONE SIDE OR THE OTHER. JESUS SAID IN MATT. 12-30 "HE THAT IS NOT WITH ME IS AGAINST ME, AND HE THAT GATHERETH NOT WITH ME SCATTERETH ABROAD." IF WE HAVE ENLISTED IN THE ARMY OF THE LORD, AND HAVE PLEDGED ALLEGIENCE TO HIS CAUSE, BUT ARE REFUSING TO PARTICIPATE, THEN WE HAVE BECOME A TRAITOR, AND ARE SUBJECT TO THE PUNISHMENT ASSIGNED TO TRAITORS. IN HEBREWS 10- 23 THROUGH 31 THE WRITER TELLS US TO BE TRUE TO OUR CALLING, THEN HE WARNS US AGAINST BETRAYING OUR TRUST.

IF WE ARE ON SATANS SIDE IN THIS WARFARE, WE ARE ON THE LOSING SIDE, BECAUSE IT HAS ALREADY BEEN FORECAST THAT SATAN CANNOT WIN, REGARDLESS OF HOW MANY WARRIORS HE HAS, OR HOW EARNESTLY HE WAGES THE BATTLE. THEREFORE, IN ORDER FOR US TO BE ON THE WINNING SIDE--HENCE, IN ORDER FOR US TO BE VICTORIOUS, IT IS NECESSARY FOR US TO SURRENDER OURSELVES TO THE PERSON OF JESUS CHRIST. THIS MEANS SUBMITTING OUR WILL TO HIS WILL AND OBEYING HIM IN ALL THINGS HE HAS COMMANDED. WHEN WE SURRENDER OURSELVES TO THE LORD-SHIP OF JESUS, AND LET HIM TAKE CONTROL OF OUR LIVES, THEN WE CAN CLAIM THE "CROWN OF RIGHTEOUSNESS WHICH THE LORD, THE RIGHTEOUS JUDGE, SHALL GIVE TO ALL THEM THAT LOVE HIS APPEARING." (2 TIMOTHY 4-8)

ONE OF THE SEEMING PARADOXIES OF THE CHRISTIAN LIFE IS THE FACT THAT WE HAVE TO LOSE IN ORDER TO WIN. TO GAIN THE VICTORY WE MUST FIRST SURRENDER. THIS STATEMENT IS CONTRARY TO HUMAN REASONING, AND IT IS CONTRARY TO HUMAN EXPERIENCE. WHAT GENERAL WOULD PLAN HIS CAMPAIGN AGAINST THE ENEMY BY FIRST PLANNING TO SURRENDER?

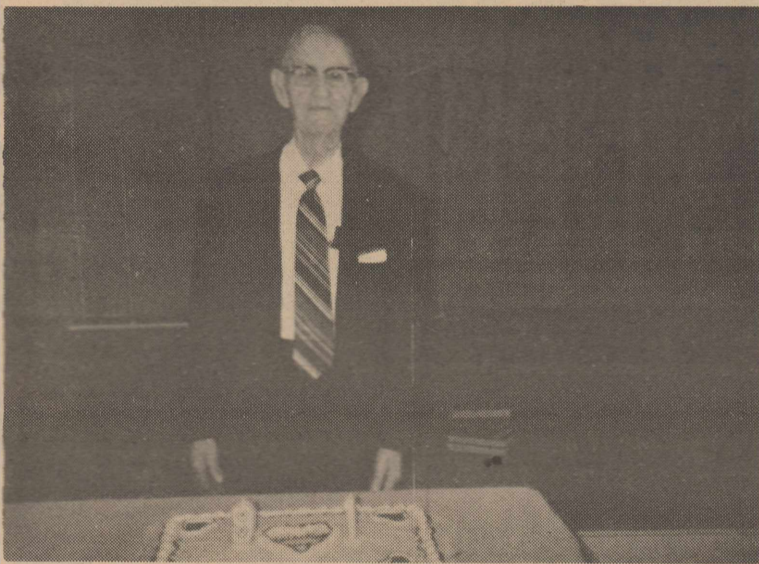

IN ORDER FOR US TO UNDERSTAND THIS STATEMENT, AND HOW IT APPLIES TO OUR CAMPAIGN, IT IS NECESSARY FOR US FIRST TO UNDERSTAND THE WARFARE IN WHICH WE PLAN TO ENGAGE. IT IS ALSO ESSENTIAL THAT WE UN-

Strube, Mr. and Mrs. Lee Tedford, Geneva Walker and Mr. and Mrs. Steve Haley. The father of our country, George Washington, never told a lie and now the whole nation is lying about his birthday, changing it from the 22nd to the 15th. I've always wondered if maybe he couldn't have told a few little 'white lies,' after all, he was a married man and he couldn't have always liked Martha's hats. And always telling her the truth could have resulted in her loosening some of his wooden teeth. (Ohh, splintered gums!) I really don't mean to damage a great man's image and I actually do believe our history books are accurate, but it doesn't hurt to have a vivid imagination, does it?

Our editor, MADELINE SHELTON, had surgery last week in Lea General Hospital in Hobbs. You can't keep a good gal down. She was back on the job bright and early Monday morning.

MADELINE and I going by LOWRIE'S DRUG Tuesday to have a Coke with GLENDA LOWRIE, only to find the Coke machine out of order. GLENDA, guess you're going to have to restore the old fountain service.

MIKE PODRAZIK didn't get his 'boy named Sue' but got something better, he thinks - a baby daughter. Congratulations, MIKE and BOBBIE.

Letter To The Editor

Dear Editor:

No doubt this session of Congress will generate much public debate on the questions of planned deficit spending, revenue-sharing, the full employment budget concept, and many other fiscal and economic matters.

The budget message which was recently submitted estimates the government will go in the red this fiscal year by about \$25 billion and next year by about \$23 billion in federal funds. It is estimated the government this year will borrow from Social Security, highway, and other trust funds about \$7 billion. The borrowing from the trust funds next year is estimated to be about \$11 billion. These sums must someday be repaid with interest, so the true budget deficits are as indicated above. If we disregard the borrowings, the estimated deficit is about \$19 billion this year and nearly \$12 billion next year.

Let me hear from you at any time. Best wishes.

Sincerely,
George Mahon

7th GRADE

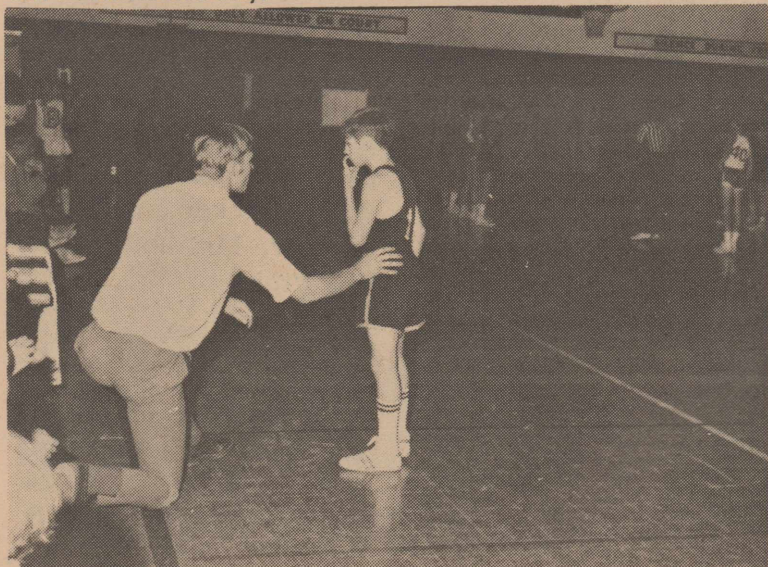

#44, Carl Davis, goes up for the ball against Brownfield. #17 is Wright and beyond him is Dee Norton.

The 7th grade Warriors took out their vengeance last Saturday against Denver City and won the consolation bracket in that tournament by beating the tar out of them, 55-35. Carl Davis was the big gun for the Warriors when he scored 6 field goals and 8 free throws for 20 points. Dee Norton scored 9, Cavitt and Wright 7 each, Garrett 4, Hicks 3, Crow 3 and Clark 2, to win the ballgame and the trophy.

Quarter scores read like this 15-6, 25-22 and 42-30. It was a good win, 55 for Seminole and 35 for Denver City.

The 7th graders fell behind by 6 points at the end of the 1st quarter against Brownfield last Thursday, 11-17, and could not recover. It was 17-32 at the half and 25-47 at the end of the 3rd quarter. They came on strong in the 4th quarter, scoring 13 points, but it was not enough as Brownfield won 55-38.

They were not that lucky against Levelland as they had 2 boys over 6 feet and lost 44-29. Norton led the Warriors with 8 points and Carl Davis had 5 in the losing cause.

A 7th grade coach praying with his captain. (Well, it could be.) Chuck Meyers, on the left, is shown with Wade Cavitt, right.

What do you do when you're driving down the highway and see great mushrooms of smoke go up in the air? You simply stop for the flag man, wait for the blasting to finish, drive over the rocks and rubble left on the highway, and travel on to Pyote, Texas. SEMINOLE

8th GRADE

ROBERTS GIVES UP SIX INCHES IN HEIGHT BUT LOOKS GOOD ON THE JUMP BALL. NO. 24, HOWARD BAKER AND ON THE LEFT LARRY JACKSON AND JIM LIVINGSTON WAIT HOPEFULLY FOR THE TIP.

Mark Nichols leaps high for the ball and controls with his taped up finger against Brownfield. #31 is Sandoval, 11 is Gutierrez, 33 is Bell and on the far side is Nelson.

The Seminole Indians ran ice cold in the 1st quarter last night at Andrews and did not hit a field goal until 4 minutes and 22 seconds deep in the game. They were behind by 12 points and stood at 10-19 at the end of the 1st quarter.

It was a different story the 2nd quarter. Randy Smith, playing his last game, came in and hit 4 points. Livingston hit 4, Arrezola 6, Roberts 10, and Gonzales 2, to get back in the basketball game and crowded with 4 points at the half, 37-41. Sophomore Donald Roberts put on an amazing display of field goal shooting when he hit 3 in the 1st quarter, 4 in the 2nd quarter, 6 in the 3rd quarter and 5 in the 4th quarter. Added to that 5 free throws and it came out to almost the number he carries on his back, #42. (In his junior year I hope his coach gives him #88.)

Seminole not only scored 53-53 with 2:30 left in the 3rd quarter but could not hold on. It was 57-63 at the end of the 3rd quarter with Andrews winning going away, 90-77.

Arrezola scored 14 for the Indians, Livingston and Smith 8 each and Jackson, Baker and Gonzales 2 each.

The junior varsity lost, 49-76.

The Seminole Indians claimed a 34-29 lead in a slow ballgame against Kermit in the waning minutes and lost by 1 point, 44-43. Seminole was behind by only 1 point at the end of the 1st quarter, 10-9, and 1 point at the half, 24-25, then outscored Kermit in the 3rd quarter by 3 points and had a 31-29 lead.

It was tough for the Indians going up against 6'8" Mike Dampier as he rebounded over their heads and shot over their heads to lead his team with 17 points. He was followed by teammate Thomas with 8.

For the Indians Roberts also had 17 points, getting 4 field goals and 9 charity tosses. Jim Livingston had 9, Baker 7, Arrezola 7 and Jackson 3, to close out the scoring.

Seminole has one more ballgame to try to improve their 1-4 record for the second half of the district season. With 3 seconds to play, Kermit was ahead by 3 and simply backed off as the ball was thrown in to Roberts and he claimed an easy 2 points.

The 8th grade Warriors lost a heart breaker to Brownfield last Thursday after claiming a 4 point lead at the end of the 3rd quarter, 20-16. Final score Seminole Warriors 27, Brownfield 29. Sandoval led with 9 points. Nichols had 7, Gutierrez 5, Nelson 4 and Bell 2.

(Our apology to the Warriors, their coach and their loyal supporters for having turned around the score last week against Monahans. They won 50-39, instead of losing. The break down on points was correct but the score was wrong.)

Mark Nichols shot Denver City out of the gym last Saturday and helped his team win the consolation trophy when he scored 24 points. Gutierrez had 13, Nelson 12, Sandoval 5 and Stone 2 for the 56 points scored. Denver City had 41.

The score was tied up 9-9 at the end of the 1st period. It was 15-15 in the 2nd quarter before the Warriors claimed a 27-20 intermission lead. Seminole went on from there in a big way, winning by 15 big points, 56-41.

It was a different story when they played Levelland earlier in the day. Would you believe that Levelland had one 6'3" boy and two 6' ones. They thrashed the Warriors soundly, 56-33, but it all happened in the 4th quarter as the brave Warriors, led by Sandavol with 16, had them down by 6 points at the half, 21-15, and had them scared at the 3/4 mark, 29-30.

The roof fell in on the 8th in the 4th quarter when Levelland scored 26 big points. Nichols had 7 points, Gutierrez 5, Bell 3 and Nelson 2. It was an excellent ballgame for 3 plus quarters.

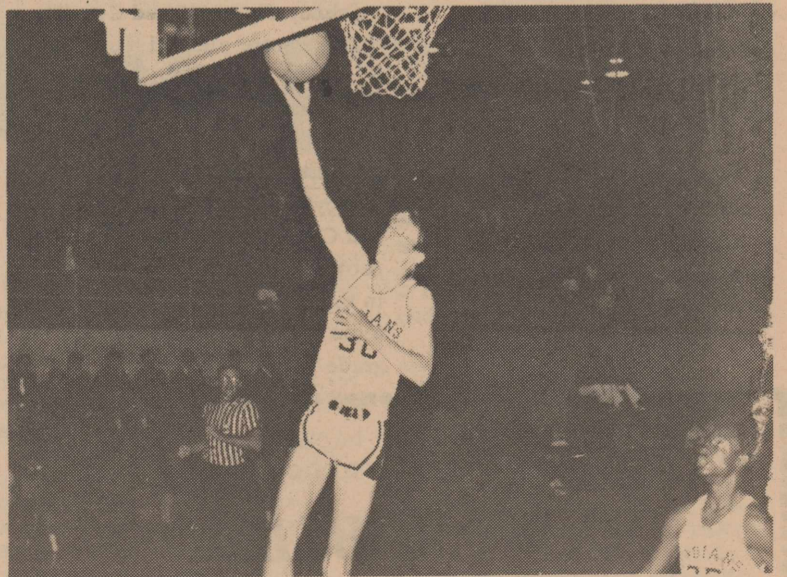

B-TEAM

The junior varsity laid it on Kermit last Friday in a big way, 47-29. Although the Indians did not have one boy in double figures, 8 boys came through in the scoring column for the big win.

Seminole led by only 2 points with 4 minutes to go in the 3rd

quarter, 23-21, but then they got hot and scored 10 fast points to lead 33-24 going into the final stanza.

Shuler scored 9 points, Ericson, Farris and Wrenn 8 each, Locker and Coffee 5 each, Nelson 3 and Butts 1. Final score Seminole 47, Kermit 29.

FRESHMEN IN TOURNAMENT

The freshmen suffered 2 losses in the Denver City tournament last Saturday. They went up against Denver City at 11 a. m. and lost, 65-48. Phillip Montandon had 10 field goals and 10 free throws to lead his team with 20 points. Stan Hughes followed with 12, Aten had 8, Jordan 5 and Mason 3.

Against Andrews in the final game it was close all the way and the freshmen got within 3 points with 1 minute and 5 to go, only to lose, 45-50. Stan Hughes led his club with 6 field goals and 1 charity toss for 13 points. Montandon had five 2 pointers for 10, Carson 9, Jordan 6, Clark Lilly 5 and Mason 2.

It was a hotly contested ballgame all the way with Seminole having its only lead at the end of the 1st quarter, 13-12.

I HAVE AN EMPTY FEELING

by Pfc. Melvin B. Fleming, Jr.

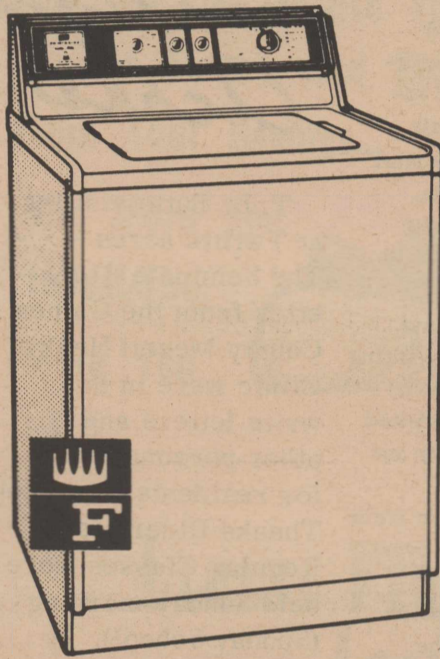

I have an empty feeling, my heart is all alone.
I had to leave the ones I love and the things I've known;
And go into a foreign land, where things are strange and new;
Where I must walk in fear at night, where I must kill men, too.
But yet the people here don't care, just which side wins this war.
To be left alone is all they want, just this and nothing more.
Where life is but one single truth, and death is easy found;
Where brave soldiers sacrifice their lives, for one small plot of ground.
But yet the people here don't care, even who I am;
I'm just one soldier in many, where life is but one simple truth
and death is easy found.
Where brave soldiers sacrifice their lives, for one small plot of ground.

THE SECRET
I met God in the morning,
When my day was at its best,
And His presence came like sunrise,
Like a glory in my breast.

All day long the Presence lingered,
All day long He stayed with me,
And we sailed in perfect calmness
O'er a very troubled sea.

Other ships were blown and battered,
Other ships were sore distressed,
But the winds that seemed to drive them
Brought to us a peace and rest...

So I think I know the secret,
Learned from many a troubled way:
You must seek Him in the morning,
If you want Him through the day.

OUTDOORS IN TEXAS BY VERN SANFORD

Weather is important to some fishermen, unimportant to others.

Some anglers will go out only when the temperature is a comfortably cool 58 degrees. Others don't care whether it's 28 or 98.

Anglers who feel that conditions must be "just right" do catch fish... and the "I don't care" fellows do, too. So what's the answer?

I don't know the right answer; nor do I think many other anglers do either. But I'm inclined to agree that the best time to go fishing is right now. So, if you want to fish, get gone, regardless of rain, sunshine, heat or cold.

Fish, wherever they are, whatever kind they be—fresh water, salt water—perch, bass, stream trout, Gulf trout, king, ling, reds, whites, red snapper—every living one of them has to eat.

And that's when they hit your bait, be the "food" live shrimp or dead squid, live minnows or plastic ones, or artificials—like plastic worms, topwaters, spinners or such hardwares as spoons... large and small.

Get with it, if you want to fish, and just disregard the weather.

We've had great success in below-freezing temperatures. Many times when we went after "whites" below the dam we had to break the ice that formed in the line guides, time and time again as the line froze solid in the rings.

On the other hand, we've had great

success on the hottest days catching black bass in a blazing sun on lakes and on ponds. Also, we've taken salt water fish on the hottest of days in the bays as well as far off shore in the Gulf of Mexico.

Furthermore, we've had great success trout fishing in the mid-day heat in summertime Wyoming, Montana and Colorado where it was supposed to be "cool" to be good.

It's not unusual for anglers in the cold climates to cut holes in the ice to do their fishing.

We repeat—fish have to eat!

Your first job is to find the fish, then serve them the "food" of their choice for that day, that hour, maybe even for just that minute.

We've had wonderful success when it was so cold, even with gloves on, that we could hardly hold the rod; and when it was so doggone hot we had to mop the brow after every cast.

And we're just a common, ordinary fisherman who loves the outdoors and likes the challenge of angling.

Nope, we don't have "tremendous success" every day out. No siree! We've had our share of "dry runs". These, too, happen to most everyone. But there is fun in fishing! It's relaxing, it's nerve settling. And, when you do land a few of those fliptails it's a great thrill.

Then along comes a lunker and takes your bait—and whether or not there will ever be another day, that day was great.

HI FOLKS-
 JUST A FEW LINES TO LET YOU KNOW I ENJOY THE SEMINOLE NEWS. I ESPECIALLY ENJOY WOODEN-FOOTE AND BEING AWAY FROM SEMINOLE SINCE MARCH OF 1924 I ENJOY NEWS OF ANY OF THE OLD TIMERS. THEY SAY I HAVE A MEMORY LIKE AN ELEPHANT, SO I REMEMBER ALL OF THEM.

MY FATHER, J.P. FRY, MOVED HIS FAMILY THERE IN 1916 AND WEATHERED THE HARDSHIPS OF DROUTH UNTIL 1924 AND MOVED AWAY. OUR HOME (THE FRED ROLLINS HOME LATER-MAYBE NOW) WAS AT THE CORNER OF THE WAGON YARD. FREIGHT WAGONS WERE THEN PULLED BY BURROS AND MULES. THE BURROS TOO WEAK OR POOR TO CONTINUE THE JOURNEY WERE TURNED LOOSE ON THE TOWN. A HUGE TROUGH WAS ON THE COURTHOUSE LAWN TO WATER HORSES. ONE OF MY NICEST MEMORIES IS GOING HOME WITH THE R.W. PITTMANS FROM CHURCH, THEY WERE THE FEW THAT OWNED A PLAYER PIANO. THE PITTMANS RAN A MERCANTILE STORE. GUY AND T.O. STARKS RAN A GENERAL STORE. WE WENT TO THE COATES DRUG STORE TO LISTEN TO THE NEW RADIO WITH EAR PHONES. MR. STONE (THE SEMINOLE EDITOR) PUBLISHED OUR SANTA LETTERS. IF WE HAD COLDS THAT GOT TOO BAD FOR MOTHER TO HANDLE WE WENT TO SEE DR. RICHARDS. MR. ROWSEY HAD A MOVIE THEATER. IF OUR HANDS GOT COLD ON OUR WAY TO SCHOOL WE STOPPED IN AT MRS. EVERETT'S HOTEL TO WARM.

MRS. DUFF TAUGHT ME TO READ BEFORE I WAS OLD ENOUGH TO GO TO SCHOOL. I REMEMBER THE ANDY WILLIAMS FAMILY AND OFTEN SEE NAMES THAT ARE FAMILIAR IN YOUR NEWS.

Holcomb points out that the 1970 survey shows an increase of 74,200 irrigated acres, or 1.36 percent more than last year for the 42-county area. A total of 5,516,400 acres were irrigated this year, about 80 percent by surface methods.

Irrigation water was pumped from 65,214 wells, 3,042 playa lakes and 2,079 recirculating pits. The number of wells consistently delivering more than 700 gallons per minute has dwindled to only 28.7 percent of the total. More than 88 percent of the wells lift water more than 125 feet.

According to the survey, the number of irrigation wells increased about one percent during the year to offset the continuing decline in the capacity of individual wells. The average number of acres irrigated by each well was estimated at 84.

As far as cropland is concerned, 57 percent of the total of 9,644,000 acres was irrigated, points out Holcomb. The percentages of irrigated crops included grain sorghum, 38; cotton, 26; wheat, 19; corn, 5; soybeans, 3; vegetables, 1; and other crops, 8.

This survey should be a part of every farmer's records, adds the agent. It can serve as a valuable reference on irrigation, regardless of the type of farming operation.

Holcomb also invited agribusinessmen and industry representatives to come by the Extension Office for a copy of the survey.

Lubbock Symphony Concert Scheduled Monday February 22

The Lubbock Symphony Orchestra presents the second concert of the season Monday, February 22nd at the Municipal Auditorium adjacent to the Texas Tech University Campus in Lubbock, Texas. Conducted by William A. Harrod, the program will feature the magnificent violin artistry of Dona Lee Cherry and Juan Mercadal, master of the classical Guitar.

Miss Cherry earned her bachelor's and master's degrees from The University of Texas - Austin. She holds two European certificates, the Certificate de Merito from the Accademie Musicale Chigiana in Siena, Italy; and the coveted Performer's Certificate from Leonide Kogan at the Internationale Accademi d'Ete in Nice, France. This last May, Miss Cherry was chosen by audition for study and solo performance at the International Bach Society Congress in New York. She has been invited to return for this summer. Just this fall, she was invited by the noted Musicians' Club of New York to play a concert in the Roosevelt Hall in Manhattan.

Mr. Mercadal was educated at the Escolapios College in Havana, Cuba. His music education was completed at the Conservatory of Mateu.

His first stage appearance was at the age of six and his first formal recital was at the age of 13. He studied French horn with Manuel Zaeczumaga and played the French horn with the Havana Symphony Orchestra when he was 15 years old. He has performed recitals and radio concerts in Brazil and was soloist with the Brazilian Symphony Orchestra. One of the most distinguished Brazilian composers, Radames Gnattali, a good friend of Mercadal, composed a concerto for him that was premiered in Rio de Janeiro with the Brazilian Symphony Orchestra in 1953. Composer Terig Tucci also has written several compositions for him.

The program February 22nd will be the 3rd in the 1970-71 concert series presented by the Lubbock Symphony.

The ticket prices are \$4.50, \$3.50, \$2.00 and \$1.00. Order your tickets by writing the Symphony Office, 1416 Avenue Q or by calling 762-4707.

Be in the audience for this exciting performance by the Lubbock Symphony Orchestra in their 25th Anniversary year.

SEMINOLE STUDY CLUB MEETS

TRAFFIC SAFETY WAS THE SUBJECT OF THE PROGRAM FOR THE SEMINOLE STUDY CLUB AT ITS MEETING WEDNESDAY FEBRUARY 10 AT 4.15 P.M. AT THE CLUB HOUSE. MRS. IRA ELKINS GAVE THE INVOCATION.

JACK K. WHITE OF THE SAFETY EDUCATION SERVICE, TEXAS DEPT. OF PUBLIC SAFETY WAS THE GUEST SPEAKER. HE POINTED OUT THAT EACH OF US IS INVOLVED EVERY DAY IN THE MATTER OF TRAFFIC SAFETY, AS A DRIVER, A PASSENGER, OR AS A PEDESTRIAN. THE FIRST TRAFFIC LAWS OF TEXAS WERE PASSED IN 1907, AND THEN, AS NOW THE LAWS WERE MADE FOR OUR PROTECTION. BUT LAWS ALONE WILL NOT WIN THE WAR ON TRAFFIC ACCIDENTS. THERE MUST BE CO-OPERATION IN USING THE ROADS TOGETHER. WE MUST DRIVE FRIENDLY WITH COURTESY TO THE OTHER DRIVERS, AND WE MUST DRIVE DEFENSIVELY. THERE WERE MORE THAN 3500 DEATHS ON TEXAS HIGHWAYS IN 1970. FROM 1775 THROUGH 1969 IN ALL THE UNITED STATES WARS 1,777,678 AMERICANS. AUTO-MOBILE INSURANCE RATES ARE DETERMINED BY THE NUMBER OF ACCIDENTS.

UNDER THE HIGHWAY FEDERAL STANDARDS ACT, DRIVER EDUCATION HAS GREATLY IMPROVED THE QUALITY OF DRIVING. WHEN VEHICLE INSPECTION BEGAN IN 1951. 19 PER CENT OF THE CARS DID NOT PASS THE TESTS--NOW ONLY 3 PER CENT FAIL. AMONG POINTS OF IMPROVEMENT THE HIGHWAY DEPARTMENT HOPES TO INCORPORATE AND IS WORKING ON NOW ARE TIRE INSPECTION, WRITTEN AS WELL AS VISUAL EXAMINATION FOR DRIVERS LICENSE RENEWAL, IMPROVED HIGHWAY DESIGN, UNIFORM SIGNS AND SIGNALS AS WELL AS UNIFORM POSITION OF SIGNS AND SIGNALS IN ALL OF THE STATES, AND PROVIDE MORE ACCESSIBLE AMBULANCE SERVICE AND MEDICAL CARE ALONG LONG STRETCHES OF ROAD WHERE NONE IS NOW AVAILABLE, SO CARE CAN BE GIVEN MORE QUICKLY TO PERSONS INJURED IN ACCIDENTS.

A QUESTION AND ANSWER SESSION AND DISCUSSION FOLLOWED.

DURING THE BUSINESS MEETING THE CLUB VOTED TO SPONSOR A BOY IN THE SEMINOLE CONTEST FOR THE CANCER SOCIETY.

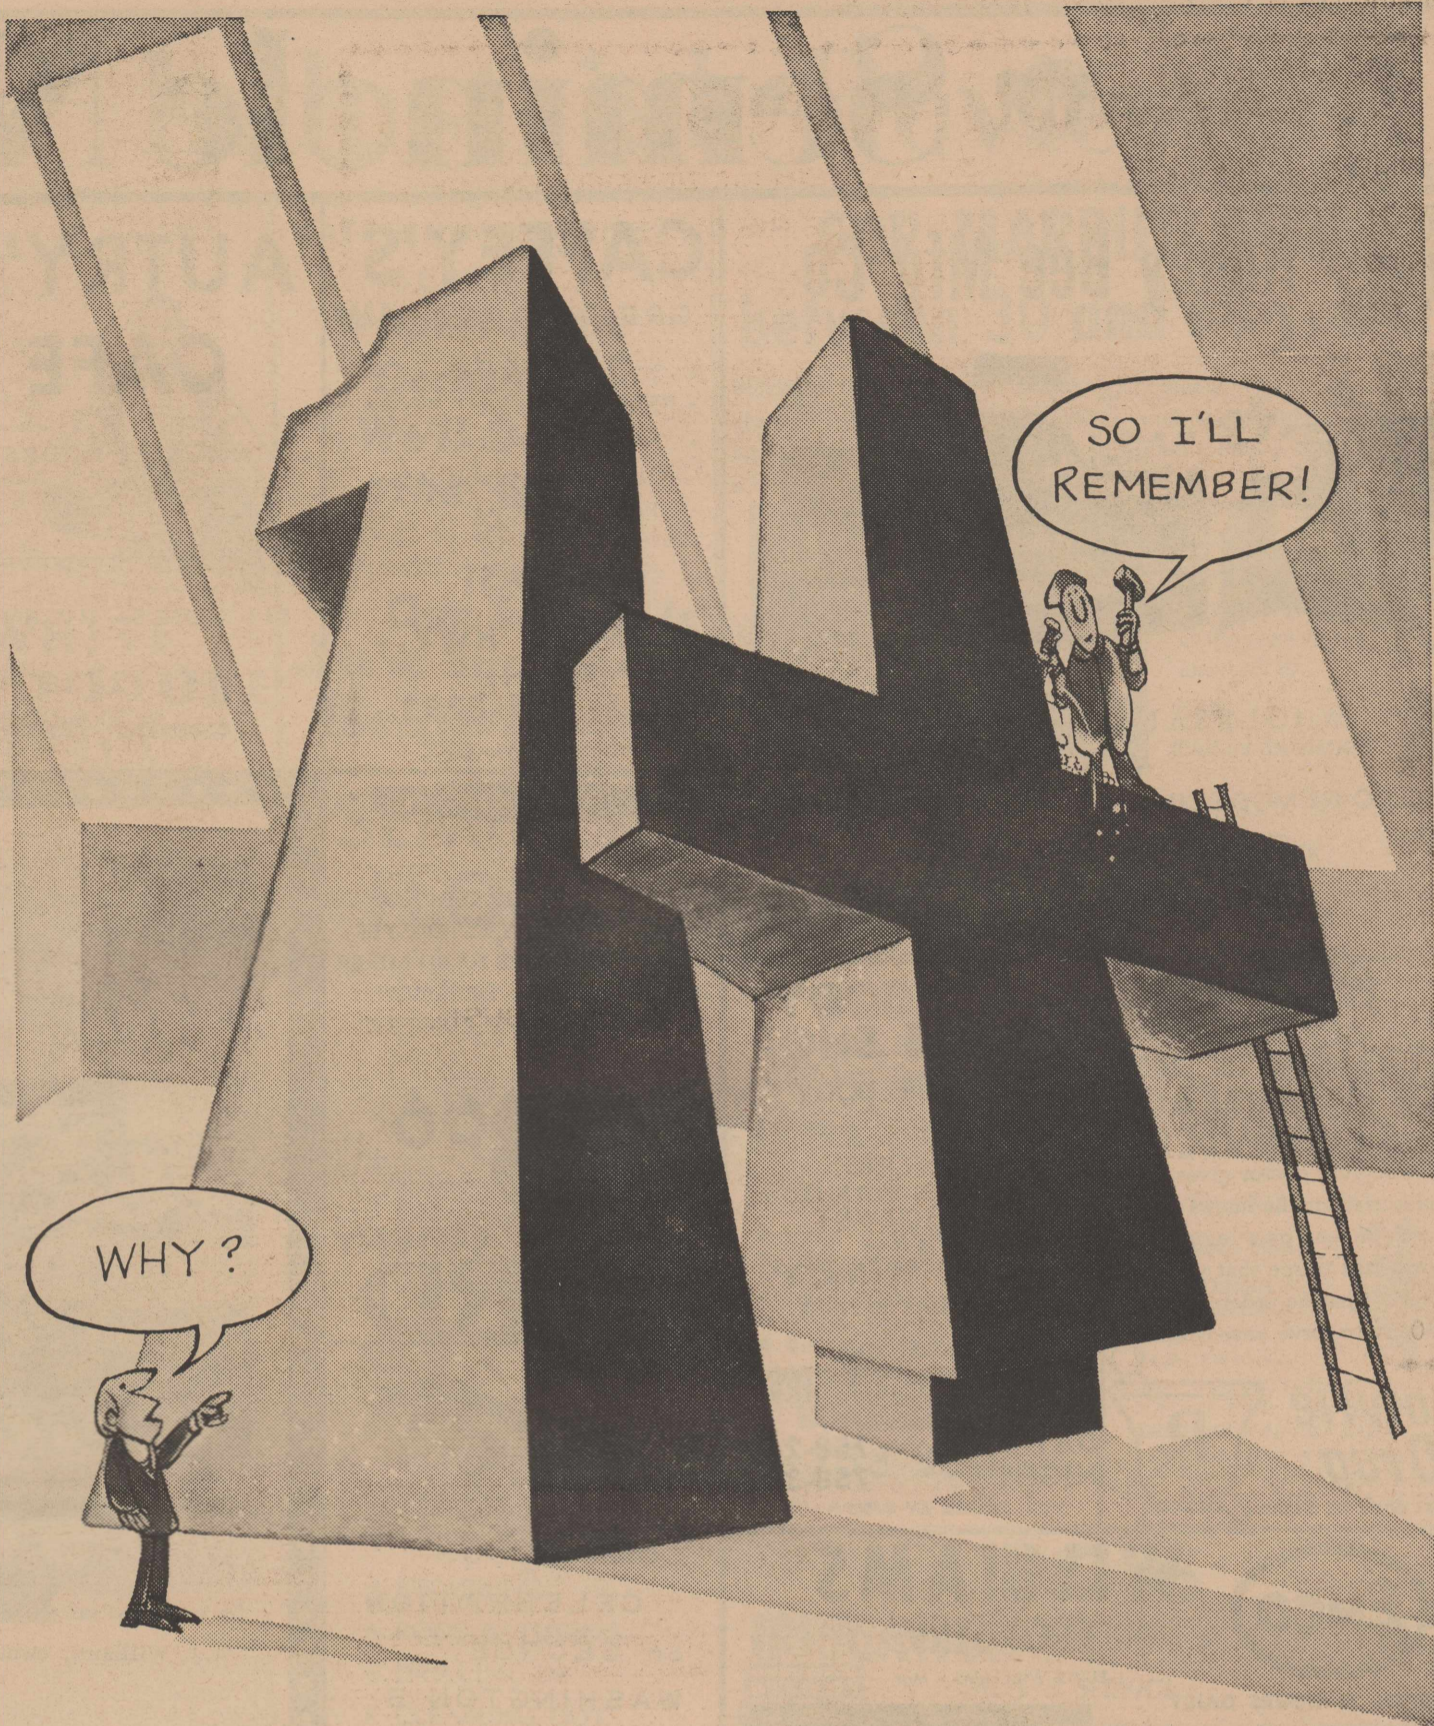

A REPORT FROM THE NOMINATING COMMITTEE WAS MADE AND NEW OFFICERS WERE ELECTED FOR NEXT YEAR.

THE MUSIC CLUB HAS INVITED THE STUDY CLUB TO AN OPERETTA TO BE PRESENTED MARCH 1 AT 7.30 AT THE PRESBYTERIAN CHURCH.

HOSTESSES WERE MRS. H.L. NIXON AND MRS. W.D. HART.

SILVER AND CRYSTAL APPOINTMENTS WERE USED IN SERVING WHITE CAKE, HOT RED FRUIT PUNCH, SALTED NUTS AND VALENTINE CANDIES FROM THE CUT WORK LINEN COVERED REFRESHMENT TABLE. THE VALENTINE THEME OF DECORATIONS WAS ENHANCED BY A RED FLORAL ARRANGEMENT WITH RED CANDLES, VALENTINE NAPKINS AND HEART SHAPED PAPER LACE DOILIES.

MEMBERS ATTENDING WERE MMES. JEWELL COBB, W.H. CRAVEY, IRA ELKINS, F.B. FARMER, LILLIAN GILMER, W.D. HART, J.W. KENNEDY, T.F. LINDLEY, EARL MCCLELLAN, ROY MCGILL, J.D. MITCHELL, W.B. MUNNERLYN, H.L. NIXON, A. C. WARD, ZELMA WELLS AND CHARLEY THOMPSON.

THE NEW LEAF
 He came to my desk with a quivering lip;
 The lesson was done;
 "Dear Teacher, I want a new leaf," he said,
 "I have spoiled this one."
 I took the old leaf, torn and blotted,
 And gave him a new one, all unspotted,
 And into his sad eyes smiled:
 "Do better now, my child!"

I came to the Throne with a trembling heart;

The year's work was done;
 "Dear Father, I want a new year," I said,
 "I have spoiled this one."
 He took the old one, torn and blotted,
 And gave me a new one, all unspotted,
 And into my sad heart smiled,
 "Do better now, my child!"

Preach a sermon, preacher; but make it short and sweet;
Our stomachs strike at twelve o'clock, a hungering for to eat.
Preach a sermon, preacher; make it good and plain;
But don't you dare to get too close, as to call sin by its name!
Preach a sermon, preacher; we care not what you say;
As long as you leave us alone, and fire the other way.
Preach a sermon, preacher; punctuate it with jokes;
Fill it with your yarns and tales, and entertain us folks.
Preach a sermon, preacher; but don't get too specific;
As long as you will generalize, we think you are terrific.
Preach a sermon, preacher; make it what we love to hear;
We will pat you on your spineless back, while you scratch our itching ear!

EASTER SEAL APPEAL OPENS MARCH 1 IN GAINES COUNTY

THE 1971 EASTER SEAL APPEAL WILL OPEN IN GAINES COUNTY ON MONDAY, MARCH 1, 1971 ACCORDING TO MR. C.V. SHELTON, WHO SERVES AS EASTER REPRESENTATIVE FOR THE COUNTY.

MR. SHELTON, SAID THAT EASTER SEAL APPEAL LETTERS WOULD BEGIN ARRIVING AT HOMES IN THE COUNTY ABOUT MARCH 1.

AS EASTER SEAL REPRESENTATIVE, HE IS THE LOCAL PERSON TO CONTACT TO REQUEST REHABILITATION SERVICES FROM THE EASTER SEAL SOCIETY FOR CRIPPLED CHILDREN AND ADULTS OF TEXAS. THESE SERVICES INCLUDE PHYSICAL AND OCCUPATIONAL THERAPY, SPEECH AND HEARING PROGRAMS AND SPECIAL INFORMATION SERVICES TO HELP SOLVE THE MANY PROBLEMS FACED BY THE FAMILIES OF HANDICAPPED CHILDREN AND ADULTS.

LAST YEAR OVER 21,000 HANDICAPPED PEOPLE RECEIVED HELP FROM THE TEXAS EASTER SEAL SOCIETY. WITH THE COSTS OF PROVIDING EXPERT PROFESSIONAL CARE RISING, MORE MONEY THAN EVER WILL BE NEEDED.

FUNDS HELP SUPPORT 20 CENTERS IN TEXAS, WHERE CRIPPLED CHILDREN AND ADULTS ARE TREATED, REGARDLESS OF THEIR ABILITY TO PAY. WALKERS, WHEELCHAIRS, AND RELATED SERVICES ARE PROVIDED TO THOSE WHO CANNOT PROVIDE FOR THEMSELVES.

"THE PEOPLE OF TEXAS HAVE ALWAYS RESPONDED GENEROUSLY TO HELPING THE HANDICAPPED, AND I FEEL CERTAIN THEY WILL MAKE IT POSSIBLE TO INCREASE EASTER SEAL SERVICES TO CRIPPLED TEXANS THROUGHOUT THE COMING YEAR," MR. SHELTON SAID.

TEXAS RANCHER, "What's the name of your spread?"
Second rancher, "The XWK Lazy R Double Diamond Circle Q Bar S."
First Rancher, "How many head of cattle do you have?"
Second rancher, "Only a few. Not many survived the branding."

You're old enough to remember the real America if you can remember when you never dreamed your country could lose.

When you left your front door open,

When you went to church and the preacher preached from the Bible.

When a girl was a girl, when a boy was a boy, and you could tell them apart.

When the word "Socialist" was a dirty word.
When the poor were too proud to take charity.

When a nickel was worth five cents.

When you bragged about your home town, your state and your nation.

When the flag was a sacred symbol.

When this government stood up for Americans.

When a man who went wrong was blamed, not his mother's nursing habits or his father's income.

When everyone knew right from wrong--even Harvard Professors.

When things were not perfect and you didn't expect them to be.

When people still had the capacity for indignation.

When sick meant that you were not feeling well.

When people expected less and valued what they had more.

When everyone was not entitled to an annual wage, whether he worked or not.

When the President of the United States sang "God Bless America" and not "We Shall Overcome."

When a man's word was his bond.

When America was the land of the free and the home of the brave.

Good Advice

The Society for the Prevention of Blindness advises that you sit 10 feet or more from the set while watching television. The set should be at eye level and you should leave a lamp burning while the television is in use.

Too Dangerous

Not a single vessel was sunk by gunfire in the Battle of Trafalgar. The firing of explosive shells aboard ships was then considered too dangerous to the user.

Labor Legislation

The first labor legislation in America was passed in 1633, at which time the Massachusetts Bay Colony set a maximum wage for most skilled mechanics.

"Mother of States"

Virginia is often called the "Mother of States" from the fact that several states have been formed out of its original territory.
