Accompanying the girls will be Mrs. Joyce Watts and Mrs. Jean Summer, teachers, and Mrs. Ed Welch. My mother met us at the back door and said "I can't stand it any longer. You're going to have to start wearing more clothes and you're going to have to put a shirt on when you come to the table. You ride like Indians, you look like Indians and you dress like Indians." I don't care to relive those days

but they're pleasant to think of.

Mrs. Joyce Watts.

It was a sad day in my life. I couldn't have been over fifteen when I was told that I was going to have to start wearing shoes, get that mop of hair cut off and quit riding wildly through the country. Goodness, when you wore just pants and you rode bareback with just a jerkline on the horse's nose, you could go full steam ahead when you Cont. on page nine

99 YEARS OF HARD LABOR

Ninety-nine years experience - forty-two, twenty-three and thirty-four.

THE SEMINOLE SCHOOLS WILL LOSE NINETY-NINE YEARS OF TEACHING EXPERIENCE WITH THE RETIREMENT OF THREE VETERAN TEACHERS THIS SPRING. REACHING RETIREMENT AGE AND CALLING IT QUITS AT THE END OF THIS SCHOOL YEAR ARE MRS. ELIZABETH BOBO, FIRST GRADE TEACHER AT THE F.J. YOUNG SCHOOL, MRS. RUBY BRITTON, PRIMARY SCHOOL FIRST GRADE TEACHER, AND MRS. AGNES ANDERSON, JUNIOR HIGH ARTS AND CRAFTS INSTRUCTOR.

OF THIS GROUP, MRS. BOBO HAS THE MOST TOTAL EXPERIENCE WITH FORTY-TWO YEARS SPENT IN THE CLASSROOM, INCLUDING TWENTY-TWO IN SEMINOLE. MRS. ANDERSON HAS TAUGHT THIRTY-FOUR YEARS, OF WHICH TWENTY-FIVE HAVE BEEN IN SEMINOLE, WHILE MRS. RUBY BRITTON HAS TWENTY-THREE YEARS SERVICE WITH SIXTEEN OF THESE HERE. MRS. BOBO, WIFE OF IRA BOBO, SR., IS A NATIVE OF FLOYDADA AND HER FIRST THIRTEEN YEARS EXPERIENCE WERE IN THE RURAL SCHOOLS OF FLOYD COUNTY WHERE SHE TAUGHT IN THE ELEMENTARY GRADES. FOLLOWING THIS SHE MOVED TO POST AND TAUGHT SIXTH GRADE ONE YEAR BEFORE COMING TO SEAGRAVES IN 1943 TO TEACH THE SEVENTH GRADE TWO YEARS. SHE MOVED TO DENVER CITY AND TAUGHT SIXTH AND SEVENTH GRADES FOUR YEARS PRIOR TO COMING TO SEMINOLE IN 1949. SHE HAS TAUGHT THE FIRST GRADE HERE

WHEN ASKED IF SHE THOUGHT THAT THE SCHOOLS HAD IMPROVED SINCE HER EARLY TEACHING YEARS, SHE REPLIED, "OH, GOODNESS, YES. NOT ONLY DO WE HAVE BETTER METHODS AND PROCEDURES NOW, BUT WE HAVE SO MUCH BETTER EQUIPMENT AND MATERIALS. WHEN I FIRST STARTED TEACHING, WE HAD SOME CHALK AND ERASERS, AND A FEW BOOKS AND THAT WAS ABOUT IT IN THE WAY OF SUPPLIES."

"PUPILS COME TO SCHOOL NOW KNOWING MUCH MORE THAN THEY USED TO BECAUSE OF TRAVEL AND TELEVISION", SHE CONTINUED, "THEY HAVE HAD SO MUCH MORE EXPERIENCE AND THEIR LANGUAGE IS MORE DEVELOPED THAN IT USED TO BE."

MRS. BOBO DOES NOT PLAN TO RETIRE TO A ROCKING CHAIR BUT SHE INTENDS TO GIVE

MORE TIME TO HER HOBBIES, CHIEF OF WHICH IS TRAVEL.

SHE AND IRA, RETIRED PHILLIPS PETROLEUM EMPLOYEE, HAVE TRAVELED IN FORTYEIGHT OF THE FIFTY STATES. MISSING ONLY ALASKA AND HAWAII, AND THEY PLAN TO
REVISIT SOME OF THE STATES NOW. IN ADDITION, MRS. BOBO IN 1969 JOURNEYED THROUGH
THE HOLY LAND, GREECE, ROME, EAST AND WEST BERLIN, PARIS AND LONDON.

Bernal, San Antonio; Chet Brooks, Pasadena; Joe Christie, El Paso; Wayne Connally, Floresville; Tom Creighton, Mineral Wells; Henry C. Grover, Houston; Roy Harrington, Port Arthur; O. H. EDITOR'S READINGS

Some of the good things I've read lately are from the memories of men and my home of Brown County. Frank Nix, an old Daniel Baker grad, loaned the book to me. The book told about the last of the Indian fights, the wire cutting wars, Williams Ranch and early day Brownwood business, gunfights and the railroads coming. It didn't say too much about any of my kinfolks but thank goodness, it didn't tell the bad either.

The Scandal Sheet, sent by my Uncle Ward Collier, is a Rotary Club bulletin from Graham, Texas. Gus says "Money is a whole lot like manure for if you spread it around it does a lot of good, but if you pile it up, it stinks." And from that same issue - "Are you a bridge or a gap?" "Children are about the only things in a modern home that have to be washed by hand." "Overheard; When I first met my husband it was obvious he was nobody's fool, so I decided he might as well be mine." "My nephew says he's going to get his hair cut. He's tired of being called a stupid woman driver." "Wife, on phone: Dear, I can't get the car started. I think the carburetor is flooded. It's full of water. Husband: Where is the car? Wife: In the lake."

From the Freestone County Sheriff's Report, Mexia, Texas: "Man swindled out of life's savings during the week by smooth talking pair probably associated with termite, home repair racket. Check closely when dealing with people not locally known, never turn cash over to anyone expecting a quick large profit. My opinion that when anyone comes around unsolicited wanting to sell or give you something you better look out. Deal with people you know and can look up next week if not satisfied." "Man whose wife sold home furnishings

to get money to leave him with assisted in recovering most with money paid returned." "Investigation of murder at Cotton Gin still being conducted with every angle being worked. Still think some person can and will give us information to unravel this puzzle. Lots of folks made nervous and have looked at lots of skeletons in peoples closets but haven't come up with the right one yet." "Family disturbance Saturday night when wife returned from washateria a little high. She departed with larger child leaving small baby after receiving knowledge bumps."

One of the nicest things I've read is the Seminole News receipt book on subscriptions. Mrs. Truett Smith said "I took your nice little paper for a year." (I wish there were ten thousand more just like you.) Denver Ford paid two years, dad-burn you for moving. Thanks, Ralph Cravens, hope your kids enjoy the paper, too. Robert Burns, friends of 23 years. It's hard to believe that your kids are getting grown and married and I can remember very well when you two were going together. A.V. McBee-thanks, Doc. H.B. Patterson, Sr. and Oliver Sherman, I love to read that receipt book. Mrs. R. L. Jones, you're a delight because you have several subscriptions. Mrs. W. N. Grigg, how my family has loved you. Thanks, Sherry A. and Mrs. Doyle Hankins. Mrs. Charlie Benson - two years, how nice! Steve Stewart, hope you enjoy the paper sent by your folks. There's a cancellation- oh, heck. There's L. E. Courtney, Vertis Fitzgerald, Stanley C. Drennan, Mrs. Rex Willis, Mrs. L. T. Waldrop, Nelson Cayton, and I.T. Wescott. Well, that's a week and I and ought to mention many many more because you've been so good to us.

How nice it is to review the receipt book from the week before and see names like Richard Garrison, Carl Davis, Jessie Smith (four subscriptions, hooray!), Raymond Golden, Corrine Williams, Glen Weekley, The Willises, The Voglers, Uptons, John Curry (we haven't forgiven you for moving either). That's not near all but THANKS a jillion.

The War Whoop came in - thanks, Mrs. Benton. The Broken Bow News from Broken Bow, Oklahoma, that's where Jack Jordan 's from. There's the Ballinger Ledger from my wife's old home town, I got the best the town had to offer, and the Gaines County News - Harry Cayce had a real nice mother and father. And a Groesbeck Journal, that's Mrs. Shelton's home town. Jack Hawkins is all right. The Floyd County Herperian - Wendell Tooley tried to explain that name one time in print and he couldn't either. The Van Horn Advocate - John Curry's picture is right on the front page with his basketball boys. Gene Dow, the owner, is kin to certain folks here. The Denver City Press - Barney Thompson, editor, has been quoted as saying he's quitting the newspaper business but I don't believe it. There's the Hobbs Flare. There's others but I believe the best part was the story about my home town and the receipt book.

NOTICE

Auditor reported to the Seminole News last Monday that all accounts owed Chester Brown while he was Clerk have been paid.

Brown, County Judge at the present time incurred this liability while he was County Clerk.

The County Clerk is held responsible for every debt made by that office. At one time it amounted to over \$7,000.

It has now been paid in full.

After the doctor checked the patient over, the physician asked, "Have you been living a normal life?"

"Yes, doctor."
"Well, you'll have to cut it outly for a while."

MRS. BRITTON RETURNED TO TEACHING IN 1955 WHEN SHE WASEMPLOYEDAS A FIRST GRADE TEACHER IN SEMINOLE. SHE, TOO, HAS SEEN MANY CHANGES IN EDUCATION SINCE HER EARLY TEACHING DAYS AND ALSO POINTS TO BETTER MATERIALS AND SUPPLIES AS BEING ONE OF THE MAJOR ONES.

SHE ALONG WITH JOE, LIKES TO GO TO BALLGAMES AND THEY PLAN TO SPEND MORE TIME IN THIS ACTIVITY. BOTH HAVE BEEN STAUNCH SEMINOLE INDIAN FANS AND BACKERS SINCE THEY FIRST ARRIVED HERE. IN ADDITION, SHE PLANS TO DEVOTE MORE TIME TO SEWING, CROCHETING, AND PLAYING THE PIANO. THE BRITTONS ARE MEMBERS OF THE PRESBYTERIAN CHURCH.

"I'LL DO ALMOST ANYTHING TO MAKE A LIVING, EXCEPT TEACH SCHOOL", MRS. AGNES ANDERSON TOLD HER SCHOOL SUPERINTENDENT FATHER WHEN SHE WAS A GIRL IN HIGH SCHOOL. AS SO MANY OF US DO, MRS. ANDERSON LIVED TO EAT THESE WORDS AND HAS SPENT THIRTY-FOUR HAPPY AND ENJOYABLE YEARS TEACHING SCHOOL.

SHE HAS ALSO ATTENDED SUL ROSS STATE COLLEGE, EASTERN NEW MEXICO UNIVERSITY, THE UNIVERSITY OF TEXAS AT EL PASO, AND TEXAS TECH. HER BS DEGREE IS FROM SUL ROSS AND HER MASTER OF EDUCATION FROM TEXAS TECH.

HER FIRST TEACHING EXPERIENCE WAS IN THE RURAL SCHOOLS OF FISHER COUNTY AND SHE ALSO TAUGHT IN CHILDRESS COUNTY, TERRY COUNTY, AND SEAGRAVES, BEFORE COMING TO SEMINOLE IN 1946. SHE TAUGHT IN THE ELEMENTARY GRADES HERE FOR THE FIRST FEW YEARS AND STARTED TEACHING ARTS AND CRAFTS IN THE JUNIOR HIGH SCHOOL IN 1954. SHE WILL RECEIVE A TWENTY-FIVE YEARS SERVICE PIN THIS YEAR.

MRS. ANDERSON MARRIED HER HUSBAND, DAVE, WHILE SHE TAUGHT AT SEAGRAVES. HE FARMS IN THE NORTHERN PART OF THE COUNTY. SHE HAS ONE SON DAVID, WHO IS AN INDUSTRIAL ARTS TEACHER IN SEMINOLE. A DAUGHTER, ADA, DIED A FEW YEARS AGO. MRS. ANDERSON HAS SEVEN GRANDCHILDREN WITH WHOM SHE PLANS TO SPEND A LOT MORE TIME FOLLOWING HER RETIREMENT.

HER HOBBIES INCLUDE MUSIC, PAINTING, ATHLETICS, AND TRAVEL AND SHE HOPES TO WORK WITH THESE MORE NOW THAT SHE HAS THE TIME.

WHEN ASKED IF SHE HAD EVER REGRETTED GOING INTO TEACHING, SHE REPLIED WITHOUT A MOMENT'S HESITATION, "ABSOLUTELY NOT, IF I HAD IT ALL TO DO OVER AGAIN, THIS IS EXACTLY WHAT I WOULD DO." SHE FEELS THAT THE SCHOOLS ARE MUCH BETTER TODAY THAN IN YEARS PAST AND THINKS MUCH OF THIS IMPROVEMENT CAN BE TRACED TO THE BETTER OPPORTUNITIES TEACHERS HAVE TODAY TO GET TRAINING AND IMPROVE THEM—SELVES, AS WELL AS THE BETTER FACILITIES AND MATERIALS AVAILABLE.

TO BECOME A SCHOOLTEACHER. LIKEWISE, ALL THREE OF THEM ARE HAPPY THEY DID AND

IT WOULD BE DIFFICULT TO IMAGINE THEM DOING ANYTHING ELSE AS A LIFE'S WORK.

ONE CAN TELL BY TALKING WITH THEM THAT TEACHING IS THEIR LIFE AND THAT THEY ARE GOING TO MISS IT. AS MRS. BRITTON SAID, "THE HARDEST PART WILL BE NEXT FALL WHEN SCHOOL STARTS". BUT, KNOWING THEM, ONE IS ASSURED THAT THEY ARE NOT GOING TO LOSE INTEREST IN THE PROFESSION OR IN YOUNG PEOPLE AND, WHILE THEY ENJOY THEIR WELL-DESERVED LEISURE, THEY WILL KEEP AN EYE ON THE GOINGS-ON IN THE SEMINOLE SCHOOLS.

jumped him off in Pecan Bayou or in a surface tank. Now, a good horse that liked to play in the water was much better to go swimming with than one that didn't like to get wet. After all, he got sweaty, your pants got sweaty and you needed to wash the horse, yourself and your pants.

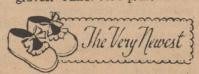

Really, it's not good to run a horse out in shallow water. They get a little top heavy and fall down, but you've got a built-in place to fall. How did we keep from getting killed? Why, my little brother and I never did take very many chances - not over a million or two.

I remember the time when we were riding double-header. He was riding way back on the comfortable part of the horse when suddenly I gave the old pony full strength of those OK spurs. He turned the prettiest flip you ever saw and landed right on his head. I was worried about that kid for a few days. He carried his head sideways and didn't talk coherently for a part of the time but he came out of it fine.

It didn't make any difference whether me and him were the cops, the robbers, the White people or the Indians, against the other guys, we always won on that game of horseback. After all, who rode a horse but me and him that would jump across the ravines, the creeks, run wide open down a rocky hillside, or could swim or had been taught to go down the steepest place on the creek banks. Mine and his side always won and aboy that rode a saddle didn't have a chance. You just can't lean over in a saddle and ride through the brush, the trees, the cat claw bushes and the algerita berry bushes.

Some of those 'do-gooder' aunts of mine almost ruined our future. They kept telling my mama how wild we rode and how we looked stripped to the waist, barefooted, and how mean we were to their kids. They didn't ruin our future but I guess it was about time for us to slow up, anyway.

EDITORIAL

Do you have any idea the cost of building materials? In 1969 building materials hit an all time high. Thank goodness, interest rates have slid back from 9.75 to $7\frac{1}{4}$ - $7\frac{1}{2}$ % on houses. One report says that this nation is still short seven million living units. That's a lot of boards, a lot of cement, glass, paint and hardware. Shingles have jumped 20% in the last ten days. In talking to Henry Hicks, he said "Ten days ago I was selling shingles cheaper than I can buy them today." Other advances - felt has jumped 22.4%, steel goods up to 25% and paints 22% since January lst.

It simply looks this way. A \$20,000 house is going to cost \$22,000. If payments were \$100 a month January 1st, they'll be \$120 a month today. If payments on a house were \$150 a month the new schedule would read \$180 per month. Building materials are sky rocketing. In New Mexico and the West Coast lumber costing \$72 January 1st had jumped to \$88 February 12th. Lumber costing \$60 had jumped to \$75 in February, exactly 20%. This is certainly not as bad as 1969 when the same lumber was \$125 to the wholesaler. Wholesalers quoted one lot at \$70 January 1, 1971 and on February 12 it was \$87. The same lot was \$129 in 1969. If you plan on making a move, before you price your house, you'd better price a similar house in the area into which you're moving. Add to the price of materials the continual spiral demanded by labor and you can see why the prices of houses have gone up. This would indeed be bad but in 1950 a new car that cost \$1749 today sells for \$4961.

School Board Meets

The School Board met Monday night and visited the high school building where Mrs. Sammye Mantooth presented to the board the Developmental Reading Program. The course is specifically designed to enable the student to improve his reading ability, his study habits and his individual needs in his school work. Mrs. Mantooth told the board how many students, their rate of advancement and testing techniques. Board members tried out the machines used to speed up readers.

- 2. In other action all teachers were rehired. Mr. Jack L. Norris, Speech, English and Forensic Teacher, along with Mr. Ron Henderson, American History Teacher and Basketball Coach, requested the board not to consider them as they did not wish an appointment to the staff for another year.
- 3. Three hundred and twenty dollars was authorized by the board for the summer golf program.
- 4. Recommendations were accepted as made by the Textbook Committee.

Thank you so much for sending the newspaper to C.D. We enjoy it so much.

I read every bit of it, in fact I notice ads that I probably hadn't noticed before. I can now realize how much mail, papers and hearing from home means to our service guys. C.E. has me going down from 10 AM until the mail comes in. It comes in on 1st floor and C.D. is on 2nd floor.

He is doing as well as can be expected. His progress is slow, but very encouraging all along.

He's eating better and sleeping better.

We appreciate everyone's prayers, cards

While in Vietnam he worked with the Vietnamese in helping plant new crops, restoring their faith in their own government with self-help projects. "I was on the rice root level, lived with the people and built good will. " Barry's enthusiasm proved just that, too. "We worked with their government, not against their government. Six other nations are helping also. " He went on to say that the average South Vietnamese man weighed 130 pounds, was 5 feet 5 inches tall, was a good worker and a good fighter on his own. "I worked with farmers, priests and even met the vice president himself." It was a fine program.

Vows Exchanged

The altar of the First United Methodist Church was adorned with seven tapers and white stock and a yellow carnation arrangement flanked with two catherdal tapers for the formal marriage of Miss Marsha Ann Wakefield and Ross Marion Baker. White stock and yellow carnations graced the altar rails. The double ring ceremony was held at 7:30 p.m. Saturday, March 5, 1971 with Dr. Tildon B. Armstrong officiating.

Mrs. Charles Earl, organist accompanied Miss Susan Wallace as she sang "The Twelfth of Never" and Walk Hand In Hand."

Parents of the couple are Mr. and Mrs. Daniel D. Wakefield and Mr. and Mrs. R. O. Baker.

Presented in marriage by her father, the bride was attired in a formal length gown of peau de soie and Venise lace. A Venise lace band accented the high Victorian neckline and empire bodice with tiny tucks and a band of lace around the long leg of mutton sleeves. The hemline of the A-line skirt was encircled with tucks and Venise lace. The detachable chapel train was edged in Venise lace. The bride's veil of imported silk illusion fell in a bouffant mist around a cluster of Venise lace petals. She carried a cascade of cymbidiums orchids surrounded by white fiji mums atop a white Bible.

Mrs. Kathy Waller, the bride's cousin from Hart, was matron of honor. Miss Regina Baker, sister of the groom and Miss Pam Lammons were bridesmaids. The attendants wore identical gowns of empire style in floor length yellow peau de soie. They carried nosegays of daisies with mint green lace streamers.

Best man was Ronnie Marion of Denver City and groomsmen were Ray Woodard and Keith Lammons. Butch Waller of Hart and Russ Mabry served as ushers.

A reception immediately followed in the Fellowship Hall. Members of the houseparty were Mrs. Connie Marion of Denver City and Miss Jeannie Hays of Kress.

Special guests were the bride's grandparents, Mr. and Mrs. Monroe Phillips and her great-grandmother, Mrs. Texas Higgins, all of Littlefield and the bridegroom's grandparents, Mr. and Mrs.). E. Woodard.

Out of town guests were from Tulia, Amarillo, Littlefield, Hart, Lubbock and Denver City.

The couple are at home in Seminole, Route 4. Mr. Baker is employed by Seminole Aero Service.

SOUTHWESTERN BELL

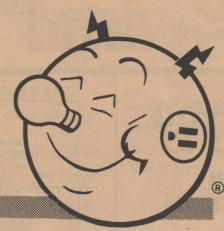

BELL NEWS

SOUTHWESTERN BELL WILL SPEND A RECORD \$460 MIL-LION IN TEXAS DURING 1971 TO KEEP AHEAD OF DEMAND FOR TELEPHONE SERVICES. THE COMPANY'S EXPANSION PROGRAM, DESPITE A GEN-ERAL ECONOMIC SLOWDOWN LAST YEAR, IS \$66 MILLION MORE TAHN THE AMOUNT SPENT FOR NEW PLANT AND EQUIPMENT IN 1970 ACCORD-ING TO H.D. SCHODDE, THE COMPANY'S VICE PRESIDENT FOR TEXAS.

SCHODDE SAID THE COMP-ANY'S 1970 TEXAS OPERATION SHOWED CONTINUED GROW-TH, WHICH HE TERMED "VERY GOOD", ALTHOUGH THE RATE OF THAT GROW-TH SLIPPED SOMEWHAT FROM RDING A NET GAIN OF 2,000 1969 OPERATIONS.

HE POINTED OUT THAT THE COMPANY ADDED NEARLY 300,000 PHONES TO ITS NET-WORK IN TEXAS DURING 1970, BRINGING THE TOTAL OF SOUTHWESTERN BELL PHONES TO ABOUT \$273 MILLION IN SERVICE IN THE STATE TO ANNUALLY. MORE THAN 5 MILLION, HE CONSIDERING THE GEN-

electric air conditioning

OVER 30 YEARS OF PROVEN DEPENDABILITY

Just like your refrigerator, electric air conditioning uses the same experience-proven method of cooling. A dependable compressor keeps on cooling no matter how high the outside temperature.

LOW OPERATING COST

Before you buy, be sure you have complete information. Electric air conditioning saves you money when you buy and because it uses only electricity and free air, your operating cost is low no extra installation costs, either!

HIGH ALTITUDE - NO PROBLEM

Despite our high altitude. electric air conditioning keeps on doing its job because the electric cooling method is completely sealed against the effects of altitude changes

CHOICE OF BRANDS

There are 58 manufacturers of electric air conditioning and all major brands are available in our area. Brands in your area are listed in the Yellow Pages or identified on your neighbor hood dealer's store front

CHOICE OF SIZES

Electric air conditioning offers the right size for your cooling job. Too large a unit makes your first cost unnecessarily high: too small runs up operating cost. Electric air conditioning can save you money on both counts

COMPLETE SERVICE

The principle of electric air conditioning is so well understood and the parts so easy to change that any air conditioning man can give you service quickly should you ever need it.

SCHODDE ALSO NOTED THAT CUSTOMERS IN TEXAS USED THEIR PHONES MORE IN 1970 THAN EVER BEFORE. AS AN EXAMPLE, HE POINTED OUT THAT THE NUMBER OF COM-PLETED LONG DISTANCE CALLS ON THE AVERAGE BUSINESS DAY INCREASED BY NEARLY 75,000, TO A TOTAL OF MORE THAN 850,000 IN THE STATE.

SOUTHWESTERN BELL RE-MAINED ONE OF THE STATES LARGEST EMPLOYERS, RECO-EMPLOYEES DURING 1970, WHICH BROUGHT THE COMP-ANY'S TEXAS WORK FORCE TO JUST UNDER 35,000. PAY-ROLL TO THESE EMPLOYEES JUMPED NEARLY \$40 MILLION

"NO, NO,", HE QUICKLY ANSWERED, "THE BIRD'S OK. IT'S SOMETHING ELSE SOMETHING PERSONAL THAT'S BUGGING ME THIS TIME. "

I KNEW, BUT I DIDN'T WANT HIM TO KNOW THAT I KNEW IT, SO I SAID, "WELL, WOULD YOU LIKE TO DISCUSS IT, OR DO YOU THINK THAT I CAN HELP YOU ANY?"

HE HESITATED FOR JUST A MOMENT BEFORE HE ANSWERED. "YES, I BE-LIEVE YOU CAN, BUT I HARDLY KNOW HOW TO SAY WHAT I MEAN WITHOUT YOUR GETTING THE WRONG IDEA. YOU SEE, I'VE BEEN READ-ING THE BIBLE A LOT LATE-LY--- I INTERRUPTED WHEN HE PAUSED MOMEN-TARILY, "WELL, THAT'S COMMENDABLE, I'M GLAD TO HEAR YOU'RE TAKING AN INTEREST IN BIBLE READING. " "YEAH, BUT I'M NOT LOOK ING FOR WHAT YOU THINK I'M LOOKING FOR. " HE SAID. "YOU SEE, SOMEONE TOLD ME THAT IF I READ THE BIBLE, I WOULD DIS-COVER HOW TO BECOME RICH --- AND SO FAR I HAVENIT READ HOW TO MAKE A DIME, EVEN. DO YOU KNOW WHERE IT TELLS HOW TO BECOME RICH?"

AT FIRST I THOUGHT HE MUST BE PULLING MY LEG, BUT THEN I COULD SEE THAT HE WAS DEAD SER-IOUS. I SAID, "YES, I KNOW WHERE IT TELLS YOU HOW TO BEOME RICH." HIS EYES LIT UP WITH ANTICI-PATION.

DO YOU KNOW WHERE IT TELLS YOU HOW TO BECOME RICH? START READING YOUR BIBLE, AND IF YOU HAVEN'T FOUND IT BY THIS TIME NEXT WEEK, LOOK AT THIS COLUMN AGAIN. OR IF YOU WOULD LIKE TO DISCUSS IT WITH ME, DROP ME A CARD AT LOOP, OR IN CARE OF THIS PAPER.

"SEE YOU IN CHURCH."

Did he lose anything?

All he lost was the right to vote, the right to own a gun, and the right to run for public office.

He lost the opportunity of ever being a licensed doctor, dentist, CPA, engineer, lawyer, architect, realtor, osteopath, physical therapist, private detective, pharmacist, school teacher, barber, funeral director, masseur, or stock broker.

He can never get any job where he has to be bonded or

He can enlist in the military service, but will not have a choice of service and will possibly be assigned to a labor battalion

If this happened to you, would you think you had lost anything?

The Raymond Restaurant

The following recipe was from Mary Ellen Lewis, mother of R. M. Lewis, 604 N.W. 5th Street. Here's that recipe for sarsaparilla tea. $\frac{1}{2}$ oz. fluid extract dandelion, 1 oz. compound kargon, 3 oz. syrup sarsaparilla. Mix by shaking well in a bottle and take in teaspoon doses after meals and at bedtime.

(Editor's note: I've always wondered what sarsa parilla tea was made of. This sounds terrible, but after all, it would make you well thinking about it, it ought to be good.)

One-Plus Dialing is a "superhighway" when it comes to Long Distance calling.

One-Plus is the fastest, easiest way to call. It's non-stop service at its best.

Just dial 1, plus the Area Code (if different from your own),

plus the number. One-Plus. You can't beat it.
