The Cavern is located 15 min-

 largest cave in Texas open to  
 the public.

Holding a constant tempera-

 described by spelologists as  
 having beauty and color in pro-  
 fusion and variety not known to  
 exist anywhere else in the world.

## Union Usuals and Unusuals

By Veda Yarbrough

Hi neighbor, nice and cool this Tuesday morning, tired to rain last night but didn't make it here, but over at Putnam and other parts south and east they got a lot of rain. Putnam got a good rain Saturday, but we just got six tenths of an inch. Down at Dick Yarbroughs, Burette Ramseys, the McIntyres and Jones they only got a sprinkle, the rain sure is spotted. They had a down pour over at Putnam, water got up in the Cunningham filling station, some yards were knee deep in water, it could not get away fast enough.

Roma McIntyre and I went to Abilene last Thursday, enjoyed it although it made me sick, but am ok now.

Bill and Retha Brown of Midland spent the week end with Retha's parents, Mark and Ollie Burnam.

Roma and I stopped by Thursday and visited awhile in Clyde with Mrs. Jim McIntyre, her place is so pretty she has a pretty yard and garden. Her yard is so green and the trees make it so nice and shady in the back yard in the afternoon.

Mr. and Mrs. Reynolds and family of Putnam and their pastor Ted Faulkner of Abilene, Jimmie and Susie Vick and son of Kansas had Sunday dinner with Dick and Annie Yarbrough. Gertrude Jones and Johnny Carl Gunn visited Jim and I awhile Friday afternoon.

John and Roma McIntyre had dinner Saturday in Abilene with Johns sister and family, Mr. and Mrs. Randal McNeice, Buster and Jim.

Mrs. Myrtle Alvy spent last week end in Fort Worth with her daughter, Mrs. Edna Harges who is there in school this summer.

Bro. Wayne Blankenship and wife visited awhile Sunday afternoon with Burette Ramseys. We are sorry to say our pastor will preach his last sermon next Sunday. We would not want him to stay on when he can do more elsewhere and so long a drive ever week end as he is in the seminary now at Fort Worth. We really were surprised when he resigned.

No news so better get these peas shelled and cooked for dinner, so be good and will see you next week.

# DRIVE A CHEVY CORVAIR

FOR ECONOMICAL TRANSPORTATION

## FAMILY PUTS 2,000 MILES A MONTH ON CORVAIR THINKS IT'S MARVELOUS GAS MILEAGE "OUT OF THIS WORLD"

Mr. and Mrs. Richard Kahelin of Plant City, Florida, couldn't be happier with the way their new Corvair has worked out as a combination family and business car. On their newspaper distribution route alone they travel more than 400 miles a week over all kinds of roads. Little wonder they're so pleased with the gas mileage they've been getting — "at least twenty-three miles to the gallon with an automatic transmission . . . and we've had no trouble with our Corvair." The Kahelins have equally good things to say about Corvair's easy-going comfort and unique convenience features. They especially like the way the fold-down seat doubles as a built-in baby sitter.

If you haven't driven it yet, you don't know what a delight driving can be. Its steering, response, traction and roadability are unique because it's a unique car — the only U.S. car with an air-cooled airplane-type rear engine, transaxle and independent suspension at all four wheels. Be in on the know. Find out what delightful differences this advanced design makes.

# Farm Bureau Tour Set August 4-14

The Texas Farm Bureau Goodwill Tour to Mexico has been postponed until August 4-14, according to an announcement by J. H. West, president of the state farm organization. The tour was originally scheduled for July 14 - 24.

"With this postponement, we shall be able to take advantage of certain tour extras that are now being arranged in Mexico," West said. "Also, many people who expressed interest in going along on the tour have indicated that they prefer an August date for the trip."

The tour itinerary, which includes visits to places of agricultural interest as well as sight-seeing and stop-overs in fabulous resorts, has not been changed, West added.

The tour is not limited to Farm Bureau members since transportation to and from Mexico City is via regular airline flights instead of a chartered plane. Persons desiring to go along can secure information on how to become a tour member by writing the Texas Farm Bureau, Box 489, Waco.
