## THE GREATEST COMMUNITY ASSET

1-In this actual world, a church-  
less community, a community  
where men have abandoned and  
scoffed at or ignored religious  
needs, is a community on the  
rapid down grade.

2-Church work and church at-  
tendance means the cultivation  
of the habit of feeling some re-  
sponsibility for others.

3-There are enough holidays  
for most of us. Reserve one day  
in the week for the Lord.

4-Yes, I know all the excuses.  
I know that one can worship the  
Creator in a grove of trees, or  
by a running brook, or in a man's  
own house just as well as in a  
church. But I also know as a  
matter of cold fact that the average  
man does not thus worship.

5-He may not hear a good ser-  
mon at church. He will hear a  
sermon by a good man who is  
engaged all the week in making  
hard lives a little easier.

6-He will listen to and take  
part in reading some beautiful  
passages from the Bible. And if  
he is not familiar with the Bible,  
he has suffered a loss.

7-He will take part in singing  
some good hymns.

8-He will meet and speak to  
good quiet neighbors. He will  
come away feeling a little more  
charitable toward all the world,  
even toward those excessive-  
ly foolish young men who regard  
church-going as a soft perform-  
ance.

9-I advocate a man's joining  
in church work for the sake of  
showing his faith by his works.

## KILLS 16 RATTLE SNAKES

Tom Weaver, the official 'snake  
killer' for Scurry County reports  
that he has killed only 16 rattle  
snakes this year as compared  
with from 25 to 40 each previous  
year. The longest snake killed  
this year measured six feet.  
This is quiet a snake, especially  
to those who quiver at the  
thought of a snake, as most of  
us do.

Mr. Weaver says snake hunt-  
ing is not his business, he is  
a cow man; but he kills the ven-  
omous reptiles every time he find  
one, he says. Among the many  
other splendid services Tom is  
rendering his community is the  
service of prevailing the chief  
enemy of human toes, the  
snake.

Mr. A. Parker was in town  
Saturday and renewed his  
subscription to the Herald.  
Thanks, Mr. Parker.

BIG SULPHUR

Sunday School and Church  
were well attended Sunday. We  
were glad to have Little Mr.  
Louis Johnston with us. He  
made an interesting talk on "The  
Sabbath."

School opened 19th. Our  
teachers are Misses Wilcox of  
Lorraine. We appreciate having  
these nice ladies in our commu-  
nity. Come on all you parents and  
let's co-operate with the teachers  
and they will co-operate with U.

Quiet a few from this commu-  
nity attended singing at Pleasant  
Hill Sunday.

Singing at Jack Mahoney's  
was enjoyed by a large crowd  
Sunday night.

We are glad to have Mrs.  
Beulah Watson move back to our  
community.

Miss Clyde Dacus spent Satur-  
day with Miss Bertha Vineyard.

Mrs. Scrum and daughter,  
D. are visiting the former  
parents P. N., and Mrs. Hous-  
ton.

Otis Vineyard who has been  
visiting in Hale county returned  
home last week.

Maurine Dacus of Dunn, spent  
Sunday with Mattie Jane Dacus.

rell in Jacksonville, Fla.

## SINGING CLASS RE-ORGANIZES SUNDAY

Last Sunday's meeting of the  
Community Singing class was  
well attended and much interest  
was manifested. The interest  
was perhaps better than it has  
been for some time. The music  
was thought by all present to be  
better than common. The new  
books which had just arrived  
may have lent interest to the  
class. The book is a good one.

W. A. Werner, who has been  
at the head of the class for the  
last two years finally succeeded  
in getting some one else elected  
as president. When his resig-  
nation from re-nomination was ac-  
cepted, Mr. S. E. N. Holman, a  
brilliant young man and a musi-  
cian was elected to succeed Wer-  
ner. J. B. Etheredge, who is  
more interested in the welfare  
of the class than any one else,  
perhaps, prevailed in his effort  
to elect Holman over himself to  
the position of president of the  
class. Mr. Etheredge has been  
singing and superintending clas-  
ses for over one half of a cen-  
tury and knows from experience  
he said, that Holman was the  
rightful man for the place.

Upon being unanimously elect-  
ed, the new president took  
charge of the meeting by making  
his acceptance address. At the  
close of this address the class  
voted a resolution of 100 per cent  
support to the new president for  
the ensuing year. With that  
sort of moral support Mr. Hol-  
man can certainly move along  
smoothly with his class.

## FRIDAY EVENING BRIDGE

Mrs. F. D. Mueller staged the  
initial party Wednesday evening  
when she entertained with  
bridge. A very enjoyable time  
was had and delicious refresh-  
ments were served to twenty  
"high and low" scorers. At the  
close of the evening's game a  
bridge club was organized wit-  
near twenty in number. Friday  
evening will be devoted to bridge,  
according to plans announced at  
the meeting.

## FIRST BAPTIST CHURCH

Both the morning and evening  
services at the church Sunday  
was well attended, and the good  
fellowship enjoyed was great.

Sunday January the 1st. will  
be observed as Anniversary and  
Home-coming day at the church.  
All members especially urged to  
be present, and a warm invita-  
tion to attend the service is ex-  
tended to all alike. Come and  
worship with us. -C. E. Leslie.

## C. OF C. RE-ELECTS OFFICERS FOR YEAR

J. R. Coker was re-elected pre-  
sident, F. D. Mueller, Sec. and  
Bill Rea treasurer of the local  
Chamber of Commerce.

Terraing was the main topic  
of discussion and the local order  
went on record as favoring a co-  
operated effort to terrace and  
water-level all farms where the  
owner can be made to see the  
benefit of it. The body also  
went on record as favoring one  
variety of cotton for Hermleigh  
people, looking forward to a bet-  
ter market for cotton.

An executive committee com-  
posed of J. R. Coker, F. D. Muel-  
ler, E. J. Ely, W. O. Moore and  
R. S. Norman was appointed to  
work in connection with local or-  
ganization.

The time of the meeting for  
the ensuing year will be on the  
1st. and 3rd. Tuesdays nights in  
each month. The place of meet-  
ing will be at the Higginbotham-  
Bartlett Lumber Store.

## LITTER NOW OUT WHEN LITTLE EGG IS LAYED

When the little supplant of  
last week's issue came out  
George Wemkins looked it over  
and said to his wife, "It is all  
off with the Herald. When a  
hen lays a little egg, the litter is  
is all gone."

It is necessary for us to show  
ourselves as good sports and pay  
off when one gets the better of  
us in a joke, for we are all time  
joking and sometimes too rough-  
ly, perhaps. When George got  
by us with this we proceeded to  
pay him off. We have had to  
pay off several times lately.  
Come on George, let's go. You  
have forgotten that the hens lay  
one litter of eggs only to get  
ready for another. The Rev.  
Parks said from his pulpit here  
two weeks ago that 'things which  
grow slowly, live long.' You  
may have to suffer from "Head  
Ache" quiet a lot yet, George.

## CARD OF THANKS

We hereby express our sincere  
thanks to our good neighbors and  
friends who aided so earnestly  
during the illness and death of  
our dear son and brother, Wayne.  
We greatly appreciate the beauti-  
ful floral offering.

**'TIS AN ATWATER KENT**

The short sentence "Walter Moore has a new radio" in the last issue of Herald met with the criticism that it ended without a period. There was no need of ending the sentence about the radio when the radio itself will never get to stop. An Atwater Kent radio bought of T. W. Windle will connect Moore up the world in such a way as to perpetuate his 'listening in.'

**THE PREACHER IS A COMMUNITY ESSENTIAL**

Most every body likes to go to church when they can hear a rousing good sermon from the lips of a pleasant speaker. The Rev. Parks, new Central Baptist pastor, is making progress in this respect and people are beginning to go to church who have been out for years, it is said. The old expression, "a new broom sweeps clean," may be effective in this case but it is hardly probable, it is thought by all. Rev. Parks is a capable preacher and he is noticeably free from all egotism and other phases of unpleasantness common to public speakers.

In his discourse Sunday, among many other good things, he said: "It is the little germ of inspiration which hatches out into a glow of enthusiasm that moves society along." As an instance of this we quote him as follows:

"The business man who can't see on the screen of tomorrow victories which yesterdays dream suggested not, is likely to make but little progress; the farmer who is satisfied with his failure this year, is likely to do but little better next year; the good school teacher whose program of yesterday is acceptable to her tomorrow will soon find her room occupied by another; the newspaper man whose last weeks issue completely meets his approval, will soon be advertising his plant for sale, and the minister who is satisfied with his sermon to-day, will soon be preaching from another pulpit. The whole constabulary of nature is compelling us to move on." Concluding this line of thought, he said: 'The faith of the Bible, the kind that moves mountains, is a lunging forward with a purpose and a program adequate to meet the demands of the hour.'

Got Around Difficulty

President Cosgrave of the Irish Free State recently set out to repay a call to the commander of an American warship that visited Dublin. The only vessel available to take the President out to the warship was a tug, and it was pointed out to him that the tug would not be saluted by the American ship unless it flew the Union Jack, as it has been definitely laid down under the international code that the Sinn Fein flag cannot be recognized as a maritime flag. Mr. Cosgrave accordingly made the journey with an enormous Sinn Fein flag in the bow and a tiny Union Jack at the mast head.

Beavers Become Nuisance

In a certain section of New York state, particularly in the Adirondack region, beavers have increased in such numbers that they have become a serious menace to the deer and trout. Their dam building operations have flooded many of the finest deer yarding areas, depriving the deer of winter quarters, and have created large lakes out of what once were fine trout streams. The parent stock of these beavers came from Yellowstone park after the original New York stock had become exterminated.

Comedian Got Even

George Robey, the English comedian, has a remarkable faculty for altering his face. One day, as he was walking along the street with a friend, a youthful loafer proceeded to make faces at him. The friend, who affected to be horrified, suggested that Robey rebuke the boy. "Oh, I've already punished him," remarked the comedian. "How?" queried the other. "You did nothing." "Yes, I did," was the reply. "I made an uglier face at him."

Precedence in Parade

Organizations in a parade proceed by order of the dates of their establishment and organization, the oldest being to the front, as first, the Grand Army of the Republic; second, the Loyal Legion; third, Spanish War Veterans; fourth, Veterans of Foreign Wars; fifth, Military Order of Foreign Wars; sixth, American Legion; seventh, Military Order of the World War; and eighth, Disabled American Veterans.

Just Happened to Be

One of Her Off Days

The desire to conceal ignorance is more or less inherent in everyone. Who has not resorted to assumed sophistication when his mental attainments seemed to be on trial?

A few days ago in an Irvington home the lady of the house, on account of illness, was compelled to call her new maid to her bedside to receive instructions relative to the evening meal. She explained that the oven in the kitchen was similar to a fireless cooker. She handed the maid her watch and told her to place the meat in the oven and in 30 minutes to turn out the fire.

In five minutes the maid returned and said that she had done as she was told and had turned out the fire.

"Why, you have not been gone 30 minutes," exclaimed the housewife.

"I specs I got to make a confession," admitted the embarrassed girl. "Some days I kin tell time and on other days I jest can't tell time. Today jest seems to be one of the days when I simply can't tell it."—Indianapolis News.
