

WAR WORK CAMPAIGN MES NEXT WEEK

QUOTA \$3,050. ORGANIZATION WILL BE COMPLETED HERE SATURDAY

Organization of the forces in this county for the drive to obtain funds for the National War Work Campaign has been somewhat delayed at Floydada and in the south half of the county by the death of C. K. Holloway, who is in charge of this division of the drive.

The drive is to begin Monday, November 11th, and will end November 18th, and the quota assigned this county is \$3,050.

W. L. Boerner is assisting Mr. Holloway in the campaign drive. Mrs. Homer Steen is chairman of the Women's Division and Miss Mabel Yearwood of the Boys' and Girls' Divisions.

In furtherance of the plans for the drive, a call has been issued for volunteer workers by the heads of the Women's and Girls' and Boys' Divisions, among the Red Cross Chairmen of the county and the lady teachers. The call, signed jointly by Mrs. Steen and Miss Yearwood, is as follows:

"Chairmen of Red Cross organizations and lady teachers of the south half of Floyd county are called to meet in Floydada at 2 p. m., Saturday, November 9th, to discuss some very important business about the National War Work Campaign, which is to begin November 11th."

With the issuance of this call the announcement is made that the District Managers of these two divisions will meet with local workers here Saturday. They are Miss Lula B. Neal, District Manager of the Girls' Division and Mrs. C. E. Craig, District Manager for the Women's Division.

County Chairman, W. N. Brown, of Lockney, who was here Saturday for a conference with workers, declared that all details of the organization had been completed in that portion of the county. He anticipates that there will be a ready response to the call for the county's small part of the tremendous fund necessary to carry on the welfare work overseas and at the front in America.

Attention is called to the fact that at least two years will be required to complete demobilization of the American forces in France should peace come at once. General Dupont, who is authority for the statement that a long period will be required for demobilization, says: "This fact gives double importance to the United War Work campaign. No one who has not lived with our boys can imagine how vitally important the service of these seven organizations is. Their importance cannot be overstated, especially in a period of demobilization."

ALL QUESTIONNAIRES HAVE BEEN MAILED TO REGISTRANTS

The Local Board completed mailing all questionnaires to all draft registrants from 18 to 45 years of age on Tuesday of this week.

In the event there are any who did not receive their questionnaires they should report at the office of the board.

N. W. McCleskey, Clerk

URGENT NEED OF TIN FOIL STRESSED BY WAR BOARD

RED CROSS CONSERVATION COMMITTEE ALSO TOLD NEED FOR PEACH STONES

The Conservation Committee of the Floyd County Red Cross is being repeatedly urged to increase its efforts toward the collection and forwarding of tin, and are also being urged to continue the collection of peach stones and other charcoal making fruit pits.

Mrs. L. C. McDonald, one of the members of the committee, said Tuesday that the War Industries Board estimates the shortage of tin at five thousand tons, which considering the rarity of the metal, is a large amount. Every kind of foil is worth collecting the committee is informed, because every kind contains a sufficient proportion to be of value. Tobacco foil, cigarette foil, chewing gum foil, and chocolate foil are among the most common varieties that may be easily collected by people locally. Collapsible tubes are also worth collecting, such as those that contain tooth paste, shaving cream, salve, paints, etc. Pewter articles usually have a large percentage of tin and the collection of pewter is therefore important. However, the committee is informed that tin cans, so called, contain very trifling proportion of tin and the difficulty of obtaining materials for detinning makes them not worth collecting.

The committee is placing receptacles for tin at practically every public place in Floydada and urges people to remember to conserve every kind of foil. The War Industries Board pays liberally for all kinds of foil and pewter, and incidentally it might be mentioned that the chapter gets all the proceeds from the sales made of these articles. Pewter is valued at per ton, \$1,200, common foil is valued at \$300 per ton, pure tin foil at \$1,600 per ton, lead foil at \$150 and collapsible tubes at \$300 per ton.

The Conservation Committee has forwarded several sacks of the peach stones and fruit pits, but headquarters is urging heavier shipments all time. For this reason it is very important that they be saved. They are used in the manufacture of gas masks to protect the boys on the fighting fronts against poisonous gasses.

UNUSUAL CATTLE MOVEMENTS CAUSE OF SLOW SCHEDULE

The Floydada branch of the Santa Fe is operating on "A Slow Train Through Arkansas" sort of schedule this week. Tuesday afternoon the train scheduled to reach Floydada at 3:30 did not leave Plainview till about six and arrived here about 8:30 or 9, and Wednesday morning's northbound did not leave Floydada until 8 o'clock.

Unusually heavy movements of cattle is assigned as the cause of the extreme delays.

TAX ASSESSOR'S NOTICE

A. A. Whyte wishes to announce that anyone having business with the office of tax assessor during his absence should see one of the following duly authorized deputies: W. I. Allen, Floydada, O. B. Olson, Floydada, C. E. Turner, Lockney.

Polishing and Making Shells For French Artillerists

Shells made by women munition workers are polished and marked. The Germans mark shells with green, yellow and purple crosses to show the gunners the kind of gas they contain. The type of shell used is determined by the desire of the artillerist. High explosives are for demolishing entanglements and destroying trenches and fortifications. Shrapnel are used against infantry and air planes. Each shell must bear a mark indicating its name. When the women have done their day's work they visit the "Blue Triangle Hut" for recreation and entertainment.

REPORTED GERMAN WILL ACCEPT ARMISTICE

Reports today are to the effect that Germany has decided to accept the terms of the Allies for an armistice. F. P. Gibson, local manager for the Western Union, received a message about noon to the effect that the armistice had been concluded. This, he is of the belief, is premature, however, because of the fact that the delegation from Berlin had not had time to arrive at Foch's headquarters and conclude the terms.

It seems altogether probable, from unofficial reports from Berlin and from neutral zones, that Germany will accept the terms of the Allies, which amount virtually to surrender, it is said.

10 BOXES CAST 443 VOTES IN GENERAL ELECTION

The vote in Floyd county in the general election held Tuesday of this week was very light. Yesterday afternoon, ten boxes, including Lockney and Floydada, had made returns, and tabulations from these returns only showed 443 votes.

At no point was there decided interest, the two amendments being the only matters really to be decided by a vote, other matters having been settled by the primary in July. In the ten boxes reporting 13 ballots were cast for the Republican ticket, ten for the Socialist and 403 for the Democratic. Five of the Republican votes were cast at Floydada, 6 at Lockney, and one each at Sand Hill and Cedar. All ten of the Socialist votes were cast at Lockney.

Both amendments to the constitution received a majority vote in the election in Floyd county. The one relating to the change in judiciary proceedings received 230 for and 100 votes against, a majority of better than 2 to 1. The free text book amendment carried better than three to one, the vote being 283 for and 77 against.

Precincts which had made returns to 4 o'clock yesterday afternoon were Providence, Sand Hill, Starkey, Floydada, Cedar, Center, Baker, Antelope, Lakeview and Lockney.

The complete returns will be canvassed by the Commissioners' Court during their session next week and the results declared.

JAMES COLVILLE ON ACTIVE DUTY HAS NO COMPLAINTS

Mr. and Mrs. W. M. Colville had a letter Saturday from their son, James, who is with the 6th Engineer's Train, on active service in France. He is doing well, he said in the letter which was dated on October 5th, but mailed on the twelfth, and has no complaints whatever to make. He enlisted first with the infantry in the 36th Division, was transferred later to the tank corps, but has been serving lately with the Engineers.

He reached France in May, but during his stay in that country has had only one letter from his parents or friends here, being unable to get his mail.

RED CROSS COMMITTEE ELECTION NEXT WEEK

All next week ballot boxes of the Floyd County Red Cross Chapter will be open at the Woody Drug Co., and Triplet Pharmacy in Floydada, to receive ballots of Red Cross members for the election of the executive committee of the organization for the ensuing year. The statement is made that all Red Cross members in the county, whether members of auxiliaries, branches or of the Chapter, may have a voice in this election and all members are urged by officials to cast a vote. Particular attention is called to the fact that, any day next week a vote may be cast between the hours of ten a. m. and six p. m.

Eleven members are to be chosen. The nominating committee has made the following nominations: Mrs. Joe Montgomery, Allmon; Mrs. Seth Waddill, Carr's Chapel; Mrs. O. M. Conway, Lakeview; Miss Luna Lowrance, Starkey; Mrs. H. G. Sanders, Mayview; Mrs. S. L. Rushing, Fairview; Mrs. France Baker, Lockney; Mrs. Holmes, Sand Hill; Mrs. Jim Hughes, Mrs. J. D. Starks, Mrs. J. F. Blanton, Floydada.

Election boxes at Floydada will be maintained at the Woody Drug Co., and at the Triplet Pharmacy. The boxes will be presided over by members of the Red Cross appointed by the present executive committee. Boxes will also be maintained at Lockney. Ballots have been prepared, and each ballot will be signed by the person voting.

The name of Mrs. L. C. McDonald, upon petition, has been added to the list of those who are to be voted on next week as members of the County Executive Committee.

CHRISTMAS PARCEL CARTONS AT R. C. ROOMS

Christmas Parcel Cartons have arrived. All parents with labels should come to the Red Cross rooms at once and get them.

Mrs. L. V. Smith, Chairman.

A. A. TUBBS, IN MARINE CORPS, HAS A NEW DAUGHTER

A daughter was born to Mr. and Mrs. A. A. Tubbs on Thursday, October 31st.

The father has been in the marine corps for almost a year. He is now stationed in Haiti where he is helping to preserve order.

DISTRICT COURT AT SILVERTON OPENED LAST MONDAY

On account of the continued illness of District Judge R. C. Joiner, District Court at Silverton did not open until Monday of this week, being postponed from Monday of last week.

Attorney C. B. Russell of Plainview, is acting judge.

Attorney Kenneth Bain returned from Silverton Wednesday afternoon after attending court there. Very little business is being transacted by the court, he said.

W. N. BROWN OF LOCKNEY NOW ON DRAFT BOARD

W. N. Brown, of Lockney, has been appointed a member of the Floyd County Exemption Board, succeeding J. B. Downs, of that city, who resigned recently.

Mr. Brown has been sworn in and qualified as a member of the Board.

Recently the entire board offered their resignation to the adjutant general. Only that of Mr. Downs was accepted, the adjutant stating that all members of the board could not be excused from duty at once, since some persons familiar with the machinery of the draft must be retained as members.

METHODIST CONFERENCE IS BEING HELD AT ABILENE

The Northwest Texas Methodist Conference is being held at Abilene, instead of Lubbock. It was decided to change the place of the meeting to latter part of last week. The influenza epidemic, which has been particularly severe at Lubbock, is said to be the cause of the change of the meeting place.

Rev. W. M. Lane, pastor of the Methodist Church at Floydada and Rev. Geo. W. Montgomery, pastor of the Floydada circuit, composed of the churches at Baker, Carr's Chapel, Mt. Blanco, Lakeview and McCoy, left Tuesday morning to attend the conference.

Rev. A. L. Moore, presiding elder of the district, who was here over Sunday and preached morning and evening, was notified by telephone that the business of the conference would be dispatched with the utmost speed and that the appointments would be announced probably tomorrow night.

T. L. Suttle, with the cavalry at Fort Sam Houston, was in Floydada Tuesday enroute to Amarillo after a visit of a few days with his uncle, F. A. Suttle, at Quitaque.

SUGAR RATION INCREASED TO 3 POUNDS PER MO.

RAPID MANUFACTURE OF SUGAR AND CONSUMPTION REDUCTION MAKES INCREASE POSSIBLE

District and County Food Administrators have received the following from State Administrator Peden allowing an increase in the consumption of sugar:

"On account of the rapid manufacture of the new crop of beet sugar in the West and the new crop of Louisiana cane sugar in the South, the reduction that we have made in the consumption of sugar to the manufacturing trade, and the patriotic conservation in the past four months, enables us to increase the household allowance of sugar from TWO pounds per person per month to THREE pounds per person per month. This same increase will be granted the public eating places. This makes good our promise to increase the household allowance of sugar at the earliest possible moment that our supply would justify.

"This increase is effective November 1st.

"Washington desires to have uniform rule throughout the country covering the sale of sugar, therefore, beginning November 1st, merchants will be permitted to sell a family one month's supply of sugar, based on 3 pounds per person per month. This naturally cancels the two and five pound package rule.

"Unfortunately we only received advice of this increase allotment today, and as we have already issued Statement E and Statement C certificates, we shall immediately mail to all retailers and public eating places additional certificates to bring up their supply to a basis of three pounds per person per month.

There will be no change in the November allotment of Statements A, B, and D.

"It is still necessary for merchants to keep records of their sugar sales on the three pound basis, as on the two pound basis."

S. D. GREER DIES AFTER LONG ILLNESS FROM TYPHOID

S. D. Greer died this morning at 10:30, at his home in Price Addition, after an illness from typhoid fever lasting over a period of eight weeks. He was conscious until just a short time before his death.

Funeral services have been announced for four o'clock this afternoon at the Methodist Church, to be conducted by Rev. V. H. Trammell, and the burial will be held at Floydada Cemetery in charge of the Masonic fraternity.

Mr. Greer is survived by his wife and two children, Mrs. Harry Christian, who lives southwest of town, and Miss Jewell, a fifteen year old daughter living at home.

He had been a resident of Floydada for two years and had an extensive circle of friends. He was one of the most efficient members of the Floydada School Board, being a teacher and educator of some note in North Texas before retiring some years ago from the profession.

He was 62 years of age, living for many years in Red River county before removing to Floydada.

If You Are a Business Man---

If you are a professional man, if you are employed at a daily wage, make up your mind to deposit weekly a certain sum of money in the bank. You'll be surprised how the sum will grow. Cash in bank gingers up the man who has it there. He has more confidence in himself. The business man is ready for a dull season. He is ready for an opportunity.

So is the professional man. The man who is working for a daily wage and who hasn't any money in bank frequently is fearful of a loss of his situation. He does not work as well or with the confidence in himself as does the man with something laid aside for a rainy day.

Hallowe'en tricks were few if any around Floydada this year. Much of the Hallowe'en spook making material is now in France blazing the way to Berlin:

The Hall County Herald, published at Memphis, says: "A new law recently enacted makes it necessary for all newly elected county and precinct officers to qualify on December 1, or as soon thereafter as possible. Hence the newly elected county officers will not take their places in a week or ten days after the election, as heretofore."

The collection of tin, one of the things so badly needed in industry, especially war industry, is moving slowly according to reports. The Red Cross has taken up the task of trying to collect the needed tin in this country, and are calling on you individually to save tin. The best way you have at hand to help is in saving the paste tubes, shaving soap tubes, tooth paste tubes, tinfoil wrappers on chewing gum, tobacco and cigarettes. These are badly needed. Put that foil wrapper in your pocket next time you buy gum,—and save it instead of throwing it on the ground. A little tin goes a long way. Don't neglect to do this.

For the boy overseas Christmas will be doubly precious this year if it will bring to them tokens of love and remembrance from home; it will be a day of gloom to those who are not so remembered. For this reason take your shopping seriously between now and November 20th, for you must shop before that date for them. Something that will carry your message of love and cheer is all that is needed. If your purse will let your message be one that carries intrinsic value so much the more fortunate for yourself, not necessarily for the boy. The thing for him is the message that the package will bring. "They still think of me, their hearts are with me, those folks at the home fireside," is the thought that will be his. So again we say, do not fail to let that package go forward by the 20th. The exigencies of war will not allow unrestricted parcels to go across. You will obtain complete instructions when you call for your parcels carton at the Red Cross rooms. Observe them carefully. Don't take any chances that he shall fail to hear from you. The great influence that the Y. M. C. A. and the other helping agencies are having with the boys is that they bring home nearer to them. So that if you are spending your money to take the Y. M. C. A. to them, be also as careful that your personal message gets across. Of such things are morale built.

If you are deeply interested in the welfare of your boy overseas or in the training camp you should be vitally interested in the United War Work campaign, which begins next Monday. The seven agencies for which funds are to be raised are the mediums through which home is brought to the men and the women in camps, serving in the thousands of capacities made necessary by war conditions. The fact that there are those who have religious scruples against helping in this work will make it necessary for you to do a little more than you had planned as your part. There is to be no attempt at coercion in this campaign. The funds are to come out of the greatness of your heart toward the men who are offering their all. Should they survive, it is vitally important that they come back to us better men, not weakened and purposeless. If peace were declared this week, every hut in France would become a school room under the direction of leading educators and business men of America. These agencies are keeping your boy away from the wine and women temptations of the large centers and giving him recreation, and doing a thousand other things for him that only the "home folks" can do. The war department cannot, the Red Cross cannot, and so it is up to you to see that the Y. M. C. A., or another of these organizations, shall have the means to do for you. Do not fail the 350 boys of Floyd county who are in arms for you. It is your duty to help; it is equally a privilege.

law in any way whatsoever, and we "side" in on the proposition. If an amendment is put up to the voters it is a safe bet that it will be overwhelmed by a tremendous majority.—Plainview News.

Why the Beacon and the News should be "dead set agin" changing the Homestead law is one of the enigmas. The Homestead law was intended to save the home for the wife or widow. The presumption is that as long as the husband survives he can support his family. But the Homestead law stops right where it is needed, if needed at all. When the family supporter dies the widow may fall victim to any kind of schemer and dispose of the hard-earned homestead in any manner for herself and the estate. Anything a man possesses ought to stand good for his obligations. As a practical afterthought, the Homestead law prevents the Farm Loan banks from helping the man who needs help worst, too. It is possible that the people of Texas would overwhelmingly vote down an amendment to the constitution changing or abolishing the Homestead law now. Within the next decade they will have changed their minds, however, and Texas may take its rightful place among the progressive states of the union.

OPEN SEASON FOR QUAIL SHOOTING BEGINS NOV. 1

The following is a digest of the principal State laws relating to shooting of game:

Doves in North Texas, fifteen per day, from September 1 to October 31, inclusive.

Doves in South Texas, fifteen per day, from December 1 to January 31, inclusive.

North Texas includes everything north of the northern boundary of the following counties: Shelby, Nacogdoches, Angelina, Houston, Leon, Robertson, Falls, Bell, Lampasas, San Saba, McCulloch, Concho, Tom Green, Irion, Reagan, Upton, Ward, Loving, Culberson, Hudspeth and El Paso.

South Texas includes all south of and including the above counties.

Quail fifteen per day from December 1 to January 31, inclusive.

Duck fifteen per day, from October 16 to January 31, inclusive.

Snipe fifteen per day, from October 16 to January 31.

Plover fifteen per day, from November 1 to January 21.

Prairie Chicken from November 1 to January 31.

Buck deer, three per season, from November 1 to December 31, inclusive.

Wild turkey, three per season, from December 1 to March 1, inclusive.

Except in the following counties, turkeys are restricted to two per season, and you can shoot them only in March and April: Angelina, Cherokee, Hardin, Liberty, Nacogdoches, Dallas, Rockwall, Tyler, Jefferson, Orange, Jasper and Newton.

Squirrels, ten per day, and no closed season, except in counties listed above under exceptions for shooting turkey. In these counties you can shoot five per day between August 1 and January 1. You cannot hunt from motor boat.

NAVAL REGULATIONS FOR XMAS PACKAGES DIFFERENT

The Red Cross Chapter for Floyd county has received the following information concerning the preparation and forwarding of Christmas parcels for boys in the naval service:

The Navy Department has ruled that parcels intended for officers and men at home or abroad must conform to the following regulation:

a. Parcels may not exceed 20 pounds in weight, and must be so prepared for mailing that the contents can be examined. Substantial boxes or other suitable containers should be used.

b. The parcels must bear the name and address of the sender in the upper left hand corner of the address side, and must be addressed in the following manner: Name and address in full, together with his rank or rating; the designation of vessel or station or naval base to which addressee is attached, together with the phrase plainly written—"Care of Supply Officer, Fleet Supply Base, 29th Street and Third Ave., Brooklyn, New York." The words "Christmas Box" or "Christmas present" should be written on the parcel.

c. Postage at fourth class or parcel post rate will be chargeable.

d. No perishable food products other than those packed in tin containers should be enclosed.

e. Parcels should be mailed so as to reach Bush Terminal Station not later than November 15th.

THE RED CROSS HAS NO PART IN ADMINISTERING THE REGULATIONS OF THE NAVY.

2. The usual postage regulations apply to parcels sent to members of the American Army in Siberia. The Red Cross will have no part in administering them.

3. No parcels can be sent to Red Cross workers or other war workers

overseas without specific permission signed by a designated officer. Postal regulations apply and all inquirers should be referred to the post office for specific information. The Red Cross has no part in sending packages to war workers overseas.

CARD OF THANKS

Again after so short a time has elapsed we have stood in the presence of the Angel of death. A beloved son and brother has answered the last summons. Mere words fail to express our thanks to our many friends who, with words of sympathy and tender guiding hands, have walked with us through the "Valley of the Shadow" and have thereby shortened our darkest hour of grief. Your floral tribute is an eloquent message of Him who has gone where suffering and sorrow are no more. May God in His infinite love and mercy reward each one of you.

That Package to Your Boy in France Must Be Make Up and On Its Way By Nov. 20

That means you actually have less than two weeks to do your shopping for him.

You want to make him happy, of course, if you possibly can, and besides the "home things" you send, we suggest as very appropriate gifts that will take up little room:

A Conklin Fountain Pen

We have them at \$2.50 to \$3.50. No advance in price.

A Shaving Set

Invaluable for the boy that wants to keep as clean as he can. A boy on the fighting front can't find a barber shop on every corner.

Signet Rings

Ready to be intialed, are here in large variety. We also have many other excellent rings to choose from.

Belts

We have a very good line of belts with sterling silver buckles that would take up little room in the parcel and would be appreciated when it got there.

Gold Knives

Many are sending over gold knives. They do make pretty and useful gifts.

Cuff Button Sets

And other jewelry for men are also being shown.

Watch Fobs

We have some dandy novelty watch fobs that are inexpensive and would fit in a corner of the parcel nicely.

If you want to send a Watch, be sure to see the dandy ones I have in HAMILTONS WALTHAMS AND ELGINS

P. S. If you want a pretty Sterling Silver Service Ring you should see those in our window. We also have Service Flags.

United States Tires - - - Brown Bros

PEACE WILL NOT END NEED OF ALLIES AND NEUTRALS FOR FOOD

Americans Must Supply Out of its Surplus and Savings Enough Food-stuffs to Prevent Suffering to 180,000,000 People Whether or Not War Closes.

America must send to the armies and the allies this year 50 per cent more food than last year; three times the normal exports.

America must be ready when the war ends to rush supplies for 180,000,000 people, victims of Germany and the war, who are facing starvation unless help comes quickly.

America must build up reserves to carry us over the harvest period and to protect us against the lean year that may come.

The food conservation program is first military, that the movement of commodities may be so ordered that nothing hinders putting forth our full strength on the battle line and making victory sure.

It is next humane, heeding the world's cry for food which will be more and more compelling because of the wastage of four years of war. We could not be deaf to the entreaty of those who sit at the common table.

It is in part economic. We must meet the demand if we wish to build up American trade and strengthen our resources in the economic struggle after the war.

It savors finally of the soul of democracy. If we truly believe in the brotherhood of all mankind, we can not choose but share our abundance with all in adversity.

The conservation program reduces to this: Every ounce of food of every sort that we manage to save will set free its proportion of essential food for the relief of those whose needs are greater than ours.

The success of this program rests not alone on the honor and co-operation but also upon the intelligence of the American people. Its success will be the highest proof of the faith and works of democracy in America.

Our Duty to the Allies

Until the war ends the food program is a part of the military program. The military program is conditioned on shipping. Victory in 1919 is assured if America is able to transport and maintain 4,500,000 men on the battle front. That measure can be carried out only if every possible ship is withdrawn from the longer routes to be concentrated on the Atlantic ferry, and if we restrict our own unessential imports.

For, notwithstanding our gains over the submarines, we are creating demands for shipping by speeding up the army program faster than ships can be launched. To achieve this program the allies have given up what was coming to them from the other side of the world.

America can not do less than assure them enough of the essential foods to maintain their health and comfort and courage. Though they surrender many of the things that make life agreeable, even after four years of privation, it gave them new heart to be told with America's warranty that their portion of bread and of fats should be henceforth unstinted.

Rigid economy is still enjoined upon them; dread of famine they have quite put away. America is their hope and their reliance.

Our Duty to Neutrals

When the war ends in democracy's triumph, new obligations will fall upon us. We shall be called upon to send not less food, but more.

The allies will by no means produce a new harvest overnight. Eighty millions of men can not be taken out of production for four years without lasting losses of yield. It will be years before their fields recuperate, farms are restored, and herds are restored.

But another demand even more insistent will come to us—the cry of the hungry victims of Germany and the war. Every country in Europe has suffered shortage of food, lessened yield, weakened production, most of all the great tracts overrun and pillaged by Germany, tortured and sacked by Germany's partners, wrecked by the Russian madness.

Their woes are increasing; they are facing now a terrible winter. Many will starve. As yet we can not help them except where the Belgian Relief Commission extends its succor. We can not prevent starvation behind the war barrier or beyond the limits of shipping, whose every cubic foot and every second's time is needed in the effort for victory.

After the war the needs of 180,000,000 hungry people will press on America. We could not choose but help them. As we believe in the kindness of all humanity, America will save

food to rescue and restore the m.

America's Pledge

The interallied council sat last summer planning those measures which meant victory in 1919 for the cause of freedom. Food was a vital factor.

The United States of America by its representatives gave them this assurance:

Determine what you must have and how much the ships can carry.

That will be your quota through the coming year. You need not consider how much America has more or less. We will send it; we have it or we will find it.

America, which shipped last year 140,000,000 bushels of wheat where a surplus of only 10,000,000 could be reckoned, had given its pledge. The allies believe in us. They trust us as they trust the American soldiers. They have faith in the endurance of the American people for self-denial, as they have faith in the courage of the American army in reserve or in battle. America will not fail them.

CENTER

Nov. 5.—Still threatening but no rain of any consequence, but reports from almost all directions say they are having lots of rain. At our former home all the streams have been out of banks and until recently they have been dryer than here.

Both the Prestidge families left last Friday for their home in Bell county.

M. O. Lemons intends moving to California in the near future. Mr. Adair will occupy the place he vacates.

Had our Red Cross election last Wednesday. Elected Mrs. Hamrick chairman; Mrs. O. H. Johnston, secretary, and W. B. Jordan, treasurer. Mrs. Bradley, head of knitting department, Mrs. Jordan head of sewing department. We hope to have sock yarn in the near future. One other thing,

all parents who have received the Christmas label from their boys in France can get the Christmas carton by calling on our local chairman. She will have a sufficient number on hand to supply our auxiliaries.

The Maxey family visited in Floydada Sunday.

Mr. and Mrs. Sims visited her parents Sunday.

Mr. Scott and family visited with Mr. Smitherman's.

Messrs. Spence and Adair called on Mr. Lemons Sunday.

Mr. Johnson and family went to Floydada Saturday and visited with his parents part of the day.

Mrs. Wright and daughter, Miss Ruth, are able to be up from influenza.

L. A. Crews, of Crosbyton, was a business visitor in Floydada last Saturday.

Mrs. Jas. E. Parks and little son left last week for Abilene and Winters, Texas, for a month's visit with relatives.

Mrs. J. A. Grigsby and three of the children in the family have been sick the past several days from influenza. They are all convalescing.

McCOY NEWS

November 4—On account of influenza we have dismissed our Sunday school and prayer meeting for a few Sundays. It was reported that all of Mr. Jackson's family have been sick with the flu. Also Mrs. Johnson.

Mr. Pharr and family spent Sunday with Mr. Allmon in Starkey community.

Mr. Hughes and wife spent Saturday night in Floydada with her parents, Mr. and Mrs. Stanford.

J. E. Hammit and wife were guests at the home of W. J. Berry Sunday.

Newell Golden has just returned home from Colorado, where he has been visiting for a month.

Melvin Day and family of were visiting Mr. Smith Sunday.

M. G. Cox called at the G. F. Shipman Sunday. Asa Jones spent Sunday Foster boys.

CORPS OF POLISH WOMEN NURSES IS BEING RECRUITED

FIVE HUNDRED GREY SAMARITANS TRAINED BY Y. W. C. A. WORK FOR RED CROSS IN EUROPE

York City.—Polish soldiers with the Allies are to have, this spring, Polish women nurses. Some of the hospitals where wounded may be sent. Known as Polish Grey Samaritans, they number some 500, and will be under the Red Cross and in canteens for Polish units. They can go to Poland for reconstruction work.

Schools for training of these women are being maintained by the Young Women's Christian Association at Cleveland, Detroit, Milwaukee, Trenton and Rochester. They serve a given period as probationers. Those qualified for advancement are given further training, and after its completion will be sent overseas.

The uniform is of grey cloth, with a military cape, and on the breast is a large red cross. The cap is also grey, of a decidedly military cut, with the Polish eagle used as an ornament. Miss Stephanie Kozlowska, born in Petrograd, but a resident of the United States from childhood, was the first to wear the uniform, and she is now giving her time to the perfecting of the organization and the training of its members.

FIFTY THOUSAND AMERICAN GIRLS MAKE WAR SUPPLIES

Washington, D. C.—Five thousand girls are working in a gas mask factory for the government in a Long Island city. Forty-five thousand are employed in one plant in Connecticut. These are but two of the 122 plants working on government contracts supplies for the army. Twenty-two of the number are government plants outright, and the remainder are what were known as "cost plus" plants, which have since been taken over to be operated by the government.

Through the Ordnance department the Young Women's Christian Association has been asked to make provision for the recreation and social life of the women and girls employed in these plants. In some instances the club and recreation building has been supplied by the government; in others the building has been provided by the Association. All the buildings will contain rest, recreation and assembly rooms, a gymnasium and showers.

Wig wag and military drills, hikes, picnics, games and sports, educational classes and entertainments will be arranged at each cantonment, the trained workers for this phase of the work being supplied by the Association. All girls in the plant will be entitled to the privileges of the building, they need not be members of the Y. W. C. A.

Miss Martha Lockett, formerly of Burne, Texas, who was at the University of Texas some years, is on a vacation. She has been Hostess at Camp Bowie, where she entertained friends and relatives of thousands of Texas and Oklahoma boys while the Thirty-ninth Division was in training there. She is expected to return to her place with the Hostess House in the near future.

More Hostess Houses Planned
Hostess Houses have been planned for two additional ports, for interior cities where there are nurses, Signal Corps women, Y. M. C. A. or Red Cross workers. The Young Women's Christian Association is selecting secretaries for these houses, women who have a knowledge of business methods. Ability to speak French is a decided asset to a secretary.

Millet's Home Houses Y. W. C. A.
Francis Millet's home has been loaned to the Young Women's Christian Association by the widow of the celebrated painter. It will be used by secretaries of the Association as a rest and vacation resort during the coming eight months, while Madame Millet is in America. The house is a peasant cottage in the edge of the forest of Fontainebleau.

U. S. Builds Women Dormitories
Government dormitories are being built in Washington for women near Union Station, according to plans provided by the War Work Council of the Young Women's Christian Association. It is designed to house transient among the 50,000 men clerks in Washington doing war work.

Care For American Women
The Blue Triangle maintains two rest houses for American women at Tours, France. One is for the Red Cross girls; the other for American women there attached to enterprises. The Young Women's Christian Association maintains a club for nurse and French girls.

French Posters Advertise American Recreation Center

At the Y.W.C.A. Recreation Park. Tours, France

American women maintain, at Tours, a recreation is and for French women. A French artist designed this poster, showing the secretary wearing the Blue Triangle. It is used as an invitation to enjoy the park.

McCOY NEWS

McCoy, October 28.—On account of influenza we have discontinued our prayer meeting for a few Sundays. Will start it up as soon as this disease dies down.

It is reported that Mr. Basel Utsman and two of his brothers are sick with influenza.

Miss Lela Barton and brother, of Floydada, visited their uncle, Mr. Payne, the latter part of last week.

Otis Foster spent Sunday evening with Mike Lowrance.

S. E. Lowrance and wife spent Sunday with their parents, Mr. and Mrs. W. E. Lowrance.

Chester Day, of Floydada, spent a few days last week visiting his relatives in the country.

Rev. Montgomery took dinner at Mr. Hammit's Monday.

WHERE'S YOUR TIN?

Consumers of articles in foil or tubes are requested to save these articles and turn them in at the nearest Red Cross center, as donations to that organization. Smelters and other users of tin will then purchase the lots thus collected by the Red Cross at the market rates. It is estimated that this method will recover some 3,000 or 3,500 tons of tin per annum, and bring the Red Cross an added income of from \$4,000,000 to \$5,000,000.

P. L. Johnson and family have moved to Rocky Ford, Colorado, to make their home.

Irwin Bishop returned home the latter part of last week after several days spent at Fort Worth.

WHITFIELD NEWS

Whitfield, October 30.—A snow storm raged here Saturday last. About one inch of water fell which helped the wheat ground considerably.

There are quite a few cases of the "flu" around here.

Hazel Ooley returned to Wayland Monday after a week's vacation.

The six children of Mr. Patterson who have had the "flu" are all able to be up again.

Mrs. Earl Raper is sick at her home here.

Mrs. Lovvorn and brother were callers in Painview Monday.

Mr. and Mrs. Street went to Oklahoma last week being called there by the death of a son from influenza.

Mrs. Marvin is here from Kansas visiting here parents, Mr. and Mrs. Real.

Mrs. Bohns was a caller at the Short Horn farm last week.

Jno. A. Hollums, who has for ten days been suffering from influenza, is recovering. He was quite ill for several days.

Floydada Lodge No. 34 I. O. O. F.

Meets every Saturday Night.

Visitors cordially invited.

Mrs. Chas. B. Smith is convalescing from an attack of influenza. She spent several days last week at the Childers Sanitarium for treatment.

DADDY GRIGGS' BIRTH-DAY PARTY

Last Friday evening, November 1st, the many friends of Mr. and Mrs. Geo. R. Giggs assembled at their hospitable home for a general good time in honor of "Daddy's" 80th birthday. At an early hour the guests began to arrive. The home was artistically decorated in the national colors and beautiful chrysanthemums occupied a prominent place.

"Daddy", as we all know him, was moving among the crowd as gallant and spry as a young American of 25 summers. He was the recipient of many good wishes and much comment as to his well preserved physique and mentality. He also received many presents, each one seeming anxious to add to his comfort in his declining years. One present worthy of special mention was the box presented by Mr. and Mrs. D. D. Shipley, of home grown vegetables uniquely arranged and accompanied by an original poem descriptive of its contents.

Last but not least, was the call to the dining room where delicious refreshments were served by the hostess and others.

It was a joyful occasion, yet in keeping with these strenuous times. At a late hour the guests departed with thanks to Mrs. Griggs and wishes to "Daddy" for many happy returns of the occasion.

More than a hundred guests enjoyed the evening.

A Guest.

SON OF A. M. STODDARD, IN TRAINING, DIES OF PNEUMONIA

Chester V. Stoddard, 21-year-old son of Mr. and Mrs. A. M. Stoddard, of Plainview, died Monday of this week at Paris Island, S. C., of pneumonia, following an attack of influenza.

The boy will arrive at Plainview tomorrow and burial will likely be held Saturday.

Mr. and Mrs. Stoddard formerly resided at Floydada, Mr. Stoddard being McAdams manager here for a time. Chester began training in the Marine corps last July.

STOMACH TROUBLE

Mr. Marion Holcomb, of Nancy, Ky., says: "For quite a long while I suffered with stomach trouble. I would have pains and a heavy feeling after my meals, a most disagreeable taste in my mouth. If I ate anything with butter, oil or grease, I would spit it up. I began to have regular sick headache. I had used pills and tablets, but after a course of these, I would be constipated. It just seemed to tear my stomach all up. I found they were no good at all for my trouble. I heard

THE FORD'S

BLACK-DRAUGHT

recommended very highly, so began to use it. It cured me. I keep it in the house all the time. It is the best liver medicine made. I do not have sick headache or stomach trouble any more." Black-Draught acts on the jaded liver and helps it to do its important work of throwing out waste materials and poisons from the system. This medicine should be in every household for use in time of need. Get a package today. If you feel sluggish, take a dose tonight. You will feel fresh tomorrow. Price 25c a package. All druggists.

ONE ONLY A DOSE

NEWS OF LOCKNEY

(From The Beacon)

The Star mail service between Lockney and Estelline started this morning, when the mail left here at 8:30 for Estelline, via Curlew, Quitaque, Gasoline and Turkey. Smithie Brothers of Silvertown have the contract. One of them has moved to Lockney and one to Estelline. They will meet half way and exchange mail and passengers. The service will be daily except Sunday.

The citizens living on the route who provide mail boxes, will be served with their mail daily.

Mr. Ira Simpson, living south of town, reports that lightning struck his residence last Friday night, destroying a flue, but otherwise the house escaped serious damage. Considerable electrical display accompanied Friday night's rain.

Mrs. Lillie Britton moved this week to Floydada. Mrs. Britton is the Democratic nominee for county treasurer, and she will soon take charge of her new office. The Lockney people regret to lose Mrs. Britton, and only consoled with the fact that Floydada

will secure her citizenship even though it be temporary.

Lester P. Smith came in last Saturday from Amarillo where he has been for three weeks practicing with the 4th Cavalry Regimental Band, of which he is a member. He will probably be at home until the first of December.

LARGE DRAFT CALL WILL COME SOON

Washington, October 30.—Men of the first draft will first be mobilized in large numbers early in November under a draft now in preparation in vast proportion in Major General Crowder's office. It calls for more than 200,000 men qualified for general military service. They will be furnished in proportionate number by every state in the union.

Draft calls suspended during October because of the influenza epidemic have been renewed in sections where the epidemic has moderated.

Official Building Regulations

The ruling of the War Industries Board on construction work, outside of buildings, railroads, highways and mines, directly connected with War Work is today as follows:

"Construction projects falling within the following classifications are hereby approved and no permits or licenses will be required therefor:

- Repairs of or extensions to existing buildings involving in the aggregate a cost not exceeding Twenty-five Hundred Dollars, and new construction for farm purposes only involving in the aggregate a cost not exceeding One Thousand Dollars

The above regulation thus allows you, without any permit, and in the usual course of business, to---

A. Contract for "repairs of or extensions to existing buildings," providing the TOTAL COST, including all labor and materials, is under \$2500.

B. Contract for NEW FARM BUILDINGS when the total cost, including all labor and materials, is under \$1000.

For all other construction work a permit must be secured from the War Industries Board, and we will be glad to help you place your request before the proper official for this territory.

A. G. McAdams Lumber Co.

Floydada, Texas

PRICE—GOES

SOME COUNTY SCHOOLS START MONDAY; OTHERS SOON

A number of the rural schools in Floyd county began again Monday of this week after a three weeks' vacation caused by the influenza epidemic.

Others are to begin Monday next. Apparently the epidemic has been more pronounced in the rural communities than in either of the towns of Floydada or Lockney.

No new severe cases have been reported though numerous attacks more resembling the disease commonly called "grip" than influenza, are reported by physicians.

MOTHERS' CLUB MEETING WILL BE HELD FRIDAY AFTERNOON

The Mothers' Club will meet at the North Side school building Friday, November 8th, at 4 o'clock. The following subjects will be discussed:

"Home Study from Standpoint of Teacher"—Discussion led by Miss Donnell.

"Home Study from Standpoint of Parent"—Discussion led by Mrs. Menefee.

It is the desire of the committee that everyone feel free to take part in these discussions. Please come prepared.

BLACK PERSIAN SHEEP IMPORTED FROM GOODNIGHT HERD

J. F. Connor, R. B. Smith, J. E. Riley and Jim Hammonds have each imported a Black Persian buck from the herd of Col. Chas. Goodnight, which they will place with their herds for the purpose of raising the grades.

The Black Persian sheep is said to be more hardy than other sheep, are afflicted less with disease and also have the advantage of giving a better grade of wool, Col. Chas. Goodnight says. He has been raising them for twenty years on his ranch near Goodnight.

MRS. GEORGE PROBASCO HURT IN FALL LAST FRIDAY

Last Friday, Mrs. George Probasco fell and sustained injuries about the shoulder.

Her daughter, Mrs. Mary Nickell, who has been residing at Austin the past few weeks, was notified and reached home today. A son, Claude, of Texico, was also notified of his mother's injuries, and has been here since Monday.

WIFE OF CLAUD BURRUS DEAD

Friends here of Claud A. Burrus have received word that his wife died recently at Denton, Texas, and was buried at Abilene. Other details are lacking except that death was due to influenza.

Mr. and Mrs. Burrus moved to Denton the earlier part of September from Lubbock. At the latter place they had been living several years. Mr. Burrus has a place with a flour mill at Denton.

Claud formerly lived at Floydada and has many former school mates here who will learn with regret of his bereavement. He has two little children.

Private A. J. Thomason, of Kansas City, is here this week on a visit with his sister, Mrs. L. W. McReynolds southwest of Floydada. He was formerly at Camp Clark but his company, together with several others, are transferred to Kansas City for parade service.

Mrs. Lillie Britton moved to Floydada last week and has taken up her residence on West Mississippi Street. Her home has been at Lockney. She is county treasurer-elect and will take the oath of office sometime during the next thirty days.

The seven year old daughter of Mr. and Mrs. E. B. Campbell, of Pleasant Valley, who underwent an operation at the Childers Sanitarium recently for appendicitis, was sufficiently improved Saturday to return home.

M. B. Cavanaugh, operator at the Hesperian, has been among the influenza sufferers since Saturday. During his illness, Arch Foster, of Hereford, is relief man on the job. Mr. Foster is owner of the White Face Printing Co., at Hereford.

A. Birch and wife left the latter of last week for California to spend sometime on a tour. They are going the trip by auto in company party of their relatives from

MRS. J. R. BREWER OF ELECTRA IS DEAD

Mrs. J. R. Brewer, of Electra, wife of J. R. Brewer, who is well known here, having extensive land interests in the county, died Sunday night of this week.

Reports are to the effect that Mr. Brewer is also sick.

W. N. Jones, of Lakeview, and W. R. Dooley, of McCoy communities, former neighbors of the Brewer family, have gone to Electra.

COUNTY ATTORNEY HOLLOWAY HAS ROUND WITH THE FLU

County Attorney C. K. Holloway, not to be outdone by other citizens of Floyd county, has been confined to his room since Saturday with influenza.

His condition this week is satisfactory and he is expected to be fully recovered at an early date.

Olan Watson has returned from Ralls where he spent the past month with the A. G. McAdams people as bookkeeper. He returns here to take a place in the First National Bank.

JOHN W. SANDERS ENTRAINED FOR CAMP MABRY

John Williams Sanders is the first Floyd county registrant to be entrained to a military camp since the beginning of the influenza epidemic, which stopped all shipments of men to camp for October. Sanders was sent to Camp Mabry for training in the Mechanical school.

On the eleventh three other registrants will be forwarded by the board. They go to Camp Travis.

MISSIONARY SOCIETY

The Methodist Missionary Society will meet Monday. There will be an excellent lesson taken from the Bible Course book, "The Meaning of Prayer" led by several ladies. Don't miss these lessons. Every one invited.

Press Reporter.

O. P. Darsey returned the first of the week from Kansas City where he had been on the market selling some of his cattle. He was caught in a snow storm while enroute and had considerable difficulty getting to market.

WAR FUND CAMPAIGN WORKERS VISIT FLOYDADA

David Roberts, District Campaign Manager for the United War Work Campaign for Floyd and thirteen other counties, Mrs. C. E. Craig, district chairman of the Y. W. C. A. Division and Miss Lula B. Neal, district chairman of the Girls' Division, in company with P. B. Randolph, of Plainview, were in Floydada Saturday afternoon and conferred with local campaign officers concerning the plans of the campaign which opens on November 11th and continues through to November 18th.

Mr. Roberts also made a street address to some three or four hundred hearers outlining the reasons for support of the campaign, and the work which is being accomplished by the Y. M. C. A. and the kindred organizations in the camps overseas. He has been in Y. M. C. A. work sometime.

Floyd county's quota in the campaign is \$3,050, and Mr. Roberts declares that the raising of funds for the promotion of the Y. M. C. A. and kindred work is second in importance only to the Red Cross. "We must lend

the money to the government to prosecute the war, and we must give the money to carry the touch of home to the boys who are sacrificing themselves for the country," he declared in the course of his address.

W. N. Brown, of Lockney, County Chairman for Floyd county, was also present and together with local people, conferred on plans for raising the county's share of the fund with Mr. Roberts.

G. R. Tibbetts, of Flomot, was in town Tuesday on business. Good seasons have fallen on his land in that section, he says. His son, George, who is in France with the Ninetieth Division, is seeing some active service now and has been for the past thirty days.

Joe H. Smith and wife and baby, of McAdoo, who have been in the Childers Sanitarium for treatment for influenza, left Sunday.

Mrs. W. H. Roberts, of Memphis, Texas, is here this week visiting with her son, Wade, and with Mrs. Tom B. Triplett.

RESOLUTIONS OF SYMPATHY FROM MISSIONARY SOCIETY

Whereas, it has pleased the Almighty to remove from our midst by death our esteemed friend and co-laborer, Mrs. Maud Henry, who has for many years occupied a prominent rank in our midst, being at the time of her death president of our society, and maintained a character untarnished and above reproach;

Therefore, resolved, that in the death of Mrs. Henry, we have sustained the loss of a friend whose fellowship it was an honor and a pleasure to enjoy; that we bear willing testimony to her many virtues and stainless life;

That we offer to her bereaved family and mourning friends over whom sorrow has hung her sable mantle, our heartfelt sympathy and pray that Infinite Goodness may bring speedy relief to their burdened hearts;

Resolved, that a copy of these resolutions be presented to the family, printed in our minutes and also in The Hesperian.

Mrs. Griggs,
Mrs. Gamble,
Mrs. Shipley, Com.

T. G. MAHAN DIED OF PNEUMONIA AT WILLIAMS, ARIZ.

Williams, Ariz., Oct. 30, 1918.
To our many friends in Floyd county:

I will write you and let you know how we are. The children and I rived at Williams, Saturday, Oct. 5th. Monday the oldest girl took influenza and we all had it in a few days. My husband got here just one week later and had rented us a nice place and started unloading the ear when he took sick with influenza and was carried to the hospital. I wasn't able to go to him at first. He was sick only twelve days. He took double pneumonia and only lived four days longer.

I know he is better off and done with all his suffering, but oh, it is hard to give him up. He was such a good and loving companion and father. What will my little children do now without a father?

Dear Editor, please send my paper, The Hesperian, to Williams, Ariz., and send me a copy with this letter if you print it.

Mr. Crain, that came with us, has been very sick too, but is better.

Your heart broken friend,
Mrs. G. T. Mahan.
Williams Ariz.

P. S. Would be glad to hear from all who care to write.

LADIES OF FLOYD COUNTY

The government is asking for thousands of Red Cross nurses. Wounded soldiers are being shipped back across daily, thousands of boys have been stricken with influenza in camps throughout the United States. A great many of these boys have gone over the top for you. Others have given up every thing at home and are giving their service for YOU.

YOU in return should offer your service in assisting them. What are you going to do? Two ladies have enlisted their services from Floydada. From a patriotic standpoint—there should be fifty more. We feel that if you could read the calls we are having daily a great many of you would get in touch with one of this committee this week and begin the study of First Aid work under Mrs. Dr. Hicks at once.

Some one has got to nurse these afflicted boys and this committee suggests that you take this up with your parents at once and begin the home service.

All expenses and a salary will be paid you while in school and any of the committee will give you information as to the work.

Mrs. I. W. Hicks
Mrs. Geo. R. Griggs
Mrs. R. B. Parker
Glad Snodgrass
Dr. V. Andrews
R. C. Scott.

TROWBRIDGE FAMILY CONVALESCING

Chas. Trowbridge and family were all afflicted with the influenza, during the epidemic. They have all sufficiently recovered that they are considered out of danger of a relapse.

Mr. Trowbridge is out this week transacting business.

Earl Gould and family, of Can Ark., were here the earlier part of this week visiting E. C. Henry family. The Gould's had been visiting at Clovis, N. M., and left yesterday for San Antonio, to spend the winter.

Mrs. Edgar Jones, formerly of Floydada, daughter of Mr. and Mrs. W. T. Brown, was very ill last week from pneumonia following influenza, but her condition improved considerably and she is considered out of danger. It is reported this week.
