LOOKING AHEAD TO EASTER

Easter Sunday, to most of us, is a happy, dress-up, goto-church day for all the family. And I hope you and your family will all be together for a Happy Easter.

Unfortunately, some families are scattered and won't be gathered around the table for the carving of the ham.

For these families, a Long Distance visit or two by telephone is the answer. It's the next best thing to being there in person, and everyone has fun on an out-of-town call.

Naturally, low Sunday rates will be in effect. And if you call station-to-station, you can talk longer for less.

Call by number. It's twice as fast. SOUTHWESTERN BELL TELEPHONE COMPANY

No more "ciothesline accidents" when you have an Electric Clothes Dryer

Clothes hung outdoors to dry may be soiled by playful pets, broken clotheslines, airborne dirt and other hazards . . . but your wash always dries clean in an Electric Clothes Dryer. Your clothes are safe from sun-fading and wind-whipping, too, when dried indoors with clean, gentle electric heat. They come out sunshine-sweet and so fluffy-smooth that many pieces need no ironing. And, of course, you're spared the back-breaking work of lifting, stooping and stretching to hang up heavy clothes.

Tough-built Chevy truck bulls its way deep into the woods for mammoth loads

This big Series 60 Chevy bulls its way as far as 8 miles into the Louisiana woods, fights over ruts and jagged stumps . . . then grinds back out with towering loads of logs! The Sabine Lumber Company attests to the truck's ability to take it: "Chevrolet makes the best truck for our type of operation."

Out where a truck is known for the beating it can take, Chevy's making friends fast. Truckers like the way these toughies hold up; the way they wade right in, take their lumps, yet stay in shape. Today, it's grit that Chevy's showing the trucking industry. Real toughness that pays off in job-

after-job dependability . . . in ability to get work done at least expense. You can match Chevy muscle against any tough light-, medium- or heavy-duty job and know you've got it beat!

Your Chevrolet dealer's ready right now to meet your special work requirements. Stop by and see

Experiments prove that crops take up more phosphate from water soluble AMMO-PHOS fertilizers than from ordinary mixed fertilizers.

COME BY. .

Let us demonstrate this easy test. AMMO-PHOS fertilizers are highly water

soluble and we can prove it by simply placing a small amount of AMMO-PHOS in water and placing the same amount of an ordinary fertilizer in another equal amount of water. You'll be able to see how water soluble AMMO-PHOS GOES INTO SOLUTION while the ordinary fertilizer collects at the bottom of the glass. You'll know then why AMMO-PHOS

fertilizers give the quickest response to crops.

Jim Webb is participating in this giant Gulf program.

NO CONTEST, NO JINGLES, NO GIMMICKS. EVEN HAVE TO REGISTER

Each time you visit our station you'll get a ticket with a number. A stub, with the same number, will be "Put in the Pot." Drawings will be held each week for \$250.00 in free prizes.

Tickets will be picked up after close of each Friday's business. Drawings will be held each Saturday, broadcast on KWEL. Then, each Monday, a list of all winners will be put on display at our station. This list will remain there a full week. You simply check your tickets against the numbers on the list. Prizes unclaimed for one week will be added to the following week's jackpot. Save tickets only from one Friday to the next Friday.

LOTS OF PRIZES . . . LOTS OF WINNERS EACH WEEK. BIG PRIZES . . . SMALL PRIZES.

Stamp Program To Stop March 18

After Wednesday, March 18, we will no longer give stamps with grocery purchases. BUT, we will give a \$25 coupon book good on groceries and gas each week. Unclaimed tickets will be carried over to the following week. Store drawings will be held on Friday nights of each week. You can check your number then the following week. It is our purpose to share more benefits with our customers and we feel like we will be in a better position to pass along gifts with our new plan rather than the giving of stamps.
