FINEST CLIMATE ON EARTH, WHERE HEALTH, HAPPINESS AND PROSPERITY AWAIT THE HOMESEKER

Vol. LIII—No. 42

STANTON, MARTIN COUNTY, TEXAS, THURSDAY, OCTOBER 13, 1960

Eight Pages—Price 5c

## Snooter Knows

By JAMES E. KELLY

EACH OF THE TWO CANDIDATES running for President of the United States on the Democrat and Republican ticket has warmed up in the campaign to the extent they are flinging pointed barbs at each other. They see the end of their race only a few days off. Then will come the clearing of the battlefield of all debris.

—SK—  
THE DIFFERENCE BETWEEN Death and Taxes is that Death comes to the victim only once in a lifetime, and Taxes comes regularly once a year long as he lives.

—SK—  
FURTHER FROM THE THOUGHT of the late Dr. J. R. Vance, when he settled on his body of land in Martin County, at the north edge of Stanton, there was oil flowing under it. That was in the days of horse-drawn vehicles, covered wagons, buggies, lumber wagons, lightning rods for people who wished to protect their living quarters and out-buildings from a stroke of lightning. In the early settling of Martin County, of which Dr. Vance was a pioneer, sole purpose was carving out a home for his family, resuming the (Continued on page 4)

### Pvt. Williamson Completes Jump School Training

Army Pvt. James E. Williamson, 20, whose wife, Carolyn, and parents, Mr. and Mrs. Edward T. Williamson, live at 206 St. Boniface, Stanton, recently was grad-

Pvt. James E. Williamson

uated from the 101st Airborne Division Jump School at Fort Campbell, Ky. Williamson received his paratrooper wings after completing three weeks of intensive ground and aerial training which included five parachute jumps. He entered the Army in March of this year and received basic training at Fort Carson, Colo. Williamson is a 1958 graduate of Stanton High School.

### SHS Band To March In Odessa

Stanton High School band members will be in Odessa Thursday, October 20 to take part in the annual Permian Basin Oil Show parade.

Robert Maddox, instrumental music director of the Odessa public schools, will be in charge of the bands marching in the parade.

Plaques will be presented the winning bands in each division. A large number of bands is expected to participate in the parade, along with floats and other entries.

### FFA To Enter Odessa Contests

Stanton Future Farmers of America are to participate in FFA leadership contests November 3 in Odessa.

Entering the contests from Stanton will be two chapter conducting teams and two farm skill teams. Sweetheart of the Stanton chapter will also enter the district sweetheart contest. A district banquet will climax the meeting.

Attending will be about 30 Stanton boys and Milburn Wright, FFA advisor.

## Stop Fire Before It Starts!

Your firemen can do a good job of stopping a fire after it starts. But it's much better all around to stop a fire BEFORE it starts . . . and this job is strictly up to you!

Check your home for fire hazards, now. Eliminate accumulations of rubbish, old magazines, newspaper, etc. Repair or replace faulty or inadequate wiring. Keep matches out of youngsters' reach. Handle flame with care at all times. Never smoke in bed!

THIS IS FIRE PREVENTION WEEK

### Achievement Day To Be Observed By HD Clubs

Achievement Day will be held Thursday, October 20 by the Martin County Home Demonstration Clubs.

In observance of the special day the group will make an educational tour of new homes to see what is being used in building materials.

The group is to meet at 9 a.m. at the county agent's office and then will tour the Edmund Morrow, J. A. Wilson, C. B. Jones, Guy A. Eiland and J. C. Sale homes. They will go to Midland for a luncheon and a special program.

The group observes Achievement Day each Fall. Participating are members of all home demonstration clubs.

### HD Council To Meet On October 18

A meeting of the Martin County Home Demonstration Council will be held Tuesday, October 18 at the county agent's office.

The meeting will begin at 2 p.m. During the session, which is the annual meeting, annual reports will be given and new officers will be elected.

### Courtney School To Hold Annual Hallowe'en Ball

Plans are underway for Courtney school to hold its annual Hallowe'en Ball, Carnival on Thursday, October 27.

The carnival will be held at the gymnasium and will be sponsored by the Courtney classes.

Each class will sponsor either an entertainment or food booth. Entertainment will be provided for all ages and a good time has been promised all who attend.

### Stanton Set To Meet Post Friday

Crane's Golden Birds downed Stanton Friday night on the home field by a score of 27-6. A Sophomore quarterback, Calvin Kirkham was the star of the evening. He tallied once and hurled two touchdown passes for the visitors.

The Bisons were shocked in the first 15 seconds of the contest when Gene Griffin took the opening kickoff and raced 90 yards for a TD.

The Golden Cranes added another touchdown in the second period and the tally stood 13-0 for the Cranites at halftime.

After Crane registered another marker in the third quarter to run the score to 19 to 0, Stanton scored in the final period. The Golden Cranes struck again in the final session and Stanton lost its second straight game.

The Buffs take on Post in a district game here Friday night. It will be the first time this season that the local fans have been given the opportunity of seeing two consecutive football skirmishes played on the home field.

### Kay Bryan Named District FHA President

Kay Bryan of Stanton was elected district president of the Future Homemakers of America at a district meeting Saturday in Big Spring.

Miss Bryan, who is the daughter of Mr. and Mrs. O. B. Bryan of Stanton, replaces Marsha Bristow of Stanton, who is retiring president.

Other new district officers are Jo Beth Beauchamp of McCamey, vice president and Rebecca Gracey of Roscoe, secretary.

Other outgoing officers include Karen Kee of Big Spring, vice president and Ann Puckett of Big Lake, secretary.

Stanton FHA representatives were among the 650 young ladies who registered at the FHA district meeting Saturday at the Big Spring Senior High School building.

Area officers who were elected and will be installed at a meeting in March in Midland were Janice Coates, Big Lake; Lynda Hastings, Roscoe; and Gaye Martin, Sweetwater.

Girls from 28 chapters were present at the meeting and they represent (Continued on page 4)

### Carl Wright Receives Honor At Baylor

Carl Dwayne Wright of Stanton has been elected freshman representative to the Honor Council at Baylor University, Waco.

Wright, who is the son of Rev. and Mrs. W. C. Wright, is a 1960 graduate of Stanton High School. He was active in all activities at Stanton High School and Martin County 4-H Club work.

### Ag Teachers Attend Meet In Lamesa

Martin County vocational agriculture instructors attended an electric wiring workshop Monday evening in Lamesa.

About 25 agriculture instructors from Area Two were present for the session. Clemons Montgomery, Area Two supervisors was in charge.

Attending from Martin County were Milburn Wright, Stanton agriculture instructor and Tim Stone, Flower Grove. (Continued on page 4)

# Bond Issue Termed Vital To Progress

## Bonds Are Necessary

Progress does not stand still. A community either goes forward with progress or it fades and dies and the last sad struggle for area recognition and needed improvements here at home is indeed a deplorable scene to witness.

Stanton stands today not at the crossroads but literally at a dividing junction. We either keep our washboard streets and alleyways or we march with progress by voting the bond issue which will remedy the situation. Only \$60,000 is needed to insure a paving program. \$30,000 of the overall \$90,000 bond issue will go for much needed waterworks repair. Both questions should receive an affirmative answer when the taxpayers vote here October 22.

We are fully aware of the fact that bond issues are considered unpopular in some communities. We are also aware of the fact that localities turning down essential improvements are now recognized as ghost towns in a section where their more progressive minded citizens have skyscrapers rising across the horizon because wise city leadership planned for the people who took the road to progress rather than the forgotten lane to poverty and pitch economic blackness.

We hope the voice of the press will become the clear, clarion voice of the majority of people who plan to vote on October 22.

# Citizens Vote On October 22

Stanton taxpayers will visit the city hall on October 22 to cast ballots for or against two bond proposals totaling \$90,000.

City officials have pledged no increase in taxes if the bonds get affirmative endorsement by those participating in the election. The proposed bonds will carry a 21-year maturity date and the bonded indebtedness of the city will be increased by only \$7,000 annually is passed. The proposed budget for the coming year shows a balance of about \$18,000 in tax funds from which these bonds will be paid.

### 4-H Clubbers To Hold Workshop

Martin County 4-H Clubbers will participate in a clinic on making study lamps on November 5.

Participating will be 4-H members who signed up to make lamps at the activity laboratory last summer. The workshop will begin at 8:30 a.m.

Hooper Saunders of Midland will be in charge of the session. Assisting him will be Mrs. Mildred Eiland, home demonstration agent, and Bob Johnson, county agent.

The city has recently been through a property equalization program and it will not be necessary to raise taxes to retire this proposed bond issue. City officials are on public record with that statement.

Mayor S. W. Wheeler stated this week that the bond election also ties into the Urban Renewal program. The bonds will enable the city to start planning the second phase of the UR plan. If the \$90,000 bond issue is passed and citizens interested in a paving program put enough to get the project started immediately—then the credit structure of the city under the urban program will be strengthened and eligibility forth- (Continued on page 4)

# Yates Well Completed In NW Martin County

By JAMES C. WATSON

Jake L. Hamon, Amctexas Oil Corporation and Pan-American Petroleum Corporation No. 1 W. M. Yates has been completed as a Wolfcamp discovery in the Breedlove (Devonian) field of Martin County, six miles southwest of Patricia.

It finalized for a daily potential of 37.24 barrels of 38.7 gravity oil, flowing through a 1/2-inch choke and perforations at 10,074-10,084 feet, after fracturing with 10,000 gallons. Gas-oil ratio was 1,390-1.

The project had been completed earlier as a Devonian producer. It spots 660 feet from south and east lines of labor 21, league 263, Kent County School Land Survey.

David Fasken has added Strawn gas-distillate production to No. 4 Mrs. O. P. Buchanan, a Devonian producer in the Azalea field, 11 miles east of Midland in Midland County.

It finalized for a calculated, absolute open flow potential of 2,800,000 cubic feet of gas per day from perforations at 10,372-10,394 feet. Gas-liquid ratio was 3,300-1. Gravity of the distillate was 56 degrees.

The venture was finalized July 23 in the Devonian flowing 4,600,000 cubic feet of gas daily through perforations at 11,321-11,377 feet.

It spots 560 feet from north and 1,200 feet from west lines of section 2, B. F. Reed survey, abstract 1,062.

Texas National Petroleum Company No. 1 Jim Tom, Martin County wildcat, is drilling below 4,004 feet.

The project, 1 1/2 miles southeast of Stanton and 2 1/4 miles south of Spraberry production, has a 3,200 foot drilling contract to test the Spraberry.

It is 660 feet from north and west lines of section 30, block 35, T-1-S, T&P survey.

Hunt Oil Company's No. 1 C. C. (Continued on page 4)

LONG REACH — Stanton End Robert Turner snags a pass, good for a first down, from Quarterback Herb Sorley in second-half football action Friday night against Crane.

### Girl Scouts Plan For Founders Day

Plans are progressing for a Founders Day tea for Martin County Girl Scouts.

The tea will be held Sunday, November 6 at the Stanton High School cafeteria and will be in honor of (Continued on page 4)

### Mrs. Jones Speaks To Lions Club

Mrs. Calvin B. Jones was guest speaker at a meeting of the Stanton Lions Club Tuesday at Belvue Restaurant.

Mrs. Jones, who was introduced by Jimmy Stallings, showed slides (Continued on page 4)

### Mrs. Gib Madison Is Contest Winner

Mrs. Gib Madison of Lenorah has been announced as a winner in the Dr. Pepper Diamond Jubilee Contest held this summer.

Mrs. Madison was awarded a Dornmeyer Princess mixed. She entered the contest last summer and winners were announced this week. She also received a paper weight in which was set a small diamond as a remembrance of her entering the contest.

### Jimmy Bickley Speaks To Rotary Club

Jimmy Bickley was guest speaker at a meeting of the Stanton Rotary Club Wednesday, October 5 at Belvue Restaurant.

Bickley, who was introduced by Arthur Wilson, discussed "Our Public Schools."

George B. Shelburne, president, was in charge of the meeting. Ellis Todd gave the invocation. W. C. Wright led the song service.

Guests included Joe Ward, Larry Akins and Fred Hamm, all of Midland.

### Sweetheart Of Band To Be Presented Friday

The Stanton High School Band sweetheart will be presented at half-time performance Friday night at the Stanton-Post football game.

This week band members are balloting on the sweetheart. Winner will not be revealed until the half-time performance.

The half-time performance will be centered around the presentation, Taylor Stephenson, director, said this week.

STANTON BAND STRUTS AT HALFTIME — The snappy stepping Stanton High School Band made their usual halftime appearance at the Crane-Bison game here Friday night. The attractive majorettes shown from left to right are Sue Rogland, Marsha Bristow, Ruby Doshier and Patricia Miller. The band is under the direction of Taylor Stephenson this year and his musical

charges have responded well to direction. Their Friday evening appearances at all Buff football games this season has brought warm applause from the pigskin fans of the area. The band will be ready for another outstanding halftime performance Friday evening when Stanton clashes with Post under the lights here.

## Bible Comment

### The Scriptural Conception Of Liberty Is World's Heritage From Jewish People

The story is well known how Jacob and his great company went down to Egypt and flourished under the power and patronage of his illustrious son, Joseph.

But it is a story that cannot be too well known.

Trouble began for these people in that foreign land when there arose "a pharaoh, who knew not Joseph." Racial and religious prejudice, still rife in our own supposedly enlightened environment, soon wreaked its havoc on the Jews.

Great works of ancient time soon became symbols of injustice and oppression. Forced to make bricks without straw, the remnants of those who had come to Egypt seeking food were cast into bondage, suffering cruelly.

Later, a man, foster son of the palace, renounced his foster mother and his prospect of ease and power to share the affliction of his people.

He led them out of bondage toward freedom.

But it was, as we know, by no means as simple as that. Hardships, discouragements, rebellious spirits and yearning to turn back marked the way until the freedom of Canaan was won.

Out of that unpleasant march came what shines with special glory — the conception of liberty enshrined in the ancient Jewish Scriptures.

In a world marked with slavery, it is remarkable how the Jews designed laws and regulations to protect the community against slavery and the individual in his rights.

One cannot go into this fully here, but one can point to the land's laws designed to prevent serfdom. There was the law which protected debtors from becoming permanent slaves of their creditor. There were the Cities of Refuge where one who had inadvertently injured another could go for safety.

The heritage of liberty that the world owes to the Jews is immense. Unfortunately, the world has never fully appreciated it.

Visitors with Mr. and Mrs. N. E. Holloway and family have been her brother and sister-in-law, Mr. and Mrs. William H. Buchanan and children of Roswell, N. M.

Mr. and Mrs. Bill Cates have been visiting in Mt. Vernon and Mt. Pleasant. They have been in Mt. Pleasant with his father, John Cates of Mt. Vernon, who underwent surgery in a Mt. Pleasant hospital.

## Exchange Desk

By NEAL ESTES

**THE POST DISPATCH:** "The city council decided Monday night to accept the architects' plans and advertise for bids on construction of a new fire station. The new fire station will be a one-story structure of approximately 40 by 50 feet and will adjoin the City Hall building on the south. The building will be of stucco construction. The new building will house only the fire engines, and other fire-fighting equipment, with plans calling for remodeling of a firemen's present quarters in the City Hall to provide more meeting room."

**THE FORT STOCKTON PIONEER:** "The 22nd annual Pecos County Livestock Show, Fair and Quarterhorse Show began its three-day run Thursday and continued at top speed through Saturday night. The horse show, which had entries from Louisiana, Oklahoma, New Mexico and Texas was held Saturday."

**STAMFORD AMERICAN:** "Reconditioning and new additions to three church buildings in Stamford has boosted the construction trend several times over this Fall. Work is now being done on three buildings within the city limits on separate churches. The St. John's Methodist Church is undergoing a general face lifting and the addition of new air conditioning units in the auditorium. An addition 20,000 square feet of educational building is now underway on the First Baptist Church and the Trinity Baptist Church is in the process of completing a new auditorium which will seat 600 persons."

**THE MUNDAY TIMES:** "The Munday Mopul Band entered the annual contest at the Texas-Oklahoma Fair in Iowa Park and returned home with two trophies, one in marching and the other in concert."

**THE McCAMEY NEWS:** "Two ex-cons are in the Upton County Jail

charged with burglary. One of them, Sam Paul Jones Jr., 33, was apprehended at the Fisher Drug Store at 3 a.m. Monday by City Night Policeman Carroll Locker and County Deputy Arthur Schnaubert. Following a radio call, the other, Daniel Moseley, 34, was apprehended in the get-away car at a road block in Crane. Jones gained entrance to the Fisher Drug through the air conditioner on the roof and had started out the back door, loaded with a large quantity of narcotics, when he was surprised by the local officers."

**THE ANDREWS COUNTY NEWS:** "Juvenile cases in the county rose sharply during September with the end of summer and beginning of school, according to a report submitted by County Juvenile Officer Marshall Cooper. The juvenile officer handled 24 cases last month as compared with 13 in August and 12 in July. Of the cases, only one was official, that is requiring court action."

**MATADOR TRIBUNE:** "Matador was host to the annual joint meeting of the Greenbelt and Caprock Water and Sewer Associations. More than 80 representatives of approximately 25 cities attended the meeting. A barbecue meal was served the group. Andrew Carroll of Paducah served as master of ceremonies. Principal address was made by a representative of the State Department of Health, Austin."

**THE POST DISPATCH:** "Postmaster Harold Voss said he has been advised by the office of Postmaster General Arthur E. Summerfield that the Post Office Department is now asking for bids to build and lease to the department a new building for the post office here. Specifications call for a structure containing approximately 4,640 square feet with an outside loading platform and adequate space for parking and truck maneuvering."

### Baptists To Attend Meet In Seagraves

Martin County Baptists will be in Seagraves Thursday to attend the 29th annual session of District Eight of Baptists.

Reports from the various associations will be consolidated. The Rev. C. R. Blake, pastor at Welch and a past district president, will bring the annual sermon. Blanche Groves, missionary, will be heard in the morning program.

Business affairs and sectional meetings are set for the afternoon and during the concluding session, the Rev. Bill Thorn, Lubbock and the Rev. B. L. Davis, Lubbock will speak.

Representatives of churches at Stanton, Tarzan, Lenorah and Courtney are scheduled to attend.

### County Philosopher Finds Neighbor Who Has Novel Idea For Solving Problem Of Castro

Editor's note: The Martin County Philosopher on his grass farm on Mustang Draw covers a wide range of ideas this week, his letter indicates.

Dear editor:

The way it looks to me, the United Nations is an organization of disunited leaders, but what I started out to say was I was sitting around with a bunch of people out here the other afternoon discussing politics. I tell you, after a week or so of reading how much Khrushchev and Castro love each other and hate the United States, a general discussion of American politics is as refreshing as finding out you've got more money in the bank than you thought.

At any rate, the question came up — which man can handle the world situation, Nixon or Kennedy?

One of the men, who has four kids, eight installment payments a month, and a 10-year-old tractor, said: "I don't know, both of 'em, I guess, at least both of 'em claim they can, each one better than the other, but even if either of them can handle the world situation, I don't believe either one of them is equal to the job of handling my situation."

The trouble is, he went on, his budget is in worse shape than Washington's, without near the resources. "All it takes to raise the debt ceiling for Washington is an act of Congress," he said, "but it takes an act of a banker to raise mine, and bankers don't have to run for reelection. Kennedy or Nixon might talk Congress into voting more money, but they wouldn't have much luck with my banker. Maybe Nixon or Kennedy can solve the education problem for the country as a whole. But I'm still gonna be faced with the bills for my boy in college. Maybe they can bring our defenses up to date, but I don't believe they could do much with my 10-year-old tractor."

I tried to explain to him that there are some things he's supposed to do himself, but he had me there. "Where does it say so in the platforms?" he asked.

I couldn't answer him, so I took the natural step a man takes when he's cornered. I asked him what he thought we ought to do about Castro.

Mr. and Mrs. Bill Williams and Johnny of Midland visited over the weekend with her parents, Mr. and Mrs. John Pinkston.

Mr. and Mrs. Curtis Hancock and Mrs. P. G. Yates visited Sunday in Big Spring.

### SOIL CONSERVATION DISTRICT NEWS

**MARTIN-HOWARD SOIL CONSERVATION DISTRICT**  
Jack Buchanan, Bob Cox, Bernard Houston, Larry Shaw, J. D. Crawford.

Conservation plans were approved by the Martin-Howard District Supervisors at their last meeting for two farms owned by Bonnie Shepard. Leo Batson is operator of the Shepard farms.

Now is the time to plant a winter cover crop. Small grains, vetch, Austrian winter peas are good crops to plant for cover. They will provide a protective vegetative cover during critical erosion periods and also improve the physical, chemical and biological condition of the soil.

A. G. Donelson has winter peas up to a good stand on his farm. Donelson is a district cooperater and carrying out a good conservation program.

Crop residues from grain sorghum provide you good protection against erosion if properly managed. One of the best practices used is stubble mulching. Equipment best adapted to perform stubble mulching is sweeps (28 inches or wider), blades or knives. The first tillage operation should be at depth of four to five inches. Each succeeding operation should be at a shallower depth.

"God has lent us the earth for our life. It is a great entail. It belongs as much to those who are to come after us as to us and we have no right, by anything we do or neglect, to involve them in any unnecessary penalties, or to deprive them of the benefit which is in our power to bequeath."—John Ruskin.

Mr. and Mrs. Jack Young visited Sunday in Farwell with her brother, R. V. Hamm. They were accompanied by her cousins, Mr. and Mrs. Don Donley of Midland.

## Fifteen Years Ago

Sgt. Billy Mims has been moved from Okinawa to Korea. He is now helping disarm Japanese soldiers and keeping order in towns in Korea.

Jean Davis was hostess October 1 to a birthday party for Betty Ree Alsop. Refreshments of sandwiches, potato chips, pickles, cake and hot chocolate were served. Games were played.

Last week Stanton received three inches of rain. The rain has delayed cotton picking for a week and it will probably be several days yet before cotton harvest can be resumed. Much damage has been done to cotton, but with warm weather and a hold-off of frost, the crops may turn out better than expected.

New officers were elected when the Future Homemakers of America met October 10. Attending were 56 girls. Officers elected were Sue Patton, president; Lila Winters, vice president; Patsy Madison, secretary; treasurer; Leona Phillips, reporter. Committees appointed include Bob-

bie Atchison, Betty Blissard, Miriam Chesser, Bobby White and Juanice McKowen, social; Vivian Lomax, Patsy Kelly, Corene Harrington, Lurline Geuring and Doris Howell, program.

Carp. L. P. Holder arrived home Friday from serving in the European theater of war. Following a visit with his parents, Mr. and Mrs. John Holder, he left for Eastland to visit a sister, Mrs. N. E. Gresham.

This week W. Y. Houston, chairman of Martin County War Finance Committee, received a letter from Nathan Adams, state chairman, that Martin County's quotas in the Victory Loan drive to start October 29 is Series E, \$50,000; and the overall, \$115,000.

Rex Kelly, son of Mr. and Mrs. Ralph Kelly, has arrived home after spending 40 months overseas, mostly in Germany. T. S. Pat Kelly has also received a discharge and has been visiting in Stanton with his parents.

## Xi Epsilon Delta Met In Johnson Home

Xi Epsilon Delta chapter of Beta Sigma Phi met Thursday evening in the home of Mrs. Marshall Johnson.

Mrs. David Workman and Mrs. Owen Thompson presented the program, "How To Be A Real Person." During the business meeting members made plans to be hostess to a book review for all chapters in November. Plans were discussed for a banquet in honor of rushees.

Present were Mesdames Owen Thompson, Jack Irwin, R. C. Vest, Don Worley, David Workman, T. R. Louder, Jull Reid, John Roueche and the hostess.

Mr. and Mrs. Ralph Kelly.

Mr. and Mrs. Cecil Hamilton and Horace of Kansas City were home during the weekend visiting his mother, Mrs. Nobye Hamilton, and her mother, Mrs. G. M. Long.

The Intermediate Girls Auxiliary elected new officers at a recent meeting. They include Margie Louder, president; Sharon Reed, vice president; Corene Harrington, treasurer; and Ruby Nell Lawson, secretary.

SAM H. MARTIN )

and with the following absent: John Davis constituting a quorum; and, among other proceedings had, were the following:

Mayor Wheeler introduced a resolution and order. Alderman Herzog moved its adoption. The motion was seconded by Alderman Martin. The motion, carrying with it the adoption of the resolution and order, prevailed by the following vote:

AYES: Aldermen Ireton, Jones, Herzog, Martin.  
NOES: None.  
The RESOLUTION AND ORDER is as follows:

WHEREAS, the City Council of the City of Stanton, Texas, deems it advisable to issue the bonds of said City for the purposes hereinafter mentioned; therefore

BE IT RESOLVED AND ORDERED BY THE CITY COUNCIL OF THE CITY OF STANTON, TEXAS:

SECTION 1: That an election be held on the 22nd day of October, 1960, which date is not less than fifteen (15) nor more than thirty (30) days from the date of the adoption of this resolution and order, at which election the following propositions shall be submitted to the resident qualified electors of said City, who own taxable property therein and who have duly rendered the same for taxation:

**PROPOSITION NUMBER 1**  
"SHALL the City Council of the City of Stanton, Texas, be authorized to issue SIXTY THOUSAND DOLLARS (\$60,000) general obligation bonds of said City for the purpose of constructing street improvements in and for said City; said bonds to mature serially over a period of years not to exceed twenty-five (25) years from their date and to bear interest at a rate not to exceed FIVE PER CENTUM (5%) per annum, payable annually or semi-annually; and to provide for the payment of principal and interest on said bonds by levying a tax sufficient to pay the annual interest and to create a sinking fund sufficient to redeem said bonds as they become due?"

**PROPOSITION NUMBER 2**  
"SHALL the City Council of the City of Stanton, Texas, be authorized to issue THIRTY THOUSAND DOLLARS (\$30,000) general obligation bonds of said City for the purpose of constructing improvements and extensions to the City's Waterworks System; said bonds to mature serially over a period of years not to exceed twenty-five (25) years from their date and to bear interest at a rate not to exceed FIVE PER CENTUM (5%) per annum, payable annually or semi-annually; and to provide for the payment of principal and interest on said bonds by levying a tax sufficient to pay the annual interest and to create a sinking fund sufficient to redeem said bonds as they become due?"

SECTION 2: That said election

**Soil District Puts Midland In Nameplate**

Directors of the Martin-Howard Soil Conservation District Thursday night broadened the name of the organization to include Midland County.

Request for the change was submitted by Maxie Davis of the Midland Chamber of Commerce staff. The Chamber's agriculture and livestock committee recently recommended the action.

When organized, the district was composed of Martin and Howard Counties. Later, Midland was added to the district, but the original name remained.

The district now will be known as the Martin-Howard-Midland Soil Conservation District.

Bob Cox of Tarzan presided at the directors' meeting.

shall be held at the City Hall in the City of Stanton, Texas, and the entire City shall constitute one election precinct.

SECTION 3: That the following named persons are hereby appointed officers of the election, to-wit:

H. A. HOUSTON Presiding Judge  
MRS. CLAYTON BURNAM Judge  
MRS. MORGAN HALL Clerk

SECTION 4: That said election shall be held under the provisions of and in accordance with the laws governing the issuance of municipal bonds in cities, as provided in the General Laws of the State of Texas, and only resident qualified electors, who own taxable property in the City, and who have duly rendered the same for taxation, shall be qualified to vote.

SECTION 5: That the ballots for said election shall be prepared in sufficient number and in conformity with Chapter 6, V.A.T.C.S. Election Code, as amended, and that printed on such ballots shall appear the following:

**PROPOSITION NUMBER 1**  
"FOR THE ISSUANCE OF \$60,000 GENERAL OBLIGATION STREET IMPROVEMENT BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF."

"AGAINST THE ISSUANCE OF \$60,000 GENERAL OBLIGATION STREET IMPROVEMENT BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF."

**PROPOSITION NUMBER 2**  
"FOR THE ISSUANCE OF \$30,000 GENERAL OBLIGATION WATERWORKS SYSTEM BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF."

"AGAINST THE ISSUANCE OF \$30,000 GENERAL OBLIGATION WATERWORKS SYSTEM BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF."

AS TO EACH of the foregoing propositions, each voter shall mark out with pen or pencil one of the above expressions thus leaving the other as indicating his or her vote on the two propositions respectively.

SECTION 6: That a copy of this resolution and order signed by the Mayor of the City and attested by the City Secretary shall serve as proper notice of said election.

SECTION 7: That notice of said election shall be given by posting and publication of a copy of this resolution and order, at the top of which shall appear the words "NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS." Said notice shall be posted at three public places in said City, one of which shall be at the City hall, not less than fourteen (14) full days prior to the date on which said election is to be held, and be published on the same day in each of two successive weeks in a newspaper of general circulation in the City of Stanton, and published in said City, the first of said publications to be made not less than fourteen (14) full days prior to the date set for said election.

PASSED AND APPROVED this 29th day of September, 1960.

S. W. WHEELER, Mayor, City of Stanton, Texas.  
ATTEST: M. H. WHITE, City Secretary, City of Stanton, Texas.

The 1961 Ford Galaxie Club Victoria (top), a new model in the Ford line that will be introduced to the public on October 23, features the crisp, fresh appearance that earned a gold medal from an international fashion authority for "functional expression of classic beauty." Ford's station wagon series includes the nine-passenger Country Squire (bottom) and introduces another new model—a six-passenger version of the Country Squire. The new Ford station wagons have a roll-down tailgate window, and the tailgate itself is seven inches wider than in 1960. All 1961 Fords feature new dimensions for greater maneuverability and such major engineering improvements as 30,000-mile lubrication, heavier, self-adjusting brakes, and longer-lasting bright trim and underbody parts.

**Donna Swanson Is Methodist In Cheerleader At Hardin-Simmons**

Donna Swanson has been elected a cheerleader for the freshman football team at Hardin-Simmons University, Abilene.

Miss Swanson is the daughter of Mr. and Mrs. Roland Swanson of Tarzan. She is a 1960 graduate of Stanton High School. She served as head cheerleader at Stanton High School during the 1959-1960 school year.

City Secretary, City of Stanton, Texas. (City Seal)

THIS NOTICE of election is issued and given by the undersigned, pursuant to authority conferred by virtue of the above and foregoing resolution and order of the City Council of the City of Stanton, Texas, and under authority of law.

WITNESS MY HAND AND THE SEAL OF THE CITY OF STANTON, TEXAS, this 29th day of September, 1960.

S. W. WHEELER, Mayor, City of Stanton, Texas.

ATTEST: M. H. WHITE, City Secretary, City of Stanton, Texas. (City Seal)

Mr. and Mrs. Jack Turner of Odessa visited Sunday with relatives.

**Methodist In Big Spring For Dist. Workshops**

Stanton Methodists were among around 500 Methodists Sunday who joined Big Spring Methodists for the Big Spring District Workshops.

The workshops were held from 4 p.m. to 6 p.m. A message from Bishop Paul V. Galloway climaxed the sessions Sunday evening.

Mrs. M. L. Hines, Lubbock, president of the Northwest Texas Conference WSCS was in charge of the women's sectional meeting.

Dr. W. A. Hunt, Big Spring, and Dr. W. H. Rhode, Colorado City were in charge of the men's meeting.

Full time staff conference members directed the entire church school studies. They are Weldon Butler, Barbara Summerville and Rachael Diver, all of Lubbock.

Rev. Jack Eilzey, Midland, who is conference secretary of evangelism, headed the commission on evangelism.

Mrs. Lawrence Black of Odessa visited Sunday with Mrs. Cora Turner.

Weekend guests with Mr. and Mrs. N. I. Sorrels were their son, Nolan Sorrels, and Jack Dyke. Both attend West Texas College at Canyon. Spending the week with Mr. and Mrs. Sorrels are her parents, Mr. and Mrs. W. O. Grace of Pampa.

**Which Democratic Platform?**

Which do you prefer: the socialist, anti-Texas platform of Kennedy — or the Nixon Platform that more nearly conforms with Texas principles and ideals as expressed in the State Democratic platform?

The Kennedy platform is against nearly everything Texans are for—it is for nearly everything Texans are against.

What will be your choice? It is between a party label and the best interest of Texas and the Nation.

Allan Shivers says:

"I'LL TAKE TEXAS. I accept the Texas Democratic platform and will work for it. I repudiate the other—the Kennedy platform. I will join with my fellow Democrats to work and vote for men of maturity, experience, responsibility, and a fearless dedication to this country's best interests."

"I will vote for Richard M. Nixon and Henry Cabot Lodge."

**Road Work Underway In Martin County**

The Texas Highway Commission has taken the first step to inaugurate a new two year Farm-to-Market Road Program for Texas. Herbert C. Petry, Chairman of the Texas Highway Commission stated today. Money for this program is derived from Federal funds with matching State funds.

A. J. Sherrod, District Engineer of the Texas Highway Department at Odessa, has stated that the following Farm-to-Market road in this area is scheduled for work under this program:

In Martin County, on F. M. 87 from Tarzan East to State Highway 137, a distance of approximately 6.7 miles.

It was announced that work will begin on this project just as soon as final planning is completed. Senior Resident Engineer G. T. Orenbaum will be in charge of the work in this area.

## County Scouts Attend Meeting In Abilene

Martin County Girl Scout junior and senior planning board members were in Abilene Tuesday evening to attend a meeting at the Girl Scout house.

Plans for activities during the year were made.

Attending were Janis Morrison, representing a senior troop; Suzanne Jones and Carolyn Britton, representing junior troops. Mr. and Mrs. H. P. Morrison took the girls to Abilene.

## Junior Misses 4-H Installs New Officers

Installation of new officers was held by the Junior Misses 4-H Club Monday evening at the Cap Rock Electric building.

Outgoing officers installed the following new officers: Judy Wilkerson, president; Nelda Carr, vice president; Susan Brandt, secretary; Janice Burgess, treasurer and Sandra Wilkes, reporter.

At the close of the services the 4-H pledge was repeated and new officers lighted candles from a candle which was lighted by Mrs. Clement Standefer. The candles were used to represent "head, heart, hands and health" in the 4-H pledge.

Alexis Haggard sang. Sandra Wilkes and Sue Ragland played "Venus" and "Fascination" on flutes. Refreshments of punch and cookies were served.

## Oil

(Continued from page 1)  
Griffin is shut in preparing to take potential on the Strawn on the Martin County wildcat, 14 miles northwest of Lenorah.

It has logged 46.98 barrels of oil and 5.54 barrels of water, flowing through a 3/4-inch choke and perforations at 10,952-10,970 feet, after 500-gallon mud-acid treatment.

It spots 1,190 feet from north and 1,320 feet from west lines of section 138, M. Curtis survey.

Pano Tech Exploration Corporation of Houston staked No. 7 Breedlove, 10 miles southwest of Patricia in the Breedlove field.

It is 617 feet from north and 660 feet from east lines of section 89, league 258, Briscoe County School Land survey. Contract depth is 12-200 feet.

## Ag Teacher

(Continued from page 1)  
The program included "Need for Adequate Wiring in Vocational Agriculture Farm Shops," J. L. Ward of Fort Worth; "Fundamentals of Planning Wiring for Shop Motors," W. C. Adams of Sweetwater; "Planning and Calculations for Outlets in Shops," Hooper Saunders of Midland; "Planning Welder Outlets for Shops," "Calculations of Size of Entrance Wires and Panels," "Practice Design of Farm Shop Wiring Systems," J. L. Ward of Fort Worth and "Cost Comparisons of Well and Poorly Wired Buildings," Conrad Miller of Big Spring.

Dinner was served those attending.

## Bond

(Continued from page 1)  
coming for fuller participation by the federal agency with the local government.

The question has been asked how many blocks of paving the city will get from the \$68,000 in proposed bonds. The answer is about 80 blocks.

It has been pointed out that approximately 43 per cent of the area inside the city limits is consumed by streets and alleys. The city will participate in the paving project by putting up 12 1/2 per cent of the cost for the paving program with those requesting paving and the funds to be derived from a federal agency providing the remainder.

Stanton is currently collecting taxes on a forty percent basis. This compares well with the fifty percent being used in Pecos, Rankin, Odessa, and Bronte. Monahans gets fifty-five and Hoscoe uses the sixty-five percent yardstick for measuring taxes with Fort Stockton collecting on the basis of seventy-four percent.

The question has also been asked how much the city owes in tax bonds. The answer is \$113,000 but \$110,000 is supported by the water and sewer revenues of the city. The balance of \$3,000 are street bonds that are paid directly from the tax dollar.

**Spell Quiz**  
Correct answer is:  
Baccalaureate

## Tarzan 4-H Club Met On October 5

Tarzan Do and Learn 4-H Club met Wednesday, October 5 at the home of Mrs. O. Robertson.

Plans were made for parties. The group learned some new songs and played games.

Refreshments of candy and soft drinks were served to Leila Kay Stewart, Mary Ellen Pribyla, Dena Robertson, Sandra Jones, Carolyn Nichols, Sandra Pugh, Carol Ann Pribyla and Anita Woody.

## Methodist Women To Have Book Review Monday

Women of the First Methodist Church will meet Monday evening at the church for a book review by Mrs. Calvin B. Jones.

Mrs. Jones will review "Doctor Ida" by Dorothy Clark Wilson. Members of Circles One and Two and the Wesleyan Service Guild are to hold the meeting, which will begin at 7:30 p.m.

## Girl

(Continued from page 1)  
the birthday of Juliette Low, who founded Girl Scouting in America.

Girl Scouts throughout the nation are celebrating the occasion. October 31 marks the 100th birthday of Miss Low.

The public has been invited to attend the tea. Former Girl Scouts and Girl Scout leaders have been given a special invitation to be present.

Girl Scout leaders are compiling information on the history of Girl Scouting in Martin County, and anyone who has any information concerning the early days of Girl Scouting in the county is asked to contact Mrs. H. P. Morrison.

## Mrs. Jones

(Continued from page 1)  
she took during trips to Cuba and Hawaii. She also commented on the slides.

Jimmy Stallings, president, was in charge of the session. Tommy Williams was introduced as a new member.

Twenty-three persons were present including a guest, Martin Browning of Midland, district chairman of membership.

## Kay Bryan

(Continued from page 1)  
sented 22 West Texas cities. Joan Phillips, Big Spring, gave the invocation and was followed by Floyd Parsons, superintendent of Big Spring schools, and John Smith, principal of Big Spring High School, who welcomed the FHA members.

Ross Reagan, Big Spring student body president, brought greetings and Marjorie Appleton of Coahoma gave the response.

Rev. Donald N. Hungerford, rector of St. Mary's Episcopal Church, Big Spring, was the speaker.

On the theme of "FHA—Key to the Future," Rev. Hungerford stressed the importance of building and making proper homes and of rearing a family in the Christian manner for the good of the future.

Officers were selected during a business session. The afternoon session included reports on the national association meeting in Washington, D. C. by Carolyn Manning of Stanton and Judy Dershey of Big Lake, two of five girls who attended the meeting from this area.

Miss Bryan is a sophomore student at Stanton High School. She is active in school and community affairs and serves as reporter of the local FHA chapter.

## Patty Turner Honored With Farewell Party

Patty Turner, daughter of Mr. and Mrs. Willard Turner, was honored with a surprise farewell party Saturday evening at the home of Shirley Graves.

The Turners are moving to Big Spring to make their home. Hostesses were Shirley Graves and Marilyn Pruitt.

Those attending were Harold Cain, Derrill Brantley, Evelyn Doyle, Linda Doyle, Karen Lawson, Nancy Graves, Rodney Roten, Beverly Tucker, Jan House, Connie Gillum, Reba Ringener, Bill Davis, Donnie Thompson, Cindy Britton, Linda Parker, Mary Wilson, Diane Bentley, Sammy Badgett, Richard Laird, Carroll Anderson, Roger and Alfred Graves.

## Snooter Knows

(Continued from page 1)  
practice of his profession, that of physician and surgeon, living off the revenue the crops and livestock produce. The sick and the ailing came miles by buggies and wagons for treatment by Dr. Vance. The old adobe nursing quarters built by him still stands at the site of the old Vance homestead.

The passing of time M. L. (Red) Koonce, purchased the property of the late Dr. Vance. The other day oil was struck on the M. L. Koonce land. Location of the producer, one mile north of Stanton. The well pumped oil at the rate of 171.12 barrels of 37 gravity oil over a period of 24 hours. The depth of the project is 8,100 feet.

THE WEATHER HAS BEEN threatening all the week long. Overcast skies have been playing hide-and-seek with the sun during short spells leading the farmer to believe a shower would descend and add to the yield of his crops. The farmer has been waiting a long spell without falling moisture. So far the weather has been ideal for harvesting crops. Cold temperatures have been with us early in the mornings but before the day was far advanced the sun tempered the coolness of the air down to comfortable shirt-sleeve weather.

THE ESTIMATE OF 75,000 BALES of cotton for Martin County is well over the cotton production of the county in several years. The general run of bales ginned in the county has been 50,000 and 60,000.

THE VARIOUS TAX COLLECTING agencies of the City of Stanton and Martin County, have mailed statements showing the amount of taxes owed to the respective agencies. Remember, the old saying — death and taxes are certain. It is the price each of us has to pay sooner or later. Apparently most of us are never ready to settle the count of either. High taxes may make us squirm, but it is the price taxpayers have to pay for the expense of operating their government.

THE REPORT OF THE 10,000 FATAL accidents due to drunken driving, has set in motion by State, County and Municipal governments throughout the country, the machinery for increasing the fines and jail sentences. The National Safety Council reported the estimate that 10,000 out of 32,000 fatal accidents, were charged to drivers while intoxicated.

A New York law which went into effect October 1, increased the maximum penalties for first conviction of driving while intoxicated, from \$100 fine and 30 days in jail to \$500 and one year in jail.

The most frightening of all was the 9.7 per cent increase in arrests of persons under 18 years of age for this offense.

## PERSONALS

Jerry Hall of Lubbock visited recently with Mr. and Mrs. Bob Cox. Sunday visitors with Mr. and Mrs. Milburn Wright were her parents, Mr. and Mrs. B. Story and John of Miles and his brother-in-law and sister, Sgt. and Mrs. Fred Barton of San Angelo.

## SHS Student Receives Award

A senior at Stanton High School has been honored for outstanding performance on the National Merit Scholarship Qualifying Test (NMQT) given last spring. Each student who is endorsed by his school receives a Letter of Commendation signed by his principal and the president of the National Merit Scholarship Corporation.

Jimmy Bickley, the school's principal, has announced that the commended student is Weems Williams.

John M. Stalnaker, president of the National Merit Scholarship Corporation, stated:

"Letters of Commendation are being awarded to some 28,000 students throughout the United States in recognition of their excellent performance on the National Merit Scholarship Qualifying Test.

"While these bright youngsters did not reach the status of semifinalists in the 1960-61 Merit Program, they are so outstanding that we wish to single them out for special attention. The semifinalists and commended students together constitute less than three per cent of all high school seniors, and this certainly signifies noteworthy achievement."

The National Merit Scholarship Corporation gives recognition to two groups of students who achieve high scores on the NMQT. The semifinalist group is composed of the highest scoring students in each state and in United States territories. Some 10,000 semifinalists will take a second examination in December to establish further their eligibility to receive Merit Scholarships.

"The Letters of Commendation provide tangible recognition of the commended students' high ability," Stalnaker continued. "It is our earnest hope that the recipients will continue their education, and thus benefit not only themselves but also the nation."

"The Merit Program has several objectives. One is the selection of Merit Scholars from among the semifinalists. However, we also strive to foster the pursuit of excellence among all highly able students. We urge the students honored today to make every effort to attend college, and to develop to the fullest their promise of achievement."

## Mrs. Woody Hostess To Tarzan Club

Mrs. Houston Woody was hostess to a meeting of the Tarzan Home Demonstration Club Wednesday, October 5 at her home.

Mrs. Mildred Eiland, home demonstration agent, gave the program "Manage Your Time and Money."

Roll call was answered with "An Emergency Dessert."

During the business session members discussed Achievement Day to be observed by all Martin County Home Demonstration Club members.

## Local BSP Members Attend Odessa Meeting

Members of the Stanton chapters of Beta Sigma Phi attended the West Texas Area Council Beta Sigma Phi meeting over the weekend in Odessa.

Attending the two-day session at the Lincoln Hotel were 275 members from all over the area.

Saturday's program included registration, a luncheon and style show at noon, and a buffet dinner and dance Saturday evening.

Sunday morning a devotional period and general assembly were held. At noon an awards luncheon was held. Mrs. Bill Tripp, Odessa Beta Sigma Phi's Woman of the Year, spoke at the luncheon.

El Paso will be host to the 1961 convention.

Attending were Mrs. Glenn Gates, Mrs. Leo Turner, Mrs. Bob Cox, and Mrs. Ellis Wayne Britton.

The commended students were among the high school juniors in more than 15,000 schools who took the NMQT last spring. The test is a three-hour examination which covers five separate areas of educational development. It was the first step in the sixth annual Merit Program.

## The Launching Pad

By NEAL ESTES

INDEED, THE GRANDEST OF ALL LAWS IS THE LAW OF PROGRESSIVE DEVELOPMENT. UNDER IT, IN THE WIDE SWEEP OF THINGS, MEN GROW WISER AS THEY GROW OLDER; SOCIETIES BETTER.

—BOVEE.

The quotation above serves as a brief editorial guidepost. If Stanton is to progress, then it must provide ample funds for the development of some of the better things for our city—things like paved streets and ample water facilities.

A SURE SIGN of Autumn is the showing of new cars. This season promises to be one of the most exciting in automotive history with many new brands appearing on the scene. We are printing photos of many of the new models elsewhere in the newspaper. Look them over.

WE HAVE A PERSONAL reason to be happy in West Texas in the Fall. Federal court opens in the district in October and continues through December. First sessions get started in Abilene on October 24 and conclude in San Angelo about Christmastime. Our brother, U. S. CHIEF FEDERAL JUDGE JOE EWING ESTES and his wife expect to arrive in Abilene on October 22. The judge's birthday arrives the day court opens. We plan to be in Abilene and San Angelo as much as time will permit. The distance between Stanton and the Dallas-Longview area prevents our family from getting together often so we'll try and use the opportunity of having our big brother out here in the wide open spaces long enough to do some visiting. Only trouble about seeing JOE is that he is sometimes more critical of us in an unofficial capacity than he is while lecturing defendants at the bar of justice. Brothers never cease to admire one another but they also never seem to get tired of pointing out weaknesses and shortcomings in each other either.

IT HAS BEEN SAID that friends are guys and gals who know our shortcomings and faults and still like us. We hope this is true in the case of CHRISTINE and O. C. TURNER. Last week, in the hustle in getting the grocery store ownership transfers straightened out in Stanton, we failed to list our friends as co-owners of FRIENDLY FOOD with their brother, ALTON TURNER. Please forgive us CHRIS and O. C. and in the way of small compensation for our oversight we send congratulations and best wishes for a successful venture.

CONGRATULATIONS go this week to a former employee of the paper, PVT. JAMES E. WILLIAMSON. The Stanton soldier graduated from the famed 101st Airborne Division Jump School at Fort Campbell, Kentucky. WILLIAMSON's wife, CAROLYN, and his parents, MR. and MRS. EDWARD T. WILLIAMSON reside in this city.

LAST WEEK WE POINTED OUT the World Series loyalties of JIM KELLY and your writer. The launcher picked the YANKS—JIM decided to string along with the PIRATES. The series now stands dead-locked—and today, Thursday, will decide the championship. We intend to be with EDITOR KELLY up on Capitol Hill, (his home) when thirty is signed to another great series. Lot's of legends have been recorded up at JIM's house—there is one about the LEAN FRENCHMAN that we intend to help preserve for posterity, however.

NEWLY-WEDS — Mr. and Mrs. Garland Polson are residing in Casa Grande, Arizona, following their marriage August 27 in Coolidge, Arizona. The bride is the former Sharon Rae Davis, daughter of Mr. and Mrs. Ray Davis of Coolidge, Arizona. The bridegroom is the son of Mr. and Mrs. E. L. Polson of Stanton, and is a graduate of Stanton High School.

## R. F. Loyd Speaks To County Teachers

R. F. Loyd of Austin was guest speaker at a meeting of the Martin County Teachers Association Monday evening in the Stanton High School cafeteria.

Loyd, who is assistant director of the Texas State Teachers Association legislative program for 1960, spoke on "Legislative Program for Good Schools."

L. M. Hays, president and superintendent of Stanton Schools, presided over the business session and introduced the speaker.

Members of the Stanton High School band played several numbers.

## 217 Enrolled At Garden City

Garden City school enrollment has reached 217 for the fall term, according to B. L. Murphy, superintendent of the Glascock County Independent School District.

Enrollment includes 50 in high school, 39 in junior high school, and 128 in elementary grades.

Attending were 55 teachers and 4 guests from Stanton, Courtney, Flower Grove and Grady schools.

Old-timers of the Southwest called a paint or pinto horse an "Indian pony," since he was the favorite of the Indian because of the savage's love of color.

## WCS Met On Monday Afternoon

Members of Circle One of Women's Society of Christian Service met Monday afternoon at the First Methodist Church.

Mrs. J. A. Stallings gave the devotional.

Reports of work in other lands were given. They included Mrs. John Poe, "Pakistan"; Mrs. Edmund Morrow, "Japan"; Mrs. Dewey Williams, "Africa"; and Mrs. Martin Gibson, "Southwest Asia."

Other talks included "Facts About World Federation of Methodist Women," Mrs. B. F. Smith; "International Missionary Council," Ima Kelly; "World Council of Churches," Mrs. A. A. McCleskey. Mrs. Cliff Hazlewood and Mrs. Calvin B. Jones gave a debate.

Present were Mesdames Cliff Hazlewood, James Jones, Calvin B. Jones, A. A. McCleskey, Edmund Morrow, Poy Pickett, A. J. Stallings, B. F. Smith, Dewey Williams, M. L. Gibson, John Poe, G. W. Alsup, and Miss Ima Kelly.

The group will not meet next Monday afternoon, but will meet with the

## Midland Editor Slated To Speak To Civic Clubs

Members of all Stanton civic clubs are to meet Monday, October 17 in the recreation room of the First Methodist Church for a joint session report meeting by the West Texas Chamber of Commerce.

The meeting will begin at 7:30 p.m. A meal will be served and then a program will be presented.

WTCC Vice President Bill Collyns of Midland will speak to the group and will report on present and future plans of the West Texas Chamber of Commerce. Collyns is editor of the Midland Reporter-Telegram.

Local men also are scheduled to take part on the program.

The meeting has been arranged by Collyns and Cecil Bridges, Stanton director, with the assistance of various civic club leaders.

Scheduled to attend are members of the Chamber of Commerce, Lions Club, Rotary Club and Jaycees.

Wesleyan Service Guild and Circle Two Monday at 7:30 p.m. at the church for a book review.

### Chevy adds Corvaire Station Wagon

Chevrolet stylists adroitly meshed the requirements of a roomy and versatile vehicle with the crisp, smart design of the Corvaire line and came up with this sparkling new Corvaire Lakewood Station Wagon. The car with its air-cooled engine in the rear, folding seat and forward luggage compartment is readily adaptable to almost any job... commercial or pleasure. In addition to the Lakewood, Chevrolet added a sports wagon and three half-ton trucks to the Corvaire line for '61.

By VERN SANFORD

City officials of Texas are serving notice on the next Legislature that "something's got to give."

Three-fourths of the people live in cities, and they should have three-fourths of the vote," said Deer Park Mayor Jimmy Walker after being elected president of the Texas Municipal League Mayors, Councilmen and Commissioners Association.

Walker referred to votes in the Legislature, due for re-districting since the 1960 census. In the past 10 years Texas has had a sharp population shift from rural to urban which is not reflected in the make-up of the present Legislature.

Given representation according to their populations, the city officials believe they can "cure many inequities."

One of the first things they would like to have is broader taxing powers. State law now restricts cities to the property tax.

Many city officials believe that the pyramiding growth and expenses of urban areas make new revenue sources necessary.

**ACCIDENTAL DEATH UPHOLD**—State Supreme Court has reaffirmed its own earlier ruling of "accidental death" in the case of a man who died from a blood clot on his brain after watching his office records burn.

This means two insurance companies must pay double for policies on the man's life, which provided for double indemnity in case of accidental death.

Decision was 5 to 4 by the court. Majority opinion said that "viewing of the fire produced a wholly unexpected, unusual and unforeseen catastrophe."

Dissenting opinion said that the case would bring up all sorts of confusion, such as whether a heart attack caused by excitement from watching a football game or TV show was "accidental death."

**ANOTHER CHANCE FOR SA**—Supreme Court ruled that the City of San Antonio has the right to make another try in court for water from the Canyon Dam Reservoir.

San Antonio's effort to get some water from the dam being built by the Guadalupe-Blanco River Author-

ity has been going on for years. State Water Board turned down the city's request which is vigorously opposed by GBRA. San Antonio appealed the Water Board decision to district court which rejected the appeal, saying, in effect, that it was too late since construction of the dam already had begun.

Supreme Court held that San Antonio was entitled to a trial of the case on its merits in district court. If the district court should decide that the city should get some of the Canyon Dam Water, the case will go back to the Water Board to decide how much it should get.

**"SALOON CLUBS" UNDER FIRE**—State Liquor Control Board has set a hearing October 24 on proposed new regulations for private clubs selling liquor by the drink.

Bona-fide private, non-profit clubs are not the target of the proposed new rules, said Liquor Board Administrator Coke Stevenson Jr.

It's aimed, he said, at "fly-by-night operators" who give away membership cards or have only the flimsiest sort of organizational set-up as an excuse for selling liquor by the drink.

New rule would require all clubs to have a private club registration permit, to be renewed annually. To get the permit, the club would have to have dues or fees, exclusive of liquor charges, sufficient to pay rental, insurance, taxes, repairs, etc., on its premises.

Liquor dealers would be forbidden to deliver liquor to any club without a permit.

Stevenson said there are probably more than 1,000 clubs providing liquor by the drink in Texas.

**TEXTBOOKS CHALLENGED**—"As the twig is bent, the tree's inclined"—which led a group of citizens from over the state to come to Austin to challenge proposed public school textbooks they felt might incline youngsters the wrong way.

J. Evetts Haley of Canyon headed the group called the Texans' Committee for Education which appeared before the State Textbook Committee Haley, an arch-conservative, ran for governor in 1956.

Haley's committee objected to references in the proposed texts to persons they regarded as "subversive" and to what they called "left-wing comment." Some books, they said, encouraged "government doles" by picturing farm subsidies in favorable light.

Members of the State Textbook Committee, made up of teachers, said that any favorable reference to proven subversives would be taken out of any books recommended for state adoption.

**TEXAS-ALASKA AGREEMENT**—Texas and Alaska, the big two of the United States, have worked out a "visiting privileges" agreement for motorists from the two states.

Texas vehicles can operate in Alaska up to 90 days without additional registration charges, and Alaskan cars, trucks and buses may do the same in Texas.

State Highway Engineer DeWitt C. Greer announced the agreement. He said Texas now has reciprocal passenger car agreements with all other states and truck and bus agreements with all but six states.

**SHORT SHORTS**—Governor's Advisory Commission on Finance knocked down one of the favorite themes of the optimistic—that the state has enough money in special funds to offset the shortage in the general revenue fund. Month by month, the balances in the statutory special funds would not cover the month, the balances in the statutory commission report. . . Land Commissioner Bill Allcorn has announced the appointment of Jack Giberson as chief clerk of the General Land Office. Giberson was serving as legal counsel for the land office. . . Howard L. Arno will become engineer of secondary roads for the State Highway Department beginning Oct. 15. He succeeds Percy S. Bailey who is retiring after 36 years with the Highway Department. . . Texas Employment Commission does a drop both in job holders and job seekers. Unemployment dropped by 3,545 to a 176,700 total says TEC, while total employment slipped by 23,690 to 3,594,100.

### Opera Day Observed By Music Club

Opera Day was observed at a meeting of the Stanton Music Club of the Texas Federation of Music Clubs Wednesday, October 5 at the home of Mrs. Glenn L. Brown.

Mrs. John Priddy was guest speaker. She reviewed the story of the opera "Don Giovanni" by Mozart. She also told the group the opera will be presented November 26 in San Angelo.

Mrs. Guy Eiland, president, was in charge of the business session. Members discussed the District Nine convention to be held here November 18-19.

Refreshments were served from a table centered with a dried arrangement, featuring flowers, fruit and a circular woven basket.

On the coffee table were displayed articles which would be taken to an opera—opera glasses, white gloves, other items.

Present were Mesdames R. O. Anderson, Phil Berry, Glenn L. Brown, Paige Eiland, Guy Eiland, Joe Gray, James Jones, Homer Schwalbe, Edmund Tom, Arthur Wilson, John Wood, Miss Lela Hamilton and two guests, Mrs. Priddy and Ila Mae Gray.

### County HD Women Attend Odessa Meeting

Martin County Home Demonstration Club Women attended Ector County Home Demonstration Clubs' Achievement Day Friday in Odessa. The program and exhibit was held in the Recreation Center. Ector County women put on skits showing the types of programs they have had during the past year and exhibited work they had done during the year.

Attending from the Stanton club were Mesdames Lewis Carlile, Roy Linney, John Roueche, W. T. Wells and N. L. Riggan.

Present from the Courtney club were Mesdames Owen Kelly, Albert Pitman, Earl Douglas, Percy Stroud and Miss Ima Kelly.

Attending from the Valley View club were Mesdames O. D. Green, G. T. Baum and P. G. Yates.

Persons they regarded as "subversive" and to what they called "left-wing comment." Some books, they said, encouraged "government doles" by picturing farm subsidies in favorable light.

Members of the State Textbook Committee, made up of teachers, said that any favorable reference to proven subversives would be taken out of any books recommended for state adoption.

**TEXAS-ALASKA AGREEMENT**—Texas and Alaska, the big two of the United States, have worked out a "visiting privileges" agreement for motorists from the two states.

Texas vehicles can operate in Alaska up to 90 days without additional registration charges, and Alaskan cars, trucks and buses may do the same in Texas.

State Highway Engineer DeWitt C. Greer announced the agreement. He said Texas now has reciprocal passenger car agreements with all other states and truck and bus agreements with all but six states.

Month by month, the balances in the statutory special funds would not cover the month, the balances in the statutory commission report. . . Land Commissioner Bill Allcorn has announced the appointment of Jack Giberson as chief clerk of the General Land Office. Giberson was serving as legal counsel for the land office. . . Howard L. Arno will become engineer of secondary roads for the State Highway Department beginning Oct. 15. He succeeds Percy S. Bailey who is retiring after 36 years with the Highway Department. . . Texas Employment Commission does a drop both in job holders and job seekers. Unemployment dropped by 3,545 to a 176,700 total says TEC, while total employment slipped by 23,690 to 3,594,100.

### Peggy Barnes Honored With Birthday Parties

Peggy Barnes was honored on her fourth birthday with parties on Friday and Sunday at the home of her parents, Mr. and Mrs. Stanley Barnes.

Present at the Friday party were Rusty Gray, Jerry Brumley, Ricky Lewis, Karla and Kerry Gregg, Bruce and Gerald Stanley, Vicki and Rusty Glaser, Theresa Williams, Vicki Graves, Judy Costlow, Billy, Bobby, Dan and Gilbert Boggs, Cindy, Wanda and Joy Lynn Bonds, Linda Louder, Gary and Peggy Barnes, Mrs. Barnes and several mothers.

Favors were balloons and small baskets of candy. Cake and ice cream were served.

Present at the Sunday party were Mr. and Mrs. W. M. Thomason of Big Spring, Mr. and Mrs. Orville Rodricks of Big Spring, Mr. and Mrs. A. T. Barnes and Richard, Mr. and Mrs. Henry Louder and Linda, Mrs. Robert Lane and Mrs. Combs of San Diego, Calif., Mrs. Frances Butcher and Connie, Mr. and Mrs. Barnes, Peggy and Gary.

### Stanton Club Met With Mrs. Bristow

Mrs. P. M. Bristow was hostess to a meeting of the Stanton Home Demonstration Club Wednesday, October 5 at her home.

A program, "Manage Your Time and Energy" was presented by Mrs. Mildred Eiland, home demonstration agent.

Roll call was answered with "An Emergency Dessert."

Plans were made to attend the Ector County Home Demonstration Clubs Achievement Day in Odessa.

Refreshments of sandwiches, cookies and fruit punch were served to Mesdames N. L. Riggan, W. T. Wells, Sam Wilkinson, Lewis Carlile, John Roueche, and Roy Linney.

The next meeting will be November 2 in the home of Mrs. C. V. Greenlee.

Mrs. Annie Odell spent the weekend visiting in Big Spring with Mr. and Mrs. Clifton Odell.

Mr. and Mrs. J. A. Wilson visited Sunday in Colorado City with his sister, Mrs. Ethel Creamer.

### Stanton 4-H Club Met On October 5

Members of the Junior Misses 4-H Club met Wednesday, October 5 at the county agent's office.

The group practiced the installation of new officers.

Present were Cindy Britton, Judy Wilkerson, Nelda Carr, Carolyn Britton, Linda White, Susan Brandt, Brenda Standefer, Joyce Standefer, Sandra Wilkes, Mrs. Joe Carr, Mrs. Clement Standefer and Mrs. John A. Wilkes.

### Flower Grove HD Club Met

Members of the Flower Grove Home Demonstration Club met Thursday at the home of Mrs. George Davenport.

Mrs. Mildred Eiland, home demonstration agent, gave the program, "Managing Time and Energy."

Seven members and one guest were present.

### Mrs. Latimer Hostess To Xi Alpha Beta

Mrs. Glenn Gates presented the program at a meeting of Xi Alpha Beta chapter of Beta Sigma Phi Thursday evening at the home of Mrs. Bob Latimer.

"Down Under" was the topic of the program, which concerned Australia. Mrs. Gates used maps and a globe to illustrate her talk.

Members voted to donate to the Christmas fund for the Big Spring State Hospital patients.

Present were Mesdames Leo Turner, Jimmy Stallings, Woodford Sale, Stanley Reid, Glenn Gates, Elma Nichols, Bob Haislip, James Eiland, Pete Woody, the hostess and Miss Sammie Laws.

Mrs. Myrtle Ledbetter of San Angelo visited recently with Mrs. Ruth Holloway.

Philip Bryant, who is a sophomore student at Texas A&M College, spent the weekend visiting with his parents, Mr. and Mrs. W. D. Bryant.

### Lakeview Club Names Officers For 1960-1961

New officers were elected at a meeting of the Lakeview Home Demonstration Club Thursday at the home of Mrs. W. D. Bryant.

Officers include Mrs. W. D. Bryant, president; Mrs. Ray Russell, vice president; Mrs. Floyd Martin, secretary; Mrs. Claude Russell, treasurer; Mrs. Horace Tubb, Mrs. Walter Hildreth, council delegates.

Mrs. Mildred Eiland, home demonstration agent, gave the program, "Saving Time and Energy."

Fruit punch and cookies were served to Mesdames Horace Tubb, Floyd Martin, Walter Hildreth, Ray Russell, Claude Russell, Eiland and the hostess.

Visitors with Mr. and Mrs. G. A. Bridges have been Mr. and Mrs. Albert Baugh and Patsy of Stamford, Zane Williams and Bruce of Brownfield, Mr. and Mrs. Granville Graves, Terri and Craig of Coahoma and Mrs. Mary Bridges and Mike of Big Spring.

### Versatility aplenty in 1961 Corvaire Greenbrier Sports Wagon

Chevrolet will raise the lid on a real surprise package when they reveal the 1961 Greenbrier Sports Wagon. A promising addition to the Corvaire line is this 55-inch wheelbase vehicle with rear-installed engine and independent suspension. The Greenbrier is certain to fit transportation needs from backwoods camps to swank hotels. Seats may be repositioned to fit specialized requirements. There also is a commercial counterpart—a delivery vehicle named the Corvaire.

Refreshments of coffee, cold drinks and cake were served to Mesdames Charles Ebersol, Martin Gibson, L. M. Estes, F. F. Smith, Grady Cross, A. J. Stallings, H. C. Burnam, J. A. Wilson, and John Poe.

Representatives from District Six who are entering the revue will meet Thursday in the county agent's office, Stanton, and then make their journey to Dallas.

Judging will be Friday and the final revue will be Saturday.

parents in the county.

Bobby Owen Kelly, who is a freshman student, visited with his parents, Mr. and Mrs. Owen Kelly.

Don Pollock, also a freshman student, visited with his parents, Mr. and Mrs. Edward Pollock.

Visiting with Mr. and Mrs. N. E. Glendenning was Jeff Glendenning, who also is a freshman.

Visiting over the weekend with his parents, Mr. and Mrs. S. E. Boyce, was Bob Boyce, who is a freshman student at Baylor University.

### Pat Saunders To Enter 4-H Dress Revue

Pat Saunders of Garden City will be an entrant in the state 4-H Club Dress Revue Friday in Dallas.

Miss Saunders, who is the daughter of Mr. and Mrs. Millard Saunders of Garden City, will be one of the representatives from District Six.

Representatives from District Six who are entering the revue will meet Thursday in the county agent's office, Stanton, and then make their journey to Dallas.

Judging will be Friday and the final revue will be Saturday.

parents in the county.

Bobby Owen Kelly, who is a freshman student, visited with his parents, Mr. and Mrs. Owen Kelly.

Don Pollock, also a freshman student, visited with his parents, Mr. and Mrs. Edward Pollock.

Visiting with Mr. and Mrs. N. E. Glendenning was Jeff Glendenning, who also is a freshman.

Visiting over the weekend with his parents, Mr. and Mrs. S. E. Boyce, was Bob Boyce, who is a freshman student at Baylor University.

### TEXAN IN TURKEY—

# Izmir's Trade Fair Offers Cultural Cross Section

**By Shorty Shelburne**  
IZMIR, TURKEY — The largest event of the year in this country, and one of the biggest in this part of the world, has opened here. It's the annual Izmir International Trade Fair, which runs for a month in this city's magnificent Culture Park.

Permanent buildings, large and impressively decorated, house the exhibits. A full year of preparation goes into the production of each of the annual fairs. No sooner has one been completed than work is started toward making the next one larger and more attractive than the last.

Display Cultures  
The exhibits play a major role in the battle between democracy and communism, since Western countries and those of the communist bloc put their equipment products, machinery, clothing, and scientific achievements on display, side by side. Practically every thing known to mankind in the way of industrial equipment, medical wonders, consumer goods, agriculture advances, livestock, communications, automobiles and trucks, and house-

hold appliances are displayed. Not only Izmir and the surrounding area but literally the entire nation of Turkey turns out for the International Trade Fair. They come from the villages on donkeys, by bus, in wagons, and on foot. Istanbul and Ankara people come by train and by air. Visitors from all over the world arrive by ship and plane. During fair month the "no vacancy" sign always is out.

### Grady Scouts Have Meeting

Grady Fifth Grade Girl Scouts met Tuesday, October 4 in the Grady Scout House.

Girls learned some new songs and discussed improvements to be started next week at the Scout house. Also they looked at some pictures which were taken last summer at Day Camp.

Girl Scout calendars were distributed for selling.

Sandra Pugh served refreshments to Mary Luisa Duque, Anita Woody, Sharon Kay Kennedy, Sharron Kuhlman, Elizabeth Perry, Leila Kay Stewart, Mary Pribylia, Linda Rivas and Mrs. Houston Woody.

**CULTURAL EXCHANGE**—This is a section of Izmir's Culture Park where exhibit buildings for the International Trade Fair are located. At left may be seen the side of the American exhibit, while the building housing exhibits from Belgium, Holland and Luxemburg is at the right. Center rear is the Denmark exhibit hall.

### Baptist Women Attend Meet In Big Spring

Members of the Women's Missionary Union of the First Baptist Church attended an associational conference Thursday at the First Baptist Church, Big Spring.

New officers were installed. Mrs. H. B. Graves of Colorado City, district president, served as installing officer. Conferences on different phases of work were held.

Present were Mesdames Guy Eiland, Ernest Hock, J. W. Sale, T. R. Louder, Harry Billington, Dewitt Robertson, Bill Gillum and Bob Johnson.

### RLDS Women Met Thursday

Members of the Women's Department of the Reorganized Church of Jesus Christ of Latter Day Saints met Thursday evening in the church.

Mrs. Carl Leonard Jr. of Midland, women's leader was in charge of the meeting. Mrs. Roy Koonce sang "Intrigue Me Not To Leave Thee."

"What Kind of Family Life Are We Wanting" was the topic of the lesson given by Denton Hines.

Present were Mesdames Carl Leonard Jr., El Saunders, Bill Carr, Denton Hines, Gerald Koonce, all of Midland; Mesdames Jerry Gibson, Hubert Bratcher, Bob Reagan and Bill Miller, all of Big Spring; Mesdames Douglas Church, Roy Koonce, Steve Church, M. L. Koonce, Tommy Hursh and Delmar Hamm.

### PERSONALS

Mr. and Mrs. Earl Douglas were in Midland Saturday evening for a party honoring Mrs. Douglas on her birthday. It was at the home of Mr. and Mrs. Gene Douglas and family.

Carl Ray Reynolds, who is a sophomore student at Texas Tech in Lubbock, visited over the weekend with his parents, Mr. and Mrs. Clayton Reynolds.

Mrs. W. E. Fuquay has returned home from Tokio where she visited with her son-in-law and daughter, Mr. and Mrs. Dery Anderson and family.

Weekend visitors with Mr. and Mrs. H. R. Caffey were their son-in-law and daughter, Mr. and Mrs. Carl Winton and children of Lubbock.

Mr. and Mrs. W. E. Hazlewood visited last week in Midland with Mr. and Mrs. E. J. Russell, Mr. and Mrs. Gus Koonce and Mr. and Mrs. Dave Farrington.

Sunday visitors with Mrs. Joan Long and Carrie Alvis were Mr. and Mrs. J. F. Sellers and Mrs. Cecil Hamilton, all of Big Spring.

Visitors with Mr. and Mrs. Curtis Hancock have been his mother, Mrs. Andy Hancock of Lawn and Mr. and Mrs. Bond Cook of Lawn.

Visitors with Mr. and Mrs. J. E. Wilkerson and son are his uncle and aunt, Mr. and Mrs. Ed Wilkerson of Nashville, Tenn.

**New Arrivals**  
Mr. and Mrs. Dery Anderson of Tokio are the parents of a daughter, Teretha Jean, born September 21 in a Denver City hospital. She weighed 8 pounds 6 ounces.

Mr. and Mrs. Anderson also have a son, Tony Wayne.

Grandparents are Mr. and Mrs. W. E. Fuquay of Stanton and Mr. and Mrs. J. T. Anderson of Tokio.

**PERSONALS**  
Mrs. Marshall Yates and Trudy and Mrs. Dan Saunders and sons visited over the weekend in Hico with their parents, Mr. and Mrs. R. W. Bouldin, and their brother-in-law and sister, Mr. and Mrs. Al Russell. Also visiting with the group was their brother and sister-in-law, Mr. and Mrs. W. B. Woudin of Taft, Calif.

Cynthia and Mike Smith of Lubbock have been visiting with their grandparents, Mr. and Mrs. T. D. Morgan.

**Lawyer Embarrassed Lighting Cigarette**  
W. C. Moore, Houston, an assistant district attorney, couldn't have been more embarrassed during a recent prosecution of a man on drunk driving charges.

Moore made a big point out of the arresting officer's testimony that the defendant was so intoxicated he lit a filter tip cigarette on the wrong end.

"Isn't it a fact," Moore asked the defendant, "that you were so drunk you didn't know what you were doing?"

The accused man pointed a finger at his prosecutor and answered: "You're doing it right now."

Sure enough, Moore was smoking the wrong end of a filter tip. He lost the case.

Mr. and Mrs. James A. Rogers of Lubbock are the parents of a daughter, Rena Elizabeth, born Tuesday, October 4 at 3:20 a.m. in Methodist Hospital, Lubbock. She weighed 7½ pounds.

Grandparents are Mr. and Mrs. Dee Rogers of Stanton and Mr. and Mrs. Roy Golden of Brownfield.

### Grady Scouts Plan Projects

Plans were made to start work to improve the Grady Scout House at a recent meeting of the Grady Fifth Grade Girl Scouts.

Improving the Scout House will meet one requirement in the Community Life field for second class badge.

Present were Mary Luisa Duque, Anita Woody, Sharon Kay Kennedy, Sharron Kuhlman, Elizabeth Perry, Leila Kay Stewart, Mary Pugh, Mary Pribylia, Linda Rivas and Mrs. Houston Woody.

### M. J. McDonald Qualifies With Rifle At Ft. Riley

Army Recruit M. J. McDonald recently qualified as expert in firing the M-1 rifle while undergoing basic combat training with the First Division's 13th Infantry at Fort Riley, Kansas.

McDonald, 23, entered the Army last August. He is the son of Dan McDonald of Stanton and is a 1957 graduate of Stanton High School.

### PERSONALS

Mrs. Marshall Yates and Trudy and Mrs. Dan Saunders and sons visited over the weekend in Hico with their parents, Mr. and Mrs. R. W. Bouldin, and their brother-in-law and sister, Mr. and Mrs. Al Russell. Also visiting with the group was their brother and sister-in-law, Mr. and Mrs. W. B. Woudin of Taft, Calif.

Cynthia and Mike Smith of Lubbock have been visiting with their grandparents, Mr. and Mrs. T. D. Morgan.

## VOTE FOR TEXAS

RICHARD M. NIXON, candidate for President, is a Californian, but he thinks the Texas way. Richard Nixon stands for:

- A strong national economy and defense so that America will not have to apologize to Khrushchev for anything;
- A sensible farm program that will attack and solve the present problems.
- Texas retaining its tidelands, and a tax policy favorable to Texas.
- Local control of our schools.

If you will read and compare Nixon's platform to that of his opponent, you will agree that a vote for Nixon is a vote for the best interests of Texas.

# Studebaker Lark Line For 1961 Has Variety Of Models

R. C. Vest of Stanton Supply Company has advised The Stanton Reporter that an open house will be held Saturday, October 15, when the new 1961 Studebaker models are unveiled for local showing.

Seventeen Studebaker Lark models—including the new Cruiser, a larger, luxury-styled four-door sedan—are offered for 1961. In addition, there's the Hawk, a family sports car with an economy-winning engine.

This complete line of body styles has been designed to meet all passenger car driving requirements and conditions, with the advantage of convenient size, overall economy, quality and Studebaker craftsmanship.

In announcing the 1961 Larks, Harold E. Churchill, president of Studebaker-Packard Corporation said: "Within our product philosophy of consistency of design, our 1961 models incorporate substantial styling refinements and engineering advancements. These changes were made to improve performance and provide the purchaser with greater investment value."

All Lark models are available with either the new, more powerful six-cylinder OHV engine—the Skybolt Six—or the V-8 power plant.

Four-door sedans and four-door station wagons are offered with a choice of Deluxe or Regal styling in body and interior trims.

Models with Regal trims are the two-door hardtop, two-door convertible, the new Cruiser and the Hawk. For the first time in the automobile industry, Studebaker offers padded instrument panels as standard on all models.

Other standard equipment includes a newly-designed instrument panel with improved visibility of instruments and rheostat control of instrument lights; a new counter-balanced hood hinge; tray-type glove compartment with lock; electric two-speed windshield wipers, and directional lights.

Regal models have dual headlights, a two-tone safety cone steering wheel, automatic dome and entry light, foam cushions on front and rear seats, cigarette lighter, carpet floor coverings, dual horns, stainless windshield and rear window moldings, sill panel moulding and coat hooks as standard equipment.

An accessory trim kit available for two-door sedans includes extra visor, rear ash tray, and stainless steel windshield and rear win-

dow reveal moldings. Rear door arm rests are added in the kits for four-door sedans. Station wagon kits contain the rear ash tray, extra visor and windshield moulding, while the four-door wagon kits add the rear door arm rests.

An extensive list of equipment is optional for all models.

Among the more popular options offered are the Climatizer, power steering, power brakes, tinted glass, electric windshield washers, white sidewall tires, back-up lights, chrome wheel discs, manual or push button radio, hill holder for cars with standard transmissions, air conditioning (except convertibles) and the Twin Traction "limited-slip" differential.

Individual front seats, and reclining seats with split backs or individual cushions and backs are also available. Head rests are optional with any combination of split-back seats.

Standard equipment on Lark station wagons include vinyl seat coverings on all models, and carpets on the floors and cargo decks on Regal models. Optional equipment includes hideaway third seats and roof-type luggage carriers.

The Hawk, as a Regal-styled sport coupe, has bucket seats as standard equipment, a new feature for 1961. A four-speed transmission, tachometer, deck lid mounted antenna and auxiliary heater are offered as optional equipment.

New interior trim and color combinations have been chosen to harmonize with exterior body colors. Vinyls are red, blue, green, brown, tan and black. Lark and Hawk emblems have been woven into the Regal upholstery fabrics of the respective cars.

Metallic coated vinyls are available for the first time for models with blue, green or tan exterior colors. All models have an agate gray vinyl headlining.

New exterior colors for 1961 are Ermine White, Velvet Black, Jade Green, Blaze Red, Suntone Yellow, Riviera Blue, Autumn Haze Gray and Desert Sand Beige. Flamingo is available for Lark convertibles and Hawks only.

Studebaker has offered the first complete line of body styles in the convenience-size car field, giving the buying public a choice previously found only in oversized car selections.

For 1961, Studebaker offers attractive, excellently engineered cars that

by consistency of basic design insure high resale values.

New Lark styling features include softened, streamlined body lines and sculpturing on the hood, trunk lid and along the sides. For six cylinder models, there's a new powerful engine—the OHV Skybolt Six—and a new automatic transmission and torque converter.

A new recirculating ball steering gear for all models offers lower steering effort, greater directional stability and improved recovery. Clutch pressure has been reduced for cars with standard or overdrive transmissions.

While maintaining its convenient overall size for maneuverability, parking ease and economy, the standard size interior roominess remains with one inch of room added under the steering wheel for the driver's comfort, and another extra inch added to rear seat legroom.

Interior ventilation has been increased by a new air intake location on the cowl, and the redesigned instrument panel combines efficient arrangement with beauty. Bonded brake linings are standard, and lining areas have been increased for 75 per cent longer life.

These are examples of the improvements and refinements made for 1961 Studebaker Larks—nine body styles with choices of engines, transmissions and axle ratios that mean top performance with smartly-styled cars under all driving conditions.

## Rebekah Lodge Initiates One New Member

Mrs. B. E. Burton received the initiatory degree at a meeting of Stanton Rebekah Lodge No. 287 Monday evening at the IOOF Hall.

A candlelight ceremony was held. Mrs. Mason Coggin, vice grand, presided over a business session after the initiatory rites.

Refreshments of homemade ice cream and cookies were served to Mr. and Mrs. C. E. Christopher, Mr. and Mrs. Clayton Burnam, Sammie Laws, Mesdames Leroy Fincher, Virgie Johnson, Leman Henson, Roy Linney, Marion Yell, Robert White, Henry Louder, C. S. Bevers, Billy Coggin, M. D. Coggin, Jim McCoy, B. E. Burton and Walter Graves.

## Flower Grove Wins Over Novice 43-12

Flower Grove won over Novice 43-12 in six-man football Friday night at Flower Grove.

The Flower Grove team will meet Water Valley October 15 in the first district game of the season.

In the Friday night game Jerry Webb ran 10 yards for Flower Grove's first touchdown. The second was made by Dan Lemons, who went 30 yards.

In the second quarter McKinney went 22 yards for Novice's first touchdown. Jerry Webb ran 15 yards for Flower Grove, making the score at halftime 18-6 for Flower Grove.

During the third period of play Flower Grove made two touchdowns with Dan Lemons racing 20 yards and then ten yards for touchdowns. Mike Holcomb passed to Jerry Webb for the extra point.

In the fourth quarter McKinney of Novice went 10 yards for Novice's second touchdown. To round out the game Don Lemons went 30 yards for another TD for Flower Grove and Jerry Webb made 24 yards for Flower Grove's last touchdown.

Ronnie Deatherage and Lee Roman were outstanding on defense for Flower Grove.

## Junior High Team Beats Loraine 8-0

By FLOYD SORLEY

The "Mighty Mite," Harold Cain, reached up, pulled down a Loraine pass on the 37 yard line, and ran like Peter Rabbit getting out of Farmer Brown's garden. Cain was stopped one foot short of the goal line.

Two plays later, Derrill Brantley faked to the right side and rolled to the left for pay dirt. Dink Polson went over on a diver play for the two extra points.

Score: Stanton Junior High 8; Loraine 0. Time left to play: None.

This was the story book finish of a hard fought football game played in Loraine last Thursday night. Loraine had two weeks earlier beaten Stanton 12-2 in Stanton. The Stanton boys had made up their minds to win this game for Wesley Womack, an injured team mate.

Both teams played tight defensive football throughout the game. Stanton, at one time, kept Loraine from scoring inside the ten yard line.

Starting for Stanton on offense Ray Louder, center; Ray Davis, guard; Donnie Thompson, guard; Bill Davis, tackle; Don Davis, tackle; Bill McCauley, end; Carrol Anderson, end; Jim Wilkerson, halfback; Dink Polson, halfback; Sam Badgett, fullback; and Derrill Brantley, quarterback.

## Area Students Enrolled At Hardin-Simmons

Five Stanton area students have enrolled at Hardin-Simmons University for the 1960 Fall term.

They are: Joetta Kay Franklin, a freshman and graduate of Stanton High School. She is the daughter of Delbert Franklin of Stanton.

Sandra Doyle Little, a Garden City High School graduate. She is the daughter of M. V. Little of Stanton. Majoring in secretarial science and education, she is working toward the bachelor of business administration degree.

Betty Jean Smith, a senior and graduate of Stanton High School. She is majoring in elementary education and is working toward a bachelor of science degree. She is the daughter of the Woody Smiths of Route 1, Stanton.

Rebecca Louise Smith, a freshman and daughter of Edward Smith of Route 1, Stanton. She is a graduate of Stanton High School.

Donna Kay Swanson, a freshman and daughter of Roland Swanson of Tarzan. She is a graduate of Stanton High School and is majoring in home economics.

## Texas Declines In Crime Ratio

The number of crimes increased slightly in Texas last year but the ratio per 100,000 population dropped, the FBI reports.

The slight decline in the rate was due to an increase in population. "The seriousness of the juvenile delinquency problems is pinpointed by the disproportionately large involvement of young people in certain crimes," J. Edgar Hoover, FBI director, said in the report.

A total of 97,585 crimes were reported to Texas police last year. The rate was 1,026.9 per 100,000 population. The 1958 total was 96,318 for a rate of 1,027.2.

The team goes to Big Lake for a game October 20. Game time is 5 p.m.

The Stanton Reporter is interested in recording any worthy news item about you, your family, your friends, visitors or neighbors. Call Skyline 6-3344.

## Postal Receipts Up In 1960

Receipts of the Stanton post office climbed \$12,391 in the past seven years, Mrs. Leta B. Eidsen, postmaster, said this week.

Mrs. Eidsen said the receipts climbed from \$22,979 in 1953 to \$35,370 in 1960.

An all-time high in mail volume and revenue was also reflected all over the nation.

Mrs. Eidsen said the last year's total national revenue showed an impressive gain with an increase from \$2,091,714,000 in fiscal year 1953 to \$2,276,800,000 for fiscal year 1960. The year's total amount of mail handled has been estimated as 63.6 billion pieces, she said. This was reported in the annual report of the Post Office Department.

"There is not much we can do about how much mail we have to handle from day to day or how many people are making use of the postal service," Mrs. Eidsen said, "but the whole department keeps busy in devising ways and means for doing the job not only more efficiently but more economically. We can't deny that we still make mistakes and that the human element still plays a vitally important part in daily operations, but the statistics in the department's annual report offer positive proof that we are making progress on a nation-wide basis. As an

Donald I. Rogers, business editor of the New York Herald-Tribune, writes: "To any and all candidates who this year are seeking election to public office, I hereby serve the following notice: 'I will cast my vote, positively pledge it, for whichever candidate do not promise me a single, solitary 'benefit'; conversely, I will vote against the militiae against any who promise to improve my lot. I've been improved all I want to be, and by golly, my lot can't afford any further improvement.'"

Although they make up less than 14 per cent of the driving population, drivers under 25 years of age were involved in nearly 29 per cent of the fatal accidents last year.

A decline in consumer optimism and sharp curtailments in buying plans for the balance of this year are reported by a Newsweek survey.

example, while mail volumes showed an increase of 15 billion pieces handled annually, the employment increase during this period amounted to only 11 per cent.

With the exception of new autos, buying plans for every category measured by the survey were down for the second quarter, both from the year before and the opening of 1960.

According to the Tax Foundation, about nine out of every 10 persons who file an income tax return make less than \$10,000 a year. It adds that if the government took 100 per cent of all taxable income above \$10,000 the extra revenue wouldn't even pay the interest on the national debt.

The FBI reports a sharp upward trend in serious crime during the first six months of 1960. It was led by a 13 per cent increase in robberies followed by a 12 per cent climb in the number of burglaries. Crimes against the person also increased: six per cent for murders, five per cent for forcible rapes and four per cent for aggravated assaults.

Hurley, Wis., Miner: "The trouble with war is that it leaves a few people in shakels, and all the rest in shackles."

Oswego, Kansas, Independent: "According to press reports the staged revolts with the Communists, the Labor Unions and the Socialists in Japan, calculated to withdraw the invitation to President Eisenhower to visit that country, cost the Communists a considerable cash outlay. Report is that they paid the participants \$1.65 a day. And in Japan that is said to be in the upper class wage group."
