**Good Law Enforcement
Is Everybody's Business**

The Texas Electric Service Company sends out a recipe along with monthly statements. This month they hit the southern jackpot with their Chicken Spoonbread. I tried it out—it worked for me—so anyone should be able to prepare it. Here's the recipe:

- 1/4 cup cornmeal
 - 2 tablespoons flour.
 - 1 teaspoon salt
 - 4 cups chicken broth
 - 1/2 cup butter or margarine
 - 4 eggs, separated
 - 3 cups cooked, chopped chicken
- Combine cornmeal, flour and salt in saucepan. Add broth and cook until thickened. Stir in butter or margarine. Blend in beaten egg yolks and chopped chicken. Fold in stiffly beaten egg whites. Bake in 6 x 10-inch greased baking dish in moderate oven (350 degrees F.) for 40 minutes or until brown. 6 servings.

This is the season of the tv reruns. How stupid can the program planners get? It seems that some of the soap operas, stagnant shows, wild westerns, and panel shows are going to try and play the public for suckers again this summer. On top of it all, some of the series stories have turned into propaganda vehicles. For instance, on the Paladin show the other evening we saw the sorry spectacle of a white man being brow-beaten because he didn't want the body of a confessed murderer who had been convicted and hung according to due process of range law in those days, removed to another burial place. Paladin, the actor, I wouldn't dignify the self-styled black-hatted, gun-for-hire artist, (on celluloid) of course, by calling him a man, then stepped in to splash bullets around, covering the law-abiding citizens of the community, including the sheriff, and forcing them to surrender the killer's body. How about that kind of tv bunk? I betcha the man they hung for brutally murdering the westerner would have looked good in one of those mob scenes we have experienced this month in some of the southern states. I don't go for any kind of mob action, regardless of race, creed, or color. No American citizen has the right to form an illegal mob or to preach propaganda that will tend to incite his fellowmen.

Wm. Virgil Scribner, charged with DWI, second offense, out on bond. Witnesses to be heard are K. B. (Continued on page 5)

June 3 Is Dollar Day

Monday, June 3, will be observed in Martin County as Dollar Day. Some of the merchants have advertisements in this issue of the newspaper.

We recommend the people patronize the merchants who have merchandise good enough to be advertised for sale in the columns of the official county tribune. These business people have real values for you.

Some of those using the columns of the paper to bring the Dollar Day values are Stanton Walgreen Drug, Friendly Food Store, Thriftway Food Store, Wilson Dry Goods Store, and Deavenport's Dry Goods Store.

Pan American Plans To Drill 13,000-Foot Test NW Tarzan

By JAMES C. WATSON

Pan American Petroleum Corporation No. 1-F F. D. Breedlove is to be drilled as a 13,000-foot Silurian prospector in Northwest Martin County, 15 miles northwest of Tarzan.

The drillsite is 660 feet from west and 990 feet from south lines of tract 95, league 258, Briscoe County School Land survey, 1 1/2 miles west of Devonian producing in the multipay Breedlove field.

Texas Crude Oil Company and Sinclair Oil & Gas company still are having trouble getting No. 1-253 Knox, Northwest Martin County Devonian discovery to pump regularly.

The new pool opener produced an average of 150 barrels of oil per day for several days, while the pump was working.

The production is from perforated intervals at 11,910-930 feet and 11,952-972 feet.

The well is 6,310 feet from south and 660 feet from west lines of league 253, Ward County School Land survey.

The operators have not yet been able to determine what causes the pump rods to part. This has happened several times after the equipment has functioned satisfactorily for as long as three days.

Texas Crude and Sinclair has reached 9,179 feet in sand and shale at No. 1-254 Knox, a location west offset to the discovery, and at the (Continued on page 5)

FIRST PROJECT PAST HALFWAY POINT...

Stanton Applies For Grant In New Urban Renewal Plan

By Frank Davis

Application has been made for a survey and planning grant of \$65,325 for a second Urban Renewal project here.

The study would determine the feasibility and cost of centralizing and disposing of flood water which often inundates land and business firms in a 130-acre area of Southwest Stanton.

Floyd Smith, Urban Renewal director, said possibly a basin can be excavated to hold street drainage after a seven to eight-inch rain. The (Continued on page 5)

reservoir water might be injected into subsurface strata for the benefit of city water consumers and irrigation farmers. A shady park also could be established around the lake for use by citizens, he noted.

The application was prepared by Pierce, Norris, Pace and Associates of Midland, consultants for a neighborhood rehabilitation program now underway in a 124-acre section of Northwest Stanton.

Project features include acquisition of 54 parcels of land by the Urban Renewal Agency and construction of a park for children from the ages of one to 12.

Bids will be opened Monday to fence, landscape and install playground equipment at the park, covering a full block at Mason and First Streets. The site was purchased from Paul and Leo Knooz for \$6,500. Total cost of the park, which will have a space age theme, is estimated at \$39,500.

Smith said land acquisition is 75 per cent complete, and plans are to begin offering lots for private (Continued on page 5)

Some Stores To Close Up On May 30

Thursday, May 30, is Memorial Day, and some Stanton stores will close to observe the day.

Mauryne Varnadore, local manager of the Martin County Chamber of Commerce, stated that Memorial Day was one of the five holidays retail merchant members of the chamber voted to close on back in January.

Chamber merchants will however, (Continued on page 5)

Stoeger-Estes Post To Mark Memorial Day

The Stoeger-Estes American Legion Post 429 will appropriately mark Memorial Day here Thursday, May 30.

The members of the post will supervise the placing of flags on the graves of all veterans of all previous wars. The flags will fly from Thursday, May 30, to Sunday, June 2.

Warner Haynie advised the newspaper that members of the Stoeger-Estes Post of the American Legion, would like to have friends out to (Continued on page 5)

ATTEMPTED BURGLARY — The safe in the Berry Lumber Lumber Company front office is pictured above after burglars attempted to break it open here last Wednesday night. The burglary attempt was discovered when Phil Berry, owner of the firm, came to the office Thursday morning. Entry to the building was gained by prying open a screen window. Tools, taken from a store room, were used to peel the safe door. Other than damage to the safe, no losses were reported. It has been assumed by Sheriff Dan Saunders and Chief Johnny Murdock, who investigated, that the night patrolman probably foiled the burglary attempt by passing the lumber company while the burglars were inside and flashing the police car lights in that direction. The investigation is continuing.

Settlers Set Meet June 3 At Cap Rock

The Old Settlers Reunion Association will hold a very important official meeting at Cap Rock on Monday evening, June 3, at 8 p.m.

M. S. (Fiddler) Estes, president of the association, stated today that everyone was welcome to attend if interested in the annual reunion held in Stanton on the second Tuesday of each July.

Estes said: "We want to map plans for the finest, the biggest, best, and grandest reunion we can possibly put together."

The members of the official committees are urged to be in attendance. The old settlers in the area are always welcome and the press has been invited to send a representative and get the details on the meeting.

Storm Rips City Second Time In Week

Terrific winds bounced around in the northwest corner of Stanton Saturday damaging the high school building only a half hour before commencement exercises started for 37 graduating seniors. No one was injured.

The high-velocity winds, sometimes of the tornadic description, hurled the heavy wooden roof of the concession stand from the football stadium into the brick wall facing the school's homemaking department laboratory. A gaping hole was torn in the wall, but interior damages was not as heavy as first reported. There was no damage to the auditorium, where the graduation program was held.

A tin concession stand at the south end of the stadium was crushed like a match box in a giant's hand. A plate glass window at the Fryar Implement Company building was blown in and another big window just down the road a few feet from Belvue Motel was smashed by the force of the wind.

Trees in the short strip the wind tore up were shredded. Reports that an air-conditioner anchored on the top of a residence in the storm's path was blown away could not be confirmed.

Some hail about the size of marbles fell and up to .75 inch of rain accompanied the storm to Stanton. Downtown Stanton felt very little of the big blow, but the sign on the outside of the postoffice building was splattered. The electricity failed only briefly in Stanton. That stoppage of power flow occurred when eight poles were smashed down (Continued on page 5)

Graduation day is over and school is out. Time may hang heavy with some of the boys and girls of our county. It is only natural that they will be trying to find something interesting to do in their free time. (Continued on page 5)

LL Schedule In This Issue The Reporter

The Stanton Reporter has contributed one hundred dollars worth of space to the promotion of the Little League and the Pee-Wee League in this issue of the newspaper. The complete schedule of both leagues appears on another page of the paper.

The complete list of players in both baseball circuits also appears in this issue and on the same page as the schedule is printed.

We would like to invite our readers to clip out the articles and keep them on display in their home and business places.

37 Seniors Win Diplomas Saturday

Commencement exercises for 37 Stanton graduates were held Saturday night at 8 p.m. at the high school auditorium.

The processional and recessional were played by Mrs. Ernest Hock. The invocation was given by the Rev. Ellis Todd. The five top honor students who appeared on the program were: Martha Johnson, valedictorian; Joanna Epley, salutatorian; Charlotte Voight, Ann Yater, and Kay Bryan.

The diplomas were presented by Connie Mac Hood, president of the school board. Awards were presented by Bill Johnson. The benediction was given by Roy Phemister, minister of the Belvue Christ of Christ.

Press Proclamation

WHEREAS, the objective of men and women in law enforcement is to increase the effectiveness of the enforcement of laws enacted to protect people; and

WHEREAS, the job is being done by conscientious officials courageously working 'round the clock, often risking their lives to apprehend those who threaten the security of others; and

WHEREAS, law enforcement, while working bravely and with personal dedication against great odds, often faces the greatest deterrent of all—public disinterest and inaction, and

WHEREAS, it is the responsibility of the public to be aware of the all-encompassing problem of the alarming increase in crime and to come to the realization that its solution can be found only in a joint venture with law enforcement and public working as one; and

MEMORIAL DAY

Methodist Church Slates Conference

The 54th annual session of the Northwest Texas Annual Conference of the Methodist Church opened Monday, May 27, at the St. Paul Methodist Church in Abilene with Bishop Kenneth W. Copeland, former San Antonio pastor, as conference speaker.

Bishop Copeland is the presiding bishop of the Nebraska Area of the Methodist Church, having been elevated to the episcopacy in 1960 while serving as pastor of the Travis Park Methodist Church in San Antonio.

Bishop Paul V. Galloway, who presides over the Northwest Texas Conference, will be in charge of the annual sessions for the third time. He also presides over the Southwest Texas Conference.

One of the highlights of the session was the election of delegates, both laymen and ministers, to the South Central Jurisdictional Conference and the General Conference of the Methodist Church. The General Conference will be held at Pittsburgh, Pa., in April 1964, and the Jurisdictional Conference will be held in June, 1964, at Dallas. The South

Central Jurisdiction includes eight states.

The nine district superintendents who, along with Bishop Galloway, make up the cabinet of the conference, opened their pre-conference sessions last week at McMurry College in Abilene.

The district superintendents are Dr. Vernon Henderson of Amarillo, who served the conference as secretary to the cabinet; Dr. Marvin Boyd of Lubbock, Dr. Tilden Armstrong of Pampa, Dr. J. E. Shewbert of Plainview, Dr. Dallas Denison of Brownfield, Dr. H. Clyde Smith of Big Spring, Dr. C. A. Holcomb, Jr., of Stamford, Dr. John English of Childress and Dr. Woodrow Adcock of Abilene.

The conference officially opened at 4 p.m. Monday with the Sacrament of the Lord's Supper, led by Bishop Galloway. A worship service began at 7:30 p.m., and an informal all-conference reception followed.

Attending from the First Methodist Church, Stanton, were Rev. and Mrs. Ellis Todd, O. B. Bryan, and A. J. Stallings.

Methodist Church Activities

The Methodist Youth Officers Training Camp will be held June 3 through June 7 at Camp Butman near Abilene. This is for the officers of the youth fellowship.

Another camp will be held June 10 through June 14 at Cedar Canyon. The officers of the Methodist Youth will attend one of the meetings.

Mr. and Mrs. Bob Cox are the youth directors.

A senior youth assembly will be held for the Methodist Youth on June 24 through June 28. The Christian Outreach Program will be held July 8 through July 12. The camp, "Youth in Dialogue" will be held on August 5 through August 9.

The youth will hold a youth retreat at Lake Thomas on Saturday, June 1. The retreat will be at Camp Ed Murphy near Snyder.

The group will meet at 3:30 p.m. They will have a picnic supper and will be dismissed at 9:00 p.m.

Seniors Go To Colorado

The seniors of Sands High School left Saturday morning at 6 a.m. for Colorado Springs, Colorado, planning to return Thursday night.

They will visit the Cave of the Winds, Royal Gorge, Seven Falls, and other points of interest in Colorado, returning by way of Red River.

The sponsors for the trip were Miss Jane Laetsch, Roland Mullins, and Mr. and Mrs. Bill Underwood.

Other classes have taken end of school trips. The sophomore and junior classes took a trip Friday to Lake Thomas, and the eighth grade went to the Prude Dude Ranch in the Davis Mountains.

Lou Wanda Pierce is home from Howard Payne College. She is the daughter of Mr. and Mrs. Troy Pierce.

Mr. and Mrs. Ike Kennedy are visiting with Mr. and Mrs. O. B. Bryan. The Kennedy's reside in Ruidoso, New Mexico.

ARC Enrolls Four Nurses

Four women—three from Midland and the other from Stanton—have been enrolled as American Red Cross nurses.

They are Mrs. Nancy Stanton, Mrs. Lois Chambers and Mrs. Lula Elizabeth Shawyer, all of Midland, and Mrs. June Reid of Stanton.

Pins and letters addressed to the four from Ann Magnussen, national director of nursing services for the ARC, were presented Tuesday afternoon by Lucile McCoy, nursing services chairman of the Midland County ARC Chapter.

The presentation was a part of the monthly meeting of members of the advisory board in the Red Cross Chapter House, 2306 Elizabeth Street. Committee Named

Joe Arrington, vice chairman of the advisory board, presided in the absence of Chairman William B. Sewell. Arrington appointed Mrs. W. B. Newberry chairman of the nominating committee. Other committee members are W. H. Pomey, Jr., and Charles S. Storms.

A guest at the meeting was Jim Kurtz, assistant director of home service for the Midwestern Area of the American National Red Cross, St. Louis, Mo.

Kurtz was in Midland Tuesday to confer with Bill Keel, chapter manager, and volunteer workers in the home service phase of Red Cross activities here.

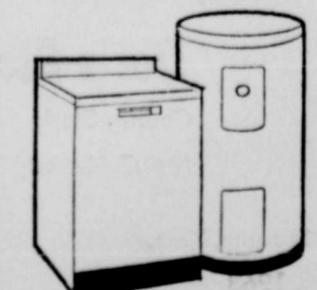

Turkhanock, P.A., Republican: "Congressman Durward G. Hall, Missouri, recently scared the day-lights out of his constituents with a two-page report on governmental spending, which concluded with this shocker: 'In the length of time it took you to read this report, the U. S. Government spent nearly half a million dollars of your tax money—at \$179,413 per minute.' It doesn't make us feel too good, either."

Plenty of hot water ... WORRY-FREE

You'll enjoy abundant hot water for every need... with flameless cleanliness and safety... when you have a quick recovery electric water heater. It's completely automatic and carefree... just install it and forget it. No flame or pilot light to worry about... no by-products of combustion... no noise... no fumes. You get hotter water faster because immersed electric heating elements put all their heat directly into the water. And since a flameless electric water heater needs no flue, it can be installed close to the point of greatest use, eliminating long heat-wasting pipe runs. See the new electric water heaters at your plumber's or appliance dealer's.

Polio Incidence Chalks All-Time Low For Texas

State Health Department officials said Tuesday polio vaccine drives account for the lowest incidence of polio in the department's 30 years of record keeping.

Two cases, in Bexar and Hidalgo Counties, have been reported this year, compared to 40 at the same time in 1962.

"We had four cases this very week last year," said Grant Burton, head of the department's division of public health education.

Vaccine Drive Pay Dr. T. E. Dodd, consultant on communicable diseases, said the Sabin oral vaccine drives last year and this spring by county medical societies "are the major factor in the decrease. All of our epidemiologists here would agree to that."

The programs resulted in 6,800,000 Texans receiving type I vaccine to combat the most prevalent type of polio, 3,900,000 receiving type II and 2,400,000 receiving type III. Clinics were begun during one of the worst polio outbreaks in Texas and the nation. There were 247 polio cases in Texas last year, including 186 paralytic. In 1961 there were 80 cases, including 37 paralytic.

Department records show the lowest previous incidence of polio for the first five months of any year in 1936, when 11 cases were reported by the end of May.

West Texas Publisher Dies Wednesday Major J. Smith Retires From Air Force

S. L. Perry, brother of Francis E. Perry, publisher of the Ballinger Ledger, died in Arlington Wednesday after an extended illness.

Funeral services were held at 10 a.m. Thursday at Moore Funeral Home chapel in Arlington, with graveside services in Carlsbad, New Mexico.

He was the former publisher of the Arlington Journal and the Carlsbad Current-Argus.

Survivors include his wife, three daughters, five brothers and two sisters. All the brothers, at one time, have been in the newspaper business.

Italy is slightly larger than Arizona and contains more than 50 million people.

One of a series of reports by this newspaper and the Print Advertising Association on the advantages of print media.

Don't you read before you buy?

Most people do. They count on advertising in print to give them the information they want on products that interest them—information on features... designs... and prices, for example. People not only read about products and services, they show ads to their family and friends; they clip coupons for information and samples; they tear out ads to take along when they go shopping.

When you add it all up, print advertising—the kind you read in the pages of this newspaper—makes sense. And because it measures up to the buying habits of most consumers, print makes sales. Most people read—and then buy. Don't you?

Area 4-H Teams To Compete In Statewide Contest

Charles (Chuck) Chamberline and Norman Carmett of the Midland County 4-H Club and Gene Thornton and Charles W. Potts of the Ward County 4-H Club, will represent their clubs in the Farm and Ranch Management contest at the annual state 4-H Club Roundup at Texas A&M College June 4-5. The Midland team won first place honors and the Ward County team won second place in District Six competition earlier this spring to earn the right to participate in the state contest. The Midland team is coached by Tom Newman, assistant Midland County agricultural agent and the Ward County team by Ward County Agent E. J. Harrison.

Chamberline is the son of Mr. and Mrs. Charles Chamberline, Route 1, Midland and Carmett is the son of Mr. and Mrs. George Carmett, 1915 North Main of Midland. Thornton is the son of Mr. and Mrs. Bluford Thornton of Pyote and Potts is the son of Mr. and Mrs. Charles Potts of Grandfalls. The statewide contest is sponsored by the Production Credit Association of Texas, home-owned and operated agricultural financing institutions. Winning teams at the state contest will receive watches, desk clock, pen and pencil sets and wall plaques.

"It is a pleasure for our association to participate in this worthwhile contest," said David K. Workman of Stanton, general manager of the Western Production Credit Association, which serves Midland and Ward Counties and 10 other Permian Basin counties. The Western association provides more than \$4,000,000 in agricultural loans in its 12-county area each year. The 37 PCAs in Texas had a loan volume of more than \$400,000,000 in 1962 and serve more than 30,000 farmers and ranchers in all 254 Texas counties.

The Mu Lambda chapter met Thursday night at the home of Mrs. D. M. Costlow. Mrs. J. C. Epley, president, conducted the business meeting.

The chapter made plans for a ritual meeting and installation of officers to be conducted at the next meeting.

A program was given by Mrs. B. H. Hicks on "Home Building and Planning." A program on "Architecture" was given by Mrs. Bill Johnson.

Rushes present for the meeting were Mrs. D. E. Ory and Mrs. Roy Koonce.

Members present were Mrs. Bill Johnson, Mrs. Harry Echols, Mrs. J. C. Epley, Mrs. John McIntyre, Mrs. Bill Hicks, and Mrs. Costlow.

The Rho Xi chapter of Beta Sigma Phi met Thursday night at the home of Mrs. Johnny White. This was the last meeting of the year. A covered dish supper was served.

Mrs. Bob Creech, president, was in charge of the business meeting. The yardstick for the year was made out. The chapter will be a three star chapter for the year.

Mrs. Benny Welch, president for the coming year, appointed her committee chairmen. They are: program, Mrs. Gerald Brister; social, Mrs. Nolan Simpson; publicity, Mrs. Jay Dee House; ways and means, Mrs. Johnny White; membership, Mrs. Ronnie Gilbreath, and scrapbook, Mrs. John Calvin Jones. Mrs. Gerald Brister and Mrs. Richard Lewis were elected to contact girls.

Secret pal gifts were exchanged. The group revealed their Phi Pals and drew for new Phi Pals.

Plans for attending the convention in San Antonio on June 14, 15, and 16, were made. Several of the members are planning to attend.

Those present were: Mrs. Eddie Avery, Mrs. Bob Creech, Mrs. Ronnie Gilbreath; Mrs. Kenneth Gilmore, Mrs. Gerald Brister, Mrs. Eldon Hopkins, Mrs. John Calvin Jones, Mrs. Johnny Myrick, Mrs. Darrell Payne, Mrs. Nolan Simpson, Mrs. Benny Welch, Mrs. Alan Taylor, Mrs. Jay Dee House, Mrs. Richard Lewis, Mrs. Glen Mitchell, and the hostess, Mrs. White.

Mr. and Mrs. Ronnie Hubbard of Lubbock, spent the weekend with her parents, Mr. and Mrs. Marvin George.

Zella Odum, student at Hardin-Simmons University, is home from college. She will spend the summer with her parents, Mr. and Mrs. Garth S. Odum.

Boy Scout Activities

Grady Boy Scout Troop Number 10 will go to the Boy Scout Ranch in the Davis Mountains on June 2 for a week of camping.

Grover Springer is the Scout master for the Grady troop. The troop is very active in Scout work in their community.

Mr. Springer states he expects ten boys to attend the week-long camp.

has been the proper pay for district judges.

State pays all district judges an annual salary of \$12,000. Many counties supplement this. Many more have asked their representatives to pass bills this session to authorize county supplements.

Lawmakers from districts where judges get only \$12,000 or a slight supplement have battled every bill that called for increased pay. Some increases would have run as high as \$20,000 a year. Rural members argue that judicial salaries like that cause too much competition.

Rep. Maurice Pipkin of Brownsville noted that creation of a new Court of Civil Appeals in Corpus Christi and the opening of three justice jobs at \$15,000 caused a flood of applications.

GOLD IN THEM HILLS? — People who think a hidden fortune may lie "somewhere north of the Big Bend" may get a chance to test their theory under a new law. It allows prospector permits for 640 acres, at 25 cents an acre annual rental, for a maximum of five years.

Rep. Grainger McIlhenny of Wheeler, author of the bill, noted that present law limits a hard-metals prospector to 40 acres.

WATERSHEDS—Speed-up in planning watershed flood protection projects won approval from the Senate-House conference committee on appropriations.

It allocated \$100,000 a year to the State Soil Conservation Board to be used to plan small-watershed programs.

U. S. Soil Conservation Service funds for planning are limited. So some watershed districts have raised money and hired the planning done, rather than wait for the U. S. State program will help in the same fashion.

SALT WATER — State agencies are moving deeper into the field of stopping oilfield pollution of fresh water strata.

New Texas Water Pollution Control Board gives oilmen in Gaines County until December 1 to stop using open pits for salt water disposal.

Railroad Commission issued a similar order for Menard and part of Schleicher counties. Agencies have covered powers in this field.

BEACH SPEEDS — Voters said last November that it would be fine with them if the Legislature gave Gulf Coast county commissioners courts authority to pass ordinances regulating speed and littering on public beaches like Padre Island.

Rep. James L. Lattimore of Corpus Christi passed such a speeding bill through the House. Ironically, he was killed in a traffic accident.

But Governor Connally felt the law was too vague, because of amendments placed in it by the House. So he vetoed it.

Rep Charles Scoggins, Corpus Christi Republican who replaced Lattimore, tried to get the House to override the governor's veto. Although he got a majority vote of 70-62, it fell short of the two-thirds needed to override.

TIME FOR A CHECK-UP

Your Property Insurance program may be in bad shape. For example, it may suffer from serious ailments like...

- Underinsurance — Not enough insurance to take care of increased property values and liability exposures.
- Obsolescence — Out of date contracts that don't offer today's "package discounts" and broadened protection.
- Inconvenience — Too many policies, premiums, renewal dates. Lots of red tape. A real nuisance.

To have your protection checked — without cost or obligation — see or call your independent insurance agent...

Highlights and Sidelights FROM YOUR State CAPITOL

Members of Gov. John Connally's "Committee of 25"—to study education beyond the high school—have only one thing in common... they're all Texans.

Twenty-three, however, have something else in common—they are college graduates. Ten hold master's degrees and five have doctorates.

Eight have something else in common—they attended Connally's alma mater, The University of Texas.

Other than that, their backgrounds vary. Included are lawyers, bankers, contractors, telephone company executives, oil men, engineers, a district judge, a hospital administrator and educators.

Committee is composed of: George R. Brown, Martin Burns, Morgan J. Davis, and Mrs. Ray L. Dudley of Houston.

Also, James H. Dunn and Mrs. Albert B. Martin of Amarillo; John Erik Jonsson, Willis M. Tate and Gifford K. Johnson of Dallas.

Austinians are Vernon McDaniel, J. M. Odum and Dr. Harry R. Ransom.

Others include Sister Mary Vincent O'Donnell and H. B. Zachry of San Antonio; Elmer H. Danner, San Angelo; Jenkins Garrett, Fort Worth; and Judge Reynaldo G. Garza, Brownsville.

Also, John E. Gray, Beaumont; H. H. Imray, Longview; Ben W. Jones, Corsicana; Dr. Abner McCall, Waco; Dr. Earl Rudder, College Station; Tom Sealy, Midland; M. Harvey Weil, Corpus Christi; and Dr. Dossie M. Wiggins, Lubbock.

ODESSA OUT — The expected bumper crop of college students in 1965 will have two more state colleges to choose from. Angelo State College in San Angelo and Pan American College in Edinburg join the state-support system in the fall of 1965.

But Odessa Junior College still will be a junior college, despite strong efforts by Rep. George Cook of Odessa and Sen. Frank Owen III of El Paso.

District VII Meet Is Set

The District VII Texas Amateur Softball association tournament will be held in the City Park in Big Spring July 5 and 6.

Entry fee will be \$25 per team for the double elimination tournament, and managers who plan to enter their teams in the District tournament should do so by submitting their rosters and entry fee on or before June 22, to H. Boyce Hale, 4102 Dixon Street, Big Spring.

A maximum of 17 players will be permitted on a team roster, and the manager will not count as a player unless he is an active player.

The winner and runner-up will be qualified to enter the Texas State Amateur Softball association tournament in Brownwood on August 8, 9, 10, and 11.

The official ASA tournament rules will govern play in the District tournament, and only umpires who are currently registered with the ASA will be used. A complete set of tournament rules will be furnished to the manager of each entering team.

Marsha Bristow, student at Texas Tech, is home for the summer. She is the daughter of Mr. and Mrs. P. M. Bristow.

Mrs. W. C. Bingham of Brownwood, is visiting with her sister, Mrs. A. L. Reed.
