VARIETY

By NEAL ESTES Here's a morsel of information that our readers need to concentrate on...

FIRST BAPTIST CHURCH Main At Sixth Big Spring, Texas 79720 March 24, 1965

Mr. Neal Estes, Editor Stanton Reporter Stanton, Texas Dear Neal: Just a note to give you our new address in Big Spring...

My compliments to you for the good job you do as editor. It is not an easy job I know, but you make it look easy...

If we owe you some money for the change of address just send a little statement. Come see us sometime.

Our personal mail brought an announcement from GUILFORD L. (GIL) JONES concerning the removal of his law office in Big Spring...

Robert D. Dennis, Lamesa, A. T. Kaderli, San Antonio, R. J. Deatherage, Ackerly, and Earl Douglas, Olton, all mailed in their subscription renewals...

MR. and MRS. L. C. STOVALL recently returned home from a lengthy visit with relatives and friends in Pearson Oklahoma. They were by the office to tell us how much they appreciated news published in the paper...

CLELAN ATCHISON called us to be sure and remind our readers to support and attend the performance to be staged here on Friday evening, April 2, featuring "MERLIN THE MAGICIAN."

The editor had a letter in the mail this week asking for the address of an organization. We are sorry — we do not know the address and we do not belong to that society chapter...

VOICE OF VARIETY: This newspaper supports the Martin County Chamber of Commerce 365 days in the year. Every other business place should do the same.

Two Elections On Community Agenda

Little League Officials Named Monday

Play ball! The familiar and authoritative voice of the Mr. Umpires' across the land will soon be heard sounding the official two-word signal to start Little League games on their way.

The new baseball commissioner on the LL level to succeed Bob Deavenport was named. He is Jimmy Stallings, elected by the approximately 30 interested adults present for the session.

Bobby Papasan, Texas Highway Patrolman, and a man vitally interested in the youth of our state, was named assistant commissioner.

Dependable Udell Morris was chosen to serve as secretary-treasurer.

Major managers were also named. They include: Floyd Walker, Kenneth Large, Jim Connors, and Don Glaser. All four of these men have contributed much to the good of Little League activities here in the past.

Registration slips for the prospective players will be distributed at the schools this week, according to an announcement given the press.

Cancer Drive To Open Soon

Mrs. Owen Kelly, crusade chairman of the Martin County unit of the American Cancer Society, has announced that the Cancer Fund Drive will start with a Family Night at the Courtney school gym on Friday night, April 9, beginning at 7:30 p.m.

Games of forty-two, volleyball, etc., will be played, and all ages can participate. Sandwiches, pies, and cold drinks will be sold, with the proceeds going to the Cancer Society.

Dr. Woodrow's Statement For School Trustee

(Editor's Note: Dr. Jack Woodrow, one of the finest men to come to live among the people in Martin County for years, is running for one of the places on the Stanton Independent School Board. He was the close and warm friend of Vic Fain, editor of the Nacogdoches Sentinel, and a close friend of the editor of The Stanton Reporter, before moving to Stanton.

Mr. Neal Estes, Editor The Stanton Reporter Stanton, Texas Dear Mr. Estes: "In response to your invitation to the candidates for the Board of Trustees for the Stanton Independent School District, I would like to say that I feel there is no more important way a person can contribute to the welfare of his community, state, or nation than to serve even in a small way in helping the young people of our community and the schools. It is for this reason that I have felt compelled to file for a position on the School Board.

"I feel that the schools should have a forward-looking, forceful and energetic program, which will result in the finest possible school system in keeping with the resources of our community. I believe that any member of the School Board should work toward this end. If I am elected, I will be glad to do everything I can to make this possible.

"My family consists of my wife, Julie; two daughters, Christine and Cathy, and a son, Mike. These are three fine reasons for having a particular interest in the quality of the school system. I received my high school education in Ottumwa, Iowa, received my Bachelor of Science degree from Iowa Wesleyan College at Mount Pleasant, Iowa, and my doctor's degree from the Des Moines School of Osteopathic Medicine and Surgery in 1950, following which I interned and practiced for a short while in Fort Worth. From 1952 until coming to Stanton, I practiced in Nacogdoches, Texas.

"I want to urge everyone in the community to get out and vote for the candidate of their choice. I want to assure everyone that I will continue to support the kind of program that will bring us the schools that we want, and the Trustees, whoever elected, if they will support such a program.

Most friendly, Jack H. Woodrow, D. O."

Local Church To Open Meeting On April Ninth

The Christadelphian Church of Stanton will hold a series of meetings April 9 through April 11, at the Broadway Baptist Church building. L. E. Parker, minister of Pasadena, California, will be guest speaker. Other speakers will also be present. Services will be held at 7:30 p.m. on Friday; three services are scheduled for Saturday, at 10:00 a.m., 2:00 p.m., and 7:30 p.m. Sunday services will be at 10:00 a.m. Everyone is cordially invited to attend these services.

Dollar Day Specials In This Edition

No sree! A smart shopper won't have to leave Martin County to find the best advertised bargains in the area. Read the ads in this issue of the paper. Start buying this weekend and continue right on through Monday, Dollar Day. The April Dollar event is going to be a titanic one. The advertised prices in this issue of The Stanton Reporter are just as low as business men can sell the items for and still remain in business. Read every ad — clip them out — visit the stores of your choice and pick up your share of the bargains.

Student Council Meeting Held In Midland

The 29th annual conference of the Texas Association of Student Councils was held March 25, 16, and 27 in Midland. Co-hosts for the event were Lee High and Midland High schools.

Representing Stanton at the event were students who will take office next year. They are: Guy Brown, president; Buddy Shanks, vice president; Brenda Dyson, secretary, and Mike Springer, treasurer. They were accompanied by Bill Johnson, principal of high school.

Lonnie Hayter, president of TASC from Kermit, presided over the convention. Speakers were Melvin Munn and Delbert Downing. Students attended three general sessions, scrap book displays, problem clinics, discussion groups, and the annual political rally.

Entertainment for the state delegates consisted of a mixer, a semi-formal dance, a free movie, and a patio barbecue. According to one delegate, the group returned home with many new ideas, ideals, and projects.

Madison Withdraws Candidacy

Glenn Madison, well known citizen, and the first candidate to file a few days ago for a place on the Stanton school board has presented the press with a statement removing himself as a candidate for one of the two places on the board to be filled.

The Madison family will shortly move from Stanton to Colorado City. His withdrawal statement appears below. "A previously unanticipated opportunity has caused my wife and myself to make a decision to leave Stanton for Colorado City soon. I will therefore take this method of withdrawing my candidacy as a candidate for a place on the Stanton Independent School District board of trustees. "At the time I placed my announcement before the people I had every intention of making the race, trying to win, and if successful, to do everything in my power and range of ability to serve well. All of these things I had in mind because I feel like total dedication to a community and what is trying to build is (Continued on page 5)

Pioneer Wins NSTA Award For Excellence

An award of excellence was presented to Pioneer Natural Gas Company this week in Dallas by the National Security Traders Association. The award was in recognition of an outstanding stockholder information and education program conducted by the company in 1964. Pioneer Natural was among a select group of 21 companies in the nation and three in Texas picked from some 5,000 whose stocks are traded in the over-the-counter market by the National Security Traders Association.

The award was made by C. Thomas May, Jr., president of the Dallas Security Dealers Association, at a luncheon in the Chaparral Club on Tuesday, March 23. Accepting the award for Pioneer Natural were C. I. Wall, president; B. Smith, vice president and treasurer; K. Bert Watson, attorney and secretary of the company, all of Amarillo, and W. E. Walker of Dallas, a director of the company.

"These annual awards were established to give deserved recognition to outstanding stockholder information programs by companies whose stocks are traded in the over-the-counter market," according to NSTA President Allen L. Oliver, Jr. "We feel that these companies are rendering important and constructive public service by creating better informed stockholders and a wider knowledge of the investment process."

Cancer Chapter To Meet Monday

There will be a meeting of the Martin County chapter of the American Cancer Society on Monday night, April 5, at 7:30 p.m., at the Cap Rock Electric auditorium. A speaker will be present for the program. A spokesman for the group announced that memorials to the cancer fund may be made anytime to commemorate a loved one or friend.

Industrial Week Proclaimed By Governor

Texas Industrial Week officially begins today! Governor Connally has signed an official proclamation giving notice that the period April 1 to 7 is the time for the annual observance of Texas Industrial Week. In signing the proclamation the Governor said: "Manufacturing is the most rapidly expanding source of income in our State, and through the Texas Industrial Commission, we are actively seeking new plants and encouraging the expansion of others.

"It is important that Texans understand the need for maintaining an economic climate conducive to industrial development and the companion need for stable government on the State and local levels. In this era of technological change, it is essential that we encourage the creation of new job opportunities through industrial growth, resulting in more business, more trade, more income and more investment capital. "Industrial Week gives us the opportunity to show appreciation of Texas industry through the promotion, display and purchase of products manufactured in this State. "I urge all citizens to give due recognition to this vital segment of our economy."

Kellys Sell Belvue Motel, Restaurant

Ray and Mamie Kelly have sold the Motel Belvue and Restaurant in Stanton to Clarence W. Moseley. Mr. Moseley has assumed complete charge and moved on the premises with his wife and assumed complete command of both the restaurant and motel facilities. The Kellys are living at 1110 St. Joseph Street in Stanton. Mr. and Mrs. Kelly opened the modern and attractive motel and restaurant in Stanton in 1952. Construction on the multi-thousand dollar investment was started in 1951 — to be exact — on September 23 of that year. The formal opening of the facility was held on Feb. 23, 1962 and the occasion was marked with a gala open house and friends of the Kelly family expressed their goodwill and appreciation for the investment in the community by extending the newcomers with a proverbial barrage of beautiful flowers on the occasion.

Ray and Mamie Kelly provided 20 complete units in the complex. Two suites were planned for permanent guest living quarters and the remaining individual rooms were reserved for tourist trade.

The Kelly family has owned property in Martin County since 1930, and they will continue to make their home in the community they love. Currently they are residing on St. Joseph Street in Stanton but future plans call for the building of a new home near Stanton in the future.

Local Voters To Ballot April 3-6

Martin County voters are prepared to visit the ballot boxes twice within the next few hours to cast votes in the school trustee elections and in the Stanton city election on Tuesday, April 6. Trustee elections have been set for the three county school districts on Saturday, April 3.

New Postal Work Hours Announced

In an effort to effect economy in the operation of the local postoffice, Postmaster William Morrow has announced a new work hour schedule. The postoffice will continue to close during the weekdays on the old hours, and will also be closed to the public at noon on Saturdays.

Possibly the most important announcement concerns outgoing and incoming mail on Sunday afternoons. No mail will be boxed or worked on Sunday afternoons, Morrow said. Those desiring to mail letters in Stanton destined for out-of-town destinations are requested to drop them in the legal United States Mail Box just outside the postoffice. This mail will be picked up by truck on Sunday afternoons and carried to Midland where it will be despatched for the respective destinations.

Two vacancies are to be filled at Grady. Candidates in the race include: Jimmy Sawyer, Newell Tate, and Malcolm Tunnel. Two trustees also are to be chosen in Flower Grove. Candidates in that race include: R. E. Hill, and G. E. Cave. Absentee voting in both the school board races and the municipal race closed on Tuesday, March 30. The absentee voting in the City of Stanton election was reported brisk, thereby assuring a good turnout at the (Continued on page 5)

Long Line Due To Form For Car Tags This Week

No fooling — today is the last day to get your car tags. To avoid full prosecution by authorities if you do not secure your license plates by April 1, keep your car parked until you visit the office of Tag Collector Dan Saunders, buy your tags, walk home with them and fasten them on your vehicle. The deadline finds Martin County motorists — car owners — way behind schedule and a long line of license buyers is expected to throng to the temple of justice in Stanton to anti-tax money for 1965 plates Thursday, April 1. Tag officials in Saunderson's office report a total of 1,628 sets of license plates issued at the time the check was made by a newspaper reporter this week. Last year a total of 2,855 license tags were issued here by April 1. Out of the 1,629 vehicles registered, more than 1,000 plates were sold for passenger cars. The remainder went to owners of farm trucks, commercial cars, etc. April 15 is the deadline for securing a car windshield inspection stickers.

C. W. Moseley Buys Belvue Motel, Restaurant From Ray Kellys

Mr. and Mrs. C. W. Moseley have purchased the Belvue Motel and Restaurant from Mr. and Mrs. Ray Kelly. The sale was made public this week. For the past several months, the Moseleys have operated the outstanding Stanton business place under a lease agreement. They elected to exercise their option and purchase the property this week and have moved into the living quarters of Motel Belvue formerly occupied by Mr. and Mrs. Kelly. Mr. and Mrs. Moseley have become well known and highly admired citizens of the community since coming to Stanton. They are both natives living in Midland and Odessa. Mrs. Moseley expressed gratitude in the manner in which they have been accepted by the friendly people of Martin County. Mr. Moseley has traveled in many sections of the world and he said: "This is the place I wanted to invest my money, talent, and the remainder of my life in. Stanton and Martin County is the garden spot of the nation as far as we are concerned." In acquiring the long established Belvue Motel and Restaurant, the Moseleys pick up title to a modernly equipped cafe with full and complete kitchen and service facilities, a private dining room which will seat nearly 100 people, and a spacious serving area for customers. The motel department consists of private living quarters, two apartments and about 20 rooms. The spacious parking area made these facilities especially attractive. The restaurant will open daily at 6 p.m. and serve continuously until 10 p.m. (Continued on page 5)

NO FOOLING—TODAY IS DEADLINE!

April Offers "Lucky Eleven" In Food Line

April offers the "Lucky Eleven."

That's the eleven foods plentiful this month, according to the Texas Agricultural Extension Service. Featured are eggs and prunes. Although spring usually brings a large number of eggs to market, supplies this month are expected to exceed those of last year. Dried prune production is heading for a 40,000-ton increase over last year — with official estimates at about 171,000 tons. Other foods reported plentiful by the U. S. Department of Agriculture's Consumer and Marketing Service include poultry items — broiler-fryers and turkeys, fresh carrots, onions, cabbage, canned pears, canned pink salmon, honey and dry peas. Turkey for Easter dinner is a good thing to keep in mind. It should be a timely treat — and can easily be prepared ahead of time. And you should find broiler — fryers also an economy meat. Marketings are expected to be nearly 10 percent above a year ago, when farm prices were the lowest on record for April. You'll find lots of honey on the market this month. And April 18-24 has been designated "Honey for Breakfast Week," a real good time to "sweeten up" the morning menu. Fresh onions will be plentiful, due to a large harvest and a decline in export movement because of the dock strike. Dry peas will be well in excess of trade needs.

Returning Friday night from a week's fishing trip to the Rio Grande, were Walter Graves, J. T. Mims, Billy Lloyd Mims, and Malcolm Tunnell.

Library Lines

MRS. RALPH CAFFEY, Librarian

Library hours: Monday 1-9 p.m.; Tuesday, Wednesday, Thursday, 1-5 p.m.; Saturday, 9-1 p.m.

National Library Week is April 25 - May 1, 1965. Martin County will be observing unofficially Library month, with many different emphasis on the library and its needs and the needs of the public for good library service.

The home demonstration clubs of the county are sponsoring an effort to collect S&H Green Stamps, which will be redeemed to purchase reference materials for the library. Boxes have already been placed in all the places of business in Stanton and Lenora that give the stamps where you may drop in any your wish to contribute. The clubs are encouraging each club member to donate one filled book. The library and the drug store will also accept any books or loose stamps.

The elementary grades of Stanton and Courtney will collect stamps, with the winning class being entertained for collecting the most stamps. The Grady students will participate also, with the competition among the classes in their school only.

Students in the junior high schools will enter in a poster contest depicting their versions of the suggested themes for the National Library Week. The winners will be announced and the posters displayed around the business district.

There is no special emphasis including the high school students, many have already contributed stamps and will give more I am sure.

Statistics tell us that there are 110 million Americans with inadequate library service, offered limited, outdated book collections by libraries that are understaffed, ill-housed, open for use only a few hours a week. We have a lovely, new building, open an adequate number of hours a week, and thanks to some wonderful volunteer help, an almost adequate staff, but the limited and outdated books is the area we are trying to improve.

Mrs. Ralph Caffey attended library conferences in Lubbock Friday and Saturday.

Mrs. Buster Stewart, Mrs. Ralph Caffey and Debbie spent Friday night at Plainview visiting with Linda Caffey at Wayland Baptist College. Linda returned home with them Saturday for the weekend.

Mr. and Mrs. Bill Blocker of Hobbs, New Mexico, visited relatives here this week.

Mr. and Mrs. Delbert Donelson and Gary, spent the weekend here visiting their parents, Mr. and Mrs. A. Donelson and Mr. and Mrs. Floyd Smith.

Thanks To Stanton And Martin County People

We have sold the Belvue Motel and Restaurant to Clarence W. Moseley and have relinquished management and control of same.

But we could not say farewell and goodbye to our hundreds of loyal friends and customers without expressing deep appreciation for their friendship and business considerations through the past years.

Stanton and Martin County people are the greatest. We have been taxpayers, landowners, and business people in the community for years and it will be our continued aim to dedicate a portion of our lives to the well-being of this area.

We plan to live among our neighbors. We have always been, and will continue to be for the best interests of Stanton and Martin County.

YOUR BETTER WAY TO COOK BECAUSE IT'S FLAMELESS

Only electricity provides easy, automatic at-the-table cooking

One of the pleasures of living better electrically is cooking electrically with handy, automatic appliances such as the electric frypan, electric rotisserie, roaster-oven and others. With these versatile, plug-in anywhere appliances, you can cook and serve right at the table — in the house or on the patio. You'll find them an ever-ready help from breakfast to dinner to midnight snacks. And, being flameless electric, they give you clean, cool, automatic cooking, thermostatically controlled. See the new electric cooking appliances at your dealer's soon.

Zing into spring! Corvair by Chevrolet

The steering's crisper, the ride's flatter, the style's racier—even the grass looks a shade greener from behind the wheel of this new Corvair

For all its finely calibrated instrumentation—tachometer, manifold pressure gauge, even an electric clock with a sweep second hand for rally buffs—the most important thing that happens when you get a Corvair Corsa

out on the road doesn't register on the dash. It registers on you.

You feel it in the steering—crisp and precise—as you double back on a curve. In the flat riveted-to-the-road stability of the new fully independent suspension. In the response of the rear engine (up to 180 hp available now in Corsa's Turbo-Charged version).

Drop down to your dealer's now—while the trading's extra good—and see for yourself.

Canned Seafoods Offer Lenten Menu Variety

With Lent underway, many homemakers are in a quandary over their pre-Easter meal plans.

Canned seafoods and fish are convenient and versatile, says Mrs. Gwen Glyatt, Texas A&M University Extension consumer marketing specialist. Served on Lenten menus, canned salmon and tuna supply variety and lend a bonus of good eating pleasure. Because their flavors are so versatile, either tuna or salmon can be prepared in all sorts of appetizing ways.

Consumers may want to check prices of beef chuck roasts and steaks as well as round steak this week. There are some good buys to be found, the specialist says.

In pork, the Boston butt and picnics are good choices for roasting. Prices on frying chickens will be up a bit in some markets. However, the birds remain a good buy.

If you select eggs, the best values usually are to be found in the Grade A large size eggs. Apples - by the bag, bananas, juice oranges, and grapefruit are the most econ-

Track Team Competes In Plains Relays

The Stanton track team competed in the Invitational Cowboy Relays held in Plains last weekend, and brought back two first place medals.

Royce Hamilton won a first in high hurdles with a time of 15.5 seconds, only .1 second off of the record. He also won first place in broad jump with a leap of 19' 9", and placed third in pole vault.

Other entrants who placed were: David Dunn, third in pole vault, fifth in high hurdles, and fifth in low hurdles; David Avery, fourth in high jump; Roy Powell, second in shot putt (48' 10"); Butch Robnett, fifth in 220 yard dash; Johnny Graves, sixth in 220 yard dash; E. Mike Hall, fifth in 440 yard dash.

Ricky Corbell, freshman, ran the 880 yard dash in 2 minutes, 13 seconds, a very good time for a freshman.

The relay team of Butch Robnett, Dink Poison, David Dunn, and E. Mike Hall, won fifth place in the 440 yard relay.

Coach M. R. Milan accompanied the boys to the meet.

Howard Payne College To Mark DIA Week

A representative of the MacArthur Memorial of Norfolk, Va., which is loaning exhibits of MacArthur memorabilia to the Douglas MacArthur Academy of Freedom. Howard Payne College, will be a special guest for the tenth annual Democracy-in-Action Week at Howard Payne.

He is Fred W. Duckworth, president of the MacArthur Memorial Foundation. He will be honored with an invitational luncheon Friday, April 2, in Howard Payne's Veda Hodge Hall.

The Douglas MacArthur Academy of Freedom, an honors program in the social sciences, named by personal permission from the late General of the Army Douglas MacArthur, is an outgrowth of Howard Payne's DIA program.

Other DIA speakers March 29 - April 3 will be Dr. G. Warren Nutter, University of Virginia, authority on economics in the Soviet Union; Mr. and Mrs. Skipper K. Yee, Stockton, Calif.; business leaders; Thupten Jigme Norbu, brother of the Dalai Lama of Tibet.

Also, Dr. Milton Curry, Jr., president of Bishop College, Dallas; H. S. (Hank) Brown, San Antonio, president of the Texas AFL - CIO; Morgan Maxfield, Jr., Dallas businessman, and Fulton Lewis, Jr., noted news columnist and commentator.

There will be a program of American music Tuesday night of DIA Week in Brownwood Coliseum.

The week will close with an invitational seminar for high school and junior college students. Speakers for the seminar will include Lewis, Howard Payne students and faculty members and R. H. Lawrence, Dallas, executive director and secretary of the Texas Bureau of Economic Understanding.

Local Band To Enter Contest At Odessa

The Stanton High School band will appear at the regional band contest at Permian High School in Odessa this Saturday.

The band is entered in class A competition, and is scheduled to play at 8 a.m. Saturday morning, with sight reading contest immediately following.

Visitors in the home of Mr. and Mrs. John Calvin Jones recently were Mr. and Mrs. Al Martin from Fayette, Iowa. Mrs. Martin is Mrs. Jones' aunt. Also visiting in the Jones home was Mrs. Jack Walton of Midland.

This Letter Is Worth Reading More Than Once

(The following letter was written by a high school student to the Editor of the Lubbock Avalanche-Journal and published in the issue of Monday, March 29. Read it and don't be surprised if you find some strange talking people living right next door to you in this area. Communism must be stopped!)

Editor, The Avalanche-Journal: Americans wake up! The Communists are destroying America.

We all sit at home thinking the Communists cannot take us over when in reality they may be our next door neighbors. They are everywhere

waiting for their chance. Today in America there are more Communists than we know of than there were in Russia in 1917. The number increases with every day. Their plan of world domination is working full force.

What can we do? I don't claim to know the answer, but here is what I would do. Set up new legislation requiring Communists to register every year as such, or a prison term will be given. Teach people how to fight it. And above all realize it is here in America today.

Carmen Luna, 10th grade student, O'Donnell High School.

Weather Delays Construction Lamesa Rainmaking Machine

An instrument which Dawson County residents hope will make rain and cost them \$16,200 have arrived in Lamesa, but a main generator was snowbound in Colorado this week.

The ground generator, constructed in Plainview, was transported to Lamesa by truck earlier by Don Brunton of Colorado. Brunton made the generator.

Meanwhile, Rain Inc., which negotiated a contract between the non-profit organization and Brunton, will complete necessary contracts.

The generator will be set up on a tract of land about one mile north of Lamesa, east of U. S. Hwy. 87. The site is almost directly in the center of the county.

Initial expense for Rain Inc. is \$3,200, which includes one-half of construction costs plus operating expense for six months.

If Brunton's device produces 18.68 inches of rainfall from April through September, an additional \$13,000 will be paid to the Amarillo inventor. The average precipitation for Dawson County is 9.34 inches for the same period, based on a five-year mean.

Brunton calls his apparatus an "electrostatic precipitator." It resembles something you might see at Cape Kennedy, being constructed primarily inside a jet plane fuel tank with a lightning rod running down the inside on huge insulators.

Basically, the machine is said to convert nitric oxide into gaseous nitrogen dioxide. The heated gas rises into the air, allegedly creating a "front" that causes "condensation nuclei" which in turn,

Components Listed

Principal components are five transformers, high speed air blowers and catalysts of platinum and rhodium, which are to release 540,000 pounds of "condensation nuclei" per hour into the atmosphere.

The operation is based on the desired quality of "condensation nuclei" needed, it was explained, but present plans call for the device to run automatically one hour out of every six.

Originally, Dawson County citizens discussed seeding clouds by airplane with a silver iodide solution. Learning of the efforts to add to rainfall in the county, Brunton contacted the group of citizens, explained his method and theories on the "electrostatic precipitator" and won the contract on a "no rain, no pay" basis.

A lack of rainfall — 10 inches fell in 1964 compared to the annual average of more than 17 inches — caused the move to find a way to "manufacture" precipitation.

David Hicks and Mike Wood will represent Stanton High School in the district golf meet, which is to be held at Gaines County Country Club near Seagraves on Monday.

Doyle Edmiston is coaching the local golf team and will accompany the boys to the meet.

AARS Answers Some Rose Questions

Question: When I go to buy roses for my garden I find some labeled hybrid tea, some floribunda, some graniflora. This is confusion. What is the difference?

Answer: Rose producers group garden roses into three classifications to aid in identifying their characteristics. Hybrid Teas bear classically formed, elegantly petaled, richly colored blooms, usually carried individually on long stems. Floribundas are relatively low growing and bushy with generally smaller blooms than teas, produced in clusters all over the plant, giving a mass color effect. Grandifloras, first introduced by All-America Rose Selections in 1954, produce the classic, elegant blooms of the tea in clusters of medium to large flowers on long stems. Grandifloras tend to grow taller than either teas or floribundas.

Question: Are the new roses free from disease so that I can just plant them and let them grow?

Answer: No plant in the world is free from disease. The new rose varieties are often much more resistant to the common rose diseases, black spot, mildew and rust, but none are immune.

Question: Do I have to plant roses in a bed by themselves?

Answer: Not at all. Roses will adapt themselves to all parts of the garden or

Magician To Appear Here Friday Night

"Merlin the Magician" will appear in person in Stanton on the stage at the High School auditorium at 8 p.m. on Friday evening, April 2.

The magician's appearance in Stanton will be sponsored by the Martin County Chamber of Commerce and by the FHA. Both organizations will divide the proceeds from the ticket sales and the money used for worthy causes.

Advance tickets will cost \$1 for adults and \$1.25 at the door. Student tickets are going for 75 cents each.

Clelan Atchison, manager of the Martin County Chamber of Commerce said that the Chamber and members of the Future Homemakers of America would appreciate the support of the appearance in Stanton of the renowned Merlin.

French law limits the use of the word "wine" to the fermentation product of fresh grapes or fresh grape juice, thereby barring the use of dried grapes or raisins in wine-making.

grounds. Always plant in groups of two, three or more. They look well interplanted with perennials, grouped in the shrub border, in groups in front of an evergreen planting, planted along paths of walks and in innumerable other locations.

ON 50th ANNIVERSARY

Texas Extension Recognizes Need For Public Market News

Most Texas farmers, today, don't remember the serious perils of shipping farm produce, especially perishables, to distant markets before public market news entered the picture.

"It was largely a 'ship and hope' proposition, as news of prices, trends, volume of marketings and demand was in the hands of only those who were very close to specific markets."

So said J. E. Kirby, extension economist - marketing and policy, Texas A&M University, as he recognized the 50th anniversary of the Federal-State Market News System this week. It was on March 27, 1915, that the U. S. Department of Agriculture issued its first official market news reports, on strawberries, from Hammond, Louisiana.

"Marketing still is one of the most critical aspects of farming," Kirby explained, "but when nearly every radio and TV station and newspaper carries up-to-date and unbiased market information, it's a lot easier to compare markets and ship more wisely."

Extension has had a significant role in establishing public market news as an important part of our marketing system, even though most of the actual reporting is done by USDA's Consumer and Marketing Service and state departments of agriculture.

"Our main job has been to work with the reporting agencies to achieve practical application of market information, by farmers, buyers, processors and others who handle farm products in trade channels," Kirby said.

Stanton Lions Name Officers

The slate of officers for the coming year were elected at the Tuesday meeting of the Lions Club at Motel Belvue, Udell Morris, current president, presided at the meeting.

The new officers who are to be installed on July 1 are: Bob Cain, president; John Wood, first vice president; Jack Iretton, second vice president; Roy Pickett, secretary-treasurer; Dr. Allen Fisher, Lion tamer; Tom Ed Angel, tall twister, Rev. Claude LeMond, chaplain, and Pauline Wood, Lion sweetheart.

New directors are Paige Eiland, James Wheeler, and Euel Ferguson. Holdover directors are James Jones, and Dr. Allen Fisher.

Twenty-three members and five visitors were present for the noon meeting.

Visitors were Stanton High School Citizens of the Month, Wayne Bradshaw, and Reba Ringener; Janis Burgess, chairman Midland Civic Concerts (Res. Tel. MU 4-6968)

Two Elections -

(Continued from page 1)

Methodist Church basement Tuesday, April 6, where the balloting for two vacant places on the city council will take place.

Ed Robnett and Jull Reid, incumbent councilmen are in a four-man race for reelection. Other candidates are George Shelburne, Sr., and Herbert Jones.

didate chosen to represent the local Lions Club at the queen's contest to be held at Sweetwater on April 23; Red Childress, Lubbock, and Clark Estes, Midland.

During the business session, aside from selecting officers, F. O. Rhodes gave a report on the broom sale which was in progress. He reported brisk sales up to mid-day.

For the program, Ernest White introduced Tony Jalandoni, native of Manila, Philippine Islands, who is an exchange student at Lee High School in Midland. He gave a very interesting and informative talk on customs, school systems and other phases of life in his homeland.

Dates Set For Visits Of SS Representative

A representative of the Social Security Administration will be in Stanton April through June on the dates listed below:

Monday, from 2 to 4 p.m. at the Martin County Courthouse on April 26; on May 24 the same hours and the same place; on June 28, the representative will be in Stanton at the same time and place also.

The representative will assist older or disabled workers and the survivors of those who have died to complete their applications for retirement, disability, and family insurance benefits. He will also take applications for social security numbers and furnish information about the Social Security program to all interested persons.

The Social Security District Office is located in Big Spring at 1009 Gregg Street.

ters will be Pioneer Natural Gas Company, 511 West Missouri - open week days 9 to 5 and Saturday 9 to 12 noon.

For our 65-66 season, we have signed contracts for the American Ballet Theatre known as this country's number one ballet; Richard Dyer-Bennett, unexcelled folksinger artist; and the Norman Luboff choir which is often applauded with standing ovations. There will be at least one additional number and possibly two, according to the number of renewals and new memberships sold. The price is \$8.00 for adults and \$4.00 for students through high school graduation.

Our final concert number for the current season will be the presentation of the brilliant young pianist Lorin Hollander on Thursday, April 1 - at Midland High School Auditorium, 800 West Illinois - 8 p.m. Members who renew and those who purchase new memberships before that time will be given a guest ticket for the Hollander concert.

We'll be happy to include some of your citizens on our membership list, and any publicity which you might give this subject will be greatly appreciated.

This growing event is being co-sponsored by the Midland Public Schools and the Midland Jaycees. Contestants must not have reached their 18th birthday on or before September 1, 1964 and must not be above the 9th grade in school. We presently have indications that we can expect 32 teams and 500 contestants for this year's meet.

Finals in the field events and preliminaries in the track events will get underway at 9:30 a.m. on Saturday morning beginning at 1:30 p.m. Admission to the afternoon session will be 25c for students and 50c for adults.

The following trophies will be awarded:

1. Championship Team.
2. Runner Up Team.
3. 440 Yard Relay.
4. 880 Yard Relay's.
5. 1320 Yard Relay's.
6. Individual Medals for 1st, 2nd, and 3rd Places.
7. Trophy to High Point Individual.
8. Runner Up High Point Individual.

We wish to extend a welcome to you and your fans and hope you can attend this event and visit in Midland.

We would greatly appreciate your publicity support on this meet. Thanking you in advance, I am,

Sincerely yours,
Frank Nall,
Chairman West Texas Junior Relay's.

Dear Editor:

We are enclosing the last in the current series of special Savings Bond ads featuring Texas historical sites. These ads were prepared by the Texas Tourist Development Agency and its Advertising Agency, McCann-Erickson, without cost to the Savings Bonds Division.

You will be pleased to know that the reception of these series of ads by Texas newspapers has been excellent. As of the first of March 644 ads have been used.

Since your newspaper is one of the many newspapers that have consistently used these ads, we want to express to you our thanks and appreciation for your support.

Sincerely,

Infocade '65 Meeting Held First In Midland

Midland, Plainview and Ft. Worth, played host last week to a series of Infocade '65 sessions.

On Wednesday, in Midland, former Congressman Joe Kilgore urged improvement of the "lines of communication," between the business community and all levels of government.

"Business and government must live together," Kilgore said, "and the country is better off when they do without friction."

Kilgore was one of four main speakers during the one-day meeting sponsored by the West Texas Chamber of Commerce. Following his address, questions on business-government relations were answered by Kilgore and panelist Howard Rose, Midland attorney and Dr. Joe Nelson, Weatherford physician.

Kilgore said many of the problems of big government, which he said had a tendency to "become bigger and more arbitrary" could be solved by more businessmen taking a larger interest in and a more active part in government at all levels. He urged his listeners, however, to be certain of a more positive approach. "Too many contacts with government are made in support of a local project or in opposition to a program without offering a substitute," the former congressman said.

"Our motto might be to pick the smallest unit at home and help it do its job," Kilgore added.

Kilgore added that "too many practitioners about state rights and ignore state responsibilities."

He suggested a re-evaluation of "our responsibilities as citizens" and emphasized taking a "reasoned approach to government." "We should be determined to make it a government of all the people —

not a lackey of some and a nemesis of others," Kilgore stated.

"Government is either what we let it be or what we make it," Kilgore concluded. "The choice is clearly ours."

First Of Three Sessions

In summing up, moderator E. H. Danner of San Angelo said that if businessmen would "get the facts, evaluate them and take a positive stand, you are more apt to be heard and to be effective," in their relations with government officials.

Approximately 450 persons from a wide area of West Texas attended the first of three Infocade forums. A second was held Thursday in Plainview and the third was held in Fort Worth Friday.

McKaskles Visit In Louisiana

Mr. and Mrs. Ezell McKaskle spent several days in Louisiana last week and reported they encountered much rain all areas east of here.

Mrs. McKaskle said the azaleas were in full bloom in Baton Rouge, and the sight was "perfectly beautiful."

They spent one night in Shreveport with Mrs. McKaskle's brother, J. H. Maricelli, and then went to Baton Rouge to visit her sister and her husband, Dr. and Mrs. W. E. Bernard.

Mrs. Minnie Maricelli, mother of Mrs. McKaskle, returned home with them for a visit.

Quito, Ecuador, has a 281-mile stretch of railroad that takes 40 hours to cover because loops, zigzags and switchbacks.

Rebekahs Hold Regular Meet Monday

Mrs. Granville Graves, noble grand, had charge of the Stanton Rebekah Lodge meeting Monday night at the Oddfellow Lodge hall.

A report of 19 visits were reported. The group voted to discontinue the traveling gift drawing each meeting night.

Mrs. John Wilkes, Jr., lodge deputy, announced that she will hold a school of instruction Monday night, April 5, during the lodge meeting. All members are urged to attend.

Mrs. Loyd Hasting received her commission as District President of District 88. Mrs. Fannie Graves, chaplain, gave the closing prayer.

Attending were: Mrs. C. S. Bevers, Jr., Mrs. C. E. Christopher, Mrs. Mason Coggin, Miss Sammie Laws, Mrs. Clayton Burnam, Mrs. Loyd Hasting, Mrs. John Wilkes, Jr., Mrs. Fannie Graves, Mrs. Granville Graves, and Mrs. Walter Graves.

Stanton SHS Activities

At the University Interscholastic League literary contest held in Plains on Saturday, March 27, Beth Biggs won third place in prose interpretation; Beth Biggs and William (Butch) Robnett, won third place in spelling and plain writing; Linda Costlow won a fourth place in typing, and Mary Stroud won sixth place in typing.

—SHS—

Citizens of the Month for the month of March, were Reba Ringener and Wayne Bradshaw.

Two students, a boy and a girl, are chosen each month for this honor. The Student Council has a committee which nominates four boys and four girls each month, and to be eligible, they must be courteous, honest, alert, respectful, ambitious, conscientious, tactful, energetic, and resourceful. From the nominees, the faculty selects the winners by secret ballot.

Each month the Lions Club recognizes the citizens of the month, by entertaining them at their luncheon meeting.

The Smithsonian Institution was founded Aug. 10, 1846.

Preceptor Mu Hosts Chapters

The Preceptor Mu Chapter of Beta Sigma Phi was hostess to all chapters of Beta Sigma Phi of Stanton on Thursday night, March 18, at the Cap Rock Auditorium for the annual Spring Book Review. Joyce Woody, president of Preceptor Mu, reviewed "The Snake has al lthe Lines," by Jean Kerr.

Previous to the review, all chapters met for regular business sessions. Preceptor Mu members made final plans for awarding the scholarship they give annually to a deserving girl graduate from our local high school, elected the new slate of officers for the coming year, and planned for the Order of Rose degree they will confer on three of their members who have become eligible this spring.

Officers for the new year will be: Mary Prudie Brown, president; Marie Woody, vice-president; Sammie Laws, secretary; Mary Grace Latimer, treasurer; Gerry Grace, extension officer; Jendo Turner, Civil Defense officer; Joyce Woody, Jendo Turner, and Marie Woody, delegates to City Council.

The host chapter served refreshments from a St. Patrick's decorated table to guests. There were about 40 members in attendance.

Preceptor Mu members present were: Mary Kathryn Bristow, Mary Prudie Brown, Sammie Laws, Mary Grace Latimer, Irene Long, Mamie Roten, Polly Talton, Jendo Turner, Pauline Woody, Joyce Woody, and Marie Woody.

Methodist Church Activities

The Woman's Society of Christian Service, Circles I and II, met Monday, March 29, in the parlor of First Methodist Church for the last session of the study of Genesis, and for a social hour.

Mrs. Martin Gibson presided in the absence of Mrs. Cecil Bridge.

Mrs. Edmund Morrow gave the opening prayer.

Mrs. G. W. Alsup was presented a life membership pin.

Mrs. James Jones conducted a question and answer period, and a game using words and names found in the study of Genesis.

Refreshments were served to Mmes. Jesse Burns, A. J. Stallings, Martin Gibson, Dewey Williams, Eddy Butler, James Jones, Evelyn Woodard, James Biggs, John Poe, Edmund Morrow, Aaron Donelson, O. B. Bryan, G. W. Alsup, Bill Rhodes, Billy Morrow, Tom E. Angel, and Bob Cox.

Although Germany ranks only 15th among the wine-producing countries of the world in quantity, German wines share top position for quality with those of France.

Legislative Status Of The Major Issues

Here is the status of some of the major issues of state-wide interest after 10 weeks of the 59th Legislature:

Lowering voting age to 19 (HJR40) — On House debate calendar, House failed once to advance.

Poll tax repeal (HJR13) — On House calendar, House failed once to advance.

Voter registration (SB412)—Senate committee approved.

Water development bonds, \$100,000,000 (SB144) — Senate passed.

Equal rights for women (SJR6, HJR6) — Senate measure given preliminary approval then returned to committee; House measure failed to advance.

Non-resident members of college boards (SJR17)—Senate committee approved.

State Committee on Aging (SB12)—Senate passed.

Putting all counties under Parks and Wildlife Department (SB134, HB414)—Senate bill refused debate by Senate.

Criminal code revision (SB107)—Senate passed.

Building Commission reorganized (SB154, HB37) — Senate bill approved by Senate committee; House bill passed House.

Transfer Migrant Labor Council to Good Neighbor Commission (SB179)—Senate passed.

General appropriations bill (HB12)—In conference committee.

College student loans (HJR11)—Approved by House, approved by Senate in amended form and returned to House.

Three college system (SB415, HB872, SB416, HB13)—All in committees.

Increase Senate to 39 members (SJR41)—Senate approved.

Four-year terms for governor, other state-wide officials (SJR14)—Senate approved.

DEKALB

302 STORM PROOF Cotton New Vigor—Yield—Quality

Here's a strain-cross developed especially for areas where a definite storm proof boll is desired. Medium height, erect, plants have short branches and great uniformity. Hybrid vigor makes 302 somewhat earlier than standard storm proof varieties. DeKalb tests show substantial increases in lint yield over most popular varieties, under both irrigation and favorable dryland conditions. Be sure to try this fine variety.

Home Demonstration Club Activities

The Courtney Morning Home Demonstration Club met in the home of Mrs. G. P. Harrell March 25. Seven members answered the roll call with "What Physical Fault Did We Correct?" Mrs. Norwood Holloway, president, presided over the business meeting. Mrs. Donnie Jones gave the council report and announced that all Martin County home demonstration clubs would participate in the Cancer Crusade. The Courtney Morning and Courtney clubs will sponsor an activity night at the Courtney gym on April 9 for the cancer crusade fund raising. It was also reported that there is a drive to collect 150

4-H'ers Hold Electric Lamp Clinic

Thirty-one 4-H Club members and parents attended the electric lamp clinic, which was held Saturday at the courthouse.

The 4-Hers constructed table lamps from kits furnished through Texas Electric Service Company. Russ Hudspeth of the Midland office, gave instructions in assembling the lamps and lacing the shades.

Tim Bristow, local 4-H Club member who has been working with the younger members, assisted Hudspeth and County Agent Bob Johnson.

HOUSING AUTHORITY OF THE CITY OF STANTON) CONDEMNATION) PROCEEDINGS) BEFORE) SPECIAL COMMISSIONERS) APPOINTED BY JUDGE) OF MARTIN COUNTY,) TEXAS, COUNTY COURT)
 VS.
 H. A. HARALSON
 THE STATE OF TEXAS
 TO: H. A. Haralson, who was also known as H. A. Harleson, if living; and if Deceased, his Heirs and unknown Heirs

YOU are hereby commanded to appear at the hearing before the Special Commissioners appointed by the Judge of the County Court of Martin County, Texas, to assess the damages occasioned by the condemnation of the hereinafter described property, and to appear and answer in said Proceeding at the office of the County Judge in the Martin County Courthouse in the City of Stanton Texas, at 10:00 o'clock A. M. on the first Monday after the expiration of forty-two (42) days from the date of issuance hereof, that is to say, 10:00 A. M., on Monday the 26th day of April, 1965, and answer the petition of the Housing Authority of the City of Stanton, Plaintiff, in the suit styled "Housing Authority of the City of Stanton vs. H. A. Haralson," wherein the Housing Authority of the City of Stanton is Plaintiff, and H. A. Haralson, whose place of residence is unknown, is Defendant, which petition was filed with the Judge of the County Court of Martin County, Texas, on the 12th day of March, 1965; and the nature of which suit is as follows:

The suit is a Proceeding in Eminent Domain in which the Housing Authority of the City of Stanton is condemning, at the request of its Board of Commissioners for public purposes, to-wit: For the purpose of constructing, erecting, maintaining and operating certain housing units for families of low income by the Housing Authority of the City of Stanton, the following described tract of land situated in Martin County, Texas, to-wit:

All of Lots 1, 2, and 3, Block A-24, East Addition, an Addition to the City of Stanton, Martin County, Texas.

You are notified that the said hearing has been set for the 29th day of April, 1965, at 4:00 o'clock, P. M., at the County Courtroom in the Martin County Courthouse in Stanton, Texas, and to appear at same and present such evidence as you may wish. You are further notified to appear and answer

books of S&H green stamps to be redeemed for books for the library, valuing \$300.

A program on landscaping was presented by Mrs. Homer Henson.

Refreshments of coffee and cake were served. Mmes. Weiland and Atchison, Bobby Campbell, G. P. Harrell, Norwood Holloway, Donnie Jones, and Sue Stroud; a guest, Lois Bohannan, and the hostess.

The Koffee Kup Club met March 25 at the home of Mrs. Bobby Bryan.

A program on clothing tips was given by Mrs. Mildred Eiland, county home demonstration agent.

Members present were: Mmes. Homer Hull, Johnny White, Wayne Petree, Udell Morris, Bobby Bryan, Stanley Barnes; guests were Mrs. Bill Rhodes, and Mrs. Eiland.

The next meeting for the club will be on April 7 at the home of Mrs. Bob Cox, when a program on good grooming will be given by Mrs. Glenn L. Brown.

wer said petition on or before the 26th day of April, 1965, at 10:00 A. M. If you desire to appear and answer before said date of April 26th, 1965, do so at the office of the County Judge of Martin County, Texas, located in the Courthouse in Stanton, Texas.

The interest of said H. A. Haralson, whose place of residence is unknown, and his heirs and legal representatives, if any, is that he either owns or claims an interest in said property, subject to unpaid accrued taxes and other liens.

If this Citation is not served within ninety (90) days after its issuance it shall be returned forthwith.

GIVEN UNDER OUR HANDS at Stanton, Martin County, Texas this 12th day of March, 1965.

Philosopher Doubts Man's Interest In Space Will Dampen His Interest In Himself

(Editor's note: The Martin County Philosopher on his grass farm on Mustang Draw looks at one aspect of space exploration this week.)

Dear editor:

During the flight of the two astronauts around the world which I watched from start to finish on television—I didn't use the occasion to take off from work because it was something special, I'm way ahead of most people, I didn't have to wait till space exploration arrived to take off from work, been doing it for years on my own—a television commentator came on and told how such exploits are widening the horizons of man and making earthly feats seem commonplace.

He seemed positive that the wonders of the earth are losing out to the wonders of space, that hitting an exact spot on the moon with a television camera-bearing rocket or maneuvering a rocket ship around in space and bringing it down where you want to will dampen man's interest in the ordinary things.

I'm afraid the moonbeams have gotten him. As exciting as it is to see man explore space, a fire down the street will still outdraw a moonshot, a rain when you need it is more exciting than finding out how deep the lava dust is on Mars, a wreck still stops traffic on the highway, a fist fight in the stands

Study Club Represented In Ft. Stockton

Mrs. L. D. Snell and Mrs. Glenn L. Brown represented the Stanton Study Club at the 29th annual convention of the Western District, Texas Federation of Women's Clubs, which was held at the high school building in Fort Stockton on March 24-25.

Mrs. Dee Locklin, district president from MaCamey, presided at the convention.

The main address was given by J. L. Ginnings, state president from Pilot Point.

Luncheon was served in the high school cafeteria.

Fashions of the past and present were shown to the group assembled.

Cash dividend payments by companies with common stock listed on the New York Stock Exchange advanced to a record high of more than \$13 billion in 1964. An impressive gain of 11.5 per cent was registered over dividends paid by the same companies in 1963.

Understand, I'm in favor of all this exploring, let's not stop, but is it true they're coming out next year with a car without a steering wheel? Yours faithfully, J. A.

The Launching Pad

By NEAL ESTES

SEVERAL West Texans can soon claim to be graduates of a university instead of just a college, that is, if HB 333 become law. The Texas Senate passed and sent to the governor a bill changing the name of EAST TEXAS STATE COLLEGE to EAST TEXAS STATE UNIVERSITY. SEN. RALPH HALL of Rockwall sponsored the measure. The bill, when signed, will find such local citizens as B. F. WHITE, PHILIP WHITE, A. C. FLEMING, their wives, and a lot of others here proud of their ex-student status. Your editor won a degree in Business Administration from EAST TEXAS several years ago. The school is located in Commerce, Texas, to us, one of the garden spots of America.

AN un-American boycott has been threatened on all products made in Alabama by MARTIN LUTHER KING. Boycott is out of the handbook of Communism. Boycott is the weapon of JIMMY HOFFA'S gang. Boycott is as unpatriotic and as dangerous as the deadly strike of a rattlesnake. PRESIDENT JOHNSON has been patient with KING and the federal government has spent a half million dollars to pacify his foolish fancy to clutter up Highway 80 from Selma to Montgomery by using troops. Then KING continues to harass the nation with angry threats. He has the Civil Rights bill — he is surely going to get the voting bill. No intelligent person wants to deny the right of any citizen to vote who is qualified to cast a ballot regardless of his race or color. But we must guard against the creation of blocks of illiterate votes that a man like KING could control. There are a lot of illiterate whites who should not be given the right to vote either—and they don't all live in the Deep South. Texas and this very community has witnessed some shameful voting tactics at the polls in the past. Evidence of these irregularities are in a position to be produced. It is hoped our elections all over the nation can be maintained and conducted on a high plane of honesty. Back to KING and his boycott threat—if that happens then it is high time that the administration stepped in and declared a national holiday of marches, etc. If FDR could close the banks to solve the financial problem back a few years ago — then LBJ has the power to "close the marches and the boycotts" until states and Congress have the unhurried and required time to help solve many of our economic and social problems.

Mr. Neal Estes
The Stanton Reporter
Stanton, Texas
Dear Mr. Estes:

I would like to thank you for making the weekly cotton quality and market information, supplied by the Abilene Cotton Classing Office, available to the cotton farmers in your area. Without your help, it would be practically impossible to get the information to each farmer.

Our field representative said numerous comments were received from farmers, gin personnel, and other people associated with the cotton industry, expressing their appreciation for the information. The articles were received by more people and received more often than ever before.

Anytime you feel the articles can be improved or altered to better fit your particular need, we will appreciate hearing from you. Thank you. Sincerely yours, B. B. Manly, Jr.

4-H Favorite Food Show Held In City

Martin County 4-H Favorite Food Show was held Saturday, March 27, in Cap Rock Electric auditorium.

Twenty-six girls exhibited their favorite foods on an appropriately set table, which included: table appointments for food to be served, color scheme, table decoration, setting correct for food exhibited, and the day's menu, including all the foods needed daily. Each exhibitor was questioned by the judges as to their knowledge of foods and nutrition.

The two top senior and two junior girls will attend the district show in El Paso on April 10.

Senior winners were: Cathy Hazelwood, daughter of Mr. and Mrs. Cliff Hazelwood, Jr.; and Luan Louder, daughter of Mr. and Mrs. Billy Louder. Junior winners were: Deborah Hazelwood, another daughter of Mr. and Mrs. Cliff Hazelwood, Jr., and Cindy Avery, daughter of Mr. and Mrs. Billy Avery. Alternate chosen was Beth Holcomb, daughter of Mr. and Mrs. Don Holcomb.

Blue ribbons were won by Patricia Haislip, Luan Louder, Doris Howard, Deborah Hazelwood, Cindy Avery, Suzanna Brown, Patty White, Vickie Glynn, Cathy Hazelwood, and Beth Holcomb.

Red ribbon winners were: Terry Hazelwood, Rosalyn Louder, Diane Mims, Judy Mims, Bonnie Hill, Rita Jones, Debra Holloway, and Charlotte Martin.

White ribbons were awarded to Sherry Hankins, Donna Ringener, Cindy Wheeler, Twila Stallings, Carolyn Holloway, Vick Graves, Elizabeth Flanagan, and Mary Sue Mashburn.

Seven made individual entries just showing their food. They were: Catherine Pickett, red ribbon; Dennis Jones, red ribbon; Brenda Holloway, blue ribbon; Vickie Glynn, blue ribbon; Cindy Avery, blue ribbon; Charlotte Martin, blue ribbon, and Jackie Jones, blue ribbon.

Judges were Mrs. John Rouché, Mrs. Gordon Stone, Mrs. P. M. Bristow, and Mrs. Leo Turner, assisted by Betty Langston.

Cindy Pickett registered the entries and directed recreation. Mrs. Mildred Elland outlined the purpose of the show to those attending, while the judges visited with the contestants.

Recipe Submitted By
Deborah Hazelwood
CHICKEN CHILI

2 fryers or 1 large hen
2 large onions
2 small cans chili
½ lb. grated cheese
1 No. 2 can tomato juice
1 cup cream or canned milk

Stew fryers or hen. Cool. Remove skin and pull meat from bones. Sauté onions in ½ cup margarine until golden brown. Add chili and chicken; simmer until all is thoroughly hot.

In double boiler, place the grated cheese, tomato juice, and milk. Heat until cheese melts.

In large casserole put layer of tostados, then layer of chicken mixture. Pour cheese

Our Subscription Honor Roll

Mexico, U. S. Consider New Bracero Program

Mexico has begun negotiations with the United States aimed at pinpointing the conditions under which Mexicans could work on U. S. farms.

Mexican Foreign Minister Antonio Carrillo Flores has said that the negotiations are being carried on in Washington by Undersecretary Gabino Fraga.

It is hoped that an exchange of notes will result from the talks, Carrillo Flores said.

He said there were indications that the U. S. government would be asking for Mexican workers soon, particularly in California.

He repeated the previously state Mexican position that it is disposed to authorize the departure of Mexican workers under satisfactory conditions.

Those conditions include guarantees that the Mexicans would receive the same salary as U. S. workers and some assurances from the U. S. government that their working and living conditions would be controlled.

The program under which thousands of Mexicans went to work on U. S. farms each year expired at the beginning of 1965.

Screwworm Program To Continue

The Martin County Screwworm Eradication Committee has laid plans for this county's participation in a concentrated drive to raise \$300,000 from the Texas livestock industry for the Screwworm Eradication Program.

"The goal for our county is \$500," according to J. C. Sale, who is chairman of the local committee. He pointed out this goal can be attained if every farmer and rancher will contribute on the basis of 10 cents per animal unit. An animal unit consists of one dairy or beef animal, or one horse, or five sheep, goats, or hogs.

The fund drive began Monday, March 29, and will be concluded Monday, April 12. A meeting of all Texas county committee chairmen in Austin, Friday, March 26 officially kicked off the drive.

Livestock producers can leave their contributions at Martin County Farm Bureau office or Chamber of Commerce. Donations can also be made to members of the screwworm eradication committee, who include: Owen Kelly, Joe Mabee, Bob Cox, Bob Hill, W. D. Bryant, and Gerald Hanson.

Necessity for additional producer funds was announced earlier this month by the Southwest Animal Health Research Foundation which, along with the State of Texas and the U. S. Department of Agriculture, is conducting the eradication program.

The program needs approximately \$11 million to operate through April, May, and June, Sale explained. The Texas Legislature has already voted \$250,000 and Congress is expected to appropriate \$550,000 for the three-month

mixture over this. Continue with layers ending with tostados.

Heat in moderate oven (375 degree F.) until bubbly hot.

Lubbock Man To Conduct Sermon Series

Seventy Jack T. Fears of Lubbock, will speak at a series of meetings at the Stanton branch of the Reorganized Church of Jesus Christ of Latter Day Saints beginning Sunday, April 4, and continuing through Sunday, April 11. Services will be held at 11 a.m. and 7:45 p.m. on Sundays and at 7:45 p.m. at all week-day services.

Reverend Fears is presently serving as missionary in the Western Texas district, and is unorganized areas in New Mexico. He was assigned to this field of his church by the 1964 World Conference.

A native of Biggers, Arkansas, he was graduated from high school at Poplar Bluff, Missouri, and went to Graceland College, Lamoni, Iowa. He has been a full-time minister since 1961.

Douglas Church, pastor, issues a special invitation to all to attend these services.

Sale Says Life Insurance Sales Show Increase

Southwestern Life Insurance Company had the greatest growth year in its 62-year history in 1964, according to J. Woodford Sale, Southwestern Life representative in Stanton.

The company's 62nd Annual Report just received by Sale from company president W. Dawson Sterling shows new all-time highs for new insurance sales, assets, insurance in force, benefit payments and investments. Sterling advised Sale that business produced by Southwestern Life's representatives in this area made a significant contribution to the firm's record year.

"Together, all of the new growth records mean greater security than ever before for our hundreds of thousands of policyholders," Sterling said.

New insurance sales broke the half-billion dollar mark to total a record - breaking \$559,030,965 for the year, a 26.7 per cent increase or \$117,749,981 over the previous year.

Insurance in force advanced to a record of \$3,316,391,978, reflecting a 1964 gain of \$282,640,791 — the largest single-year increase ever accrued from new sales.

The company's assets, representing in large measure policy - owners' savings held

for future payment, passed the three-quarter billion dollar level in 1964 and at year end totaled a new high of \$753,492,865, an increase of \$48,953,419 for the year.

Benefit payments to policyowners and beneficiaries reached a record \$54,393,729—an average of \$214,000 paid each working day during the year. Living policyowners received nearly two-thirds of the record benefit total as proceeds from matured endowments, college educational plans, annuity payments, disability payments, cash value benefits and health insurance benefits.

New investments made by the company during 1964 hit a new record total of \$84,916,873, with more than \$40 million of this amount going to help families finance the con-

struction and purchase of homes.

Under the company's "Plan for Progress" seven new branch offices were opened during 1964 across the firm's 22-state and District of Columbia operating territory — in Oakland and San Jose, California; Atlanta, Georgia; Jackson, Mississippi; Nashville, Tennessee; a second branch in Houston, Texas; and a third branch in Dallas. Also a regional office was added in Los Angeles.

The report also spotlighted the company's move into its modern new home office building during September last year. Located at Ross Avenue and Akard Street in downtown Dallas, the new building is especially designed for functional efficiency and features the latest in facilities and equipment.

Belvue Motel And Restaurant Now Under New Management

The well known and highly patronized Belvue Motel & Restaurant, located six blocks north of Highway 80 on Highway 137 in Stanton is now under new ownership.

Mr. and Mrs. C. W. Moseley announced the complete purchase and control this week and the popular eating establishment has been under their management and personal supervision for several weeks prior to the purchase from the Ray Kellys.

The Moseleys are already well known here. They have had the restaurant leased for sometime. The native West Texans will continue to bring fine food to the tables for their customers and the modern Belvue Motel will be maintained on the same high plane it has been operated on.

The Moseleys invite their freinds and patrons to come in and visit them anytime they can be of service.

PERSONAL Note To BOB WHITAKER over in Arkansas. In keeping with a promise to you we wish to advise that Stanton and area received some drizzling moisture here Tuesday night late and early Wednesday morning. But no soaking rain. It's cloudy today and we could catch some moisture Thursday. We might be further encouraging and say that conditions are right for moisture at this time. In the language of the typical Washington politician these days we might say: "Conditions in this area are such that we are hopeful that the community will survive the situation in such a manner that none can say by going all-the-way with LBJ we wind up in FHA."

NEAL'S NUGGET: In a personal crisis the best friend you can have in addition to your preacher, minister, rabbi, or priest, is your local editor. Think it over.
