ment is not a wet-anddry issue because the sale of alcohol has already been sanctioned by a ma jority of the residents of the state; also, a non-binding referendum during the 1968 primary elections resulted in a 40,000-vote margin for mixed beverages out of a total vote of 1.4 million. "2. the proposed amend-

ment would not force mixed drinks on any locality since it requires that any mixed-drink law be on a local option election basis. "8. Adoption of the proposed amendment and passage of subsequent enabling legislation would lead to stricter control of liquor sales to minors, and end to the subterfuge of private clubs, a decrease in alcohol consumption, a reduced crime rate, and fewer traffic accidents."" The following arguments

against are taken from the same publication of the Texas

"1. The proposed amendment would make alcoholic beverages more readily available

"2. The proposed amendment would lead to an increase in crime and in traffic deaths.

"3. Although enabling legislation for the proposed amendment could be designed to raise needed new revenue through the taxation of mixed beverages, this revenue would be negligible in comparison with resulting problems such as broken homes, juvenile delinquency, drunkdriving, criminal assaults, and other crimes." 6-THE STANTON REPORTER, THURSDAY, OCT. 22, 1970

The Launching Pad By NEAL ESTES

T met an old friend who is running for public office over the Midland County way in a store there the other day. Naturally, those of us who know and appreciate the many fine qualities of JOYCE CLARDY MOORE want to see her elected to the office she is seeking on the GOP ticket. JOYCE is a very capable individual, owns a good business head, and is gifted with lots of personality. She is the daughter of the late CARL CLARDY and LELIA CLARDY BASSHAM. She is the wife of JAY MOORE, independent oil man and the mother of four splendid children. Good luck to you JOYCE in your campaign as a candidate for district clerk.

Triends of CLAUDE NOWLIN will be glad to learn that he is home from a hospital in Big Spring after undergoing surgery. NOWLIN will be out of his office at ALSUP CHEVROLET for the next few days while recuperating at his home. MRS. NOWLIN advised the press that her husband was dismissed from the hospital the past Saturday afternoon.

DEGGYE SORLEY joins the editor as a column writer in this issue of the newspaper. PEGGYE is a very smart girl and knows a lot of people in Martin County. She is going to endeavor to write her special signed bit for the paper every week, so if any of you gals out there in our vast readerland have some interesting little bits of news interesting particularly to the ladies, please telephone PEG. She will appreciate it.

Chamber of Commerce officials have reported that LYNDA BESS ANGEL is holding down the desk in the C. of C. since MRS. F. C. WHEELER resigned. LYNDA is a very talented young matron and the columns of the county newspaper are open to her anytime she has some community news concerning the activities of the chamber.

DR. LELAND NELSON, his wife, NORMA, and their daughter, DEBBIE, visited friends in Stanton Sunday. They stopped by the editor's home before returning to Lubbock. DR. NELSON has a very good practice going in the Hub City and has acquired a pilot's license since leaving Stanton. NORMA says she is going to learn to fly too and if she puts her mind to it there is no question in my mind but what she will succeed. DEB-BIE is a senior in Lubbock this year and is a natural beauty. The NELSONS are some of our favorite people and it is nice to know that many of the good blessings of this life continues to fall upon them.
