Cap Rock Electric To Sponsor Contest

All-expense-paid trips to the nation's capital city will be awarded winners of an oratorical contest sponsored by Cap Rock Electric Cooperative, Inc.

The contest is open to any boy or girl at least 16 years of age, but not 18 years of age, prior to September 1, 1972. The winners will join winners of similar contests sponsored by other electric cooperatives across the state on the eighth annual Texas Electric Cooperatives Government-in-Action Youth Tour to Washington, D. C. All expenses of the 12-day trip, beginning June 9, will be paid by Cap Rock Electric Cooperative.

Each entrant will be required to give a five-to-eight-minute talk and answer one or more questions asked by the judges. The participants will

Lions Club Plans Membership Drive

The Stanton Lions Club met Tuesday and discussed plans to get a membership drive underway. Twenty-eight members were present for the meeting.

The club members present also discussed sponsoring the Merlin Mystery Show. The show will be held Monday night, January 10, in the High School Auditorium. Curtain time is 8:00 P.M. Advance tickets are now on sale for \$1 for adults and children. At the door, \$1.50.

Will Seek Re-Election

Eldon Welch formally announced to the Reporter Tuesday that he would seek re-election as County Commissioner for Precinct 3.

Eldon expressed appreciation to the people of his precinct for their support and cooperation during his term as Commissioner. "I pledge to serve the people's best interest. I would appreciate everyone voting for me and re-electing me as their Commissioner," Eldon stated.

be judged on the basis of (1) knowledge of subject - 40%; (2) speaking ability - 30%; (3) poise - 10%; and (4) appearance - 10%.

Interested young people may obtain an official entry blank from their high schools or the offices of Cap Rock Electric Cooperative, Box 158, Stanton. Entry forms must be received no later than February 11.

Winners of the local contest will travel by chartered bus to Washington, D. C., where they will spend four days visiting places of historical interest and seeing the government in action.

On Wednesday, June 14, the Texas group will meet more than 1,000 students from other states on Rural Youth Day Activities. This eventful day will end with a chartered cruise down the Potomac River, which will include entertainment and refreshments.

Also included on the agenda will be visits to George Washington's Mount Vernon home, Arlington National Cemetery, the U.S. Department of Agriculture, the Smithsonian Institute, Lincoln Memorial, and other places of interest.

DPS To Sponsor Drug Clinic

The Department of Public Safety, County sheriff's office and City Police have planned another program on Narcotics for January the 10th. The program will be open to everyone.

The program is designed to inform the public on the dangers of drugs, the source of drugs, and how to detect a user of drugs. Other important areas will be discussed during the program.

Keep this program in mind, and try to attend. The time for the program is scheduled for 7:00 p.m.

FRESHMAN CLASS OFFICERS—Elected as Freshman class officers for the 1971-72 school year are: l to r, Jeanne Ramos, secretary; Ronny Dickson, president; Karla Kregg, treasurer, and Bruce Stanley, V. P.

Graduate Center Now Registering

The Permian Basin Graduate Center (PBG) has announced plans to offer 35 spring courses—25 of them for credit, the others for technical know-how improvement—beginning in January. Executive director Pat Beck said interested persons may obtain complete schedules and information about all courses from the Graduate Center offices, 105 Gulf Building, P.O. Box 1518, 563-2311.

Pre-registrations will be accepted beginning January 3, and formal registrations will be conducted Jan. 12-13 in Midland, Big Spring and Odessa.

What's Happening

The Martin County Livestock Show will be held January 14 and 15.

The Great Merlin Will Perform Here

Awe, skepticism and bewilderment are just some of the thrills in store for those who attend the performance of The Great Merlin Mystery Show.

Are there really such powers as E.S.P., mental telepathy and clairvoyance? Can the veil of future be lifted so that we can catch a glimpse of the unknown? Merlin has amused and befuddled audiences for years by, among other things, reading the minds of people right in their own seats in the audience. It is said that Merlin's mental powers are 100 years in advance of our time. His demonstrations include the answering of questions submitted to him by people in the audience. Apparently he receives the questions as a form of mental vibration and then answers the questions according to visions that he sees in a crystal ball. Merlin absolutely disclaims any supernatural powers and answers questions, as he says, simply through extra-ordinary development of his natural psychological faculties. Of course this may be perfectly natural for Merlin but absolutely supernatural for others less wonderfully endowed.

Merlin will also present many of his famed hypnotic demonstrations including mass hypnosis using volunteers from the audience. He will cause a person to become intoxicated on a glass of ordinary water, another to eat an onion be-

lieving it to be a peach. Those who volunteer to be hypnotized will feel the weather change from 40 degrees below zero to 120 degrees above zero, all of the twinkling of an eye. After it's all over, the volunteers remember the demonstration as though it had taken place in a dream. Merlin who often hypnotizes individuals with a single glance, claims that if you can concentrate he can read your thoughts and hypnotize you. Curtain time is 8 P.M. at Stanton High School Auditorium, January 10. The program is being sponsored by the Stanton Lions Club.

Annie R. Miller Funeral Held

Funeral services were held Thursday for Mrs. Annie R. Miller, 86, 206 S. Washington, who died Tuesday at 5:30 p.m. at her home.

Mrs. Miller was born February 26, 1885, in Lampassas, but moved to New Mexico with her husband in 1918. They first lived on a ranch near Elkins, but moved into Roswell in 1924.

She was the wife of the late Adam B. Miller, prominent rancher in Chaves County and brand inspector of the New Mexico Cattle Sanitary Board for many years.

Mrs. Miller was active in the First United Methodist Church of which she was a member and in the Roswell Chapter No. 10 of the Order of Eastern Star.

Mr. and Mrs. Miller were married in March 20, 1902, in Stanton. Mr. Miller died in 1957.

Survivors include a son-in-law, Roy Flood, a daughter, Mrs. Beth Daugherty, Roswell, a daughter-in-law, Mrs. Flora Huff Miller, Roswell, eight grandchildren and 17 great grandchildren.

A son, George W. Miller, and a daughter, Addie Miller Flood, preceded Mrs. Miller in death.

Services were at the Ballard Chapel with Dr. Austin H. Dillon, pastor of the First United Methodist Church, officiating. Burial was in the Miller family plot at South Park Cemetery.

Casket bearers were A. L. Daugherty, Bob Daugherty, George Daugherty, Herb Ford, Wyman Akin and Ben Garrett. Honorary bearers were Harold Smith, Kary Wall and Fred Van Eaton, both of Elida. Bob Mitchell, Ray Van Eaton, Luke Cullins, Joe Nicholas, Dr. U.S. Marshall, Col. E.L. Lusk, Jim Uliery and Frank Farhender.

Motor Vehicle Owners Will Receive Renewal Notices

AUSTIN — If you own one or more of the more than seven-and-a-half million motor vehicles in Texas, some important mail is coming your way.

The first of 7.5 million renewal applications from the Motor Vehicle Division of the Texas Highway Department were dispatched from the Post Office's facilities in Dallas on Friday, December 31.

Owners of motor vehicles should be receiving the renewal applications — for obtaining 1972 Texas license plates—early in January.

The actual motor vehicle registration "season" at county tax offices does not begin until February 1.

However, vehicle owners may go ahead and order their license plates by mail immediately.

All that is required is to send the entire application, the registration fee and \$1 for each vehicle to be registered to the local county tax office. License plates will be returned by mail after registration begins formally on February 1.

Vehicle owners should allow at least 30 days for processing and delivery. The application should be sent to the local county tax office — not to the Texas Highway Department.

License plates can be obtained in person at county tax

offices and designated substations beginning on February 1.

In any case, registration will go faster if the owner leaves the three-part form intact and does not separate

any of the three parts. Complete, easy-to-follow instructions are contained on the envelope.

Deadline for displaying 1972 license plates is midnight, April 1.

Deputy Resigns

Sheriff Dan Saunders announced that Deputy G. B. Therwhanger resigned from his department effective January 1, 1972.

Therwhanger resigned to take a job with Fort Worth Oil and Gas. Therwhanger had

been with the Sheriff's Department here for eight years and Saunders praised his work and investigative ability.

No replacement has been named for Therwhanger, however Saunders said he had several applications.

New Year's Resolution

By Jan Mc Elrath

What will yours be? I guess everyone makes at least one each year. But, how many of us keep them. Every year should make their new year's resolution a challenge

for '72. They should take their resolutions and set them as a goal to be achieved.

People need to strive for something. They need a reason to live, to work, and to be happy. We each need to work for a goal so that we can feel that we are doing our part to help our community grow.

When a person quits, he hurts only himself. Most people could care less if you graduate from high school, go to college, find a steady-paying job, and make a success out of your life. Your will to achieve is the push from behind, the pull in front, and the steady movement of your life.

MICHAEL J. SPRINGER
Baylor Graduate

Michael Springer Receives Degree

WACO—Michael J. Springer, son of Mr. and Mrs. Grover Springer of Lenora, received the B.A. degree in Religion from Baylor University.

Requirements for graduation were completed and degrees were awarded to 313 students Dec. 21, when the 1971 fall semester ended at Baylor.

The degrees conferred included 206 baccalaureate degrees, eight bachelor of music education degrees, four bachelor of music degrees, 61 bachelor of business administration degrees, 28 master's degrees, five doctorates and 1 nursing degree.

No public graduation exercises were held. The university's next official commencement exercises will come at the end of the spring semester. The December graduates are eligible to take part in those exercises.

Baylor students will return to the Waco campus Jan. 13, when registration begins for the spring semester.

Estimated Tax Due January 17

DALLAS — The deadline for final payment of 1971 estimated Federal income tax is Monday, Jan. 17, 1972. Ellis Campbell, Jr., District Director of Internal Revenue for North Texas, said.

Some persons may have to make an amended estimate by January if their income changed substantially during the last quarter of 1971. Space to compute an amended estimate is provided on the worksheet contained in the estimated tax package received by taxpayers for 1971.

Other taxpayers may have to file an original declaration on Form 1040-ES by January 17 if they just met the filing requirements during the fourth quarter, according to Mr. Campbell.

Payment of the last installment or the filing of an original or amended declaration otherwise due January 17 is not required if the taxpayer files his 1971 income tax return and pays all of his tax due by Monday, Jan. 31, 1972.

Due dates are different for farmers and commercial fishermen. Mr. Campbell said. Publication 505, "Tax Withholding and Declaration of Estimated Tax," furnishes additional information on this subject and may be obtained free, in person or by mail, from your IRS district office.

Texas Safety Association

DRIVE FRIENDLY takes on a new dimension as Jene Kincaid of El Paso makes a pointed plea for Texans to heed the message of the world's heaviest billboard. Erected during a highway construction project on Interstate Highway 10 in El Paso, the 210,000 pound steel beam billboard is 45 feet above the ground. Using the beam for the Drive Friendly message was the brain-child of J. D. Abrams, President of the El Paso Traffic Safety Council, who says that driving friendly means not driving while under the influence of alcohol or drugs.

Jan. 31 Deadline To File Taxes

DALLAS—Farmers have until January 31 to report Social Security taxes withheld from their employees' wages during 1971. Ellis Campbell, Jr., district director of Internal Revenue for North Texas, said.

The reports should be filed on Form 943, Employer's Annual Tax Return for Agricultural Employees.

Campbell said that any farmer who pays an employee cash wages of \$150 or more a year must withhold Social Security taxes. These taxes must also be withheld on wages under \$150 for any person hired 20 days or more a year.

For tax purposes, a farm employer includes anyone who furnishes and pays workers to perform agricultural labor on his behalf or for someone else. Campbell said a "crew leader" is an employer under this definition.

The 1971 Social Security tax rate is 10.4 per cent of the first \$7,800 of taxable wages (See TAX Page 2)

T. W. Bradshaw Gets Promotion

SEOUL, Korea — Troy W. Bradshaw, 23, son of Mr. and Mrs. Troy Bradshaw, Route 1, Stanton, Texas, recently was promoted to Captain in the Army Nurse Corps while assigned as a pediatric staff nurse at the U.S. Army Hospital near Seoul, Korea.

Captain Bradshaw entered the Army Nurse Corps in June 1968 and was last stationed at Ft. Bragg, N.C.

The Captain is a 1966 graduate of Stanton High School, and a 1970 graduate of Baylor University, Waco, Texas, where he received a B.S. degree in nursing.

His wife, Martha, lives at 3918 Junius, Dallas, Texas.

Social Security Visit Schedule

A representative from the Big Spring Social Security office will be in Stanton Monday, January 24, at 10 a.m.

Koonce Families Host Relatives

The Koonce families hosted relatives and friends from the Midwest and Texas during the holiday season. Mr. and Mrs. Winston Wheeler from Independence, Missouri, arrived before Christmas and remained until New Year's Day. Mr. and Mrs. Thadd Koonce and daughters, Shannon and Timberly, of Rochester, Michigan, arrived Christmas Day.

Those attending Christmas dinner at the home of Mr. and Mrs. Roy Koonce were Mr. and Mrs. M. L. Koonce; Mr. and Mrs. W. M. Wheeler; Mr. and Mrs. Gearl Koonce; Lee, Barbara, and Alan; Mrs. Helen Lancaster of Independence, Missouri, mother of Mrs. Gearl Koonce; and Mr. and Mrs. Thadd Koonce and girls.

Later on during the week, Mr. and Mrs. Howard Sakima of Big Spring visited in the Koonce homes. Mr. and Mrs. Lee Brice and son, Adam, of San Antonio, parents and brother, respectively, of Mrs. Thadd Koonce, arrived for a holiday visit and then Mrs. Koonce returned to San Antonio for an extended visit there.

Texas Highway Commission approved future revision of interstate highway routes in the Dallas - Fort Worth areas.

PTA People Taking Action—Where It Counts!

This youngster has just committed a crime at school. What happens to him when he is released is a concern of the National PTA and the National Juvenile Court Foundation. Together these organizations are working to establish a nationwide volunteer program for the juvenile courts.

It's as American as apple pie with a name that's become a household word. It's big enough to tweak the nose of the federal government, yet never forgets that its strength comes from grass roots America. It relates to the present and is flexing its muscles to meet the challenges of the future. It's PTA, people taking action where it counts.

With almost 10 million members, the National PTA is the world's largest volunteer action organization. During its 75-year history of working to provide quality living and quality learning for all Americans, some of the greatest accomplishments on behalf of children and youth have resulted from the work of the PTA.

In recent years, the National PTA has:

- Developed an action program for use by its 52 branches and 40,000 local units emphasizing drug abuse, education, environmental problems, human relations, poverty, disadvantage and hunger, and student unrest.
- Maintained a "volunteer lobby" in Washington, which not only works in behalf of education and matters pertaining to the welfare of all children, but also has been lauded for the instrumental role it played in the passage of the Drug Abuse Education Act.
- Created "Project PTSA," which converts high school PTA's into parent-teacher-student associations, to involve students in PTA work.

Backing up the work of the National PTA, state and local PTA's across the nation are channeling their concerns into action where it counts. Some of the exciting things happening in PTA's include:

- A student recently was elected president of a high school PTA in Hawaii.
- A midwestern PTA and local drug council co-sponsored a drug information conference which involved the total community, enlisted a well known television personality, and gained nationwide attention.
- A southern PTA set up an information center to facilitate accurate communication during a heated controversy centered around the bussing issue.
- A western PTA has a volunteer corps that runs an all-day, five-day-a-week study hall to which teachers may send students who need individual help.

"In the PTA we are people taking action," says Mrs. John M. Mallory, Endicott, N.Y., president of the National PTA. "PTA members turn anxiety into action and aspiration into achievement."

Membership in the PTA is through the local unit (local PTA) which is usually organized in a school, and is open to all persons interested in the welfare of children and youth. Nominal dues include membership in the local, state, and national organizations.

DON'T JUST SIT THERE... JOIN YOUR PTA!

Pollution, drug abuse, crime... those things don't affect people like this because they live in a snug little world, comfortably apart from what's happening today. It's a good thing there are others who do care... like the millions of PTA members who live in every state of the nation, working tirelessly for the welfare of children and youth. If you care about what's happening today and want to do something about it, join your PTA... people taking action where it counts!

New Traffic Laws

This is one of a series of articles furnished by the Texas Department of Public Safety on the traffic laws passed by Texas' 62nd Legislature.

Use of Multiple Beam Road Lighting Equipment

Whenever the driver of a vehicle approaches an oncoming vehicle within five hundred (500) feet or whenever the driver of a vehicle approaches another vehicle from the rear, within three hundred (300) feet, such driver

shall dim his head lights.

Windshields Must Be Unobstructed

No person shall drive a motor vehicle with any sign, poster or other nontransparent material upon the front windshield, side wings or side or rear windows of such vehicle which materially obstructs, obscures, or impairs the driver's clear view of the highway or any intersecting highway.

AVIATION PIONEER

AUSTIN — A collection commemorating one of the foremost pioneers in the world of aviation has been presented to The University of Texas.

Alberto Santos - Dumont (1873-1932) was the Brazilian pilot, designer and aeronautical scientist who is credited with the first officially recognized airplane flight over Europe in 1906.

The presentation was made on behalf of the Brazilian Air Ministry by Mrs. Anesia Pinheiro Machado of Brazil, who is herself a major figure in aviation circles, known as the "dean of women flyers in the world."

The Santos - Dumont Collection, which includes scale models of aircraft designed and flown by the aviation pioneer, slides, film and an official photographic portrait, will be on permanent display in the University's History of Aviation Collection, located in Room 20 of the Academic Center on the UT Austin campus.

Conservationists are calling for a minimum of 100,000 acres for a Big Thicket National Park in East Texas.

Mustang Soil Conservation News

How can livestock producers keep income from livestock as high as possible each year and at the same time increase the amount and quality of forage being produced year after year? To answer this question, it is necessary to carefully determine how many animals can be properly fed on the forage produced without over using the important grasses.

There are several ways to determine if there is a balance between livestock and forage. The best way is to watch what is happening to the important forage plants or key plants. The livestock operator should look for these "indicators" on the key plants and see if the plants are in balance with the livestock.

1. Do the plants appear vigorous and healthy?
2. Are the plants making growth commensurate with the moisture received?
3. Are many seedstalks being produced?
4. Are there seedlings and young plants of the important forage plants?
5. Are the key plants moving into the bare areas?
6. Is the litter building up to protect the soil from erosion and to help hold moisture?

Overgrazed rangeland can go only one way—down. A deferred rotation system can help improve the rangeland by allowing a systematic period of deferment or rest for each pasture.

Several farmers are drilling the turnrows and borders around their fields to reduce wind erosion. This is a very good practice and is gaining wide acceptance in this area.

At your service:

\$165 million that must go into new facilities in the next two years.

It's a lot of money, \$165,000,000. It's the amount that Texas Electric will have to spend for construction of new facilities in the next two years.

About \$100 million of this will have to be raised in a very competitive money market at a time when interest rates are much higher than they were a few years ago.

But it's what we must do

—to assist in the economic growth of our area;

—to help solve some of the environmental problems;

—and to avoid the causes of power shortages that have been experienced in other parts of the country.

Planning and building ahead to keep our system strong is one of our biggest responsibilities to you, our customers. It's what keeps us at your service.

Stanton Teams Begin Dist

Girls Win Big One Over McCamey

Monday night, December 3, the B-team girls played McCamey and nearly doubled their opponents' score to win 51 to 26. High point girls were Terresa Shoemaker with 14 points and Claudia Nichols with 14. The McCamey high

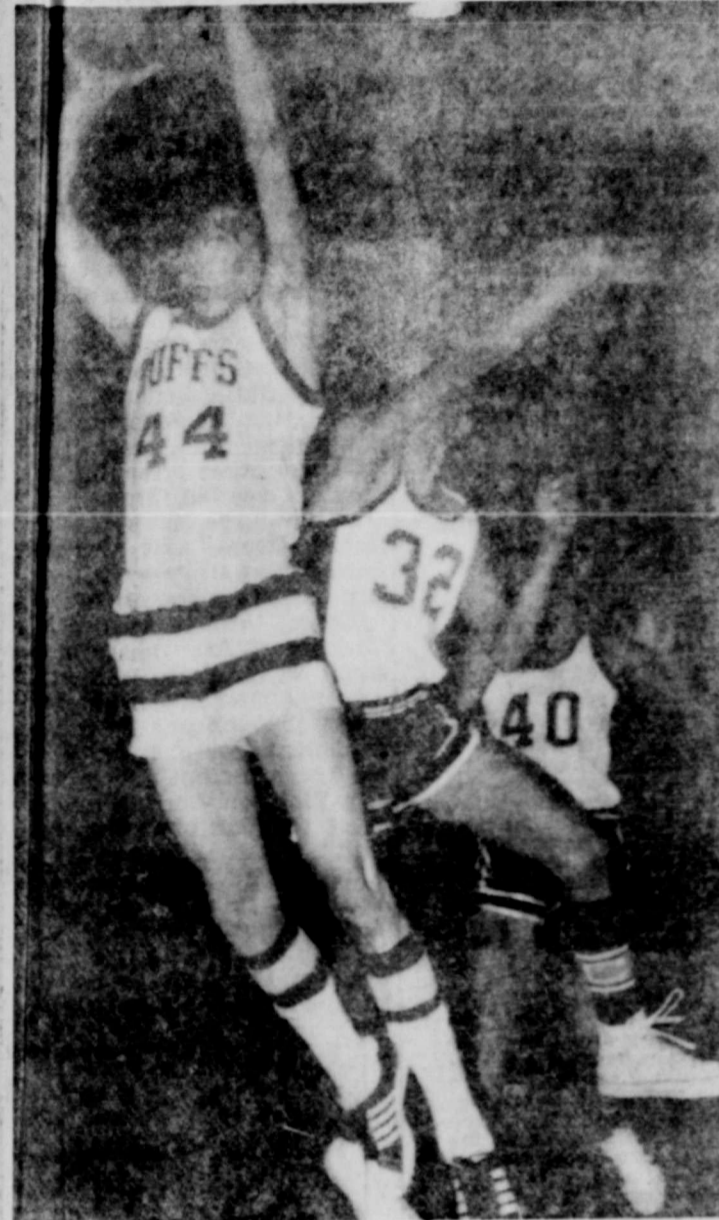

Coach Tommy Gregory said his guards did a real fine job, and made very few mistakes. It was the best they have played all year. They recovered 29 defense rebounds.

Girls take early lead in district action.

point girl was Smith with 13. The varsity girls also played Monday night. They had a very close game with McCamey with the final score being 33 to 32 in Stanton's favor. The high point girls for Stanton were Darla Sawyer with 14 points, Betty Smith with 13, and Debbie Lambert with 11. Gomez was one of the high point girls for McCamey with 11 and Wadell with 9 points.

Girls will play here tonight, Crane is visitor, victim.

Follow The Buffaloes As They Pop the Nets for Points

Under The Sunshine Tree

by Anita Bryant

SHAGGY RUG STORY - If your shag rug is getting flat with wear, a bamboo garden rake will help. Vacuum the rug or use the sweeper and then take it lightly. All the attractive shaggy texture will be restored.

NATURAL BEAUTY AIDS - Products from nature's cupboard come to the aid of problem hair. A rinse of warm water and grapefruit juice helps oily hair and scalp become less oily, makes troublesome hair more manageable. If dry hair is your problem, olive oil in the next-to-last rinse will lessen splitting, add attractive highlights. For extra body, try whipped egg white, milk, or warm beer.

UNSCRAMBLED SOCKS - To keep socks organized in my children's dresser drawers, I give them egg cartons for storage of paired and rolled socks. It keeps the drawers neat and saves time when the children are dressing for school.

BETTER HALF - Even an ex-runner-up for Miss America has to keep her figure. So I watch my weight and especially enjoy grapefruit halves with a little garnish for zinginess. A half Florida grapefruit with 3 strawberries clocks in at 73 calories... with 2 tablespoons sherbet, 85 calories... with 2 teaspoons apple jelly, 88 calories. Looks pretty, too.

DOWN THE HATCH - The cold and flu season is approaching and often the youngsters have to be coaxed into taking medicine. If the child balks, give him an ice cube to suck just before medicine time. The ice numbs the child's taste buds and the medicine goes right down without any bad taste. To ward off colds and sniffles tuck an orange into the lunch-box regularly.

Bald tires, those with no tread at all in some spots, are 44 times more likely to have flats, tests show.

Open House Sunday

An Open House for Nathaniel Brown will be held at the Brown residence on the Garden City Highway, Sunday, January 9, from 2 to 5 p.m. Family and friends are invited to attend.

Beta Sigma Phi News

MU LAMBDA

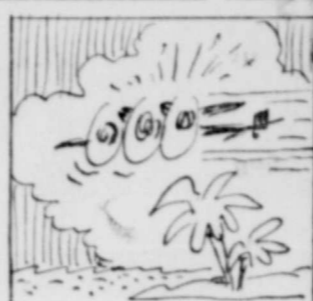

Mu Lambda met on January 3 at 7:30 in the home of Glenna Mims. Maxine Kelly, President, presided over the meeting.

George Veloz from Midland attended the meeting and discussed with the members plans for catering the Founders Day Banquet.

Glenna Mims presented the program entitled, 'Travel.' Slides were shown on several different states and Canada. Questions on travel were asked and each member responded.

The gift was won by Chrystal Webb. The closing ritual was repeated. Then a surprise birthday party for Chrystal Webb was held. Refreshments were enjoyed by all. Those present were: Dorothy Pinkston, Doris Oldacker, Billie Pinkerton, Dorothy Smith, Maxine Kelly, Chrystal Webb, Polly Atchison, Carol Anderson, Billie Morgan and Glenna Mims.

The next meeting will be January 17 in the home of Maxine Kelly.

Richard E. Byrd flew over the South Pacific in a tri-motored AIR PLANE!

Local News In Brief

Mr. and Mrs. J. C. Mott were in Roswell, New Mexico December 30, for the funeral of his Aunt, Mrs. Annie R. Miller.

Mrs. Miller was a former resident of Stanton, where Mr. Miller was sheriff of Martin County. Their three children were born in Stanton.

Miss Elaine Conwell, sister of Mrs. B. V. Norville, spent last week here with the Norvilles.

Darla Dale Dowden Bride Of Robert Joseph Casella

Darla Dale Dowden became the bride of Robert Joseph Casella in a double ring ceremony at 7:30 p.m. Friday in the Belvue Church of Christ.

Mr. and Mrs. George V. Dowden are the parents of the bride, a sophomore home economics student at Lubbock Christian College. She is a member of Kappa Phi Kappa, women's social club. The bridegroom, son of Mr. and Mrs. Carmelo Casella, is a sophomore student majoring

in physical education at LCC, where he is employed as a butcher in the school's cafeteria.

The couple will reside at 5601 W. 19th St. in Lubbock after a trip to New Mexico.

The father of the bridegroom, minister and LCC faculty member, officiated for the ceremony. Mr. and Mrs. Troy Ray of Midland were the vocalists.

Decorating the church were antique pewter candelabra with bronze candles and entwined with ivy and bronze bows. Wicker baskets of gold, bronze and yellow chrysanthemums with poms and greenery also were used.

Mr. Dowden gave his daughter in marriage. She wore a white velvet gown designed and made by her mother. Styled along Empire lines, the dress had a bodice with stand up collar trimmed with seed pearls and Victorian sleeves. The waistline was trimmed with pearls and the sleeves had wide cuffs. Her floor-length veil of illusion was held by a headpiece of gold, bronze and yellow camellias and baby's breath. She carried a wicker basket with gold, bronze and yellow camellias, baby's breath and greenery.

Cindy Murphy of Lubbock was the maid of honor and Donna Brown, also of Lubbock was the bridesmaid, Jinjer Dowden, sister of the bride, was the flower girl.

John Casella of Lubbock, brother of the bridegroom, was the best man. Wayne Carpenter of Lubbock was the groomsmen, and Douglas V. Dowden, brother of the bride, and Geoffrey Casella of Lubbock, brother of the bridegroom, ushered the guests. Derek Dowden, brother of the bride, was the ring bearer. Candles were lighted by the

bridegroom's sister, Melissa Casella of Lubbock.

The maid of honor wore a floor-length gown of gold velvet with Empire waistline and Victorian sleeves. The bridesmaid's dress was styled the same as the maid of honor's dress in avocado green velvet. They carried wicker baskets of gold, bronze and yellow camellias, baby's breath and greenery.

The reception was held in the Cap Rock Auditorium.

Mrs. J. Alex Haggard, Mrs. R. A. Evans, Mrs. Floyd Huckaby, Mrs. Darr Huckaby, Mrs. Richard Granada, Mrs. Reggie Robertson of Abilene, Deborah Toole of Lubbock and Deborah Robinson of San Angelo were in the house party. Also assisting were Beverly Dowden of Ruston, La., and Celita Dowden of Garland, cousins of the bride.

Among the out-of-city guests attending were the grandparents of the bridegroom, Mr. and Mrs. Robert Leonard of Abilene.

20th CENTURY LITERATURE

AUSTIN - Texas Memorial Museum has begun a new collection of what it terms "20th Century literature", better known as "the bumper sticker."

Although a sizable collection of stickers has already been acquired, Mrs. Willena Adams, museum staff member says the museum needs "as many as we can get."

Anyone wishing further information about the collection, which will be displayed during the fall of 1972, should write or contact Mrs. Willena Adams at Texas Memorial Museum, 24th and Trinity Streets, Austin.
