Lions Carnival Is Coming The 24th

Je S thinkin

by: a. jess atkins

CARNIVAL

Start looking forward to the Lions Carnival. It will be here on Monday the 24th and will stay until the 29th.

The Lions Club carnival will be conducted by the same company that did such a fine job last year, the Jest Amusement Company. All Stantonites are urged to attend the carnival this year and bring the family. You may get the presale tickets for 25c apiece now if you buy them from the local Lion's Club members. If you buy them from the carnival at the entrance they will be 40c each.

The carnival will feature rides and games of all sorts. The local service clubs will supply the personnel for part of the booths and the remainder will be manned by the carnival employees.

Buffs Kick O'Donnell 19 To 12

TYPICAL TOUGH GOING — O'Donnell's David Pearson (33) and other O'Donnell runners generally found the going tough against the Stanton Buffaloes in game Stanton won 19-12. Pearson is surrounded and stopped here by Stanton's Vernon Brown (21), Bruce Stanley (64), Joe Lewis Hernandez (22), Ronny Dickerson (60), and others.

The Chamber of Commerce presented Ohmer Kelly with a check for \$509.00. This amount was contributed by various individuals and businesses in Martin County. Some of the donors gave prizes or gift certificates but the main amount was in cash.

The check was presented to Mr. Kelly by Ed Lawson, president of the Chamber of Commerce. The people contributing the prize were listed in last week's paper with the exception of Decker's Welding and Machine Shop. If your name was not included on the list, be sure to contact the Chamber of Commerce or the Reporter and we will be glad to publish it.

IRS FEED RULING

DALLAS — The Internal Revenue Service has seriously threatened the cattle industry, cattle feeders say, by proposed disallowance of prepaid feed as a business deduction. If feed is bought and paid for in one year but not consumed until the following year, it cannot be deducted when paid, the IRS says.

Nationwide Repercussions The Cattle Feeders Tax Committee, the American National Cattlemen's Association, and the National Livestock Tax Committee, after an emergency meeting here last week, said:

"This IRS action, if allowed to stand, will have nationwide repercussions on the cattle industry. In the long

in our state. He said that the trend in spending now is not quite so much on colleges, etc., but quite a bit more on vocational training. On the question of closing schools, he said that he believes that the question should not be how many grades you have in a system but how good a job you are doing in teaching whether it is a large or small school.

Special presentations were made to Pauline Wood, the Lions Sweetheart, Russell McMeans, and Senator Snelson who got the traditional "Old Sorehead" award. Special entertainment was presented in the person of Judy Reagor who sang several popular numbers.

Mrs. Warren G. Hall supplied the dinner background music. A good time was had by all and Rev. Warren G. Hall led in the Benediction to end one of the best events of the season.

THE WEATHER

The weather around Stanton has been mild for the most part this week. We had a small amount of precipitation and our share of sunshine.

Defense which caused and claimed four fumbles and two pass interceptions by Gordon Elland—one of which was run back for a touchdown—upended the seventh-in-state-ranked O'Donnell Eagles Friday as the Stanton Buffaloes won 19-12.

The Class A Eagles gave the Buffs a tough test in the last half but could not overcome the effects of Stanton's 13-0 first half bulge which came about as the Buffs' line limited the highly-touted visitors to just two first downs in 24 minutes of play.

Mark Elland broke for a 48-yard TD on the last play of the first quarter and cleared the way for Mitchell Irvin's one-yard dive to climax a 12-play, 55-yard Stanton drive in the second period to put the Buffaloes in the lead, 13-0, with Vernon Brown's point-after.

Recuperating from a first half in which they managed just 30 yards forward motion, the visitors took to the air and the double reverse for abundant yardage in the third and fourth rounds.

Quarterback Bennie Hancock — who ended up with nine of 19 passes completed for 105 yards and two touchdowns—put O'Donnell on the scoreboard late in the third quarter with a short toss to wide-open Dewey Clark, who raced to paydirt untouched in a play covering 47 yards.

Brown batted down Hancock's attempted pass for two extra, and the score stood 13-6 entering the fourth quarter.

It appeared O'Donnell had gained the momentum as Stanton went nowhere on the next series and the Eagles started to march.

The Buffs were finally slowed down in the last part of the last half. They were not only fighting O'Donnell but a case of intestinal flu virus on the part of some players. Mark Elland may not be able to play in the Wink game due to a hip injury suffered during the game.

This was the type of contest that Stantonites could have hoped was a conference game scorewise. We are looking for the Buffs to stand strong again in the conference games with some of our able opponents.

But Gordon Elland stepped in for his first interception of the night and zig-zagged it back 25 yards for a touchdown to open the Stanton lead to 19-6 with 8:02 remaining. The Eagles did not call it quits, however.

A double-reverse advanced 33 yards—only to be marred by a fumble which was claimed by Stanton's Irvin.

Stanton coughed the ball back over on a bobble on the next play, however, and the Eagles went back to the attack from their own 24, flying to the Stanton 23 in 14 plays—including two pass interference penalty first downs in a drive climaxed by a pass from Hancock to Mike Haney which covered the distance and closed the gap to 19-12 with just 3:14 remaining.

A try for two on the ground fell short. O'Donnell's inspired defense, led by Randy Williams, Doyce Haney and Scotty Thompson, forced a Stanton punt which put the Eagles back in business 73 yards away from the goal with 1:33 to go.

Hancock and receivers David Pearson and Mike Haney gave a good demonstration of the sideline pass, stop-the-clock offense maneuver which moved the Eagles to a first down on the 29 with 47 seconds left.

Rest Stop

The Stanton Jaycees participated in the Labor Day Holiday Rest Stop sponsored by the Texas Jaycees.

The Rest Stop was a tremendous success in that, during the 80 hours of operation from 4 p.m. Aug. 31 to 12 midnight Sept. 3 there was no report of a traffic fatality in this Texas area.

There were 1,407 registered guests from 31 states and 3 foreign countries, who stopped for a break and free coffee, Dr. Peppers and Seven-Ups.

The Jaycees wish to recognize Mr. Lewis Simonek and Tri-City Bottling Co. for their contribution of drinks and the serving trailer.

Services Held For Iva White

Graveside services were held at 3 p.m. Thursday in Evergreen Cemetery for Iva White, 76, who died at Terrell Sunday.

Born Aug. 15, 1897 in Rosebud, Miss White had been hospitalized for 56 years. She had formerly resided in Stanton.

Surviving are two sisters, Ina White, Mexia, and Thelma Castile, Graham; and an aunt, Mrs. Burnice Reed of Stanton.

Stanton Jaycees Take Top Honors

The Area I-B Jaycees held their annual business meeting in Kermit on September 14, 15 and 16. Area I-B is comprised of chapters from Stanton, Monahans, Kermit, Brownfield, Odessa, El Paso, Lubbock, La Tuna, Andrews, Denver City, Fort Stockton, and Midland.

During the three-day affair the delegates were involved in various competitive events and a planning session for the coming year. Those in attendance from Stanton were Mr. and Mrs. Bob Vinson, Mr. and Mrs. Herb Sorley, Mr. and Mrs. David Pinkerton, Mr. and Mrs. David Brown, Mr. and Mrs. Dewey Anderson, Roger Burch, James Jenkins and Jerry Graham.

During the awards luncheon on Sunday, Stanton was presented the Outstanding Chapter Award for being the Top Chapter in Area I-B, and David Brown was presented an individual award for Outstanding First Timer. David Brown also was recognized as taking second place honors in Spoke competition. David Pinkerton as Area LIA chairman, Roger Burch as LIA co-chairman, Herb Sorley as Area Planning Committee member and David Brown as Area Resolutions and By-Laws Committeeman. Bob Vinson, State vice president, served as master of ceremonies at the Saturday morning business meeting and on the Area Planning Committee.

Stanton and Courtney Have Homecoming Activities Soon

The 1973 homecoming activities will begin Thursday, September 20 at 8:00 p.m. with a bon fire just east of the landing strip. The high school student council will sponsor this event. Friday will be color day for the high school students. Their schedule will be shortened and a pep rally will take place in the high school gym at 2:00 p.m. The high school and junior high school students will be in attendance to rally their spirit behind the mighty Buffs. All exes are urged to attend and show your support for the Buffs.

Following school dismissal after the pep rally, everyone will gather their floats and assemble in front of the Methodist Church for the Homecoming parade through downtown. The parade will start at 4:00 p.m.

Prizes for floats entered in the parade are as follows: High school, First \$30.00; second, \$20.00, and third, \$15.00. Open competition, First \$30.00; second, \$20.00. Also riding in the parade will be the 1972 Coming Home Queen, Maxine Howard, and the candidates for the 1973 queen. The 1973 nominees are Frances Biggs, Class of '55; Elaine Elland, Class of '58; and Barbara Donelson, Class of '58.

Frances (Morrow) Biggs, a 1946 graduate of Stanton High School, is married to James Biggs. They live in the Courtney community where he is a farmer. They are the parents of three daughters: Beth, a 1966 Stanton High graduate, is married to Don Murray. They make their home in Beaumont. Kathy, a 1968 Stanton High graduate, is married to Gene Hodges, also a member of the class of '68. They reside in Kermit. Leann is an 8th grade student in Stanton Junior High. Frances and her family are members of the First United Methodist Church where she is active in many women's organizations.

Elaine (Hazlewood) Elland, a graduate of the class of 1955, is married to Paige Elland, class of '54. Paige is owner of Elland Insurance Company and Elaine works with him. They have three children: Gordon, a Junior at

Stanton High School; Paige Lou, an 8th grade student, and Craig, a 6th grade student at Stanton Junior High. Elaine and her family are members of the First Baptist Church, where she is the 9th grade Sunday School teacher. She is corresponding secretary for the Texas Federation of Music Clubs.

Barbara (Smith) Donelson, a graduate of the class of 1958, is married to Delbert Donelson, class of '57. They have two children, Gary, 10, and Debra, 7. Delbert is a vice president of the State National Bank in Big Spring and they reside at 2613 Rebecca in Big Spring. Barbara and her family are members of the First United Methodist Church and she is a member of United Methodist Women and Child Study Club. She stays busy as a homemaker and her hobbies are sewing, reading and ceramics.

From 5:30 p.m. until 7:00 p.m. a supper will be held in the new Junior High-Elementary cafeteria for the public. The buffet style supper will be served by Mrs. Rogers and tickets are \$2.00 a plate. While at the cafeteria exes will be asked to register and vote on the candidate of their choice.

Just prior to the game at 7:40 p.m. in Buffalo Stadium, the 1973 Coming-Home Queen will be crowned. At 8:00 p.m. the Buffs will meet Wink in a non-district clash. The Buffs are 2 and 0 for the season.

During the half time activities the 1973 Homecoming Queen will be crowned from these candidates: Senior class nominee — Jackie Jones; junior class — Melissa Hursh; sophomore class — Joanna Haggard, and freshman class — Nancy Vann.

Immediately following the game the High School student council will sponsor a Sox-hop in the high school gym. The exes are asked to meet for a reception and business meeting after the game in the high school cafeteria. Officers for the 1974 Stanton-Courtney Exes Association will be elected and discussions on the 1974 Homecoming activities will be held. At the end of the meeting the exes are invited to join the high school in their sox-hop.

TEXAS PRESS ASSOCIATION

Texas House Speaker Price Daniel, Jr. announced today that he has authorized the House Committee on Agriculture to study the marketing of Texas food and meat products, the contracting of cotton and grain, and meat inspection.

Daniel and Representative Joe Hubenak of Rosenberg, Chairman of the Committee, jointly announced the appointment of a seven-member sub-committee, chaired by Representative E. L. Short of Tahoka, to conduct the study. Vice Chairman of the sub-committee is Representative Forrest Green of Corsicana.

Also named to the subcommittee were: Representatives Dean Cobb of Dumas, Jerry "Nub" Donaldson of Gatesville, Elmer Martin of Colorado City, Latham Boone, III, of Navasota, and Hilary Do-

ran of Del Rio.

Daniel said, "Agriculture continues to be one of the foremost industries in Texas, and Texas agricultural products are used daily throughout America and the world. For that reason, this subcommittee and its work are of great importance not only to the farmers and ranchers of Texas, but also to other citizens of our state and throughout the world. I know that this subcommittee, under the leadership and guidance of Representative E. L. Short, will work diligently in the best interests of our citizens to develop recommendations and legislation which will help to insure continued high productivity and the fairest possible prices for the consumers, as well as the producers."

Jeane Dixon Predicted Watergate

NEW YORK—Jeane Dixon, famed seer who has astounded the world with thousands of uncannily accurate prophecies, predicted the Watergate affair nearly five years ago, reports an article in the current issue of The Saturday Evening Post.

from the Washington Daily News, Oct. 21, 1968:

"A wiretapping scandal which I have predicted previously is yet to come. It will involve Richard Nixon."

Having predicted Watergate, Miss Dixon also explains in the Saturday Evening Post article what she foresees as arising out of the affair.

"I see great good eventually coming out of the present investigations," she says. "Mr. Nixon, being shocked and appalled at what was perpetrated behind his back, will use his authority to establish safeguards against the abuse of secret government power."

"During the remaining time left in President Nixon's term of office," continues Miss Dixon, the responsibility and power of the Presidency will be greater than ever before. Watergate will prove to be the turning point for good.

"President Nixon will take positive steps to prevent a repetition of Watergate," concludes Miss Dixon in The Saturday Evening Post article.

"I feel that President Nixon will unite us as we have not been for a long time! And strange as it may seem, Watergate will have been the catalyst."

The Post, in citing the accuracy of Miss Dixon's revelations, quotes the following

NEW FOOD LABELS**

Next time you're in a supermarket, take a careful look at the labels of the foods you buy — because over the next few months and years, there will be significant changes in the information on the labels.

The changes will come about because of a Food and Drug Administration program to make food labeling more informative as an aid to better nutrition. The program is designed to provide information that American consumers can use to identify and select nutritious foods.

The regulations that comprise the program are interrelated. Some parts call for entirely new concepts in food labeling — such as identifying and giving the amounts of nutrients, calories, fat, protein, and vitamins in a food, establishing nutritional guidelines for such classes of foods as frozen dinners, or identifying and giving the percentage by weight of seafood in a seafood cocktail. Other parts are technical changes that update and improve existing FDA regulations.

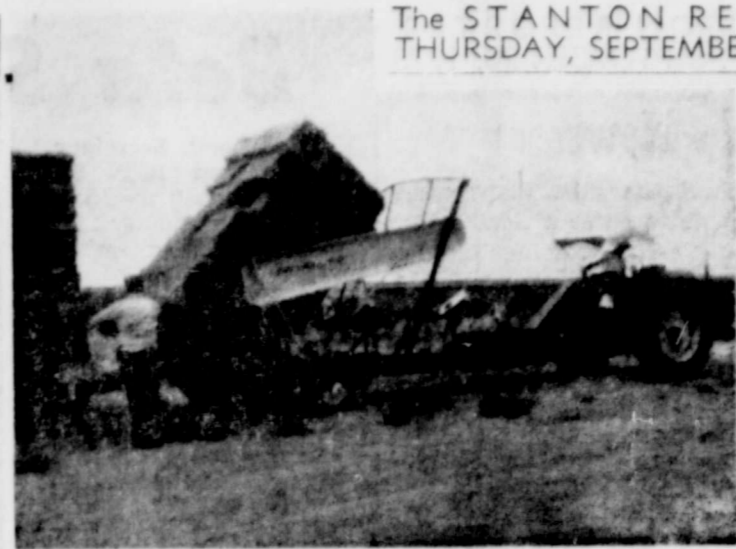

The program essentially has two purposes. 1. To improve the nutritional information on food labels. This will be accomplished primarily by a voluntary program with industry which calls for the listing of nutrients in a standard format.

2. To make information on food labels more meaningful to the public. This will be accomplished in part by setting standards for identifying essential vitamins and minerals and replacing an outmoded system of measuring nutritional intake. The new measurement system is based not on "minimum" nutritional needs but on "recommended" daily allowances of vital nutrients.

The actions on food label-

ing will require extensive labeling changes by the food industry. To assure that these changes are made expeditiously, and cause as little economic hardship to industry and consumers as possible, FDA is proposing that any labeling ordered by a manufacturer after December 31, 1973, comply with the regulations, December 31, 1974, is the final date on which products shipped would be required to conform to all new requirements.

Additional information on labeling will appear in next week's paper.

Mu Lambda News

Billie Jean Morgan was the hostess and led the opening ritual when the Mu Lambda chapter of Beta Sigma Phi met Monday night at her home.

Valiene Turney and Maria Barrera from the Valtai Reeves Beauty College of Big Spring gave a demonstration on facials, carrying out the program, "Painting the Person."

Pauline Graves led the ritual study, and she carried the "it" gift and Clairese Hale received the gift. Plans were made to enter a float Friday at the Homecoming Parade.

The next meeting is Oct. 1. Guests will be invited to a covered dish supper at Pauline Graves.

Refreshments were served to Jendo Turner, Mickey Lander, Mabel Atchison, Billie Flanagan, Clairese Hale, Gienna Mims, Valiene Turney, Maria Barrera, Pauline Graves and Billie Morgan.

Beta Sigma Phi News

Irene Long, Secretary
The Stanton Beta Sigma Phi City Council met at 5:15 in the Martin County Library on Tuesday, September 4, 1973.

Eleven members were present.

The opening ritual was led by Nona Cain, President.

Minutes were read and corrected as follows:

Fall Banquet — October 25, and the Fall Entertainment—November 12.

The 1973-74 Budget was read and approved as follows:

Fall Banquet \$25.00
Fall Entertainment 12.50
Spring Entertainment 12.50
Founders Day Ban. 25.00
Mother-Daughter Soc. 25.00
Women of Year Award 12.50
Gavel for President 6.50
Total 118.50

Treasurer's report was given showing a balance of \$35.07.

Special Committee reports were given.

By-Laws — The president passed out copies of By-Laws to each President. Since the By-Laws were revised last year it will not be necessary to revise them until next year. However, the President stated that if a chapter would like a revision, bring it before the City Council at the next meeting.

Woman of the Year Award — Marsha Todd, chairman reported that the committee had a meeting and did not make any change in the rules. However, she stressed following the rules when selecting your candidate and called attention to section 111, No. 6.

Corene Manning made a motion seconded by Marilyn Newman to change the meeting to first Monday in the month at 5:15 p.m. in the Martin County Library. Motion carried.

Robbie Graves made a motion second by Marsha Todd that a petty cash fund of \$10 be given to the secretary for stamps, paper and envelopes for mailing copies of minutes to the chapters. Motion carried.

Dues will be \$2.00 a girl again this year.

Robbie Graves reported that the Neighbor Center had asked that the council be responsible for Christmas stockings and filling them for the Day Care Center Christmas party. This was discussed and since the council does not have a project, it was decided that the presidents of each chapter would carry this to their chapters and see if they would like this as their project.

Did you know that Playboy magazine now is available in a braille edition?

ect. This will be completed at the next meeting.

A petition to the Commissioners Court of Martin County was read and passed out to the President to take to their chapters for signature (if they desired to sign in) on the construction or repairing the present court house.

The president asked that each chapter president call

the local newspaper and give the time of their chapter meetings in order that it can be placed with the Social Activities in the weekly newspaper.

The presidents of each chapter told what their money making projects for the year would be.

The meeting adjourned, the closing ritual was said and all joined hands for the mizpah.

Xi Theta Nu

By Peggie Sorley

Xi Theta Nu Chapter of Beta Sigma Phi met on Monday, September 10 in the home of Marilyn Gaspie. President Nona Cain presided and led opening ritual.

A Ritual of Jewel was held for Linda Christian and the Exemplar Ritual was presented by the members to Patsy Jones.

Secretary's and treasurer's reports were given before Judy Thompson, vice-president, read several communications.

Nona Cain reported the chapter had received a letter from Bill Ross of Beta Sigma Phi International, congratulating the club on their three-star rating.

Standing committee reports were given by the various chairmen, before the fall entertainment was discussed by the members. The chapter voted to call the entertainment "Thanksgiving Theme" and the program part was discussed. Nona Cain announced that the date had been changed to Monday, November 12. She announced that other discussion would be tabled until the following meeting.

The chapter amended a motion of the previous meeting and made plans to rush a prospective member at the next meeting.

Under new business, the chapter voted to hold a ways and means project in the form of a concession booth to be held at a local auction.

Peggie Sorley reported on items and prices the chapter would need. Nona Cain reported on the basics and chapter members volunteered to donate the various foods. A schedule of work hours was set up and announced.

Marilyn Gaspie reported on City Council activities which included the proposed budget, by-law revisions, resume forms for "First Lady" award and a petty cash fund.

The chapter members then presented an artificial floral arrangement to Linda Christian as a house-warming gift.

Judy Thompson introduced Robby Tollison to present the program on "Math Can Be Fun." An informative and interesting discussion followed the program.

Closing ritual and mizpah were repeated before refreshments were served to Nona Cain, Peggie Sorley, Judy Thompson, Ruth Holcombe, Linda Christian, Charlotte Elrod, Betty Gregg, Patsy Jones, Robby Tollison and Marilyn Gaspie.

1974 Chevrolet A better-than-ever way.

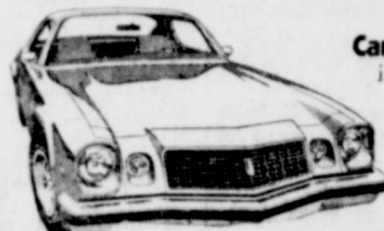

When the wheel belongs to you, the road goes anywhere you say. And it's so much better with a '74 Chevrolet.

Caprice Classic. Introducing an elegant motor car, just asking to be enjoyed. Outside: an imposing new grille, and on the Coupe, a distinctive new roof line. Inside: peace, quiet and convenience. With standard power steering to do most of the turning, standard power front disc brakes to do most of the stopping, and a standard Turbo Hydra-matic transmission to do the shifting. If you want the luxury and comfort of a car that leaves little else for you to do but enjoy the ride, you don't have to look beyond the '74 Caprice Classic. However, the freedom of the open road begins with the freedom of choice:

Vega GT. This year's version of last year's Motor Trend Economy Car of the Year. (And Car and Driver Readers' Choice as Best Economy Sedan for the last three years.) With a reshaped nose, bigger bumpers, nicer carpeting, new stripes and new colors. Plus more good things to make it better. See what it's like to drive a winner.

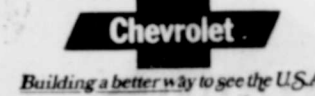

Camaro. The way it looks is the way it goes. Quick, sleek and nimble. With a low, wide stance, responsive steering. And comfort that's rare in a car that handles so well. Plus classic new styling, and plushness from the cut-pile carpeting.

Malibu Classic. A luxury Chevelle, new this year. With full foam seats. A fold-down front armrest. Wood-grained vinyl accents. Elegant inner door panels. Extremely tasteful upholstery and cut-pile nylon carpeting.

That's just inside. The exterior is just as classic, in character and in detail, as the interior. Yet, it remains mid-size. And, it remains all Chevelle. With Chevelle handling and a Chevelle price. Now that you've looked, come and see the new Malibu Classic—and all the 1974 Chevrolets. The ones shown here, plus Impala, Monte Carlo, Nova, Corvette, pickups, vans and all our new cars and trucks.

How to make your electric payment the same every month.

As temperatures go up and down during the year, your electric bills do, too.

That's why we offer our residential customers a Level Pay Plan—an option that lets you pay for your electric service in equal monthly payments.

Here's how it works: Based on an analysis of all the information we have regarding your account, we estimate your yearly electric costs and your monthly average — and if you agree, that's what we bill you.

During periodic reviews, if we find you've used more or less electricity than first estimated, we'll work out an adjustment.

If you think you'd like the convenience of "Level Pay," give us a call, or simply let us know on the comment portion of your electric service bill.

Martin County Farm-Ranch Report

Farmcast

Compiled From Sources Of The Texas Department of Agriculture
John C. White, Commissioner

An Even Dozen . . . Sheep Feeding Declines . . . Food and Fiber Pavilion Plans Nearing Completion.

An even dozen commodities are above parity for Texas agricultural producers, the

Texas Crop and Livestock Reporting Service notes.

The commodities are wheat, corn, oats, potatoes, hogs, beef cattle, calves, sheep, turkeys, eggs and mohair.

The average wheat price in

Texas is \$4.24 compared with parity at \$3.51 per bushel. Corn at \$2.75 per bushel compares with parity of \$2.36. Rice at \$11 per hundredweight compares with \$9.65 parity. Potatoes at \$6.50 per hundredweight compares with \$4.32 for parity.

All but one category of livestock is above parity, the single exception being lambs.

Hogs at \$55.80 compares with parity at \$37.10. Beef cattle averaged \$56.30 per hundredweight; parity is \$44.70. Calves at \$68 per hundred average compares with parity at \$54.20. Sheep at \$19.40 per hundred compare with parity at \$12.60. Lambs averaged \$37.60, but this is \$8.20 per hundred under parity.

Turkeys averaged 46 cents per pound with parity at 40.5 cents per pound. Eggs averaged 69.2 cents per dozen with parity at 64 cents. Mohair averaged \$2.30 per pound with parity at \$1.49 per pound.

Cotton prices to farmers averaged 34 cents per pound while parity was 66.05 cents per pound.

The all-farm products index of prices received by Texas farmers and ranchers is 20 per cent above the month of August and 61 per cent above a year ago. The livestock and livestock products index is 21 per cent above a month ago and 69 per cent higher than a year ago. The all-crops index is 18 per cent above a month ago and 50 per cent above a year ago.

And though farm prices go up, they also come down. During the period from August 15 to September 6, for example, prices had dropped 14 per cent.

Farm production costs also continue to rise. The index of prices paid by farmers is 19 per cent above a year ago.

DRYLOT sheep feeders with a capacity of 2,000 head or more had 117,000 sheep and lambs on feed for slaughter as of Sept 1. This is seven per cent below the number on feed a month earlier and nine per cent below the number on feed a year ago.

Current intentions to market are: September 55,000; October 36,000; November 26,000. Placements during August totaled 54,000 head with a total of 10 feeders reporting 1,000 or more head on feed on September 1.

PLANS for the Food and

Fiber Pavilion of the Texas Department of Agriculture at the State Fair of Texas are nearly complete. Theme of the pavilion this year will be to show consumers how to get the most value for their food dollars.

This will be the fourth year that the Texas Department of Agriculture has had charge of the food and fiber pavilion. About one million persons an-

nually have visited the pavilion since then.

A number of programs are planned to show consumers how to get the most for their food money including special emphasis on cost per serving. Special programs are also planned to highlight the natural fibers—cotton, wool and mohair.

Also on display will be features highlighting the top-quality in foods produced by Texas agricultural producers.

Good Reason?

Golfers on the third tee, feeling a little bit guilty about golfing on Sunday morning: "I suppose we should not have gone golfing today. We should have gone to church this morning."

"I couldn't have gone to church this morning anyway, Bill. The wife is very sick."

Going Up?

Here speaks one of us: "How much are your tomatoes today?" "Forty-nine cents a pound," replied the grocer. "Did you raise them yourself?" "Yes, they were 39 cents yesterday."

A young child develops good manners when he observes consideration for others being practiced in his own family.

Tony Yates was elected sweetheart. Several fund raising projects were discussed.

Mustang Soil Conservation News

Livestock producers should check their rangeland and determine if there is a balance between livestock and forage. Overgrazed rangeland can go only one way — down.

The best indicator of range conditions is the key forage plants. The producer should check these plants and see if they are in balance with the number of livestock grazing them. The following steps are helpful in checking range conditions:

1. Do the plants appear healthy and vigorous?
2. Are the plants making growth in proportion to the amount of moisture received?
3. Are many seed stalks being produced?
4. Are the key plants moving into the bare areas?

If the answer to all of these questions is yes, then the pasture is not being overgrazed. Many ranchers say that the condition of their livestock is an indicator of the key forage plants. This is correct to a point, however, livestock can look good for a time after forage plants start to give out and key plants are weakened.

One of the most important decisions the rancher must make is the stocking rate. By stocking heavy it may be possible to increase the net income for a short time, but the key plants will be weakened and the total forage production will be lower. The end result will be lower stocking rates and less net income in the future.

A good babysitter needs a lot more than a way with kids

Of course a babysitter should like children. And like taking care of them. But the job also involves some pretty big responsibilities.

Caring for little ones means being able to handle just about any emergency. Because emergencies often require the use of the

telephone, a handy list of important numbers can do wonders for your sitter's confidence.

So write down the phone numbers for fire, police, medical assistance and the places you'll be while out. Keep the list right next to the phone, and remember to call home if your plans change.

Interested in getting more for your telephone dollar? We'll send 30 tips to help you save time and money. No charge. We'll also include an Emergency Numbers List.

-Jaycee-ette Doings-

Several Stanton Jaycee-ettes attended the Area I-B Fall Convention September 14, 15 and 16 in Kermit.

A "Get Acquainted Party" was held by the Kermit Jaycees and their wives Friday night at the Community Center. Two of our Jaycee-ettes won door prizes.

The "Have Your Say," "Feather Your Cap," and "Spoke" competitions were held Saturday morning before Rose Bell, Area I-B vice president, Billie Tustison and Cleme Blackburn, Area I-A vice president, presented a program on the newly adopted

Jaycee-ette Leadership In Action Course. It is a self-improvement in leadership program.

Saturday at noon all Jaycees and Jaycee-ettes were entertained by the Monahans Jaycee Club with a barbecue at the Winkler Country Club. Following the luncheon the Kermit Jaycee wives presented a fashion show.

The Kermit Jaycees were host to a barbecue Saturday night with The Raiders of Lubbock providing the entertainment.

The El Paso Jaycee-ettes held a coffee honoring State

Jaycee-ette President Billie Tustison at the First National Bank Building Sunday morning. Three door prizes were presented and all were won by the Stanton Chapter. John Thompson, Texas Jaycee president, then spoke further to the area Jaycee-ettes on the LIA course, followed by a discussion.

Area Vice President Rose Bell announced the District Convention would be held in Abilene in March and encouraged the clubs to pick a candidate to run for area vice president. Billie Tustison asked the clubs to run a candidate for state office at El Paso in May.

Competition awards were then presented as follows: "Have Your Say," under one year, Kay Lynne Brown of Stanton; "Have Your Say," over one year, Sandra Pinkerton of Stanton; "First Times," Carol Anderson and Kay Lynne Brown, both of Stanton; "Spoke," Susy Gardy of El Paso; "Feather Your Cap," Sue Stagner of Midland. The travel trophy was won by the El Paso Chapter.

The Jaycee Awards Luncheon was then held at the High School Cafeteria, where David Brown of Stanton won the First Timer Award and second place in Spoke. The Stanton Jaycee Club was presented the Top Chapter Award for Outstanding Club of the Area.

The following Jaycee-ettes attended: Carol Anderson, Kay Lynne Brown, Peggy Sorley, Lauraine Vinson and Sandra Pinkerton.

Bridal Shower

A bridal shower honoring Carol Ann Pribyla, bride-elect of James Newman of Dallas was held on Aug. 11th in the home of Mrs. Newell Tate.

The table was decorated with a yellow flower arrangement, a yellow and white cake and crystal punch service.

Serving were Mary Sample and Nancy Pribyla.

Guests registered from three to five.

Hostesses were: Mary Frances Welch, Frances Tate, Frances Martin, Jessie Tate, Clyda Key, Billie Miles, Carodine Hopper, Dolly Swanson, Ruby Greenhaw, Irene Springer, Davis McMorries, Hazel Hamm, Lola Graves, Leola Welch, Jack Glaze, Ruth Massengale.

Rehearsal Dinner

On Friday, Aug. 31st at 9 p.m. a rehearsal dinner was held at the Holiday Inn in Big Spring honoring Jim Newman and Carol Pribyla, preceding their wedding.

The affair was hosted by the bridegroom's parents, Mr. and Mrs. Max Newman of Dallas. 30 attended.

Knight-Burns Engagement Announced

Mr. and Mrs. Bob G. Hallmark announce the engagement and approaching marriage of their daughter, Linda Marie Knight, to Hugh Dale Burns, son of Mrs. Nina Burns.

The couple plan to be married Saturday, October 6, at 6 p.m. in the East Cisco Baptist Church with Rev. Bob Carpenter, pastor, officiating.

The bride-elect is a 1973 graduate of Cisco High School. She is employed by International Royalty and Oil Company, a company associated with the Kamons.

The prospective bridegroom is a senior at Cisco High School. He is employed at Richardson's Exxon Service Station.

Hospital Auxiliary Elects Officers

The Women's Hospital Auxiliary met for the first meeting of the 1973-74 year in the home of Mrs. Phil Berry. The following officers were elected:

President, Mrs. Phil Berry; vice president, Mrs. Ray Simpson; secretary - treasurer, Mrs. Forest Smith; publicity chairman, Mrs. Glenn Brown.

Mr. and Mrs. Wayne Bradshaw, recently employed by the Martin County Hospital District, were guests. Mr. Bradshaw is director of nurses and Mrs. Bradshaw is a registered nurse.

Refreshments were served to the following members: Mable Atchison, Dixie Brooks, Mildred Elland, Maxine Kelly, Mary Grace Latimer, Vera McCoy, Wanda Smith, Lavelle White, Billie Morgan, and a visitor, Vergie Johnson.

Regular meetings are held on the second Tuesday night each month at 7:30 in the Reddy Room of Texas Electric Service Company.

The Auxiliary presented vertical blinds and room separating curtains to the hospital last week. The picture in the Reporter last week gave you a look at the members present at the hospital at that time. Some of the members who were unable to attend were: Mable Atchison, Jo Jon Cox, Mildred Elland, Lila Flanigan, Alma Glynn, Maxine Kelley, Sammy Laws, Jendo Turner, Billy Morgan, Ora Mae Simpson, and Mrs. Morgan Hall.

The money for these causes comes from donations by townspeople and the Auxiliary along with money made by the Thrift Shop which is across the street from Stanton Electric Co. The members of the Auxiliary donate a lot of their time minding the Thrift Shop and working at the Hospital to make Stanton a healthier town in which to live.

CLEAN ENERGY FOR TODAY AND TOMORROW

A Natural Energy Home uses natural gas for heating, cooling, water heating, cooking and clothes drying to save you money and help conserve our cleanest natural energy resource... natural gas.

That's because electricity in West Texas is generated by burning natural gas, and in the process of generating and transmitting electricity to your home, 2/3 of the gas energy is lost.

So, by using gas directly in the home for the jobs it can do, you're helping to conserve it and you're getting more energy for your money.

BUFFS

(Continued from Page 1)

But Gordon Eiland leaped into the picture again, stealing Hancock's throw to the goal at the two and running it back to the Stanton 40, where time remained for just one Stanton play before the Buffaloes' second win of the season became official.

Mark Eiland led the Stanton offense in the first half with 94 yards in 10 assignments, but did not get his hands on the ball in the second half.

Pearson carried 62 yards in 13 trips to lead the O'Donnell ground attack throughout the game.

For Stanton, Gordon Eiland went 38 yards in four carries. Brown netted 28 in nine, and Irvin, 24 on 12 tries.

Bill Howard commanded the Stanton attack devoted almost entirely to ground action.

H. A. Schuelke, Dennis Iretton, Joe Louis Hernandez, Steve Cook, Roger Gutierrez and Bruce Stanley were among the defenders making life most miserable for the Eagles.

Stanton plays host next week to Wink in another non-conference clash. Wink took a 19-0 win at Grandfalls Friday.

Only 7 Days Left To Register For Local PP&K Competition

There is just one week remaining for youngsters in Stanton to register for the local Punt, Pass & Kick Competition.

White Motor Co., sponsoring the popular youth activity in this area, said that registrations would be taken through Friday, September 28. The Stanton PP&K competition is scheduled for September 29.

"Although time is growing short, any youngster eight through 13 years of age can still compete," said Iretton. "All a contestant need do is come into our showroom, accompanied by a parent or guardian, and fill out the PP&K registration form. There's no entry fee or charge of any kind, and that goes for all six levels of competition, up to and including the National Finals."

The Ford Dealer pointed out that trophies will be awarded for 1st, 2nd and 3rd place in the local competition in each of the six age groups. Increasing the youngster's chances of winning one of the 18 trophies is the fact that each contestant competes only against others of the same age. And since there is no body contact, an entrant's size is not as important as his ability to punt, pass and place-kick for distance with accuracy.

"Winners can continue on up through the Zone, District, Area and Division contests to the National Finals," the Ford dealer said. "It's possible that one or more of our local winners could wind up in the finals, which will be held at the Super Bowl game in Houston on January 13."

"Registering for PP&K right now in our dealership could

MIKE PAYNE IS SMHS STUDENT BODY PRESIDENT

The San Manuel High School student body president this year is 18-year-old Mike Payne of Little Hills Mine, Oracle.

Payne moved to Oracle two years ago after spending two years in Nogales.

He was born in Lamesa, Tex., but spent most of his life on a farm in Stanton, Tex.

His parents are Mr. and Mrs. Darrell Payne of Oracle. He has one younger brother and one sister. Stacy is a junior and Steve is a sophomore.

Mike is the grandson of Mr.

and Mrs. Cecil Gilmore and Mr. and Mrs. Leo Payne. Great grandson of E. A. Baugh and Mrs. Myrtle Payne.

The one-average student is a quarterback on the football team and is a member of the National Honor Society. He is also active in his church and, at present, is a candidate for the United States Air Force Academy.

His outside interests include airplanes and his dog, Lobo. Payne's goal in life is to be an officer in the Air Force and at the present, to help the school the best he can.

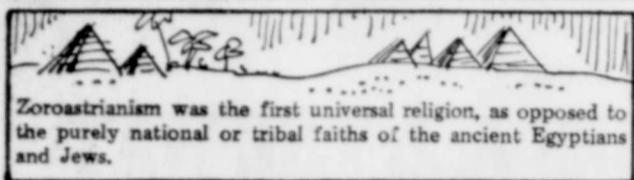

THE CAVES RETURN

Misses Jackie and Judy Cave returned home from Germany on Sept. 6 after a six weeks visit with their sister, Pam, and her husband, Sp. 4 Donald Burgess, who is stationed with the U.S. Army in Schwabisch Gmund, Germany.

The last three weeks of their stay were spent travel-

ing and camping for over three thousand miles in eight Western European countries, including Germany, Luxembourg, Belgium, Holland, Sweden, Denmark, Austria and Switzerland.

The three girls are daughters of Mr. and Mrs. Jack Cave of the Flower Grove community.

Zoroastrianism was the first universal religion, as opposed to the purely national or tribal faiths of the ancient Egyptians and Jews.

run, it will possibly reduce beef supplies and cause further increases in prices to the consumer."

The IRS action was contained in a memorandum of technical advice from the national office of IRS to the Dallas district director and concerned limited partnerships operated in Western Beef Cattle Fund, Inc., of Amarillo.

It stated that feed purchased could not be deducted in 1970 when paid for, but must be deducted as an expense in 1971 when the feed was consumed by the cattle.

The memorandum further said that deduction of the feed as an expense in 1970 would cause "a material distortion of income."

H. C. "Ladd" Hitch, cattle feeder in Guymon, Okla., said that the Treasury Department submitted similar proposals to the House Ways and Means Committee last April.

The cattlemen were told that any change in the tax laws would not become effective until such proposals were enacted by Congress. "It appears," said Hitch, "that the IRS has taken over the prerogative of Congress by this action."

Charles E. Ball, executive vice president of the Texas Cattle Feeders Association, said, "As a result of the increase in price of feeder cattle and feed grains during the last 12 months, it will take an additional \$100 million of equity capital plus about \$300 million of borrowed capital just to maintain cattle production in the State of Texas at the same level of a year ago and the administration wants us to increase beef supplies."

"We have to look to the investment community for equity capital and this action by the IRS will seriously curtail that source of funds," Ball continued. "The cattle industry must have a constant flow of new capital just as other industries. If the IRS action is allowed to stand, beef production will not expand at the rate consumers want."

Stanton Music Club Meets In Eiland Home

The Stanton Music Club met recently for its opening meeting at the home of Mrs. Paige Eiland with Mrs. Roy Koonce as co-hostess.

Mrs. James Jones, president, welcomed the guests and told something of the club's activities.

Mrs. Jones introduced Mrs. Warren Hall, program chairman, who told of the programs for the coming year which are worked around the theme "Music to Live By" developed from the block Music In Therapy by E. Thayer Gaston.

The hymn-of-the-month, "America the Beautiful," was

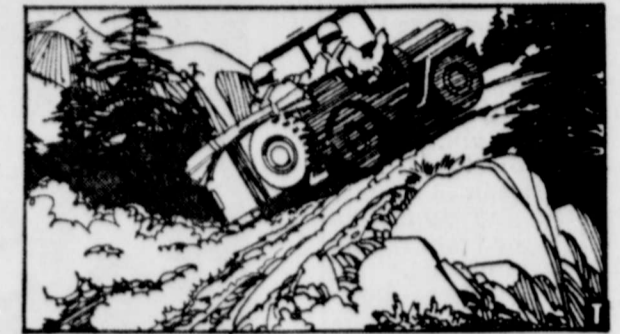

discussed by Mrs. C. R. Welch. It was led by Mrs. Glenn L. Brown and accompanied by Mrs. Roy Koonce.

Mrs. Hall introduced Dr. Allen M. Fisher who sang a solo, "Love's Old Sweet Song" accompanied by Dr. Sue Fisher. Following this Dr. Fisher presented three gentlemen from the "Barber Shoppers" quartet in Midland, Bill Cormack, Bill Southerland and Thane Akins, and then joined with them in singing several close harmony songs. The quartet was most delightful and this was a special treat for the members and guests.

Refreshments were served

from a beautifully decorated fall table to the following members and guests: Mrs. Doyle Hughes, Mrs. T. R. Louder, Mrs. Helen Dawson, Mrs. Nan Huling, Mrs. S. W. Wheeler, Mrs. Guy Eiland, Dr. Sue Fisher, Mrs. L. C. Hazlewood, Sr., Mrs. Carl Jessup, Mrs. Glenn L. Brown, Mr. and Mrs. James Jones, Mr. and Mrs. Wayne Bradshaw, Mrs. T. Lindsay, Frank O'Banion, Mrs. Warren Hall, Mrs. C. R. Welch, Bill Cormack, Bill Southerland, Thane Akins and Dr. Allen M. Fisher, Mrs. Roy Koonce and Mrs. Paige Eiland.
