Electronic Judgment Lacking

A person's credit standing used to depend on a highly personal relationship with local merchants, the banker and local businesses generally. Today, it appears that much of this personal element has disappeared—perhaps unavoidably—in the hungry jaws of numbers-oriented computers. A late issue of The National Observer contains an amusing story—or perhaps not so amusing—of the trials and tribulations of a man who inadvertently fell into disfavor with credit controlling computers. Once the machinery of the system, through an error, found him to be a poor credit risk, it took him months to reestablish his identity and his financial reputation. In the fight to regain his credit standing, he ran an unbelievable gauntlet of mediocre clerks, faceless credit representatives and a mechanized nightmare of mis-management. At the end, he concluded, "... I still can't explain how my record got so distorted. ... But I do know that by shouting and complaining, I got justice of a kind."

If this is a sample of what becomes of the individual in a "cashless" society in which people are no more than a mass of meaningless numbers, one can but conclude we have a long way to go to reach a state of perfect civilization.

FACT AND OPINION

According to the Arizona Farm Bureau Federation, America has only 6 per cent of the world's land area, but produces and consumes over 30 per cent of the world's meat supply.

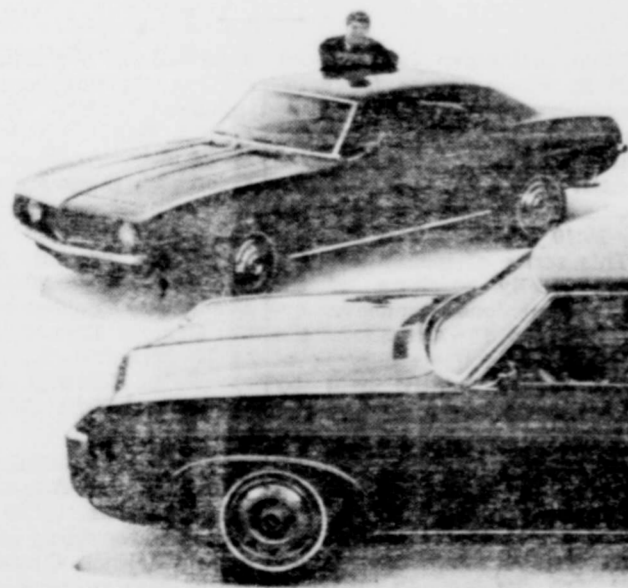

It was noted in an Address presented by Postmaster General Winton M. Blount that, "... the free enterprise system is the greatest antipoverty program ever launched, and it is primarily through its continued operation that we draw our hope of eventually making significant inroads on world poverty."

Ideal Miss Contest Set May 16 - 17

Wichita County's first annual Ideal Miss Pageant has been scheduled for May 16 and 17 and will be held this year at the Junior High Auditorium in Burkburnett, Tex.

The winner will represent the county at the World's Ideal Miss Pageant to be held in Baton Rouge, La., during June 23 through 25, 1969.

The Ideal Miss Beauty and Talent Pageant is for the in-between years (13 through 17) and offers the contestant continuous pageant training and experience until she reaches the Miss America age.

Winners of each individual age group at the county pageant will receive trophies, in addition to the Ideal Miss winner, the two runner-ups and talent winner.

In conjunction with the Ideal Miss Pageant, the county's Our Little Miss LaPetite winners (ages 3 through 12) will also be crowned. In contrast to the big-sister pageant however, winners of the Wichita County Our Little Miss and LaPetite divisions will advance to the Texas State Preliminaries to be held in Irving, Tex., during June 18 through 21.

For further information contact Mrs. Evelyn Nichols, Pageant Director, Phone 569-1017 or 569-3574.

Senior Citizens To Observe Week

The Senior Citizens Center of Wichita Falls will observe the week of May 5-9 as National Senior Citizens week. The weeks activities will be opened with a proclamation signed by Mayor Kenneth Hill. Open House will be held at the Center from 9 a.m.-9 p.m., May 5-9, with members as hostesses. The Center is located at 1107 10th. St. (behind the Good Shepherd Church down the alley to the red door), Wichita Falls.

Highlight of the week will be the presentation of an award to the outstanding senior citizen who has contributed the most to the growth of the Center and the community.

All area citizens are invited to attend this open house.

The Smith-Hughes Act passed in 1917 provided federal funds to the states, on a matching basis, for establishing programs of vocational education in public high schools. Subsequent acts have served to expand the program.

JR. HIGH BAND WINS AWARD

The Burkburnett Junior High School Band received a "Sweep-stake" award for the second consecutive year, April 24th, in the UIL Band Competition Festival at Vernon, Tex. The band received "I" ratings in concert and sight reading. A "T" rating was received last fall in march-

ing, assisted the group in receiving the highest honor awarded to a band.

On May 1 all of the junior high musicians that received a top rating at Midwestern University last March will enter the Tri-State Music Festival at Enid, Okla., to play their solos and ensembles. Good Luck at Enid!

The key to our dazzling success this year lies in our great director, Charles Gregory. Without his diligent work and patience, our ability and talent would have gone unharnessed.

NOTICE

Don't forget to drop your registration ticket for the Trade Promotion Drawing in your local participating merchant's ticket box. The drawing will be held the first Wednesday of May, the 7th, at 11:00 a.m. in the Burkburnett Chamber of Commerce office. The Lucky Winner will be awarded \$100.00 in script which is redeemable in merchandise only at local participating merchants.

Revival To Be Held

You are invited to attend the revival services at the Pleasant Valley Baptist Church, South Huntington Lane, Wichita Falls, May 4 thru 11. Bro. Eldred Hill from First Baptist Church, Chicago, Tex., will be the Evangelist.

AN OLD WORLD TORTEN

The world's richest, most beautiful tortens or cakes can be found in Viennese, German, and Swiss pastry shops. The cakes tend to be less sweet than American cakes and are often made with ground nuts, chocolate, a touch of liqueur, lots of eggs, butter and whipped cream. Capture Viennese flavor in this moist light ring cake made with finely rolled zwieback in place of flour. To serve, pile scoops of butter pecan ice cream in the center and garnish generously with chocolate candies.

CHOCOLATE-ALMOND RING

- | | |
|--|---|
| 1/2 cup butter or margarine | 1 teaspoon baking powder |
| 3/4 cup granulated sugar | 2 tablespoons brandy |
| 4 eggs, separated | 2 tablespoons milk |
| 4 ounces sweet cooking chocolate, finely grated | 1 quart butter pecan or vanilla ice cream |
| 4 ounces unblanched almonds, finely ground (1 cup) | Malted Milk Crunch |
| 12 NABISCO Zwieback, finely rolled (about 1/4 cups crumbs) | |

Beat butter or margarine until creamy. Add sugar, then egg yolks, beating until light and fluffy. Combine next four ingredients. Stir with brandy and milk into egg mixture. Beat egg whites until stiff, but not dry. Fold into chocolate mixture. Pour into a well greased 6 1/2 cup ring mold. Bake in a preheated moderate oven (350° F.) about 40 minutes, or until cake tester inserted in center comes out clean. Cool in pan for five minutes. Loosen around edges; then turn out on rack to cool. To serve, fill center with ice cream and garnish with Malted Milk Crunch. Make 12 (2 1/4-inch) wedges.

Future Farmers Of Big Pasture Present Awards At Annual Banquet

On Friday night, April 18, the Future Farmers of America at Big Pasture held their annual banquet. The menu consisted of Fried Chicken, Hot Rolls, Boston Baked Beans, Relish Plate, Homemade Pie, and Iced Tea and Coffee. After the meal, which was made by the senior mothers and served by the senior girls, the program began with the opening ceremonies held by the chapter officers: Mike Vache, president; Paul Baber, vice president; John Wood, secretary; Frank Booher, treasurer; Terry Hyman, reporter; and Billy Slabaugh. The introduction to our special guests came next with the Honorary Members, Faculty, School Board, and Area Supporters.

The Greenhands who were promoted to Chapter Farmers were: Kelly Beard, Ronald Dorton, Ricky Hauger, Hank Johnson, Terry Meyer, Robert Moralez, Donald Swiney and Bryant Terrell. There were also numerous awards given to these individuals: John Wood, First Place, Wheat Contest (Wheat

King), Livestock Farming, Public Speaking, Star Chapter Farmer and Dekalb Award. Mike Vache, Second Place Wheat Contest, Best Set of Records, Soil and Water Management and Crop Farming. Paul Baber, Third Place Wheat Contest. Billy Slabaugh, Farm Mechanics. Tyle Justice, Star Greenhand. Terry Hyman, Farm Forestry. Terry Meyer, Home Improvement. Ronald Dorton, Poultry Farming. Donald Swiney, Farm Safety.

The newly elected chapter officers for 1969-70 are: Terry Hyman, president; Frank Booher, vice president; Mike Vache, secretary; Gary Coles, treasurer; Mike Rupe, reporter; and Kelly Beard, sentinel. The speaker was the Southwest District Soil Conservation Speech Winner, John Wood.

TIME FOR A CRACKDOWN

The issue of law and order, which played so large a part in the presidential campaign, has become increasingly meaningful to Americans in recent weeks as strife has worsened on the campuses and the prospect of another "long, hot summer" worries many citizens.

Perhaps the most shocking development of recent years was the appearance on the Cornell University campus, in Ithaca, N.Y. of a band of black militants who armed themselves with shotguns and rifles and required the university president, under duress, to make a number of humiliating concessions. The picture of campus hoodlums, carrying weapons, unquestionably shocked even many liberals who in the past have dreamed up all manner of excuses for campus protesters. Even the New York Times compared the armed band to Nazi stormtroopers who attacked German universities in Hitler's rise to power.

It may be that the sickening developments at Cornell provided a shock of recognition to many liberals who have steadfastly refused to see any evil in

campus disorders. Indeed the latest round of riotous events already has produced some healthy reactions. The New York State Senate unanimously approved a bill to impose a year's jail sentence and a \$1,000 fine on anyone who prevents college classes from being held. Other state legislatures are considering similar bills, aimed at thwarting revolutionary organizations such as the Students For A Democratic Society.

In Congress, U.S. Rep. Albert W. Watson (R-SC) has called on the House Committee on Internal Security to investigate the Southern Student Organizing Committee (SSOC), which is trying to foment strife in high schools as well as colleges.

Another valuable step has been taken by Sen. Robert C. Byrd (D-W. Va.) who has introduced legislation that would make it a federal crime to disrupt any federally assisted college or university.

Tough state and federal legislation along this line most probably is the best way to deal with the organized minority of radical disruptionists who are trying to paralyze American education and root out all patriotic values and programs.

Other types of action are needed, however, to deal with career agitators who organize virtual wars against towns and cities, who harass communities for months over some absurd non-issue. No reason exists why peaceful, progressive communities should have to submit to weeks and months of marching in the streets and implied threats of riot. One resourceful agitator can cost a city hundreds of thousands of dollars in extra police payments and can deprive a community of needed revenue.

Hospitals and other vital community institutions can be impeded in their works of mercy and service by agitators who fly in each weekend for marches and demonstrations that pose the danger of riot and arson on a large scale.

Law-abiding communities should have protection against demagogic individuals whose preaching of "non-violence" is simply a cover for engendering acts of violence. One system that states and the federal government may be forced to adopt, to protect Americans against harassment and danger, is the system of preventive detention such as Britain's Defense of the Realm Act has embodied for many years.

Indeed President Nixon, in a speech on crime in the District of Columbia, already has advanced the idea of pre-trial detention of dangerous hard-core criminals whose freedom "presents a clear danger to the community." Senator Byrd of West Vir-

gina is another figure in government who has recommended a plan to allow judges to hold persons accused of threatening "serious bodily harm."

It is only reasonable to suppose that communities must have some way to protect themselves against protracted demonstrations that contain the threat of havoc and bloodshed. Detention of persons who might be dangerous to communities is an idea that certainly is going to receive much consideration in the months ahead.

The American people simply cannot tolerate more strife and threats of strife, whether on college campuses or in the streets. The time has come to deal with maximum firmness in crushing those who attempt to wage war from within. The spirit and deeds of sedition and anarchy must be stamped out if this free country is to survive.

Mr. and Mrs. J. M. (Doc) Goins Are Honored With A Dinner, Sunday

Many beautiful memories have been shared by Mr. and Mrs. J. M. (Doc) Goins in the past 50 years, but many more were in store for the couple as they were honored with a dinner, given by their children, Sunday, May 4, in the home of their daughter, Mrs. W. A. George.

Mr. and Mrs. Goins were married May 13, 1919 at Fredrick, Okla. They lived in Wichita Falls 7 years then moved to Route 1, Burkburnett and have been there 43 years.

Doc Goins was born at Orr, Okla. He has been a farmer and rancher most of his adult life. He moved to Burkburnett in 1910 and is the son of the late W. M. Goins. His hobbies are horses and fishing. He has been an active member of the Burk Riding Club since it was organized. He attended school in Okla. and after moving to Burkburnett, attended Fairview School. In later years served as a board member for 5 years.

Mrs. Mary Ella Morgan Goins was born on a farm 7 miles northwest of the present site of Burkburnett, on land that was purchased from the original Burk Burnett ranch. She is the daughter of the late A. A. & Lillis Morgan. With her parents, she attended the town lot sale when Burkburnett was organized. Several town lots were purchased by her parents to build one of the first homes in Burkburnett townsite. Mary Ella is truly a pioneer of this area. She attended school in Burkburnett after it's establishment, in both elementary and high school. Prior to this time her parents employed a private

teacher in the home.

Mr. and Mrs. Goins are members of the First Baptist Church. Mrs. Goins taught Sunday School classes for years. Her favorite classes were always in the Intermediate Department. Her hobbies are work with ceramics, porcelain, china painting, and several other handcrafts.

The couple have 5 children. Three sons, Wendell R. and Charles R. of Burkburnett, Tom M. of Shawnee, Okla. Two daughters, Mrs. W. A. George of Iowa Park and Mrs. Jamee Frye of Burkburnett.

There are 13 grandchildren and 2 great-grandchildren.

Those attending the dinner were children, grandchildren, great-grandchildren brothers and sisters of the couple.

Senior Citizens To Meet May 8

The next regular meeting of the Burkburnett Senior Citizens' Club will be held on Thursday, May 8th in the Town Hall.

Games and visiting can be enjoyed between 10:30 a.m. and 12 noon. At 12:00 a covered dish luncheon will be served. Since the month of May is considered Senior Citizens' month, we are to enjoy a talk by James Foyce from the Social Security Board. Mr. Foyce will answer any questions we may have concerning Medi-Care.

All Senior Citizens of the Burkburnett area are most cordially invited to attend the meeting. Friday, May 9th has been set aside as Burkburnett

Burk Garden Club Holds April 23 Met In J. L. Caffee Home

The Burkburnett Garden Club met Wednesday April 23rd in the home of Mrs. J. L. Caffee. The program theme was "This Great Big Beautiful World."

Mrs. N. T. Crane, president opened the meeting with a poem entitled "Things that Count." Roll call was answered by, "Name country birthplace of a plant in your garden," which was very interesting. Reports from standing chairmen were heard. The correspondence was read, a letter inviting the public to tour the ground of the Wichita State Hospital after the tour to view display booths, Ward activities and see the departmental exhibits. The tour will be Sunday May 4th, from 1:00 to 4:00 o'clock.

The Burkburnett Garden Club Flower Show was held May 2nd, on Friday afternoon in the Community Room of the Burkburnett Bank. Member Participation: Two Specimens each in Arrangement and Horticulture.

Mrs. Walter Riley, Mrs. Carl Morrison and Mrs. N. T. Crane had a luncheon for the Judges in the Walter Riley home.

Several members planned to tour the Benson Iris Garden in Wichita Falls Friday April 25th.

The Club voted to write to the Texas Highway Department asking for signs to be placed at the roadside entrance to the State and along the highways to

Day at the Open House Week of the Wichita Falls Senior Citizens' Center. All Senior Citizens of Burkburnett are urged to attend.

"Protect and not pick the wild flowers."

Mrs. Herrington gave a very interesting part on "Out of this World."

Lovely refreshments were served to 14 members and one visitor, Mrs. Sam Shrum, a former member of the club.

The next and last scheduled meeting of the Club Year will be held in the home of Mrs. Walter Riley, 908 Tejas, May 28th.

Hot Chambers

The thrust chambers used in the first stage of Project Apollo's Saturn rocket must withstand heat of 5,000 degrees F — half the temperature on the sun's surface. The fuel is used as a coolant by circulating it through tubular thrust chamber walls made of a high-temperature nickel-chromium alloy. This cooling system lowers the thrust chamber walls to a mere 1,000 degrees F.

Local Twirling Group Wins State

State champions was the reward for Glenna "Landes" Benson and her husband Swayne Benson, when they returned from the State Competition Twirling Association meeting in San Antonio, with their group of twirling girls.

There were eighteen corps at the contest and Glenna had one junior corp and two juvenile corp. The juvenile corps were competing against each other in State. When the competition was over the Junior, "Tri-Cities Misses", ranked first and in the juvenile division one group won first and the other second.

In both division they won first place in show and parade.

The combo band that play for them also entered a musical section and won first place in Musical Award.

In individual twirling three students placed first and one won 3rd place for Miss Major-ette of Texas.

Glenna is a former twirler of Burkburnett she is now an N.B.T.A. teacher and judge in Dallas and Fort Worth area.

The group of girls and the band, with Glenna and Swayne plan to fly to New York for a National Competition in August.

PUBLIC NOTICE
Proposed CONSTITUTIONAL AMENDMENT
NUMBER THREE ON THE BALLOT (SJR31)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 24, Article III, Constitution of the State of Texas, be amended to read as follows:

"Section 24. The Lieutenant Governor and the Speaker of the House of Representatives shall each receive from the Public Treasury an annual salary in an amount to be fixed by the Legislature, not to exceed one-half the annual salary of the Governor. Each other member of the Legislature shall receive from the Public Treasury an annual salary to be fixed by the Legislature, not to exceed the annual salary paid to a district judge from state funds. Members of the Legislature shall also receive a per diem of not exceeding Twelve Dollars (\$12) per day during each Regular and Special Session of the Legislature. No Regular Session shall be of longer duration than one hundred and forty (140) days.

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on August 5, 1969, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment providing that the Lieutenant Governor and the Speaker of the House of Representatives shall receive a salary fixed by the Legislature, not to exceed one-half the salary of the Governor; providing that the Legislature shall fix the salary of the other members, not to exceed that received by a district judge from state funds; and removing the 120-day limitation on per diem for regular sessions."

preparing your pool for SUMMER

WHEN SPRING WINDS IN, SWIMMING POOL OWNERS WAIT EAGERLY FOR WEATHER WARM ENOUGH TO TAKE THE FIRST PLUNGE AND THESE TIPS FROM JOHN-MANVILLE WILL HELP YOU DO IT AS EFFICIENTLY AS THE EXPERTS.

1. REMOVE PROTECTIVE WINTER COVERS FROM POOL AND EQUIPMENT, THEN SWEEP INSIDE AREAS CLEAN OF DIRT AND DEBRIS. DETERMINE IF ANY CRACKING OF WALLS OR FLOOR HAS OCCURRED, OR IF PAINTING IS NEEDED.
2. IF ALL IS IN ORDER, TURN ON WATER TO FILL. WHILE FILLING, EXAMINE EXPOSED VALVES, CONTROLS AND PIPES FOR LEAKAGE. IF ANY MAJOR LEAKS ARE OBSERVED, TURN OFF WATER AND GET PROFESSIONAL HELP.
3. FOLLOW MANUFACTURER'S DIRECTIONS FOR OILING AND CLEANING PUMP AND MOTOR BEFORE FILTER IS PUT INTO OPERATION. THIS CAN BE DONE AS SOON AS WATER REACHES FILTER INTAKE PIPE.
4. FOR EFFICIENT OPERATION OF A MODERN, DIATOMITE FILTER, CIRCULATE A MIXTURE OF J-M CELITE AND WATER INTO THE FILTER. A SUPPLY OF CELITE SHOULD BE PUT INTO THE BODY FEED APPARATUS, IF ONE IS USED. FOR EVERY 10 SQUARE FEET OF FILTER AREA, 1/2 TO 2 LBS. OF DIATOMITE ARE RECOMMENDED. A 1/2 LB. CEEFE CAN HOLD 1/2 LB. OF CELITE FILTER.
5. DURING FILTRATION OF A NEWLY-FILLED POOL THE WATER, THOUGH PROPERLY FIT FOR DRINKING, WILL BE CLOUDY AT FIRST, BUT AS PROCESS PROGRESSES, IT WILL BECOME SPARKLING AND CLEAR. AFTER POOL IS FILLED, ADD SUFFICIENT CHLORINE AND OTHER CHEMICALS NECESSARY TO FIGHT GROWTH OF BACTERIA AND ALGAE.

THEN, WEATHER PERMITTING, ENJOY ALL SET FOR A HAPPY SEASON OF SWIMMING.

Jacque Carter To Be C-C Speaker

Mr. Jacque Carter, with Independent Postal Systems of America, will be guest speaker at the Burkburnett Chamber of Commerce luncheon, Monday, May 5. Mr. Carter, who is special assistant to the President of IPISA, will be a knowledgeable and interesting speaker, according to Mr. Joe Gillespie, chairman of the Trade Promotion Committee.

So remember now — Monday, 12:00 noon at the Town Hall, your Chamber of Commerce Luncheon and Meeting — be a part of your community—serve.

TELL ME

OUR FABULOUS FARMERS

THE STAFF OF LIFE.

TOMB PAINTINGS OF ANCIENT EGYPT PORTRAY NOT ONLY THE PLANTING AND HARVESTING OF WHEAT, BUT SHOW THAT THE EGYPTIANS DEVELOPED THE FIRST BAKING INDUSTRY... THEY DISCOVERED THAT BY LETTING THE DOUGH FERMENT THEY COULD MAKE A LIGHT LOAF!

CULTIVATING CUSTOM.

ACTUALLY, METHODS OF HARVESTING WHEAT CHANGE VERY LITTLE FROM ANCIENT TIMES UNTIL THE 19th CENTURY. GRAIN WAS HARVESTED WITH A SICKLE. AN EARLY IMPROVEMENT WAS THE "CRADLE," A SCYTHE WITH A FRAMEWORK THAT CAUGHT THE STALKS AS THEY WERE CUT.

IMPLEMENTING PROGRESS.

ONE MODERN-DAY COMBINE IS CAPABLE OF HARVESTING ENOUGH WHEAT IN ONE HOUR TO PROVIDE FLOUR TO BAKE 20,000 LOAVES OF THE STAFF OF LIFE! PRODUCED BY THE NEW HOLLAND DIVISION OF SPERRY RAND, THE MODEL 995 COMBINE—WITH 130 HORSEPOWER—PUSHES MORE TOTAL HARVEST POWER INTO THE FIELD THAN EVER BEFORE!
