You have often heard me say that I believe that we have in Burk Burnett some of the most talented youth as well as some of the best-all-around youth that can be found in America.

Monday I went to the Sixth grade classes of Mrs. Bonnie Baggs and Aulene Henderson and there before me were some complete books that those students had constructed from scratch -- the idea, the story, the illustrations, the covers, and finally the finished product.

Then we receive word that Bryan Roark, son of Mr. and Mrs. Dwight Roark, is a state winner in the National PTA Cultural Arts Literature Competition. We hope to have more details concerning this award next week.

Also, if you will notice in today's paper there is a story on Robert Sturges and a state award that he has won.

Mrs. Alicia Nemecek, a civics teacher at Burk Burnett High School, phoned me Tuesday and told me of a Bill McBride Special Fund that the student body of Burk Burnett High School had set up at the First National Bank.

Bill, the son of Mr. and Mrs. O. H. McBride, you will recall, was critically injured in an automobile accident near Henrietta about three weeks ago. He is a senior at BHS.

Bill is still in the intensive care unit at Wichita General Hospital and has had to undergo one brain surgery.

The student body chose to set up this special fund to help with part of the tremendous expenses being incurred by Bill's family. The student body elected to collect \$1 from each student and teacher at Burk Burnett High School and has challenged all of the civic clubs in Burk Burnett to do the same -- collect at least \$1 from each member in their club.

Bill cannot receive flowers or plants so why not take the money that you would normally spend on flowers and deposit it in this special fund and then, accept the challenge of the student body and contribute \$1 per member of your club.

If awards and the concern of our local youth to help another like the above mentioned do not convince you that all in all we have some of the best youth that can be found then I do not know what will. \*\*\*\*\*

The rain we received over the weekend was wonderful, though many area wheat growers, farmers, and ranchers stated that it just came too late to save much of their crops and grazing.

Reports were that we received a total of one inch to an inch and one-half counting both Friday's and Monday's rainfall.

The extended drought and then the rainfall reminds me of the story they tell on one of the most popular small town weekly newspaper editors of West Texas, M. S. (Doc) Sellers. He was the owner of the Brady Sentinel for several years and then for a long time published the Rising Star Record.

On those somewhat rare occasions when a heavy down-pour visited his area, he would write a headline, "Rising Star Ave. Receives Million-Dollar Rain."

The practice caused a contemporary to quip, "Doc Sellers reported two 'million-dollar rains' this season and we looked up the statistics and found the entire value of the crops in the Rising Star area was \$890,000. What we want to know is, Doc, what did you do with that other \$1,110,000?"

CAR DRIVEN BY MR. AND MRS. JOE BRUNER

**Two Hurt In Saturday Night Traffic Accident**

A severe accident in the 600 block of West 3rd St. at approximately 8:00 p.m. Saturday sent Mr. and Mrs. Joe C. Bruner of Burk Burnett to the intensive care ward of Wichita General Hospital.

The accident occurred when the 1959 Mercury they were driving ran into the rear of a large tractor truck parked in front of 604 W. 3rd, the residence of Tommy J. Kenyon, the driver of the truck.

Mr. and Mrs. Bruner were taken to Wichita Falls by Gold Cross ambulance. They were still in the intensive care unit at press time Tuesday night.

Police investigated an accident last Wednesday in the United Supermarket parking lot which produced no injuries and light vehicle damage.

A 1966 Chevrolet driven by Brown N. Liles of 820 Tidal was parked when a 1964 Pontiac driven by Johnny Taylor of Route 1 backed out hitting the Liles vehicle on the right side.

The rain, although badly needed by almost everyone, produced a rash of accidents Monday afternoon.

The first occurred at 4:17 p.m. near the intersection of Texas 240 and Beverly Loop when the 1963 Dodge driven by Wayne R. Gun of 1003 Beverly Loop

was hit in the rear as it tried to make a left turn on Beverly Loop. The second vehicle in the accident was a 1957 Chevrolet driven by Joe S. Rorabow of 706 Sycamore.

No injuries resulted from the accident.

The second accident of the afternoon occurred only minutes later when a 1966 Chevrolet pickup driven by Carter V. Fore of 528 Rosewood failed to yield at a stop sign and hit a 1960 Ford driven by Underwood S. Groves of Route 2, Nocona.

The accident occurred at the intersection of Daniels Rd. and Daniels Rd. See ACCIDENT, Page 2

Local citizens should take note of animals especially skunks, that might be acting in a strange or peculiar manner. One skunk was found near the intersection of South Hilltop and North Hilltop last week and upon investigation

**Council Accepts Floor Plans**

Burk Burnett City Council, in their regular meeting Monday night, accepted the basic floor plans of the proposed community center.

These plans call for a prefabricated building with a seating capacity of 720 banquet style in the main hall and an additional 75 banquet style in a smaller meeting room. Gary Bean, city manager, reports the main hall is large enough to seat 1100 people or so as far as regular seating is concerned.

The plans were submitted by Caffee-Bellamy & Associates. Parking adjacent to the building will provide for 200 cars.

Perman Oil Co., donor of the community center site, was voted a resolution of gratitude by the council for this gift and two previous donations of land including a city park.

The purchase of equipment totaling \$13,100 from Walter West who has resigned his contract as garbage collector for the city, was voted by the council also elected to assume garbage collection duties on May 15.

The council passed an amendment to the city ordinance controlling dogs. The amendment, which can be read in its entirety on another page of this edition, gives the city authority to fine owner of dogs creating a nuisance or disturbing the peace.

Howard Henderson and Dr. R. L. Brown appeared before the council in the interest of buying water from the city for use by an association of rural subscribers in an area north of the Burk Burnett city limits.

The association is reported to include 17 members. This group will apply for a loan from the Farmers Home Administration for installation of water mains.

The council gave tentative approval of the project.

The resignation of Joe Ray McCluskey as council member was accepted by other members of the group. No successor was named for the 11 months remaining in his term.

Tom Colley, tax assessor-collector, reported to the council the March tax See COUNCIL, Page 2

DONNA LEWIS, PAM HENSLEY, DEBBIE ROTH

**Pam Hensley Crowned Ideal Miss Burk.**

Pam Hensley, 15-year-old daughter of Mr. and Mrs. Joe Hensley, was crowned Ideal Miss Burk Burnett in the pageant held Saturday night at the Burk Burnett High School cafeteria.

Pam competed against 13 other talented girls in sports, talent and evening dress competition.

First Runner up in the pageant was Donna Lewis, daughter of Mr. and Mrs. Don Lewis. Donna is in the 8th grade and was sponsored by Elite Dress Shop.

Winning the Miss Congeniality award was Susie Pickett the 17 year-old daughter of Mr. and Mrs. Kenneth Pickett. Susie was sponsored by Mathis Chevrolet.

Receiving the age group trophies were 14 year-old Denita Allen, daughter of Mr. and Mrs. Darwin Allen. She was sponsored by the Burk Burnett Bank. Winner of the 16 year-old trophy was Rannette Hudson who is the daughter of Mr. and Mrs. Randall Hudson. She was sponsored by Cornelius Insurance Agency.

Winning the 17 year-old trophy was Susie Pickett; there were no contestants in the 13 year-old age group.

Debbie Roth who was sponsored by Lippard Insurance and who is the daughter of Mrs. Berta Roth was the talent winner.

Denita Allen was the highest in ticket sales and was awarded a \$25 savings Bond by the 1st National Bank for that honor.

"All of the girls have worked hard and have done a fantastic job--each deserves a trophy, I just wish we could give them out," stated Carolyn Gray, pageant chairman.

The girls were judged 1/3 on talent, 1/3 on sportswear, 1/3 on evening gown. Also, there was an interview prior to

the pageant with the judges. Judges for the pageant were Capt. William Miller, Mr. and Mrs. W. C. Ring, and Lyndell White, who was Miss Wichita Falls in 1969 and Miss Oak Cliff in 1970.

ROBERT G. STURGES, JR.

**Sturges Wins First At State**

Robert G. Sturges, Jr., a member of the Burk Burnett High School chapter of the Office Education Association, took first place in the Extemporaneous Verbal Communications event at the state level O.E.A. Youth Competitive Conference at San Angelo last weekend.

The extemporaneous speaking contest was designed to test the contestant's ability to think on his feet. Each participant is given a specific problem dealing with "Human Relations in the Business World"; and has ten minutes to prepare. The contestant must then adequately speak over the possible solution(s) to the problem for no less than three minutes and no more than five. The speaker is judged on his presentation of the problem, originality, poise, and voice qualities.

Robert won the first place honor by competing against nineteen other O.E.A. members who had previous won in area contests. In the first round of the contest, his topic dealt with the refusal of a secretary to work in cooperation with other members of the firm which she was employed. Robert had to discuss the need for teamwork in an office and the effects of a person's child. See STURGES, Page 2

**Hayes Receives Jaycee D. S. Award**

The highlight of the Burk Burnett Jaycee Installation Banquet Saturday night was the presentation of the Distinguished Service Award to Ralph Hayes. The award is given annually to an outstanding citizen of Burk Burnett, outside the Jaycee organization, who has devoted a great amount of time and energy to the betterment of the community.

Hayes, who has been the director of the Burk Burnett Youth Center for the past three years, is a TSgt. at SAFB in the Flight Refueling Company.

He has initiated many of the programs at the Youth Center which include judo, dance, modern art, ceramics, archery and tumbling. "He has held the center together during its light times," reported one individual.

Hayes spends on an average of 35

to 40 hours per week working at the Youth Center. He and his wife, Bernadine, have four children.

Other awards presented during the Banquet were the Outstanding Jaycee of the year award to Tommie Olds and the Key Man award to Charles Hauger. Presentations of these awards See HAYES, Page 2

**Absentee Voting Light To Date**

Balloting in the Special Election for Place 2 on the Burk Burnett School Board has been exceptionally light to date.

The election, which is set for May 1, has only two candidates on the ballot, Ted B. Harris and incumbent Weldon Nix. No write-in votes can be cast in this special election.

The election was called due to a tie vote between these two men in the regular election held on March 6.

Persons may vote absentee until 4:00 p.m. Tuesday at the School Tax Office.

The special election will be held Saturday, May 1, in the Junior High School with Francis Felty as election judge.

VISITED BURKBURNETT - Liaison officers from nine different countries came to Sheppard Friday as they went through the states checking on their students in America. Ten of these men came to Burk Burnett Friday, toured the Gun Shop as well as other parts of town. They, along with T.M. Cornelius, Reid McCandless, Gene Allen, and W. S. Tarkington, M/Sgt. Ret., are shown above. Tarkington is the administrative supervisor in the Foreign Training Office at Sheppard AFB.

**Girls' Softball League Sign-up Set For Sat.**

Mac Malone, president of the Girl's Softball League, has announced that Saturday is the last official sign-up day for local girls.

All girls interested in playing softball this summer should come to the Youth Center Saturday between the hours of 10:00 a.m. and 2:00 p.m. All girls who have not played softball with the league before are required to bring with them their birth certificate. Registration fee has been set at \$2.50.

All girls who sign up Saturday will be on a team, Malone reported. He further stated that all games will be played in the girls park in Burk Burnett this year.

To date there have been some 45 girls sign up for the league with those that will sign-up Saturday expecting to push the total to 100. Teams will each have 15 or 16 girls.

The first practice for the girls has been set for the first week in May.

## Guidelines Of Life

by Henry Dittmore

Romans 4:1-16  
 "Saying, Blessed are they whose iniquities are forgiven, and whose sins are covered. Blessed is the man to whom the Lord will not impute sin"

A man was having a lot of trouble with his eyes. His doctor examined him carefully and then shook his head. "My friend," he said, "you are in trouble. There is only one doctor any where near here who can help you. It is going to take a very difficult and expensive operation to fix them up."

The doctor wrote down a name and address on a piece of paper and gave it to the man. "Here is the name of the doctor who can help you. I would advise you to go at once and take plenty of money with you for its going to cost a lot."

The man had \$80 in the bank, so he got his money and went to see the other doctor. After examining his eyes he said, "Yes, you need the operation, and in a hurry. And I am not sure you can pay what it will cost. I never accept less than \$500 for this operation."

"Well, then," said the man in sad despair, "I guess I'll just have to go blind, because I only have \$80."  
 "No," said the Doctor, "I can't accept as little as \$80 so I'll do it for nothing."

So it is with God and us. Not one of us has anywhere near enough to pay for our salvation. God cannot sell it to us cheaply, so He gives it to us.

But the Jews Paul was writing to did not like Jesus and did not think they needed Jesus and did not think they needed help. "Let us alone," they said, "and we will get to heaven by ourselves, just like Abraham did." So now Paul is talking to them about Abraham, for he was the first of all the Jews, and they all thought he was without blame. And Paul asks "How did Abraham get to Heaven? Not because he was a Jew. No, he was saved just like everyone else, by believing and trusting in God. He could never have paid his own way. But he gladly accepted God's gift." Have You?

## Bike Safety Week Announced In Burk

The investigation of traffic accidents shows that vehicle operator errors and poor vehicle maintenance continue to be the principal contributors of

vehicle accidents and the resulting loss of life or serious injury.

Our youth are vehicle operators if they own and ride bicycles. In the last survey available, there were approximately 1600 bicycles in the Burkburnett School District. That in itself is cause for concern. In addition, for each bicycle there must be an operator -- perhaps an extra rider. This means that there are over 1600 potential accident victims among the bicycle operators within the Burkburnett area.

The Optimist Clubs International annually sponsor a Bike Safety Week. The Optimist Club of Burkburnett will have a bicycle inspection and operator's competition on April 24, 1971. For the good of the community

## Burk Library In Fourth Year; Friends Support With Book Fair

The Friends of Burkburnett Library have combined the celebration of the fourth anniversary of the Burkburnett Library with their annual Book Fair this week. The organization is sponsoring the Book Fair at 309 E. 3rd until Saturday.

A variety of books dealing with almost every topic from juvenile fiction to mysteries at the Fair. The selections of books will not remain the same as new books are added daily. Proceeds from the event will fund projects to

provide additional services to patrons of the library.

A copying machine and glass display case have already been donated to the library as the result of previous fairs. The photo-copier is the most used service of the library. Reports, school themes, and other materials are easily duplicated for a small fee. The display case is used as a place to exhibit hobby crafts, coin and stamp collections, and other items of interest to visitors.

The display case is free to anyone wishing to share his collection or hand-work.

Since the library's dedication on April 1967, it has experienced a steady growth in inventory from 4,000 volumes to the current 10,200 level. Its circulation has increased from 21,180 to 31,840. The 6,000 square foot building was designed by Caffee and Bellamy Architects and was constructed on a lot donated by Mr. and Mrs. W.H. Bohner by the M & T Construction Company of Wichita Falls. It cost \$100,000 to build.

The Friends of Burkburnett Library are also holding a membership drive during the Book Fair, with Mrs. Robert Norriss serving as membership chairman. The membership fee is \$1.00.

Current officers of the Friends of the Library, which is the only organization of its kind in Wichita County are: Gene Allen, president; Rev. Wm. Penn, vice-president; Mrs. Raymond Schroeder, secretary; Jim Frye, treasurer; Mrs. Frank Miller, finance chairman; and Mrs. Glenda Galvez, publicity chairman. The Board of Trustees is composed of Dan Schafner, Mrs. Harold Van Loh, Jess Whately, Mrs. F.T. Felty, Raymond Greenwood, Mrs. Marjorie Kauer, and A.R. Hill.

## Linda Lindsey Receives Merit Scholarship

Linda Lindsey, daughter of MSgt. and Mrs. William H. Lindsey, was recently honored as one of 40 recipients of U.S. Air Force sponsored merit scholarships.

Miss Lindsey, a senior at Burkburnett High School, was one of 1,300 high school seniors in the nation who received the four-year scholarship. They were chosen from 15,000 finalists. Finalists are those who scored in the upper on half of one per cent of graduating seniors in their state.

The winners of the scholarships were announced by Edward C. Smith, president of the National Merit Scholarship Corporation.

The pretty young Miss Lindsey has been recognized for many achievements through her school years. She is a member of the National Honor Society, National Science Foundation summer program, Future Teachers Association and has won awards for achievement in Spanish and algebra.

She is also active in the church choir, Girl Scouts, Red Cross volunteers, and is president of the Protestant Youth of the Chapel at Sheppard.

Miss Lindsey has been accepted by Hardin-Simmons University in Abilene. She plans a major in pre-med, nursing, or chemistry.

which I serve, I have agreed to the Optimist Club's request for the following proclamation.

Whereas, the youth of our city are our proudest possession and our pride and joy,

Whereas, our youth are to be the vehicle operators of tomorrow, and

Whereas, now is the time to teach them the rules and responsibilities that go along with vehicle operation,

Whereas, the safety of our children is still in our hands,

Whereas, we have the responsibility as our children's

Now, therefore, I, Billy J. Smith, Mayor of the City of Burkburnett, Texas, do hereby designate the period of April 18 through 24, 1971 as Bike Safety Week in Burkburnett.

I call upon the citizens of Burkburnett to observe this week by being safety conscious; to observe all the rules and common courtesies of responsible vehicle operators; and to inspire our children in the highest tradition of respect for the laws and the rights of others. Thus the children, observing the adults, may better practice bicycle safety in our streets and playgrounds.

In witness whereof, I have herunto set in my hand this 18 day of April, in the Year of Our Lord, Nineteen Hundred Seventy-One, and of the year of Incorporation of Burkburnett, the forty-eighth.

/s/ Billy J. Smith  
 Mayor of Burkburnett

## SPORTS

### SIDELIGHTS

by Robert Sturges

Well, there isn't much I can comment on this issue because there was no baseball game this week. Grangerfield cancelled their game with us because they suffered another district defeat Friday afternoon. The team decided not to play any more this season because all hopes for their particular district title are blown to the wind.

Anyway, there were a number of noteworthy events in sports during the Vernon district meet. Jim Sims took another top spot in track again this year. Jody Southerland finished one stroke behind the first place winner on the golf course.

But perhaps the happiest and yet saddest sports news comes from the tennis team. The weather was nearly impossible during the meet. Rain and wind alternated in disrupting the players. The three girls who placed in the finals on the freshman team are to be commended for their excellent performance at this, their first district contest. It is unfortunate that there is no freshman classification at the regional level so these girls will not

be able to continue in U.I.L. competition. There is always next year though.

Be sure to attend the baseball game at Bulldog Field tomorrow afternoon. The Bulldogs will be meeting the Notre Dame Knights on the dirty diamond for another bout. These are two well-matched teams and should prove to be a thrilling game.

## Plans Progress For L.L. Parade

Plans are progressing rapidly for the kick-off ceremonies for the Burk Little League play according to George West, publicity chairman for the Little League.

Plans at present call for Little League players to assemble at 9:00 a.m. Saturday, May 1, at the Youth Center for a parade from that point through the downtown area. Pick-up trucks for the parade, which will begin at 9:30 will be furnished by Wolfe Ford and Mathis Chevrolet.

Immediately following the parade there will be the dedication of the new Hayes Field. Ceremonies will be hosted jointly by the City and Little League officials.

The annual hamburger dinner at Permian Park will follow the dedication ceremonies.

Funds raised by Little Leaguers from the sale of tickets to this dinner will be used for league activities.

First and second prizes will be awarded for the most ticket sales.

was made by outgoing president, John Wolfe.

Jay Henderson, of Wichita Falls, past district governor of Toast Masters International, was the principal speaker for the banquet. The problems among the youth in America would largely disappear if every young man would adopt and follow the Jaycee Creed, stated Henderson.

New officers installed into the club were Gaylon Siber, president; Tommie Olds, first vice-president; Donnie Schmitter, second vice-president; Phillip Miller, secretary; Jerry Boren, treasurer; George Jackson, Jerry Lanke, Brian O'Hair and John Wolf were installed as directors. Wolf was also installed as a state director.

The installation of the officers ceremony was presented by Roy Hilberry of Graham, director of the Texas Jaycees.

Brian O'Hair was banquet chairman.

The council also heard the corporation court report which showed fines totaling \$730 including 77 traffic and six litter violations.

In other action the council also approved the payment of current accounts in the amount of \$6,628.

### VACCINATION

Continued from Page 1

Dr. Brown reported that skunks seem to harbor rabies and that they do not always have the outward symptoms of rabies yet they could still be a carrier.

Again, if you have a pet, take it to the vaccination clinic to ensure that it does not become rabid.

If you see a skunk notify the police department where they can come out and pick it up or dispose of it.

## Mrs. Mary Matteson Hosts Homemakers HD Club

The latest regular meeting of the Friendly Homemakers Home Demonstration Club was held April 8 in the home of Mrs. Mary Matteson. The president, Mrs. Jane Latour, called the meeting to order. The opening exercise was provided by Mrs. Matteson, who read two poems.

Each member answered roll call by telling the group of something that she looks forward to. The minutes of the previous meeting were read and the treasurer's report was given by Mrs. Barbara Mannen.

It was announced by Mrs. Latour that there was to be a Mental Health Clinic in Wichita Falls on April 13.

Discussion was held on the group's project, the Burk Day Care Center. Mrs. Myrna Ballard made a motion, which was approved by the group, that they purchase Sesame Street records for the use of the Center. Mmes. Latour and Matteson were delegated to purchase and deliver the records.

Members also discussed plans for the entertainment of the Ray Home Demonstration Club on May 6 in the Burk Burnett Bank's Community Room.

Mrs. Cheney gave a safety hint to the group, concerning the removal of greasy rags

## Flea Market Plans Set

The Orbit Skate Club met April 18. The final plans for the Flea Market to be held April 22-24 in the old Gill Grocery Building were discussed. A Bake Sale will be held Saturday during the market.

The club voted to present white award sweaters to those skaters qualifying for them under club rules.

## Nikki Radanovic On Deans List At Tech

Nikki K. Radanovic of 603 Sycamore, Burkburnett, was among the more than 1,650 students in the College of Arts and Sciences at Texas Tech University to be named to the Dean's List during the fall semester.

To qualify for the Dean's List a student must have a grade point average of 3.0 or more and must be taking as many as 12 hours of work. Announcement of honor students was made recently by Arts and Sciences Dean Lawrence L. Graves.

The College of Arts and Sciences is one of eight colleges and schools at Texas Tech University. The others are the colleges of Agricultural Sciences, Home Economics, Engineering, Education and Business Administration and the Graduate School and the School of Law.

Enrollment during the fall semester passed the 20,000 mark for the first time since Texas Tech was founded in the mid-twenties.

## Boomtown ABWA Meets in Grandfield

Boomtown Chapter, ABWA held its regular monthly meeting Monday evening at the lovely Walker Restaurant in Grandfield. Approximately 30 members enjoyed a delicious steak and baked potato dinner. The invocation was given by Kathy Keene and Blanche Sellars led the pledge of Allegiance. Nila Braden introduced her guest Joy Braden from Jacksonville, Fla. Clo Randall of Grandfield gave the vocational talk. She is a beautician and enjoys her work. She visits the nursing home once a week and told of her experiences with the patients there and how rewarding it is to her to have them tell her how much better they feel when she has done their hair.

Judith Morrow introduced the program "Relaxaway with Slim Gym". The program was presented by "Dee and Martha" of the Relaxaway corporation. Following the program, Jessie Hammill reported on the District Convention in Phoenix, Ariz. She passed pictures around and told of a very enjoyable and educational trip.

Social Chairman Kathy Keene reported that Juanita Willingham had inquired about a trip to the "Windmill" for the social event. It was received favorably by the members and the committee was asked to get further details. In the absence of Educational Chairman Lucille Campese the president read a list of prospects for scholarships.

The members voted unanimously to pay the full tuition for LYN training for Patty Egenbacher and to discuss the list again at the next meeting. Members also voted to donate \$100 to the Stephen Bufon Memorial Educational Fund in Kansas City.

Report on the "Cake Box" showed it to be right on schedule and presently in the hands of Pat Stout. President Virgie Tobias appointed Laura Todd, Mae King and Ruth Larson to serve as the "Woman of the Year Committee" and instructed members to get their letters in to the committee before the next meeting.

Captains for the attendance contest to begin in May will be Mae King, Virginia Sjojin, JoAnn Nitzel and Pat Stout. Valere Matherly is Chairman of the contest and this year theme is "Doing our own thing".

It was reported that Peggy Jackson, Lorene Farmer, Mary Lacy, Ruth Rozzell, and Ruby Young wished to be members - at - large and would be taken off the active list for a while.

After adjournment President Virgie Tobias installed

Louise Mullins, Pat Lippard, Audrey Hartsell, and Clessie Ingram as new members.

The door prize was won by Blanche Sellars and the benediction was given by Juanita Willingham.

## Revival Services At Local Church

Sunday morning at 11:00 a.m. the final revival service conducted by James Manley at Janlee Baptist Church will be held.

Other remaining services are at 7:30 p.m. on Thursday, and Friday nights of this week only.

Rev. Manley is Baptist Student Union Director at Midwestern University and has spoken in many of our area churches. The public is invited. A nursery is available free of charge for children through age 3.

The Contemporary Study Club met at the Town & Country Restaurant in Wichita Falls for their annual installation dinner and meeting. The tables were decorated with May poles and spring flowers and place cards were with spring flowers.

Mrs. Dan White, out-going president installed the new officers using a musical theme. She presented each new officer a musical instrument that would apply to her new office.

New officers, installed were Mrs. Joe Boucher, president; Mrs. Edgar Fulcher, vice-president; Mrs. Dan White, Secretary, Mrs. M.D. Cheney, corresponding secretary; corresponding secretary; Mrs. Harry Elliott, treasurer; Mrs. Robert Norris, reporter; Mrs. Frank Miller, Parliamentarian; Mrs. Lee Soper, historian.

A silver charm with the president's name and year was presented to Mrs. White. Two silver charms for perfect attendance went to Mrs. Elliott, and Mrs. Norris. A silver charm for the best program went to Mrs. Miller. Silver charms were also presented to Mrs. Norris and Mrs. Miller for the outstanding members.

Twelve members and on guest attended. The guest was Mrs. Soper's mother, Mrs. Winnans from Corsicana.

Mrs. White presented each member a silver charm with their name and birth date on it.

## Bride-Elect Honored With Luncheon

A bridal luncheon honoring Miss Debbie Kisler of Houston, bride-elect of Rudolph Robinson III, was held Saturday, April 17, in the Regal Room of the Wichita Club, with Mmes. Glen Bear, Harold VanLoh and Alvin Hill serving as hostesses.

Honored guests in addition to Miss Kisler were her mother, Mrs. G. W. Kisler, and her sister, Miss Karen Kisler, both of Houston; Mrs. Rudolph Robinson, mother of the groom, and Miss Janey Robinson, the groom's sister; and Mrs. John Robinson of Austin.

A gift of silver was presented to the honoree by the hostesses. The package was wrapped in white with yellow, the bride's chosen colors. The same color scheme was again used in the table decor, consisting of a white appliqued cloth centered with an arrangement of mixed spring flowers and predominantly yellow roses.

June 5 is the date set for the couple's exchange of vows in the First Presbyterian Church in Houston.

Parents of the couple are Mr. and Mrs. G. W. Kisler of Houston and Dr. and Mrs. Rudolph Robinson of Burkburnett.

The bride-to-be is a junior at the University of Texas. Her sorority is Zeta Tau Alpha. Robinson is a senior pre-med student at the same university. He is a member of Phi Gamma Delta fraternity.

Other guests at the luncheon were from Wichita Falls, Burkburnett and Grandfield, Okla.

Honey, 110 Margaret and his maternal grandparents are Mr. and Mrs. Clifford Gibson of 705 Glendale.

## County Meeting Of HD Clubs

The Home Demonstration Clubs of Wichita County met recently for the county meeting in the County Courthouse, with Mrs. Clarence Clayton acting as president. Clara Fairview opened the meeting with a devotional. Members answered roll call with comments on "How we are doing on recommendations."

Several coming events were announced during the meeting. Among these were: an elimination contest on April 24 and the District elimination contest to be held at Midwestern University on May 1; the Wichita County 4-H Candy Sale, starting May 7 and lasting through May 21; an urban 4-H workshop to be held in Wichita Falls on April 28 and 29; and the camp day for Wichita County Clubs, which will be August 4 at a location to be announced later.

Mmes. D. D. Mendenhall, Nolar and McElroy gave reports to the clubs of the county on the District meeting held lately in Rotan.

It was also announced to the general membership that Patricia Gray from the membership of Friberg-Cooper has won a \$200 scholarship. In plans for upcoming meetings, Knox County asked for the Spring meeting, and Stevens County asked for the District Meeting.

The Park Area Club will bring the devotional at the next county meeting, May 11.

## Denise Estes, Miss Lubbock

Denise Estes, 18 year old daughter of Mr. and Mrs. Bill Estes of Big Spring, was crowned Miss Lubbock 1971 in ceremonies at Moody Coliseum at Texas Tech Saturday night.

She competed against some 31 other contestants and 14 finalists in swimwear, talent, and formal gown competition.

Denise, who is a freshman at Texas Tech, is the granddaughter of Mr. and Mrs. Dow Estes of Burkburnett.

The winner of the contest was awarded a \$700 scholarship to Texas Tech.

## Mrs. Swinford Hosts HD Club Regular Meet

The Cooper Home Demonstration Club met at the home of Mrs. R. R. Swinford recently. Mrs. Swinford, president of the club, opened the meeting with a prayer and a poem. Mrs. Bee Bryant read the minutes of the previous meeting and called roll. The treasurer's report was given by Mrs. Mae Kotch.

Mrs. Anna Mae Emmert then gave a report on a trip to Rotan Texas.

Mrs. Pete Rogers followed with a program on decorative pillows.

The hostess served refreshments to one guest, Mrs. M. C. Lloyd, and members, Miss Amelia Spencer and Mmes. P. S. Swinford, Loma Volmer, Kotch, Ella Gill, O.J. Cooper, Gertrude Barfield, Dawson Owen, Fred Lovell, Hubert Miller, Pete Rogers, Emmert and Bryant.

The club's next meeting will be held in the home of Mrs. Emmert.

## Girl Scout News

In their most recent meeting, Brownie Troop 40 was taught how to fold a flag and tie knots. They also planned a tea for the mothers for Thursday and the girls will have their year pin ceremony.

Two weeks ago each girl made an Easter basket from bleach bottles decorated with yarn and flowers. They also made Easter baskets from butter tubs and pipe cleaners then filled them with grass and candy and delivered them to the Day Care Center.

At the April 13th meeting of the Service Unit, twenty-three Girl Scout Leaders were pleased to have eight guests including Miss Judith Henderson, executive director, and Mrs. Walt McRae, president.

Ten year pins were presented to three senior Girl Scouts by Mrs. S. R. DiFlippo. Mrs. Tom Jenkins announced that Mrs. Scott C. Newton has accepted the job of Service Unit director.

Fly-up Ceremonies were set for all Brownie Troops. They are as follows: April 27 - 87 to 94 - 4:00 p.m. at the Youth Center; April 27 - 40 to 25, 7:00 p.m. at the First Methodist Church; May 3, 121 to 59, 4:00 p.m. at the Youth Center; and May 24, 52 to 45, 7:00 p.m. at the Lutheran Church.

Plans were discussed for a car pool to be used by all girls of Burkburnett to enable more girls to attend Day Camp in June.

Four leaders of Burkburnett Girl Scout troops attended the annual Leaders weekend at Redlands Council in Oklahoma. This event is for leaders only and is held at Red Rock Camp outside Binger, Okla. The four leaders of Burkburnett were accompanied by two leaders from Wichita Falls.

The group of about 170 enjoyed singing, folk dances, crafts, a campfire, hikes, and a "Scouts-Own". They also enjoyed being with other adults who take time to concern themselves with the welfare of young girls.

# Pro Rodeo News

DENVER, Colo.--The professional rodeo cowboy represents one of the last strongholds of individualism in America, the Rodeo Cowboys Association said here recently.

The cowboy pays all his own travel expenses, plus rodeo entry fees, and receives only what money he is skilled enough to win in the arena. He receives no guarantee wage or subsidy.

If he is highly skilled -- and lucky -- he may win in excess of \$40,000 a year. But to do it he must pound the road for 11 and-a-half months a year, competing in as many rodeos as possible.

The cowboy is a nomad athlete who has no coach or trainer; no one tells him which rodeos to enter. In a rough contact sport which may pit a 150-pound cowboy against a 2,000-pound bull, there is no "team doctor" to treat injuries, and the cowboy must rely on local medical attention from town to town.

"The professional cowboys I've met are top-conditioned athletes who could probably be successful in any sport they chose to compete in," lauds Dr. Bruce Claussen, of North Platte, Neb. Claussen, a leading orthopedic surgeon, is co-chairman of the annual Association-sanctioned rodeo in North Platte.

But the cowboys are in rodeo because they like the sport, and because they like their freedom. They come from big cities as well as ranches.

## CONSERVATION HOMEMAKER AWARDS GIVEN

"Conservation assures my family of a tomorrow on the farm," says a Medina County farm wife who has been named Texas Conservation Homemaker for 1971. She is Mrs. Jerry Howard of Devine.

Regional winners are Mrs. James E. Laney, Hale Center; Mrs. Joe John Vvylecka, Jourdanton; Mrs. Marvin Waddleton, Jr., Tyler; and Mrs. Wardell McGowan, Waco.

Recognized for their achievement in the area of conservation in the home and on the farm, the homemakers were selected from candidates throughout the state by a panel of conservation and home economics specialists.

The annual event is sponsored by the Fort Worth Chamber of Commerce in cooperation with the Texas Agricultural Extension Service, and the Soil and Water Conservation Districts of Texas.

The Howards and their four children own and operate a 932-acre farm which dates back to 1896 in the family. Mrs. Howard hopes to continue the tradition of farm living through conservation practices.

"Our children are the best reason in the world for us to practice conservation to the maximum. They love this land, being out in the country and observing nature first-hand. It's up to us to see that this land is used and not abused to preserve their heritage," Mrs. Howard explains.

Mrs. Laney, mother of two, believes that conservation gives her family the opportunity to grow together as they also watch their fields grow. "We realize as fourth generation farmers that we could not be using some of our land if those before us had not also believed in conservation."

She is active in church, 4-H and community work, currently serving as president of the Hale County Cotton Promotion Association.

The Vvyleckas and their seven children grow, can and freeze their own fruits and vegetables, butcher their own meat, make cheese, butter, bread, cakes, cookies and even root beer.

Conservation planning on the Vvylecka farm has ranged from rebuilding terraces and shaping and sodding natural waterways to controlling bush growth and planting high residue crops.

Mrs. Waddleton was a "city girl" when she moved to the farm 10 years ago. "My first reaction was that I didn't like farm life," she says. She adds, however, "With the conservation program, I have learned that if we work with and save our soil, our soil will save us."

Mrs. McGowan, her husband and four children purchased their farm five years ago. Then it was covered with oak trees, briars, sprouts, stumps and a few small pecan trees. "With very little money, we started clearing the grounds, then had a six-room house moved on," she says.

The McGowens raise swine, beef cattle and grain on their farm, in addition to much of their own food.

a few have even come from New Zealand and Australia. Last weekend, professional cowboys competed in rodeos at Mesquite, Texas, Portland, Ore., Red Deer, Alberta, and Red Bluff, Calif.

As of April 12, the top money winners in the 1971 pro rodeo season were:

There is a need to look back occasionally to get our bearings for the future. Past experiences often guide future action. What has proved good and profitable in the past will often prove to be the same in the days ahead. Serving God and our country through our churches and through civil and community service has always elevated us as a people and contributed to our image as a free and just country. We will not go wrong in adhering to these practices.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Ulana Lucia Ludeke Named Outstanding Senior At Midwestern

Ulana Lucia Ludeke was recognized as one of the outstanding seniors at the Women's Recognition Banquet at Midwestern University Wednesday night.

## Blue Angels To Perform

The Norman Jaycees have announced plans for a nationally advertised three-day air show set for April 23-25, this Friday through Sunday, at Max Westheimer Airfield.

Jaycee spokesmen said they expect some 60,000 people to attend the event, which is sponsored by Oklahoma Air Exposition, Inc. -- a joint organization of the Norman and the Village Jaycees.

The show, "The Biennial Oklahoma Air Exposition," will feature performances by the Navy's Blue Angels flying team, the U.S. Army Golden Knights sky diving team, and Bob Hoover of North American Rockwell.

Pilots of small aircraft nationwide have been invited to a "fly-in" at the Norman airfield. Besides the performances, there will be Federal Aviation Administration (FAA) safety seminars and checkrides, aircraft manufacturers' demonstration flights and several aircraft and equipment ground displays.

Members of the Blue Angels will be in Norman for two days of personal appearances. Performances by several other nationally known air acts are pending.

Registration for those participating in the fly-in will begin at 4:00 p.m. on Friday and will continue throughout the weekend. There will be luncheons both Saturday and Sunday for all registered people.

The FAA has approved requests to close the airfield to all aircraft not participating in the show for three hours the afternoons of Saturday and Sunday. The Saturday exhibition time will be used for manufacturers' demonstration of aircraft. Sunday afternoon has been set aside for the flight show.

The U.S. Army Reserves 95th Division has agreed to direct traffic and provide airport security during the three-day event. Sanitary facilities will also be provided.

"The chief purpose of the show," explained Norman Jaycees president Bob Thompson, "is to emphasize that aviation is Oklahoma's number two industry by number of people involved, and number one dollarwise."

Thompson noted that the show is slanted toward interests of pleasure and private pilots, adding, "The benefits of such a show to the State of Oklahoma would be to encourage industrial development, to advertise that 'aviation has an Oklahoma accent' and to promote potential sales of aviation products by companies located in Oklahoma."

Another benefit would be "to establish a regularly held air exposition in an area of the U.S. where flying weather is consistently good and facilities are topnotch," Thompson said.

There are tentative plans to hold the show every two years, according to the Jaycees announcement. Proceeds from this year's show will be split between both Jaycee groups. Admission will be charged Sunday for the flight and sky diving shows. Cost is \$1 for adults and fifty cents for children.

The Norman Jaycees Board of Directors has voted to use its share of the proceeds to build a kiddies' park in northeast Norman.

Show time on Sunday will be from 1:30 to 4:30 p.m.

## Burk Students Receive Honors

A number of students of Burk Burnett High School took top honors in a variety of events at the District 4-AAA University Interscholastic League competition at Vernon last weekend.

In the arts and sciences, Mike Cocheres places first in informative speaking. Gary Behrens first in Ready Writing, Morgan Moore in Slide Rule took first, Shawn Casey received second in Number Sense, and Eric Baddour, and Lindsey places first and second, respectively, in the science event.

In athletics, Burk Burnett came home with honors as Jim Sims won first place in the 880 yard dash and Jody Southerland was a second place medalist in golf. The freshman tennis players Tuffy Gustafson and Linda Watt placed second in doubles, with Sheryl Anderson winning second in singles.

All but the freshman tennis players will go to the regional contest which will be at Texas Christian University in Fort Worth.

## Bluebonnet Garden Club

The Bluebonnet Garden Club met last Tuesday in the home of Mrs. J. H. Cecil, with Mrs. E. L. Neal as co-hostess. Mrs. James Taylor presided over the business session. The minutes of the previous meeting were read by Mrs. J. W. Gibson, and the treasurer's report was given by Mrs. R. P. Thaxton. Reports of all committees were discussed.

Final plans were related by Mrs. Ray Mills for a flower and horticulture show to be held for the public Tuesday, April 27, from 1:00 to 6:00 P.M. in the Reddy Room. No charge will be made for admission.

Mrs. Gibson was leader of the program, which was entitled "A Planter of Seeds." She introduced Mrs. Jack Harper, who brought an interesting program on how to plan and plant.

Lovely refreshments were enjoyed by Mes. Fletcher Baber, C. W. Boyd, E. R. Burns, H. W. Goodwin, Floyd Landes, H. K. Landes, T. A. Banning, Harper, Mills, Gibson, Taylor, Thaxton, Cecil and Neal.

## CURTIS CAMPBELL GRADUATES

## Cowboy Reunion Guest Speaker Set For July 1, 2, 3 At Church

STAMFORD, Tex.--Eugene Swenson, president of the Texas Cowboy Reunion, recently announced the dates for the 1971 show. This year the world's largest amateur rodeo will be held on July 1, 2 and 3.

In making the announcement, Swenson stated that performances will be held each evening with a matinee on the afternoon of the third. The Reunion will officially get underway with a street parade at 4:00 p.m. on the first. Swenson also said that this year some new additions will be made which will emphasize even more the theme behind the Texas Cowboy Reunion: to pay tribute to the working cowboy and his family.

Other officers of the famed event include Mrs. Jimmie Walker, Secretary, and John R. Rice, Treasurer.

Directors of the Reunion are H. G. Andrews, Sr., Bernard Bule, Russell Crownover, A. C. Humphrey, A. J. Mills, A.M.G. Swenson, Carl E. Swenson, W.G. Swenson and Eugene C. Swenson.

Established in 1930 by a group of local businessmen, the Texas Cowboy Reunion and Rodeo was founded on the principle that the working cowboy and his family should have a rodeo all their own. Here you'll find no professionals seeking huge money prizes -- just real cowboys, full-time and weekend. They come to try to win a pair of spurs or a new belt buckle, and dream of the day when they might win the highest prize of all, a new saddle.

For the most part, the events of the rodeo are standard. There are cutting horse contests, calf roping, barrel racing, bronc riding, bareback bronc riding, double mugging, wild mare racing and brahma bull riding. But the cowboy never retires, so in Stamford if you are over 55 there's the oldtime cowboy roping contest. And you'd be surprised how fast they can move!

Special emphasis is given to the oldtimers. They have their own bunkhouse, round-up hall and chuck wagon area. Here they spin yarns, relive the past and tell youngsters how it really was. In addition to the fellowship, the oldtimers stage a fiddlers' contest. Some think the performers enjoy it more than the audience.

Besides the rodeo events, visitors can square dance nightly, attend the American Quarter Horse show and eat genuine cowboy meals from chuck wagons brought in from the 6666 and SMS ranches.

Last year the rodeo drew more than 500 contestants, which is a long way from the 98 cowboys who came to the first rodeo 41 years ago.

Frequent visitors in the past included Ranger Tom Hickman, western humorist Will Rogers, Governors of Texas, Amon Carter of Fort Worth, special delegations from foreign countries and notables from every segment of the world.

The shows and other activities of the Texas Cowboy Reunion are handled by local residents who down through the years have helped to make the show a world-famous event. All chairmen serve without pay and contribute time and resources to gain new fame for the show each year. The money paid by spectators is used to expand and improve the arena, pay for use of the livestock necessary for the shows and to provide prizes.

## Southside PTA Final Meeting

Southside PTA held its final meeting of the year Tuesday, April 13.

Girl Scout troop 25 presented the flag ceremonies, after which reports were read. Wanda Roberts then installed PTA officers for 1971-72 school year, which are as follows: Albert Dillard, president; Pat Norris, vice-president; Wilda Wood, secretary; Barbara Manning, treasurer.

Mrs. Garland's fifth grade presented the program. The same group won the room count.

## Criminal Assn Meets Here

The Texas - Oklahoma Criminal Investigation Assn. held their monthly meeting in the dining room of Underwood's in Burk Burnett Tuesday at noon.

The head security officer for the Liberty National Bank in Oklahoma City, Okla. was the principal speaker.

Jordan spoke on the fraud, theft, and counterfeit of BankAmericards. Some 25 officers from the association attended the meet-

ing. Guest speaker at the 10:30 a.m. worship service of the First United Methodist Church this Sunday, April 25, will be the Rev. Jim Manning, of Dallas. Rev. Manning is a graduate of Perkins School of Theology at SMU in Dallas. He is a native of Massachusetts and is a Texan by choice.

## Ruth Class Holds Meet

The Ruth Class of the First Baptist Church met April 13 in the home of Mrs. Harry Mayes, with Mrs. P.A. Scheiter as hostess.

Mrs. Elvie Welborn gave a devotional.

Mrs. Cliff Eubank presided over the business meeting and Mrs. J. V. Looney called the roll. Several committee reports were given.

Mrs. John Parrish, Jr., dismissed the meeting with a prayer.

Refreshments were then served to Mes. Welborn, Parrish, Clifford Willmon, M.L. Patterson, Looney, C. D. Prestwood, Arthur Robert, Kathleen Bowles, Cliff Eubank and the hostesses.

## FORMER BURK RESIDENT DIES

Services for Mrs. Mary Edith Marshall, 67, who died Friday in Muenster, Tex., were held Monday afternoon in Owens & Brumley Funeral Home chapel with Ed Morris minister of the Burk Burnett Church of Christ, officiating. Burial was in Burk Burnett Cemetery.

Mrs. Marshall was born Dec. 20, 1908, in Alto, Tex. She was a former resident of Burk Burnett and had resided in San Bernardino, Calif., since 1942. She was visiting in Muenster when she died.

Survivors include four daughters, Mrs. Ruth Dickerson of Muenster, Mrs. Edna Wilkins of Devol, Okla., Mrs. Gladys McCannon of Albuquerque, N.M., and Mrs. Jo Ann Tolson of San Bernardino; five sons, Grady of Ontario, Calif., Milton of Beaumont, Tex., Charles of Fremont, Calif., George of Burk Burnett and C. W. of Exnard, Calif.; 29 grandchildren; 20 great grandchildren; and three great-great-grandchildren.

## Theta Epsilon Election Told

The regular meeting of Theta Epsilon Chapter of Epsilon Sigma Alpha was held in the home of Mrs. Clarence Bridges, Monday, April 12.

The following new officers were elected for the 1971-72 club year: Mrs. Raymond Brammer, president; Mrs. Lyle Eaton, vice president; Mrs. Henry Vaughan, recording secretary; Mrs. James Spinks, corresponding secretary; Mrs. Bridges, treasurer; and Mrs. Jim Goff, educational director.

Plans were made for the District VI meeting which Theta Epsilon will host in June. Committees were formed and the over-all topic of Mexican Fiesta was announced.

Plans were made to attend the State Convention, May 14-16, in Austin.

Refreshments were served to the following members: Mes. Lena Curtis, Jim Lemley, Spinks, Brammer, Goff, Eaton, Bridges, Bruce Shepherd and Vaughan.

## 1st Christian To Hold Dinner

A Recognition Fellowship Supper will be held Sunday at 5:45 p.m. in the Fellowship Hall of the First Christian Church. It is to be a potluck supper, with church members bringing dishes of their choice which are sufficient to feed their own families and guests.

The meal will be followed by a recognition service in the sanctuary. The service is to be conducted by the Rev. David Stout, pastor. During the service, recognition will be given those who have served the church in some special way during the past year. All are urged to be present for this highlight in the church's program.

## HEMISPHERIC RELATIONS

This week is Pan American Week, and marks the 81st anniversary of the grouping of nations in the Western Hemisphere into what is now the Organization of American States. The OAS is currently

holding its regular session of the general assembly in San Jose, Costa Rica. And so, I would like to direct your attention this week Southward.

We are the leading nation of this hemisphere economically and technologically. As such, we have a responsibility to assist our hemispheric neighbors in achieving higher standards of living and in reaching many of the goals those nations may set for themselves. At the same time, we must refrain from forcing upon our neighbors developments which we believe should be made,

but which they themselves would prefer to approach in their own way.

In his State of the World message to Congress of February 25, the President noted that "Our neighbors face a fundamental issue in their relations with us: to reconcile their interest in close ties with their determination to mold their own destinies." He noted that "the traditional expectation that we should bear principal responsibility for accelerating development clashes with" their own "national pride and self-re-

liance."

This is the dilemma not only for our neighbors but for ourselves in the formation of our policies toward them.

I believe that this nation should stand ready to assist our neighbors and our friends, but that we should avoid forcing ourselves and our development assistance upon these neighbors and friends. In this way we can render a degree of assistance which is desired, but we shall avoid the undermining of national pride which can only result in animosity.

Texas' neighbor to the South, Mexico, is the showpiece nation of cooperation with the United States. Economic development there is moving apace. President Echeverria is energetic and popular among his people and exhibits a willingness to cooperate with the United States. Recent agreements on the U.S. boundary with Mexico is but one example of cooperation. The treaty which has been worked out by negotiators between the two nations will be coming to the Senate for ratification later this year, and I

am hopeful that a detailed study of that document will show it to be as worth as my first review of it shows that it is. Another example of U. S., Mexico cooperation is the continuing joint efforts of the two nations to reduce the traffic in dangerous drugs. This is a problem which greatly concerns me, and I was encouraged to learn recently of evidence that continuing cooperative steps are being taken in this regard. I am also pleased that the Mexican Government has ex-

hibited no patience with foreign-trained and financed insurgents, as was demonstrated by the recent arrest of guerrillas trained in North Korea and subsequent expulsion from Mexico of five members of the Soviet diplomatic mission. We do encounter a number of major difficulties in Latin America, however. These include the persistence of Cuba as a Communist state, the election of a Marxist as President of Chile and continuing difficulties with Ecuador over fishing rights.

In the so-called "Tuna War" with Ecuador, approximately 25 U.S. tuna boats have been captured this year by Ecuadorian gunboats, ironically donated by or purchased from the United States, on claims of violation of territorial waters, which Ecuador contends extend 200 miles from its shores. The United States will recognize no more than 12 miles of territorial waters. We have cut off military sales to Ecuador and that nation brought the matter before the OAS, claiming our action amounts to economic co-

ercion in violation of the OAS charter. Relations remain tense but the United States is attempting to promote reasoned negotiation.

Election of a Marxist as President of Chile last year is a matter of concern to people throughout the Hemisphere. President Allende has renewed relations with Cuba and Red China, although he affirmed in a recent speech that he will not allow his country to be used by the Soviets as a base for operations against the United States.

It is difficult to avoid the temptation to speak of Latin America as a whole. But it is important to remember that while there are broad historical bonds of religion, Iberian heritage and language, there are also great diversities of political history, economic policies and natural resources.

I believe we must continue a national policy which deals with each of the nations in the Western Hemisphere on an individual basis, while keeping in mind the inter-relationships between the various nations.

tions.

We must stand ready to assist those of our neighbors who wish our assistance and join efforts to achieve mutual gain; but we should maintain a position of strength in our dealings with those who would test that strength.

**Agriculture Commissioner Gives Report**

The severest drought in recent history -- and one that gives indications it may be-

come a history maker -- has everyone concerned, Texas Agriculture Commissioner John C. White commented in reviewing conditions over the State for the five months of November, December, January, February and March. Cattlemen have been culling their herds for weeks, he said while hoping for rains to bring up spring grasses so that it would not be necessary to feed the cattle remaining in their herds. That hope has been vain through the first three months of 1971.

Also, Texas farmers are

apprehensive that not enough moisture will fall for planting or crops or to bring up crops "dry planted." In some places, it is already too late. Prior to April 12, over 60 counties had been recommended for designation as "disaster areas," which can bring federal relief; and all the 254 counties in Texas may qualify for that designation soon.

Figures compiled in the Texas Department of Agriculture under Commissioner White's direction show that no section of the State has received more than 41 percent of normal

rainfall in the months from November through March.

The extreme northern tier of counties in the Texas Panhandle has the 41 percent of average rainfall, while counties in the Southern High Plains nearby received only 11 percent of normal rainfall. Snow accounted for most of the moisture in the northern counties.

Extreme Southern Texas, where vegetable and citrus crops not irrigated have been endangered, has received about 20 percent or less of average rainfall, and in those

counties, an average of less than an inch of rain has fallen during the first four months of 1971.

In almost all sections of the state, rainfall for the past five months has been less than 25 percent of normal.

Commissioner White said the Texas Department of Agriculture is working closely with other state agencies to assure appropriate drought relief. Designation of a disaster area makes farmers and ranchers eligible for low-interest federal loans and possibly for emergency livestock feeds.

### Gov. Ben Barnes Warns Texans On Rising Welfare Cost

AUSTIN -- Steadily-rising welfare costs will "Bankrupt" state governments unless prompt braking is applied, Lt. Gov. Ben Barnes has warned.

Barnes--acknowledging that a tax bill which may climb to nearly a billion dollars is necessary to balance the Senate's \$6.99 billion version of the biennial state budget--named a special committee to recommend how to effect welfare economies.

Senate, meanwhile, approved the record budget while a subcommittee drafted a tax bill. The house is expected to move out this week with its appropriations bill.

Only one year of Welfare financing is included in the Senate bill. With a half-way welfare budget, about \$668 million in new taxes will be needed this year. Appropriating for welfare in a later special session will require nearly \$300 million more, unless the federal government steps in with additional aid.

Barnes' staff calculates Aid to Families with Dependent Children rolls are increasing by 3.10 per cent per month. Where 288, 826 AFDC beneficiaries are anticipated by September 1 this year, 906, 235 are seen by August 31 1973. The latter figure would bring the AFDC cost to \$76 million a year -- \$16 million above the proposed new \$55 million annual ceiling to be voted on May 18.

The Lieutenant Governor also noted that Medicaid costs have increased from \$22 Million in 1968 to an estimated \$144 million for next year. He said state medical services to the needy -- financed through Blue Cross family insurance policies which will cost nearly \$72 per family next year -- are better than those received by all but the very wealthy.

"I am convinced we are going to have to reduce the cost, or the state is going bankrupt," said Barnes.

**OIL ALLOWABLE CUT** -- May oil production allowable will be cut to a maximum daily flow of 184,076 barrels. Railroad Commission cited reasons for the cut as substantial stocks of crude oil on hand, overall reduction in demand, and rising imports.

Commission's decision trimmed the allowable from 82.1 per cent in April to 77.2 per cent for next month.

May allowable, lowest in eight months, permits a maximum daily production of 3, 637,654 barrels. Actual production is expected to be about 3,362,000 barrels daily, approximately what major buyer asked for.

Crude oil stocks on April 9 came to 108.3 million barrels, a million more than the week before and 2.4 million more than the year before. Ten of 14 big crude oil purchasers asked for the same allowable next month as in April. Three asked less, and one requested more.

**DROUGHT AID SOUGHT** -- As drought-stricken areas awaited major federal assistance, the Legislature recalled on Gov. Smith to declare the drought a "grave public calamity" and to set up a joint committee on a relief plan.

Lieutenant Governor Barnes and house speaker Gus Mutscher names seven senators and seven representatives to panel to work on the state program for purchasing and distributing hay and to serve as liaison with state and federal agencies.

Sen Wayne Connally of Floresville and Rep. Oscar Carrillo, Sr., of Benavides head the Senate and House committee members. Governor, said the legislative resolution can order a relief program administered by the Agriculture Commission.

Smith, meanwhile, said he expects to request emergency federal disaster relief benefits for 87 additional drought-hit counties, bringing the total number to 147.

**Trucks Carry Perishables**  
WASHINGTON -- Perishable fruits and vegetables produced in the winter gardens of Florida, Texas, Arizona, New Mexico, and California are quick-frozen to preserve their flavor and texture, and trucked all over the country at zero temperatures in refrigerated vans.

ROD AND GUN Club of Burkburnett held its annual game feed recently in the First National Room. Fish, dove, quail, and venison was served at the affair. Entertainment was furnished by the famous "Boomtowners" barber shop quartet from Burkburnett.

AN ORDINANCE REGULATING THE HARBORING OF ANIMALS AND THE INTERFERENCE OF PERSONS WITH THE CATCHING OF ANY DOG RUNNING AT LARGE BY PROPER OFFICIALS; ANY DOG RUNNING AT LARGE PROVIDING A PENALTY FOR THE PROVISIONS HEREOF AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF THE CITY OF BURKBURNETT, TEXAS:

SECTION 1. Any person who shall harbor or keep this premises or in or about his premises, or premises under his control, any dog or animal of the canine species which, by loud or unusual barking or howling, shall cause the peace and quiet of the neighborhood or the occupants of adjacent premises to be disturbed, or reasonably liable to be disturbed, shall be fined not exceeding TWO HUNDRED DOLLARS (\$200), and each and every twenty-four (24) hour period that such dog shall remain or be kept on any such premises shall constitute a separate offense.

SECTION 2. No person shall

interfere with or attempt to prevent the animal warden, any of his deputies, or any police officer from catching or impounding any dog running at large.

SECTION 3. Any person, firm or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and each shall be deemed guilty of a separate offense for each day or portion, thereof, during which any violation hereof is committed, continued or permitted, and upon conviction, any such violation shall be punishable by a fine not to exceed TWO HUNDRED DOLLARS (\$200).

SECTION 4. The fact that there is not now a provision prohibiting the above act or acts, and that the frequency of such act or acts is increasing and is detrimental to the health, safety, and welfare of the citizens of Burk Burnett, creates an emergency and an emergency is hereby declared to exist and by reason thereof this ordinance shall take effect and be in full force from and after the date of its passage and publication.

**Social Security Tax For Farm Labor Increased**

The social security tax to be withheld from farm wages increased to 5.2 percent on January 1, 1971, according to James I. Mallett, Farm Management Specialist with the Texas Agricultural Extension Service. The taxes withheld from wages must be matched with an equal amount by the employer and sent to the Internal Revenue Service.

When the social security tax withheld plus the employer's contribution reaches \$100 or more at the end of any calendar month, the total amount must be deposited by the 15th day of the following month in a Federal Reserve Bank or a commercial bank authorized by the Internal Revenue Service to accept social security tax deposits. There are statutory penalties for failure to make the required timely deposits.

Mallett explains that a farmer is required to withhold social security tax on any farm employee who works one hour or more on 20 days or more, or who earns \$150 or more during the calendar year. However, the farmer is exempt from withholding social security tax for farm labor crews, self, employed individuals performing custom services, his own children under 21 years of age, or for a husband or wife working for their spouse.

**David Gee Dies In Motorcycle Accident Saturday**

David Wayne Gee, 15, of Las Vegas, Nev. was killed in a motorcycle accident Saturday, April 10.

Services were held Wednesday in Las Vegas. Mallett explains that a farmer is required to withhold social security tax on any farm employee who works one hour or more on 20 days or more, or who earns \$150 or more during the calendar year. However, the farmer is exempt from withholding social security tax for farm labor crews, self, employed individuals performing custom services, his own children under 21 years of age, or for a husband or wife working for their spouse.

**New Consumer Protection Laws**

Two new consumer protection laws have recently been passed by Congress, effective April 25, reports Mrs. Doris Myers, Extension specialist in home management at Texas A&M University.

One new law states that an individual will not be liable for any loss from unauthorized use of his credit card after he has reported its disappearance to the issuer. The other law, titled the "Fair Credit Reporting Act," gives consumers some rights against the use of erroneous data in the files of credit bureaus.

According to the law affecting lost credit cards, an individual may report the loss by telephone or by letter to the issuer. Most companies will cancel use of the card once they have been notified. If the notice is by letter, cancellation is effective the day the letter is postmarked. For losses occurring before notification, liability is limited to \$50.

The \$50 liability applies separately to each card that is lost. So, if a billfold or purse containing five credit cards is misplaced, the potential maximum liability is a total of \$250. If a husband and wife lose their cards on a joint account, however, the total liability is limited to \$50.

The new law also prohibits banks and other firms from mailing out unrequested credit cards. Companies must inform the user of his rights and potential liabilities, plus they must assume the legal burden of paying for liabilities the card holder may suffer. The Fair Credit Reporting

Act, the second new law protecting consumers, generally forbids bureaus to send out adverse information that is more than seven years old. The exceptions include bankruptcy, which may be reported up to 14 years; and information in reports on those applying for a loan or life insurance policy of \$50,000 or more, and those applying for a job with an annual salary of \$20,000 or more, both situations having no time limit.

Once informed that a credit bureau has hampered your credit, insurance or employment status, you have the right to obtain from that bureau all information in your file. The exception is medical information.

If the file contains false, incomplete or inaccurate information about you, the material may be re-investigated by the credit bureau, and the findings sent at your request to all who have received your report within the past six months or within the last two years, if the file was sent for employment purposes.

If the credit bureau's investigation doesn't settle the dispute, you are entitled to insert a personal statement of 100 words in your file. Your side of the story, then, will be included in any future report, and it also may be sent to those who have already received the disputed information.

AN ANIMAL OUTLAW from the Beutler Bros., Linger and Cervi rodeo string is shown unceremoniously relieving himself of an unwanted human burden. The action is typical of that to be seen April 28 through May 1 at the twenty-sixth annual Santa Rosa Rounup in Vernon.

BEN DAVIDSON, above, who is the director of the North Texas Rehabilitation Center in Wichita Falls provided a most interesting program to the members of the Tuesday night Burk Burnett Lions Club. He told the group how the center provides therapy for children and adults in North Texas and Southern Oklahoma area who are physically handicapped, have a speech and/or hearing difficulty and children who have learning disabilities.

**Optimist Club Meets Thursday**

Ray Olson, vice-president handled the Optimist Club duties Thursday night in the absence of president Horsley. Olson reminded everyone of the upcoming Bike Safety Week, which is April 18-24. At the close of the special safety program, the Burk Burnett Police Dept in cooperation with the local club will hold a bicycle inspection and repair session at the Youth Center. This will start at 9:00 a.m. Saturday. All bicycle operators are urged to attend and participate in this program. Following the inspection there will be an operators competition which in the past has been very interesting and successful.

M. L. Abott, Burk Burnett Chief of Police, will be in charge of the inspection.

Chris Amburn, winner of the local Optimist Int. Boys Oratorical Contest Placed 3rd in the zone meet held Sunday at Willbarger Auditorium in Vernon.

Guest speaker for the evening was introduced by program chairman Hernandez. Jack Conley, who is with the Texas Tourist Bureau, Information Office in Wichita Falls gave some interesting facts and information to all concerning the immediate area on roadside parks and also some data on Burk Burnett.

This city, according to Conley, was formerly known as Nesterville then Gilbert and finally Burk Burnett and has a historical location. Conley also pointed out several places of interest here.

Olson adjourned the meeting.

**Your Texas Ancestors**

by DAMON VEACH

Mrs. Marvin Embry, Medicine Mound, Quannah, Texas 79252, submitted an interesting note recently on cemetery inscriptions. Her grandmother's stone at Mount Carmel Cemetery, Wolfe City, Texas had broken in half, and since the stone had been placed there in 1979, it was decided because of sentimental reasons that it should be repaired instead of buying a new marker. What was actually discovered was a much bigger marker, a portion of which was below the surface of the ground. Not only was the name given, but the date she left Alabama, the names of her two sons who survived her, and when and where she arrived in Texas.

When researching old abandoned cemeteries, remember this point. There may be more clues there than expected at first glance.

Mrs. E. A. (Buck) Holder, Box 41, Santo, Texas, 76472 is researching the Holder family from Winchester, Franklin Co., Tenn. Joe Holder was born there in 1836 and came to Texas as a young man. He was a son of Mitchell and Sarah Holder. Mitchell was born in South Carolina out 1814 and in 1850 was living next door to Joseph Holder, born in S.C. in 1784. Joe Holder had a twin brother whose name is unknown, but other brothers were William and Benjamin, and two sisters Sarah and Elizabeth. Joe married Sally Gregory, and their children were Alfred, Charlie, Clemmie, Alma, Joe, Allen, Jesse Robert, Bernie, who married Lenora S. Clair, and they had John, George, Minnie, Effie, Billie, Clarence, Robert, Elbert, Edity, Joseph Vernon, and Lillie Mae.

Joe Holder settled in Erath County in the Kickapoo Community, west of Lipan. A brother settled in Parker county, and his name was thought to be Bill. All correspondence on the Holder family would be appreciated.

Mrs. R. M. Harrell, 2728 Marigold Avenue, Fort Worth Texas 76111 would like to know more about her grandfather, Peter Gassaway, who lived at Floyd, Hunt Co., Texas where he died in the late 1920's.

Glenn R. Hand, 3102 Linda Dr., Victoria, Texas, 77901 is searching for data on Joseph Brownfield, and his wife, Martha Schipps Brownfield who came from Uniontown, Penn. before the Civil War and settled in Tarrant Co. They are buried at Smithfield, Texas. Joseph served in the Civil War under a Col. Stone and was taken prisoner. There were two known children born to this Brownfield family - Martha Agnes, who married William Wallace VanCleave and Marion Virgil, after who the town of Brownfield, Terry Co. is named.

Information is also needed on James C. Hand who was living in Smith Co., Texas, in 1850. Children were Samuel, Omalene, John Benjamin, and Henry.

Correspondence to this column should be sent to Damon Veach, "Your Texas Ancestors", P. O. Box 6367 Seminary Hill Station, Fort Worth, Texas, 76115. Queries may be submitted and printed free of charge in this format. Books and magazines will be reviewed if sample copies are sent with each request.

Volume 1, "Your Texas Ancestors", is available in book form for \$4 and is indexed for easy reference. This publication contains the first 72 formats of the column series, both Sunday and weekday issues.

## COUNTY AGENT NEWS

B. T. Haws  
Wichita County  
Agricultural  
Agent

All over Texas the communities entered in the Texas Community Improvement Program are preparing for District and State judging. By the end of May over 30 communities will be declared winners. They will receive more than \$6,800 in awards. One community will receive \$550 and the title, "Texas Most Progressive Rural Community." The five communities in Wichita County were judged last week. The people in each of the five communities are to be congratulated for the fine work that is being done.

Seven screwworm cases were confirmed in the southwestern United States in March, all being located in Texas. No screwworm cases were confirmed during the same period a year ago. In fact, the initial U. S. screwworm case of 1970 was not confirmed until April 20 of that year.

Non-screwworm samples received and processed at the Mission Lab during March were greater than any year since 1967. Last month, 159 worm samples were identified as non-screwworm, compared to 113 a year ago and 127 two years ago.

Livestock owners appear to be doing a good job of checking their animals for infested wounds and sending in samples found. Sample bottles may be picked up in the County Agent's office.

In March, a grand total of 673,070,000 sterile screwworm flies were reared at

the Mission fly plant and distributed over South Texas and Mexico. Texas received 82,464,000 of the sterilized flies and Mexico 590,610,000 treated flies. This is the most flies released during any March since the start of the program. \*\*\*\*\*

Weather conditions of late, including soil moisture, are not the best for using herbicides. Therefore, it is doubly important that label instructions be carefully followed. The few minutes required to read and understand the label before using the herbicide could be some of the most important time you'll spend all year.

Crop injury or poor weed control or even unmarketable products can be avoided by following the safe usage directions on the label. Labels list the crop on which the herbicide may be used, give the application rate and time and other information on safe handling and storage of the product. Only the recommended amount should be used, and it should be applied according to the suggested time. Some materials must be incorporated into the soil, while others can be used at the time of planting.

Most weed control chemicals are not highly toxic to handle, but are potentially dangerous when the rules of safety are not observed. \*\*\*\*\* Auction markets and terminals are still the major sources of slaughter calves for packers, but the feedlot is providing most of their fed cattle in the west and southwest. The report of the Packers and Stockyards Administration of the USDA indicated that Texas and California alone accounted for more than one-third of the cattle fed by packers. \*\*\*\*\*

## Santa Rosa Features Festus Haggen

Tickets for the twenty-sixth annual Santa Rosa Roundup, featuring Cansmoke's "Festus Haggen" at all four evening performances April 28 through May 1, are on public sale at Wagon Wheel Western Wear in Vernon.

Priced at \$3.50 for box seats; \$3.00 for reserved grandstand; \$2.50 for adult general admission, \$1.00 for kids twelve and under, tickets may also be ordered by mail in care of the Rodeo Ticket Office, Box 2190.

Rodeo officials reported advance sales to season box holders have been brisk, but they emphasized the fact the choice seats are still available in all sections, including box seats and reserved grandstand.

The 1971 Santa Rosa celebration will kick off at 3 p.m. April 28 with a mammoth parade through the downtown area, followed by the opening performance at 8 o'clock in John Biggs' arena.

The current stature of last year's Vernon rodeo winners is indicative of the attraction the rodeo holds for the cowboy sports' top touring pros. Larry Mahan, Frisco, Tex., last year's Santa Rosa saddle bronc champion, garnered a record fifth consecutive all-around cowboy title at season's end, and Paul Mayo, Ft. Worth, and Junior Garrison, Duncan, Okla., bareback bronc riding and calf roping winners respectively, went on to claim world championships in their events.

Mayo is currently in the lead for 1971 all-around cowboy honors and Garrison has been the frontrunner in calf roping all season. In all, nine cowboys who won money in Vernon last year are presently among the top fifteen contenders in their respective contests.

Total prize money at the 1970 Santa Rosa Roundup was \$16,728.

## County H D Agent

Thelma Wirges  
County Home  
Demo Agent

Cotton fabrics are playing a leading role in this spring's fashion reports Thelma Wirges, County Home Demonstration Agent.

The natural fiber, which Texas ranks first in producing, is in the spotlight not only as a part of the "return to nature" ecology movement, but also because it's a great, versatile fabric.

The cotton fabrics, which dye beautifully, are splashed with clear bright colors, as well as with soft, dusty shades. Designs range from plain and homespun to striped and patterned jacquards.

Cotton knits, hottest item in the spring market, provide fashion at moderate prices. Cotton knits come in a wide range of textures, including boucle, raschel, rib, mesh, jacquard and jersey knits.

When selecting a cotton knit, always check labels and hangtags for care instructions. If the labels say "mercerized" and "wrinkle-resistant," the fabric is less likely to shrink and stretch. Shrinkage-resistant is important for all cottons, but beware of shrinkage controlled or preshrunk claims that do not state the percentage of shrinkage. Such cottons may shrink up to five percent, possibly making the garment too small to wear.

Most cotton knits are washable -- some by machine and others by hand. If knits are labeled as hand washable yet percentage of shrinkage is not included, it is best to wash them in cool water with little agitation to prevent distortion of the garment's construction.

before washing, outline the garment's shape on paper, using the paper silhouette for blocking when drying. Knits usually dry better on a flat surface; when hung, the weight of the water can pull the fabric out of shape. \*\*\*\*\*

Clothing workshops will be conducted this fall by Miss Wirges. Participants will be taken on a first come, first served basis. \*\*\*\*\*

Electric scissors make a useful and time-saving addition to your home sewing equipment, says the county home demonstration agent. They are available in a wide variety of sizes, shapes and weights. Varying from six to eight inches in length and four to 11 ounces in weight, models can be powered from either a wall plug or batteries.

Basically, all electric scissors consist of a small motor enclosed in plastic with a pair of short blades in front. The stationary lower blade is set at an angle and slides along the cutting surface to guide and support the appliance. The upper blade does the cutting by means of thousands of tiny snips.

Although the stubby blades look vicious, they are really comparatively safe, as the blades do not close completely and the area that does the actual snipping is very small.

Choose electric scissors according to the kind of sewing you do. However, light, well-balanced, compact and easy-to-grip models will prove the simplest to handle. Choose those with carbon steel or stainless steel blades to avoid rusting. To operate the scissors, hold and move easily. Pressing too hard and fast into the fabric causes pulled, shredded or uneven edges and inaccurate and uneven cutting of the bottom fabric layers. Scissors, like any electric blades, will gradually dull. Keep your appliance in top running order by applying a drop or two of light machine oil on the blade pivot and avoid running over pins.

## GREETINGS:

"You've Got A Right To Read. Don't Blow It." With this as its theme, National Library Week will be observed in Texas April 18-24. The Right To Read encompasses not only free access to materials to read but also educational programs that give every child the skills he needs to read effectively. Throughout the nation librarians, concerned citizens, and educators are joining forces in determination to achieve the Right To Read for all during the decade of the 1970's. Libraries play a vital role in achieving this right. National Library Week serves to emphasize the involvement of Texas librarians and laymen working cooperatively to support library programs and to further the freedom of all to read.

National Library Week presents a challenge to all Texans to support more adequately Texas libraries in their effort to make accessible to our citizens the materials for further enrichment of their lives. Libraries offer their services to all who seek them, providing the information resources that good citizenship today demands.

THEREFORE, I, as Governor of Texas, do hereby designate the week of April 18-24, 1971 as LIBRARY WEEK in Texas, and urge all citizens to support the libraries of our State. In official recognition whereof, I hereby affix my signature this 12th day of March, 1971.

/s/ Preston Smith, Governor of Texas

## Alvey Services Held Friday

Services were conducted Friday afternoon for Vernon W. Alvey, 61, of Randlett, who died Thursday in a Wichita Falls hospital.

Alvey, an oil field worker, was born Aug. 31, 1909, in Eastland County, Tex. He had been a Cotton County resident for more than 25 years.

Survivors include his wife, Mary; a son, James of Randlett; two daughters, Mrs. Kathryn Wright of Randlett and Mrs. Carolyn Thomas of Burk Burnett; his parents, Mr. and Mrs. John Alvey of Burk Burnett; two brothers, V. L. of Electra and Jay of Odessa, Tex.; three sisters, Mrs. S.M. Ledbetter of Denver City, Texas, Mrs. John Elliott of Lubbock and Mrs. R.A. Melton of Odessa; and five grandchildren.

## Rita Hudson

Appointed To Assistant Cashier

Mrs. Rita Hudson, an employee of the Burk Burnett Bank since 1964, has been appointed to the position of assistant cashier. A lifetime resident of Burk Burnett, and a graduate of Burk Burnett High School, she is active in community affairs.

She resides at 1002 Beverly Loop with her husband, Randall and children Ranette, Marty, and Tracy. She is the daughter of Mr. and Mrs. Fred Hunt.

## High Salinity Levels In Wichita County

Due to unusually high salinity levels, Wichita County water should be applied only at the minimum amount necessary for plant growth, Soil Conservationist K. C. Willis, Jr., of Iowa Park advises.

Here are statistics comparing this year's water analysis with that of 1970. Figures are based on samples taken in March, 1970, and March, 1971. Electrical conductivity, 3.0 in 1970, 5.5 in 1971; Parts Per Million, 1921 in 1970, 3200 in 1971; Tons of salt per acre foot, 2.61 in 1970, 4.79 in 1971. Samples were taken from the North Side Canal, at a location 1/2 mile south of Iowa Park.

According to Soil Conservation officials, the recent shortage of rainfall has contributed to the increase in the salt level. Tests show that irrigation water during March contained nearly twice as much salt as a year earlier.

Many people, like the foreign officers above, come to Burk Burnett and are pleased to find it a friendly place.

Many people come to our Bank and find that it too is a nice, friendly place to do business.

Eddie Laxson

SHEPPARD AFB, TEXAS---DEB PRESENTATION--Sheppard's 1971 debutantes are (from left) Misses Catherine Elizabeth Shiderly, Deborah Lane Follis, Connie Marlene Blackwood, Pamela May Arnold, Kaylin Marie Shannon, Barbara Jean Doran, Nancy J. Reitz, Susan Helen Dehan, Madeline Louise Smith, Susan Elizabeth Navarre, Jill Ann Haydel, Beverly Kay Scarbrough, and Susan Michelle Grau.

SHEPPARD AFB, TEXAS---MISS FORD COUNTRY--Miss Ford Country, Sandy Jo Lankford, visits with six men assigned to the 3752nd Student Squadron of Sheppard Air Force Base on her visit last week. From left to right, front row, are Airmen William H. Lamonds, Marvin T. Selph and Gary V. Blomstrom. Back row, left to right, are Airmen William A. Elliott, Dwight L. Allen and Richard D. Harris. Miss Ford Country's visit to Sheppard was arranged by Moore-Abel Ford, sponsor for the 52nd in the Squadron Adoption Program.

## Miss. Ford Country Visits Sheppard AFB

SHEPPARD AFB, TEXAS--Miss Sandy Jo Lankford, better known to people in this area as Miss Ford Country, made a visit to Sheppard last week. Miss Lankford came to the base to view noon review ceremonies and visit the 3752nd Student Squadron of 3750th Technical School. The 52nd is sponsored by Moore-Abel Ford Company of Wichita Falls under the Squadron Adoption Program. Miss Lankford was escorted by Ann. Dale Stoflet of the 3752nd Student Squadron, Bill Wilson and Jim O'Hear of Moore Abel. After attending noon review, the party had lunch in the dining hall and then set out to tour the 52nd squadron area. They toured the living quarters of the airmen and Miss Lankford stopped to chat with several airmen in the squadron area. Alan Sudon of the Training Services Division of 3750th Technical School gave Miss Lankford a ride around the area in his 1940 model Ford. After touring the flight line area and getting a close up look at some of the aircraft, Miss Lankford bid the squadron farewell and was off to visit North Texas Farm Expo in Wichita Falls.

There are a certain percentage of individuals who will go to any limit to have their thrills and in doing so, abuse machinery, themselves and most all of their possessions. This observation has been with me for a number of years.

For thrills, years ago, I have seen buggy races on narrow lanes causing wheels to become interlocked as one driver's rig was attempting to pass another buggy.

I have seen horseback riders treat their mounts unmercifully trying to show off his prize animal's ability.

It seems that same percentage of thrill seekers is still with us in the flying game but is on the decline, in my belief.

Not many think of a passenger or freight train as something to put through its paces, do stunts with, and thereby get a big kick and charge out of outdoing another train.

It is generally understood that a train, ocean liner, and an airline plane is a means of transportation that one can board and expect a safe and comfortable trip to a destination then return safely.

I predict that the desire for thrills and chills will soon be to the mill point. My reasoning is because of experiences I have had in aviation -- especially in the instructing phase.

Years ago some boy would come out to the airport and ask about learning to fly. Maybe most instructors did not care who they taught to fly, but I always managed to talk to the applicant and get him to talk enough to reveal background, education, desires, his common sense, or the lack of it. If an applicant came roaring up to the hanger in a car and slid wheels to stop and screeched tires in making turns to get to the hanger there was a good chance he would have to seek flying lessons from another source. Of course, when an instructor is hired by a company he will instruct any stu-

dent referred or draw his final check from the boss. There seems to be a carry over. If a person is inclined to abuse equipment he is in charge of as his car, and has a tendency to be a show-off it will crop out after he has learned a little about flying to the extent he thinks he is getting good. An instructor is doing aviation a good deed by weeding out this class of student before he adds to the accident data.

The student that strives to follow all his instructor's teachings and learns reasons for practicing maneuvers other than straight and level flight, and shows a respect for FAA flight rules might be slow to learn, but you can bet your best colored Easter egg he will live to be an experienced pilot. He will be a joy to teach because he will not be a drag on his instructor's nerves.

Next week will involve the question -- how does an instructor know a student is ready to solo.

## Young Airmen's Club To Hear Maj. Gen. Page

SHEPPARD AFB, TEXAS--Maj. Gen. Jerry D. Page, commander of Sheppard Technical Training Center, is the scheduled guest speaker for the Sheppard's Young Married Airmen's Couples Club Saturday.

The dinner meeting is to be held at Furr's Cafeteria in Wichita Falls and is open to all married airmen grades (E-4) Sgt. and below. The dinner meeting begins at 5 p.m. and is free of charge.

Dress for the event is to be casual. For additional information about the meeting or the club, please contact A1C Joe McGraw at Sheppard extension 6298. During off-duty hours, please call 766-0839.

## Mrs. James Roten Introduced As Volunteer Of The Year

SHEPPARD AFB, TEXAS--Mrs. James Roten was introduced as Volunteer of the Year.

## HOPE Holds First Meeting At Sheppard

SHEPPARD AFB, TEXAS--The organizational meeting of "Operation HOPE (Help Our Polluted Environment)" drew 15 concerned Sheppardites last week.

The group discussed several projects currently underway.

HOPE will participate in an April 25 (Sunday) drive with Tau Kappa Epsilon Fraternity of Midwestern University. The joint project will take place at the Call Field Shopping Center, and will seek to educate the public about the recycling possibilities of natural resources.

The group is also working with area stores to recycle packing cartons instead of merely throwing them away. They are also seeking to rid stor shelves of polluting detergents.

Year to climax the annual awards dinner held April 12 by Family Services Volunteers at Sheppard Air Force Base.

The dinner was held in the Colonial Room of the Non-commissioned Officers Club. Col. Robert G. Williams, vice commander of Sheppard Technical Training Center, made the presentations of recognition.

Retiring coordinator of Family Services, Mrs. Roten began work with the group at Sheppard in 1969 and has accumulated 900 hours. She has been honored as Spotlight Volunteer twice, worked as assistant coordinator, as a member of the emergency committee, and was volunteer of the quarter.

Mrs. Roten has also served as assistant treasurer and treasurer of the NCO Wives Club and was recently honored as NCO Wife of the Year. Mrs. Jerome Tilles, incoming coordinator, also presented Mrs. Roten with a gift as retiring coordinator.

Gifts were presented to others honored for their work in the volunteer program. Mrs. Jay Finn received the Spotlight Volunteer recognition of the month; Mrs. Melvin Reed, volunteer of the quarter; and Jerome Tilles, chairman of the quarter. Colonel Williams made the presentations.

Certificates of appreciation were presented to retiring chairmen, also by Colonel Williams. They were Mmes. Jay Finn, correspondence; Arthur Abel, publicity; James McPartian, emergency; Jerome Tilles, welcoming; Noel Deel, special assistance; David Holder, loan room; Richard French, assistance correspondence; Abel, assistant emergency; Roger Lamb, assistant welcoming; Gary Lair, assistant loan room; and Danna Wilson, assistant office.

Mrs. Charles Miller received a 10-year stripe; Mrs. Deel, a three-year stripe; Mmes. Melvin Reed, Wilson and Earl Walker, two-year stripes; and Mrs. James Brown a one-year stripe.

Mrs. Finn received a 1,500 hour guard; Mrs. Holder, a 1,000 hour guard; Mrs. Harold Welch a 250 hour guard; and Mmes. Elton Brown, Lamb, and Harold Welch, 100 hour guards.

Family Service shields, given for 50 hours of volunteer work, went to Mmes. Brown, Lamb, Welch, Stephen Lehman and David Haines.

Mrs. Tilles introduced the new leaders who will serve with her. Mrs. Finn is the assistant coordinator; Danna Wilson, office chairman; Gary Lair, loan room; Richard French, correspondence; Arthur Abel, emergency; Charles Miller, publicity; and Roger Lamb, welcoming chairman.

Special guests were Colonel and Mrs. Williams; Col. and Mrs. Norman Carroll; Col. and Mrs. John J. Kavanagh; and Chaplain (Col.) and Mrs. Richard D. Trapp.

SHEPPARD AFB, TEXAS--AT SCHOLARSHIP LUNCHEON--Misses Barbara McDonald and Georgia Marsh, center, talk with Mrs. E. W. Jennings, chairman of the Noncommissioned Officers Wives Club scholarship committee, left; and Larry Grauerholz of the Wichita Falls Times, who was one of the scholarship judges. The two young ladies received \$500 scholarships from the NCO Wives Club and were honored with the luncheon held at the NCO Club.

## RedCross Offers Course To Expectant Mothers

SHEPPARD AFB, TEXAS--The Wichita County Red Cross will offer a course to expectant mothers and their husbands beginning April 29 at the Red Cross Chapter house, 1805 Fifth Street in Wichita Falls. The classes will start at 7 p.m. For information call 322-8686.

## How gas heating that heats in the winter can be an air-conditioner that cools in the summer.

You already have half a central air conditioning system.

It's a simple matter to install a cooling unit to your gas heating system. You can probably use the furnace blower and ductwork you already have. You'll save up to half the installation costs of starting from scratch.

Temperature control in your home is a year-round proposition, but not an expensive one. We have special rates for gas air conditioning during the summer. And no matter what the season, you pay less for gas than electricity.

Another nice thing about gas central air conditioning is its simplicity. There are fewer moving parts. Fewer breakdowns. Fewer repairs.

Wake up your central gas heating to central gas cooling. You'll sleep better this summer.
