## Farewell Service At Nazarene Church By Otto C. Perry

Sunday night, October 28th will terminate our service with the Church of the Nazarene here.

OTTO C. PERRY

We take this method of announcing our farewell service and extending an invitation to all who can, to come.

Since November 1, 1937 we have labored among you. No pastor of any church has been received more kindly nor treated more courteously than the people have been toward us. To the ministry of the town we wish to express our love and appreciation and assure you of our sincere confidence. Thank you for your fine courtesy and cooperation. We wish to speak words of appreciation and express our thanks to the many good people from all the churches who have attended our services sometime during our labor among you. And to the good business men who have been personal friends and helped in ways needed so much we can only say from our heart, Thank You. To those who responded to the opportunity to assist in our building fund we want you to know the funds are deposited in the bank for that purpose and will be used only for that. There is the amount of \$300 on deposit to be used at the opportune time decided upon by the church. To the time sacrificing school board and the splendid faculty we express our sincere gratitude for the contribution to the lives of our children. Three have graduated.

## American Legion Auxiliary Plans Drives

The American Legion Auxiliary of the Oscar Frye Post No. 264, met in regular session Thursday night at the Legion home. Mrs. Virginia McConnell is the president in charge. Plans were made to begin the 1946 membership drive, with Mrs. Lucille Dudley as chairman, Mrs. Biddie Smith and Grace Brookshier as captains. The captain and her assistants will secure the most points in the drive by November 11. The service was a delightful dinner and dancing. Mrs. Cybert was appointed chairman of the Poppy Drive. The meeting was adjourned with Mrs. Lucille Dudley, Ralph Palmer, Mable Johnson, Biddie Smith and Virginia McConnell enjoying refreshments at the club.

## League Ball Player And Wife In Burk

Mr. and Mrs. F. S. Shofner and son Michael are visiting in the home of Mrs. Shofner's parents, Mr. and Mrs. Roy T. Magers. Mr. Shofner had a very successful year with the Louisville, Ky., Colonels ball club. In the Little World Series in which Louisville defeated Newark, N. J., Shofner batted 545 to lead members of both clubs. Fifty per cent of his base hits were for extra bases. Mr. and Mrs. Shofner plan to make their home in Wichita Falls.

## Sunday Birthday Dinner Honors Carl Miller

Carl Miller was honored with a delicious birthday dinner at his home Sunday. Those attending were Mr. and Mrs. Hertz Babers and little son; Mr. and Mrs. Jimmy Johnson and Vera Mae, Mr. and Mrs. Wendolyn Goins and little daughter, and Mr. and Mrs. Carl Miller.

## County Veterans Service Office Now Open

The County Veterans Service Office located in the south side of the USO building has undergone a new paint job and is now open from 1 'til 5 on week days and 8 'til 12 on Saturdays. Mrs. Virginia McConnell is in charge under the direction of Frank Gray, County Veterans Service officer at Wichita Falls, Mr. Gray will be in Burk Burnett the first Tuesday of each month to assist Mrs. McConnell.

## Congratulations

Sanford Lewis is the name which has been given to the baby son born Thursday, October 18th in the Memorial Hospital at Houston, Texas, to Mr. and Mrs. Sanford Shores of that place. The young man tipped the scales at a little over seven pounds. This is the second son born to this couple.

## Tri-Co. Missionary Society Members Meet At Burk Burnett

The Tri-County Missionary Society, composed of members of Christian Churches from Wichita, Wilbarger and Clay Counties, met Tuesday at the First Christian Church in Burk Burnett. Mrs. R. A. Lincoln presided during the business session. The program for the meeting was presented by representatives from Iowa Park under the direction of Mrs. Curtis Sewell. Mrs. Rollins Woodall gave the devotion at "A Stewardship of All Life." Cpl. Eugene Haley of Shepherd Field gave an address on "The Post-War Church." During the afternoon Mrs. Charles S. Bailey of Ballinger spoke on "Place of Prayer in the Coming Peace." Luncheon was served to 57 members and two guests by the women of the local church.

## Military Services Son of Former Burk Resident

Full military services for Alfred L. Hood, 18, who died at Great Lakes Naval Training Station, Illinois Saturday, were held at the Owens & Brumley Chapel in Wichita Falls Tuesday morning at 10 o'clock. Interment was in the Rosemont cemetery in Wichita Falls. Those surviving include the parents; a sister, Miss Alice Joy Hood; a brother, Dickie Hood; and of Portales N. M.; and his grandparents, Mr. and Mrs. T. J. Mansfield, Wichita Falls. His mother is the former Miss Undine Mansfield, a former resident of Burk Burnett and is a sister of Mrs. H. C. Preston of this city.

## Lions Club

Tuesday night the program was in charge of Jim Ady and Mike Begun. Mrs. M. E. Lewallen and Dr. I. D. Russell gave a violin duet accompanied by the Club Sweetheart Miss Mamie Browning. Next Miss Alice Scarborough played a piano solo, then little Miss Mary Jo Hailey sang two numbers accompanied by Mrs. Lewallen, all of which was enjoyed very much. Visitors were Sgt. Wintersole, C. O. Smith Jr., James Hicks, Maj. Majors, Stric Shofner and Louis Weidenbaum. Program for next week will be in charge of Lions Wylie Brown and Bill Bean. Scrap paper pick-up committee for Friday, John Rigby, C. O. Smith, Dutch Schroeder and R. P. Thaxton. President Harrison, presided. Donald W. Brookman accompanied Jerry Jack Miller to Ft. Worth over the week-end.

## War Chest Workers Urged To Make Report

Workers on the United War Chest drive are urged to turn in their reports as soon as possible. Due to bad weather many of the rural workers have been handicapped in making their calls, but as the Victory Drive is already under way, those in charge of the Chest Drive stress the necessity of finishing it now. Many of those who worked on the Chest drive will be called to aid in the Victory Loan drive, because there are not enough workers available to put a completely new team on the field. So far reports have been turned in indicate that Burk Burnett citizens are contributing about the same amounts they did last year.

## A Membership In The American Legion Auxiliary

Membership in the American Legion Auxiliary is limited to the mothers, wives, daughters and sisters of members of the American Legion, and to the mothers, wives, daughters and sisters of all men and women who were in the armed forces of the United States between April 3, 1917, and November 11, 1918, or between December 7 1941 and the date of the cessation of hostilities as fixed by the United States Government, all dates inclusive or who, being citizens of the United States at the time of the entry therein served on active duty in the armed forces of any of the Governments associated with the United States during either of said World Wars, and died in line of duty or after honorable discharge; and to those women who of their own right are eligible to membership in the American Legion.

## Dies Suddenly Heart Attack

H. E. Welborn, resident of the Thrift community, died of heart attack Thursday morning at 9:45. Funeral services pending.

## First Baptist Church

Sunday School, 9:45. Preaching Services 11. Training Union, 6:30. Preaching Services 7:30. The Fall revival was a success. There were 36 added to the church. Seventeen for baptism and 19 by letter. The preaching by Dr. Hankins was enjoyed by everyone, not only the members of our church but of all others that came. Sunday closes the pastor's third year as pastor of the church. In the bulletin this week will be found a re-remay of the work for the past three years. Sunday is "Youth's Day" in our church. The Young People are urged to be present and have charge of the music, ushering, the offering, etc. The pastor will speak Sunday morning on, "Bought With A Price." Sunday afternoon there will be a special program for the young people from 13 thru 25, in the basement of the church. A good program is being arranged and all the young people of the town are invited. Many will take part on this program. Sunday night after church we are to have a fellowship meeting in the basement of the church for an hour after the preaching services. Thus far we have averaged over 400 in Sunday School during October, lets not fall under the 400 mark Sunday. Will you be one of the 400? We need you and you need the influence of the services for your tasks the coming week. We'll be seeing you. University Study Club meets November 7 with Mrs. O. C. Wills.

## Cotton Ginning Behind Last Year

Census report shows that 427 bales of cotton were ginned in Wichita County from the crop of 1945 prior to October 1st, as compared with 1885 bales for the crop of 1944 on the same date. Cotton is opening fast but due to wet weather pickers have been kept out of the fields. Local cotton is very good despite a bad attack from boll weevils. Up to October 24th, Burk Burnett gins have ginned 566 bales.

## Chairman Urges Victory Loan Over Top By Monday

Paul Browning, chairman of the Victory Loan drive, and all his assistants, are turning every stone in order to secure sufficient pledges from bond purchasers to announce Burk Burnett over the top by Monday, October 29th. The special effort is being made in order that the announcement may be made at the Lost Battalion celebration which ends in Wichita Falls on the 29th. Burk Burnett's quota for this drive is \$90,000.00. Of that amount \$54,000.00 is for E Bonds. Honor the Lost Battalion by buying more bonds.

## Schools Dismiss Monday At Noon

Superintendent Ralph Davis announces that both the Grade School and High School will be dismissed at 11:35 Monday morning to permit students to witness the parade in honor of the Lost Battalion at Wichita Falls Monday afternoon. All children like to watch a parade and this will give them that opportunity without being counted absent from school.

## Mrs. Lige Chrestman Hostess To WSCS No. 1 Monday

Circle No. 1 of the Methodist Women's Society of Christian Service met Monday afternoon at the home of Mrs. Lige Chrestman with Mrs. D. M. Morris as co-hostess. Mrs. J. L. Caffee, circle chairman, presided over the business meeting. The circle voted to meet with the other two circles for the November meeting. Mrs. Dutch Wolfe brought an inspiring devotional on "The Open Door Which No One Can Shut". Mrs. S. S. Reger gave the missionary lesson on "Working Women and Improving Their Condition in Modern Times."

## Rites Read For Former Burk Man Sunday

Funeral services were conducted Sunday for Floyd A. Wilkinson, 47, of Randlett, Oklahoma, at the Baptist Church in Randlett. Rev. S. B. Hughes officiated. Interment was in the Randlett cemetery under the direction of the Owens & Brumley Funeral Home. Wilkinson, a former resident of Burk Burnett 30 years, is survived by his widow, two sons, two daughters, all of Randlett; a brother, two sisters and one granddaughter.

## Rabbit Creek WILD CAT

Out among the sand dunes we drilled, Where Coyotes ran and all was still Save the crows up in the trees And the whispering Autumn breeze. We hoisted the derrick up in the sky And guyed it there with turn-buckle ties We hung our tongues from over the crown And used heavy weights to move them up or down. We put a bit on the grief stick's nose, And bored a kelly hole. We bored a big hole eighty feet down, And centered surface pipe in the ground. The drive chains rattle as they make the Rotary table roll, And it drives the bit on the bottom of the hole The mud pump works when the drive shieve roll. And pumps mud to the bottom of the hole. Red Hamilton, the driller of ours, Hangs a slip on the brake let the table work by the hour. He never shut down for wood, water or coal And kept the bit grinding on bottom of hole. I look on as I would at a fair Watching Spicer screen for the wild-cats hair. While Loveless goes on top almost out of sight And pumps grease to the shieves through an alamate. Ray Stimpson a neighbor ours Came on at a late hour I with ten years of wildcatting, with all its grief With this one I am hoping for relief. When this wild cat blows in, like the roar of a lion, We won't take it easy but another we'll find.

## Special Victory Bond to Honor Late President

Washington, D. C. (Special)—The Treasury has called attention to a special Victory Bond to be sold during the Victory Loan campaign, starting October 29, for \$11,000,000.00. The bond is in memory of the late President Franklin Delano Roosevelt. It will be on sale at all agencies authorized to issue United States Savings Bonds of Series E. The bond will be in the denomination of \$200, to be issued at \$150. It will constitute an additional denomination of Series E Bonds, and will have the same terms and attributes as other denominations. It will carry a likeness of Mr. Roosevelt.

## Rubber Stamps—Star Office

These \$200.00 Victory Bonds will be available here during the drive, and purchasers of this special bond may have them stamped with a seal of the Lost Battalion if they desire it. Federated Missionary Society meets Monday, October 29 at 2:30 p. m. at the First Methodist Church. A special program has been provided and everyone is invited to attend.

## Bulldog Star Coaching At Falfurrias

Tolly McKown, a former star of the Burk Burnett Bulldogs when they were winning district and regional championships, is well on his way this year coaching a team that promises to win the district down at Falfurrias, Texas So far the Falfurrias Jerseys are undefeated, having won three conferences and two non-conference games. H Lee Clifton, who was for many years principal of the Grade school here, is superintendent of the Falfurrias schools. Coach T. H. McKown is with the Falfurrias Jerseys for the first year, having come here from Weatherford, Texas, where he had a good season with the Kangaroos. Coach McKown was an All-State Back with the Burk Burnett High School in the fall of 1937 and later played with Texas Tech and Hardin-Simmons University. Although Falfurrias has lost 10 lettermen from last year, Coach McKown has built up a smooth running machine. Many of the fans in Falfurrias area are pulling for a district championship team for the first time.

**Blooming Hats**  
It took clothes-ration points for an Australian girl to buy a hat. Knowing this, United States soldiers often brought to their dates specially-made headpieces of fresh flowers. This custom, started by our troops, became the rage in hat-scarce Australia.

**Progressive Century**  
The barometer and the thermometer were developed in the 17th century.

**Heating Safety**  
One of the most notable innovations in safe heating is the wet base boiler in which water circulates under the ash pit. The fact that the boiler can be placed on a combustible floor is of interest in connection with the trend toward the basement-less house. In such houses it is often desirable to install the boiler on a wooden floor in a utility room or kitchen. Other safety features of modern boilers are foot-treadle door openers, ball-shaped, air-cooled handles and side shakers, making it easier to open and close doors.

**Lucky Stones**  
Emeralds were once believed to be beneficial to the eyes and amethysts were thought to prevent drunkenness, according to Encyclopaedia Britannica. The belief in lucky stones still exists.

**Bath Banishes Blues**  
According to etymologists, the English word "bath" comes indirectly from a Greek word meaning "to drive sadness from the mind." Which goes to prove again that the classic Greeks were a modern people and that they knew the full value of bodily cleansing. Bathe frequently and thoroughly, and thus "drive sadness from the mind."

**Plan Baths**  
If the man of the house has been accustomed to taking his daily shower in the morning, reserve this time for him. The children might bathe in the evening, allotting the time according to their ages and when they go to bed. The younger children might be bathed before dinner, older children later. Plan your own bath for whichever hour will give you the most relaxation.

**Egg Nutritions**  
Eggs help keep the body healthy. They make strong muscles and red blood. A child needs four to five eggs a week. An older person needs three to five eggs a week. Eggs may be eaten plain, or mixed in other foods.

**Whip Soap Flakes**  
Whip your soap flakes in a little hot water with an egg beater and you will need fewer flakes and get better results.

**Sugar Restrictions Prevent Solution Of Dessert Problems**

Mounds of creamy ice cream ride on top of peach halves set on squares of tasty, hot milk sponge cake. A dessert sauce made of the peach juice is a delightful foil for the fruit, ice cream and cake.

Now that food rationing has loosened up in most of the eatable goods, and we are once again able to get back on a prewar standard, cooking problems need not be pressing. However, in spite of this lifting of restrictions, we still have at least one major problem—that of sugar. Little relief is in sight right now, and the situation will probably prevail for some months. What shall we do about dessert?

Well, first of all there are fruits which can be dished up in any number of perfectly delightful ways. There's whipped cream and ice cream, and, of course, sugar substitutes.

One cup of sugar or less is a good rule to follow if you are using recipes calling for this sweet but scarce commodity. If your cake calls for 1 1/2 cups of sugar, use 3/4 cup of sugar with 3/4 cup of corn syrup. In this case you must use 2 tablespoons less milk than the recipe calls for and 2 tablespoons of flour, additional.

The fat scarcity also limits us to some extent on the baked goodies we want to make. That's why sponge cake will be popular, as in this following recipe:

**Peach Sponge a la Mode.** (Serves 8)

**Sponge cake**  
1 No. 2 1/2 can peach halves  
1 quart vanilla ice cream  
Dessert sauce

The cake used uses 4 eggs and is made with scalded milk to give it a fluffy texture:

**Sponge Cake.**  
2 cups sifted cake flour  
1/2 teaspoon salt  
2 teaspoons baking powder  
4 eggs  
1 cup sugar  
1 cup milk, scalded  
1 teaspoon vanilla  
3 tablespoons butter, melted

Sift flour and measure. Sift three times with salt and baking powder. Beat eggs with rotary beater until thick and lemon colored. Add sugar gradually and beat until fluffy. Fold in flour mixture, then milk, flavoring and melted butter. Fold until well blended. Pour into square cake pan lined with waxed paper. Bake in a moderate (350-degree) oven for 30 minutes. Cool in pans.

**Dessert Sauce.**  
Liquid from peaches  
2 teaspoons granulated sugar  
Remaining peach halves, chopped  
1/4 cup salted almonds, slivered  
1 tablespoon brown sugar  
Cook the peach liquid down to 1/4 cup. Stir in the granulated sugar

and chill. Serve over the peach halves a la mode and top with nuts mixed with brown sugar.

To serve, arrange a peach half on a square serving of cake. Top with a mound of ice cream and serve with the dessert sauce.

If it's apples you want, then you will like this pie which is easy on fat because it does not have to have a top crust. It uses an egg for richness and flavor:

**Open-Faced Apple Pie.** (Serves 6 to 7)

3 cups sliced apples (about 1/4 pound)  
1 egg, well beaten  
3/4 cup sugar  
1 tablespoon flour  
1/2 teaspoon cinnamon  
1/2 teaspoon grated lemon rind  
1/4 teaspoon salt  
2 tablespoons melted butter  
Plain pastry for 1 crust (about 1 cup flour)

Line pie pan with pastry, building up the edge. Fill with sliced apples. Add remaining ingredients to beaten egg; beat well. Pour batter over apples. Bake in a hot (425-degree) oven for 25 to 30 minutes. Apples which are best to use in this type of pie are Rome Beauty or Macintosh.

Black walnuts can lend a distinctive flavor to pie when fruit supplies dip to a low during the cooler weather as in this recipe:

**Black Walnut Pie.**  
2 cups milk  
1 cup sugar  
6 tablespoons flour  
2 egg yolks  
1/4 teaspoon salt  
1 teaspoon vanilla  
2 teaspoons butter  
1 cup black walnuts  
Baked pastry shell  
Whipped cream

Make a custard of the milk, sugar, flour and egg yolks, cooking until thick in a double boiler. Add salt, vanilla and butter. Cool. Add nutmeats and pour into a baked pastry shell. Let set and cool. Serve with whipped cream topping.

This novel apple pie saves shortening by using just one crust. For delicious flavor and good, old-fashioned heartiness, add an egg to the apple mixture.

The old-fashioned puddings are always popular because of their molasses sweetness and fragrant spices. Suet is usually used for the base, but one of the fats may be substituted if it is unavailable. Buttermilk is used to give that fluffy texture which is so appetizing.

**Quaker Pudding.** (Serves 10)

2 1/2 cups sifted flour  
1 1/2 teaspoons soda  
1/2 teaspoon salt  
1/2 teaspoon nutmeg  
1/2 teaspoon cinnamon  
1 1/2 cups buttermilk  
1 cup ground suet  
1 cup molasses  
1 cup raisins or other chopped dried fruit, or candied fruit  
3/4 cup rolled oats

Sift flour with soda and salt. Add all other ingredients in order given and mix thoroughly. Pour into two one-quart greased molds. Cover and steam for 3 hours. Serve with Foamy or Orange sauce.

Stuff green peppers with creamed chicken or turkey and rice. The peppers should be parboiled first, and after stuffed, they may be heated for 10 minutes in a moderate oven.

If you like stuffed green peppers, try them with a stuffing of corned beef hash mixed with onion. It's mighty good. Like sweet potato pudding? One way to make it is to mash six cooked sweet potatoes with 6 tablespoons butter, 2 tablespoons grated lemon rind and 1 cup of orange juice. Bake this mixture in a greased casserole in a moderate oven for 15 minutes.

**SNAPPY FACTS**  
about RUBBER

Largest inflatable rubber units ever made (200 ft long and 25 ft high) were the pneumatic breakwaters used to control the waves on the beaches during the Normandy invasion.

The various raw materials used in the manufacture of tires come from 35 different states.

35.7 pounds of synthetic rubber are used up in driving a car 20,000 miles at 35 m. p. h. 61 pounds are used while driving the same number of miles at 50 m. p. h.

Sponge rubber, a century-old discovery, may become a hundred-million-dollar industry.

### Nuptial Mass Performed to Unite Miss Reilly and Lieutenant Richards

White gladiolus were used to decorate the altar of the Sacred Heart Church in Wichita Falls for a nuptial mass read there Saturday morning to unite Miss Beth Reilly of Wichita Falls and Lt. John Roland Richards of Tacoma.

Washington. Rev. Father Donald Hartnett, the assistant pastor, was the celebrant.

Edward Reilly gave his daughter in marriage. Miss Theresa Reilly and Miss Pauline Reilly, sisters of the bride, were bridesmaids.

Best man for the groom was Buck Reilly, the bride's brother. Ushers were Dick Reilly and Paul E. Wulff.

The wedding was followed by a reception at the home of the bride's parents, Mr. and Mrs. Edward Reilly.

The reception preceded the departure of the bride and groom for a wedding trip to points of interest in New Mexico and California.

The bride is well known in Wichita Falls where she was graduated from the Academy of Mary Immaculate. She also attended Our Lady of the Lake College in San Antonio. Lt. Richards, son of Andrew Richards of Tacoma, Wash., received his education in that city before entering the army. He plans to return there with his bride for establishment of residence.

Mr. and Mrs. Jack Alexander of Burkburnett were among the out-of-town guests to attend the wedding.

Iron Across Length

When ironing, press with the length rather than across the width of fabric wherever possible. But if a skirt, slip or nightgown is cut on the bias, then iron on a slant, along the grain or straight of the material. This will prevent the stretching and sagging which makes hems uneven.

MRS. ALLEN'S HUSBAND GIVES HER A SURPRISE

WEST MONROE, LA.—Mrs. Carl C. Allen of West Monroe, Louisiana, has an interesting story to tell about how she discovered Faultless Starch. Here is what she wrote:

"Last week my husband brought home a box of Faultless Starch. I decided to use it, thinking that all starches were about the same. You can imagine my surprise when I began ironing. My iron fairly flew and I was finished in no time. My clothes were so bright, with no rough starch blotches to mar their sleekness. I felt I just had to tell you how wonderful your starch is. My husband was just as proud as I when he saw his shirts. I wish all women could just try your product."

Now there is a thoughtful husband. That box of Faultless Starch really meant more to Mrs. Allen than a box of candy—and here is why:

SAVE 468 MINUTES A YEAR

Let's say it takes ten minutes to make hot starch when you have to cook it and stir it over a hot stove. But you can make hot Faultless Starch in a minute. That means you save nine minutes each time you make it. If you wash only once a week, in one year you would save 468 minutes, or seven hours and forty minutes. Would you rather have a box of candy or a box of starch that saved you better than seven hours a year?

SAVE 26 HOURS A YEAR

And that isn't all! Many people tell us that Faultless Starch makes it possible to save half their ironing time. Let's be conservative and say that Faultless Starch might save you half an hour each ironing day. In a year you would save twenty-six hours of hard ironing time! Which is best—a box of candy or a box of Faultless Starch? Why go on starching and ironing the hard way when you can do it the easy way with Faultless Starch. Or, better still, ask your grocer for a box today. You deserve Faultless Starch, too.—Adv.

When Your Back Hurts

And Your Strength and Energy is Below Par  
It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.  
You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with stinging and burning is another sign that something is wrong with the kidneys or bladder.  
There should be no doubt that prompt treatment is what you need. Use Doan's Pills. It is better to rely on a medicine that has won country-wide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today!

Most Thrilling Exploit of War Wins High Honor

Lone Yank Officer Repulses Tank Attack Led by 250 Germans.

WASHINGTON.—A young officer who manned a machine gun atop a blazing abandoned tank destroyer and beat back a tank led assault by 250 Germans has been awarded the nation's top decoration.

He is First Lt. Audie L. Murphy, 21, of Farmersville, Texas, who won the Congressional Medal of Honor near Holtzwhir, France, last January 26. He was still a second lieutenant and new to the command of his company in the third infantry division, says the Chicago Tribune.

The citation accompanying the medal, which was to be given to Murphy in Europe, credited him with killing or wounding 50 of the Germans with machine gun fire and with directing artillery fire earlier in the fighting which killed "many" more. Some of Murphy's buddies estimated that he accounted for 100 Nazis in the hour-long battle.

Murphy was in front of his company when the two German infantry companies, paced by six heavy tanks, swept from a woods. He ordered his men to fall back to prepared positions while he stayed at his advance post to call for artillery fire to smash the Germans in the open. He was alone except for a tree and the tank destroyer about 10 yards to his right.

First Lt. Walter W. Weispenning, an artillery officer of Fredonia, N. D., who witnessed the action, said later the artillery fire that Murphy directed "had a deadly effect."

"I saw Germans disappearing in clouds of dirt and snow," he related. Then a German 88 mm. shell crashed into the tank destroyer and its crew bailed out, falling back to join the remainder of the company. Smoke and flames spurted from the destroyer. The German tank crews swung wide around it, fearing that its gasoline and ammunition would blow up.

With the German infantry only 100 yards away, Murphy dashed over to the destroyer, climbed into the turret, and began blasting the Nazis with its .50 caliber machine gun. Weispenning called it the "bravest thing I've ever seen a man do in combat," adding:

Exposed to foe's fire. "He was completely exposed to the enemy fire and there was a blaze under him that threatened to blow the destroyer to bits. Machine gun, machine pistol, and 88 shellfire was all around him.

"Twice the tank destroyer was hit by direct shellfire and Lieutenant Murphy was engulfed in smoke and flame. His clothing was riddled by flying fragments of shells and bits of rocks. I saw that his trouser leg was soaked with blood."

Twelve Germans tried to sneak up along a ditch and flank him but he swung the machine gun and killed all of them at a 50-yard range. The Nazi infantry was stalled. Without the infantry the enemy tanks couldn't advance and the whole attack collapsed.

Murphy dropped wearily off the destroyer, all his ammunition gone, and limped back to his company. Refusing treatment, he reorganized his company and led it in an attack that routed the Germans.

Murphy, a native of Farmersville, joined the army on his 18th birthday and fought throughout the African, Sicilian, Italian and French campaigns. He has been wounded three times and wears the Purple Heart with two clusters.

United States U-Boats Sank 1,256 Jap Ships

WASHINGTON.—U. S. submarines operating in far Eastern waters in the last three months of the war sank 69 enemy vessels, the navy announced recently, bringing to 1,256 the number of Japanese ships sunk by American undersea craft in the war.

None of the sinkings in the last three months had been announced previously. The figures were compiled from reports of submarines after their return from Pacific action.

The latest bag included 20 Japanese warships and 49 noncombatant ships.

The warships sunk were two Japanese submarines, one mine-layer, two minesweepers, two large subchasers, eight special subchasers, four coastal defense frigates, and one torpedo boat.

'Jobs for All' Goal Seen In 150 Billion Income

WASHINGTON.—Treasury Secretary Vinson told congress that a national income of 150 billion dollars will be needed to provide jobs for all who are willing and able to work. To assure employment for 60 million people, purchasing power must be increased enough to boost consumption 50 per cent and to expand construction and investment by 100 per cent over prewar levels, Vinson said in a statement for the senate banking committee.

Gets Sweet Revenge; Bass Hooks Angler

SPOKANE, WASH.—County Assessor Don H. Thompson was hooked by a fish.  
Thompson related that he hooked a two-pound bass, and suddenly he found the situation reversed and the bass had him hooked. The fish bit his thumb, sinking the hook in so deeply that a doctor had to remove it.

Will Be Rewarded For Her Kindness

To Get Estate of Soldier She Befriended.

TUCSON, ARIZ.—A query from a Wisconsin newspaper brought to Mrs. Scott Marie Dyer the first word that a veteran of World War I she befriended 22 years ago at Chicago intended to remember her in his will.

Word was brought to Mrs. Dyer by reporters as she sat outside her small home about eight miles from Tucson. The soldier, Capt. Victor S. Byrne, started the search by a message to the Wisconsin police asking assistance in locating the Dyer family.

Chief of Police Harry Mueller of Fort Atkinson, Wis., said he had received a telegram from Captain Byrne of Los Angeles asking the whereabouts of Mrs. Dyer, a former resident of Fort Atkinson. The telegram said:

"I am very ill and may not live many months. I wish to leave Mrs. Dyer my entire estate for her kindness toward me when I was a poor discharged soldier in Chicago. Now, I am a very wealthy man."

Mueller said that he had wired the information to Byrne and had received a reply thanking him and saying that the sender of the message planned to communicate with Mrs. Dyer soon.

Mrs. Dyer, wife of an electrician, filled in those details: The friendship started in Chicago in 1923 when Captain Byrne, unemployed, met Mrs. Dyer and lived with the family "quite a while."

"He always acted like one of us," she said. "For several months after he left, he kept in touch with the family by mail, but when he moved to his present residence in California, the contact was broken.

"This is the first news we have had of him since that time." The Dyers moved to Arizona in 1941.

Baby's Face of Future Is Fixed at Four Days

CHICAGO.—The facial outlines that a four-day-old baby will have when he grows up can be predicted, through X-ray studies of head growth at the University of Illinois college of dentistry.

The X-rays have shown that the main proportions of the skeletal framework of the human head and face present at birth remain virtually unchanged throughout life.

In fact, if growth rates could be predicted, it is possible that after an examination of such X-rays an artist could draw a fairly reliable sketch of the face of the future citizen at the age of 21.

These studies of the head bones are made under the direction of Dr. Allan Brodie, dean of the college of dentistry and professor of orthodontia.

If the length of a four-day-old baby's nose is 43 per cent of the distance from bridge of nose to tip of chin, that nose length will still be 43 per cent at age 65 or at any other time.

The size of bumps on a head at birth remain in the same proportion throughout the life, as do the many contours and positions of all of the features that are fixed by bones.

Martin Designs Plane To Lower Airline Fares

BALTIMORE, MD.—The Glenn L. Martin Aircraft company, for years almost exclusively a producer of larger type war planes, announced plans for mass production of a 30-passenger, twin-engine commercial ship which "promises passenger fares lower than first class rail rates."

A full scale "mock-up" of the plane was inspected by newsmen, who were told the mass production would begin immediately after the initial demonstration flight of the first completed plane, required by the civil aeronautics administration.

The plane, designed for operations on main domestic trunk lines, is a low wing monoplane with a cruising speed of nearly 300 miles an hour. It is expected to be especially good for ranges of 250 to 700 miles, where larger four-engine transports cannot be operated economically.

March of Dimes Polio Funds Up to \$16,589,874

NEW YORK.—Contributions to the 1945 March of Dimes of the National Foundation for Infantile Paralysis totaled \$16,589,874, or more than 50 per cent above the 1944 total of \$10,973,491. Basil O'Connor, president of the foundation, has announced.

Improved Uniform International LESSON

SUNDAY SCHOOL LESSON

TEMPERANCE BEGINS AT HOME

LESSON TEXT—II Timothy 1:6-8; 14:15; THUS 2:14, 11, 12.

GOLDEN TEXT—As for me and my house, we will serve the Lord.—Joshua 24:15.

The influence of the home on the character of a child is the strongest factor in the development of high and holy standards in the life of the man and woman. "Train up a child in the way he should go; and when he is old, he will not depart from it" (Prov. 22:6).

Emphasis is placed on temperance in our lesson, and it is clear that in the home real temperance principles may be built into the thinking of boys and girls. It is not easy for a young person who has been brought up right on this matter to go astray, no matter how severe the temptation.

I. Our Family Is God's Gift (II Tim. 1:1-5).

Paul, the apostle of Christ, addressed his son in the faith, Timothy, with affection and appreciation. He knew the good which was in this fine young man and saw the possibilities for service for God.

He knew that as the background of that faith, there was a godly line of ancestors, those with an "unfeigned faith." This young man, so precious to Paul and so successful in the ministry, owed a deep and abiding debt of gratitude to these godly women who had directed his steps aright, who had instructed and encouraged him in the right way.

Let those who are young recognize parents and grandparents who admonish and instruct them as God's gift. Let them not regard them as those who would restrict or restrain them unduly, but who for their own good and the glory of the Lord teach them the way to God.

II. Our Faith in God's Guidance (II Tim. 1:6; 3:14, 15).

The gift of God for preaching which Timothy had was recognized by the church, and he was sent forth to proclaim the gospel. But alas! the burdens of life and the pressure of service cause a man to forget or neglect his calling so there comes often the need of stirring up the gift of the Lord.

God gave it. He will bless us as we use it to its fullest possible extent. He wants us too, to stir it up—this blessed, divine gift and calling.

The admonition (v. 14) is to "continue" in that which was learned, to remain true to the Word of God. We show our faith in His guiding hand, as we resist by His grace, the ever-present temptation to get away from the only true foundation of a life of usefulness and joy.

What we have learned as children we should hold fast in spite of all the devices of Satan and every weakness of the flesh. Stand fast in the faith!

III. Our Fellowship in God's Gospel (Titus 2:1-4).

Old and young are to be united in a great communion of believers proclaiming the gospel of God's grace by a living testimony, by a life devoted to the things of God.

Sound doctrine is the only source of sound living. To be "sound" means to be healthy, vigorous, free from defects, suited to a purpose. That means that everyday Christian living must express the vigorous soundness of the gospel.

Men and women are to be "temperate," not given to excess, and particularly in mind here is the use of intoxicants. To be temperate in such a day and land as ours can mean only one thing, and that is to abstain altogether. Christians ought to keep entirely away from intoxicants, and that includes beer and wine.

There is a positive side to the admonition, for soundness of life and faith shows itself in holy living, love, patience, the teaching of God's Word, and in fine fellowship among the people of God. We need to stress that side of the teaching of this passage.

IV. Our Faithfulness by God's Grace (vv. 11, 12).

God's grace has brought salvation to man through Jesus Christ and His atoning death on the cross. That grace calls for and calls forth from the believer a renouncing of that which is ungodly and lustful (and you can put intoxicants right in there!) and a determination to live right in faithful devotion to God.

That brings about right relationships to self, to others, and to God. The Christian is sober and self-controlled as to anything which could "intoxicate" him, whether it be liquor, or lust, or pride, or any other such thing. He also shows that grace of God before men in a life of righteousness. Then he finds his true place in a reverent devotion to God which makes him a worshiper "in spirit and in truth; for the Father seeketh such to worship him" (John 4:23).

Faithfulness to our Lord will count more than our words in the great battle against intemperance. Let us stand true to Him.

## SCHOOL NEWS

New pupils to enter last week were Juanita Howard and Mathus. We are glad

to have them and hope they will be happy with us. We lost a pupil, Billie Anne Monsoon last week. We were sorry to lose her and hope she will be happy in her new home.

Miss Billingslea L1-1.

Two new pupils, Norma Jean Teel and Wilbert Wanoreck enrolled in our room.

The groups reading in their first books are really enjoying it. They have found that they can read it all with ease.

We are looking forward to making a trip to Mrs. Gilbert's to see her squirrels.

We are going to have charge of Bingo for our part in the Hallowe'en Carnival. We are expecting all the parents in the room to help us out.

Pauline Evans L1-2

The L2-1 section is going to have a "Peep Show" as one of the booths at the Mallowe'en Carnival.

Dana Riddle brought a real

pumpkin carved out for Hallowe'en.

A puppet show is being worked up in the language class. Charles Boyd brought the box and wall paper to make and paper the stage. Margaret Dell McDonald brought a puppet doll to act on the stage. Ann Magee added greatly to our nature class by bringing caterpillar.

Leslie Terry is the newly elected vice-president of the Music Club.

Mrs. B. Wattenbarger.

We got our first report cards this week. Everyone plans to work a little harder for the next one.

We are planning our Apple Bobbing booth at the School Carnival for next Friday. We sure want to have a lot of Apple Bobbers!

We are busy making Hallowe'en designs to put on our windows and boards.

We are looking forward to our Hallowe'en party. We are busy in art getting our masks made for Hallowe'en. We are also decorating our room.

We have two new pupils, Reba Shipman from Oklahoma and Lou Ella Borhan from Dalhart, Texas.

L2-3 Wickersham.

Charles Wray Deavers moved to Breckenridge this week.

We have started working on our assembly program for November 2.

We are proud of our new library books.

L3-1 Reed.

We are very sorry that Donald Suttles has been ill this week. We hope he will soon be back in school.

We were all pleased with our pictures that we had made several weeks ago.

This being the week before Hallowe'en, has been a busy, as well as interesting one. We have decorated our room with Hallowe'en motifs. We have planned our party, and are now making plans for the school carnival, which will be next Friday night.

We wish to invite those who come to the Carnival to visit our booth. We are going to have the game of "Darts" and will have prizes for certain scores.

Every week a new boy comes to join our group. Jimmy Jo Bowman from Dalhart enrolled this week.

L3-2 Vann.

Last week was "Fire Prevention" Week and we studied ways of preventing fires and learned some ways that we can help the firemen.

We enjoyed the program presented by the pupils in Miss Stoffer's room last Friday.

L3-3 Majors.

We all had such a good time looking at our photographs this week, and think we have a very nice looking bunch of boys and girls.

We organized a club in our room this week, and most of the work of the club will be spent on literary work. Our president is Barbara Vaughn, Vice-President is Kay Morrison, and Secretary is Mary Johnson.

We are glad to have Kay Morrison back. She had a very interesting trip up into North Carolina and visited two of our National Parks. We also welcome Kenneth Howard to our group.

James Welborn withdrew from our group this week to move to Iowa Park. We are sorry to lose him.

Come and fish with us at the Hallowe'en Carnival, October 26.

L4-3 Douglas.

Our group is very busy planning for the carnival.

L5-1.

There are three new pupils in the 5-2 making the membership 33. Mary Lou Richardson, L. W. Teel and Dudley Walker.

Twenty-two pupils have made the honor roll in spelling.

The pupils have contributed \$6.66 for Wichita County Chest Drive.

The class is buying liberty books for the room by club dues and donations. The teacher will read some of these books to us soon.

Be sure to come to see the museum and Side Show of 5-2 room, 16 during the Carnival at the Hardin Grade School, Friday

Local IHC Dealer Endeavoring to Supply Farmers

Joy Sessums of the Burkburnett Implement Co. says the demand for farm machinery is so great that it will be a long time before machinery manufacturers will be able to produce enough to supply replacements for units that are wearing out.

Until new machinery is available in quantities it will be necessary for farmers to replace worn out parts on their old machinery and keep it going just as long as possible. Mr. Sessums is cooperating with farmers in every way that he can, trying at all times to keep on hand a large supply of parts for all International Harvester equipment, International trucks, Farmall Tractors, etc. He also maintains shop facilities for complete overhaul jobs, using genuine parts and experienced mechanics. By using every care farmers will be able to make their present machinery serve until it can be replaced.

13-1tc.

Night, October 26th at 7:30.

L5-2 Gracey.

Section 3 of fifth grade put on a Columbus play at assembly last week. We wrote the play ourselves, after studying about Columbus in our Social Studies.

We are going to have a Country Store at the Carnival Friday night.

Five boys and four girls had a perfect attendance record last week.

L5-3 Kolter.

Be sure and come to the Carnival next Friday night to room I-2 to see the "Hairless Dog." don't miss this. We hope to buy some much needed supplies and books from the proceeds of this Carnival sponsored by the PTA.

L6-2 Buck.

We are sorry to report George Scarbrough and Jack Weatherford absent due to illness.

Most of the pupils went to the County Fair at Iowa Park. Sadie Malone enrolled in our section last Monday.

L7-1 McGinnis.

Most of the pupils visited over the weekend. Chorlotta went to the Wichita Mountains. Lucille

was in Randlett and Dorothy went to Alford.

Mrs. Moores daughter and husband visited here Thursday night. They were enroute from Ft. El Reno to Munday, Texas. He was being discharged from the Army.

L7-2 Moore.

Mr. and Mrs. J. H. White of Graham, and Mrs. W. E. White of Wichita Falls were visitors in the O. J. Ensey home over the weekend.

## THE RIGHT TRACTOR FOR THE PARTICULAR JOB

THE proverbial Jack-of-all-trades was master of none. The modern world of science and technology passed him by. The same principle applies to farm tractors. The tractor that does a wide variety of jobs unsatisfactorily can't possibly produce the greatest results at the least cost in any job. But that's what the farmer—particularly the small operator—has got to do to meet postwar competition: he's got to produce the most food possible with the least effort and, consequently, at the lowest cost. The farmer with 10 acres in truck crops needs one kind of tractor. The farmer with 100 acres in wheat alone needs another kind—or, as is usually the case, two or more different tractors. The tractor which does a good job on the Great Plains may be useless in the

rice territory. And so it goes. Conditions of climate, the lay of the land, and the character of soils in the different parts of this vast country, together with wide variations in the nature of crops and the size of operations, combine to produce wide differences in the requirements for tractors. Harvester's policy is to meet all these requirements. That is why Harvester's postwar line includes a great variety of Farmalls and other specialized tractors and attachments rather than a single tractor with a single system of tools. Every tractor in the line was developed after scientific research and testing under actual operating conditions showed the specifications needed for efficiency and economy. Every Harvester-built tractor is the right machine for its particular job.

### After Meals For Acid Indigestion Try Hot Water Plus

If the thousands of unfortunate people who suffer from so-called dyspepsia, acid indigestion, food fermentation, sour stomach, flatulence, gas or other stomach distress brought on by

excess acid would just try drinking slowly after each upsetting meal half a glass of real hot water containing one spoonful of Neutracid they can usually get amazing quick relief in a very few minutes.

Neutracid is not a laxative—it is soothing and comforting to the mucous membranes and very

agreeable to take. Neutracid—a physician's formula can now be obtained at Adams Drug Store or any first class drug store.

### Card of Thanks

I wish to thank all my friends and neighbors who have been so kind and thoughtful during the past seven weeks when I was confined to my home with illness. The flowers, visits and other kindness are sincerely appreciated.

E. F. Gilbow. 13-11p

### Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. ## Devol News

Clara Stofer

Funeral services for Floyd Wilkerson, brother of Virgil Wilkerson, who died suddenly Thursday evening from a heart attack, was held at Randlett Sunday. Interment was in Randlett cemetery.

Mrs. R. M. Betts left Thursday for Oklahoma City for an extended visit with her son Cecil Betts and her grandson and family.

Last Thursday night Stofer's General Store was entered by robbers and thoroughly searched for money. Not finding as much money as they had hoped for they gathered up all cigarettes and cigars their eyes fell upon and left evidently in a hurry as they failed to take along a sledge hammer and pry bar they had brought along for necessary purposes, and neglected to replace papers they had scattered about. No clues have been found.

Mrs. J. D. Dodson and son, Joe Bill and Miss Alleene Stofer visited with parents, Mr. and Mrs. Olea Stofer Friday evening. Joe Bill remained until Sunday evening.

Miss Claudine Sykes, teacher at Elgin, Okla., arrived Friday evening to spend weekend with parents, Mr. and Mrs. Henry Sykes.

Local school dismissed Friday for a two weeks cotton picking vacation.

Mrs. Nelma Wood, daughter of Mr. and Mrs. Orville Weaver, engaged in teaching at Sterling, Okla., arrived Friday to spend

two weeks vacation. Her husband is at present in service in the Marshall Islands.

Mr. and Mrs. Homer Tanner and children spent the weekend in the home of Mrs. Tanner's parents, Mr. and Mrs. J. C. Cates.

Pauline and Joanna Usher returned from a weeks visit with their father, Mr. Earl Usher, Portales, N. M.

Mrs. John Coker transacted business in Grandfield Saturday.

Miss Florine Powell, student at Cameron College, spent week end here with her parents, Mr. and Mrs. Carl Powell.

Mr. and Mrs. Lavender, their daughter, Ruby Ann and Lieut. Elmer Frye visited in Altus Sunday. They were accompanied home by Mrs. H. F. Lavender and daughter, Dana Beth for a short visit.

The Junior and Senior classes of the High school are arranging a Carnival to be held at the school building on a date not yet decided upon. All usual carnival attractions and amusements will be featured; also the selection of a Queen. Each high school class and each two grades have a candidate. Following are the names, class, and grades represented: Senior class, Patsy Stevens; Junior, Veta Faye Doty; Sophomore, Marjorie Wilkerson; Freshman, Paula Stevens. Seventh and eighth grades, Gladys Wilkerson; fifth and sixth, Mary Ellen Hutson; third and fourth, Ima Sykes; first and second, Caroline King.

Like all other communities in the nation, we are happy to welcome our boys home, and are not unmindful of those who went but will not return. Those we can report discharged since last issue are: Horace Hinkle, son of Mr. and Mrs. Bob Hinkle. His wife Nancy resides at Burkburnett. Horace is Machinist Mate and has been in service for 25 months; in Greenland and nine months in the Pacific area.

Clayton Landis arrived last week from San Antonio where he has been stationed since his induction into service. He has accepted a position in the Devol school.

James Frye, son of Mr. and Mrs. W. L. Frye, has been attached to the personal dept. of U. S. service in Germany for many months has arrived home discharged.

Robert Hopkins, son of Rosy Hopkins is home on thirty day furlough. The past eight months he has been at Treasure Island.

Others on furlough are John Coker, Jr., Wendell Ellis, son of Mr. and Mrs. Sam Ellis, Elmer Frye, son of Mr. and Mrs. W. L. Frye.

## Lavender-Frye Nuptials Oct. 23rd

Miss Ruby Ann Lavender, only daughter of Mr. and Mrs. R. R. Lavender, Devol, was united in marriage to Lieut. (j. g.) Elmer Frye of the Maritime service in a double ring ceremony, October 23 at the Grace Methodist Parsonage, Wichita Falls, Rev. Grounds officiating.

Mrs. H. F. Lavender, Altus, Okla., sister-in-law of the bride, was matron of honor. James Frye brother of the groom was best man.

The bride wore a street length dress of marine blue with black accessories. For something old she wore a gold monogram pin which had belonged to her great grandmother. The bride and groom were graduated from the Devol High school class of 1942. Mrs. Frye is now employed as receptionist at Whites Auto Store Warehouse office. The groom is the son of Mr. and Mrs. W. L. Frye and has been in service since Fall of 1942 in the Maritime service.

Parents of the bride were hosts at a family dinner party in their home Tuesday evening. Lieut. Frye will return to his station, San Francisco, November 4th.

Mrs. Neal Williams writes from Mt. Pleasant, Michigan, telling how they enjoy the Star each week, especially the articles about the boys and girls in service. The friends of Guy Williams will be glad to learn that he was recently discharged from the Army and visited his brother in Mt. Pleasant.
