Refreshments were served following the close of the meeting.

New Electric Hot Point Dishwasher at Thaxton Bros.

The Burkburnett School, for the past three years, has offered a Safety Education course to its High School students. This year the Safety Education class was furnished an automobile through the courtesy of the local Ford Dealer, Mr. Tom Britton. This car was equipped with dual control for the students to actually put into practice some of the class instruction and procedures in driving. When this class was organized, 14 students could not drive, or did not have drivers license. It is the plan and purpose of this course to give the students the necessary background to receive a drivers certificate with the approval of their parents. The Board of Education and members of the Safety Education Class, wish to thank the local Ford Dealer, Mr. Britton, for the courtesy shown us in securing the automobile for class instruction.

Lions Joe Majors and B. H. Preston presented Rev. T. Lynn Stewart, pastor of the First Baptist Church, who made a very interesting talk on Thanksgiving.

Palace Theatre Aids Xmas Shoppers

Each year brings forth a marvelous, yet bewildering array of Christmas Gifts. Many new and unique, others the old stand-bys. Yet the problem "what to give who" never seems to be solved. This year the Palace Theatre has come to the rescue of the Christmas Shopper in search of just the right thing. "Books of Happiness" are being offered as an ideal gift for any member of the family or friends. They are an attractive expression of the Holiday Spirit, and they provide weeks of entertainment. Truly a gift that would be appreciated by anyone. They are supplied in several denominations to fit your gift list.

Banquet Honors Magnolia Men At Town Hall

The Town Hall in Burkburnett was the scene last Wednesday evening for a banquet given in honor of Mr. Lee Bridges and Mr. J. M. Knight, who have completed thirty years of service with the Magnolia Production Dept. of the Electra district. Mr. Bridges began his association with the Magnolia Petroleum Co. in Burkburnett, while Mr. Knight began in Electra.

Mr. H. P. Hodge, Magnolia Lease and Land man of Wichita Falls served as Master of Ceremonies. The honor guests were each presented with a thirty-year button by District Supt., Mr. D. A. Murphy of the Electra Producing Dist.

Each employee introduced himself, and told of the number of years of association with the Magnolia Co. Respectively, each wife introduced herself and stated the number of years married.

A musical program was presented by Mr. Ashley Alexander and two sons from Wewoka, Oklahoma, and the gala affair was climaxed with a good old fashioned sing-song, led by Mr. A. L. Williams of Electra.

In addition to the honor guests, Mr. and Mrs. Lee Bridges of Burkburnett; Mr. and Mrs. J. M. Knight, Electra; Mr. and Mrs. H. P. Hodge, Wichita Falls; Mr. and Mrs. D. A. Murphy, Electra; Mr. and Mrs. Bill Thompson, Levelland, Texas; approximately ninety employees and wives attended the banquet from Electra and Burkburnett. W. C. Gage, retired employee of Burkburnett, and Mrs. Gage also attended.

Holliday Defeats Burk 12-0.

(By Bartley and Crane)

Holliday kicked off to Burk with Edwards doing the kicking. Ken Ellis received and carried to the 22 yard line where on line plays alternating carrying was Smith, Ellis, and Crane who picked up the two first downs. Then they punted to Holliday where Caldwell took the punt sixty yards for a score.

Holliday's extra point failed. Holliday again kicked off this time. Boyd received and brought the ball to the 30 before being overhauled. The Bulldogs then picked up four successive downs only to lose the ball on downs. Holliday then took over and carried to their own 45 before being forced to punt. Boyd took the punt and returned to Burk's 32 yard line, where after picking up yardage for a first down was forced to punt. Holliday received and carried to Burk's 30 yard line where two large setback's put them on their own 45 yard line. Then the ball went back and forth around mid field for the rest of the half. The score at the half was Holliday 6, Burk 0.

The second half opened with Burk kicking off to Holliday with Harrison kicking. Holliday was completely throttled on their 40 where they fumbled. With Taylor recovering for Burk, Burk put on a drive with Boyd, Smith, and Crane alternating with the ball to carry down to their 18 yard line, where Killion of Holliday intercepted a pass and carried to their 40 yard line. Holliday was forced to punt. Burk received on their twelve. There was a fumble and Holliday recovered on Burk's twelve, where Killion skirted right end for Holliday's second and final tally. The try for point after touchdown was blocked by Gibson. The final minutes of the game was played about midfield. The score at the end of the game was 12-0. This gives Holliday the Championship of District 9-A.

Mr. and Mrs. Lester Coats attended funeral services in Wichita Falls Tuesday, for Mrs. Coats' brother-in-law, who died quite suddenly early Sunday morning.

Medical Assembly Convenes Dec. 7-9

The Post Graduate Medical Assembly of South Texas will hold its fourteenth session in Houston, December 7, 8, and 9. This organization, one of the pioneers in the idea of bringing Post Graduate Medical Training to the busy doctor's home, has grown from its humble beginning to one of the foremost in its field in the country. This year it will bring to Houston fifteen outstanding doctors, teachers and leaders in their specialties, to give an intensive course in recent developments in medicine and surgery.

Cancer, a condition which assumes greater and greater importance to all of us, is to be discussed from all angles by authorities of international reputation.

Through this assembly the standards of medical practice are raised in accordance with the scientific advances in all large centers of the world. The meeting is open to all ethical doctors and nurses who wish to attend.

NOVEMBER DAYS

A frosty November morning, Indian summer passed, the scars of winter noticed on the trees, the shrubbery—the browned grass, the ponds. Hints of days in the offing, a season's preview with a dusting of snow, a surface of ice. Some consider the approach of winter as a bleak, dreary month. Naked, ragged edges of nature foretell a season of rugged, chilly, freezing days ahead. But, look to the November sunsets, the brushing of frosts on fall leaves and berries, the silhouette of leafless branches in the early dusk. Fuzzy weather that blankets a tired sun but soon with a quiet lifting, permits the rays to creep through and outline November's beauty in softness. Not so forbidding, this month, if one looks at the gentle earth, relaxed before the onslaught of winter's blaring and blasts.

The World Is Not Coming To An End

The returns are all in and the country has survived. Any doubt of that fact was disproved by the way in which the people of the whole Nation yelled themselves hoarse in cheering the unexpected victor. As strange as it may seem all the cheering for President Truman was personal.

In the background he was not treated very decently by the National Democratic Convention which nominated him in Philadelphia. His campaign speeches were described in the press as "rough stuff". What the newspaper reporters and commentators failed to notice was that the American people cheered their heads off every time Truman made a speech. Evidently they liked his style better than the calm and logical addresses made by Dewey.

Mr. Truman knows all about international affairs and he has done a pretty good job in holding the Russians at bay.

Wichita County Farm Bureau News

From the Office of
MRS. M. L. HINES

C. A. Morgan of Burkburnett will serve as membership chairman for the Wichita County Farm Bureau during the next year, according to reports from the directors' meeting held last week in Iowa Park. Morgan is well qualified for the job, having worked at the task in a most constructive manner for a number of years and in the spring drive of '48 having secured 66 members himself, the largest number ever to be secured in Wichita County by any one solicitor, in any one membership period.

T. J. Pace of Iowa Park will serve the organization as chairman of the legislative committee. Due to the heavy legislative program of the Farm Bureau during the next year, dealing especially with a sales tax, a rural roads program, and support prices, the county is fortunate to have secured so capable a person to make the contacts with our congressmen and state representatives.

Mrs. John Wesley of Iowa Park was chosen to succeed Mrs. M. L. Hines as secretary-treasurer when Mrs. Hines moves from the county some time in January. Mrs. Wesley is familiar with Farm Bureau work, having participated in various phases of it for a number of years.

The membership committee consisting of W. A. Scott, Edd Hennig, T. J. Pace, Wymore Downing, Herbert Detmer, Geo. Streit, Emil Schroeder, A. A. Evert, and John Wesley will make a final report to the secretary in the Iowa Park Post office on Saturday, November 7.

The next meeting of the board of directors will be held December 14, in the directors' room at the State National Bank in Iowa Park.

CHICK CHATS

KEEP A FLOCK RECORD SYSTEM

One of the best ways to cut costs and avoid unnecessary expense in the management of a laying flock is to use a flock record system. If you do not already have one, why not start such a system now?

A simple bookkeeping system will suffice. About the only requirements are that your figuring is accurate and that entries are kept up to date to avoid the omission of certain items.

Cut Production Costs
By keeping daily records, the poultryman not only is able to see how much money his flock is making, but also, by studying the record, he can probably visualize more easily how production costs could be reduced and

how he should plan for the future. Flockowners who keep no records run the risk of letting their expenses get out of hand.

The poultry-raiser has two big expense items. These are the cost of his chicks and the cost of feed; together, they may account for 90 per cent or more of his total expense. Others which must be calculated are cost of medicine, litter, insurance, fuel, miscellaneous supplies and depreciation on buildings and equipment.

Another item is bird mortality—and this presents the greatest opportunity for boosting profits. Mortality of 15 per cent is considered about the average in many sections. If this could be cut to 10 per cent or less, the cost of production per bird would be reduced and income would be greater.

If your birds are laying, care of eggs and the rate of egg production are the important factors. Do what you can to keep egg production from falling, and establish a system for handling and storing eggs in such a way as to maintain the highest possible quality between the time they are laid and when they are taken to market.

How you manage your flock will probably determine whether your expenses are greater or less than average. Be alert for every opportunity to pare your costs. A flock record book will help you to do this.

We now call it our insomnia suit because it hasn't had a nap for years.

THE BIBLE SPEAKS

SCRIPTURE: Isaiah 5:1-7; Matthew 12:31-33, 44-46; Luke 10:25-37; 15:3-32
DEVOTIONAL READING: Matthew 13:10-16, 51-52

God's Story-Teller

Lesson for November 28, 1948

"TRUTH in a tale," it is said, "will enter in at lowly doors." The greatest truth of the entire Bible does not come to us in the shape of an essay but of a story—the story of Jesus.

"The gospel did not appear on the editorial page but on the news pages." Many people can understand essays; millions more can understand a story. Jesus himself, when he gave the world his message, used stories to do it. We are told that he never made a talk to the people without using a parable. The parables of the Bible are simple stories, often no more than a sentence long.

They are all alike in this: Whatever the story may be, there is more in it than meets the eye. Parables were not a form of entertainment; they were a way of teaching.

No Cause Is Lost
SOMETIMES the teller of a parable would explain what he meant, as Isaiah does with his little song of the vineyard. Sometimes, and most often in Jesus' case, the meaning is so plain that only a very stupid person could miss it.

Matthew arranges several of Jesus' parables in pairs; one of these is the twin story of the mustard seed and the yeast in the meal (Matt. 13:31-33). Both mean the same thing, and both are so obvious that Jesus did not think it necessary to explain them.

The Kingdom of Heaven—the ideal world, the world as God intends it to be—is a living thing, a growing thing, something at first small, almost invisible. But it will grow; you cannot stop it.

So the ideal world, the Kingdom of Heaven, (Jesus hints) is not an artificial thing, it cannot be constructed by blueprints. It has to follow the course of living things. It does not come all of a sudden, it grows very quietly. You might not see the seed in the ground, but the farmer knows it is there.

Pearl of Great Price
SOMETIMES two or three of Jesus' parables are like a musical theme with variations. The twin stories of the pearl worth more than the jeweler's whole collection, and of the treasure hidden in the field, are very much alike, yet just a little different in meaning.

Both tell us that the Kingdom of God is more valuable than anything else on earth; indeed, it includes everything else of value. But the stories are different. One tells of a man who was looking for something, the other tells of a man who was surprised by finding something.

Once a Chinese gentleman became dissatisfied with his inherited Confucianism, and set out to find a better religion. For years he shopped around, never finding what he needed. He left Christianity to the last, for in his section of China only coolies and peasants were Christians. But when he began to make friends with some real Christians, he was overjoyed. This was what he had been looking for. This was the pearl of great price.

On the other hand, a drunken sailor, certainly not looking for religion, wandered one night into a Salvation Army meeting. They could do nothing with him, but before they dragged him off to the lodging-house one of them slipped a bit of paper into his pocket. The next morning, cold sober, wondering where he was, he put his hand into that pocket and pulled the paper out. On it were pencilled three words: God loves you. It hit him right between the eyes; and he became a Christian. That was the "treasure hid in the field."

How Far Will Love Go?
JESUS' contemporaries told parables too, but they have all been forgotten. Jesus' parables are incomparable, unforgettable, immortal. If Jesus had been known for nothing else, he would have been remembered for the four stories of the Good Samaritan, the Lost Sheep, the Lost Coin, the Lost Son.

These all have much the same point. "Lost" does not mean hopelessly doomed. How many persons we give up as hopeless! But God never gives up on any one. A "lost" person is one whom God is seeking.

WEEKLY NEWS ANALYSIS New Crisis Appears in Germany As Russ Threaten Berlin Airlift; Rent Control Extension Proposed

By Bill Schoentgen, WNU Staff Writer

AIRLIFT: New Crisis

Morally defeated in their efforts to make good the blockade of Berlin, the Soviets were brewing up a new batch of trouble to keep American planes out of the skies over the German capital.

The Russian military administration in Berlin charged that foreign planes had flown illegally over the Soviet zone of Germany and threatened to force such planes down if it ever happened again.

IT HAD all the earmarks of a desperate, last-ditch attempt to keep the U. S. airlift from succeeding in its mission of supplying food and fuel to Germans inside the blockaded zones.

But American officials weren't having any of it. In a brittle reply to the Soviet letter, Brig. Gen. C. K. Gailey stated that if any Americans were injured as a result of a plane's being forced down the full responsibility would rest on Soviet shoulders.

THE RUSSIAN letter, received from Lt. Gen. G. S. Lukyanchenko, chief of staff of the Soviet military administration, asserted that "foreign aircraft not bearing identification marks of nationality" had flown over Soviet territory both within and without the international air corridors.

His missive concluded with a flat, two-point threat of Red intentions in the future:

1. SOVIET air patrols would force down all unidentified aircraft over the Soviet zone.
2. SOVIET air patrols would force down all foreign aircraft appearing over the Soviet zone outside the limits of the air corridors and greater Berlin.

The incident was tabbed as "the latest crisis" in the Berlin situation, but in comparison to the other crises that have come and gone this one appeared to be little more than a tempest in a teapot. It seemed to convey the impression that the Russians were losing their grip—that they couldn't even foment a real, hot crisis any more.

Not that the affair was to be taken lightly. In an atmosphere charged with hostility it wouldn't take much more than the intentional destruction of one American plane to touch off a serious conflict.

CONTROL: On Rents

One of the promises that President Truman made to the people during his campaign tour was that he would secure an extension of rent controls.

And scarcely had the startling election day passed before a concerted rent control effort was being brought under way by the Democrats. Rent Director Tighe E. Woods announced that he would ask the new congress not only to extend but to strengthen the present rent control law.

HE SAID he would ask congress to extend the rent law for 12 months past its present expiration date, March 31, and to close what he considers three big loopholes in the present act.

"The shortage of rental housing is more serious today, especially in the smaller communities, than it was a year ago," he declared.

In addition to extending and outpressing the present law, Woods indicated that he probably would propose that congress give him new authority to restore controls, or impose them for the first time, in areas that may be boomed by new defense activity.

These are the changes he will ask:

1. EVICTION CONTROLS — Restore federal control over evictions. Now evictions are left to local courts. The result, Woods said, is a serious black market in rents.
2. TREBLE DAMAGES — Give the rent director power to sue rent violators for three times their overcharge. Now only the tenant can bring such suits. This means that landlords usually get off with simple repayment of the overcharge.
3. CRIMINAL SANCTIONS — Provide jail terms and fines for convicted violators. This would give the rent director a "weapon to back up his orders."

Woods was confident that the new Democratic congress would receive his proposals cordially, and most sources on Capitol Hill confirmed that belief.

POLLING THE VOITS Strides Made in Production of Electricity

While the output of electricity has more than doubled in the past eight years and has been rising to new record heights for each successive month, the unit cost to consumers is less than before the war. In a recapitulation of strides made by the industry, an article in the November issue of "Business Comment," bulletin of the Northern Trust company, states that power production during the first nine months of 1948 was about 11 per cent above the corresponding period in 1947. Output in 1947 was 15 per cent above 1946.

The electric power industry now serves more than 40 million customers, contrasted with 29.1 million customers as of December 31, 1933, an increase of more than one-third.

Development of Bicycles
Traced to 1816 'Celeripede'
Joseph B. Niepce, French physicist best known as one of the inventors of photography, was active in other fields as well. In 1816 he invented the "celeripede," or "hobbyhorse"—two wheels and a crossbar upon which the rider sat while he propelled himself with his feet against the ground. It was the forerunner of the modern bicycle.

There were a few minor improvements during the next two or three years. But the price was high and the machine was not within the reach of ordinary folk; thus it became known as the "dandy horse."

The idea of propelling oneself on wheels, however, had taken root. The velocipede, or "boneshaker," was the first crank-driven bicycle, developed in 1865. It was well named. With heavy wooden wheels, thick iron tires and a massive iron backbone, these machines were extremely heavy and they vibrated in a terrifying manner over the rough roads.

Then came the tall "ordinary," with front wheels sometimes over five feet in height. But it was not until 1876—a little over 70 years ago—when H. J. Lawson invented the first rear-driven bicycle. Then followed many patented improvements and in 1877 Col. Albert A. Pope of Boston organized the Pope Manufacturing company, launching the bicycle-making industry in the United States.

Pneumatic rubber tires followed in 1889. Free wheels, which enabled the bicycle to coast, were introduced in 1894. By the turn of the century the tandem, or "bicycle built for two," had become exceedingly popular. The bicycle industry, spurred by invention, zoomed to new heights.

Today it is estimated that more than 60,900,000 bicycles are in use throughout the world, 12,000,000 of them in the United States.

Thomas
Red-fighting Rep. J. Parnell Thomas (R. N. Y.), chairman of the house un-American activities committee, was in hot water, and it was making his neck as red as the political complexion of any Communist he had ever pointed a finger at.

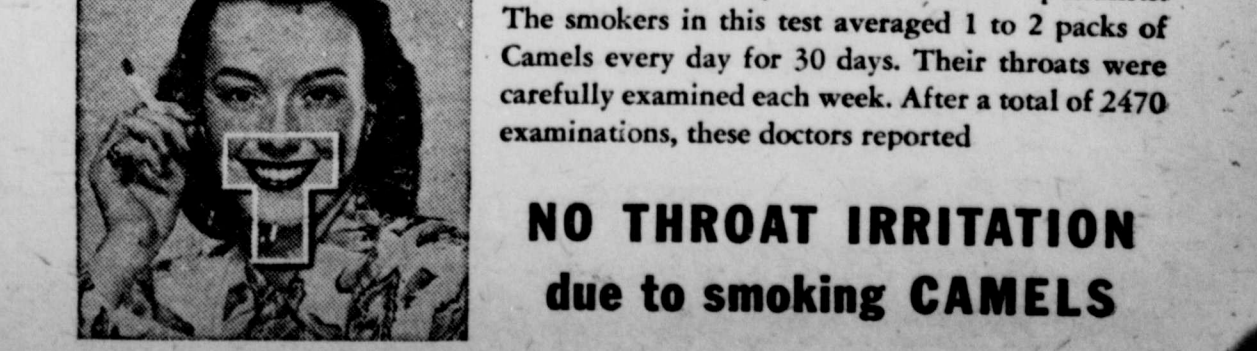

AFTER two months of ominous rumblings to the effect that something dire was in store for the GOP congressman who had caused the administration so much trouble by shouting that the government was employing Communists, the news broke: Thomas was charged by a federal grand jury of conspiring to pad the payroll of his congressional office.

The indictment accused Thomas and his former secretary, Miss Helen Campbell, of conspiring to maintain fictitious employees in Thomas' office so the salaries paid to these persons could be diverted into Thomas' bank account.

At his Allendale, N. J., home, Thomas growled, "I have nothing to say at this moment." But he would have an opportunity to speak when his trial got under way, probably in January.

Kicked Back

Miss Helen Campbell, ex-secretary to Rep. J. Parnell Thomas (R. N. J.), is involved with the congressman in a federal grand jury indictment on charges that he "induced" her and another employee to "kick back" their salaries to him.

After a total of 2470 examinations, these doctors reported NO THROAT IRRITATION due to smoking CAMELS

Italian Riviera Is Cheaper Than French

If you are confused on the "Riviera" shores of the Mediterranean, as between Italian and French, this may help: The French Riviera begins at Marseilles and runs past the resort cities and towns of Cannes, Nice, Cap d'Antibes and Juan Les Pins to Monte Carlo. There begins the Italian Riviera, much less expensive than its French neighbor.

Bride-Elect Is Honored With Birthday-Bridge

To honor Miss Josephine Utts, bride-elect of Clarence Winston Gilbert, on her 22nd birthday, Mrs. J. C. Adams and Mrs. O. E. Melton entertained with a birthday bridge at the Adams home. Guests were grouped around the table singing, Happy Birthday when the honoree arrived.

The party rooms were beautifully decorated with fall colors in mums and leaves. The table was laid with a pink organdy tiered ruffled cloth extending to the floor. The traditional white cake with pink candles and pink and white flowers completed the festive arrangements. Mrs. Melton poured coffee from an antique coffee service.

The bridge tables were made attractive with colored candles burning on small circular mirrors with "Jo & Gil" printed in pink. Miss Utts won high score and received a number of gifts for her kitchen. The hostesses presented her with a gold sugar and creamer tray set to match her china.

Fifteen of the honoree's friends her mother, Mrs. P. A. Wiggins, and the groom-elect's mother, Mrs. C. C. Gilbert, attended.

SUNDAY—
Sunday School, 9:45 A. M.

Your presence is expected and appreciated. There is only one thing that will make you feel better than attending Sunday School, and that is to bring someone with you.

It is a very true statement "a child brought up in Sunday School is seldom brought up in court."

Worship Service, 11 A. M. "Enter into his gates with Thanksgiving and into his courts with praise. Be thankful unto him, and bless his name." 100:4.

A special offering for the aged ministers will be received this Sunday morning.

Evangelistic Service, 7 P. M. We endeavor, through the anointing of the Holy Spirit, to preach the old time Gospel. We stand for the full Gospel. Come to Church to receive and be a blessing.

Tuesday—Christ's Ambassadors Service, 7:30 P. M.

The youth are on the march for Christ in ever increasing number. A few weeks ago, our Pentecostal youth filled the Hollywood Bowl for a great youth rally. The Bowl seats 20,000 people.

We are thankful for all the young people of all churches.

Thursday—Prayer Meeting and Bible Study, 7:30 P. M.

We will be looking for you next Thursday. Today, we pause to say "we trust you will have an enjoyable Thanksgiving."

Working Bluebirds Met Friday, 12th

The Working Blue Birds met at the home of Mrs. E. E. Welborn, Friday, November 12. Roll call was answered with something to be thankful for. Mrs. C. F. Begeman, sponsor, read a Thanksgiving Story, which was followed by each girl coloring a turkey.

Out door games were enjoyed, after which refreshments of punch and cookies were served to Wardie McConnell, Linda Cheney, Martha Ozell Johnson, Joanna Faye Stradley, Nancy Stevenson, Dee Ann Wellborn, Patsy Ruth Sanders, Joyce McBride, Patsy Claack, Charlotte Begeman, Mary Carolyn Mayes, Judy Shirlene Smith, Margo Smith, Dianna Kelley, and Mesdames E. E. Welborn, C. W. Stradley, C. F. Begeman and Mrs. Owen Smith.

Host Of Friends Attend Open House Sunday

Approximately one hundred-fifty friends called between the hours of three and six, when Rev. and Mrs. T. Herbert Minga held open house at their newly decorated parsonage last Sunday.

Glenn Bear, J. N. Anthony and Dr. Philip Carpenter, from the Board of Stewards, comprised the redecorating committee. Members of the house party included: Mr. and Mrs. Paul Browning, Mr. and Mrs. Ray Hill, Mrs. J. L. Caffee, Mrs. O. E. Melton, Mrs. A. R. Bunstine, and Mrs. S. S. Reger.

Paul Browning, Chairman of the Board of Stewards, greeted the guests and secured their names for the register, after which they were escorted thru the house by Rev. Minga and Glen Bear.

Throughout the party rooms, the beautiful floral arrangements the courtesy of friends, expressed their appreciation and admiration of the pastor and his wife.

Of special interest to the callers were Mrs. Minga's beautiful china collections and antiques from all parts of the world. The guests were then directed to the dining room, where the refreshment table was laid with a beautiful lace cloth, with its center arrangement of mums. Mrs. Paul Browning and Mrs. Ray Hill alternated at the china table service, cups of which were replicas of those used by John Wesley in England. Mesdames Caffee, Melton, Bunstine and Reger assisted with the serving of the turkey cookies and colored candies, which added effectively to the table decorations.

9:45 A. M. Sunday School with eight complete departments and a class for every age. It is a blessed joy to study the Word of God together and sit under a consecrated, Bible believing teacher. The God of the Word will bless those who study the Word of God. We had 432 in our Sunday School last Sunday. There were 41 in our two nursery departments, with 11 small babies present. We thank God and take courage and with great boldness give an urgent appeal to all who are not in Sunday School to come with us this Sunday.

10:50 A. M. Morning Worship Sermon by Bro. R. L. (Bob) Harris of Southwestern Baptist Seminary. This will be a special service for young people as the visiting young preacher has given much time to Youth Revivals under the direction of our State Student Department. He has helped in many of the large Youth Revivals all over Texas. Don't miss hearing this dynamic young preacher.

6:30 P. M. Evening Worship. Sermon by pastor, "What I have written, I have written." A Bible message, a "thus saith the Lord." We do not preach a negative religion but a positive, dynamic gospel, a gospel that we are not ashamed of, "for it is the power of God unto salvation to every one that believeth." The Young Peoples Choir will sing at the evening service.

The nursery is open for all services. A capable attendant is in charge. The nursery is equipped with germicidal lamp to kill air borne bacteria. Nursery attendants wear white uniforms and every thing is kept in strictly sanitary condition.

If you do not have a way to come to church, ride our free bus. Watch for the blue bus and ride it to and from the services of our church.

Named To Deans Honor Roll

Wilford Noel Duke, son of Jack Duke, 114 Ave. D. and D. P. Lohofener, son of Mr. and Mrs. A. H. Lohofener of Burk are among 524 junior and senior students who have been named to the dean's honor list at North Texas State College for the fall semester.

The list, which also includes the names of 298 graduate students who are automatically on the roster, is the largest in the history of NTSC. To be included, students must maintain at least a B average for 12 hours' work the previous semester, with no grade below C.

Inclusion on the list exempts students from the usual penalties for class absence and gives them special library privileges.

Duke, a senior business student, is a member of the Falcon Fraternity and the NTSC tennis team. Lohofener is a senior business administration major at the college.

Thanks From The Heart

It was a crisp November day just before the Thanksgiving Holidays. Miss Green's class had finished discussing the day's lesson; so while waiting for the bell she asked some of the students what Thanksgiving meant to them.

There was Johnny Kent, whose father was a banker: "Oh, to me it's just another boring day," was his nonchalant answer.

George Johnson, whose father was a well paid business man replied: "To me it's just a day when everyone has a big dinner and over-eats and then spends the rest of the day moaning and groaning because he ate too much."

And so it went with almost everyone in the class until Miss Green called on Martha Jones, whose father was out of a job at present and whose mother was just out of the hospital after having a serious operation. When Miss Green called on Martha there was buzzing, and mumbling among the students. Johnny Kent muttered, "What's she got to be thankful for? Her old man hasn't got enough money to buy them a pot of beans for Thanksgiving Dinner."

Martha just smiled and said, "To me Thanksgiving is a day set aside for giving thanks and praise to God for the mercies of the year past. We all have something to be thankful for; some of us more than others. We should look to God with thankful hearts for our homes, our families, and our friends. We should thank God for life itself. "I feel it is of every importance that everyone learns the true meaning of Thanksgiving, and on Thanksgiving Day, and every other day they should render thanks for the many things they have, to be thankful for."

There were no more snickers and smirks from the students. What Martha had said seemed to grasp the hearts of Miss Green and the students. And on Thursday as the pupils of Miss Green's class gathered around their dinner tables in their own homes there were many thankful hearts for this day and all that it stood for.

'Tis An Old Custom

What does Thanksgiving mean to you? A day of feast, or a day of thanks? Thanksgiving is a day set aside for the blessings of the closing year. You may say "What do I have to be Thankful for?"

We all have something to be thankful for a home, how humble or great it may be, or living in a Democratic country, where there is food, clothes, freedom or religion, speech, press, and freedom from want and fear, and another year of peace. The things we don't think much about mean a lot to the less fortunate.

Let's make this Thanksgiving a day of great thanks, thank your Creator for your many blessings.

4-H Club Meeting Initiates Contest

Mr. L. C. Herron, assistant county agent, met with the 4-H Club Tuesday, November 16. There were thirty-one boys.

Mr. Herron led a discussion of care and the feeding program of hogs. He demonstrated the difference between hand feeding and self feeding, and how each is done and how to make them.

He also announced the 1949 Sears program. Boys who send in the best essays on keeping pigs may win one of the eight pigs given away each year. This contest is open to all 4-H boys in this county.

At the morning service Sunday we will have Alice Millikin to sing for us. Alice is a member of the Texas State College For Women Choir at Denton, and at a recent program presented by that choir she was the Master of Ceremonies. We are very fortunate to have such a talented singer as a member of our church.

The evening service will consist of an illustrated lecture by E. W. Hatcher of the Missionary Aviation Fellowship, who will leave very soon for missionary work in the extreme Southeastern part of Old Mexico. Mr. Hatcher is a nephew of Mr. and Mrs. Leslie Tuel. He talked to the members of the Children's Division last week, and his talk was so interesting he was invited to speak this Sunday night.

A beautiful new carpet adorns the floor of our church. It was made possible by the untiring efforts of the W. S. C. S.

The women of our church have worked hard to buy this carpet, and they are to be congratulated for this much needed improvement to the sanctuary of our church.

Come to church Sunday. You need the church. The church needs you.

Us Give Thanks...

Thanksgiving is almost here. Every year when Thanksgiving comes around most people just take it for granted that their tables are filled. They say: "Pass Turkey," and never think more about it. After all, the reason is for giving thanks recognizing the fact that there is food enough to eat. Think of all the people in foreign countries and places where they would be glad to have a scrap of the turkey that is away each Thanksgiving. Thinking of this, people are more thankful than ever. Thanksgiving is usually thought of only as thanks for

the food that is eaten, but it is also for the clothing worn and many other things which are enjoyed. There are many things too numerous to mention here that should be taken into consideration, especially during the Thanksgiving holidays. But, as time goes on, people become less thankful for the necessities and luxuries that are enjoyed here in America.

The F. H. A. Club has been practicing on a program for Thanksgiving. They plan to serve refreshments.

Then there was the fellow who changed his name to Biltmore, so it would be the same as his silviculture.

What We Should Know About T-B

The Tuberculosis germ is a great destroyer of life. It kills a great number of about 55,000 people in the United States a year. More people right this minute have T-B but don't realize that the dreaded disease has struck at them. Every new case of T-B is caused by T-B germs that come from the body of some other person who has Tuberculosis. The person with the disease who carelessly coughs, sneezes or spits lets loose a small shower of germs. T. B. germs can live other places besides inside the body such as in dust or dish-towels. You can pick up these germs by breathing through the mouth.

T. B. germs inside the body, having got into the lungs do their best to live and multiply. The body, if in good physical condition, at once tries to seal the germs into a small area in the lungs. Usually the body stops the invasion of the germ in this manner. But if germs multiply faster into the body faster than it can seal them off, then some germs are left free to damage lung tissues. If T. B. germs are already in the body and the body gets into a run down condition then the T. B. germs are left to do harm.

A way to find out whether you have T. B. or not is to see your doctor and have a tuberculin test which will show if the body has T. B. germs. The T. B. test is very simple and does not hurt. If the test is positive the doctor will want to X-Ray your lungs. The X-Ray will definitely tell whether you do or do not have T. B.

You have an advantage over T. B. if you find out about it early, then you stand a good chance of being cured. Usually people think that to cure T. B. a doctor will suggest warm climate, dry climate or mountain air or crisp northern air to breathe; but this isn't always true. Now since the study of T. B. is highly specialized the doctor will tell you that special climate is not necessary to cure T. B. It's the kind of treatment and the cooperation he receives from the patient. Almost any T. B. patient can find the correct care in a modern sanatorium or Tuberculosis hospital in his own town, or state. There is little use to go far off for care. If all ways that are provided are followed by victims of T. B. they will soon recover and stand little chance of dying from T. B.

Basketball Workouts Preview Year's Prospects

Basketball workouts started Monday and continued until the holidays. The first few days were devoted to weeding out the poorer players and rounding the squad into shape.

The team has very fine prospects this year with five returning lettermen and all of the B string up. The first game of the year will be against Iowa Park on December 7. This will leave a space of scarcely two weeks for the squad to get ready.

7th & 8th Grades Elect Beauties And Favorites

Nominees from each section of the Seventh and Eighth grades have been nominated for their favorite girl and boy, most beautiful girl, and most handsome boy. The run-off will take place sometime next week.

Those nominated for the 8th Grade are: Most Beautiful Girl, Maxine Broyles and Francine Downs; Most Handsome Boy, Bowden Maben and George Powell; Favorite Girl, Wanda Gayle Mills and Patsy Landes; Favorite Boy, L. W. Teel and Bill Lundberg.

Those nominated for the 7th Grade are: Most Handsome Boy, Keith Hubbard, Billy Arrington, and Don Ray Hicks; Most Beautiful Girl, Barbara Vaughn, Rita Joy Hunt, and Carol Campbell; Favorite Girl, Janice Hall, Jill Bernethy, and Marilyn Walkup; Favorite Boy, D. L. Bryant, Wendell Hale, and Lloyd Mulinghouse. The seventh and eighth grades are working very hard and are really looking forward to the Thanksgiving holidays.

If you haven't bought your Derrick, do it today. We still need a lot of subscriptions and you just have until December 13 to pay the first \$1.50.

The girls who didn't get married this summer will be looking around for a Fall guy.

Win Texas 4-H State Championships

TEXAS' 4-H State winners in the 1948 Dress Revue, Food Preparation, Girls' Record and Home Improvement programs, who each received an all-expense trip to the 27th National 4-H Club Congress in Chicago, and brief outlines of their records follow:

In recognition of what she has learned in 4-H Club work about all phases of homemaking, Lois Wilson, 16, of Morton, has been named State winner in the 1948 National 4-H Girls' Record program. She helped raise 1,250 fowl and sell eggs, and canned 2,023 quarts of fruit and vegetables from the family garden. To beautify her home she repaired the fence, cared for the lawn and planted flowers. Lois makes all her own clothes. She has served her club as secretary, president, and is junior leader. Lois has been awarded an all-expense trip to the National 4-H Club Congress, Chicago, provided by Montgomery Ward.

If you visited her home in Moore, you would readily see why Shirley Moore, 15, has been named State winner in the 1948 National 4-H Home Improvement program. Shirley has remodeled a narrow clothes closet into a linen closet, put new linoleum on the floor, varnished and covered a rocking chair, and sawed the posts off her bed to make it Hollywood style. Shirley helped upholster a studio couch and chairs for the living room. She also helped in painting the bathroom and kitchen. In recognition of her achievements, The Sears-Roebuck Foundation is providing Shirley with an all-expense trip to the National 4-H Club Congress, Chicago.

Preparing tasty, nutritious home meals is an art, well mastered by Donna Hendry, 16, Blackwell, who has been named State winner in the 1948 National 4-H Food Preparation program. Donna has prepared and served 4,889 meals and 2,217 separate dishes during her eight years as a 4-H member. She has also completed 53 projects, canned 2,345 quarts of food, raised 1,330 chickens, and 57 hogs, calves, and sheep. She has held every office in her club and was also county president. She is now an assistant leader. The income from her 4-H projects amounts to \$4,566. As a recognition of her 4-H achievements, Donna was awarded

Lois Wilson

Donna Hendry

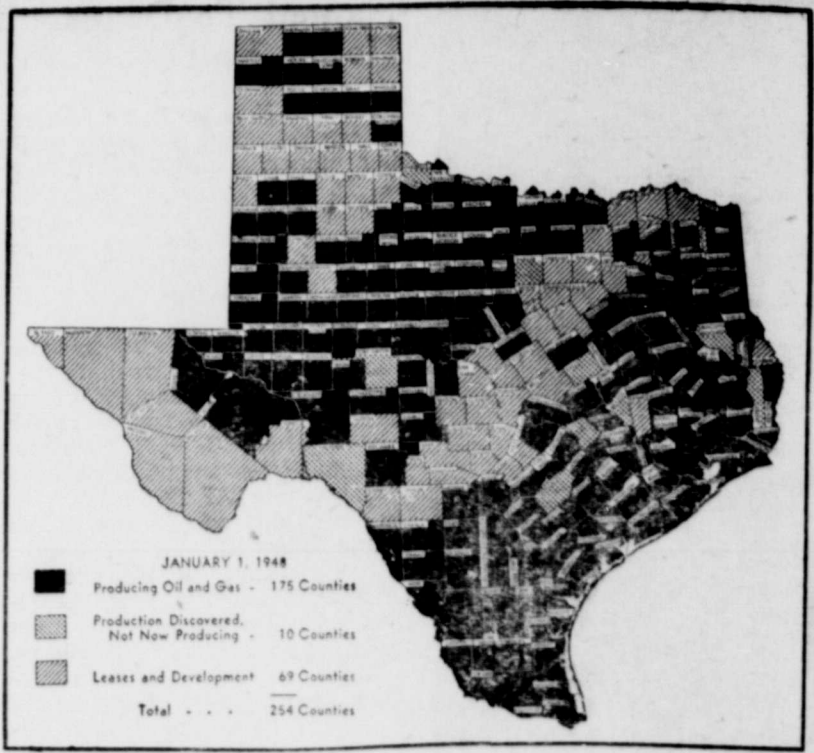

Jolene Campbell

an all-expense trip to the National 4-H Club Congress, Chicago, provided by Servel, Inc.

For the skill and knowledge shown in the planning, selecting, constructing and assembling a wool dress with a topper which won first place in the state 1948 4-H Dress Revue, Jolene Campbell, 16, of Colorado City won a trip to the National 4-H Club Congress, Chicago. Her winning outfit is a winter green wool one-piece dress. For her topper she chose a plaid which repeats this winter-green with red and off white. It is double breasted with self-covered buttons and features a flaring back. Her accessories include a green cloth bag trimmed in gold, gold colored gloves, a brown felt hat and brown calf shoes. The cost of her complete outfit was \$31.00 including all accessories. State winners who participate in the National 4-H Dress Revue at Chicago will each receive a \$25.00 U. S. Savings Bond from Simplicity Pattern Company, which also provided the National Club Congress trips.

All of these activities are conducted under the direction of the Extension Service of the State Agricultural College and USDA cooperating.

This Winter You'll Need the Benefits of a Sun Lamp

When the dark, dreary days of winter cut sunshine-hours to a minimum, every member of the family will benefit from the practical use of an electric sun lamp.

Sun lamps tan like midsummer sunshine and supply beneficial ultraviolet Vitamin D. They are complete with built-in transformers and reflectors and fit any ordinary lamp socket. For use where lamp sockets are not available, flexible stands and holders may be used.

ELECTRIC SUN LAMPS ARE KEYS TO BETTER LIVING!

Children can absorb healthy ultraviolet rays while playing.

A short rest, a summer tan and beneficial Vitamin D for mother.

There's no better way for dad to start his day than by shaving under a sun lamp.

Appliance stores, department stores and furniture stores have electric sun lamps available now.

Clara Stofor

Miller, nee Veda Faye was honored by friends at a wedding shower Friday afternoon at the home of Mrs. Elmer Rogers. Thirty guests assembled with gifts for the bride and her new home. Thirty gifts were given. Hostesses were Mrs. Elmer Rogers, Mrs. Wood, Jr., Wm. Nelson, Spier, Curley Davidson, Landis, Bill Stevens, Cullough, K. B. Uthe, The, Bob Hinkle, Robert Ross Wright, C. O. Wood, O. G. Weaver.

Thanksgiving dinner was enjoyed at the home of Mrs. Reed and their son, Cozy Ann, all of the Texas. Mrs. E. H. Stofor of the hostess and her family of Wichita Falls will be present.

Mrs. Joe Yager was a Wichita Falls visitor Monday.

Four generations gathered at the home of Mrs. Mallory and Mrs. Joe Gill for Thanksgiving dinner, beginning to arrive Wednesday evening. The four generations were represented by: Mrs. B. A. Mallory, 88, mother of Mrs. Gill; Mr. and Mrs. Wentz Gill of Emerson Store and their sons, Carl and Bill; Mrs. Gill's daughter, Mrs. Fox of El Reno and her daughter; and Miss Faye Gill, a teacher at Duncan, Okla.

Mr. and Mrs. Bob Woodley of Long Beach, Calif., arrived Sunday to spend Thanksgiving holidays with relatives and friends. Mr. Woodley is a son of Mr. and Mrs. C. O. Woodley, and Mrs. Woodley is a granddaughter of Mr. and Mrs. W. A. Wood. They were accompanied on the trip by Mrs. Woodley's mother, Mrs. Ted Randall and her daughter-in-law, Mrs. Wayne Randall, both of Long Beach.

While shopping in Wichita Falls Monday Mrs. W. A. Wood tripped on the stairs in the Sears Roebuck Store, falling some distance. She suffered a strained back and some bruises. She was x-rayed at the Clinic hospital, and while no broken bones showed up, other complications in her general condition were discovered for which she will return Wednesday and take up medical treatment.

Mr. Bill Harrison, his son, Bryan Harrison and Mrs. Bryan Harrison, accompanied by Mr. Harrison's sister, Mrs. O. M. Cloniger of Davis, Okla., attended a home coming in Cass County, Texas, last Friday. While there they visited the birth place of the elder Mr. Harrison.

Mr. and Mrs. Ross Wright were called to Clovis, N. M., last Thursday by the death of Mr. Wright's oldest brother, Sim Wright, 68. Another brother, Will Wright of Burkburnett accompanied them. Funeral services were held Saturday and they returned home Sunday. Mr. and Mrs. C. O. Woodley had charge of the Wright's house during their absence.

Mr. Herbert McMillian of Oklahoma City who had come to spend the Thanksgiving holidays with his parents, Mr. and Mrs. C. G. McMillian, was notified Friday evening that his wife had been killed in a car wreck in Ohio. Herbert left immediately for that place. Mrs. McMillian and an uncle were enroute to spend Thanksgiving with her

folks in Ohio when the accident occurred.

A daughter, Marilyn McMillian is a student at Stevens College, Columbia, Mo. Burial was in her former home community in Ohio.

Mrs. Lloyd Clemmer was taken to the General Hospital in Wichita Falls where her baby was born. The little one passed away Tuesday morning at 2 A. M. Funeral services were conducted at Burkburnett cemetery under direction of Owens and Brumley Funeral Home.

Mr. W. W. Manley was permitted to walk about in his room at the General Hospital last Monday. He is reported doing very well at this time.

Mr. John Coker was a winner on the "Joy Spreaders" radio program, KRLD, last Thursday when she won a Morning Glory Mattress by answering the telephone question "What does acappella mean?" Mrs. Coker received sincere congratulations from friends while Mr. Coker was congratulated on having a wife smarter than he is. He admits he could never have answered it.

Mr. and Mrs. Chas. Thornton Jr., and son Jerry of Wichita Falls spent Sunday with Mr. Thornton's parents, Mr. and Mrs. Chas. Thornton.

Mr. D. V. Kirkpatrick who has been a patient in the Ryan Hospital the past three weeks returned home Sunday feeling fine. He was in town Monday visiting friends.

Mrs. O. L. Bridges and children of Wichita Falls visited in the Woodley home here Sunday.

Donald Ray Davis, son of Mr. and Mrs. Joe Davis has been out of school the past week. His trouble is a recurrence of a rheumatic condition.

Mrs. Tempie Thompson, Sun, accompanied her daughter to Dallas to spend a few days, and have Thanksgiving in the daughter's

home.

Mr. Bob Overton, brother of Mrs. Hale, is ill with a heart ailment. He is under care of Dr. Fugua of Grandfield.

Circle No. 2 Meets November 22nd

Members of Circle No. 2 of the W. S. C. S. met Monday, November 22, in the Wesley room of the First Methodist church, with Mrs. O. E. Melton, as hostess.

Mrs. Carrie Morris gave the devotional, which was followed with talks on Korea by Mrs. Melton and Mrs. Minga.

Refreshments were served to eleven members.

The Christmas party will be held December 13 in the home of Mrs. Joe Majors.

Mr. and Mrs. C. F. Johnson, Ethelyn, and B. H. Johnson will visit relatives in Clinton, Oklahoma during the Thanksgiving holidays.

Troop 155 News

Scout Troop No. 155 held their regular meeting Monday night in the basement of the First Methodist Church.

Members present were: Jimmy McMurtry, Joe Bill Dodson, Jon Bear, Norman Dodson, Clifford McKinnis, DeWayne McKinnis, Howard Fleming, John Woods, Bill Lundberg, and Mr. Richmond, Scout Master. Eleven visitors were: Bowden Maben, Chas. Dorsey, Leo Ivey, Walter Lacey, Don Ray Hicks, Bobby Boydston, Billy Frank Dodd, Kenneth Sanders, Donald Harvey, Johnny Archer, and Thomas Rusing.

The meeting opened with the Scout oath. Troop No. 155 played Troop No. 36 a game of football.

The Scout benediction closed the meeting.

Mr. and Mrs. Russell Landers of Ardmore visited their parents here last week-end.

Twins, a boy and a girl, were born Tuesday morning, November 23 to Mr. and Mrs. F. S. Shofner of Wichita Falls. Babies and mother are doing nicely at the Bethania Hospital. Incidentally the twins are the grandchildren of Mr. and Mrs. Roy Magers of Burkburnett.

Mr. and Mrs. Jack Baker of San Francisco, California, who have been visiting friends and relatives here, left for their home last Thursday. Sgt. Baker, formerly of Borger, Texas, has re-enlisted in the Army for another 3 year period.

Mr. H. D. Hinkle of Devol, J. L. Lay of Oklahoma City, and Mr. and Mrs. H. H. Hinkle, were dinner guests Monday in the home of Mr. and Mrs. J. M. Patterson.

Mrs. Sidney Scheff of Dallas visited her sister, Mrs. Letser Coats last week and attended funeral services for Mr. Jeff Deasey in Wichita Falls last Tuesday afternoon.

Dr. Webster Majors of St. Louis Mo., is visiting his mother, Mrs. M. W. Majors, and other relatives here.

Mr. and Mrs. S. A. King had as their Thanksgiving guests: Mr. and Mrs. W. T. Cloud and daughter, Jo Anita of Chickasha, Oklahoma, and Mrs. D. C. Benton and daughter, Carol of Burk.

Pay Heed To Highway Signs And 'Stick Around' Awhile

Signs and signals are among the biggest helps to safe driving, the National Safety Council says. "They give drivers warning of the dangers that lie ahead. But they are worthless unless seen and obeyed. The safe driver will follow these signposts:

1. Give signs, signals and markings the same respect you would a traffic officer. Here's one place you may lose if you cheat.
2. Reduce speed and be on guard when you see a diamond-shaped sign (this shape carries a warning) or a round sign (this signifies a railroad crossing ahead).
3. Come to a complete stop at an eight-sided or octagonal sign. This shape means only one thing—stop!
4. Know what an oblong sign says. This shape carries regulatory messages such as speed limit.
5. Heed the cross-buck sign at railroad crossings. If there is a flasher or wig-wag, wait until it stops operating before crossing. There may be another train you can't see.
6. Watch for the signs of life even on familiar roads. Three-fourths of the drivers in fatal accidents lived within 25 miles of where the accident took place.

If you—like millions of others—are pondering the Christmas present problem, a local dealer has a handy answer. He will have Christmas gift cartons of cool, mild Camel cigarettes and pound tins of flavorful Prince Albert Smoking Tobacco. Both these items come festively dressed for the holiday season and make ideal gifts for your smoking friends. The Camel carton contains 200 mild, flavorful Camels, while the Prince Albert container is chock-full of mellow smoking joy that has made Prince Albert the country's largest-selling tobacco. Both gifts require a minimum of fuss, due to the unique space provided for your personal Christmas greetings. (Adv.)

THE PLAN OF SALVATION

Is salvation conditional? "And being-made perfect he became the author of eternal salvation unto all them that obey him" (Heb. 5:8, 9.) "Blessed are they that do his commandments that they may have a right to the tree of life, and may enter in through the gates into the city" (Rev. 22:14). Then Jesus will take vengeance on those who obey not the gospel (2 Thess. 1:8). Are you satisfied with the answer? There are many other passages like the ones we have mentioned, but for all honest seekers, these are enough.

Now, what are the commandments that we must obey in order to be saved? Since we are living under the Christian dispensation, we must go to the New Testament for the answer. Jesus mentioned the conditions of salvation in the Commission. Matthew 28:19 tells us to be baptized in the name of the Father, Son and Holy Spirit. From Luke 24:47 we learn that repentance and remission of sins were preached beginning in Jerusalem. In Mark 16:16, the condition of baptism is given. "He that believeth and is baptized shall be saved." So, in the Commission we find that we must believe, repent and be baptized in order to be saved from their sins.

On the day of Pentecost, after Jesus had given the great commission, Peter told the believing Jews to repent and be baptized for the remission of sins (Acts 2:38). When Jesus appeared to Saul of Tarsus, he told him to go on to Damascus where he would be told what to do. "What he must do," said Ananias tell him to do? "Arise and be baptized, and wash away thy sins, calling on the name of the Lord" (Acts 22:16). You can see that the washing away of sins is in baptism. Could Paul conclude from the statement of Ananias that a man is saved before baptism?

When the jailor asked what to do to be saved, Paul told him to believe. Did Paul mean that it was not necessary for him to repent? Certainly not. Faith is the foundation. Paul told him to believe, and then he preached to him so he might believe. "Faith cometh by hearing and hearing by the word of God" (Rom. 10:17). The people mentioned in Acts were already believers, so they were told to repent and be baptized for the remission of sins. The jailor was told to believe, but he and his company were baptized the same day of the night. What was he baptized for? "He that believeth and is baptized shall be saved, but he that believeth not shall be damned" (Mark 16:16).

Paul tells us that we are baptized into Christ. (Rom. 6:3). If we have been baptized into Christ we have put on Christ (Gal. 3:27). Paul also tells us in Rom. 6:4 that our baptism is like the burial and resurrection of Christ. Christ was raised from the dead after he was buried, so we walk in newness of life after we are buried with Christ in baptism.

Can we say we have been planted together in the likeness of his death unless we have been covered up in the waters of baptism? According to Paul, baptism is a burial. Then, Christ was raised from the dead after he had been buried. So, true to the picture, we are not raised to walk in newness of life until we have been buried with Christ in baptism. Paul tells us that we are made free from all unrighteousness after we have obeyed from the heart that form of discipline (Rom. 6:17). With this truth before us, do you think it is safe to say that baptism is not essential to salvation? We must believe what the Bible says.

Scout News

The 1949 program of Scouting in the Northwest Texas Area Council, has the profound interest of men who will compose the Council set-up for the new year. Upon its success depends the attitude of a somewhat lagging public in its relation to the boy and his future; the lack, in many cases, of the interest of parents in their sons who may already be in Scouting or who might want to join. This keynote thought was uppermost in the minds of those who attended the Area Council meeting held November 15th at the White Rose Cafe in Electra, and thrust upon the shoulders of the new officers who will take over for the ensuing year.

A review of the work in Scouting during the past year, preceded the election of officers for the new year.

The report of the nominating committee was adopted and the following new officers were elected to reign over the new year:

T. J. Waggoner, Jr., President, Wichita Falls.

R. B. Anderson, Vice-President, Vernon, Texas.

Pierre Stine of Henrietta, Texas and Geo. D. Fox of Wichita Falls, were also selected as Vice-Presidents.

C. E. McCutcheon, Treasurer, Wichita Falls.

Dr. Karl F. Wettstone, Commissioner, Wichita Falls.

The members who compose the Archer District have been very busy of late in their plans, first of all the selection of its new officers, which were elected at the District Committee meeting held in Iowa Park on November 16th. The nominating committee made its report and the following officers were elected:

Chairman, Glen Bear, Burkburnett.

Vice-Chairman, W. R. Pastusek, Iowa Park.

Commissioner, Ernest Burk, Iowa Park.

Secretary, Frank S. Reid, Electra.

The Chairman's responsibility is selecting the other Committee Officers which will be announced later.

Serious reflection and thought has been given to the problems of Scouting in each community within the Archita District, that has resulted in such being better solved by functioning Community Committees in each town. While all towns in the Archita District have not as yet come into the plan, the following Chairmen have been announced:

Fred Fewin of the Burk Community Scout Committee, whose meetings will be held for the 2nd Thursday in each month beginning in January 1949.

It is gratifying that a certain group of men and women have given freely of their time and talents to this Scout movement in years past. They have been few in number in comparison to the great opportunity that should confront many more workers for an enlarged program and getting more boys into a program of citizenship that has proven "that boy's don't go wrong who have had the Scouting program."

Leader Class Meets Friday 12th

The Leader Sunday School class met for their social, Friday November 12 with eleven members present.

Mrs. Owens gave the scripture reading. With Mrs. Peed as leader, members gave some of the things they were thankful for.

Refreshments were served to the hostesses, Mrs. Stubblefield and Mrs. Whigham, to the following members: Mesdames Mullins, Sutterfield, Gilger, Hodge, Strait, Peed, Miller, Owens and Pemberton.

Husbands Guests Of Fath Class

The Faith class of the First Baptist Church entertained their husbands with a Thanksgiving supper, Thursday, November 18 at 7 p. m.

A delightful supper was served buffet style to Messrs. and Mesdames E. E. Welborn, Jack Northcott, Edward Bankhead, Vernon Duke, Homer Garrett, J. W. Simpson, Charles Goins, Dale Woodard, Hinkle, and Mrs. Mona June Gum, Floy Holly, Alta Fae Weaver, Betty Evans, Daisy Varner, Marilyn Howard, Delma Lee Edwards, and Mrs. Fred Fewin.

Following the meal, a very entertaining program included a Pilgrim Poem by Virginia Woodard; a prayer by Daisy Varner; Duet by Floy Holly and Alta Fae Weaver, accompanied by Mona June Gum; "Who's Who", a game played with baby pictures of the class, and a sword drill.

Mr. Fewin showed moving pictures of the babies and young children taken during the summer, also of the congregation of the church and the Boom-town celebration.

Mr. and Mrs. J. R. Hill of Oklahoma City were guests in the O. E. Melton home last week.

W. M. U. Notices

The Federated Missionary Society will meet at the First Baptist Church Monday, November 29, at 2 o'clock.

The W. M. U. will meet at the Church Monday, November 29th at 7:30 p. m. for Mission study. All members are urged to attend.

Mrs. Lewis Shores of Burkburnett and Mr. and Mrs. F. H. Corbin of Wichita Falls left Tuesday morning for Houston where they will spend the Thanksgiving holidays with their children, Mr. and Mrs. Sanford Shores and family.

Overcoats For UNITED GAS Pipe Lines :::

A heavy protective coating is normally applied to every foot of new pipe line laid by United Gas. That's because pipe is of steel and must be protected against rust. A typical coating consists of primer, enamel and spiral-wrapped covering, although certain conditions make it necessary to supplement the covering with other types of protection. More than 6,000 miles of main United Gas transmission lines, providing natural gas to 354 cities and towns in the Gulf South, are thus guarded against leaks caused by the ravages of rust.

This is one of many functions of the United Gas organization . . . all of which have the ultimate purpose of assuring a more dependable supply of natural gas to our customers.

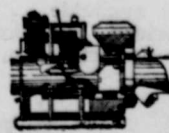

UNITED GAS

Serving the Gulf South

A mechanical cleaning machine brushes dust from the outside of the pipe line, then applies a coat of primer.

A second machine applies a thick coat of enamel—the principal insulation—and one or more wrappings of material to protect the enamel. When cool, the enamel provides a hard surface resistant to acids, moisture or electrolytic action of the soil.

An electronic detector finds the finest of flaws in the covering, and those spots are coated by hand.

One time there were three hermits that lived in a cave together. All day long they would sit and stare at the wall.

One day a stallion galloped by. About a year later one hermit said, "That was a pretty, brown horse."

Another year passed by and the second hermit said, "That was a white horse."

Two more years passed when suddenly the third hermit jumped up and walked out of the cave saying, "If this constant bickering is not going to stop, I'm going to leave."

J. D. Wilkenson, Jr., arrived Saturday from Tracy, California, to spend his leave from the Navy with his wife and new son, who arrived in a Wichita Falls hospital last week. Mrs. Wilkenson is the former Jamie Jacobs.
