Last week P. A. Wiggins, City Manager, had a crew of men putting up street decorations, setting the stage for the arrival of Santa Claus in Burk. The beautiful decorations feature huge stars, lighted with colored lights. In addition to stars, which hang over each down-town street intersection, lighted crosses will be on each street light post.

As the Christmas season approaches, merchants are busy planning decorations and getting their merchandise in order.

Mr. and Mrs. B. J. (Red) Mills, Joy Sessums and H. A. Mills have returned from Round Mountain where they hunted deer last week.

### Casey Logan Has Hydraulic Jack To Aid Car Wash

The first of its kind to come to Burkburnett, Casey Logan at the Logan Battery and Electric, has just completed a wash rack for car washing, complete with hydraulic jack for raising cars for accessibility to the under side, which permits a more thorough removal of dirt and mud from underneath.

Warm water is used exclusively in washing cars. This softens mud and gives a more complete job.

In connection with this new addition to the Logan place, steam facilities have been installed for cleaning motors of all grease and dirt.

A hydraulic lift for car greasing has been in operation at this place for some time.

### No Charges For Two Santa Suits At C. of C. Office

A welcome service of the Chamber of Commerce at the approaching season of the year is to try to furnish Santa Claus suits for schools, churches, parties, etc. This year Ray Hill, manager of the C. of C., announces he will be able to take care of all comers. Two new suits have been purchased and with the old one reconditioned, more and more customers may be served.

There is no charge for this service. The only request is that you take good care of the suit, and then return it promptly, for Old Santa's engagements are being booked in advance, and a lot of little children may be disappointed if Santa could not appear because you kept his suit too long.

### Bulldogs Win Dist. Honors

Taking advantage of interceptions and Holiday fumbles, the Bulldogs captured district championship at Holiday last Friday night.

The Bulldogs, backed by hundreds of Burk foot ball fans, were obviously better than their opponents by more than the 13-6 score indicated.

The first score came early in the game when Burk got a Holiday fumble on the 40 and went up field to scoring position. Boyd and Counter accounted for the gains, and Johnny Crane faded back to the 25 yard line to heave a pass to Donald Pemberton for the score.

Holiday's lone score came a few minutes later. Burk intercepted a pass and went to the 2 yard line. There the Eagles held and Burk lost the ball on downs. On the first play after taking over, Wheeler for the Eagles raced around right end and went 98 yards for the TD.

Burk's final tally came in the third period when Crane intercepted a pass. A pass to Bill Reasoner put the ball near the goal line. Counter went the remaining three yards for the score and Boyd went through center for the extra point. 13-6.

### Lions Club Hears Local Youths

### OUR HERITAGE

Despite the annual festivities that make our observance of Thanksgiving, this day is a religious occasion. We mark it by feasting, by napping. We spend it listening to radio, watching football. Thanksgiving, in the Plymouth Colony, was headed by prayer, in grateful praise to the Lord for blessings wrought. After a lean winter, the colony was favored by a bounteous harvest and, in 1621, asking for guidance to build better, richer, freer land in which to live, to pray for health to work for the necessities of the body, these colonists gave birth to the holiday, Thanksgiving. It was fought for through suffering, privation, perseverance and endeavor. There was not the calm acceptance then of Thanksgiving that there is today. The heritage left us by these pioneers was to recognize and work for those things that build body and enrich soul, to face harsh days with fortitude, to value the freedom and opportunity to plan for spreading their spirit beyond the rivers and mountains, to build a prosperous and progressive country. Such was the spirit of 1621.

Too many of us in Burk Burnett overlook the serious phase of the holiday in pursuing the festive aspect of it. We have forgotten the great price paid in blood and sacrifice that has kept the nation free to give Thanksgiving its rich meaning. Without the appreciation and prayers to the divine Providence that gives benefits to us, Thanksgiving might be called by another name. It is the giving of thanks for food, clothing, shelters, for work and for liberty. This

nation was not born bearing a silver spoon in its mouth. The high living standards which we enjoy, the abundance of food, wealth of natural resources, are a result of the early spirit, the simple virtues of our forefathers. Their love of soil, freedom, their patriotism, is a heritage we such prize, praise and pray for this Thanksgiving Day.

Watch Out For  
The Symptoms!

Laughed out loud when I heard Hoot Davis was down with Chicken Pox. A man of forty-five catching a kid's disease!

So I went to see him, armed with jokes about "second childhood" but forgot them fast when I got there. Hoot looked terrible and had quite a fever.

While we talked, I come to think of how Chicken Pox is a lot like other "diseases"—diseases of the character, such as intolerance, self-righteousness or just plain ignorance. They're excusable in children, but when they come out in

adults they're ten times as bad—and can be mighty "contagious."

From where I sit, we should all watch out for the "symptoms"—little things like criticizing a person's preference for a friendly glass of temperate beer or ale. We've seen personal freedom wither away in other countries, when individual intolerance was allowed to get out of hand and become a nation-wide epidemic.

## Dutch Show Direct From Holland

Early in 1949 a trio of musicians and entertainers arrived in the United States from Holland. They were an instant hit wherever they appeared. They will be in Burkburnett at the High School Auditorium Monday, November 28, at 1:30 P. M. Admission 15c.

Members of the group are: Carel Coenraad, outstanding Dutch composer and musician. (Piano, Organ and Accordion). He has performed several times for the Royal Dutch family. For several years he was orchestra leader on the Dutch Flagship "New Amsterdam."  
Chita Maria Van Pelt, attractive wooden shoe dancer and excellent singer. She is known in Holland as the "Dutch Nightingale." She is the only girl in the world who can imitate with her voice a musical saw.

Harry Van Pelt is master of ceremonies, lecturer, singer and wooden shoe dancer. He received a Royal award for his work in the Dutch Underground Forces during the last war.

The program consists of wooden shoe dances, Dutch songs, music, comedy and novelties. It is a fast moving program with great variety and topflight quality.

## First Baptist Church

T. LYNN STEWART, Pastor

9:45 A. M. The Church in Bible Study. There is a class for every age. Many new members and visitors are coming each Sunday. God is blessing in this school of the church. There were 464 present and a school offering of \$506.00 last Sunday. Praise the Lord for His blessings upon us. If you are not attending Sunday School anywhere we extend you a most cordial invitation to come with us this Sunday. Let's have over 500 this Lord's Day.

10:50 A. M. Morning Worship. Bro. Charles Wellborn of the Southwestern Baptist Seminary will preach. He is one of our greatest young preachers. He has been associated with Youth Revivals since they first began. He is speaking to the young people at the Harvest Banquet this Saturday night and agreed to remain over to preach this Sunday morning. He is in such demand that we had to secure him almost a year ago. This is an unusual privilege for our people to hear this young preacher. Don't miss it.

6:30 P. M. Training Union for all ages. This is the training period of our church.

7:30 P. M. Evening Worship. Sermon: "The Rainbow Circled Throne." This is the third message in a series of 16 the pastor is preaching from the Book of Revelation. Many people are hearing these sermons. You are invited to join with them and get the blessings from a study of this great book. Bro. J. D. Riddle, who is to direct our school of Music, will be here to lead the singing at this service. He will also be here for the Training Union and will meet with the adults.

Wednesday 7:00 P. M. Officers and Teachers meet to study next Sunday's lesson. 7:35 P. M. Hour of Power Service in lower auditorium. A time of prayer, praise and Bible Study.

The nursery is open for all regular services of the church. Two capable attendants are in charge. This nursery is strictly sanitary and safe for the babies. Our bus covers a regular route Sunday mornings and evenings and Wednesday nights. This is a free service for all who do not have a way to attend. Watch for the blue bus.

Visitors in the F. G. Jeffers home last week end were Mrs. Jeffers' sister, Mrs. Estell Caldwell and Mrs. Caldwell's daughter and husband, Mr. and Mrs. Charlie Bussell of Tyler.

Herbert Knauth of Overton, Texas, visited his mother, Mrs. F. R. Knauth this week.

1. Why should dairy calves be kept off pasture until they are four to six months of age?

This practice is recommended for the prevention of parasite infection, and to keep young calves from eating so much soft, watery grass that they can not eat the proper amount of growing ration for satisfactory growth.

2. Do rabbits require salt? Yes. Rabbits require more salt than the quantity normally present in the grain and roughage part of their ration. Salt spoils should be available to them at all times.

3. Is self-feeding of bred sows and gilts advised? No. Self-feeding results in excessive consumption of feed, even when bulky rations are used. Long-term experiments at the Research Farm of the Ralston Purina Company indicate that hand-feeding makes it possible to control both condition and feed consumption of sows and gilts, resulting in stronger, healthier litters, and lower feed costs.

Send your questions about livestock or poultry problems to FARM FACTS, 835 South Eighth Street, St. Louis 2, Missouri. Questions will be answered without charge, either by mail or in this column, as a service of this newspaper.

Henry Prinzing left Wednesday for San Angelo to join Mrs. Prinzing who has been with her mother who is ill for the past week. They will return home Friday.

## Yvonne Davis Is Two Years of Age

The home of Mr. and Mrs. Ralph Davis was a birthday scene Tuesday afternoon between 3 and 4 o'clock honoring little Yvonne, who was 2 years old.

She met the guests at the door attired in a little plaid taffeta dress trimmed with velvet. A little red button pom-pom corsage completed her costume.

The little boys and girls were directed to the play room where they enjoyed playing with the toys. Pictures were made of the group. After playing for awhile, Yvonne opened many lovely packages, then blew out two candles atop her birthday cake. The children sang Happy Birthday to You.

Refreshments of ice cream cones and cake were served to: Linda Beth Pearson, Valorie Matherly, Sheryl Evans, Judy Davis, Sharon French, Karen Ann Bently, Linda Ray Teal, Sherry Allen, Janelle Hinkle, KaRene Davis, Dianna Davis, Dana and Michael Matherly, Douglas Cheney, Sonny Bently, and the little honoree.

The following mothers were also present: Mesdames Cheney, Hinkle, Bently, Goodwin, Evans and Davis.

Mrs. J. R. Wood is a patient in the General Hospital in Wichita Falls.

L. O. Ludington was returned to his home in Thrift Saturday from a Wichita Falls hospital.

Mrs. Thelma Goyer of Tyler visited last week in the home of her brother, Harry Dodson and family.

Mrs. Ann Vogel spent the week end in Bowie visiting Mrs. DeAlva Roy and children.

Miss Frances Miller of Charlotte, N. C., visited last week in the Troy Miller home.

Pete Jeffers arrived home Tuesday night to spend the holidays with his parents, Mr. and Mrs. F. G. Jeffers.

**The SNAPSHOT GUILD**

You sportsmen can bag your limit with your cameras, too.

**Fall Sports Pictures**

IF YOU are one of those camera fans who likes to combine the hobby of photography with a love of sports of all kinds, you have many pleasant weeks in store for you during the beautiful fall months.

On a sunny Saturday you will find a football game being played on virtually every vacant lot in town, as well as on the school grounds all around the countryside. If you are a hunter, you probably will have your equipment polished and ready to go at the break of dawn on the day hunting season opens. And if you just like to get out into the wide open spaces, you probably will be pulling on your hiking boots or packing your gear in the bow of a canoe, ready to set out and enjoy nature at its best.

The camera can play an integral part in your enjoyment of all these fall sports activities. It can easily capture the exciting moments of that neighborhood football game. A fast shutter on your camera, of course, will make action pictures easier to obtain; but if you have a slower shutter, you can still get good shots. Back off a bit further and try to

snap the action when it is somewhat suspended for a moment.

You fans who pack a camera along on a hunting trip can really bring back some fine pictures. Because of all the other gear, usually the best camera for such a trip is one that is small and portable. Moreover, try to get more than the usual record shots. Instead of lining up the members of your party in the ordinary way, make some shots of each member in action, as he fires at a target, or cleans his catch, or trudges back to the lodge with the day's limit over his shoulder. A fine picture story can be compiled of the gang on the hunting trip.

The picture story can also be used by you hikers and boaters. A shot here and there at strategic points along the way can add up to a very fine picture coverage. And don't forget the scenic attractions as you go along.

Nature is at its best for all these fall sports activities, and it is wonderful to get out and enjoy them. Take your camera along, too, for it will bring back the fun in some well snapshots. —John van Gulder

Nov. 5th

Impressive candle-light ceremony was read Saturday, November 5 at 6 o'clock by Miss Wanda Gayle, daughter of Mr. and Mrs. B. L. Cruce and Harlan H. Cruce, son of Mrs. Eva Eades, Stephenville, Texas. T. Herbert Minga officiated at the double ring ceremony.

mony at the First Methodist Church. The wedding scene was illuminated with white tapers burning in seven-branched candelabra flanking either side of the nuptial space. White mums, white gladiolus and snapdragons, combined with greenery, provided a background.

Pre-nuptial raucus was offered by Mrs. Bill Vincent who also accompanied Mrs. Joe Bob Tyler, vocalist, who gave beautiful interpretations of "Danny Boy," "Because" and "The Lord's Prayer." Mrs. Vincent played

Claire de Lune during the ceremony.

The bride, given in marriage by her father, was lovely in an ice-blue gown of skinner satin, featuring a yoke of silk net, long fitted sleeves, pointed over the wrist, and a long tight bodice. The skirt was pleated at the hips and fell in unpressed pleats to form a long train. She carried a bouquet of white mums and sweetpeas.

Miss Nell Gibson and Miss Mary Ruth Clement attended as maid of honor and bridesmaid,

respectively. Their dresses were darker shades of blue and fashioned similar to that of the bride.

The bride and her attendants wore head-dresses of white net. Harold Eades of Hamlin, Texas, was best man for his brother, and Jim Frye served as groomsmen.

Ushers were C. J. Lippard and Jack Franks. They also served as candlelighters.

Little Jack Edward Bateman of Dallas, nephew of the bride, was ring bearer.

Mrs. Eades was a member of the 1945 graduating class of the Burkburnett High school. At present she is employed at the First National Bank.

The groom received his education in the Stephenville High school and John Tarleton College. On completion of his course at the Patrol School in Austin, he was employed by the Texas Highway Patrol.

Immediately following the ceremony, a reception was held at the home of the bride's parents. Arrangements of white mums and white chrysanthemums decorated the party rooms. The refreshment table was covered with a lace cloth over blue, centered with a beautiful floral arrangement with streamers bearing the names, Wanda and Harlan, in gold.

Misses Nell Gibson and Nola Faye Willhoit presided at the punch bowl, while cake was served by Misses Mary Ruth Clement and Mary Smith.

Mrs. James Batman, sister of the bride, secured names for the guest book.

Other members of the house party included: Mesdames Manilla Franks, C. R. Chambers, Tom Boyd, Jess Hageman, of Burkburnett, and Mrs. A. N. Patton of Wichita Falls.

Following a short wedding trip to Vernon and Stephenville the couple established residence at 1808 Eighth Street in Wichita Falls.

Out-of-town guests for the wedding and reception were: Mrs. Eva Eades, Juanita Eades, Mr. and Mrs. Marshall Kay, and Mrs. Glen Kay of Stephenville, Texas; Harold Eades, Hamlin, Texas; Mrs. P. P. Cruce, Mr. and Mrs. M. L. Cruce of Avery, Texas; Mr. and Mrs. James Bateman and Jack Edward of Dallas; Mr. and Mrs. H. C. English and Mr. and Mrs. R. D. Yowell of Dallas, Mrs. Bill Barley, Seagoville, Texas; B. L. Cruce, Mesquite, Texas; Mr. and Mrs. Johnnie Croft, H. E. Crocker and Miss Jackie Kruger of Wichita Falls and Hilda Jan Ray and Jackie of Oklahoma City, Oklahoma.

### JESUS, THE SON OF GOD

Last week we considered what Christ has done for man and how important it is that man believe on HIM. Now let us continue our study of Jesus, the Son of God.

There are many passages of Scripture teaching the second coming of Christ. The second coming of our Lord cannot be disregarded by his followers. When Christ comes, He will render to every man according to his deeds. "For the Son of man shall come in the glory of His Father with His angels; and then shall He render unto every man according to his deeds." (Matt. 16:27). There will not be a world conversion after His coming. He will take vengeance on the ungodly. "And to you that are afflicted rest with us, at the revelation of the Lord Jesus from heaven with the angels of His power in flaming fire, rendering vengeance to them that know not God, and to them that obey not the gospel of our Lord Jesus: who shall suffer punishment, even eternal destruction from the face of the Lord and from the glory of His might." (II Thess. 1:7-9). This will take place when He comes to be glorified in His saints. "Wherefore, beloved, seeing that ye look for these things, give diligence that ye may be found in peace, without spot and blameless in His sight." (II Pet. 3:14).

"And if I go and prepare a place for you, I come again, and will receive you unto myself; that where I am, there ye may be also." (John 14:3). Jesus will receive His own unto Himself. He is coming for this purpose. Of that day and hour knoweth no man; therefore, the importance of being prepared. Paul said: "Henceforth there is laid up for me the crown of righteousness, which the Lord, the righteous judge, shall give to me at that day; and not to me only; but also to all them that have loved His appearing." (II Tim. 4:8). In view of the crown of righteousness, we are to fight the good fight, finish the course, and keep the faith. This is the path to the heavenly home.

We who live in this wonderful land call this Thanksgiving Day. We should give thanks today for all of God's goodness to us. But every day should be a time to give thanks, and thanksgiving should be permanent state of mind for the true Christian.

One of the ways we can show our gratitude for what the Lord has done is to give our active support to the institution which represents Him. We can do this by giving our talents, time, and money to the church. Come to church Sunday. You need the church. The church needs you.

**Tiger Hunting in India**  
Probably no animal in the world is feared so much by man as the tiger... yet no animal demands more respect for his courage in battle. Now, I've never been tiger hunting myself, but the stories about killing them have always thrilled me a lot. The supreme achievement of most of the big game hunters is to kill the tiger.

The animal will attack either day or night, and against practically any odds. His favorite dish is a young ox, a deer, or a couple of natives. Once he kills, he waits for the flesh of his victim to cool, and usually returns at night to feast in leisure. Smart hunters take advantage of this leisure, and the tiger's boldness, and wait in ambush to kill the ferocious villain. The tiger is always looking for a nice, meaty meal, with absolutely no respect for the price of beef. The hunter will kill a deer, or a zebra, and place it at a vantage point to lure the beast in for a feast. And this scheme nearly always produces an exciting adventure for the hunter, plus the coveted kill, unless some smaller beast beats the tiger in for the meal. And this, too, can easily result in a "hair-raising" sort of an adventure.
