NUMBER 42

Louis Bromfield to Speak Saturday Night

Vickie Smith Wins National Music Honor

SMITH, ten year old daughter of Mr. and Mrs. Kenneth Smith of Burk Burnett, young lady, a pupil of Miss Florence Sammons of Wichita Falls, won the highest National Honors in the National Piano Auditions held in Wichita last week of May 1st.

J. V. Brookshear Speaks to Rotary On Burk Progress

J. V. Brookshear, president of the First National Bank, spoke to the Rotary Club Tuesday noon using as his topic, "Progress in Burkburnett The Past Ten Years." Brookshear brought many interesting facts out in his discussion, some of which had been forgotten by most of those who heard his talk.

Among the things pointed out in the talk were:

In the 30's Burkburnett had 410 families on relief. They used food stamps for purchase of food and clothing. The P. W. A. workers received only \$29.00 per month and a few surplus food stuffs. Later the salary was raised to \$49 to \$60 per month, with no commodities.

Ten years ago there were 700 water meters, and half that number had been cut off because bills had not been paid. The number of water meters now in use total more than 1300, with practically all bills paid to date.

In the last ten years, the Municipal Light Plant has added \$100,000 worth of equipment, and paid cash for it.

Recently a new 6 inch water line was laid from the Pump Station to town, in addition to the eight inch already in use. One mile of new sewer line has been completed. A new well West of town was completed and a four inch line laid to the mains in that section. 9 1-2 miles of streets and alleys paved.

In the past ten year period, 520 new homes were built here. (130 built in 1949). Possibility looks good for 300 new homes in 1950.

Ten years ago the bonded indebtedness of Burkburnett was \$309,000. Taxes hardly paid the interest, and there seemed no chance to ever reduce the principal. The interest rate was 4 1-2 per cent. The bonds were re-

Thoughtful Tributes
for **Mother's Day**

The second Sunday of May we dedicate to all Mothers, those living and dead, beloved through their lifetime for unflinching devotion and care, remembered and cherished in memories after their passing for their wisdom and loving kindness. To eulogize motherhood as the state so justly deserves, needs the pen and gift of words that comes to few mortals.

The charge of commercialism has been hurled at Mother's Day, that it becomes a merchant to remind of buying his wares to begift her, of sending flowers and candy in tribute. Well, why not? Mother deserves far more, not less. There are newspapers that run contests, at this time, for a vote of the "most popular Mother", a photographic contest for the "loveliest Mother". Whatever the judges decision, to each of us, our Mother is the most popular, our Mother is the loveliest, because she is OUR Mother. We have grown so used to her we don't stop often enough to tell her she is loved. We might well take this Mother's Day to inform her by word and deed. But, we might please her more if we carried the Day's sentiments into the remainder of the calendar.

A FAMOUS MAN COMES TO TOWN

Written By
Catherine Young Clack
For The
Chamber of Commerce
And Burkburnett Star

A famous man is coming to town. Here, to Burkburnett. Through all the ages of history, down the countless generations of men, it is said that only five thousand men so lived that their names are meaningful and identifiable by college students today. Now, on Saturday of this week, one of these five thousand immortals, one of these men of deathless names, is coming to our town to talk to us and visit among us.

Already his name is legend. Gentleman, scholar, genius in the dual fields of creative literature and creative agriculture, patriot extraordinary — Louis Bromfield needs no introduction, no word of explanation to the people of our town. He stands up peerless, and we know him for his merit. Intellectually and pragmatically, he is one of the giants of the land.

Louis Bromfield comes to Burkburnett to fulfill a pledge given to his friend, Virgil Brookshear, with the understanding that here he would have a chance to talk to some real, honest-to-God dirt farmers. For his talk, he is not asking nor will he receive a single red cent, a thin dime, or a broken-down devaluated dollar. It is incredible but true.

This man who could command thousands for a scheduled speaking engagement is giving of himself, his ideas and his knowledge to all of us here in Burkburnett and the farming country hereabout. Louis Bromfield is a famous man and a good man. (Of the five thousand famous men, nearly all with a few notable exceptions have given more to life than they have taken from it.)

So in this day of government gimmecrats and legalized chiselers, this day and time when a man can hardly make it from Alexander's to the post office without running into a collection for this or that, here comes a great and good man to give us something for nothing.

It will be a day long to remember, better than that June day of 1907 when Burk was officially created out of sand and prairie and sky; better than the day the Fowler Discovery well blew in and, as Sitting Bull would have it, ruined 50,000 acres for farming. A day definitely better, for are we not rebuilding Burkburnett on an economy based primarily on agriculture, re-building it so surely that—God and the government willing—there will be no repeat performance of boom and bust? No man in America is better qualified than Louis Bromfield to guide us through the architectural maze of such a future.

Directors Monday Noon

Regular meeting of the Chamber of Commerce, and Directors of that organization, will be held Monday noon at the Chamber of Commerce building. The following are the members present at the meeting: Boyd, Dudley, Page, Kauer, McClarty, Holman, Hunt, Morgan, Dodson, Wiggins, Hill, Smith, Eyerly, Britton, Brookshear, Hill, Dodson.

Highway Committee, of which he is chairman, stated that the project of getting West Main curbed and paved was well under way. All property owners have given their assurance they will pay for the curbing and now the next step will be to turn the matter over to the Highway Department for surveys, etc.

J. V. Brookshear made a report on the Bromfield barbecue and speaking at the Football Stadium Saturday night, May 13th. The Jaycees volunteered their services in any way they could be of assistance, in preparing the food, helping serve, or any other job that needed to be done. Brookshear said the barbecue, which starts at 6:00 P. M., is for all area farmers, ranchers and their families and all members of the Chamber of Commerce and their families. After the barbecue, Louis Bromfield, noted agriculturist and writer, will speak at the football stadium to all who will come and listen to his excellent speech concerning agriculture as applicable to this area.

H. D. Smith is in charge of preparing the barbecue and will have his crew of helpers out at midnight Friday to begin the gigantic task of preparing 1500 to 1800 pounds of choice meat. At the meeting Monday noon it was decided that all business houses be asked to display their flags all day Saturday (weather permitting) in honor of "Bromfield Day".

Singing To Be Held Sunday At Church of God

The regular Community singing will be held next Sunday, May 14th at 2 P. M. at the Church of God. Everyone is invited.

MESSAGE TO OUR CITIZENS

On Monday, May 15, the U. S. Savings Bonds Independence Drive opens throughout the nation, continuing through the Fourth of July. Its symbol is the Liberty Bell, encircled by the campaign theme: Save for Your Independence—Buy U. S. Savings Bonds.

The year-around Savings Bonds program, of which this annual campaign is an important part, fortifies the spirit of self-reliance and the urge for self-betterment that, along with individual enterprise, inventiveness, productivity and thrift have carried us steadily forward since the first settlers braved the wilderness to build a free America.

Through regular savings we build up reserves against misfortune and provide income for our last years, thus lessening the burden upon others. We accumulate funds for worthwhile purchases and investments. The buying power we store up (individual savings in E Bonds alone exceed \$34,000,000,000 in cash value today) helps to stabilize business and employment through the years.

As your mayor, I urge all who are able to help the volunteer Savings Bonds Committee of this city reach every possible Bond buyer during the campaign. The more we exceed our Independence Drive quota and the more we spread the habit of regular saving, through the Payroll Savings Plan or purchase of Bonds at banks and post offices, the more we shall have done for ourselves, our community and our nation.

In honor of the Liberty Bell, hallowed symbol of the American principles by which we live and grow and prosper, I call upon our citizens to signal the opening of this Independence Drive by the ringing of bells throughout the city at noon and the displaying of our nation's flag on Monday, May 15.

Rotary Club

Each Tuesday at Town Hall 12:05 o'clock

Only four members, Arthur Ramming, A. C. Reeves, Gene Robertson, and Louis Littlefair were absent from the meeting of the Rotary Club last Tuesday noon. Herb Minga gave the invocation.

W. P. Boydston introduced the following visiting Rotarians and guests: Charlie Yeager of Corpus Christi and his guest, R. D. Kennedy; M. W. Blair, A. B. Adams, Ray Arnold, Andy Andrews, P. S. Richardson, John Barbour, Earl Hodges, Bill Portwood, C. A. Mitchell, Oral Jones, Ed Bebb, and Luther Hoffman, all from the Club at Wichita Falls. Mr. Hodges had as his guest, Floyd Creager of Dallas. B. B. Campbell of Knox City came with Oral Jones, and Harry Dodson was guest of H. D. Smith.

Virgil Brookshear had charge of the program and introduced Ed Clack who had recently made up his attendance at Dallas. Mr. Clack told of the complicating problems which confronted him due to the classification, "Sheep Raising".

Mr. Brookshear then made a very interesting talk on the progress of Burkburnett during the past ten years, giving many informative statistics comparing the town in 1950 to that of 1940.

Next week Paul Browning will arrange the program.

Lions Club

Meet Each Tuesday Night Town Hall at 7:00 o'clock

Pat Patterson was in charge of the meeting Tuesday night in the absence of President C. M. Archer.

W. W. Chambers had charge of the program, introducing Judge Frank Ikard of Wichita Falls, who spoke of the work done in the past by the County Blood Bank, and of the urgent need of Red Cross funds to keep the bank in Wichita Falls.

Following the Judge's speech, members of the club contributed \$52.00 to the Red Cross, in addition to an earlier contribution during the Red Cross drive for funds.

Thanking You

We would like to express our gratitude to those of you who assisted us with our May Fete. Especially do we appreciate the untiring effort of the Grade School and High School faculty who worked so diligently with the children in their presentations. It was only through the co-operation of all of you, that this undertaking was such a success.

GREENER PASTURES

Where is the good life to be found? Large cities have recruited their population from the small towns and farms. Add this to the immigrants and you have what has made the urban center the Mecca for many. Sociologists have worried about the increasing age level of farmers who have stayed to work the land. If young men and women continue to forsake it, the condition might well be serious. However, there has been noted some number of city dwellers who buy country places as week-end interest or to be named the gentlemen-farmer class. Children are then introduced to the land, the work of the farm, the pleasure and satisfaction of "growing things". With the many improvements added to make rural living easier, there will probably be some recruits from the younger generation who were city-bred.

SLEEP A MENACE

About 300 tons of sleeping pills are being made in this land every year. Surely it is not in ignorance that people take them, continue to have prescriptions renewed and sleep the deep sleep. There has been wide-spread publicity concerning the harm of sleeping pills, the danger of becoming an addict. Addicts have delirium tremens, convulsions and often become temporarily insane. The U. S. Public Health Service reports that sleeping pills cause worse addicts than morphine. Doctors aren't unaware of the dangers. Psychiatrists have handled enough cases of the mentally unbalanced to understand the effect of addiction. Few around here who have not read in newspapers or magazines the perils that come with the sleeping pill habit.

GERMANY

The United States Army and Air Force in Germany have been directed to draft plans to provide for another 5-year occupation of that country.

Well, we've had enough shooting with Germany in the past as you may believe when you know that a barrel of Government money is earmarked for expenditures in Germany in the next fiscal year. We are already in Western Germany, and everybody knows—except Russia—that we are there to stay until Western Germany convinces America that it is not going to take any part in resisting or taking up arms against the United States.

A FINE KETTLE OF FISH

Where there is smoke there is fire and the smoldering odor coming from the mess of State Department infiltration of personnel sympathetic to Communism, grows stronger daily. Though no conclusive evidence has been drawn from recent testimony against some of the accused, it has developed that certain representatives of our government have been closely associated with known Communists or suspected Soviet agents. Is it not possible to find men for trusted posts who support their government loyally, who have no taint of being fellow travelers of questionable foreign agents? There are many such already in high office and lowly service for our country.

It confuses the American people and alarms them that our security should be endangered, right at the core. There are competent authorities who can act in advisory capacities, who won't leave us in doubt as to their sympathies.

If it takes a smelly investigation to smoke out the others, as much as we dislike the odor, it will clear the land and rid us of noxious weeds that would soon choke out the life of our democracy.

Burkburnett History

Revealed By Star Files 10 Years Ago....

On Thursday, May 2, from one till six o'clock, Mr. and Mrs. N. H. Harris, prominent citizens of Burkburnett for over seventeen years, held open house for their friends. The occasion was their fortieth wedding anniversary.

Mrs. M. W. (Mother) Majors has been proclaimed the official Mother of Burkburnett by Mayor Frank Kelley and was honored with a special Mother's Day program at her home.

Margaret Chambers, 10 year old daughter of Mr. and Mrs. W. W. Chambers, and student

of Norris Bingham, teacher of piano and voice, won an excellent rating and National honors at the annual piano tournament at Junior College in Wichita Falls Monday.

One of the loveliest social affairs of the season was the tea honoring Mothers of members of the Junior University Study Club held at the home of Mrs. Louis Sims Sunday.

Mr. and Mrs. Victor Spearman left Monday to make their home in Fort Worth where Mr. Spearman will be associated with the Tarry Motor Freight lines.

CHICK CHATS

By Clark Gresham

Vaccinate Birds Before Outbreaks

Sick birds—and lost profits—are often the result of failure to vaccinate. To illustrate, haven't you heard these words before? "If I had vaccinated, this would not have happened." This is a typical statement by the poultry raiser who suddenly finds his birds suffering from a disease outbreak.

That's why a vaccination program is practical for both large and small poultry raisers. The savings in birds and profits will more than repay the raiser.

Ordinarily, vaccination of poultry is accomplished by two methods: (1) Injection of killed-culture bacterins under the skin of the fowl; and (2) Application of live-virus vaccine to some part of the skin or epithelial membrane.

"Nosedrop" Vaccine But recently, another type of vaccination has been added. This is known as intranasal vaccination, which is the administration of a live-virus vaccine through the nostrils, of birds. It is being referred to as the "nosedrop" vaccine. This newest technique is used for the prevention of Newcastle disease and offers distinct advantages over other type vaccines. It is being used by many poultrymen, and undoubtedly will be used by many more.

When to Vaccinate Knowing when to vaccinate is important, because vaccination too late or too early can have harmful effects on poultry and egg production.

For prevention of fowl pox, vaccination at 6 to 12 weeks of age is desirable. Fowl pox, in both "dry" and "wet" forms is extremely devastating to egg production, so it is best to vaccinate before birds start laying.

Where laryngotracheitis is a problem, vaccination at 2 to 12 weeks of age is also recommended. Laryngotracheitis is a disease which often strikes at an early age. By vaccinating as early as 6 weeks of age, poultrymen have immune birds going into the laying house.

From the standpoint of Newcastle disease prevention, the healthy chicks or poult should be vaccinated any time between 4 weeks of age and one month before laying. However, with the new intranasal vaccine, the chicks may be vaccinated as

early as one day of age. This is advisable only when Newcastle threatens or when broilers are being raised. It is best to wait till chicks are 5 to 10 days old for vaccinating, since immunity responses are better at the later age.

Air Force Seeks Band Applicants

The Air Force wants musicians to fill approximately 200 vacancies expected to occur in air force bands about July 1st. Qualified high school graduates desiring assignment to the bands, including Sheppard AFB and many other Texas installations, may secure further information regarding the vacancies from Sgt. Sullivan of the US Army and US Air Force Recruiting Service, who is here in Burkburnett each Wednesday from 0900 to 1130 hours at the Post Office.

Sgt. Sullivan will assist prospective band members in securing assignment to locations of their choice by writing to the band leader at the respective bases.

A letter of acceptance from an air force band leader will assure the candidate assignment to his band following 13 weeks' basic training in band at Lackland Air Force Base in San Antonio.

Vacancies exist in air force bands in Lubbock, San Antonio, Sherman, Waco, San Angelo and Wichita Falls, and in Miss. Illinois, Wyoming, Colorado, Arizona, Nevada, Oklahoma and California.

Instruments needed are piano, oboe, bassoon, clarinet, trumpet, flute, French horn, saxophone, baritone, trombone and bass.

Commissions in the Regular Army are now open to individuals qualified in critically essential technical specialties, under the provisions of Department of the Army special regulations.

The maximum age limitation is 27 years but if certain higher education or professional requirements are met, waivers may be granted up to 30 years of age, providing the individual has a record of military service prior to Sept. 2, 1945. Specialties needed include practically all fields of engineering, photography, science, meteorology and production and traffic management.

Applications can be made thru all US Army and Air Force Recruiting Stations.

Methodist W.S.C.S. Had Meeting May 8

The Women's Society of Christian Service met at the First Methodist Church May 8. Mrs. A. R. Bunstine, president, opened the meeting. The opening song, My Faith Looks Up To Thee, was followed with prayer by Mrs. Bertha Cropper.

Mrs. S. S. Reger, study leader, introduced Mrs. Hugh Veach and Mrs. Bill Cook, who spoke on our study, "Missions At The Grass Roots." Mrs. Veach's subject was "Plight of Old Age," and Mrs. Cook, "A Common Front". These were well given and enjoyed by members. Mrs. Patterson gave the closing prayer.

Home Builders Met With Mrs. D. M. Lowery

The meeting of the Home Builders Class, which was held in the home of Mrs. D. M. Lowery opened by the group singing, "I Need Thee Every Hour." Mrs. Schoch brought the Devotional from 2 Cor., 3rd verse, and closed with a poem, "By Faith," and prayer.

Mrs. J. M. Patterson gave a reading, a modern parable of The Riddle of Life, and also a story on the wonderful thoughts the minister gives us. Dainty refreshments were served to: Mesdames Moreman, Lowery, Gage, Gloger, Gee, Cropper, Vance, Knauth, Reynolds, Browning, Schoch, Hoffman, and Patterson. The meeting closed by repeating the Mispah benediction.

Barnett - Lasseter Vows Read In Wichita Falls

Miss Helen Lasseter and Jimmy D. Barnett were united in marriage during a simple but impressive ceremony read at the home of Rev. and Mrs. A. C. Huff in Wichita Falls on Monday, May 1st.

Rev. Huff, pastor of the Highland Heights Baptist Church, officiated during the ceremony.

The bride was lovely in a light blue suit with navy and white accessories.

Miss Clara Edwards of Wichita Falls was the bride's only attendant, while the groom was attended by Joseph B. Inman, also of Wichita Falls.

The bride, who is the daughter of Mr. and Mrs. A. K. Lasseter of Burkburnett, graduated from the local High school and from the Wichita General Hospital School of Nursing in Wichita Falls. She also attended Hardin College, and is employed at present, with the General Hospital.

Mr. Barnett attended schools in Union and Jonesville, S. C., and is stationed at Sheppard Air Force Base. He is the son of Mr. and Mrs. James Barnett of Union, S. C.

Mr. and Mrs. Barnett have established residence at 1509 Eleventh Street, Wichita Falls.

Cauthorn Home Is Scene For Club Meeting

The University Study Club met in the home of Mrs. B. N. Cauthorn May 3rd, with Mrs. D. M. Morris as co-hostesses.

Feather-bedding scheme of Firemen's Union to put an additional fireman on diesel locomotives has been

CONSIDERED TWICE!

Fact Finding Boards appointed by Presidents Roosevelt and Truman have said these demands were "devoid of merit" and they were

REJECTED TWICE!

Now the Firemen's leaders seek to paralyze railroad transportation to compel the railroads to employ a wholly unnecessary additional fireman to ride on diesel locomotives. This scheme is plain

FEATHER-BEDDING!

LEADERS of the Firemen's union have called a nationwide strike starting with four great railroads on April 26. These railroads are the New York Central, Pennsylvania, Santa Fe, and Southern.

The union claim that a second fireman is needed on grounds of safety is sheer hypocrisy. Safety has been dragged into to give a cloak of respectability to vicious feather-bedding demands.

After a careful study of the first demands of this union, a Presidential Fact Finding Board on May 21, 1943, reported to President Roosevelt that there was no need for an extra fireman on diesel locomotives.

Again, on September 19, 1949, after a second hearing on the union leaders' demands, a second Board reported to President Truman that: "there presently exists no need for an additional fireman... upon either the ground of safety or that of efficiency and economy of operation."

Safety Record of Diesels is Outstandingly Good Although the railroads accepted the Board findings, the union leaders have brazenly rejected them. They represent that an

extra fireman is needed for "safety" reasons. Here's what the Board had to say on that point:

"The safety and on-time performance of diesel electric locomotives operated under current rules have been notably good..."

"Upon careful analysis of the data submitted on safety, we have concluded that no valid reasons have been shown as a support for the Brotherhood proposal under which a fireman would be required to be at all times continuously in the cab of road diesels. The proposal must be rejected."

The real reason behind these demands is that the union leaders are trying to make jobs where there is no work. In other words, a plain case of "feather-bedding."

The railroads have no intention of yielding to these wasteful make-work demands.

"The Safety Record of Diesels is Outstandingly Good..." PRESIDENTIAL FACT FINDING BOARD REPORT Read these excerpts from official reports of Presidential Fact Finding Boards: "The safety record of Diesels is outstandingly good, and it follows that the safety rules now applicable have produced good results." "The safety and on-time performance of Diesel-electric locomotives operated under current rules indicate that Diesel-electric operation has been safer than steam locomotive operation..." Remember! These are not statements of the railroads. They are just a few of the many similar conclusions reached by President Truman's Fact Finding Board which spent months investigating the claims of the union leaders.

Guy McNeely Enters Race For County Judge

Guy McNeely, well known Wichita County lawyer, was in Burkburnett Tuesday and authorized the Star to announce his candidacy for County Judge.

McNeely is not new in County politics. He was County Judge from Jan. 1, 1941 to Dec. 31, 1944. He was assistant District Attorney from Jan. 1, 1943, to Feb. 13, 1947.

His announcement follows: "The office of County Judge belongs to the people of Wichita County; they and they alone have the right to select the man they want to serve them in that capacity. In asking the people of the county to elect me to this office I am not unmindful of the duties and responsibilities incumbent upon the person to whom the office is entrusted. The office is both Judicial and Administrative. Judicial in that your County Judge sits in judgment upon one of his fellow citizens when such citizen is charged with the commission of a misdemeanor offense and also in the appointing of guardians and administrators; Administrative in that the County Judge is, under the law, Chairman of your Commissioners Court to which the business of the County is entrusted.

"If elected to this office, as a Judge it shall be my purpose to give equal justice to all, yet tempering justice with mercy so as to fulfill the requirement of the Golden Rule. 'Do unto

others as you would that they should do unto you.'

"As Chairman of your Commissioners Court it shall be my policy to work in harmony with the men selected by you to serve as your County Commissioners; to at all times exercise the right and duty placed upon the Chairman to suggest to and advise with the members of the Court but in all events to be governed by the will of the Court as expressed by its majority vote, after giving to all parties a just and fair opportunity to be heard.

"Being but sixteen years of age at the close of World War I and thirty-nine years of age at the beginning of World War 2, I am not a veteran of either war. My experience it has been, however, as was the experience of many of you, to see my only son, himself a married man with one child at the time, drafted into the service of his country as a private in the infantry; to know the anxiety of waiting days and days between the notice of embarkation to the front and the notice of his arrival there; to undergo the ordeal of waiting between his letters while he was serving in Germany, and being thankful of the fact that his life was spared so that he could return home and be with his family. With this experience it is but reasonable to believe that the veteran will always get a square deal when looking to me as his and your County Judge.

"Having lived in Wichita County for thirty-one years I am well known to many of you. Those who do not know me may ask some one who does and be governed by what is said by such person.

"If elected to this office I pledge to you, the people of the County, that I will give my best efforts at all times to make for you the kind of County Judge you have the right to demand. In this spirit I earnestly ask you to elect me as your County Judge.

"You'll be proud to wear a paper Poppy for the boy who never came home. Poppy Day, Saturday, May 27th.

Frances Jordan of Markley, Texas, and Betty Turner of Wichita Falls, spent the week end with Mr. and Mrs. O. B. Wofford. Both girls are students at John Tarleton College.

Mother of Mrs. F. E. Scruggs Dies In Cleburne Sat.

Mrs. Callie Atha Murphy, 98, mother of Mrs. F. E. Scruggs of Burkburnett, and widow of W. A. Murphy, Cleburne grocer, died at her home early Saturday. She had lived in Cleburne for twenty-five years.

Mrs. Murphy, born in Louisiana, moved to Texas at the age of 15, settling with her parents, near Waco. A year later the family moved to Glen Rose, where she met and married Mr. Murphy. She and her husband farmed in Hill County before they moved to Cleburne.

She was able to read and to sew without using glasses until she fell about nine weeks ago injuring her hip and head. She still had her natural teeth.

Surviving Mrs. Murphy are 195 direct living descendants: three sons, W. R. of Fort Worth, Jack of Waco and Luther of Godley; seven daughters, Mesdames Mary Sharp of Alvarado, Cora Beavers and Lena Beavers of Hillsboro, Ada McGinnis of Fort Worth, Tula Doyle of Houston, Mattie Zumbro of Taft, California, and Mrs. F. E. Scruggs of Burkburnett; 64 grand children, 95 great grand children and 26 great-grand children.

Services were held at 1 P. M. Sunday at Shannon's Memorial Chapel. Burial was made in Glenrose.

Charles Butts Announces For District Attorney

Charles D. Butts filed for the post of district attorney Tuesday, but the status of other candidates remained indefinite. So far, only 29 year old Butts, a Wichita Falls native who is associated with the law firm of Allen, Locke and Kouri, has filed for the position.

Butts is married, has two children and is an overseas veteran. He is a graduate of Wichita Falls High School, and the University of Texas (B. A., Government, L. L. B., and Law). His father's name is John E. Butts, Riley Furniture Co., and his mother's name: Maurine Whorton Butts. Butts is a former Eagle Scout.

Butts will make his formal announcement in next week's Star.

Mrs. Majors Hostess To Garen Club

The Burkburnett Garden Club met in the home of Mrs. Joe Majors, April 26th.

The meeting was called to order by the president, Mrs. J. C. Adams, who welcomed the guests, Mrs. A. R. Bunstine and Mrs. Ann Minga.

Each member wore a spring hat decorated with flowers from her own garden. After much comparison and discussion, the hats were judged by Mrs. Bunstine and Mrs. Minga. Mrs. Glen Bear won the prize for the most

original style. Honorable mention went to Mrs. Loy Helvey and Mrs. Joe Majors. Cliff Dodson took pictures of the group.

Mrs. J. C. Adams was elected delegate to the flower show in Tyler, Texas, to be held May 18th thru the 20th. Mrs. P. A. Wiggins was selected alternate.

After the business meeting, Mrs. Ann Minga brought a very interesting study on Wild Flow-

ers in Texas. Pressed and fresh cut flowers were shown.

Lovely refreshments were served to: Mesdames J. C. Adams, Glen Bear, Tom Boyd, J. L. Caffee, B. N. Cauthorn, D. C. Dodson, I. E. Harwell, Dick Hall, J. D. Majors, O. E. Melton, J. M. Pogue, F. L. Pilkenton, Ross Reagan, P. A. Wiggins, Loy Helvey, A. R. Bunstine and Ann Minga.

Following adjournment mem-

bers made a tour of the opening of the Burk Theatre, each wearing her flowered hat.

This Time The Anti-Trust Lawyers Won A Case Against A&P

As almost everyone now knows, the anti-trust lawyers in Washington have brought a civil suit to destroy A&P. They ask the courts to order the dissolution of this company.

They say that this suit is based on the fact that they won a suit against us at Danville, Illinois, in 1946.

They did. In that case, Federal Judge Walter C. Lindley made a decision against A&P.

Immediately thereafter, in a letter explaining his decision, Judge Lindley wrote:

"I have not condemned the A&P system. I have not made a finding which could be the basis for a suit of dissolution."

So, now we have the anti-trust lawyers saying that their suit to dissolve A&P is based on Judge Lindley's decision, while Judge Lindley himself says his decision could not be the basis for a suit of dissolution.

In previous ads we told you about the cases against A&P which the anti-trust lawyers lost. We promised to tell you about this case they won. Here is the story of the Danville case.

What Judge Lindley Objected To

At Danville, the anti-trust lawyers made all of the charges which they are again making against A&P today. They were substantially the same charges they had made and dropped at Dallas, Texas, after four federal judges had objected to some of them as "inflammatory."

In his decision, Judge Lindley was critical of some of our activities. He threw some of the charges out of court. He did not make any decision on others.

He even took occasion to praise A&P for the efficient job of food distribution it had done.

Judge Lindley said:

"To buy, sell and distribute to a substantial portion of 130,000,000 people, one and three-quarter billion dollars worth of food annually at a profit of 1 1/2 cents on each dollar, is an achievement one may well be proud of."

"No place in the world I take it are people so well fed as in the United States. Nowhere else, I suppose, do food distributors accomplish efficient distribution at so low a margin of profit. In contrast, we are told in other nations the problem is not one of an adequate diet but one of no diet at all."

But Judge Lindley did find us in violation of the Sherman Act. He based his ruling on the dual role played by our fresh fruit and vegetable buying subsidiary, the Atlantic Commission Company, whereby that organization acted both as buying agent for A&P and as selling agent for growers.

Judge Lindley said:

"If I assume for the purpose of disposition of this case that in general the policy of A&P was to operate within the law and attribute to defendants a desire to comply with the law, there still remains the conscious, knowing adoption by all defendants of a plan of action by the Atlantic Commission Company affecting every department of A&P and every retail store which cannot be squared with the intent and purpose of the act."

In his letter explaining the decision, Judge Lindley wrote: "I have condemned their practices through the Atlantic Commission Company."

Judge Lindley imposed fines totaling \$175,000. When his decision was upheld by the Circuit Court of Appeals in Chicago, we paid the fines. This ended the case—but we did not stop there.

What We Did To Correct This

In the light of the decision, we immediately set about reviewing our activities to be sure that there could never again be any criticism of our operations.

First, the Atlantic Commission Company abandoned the dual role to which Judge Lindley objected and which he said was the basis of his decision against us.

We did this even though the Atlantic Commission Company had been licensed for many years by the United States Department of Agriculture to act as both a buyer and seller of fresh fruits and vegetables.

The Atlantic Commission Company now only buys for A&P. In other words, we stopped doing the thing which Judge Lindley said put us in violation of the Sherman Act.

We made additional changes in other methods of operation which Judge Lindley had questioned at Danville, even though he did not base his decision on them.

We did even more than this!

We went down to Washington and asked the anti-trust lawyers what else they thought we should do to conform to their new interpretation of the vague anti-trust laws.

The only answer we ever got was that we should break up this company!

Despite their claim that they were not opposed to A&P's size, they insisted that we destroy this size.

Despite their claim that they were not opposed to our manufacturing operations, they insisted that we get rid of our factories which produce many of the fine foods you buy at A&P.

Despite their claim that they were not opposed to our low prices, they insisted that we destroy many of the efficiencies that make these low prices possible.

In other words, they insisted upon the dissolution of A&P.

We were still trying to find out from the anti-trust lawyers what else they thought we should do to conform to the law when they filed the current suit to destroy A&P.

Why, Then, Do They Want To Put A&P Out Of Business?

Ever since this suit was filed, the anti-trust lawyers have been making damaging statements that could seriously hurt our business if they were believed by the public.

They say that we were found guilty at Danville of all the charges they are making today.

This is not true. Judge Lindley did not sustain all of the charges of the anti-trust lawyers.

They say this suit is designed to enforce the law.

But A&P has clearly demonstrated its sincere desire to abide by the spirit, as well as the letter of the law.

They say they are seeking to "enjoin" A&P from engaging in certain "alleged" practices.

Actually, the whole purpose of this suit is not to "enjoin" us, but to put us out of business.

They say that this suit for dissolution is based on the decision handed down by Judge Lindley in Danville.

But Judge Lindley has said of his decision: "I have not made a finding which could be the basis for a suit of dissolution."

What, then, is the real reason why the anti-trust lawyers want to destroy this company, which for 90 years has pioneered the methods of distribution which have given the American people more good food for their money?

 Today's advertisement reviewed in detail the Danville case and the charges against the company. Previous ads in the series discussed other times when the anti-trust lawyers made serious and damaging charges against A&P which federal courts decided were not true.
 "At Danville," the ad said, "the anti-trust lawyers made all of the charges which they are making against A&P today. They were the same charges they had made and dropped at Dallas, Texas, after four judges had objected to some of them as 'inflammatory.'"
 A&P pointed out that the anti-trust lawyers have consistently maintained in the press and on the radio that the company was found guilty at Danville of all their charges; A&P denied this and stated that Judge Lindley "threw some of the charges out of court (and) he did not make any decision on others."
 The ad told how Judge Lindley even "took occasion to praise A&P for the efficient job of food distribution it had done."
 Judge Lindley said in his decision: "To buy, sell and distribute to a substantial portion of 130,000,000 people, one and three-quarters billion dollars worth of food annually at a profit of 1 1/2 cents on each dollar is an achievement one may well be proud of."

In contrast we are told in other nations the problem is not one of an adequate diet, but one of no diet at all."
 A&P contended it has "clearly demonstrated its sincere desire to abide by the spirit as well as the letter of the law." The company said that when Judge Lindley's decision showed he was "critical of some of activities," even though he did not base his decision on them, A&P made operating changes in these activities to avoid the possibility of future criticism.
 "We did even more than this," A&P said. "We went down to Washington and asked the anti-trust lawyers what else they thought we should do to conform to their new interpreta-

tion of the vague anti-trust laws.
 "The only answer we ever got was that we should break up this company. We were still trying to find out from the anti-trust lawyers what more they thought we should do to conform to the law when they filed the current suit to destroy A&P."

FARM FACTS

What's Time to a Hog?

by G. C. FRONING,
 Head of Fattening Department
 Purina Research Farm
 Gray Summit, Missouri

It really doesn't matter much to a hog as to just when he goes to market, but time is vitally important to the feeder who is sending the hog to market. Just a short time ago, a farmer was doing a good job if he got his hogs ready for market at six months old, weighing an average of 200 to 225 pounds.

Today, the smart hog producer is able to cut a full two weeks off the time from birth to market and is making extra dollars of profit. He is able to do so by making full use of improved production programs and protein supplements that contain the right kinds and amounts of proteins, vitamins and minerals. The shortening of the feeding time from six months to five and one-half months means a considerable saving in feed costs because early gains take less feed than when the hog is older.

In addition, getting hogs to market two weeks earlier often means the difference between hitting peak prices and a sagging market. For example, on September 15, 1949, the top price for hogs was \$22.50. Just two weeks later, the price was down to \$20.50—a drop of exactly \$2.00. On just one litter of nine hogs, this difference could be as much as \$35 to \$40.

Research has shown that pigs need more protein until they weigh 100 to 125 pounds, so don't follow the accepted practice of changing the protein content of the ration when the pigs are weaned. After pigs weigh 100 to 125 pounds, a ration with a lower protein content can be used.

No, time doesn't mean anything to a hog, but time is important to the hog producer who wants every possible extra dollar of profit.

"A penny burned is a penny earned"

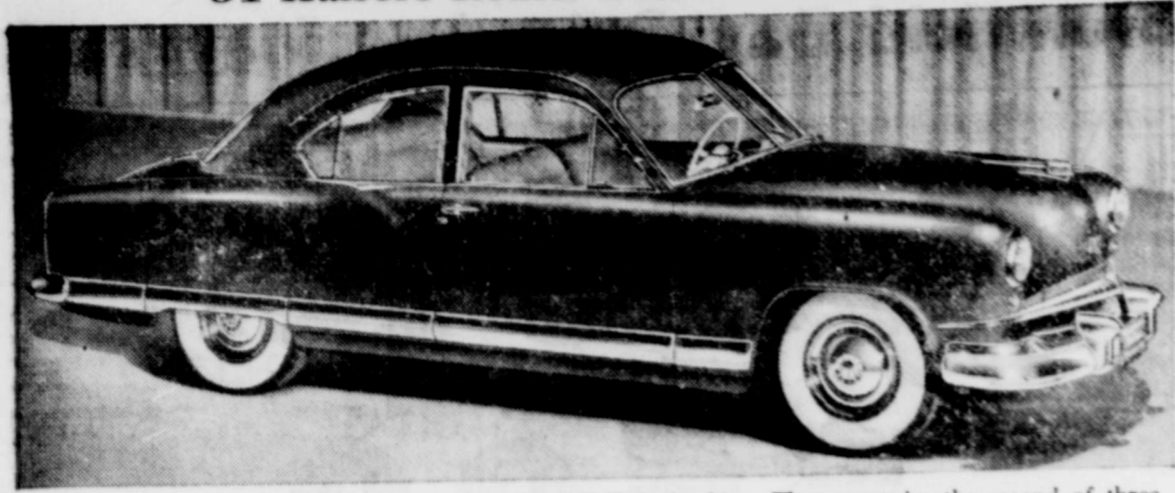

Thrifty Gulf South housewives rely more and more on low-cost natural gas. Many started with gas cooking, then gas water heating. Today, thousands know the economy and convenience of gas refrigerators, gas-fueled clothes driers and adequate, automatic natural gas heating. These women are reaping dividends in time and money saved, while clean, efficient natural gas does the heavy work.

Natural Gas Service Is Vital

The gas industry is an important factor in the prosperity of the Gulf South. Through service to industry and commerce, it helps create payrolls that are the lifeblood of our economy. Gas company taxes help maintain state and local governments, build roads and support schools and other public institutions. Yes, if you live in the Gulf South, you benefit from natural gas.

Mud Lake Gets "Cleared Up"

County officers got a notice from the government not long ago, asking them to change the name of Mud Lake. Seems it's a pond, not a lake, by government standards.

Because it lies entirely inside our town limits, we asked to do the name-changing ourselves. Figured we'd think up a brand-new name. Mud Lake's really not very muddy—sort of pretty, in fact.

County people said go ahead, so we held a Town Meeting. Everyone suggested something. Windy Taylor thought "Taylor Pond" would be nice, because his place borders

it—for about 30 feet! But we finally decided to call it "Turtle Pond" in honor of the real owners.

From where I sit, naming that pond wasn't the most important thing in the world—but the way we did it was. Everyone offered his opinion and then the majority vote decided it. That's the way it should be—whether it concerns naming a pond, or having the right to enjoy a friendly glass of beer or ale—if and when we choose.

Get Guess In On Census Figure
So far very few guesses have been received on the population figure for Burk Burnett. There is a nice \$5.00 award waiting for the one who sends in the nearest correct number.
Census figures will be released soon, so get in your guess before that time.
Just mail a post card or letter to the Burk Star, Box 306, with your guess and your name and address.
If the census taker has not been to your home, get a blank out of Sunday's Daily Times or the Monday paper and send the information in.

Mrs. Earl Martin Entertains Guild
Members of the Wesleyan Service Guild of the First Methodist Church met in the home of Mrs. Earl Martin in Rose Lawn Tuesday night, May 2nd.
During a business session, with the president, Mrs. Madell Ellis, presiding, the members voted to meet through the summer. The next meeting will be June 13 at the home of Mrs. Ray Hill.
Mrs. Martin, vice-president, had charge of the program which was about "Christianizing Our Homes." It included "Role of the Home in the Peace Movement", by Miss Mary Graves; "Christian Home Movement in China," by Mrs. Hill; "India's Festival of Lights," by Mrs. Jim Morris; and "The Christian Home in Africa," by Miss Ann Graves.
Mrs. Homer Gilbert read the scripture reading, Mrs. O. E. Melton gave the dismissal prayer.
The hostess served hamburgers, potato chips, olives, cookies, Cokes and coffee, prepared by Mr. Martin, to one guest, Mrs. Tripp of Denver, Colo., and members: Mrs. Hill, Mrs. Gilbert, Mrs. Morris, Mrs. Melton, Mrs. Ellis, Mrs. Gertie Brown, Misses Mary and Ann Graves, and Marilyn Sue Morris.

Mrs. Charlie Kirsh of Burk Burnett and her daughter, Mrs. G. A. Reeves and son of Wichita Falls spent the week end in Mansfield, La., with Mr. and Mrs. Josh Billingslea and family. Mrs. Billingslea and children returned home with them for a visit.
Mr. and Mrs. Pat Brady were called to Artesia, New Mexico, last week to be with Mrs. Brady's brother, who was injured in a car accident. Mr. Brady returned home after a few days, while Mrs. Brady remained for an extended visit.

Miss Dorothy Boyd Complimented With Kitchen Shower
Miss Dorothy Boyd, bride-elect of Bill H. Matthews was complimented with a lovely kitchen shower Saturday at 8 P. M. The affair was held in the home of Mrs. Joe Nichols.
Miss Nell Grady secured the names of the guests which were registered on a dainty yellow organdie apron trimmed in vale lace.
Hostesses for the party were: Mesdames Tommy Bryant, Harlan Eades, Glenn Hargis, Carl Sutherland, Bob Fite, Doyle Ruth, Joe Nichols, Jason Spannegal, Misses Joe Ella Bundy, Bertie Williamson, Reva Green, Jeanie Pogue, Ann Grady, Nell Grady and Janet Thompson.
The party rooms were beautifully decorated with flowers, emphasizing a yellow, green and white color scheme. The refreshment table was covered with a lovely lace cloth over green silk. The centerpiece consisted of an arrangement of white dogwood blossoms and yellow roses combined with kitchen gadgets. This arrangement was outlined with yellow candles. Miss Boyd was presented a corsage of yellow Glads and tulles.
Mrs. Glen Hargis presented Mrs. Monette Pemberton in a very clever reading. The guests were then asked to make Miss Boyd out her first grocery list or write a recipe. These were read and enjoyed. The honoree received a nice assortment of gifts for her kitchen.
Ice cream and cake were served to approximately 25 guests.

Mrs. I. E. Harwell, Mrs. P. A. Wiggins and Mrs. J. C. Adams attended the flower show at the Santa Rosa Roundup last week from the Burk Burnett Study Club.
Mrs. L. W. Forqueran has returned from Houston where she has been visiting relatives.

First Showing of '51 Kaiser Is Set At Casey Logan's

The first 1951 Kaiser models to reach Burkburnett will make their bow here at Logan Battery and Electric.

Casey Logan, head of the local dealership on Avenue C, across from the Post Office, said that the initial cars to arrive from the factory at Willow Run, Mich., are four-door sedans. They will be shown in the show rooms today.

He said that other Kaiser models, including two-door sedans, business coupes, and Traveler utility cars, will arrive at a later date to complete the 1951 series of 12 body types.

The popular-priced Kaisers comprise the second of three new 1951 lines of cars to be marketed this year by Kaiser-Frazer. The first was the medium-priced Frazer series, which was introduced a month ago. The third line is the un-named low-priced model, which is due to arrive in dealer showrooms in July.

The K-F cars are the first 1951 models to be introduced by the auto industry.

The all-new Kaisers feature such industry "firsts" as a crash absorbing padded panel across the full length of the dash; a "tuck-away" tire well in which the tire is recessed below the floor of the trunk; the largest safety glass area of any sedan, and advanced aerodynamic styling which is expected to establish a new trend in the auto industry.

The power plant of the new Kaiser "Supersonic" high compression engine which delivers 115 H. P. It will be available with conventional overdrive or Hydra-Matic transmissions.

A well balanced blending of body and chassis has given the new models exceptional headroom, legroom and ease of entry, without resort to depressed floor construction or other design compromises.

Unmistakable Continental styling touches are apparent in the Kaiser. They are evident in the "sweetheart curves" in the roof at the top centers of the windshield and rear window,

and in the "gull-wing" dips which simulate rear fender lines.

There is a slight down-sweep to both front and rear fenders, with the overall flowing design theme carried out in the lines of the cascade back.

The 3.541 square inch safety glass area, in addition to providing unmatched vision, also offers the advantages of aerodynamic design. The windshield sweeps back at a 51.5 degree angle presenting a total area of 1,096 square inches — by far the largest of any sedan.

The windshield posts, rigid structural members of the all-steel body, are set well back from the driver's lateral range of vision. Slimmest in the industry, the slender posts virtually eliminate a "blind spot" particularly hazardous in city driving.

Blending of chassis and body "plus" performance factors. One design has resulted in two is an unusually short turning radius which permits the driver to maneuver the car in a tight circle. The other is exceptional clearance provided for vertical travel or "jounce" of wheels when the car is driven over rough roads.

Devol News Clara Stofer

Visiting friends and relatives in the community are Mrs. Henry Sykes, her three sons, Bill, Elbert and Buddie, and Miss Marjorie Hollins all of Bellflower, Calif. The Sykes family left here several years ago and we are happy to see them again. All left Wednesday for a visit at Weatherford, Okla., from where they will return home Sunday. Mrs. Johnny Bessemer of Chattanooga, Oklahoma, daughter of Mrs. Sykes, was in Devol Wednesday with them and visiting friends.

Miss Opal Hale, dismissed from the hospital Tuesday, accompanied her brother, Hobart Hale, to his home at Kilgore where she will recuperate before returning to her work in Denver, Colorado.

Mr. Bill Alford, son of Mrs. Alford, and Mr. and Mrs. J. H. Griffin of Wichita Falls, spent Monday evening with Mrs. Al-

ford and J. G. McElheny.

—D—
Mr. and Mrs. Charles Woodley visited their son and daughter and families in Wichita Falls Saturday night, and Sunday evening Mr. and Mrs. J. R. Woodley and Judy of Wichita Falls, Mr. and Mrs. C. O. Woodley and Miss Marie Wood enjoyed a waffle supper in the Ted Randall home.

—D—
There will be a Mother's Day program at the Baptist church Sunday evening, May 14th. Rev. Loftin will speak, the Glee girls will sing. There will be a bouquet for the youngest mother, the oldest mother and the mother with the largest family. The public is invited.

—D—
Rev. J. N. Loftin left Sunday evening to attend a Baptist convention in Chicago, Ill.

—D—
Present at the foot ball game in Wichita Falls Saturday night were Mr. and Mrs. Ernest Wood Jr., and Mr. and Mrs. Joed Inman.

Mr. Clint Dickson has installed a deep freezer at his store and will carry Steffens packed ice cream. We are happy to welcome any added service in our town and wish new as well as ones already established, success.

—D—
A group of patrons of the Mid Continent Bus Line went to Oklahoma City Monday morning to attend a protest demonstration in connection with the discharge of Mr. Evans, a driver of long standing, now in his 21st year of service with the company. There were about 65 from over the route—12 from Devol and Grandfield. We do hope to have bus service resumed here—hope we may always have as considerate drivers as Mr. Evans has been, but we also want to see justice done to any faithful servant of the company and public, as Mr. Evans has been, as they look

forward to their 25th year of service.

Those going from Devol were Mr. and Mrs. J. H. Gardner, Mr. and Mrs. W. C. Charboneau, Mr. J. G. McElheny, Mrs. Ida Alford and Mrs. Oles Stofer.

—D—
CORRECTION of errors in last week's issue: Raymond Guy Hutson had his tonsils removed instead of his appendix as reported, and is now in good health. Little A. J. Mayes had chicken pox instead of small pox as I stated. Our regrets to both and to our misinformed readers.

—D—
Spending Sunday with Mrs. Timmie Thompson were her daughter, Mrs. Paul Stevens, Mr. Stevens and their daughter, Patsy Hardin and son, all of Burkburnett.

—D—
Mr. and Mrs. J. W. Rambo, living north of Devol, announce the birth of a son, May 1st, wt. 8 lbs, 12 oz, and named J. W. Jr. They also have another son, about 2 years of age.

—D—
For Mr. and Mrs. Donnie Coker it is a girl born at the Clinic Hospital Monday morning; wt. 6 1-4 lbs, and named Karen Sue. Mrs. Coker will return to her home Thursday.

—D—
Mr. and Mrs. Vernon Rhodybeck of Oklahoma City were Sunday guests in the Oles Stofer home. Mrs. Stofer accompanied them to Oklahoma City, remaining over Monday for the meeting of the patrons of the

Southwestern Trailways bus line.

—D—
Mrs. Jess Cates, now at Clinton, Okla., visited relatives and friends at Devol Sunday. Mrs. Cates reports Mr. Cates doing nicely and growing stronger daily.

—D—
Mr. Fred Stevens and family of Oklahoma City visited over the week end with Mr. Stevens' parents, Mr. and Mrs. W. H. Stevens.

—D—
Mrs. Charles McCullough honored her small daughter Marcia, with a party on her fourth birthday last Thursday at their home west of Devol.

Twelve little friends were present.

—D—
The Air Force has announced that students qualifying for Aviation Cadets or Air Force Officer Candidate School, are now afforded the option of indicating the earliest date they desire

to be called for training.

This new procedure, according to Sgt. Sullivan of the Wichita Falls US Army and Air Force Recruiting Station, will obviate the necessity of re-scheduling those whose semester termination dates will intervene between qualification date and the opening of the next cadet training class.

Such options are offered in the belief that much uncertainty, both for the individual and the Air Force, will be eliminated, making for economy of operation and satisfaction of the applicant.

Any qualified individual who may be interested in requesting deferment of date of reporting for training, may obtain additional information by contacting the US Army and US Air Force Recruiting Station, Located at Room 215, Federal Building, Wichita Falls, Texas.

Sgt. Sullivan will be here in Burkburnett each Wednesday at the Post Office from 0900 to 1130 hours.

The 1951 Kaiser is here!

- ★ America's newest car!
- ★ America's most glamorous car!
- ★ Triumph of Anatomic Design*

The 1951 Kaiser DeLuxe 4-door Sedan...one of 6 body styles and 12 models. Hydra-Matic Drive available in all models at extra cost.

★ **Anatomic Design**... (Ana-TOM-ic)... is the newest, most advanced step in motor car making. It is the principle of engineering the anatomy of the car, every feature of the body and chassis, to suit the needs of human anatomy in a way never before achieved. It results in a car that is easier to control, more comfortable, safer for you and your family to ride in.

And here it is... the first car in America built from roadline to roofline on the principle of **Anatomic Design!**

Like riding "outdoors"! Largest windshield, slimmest corner posts in any car... no "blind spots"!

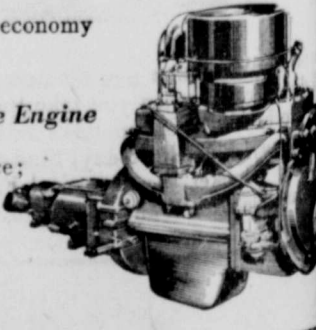

Most room ever! High-Bridge Doors offer new walk-in ease. Single-Roll Body provides extra wide, lounge-comfort seats, more head room and leg room.

Easiest ride on the road! A Level-Flight Ride... because exclusive spring suspension takes up road shock!

Here's super-safety! Lower center of gravity and Truline Centerpoint Steering let the '51 Kaiser take curves faster, safer! Oversized jumbo brakes make stopping surer, swifter!

Value that holds up! Years-ahead newness and economy of operation save you money and assure lasting protection for your investment.

New 115 h.p. Kaiser Supersonic High-Torque Engine gives you faster acceleration; less vibration with higher compression, quieter, smoother performance; more driving power per horsepower, lower gas and oil consumption.

PONTIAC!

- Price's Lowest-Priced Straight Eight
- Priced Car with GM Hydra-Matic Drive
- Packed Silver Streak Engines
- World Renowned Road Record for Economy and Long Life
- The Most Beautiful Thing on Wheels

Naturally we like to hear people talking about Pontiac's new low price—Pontiac value is something to talk about.

But it gives us even more pleasure to tell a new car buyer the full story of Pontiac's all-around goodness—goodness which is far beyond Pontiac's modest price.

There's nothing better than Pontiac for beauty—Pontiac is the most beautiful thing on wheels! Nothing will give you more satisfying performance than either one of Pontiac's famous, power-packed Silver Streak engines. And no car has a better road record for dependability and economy.

Today's Pontiacs are so big—so good—so beautiful that they create a completely new idea of what your new car dollars can buy. Dollar for dollar, you can't beat a Pontiac!

First Baptist Church

T. LYNN STEWART, Pastor

The pastor, T. Lynn Stewart, is attending the Southern Baptist Convention in Chicago this week but will return to Burkburnett on Saturday. He announces the following services for Sunday:

9:45 A. M. The Church in Bible Study. There is a class for every age. We are grateful for the many new people who are attending this school of the church. We extend a most hearty welcome to everyone who is not now in any Sunday School. Come this Sunday and rejoice in the study of God's blessed Word.

10:50 A. M. Mother's Day Service. Sermon by the pastor on the subject, "Marks of a Great Woman." This will be a plain Bible message not a sob sermon. Honor the Lord and your Mother by attending the Sunday School and preaching services.

7:00 P. M. The church in training. This is a training period for better Christian service.

8:00 P. M. Evening Worship. The pastor will preach on "Freedom's Holy Light." This will be a report of the Southern Baptist Convention held in Chicago this week. If at all possible hear this message. We believe you will be blessed by the message.

Wednesday 7:25 P. M. Officers and Teachers of the Sunday School meet to study next Sunday's lesson. 8:00 P. M. Prayer meeting in lower auditorium.

Babyland is open for all regular services of the church. Scores of precious babies are being cared for there during every regular service. If you do not have a way to attend our services ride the church bus.

A glad hand of welcome awaits you at this New Testament church.

High Water Bills Caused By Leaks

If your water bill seems too high it may not be the fault of your meter, or the meter reader. It may be that there is a small leak in one or more of the faucets about your home.

Perhaps you think a small drip doesn't amount to anything. But it may be costing you every month.

Just to give you an idea, a 1-32" leak (and that's getting it down pretty small) wastes 170 gallons in 24 hours. That's just about enough for 6 to 8 baths.

A 1-16" leak wastes 970 gallons in 24 hours.

A 1-8" leak wastes 3,600 gallons in 24 hours. That is the total consumption of many homes for a full month. Check for leaks around your home if your water bill seems too high.

Calvary Baptist Church

Avenue B & College

Sunday School at ten A. M. with all classes studying the 4th chapter of Acts: "Two Baptist Preachers in bad for preaching the Gospel." We study the Bible only in our S. S.—book by book and chapter by chapter. There is a class for every age, with able, consecrated teachers for every class. Fred Clync is S. S. Supt. Come and see.

Preaching service at eleven A. M. in keeping with the special occasion—Mother's Day—the pastor will pay special tribute to the high office in sermon. Flowers will be given to all mothers present. A bouquet of flowers will be given to the oldest mother present, the youngest mother present, and the mother present with the largest number of children present with her.

Young people meet at 7:15 P. M. for their regular service. All youth are invited.

Night preaching service at 8 o'clock. The pastor's message will have to do with that portion of God's Word that looks into the future and lets us see where we are going. God's Word is as a light that shineth in a dark place and lets us see ahead. Here are some dark places: man's heart, the present evil world and the future. Come and hear.

Watch for and ride the grey bus to Calvary Baptist church, the friendly church with the open Bible for all people with open hearts.

Remember, our revival begins June 4th. Mark that time.

YOU SAID SHE WOULD TALK AND SHE AIN'T SAID A WORD YET!

SHE SHOULD TALK! SHE'S A FEMALE!

HOW DO I KNOW IF SHE'S A SHE AND NOT A HE?

EASY! GET A FEMALE WORM AND A MALE WORM AND GIVE 'EM TO YOUR PARROT!

IF IT EATS THE MALE WORM IT'S A SHE AND IF IT EATS THE FEMALE WORM IT'S A HE!

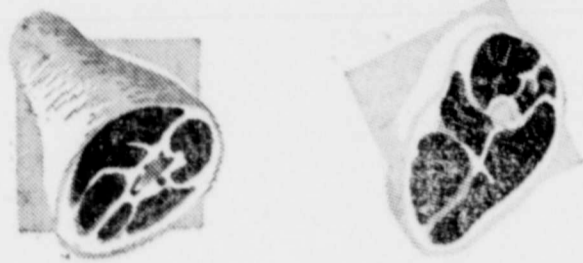

HOW CAN I TELL IF A WORM IS A MALE OR FEMALE?

OH, YOU'LL HAVE TO TAKE THAT UP WITH THE WORM STORE! I ONLY SELL BIRDS!

Mrs. Carswell Council Hostess

The Federated Council Board met Friday, May 5 in the home of Mrs. W. R. Carswell, with Mrs. W. B. Short as co-hostess. The meeting opened with the hymn, Wonderful Words of Life and prayer by Mrs. J. N. Hall. The minutes were read and approved and the president welcomed our visitors, Mrs. G. W. Ferguson and Mrs. A. W. Salter of Dallas. Mrs. Hughes brought a beautiful devotional, taking her scriptures from Gal. 5:22 and Mal. 4:2. Members voted to start meetings at 2:30 P. M. instead of 2:00 o'clock. After the business meeting, Mrs. Buchanan dismissed with prayer. Refreshments were served to: Mesdames Hughes, Reger, Phillips, Schoch, Cauthorn, Bunstine, Gragg, Short, Hall, Beldon, Turner, Salter and Buchanan. —Reporter

Recent Bride Party Honoree

Mrs. Raymond Underwood, Jr., was named honoree at a bridal shower given May third in the home of Mrs. Lee Jones in the Doyle Addition. Hostesses for the affair included: Mesdames Jones, Buford May, Ora Sanders, and Clovis Netherlain. Games provided entertainment for the evening, and after Mrs. Underwood was presented an assortment of lovely and useful gifts, cake and punch were served to approximately 27 guests.

Mr. and Mrs. Ben Winkles of Artesia, New Mexico, are visiting in Burk this week.
