NOT THIS YEAR

In the usually cold New England states last January, flowers were blooming outside the house while folks inside were busily removing the Christmas greens. Not so this year. For those who feel that New Year should be a date when the seasonal year is really new, such as Spring, they had their wish last January. This winter weather has been a tough customer, snow came early and stayed, ice persisted. But it is not a dead world. Snow and frost are fresh and new, they are the cover on the book that tells the tale of Spring. The flowers that bloomed in January of 1950 were "out of order" in the scheme of things, and 1951 has seen to keeping them in their place until the proper time. Who are we to argue with Nature?

A PORT IN A STORM

A blizzard paralyzes the most populous section of the U. S. for several days. In many centers there was limited equipment to remove the snow, to open highways and streets. Public transportation was at a standstill, a proclamation of a state of emergency was declared, banks, schools and factories closed, mail service halted, food supplies cut down. But hospitality was the keynote of the crisis, courage and extra effort to serve fellowman. Stranded wayfarers found lodging in farmhouses, small town inns and restaurants, theatres, public buildings, bus and railroad stations. City homes were opened as a refuge. It was a flashback to the pioneering days when one never knew who it might be that would come to the door seeking bed and board. The spirit of neighbors comes to the fore during time of trouble. It should not be necessary for a crisis, a catastrophe to touch us before we call forth the spirit of "welcome stranger."

Those who live in rural districts more fully appreciate the thoughtfulness and generosity of others, perhaps because they are more frequently in need of a lending hand. Being snowed under, plowed out, and mud-bound, isn't such a novelty to them. Sometimes it takes such an event as the recent blizzard to make lots of people aware that the majority of farmers have hearts as big as their acreage.

HAVE THEY FORGOTTEN?

China has seemed to stand, in past history, as a pacifist nation, a people either unable or unwilling to defend themselves against countries who despoiled her. Fifty years ago Russia looted China while America protested. In one century France and England warred with China for "privileges". Japan and Germany added their names to the roster of nations fighting China for "spheres of influence". America's interest in China was establishing missions and schools there, pressing for an "open door" policy, advocating the dealing with China as an equal. Today when Russia incites China to war with us, China fights the only friend she had among nations. The Chinese should take a refresher course in history, to recall the past and remember the robber Russians, those who now call themselves "saviors."

Burk Burnett History

Revealed By Star Files 10 Years Ago...

John Morgan and Leonard Kendrick, local Pontiac dealers, attended the zone meeting and banquet which was held at the Texas Hotel in Fort Worth last Tuesday.

A simple wedding ceremony Friday evening at 8 o'clock united Miss Helen Grady and J. D. Grizzle, both of this city. The rites were read by Rev. Jack Manning, pastor of the First Baptist church here.

Mr. and Mrs. P. A. Johnston announce the arrival of a daughter at the Burk Burnett

J. B. Peed, gunners mate 2nd class, 1st Division of USS Tlantania, left Monday for San Francisco, after spending a 30 days' leave here with his parents, Mr. and Mrs. Clyde Peed. He returned via El Paso for a visit with his brother, Don Peed.

Clinic Hospital Thursday afternoon.

Thirty-five Wichita County youths will be accepted for CCC enrollment on January 15. Mrs. Loyce Spencer, intake supervisor for the county relief office at Wichita Falls announced Tuesday.

City officials will hold open house Monday evening at 7:00 o'clock in the new Community Hall, according to City Manager Lynn Kincaid. The public is invited to inspect the building which is the latest addition to Municipal assets.

Mr. and Mrs. O. B. Wofford, Mrs. Carrie Simmons and Mrs. Cordia Lawrence attended open house installation at the Golden Rule Lodge No. 164 in Wichita Falls Thursday night.

AMERICA SINGS

When Borden invented condensed milk in January, 1874, little did he think the day would come when Elsie would talk, a much later invention of radio and television. Elsie will probably soon sing, everybody else is! You just can't get away from "advertising" songs. They sell soap and cigarettes, chewing gum and beauty lotions and scouring powder. We wouldn't be surprised to find the butcher and baker greeting us in the shop with a singing commercial, the plumber and milkman offering a tuneful earful of their "brand", the newsboy and haberdasher bursting into a snappy number, all based on the premise that a catchy air makes a snappy sale. Imagine carrying a tune so far that a motorman sings the station stops, the postman bawls a profundo as he delivers the mail, the power company sends tested tenors to read the meter. Hasten, James, my throat gargle and spray, that I may raise my voice in song.

Texas Schools Making Strides Despite Tax Cut

One-half cent less of each state tax dollar went to support Texas' public-schools last year than in 1939-40 despite the tremendous strides made in the school system since the Gilmer-Aikin laws went into effect. "Not only has Texas climbed from very low on the national ladder to near the top in public school education in the first year under the Gilmer-Aikin program, but the state accomplished what amounted to a near revolution in education without taking a bigger bite out of each tax dollar," Dr. Mortimer Brown, president of the Texas State Teachers' Association, pointed out at Austin recently. "In 1939-40 the public school support totaled 30.31 cents of each state dollar expended. During the last school year the schools' share of that dollar was 29.47, or exactly .54 of a cent less.

"At the same time, enrollment greatly increased, the number of teachers employed went much higher and the average daily attendance skyrocketed.

"The average daily attendance jumped in one year 35,708 under the new school program. Too it is pertinent to point out that every child in Texas is guaranteed the opportunity of having 175 days of actual instruction per year.

"That makes for better education of our children," Dr. Brown commented. "Classes are now smaller, allowing for more individual instruction.

"Too, there were only 156

supervisors, counsellors and special services personnel, such as nurses, available in 1939-40. Now there are 2,181.

Charles H. Tennyson, executive secretary of the Teachers' Association, commented that until the Gilmer-Aikin program gave Texas a position near the top in the national education field, a proportionate share of the state dollar was not going to the schools.

"We are delighted to find that the vastly-improved school system, and I believe everyone will agree that our schools are far superior to those of such a short time ago as 1948-49, is taking less of the state dollar," he said.

The total cost of state government during the 1949-50 fiscal year was \$527,252,453. Of that amount, \$156,430,559 went to the vast network of schools.

A total of \$145,350,068 was used by the per capita apportionment, the supplementing foundation program and for administration, Tennyson reported.

Textbook costs and distribution accounted for \$3,410,723. The free lunch program cost \$3,758,361. The State Commission for the blind used \$117,006. Vocational education cost \$3,794,401, of which \$2,018,657 was federal funds, Tennyson said.

Mr. and Mrs. Buck Myers have returned from Holly Springs, Miss., where they attended funeral services for Geo. S. Goodman.

Jack Riley of Seminole, Texas, visited his aunt, Mrs. Tommy Brown on New Year's Day.

POLIO: Is A Rising Tide

The 1951 March of Dimes reached new enthusiasm this week when local citizens viewed a motion picture of a campaign for March of Dimes funds in Phoenix, Arizona. Those attending the showing at the High School auditorium in Wichita Falls were: Mrs. Geo. McClarty, Mrs. Ping Lundberg, Mrs. Fred Hunt and Harry C. Dodson.

Serious problems face the National Foundation for Infantile Paralysis. These arise from the fact that some 54,000 men, women and children stricken by polio last year and earlier required help of some kind from

the National Foundation in 1950. This help, alone, cost at least \$20,000,000 in March of Dimes funds, and as a result the polio organization is now operating its patient-care program at a deficit. Volunteers have redoubled their efforts to raise more money than ever before in response to this need.

Basil O'Connor, the National Foundation president, said that the March of Dimes organization must be prepared to face a fourth successive year of high incidence in 1951. He points out there is no assurance from public authorities of a "light" polio year ahead. The large number of patients already receiving assistance from National Foundation chapters, plus the lower purchasing power of today's dollar, increase the organization's problem, he reports.

"Today," Mr. O'Connor declares, "we are coping with a rising tide of polio and a receding value of the dollar. There is a hard fight ahead."

The National Foundation during its 13 year existence has spent \$94,000,000 for patient care, and \$11,753,736 has been appropriated for research and \$12,076,218 for professional education. In addition, thousands of dollars' worth of polio therapy equipment, such as respirators and hot-pack machines are kept in readiness at strategically located supply depots for instant use in epidemic areas throughout the country.

Univ. Study Club Officers Elected

Officers who will assume their duties next fall were named Wednesday by members of the University Study Club at a meeting held at the home of Mrs. S. S. Reger. They include: Mrs. B. N. Cauthorn, president; Mrs. W. R. Hill, 1st vice-president; Mrs. J. N. Hicks, 2nd vice-president; Mrs. W. H. Holt, recording secretary; Mrs. O. E. Melton, corresponding secretary; Mrs. P. A. Wiggins, treasurer and Mrs. T. H. Minga, reporter.

The day's lesson, a Parliamentary Drill was conducted by Mrs. Minga, and Club Ethics was presented by Mrs. Wiggins. Mrs. Minga reported on the gift of books to the Colored school. Refreshments were served to the following members: Mesdames I. E. Harwell, B. N. Cauthorn, W. H. Holt, T. H. Minga, W. R. Hill, R. C. Tevis, S. A. King, O. E. Melton, A. R. Bunstine, R. P. Reagan, J. H. Rigby, P. A. Wiggins, and Miss Mary McGinnis.

DEVOL NEWS

Clara Stofor

Stamps Ozark Quartet will present a concert at the Devol High School Monday, January 15th at 7:30 P. M. under the sponsorship of the Home Economics class.

Mr. and Mrs. Joe Ed Inman and family left for Brownsville, Texas Friday where Mr. Inman will be engaged in farming for several months.

Misses Dolly Fay Hardin, and Sue Wilkerson were Sunday dinner guests of Misses Loretta and Boneta J'the.

Mr. and Mrs. Dick Ridings and family visited his parents, Mr. and Mrs. Horace Ridings Sunday.

Mr. and Mrs. Floy Garrett and family of Wichita Falls visited her parents, Mr. and Mrs. W. C. Charboneau Sunday.

Mr. and Mrs. Ernest Wood, Jr. and Pamela left this week on their vacation to South Texas. They will visit Mr. and Charlie McCullough and Mr. and Mrs. Joe Ed Inman. They plan to do some fishing while there.

Mrs. Eva Glippie of Oklahoma City and Mr. and Mrs. Dick McClain of Grandfield spent the week end in the C. O. Woodley home.

Rev. and Mrs. Loftin, Mrs. Gill, and Mrs. Hart are reported on the sick list.

Mr. and Mrs. Frank Hewell and Mrs. Dick Germany spent Sunday afternoon with their sister, Mrs. Dolly Hardin.

Mr. Oles Stofor was admitted to the Clinic Hospital in Wichita Falls Monday for treatment of a heart ailment.

Mr. and Mrs. Bill Stevens are in Tuttle, Oklahoma on business this week.

Mr. J. R. Woodley of Wichita Falls was a dinner guest of Mr. and Mrs. T. P. Randall Monday evening. Mrs. Woodley and Judy are visiting her brother, P. W. Randall and Mrs. Randall at Long Beach, Calif.

Clint Dickson made a business trip to Wichita Falls Monday.

The Devol Demonstration club met at the Club house Tuesday afternoon with Mrs. J. B. Stevens, president, presiding. This being the first meeting of the New Year, quite a lot of business was attended to and different committees reporting. Several enjoyed the dainty refreshments served after the meeting.

Mr. and Mrs. Joe Davis left Monday afternoon for Durant, Oklahoma, to visit her mother who is ill at the hospital there.

Rev. J. N. Loftin motored to Dallas Tuesday for treatment at the Hoxie Clinic.

Dr. C. J. Morrison Attends Dental Meeting Monday

Dr. C. J. Morrison attended a Dental meeting in Wichita Falls Monday night. At this meeting, current advances in Dentistry were heard through the Telephone Extension program from the University of Illinois College of Dentistry. Speaking under the general topic, "Clinical and Physical Appraisal of Dental Materials," some of the leading Dentists in their fields were heard.

On Sunday, Dr. Morrison plans to go to Dallas to attend the Dallas Mid-Winter Clinic which will be in session thru Wednesday.

Happy Blue Birds Met January 4th

The Happy Blue Birds elected officers Thursday, January 4th. Those elected were: President, Patricia Cline. Vice-Pres., Winifred Lahm. Secretary, Judy Hofacket. Treasurer, Joyce Fields.

We played games and sang songs. The refreshments were brought by Mary Lee Giles. Margaret Franks, Reporter

P-T A Executive Board To Meet

The Executive Board of the Hardin Grade School will meet Wednesday, January 17th at the Hardin Grade School at 2:30 P. M. prior to the regular P-T A meeting which will follow at 3:30.

Missionary Speaks At Christian Church

The Central Christian Church had a guest speaker, Mr. Collins, Missionary and Teacher from Columbia, South America during the Sunday School period last Sunday. He was a very interesting speaker, holding the undivided attention of his audience.

Mr. Collins is visiting in the home of his mother, Mrs. O. S. Wilson and Mr. Wilson. He is a former resident of Burkburnett and a graduate of the local school.

After communion service, a period of business and planning was conducted by R. C. Tevis. A Pulpit Committee was elected. D. F. Douglas, R. C. Tevis and Mrs. Sid Gamblin are on this committee. All pledges are to be paid during the time the church is without a pastor and half of them are to be sent to the State Missionary Funds.

Sunday School at 9:45 A. M. Please be prompt. Communion Service after Sunday School. The remainder of the Church

hour will be given to further planning for the church. Efforts will be made to secure speakers until a regular pastor is appointed.

All members and friends are urged to be present.

Rebekah Lodge to Install Officers Monday, Jan. 15th

At the regular meeting in December, the Rebekah Lodge No. 67 elected the following officers: Minnie McCullough, N. G.; Carrie Simmons, V. G.; Bertha Lynch, recording secretary; Agnes Boyd, financial secretary; Bertha Wood, treasurer; Mary Muhlinghouse, Chaplain; Jodie Metz, Warden; Frances Smith, Conductor; Ethel Wofford, musician; Julia Roderick, Inside

Guardian; Elizabeth Gragg, Outside Guardian; Mary Cecil, R. S. to N. G.; Lula Mae Whigham, L. S. to N. G.; Edna Peed, R. S. to V. G.; Annie Mae Stubblefield, L. S. to V. G.; Bertha Wood, Jr., Past N. G.; Gertrude Holmes, Lodge Deputy March '50 to '51 and Ethel Wofford, Lodge Deputy March '51 to '52; Mae Martin, reporter; J. H. Cecil, Staff Captain; Ethel Wofford, representative to Grand Lodge with Julia Roderick as Alternative.

Mrs. Mary Cecil will install the above named officers Monday night, January 15th at 7:30 at the IOOF Hall. Refreshments will be served and all members are urged to be present.

The New Plymouth Cranbrook Four-Door Sedan

Featuring improvements which produce unprecedented roadability and riding qualities, the beautifully redesigned 1951 line of Plymouth cars have numerous mechanical improvements and have retained their traditional roominess. Shown above is Plymouth's Four-door Cranbrook sedan.

New Plymouth Combines Beauty and Riding Ease

Detroit, Mich.—Spectacular new qualities which produce driving and riding ease heretofore unknown in automobiles of any price feature the new line of Plymouth cars. Combining smart new body lines with unprecedented interior luxury, the new Plymouth will go on display in dealer showrooms throughout the United States Saturday, Jan. 13.

Designers have given the Plymouth a striking new silhouette, and refinements in the interior are innovations in the lowest price field. The styling improvements retain the traditional roominess of the cars.

Easier to drive and more comfortable, the new cars have greater beauty, more safety features and broader ranges of vision than ever before.

Engineers say the new "Safety-Flow ride" takes the bounce and wallop out of bumps. A new application of hydraulic flow control in the shock absorbers provides a more gradual change of resistance during spring deflections and thus a softer ride when driving on average roads. It also exerts extra resistance on rough roads to a degree where driver and passengers are almost completely freed of the discomfort of being jolted around.

The "Safety-Flow ride" is one of the greatest contributions to driving comfort and safety in recent years, according to D. S. Eddins, president of Plymouth Motor Corp.

"The new Plymouth gives you roadability never before offered in any car," he said. "There is no necessity for steering wheel fatigue to control the car on difficult roads. The driver is no longer required to focus full attention on the condition of the road. He may be more watchful of oncoming traffic, pedestrians, curves, crossroads and other potential hazards."

Eddins called the new development a major step toward restful motoring. More confidence is gained by driving or riding in a new Plymouth with the "Safety-Flow ride," and as a result there is less driver and passenger fatigue, he said.

The lines of the new Plymouth have been beautified. An appearance of massiveness combined with smart streamlining is induced by a new grille, beautifully redesigned front fenders and hood, a wider windshield and a larger rear window. Narrower windshield pillars together with the wider windshield provide additional lateral vision. To utilize fully the greater vision through the new rear window, the rear view mirror is two inches wider. The chair-height front seat and the new design of hood and front fenders permit the driver to see the road nearer the car.

There are numerous mechanical improvements. Windshield wipers are electrically operated, and are of the single-speed, self-parking type.

A unique pressure-vent radiator cap, which has been added as standard equipment, permits the cooling system to be operated at atmospheric pressure during normal driving conditions. Under high-load, high-temperature driving conditions, the new radiator cap provides a pressurized cooling system to allow high coolant temperature without boiling or loss of anti-freeze.

All Plymouth engines now have a built-in by-pass cooling system permitting water circulation and resulting in more uniform temperature throughout the engine during the warm-up period. The new system consists of a passage in the cylinder head and block providing direct access to the water pump, and a choke-type thermostat to regulate coolant flow to the radiator.

The generator output has been raised to 45 amperes, an increase of five amperes, providing greater electrical capacity for the operation of car accessories. The new hand brake "T" control handle is more accessible, and, as on former models, it operates independently of the foot brake as an added safety measure.

In the convertible club coupe, the spare tire is mounted vertically as in other coupe and sedan models, rather than on the trunk floor.

The new Plymouth interiors offer the finest selection of upholstery and trim and the most harmonious color schemes in the company's history. The colors which have been chosen provide throughout the interior a pleasing combination of shades in harmony with the car's exterior color. Designers say the interior is an unparalleled achievement in combining practicality with luxury. Always noted for spaciousness, Plymouth now has even more head room and more room to stretch out in comfort in the rear seat.

To go with the high quality of the upholstery, there is a handsome new instrument panel which features a more convenient grouping of controls, newly shaped instruments and improved coloring and lettering for easier checking while driving.

The wide, deep chair-height seats, the ease of entrance and exit, and all the other traditional Plymouth features for driver and passenger comfort have been retained.

There are nine body-types in the new Plymouth line: the Concord series includes a two-door sedan and a three-passenger coupe as well as the two all-metal utility models, the Suburban and the Savoy; the Cambridge series has a four-door sedan and a club coupe; and the Cranbrook series includes a four-door sedan, a club coupe, and a convertible club coupe.

The Suburban and the Savoy, with their smart, distinctive lines are all-purpose vehicles. They have the beauty and comfort of a sedan, and by simply lowering the rear seat flush with the floor they become sturdy cargo carriers for farmers, salesmen, sportsmen, tourists or others who require large cargo capacity. The Savoy, called the "country-club companion" of the Suburban, provides a greater variety of luxurious interior appointments and more exterior refinements to enhance the car's striking appearance.

Among the "high-priced car" features which are retained are six-cylinder, 87-horsepower engine with a 7 to 1 compression ratio, the combination ignition and starter switch, automatic electric choke, super-cushion tires, safe-guard hydraulic brakes, and safety-rim wheels.

Wilbur Prechel Chairman For Senior Stock Show

Wilbur Prechel was elected chairman of the Wichita County Fat Steer Show at the meeting of the Wichita County show committee held in the Directors' Room of the First National Bank in Burkburnett, on January 5 at 2:00 P. M. V. Brookshear was elected vice-chairman of the show held in Burkburnett on January 20 at the Burkburnett Barn, a site selected by Bell, Willie Morton, J. C. J. C. Hinkle, Ed Clack and Elvie Welborn.

The following schedule of events was set up by those interested:

10 A. M.—Scales open for weighing calves.

10 A. M.—All calves in the barn.

5 A. M.—Junior Steer weighing contest for 4-H and teams.

10 A. M.—Junior Steers

judged.

10:30 A. M.—Senior Steers judged.

11:00 A. M.—Grand and Reserve Champion steers judged.

11:30 A. M.—Selection of ten calves to enter Wichita Falls Area Fat Steer Show.

12:30 P. M.—Noon meal for exhibitors.

2:00 P. M.—Auction of Junior Fat Steers.

The show committee set up the following prizes for both the Junior Steers and the Senior Steers:

1st Prize—\$12.50.

2nd Prize—10.00.

3rd Prize—7.50.

4th through 8th Prize—\$5.00 each with appropriate ribbons.

Grand Champion—\$10.00.

Reserve Champion—\$5.00.

The following committees were set up to handle other details:

W. P. Boydston, Chairman of the weighing committee, B. H. Preston, Jr., and Allen Dale Kemple.

Auction committee chairman, G. W. Fleming, assisted by J. A. Lee and Charlie King.

Judging Committee: C. W. Wilhoit, Archer City.

Burton Hurlly, Henrietta. Howard Henderson, Burkburnett.

The following are members of the county planning committee for 1951:

J. V. Brookshear, Burkburnett

Wilbur Prechel, Burkburnett

Harlan Mills, Burkburnett

Ray Hill, Burkburnett

Leo Dudley, Burkburnett

Fred Thompson, Iowa Park

F. E. Hill, Iowa Park

Herman Mitchell, Iowa Park

Jack Austin, Wichita Falls

Charles King, Wichita Falls

Clark Boggs, Electra

John Lee, Electra

Leon Rogers, Electra

The committee selected Frank Wendt, County Agent of Vernon, Texas to serve as judge.

Patrol Leader's Training Course

The Patrol Leaders of Boy Scout Troop 155 sponsored by the First Methodist Church, and Troop 36 sponsored by the American Legion will start a four weeks training course Friday, January 19th, to be held at Perkins Scout Reservation.

Scoutmasters Earl D. Martin and J. C. Chitwood will conduct the course assisted by Earl W. Newton, Field Scout Executive for Burkburnett.

Basic Scouting skills such as First Aid and Troop Camping will be taught. Upon completion of the course, the boys will be installed as Patrol Leaders in their respective troops.

Cpl. Adrian A. Shoefstall, USMC, of 411 West Main St., Burkburnett, Texas, recently received a Commanding Officers' Commendation from Capt. J. S. Thack, USN, for work above and beyond the call of duty as an aircraft ordnance man of the Blacksheep Marine Fighter Squadron that served aboard the aircraft carrier USS Sletly with the Pacific Fleet. Before entering the Marine Corps, Shoefstall attended Burkburnett High School. (Official U.S. Navy Photograph—1065322)

Checks Agonizing Sciatic Pain Fast!

It's brand new! SURIN for speedy, temporary relief of local, superficial pains of arthritis, neuritis, rheumatism, bursitis, sciatica, lumbago* and also fatigue and muscular aches and pains of simple colds. Here is the secret: SURIN's fast action and blissful temporary relief of local superficial pain. SURIN is based on a new application of a principle which permits a marked degree of absorption of the analgesic drug through the skin and treats the pain at the point of entry. SURIN contains a modern research A-g-g-b-methacholine chloride, a powerful ingredient to dilate surface blood vessels when used locally at the point of pain. SURIN has 2 way action (1) it increases the superficial blood supply (2) allows relaxing agents, camphor and menthol and local analgesic, methyl salicylate to penetrate rapidly. SURIN acts fast. In a few minutes you feel a soothing warmth and get relief lasting 1 to 3 or more hours. No internal dosing with SURIN—use it locally! SURIN is quite different from old-fashioned ointments and liniments. SURIN may be applied without fear and is so easy to use. Has new ointment base that is smooth, creamy-white. Washes off quickly in warm water. Does not stain washable fabrics. Money back at your druggist if not satisfied.

*SURIN is not intended as a cure or treatment of above diseases. It is to be used only for temporary relief of local superficial pain.

GET PAIN RELIEF!—GET SURIN!

Card of Thanks

Words cannot express my grateful appreciation to all who were so nice to me during my recent illness. I wish to thank Mrs. Leslie Tuel and members of her Sunday School Class of the First Methodist Church for presenting such a nice program for the Colored Methodist Church, and the Province Baptist Church for their pastor who preached for me during my absence. Everyone was so kind and I am indeed grateful to you.

Mrs. N. E. Dixon, Pastor
Colored Methodist Church

Even in big cities we notice that every little movement has a candidate all its own.

WHY WORRY?
I CARRY ANTI-WORRY INSURANCE—A Regular Ad In This Newspaper

From where I sit ... by Joe Marsh

Friendship—Four Thousand Miles Apart

Never quite got the hang of how to play chess myself, but I'll say this for the game—it started one of the strongest friendships I know of: between Dad Wilson in our town and a fellow in Sudbury, England.

The two of them have never met or seen each other—but for eight or nine years they've been playing chess by mail together. Dad puzzles over the Englishman's latest letter, takes a couple of days to think it over, and then airmails a chart of his next move.

Dad always thinks best with a mellow glass of beer beside his chessboard. And the fellow in England writes that he does the same. "Almost as if we were in the same room," says Dad contentedly.

From where I sit, you can talk about diplomacy and foreign policy, but it's often little friendly things—like a game of chess or a glass of beer—that can make for tolerance and understanding . . . between people of different nations, between folks here at home!

Joe Marsh

SPINDLETOP 1901

Amazing is the word for it!

In the grave emergency that now confronts our country, the oil industry faces its great job with confidence . . . because, in the past 50 years, oil has enabled Americans to produce more, to have more, and to live better than any other people on the earth.

Since the discovery of oil in great quantities at Spindletop, oil has supported a progressive economic development that has brought about more profound changes in man's way of living than occurred in any other period of history.

For oil, available in steadily increasing quantities as a fuel, made possible the development of machinery and it is this combination of machines and energy which has changed the world in the short space of half a century.

With oil came automobiles . . . mass production . . . airplanes . . . mechanized farming . . . diesel electric trains . . . ships that cross an ocean in four days.

The oil industry kept pace with this amazing progress—supplied its energy, lubricated its wheels and gears, developed new and better products for new and better American machines. Foresighted, the industry planned yesterday for today's great need for oil; today, it plans for tomorrow's.

At the beginning of another year, the oil industry faces its biggest job in all the fifty years since Spindletop. It must produce more oil in 1951 than has ever been produced before. For the defense of our country and for our economic welfare—both now and in the future—the oil industry must continue to find new oil, to develop producing oil fields, to build refining and transportation facilities.

It approaches this job with a full realization of the size and number of the problems involved, but also with a confidence born of its demonstrated ability to keep ahead of the times.

Prof. K. T. Goetze Publishes "Dear Old Texas March"

Prof. K. T. Goetze, who taught music in this area for the past 25 or 30 years, has written a march about the state he loves, titled "Dear Old Texas March." The music was published last year by Conn Publishing House of Chicago. More recently Mr. Goetze was teacher of music in the Aspermont Schools. He resigned that position last summer to go abroad with two of his students to study music in Germany. However, he was advised that because of the tense international situation it would be best not to make the trip at this time. He now lives with a daughter, Mrs. Allie Ireland, who is teacher of music in the Shallowater School, near Lubbock. About every two months he comes to Burkburnett to see old friends and to look after oil interests on his farm near Sunshine Hill.

Last summer 1500 area music students gathered at Lubbock for a contest sponsored by Texas Tech and the Schools of Lubbock. The Texas Music Association asked Mr. Goetze to arrange his march for a band of 32 different instruments. This he did, and to his surprise the 132 piece band of Tech played the arrangement during the contest, dedicating it to Mr. Goetze. Now, the Prof. has written words for the music, which will be set to the music in the near future. The words will be dedicated to the Texas Music Association by Mr. Goetze. The words are beautiful; telling of Texas' boundless beauties, its resources and its rich, colorful history, made by its famous early day leaders.

The Prof. has composed dozens of numbers during his lifetime, but he never plays them in public until they have been accepted generally in the music world as being worthy.

Mr. Goetze was a guest of the Lions Club Tuesday night, and favored the club with a large number of piano selections, including "Dear Old Texas March."

Miss Frances Bruce Marries In Las Vegas

Mr. and Mrs. Dee Bruce of Burkburnett, announce the marriage of their daughter, Frances, to Mr. Louis C. Thorpe, prominent Oklahoma City Oil man. The wedding was solemnized at the Flamingo Hotel in Las Vegas, Nevada on New Year's Day.

After spending the winter in Miami Beach, Florida and Havana, Cuba, they will be at home at the Skirvin Tower in Oklahoma City.

Men from Burkburnett attending the Chamber of Commerce Banquet at Grandfield Tuesday night were: Ray Hill, J. C. Boyd, Jr., Paul Browning, J. V. Brookshear and Geo. McClarty.

New Plymouth Features Driving And Riding Ease

Spectacular engineering advancements which produce driving and riding ease heretofore unknown in automobiles of any price class, feature the new line of Plymouth cars. Combining smart new body lines with matchless interior luxury, the 1951 Plymouth will go on display here and throughout the United States Saturday, January 13th, Wylie Browning of Burkburnett Motors, announced today.

Designers have given the Plymouth a striking new silhouette, and interior refinements are innovations in the lowest price field. The styling improvements retain the traditional roominess of the cars.

The new Plymouths may be seen here at Burkburnett Motors 401 East Main Street.

Easier to drive and more comfortable, the new cars have greater beauty, more safety features and broader ranges of vision than ever before. Engineers say the new "Safety-Flow ride" takes the bounce and wallop out of bumps. A new application of hydraulic flow control in the shock absorbers provides a more gradual change of resistance during spring deflections and thus a softer ride when driving on average roads. It also exerts extra resistance on rough roads to a degree where driver and passengers are almost completely freed of the discomfort of being jolted around.

The "Safety-Flow" ride is one of the greatest contributions to driving comfort and safety in recent years, according to D. S. Eddins, president of Plymouth Motor Corp.

"The new Plymouth gives you roadability never before offered in any car," he said. "There is no necessity for steering-wheel fatigue to control the car on difficult roads. The driver is no longer required to focus full attention on the condition of the road. He may be more watchful of oncoming traffic, pedestrians, curves, crossroads and other potential hazards."

Eddins called the new development a major step toward restful motoring. More confidence is gained by driving or riding in a new Plymouth with the "Safety-Flow Ride," and as a result there is less driver and passenger fatigue, he said.

The lines of the new Plymouth have been beautified. An appearance of massiveness combined with smart streamlining is induced by a new grille, beautifully redesigned front fenders and hood, a wider windshield and a larger rear window. Narrower windshield pillars together with the wider windshield provide additional lateral vision. To utilize fully the greater vision through the new rear window, the rear view mirror is two inches wider. The chair-height front seat and the new design of hood and front fenders permit the driver to see the road nearer the car.

In the convertible club coupe the spare tire is mounted vertically as in other coupe and sedan models, rather than on the trunk floor.

To go with the high quality of the upholstery, there is a handsome new instrument panel which features a more convenient grouping of controls, newly shaped instruments and improved coloring and lettering for easier checking while driving.

The wide, deep chair-height seats, the ease of entrance and exit, and all the other traditional Plymouth features for driver and passenger comfort have been retained.

There are 9 body types in the new Plymouth line.

Among the "high-priced car" features which are retained are six cylinders, 97 horsepower engine with a 7 to 1 compression ratio, the combination ignition and starter switch, automatic electric choke, supercushion tires, safe-guard hydraulic brakes, and safety-rim wheels.

W.S.C.S. Met At Church Monday

The Women's Society of Christian Service met at the First Methodist Church Monday afternoon at 2:30 o'clock.

Following a short business session, Mrs. Rigby conducted a candle lighting ceremony. Mrs. Reger, assisted by Mrs. Patterson led the group of fourteen members in an inspirational meditation. Mrs. Prinzing gave the dismissal prayer.

Win Watch Awards for 4-H Work

HANDSOME gold-filled watches were awarded four club members for achieving highest rating in Texas for work in the 1950 national 4-H Dairy Foods Demonstrations, Home Grounds Beautification, Soil and Water Conservation programs, and a Chicago Club Congress trip to one member for state honors in the Farm and Home Electric program.

Leon Langford

Charles Hoelscher

Wilma Strickland

Mary Bendole

Leon Langford, 15, of Farmer County, won state honors in the 4-H Home Grounds Beautification program. In completing the third year of this project, Leon has had much to do in cleaning and beautifying the grounds around the Langford's new house. He has set out 75 shrubs and has learned the names of all. Leon planted 26 varieties of flowers. He has built lawn furniture, a rose trellis and rock garden. Leon has been a club member four years and is secretary of his local and county clubs. At the Farmer County Fair he set up and took charge of a grass exhibit. Mrs. Charles R. Walgreen, donated the handsome gold watch award inscribed with his name.

Of practical and lasting value to Charles Hoelscher, 19, Rowena, is the down-to-earth knowledge gained in the 4-H Farm and Home Electric program, which also won for him highest state honors. His plans for utilizing electricity and electrical equipment on the home farm have resulted in more conveniences and leisure hours. He has applied his knowledge in extensive adjustment, repair, and installation work around home. Perhaps most important of Charles' innovations are an electric cream separator, a more efficient washing machine motor, and thermostatically controlled electric brooder. Westinghouse Educational Foundation, program sponsor, gave Charles a trip to the Club Congress.

A thorough understanding of the importance of dairy foods has been the many new ways to vary the diet by their use, brought top honors to Wilma Strickland, 16, of Chireno, and the team of Mary

All of these activities are conducted under the direction of the Extension Service of the State Agricultural College and USDA cooperating.

Dorothy Burrell Page Morgan

Bendole, 17, of Devine, and Dorothy Burrell, 17, of Castroville. Wilma's prize-winning demonstration was "Making Cocoa." The team demonstrated "Making Boiled Custard." Their project, Dairy Foods Demonstration, is sponsored by the Carnation Co., who presented the watches. The girls admitted that a lot of planning and practicing were necessary before they were ready to give their finished demonstration.

Page Morgan, 17, of Iowa Park, has learned that successful farming depends largely on the soil. In fact, Page has done such a good job in the 4-H Soil and Water Conservation program that he was singled out for top state honors. Firestone Tire & Rubber Co., presented Page with an appropriately engraved gold watch. In mapping out the program for the farm, he made intensive study of different kinds of grasses, hoping that such knowledge would help improve 320 acres of family ranch land. Well-drained marshes and ditches and good irrigation are now the rule. During Page's club career, he served three times as junior leader, and has been on numerous grass judging teams. James Baytes, 14, of Brownsville, also won recognition in the project and received a \$25 U. S. Savings Bond.

Rotary Club

Each Tuesday at Town Hall 12:05 o'clock

Monthly Meeting of Civilian Women's Club Held Wed.

The Civilian Women's Club of S.A.F.B. met at the Civilian Club Wednesday for their monthly covered dish luncheon. Mrs. Bernice Davis, president, presided over a brief business meeting and at that time, Capt. Walter French gave a State of the Union report.

The luncheons are held at 12:30 each 2nd Wednesday of the month and all women of Civilian workers' families are welcome. All civilians working on the base and their families are cordially invited to attend all events of the Civilian Club and a calendar of the Club's activities is made up each month. Tonight (Thursday) is card night. Anyone interested in Bridge, Canasta, or any other card game is invited to come on out and get into a lively game. Friday night at 8 P. M. there is Bingo for the family. Saturday night is dance night, so come on out and enjoy your Civilian Club.

W. M. U. Has Royal Service Program

All three circles of the WMU met at the First Baptist Church for an all day meeting and Royal Service program recently.

The Caudell Circle had charge of the program, and the Mary Martha Circle served lunch to the following: Mesdames W. R. Carswell, B. H. Preston, O. L. Clark, W. B. Short, Jim Ady, V. C. Skipwith, R. E. Carnes, C. L. Polson, C. O. Walling, A. C. Houser, Hattie Buchanan, Vernon Hattaway, Shirley Malone, E. E. Welborn, W. S. Carter, F. M. McMurtry, Fred Stone, Howard, John Brookman, and Oma VanCleave.

During the afternoon session, songs were sung followed with prayer by Mrs. Jim Ady. Mrs. C. O. Walling brought the Devotional service using the topics, "God is Moving Who Can Hinder" and "I Choose You." Mrs. B. H. Preston led the business session.

Card of Thanks

We wish to take this means of thanking all the good people who were so generous to us in lieu of our misfortune. Words cannot express our deep appreciation for the many kind deeds and generous offerings we received. We are truly grateful. Mr. and Mrs. G. C. Beavers, Jr. and Son 25-11P

Community Sing At Church of God

The Community Singers will meet at the Church of God Sunday afternoon from 2 till four P. M.

We are expecting a Colored Male Quartet and other special singing from the colored section. This quartet broadcasts over KELT in Electra Sunday at 5 P. M.

Everyone is cordially invited to attend.

G. C. Rankin was returned to his home Wednesday from the Bethania Hospital where he was taken nearly two weeks ago suffering from attacks of pneumonia and pleurisy.

Council Board Met Friday, Jan. 5th

Mrs. H. C. Gilbert and Mrs. W. C. Gage entertained the Council Board of the Missionary Federation in the home of Mrs. Gilbert last Friday afternoon.

The meeting opened with song and prayer. Mrs. B. L. Turner, president, told of her hopes for a successful co-operative year. Mrs. C. B. Beldon brought an inspiring Devotion-aid service on Stewardship, stressing the fact that Christians should give of their best in talents, service and material possessions to the Lord.

Mrs. H. S. Van Cleave installed the officers with a beautiful and appropriate exhortation to service. These officers are: Mrs. Turner, president; Mrs. H. C. Gilbert, vice-president; Mrs. Neal Hall, secretary; Mrs. Lewis Brocker, assistant secretary; Mrs. R. L. Gragg, treasurer.

During a brief business session, plans were made to continue the service to the State Hospital. This service consists of giving to them magazines, quilt scraps, old radios and clocks. All members are urged to bring their donations to the next meeting. Anyone in town desiring to donate any of these items should contact a Council Board member.

Mrs. Brocker was appointed reporter; Mrs. C. L. Schoch, Bible chairman; Mrs. Beldon, Social chairman, and Mrs. Gage, Card and Flower chairman. Other committees were appointed.

The 5th Monday meeting was announced for the Methodist Church. The next Board meeting will be Friday, February 2nd at the home of Mrs. J. M. Patterson.

Refreshments were served to: Mesdames W. C. Gage, B. L. Turner, J. N. Hall, C. B. Beldon, B. N. Cauthorn, S. S. Reger, J. M. Patterson, H. C. Gilbert, Juanita Smith, A. R. Bunting, C. L. Schoch, Mrs. H. S. VanCleave and Oma.

Dr. Dougherty Guest Speaker for Parents-Teachers

Dr. James Dougherty, Dr. of Elementary Education will be the featured speaker at the next meeting of the Hardin Parent-Teacher Association on Wednesday, January 17th at 3:30 P. M. in the Grade School auditorium.

Dr. Dougherty, an outstanding leader in his field, will speak on "How Valuable Report Cards," which will be of great value to parents of grade school children.

As additional entertainment, the Junior Band will be presented in concert under direction of Max Stanaland.

Loan Terms Make it Easy to Reroof Home

Credit regulations for home repairs, alterations and improvements remain liberal despite the recent restrictions imposed by the government on loans for new housing.

Actually, it is easier to put an asphalt roof on your home than it is to buy a new refrigerator so far as the credit controls are concerned. A minimum down payment of only 10 percent is required for home repairs and the home owner has 30 months to pay the balance. The minimum down payment for a refrigerator is 15 percent and the balance must be paid in 18 months.

Under Regulation W, which governs loans for home remodeling, the home owner may spend up to \$2,500 on a single contract. The low required down payment of 10 percent plus the long period permitted in which to pay the loan makes it easy for the home owner to finance improvements, thus protecting and increasing the value of his investment. With the tighter restrictions on new housing, it becomes even more essential that existing homes be kept in good repair.

There is nothing complicated about obtaining such a loan. The home owner simply arranges to borrow the amount he needs from his bank or other lending agency. The loan is guaranteed by the Federal Housing Authority to encourage lending agencies to extend loans for remodeling and repairs.

Suppose, for example, a new roof is needed. The chances are an asphalt shingle roof will be selected because it is economical, fire-resistant and colorful.

If the price of the new roof is \$350—including the cost of applying it—a down payment of only \$35, or 10 percent, will be required. Small monthly payments, little more than \$10.50, will take care of the balance of \$315, spread over a period of two-and-a-half years.

Tuesday night, January 2nd. Mrs. Martin, vice-president, and program chairman, assisted by the members, presented a program on "Our Responsibility Toward the Giver of All Gifts."

The hostess served delicious refreshments to Mrs. Ray Hill, Mrs. Madell Ellis, and Misses Mary and Ann Graves.

Virginia Sheriff To Show Works In Amarillo Sunday

The "Seven Days of Creation," finger paintings by Mrs. Virginia Sheriff, have gained enough publicity that an invitation has been extended from the Ministerial Alliance and Pressmen for a private showing at the Capitol Hotel in Amarillo Sunday afternoon at four o'clock.

Due to the message and potency of the Narrative written by Mrs. Ann Minga, along with the inspiration of the paintings themselves, Mr. Jack Swartz of Amarillo is managing the showing.

Numerous Clubs and organizations in this area have been privileged to view these inspirational paintings.

PEACE

Read Philippians 4:1-9
"And the peace of God which passeth all understanding shall keep your hearts and minds through Christ Jesus". V. 7.

- 3 steps to peace of heart:
 - Invite the Prince of Peace into your heart.
 - Pray and read God's Word daily.
 - Think on these things:
 - Monday—Things that are true.
 - Tuesday—Honest things.
 - Wednesday—Things that are just.
 - Thursday—Things that are pure.
 - Friday—Lovely things.
 - Saturday—Good reports.
 - Sunday—Think of all six things.
- Repeat next week and over and over until each become a part of you and your character. Result: "The God of Peace shall be with you". V. 9.

Navy Galleys Produce Bountiful Meals

United States Navy ships have galleys equipped to serve bountiful portions of nutritious food. Here the chef has breakfast cooking on range surface while the poultry for later in the day is already in ovens.

This all-electric cooking equipment made by Hotpoint is in the use of more than 90 per cent of Navy ships. Meanwhile, these units as spotless as in your own home are being placed in leading restaurants, hotels, hospitals and schools throughout the nation.

Hotpoint is now producing this equipment in bright colors with automatic control of all cooking units. It formerly came in black. Just as in the home, where thousands of the domestic units of these all-electric kitchens are in use in restaurants they are "show places" where assembly-line food production meets requirements. The kitchens of this leading manufacturer have been used by the Navy continuously since 1914.

OUR DEMOCRACY — by Mat

WITH OUR OWN HANDS

THERE IS AN EXTRA ZEST, A GAIN IN PURPOSEFUL LIVING, WE AMERICANS ALL SHARE IN DOING THINGS FOR OURSELVES. "HOME-BUILT" ALWAYS GIVES A GREATER SENSE OF ACCOMPLISHMENT AND PRIDE THAN EVER COMES FROM "BOUGHTEN THINGS."

WHAT IS TRUE OF THE THINGS WE USE AROUND THE HOME IS ALSO TRUE OF THE LARGER PATTERN OF OUR LIVING, OF GETTING AHEAD THROUGH OUR OWN INITIATIVE — OF BUILDING SECURITY FOR OUR FAMILY THROUGH OUR OWN THRIFT — AND OF RAISING OUR CHILDREN IN THE WAYS AND RESPONSIBILITIES OF OUR DEMOCRACY.

PROPER LIGHTING
fills your home with Brighter Living

FAMILY life centers around bright and shining lamps, so, for more pleasant evening hours, be certain that correct lighting fills your home. It adds cheer and sparkle to every room . . . announces to your family and friends that hospitality is always there . . . and most important, protects precious eyesight.

See your favorite dealer's display of modern lighting equipment . . . choose new lamps and enjoy brighter living!

A TESTING TIME

YOU IN THE CHURCH THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you"—form a combination for good. Be a regular CHURCH-GOER and a daily BIBLE READER.

Is Time to Re-roof Orchard

It is the time to plan and re-roof your orchard for 1951. Orchard owners should be sure to check out orchards for sure signs of disease and parasites. Most fruit trees are susceptible to cottony scale and you should never plant in an area where cottony scale has been present from this disease. Cottony scale is one of the most serious parasites to look for on the plants where you set out the trees to see if they have head-like growths on the roots. This would indicate the presence of these small insects. If they are present in this area, it is

good to watch and not plant on other orchard sites since usually the other stumps harbor diseases. In selecting the site watch for good water and air drainage. Most successful orchard growers have found that planting on a slight slope to the north provides good water as well as air drainage. Cold air like water settles to the lower spots. Also a north slope usually catches the north winds helping to hold the plants dormant until the late spring. Sandy loam soils usually provide the best type of land for orchards, however other soil types can be used. For further information contact Max Carpenter, county agent, in Wichita Falls or your local agricultural teacher.

Printing at its best—Call 52

Army Re-Roofs for Defense

One of the important jobs in the rehabilitation of army camps has been the re-roofing of many of the buildings. This scene at Camp Roberts, near Paso Robles, Calif., is typical of what has been going on at various training camps which have been reactivated since the nation began to expand its military services several months ago, after the outbreak of hostilities in Korea. The workmen are applying asphalt strip shingles, the same material used to protect the majority of American homes. Either in reconditioning old barracks or constructing new ones, asphalt shingles offer advantages which the armed services consider important. First of all, speed is essential in prepar-

ing quarters for the thousands of men who are entering the Armed Forces every month through Selective Service, and for National Guardsmen and Reservists called back to active duty. Asphalt shingles can be applied quickly, whether it be over old roofing material or new construction. Fire resistance also is a safety factor which cannot be overlooked in protecting the lives of thousands of men closely-quartered in cantonments. As the nation's Defense program swings into high gear and the Armed Forces continue to grow toward the goal of 3,600,000 men set by President Truman, a corresponding increase will be required in the bases operated by each of the Services.

Farmers Should Place Orders Now For Cotton Needs

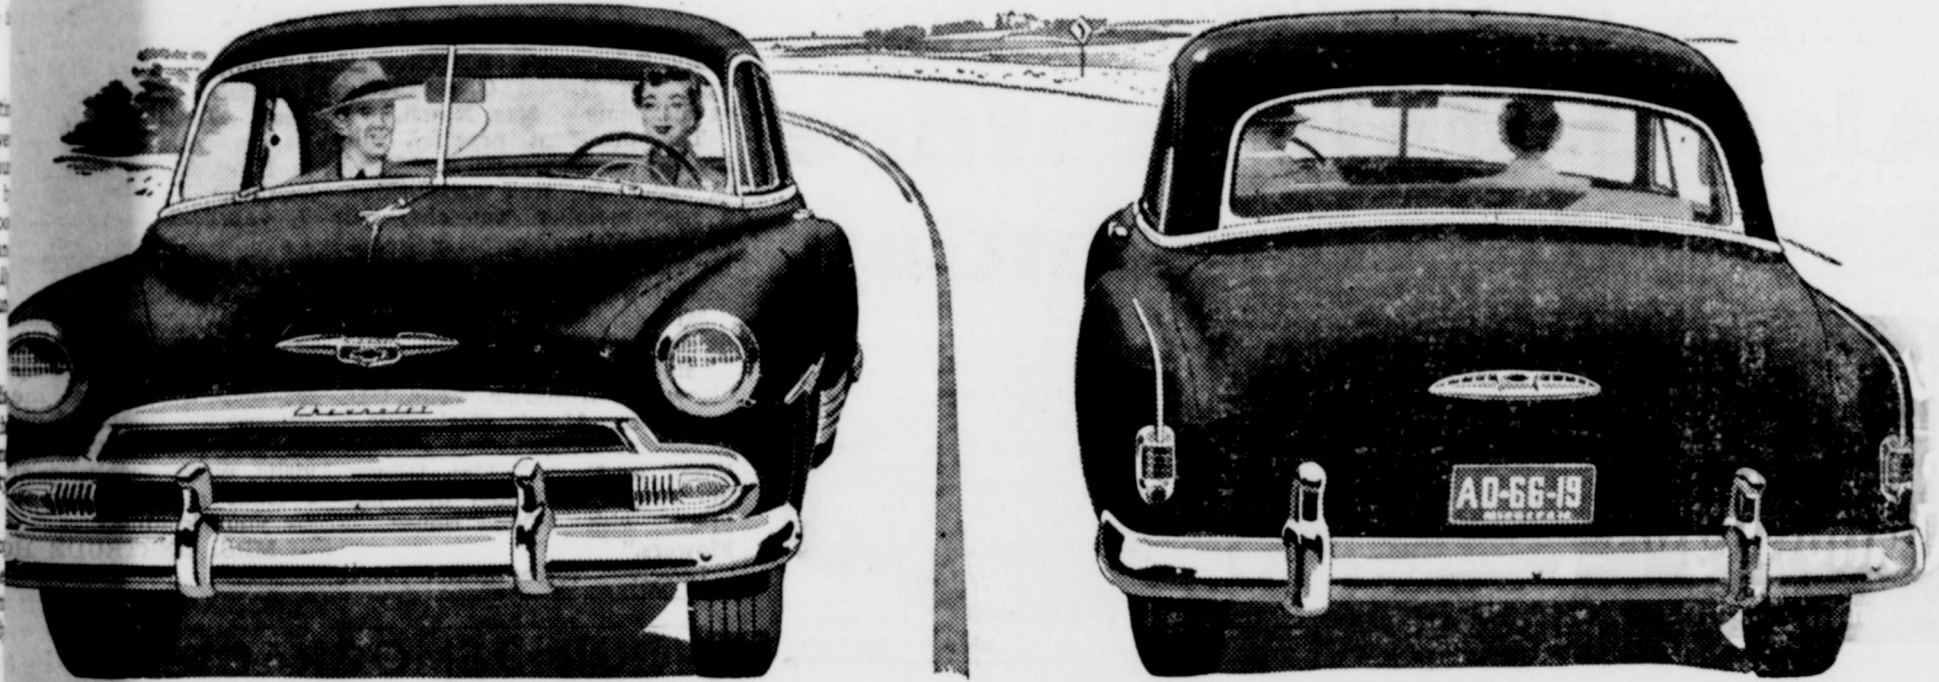

With the nation's military needs calling for more cotton, farmers are expected to receive

high prices this year and are urged to place orders now for planting seed at Farmers Co-op. Gin, G. W. Fleming, manager, stated today. "Seed supplies for planting purposes will be short in some areas, especially of some varieties," Fleming said. "If farmers will anticipate their needs now and place orders early, these demands will be reflected down the line and we will have a better chance to get needed supplies."

Wedding News Announced Here

Mr. and Mrs. J. M. Pogue announce the marriage of their daughter, Jeanie, to S-Sgt. Gaylen Gene Manley, which was an event of September 18th, 1950.

Due to the unsettled war affairs, their plans are uncertain at this time. Sgt. Manley is on shipping orders and Mrs. Manley will be at home with her parents for the present.

Jeanie is a Senior student at Midwestern University while Sgt. Manley, whose home is in Omaha, Nebraska, is stationed at S.A.F.B.

Cpl. and Mrs. Ferdy Blessing were the couple's only attendants.

Prizes Awarded In T-B Poster Contest

Prizes were awarded by the T-B Association last week to winners of the local T-B poster contest, which was directed by Mrs. Virginia Sheriff, local chairman. Winners were awarded pen and pencil sets. According to Mrs. Sheriff, the posters titled "Stamp Out T-B" were unusually well done and the imagination expressed was exceptional.

In the Hardin Grade School, John Ray was the first place winner in the First Grade, with George Lee and Shirley Ann Reynolds receiving honorable mention. In the Second Grade, Lewis Sanders placed first and honorable mention went to Billie Earl Nixon and Cathy Faye Slabaugh. Third Grade winner was Margaret Franks, and Barbara VanLoh and Woody Elrod, honorable mention. Bobby Grant Turnbow placed first in the 4th grade, and Patricia Anne Clack and Donald McCullough received honorable mention. In the Fifth Grade, Doyce Walker was the winner with honorable mention going to Kerry Clack and Mike Hoffman.

In the Colored School, Atho Ayres of the Fifth Grade and Floyd Locklin of the Third Grade both received first prizes and honorable mention went to Arther Gene Evil of the 4th grade.

Note of Appreciation

May I take this opportunity of pressing my thanks and appreciation to my many friends for their kindness to me during my recent illness. Your thoughtful cards, thoughtful visits were deeply appreciated. I shall always remember your kindness. MRS. GERTRUDE BURNETT

OUR DEMOCRACY DEMOCRACY - A Year-round

ON JANUARY 7, 1789, GEORGE WASHINGTON WAS CHOSEN PRESIDENT IN THE FIRST NATIONAL ELECTION IN THE US THAT EVENT MARKED THE FORMAL LAUNCHING OF OUR REPUBLIC AND BROUGHT INTO ACTION THE DEMOCRATIC PROCESSES WHICH, OVER 161 YEARS, OUR PEOPLE HAVE BUILT FOR THEMSELVES THE MOST SUCCESSFUL ECONOMIC AND POLITICAL SYSTEM THAT MANKIND HAS KNOWN.

SO LONG AS OUR PEOPLE RECOGNIZE THAT THE RESPONSIBILITIES OF CITIZENSHIP ARE CONTINUOUS, EMBRACING PARTICIPATION THAT GOES BEYOND MERE VOTING -

SO LONG AS OUR GOVERNMENT HOLDS ITSELF CONTINUOUSLY RESPONSIVE TO THE NEEDS AND DESIRES OF THE PEOPLE, OUR DEMOCRACY WILL CONTINUE TO GROW FREEDOM, IN POWER AND IN OPPORTUNITY
