Burkburnett Garden Club to Meet With Mrs. Carl Morrison

Members of the Burk Burnett Garden Club will meet Wednesday, January 31st for a luncheon at the home of Mrs. Carl Morrison with Mrs. J. M. Pogue and Mrs. Joe Majors as co-hostesses. Officers will be elected at this meeting.

Card of Thanks

We wish to thank our many friends for their kindness to us while we were convalescing from our car accident. Your many thoughtful cards, flowers, letters and visits were deeply appreciated. We will always remember your kindly interest. Mr. and Mrs. Bill Bundy, Jr. 27-11C

Mr. Oles Stoffer of Devol, who has been a patient in the Wichita Falls Clinic for the past two weeks, is doing nicely and has been moved to the home of his daughter, Mrs. Jack Jeter, 1705 Kemp Blvd. in Wichita Falls. He deeply appreciates the visits, cards, flowers and interest from his many friends, and hopes to be back with them before long.

Mrs. Troy Miller is spending the week in Fort Worth. Mrs. Ray Mills of Electra visited here Saturday.

Cauthen Circle Met For Quilting Mon.

The Cauthen Circle of the WMS met Monday, January 22 at the home of Mrs. Hattie Buchanan for a quilting and regular meeting.

After opening the meeting by singing "Blest Be The Tie," Mrs. McMurry gave the Devotional service, "Ye Shall be my Witnesses," using Acts 1 and 8 and Deut. 11 and 12. Mrs. Polson taught a portion of the Missionary Book, "So This Is Africa."

Mrs. James Johnson directed a business session at which time the group voted to change the name of the Circle to the Baker Circle, in honor of our present Missionary to Brazil, Martha Baker.

Two quilts were quilted for the Baptist Orphan's Home. An all day quilting will be held next Monday at the home of Mrs. Jimmy Johnson. The meeting closed with sentence prayers.

Present were: Mesdames C. O. Walling, Jim Turner, H. E. Welborn, Henry Ferguson, O. L. Clark, C. S. Polson, J. A. Johnson, J. L. Smith, W. J. Wright, C. D. Gee, C. D. Mullins, Mrs. Buchanan, and the WMU president, Mrs. F. M. McMurry, Mrs. Jim Ady and Mrs. Guy England.

Huck McDonnell Cooks Reeves' Goose

Many times you've heard the expression that someone had his "goose cooked". Clyde Reeves knows how its feels to have his goose cooked, for Huck McDonnell did just that.

But, the ending was a happy one for all concerned. Recently Mr. Reeves went goose hunting and was fortunate enough to get a big honker within his gun range. He brought him down and treated some friends to a delicious baked goose and duck dinner at the Palace Cafe last Thursday night. Dressing, gravy, apple salad, mashed potatoes, peas and corn, hot rolls and butter and coffee rounded out the menu.

Those enjoying the hospitality were A. C. Reeves, C. A. Morgan, Roy Mitchell, J. L. Caffee, Bill Vincent, Carlton Royce, Dr. Philip A. Carpenter, Harry C. Dodson and Paul Browning.

Sheriff Ham Vance Brings Program to Rotary Club Tues.

Sheriff Hammett Vance, the guest of program chairman B. H. Alexander, entertained members and guests with a moving picture, showing activities of the U. S. Air Force in Korea. President Ted Harwell presided over the meeting, Ralph Davis gave the invocation.

W. P. Boydston introduced the following visiting Rotarians from Wichita Falls: Andy Andrews, Oral Jones, Ray Garrett, C. H. McClellan, Bart Dorbandt, Jack Carter and Jim Barnett. Arthur Tipps was guest of Mr. Barnett. Also introduced were Dr. A. G. Steele, guest of Carl Morrison, Howard Clement as guest of Ted Harwell, and Geo. Willingham, guest of B. H. Alexander.

President Harwell presented Dr. J. A. Davey as a new member of the club.

Members absent were: Tom Britton, Morris Bookbinder, Geo. McClarty, Clyde McDonnell, P. A. Wiggins and Gene Robertson. Don Short will bring the program next Tuesday.

Bob Laney Painfully Burned

Bob Laney of Houston, Texas was painfully burned when a lantern exploded in his face two weeks ago. Suffering burns on his face and hands, Bob is reported to be doing nicely and when he is dismissed from the Ellington Field Hospital, he and his wife will come to Burk Burnett for a visit while he is convalescing.

Mr. and Mrs. Wayne Landrum and son of Odessa visited Mr. and Mrs. Wallace Landrum Monday.

Mr. and Mrs. Morris Bookbinder attended the Market at Fort Worth and Dallas, Wednesday and Thursday. Mr. and Mrs. C. C. Gilbert and Mr. and Mrs. P. A. Wiggins were Fort Worth visitors Sunday.

A Big Grateful Thanks for A Job Well Done

It took lots of effort and work on the part of many people, and that is exactly what put our Polio Drive over this year. I am sure that most every one realized last Monday night, between the hours of 7 and 8, that our Polio campaign was properly captioned this year: Mothers March On Polio, because Mothers were really out getting the money so badly needed to fight Polio. Many thanks to every one, from Polio patients here and all over the U. S.

NOT TOO LATE TO CONTRIBUTE

In a campaign of this kind, it is very possible that some might have been overlooked. If this happened to you, we apologize, and ask that if you were passed, that it is not too late to turn your contribution in to any Mother, and she will see that it gets in the pot.

Thanks,
GEORGE McCLARTY, Chairman

Poll Tax Paying At All-Time Low Says Ray Hill

Ray Hill, at the Chamber of Commerce Tax Office, is worried about the poll tax situation in Burk Burnett. According to Mr. Hill, practically no one has purchased their receipts to date.

Tanda Camp Fire Girls Had Meeting

The meeting was called to order by the president, Rosemary Roark. The secretary called the roll and asked for dues. The dues amounted to 66c.

Our leader, Mrs. Mills, made some rules for us to go by. They were: fine for missing up the floor, general discussion, no eating, too much talking.

Janice Henry gave a discussion on "Traffic Rules."

Carol Germany gave a discussion on "How to Make Money."

The songs were lead by Pat Bernethy, Patsy Austin and Marilyn Felty. The songs were: "The Tennessee Waltz," "Snowball," and "God Bless America."

For our games we played Tea Pot.

The meeting was adjourned by the president.

Odd Fellows Install Officers Tuesday 23

On Tuesday evening, January 23rd, Burk Burnett Lodge No. 747 met in regular session with R. R. Alvey, Noble Grand, presiding. A short business session was disposed of and the meeting was then turned to District Deputy Grand Master, A. C. Chamberlain, Lodge No. 105 in Wichita Falls for the installation of officers.

The meeting was assisted by: D.D.G.M., J. H. Cecil; also D.D.G.S.W., O. A. Meyer; and D.D.G.C., Willis Bartley; D.D., G.I.G., Roy Millikin, and D.D., G. Secretary, B. A. Browning.

In a very impressive ceremony the following officers were installed: O. B. Wofford, N. G.; O. M. Shriflets, V. G.; DeVon T. Smith, Secretary; L. A. Hatch, Financial Secretary; L. O. Landers, Treasurer; C. R. Jones, Warden; B. A. Browning, Conductor; O. E. Meyer, Chaplain; Roy Millikin, R.S.N.G.; Dr. C. T. Bradford, L.S.N.G.; Willis Bartley, R.S.V.G.; and Joe Giles L.S.V.G.

The Noble Grand expressed his thanks for the office and pledged himself to do everything possible for the betterment of the Lodge. The Vice-Grand also voiced his hearty cooperation and thanks. Many good talks were made, each expressing appreciation for the new hardwood floor having been laid in the hall.

Refreshments were served to 14 members and a visitor, L. E. Cole, from Lodge No. 4, Chickasha, Oklahoma.

New "Dodee" On Display Saturday

Have you seen the DODEE? Last Saturday the Browning Brothers at Burk Burnett Motors held open house with a showing of 1951 Dodge cars. That is, they thought they had two Dodge cars, but as it turned out they had one Dodge, a beautiful four-door green job, and a red job, which looked like a Dodge, but the name plate on the front didn't say it was a Dodge. It was labeled DODEE, much to the embarrassment and disgust of Paul Browning, who takes his Dodges seriously.

In assembling the letters for the name plate, some factory worker either forgot how to spell Dodge or was too lazy to take an extra step to the "G" box for the correct letter.

DODEE or Dodge, the cars were beautiful, and Paul says that when he gets a "G" he can transform the DODEE into a real car in a minute or two.

J. S. Mills Replaces Herb Minga In Red Cross Assignment

J. S. (Sloan) Mills was elected to replace T. Herbert Minga as 3rd Vice-Chairman of the Red Cross Executive Board of the Wichita County Chapter.

Mr. Mills and A. H. Lohofener attended a Board of Directors meeting in Wichita Falls Tuesday. The County quota for the Red Cross fund drive has been set at some \$85,000. Burk Burnett will be asked to raise a part of that quota, but at this time, the amount has not been set.

Mr. and Mrs. Milford Have New Grandson

Mr. and Mrs. Floyd Milford were elated last week when they received word of the arrival of their first grandson.

Guy Barrett Young, son of Mr. and Mrs. Frank Young, arrived at 8 P. M., January 18th. He weighed 10 lbs. and 11 ozs. Mr. and Mrs. Young, former residents of Burk Burnett and Lubbock, now live at Ames, Iowa. Mrs. Young is the former Ramona Milford.

Mr. and Mrs. Milford have three grand-daughters, Margaret Franks and Joan and Lynn Du Boy.

Card of Thanks

We would like to take this means of expressing our grateful appreciation to those who so kindly came to our assistance at the loss of our home by fire. We would like to thank the Volunteer Fire Department who worked so efficiently and to those who helped us through their donations. To anyone who helped in any way, please accept our sincere thanks.

LOOKING FORWARD

Fear hits us as the horrible situation in Korea becomes worse. We are almost paralyzed by the accounts of what is happening to our boys over there. We may seek to lessen our distress by entering into the activities that help take the mind off the subject. But we cannot get away from our dismay, our bitterness. We place the blame on many individuals, groups, parties, which for the moment may make us feel better. The military leaders too, are filled with deepest anxiety. Evacuation and "an orderly withdrawal" are words used in Washington dispatches. Heavy losses and disaster, taking a firmer stand and "unfit for combat", all are words that dig into our consciousness and we fear. All is a bayonet charge at the heart, if you are a parent of a boy "that age".
Now comes word from our officers in Korea that "we can stay here as long as the UN deems necessary." Perhaps we can. We only hope the final accomplishments are worth the sacrifices.

Texas. Last summer, when it was raining almost daily, an old timer at Stamford, in Jones County, said it would stop raining in September and rain no more in 1950. He was right. He also said the total rainfall for that good farming area would barely exceed two inches all during 1951. It hasn't rained there yet in 1951. Only time will tell whether his prediction is true.

And, taking snatches from your Old Farmer's Almanac, the predictions for 1951 are for plenty of cold and snow for January and February that will stay well into March. "The last three weeks of March will have nothing in them which can be spoken of favorably except they brought us three weeks nearer spring." So, button up your overcoat or keep it handy, and look to your heating bills.

THERE WAS A TIME

Once upon a time there was an art that has become neglected, has faded into the limbo of things passed. It was the old time art of fire-building, a process that took ability in the laying and kindling of fires in the country's grates and fireplaces. In our area the youngsters know nothing of that art—thanks to natural gas. They know nothing of the coal or wood range for cooking, the "pot-bellied" stove in the parlor or "sitting room." Those of us who remember the work of cutting wood, building fires and carrying out ashes are wondering just how long we will be able to enjoy the pleasures of our natural gas, with automatic controls and cleanliness. Billions of cubic feet of our precious resource are being piped out of Texas, tax free and at a ridiculously low price. The state is losing millions of dollars and its convenient, economical fuel—natural gas.

SOIL CONSERVATION NEWS

More than 2,000 farmers and ranchers will converge on Oklahoma City, February 20, for a three-day conference devoted to the one interest common to all of them—conservation of the nation's soil and water resources.

The occasion is the annual convention of the National Association of Soil Conservation Districts, expected to attract the elected leaders of soil conservation districts in all parts of the nation and from its territories.

Oklahoma City's central location, increasing interest in soil conservation, and the key post occupied by agriculture in the nation's defense picture are factors which make Waters S. Davis, Jr., association president, confident that attendance at this year's meeting will top the 1949 Atlanta convention figure of 1,500 by at least 500 persons.

Davis, South Texas cattle rancher, and other association officers have arranged a varied and comprehensive program which includes speeches by Secretary of Agriculture Charles F. Brannan on the convention's opening day, and Dr. H. H. Bennett, chief of the U. S. Soil Conservation Service, on February 22nd.

The program also includes meetings devoted to regional soil and water problems, panel discussions led by nationally recognized conservationists, also presentation of achievement awards, election of new officers and directors, and a full round of entertainment for delegates and their wives.

Slated at a time when the American citizen is openly concerned about the prospect of world conflict and what it could mean, the convention promises to be a brass tacks, "do something" affair.

The work of soil conservation districts in developing a more dependable wartime agriculture, the speeding up of the job of protecting and improving the nation's productive land, and water conservation and river basin development—these are among the problems to be discussed by the convention delegates.

Commented President Davis, "I am counting on every delegate to roll up his sleeves and help us plan working policies. With the present international situation, these policies will help gain recognition of soil conservation districts and their program as one of the most important elements of our long range national planning."

Visitors interested in agricultural flood control may see an outstanding example of this work on the Washita River watershed in Oklahoma. Many thousands of acres of Washita River bottomland that were unprofitable are now turning in a profit as the result of the protection they are getting. And in the other aspects of soil and water conservation, Oklahoma offers the visitors a splendid chance to see the effectiveness of many other co-ordinated practices, which keep soil in place and provide for continuing soil improvement.

Soil conservation district leaders in Kentucky and North Dakota already have announced that their states will be represented by chartered bus delegations. And Nebraska, which topped other delegations at last year's meeting, is expected to bid again for the honor.

As the reservations continue to flow in, Oklahoma City hotel and tourist court operators are taking another count of guest facilities and wondering just how large the February invasion will actually be.

The local leaders of the nation's program to use soil and water scientifically will have headquarters at the Skirvin Hotel and hold convention sessions at Municipal Auditorium.

It is not known at the present time the number of farmers and ranchers from the Wilbarger-Wichita Soil Conservation District who plan to attend this meeting, but it is hoped that the district will be well represented.

Mr. and Mrs. Charlie Awalt and their two children of Fort Worth were guests in the R. H. Henry home over the week end.

Mr. and Mrs. D. R. Peevey of Austin and Scranton Peevey of Sheppard Field visited friends here last week end. Mr. and Mrs. W. A. Roberts, Mr. and Mrs. J. C. Adams, Dr. Carl Morrison and the Peeveys enjoyed dinner at the Palace Cafe Saturday noon.

Grace Lutheran Church

ANNOUNCEMENTS
3rd at Avenue E
R. L. YOUNG, Pastor

Divine worship is conducted each Sunday morning at 11 A. M. with Sunday School and the Adult Sunday morning Bible Class at 10. We make it a primary concern of life to partake regularly of life to feed our souls the bread of Life, the spiritual food we must have to gain strength for a life pleasing unto God. In church each Sunday morning, in the worship services as well as in the Sunday School and Adult class, is such spiritual food served. If you have no church home in this vicinity, we invite you to attend services in our church. Lent is that portion of the Church Year which commemor-

ates the suffering and death of our Savior Jesus Christ for our sins. Grace Lutheran Church will observe the Lenten season with special mid-week services, in which our attention will be focused on Christ who suffered and died on Calvary that we might have forgiveness of our sins and peace in a troubled and warring world. We invite you to attend these services and meditate with us upon the events and persons of the Passion Story. These hours of worship will be held on Wednesdays during the Lenten Season, each service beginning at 7:30 P. M. The first of these services will be held on Wednesday, February 7th.

The Sunday School teachers meet each Thursday at 7:30 P. M. in the pastor's study, and the Adult membership class, for this coming week only, will meet Tuesday evening at 7:30 in the pastor's study. The regular meeting night of this class

is Monday night. The Ladies' Missionary Society meets the second Thursday of each month at 2:00 P. M.

Mrs. C. M. Archer returned Saturday from Louisiana where she has been visiting her sister and family.

Right Under Our Nose

Sometime back, we got word from the Governor, asking if we wanted to use the State Fire Inspection Team—a group of experts they send around to communities to inspect public buildings.

We sent a letter saying: "Okay! Give us the once-over!" They came down, all right—last week.

After the inspection, we got their report. Came out pretty well, all told. Town Hall and the School were O.K. Post Office just needed more sandbuckets. In fact, everything got a clean bill of health, except—the Fire Station!

Sharing your interest in photography makes it more fun.

Photography: An Interest for the Whole Family

BEST in photography is something that can be shared by the members of the family. Husbands and wives find it a mutual hobby. This was proved by the entries in the recent Newspaper National Awards in which there were several cases of husbands and wives both having pictures reach the judging.

A couple, who together had pictures in the national competition, first became interested in photography about three years ago. One knew much about photography, so they read what they could find on the subject in the public library and magazines. Beginning with a camera, they did their developing and printing in the kitchen. Three years later, they're using a press-type camera and a special darkroom in their home.

Picture taking has now become a family hobby. The couple's three children

are taking a part in it too. The 10-year-old daughter handles her own simple camera very proficiently and is now trying her luck with her parents' press camera. The baby and the 5-year-old get into the act as models.

This couple finds that sharing the hobby adds greatly to their pleasure in it. "We keep each other going," they explain. Both are interested in all phases of photography and take turns with the camera and in the darkroom.

An older couple, who both had pictures in the finals of the Awards, had a slightly different story. The husband has a long history of enthusiastic picture taking, while the wife is a beginner, comparatively speaking. She started two years ago, when her husband, who found her a rather severe critic of his work, challenged her "to do better." I don't know whether she has done "better" or not, but she matched his efforts in the contest.

SPORTS AFIELD

By Ted Kesting

No man ever gets so good he can't miss an easy shot. Even practice won't make you perfect, but it will help. However, there is no substitute for game shooting to teach a man how to hit game. Clay target shooting will teach familiarity with gun handling and that is about all.

So if you want to become good at field shooting the answer is practice on live game. Work on crows. Shoot coots. Maybe when you get so you can kill five coots in a row you can hit a mallard passing by.

Don't trust everything the "experts" tell you. Ray Holland says it was several years before he learned that poking your gun out ahead of a flying duck is the wrong way to go about getting him in the bag. Any target passing by you must be led. That is where practice counts. No man can tell another how far to shoot ahead; you can not figure lead mathematically. It takes swing and perfect co-ordination of eye, mind and muscle to put ducks down with regularity.

All the really good duck shots I know come up behind their game, pass the target and pull the trigger as they swing on by. Some cover the target and follow it for a split second, then whip the gun ahead and pull the trigger. None of these men stop the gun as they pull. If you stop the gun you miss.

That's because the speed of your swing helps take care of the lead. When you stop as you pull, the duck flies out of danger. How much daylight should you see before you pull? That's up to you. No two men shooting together may agree on this. If your bird doesn't come down on the first shot try more daylight on the second. It is rare for a gunner to shoot too far ahead of waterfowl.

Many men have trouble with birds flying directly overhead. A bird in such flight always looks higher than he really is. It is a comparatively sure and easy shot once you have mastered the technique. Shoot him directly overhead if you think he is over 35 yards high. Bring your gun up from behind him and just as he is directly above you, blot out the bird and whip the gun ahead as you pull the trigger.

Washington News Letter

Congressman Ed Gossett

Washington, D. C., Jan. 19—Our first weekly news-letter for this session of Congress. Henceforth, these letters prepared on Friday of each week and mailed to all in our District.

In any speeches and letters for months, I have stated that our country was in grave danger. I must now state that (1) economic stability, (2) military invincibility, and (3) the Communist program are the three main threats to our country. We hope we can extend our supply lines and our military strength in various parts of the earth. If this does not happen, they hope and expect our country to collapse from within.

Good Americans, of course, are concerned that such will be our fate. However, we must destroy our democracy in order to preserve it.

In point is the proposed National Service and Training Act, which is being considered by the Congress. Defense, Mr. George C. Marshall, is not only a universal draft—universal training at it goes much further. It goes to 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.

This is socialized medicine package. Such commingling of a count-down power was never proposed by anybody at the time of a democratic Congress will not pass the bill, the high brass notwithstanding.

Witness for the Department of Defense on this month has been the foreign-entire Mrs. Anna Rosenberg, Assistant Secretary of Defense in charge of the Department.

November 10, when the son of Mrs. Rosenberg was announced, I made the following statement:

Appointment of a foreign male social worker to be tant secretary of Defense is preposterous. Politics, in a time of national emergency should be secondary, not

primary.

"It is hoped that the Senate will exercise good judgment and refuse to confirm Mrs. Rosenberg. She doubtless is a very fine woman but we have at least 100,000 native-born American men better equipped for this job than she."

While I do not know that Mrs. Rosenberg is the architect of this so-called Universal Service and Training Act, it reads like the work of some visionary, impractical social worker, to say the least.

Congressman Olin Teague, of Texas, heads up a Sub-committee of the Veterans' Affairs Committee, investigating fraud in the GI Educational Training Program. When Congressman Teague's report is published, it will shock and startle the country. Even some of our leading educational institutions have been guilty of swindling the Veterans' Administration of many thousands of dollars.

The House today passed a Resolution calling on the United Nations to brand Red China as an aggressor nation. We should go much further than this. We should stop all trade with Red China and should compel some of our allies to stop their trade with Red China until she makes atonement for her unlawful and outrageous Korean campaign. Furthermore, if and when the issue of seating Red China as a member of the United Nations comes to a vote in the Security Council, America should certainly exercise her veto power. This would be our first veto. It's hard to imagine a more appropriate place in which to exercise this power. Secretary Acheson some time ago announced to the world, and has reiterated frequently, his intention of asking our Representatives not to exercise the veto on Red China, but simply to sit futilely by and abstain from voting. If we do not have the courage and intelligence to punish unconscionable enemies, when within our power to do so, we can hardly expect the respect of either friends or enemies.

HAPPY BLUE BIRDS MET IN LYNKEY HOME FRIDAY

The Happy Blue Birds met in the home of Mrs. G. E. Lynkey January 19th and enjoyed the hour by making fudge and playing games.

Plans were discussed for the Father and Daughter box supper which will be held February 16th at the Town Hall.

In the beginning the Great God created man in His own image. He gave man the Sabbath Day and said "Keep It Holy." He gave man a code to live by, known as the Ten Commandments. Although today THREE of every FOUR people in America are unchurched... He gave man the Church and hoped he would be a worshipper in it, at least, every Sabbath Day. The Cosmic Judge of all the earth will reward our deeds with fairness. Whether to sleep or not to sleep through the hour of worship at your Church each Sunday... that is the question?

Typical of many of the "unchurched group" is the scene above... "The Sunday Morning Sleeper." There is little justification for the habitual "Sunday Morning Sleeper." Man's creation was such that it is necessary for him to gain strength and courage for the battles of life from the influence of the Church and the teachings of Jesus.

Jesus said that "Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God."

A comfortable bed on Sunday morning with radio and a newspaper, wonderful as they are, cannot "tone up" and sweeten a life like an hour of worship in the Church of one's choice. Man needs something luxuries cannot give. He must be fortified for the gruesome tasks which may lie ahead; he must have Jesus on his side.

There is a certain reassurance that comes from the toll of the Church Bell and singing of the choir. Be a worshipper in the pew of your Church every Sunday. "You need the Church... The Church needs you." You'll find her doors ajar. Don't Be a Sunday Morning Sleeper.

In Education • 1876-1951
Our first state college—Texas A. and M. is now
in its seventy-fifth year

"What a man hears he may doubt,
what he sees he may possibly doubt;
but what a man does himself he cannot doubt."

DR. S. A. KNAPP

When Dr. Seaman A. Knapp came to Texas in 1903 to conduct the first successful farm demonstration on the Walter C. Porter farm on Poetry Road near Terrell, he fathered the nationwide system of agricultural extension work which today has county agricultural agents and home demonstration agents throughout the nation and has done much for the development of our agriculture. In Texas today there are such agents working in 252 of our 254 counties. That first demonstration of methods to combat the boll weevil, which was threatening to wipe out Texas cotton, was successful. (The merchants of Terrell had put up a \$1,000 bond to protect the landowner in case it failed.) The federal government took over the work in 1904 and started the expansion which has developed into one of the most successful adult education programs in the world. A strong believer in the value of demonstration, Dr. Knapp always reminded his followers: "What a man hears he may doubt, what he sees he may possibly doubt; but what a man does himself he cannot doubt."

New Plymouth Beautifully Styled

There are beautiful new lines in the new 1951 Plymouth cars. A new grille, redesigned front fenders and hood, and a wider windshield provide an appearance of massiveness combined with smart streamlining. The cars feature unprecedented roadability and riding qualities, and numerous mechanical improvements.

Mounted Square Dancers Go To Ft. Worth Show

Buster Morgan and the Burkburnett Mounted Square Dancers will leave Thursday for Ft. Worth to appear in 19 performances at the Fat Stock Show and Exposition. These famous dancers on horse back are making a return appearance at the Fat Stock Show by popular request. They were at all performances of the show there last year. Miss Wanda Gayle Mills will be on hand too, as Queen from Burkburnett. A day, Saturday, February 3rd, has been proclaimed Burkburnett Day.

Mrs. Lou Ella Eldridge and daughter, Mary Katherine of Borger, Texas, are here for a three weeks visit with Mrs. Eldridge's parents, Mr. and Mrs. G. W. Pemberton of Route 1, Burkburnett.

Dinner guests of Mr. and Mrs. O. B. Wofford Saturday evening were: Mr. and Mrs. Jack Jordan and Frances and Mrs. Lorene Crawford and Pat.

Mrs. Bill Williams left Tuesday to attend funeral services for her aunt in Oklahoma City.

Mrs. Wid Phillips is visiting in Lawton, Oklahoma, this week.

JUST WHAT IS NORMAL?

You often hear "when things get back to normal". But what is "normal", what period is your gauge? If you consider the prices before World War II then as normal for now, we probably will never be normal. Perhaps if we saw into the tomorrows, today would be "normal" times. It may be that living in a state of crisis for so long a period, that state becomes a normal condition. A return to normalcy varies in the opinion of each of us. All we can hope, is that the years to come won't leave this last year a period we will call Utopia.

Gleaners Meet With Mrs. McCullough

The Gleaners Sunday School class of the First Baptist church met in the beautiful new home of Mrs. Ellis McCullough January 18th with Mrs. Fred Hunt as co-hostess. The meeting was conducted by the president, Mrs. L. H. Gilbert, with the opening prayer by Mrs. Fred Hunt. A brief business meeting followed. During the social hour, Mrs. Sara Bell Gilbert asked all who had brought old fashioned dishes and souvenirs to display them. Among articles brought were an old tie pin which was 50 years old, a beaded blouse, an apron, and old time locket with pictures inclosed and an scarf. After the display of souvenirs, games were enjoyed. Refreshments were served to Mesdames Loretta Hunt, Clara Gilbert, Mildred Good, Lela Miller, Stella Pace, Oattie Nixon, Edres Westley, Oldie Gilbert, J. J. Renfro and the hostess, Mrs. McCullough.

Card of Thanks

Words cannot express my grateful appreciation to all who were so nice to me during my recent illness. I wish to thank each department of the First Baptist Church, The Men's Bible Class of the Thrift Church, and everyone who sent cards. Also the Magnolia boys for the beautiful pot plant. They made my days in the hospital seem shorter. May God's richest blessings be on each and everyone.

Methodist Church Circle No. 2 Met In Holt Home

At 2:30 P. M. January 22, the WSCS of the First Methodist Church, met with Mrs. W. H. Holt in her beautiful new home in Meadow Lane. Circle leader, Mrs. J. H. Rigby asked Mrs. R. L. Gragg to conduct the Worship Service. The meeting was opened by all singing "Close to Thee". The subject of the Devotional service was "What Is That In Thine Hand". Mrs. Gragg then read the hymn, O Master Workman of The Race. Mrs. Rigby gave the program unassisted on "Our Responsibility Toward the Giver of All Gifts. The purpose of this program is to present the ideals of stewardship to WSCS so as to quicken in each member a sense of responsibility for the time, possessions, opportunities, and intelligence that are hers. She gave splendid talks on Stewardship of Personality, Stewardship of Education for Health, Stewardship of our Democratic form of Government, Stewardship of the Christian family, Tithing and Expression of Stewardship, and Women's Society of Christian Service. A poem was read on "Life's Stewardship" and Mrs. Gragg offered prayer. Following dismissal, dainty refreshments were served by Mrs. Holt to one visitor, Mrs. Charlie Billingslea and the following members: Mesdames Leslie Tuel, Dave Revier, Jim Pirtle, J. B. Grace, R. L. A BLAST FOR SCRAP

As a general rule we think of scrap as useless waste, as junk. Remember the trouble about our large shipments of scrap metal to Japan? Steel scrap is a vital essential in a key industry. It is waste from steel operations, from iron and steel that junk dealers collect. Scrap goes into all new steel and the finest steels require the most scrap. In charging a blast furnace, the percentage of scrap varies from 50 to 100 per cent, because scrap, having gone through the furnace at least once, contains fewer impurities than new pig iron. The price of steel affects most every phase of our every day needs, so let us be respectful of the steel scrap around the house and barn. It certainly is NOT junk.

Teenager Gets Appetite Back; Thanks Hadacol

HADACOL Supplies Vitamins B₁, B₂, Niacin and Iron Which Her System Lacked.

According to Sara Loraine Beck, Box 253, Coker, Alabama, when a person is only 15 years old and feels terrible, can't eat or sleep the way they should, it's mighty bad. That is the way Loraine says she used to feel, but that was, of course, before she started taking HADACOL. Loraine found that taking HADACOL helped her system overcome deficiencies in Vitamins B₁, B₂, Niacin and Iron, which HADACOL contains.

Here is Loraine Beck's own statement: "I was run-down, sick and skinny, and weighed only 90 pounds before I used HADACOL. I would not eat because I had no appetite. Now I weigh 123 pounds and have an appetite. I feel a lot better. I have been taking HADACOL 10 months and am still taking it. I am 16 years old. HADACOL has done me lots of good."

Civil Defense Set-up Requested

The American Legion called a meeting Monday night, January 22nd, at the Legion Hall, for the purpose of organizing a Civil Defense set-up for Burkburnett.

An outline of a proposed questionnaire was presented by J. T. Brady, who acted as chairman of the meeting. A round table discussion followed, in which all present expressed their views.

It was the unanimous opinion of all present that such an organization should be set up, but that we should wait until the government gave us an outline to follow, so our plan would follow the national pattern.

J. C. Boyd, Jr., stated he had talked to Mayor Harold Jones of Wichita Falls, and Mayor Jones was to mail him a copy of the United States Civil Defense plan, issued by the National Security Resources Board. This copy arrived by mail Tuesday, and these plans coincide with the proposed questionnaire.

J. C. Boyd, Jr., offered a motion, seconded by Hal Mabry, that the City Council be requested by this meeting to give consideration to the need of Civil Defense, and to appoint a Civil Defense director, passed unanimously.

J. C. Boyd, Jr., offered motion seconded by Paul Browning that J. T. Brady be elected to represent this meeting at the next City Council meeting, and make formal request that a director be named.

Mayor Ralph O. Brookshier stated he would call a special meeting of the City Council for Monday night, January 29th.

All present pledged their wholehearted support, and the support of their organizations or churches.

Those attending the meeting were:

E. J. Tatum, Commander of the American Legion.

Hal D. Mabry, Chef de Gare, 40 and 8.

J. C. Boyd, Jr., president of the Chamber of Commerce.

Paul Browning, past president of the C. of C.

Howard Clement, president of the Junior Chamber of Commerce.

J. M. Patterson, president of the Lions Club.

George Byerly, secretary of the Rotary Club.

Dink Lawson, Fire Chief.

Louis Johnson, assistant Fire Chief.

R. O. Brookshier, Mayor.

P. A. Wiggins, City Manager.

Slim Holman, County Commissioner, Precinct No. 2.

T. Lynn Stewart, Pastor First Baptist Church.

Don Mansur, Minister of the Church of Christ.

Ray C. Morrow, Pastor of the Calvary Baptist Church.

Rev. Halbert Allen, Pastor of the Assembly of God Church.

J. T. Brady, American Legion, Temporary Chairman.

The Star is indebted to J. T. Brady for furnishing a report of this important meeting.

Nazarene Church Revival Services Jan. 31st-Feb. 11th

These are good days at our church. Our people have a mind to work. And God is truly blessing us, in every way.

On the last day of this month, we begin a revival, with Rev. Alvin Maule and wife as preacher and singer. Brother Maule is truly one of the greatest boy preachers in our movement. We have known him for many years, and we extend to you a cordial invitation to attend this meeting, which begins Wednesday, January 31st and runs through Sunday, February 11th.

Our services will begin each evening at 7:30 P. M.

Mrs. Marjorie Jane Hill Allen Applies For Graduation

Mrs. Marjorie Jane Hill Allen, daughter of Mr. A. R. Hill of Burkburnett, has made application for graduation at North Texas State College at Denton.

Graduation exercises at NTSC will be held at 3 P. M. on February 1 in the men's gymnasium. Due to the large graduating class, there will be no speaker at the exercises, according to President W. J. McConnell.

Mrs. Allen will receive the bachelor of arts degree with a major in art education. While at North Texas State she was a member of Alpha Rho Tau, an organization for art majors and minors; Future Teachers of America, a national organization for future teachers; Senior Mary Ardens, a woman's literary and social club; and Kappa Kappa, a social sorority for girls.

"Women Rulers" Program Topic for Univ. Study Club

Mary of England, Princess Elizabeth, Julianna of Holland and Charlotte of Luxumberg, were the famous women rulers whose lives were discussed at this week's meeting of the University Study Club.

Mrs. W. H. Holt discussed Mary of England; Miss Bess McGinnis gave the life of Princess Elizabeth of England; Mrs. W. R. Hill's topic was Julianna of Holland and Mrs. J. V. Brookshear gave the life of Charlotte of Luxumberg.

A delicious refreshment plate was served to 15 members and four guests, Mrs. Carl Morrison, Mrs. Glen Bear, Mrs. B. Danforth and Mrs. D. C. Dodson.

Mrs. Will Teal is resting well after undergoing surgery at the Bethania Hospital in Wichita Falls Monday.

The More He BREAKS The More He MAKES

Texas motorists, Texas highways and Texas taxpayers should be protected against the ONE PER CENTERS.

ONE PER CENTERS are truck combinations weighing, loaded, 20,000 pounds or more. Only one of every 100 vehicles registered in Texas pays a license fee for 20,000 pounds or more. FEWER than three out of every 1,000 are registered for more than 40,000 pounds.*

Our highways should be SAFE for ALL the people - individuals, commercial users and the military alike.

Texas highway tax dollars should be conserved and used wisely. This can be done

- (1) by limiting the weight (gross load and axle load) that may be transported legally by the ONE PER CENTERS and
- (2) by enforcing the law against those who persist in overloading.

Texas highways are paid for by and belong to ALL THE PEOPLE. Highways adequate for 99% of Texas users - individual and commercial - can be constructed and maintained for about ONE-THIRD of the cost made necessary by the weight of the ONE PER CENTERS.*

This is your problem. Send for your copy of the booklet, "THE CASE OF THE ONE PER CENTERS," which tells you, among other things, why

Production Credit Ass'n. Had More Farm Loans in '50

Most Texas farmers and ranchers had a very prosperous year in 1950, according to Virgil P. Lee, President of the Production Credit Corporation of Houston, which supervises production credit associations making crop and livestock production loans all over the state. The exceptions are in the Panhandle, where there was a short wheat crop, and in the Corpus Christi and Northeast Texas areas where the cotton crop was almost a complete failure. Lee says the loan figures for the 36 production credit associations reflect the higher cost of production as well as the higher returns from the sale of livestock and crops in 1950. Total loans made during the year were \$137,207,000 in 1950 as compared with \$118,995,000 in 1949, an increase of 15.30 per cent. The number of loans made was 11.53 per cent higher than in 1949. Likewise, cash collections were well ahead of 1949. Liquidation was especially good from cattle, sheep, wool, rice, and from cotton where a good crop was made. Total cash collected by the 36 associations were \$106,286,000 as compared with \$97,790,000 in 1949, an 8.69 per cent increase. Naturally, carry-overs were heaviest in Northeast Texas, the Corpus Christi country, and the Panhandle where crops were short from too little or too much rain. The production credit associations in Texas have just wound up their first year operating wholly on their own without benefit of any government capital, which was all paid back at the end of 1949. Lee states that the associations have had a very successful year, having increased their capital stock from \$9,274,505 to \$10,077,470 and their surplus and reserve funds from \$6,033,228 to \$6,907,084. Of the 36 headquarters offices and 90 field offices of the production credit associations in Texas, 21 of the buildings are now owned by the associations, 7 having been constructed during 1950. Five more are now under construction. According to J. J. Keeter of Throckmorton, President of the Wichita Falls Production Credit Association, most farmers and

Winter Vacation Picture Taking

THERE was a time when the mere mention of the word "vacation" conjured up a vision of summer warmth and brightness—but now vacationing is no longer limited to any one season. Such travel is a year-around activity these days—and that means vacation picture taking also goes on 12 months of the year. Thoughts of summer still enter into the picture, however, because the warm, sunny beaches of the southland are highly favored by wintertime vacationists. If you are vacationing this winter, do plan to make pictures. Of course, whether you do your shooting with still or movie camera, with black-and-white or color film, is entirely up to you. However, many people feel that color transparencies make the best possible photographic vacation record. They feel that the color—plus the greatly enlarged size of the picture when it is projected—enables them to enjoy over and over again the most pleasant moments of their travels. Very often they find in the pictures interesting scenic details that they didn't even notice when they were on the spot. If it is sunny climate picture taking you have in mind, remember to adjust your lens opening to the reflected brightness of sand and water, just as your eyes must adjust automatically. Your eyes change to let in less light under these conditions, so be sure to do the same for your camera. In other words, stop down your lens opening to avoid overexposure. It may be wintertime, but the bright summer beach snapshotting rules still apply under these conditions. For all your vacation snapshotting you'll find an inexpensive, pocket size exposure guide very helpful, which you can purchase from almost any photographic dealer. —John van Guilder

ranchers in the eleven-county area served by the association did fairly well in 1950 in spite of the short wheat and cotton crop. Ranges have been good, and in most of the territory very little supplemental feeding has been necessary. Cattle prices are at an all time high. Garland Eubank, Secretary-Treasurer, states that the association had a good year with about \$42,000 more capital and reserves than a year ago. The association now has \$325,690.00 in capital stock and \$159,887.00 in surplus which has
