and 1/2 Rain Monday Night

first rain of any consequence since last September Monday night. A bit of snow came in October, and melting snow last week some moisture to the dry but Monday night's one and one-half inches of rain was most welcome. The rain is divided as to how much will come out after midnight. Wheat that was all up will be benefited, and grain not sprouted will not, but some doubt if it will have time to make mature

Lions Club

Each Tuesday Night, at Town Hall, 7:00 P. M.

Sloan Mills introduced the program speaker Tuesday night. Judge B. D. Sartin of Wichita Falls, recently returned from Europe where he worked with the Displaced Persons bureau in Germany, brought a very inspirational address. Mr. Sartin toured most of the European countries and the Holy Land. He told of his visits to Rome, Italy and of seeing the ruins of the once world conquering Roman Empire. The Judge said "No war will settle the differences in the world today. Only a strong brotherhood of all peoples can accomplish that." He said that he did not believe that this nation should fail to make itself strong from a military standpoint, but that more time should be spent on religious thinking and principles of The Master followed more closely.

Next week B. H. Preston and Buddy Byars will bring the program. Harry Elliott and Virgil Inman were welcomed as new members. Bob Heiney and Monroe were welcomed as transfers of Hobart, Oklahoma.

IOOF MEETING

On Tuesday night at 7:30 P. M. Lodge 747 met in regular session with the following officers officiating: O. B. Wofford, N. G. Willis Bartley, V. G. Protem: Devon Smith, Secretary; Luther Hatch, Financial Secretary; B. A. Landers, Treasurer.

The sick were reported on, two visitors welcomed and one new member by transfer introduced and welcomed.

After the meeting was adjourned, refreshments were served by Chairman Willis Bartley to 14 members and two visitors from the Air Force Base.

Mr. and Mrs. A. W. McPherson of Goldsmith were visiting friends here last week.

C. A. Gray Makes Unusual Find In Grave of Indian

C. A. Gray, chief Indian Arrowhead and Indian grave hunter in North Texas, has made a very important find. Recently he dug into an Indian grave and found a child's tooth and a great number of beads. He also found Indian skeletons and skulls in crevices along a canyon wall.

Mr. Gray wrote to Alex D. Krieger, Chief Curator of the University of Texas, listing his discoveries and the conditions under which they were found. A letter to Mr. Gray from Mr. Krieger assured him that the baby's tooth along with the beads was indeed very rare but that other such findings established the fact that Indians did sometimes bury children in garments covered with beads.

As for the skeletons in the crevices along rock canyons, Mr. Krieger stated that such burials were probably made in the winter months when the ground was frozen too hard to permit digging a grave.

Mr. Gray has quite a large collection of Indian Arrowheads and other items such as bone and rock fish hooks and needles, hatchets, skulls, beads, etc. At the latest count he had 2463 Indian trade beads and almost 6,000 Arrowheads, many of them as perfect as the Indians could make them.

Mr. Gray intends to ship his rare finds to the University of Texas, to be studied and photographed to enlighten others about Indians who roamed this territory long ago.

Mr. Gray has traveled hundreds—probably thousands of miles—and walked untold distances in his search for Indian articles. He does it as a hobby, and says he has more fun out of it than any one else does from their favorite hobby, be it hunting, fishing or what have you.

F.F.A. Wins Leadership Area Contest

A group of energetic Agriculture Students of Burkburnett High School won top honors in both the District and Area Leadership contest held recently.

The group won over thirteen participating groups in the district in the Junior division of the Junior Farm demonstration. In the quiz contest Burkburnett F.F.A. boys took second place. Those boys included Raymond Schroeder, Cletus Dunn, and Kenneth Sanders.

The district leadership contest was held at Electra, December 9th with all first places participating to go on into the area contest held December 16th at Spur. Then again all first places selected will be eligible to go to the State Leadership contest to be held March 17th at Huntsville, Texas. Burkburnett F.F.A. boys took first place in the area Junior Farm Demonstration. Those on this team who will go to the state meet in march will include James Roderick, Ronnie Morris, Eugene Sloan and Wayne Chambers.

Shown in the picture, left to right, are: Wayne Chambers, James Roderick, Ronnie Morris, Eugene Sloan and Thomas Bell, Instructor. They are standing by a new Chevrolet pickup furnished through the courtesy of Acme Chevrolet Co., for use in their work.

Masonic Lodge to Entertain Eastern Star With Dinner

The Masonic Lodge will entertain the Eastern Star with a dinner at the Lodge Hall Friday night, March 2nd.

Principal speaker for the evening will be Rev. T. M. Jensen, pastor of the First Methodist Church.

One More Week to Pay City Taxes Without Penalty

Those who have not yet paid their City Taxes are reminded that only one more week remains to pay such taxes without penalty and interest.

Deadline for paying City taxes is usually February 1st, but this year the deadline was moved up to March 1st to further accommodate local tax payers.

Women's Society Continues Bible Study Monday

The Women's Society of Christian Service met in the Wesley room of the First Methodist Church Monday afternoon for the third session of the Current Bible Study. The service opened with the group singing, Praise Him, Praise Him, followed with prayer by Mrs. Jensen.

Mrs. Prinzing very ably discussed "Formal and Informal Worship". Mrs. Bunstone led the Worship Service aided by Mrs. Henry, Mrs. Jensen, Mrs. Pilkenton and Mrs. Jones.

Mrs. Paul Browning Will Be Hostess For Garden Club

Members of the Burkburnett Garden Club will meet Wednesday, February 28th at the home of Mrs. Paul Browning on Magnolia Street. The study will be on Perennials, Annuals and Bulbs.

Rotarians Enjoy Variety Program From S. A. F. B.

The regular noon meeting of the Rotary Club opened last Tuesday with Cliff Wampler leading the group in singing the first verse of America. Alvin Hill gave the invocation.

Morris Bookbinder, program chairman, presented an entertaining variety program arranged through the courtesy of Capt. Staton of the Personnel Services office at Sheppard Air Base. Mr. Bookbinder introduced Pfc. Robert R. Parkinson, who served as emcee for the program. Several musical numbers were enjoyed by members of the Muskat, after which Pfc. Laurel Hanson sang a few ballads and popular numbers with self accompaniment on the guitar.

Pvt. Bevely Bergeron wound up the clever program leaving members and guests baffled with his tricks of magic.

Paul Browning introduced Paul Herman of the Ft. Worth Rotary Club, W. B. Hamilton, Will Duncan, Syd Gaines, O. T. Freeman, Ray Garrett, T. C. Scott, Jack Carter, and Andy Andrews from Wichita Falls.

Mr. Andrews brought W. T. Holman as his guest. Morris had as his guest, Mrs. Bookbinder.

Absent members included Ralph Davis, Francis Kauer, Barney Landers, and Geo. McClarty.

Next week W. P. Boydston will bring the program.

The Unity Garden Club met Tuesday, February 21 in the home of Mrs. Ralph White with Mrs. Joe Dunham and Mrs. B. A. Landers co-hostesses.

Mrs. White presided over the business session in the absence of Mrs. Patterson, president.

The following officers were elected for the coming year: Mrs. Troy Miller, president; Mrs. Ralph White, vice-president; Mrs. Tom Holman, secretary; Mrs. C. R. Chambers, Treasurer.

Mrs. Tom Holman, program leader, presented Mrs. W. H. Cross, who talked on Winter table arrangements; Mrs. F. M. McMurtry told when and how to prune; and Mrs. C. W. Boyd, talked on when and how to plant pansies.

Delicious refreshments were served to: Mesdames B. H. Alexander, J. W. Alexander, C. W. Boyd, C. R. Chambers, W. H. Cross, A. L. Gilbow, R. C. Gilbow, J. B. Grace, J. C. Hinkle, Tom Holman, F. M. McMurtry, Troy Miller, W. B. Short, V. C. Skipwith, R. W. Kent and the three hostesses.

Mrs. Wid Phillips has returned from a visit to Port Arthur.

Katy Has New Diesel Engine

S. A. King, local agent at the Katy depot was all aflutter Wednesday just before noon and called a number of business men to come down and have a look at a new diesel freight engine making its first run thru Burkburnett.

A number were on hand when No. 518, a sleek red job pulled in and began switching freight cars. It is a powerful monster, and handles a string of cars as easily as a new automobile glides through the streets.

No. 518 is one of four engines of the diesel type to be placed on this line of the Katy, so we understand.

Thousands Of Shoppers Attended United's Opening

Last Saturday was a big day in the 300 Block on Main Street when the United Super Market held its formal opening. Long lines had formed at the door to shop in the new store when it opened at 8:00 A. M. Thousands of shoppers crowded through its aisles before closing time Saturday night.

Bob Heiney, manager of the store, says a very conservative estimate is that five thousand shoppers the store last Saturday. Battery frying chickens literally went like hot cakes. Several hundred went at the advertised price of 69c each. Other prices listed were the lowest seen in Burkburnett in many moons.

Jack Snell, owner of the store was delighted with the reception Burkburnett trade area people gave his new store.

Civilian Defense Meeting Held Here Friday, Feb. 16

Representatives from practically every club, organization, church, etc., met with Civilian Defense Director, J. T. Brady, last Friday night at The American Legion Hall.

Rev. Jensen, pastor of the 1st Methodist Church, opened the meeting with prayer.

In his opening remarks, Pat Brady said: "England was battered, though saved by organizations similar to this. The A-Bomb is a new weapon, more destructive, and calls for even greater organization against its attack."

To further the organization in its undertaking, the following officers were named:

Mayor, R. O. Brookshier.
Director of Civil Defense, J. T. Brady.

Legal, Don Short.
Public Affairs, Harry Dodson.
Deputy Director, J. C. Boyd, Jr.

Mutual Aid, Slim Holman.
Evacuation Service, J. Frank Kelley.

Transportation Service, Harlan Mills.
Communication Service, Albert Dowdy.

Assistant Directors: Dr. P. A. Carpenter, P. A. Wiggins, Dan Sheriff, Mrs. Crosley, Ralph Davis.

Others will be announced at a later date.

Judge Arthur Tipps of Wichita Falls brought the group to date on organization so far, in the State, District, County and Cities. According to Tipps, the organization is a problem and duty of each city—the individuals in the various cities being responsible.

There will be another meeting of the Civilian Defense organization Friday night, February 23, 7:30 P. M. at the Legion Hall. Mr. Brady would like a big turn-out to do more organizing to make the set-up effective.

Singing Announcement

The Community Singers will meet at the Nazarene Church this Sunday afternoon from 2 'til 4 o'clock. The Colored singers have promised to bring us a few numbers. This is not a Denominational affair, so everyone is invited to come and help sing.

Cliff Wampler Is Chairman of Red Cross Fund Drive

C. B. Wampler, local real estate and insurance agent has agreed to head the Red Cross drive for funds in Burkburnett.

Mr. Wampler is working to complete his organization and plans for the drive, which will be announced next week.

The drive will be staged here right after the first of March, according to Mr. Wampler.

Aunt Dora Working For White House Grocery & Market

Beginning this week Aunt Dora will bring humor each week in the columns of the Star. Her informal friendliness and humor will appeal to all. Her philosophy will be accepted and welcomed as much as neighborly over-the-fence visits!

"I always say a helping hand is worth two that push." "Remember that mud thrown is ground lost." These are typical of Aunt Dora's thoughts, to be brought each week under the sponsorship of J. N. (Bud) Hicks at the White House Grocery and Market. Watch for Aunt Dora!

City Election Qualifications

To qualify for a councilman, you are required to have lived in Texas one year, in Wichita County six months, and in the City of Burkburnett six months, as well as have your poll tax receipt. That is all, EXCEPT, you have to qualify at the City Hall THIRTY DAYS PRIOR TO APRIL THIRD, 1951.

Burkburnett has five councilmen, two of which are to be elected April 3rd, and three to be elected next year, the term of office being for two years for each elected councilman.

These men, with other men appointed by them, govern the City of Burkburnett.

Burkburnett's incorporate limits is larger than it has ever been, and it could be made larger than it is. A large number of good citizens have invested from \$5,000 to \$20,000 in new homes and business concerns in our fair City within the last few years. Have you counted the new homes within our City, recently? The population has more than doubled in the last decade. Thousands of dollars have been put into the stockpile of good investments in Burkburnett. You should be very much concerned about the future of your investments.

Why not organize into groups and select one candidate from your group as a Councilman to become a member of your City's Board of Directors? There should be at least six names on the Election Ballot from which two will be elected. Next year, when three are to be elected, there should be ten qualified names on the Election ballot.

Burkburnett's future should be planned, it will not plan itself, profitably. If you should decide to sell your equity in your home or business, in the future, will that equity be worth to you then, what it is worth to you today? Can you get back the money you now have invested? Your governing body can regulate this to a great extent if you help them.

Would you put \$10,000 in a sack, pitch it down in the street and say "Here, just any five men around here can do whatever they want to with my money, I do not have time to fool with it." No, your investments are worth more than that to you, they are worth more than that to our fair City.

Go to the City Hall today and qualify for the election as a candidate for councilman before it is too late to qualify. (Health will not permit the writer of this article to qualify).

THE VALUE OF BROTHERHOOD

It is fitting that National Brotherhood Week should be at the time of George Washington's birthday. The first president of our country, loved liberty, for he staked his honor, fortune and life to maintain it, to preserve it for you and for me. Washington knew that to keep this liberty one must be eternally vigilant, must guard it well against destroying forces. This too is the price of preserving brotherhood. It was George Washington who wrote: "To bigotry no sanction, to persecution no assistance." This land of ours is vast in its cultures, talents, its skills for building industries, tilling farms, developing the arts and sciences. All of these have come from human resources, mixtures of humans of many nationalities, races, creeds. It is true that men differ in religion, in race, but the rights of the individual and the unity of a nation, must be upheld if we believe that George Washington had a noble purpose in preserving liberty for his beloved land. We believe that a more perfect union, domestic tranquility and the establishment of justice, comes in giving more than just lip-service to Brotherhood.

WHO SAID SACRIFICES!

"Keep your saucepan lids on; put the kettle on before, not after, you light the gas," was the radio appeal by Minister of Fuel, to Britons. Save coal, gas or electricity, but save your fuel. A dim-out in cities in Great Britain, a minimum of street lighting. A shortage of vital raw materials, of manpower (with a demand from the armed services of 200,000 more men). British housewives expecting further meat rationing and present rationing provided but one meat meal a week.

India, suffering from a wide spread drought, from flood, locust and even earthquake, appeals for credit from this country to buy 2 million tons of grain from the U. S. Great Britain formerly extended food on credit to India, but can do so no longer. The American taxpayer is burdened with more to come, the grain we may have to supply our military. But with India under pressure and her people hungry, it is the old question with its two sides. Russia intervention with feed to sell. Its ideology doesn't last long, but hungry people clutch at a straw. But, in this overall picture of what is going on "over there", it seems there are sacrifices being made—plenty. People who say we shouldn't defend Europe unless the people there are willing to sacrifice, might reflect upon the meaning of the word.

With meat probably to be rationed, Americans have really gone to the market. Government food officials believe over 1 billion pounds have been stored in family freezing units, food lockers. And the "Operation Grocery Store" hasn't begun yet! We, who would ask sacrifices of others, should we not look unto our own house?

AN INSULT TO ATHLETES

The disclosure of the basketball "fix" in New York City, was the third major gambling conspiracy in five years. When young men play along with gamblers instead of their coach, team, school, they are playing a losing game. You may make \$1,000 for throwing a basketball game, but we would hardly say it was the easy way, that is one puts a price on self-respect. The charges of bribery and conspiracy are not common in athletics. When such is made however, the publicity and punishment may have an effect on other young men who might waver, be tempted. Whether you are a follower of sporting events or not, you dislike to think that "easy money" penetrates into the ranks of American sports. Hats off to the men who uncover these conditions, to the men who had the chance to cheat but refused.

Concerning the Interest Payment On Gov. E-Bonds

Fact Sheet on U. S. Treasury Plan for Maturing Series E Savings Bonds

1. Secretary of the Treasury John W. Snyder recently asked Congress to enact enabling legislation so that the Treasury could put into effect a plan for handling maturing Series E Savings Bonds, beginning May 1, 1951. Under this plan, the holder of a Series E Bond would have the choice, as the bond matures, of:

a. Accepting cash, if he so desires. Bonds are cashable at any time; or

b. Continuing to hold his present bond, with an automatic interest-bearing extension. Owners who exercise this extension privilege will receive 2 1-2 per cent simple interest for all or any part of the next 7 1-2 yrs; interest during the final 2 1-2 years of the extension will bring the total interest of 2.9 per cent compounded; or

c. Exchanging his matured bond for a current income Savings Bond of Series G.

2. The House in Congress has passed this legislation. As of this date (Feb. 16, 1951), the Senate must yet approve it, and is expected to do so in its regular order of business.

3. The plan will apply to Series E Savings Bonds only, including both those sold during the past and those to be sold in the future.

4. When legislation is finally passed by Congress and signed by the President, the plan will go into effect on May 1, 1951, which is the tenth anniversary of the beginning of Series E sales. (Savings Bonds sold prior to May 1, 1941, were of a series other than E).

5. There are several distinct advantages in the plan to people holding Series E bonds and who want to reinvest the proceeds. First, the plan makes it unnecessary for the bond holders to cash in their matured bonds and then buy new ones; they simply hold the old bonds and the interest on them accrues automatically for another 10 years. This means that a Savings Bonds purchaser will receive 78 per cent more than his original investment by holding his bond to maturity and then taking full advantage of his extension privilege for another ten years. Dollar-wise, this means that a Savings Bond buyer has the opportunity to receive \$133.33 for the bond he

originally purchased for \$75.00. Second, the 2 1-2 per cent interest during the earlier years of the extension is a somewhat better return than for a new bond.

7. The Treasury emphasizes these two things: (1) Holders of matured Savings Bonds may cash them in at any time; and, (2) the holder of maturing E bonds has the privilege of re-

taining them for all or any part of another 10 years, but he is under no obligation to do so.

Miss Bonnie Louise Lahm, Jack Tatum Recite Nuptial Vows in Impressive Rites

The First Baptist Church in Burkburnett was the scene Friday evening for impressive wedding services uniting Miss Bonnie Louise Lahm, daughter of Mr. and Mrs. M. L. Lahm of Burkburnett, formerly of Wichita Falls, and Staff Sergeant Jack A. Tatum, son of Mrs. W. C. Tatum of Norfolk, Va.

Rev. W. R. Karkalits, assistant pastor, officiated. Mrs. Vernon Duke was organist; and Miss Nathalie Foster, vocal soloist, provided the musical setting. The latter sang "I Love You Truly" and "I Love Thee Dear."

White flowers and burning candles provided a background for the ceremony.

The bride, who was given in marriage by her father, wore a street length frock of pastel blue wool and nylon sheer with white and silver accessories. She carried a white bible and wore a white orchid corsage.

Miss Frankie Kennedy of Burkburnett was maid of honor. She wore a navy taffeta dress with harmonizing accessories and her corsage was of yellow daffodils. Walter B. Davis was best man. W. A. Hinnant of Wichita Falls and Daniel Lahm served as ushers. Nancy Lahm and Billie Sanders were candle-lighters.

The bride is attending Burkburnett High School, while her groom is with the Air Force stationed in Oklahoma, but was formerly at Sheppard Air Force Base.

The Lahm home was the scene for a reception following the wedding. Decorations consisted of daffodils, acacia, and white stock. Miss Foster presided at the punch service and Miss Kennedy served the cake. Miss Rosemary Hinnant of Wichita Falls presided at the bride's book.

Out-of-town guests for the wedding and reception included: Miss Willie Daniel, Mrs. Ina Austin, Mr. and Mrs. Wayland D. Keith, Mr. Ebon Keith, Mr. and Mrs. W. A. Hinnant, Mrs. Minnie Keith, Miss Rosemary Hinnant, all of Wichita Falls, and Mr. Lloyd Belcher of Houston.

Mr. and Mrs. Tom Harms have received word that their son, Capt. Thomas H. Harms has been promoted to Major. Major Harms is Chief over Officers section at Lackland A. F. Base in San Antonio.

In Memory of Joe Majors

Dedicated to the bereaved family by Mrs. Wesley Prinzing.

We miss thee from our home Joe; we miss thee from thy place. O'er our lives is cast a shadow, we miss thy pleasant face. We miss thy kind hand so willing, thy fond and earnest care; home is dark without thee; we miss thee everywhere. Yet again we hope to meet thee when the toil of life has fled, and heaven with joy to greet thee, where no farewell tears are shed.

At an early hour one morning, the pale messenger of death winged its way into the home of Mrs. Joe Majors and laying its icy hand upon the heart strings of Joe, stilled the pulse and closed the eyes in the sweet sleep of death until the resurrection morning.

Oh dear wife, daughter and son, weep not for this precious one. God knows best, and though the way seems dark and dreary, the load hard to bear; yet look up for we will understand some day why he must go on before to try the realities of the beautiful beyond.

To weary hearts, to mourning homes, God's meekest angel comes. He walks with thee, that angel kind, and gently whispers "Be resigned, bear up, bear on, the end shall tell, the Dear Lord doeth all things well."

Mr. and Mrs. Luther Cain and son Bobbie of Graham visited Mr. and Mrs. Harry Dodson and Jeanne Monday night.

Great Southern Life Insurance Co. Enjoys Best Year

Mr. ROY T. MAGERS, local representative of the Great Southern Life Insurance Company of Houston, Texas, announces the company has completed perhaps its best year in all respects since it was organized in 1909, according to information just released by Mr. L. S. Adams, President.

Assets at December 31, 1950 totalled \$115,207,477, an increase of more than \$8,300,000 for the year. During 1950, new policies numbering 16,898 for a total new life insurance of \$60,771,212 were written by the men and women who represent the company in the field as career life underwriters. At the year end more than 200,000 provident individuals owned Great Southern protection of \$515,224,634. This figure is exclusive of benefits protecting policyholders in the way of disability, accidental death and various forms of annuities designed to provide income for retirement years. Cash payments made during 1950 to living policyholders amounted to \$2,622,227, and to beneficiaries, \$3,357,563. Since the company was founded policyholders and their beneficiaries have received \$109,600,750.

Funds in excess of all reserves and liabilities afford \$9,546,763 in surplus protection over and above the amount required to guarantee fulfillment of the terms of the policy contracts in force.

Serving the Southwest exclusively the company stresses service to the cities and communities within its territory. It continues its policy of making substantial loans on farm and ranch properties and on urban residences and business properties. During 1950, \$22,321,725 was loaned to help finance the purchase and improvement of such properties. All told the Great Southern has more than \$71,000,000 invested in the financial, commercial and cultural development of the Great Southwest which it serves.

Doc Dougherty's Talking Dolls At High School 27th

High School Auditorium February 27th. Admission 10c for Students, Adults 50c

DOC DOUGHERTY

"Doc Dougherty's Dolls" includes all types of Puppets, Marionettes, Guignols (Hand Puppets), Ventriloquist figures and Magic Dolls in a very informative and entertaining program featuring Ventriloquism, or Talking Puppets.

"Doc" has become the outstanding ventriloquist in the school assembly field. His work has drawn high praise from our schools where he appeared last fall, as indicated by these reports: "Excellent. This program was well liked by pupils of all ages and also by members of the faculty." "Excellent. This was an exceptional program, different, appealing, humorous and instructive. Our students liked it." "Excellent. This program has both educational and wholesome entertainment value. The children loved it."

Doc's career started at the age of nine when his aunt married Ray Lafollette, the Famous Magician and Puppeteer of France. He saw the youngster was very much interested so he taught him the fundamentals and saw to it he received the proper background to make a good entertainer. Doc attended St. Marys, West Virginia High

School, University of Cincinnati and Schuster-Martin Dramatic School of Cincinnati, Ohio.

His first public appearance was at a father and son banquet in Canton, Ohio. His first professional entertainment was in 1928, and since then he has entertained thousands from coast to coast.

"Doc Dougherty's Dolls is an unusual entertainment. He is a personality with a wide range of talent and a rare sense of humor. This is an all laugh entertainment and is enjoyed by all ages from three to ninety-three.

The exclamation point is gradually going out of use. People aren't surprised at anything any more.

When there are teen-agers in the house the living room is a misnomer. It should be called the loving room.

How much expansion by 1960

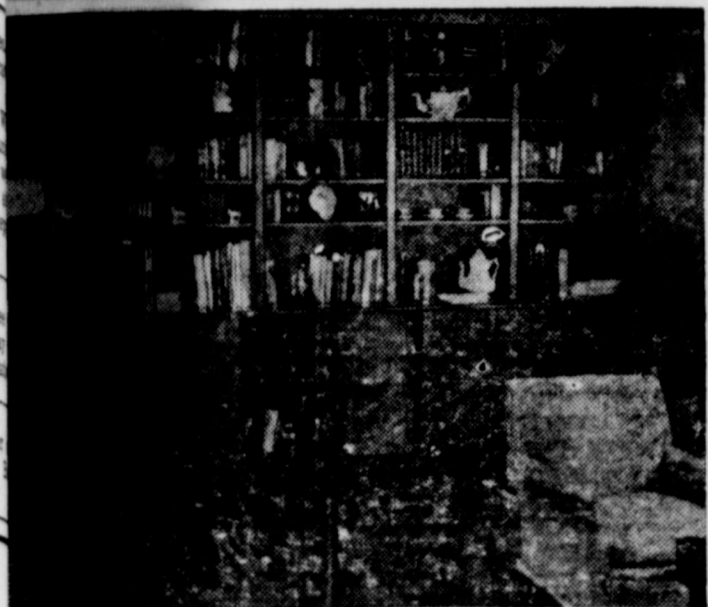

United Gas is now providing dependable natural gas service to well over twice as many customers as we served at the end of 1940. In the last ten years, our service has been made available to an additional 217,000 customers in this area. To keep step with the steady growth of the territory, our plans call for further large investments in new pipe lines and other facilities to serve still more customers and to assure more adequate supplies of fuel to industries on all parts of the system.

Multi-in television cabinet, bookcases, cabinets and wall paneling of wood veneer lend distinctive beauty to this living room. Sonia Albert, young New York architect, incorporated these attractive features in remodeling the home of her parents at Danbury, because hardwood plywood and wood veneer are durable and easy to install, and require only a quick once-over with the cloth and an occasional waxing to stay looking at their best.

Notice to Finder

Executive Secretary of the Game, Fish and Oyster Commission announced that the Department will continue to co-

operate with other agencies in a program to trace complex Gulf currents as well as the distribution and migrations of commercial fishing stock.

Several thousand postcards, each sealed in a plastic con-

tainer, will be dropped into the Gulf of Mexico by U. S. Naval aircraft during 1951. These postcards, called "drift cards", will carry the following wording, written both in English and in Spanish, since many will probably be recovered in Mexico:

"Notice to Finder: These cards are being used to study the currents of the Gulf of Mexico. Please remove from plastic and fill in blank spaces. Mail every card you find. No postage needed in U. S. In return, you will be told the time and place of their release. Thank you."

This project is jointly sponsored by the Game, Fish and Oyster Commission, the U. S. Fish and Wildlife Service, Gulf States Marine Fisheries Commission, Texas A. and M. College, and the Navy Department's Office of Naval Research.

Sparks From The Capitol

By Jim Sparks
Capitol Station, Austin, Texas

A few days ago, we noticed an article in Collier's which, we think, included a very fine tribute to our country's weekly press.

It was about Lincoln's Gettysburg Address, which the big dailies overlooked in preference for another speaker on the same program. However, hundreds of country weeklies found Lincoln's "little speech" exactly suited to their purpose and gave it wide circulation.

Today, practically no one is familiar with the other speaker or what he said in the two hours he spoke. But Lincoln's now famous address, which has only ten sentences and required him only about two minutes to deliver, is known by everyone. Thanks to the weekly papers.

ROADS
Last week, we reported on the two road bills in the House, by Rep. Graham and Rep. Triplett. As stated in that report, both men sincerely seek to build more and better roads. Present indications are that the House will effect an agreement between the two which will include the better points of both bills.

TAXES
The House Revenue and Tax Committee is continuing its study of the entire tax problem. To date, it has held hearings on cigarettes, chain stores, carbon black, sulphur, cement, and motor vehicle sales.

Chairman Jim Lindsey, Texas, says it is the policy of the committee not to hear any particular bill until March 22. This is to allow sufficient time

to get information on present taxes, the amount of money the Legislature will spend, and whether new taxes are needed to provide the money.

WATER
Next Monday, Feb. 26th, the House water committee begins its series of hearings on the bill recommended by the Texas water Code Committee which has just completed an exhaustive and detailed two-year study of Texas water problems.

This bill will reorganize and strengthen the present water board, prevent water waste, make use of abandoned water rights, safeguard existing rights, and aid cities and towns in dry and semi-dry areas of the state.

Hiram Childress, Sweetwater, is chairman of the House committee. Rep. Byron Tinsley of Greenville, is sponsor of the bill, assisted by several others.

Use Good English Club Organized

In an effort to promote interest in her English class, Mrs. Spradling, 7th grade teacher, organized an English club at the beginning of the term. In a contest where pupils wrote an article on the organization, the following written by Margaret McDonald was chosen the best

in the 7th grade section:

A. U. G. E. CLUB
Seven-one organized an English club at the beginning of the term. The purposes of our club are: to improve our English, to learn how to enjoy class, to learn club procedure, to learn how to co-operate, and to make friends.

Our President serves for a period of two weeks. We have a different secretary each day. By this method, every pupil writes minutes at least one time in a six weeks term. Each one serves as president or vice-president during a semester.

We wrote our own Club Constitution. We have many activities. We give reports, discuss our hobbies get programs, make recordings on the wire recorder, and have contests.

Our Club is supervised by Mrs. Spradling in our regular English class.

We decided we needed a new name for our club. Many names were suggested. The class chose the one Monty Knox suggested, the A. U. G. E. Club. A. U. G. E. means, Always Use Good English.

CHILDHOOD ACCIDENTS

Parents have reason to wonder each morning, whether any accident might befall the very young before that day has passed. Man's life span has lengthened through the successful control of many diseases of children. Since 1930 the child fatality rate from common disease declined 75 to 90 per cent. But in that same time, the accident rate dropped only 9 per cent for boys and 19 per cent for girls. Accidents outrank every other cause of death for the pre-school age child. Social science, public health education, promises longer life, but matches, boiling water, safety and hair pins, poisons, automobiles, can outguess the laboratory. Naturally, the father and mother do all in their power to protect these very young, but carelessness is something practiced by young child and adult. The tot may not know better but the adult does, and he must carry the weight.

Women's Society Met Monday, 12th

Members of the Women's Society of Christian Service met at the Methodist Church Monday afternoon at 2:30. Mrs. Reger gave the second lesson of our current Bible study, "Co-operate Worship." Mrs. Holt led in a short worship service at the close of the meeting.

These lessons are most inspirational for our lives today. The leaders urge all members of the W.S.C. to take time to come and take part next Monday from 2:30 until 3:30. You will not be sorry you took one hour to meditate on God's Word.

Burkburnett Art Group Meeting Thursday, Feb. 8th

Thursday evening, February 8th, the Burkburnett Auxiliary of the Wichita Falls Art Association met at the Hill Ceramic Studio with seven members present.

Hostess for the evening was Mrs. Dan Sheriff who gave a talk on Appreciation of Modern Art. Members worked during the evening in such medias as oil, finger painting, water color, sculpture and ceramics.

It is interesting to note the interest aroused by this small group, and the progress they have made during their short period of organization. In the future each member will take some subject pertinent to art and discuss it at the Thursday evening meetings of the group.

Those working during the evening were: Mesdames Alvin Hill, Josephine Haynes, Owen Kelly, A. A. McKinnis, Dan Sheriff, Gene McCabe and Miss Sadie Beth Tevis.

40th Anniversary Discovery of Oil Electra, March 31

Electra, Texas, February 14—Electrans will pay tribute to an oil well on Saturday, March 31. That date will mark the 40th anniversary of the discovery of oil at Clayco No. 1.

Western hospitality will be in evidence as friends and neighbors from surrounding communities in Texas and Oklahoma are being extended an invitation to the party. Discovery of oil in Electra opened up the entire field in this section of Texas. For that reason, Electrans are of the opinion that other people would like to join them in the celebration.

Allen Krohn, chairman, has announced plans for the affair. He emphasized that major oil companies, independent operators, supply houses, etc., are co-operating in an effort to make the affair the biggest ever staged here.

A mammoth parade, featuring a million dollar's worth of oil field equipment, will open the festivities. There will be entertainment of all types for young and old. Highlighting the affair will be a pipe-laying contest and a rededication ceremony at the site of Clayco No. One.

Pioneers will be special guests at a chuck wagon feed. There will be a luncheon for pioneer women as well as a chuck wagon feed for all persons connected with the oil industry.

Krohn declared: "Electra's history is unique. Forty years after the initial discovery, oil is still our principal industry. Electra has every reason for celebrating."

Miss Moller Is Supervisor For Camp Fire Girls

When Miss Corinne Moller, now Regional Supervisor for Region IV of Camp Fire Girls, Inc., returns to this area for a special field visit, February 19 through March 2, she will be privileged to see the program Burkburnett Camp Fire Girls have made in the last 8 years. For it was in 1943 when Miss Moller was Executive Director in Wichita Falls, that the North Central Texas Area Council was organized with the Burkburnett District Council as a charter member.

From a simple beginning of one Camp Fire Group and one Blue Bird group, membership has grown to include five Blue Bird groups and two Camp Fire groups.

Miss Moller will be available for consultation and council training during her field visit here in Burkburnett. She plans to discuss Council activities with Walter Riley, president of the Burkburnett District Council and other members of the board.

Miss Moller attended Camp Fire Orientation School at New York University in 1940, and became Executive Director of the Wichita Falls Council of Camp Fire Girls. Through her efforts Camp Fire was expanded to include all of the North Texas area, and the Area Council was organized in 1943 with Wichita Falls, Electra, Burkburnett, Iowa Park, Archer City and Nocona as charter districts.

When she became a National Staff Member as a Field Advisor of Region IX (Texas, Oklahoma, Louisiana, New Mexico, and Arkansas) in 1947, she was replaced by Miss Elizabeth Owen, who is still Executive Director of the North Central Texas Area Council.

Burkburnett is especially privileged to have the able supervision of Miss Moller because of her earlier work and interest in the Camp Fire Girls of Burkburnett. Also scheduled during her field visit will be conferences in the other districts, highlighted by a special Area Board of Directors' meeting Tuesday, February 20 at 6:30 at the Y.M.C.A. in Wichita Falls. Walter Riley, Mrs. Tom Britton, and Virgil Brookshear are all members of this board who will attend this meeting.

WASHINGTON NEWS LETTER

Congressman Ed Gossett 4th District of Texas

Washington, D. S., Feb. 17 — I helped make a 30 radio transcription for the 1st in Texas, on the sub-tidelands. On this pro- vided Senator Joseph O'Connell of Wyoming, who is an of the Interior and Affairs Committee in the (which Committee will such to do with Senate on the subject), Con- sidering Ken Regan of the Midland district, and Senator J. M. Combs of amount district. Former of the Interior, Har- ickes, is really the father federal seizure of tide- lands in 1933, Secretary Ickes a letter to an applicant federal lease on the tide- lands; they appeared to the Federal Govern- ment had no rights or power such areas but that belonged to the States. In Secretary Ickes reversed tion and announced that federal Government owned lands; they appeared to the stealing. In the 79th ss, on July 27, 1936, he passed a States Rights a vote of 188 to 67. The passed it by a vote of 14. On August 1, 1946, nt Truman vetoed this is veto message rested ly on the ground that he was then pending be- fore the Supreme Court and not be prejudged by ss. On June 23, 1947, the e Court handed down its in the California case, ng the California decis- ion the 80th Congress, on 0, 1948, the House again the States Rights bill. e was 257 to 29. On June 5, the Supreme Court hand- ing its decision in the Tex- siana cases. The Texas s decided by a 4 to 3 e Court. The Court at Texas did not own its is even though they were ed by metes and bounds Constitution of the Repub- Texas. Now, the issue is efore the Congress. Sen- Mahoney is advocating called Interim bill. The ill purports to be a ry measure, authorizing ed exploration and oil ion pending passage of ent legislation. The ob- which many of us have Interim bill is that it s to the Secretary of the complete control of all elands, with authority to and regulate exploration duction therein. There is o the old adage that "po- is nine points of the many of us feel that we do a complete job in- an interim job on tide- in my judgment, we have votes in both the House ate at this time to pass s Rights bill over a ntial veto if the same be- necessary.

Senator Walter Rogers Panhandle district, made ch in the House this He advocated extending rk v. eek for Federal em- . Since that time he has etting many abusive let- om such employees. My s open at least 60 hours eek. It would certainly e defense program to ex-

tend hours of work. Labor czars again defied the public this week. The labor members of the Stabilization Board resigned because defense mobilizer Wilson, recommended a 10 per cent wage hike formula instead of a 15 per cent hike formula. Apparently, these labor bosses will continue to control the government. For the last 15 years, they have settled all controversies, primarily on their own terms. The amazing thing is that they were not satisfied with 10 per cent.

In an effort to avoid the same mistake of World War II, Congress has passed legislation requiring that as ceilings are placed on prices they must also be placed on wages. Apparently the politicians are now to disregard this mandate and the public welfare in continued surrenders to the shortsighted, selfish demands of the labor czars.

There now seems a strong probability that we will permit the fires of inflation to completely destroy us.

Secretary of Labor Tobin is controlled by the labor czars. He has been going over the country hiking wages in all areas where government contracts are being made. Under the law, government work is supposed to be at the prevailing wage in the area. However, he has assumed authority to fix wage scales rather than to follow them. His recent action in increasing government wages above prevailing wages on construction of the hydrogen bomb plant in South Carolina will add more than a hundred million dollars to the cost of such plant. Such action will also, of course, play havoc with all prevailing wage contracts in that area. The equalizing process is always upwards, never downward.

YOUR HEALTH

By Geo. W. Cox, M. D. State Health Officer

Cold weather and influenza go hand in hand, so the proverbial "ounce of prevention" is especially timely. Influenza has many of the signs and symptoms of a common cold, and may develop from a cold. The popular nickname for the disease is "flu", according to Dr. Geo. W. Cox, State Health Officer.

The common symptoms of "flu" are well known. Fever at the onset, cough and pains in the head, back and limbs have been experienced by many. This disease, which spreads rapidly, has a crippling effect on the community. Much time lost from school and work; therefore, its control is of economic and social as well as medical importance.

Since permanent immunity is not developed as the result of an attack of the disease, these epidemics continue to appear. Everyone is susceptible. The fact that this disease is highly contagious makes isolation and personal cleanliness of utmost importance in its prevention and control.

These suggestions should help: Keep up bodily resistance by eating well balanced meals and getting regular and adequate sleep; practice cleanliness; and avoid using cups, glasses, dishes, or towels that have been used by anyone else, including family members.

A physician should be called when "flu" symptoms appear. The sick should be isolated from others with the exception of the person acting as nurse. The "flu" victim should go to bed and stay there until his physician says he can return to usual activity.

Prevent influenza if you can, but if you do get it, take care of yourself and protect others from your germs.

Navy Volunteers Being Encouraged

Navy volunteers for active duty in aviation and general line categories are now being encouraged by Eighth Naval District headquarters at New Orleans.

Aviation ground officers, mostly lieutenants and below, qualified in CIC, air intelligence, aerology, photo interpretation, electronics, aviation maintenance, law and personnel administration are needed, the Navy said.

Naval reserve aviators released from active duty in the past 18 months and not currently attached to carrier or patrol organized squadrons, were also asked to volunteer for active duty involving flying. For both ground and flying officers, active duty application should be made to the Bureau of Naval Personnel through Eighth Naval District headquarters at New Orleans.

At the same time the Navy

lowered its educational qualifications on applicants for general line officer commissions in the naval reserve.

Members of the Friendship Class of the First Baptist church met in the home of Mrs. J. C. Adams last Thursday for their monthly social. The highlight of the social was a birthday celebration for eleven members having birthdays in February. The longboard was covered with a Belgium linen cloth, featuring at one end an antique coffee urn and at the other a large birthday cake with miniature candy candles. The centerpiece was of ranunculi in red with red nandina leaves and red candles. Tiny corsages of the same were arranged around the container and ready to be fastened on the shoulder of each of the eleven members celebrating.

The business meeting was presided over by Mrs. Landers in the absence of the president, Mrs. Will Teal. The teacher, Mrs. Thaxton, introduced the program numbers in the absence of Mrs. E. R. Burns, program chairman. Readings were given by little Joyce Fields and Paula Garland. Thirteen ladies were present. Due to the snow covered ground most members were unable to attend.

Grace Lutheran Church ANNOUNCEMENTS 3rd at Avenue E R. L. YOUNG, Pastor

Once more we are in the midst of the Lenten Season, the time of year when in special manner our thoughts are directed to the cross atop Calvary, the cross upon which our Savior procured full salvation for us. Grace Lutheran Church is giving special emphasis to the Passion of our Redeemer with a series of Midweek Lenten services. These hours of worship are conducted each Wednesday evening beginning at 7:30 P. M. If you have been wanting to visit our church, or if you have no church home in this vicinity, we invite you to attend and meditate with us upon our Savior's suffering and death. Divine worship is conducted each Sunday morning at 11:00 A. M. with Sunday School and the Adult Bible Class beginning at 10:00 A. M. The Adult membership class meets each Monday evening at 7:30 P. M. in the pastor's study. If you would like to know more about the teachings of Scripture, or if you would like to become a member of our church, this class presents you with the opportunity. The pastor will be happy to study and discuss with you the doctrines of the Bible in a democratic fashion. You assume no obligation by attending. The Ladies' Missionary Society meets the second Thursday of each month at 2:00 P. M.

Members of the Friendship Class of the First Baptist church met in the home of Mrs. J. C. Adams last Thursday for their monthly social. The highlight of the social was a birthday celebration for eleven members having birthdays in February. The longboard was covered with a Belgium linen cloth, featuring at one end an antique coffee urn and at the other a large birthday cake with miniature candy candles. The centerpiece was of ranunculi in red with red nandina leaves and red candles. Tiny corsages of the same were arranged around the container and ready to be fastened on the shoulder of each of the eleven members celebrating.

The business meeting was presided over by Mrs. Landers in the absence of the president, Mrs. Will Teal. The teacher, Mrs. Thaxton, introduced the program numbers in the absence of Mrs. E. R. Burns, program chairman. Readings were given by little Joyce Fields and Paula Garland. Thirteen ladies were present. Due to the snow covered ground most members were unable to attend.

Mr. and Mrs. John Yellish of Dallas spent the week end with Mr. and Mrs. J. M. Hayworth. Horace and Earl Wayne Mills visited friends here one day last week. Mr. and Mrs. Ray Mills of Electra visited in Burkburnett Saturday.

Recent Bride Is Party Honoree

One of the prettiest bridal showers of the winter season was the one on Tuesday evening honoring Mrs. Galen Gene Manley, the charming daughter of Mr. and Mrs. James Pogue. The Wesley room of the Methodist church where the party was held, was decorated with arrangements emphasizing the Valentine motif. The refreshment table was covered with a white cloth and was appointed with a crystal punch service. The centerpiece was a beautiful heart laden tree entwined with greenery and two large satin hearts studded with dainty lace surrounded by white cupids decorated the piano. The refreshment plate also featured the chosen motif individual white cakes with red hearts.

Mesdames D. C. Dodson and Paul Browning served the punch assisted by other hostesses. Mrs. J. L. Caffee presided at the register. Miss Kay Morrison presiding for the occasion. Misses Natalie Willingham and Mrs. Tom in a beautiful collection of guests and both the new mother. The invited Hostesses were Mrs. Morison, Mrs. Brookhart, Mrs. Browning, Mrs. Brock, Mrs. C. Dodson, Mrs. Henry, and Miss Ethel Burkburnett. C. Scott, C. Blessing and the sister of Mrs. Manley.

Mr. and Mrs. Manley and children were in Jansen visiting in the morning. Mrs. Manley will be in Jansen on Friday.
